J. W. DASKEVICH, JR.
... seeks Place 2

MORRIS NEWHAM
... files for Place 3

JAMES RATLIFF
... seeks Place 4

Candidates are filing for places in four local elections set the first week in April. City Commissioners are up for election on Thursday, April 2, and five men have filed for the five places, to date. Mayor W. F. Creager has announced that he will run for re-election at that time.

On the following Saturday, April 4, two elections will be held to determine places in the school board and Ranger College Board of Regents. At the present time, four men have filed for three places on the school board and no one has filed for three spots on the Board of Regents.

Four directors of the Eastland County Water District will be determined in the fourth election, set Tuesday, April 7. Four incumbents have filed for the places.

Filing for places on the City Commission are: H. E. Angus, Place 1; J. W. Daskevich, Jr., Place 2; Morris Newham, Place 3; and James Ratliff, Place 4. Angus is seeking his second consecutive term, having served four terms in all. Daskevich, Newham and Ratliff are all seeking their first term.

Buck Wallace is out-going commissioner for Place 2 who said he would not file for re-election. C. E. May resigned from Place 3 in January when he moved from Ranger, and Pat Thomas resigned from Place 4 in October, after serving about a year and one-half.

Today (Saturday) at noon is the last day for filing for places in the April 2 election.

G. R. Rush, superintendent of schools, will act as station judge. Polls will be located in the City Hall, opening at 8 a.m. and closing at 7 p.m.

Places on the City Commission are to be assigned by the Mayor, according to the City Charter. However, in years past, Place 1 has been the Police and Fire Commissioner; Place 2 has been designated Commissioner of Streets, Parks and Cemetery; Place 3, designated Finance Commissioner; and Place 4, Commissioner of water, sewer and sanitation.

Filing for places on the April 4 ballot for election on the Ranger Independent School District Board of Trustees are Dr. W. F. Watkins, Morris George, John C. Swinney and David B. Allsup. They will be in a race for three places.

Polls will be open in the School Tax Office in the Recreation Building. Deadline for filing was Thursday.

An election judge will be selected in a meeting of the board this Tuesday night at 7:30 in the school office.

Three places will be open on the Board of Regents in the April 4 election. Deadline for filing is 20 days before.

A place for the election is to be chosen later, along with an election judge.

Qualified voters in the election must own property in the district, which has been evaluated, and the taxes should be paid up to date, said Pickrell.

Four Men File For Water Board

Four incumbents have filed for places on the Eastland County Water District Board of Directors, in an election set Tuesday, April 7.

Candidates' names will be presented before the board for inclusion on the ballot, prior to 10 days before the election. Each of the four men gained 50 or more signatures on a petition asking the board to place their name on the ballot.

Incumbents are F. P. Brashier, Sr., and Wilson Guest of Ranger; Grady Pipkin and M. H. Perry of Eastland.

Guest and Brashier are serving their fifth terms.

Eight directors on the board serve two-year terms each. On a staggered-term basis, four directors come up for election every year.

Candidates filed with David D. Pickrell, secretary of the board.

Next meeting of the directors is set Tuesday at 3 p.m. in the Eastland Chamber of Commerce offices.

Mrs. J. W. Burch Dies Thursday; Rites Set Today

Mrs. J. W. Burch, 64, a resident of Ranger for 18 years, died at 8:30 p.m. Thursday in Ranger General Hospital.

Funeral services will be held at 4 p.m. Saturday in Killingsworth Funeral Chapel with Rev. J. C. Atkins, pastor of the Church of God, and Mrs. W. M. Morris, officiating. Burial will be in Evergreen Cemetery.

Born Nov. 1, 1894, in Hatton, Ark., she married J. W. Burch Sept. 26, 1915 in Calhoun, Okla. They first came to Ranger in 1934, moved to Netross in 1947, and moved back to Ranger in 1954.

Survivors include her husband, one son, A. E. Burch of Texas City; three brothers, Elmer Wells of Santa Monica, Calif.; Wade Wells of Keota, Okla., and Perry Wells of LaPorte; two sisters, Mrs. Jewell Copeland, both of Tulsa, Okla.; and three grandchildren.

Palbearers will be V. V. Cooper Jr., Breland Wallace, Sam Seay, Willard Pugh, Buck Weekes and Joe Weekes, all of Ranger.

Featherlite In Ranger May Add Two Large Kilns

Ranger is being considered as a possible site for two eight-foot diameter rotary kilns, 150 feet long, to be added to the eight smaller kilns now in operation at Featherlite Corp., says Carl Black, general manager.

Black said that the two kilns will be capable of producing the same quantity of material as the present eight kilns.

Featherlite purchased the kilns from the Market Cement Co. of Nashville, Tenn.

The eight kilns, now in use, have six-foot diameters, and vary in length from 60 to 85 feet.

Five six-foot diameter kilns are also in use in San Antonio by Featherlite.

Purl Hunt Buys Sinclair Station

Purl Hunt of Ranger purchased the Sinclair Service Station on Highway 80 Friday morning from George Abbott.

Previous owner and manager of the station, for 16 years, was A. L. Stiles.

The service station, located near the Main St. crossing, handles Sinclair products, washing and lubrication, and tire repairs.

Construction Contract Awarded For Dial Telephone Building

A contract for construction of Ranger's new dial telephone building has been awarded to M. E. Smith, building contractor of Mineral Wells, W. H. McAnally, manager for Southwestern Bell Telephone Company, announced.

The profits for all Ranger telephone numbers will be Mitchell's operation.

Total cost of the dial conversion project for Ranger will total about \$177,500, McAnally said.

"This cost includes the new building, land, new dial switching equipment and new outside plant facilities," the manager added.

McAnally said the company would spend about \$34,000 for new outside plant facilities such as new wire and cable, in preparing for the dial conversion.

Work on the new building will start in the very near future and completion of the building is expected in late Summer, this year. The new building will be at

Pine and Austin Sts., fronting on Pine Street. It will be of solid masonry construction with a face brick exterior, and a marble stone trim.

After the new building is completed, a trained crew of Western Electric installers will move into Ranger to install the complex dial switching equipment.

The company's installers and repairmen will begin changing telephone instruments to dial in the near future.

"This project gives us a chance to provide customers with color telephones at bargain prices. If anyone wants our installer or repairman to install a color set when he comes to equip the instrument with a dial, it will cost the customer only \$10. In these cases, customers will not be billed for the usual instrument change charge," McAnally said.

"We are able to make this offer since the installer or repairman has to make the visit to equip all our customers with dial telephones," he indicated.

The change to dial service will mean that every telephone number in Ranger will have to be changed to work with the new switching equipment.

"We will notify everyone of their new number as far in advance as possible," he said.

A new dial telephone directory will be compiled, published and distributed prior to the conversion.

Anyone in this area who is interested in participating in the drive is asked to contact Mrs. Hopper before next Tuesday.

A series of coffee meetings will follow Tuesday's session, in each of the participating towns in the county.

Funds raised will be used to push the war on cancer on three fronts: research, education and service.

National Cancer Day, set Tuesday, April 14, will open the nationwide drive. Volunteer workers will contact households at that time, making solicitations for the fund.

County Cancer Goal Announced at \$2,500

Mrs. Roscoe Hopper of Ranger will lead the 1959 Cancer Crusade in Eastland County set to open April 14.

As county chairman for the American Cancer Society, Mrs. Hopper will direct the drive — seeking the goal of \$2,500, the same quota used last year.

Mrs. O. C. Warden of Ranger is co-chairman of the crusade.

Eastland County went over the goal by 118 percent, last year, and the State exceeded goals in 97 percent of its counties.

Slogan for the county is "Let's Make Eastland County Shine in 1959."

A coffee meeting of city chairmen and key workers has been set next Tuesday at 9:45 a.m. in the White Elephant Restaurant, Eastland.

Mrs. Jack Sparks of Abilene, crusade chairman, will be the principal speaker at the coffee meeting.

City chairman will be announced next week.

Anyone in this area who is interested in participating in the drive is asked to contact Mrs. Hopper before next Tuesday.

Funds raised will be used to push the war on cancer on three fronts: research, education and service.

Kappa Kapers Set Thursday

An evening of fun and varied entertainment is promised for those attending Kappa Kapers this Thursday in the Student Union Building at Ranger College.

Sponsored by the Phi Theta Kappa, the benefit will feature cake walks and prizes in "treasure chests", and some surprise entertainment numbers.

The group, sponsored by Mrs. Price R. Ashton, plans to make a good-will trip to Monterey, Mexico, in April.

The public is invited to attend the event.

Students Conduct Soil Experiments

By Ranger College Journalism Class

Ernen Haby and students of his agriculture classes at Ranger College have been engaged this year in hydroponic, or soilless culture experiments.

Pictured growing here are oats, wheat, vetch, and corn which were planted at various dates ranging from Nov. 17 to Jan. 24. The picture was taken Feb. 9. The plants growing in the jars are supported by hail screen which is bent so as to form a floor about one inch down from the top of the jar. The roots penetrate through it. Over the hail screen is one layer of toeneck (gunny sack). The seeds

were placed on the sack and the sack kept damp until the seeds sprouted and started putting roots down. The clear solution in the jars in which the plant roots are feeding is distilled water with chemicals added from the chemistry department.

George Rushton, of the chemistry department, weighed the chemicals which went into the concentrated stock solution.

The plants in the pots and cans are supported by sand as one normally uses in mixing concrete. Before the sand was placed into these containers, it was washed until the water ran clear from it. The seeds were planted in this washed sand which has since been kept damp with the same nutrient solution as kept in the jars.

As a teacher aid the student can watch the development of the root system in the clear solution in the glass containers. Since one has at his control the amount of the several nutrients put into the distilled water, it is easy to vary the amounts of such nutrients as nitrogen, phosphorus, potassium, or some of the trace elements, and to observe the reaction of the plants.

Also pictured is Haby's Christmas tree which is still green and growing. It was cut above the ground in Colorado and hauled by truck in a load of trees to Ranger. The tree was bought during the first week after Thanksgiving and placed. For support it was placed in a can and filled with washed sand. Since then it has been kept moist with the same nutrient solution used on the plants.

PICTURED WITH Ernen Haby, agriculture teachers at Ranger College are agriculture students Donald Russell of Lancaster, Benny Gailey of Ranger, Charles Hutto of Olden, and Galand Poe of Eastland. They are shown with a part of their soilless culture experiments. (Photo by Charles Bonney).

Personality of the Week
By Paula Angus
Don Reynolds, the young man chosen as Personality of the Week at Ranger College, has a most interesting background. A native of Vernon, Texas, he has been in thirty-nine of the forty-nine states and in five foreign countries, Canada, Mexico, New Foundland, Ireland and Belgium, and Hawaii.

A 1955 graduate of Vernon High School, he is a mid-term freshman at Ranger College, where he is majoring in electrical engineering. He plans to attend Tarleton State in Stephenville and Texas Christian University in Fort Worth.

Don, known as "Jug" to all his friends, has an unusual hobby, training horses. As a trick rider, he has ridden in more than 560 rodeos. He has also been a trick roper and a Roman rider, and had one season of bareback riding. He plans to go back to rodeo work next season.

A personable, soft-spoken brunette, he is interesting to talk to, and he takes a lively interest in the people and the world around him. A serious but fun-loving student, he is a welcome addition to the student body of Ranger College.

State Farm Mutual Insurance Co. Insures Almost 10 Percent of Cars.

The nation's largest auto insurance company announced today that it now insures nearly 10 percent of U. S. passenger cars.

Adlai H. Rust, board chairman of State Farm Mutual Automobile Insurance Company, said his firm's policies cover 5,159,000 (or 9.9 percent) of the 52,500,000 passenger cars which the Automobile Manufacturers Association estimates were in operation at year-end. The company has more than 5,500,000 policies in force here and in Canada.

Local agent for State Farm is

Jesse C. Carter.

Rust's summary of State Farm Mutual's 1958 operations shows earned premiums for the year of \$379,611,794, up 16.4 percent over the 1957 figure. This record premium total marks the seventeenth consecutive year that State Farm Mutual has led all other auto insurers, Rust said, pointing out that the company's earned-premiums now top those of all other U. S. fire or casualty companies.

Claim costs hit a record high in 1958, totaling \$291,412,039. State Farm settled claims at the rate of one every 16 seconds for a 1958 total of 1,998,932 individual claims.

Investment gain amounted to \$13,444,795. Underwriting gain was \$8,814,696, two and a third percent of earned premium income. Assets increased 16.6 percent during the year to \$148,502,097. Policyholders' surplus totaled \$132,577,187 at year-end, a 12.7 percent gain. Federal income taxes took \$4,361,764.

Record gains also were reported by State Farm's two subsidiaries.

State Farm Life Insurance Company's sales of \$276,448,951 of ordinary life insurance totaled 1957's record high by 4.6 percent. Ordinary insurance in force at the end of 1958 totaled \$1,319,678,643. State Farm Fire and Casualty company's direct premiums were 21.1 percent over the 1957 figure at \$25,671,512.

Home offices of the three companies are in Bloomington, Ill. The State Farm organization has 17,750 agents and employees in the U. S. and the Canadian province of Ontario.

United Appeal Is Set Sunday

Churches in Ranger observing "One Great Hour of Sharing" will join with tens of thousands of others throughout the United States tomorrow (Sunday) in emphasis on the overseas relief and reconstruction programs of the churches, with special offerings being made to support this ministry to those in need abroad.

In the 1959 United Appeal, of which "One Great Hour of Sharing" is a highlight observance, major Protestant denominations are working together for the eleventh consecutive year through Church World Service, National Council of Churches, in their appeal for funds with which to carry on world-wide work of relief among the millions of homeless, hungry and destitute in overseas areas of distress.

Thirty-five major denominations and communions cooperate through Church World Service in programs to aid the needy abroad. Individual and joint overseas relief efforts of the churches for 1959 will require more than \$11,250,000 in cash, in addition to many million pounds of U. S. surplus commodities and other contributed food, clothing, medicines, etc.

Most Roman Catholic Churches similarly will observe an overseas relief emphasis tomorrow, with their response to the appeal of "The Bishop's Relief Fund," coincident with the "One Great Hour of Sharing" observance in Protestant churches.

Likewise, most Jewish communities are engaged in their appeal for the Special Fund of the United Jewish Appeal.

Lions View 'Sea Power'

"Sea Power", in colored slides, was presented before the Ranger Lions Club Thursday noon by two Cisco men.

Introduced by Pete Brashier, E. L. Jackson of Cisco presented the program. "Navy is part of the team," he said, and since water covers over 60 percent of the earth's surface men are going to have to travel on that water.

Later Jackson explained that the Navy believes in strong forces working together for National defense Robert Blackstock of Cisco presented the slides.

Lions voted to add \$1 to their bill for the next two months to pay for half of the 45 trees being placed on both sides of Cooper St. Members of the Rotary Club are paying for the other half.

Sam Aills and J. W. Dankevich, Jr. were appointed sergeant-at-arms to aid Tailwister Dr. Marshall E. Jolly.

This week **DOW FINSTERWALD** gives you the inside story on the **SNEAD-ROSBURG ABC-TV ALL-STAR GOLF MATCH**

Snead did it again. For the 8th time in a row, he collected his check for \$2,000 on All-Star Golf. This time, the victim was fighting Bob Rosburg, who shot a commendable 2 under par 69. This, however, was to no avail against Snead's brilliant 6 under par 65.

Snead's second eagle on All-Star Golf, plus his last victory at the DeSoto Lake Country Club in Sarasota, Florida, brings his total take to \$17,000 . . . and that's a lot of money to collect on TV, outside of an Isolation Booth, Rosburg, at the outset, looked like he might turn the trick when he came up with a birdie on the 2nd hole . . . but on the 3rd his 5-iron went into the trap and he was forced to take a bogey to even up the match.

Snead wasted no time going ahead when he sank a 30 foot putt for a birdie 2, on the par 3. No. 5 hole. His magic putter sank a 9 foot putt on the next green for a birdie 3, and on the 8th, he just missed his eagle 3 . . . rinning his putt for a birdie 4. Rosburg matched his birdie on the 9th, but he still was two strokes down to Sam Snead coming into the turn. On the 11th, a 472 yard, par 5 hole, Sam hit a 1-iron 230 yards, 25 feet from the pin, and then sank a beautiful putt for an eagle 3 and a bonus of \$500. Rosburg shot a very handsome birdie on this hole, but his achievement was somewhat dulled by Snead's heroics.

On the par 3, 12th hole, Snead put his 5-iron 6 feet from the pin for another birdie . . . and I really felt for Bob Rosburg who was shooting 2 under par golf, but still found himself 4 down. This was the margin at the end of the match, with Snead shooting a 6 under par, 65, and Rosburg a 2 under par, 69.

Snead racked up 5 birdies and an eagle . . . and this is the kind of golf that is virtually unbeatable. His 65 brought Snead's average on All-Star Golf down to approximately 67 strokes per round. If you had to single out one phase of Snead's game responsible for this achievement, you must give credit to a confident, sure putting stroke that never seems to miss an opportunity to break par.

Next week, as your Mustang-wear Golf Reporter, I will cover Snead's match against Billy Maswell. Who knows . . . perhaps this will mark the end of the Snead Dynasty on ABC-TV All-Star Golf.

Youth Rally Set Saturday In Eastland

A Youth Rally sponsored by the Baptist Young People of the Cisco Baptist Association will be held Saturday night, March 7, at 7 p. m. in the First Baptist Church of Eastland.

A spokesman for the group said, "The program will include conference and discussion groups on matters vital to the life of our youth today. Leading these conferences will be leaders of experience and Christian commitment. It is not a new religion that we need, but a new look at the religion Christ gave to us."

Cars will leave the First and Second Baptist Churches at 6:45 and 7 p. m. Saturday evening. Those making up their own groups will go directly to Eastland.
