AMERICA'S FINEST FIRE INSURANCE POLICY

If your house burns down— If your home should burn, it is still going to cost you a lot more than you probably think it will to rebuild it or buy a new house.

Don't keep thinking about what your house cost you in the first place, maybe years ago. Building costs and home values have risen greatly in recent years. Think: how much would it cost me to duplicate it tomorrow?

If you are like the average home owner, you are still probably way under-insured and should talk to us mighty soon (maybe this minute) about increasing the amount of your fire insurance coverage.

The Eastside Baptist Church extends a welcome to all to attend the services of the church this Sunday. The morning service begins with Sunday School at 10 a.m., followed by the worship service at 11. The evening service begins at 7. The nursery is open at all regular services of the church. Subject for the morning message, as announced by Rev. Bobby Spross, is "The Son of Pilate." For the evening service the subject is "What Makes Holy Ground?"

First Baptist Church

Ralph E. Perkins, Pastor

"The Tragic Penalty of Sin" will be the pastor's theme this Sunday at the First Baptist Church. The scripture text is found in Romans 1:18-23. Here the scriptures tell of the depravity of man when God is removed from his life. "Man may exclude God from his life, and God can turn man over to a reprobate mind," said the pastor.

Sunday School attendance continues to climb back to the upper bracket, which calls for the membership of the church to be found faithful to the Lord on His day. Rev. Ralph Perkins said, "God's penalty rests upon the 'Sabbath desecrators,' the same as for any other sin."

Special music will be supplied by the choir, under the leadership of Lee Russell. The Training Union, meeting at 6:30 p.m., has consistently been good for several years. There is still a need for the membership to feel a responsibility to God for their Sunday night desecration. The evening message will be on the theme, "The Satisfying Reward for Right Choices." "The right choice in life can be made consistently if Christ is the center of the life. When 'Satanic desires' fill the mind and fleshly lusts consume the body, there is only one answer—remorse. The richness of following Christ in the right choice is the thrilling joy of a life being well spent."

There is well-trained leadership for each department in both Sunday School and Training Union. "Bring your family and make our church your church as you serve Christ in this community," said Rev. Perkins. "A most modern and up-to-date nursery awaits your little ones. First Baptist is indeed a church ministering to the people of the community."

Christian Science

How the power of God brings man protection and strength will be brought out in the Lesson-Sermon entitled "Man" which will be read at Christian Science services this Sunday. The spiritual relationship of God and the man of His creating will be emphasized in the Scriptural readings which include this verse: "The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid?" (Psalms 27:1). Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "Nothing but the power of Truth can prevent the fear of error, and prove man's dominion over error" (380:19). The Golden Text is from Genesis (1:27): "God created man in his own image, in the image of God created he him."

The youth meet every Sunday night for Victory Leaders services, which begin at 6:30. Frank Robinson is leader. A cordial invitation is extended to all to attend these services.

Talking is all right—

... if you are running for office or courting your best girl, but when it comes to buying land or town properties don't let the owner talk you out of an abstract. The fact that the seller has owned the land for many years doesn't mean necessarily that his title is good. The safest plan is to get an abstract before you buy. The cheapest property on earth is too high if the title is faulty.
