

Rangers Surprise Apaches With Come Back Victory

The Purple clad Ranger College Rangers invaded the Rose Stadium at Tyler Saturday night to sound the high ranking Tyler "Apaches" 26 to 23.

The Rangers came from behind time and time again to go ahead in the final minute of play to pull the hard-fought game out of the hard-hitting Apaches grasp. The Tyler fans gave the Rangers a standing ovation in the final minute of play as they completed a thrilling 60 yard scoring drive with halfback Bill Phillips blasting into the end zone on a ten yard game-winning score.

The Apaches got the TD parade under way in the first quarter when quarterback Richard Staxton hit end Mike Radcliff with a 33 yard pass in the end zone.

Tackle Bobby Price kicked the extra point.

Ranger came back to tie it up when end Jim Hamilton intercepted a Tyler pass and returned it 28 yards for the score. Evading tacklers and losing a helmet in the process, he went into the end zone standing up. Kenneth Hart added the extra point with a kick through the goal post.

Tyler scored again in the second quarter when quarterback Jimmy Lyons went seven yards on a keeper play. Fullback Frank Brewer ran the extra points to put Tyler ahead 15 to 7.

Ranger added its second score in the second period as Hart went three yards. The conversion attempt failed and Tyler led at the half 15 to 13.

Ranger went ahead in the third period as quarterback Jackie Waggoner passed to Hamilton for 18 yards and the score. Again the conversion failed.

Tyler answered the challenge late in the fourth quarter when Lyons went around left for the 11 yard bonus putting Tyler out in front 23 to 19.

Ranger drove to the 10 yard line only to have the ball go to the Apaches after a fourth down try failed to get the needed yardage.

With time getting short Jackie Waggoner intercepted a pass and returned it to the Ranger 40 yard line. Hart, who had been playing a vicious halfback, switched to quarterback and promptly propelled the Rangers to the game-winning score.

Hamilton made a diving 6 yard pass catch to give the Rangers a first down to keep the drive alive. The drive carried to the 10 yard line with fourth down and six yards needed for the first. Halfback Bill Phillips ran through and over Tyler defenders for the final 10 yards in the scoring drive.

Linebacker James Stanford stayed on the Tyler quarterbacks all night, making them get rid of the ball hurriedly, which accounted for Hamilton's success.

Ranger Youth Will Trick or Treat For UNICEF Tues. Nite

Halloween will start early for Ranger's young people as they join millions of American youth Tuesday night to Trick or Treat for coins to help the United Nations International Children's Emergency Fund.

The young people will meet in the basement of the First Methodist Church Tuesday at 7 p.m. to begin the drive. They will call at every door in Ranger with cartons bearing a black and orange label asking for donations for the UNICEF. After the collection all will meet back at the First Methodist Church for a penny-counting party.

Each year the government makes available to the Churches of America, surplus food to be sent to the hungry nations of the world. The Churches have to provide transportation for this food to be delivered to those nations. Part of the funds collected through the Trick or Treat for Coins is used to transport this surplus food to those countries. The other money that is collected is used for medical supplies for these same countries.

Few aspects of our modern world are more disheartening than the fate of the millions of children who still endure the hardships of times normally associated with war or periods of pestilence because the benefits of drugs, foods and technique taken for granted in more developed areas of the world are so slow in reaching them.

Blindness threatens countless youngsters every year in an age where the eye disease they suffer from, trachoma, can easily be cured with arsenomycin. Millions of others can become cripples for life for lack of the single shot of penicillin needed to cure their tropical illness, Yaws. Leprosy, once a hopeless scourge, is successfully treated with sulfone—provided this wonder drug is available. BCG vaccine protects against tuberculosis, DDT protects against malaria, and very often elementary knowledge of diet is enough to defeat malnutrition among children—that is, as long as BCG, DDT and basic nutrition information can be obtained.

For 750 million children—three out of four in the whole world—the best chance to obtain the aid they need is through UNICEF. The United Nations Children's Fund.

So far, through this organization's participation in more than 200 projects in over 100 countries and territories, more than 100 million children have been protected from TB; the vaccine needed for 100 children costs UNICEF \$1.

Ranger College chalked up a stunning defeat over powerful Tyler Junior College (26-23) Saturday night at Tyler. A great game played by all, there was a team of stars, a unified group of men, each playing his best and creating a magnificent team effort.

Eiffel Tower Replica Being Built In Ranger

An exact replica of the Eiffel Tower of France, is being built by the Ranger Iron Works on Highway 80 East.

Those fortunate enough to have seen the Eiffel Tower, have seen the masterful feat of engineering skill. The original tower was built by Alexandre Gustave Eiffel in 1889 for the exposition in France. Those not so fortunate can see a replica of the Eiffel Tower right here in Ranger.

The huge wrought iron skeleton tower is on the Champs de Mars in Paris. It is 984 feet tall and 375 feet at the base and has 7200 tons of steel in its structure.

The replica of the tower to be built by the Ranger Iron Works will be 55 feet tall and 22 feet at the base and contain 4 tons of steel. It will be the first replica of this size ever built in this country.

L. D. (Spud) Summers, owner of the Ranger Iron Works, has received a contract from a nationwide builder of homes, to build four of the replicas to be used in an advertising promotion. The towers will be placed at the development sites of four home building projects by this company in Dallas, Houston, Shreveport and New Orleans.

The towers will be built in four sections at the Ranger Iron Works. The first section of the first tower is rapidly being completed. It will be interesting to the people of Ranger to watch the progress of the building of these unique towers.

Ranger is fortunate to have a company such as the Ranger Iron Works that has been chosen to construct the towers.

Hodges Oak Park P-TA Halloween Carnival Thurs.

The Hodges Oak Park P-TA will sponsor a Halloween carnival at the recreation building Thursday, October 29, beginning at 6 p.m. The program will be presented at 8, consisting of several numbers by the Ranger High School band and several skits.

Admission will be 10c for all over twelve years old. Children under twelve will be admitted free.

Covered Sugar

By Mrs. Cubian Perry

During my "vacation" our Editor wrote an article (Un-Covered Sugar) and along this line I must agree that we need to get our lots and streets moved, burned and what have you!

For instance: the road leading to the cemetery and the "old" Eastland hill road (the Marton Valley - Breckenridge highway) could stand a lot of weed cutting and removal of old debris.

Both of these "roads" or streets are very scenic or would be if they could be seen. Winding through the hills with picturesque views from every direction, they make a show worth showing to our visiting friends from out of town. Don't we all take our friends on a tour of the city to show off "our home town" when they visit us?

At the present their condition not only spoils the view but it is and will be more so with the coming winter weather, a rather hazardous drive on these winding curves.

Around the swimming pool it was cleaned up and a number of people were amazed to discover that there was a side walk but did you know that a side walk goes all the way to the top of Eastland Hill? It used to be a very popular walkway when our population was "walk" conscious and not so prone to take the car every time they left the house.

Once a year is not often enough to clean up. If we left our yards and houses go that long, Ranger would soon be off the map as we would all pass away with the cholera!

We, and I feel sure that other residents of this area, would be

Requests Made By Directors for Budget Approval

The Asking Committee of the seven organizations sponsored by the Ranger Community Chest submitted requests for funds at a meeting of the directors and officers at the Chamber of Commerce Monday night.

Requests will be reviewed and studied by a committee composed of Roscoe Hopper, Lester Crossley, David Pickrell, W. F. Crosser and Lewis Conn. The committee will submit their recommendations to the directors at their next meeting.

Requests received from the various organizations were: Salvation Army, \$260.00; Red Cross, \$1,250.00; Child Welfare, \$800.00; Boy Scouts, \$1500.00; Campfire Girls, \$100; Library, \$650.00; and Teen Town \$1800.00.

A total of \$7,600 was requested. The Reviewing Committee will study these requests and suggest a goal for the Chest to work toward.

Locker Room Quips

Jim Brock: A lot of hustle and spirit resulted in a victory. The fact that the Henderson County coach was there had a lot to do with it—it showed him our striking potential for conference play.

Pat Blakely: We played our best game of the year. The coaches and the boys wanted this one bad.

Dean Faulkenberry: One of our better ball games was played. The coaches and the boys wanted this one bad.

Coch Babb: A game like that wasn't due to coaches. The boys wanted that one bad, and a great team effort won for us.

Coch Puryear: The boys wanted to coach, and the way they played, nothing could have stopped them.

Garden Club's Annual Flower Show November 3

The Ranger Garden Club will hold its third annual flower show Tuesday, November 3, from 3 to 8 p.m. at the Community Club House. The club was organized in 1956 and federated in 1957.

Phi Theta Kappa Has Initiation For New Members

The Delta Tau Chapter of Phi Theta Kappa initiated pledges and honored them with a dinner at Lone Cedar Country Club Thursday, Oct. 22.

Freddie Cooper, president, conducted the initiation. The table which formed the initiation center had for a background a gold-sprayed replica of the Phi Theta Kappa key displayed under glass. The key was flanked by tall tiered jagonstone candle holders holding gold candles.

A blue and gold motif was used in table decorations to carry out the Phi Theta Kappa colors. The tables, arranged in a U shape, had as a centerpiece an arrangement of blue chrysanthemums and gold leaves. Hurricane lamps in black wrought iron holders completed table decorations.

The invocation was given by Betsy Teinert. President Cooper acted as master of ceremonies and welcomed the guests and pledges. Dr. Theodore Nicksick, Jr., gave the response. After the dinner Mrs. Teinert gave a talk on "How to Do It Better."

Special guests were Dr. and Mrs. Theodore Nicksick Jr., Mrs. R. L. Hamrick, and Mrs. R. A. Jameson, honorary members.

New members are Pat Blakely, Seagraves; Brenda Brooks, Ranger; Kenneth Hart, Seagraves; Drayton Headen, Carrolton; Glenda Headen, Knox City; Jack Lindsay, Ranger; James McElroy, Davidson, Okla.; and Ruth Miller, Ranger. Other members include Jean Carylie, Freddie Cooper, James Knickerbocker, Ann Mangum, Jimmie May Miller, Ray Rodgers, Betsy Teinert, Robert Yeale, David Willingham, a new Mrs. Marjorie Theberge, sponsor of the chapter.

Mrs. Susie Foster Resident of Cisco, Dies Monday

Mrs. Susie H. Foster, 81, resident of the county since 1901, died Monday at 4 a.m. at the hospital in Eastland. She had been ill two weeks. Funeral services were held today at 2 p.m. at the Wesley Methodist Church in Cisco. Burial in Oakwood Cemetery was under direction of Rust Hamner Funeral Home of Cisco.

Born Feb. 6, 1878, at Austin, she married Joe J. Foster on July 4, 1897, at Austin. He died in September of 1947; he was a farmer.

Survivors include ten sons, J. W. of Cisco and E. H. of Fort Worth; four daughters, Mrs. I. D. Smith of Cisco, Mrs. J. E. Thornburg of Langview, Mrs. L. H. Brown of Olden, Mrs. J. A. Woodard of Houston; four brothers, W. D. Wheeler of Waller and Jim, Sam and T. C. Wheeler, all of Houston; 21 grandchildren and 34 great grandchildren.

Grandsons were pallbearers.

Mrs. McAnally Is Crew Leader For Farm Census

Appointment of Mrs. Nell C. McAnally of Cisco as a crew leader for the 1959 Census of Agriculture was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

Mrs. McAnally will direct a force of census takers who will canvass all farms in Eastland and Callahan Counties. Before assuming her post, she will go to Graham, where she will receive five days of training by a member of the Census Bureau's staff. Topics to be covered include procedures for recruiting of census takers, canvassing methods, preparation and submission of reports, and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to recruit and train the census takers and supervise their work; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to conduct difficult interviews.

After completing her training, Mrs. McAnally will return to her district where she will spend several weeks recruiting census takers, and training them in preparation for the start of the field canvass on November 18.

Methodist Men's Club To Meet Thursday Night

The Methodist Men will meet Thursday at 7 p.m. for an evening meal and program.

Good food is again one of the highlights for the evening. The program for the evening will be a film "Nightmare in Red". This is a film Rev. Lively Brown saw during the Chaplain's School he attended this past summer. It is one of the most dramatic films showing what actually took place when the communists took over Russia. This is a must for every layman, a film you will long remember, according to Rev. Lively Brown.

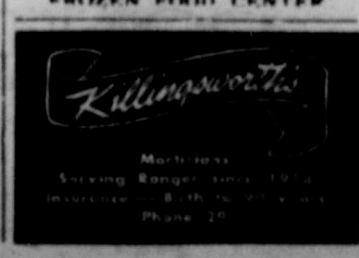

Large Fish Shipment Received by Farmers

A large shipment of fish for stocking farm ponds was received by cooperators of the upper Leon Soil Conservation District last Thursday.

Farmers receiving fish from the Cisco area were Roy Adams and Grover Cleveland, two ponds each, C. C. Phippen, Martin Pryor, Albert Thomas and Lee Yeager. Farmers from the Eastland and Ranger area were I. F. Alderman, Clyde Brymer, two ponds each, E. T. Boyd, Clyde Garrett, Lee Jernigan, C. H. McBe, Clint McCain, John Reed, B. W. Robertson, Bill Greenwood, Roy Brickman and Nick Galkley. The fish are furnished to district cooperators in this area by the Fish and Wildlife Service from the Federal Fish Hatchery at Burnet, Texas.

The average natural fertility of ponds in the area probably produces about 100 pounds of fish per acre although only 20 to 30 pounds of usable fish are normally caught where a properly stocked and fertilized pond will support 300 to 500 pounds of bass and blue gill per acre and should yield to fisherman about half this amount or around 200 pounds of usable fish per acre of water, so you can see fertilizing farm ponds with mineral fertilizing will be a profitable way of growing the most fish possible. An 8-8-2 balanced fertilizer is the best to use but 8-8-8 is satisfactory and

Archery Marx Jr. New Manager for Bell Telephone

Archer H. Marx, Jr., of Fort Worth, has been named manager for Southwestern Bell Telephone Company for this district, Bill Bass, district manager for the company, announced today.

Marx joined Southwestern Bell in early 1957 as a trainee in the company's extensive management training program.

Since completing his training, Marx has held several positions in the company's commercial offices in Fort Worth. His most recent assignment was as a business office supervisor in Fort Worth.

As manager for this group of towns, Marx will have charge of commercial and business office operations in Albany, Breckenridge, Cisco, Dublin, Eastland, Gordon, Ranger and Strawn.

He will live and headquarter in Cisco.

Marx received his bachelor's degree from Texas Christian University in Fort Worth.

He was captain of the Hurned Frog freshman golf team in 1950-51 and lettered on the varsity golf team in 1953. He still maintains his golf game as a hobby. He is also interested in other sports.

Marx served in the Army from 1954 to 1956.

He replaces W. H. McAnally, who recently resigned.

Mrs. Jim Horton Is Guest Speaker At Ranger Garden Club Meeting

"From Garden to Table" was the program theme at the Ranger Garden Club meeting Friday morning, Oct. 23, at the Community Club House. Mrs. L. L. Bruce, club president, called the meeting to order.

Mrs. Roscoe Hopper introduced the guest speaker, Mrs. Jim Horton of Eastland, who gave a very interesting discussion on "Combining Fruit and Flowers." Mrs. Horton brought several arrangements and discussed them as they were shown to the group. There were arrangements of red canna leaves, poke berries, egg plants, and a lime in a pottery dish; pyrantha berries and leaves in a white pottery container; red canna leaves, magnolia leaves, and seed pods in a pottery container; and water lily pads, Scotch broom, artificial peaches, and a carved African figurine on a driftwood base. There was a dried arrangement in a metal container, flanked by two carved African deer. Mrs. Horton also conducted a question and answer period on the arrangements.

Mrs. Bruce introduced Mrs. Joe Jackson, flower show chairman, who gave a Flower Show Forecast and answered questions on the coming flower show. Mrs. F. P. Brushier, Jr., announced that the flower show judges will be served lunch at Lone Cedar Country Club before the flower show. Any members who wish to have lunch with them are asked to contact Mrs. Brushier for reservations. The meeting was adjourned by the president.

Wednesday Night Services Set At First Baptist

Wednesday night is one of the big affairs for the entire membership of the First Baptist Church. Choir rehearsal begins at 6:15. The Sunday School will sponsor a covered dish supper at 7 p.m.
At 7:30, Sunday School Superintendent Charles Murr will give general direction to the Sunday school goals for 1960. The budget will be discussed by Glenn West, chairman. The Sunday School teachers will present the stewardship lesson for Nov. 1. After the general promotion of Sunday School, there will be a short worship period, followed by departmental meetings with the superintendents in charge.
There will be no prayer meeting in the main auditorium. Families are urged to be present. All Sunday School officers, teachers and class officers should attend this important meeting.

fresh new beauty from the only car with Wide-Track wheels!

A car is a living thing. And all living things must change. This is why the creative car builders of Pontiac took the proved principle of Wide-Track Wheel Design and surrounded it with fresh, exhilarating, totally new beauty for 1960.

The prow is styled for excitement.
The horizontal bars bear the artistry of the classical.
The perfect profile comes from just-right proportion, unity, rhythm.
The clean, graceful back contributes character where other cars seem only to reflect confusion.

With the widest track of any car, Pontiac's width is on the road—where it gives you better stability. Wide-Track widens the stance, not the car.

the poor pass completion record of the Apaches.

The Rangers rode the good right arm of Jackie Waggoner and Kenneth Hart and worked the fullback draw with Prentiss Gidney, and the screen pass with the same Gidney, to miraculous proportions and four solid touchdowns.

The win gave Ranger College a 5-2 season record and fulfilled a Ranger College ambition of defeating Tyler that has burned for years.

The Rangers will start conference play next Saturday night when they travel to Corsicana to battle the powerful Navarro Junior College.

PEANUT MARKET GETS UNDERWAY

With a week and more of fair, dry weather since the heavy rains earlier in the month, the peanut crop was beginning to roll to market here Monday and Tuesday with prospects that—fair weather continuing—the local market would be "covered up" later in the week.

Most of the peanuts brought in during the first two days of the week were those dug prior to the rains and the first loads graded very poorly, market reports said. However, the grade was beginning to improve as later loads arrived and it was not believed that the damage done by the rains would be as great as first feared.

"SERVES YOU FIRST"

But I haven't got that much!

Ever add up what you could LOSE?

You have perhaps often added up what you are worth. Ever add up what you COULD LOSE? It might perhaps be several times what you are worth.

Example: you may injure somebody, and the law may take all you're worth and attach your future income for years to come.

Example: your house may burn and it may cost you twice its original price to replace it.

Sometime add up all the losses you MIGHT have and you'll see that you are under-insured at many points—against theft, fires, lawsuits, embezzlement, interruption of business, etc.

Gloomy? Well, the purpose of the America Fore insurance policies we write is to end this kind of gloomy thinking.

COOKIES EQUAL TO THE OCCASION

By BETTY BARCLAY

It's a mighty comfortable feeling to have a cookie jar filled to the brim, ready to yield its treasure contents to satisfy between-meals appetite or to add interest to a simple fruit dessert. And if they're these out-fitted chocolate cookies with a snowy drift of confectioner's sugar atop each, you'll be proud, too, to serve them to guests with afternoon tea or coffee, or at a late-evening snack.

Chocolate Cookie Balls

3 squares unsweetened chocolate
1/2 cup shortening
1 cup sugar
1 1/2 teaspoons vanilla
1 egg
1 cup sifted flour
1 teaspoon double-acting baking powder
1/2 teaspoon salt
1 tablespoon milk
1/2 cup chopped nuts
Confectioner's sugar

Melt chocolate and shortening together. Add sugar and vanilla; Mix well. Add egg and beat thoroughly. Sift together flour, baking powder, and salt. Add to chocolate mixture; then add milk and nuts. Mix well. Chill dough several hours.

Form dough into small balls. Place on ungreased baking sheet and bake in moderate oven (375°F) 8 to 10 minutes. While still warm, dust with confectioner's sugar. Makes 2 dozen cookies.
