RANGER, TEXAS, TUESDAY, MARCH 31, 1959

ROAMING THRU RANGER WITH RON...

BE SURE TO VOTE—Coming up Saturday are two important elections which will determine places on the Ranger Independent School Board and the Ranger College Board of Regents.

WERE YOU IN RANGER—Just 40 years ago, or more? Is your place of business observing its 40th anniversary this year? If so, we want to know.

DECEMBER 9, 1919—We find this ad in the Ranger Daily Times: **BETTER THAN WHISKEY FOR COLDS AND FLU**

OUT AT RANGER DRIVE-IN—We see a real genuine "Cowboy Town" being built. Herbert Rapp, manager, is showing a lot of ingenuity and originality in the project especially designed for the kids.

COURT OF HONOR—tonight will see 17 Boy Scouts and two Explorers for merit badges and advancement. To receive First Class rank, a r e David Vinson, Ray Newham, Jerry Bob Warden, Lee Auburn, Jimmy Drennan and Bob Townzen.

It's Your Duty To Vote April 4 and 7

MYSTERY FARM—This week's mystery farm is number 49 in a series of 52. The names of all persons who correctly identify the farm will be placed in a hat and one name will be drawn out. Two tickets to the Majestic Theatre will be given that person. Owner of the farm will receive a free enlargement of the aerial photo if he calls for it at the newspaper office.

STOCK MARKET REPORTS

By Ted Gouddy
FORT WORTH — The closing days of March on the Fort Worth Livestock Market have been featured with renewed activity of cattle feeders as fat cattle prices hit new peaks for the year. Monday's trade was no exception as the 840-pound feeder steers cashed at \$26.50 and 750-pound yearlings hit \$27. Lighter yearlings earned \$30.

Paul Hinds To Enter Texas Relays Saturday

Paul Hinds of Ranger will be participating in the eight-man track squad of Hardin-Simmons University, entering the Texas Relays in Austin Saturday.

TIRED OF A GAS HOG?
OF PARKING A DINOSAUR?
Try and buy the popular, smart as Rumber, truly a teeny-weeny get burner. Famous for fun, resale, quality and economy.

Little League Meet Set Thursday at 7:30

Little League sponsors, officers and team managers will meet with prospective softball players and their parents Thursday night at 7:30 in the auditorium of Hodges Oak Park School to discuss the methods and operations of the league.

Infant Dies In Ranger Saturday
William Scott Whitney, infant son of Mr. and Mrs. Charles C. Whitney of Waco, died Saturday morning in Ranger General Hospital. He was born about 17 hours before.

Cancer Crusade Calls Volunteers Into Action

At least two million volunteers across the nation will participate in the American Cancer Society's annual Crusade, to be launched Wednesday, April 1, Mrs. Roscoe Hopper, County Chairman, said today.

GOVERNOR MEETS CANCER FAMILY

In a class by himself was Jayce Pustina, a Columbian Indian who claimed to be 167-years-old in 1956 when he visited the U.S. New York doctors, however, were more conservative — they said he was "perhaps" more than 150-years old.

Farm Welding Courses Are Set in the County

Farm welding short-courses are scheduled to get underway the second week in April for farmers in the Comanche, Rising Star, and Ranger School Districts.

Short courses will be organized and conducted under the direction of vocational agriculture teachers in the sponsoring schools, Morris Dean and W. A. Boyd of Comanche; B. S. Dudley, Jr., of Ranger; and H. L. Geyer of Rising Star. A total of six three-hour training sessions is scheduled for each of the short courses. First meetings for the course are scheduled as follows:

Prizes Will Be Sought By Sports Committee
Members of the sports and recreation committee of the Chamber of Commerce will solicit local merchants this week, seeking merchandise prizes for the fishing tournament to be held at Lake Leon on April 19.

Rising Star—7 p.m. Tuesday, April 7
Ranger—7 p.m. Wednesday, April 8

At the initial meeting of each short course group, the schedule of subsequent meetings will be worked out according to wishes of participating farmers.

Because of limitations imposed by shop facilities, enrollment in each course is to be limited to 16 farmers. A laboratory fee of \$5 per farmer will be charged.

Welding certificates are to be presented to each individual who attends all training sessions in the short course in which he is enrolled.

Services of Edwards and other specialists are made available to schools which want to offer specialized training on a short course basis, under a program developed by the Vocational Agriculture Division of the Texas Education Agency in cooperation with Texas A. & M. College.

Have You Served With the 36th?
The 36th Division Association is compiling a roster on the current address of all men who have ever served with the 36th Infantry Division in time of war and peace.

Samples Aid Study of Fish Life in Lakes

AUSTIN — Netting samples taken from lakes and reservoirs around the State aid greatly in providing information on fish life on these bodies of water for biologists, according to the Director of Inland Fisheries, Texas Game and Fish Commission.
A 1958 survey of two reservoirs and one lake tell biologists that in some waters certain fish remain dominant from year to year and in others there is a change. For example, in Oak Creek reservoir netting and seining samples indicated that bluegill sunfish have become the most abundant fish in the lake by a wide majority. This species has jumped from 20.89 percent in 1953 to 66.04 percent in 1958. The average size was much smaller.
A survey of the fish in the San Antonio Reservoir showed biologists that there is a continuing trend on this lake toward increasing numbers of rough fish and decreasing numbers of game fish. White crappie, once most popular, has decreased in average size. According to samples, white bass are the only game fish that have increased in relative abundance. Channel cats have decreased in numbers but are still a favorite of the fishermen, who sometimes catch exceptionally large ones.

FOR WATER WELL drilling see Roy Parker, Box 222, Gorman, Texas.

Farmers interested in enrolling in one of the short courses should contact the superintendent of schools or the vocational agriculture teacher in their respective school districts. The series of training sessions in each course will end during the week April 20-24.

Tax-Man Sam Sez

Internal Revenue Service
Forgot something?
That is the question Internal Revenue Service is asking of a quarter of a million North Texans. These 250,000 taxpayers are due a refund on their 1958 taxes but have not filed their tax return. The Internal Revenue Service is anxious to start processing these refund returns.
Incidentally, there are 350,000 other North Texans who have not filed their tax return. These taxpayers owe money. Internal Revenue says, and now is a much better time to file than on April 16 when a penalty is due.
The tax folks sum up their advice to the 600,000 who haven't filed their 1958 tax return with the following: "FILE NOW!"

Gone are the Good Old Days

. . . when grandfather boasted that he bought bananas at a nickel a dozen and his farm from the State with only one deed in the chain of title. Today the chain may contain hundreds of transactions and as it lengthens defects multiply and enlarge. The abstract is the only means yet devised that attempts to reveal these defects and place them in position for correction. That's why more and more people are demanding an abstract when they buy real estate.

EARL BENDER & COMPANY

Eastland, Texas (Abstracts since 1923)

IT'S THE LAW

How could anybody ever say: "The king can do no wrong"? (When we know of kings who did so wrong.)
The idea looks simple: As absolute law maker, the king could hold himself above his own law. He was under no law and could therefore do no legal wrong.
Anyway, when King George lost the thirteen colonies, the American states took over the doctrine of Sovereign Immunity: Nobody can sue a government agency without the state's permission, when the agency is doing government work. (Of course if the agency is doing "proprietary functions" like running street cars or making electricity, it may often be sued much like any other business.)
Thus suppose for lack of due care a private bakery truck should harm your child who had done nothing to bring on the accident. Well then, most likely you could sue the bakery in the child's behalf and collect damages.
But not with government agencies unless the legislature gives you lawful permission.
Thus in the old days, if an army jeep harmed your child, you could collect only if Congress passed a special bill awarding damages.
Recently this doctrine has been attacked: Why shouldn't the government pay like any other organization?

So during the last war the federal government in response to public opinion passed a "tort liability" law. It gives the people much more power to sue than before the last war. And the courts much more often than Congress now set the damages in many kinds of cases.
In Texas, the Legislature by a proper action may permit certain general types of suits to be brought against the state, under various conditions and restrictions. Then, if a specific situation arises which is not covered by the general rules, the legislators are authorized to pass a special measure to permit suit to be brought.
Therefore, any person seeking to enforce a claim against the State of Texas through the courts must petition the Legislature for the necessary permission, unless his claim falls within some general category or type previously recognized by our lawmakers. During each session, the Legislature passes legislation allowing suits to be brought against the state in a variety of cases.
Sometimes, however, suits may be brought against individuals holding office under the State of Texas and acting as agents of the state, but where the state itself is not the principal party to the suit, without first gaining consent to sue. There are numerous situations in which an individual officer may be sued with regard to the duties and functions of his office, and in which the state is not directly or substantially a party in interest.
Suppose you do obtain legislative permission to sue the state. What happens then?
If suit is brought against the State of Texas, and the action is successfully prosecuted, you will be awarded a judgment against the state. Then, it's back to the Legislature for more legislation to appropriate the necessary money with which the state may pay off the judgment.
(This column, prepared by the

Game Violators Pay High Fines

AUSTIN — Trespassing continues the bane of game wardens. There were 59 persons arrested during February for trespassing on private property for their hunting, according to the director of law enforcement of the Game and Fish Commission.
The monthly report showed a total of \$8,184.78 paid in fines for game violations. Court costs amounted to \$483 on the total of 258 arrests made by the wardens.
Night hunting was next high on the list of violations. There were 36 arrests for headlighting.
Fishermen without licenses also came in for 34 arrests, while 27 paid fines for hunting without licenses.
The director warned again about fishing without licenses.
"With the advent of warmer weather and more fishing, everyone should be careful about having his license," he said. "A license is required of all fishermen between 16 and 65 who fish outside of their home county, or fish with any kind of winding device anywhere, either in their home county or on the coast."
"Licenses can be obtained from a number of sources there should be

State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in the facts may change the application of the law.)

Gorman Gatherings
By Mrs. R. E. Boucher

Mr. and Mrs. M. F. Boston returned last Wednesday from a week's visit with relatives in Amarillo. Mrs. Alpha Wood made the trip with them and remained for an extended visit with her sister and brother-in-law, Mr. and

Mrs. J. F. Preston, an aunt, Mrs. Clara Kuykendall and a niece and nephew, Mr. and Mrs. Kay Long and family, Mrs. Boston and Mrs. Wood are sisters.

Dr. Lee Stubblefield of Baird was in Gorman Wednesday visiting old friends and neighbors and called at the home of the bereaved Mrs. T. G. Jackson.

Out of town relatives and friends attending the Dr. Jackson funeral were: Mr. and Mrs. Earl Stone of Ft. Worth, Mr. and Mrs.

Jack Powers of Vidor, Mr. and Mrs. Mack Ervin and their daughter, Mrs. Lee Lacy, of Odessa, Mrs. Pearl Duncan of DeLeon and Mr. and Mrs. San Powers of DeLeon.

Mrs. Bart Bennett came home Wednesday to attend the Dr. Jackson funeral. She had been visiting with his son and family in Ft. Worth and her sisters in Dallas for the past three weeks.

Mr. and Mrs. Wylie Yeager of DeLeon were Sunday guests in the home of her sister and brother-in-law, Mr. and Mrs. R. C. Braswell.

Mr. and Mrs. M. J. Nix had their guest Friday and Friday night, her sisters and brothers-in-law, Mr. and Mrs. Lee O'Neal of Lubbock, Mr. and Mrs. C. R. (Bob) Wood of Paduca and their son and family Mr. and Mrs. Jerry Clark and Jimmy of Abilene.

Mrs. Mark Murrowers of Ft. Worth is visiting with her sisters, Mrs. Clara Crawford and Mr. and Mrs. W. L. Andrews. Mrs. Andrews remains a patient in Blackwell Hospital.

Mrs. T. G. Jackson and Mrs. Bert Bennett were in Eastland Monday on business.

Mrs. G. D. Riley spent Monday in Ranger with her daughter Elia Louise who is a patient in the Ranger General Hospital. Her grandsons, Neil and Gene, drove from Ft. Worth after school to visit their mother and returned home with Mrs. Riley for supper. They will return to Ft. Worth tonight.

Rev. Webb Carroll, missionary to East Africa, spoke Sunday night at the First Baptist Church. He first showed some pictures of scenery and wild life and the natives and their home life. The most touching were scenes of a group of natives in warships. Some had walked as far as eleven miles to hear the gospel. The heart rendering and climax of the pictures were one of Bro. W. O. Harper, his mission home and the church that he had planned. The Church was not finished at the time of his death but his funeral was held in the unfinished building. The carpenters and workmen, Nasilems, unswayed, as well as the new converts, left their work and gathered greenery and decorated the Church and the missionaries co-workers with the Harpers furnished several sprays for the funeral. This young minister gave his life for the last people in East Africa.

After Bro. Carroll's inspiring and heart warming mission was a baptismal service. Two young ladies, Pam Foster and Juanita Leonard, were the first to be baptized in our new baptistry. After the benediction the people viewed the display of some articles arranged. Among the displays were two Bibles translated into the native language of East Africa.

Memorial Lilies Beautify First Christian Church

The Easter worship services at the First Christian Church were beautified by memorial Easter lilies placed by various families in honor of deceased loved ones.

Those so honored included: Mr. R. E. Harrell, the lily presented by Mrs. Harrell, Mr. and Mrs. William Bourdeau and Mrs. H. Oliver; Dr. Herman L. Bryan, presented by Mr. and Mrs. Lawrence Bryan and family; Mr. John Hayes, presented by Mrs. Hayes; Mr. R. A. Jones, presented by Mrs. Jones and family; and Mr. and Mrs. T. J. Adams and Mrs. S. J. Adams, presented by the Adams family.

"What a marvelous symbolic reminder of the Christian hope of Resurrection lilies are!" commented the pastor, Jack Barker.

Mrs. Cooper Is Honored On 91st Birthday

Mrs. R. D. Cooper of Route 3, Ranger, was honored on her 91st birthday, March 29, with a birthday party and buffet dinner.

The following relatives attended: Mr. and Mrs. Gordon Cooper and Kyle of Austin; Mr. and Mrs. W. K. Cooper and Stevan of Breckenridge; Mr. and Mrs. Robert Riggs, Mike, Pat and Pam of Waco; Mrs. Elizabeth Cross of Kilgore; and Mr. and Mrs. Ellis Cooper, Thornton Cooper, Mr. and Mrs. Guy Cooper, Fred, Sandra, and Sarah, Mr. and Mrs. Allan Roush and Tammy, Mrs. Norene Bourke, Suzanne and Kathy, Mr. and Mrs. V. V. Cooper and Mrs. Stella Blackwell, all of Ranger.

Many nice gifts were received. Many friends called during the afternoon.

PERSONALS

Mr. and Mrs. W. A. Robinson and Sylvia and Mrs. Jerry Dobbs, Mark and Carla visited in Dallas over the weekend. They visited Mrs. Robinson's sister and husband, Mr. and Mrs. Tom James, and their son, Archie Bill Robinson.

YOUR Independent AGENT
"SERVES YOU FIRST"

Why didn't you sell me!

Some day you may be real mad at us

We wish we had time to sit down with everybody in this town and tell 'em personally about the many kinds of modern, inexpensive insurance which most people should carry nowadays.

You—for instance—may be pretty sore at us some day if you have a fire, a windstorm, burglary or a boiler explosion, or if you are sued for damages, or lose a diamond ring or a fur coat or a suitcase full of clothes, or sustain some other serious loss against which we could have insured you if we had tried to sell you.

We can't be out selling everybody in town all the time, so won't you help us sell you what you need. Ask us to survey your insurance policies soon and to tell you of any gaps.

THE MEDALLION HOME
LIVE BETTER ELECTRICALLY

This **MEDALLION** opens the door to modern electric living

The "Live Better Electrically" Medallion, permanently affixed to a new or modernized home, certifies that the home is equipped with proper wiring, lighting and basic work-saving electric appliances for truly modern living—the kind of living every family wants. Only homes that meet today's high standards of electric equipment can qualify for the Medallion. It is your assurance of better living now... and a higher resale value for your home if you should decide to sell it later. If you plan to build, buy or remodel, ask your builder about qualifying your home for a "Live Better Electrically" Medallion.

A MEDALLION HOME PROVIDES:

- FULL HOUSEPOWER...** with properly designed wiring and plenty of circuits and outlets to enable you to enjoy the full benefits of your electric service.
- BASIC WORK-SAVING ELECTRIC APPLIANCES...** for comfort, convenience and year-around better living.
- LIGHT FOR LIVING...** with properly-placed fixtures, outlets and switches for beautiful, efficient, light-saving light.

For additional information about the Medallion, phone, write or visit our office

Rich Caramel Sauce Made Easy

FOR A GALA DESSERT, roll ice cream balls in flaked coconut and serve with a caramel nut sauce, incredibly easy to make with the new caramel chips. Caramel made in the old-fashioned way needed split-second timing, was often a failure, but now there is no such hazard. Just combine in one saucepan a cup (6 ounces) of caramel chips, 1/4 cup milk and a tablespoon of butter. Cook over low heat, stirring constantly, just until the chips are melted and the mixture is smooth—don't boil. Add nuts if desired. It will make about 2/3 cup of sauce which should be served warm. If it needs reheating put the sauce in a pan over low heat and keep stirring until it is warm. Remember—don't boil it!

Net Income of Texas Farmers Averages \$3,254

COLLEGE STATION — Net income realized by Texas farmers in 1958 averaged \$3,254 per farm, 79 percent more than in 1957, according to preliminary estimates of the Agricultural Marketing Service.

Realized net income is the amount available for spending after farm production expenses were paid. Realized gross income per farm in Texas averaged \$8,999 in 1958. This is \$2,187 more than in 1957.

Cotton was responsible for more than half the increase in total cash receipts. Sorghum grain, wheat and cattle also showed substantial gains. But production expenses, especially depreciation charges, feed, livestock and hired labor, also rose.

Texas farmers increased inventories of crop and livestock in 1958. Total net income, which includes an allowance for these changes in inventories, averaged \$3,262. A year earlier it was \$2,431.

For the United States, realized net income averaged \$2,750 per farm in 1958. This was 25 percent more than in 1957 and the third highest amount on record. Because of larger inventories, the total net income per farm showed an even greater increase. The average of \$2,980 per farm was 25 percent more than in 1957, and second only to the 1948 record of \$3,056.

Garbage Can Eats 225 Pounds Of Food A Year

COLLEGE STATION — Is your garbage can a heavy eater? How much does it cost to feed it for a year?

The average American feeds 225 pounds of food a year to the garbage can, according to estimates by extension foods specialists. That's two-thirds of a pound a day. For a family of five that would add up to 3 1/3 pounds a day or 1,125 pounds a year. At the low rate of 25 cents a pound, this means a family of five pays \$281 for groceries they do not eat.

Specialists point to four common causes of food waste in the home: lack of good planning and buying, which result in overbuying, poor preparation and serving of food, poor use of leftovers, and improper practices of preservation and storage.

What to do about them? Plan your buying and preserving so that food can be used or stored promptly before it loses freshness and flavor or spoils. Serve food when it reaches the just-right stage. It

4 letters
that spell peace

What is NATO? It stands for North Atlantic Treaty Organization, an alliance of 15 free nations, including the United States, which have banded together to protect themselves against aggression. These nations are Belgium, Canada, Denmark, France, Germany, Greece, Iceland, Italy, Luxembourg, Netherlands, Norway, Portugal, Turkey, the United Kingdom and the United States.

What is its purpose? Primarily, NATO is a military alliance, but its great purpose is peace, not war. The 15 members of NATO have pledged that they will regard an attack upon any one of them as an attack upon all. They have also pledged to work together politically and to increase their ability to defend themselves by self-help and mutual aid.

How does NATO function? Each of the 15 member nations is represented in important discussions held regularly. Their main function is to defend a line which stretches from the Aleutians to the Middle East. A line which is manned by Greek patrol boats, Norwegian ski troops, French engineers, Canadian jet pilots—strength to which every NATO country contributes.

What has it accomplished? Before NATO Russia had seized country after country—enslaved 90 million people. The Soviets threatened to engulf the whole of Europe . . . ultimately to dominate the world. Since NATO not an inch of territory has been lost in the Atlantic area. And by sharing our obligations this 10-year watch has cost us less than a few months of the cost of World War II.

What is its future? So long as there remains a threat to liberty, NATO has a job to do. Slowly a strong shield of freedom has emerged. Secure behind this shield, the peoples of the Atlantic community are working together toward greater political, economic and social well-being.

NATO needs your support

New challenges face NATO every day. It can meet them and grow even stronger . . . but only if all NATO nations continue to work together in that spirit of co-operation that first made NATO possible. NATO deserves your support to this end. For the full story on NATO write for the free booklet. Write:
