Don't cover yourself just part way

Insurance protection should be complete-not patchy.

You don't buy half an umbrells or one boot-or roof only one room of your house.

The primary purpose of insur ance is to worry-proof your life You chip a minor sum into e kitty each year to protect yourself against major losses by fire accidents, law suits, theft, etc.

So make it your business to protect yourself ALL OVER, from every angle. It is OUR business to show you how.
