

As I Meet Ranger

By Gene Townsend

The major league pennant race in the American League looks a lot better this year than it has in the past few years. The Yankees were getting where they thought that they had a monopoly on the pennant. Well old Casey got slipped up on this time, he didn't get out there the last part of July and get that usual 15 game lead. We will see how they will play when the going is really rough. For one I think that it makes a lot better League if there is at least three teams going to the wire. Competition is what makes baseball and there has been a lot more in the National League these last few years than there has been in the American League.

And speaking of baseball, the Baird Little League team that won the tournament here has won another tournament. They beat Albany Saturday to win the Beckenridge tournament. They are playing in Brownfield this weekend for the regional crown.

The word instant is beginning to become one of the food industries main words. Each few weeks they come up with another instant food or drink. I read an article a few days ago telling about the Army coming up with an instant bread. Just add water and bake and you have a loaf of bread. They are getting it where anyone can cook if the water supply holds out. Now the thing for someone to invent would be instant water. That would make it complete. Prepare your instant water then add it to the other instant foods and you would have a meal prepared.

Here is a new type alibi for the poker player. A notorious poker player always in a jam with his wife over his all-night poker sessions, was on his way home from the office when he ran into an old girl friend. He invited her for a drink at the nearest cafe and they discussed wild times at length. One thing led to another and before he knew it by the time he had taken her home it was early in the morning before he got home to be confronted by his wife.

"Well," she snapped, "now what's your alibi?" There was an embarrassing pause and then the man decided to tell her the truth. "Honey I'm sorry," he said, "but it was just one of those things. I ran into an old girl friend and we had a drink and talked and before we knew it the time had gone by fast and it was 3 a.m. Well I had to take her home."

"Okay, okay," the wife interrupted impatiently. "How much did you lose?" Well school days are soon to be here again. The band is to start workouts Monday, and the football team will begin next Monday. Everything is looking like school time again except the weather. When we think of school starting we think of fall and cool weather, but the last few days hasn't looked like fall weather.

Strawn School Board To Meet Monday Night

The Board of Trustees of the Strawn Independent School District will meet in regular session Monday, Aug. 10 at 8 p.m. The main item of business will be the consideration of the official school budget for 1959-60. All interested patrons of the school are invited to attend this meeting.

L. O. Watson, Superintendent of the Strawn Independent School District has announced that a considerable amount of activity has been going on in Strawn High School this summer. The interior of the building has received a face lifting. All classrooms, hallways, restrooms, the science laboratory, cafeteria, and library have been repainted. In addition, the floors in the hallways, the superintendent's office and the science laboratory have been covered with vinyl tile.

He said the Strawn Schools are looking forward to a good year in 1959-60. The faculty for 1959-60 will consist of 9 regular classroom teachers and the superintendent. School will open on Aug. 31 with between 160 and 170 students expected to enroll. All parents and patrons are cordially invited to visit the school at any time.

Soil Conservation Stamp to be Issued

The Upper Leon Soil Conservation District is one of more than 2800 such districts throughout the country being honored by the issuance of a commemorative soil conservation stamp by the Post Office Department, according to Clint McCain, Soil Conservation District Supervisor.

The stamp is to be issued Aug. 26 at Rapid City, South Dakota at the annual meeting of the Soil Conservation Society of America. It will go on sale at local post offices the following day. Mr. McCain stated, the stamp is in three colors, depicts a modern conservation farm, and is of four cent denomination.

The Upper Leon Soil Conservation District was organized by local farmers and ranchers on March 29, 1941. The District now has 3125 cooperators of whom 2310 have basic conservation plans. The District is governed by a board consisting of B. B. Hickman of Rising Star; Clint McCain of Eastland; Henry W. Turney of Dublin; Wade George of DeLeon and W. J. Fritts of Comanche. Technical assistance is provided to the District by the Soil Conservation Service. E. E. McAlister is in charge of the local S. C. S. Work Unit at Eastland. Other S. C. S. men working with the District out of Eastland are W. L. Garner and Guy Horton.

Here are some of the accomplishments made by the District and its cooperators in the past year. 175 basic farm plans developed, 205 land owners became new cooperators, 150 miles of terraces constructed, 63,542 acres of proper use on rangeland, 39,479 acres of rangeland deferred from grazing for grass improvement, and 290 farm ponds constructed. District cooperators received Federal Cost Share payments on many of the above practices through local A.S.C. County Committees. The Soil Conservation Stamp, McCain said is a salute to progress in our own district and other such districts across the country.

Ranger Cats Play Eastland Blue Sox Friday Night

The Ranger Cats will meet the Eastland Blue Sox in Eastland Friday night. The Ranger Cats have had a fairly successful season this year, winning eight games against four losses. The Cats downed the Sox 6 to 3 in their last meeting.

Members of the Cats include Joe Barker, David Webb, Arthur Mendoza, Tommy Joyner, Jimmy Hogan, Charlie Santos, Verne Peterson, Jesse Renteria, Dean Richey, David O'Shields, Terry Townsend and Teddy Neely.

Band Rehearsals Begin Monday

The Ranger High School Band will begin pre-school rehearsals on Monday, August 10, beginning at 10 a.m., according to Murray Allman, director. Another rehearsal is scheduled for Thursday, August 13, at 10 a.m.

Rehearsals will be held at 10 a.m. daily, the week of August 24-28. All band students are urged to attend. Majorette try outs will be held at 8 a.m. August 21, and the drum majorette will be selected during the band rehearsals. Requirements for the try-outs will be the same as for last year, Allman stated.

Homecoming at Strawn to Begin Friday Morning

The big weekend is just ahead—the annual three-day Strawn Exes Homecoming scheduled for Friday, Saturday and Sunday, Aug. 7, 8, and 9. It's the 24th annual reunion of former residents of this community, once a bustling coal mining center with a population near 5,000, later site of a lively oil boom in the early roaring 1920s, and this year reawakening with renewed petroleum exploration and development. The affair opens Friday at 6:30 p.m. with a downtown carnival followed with a gala street dance at 9 p.m. Hundreds of visitors from near and far will swarm in to Strawn Friday. Most of them will be from Texas, but there'll be scores of others also from out-of-state points. Registration begins Friday morning at 9:30 a.m., followed by the annual business meeting of Strawn Ex-Students and Ex-Teachers Assn.

Other major Saturday events include an old fiddlers' contest at 3 p.m., a barbecue at 6 p.m., and the annual Exes dance at the American Legion Hall at 9 p.m. President of Strawn Ex-Students and Ex-Teachers Assn., sponsors of the annual Homecoming event since 1935, is Frank S. Phillips, and other current officers include Orville G. Polk, vice president; Dollie Kostha, assistant vice president, and Barbara Guydys, secretary-treasurer. An attendance of over 1,000 is expected for the weekend event.

One Injured In Two Car Crash On Highway 80

One person was injured and property damage amounted to about \$1200 Wednesday when two late model cars collided in the west edge of the Eastland city limits on Highway 80.

Injured was Florence Stroud, a passenger in one of the vehicles. Her attending physician said she suffered a laceration on the arm and bruises on the chest and knee. She was to be released from Eastland Memorial Hospital today.

Police Chief Ray Laney said the accident happened in a 45 mile per hour speed zone. He said Mrs. Josephine Murphy Stroud, Route 2, Cisco, was traveling east on Highway 80 in a 1957 Chevrolet. Mrs. Jesse Woosley was also driving a 1957 Chevrolet. She attempted a left hand turn off of Highway 80 onto High Street and the two cars collided.

Chief Laney estimated that damages to each vehicle amounted to \$600. A proposed 2,500 foot rotary at the intersection of High Street and Highway 80 in a 1957 Chevrolet. It is Davenport & Carpenter Oil, Inc., of Fort Worth and Graham No. 1 Williamson. Drillsite is 1,850 feet from the east line of Spiree Dooley Survey A-77.

Christina Stroebel Wins Dress Revue

Miss Christina Stroebel, daughter of Mr. and Mrs. Carl Stroebel of the Nimrod Community, south of Cisco, was Eastland County representative to the District 4-H girls Dress Revue in Stephenville July 30. Christina was one of four winners in the Dress Revue and will represent Eastland County and District 4 in the State 4-H Dress Revue in Dallas on October 17. This will be a part of Rural Youth Day activities at the State Fair.

Christina is 16 years old and in the Dress Revue she modeled a dress made of cotton and arnel blend. The fabric was royal blue with a tiny black pincheck. The dress was a basic shirtwaist, accented by a buckled cummerbund at the front waistline. Her accessories were black shoes, bag, and picture hat, and left grey 'love' Chris attends Cisco High School.

Also attending the District Dress Revue was Mrs. Ruby Webb's daughter of Mr. & Mrs. Herbert Wende of the Nimrod Community. Ruby was a red ribbon in the Junior Division of the Dress Revue. She wore a blue and green print on white background, designed with a low front neckline and sleeveless.

The Ranger airport training plane will be here today. C. J. Moore, chairman of the airport committee of the Chamber of Commerce, announced Saturday that a new Traveler has been purchased and the services of a noted flyer, Travis Boggs, have been obtained.

By way of ushering in the new era of air development here—marking the opening of the aviation school—not only will the new training plane arrive at 9 a.m. but a Fairchild plane, a six seater, will be here for the day and will carry up passengers.

Oil Activity In County Spurred By New Action

Eastland County oil activity picked up its head this week when a new wildcat location was staked, permission was granted for a waterflood project and a wildcat is in the drilling process.

The wildest test will be the No. 1 J. H. Elam, one mile east of Scranton. It is to be drilled by E. D. Smith Drilling Co. of Dallas and is a 2,900 foot rotary test. Location is 1,100 feet from the north and 330 feet from the west line of the southeast quarter of Section 124, Block 3, H&TC Survey. The Railroad Commission authorized Sheets and Walton Drilling Co. of Breckenridge to install a waterflood in the Strawn sand under certain leases in the Eastland County regular field. The oil d reservoir was discovered in 1919 and produces from about 1,650 feet.

A proposed 2,500 foot rotary wildcat is being drilled four and one-half miles southeast of Ranger in Eastland County. It is Davenport & Carpenter Oil, Inc., of Fort Worth and Graham No. 1 Williamson. Drillsite is 1,850 feet from the east line of Spiree Dooley Survey A-77.

A good looking youth yesterday was a bedraggled wild boy of the Texas forests was the talk of Houston today.

Fourteen year old Johnny Spears, born deaf, had his first haircut, his first pair of shoes, his first night's sleep in a bed and so many other firsts that all he could muster was a faint smile at all the attention he received.

Johnny was brought to town yesterday by Larry Dean, a 26-year-old natural history enthusiast who "captured" the elusive youth with the aid of three other men in a remote, wooded area known as the big thicket, about 40 miles northeast of Houston.

Hereford Assn. To Hold Show and Sale in Abilene

ARILENE—Around 2,000 head of good and choice Hereford stocker and breeder cattle are expected to be consigned for the coming Aug. 21 special show and sale in Abilene, co-sponsored by the Texas Hereford Assn. and the West Texas Hereford Assn.

The event will be held at Abilene Livestock Auction Commission Co. in charge of the special all-Hereford sale are Jay Pumphrey and Edgar Davis, prominent West Texas Hereford breeders, and Oris Reynolds of the Abilene livestock market. The sale gets underway at 10 a.m. Judging will begin at 8 a.m. Silver trays will be awarded to champion and reserve champion steers and heifers. Pens of 10, 20 and 40 head will be judged in the steer and heifer divisions.

Nearly 1,000 head already have been consigned, Reynolds reports. One breeder has consigned 250 quality Herefords under one brand and another single brand consignment totals 200 head.

Kokomo Baptist Church Revival Begins Friday

The Kokomo Baptist summer revival begins Friday, August 7, under the tabernacle just west of the newly constructed church building. It will continue through Aug. 16. Rev. Johnnie Cartrite, the evangelist, is pastor of the First Baptist Church in Golden-ith. Floyd Fisher, who will be leading the singing, is of Comanche, and Mrs. Claud Fuller, the church pianist will play the piano.

Everyone is invited to attend the morning services at 10 o'clock, the evening prayer services at 7:45 and the preaching services at 8:15.

JOHNNIE CARTRITE FLOYD FISHER

Each Sunday morning the Sunday school begins at 9:30; the Sunday evening worship service is at 8.

The pastor, Rev. Jackie Heath, said that the church is looking forward to a Spirit led revival with the largest attendance in the church's history.

Scout Troop 15 To Hold Campout

Reorganized Boy Scout Troop 15 is planning their first campout. The troop is sponsored by the First Baptist Church Brotherhood and the leaders are Dwayne Denton, Aaron Howton and Ronald Carroll. They have nine boys registered in the troop to date. They invite any boy from the age of 11 to 14 to join the troop. Troop meetings are held each Tuesday at 5:30 p.m. in the Scout Cabin.

The troop will leave from the Scout Cabin at 4 p.m. Saturday. They will spend the night at Lake Leon and have religious services at 8 a.m. Sunday. They will return to Ranger about noon Sunday.

Tax Refunds Unclaimed In Dallas District

Believe it or not, the U. S. Internal Revenue Service is looking for 4,030 taxpayers in the Dallas District with some good news for them.

These are checks left over from the recent filing period. The checks, ranging from \$1.00 to \$4,000.00 have been returned in the mail for lack of proper address.

Ellis Campbell, Jr., Director of the Dallas District, announced the figures today in kicking off "Operation Refund."

He said a group of his employees have been searching telephone directories, contacting employers and attempting through other sources to find the correct addresses of the taxpayers to whom the refunds are due.

Now Director Campbell is asking taxpayers to do themselves and his office a favor. In an appeal to readers of this newspaper, he said:

"If you are entitled to a refund check on the tax return you filed this year and have not received a letter from the Internal Revenue Service advising you that your return is being examined, then write me at 2101 Pacific Avenue, Dallas 1, Texas, or call RI 8-5611, Ext. 3579."

"When writing or calling, a taxpayer should state his or her name and address exactly as it appears on his or her return," Campbell said.

"Your social security number and the amount of the refund also will be helpful," he said. "Of course, don't forget to give us your new address."

Mud Flap Law to Be Enforced In Eastland County

"Enforcement of the new mud flap law passed by the 56th Legislature is now in effect," Sgt. C. A. Cockrell of the Highway Patrol in Eastland announced today. "Commercial vehicle owners, are urged to familiarize themselves with this law in order that compliance will be secured among all owners," Spier suggested.

This new law, House Bill No. 99 provides that it shall be unlawful to operate any road tractor, truck, truck-tractor in combination with a semi-trailer, trailer or semi-trailer in combination with towing vehicle, having four (4) or more tires on the rear-most axle of such vehicle or if in combination the rear-most axle of such combination, upon the highways of this State, unless the rear-most axle of such road tractor, truck, truck-tractor in combination with a semi-trailer, trailer, or semi-trailer in combination with a towing vehicle, be equipped with safety guards or flaps of a type of material and constructed as prescribed by the Department located and suspended behind the rear-most wheels of such combination to within eight inches of the surface of the highway.

Sgt. Cockrell pointed out that the safety guards or flaps may be constructed of metal, rubber, rubberized material or any other substantial substance and must be at least as wide as the tires behind which they are suspended and must be of sufficient rigidity to remain within eight inches of the surface of the highway under any conditions of loading in order to prevent slush, mud or gravel being transmitted from the vehicle wheels to the windshield of any following vehicle.

Cockrell said a 14' (Generally speaking, the new law is identical to the old one, except flaps are now required at all times."

Mrs. Earl Horton Gives Recipe for Layer Cake

(Editor's note: The following recipes were contributed by Mrs. Earl Horton, by request.)

Golden Layer Cake
 2 layers

1/2 Cup Crisco
 1 cup sugar
 1 teaspoon vanilla
 1 1/2 teaspoon lemon flavoring
 2 eggs
 2 cups sifted flour
 1 teaspoon baking powder
 3/4 teaspoon soda
 1/4 teaspoon salt
 1 cup buttermilk

Cream sugar and Crisco. Add flavoring. Add eggs one at a time, beating between each one. Sift dry ingredients and add alternately

with buttermilk. Bake at 350 degree, 25 or 30 minutes. Cover the first layer with lemonade filling, and the top layer with 7 minute frosting. Sprinkle colored coconut on top and sides.

Lemonade Filling
 2 teaspoons oleo or butter
 1/4 cup sugar
 2 teaspoons cornstarch
 1/4 teaspoon salt
 3/4 cups water
 2 egg yolks, well beaten
 1/3 cup frozen concentrated lemon juice

Few drops yellow cake coloring

Melt butter in sauce pan. Mix the corn starch and sugar together and add the melted butter. Add water and cook until thick. Combine beaten egg yolks and lemon juice. Pour part of cooked mixture into egg yolks and lemon juice. Return to pan and cook only until it comes to a boil. Tint with a few

drops of coloring. Save 1 teaspoon of lemon juice to mix with coconut.

Colored Coconut
 Put in bowl 1 teaspoon lemon juice. Add a few drops of coloring, mix well. Add 1 can coconut, mix well. Put on paper towel to dry.

the strangest lobbies appeared in Washington this week. The representatives of this lobby have periodically visited the Capitol for the past several years.

They are a group of Amish bishops and ministers who ask help from Congressmen to be freed from Federal Old Age and Survivors' Insurance and Social Security.

The Amish, a group of the Mennonite religious faith, are opposed to participation in the program because of their beliefs. In their habits and mode of conduct they remain much as they were in the 17th Century.

It is a paradox that two hours of driving from the hustle and bustle of the Nation's Capitol will bring one to great communities of these people. Along the roads leading through the area where they live are signs posted, "Slow—Watch for Horse-drawn Vehicles."

When an agent of the FBI before the war, it was my privilege to know some of these folks in Indiana and Ohio. Visiting them, the first thing noticed were the fine barns, good stock, immaculate premises, and well-built houses. Although few conveniences—no rugs on the floors, no telephone or radio, and, today, no television aerials on the house—everything was always spotlessly clean, always the very best of substantial food.

Their clothing is severe—dark clothes, some homespun; low-crowned, broad-brimmed black hats for the men—long black dresses, gray or black bonnets for the

ines, airplanes, and trips to the moon, one may again see the 17th Century.

The striking contrast may perhaps suggest an analogy in that these independent and self-sufficient people, whom we call backward, are so near the progressiveness of all the new things which have come about in these recent years, including numerous types of Government aid to people.

While most of us struggle for the better things of life, called "a higher standard of living," which means all the gadgets for conveniences, many of us have seemingly lost a lot of what the Amish retain as a part of their religious living. Our concern for the "better things" becomes an obsession, which gives us little time for anything else. The concern for securities, nuclear powered submarines,

Landowners Still Can Stock Quail

AUSTIN — Some 34,000 quail have been released on Texas lands since January through the Game and Fish Commission's restocking program, according to the assistant executive secretary.

Of this number there were 18,000 bobwhites and 14,000 cottontails. They have been planted on farms and ranches where there are suitable conditions both as to cover and feed.

"Even though there has been a steady increase in quail population and stereotype all people—as to what we think, do, eat, wear, where we live, how we raise our family, and the kind of Government we have.

Landowners Still Can Stock Quail

The Commission's game farm at Tyler is maintaining a large supply of quail for stocking such areas. Landowners can mail their applications directly to the Austin office or contact their local game wardens.

To insure landowners that quail will survive on a particular piece of land, a game warden checks the area to be stocked soon after applications are received. If the land is satisfactory quail habitat, the hatchery will ship the number of birds requested at 50 cents each.

Mrs. Johnson Is Hostess to Circle No. 2

Circle No. 2 of the Women's Society of Christian Service of the First Methodist Church met Monday, August 3, at 3:30 p.m. in the home of Mrs. J. A. Johnson.

The meeting was opened with a prayer led by Mrs. W. F. Creager. Miss Electra Pearson presented the program entitled "Faith With Works."

Mrs. R. E. Johnson gave the devotional and a benediction, which was taken from a song in the Methodist hymnal.

Mrs. O. B. Poyner, circle chairman, presided at the business meeting. The minutes of the previous meeting were read and approved. Reports were given by the treasurer and cheer fund chairman. Twenty-two visits were reported.

Refreshments were served to the following: Mmes. Guy Brown, R. E. Johnson, M. P. Williams, W. J. VanBibber, Creager, Poyner, Beverly Dudley, Jr., Miss Pearson, and the hostess, Mrs. J. A. Johnson.

Circle No. 1 Meets Monday In Turner Home

Mrs. J. L. Turner was hostess to Circle No. 1 of the Women's Society of Christian Service of the First Methodist Church at a meeting Monday, August 3, at 3:30 p.m. Mrs. Gaston Dixon, circle chairman, called the meeting to order.

In the absence of Mrs. M. L. King, Mrs. C. O. Strong presented the devotional entitled "Faith With Works—The Local Church." Mrs. Strong said, "You enter the church not as a stranger, but as a guest of God, offering Him your love and service." A prayer was led by Mrs. Turner.

A hymn was sung, "I Love Thy Kingdom, Lord." Mrs. Vernon Deffebach was in charge of the program entitled "Missions Movement, Evangelism, and Fellowship." The main theme of the program was "What the Local Church Means." The scripture reading was given by Mrs. O. C. Mitchell.

Mrs. Dixon presided at a short business meeting. The minutes were read by the secretary. Sick reports were given. Pledges were paid. Twenty-eight visits were reported.

The following members were present: Mmes. White, Strong, Lillian Wolfe, Annie Sharp, Frank Williamson, J. A. Bates, Deffebach, Dixon, Mitchell, H. C. Croom, Jimmie Matthews, J. F. Donley, F. S. Pearsall, and the hostess, Mrs. Turner.

Mrs. Strong gave the closing prayer. A social hour was enjoyed by all those present. The next meeting will be held Monday, September 14, at the church.

YOUR Independent Insurance AGENT
"SERVES YOU FIRST"

Don't cover yourself just part way

Insurance protection should be complete—not patchy. You don't buy half an umbrella or one boot—or roof only on room of your house.

The primary purpose of insurance is to worry-proof your life. You chip a minor sum into a kitty each year to protect yourself against major losses by fire, accidents, law suits, theft, etc.

So make it your business to protect yourself ALL OVER, from every angle. It is OUR business to show you how.

**Carolyn Bell
Circle Meets In
Langston Home**

The Carolyn Bell Circle of the First Baptist Church WMU met Tuesday afternoon at 2:30 in the home of Mrs. F. P. Langston for their mission study and business meeting.

Mrs. Earl Horton, circle chairman, presided. The opening prayer was given by Mrs. L. D. Tankersley. The minutes were read by Mrs. Gorman Morton.

Mrs. W. A. Lewis reviewed the first lesson in the mission book, "Christian Witnessing" by Floy N. Barnard. Mrs. L. L. Bruce closed the meeting with a prayer.

Refreshments of sandwiches, olives, cake, and tea were served to the following: Meses Horton, Bruce, Lewis, A. W. Warford, H. E. Brooks, L. H. Kay, P. C. Long, Tankersley, Morton, and the hostesses, Mrs. Langston and Mrs. R. L. Hamrick.

**Grace Class
Meets Monday
For Business**

The Grace Sunday School class of the First Baptist Church met Monday, Aug. 3, at 7 p.m. for the regular monthly business meeting and a covered dish supper. Mrs. Frank Hicklin, teacher of the class, gave the prayer of thanks.

After the supper, Mrs. Kenneth Kirk presided at a short business meeting. Secret polls were revealed and new names were drawn.

Mrs. Homer Perry gave the devotional on "Grace." The following members were present: Meses W. O. House, Kirk, Homer Gay, E. J. Rains, Homer Perry, R. C. Wilson, D. C. Singleton, J. B. Houghton, A. L. Stiles, Hicklin, Lem Rushing, J. C. Carter, the hostess, Mrs. Ben Yang, and the co-hostess, Mrs. Earl Horton.

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE THESE BIG CHEVY VIRTUES!

greater roominess
Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

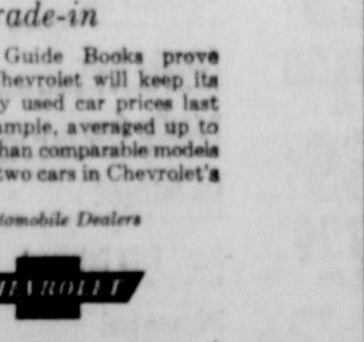

bigger savings
Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from every full-sized car!

full coil ride
You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: "... the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

award-winning engines
The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines... for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

fresh styling
POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling..." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

higher trade-in
N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to \$128 higher than comparable models of the other two cars in Chevrolet's field.
