For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne\*)—discovery of a world-famous research institute.
