**SUNDAY DEVOTIONAL**

By Rev. Jack E. Barker  
Pastor First Christian Church  
THE LORDSHIP OF CHRIST

Lord of our lives. Perhaps it is because our love for "freedom" blinds us to the truth that men are only truly free in God. Perhaps it is because we think of Lordship in terms of judgment and forget that the Lord is our Savior above all else. Perhaps it is because we really have a hard time believing that God's will for our lives is always good, that He always deals with us in mercy, that He is our God of loving-kindness.

Ranger Women Attend A. F. A. Spring Market

Mrs. Audrey Yonker and Verna Lee Brown were among the 5,000 buyers and merchants attending the American Fashion Association's Early Spring and Resort Market held in Dallas Nov. 1 through Nov. 6. The showings, held in the Adolphus and Baker hotels, featured "New Shapes, New Faces" as depicted in the A.F.A. Fashion Merchandising Clinic, held in the Crystal Ballroom of the

Baker Hotel on the evenings of Nov. 2 and 3. From the four hundred exhibitors of women's apparel and accessories, buyers learned that the approaching Spring season will take on an appearance of femininity and quality. The femininity is expressed often in easy draping that reveals the natural body line. Other items of new-fashion interest include bloused and batwing sleeves, cowl and cape collars, three-quarter length coats, the long blouson and the tant midriff. The new fabrics used by designers in their spring lines are interesting for their "new faces" surface interest, new weaves, and new fiber blends. The sportswear collections, for which our American manufacturers are famed, are colorful and exciting.

CARD OF THANKS

We wish to express our sincere thanks to our many Ranger friends who sent flowers, cards, and letters, and for other acts of kindness shown our mother, Mrs. J. W. Weaver, who is ill.

Christian Science

The meaning for today of the book of Genesis will be set forth in the Lesson - Sermon entitled "Adam and Fallen Man" at Christian Science services Sunday.

Opening selections to be read from the Bible present these verses: "God created man in his own image, in the image of God created he him; male and female created he them . . . And God saw every thing that he had made, and, behold, it was very good" (Genesis 1:27, 31). From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (183:21-23). "Divine Mind rightly demands man's entire obedience, affection, and strength. No reservation is made for any lesser loyalty. Obedience to Truth gives man power and strength. Submission to error superinduces loss of power."

VISITING IN BRYAN
