

Man, 34, shot to death near Hart

HOMEcoming QUEEN for Dimmitt High School this year is senior Maggi Paxton, who was crowned during the big Homecoming Pep Rally Friday afternoon in the DHS gymnasium. In background is freshman candidate Michelle Garcia.

A 34-year-old San Angelo man was shot to death Monday night at a farm home north of Hart.

The victim was identified as Austin Lewis Holland, 34, of San Angelo.

The Sheriff's Office is keeping tight security on the case pending the results of an autopsy, which was expected to be performed Wednesday by Dr. Ralph Erdman, pathologist, in Amarillo.

Sheriff's officers said they received a phone report about 9:40 p.m. Monday that someone had been shot at the farm home, which is owned by Tina Kendricks.

When they arrived at the home, deputies and ambulance service attendants found Holland's body on the front porch, Rhynes said.

Rhynes said he could release no further information, pending the autopsy and follow-up investigation.

Deadline nears for registration

If you haven't registered to vote there's still time to sign up.

According to voter registrar Billy Hackleman, the last day applications may be accepted from individuals at his office is Oct. 7. The deadline is Oct. 9, but since that falls on a Sunday, the in-person registration deadline is Oct. 7. Applications that are mailed to the registrar's office will be accepted through Oct. 10 as long as they are postmarked by Oct. 9.

LULAC has been sponsoring a registration campaign and has reported that more than 200 new voters have registered at its registration office and through door-to-door contacts in less than three weeks.

LULAC's registration office is located at 210 W. Bedford St.

Hackleman said voter registration applications can be picked up at his office, Rhoads Memorial Library, Maria's Mexican Restaurant and from the principals at schools in Dimmitt, Hart and Nazareth.

Absentee voting for the Nov. 8 presidential election begins Oct. 18 and continues through Nov. 4, according to County Clerk Joy Jones.

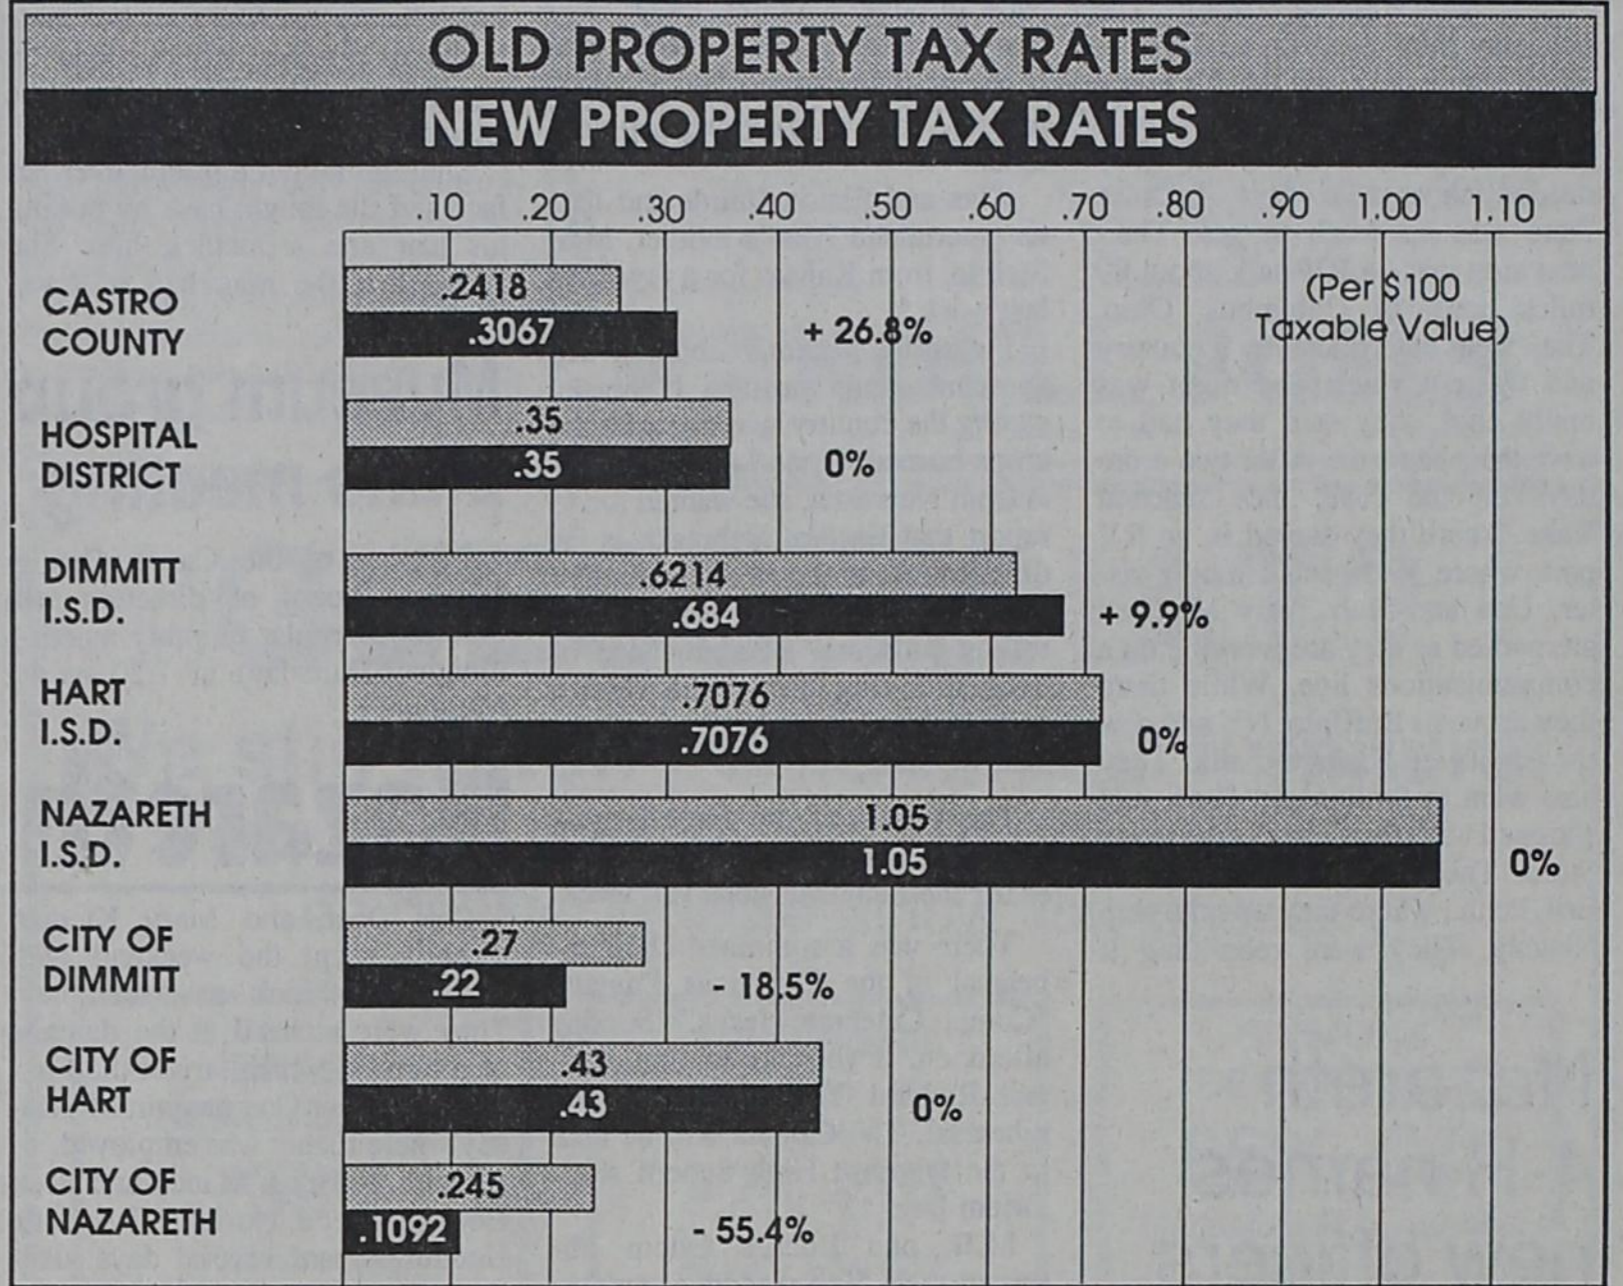

Lt. Gov. Hobby due here Monday

Lt. Gov. Bill Hobby is scheduled to be in Dimmitt at 2 p.m. Monday, accompanied by state senatorial candidate Mel Phillips.

He will visit the County Democratic Headquarters at 113 E. Bedford St., and will address voters at a site to be posted at the headquarters.

"Lt. Gov. Hobby will address the possibilities of our region getting its fair share of the tax money that we send to Austin," Phillips said. "We believe he will have some specific proposals."

Hobby, a Houston Democrat, has been the state's lieutenant governor since 1973.

THE NEW TAX BITES—Here are the old and new property tax rates for all local taxing entities, with the 1988 rates in the screened bars and the 1989 rates in the black bars. Fair market value is also the "taxable value" on homes, business buildings, rental houses, vehicles, business inventories and business equipment. Business furniture and fixtures are taxable, but home furnishings and fixtures are not. Farm land is taxed on "ag value,"

which is approximately 70% of fair market value. Cattle and farm machinery are exempt. If you wish to figure your total property tax bill from this graph, add the High Plains Underground Water Conservation District tax, which is 7/10 of a cent (.007). If you don't want to bother, you'll be getting your tax bill soon anyway—the Castro County Appraisal District started mailing them out Tuesday.

Fee 'discriminatory,' parish chairman says

The *quincenera* is a traditional Hispanic celebration of a girl's 15th birthday. It's an important milestone in a girl's life, similar to the "coming-out party" in European cultures.

Most *quinceneras* here are church-related. As many as 30 or 40 families will go together on duties and expenses to help the girl and her family celebrate with a party, dinner, ceremony and dance. It's a family-style event, with people of all ages taking part.

In recent years, most *quinceneras* here have been celebrated at the County Expo Building. But that practice stopped when the County Commissioners' Court set new fees for Expo Building usage and classified *quinceneras* as "adult dances," requiring a use fee of \$500, a cash deposit of \$1,500 and the hiring of two security guards.

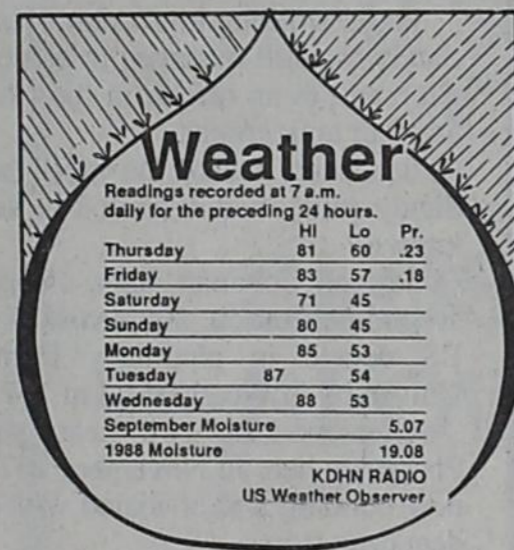

The new fee is "discriminatory" and "ridiculous," says Paul Garcia, chairman of the Immaculate Conception Catholic Church's Parish Council.

The parish includes 719 families, with more than 3,000 individual members. "So far, the comments and stories (about the new Expo Building fees) have addressed only one faction of our population," Garcia said. "There is another faction that is very upset over this, but hasn't complained openly about it. I hate to complain openly about it myself, but I have a responsibility as chairman of our parish council.

"The last thing we want to do is make this a racial type thing," Garcia told the Commissioners' Court Monday, "but many in our parish feel the county is being discriminatory with this new policy."

Garcia said he felt the fee for school-related dances (\$100 rental and \$200 cash deposit) "isn't bad, and I think the idea of posting two security guards is an excellent idea." But to require a \$500 rental fee and \$1,500 deposit for a *quincenera* is "ridiculous," he said.

When they set the prohibitive fee for adult dances last month, the commissioners said they did so because such events usually involve the use of alcoholic beverages, which is not allowed at the Expo Building. Also, they said, two parties several years ago resulted in damage and the building being left

DEMOCRATS OPEN SHOP—County Democratic Chairman David Schaeffer (center, left) gets a helping hand from State Senatorial Candidate Mel Phillips in cutting the ribbon to formally open the Democratic campaign headquarters in Dimmitt Monday. Holding the ribbon are County Judge

Polly Simpson and Mayor Wayne Collins. The headquarters, located at 113 E. Bedford St., is manned by volunteers and stocked with campaign literature for candidates for local, state and national office. It also will serve as the reception site for visiting candidates.

County gets budget break

After wrestling with financial problems for months, the County Commissioners' Court finally got some good news Monday.

The county got a group health insurance bid from Blue Cross/Blue Shield that was almost \$51,000 less than commissioners expected.

As a result, the commissioners were able to adopt a leaner 1988-89 budget, even after adding back in \$3,500 for child protective services, \$2,000 for Extension Service travel and \$4,000 for the emergency preparedness management program.

In their temporary budget for the next fiscal year, the commissioners had anticipated a cost of \$114,130 for group health insurance, up from \$72,400 this year. But J. R. Wilson of Blue Cross/Blue Shield submitted bids on three plans that were considerably below the anticipated cost.

The commissioners approved a plan that will provide health and hospitalization coverage with \$200 deductible plus a \$1,000 maximum out-of-pocket annual cost for up to two persons in a family, and a "pharmacy card" for purchase of prescription or generic drugs on a flat-fee basis.

Cost of the plan will be \$105.36 per month for a county employee and \$174.22 per month for his/her dependents.

Cost for the county's share will be \$63,228 during the coming year,

which is \$9,172 below this year's cost and \$50,902 less than the bid submitted earlier by the county's present insurer.

Three companies bid for the county's health/hospitalization insurance.

After setting the county's 1988-89 property tax rate at 30.67 cents per \$100 taxable value as expected—a 26.8% increase—the commissioners adopted a budget that anticipates \$1,897,111 in expenditures and \$1,873,731 in revenues, plus \$473,434 cash on hand.

The biggest gremlin in the county's budget is the cost of worker's compensation insurance, which is expected to jump from \$25,760 this year to \$50,700 during the coming fiscal year.

The county also had to figure in the cost of hiring more jailers, as required by the state, and anticipated increases in fire department expense, janitor supplies, juvenile work, equipment leases and salaries/wages, plus smaller increases in many other areas.

The commissioners slashed the budget for capital expenditures from \$196,806 this year to \$85,095 next year and cut the budgets for ambulance service, attorneys' fees, charity, commodities, computers, court reporters' fees, Crime Line, election expense, gas and oil, insurance and bonds, building maintenance, materials and supplies, miscellaneous expenditures and part-time help.

But after hearing pleas from two

different groups Monday, the commissioners added money back into the budgets for Extension Service travel (mainly 4-H stock buying trips) and child protective services.

Seven 4-H parents and adult leaders, noting that the Extension Service's travel budget was being cut to a point 42% below the 1987 amount, told the commissioners that County Agent Seth Ralston saves the county's 4-H'ers thousands of dollars each year by going to the Midwest to buy quality show animals at much cheaper prices than they can be bought in Texas.

They also criticized a new county policy limiting Extension Service travel to a 400-mile radius and specifying a smaller standard pickup to replace the current two-seat "super cab" pickup now used by the Extension Service.

Speaking for the group, Charles Summers, Vic Nelson, Leslie Davis and Jimmie Howell told the commissioners that Ralston had built 4-H membership in the county from 100 to 300, and that one reason is that he is able to find show animals at bargain prices in the Midwest that can successfully compete with higher-priced animals bought and shown by FFA youths. They said parents accompany Ralston on the annual buying trips and help haul animals back with their own pickups and trailers, at no cost to the county.

They said the 400-mile travel restriction would force Ralston to drive farther to find new sources

Hart homecoming queen to be crowned

Jammin Through the Jungle for a Homecoming Win is the theme for Hart High School's 1988 Homecoming celebration this week.

Homecoming activities will be highlighted by the coronation of the Homecoming Queen Friday night during halftime of Hart's game against Friona and the crowning of the Pep Squad King during the pep rally Friday afternoon at 2:30.

Candidates for Homecoming Queen are Rayla Black, Christine Velasquez, Heather Hunsacker, Christy Hernandez and Sonia Sarabia. Pep Squad King nominees are

Junior Washington, Jay Davis and Daniel Rodriguez.

During Homecoming week, Hart students have decorated the halls of the school and participated in various "dress-up" day activities. Monday was "Pajama Day", Tuesday was "Twin Day," Wednesday was "St. Maroon Day," today (Thursday) is "Rock Star Day" and Friday will be "Dress Up Day."

The Bonfire King was scheduled to be crowned Wednesday night at 9 p.m. during the bonfire behind the football field. Bonfire King candidates were Larry Brown, Jimmy Martinez and Reno Montiel.

On the Go with Mary Edna Hendrix.

Vade and Aline Kirby left Dimmitt Aug. 22 for Kane, Penn. On the way they stopped in Norman, Okla., to see Aline's sister. On the second day they went to Fort Smith, Ark., where they met Vade's brother and wife (Hulon and Helen). They went on to Eureka Springs, Ark., where they saw the country and western show. They traveled through Missouri into Illinois and stopped at Greencastle, Ind. and saw one of Vade's old army buddies and his wife, Arthur and Wanetta Zaring. The next day they went on to Dayton, Ohio, where they saw the Air Force Museum. They said they spent about four hours there, but they needed about two days, because there was so much to see. Their next stop was an RV park about 80 miles north of Columbus, Ohio. They were entertained by a country and western band. The night was really cool, they said they had to have their coats on. After two more days on the road, they reached Kane. There they stayed in an RV park where Vade and Hulon's sister, Una and Hub Terry Maxwell are parked as they are working on a communications line. While there they drove to Buffalo, NY and saw the sights at Niagara Falls. They also went to Smithsport, Penn. and shopped at the First Christmas Store. They went to the town of Eril, Penn., where they saw the ship Niagara. They were rebuilding it

Nazareth 4-H names new officers

The Nazareth 4-H Club selected its outstanding boy and girl members and named new officers at its annual awards banquet Sunday night in the Nazareth American Legion Hall.

Lee Klemman and Wendal Huseman were named co-outstanding boys and Lynette Klemman was named the outstanding girl.

Officers for the coming year are Lorelea Acker, president; Wendal Huseman, first vice president; Lynette Klemman, second vice president; Kirsten Birkenfeld, third vice president; Peggy Huseman, secretary; Mac Annen, treasurer; Lee Klemman, council delegate; and Bill Hochstein, reporter.

Thirty-four members in the club were given certificates for participation in different projects, camps and shows. Eight members were recognized for completing their record books.

4-H banquet is scheduled

The Castro County 4-H banquet will be held Monday at the Expo Building.

The banquet, which begins at 6:30 p.m., will be held during National 4-H Week, which begins Sunday and continues through Saturday, Oct. 8.

The banquet is open to all 4-H'ers and their families.

for show animals, and pay more for them.

"We think we've got a tremendously successful program here and we want it to continue," Nelson said.

"If the kids are not going to be able to get animals that can compete, they're going to lose interest," Summers said.

Representatives of the volunteer Child Protective Services Board requested \$2,500 more in their budget for the coming year to pay the costs of foster care for eight children from one family.

"That was an unusual case . . . and it devastated our budget," Board Chairman Michele Bell said.

The commissioners authorized the additional funds.

Castro County Ministerial Alliance will study I Peter 2:13-25 Tuesday at 10 a.m. at the Christian Assembly in Hart.

Suspect arrested in attempted rape

Dimmitt police arrested a 24-year-old man Friday on a charge of "burglary of a habitation with intent to commit injury to an elderly person" after an 82-year-old woman reported that the man had broken into her home and attempted to rape her.

The man is in the county jail under \$50,000 bond, pending grand jury action on the felony charge.

The woman told police the incident occurred about 1 a.m. Friday in her bedroom. She said she awakened to discover a nude man on top of her, with his hands up "like an animal," growling at her.

She said he put a pillow over her face and she fought back by pulling his hair and scratching him. She added that the man had a strong

odor of alcohol.

She said he tore her panties off, but that she continued to pull his hair and scratch him "until he finally gave up." She said the man dressed and left her home, but left behind his cap, which she had knocked off during the struggle.

After he left, she said, she dressed and went next door for help.

A city police officer reported talking to the suspect in the neighborhood shortly before the incident was reported. The man fit the description which the woman gave of her assailant — about 5-10, of medium build, with long sandy-colored hair and a beard, and hairy arms.

Police arrested the suspect later Friday.

Officers said the woman had noticeable bruises on her arms and legs as a result of the struggle.

Museum group plans meeting

Member of the Castro County Museum board of directors will hold their regular monthly meeting tonight (Thursday) at 7:30 at the Museum.

We Salute

Our Pharmacies

How would you like to live in a town without a pharmacy?

Thank goodness, we don't have to. Dimmitt and Castro County are fortunate to have two of the best pharmacies in the area—Parsons Rexall Drug and Coleman Pharmacy.

Sandy Parsons III, RPh, is a second-generation pharmacist. He was raised in Wellington, and received his BS degree in pharmacy from Southwestern Oklahoma State University at Weatherford. After graduating in 1960, he came directly to Dimmitt and bought the Reed-Bond Pharmacy. He completely remodeled the store six years later, and the unique design of the attractive store was featured in a national pharmaceutical magazine.

Parsons' store hours are 8-6 Monday through Saturday, "and the first four or five years we were here we also were open on Sundays from 1 to 6," he said. And, as is customary in the pharmacy profession, he's on call 24 hours a day.

Those working hours don't leave much time for other things, but Sandy has still managed to serve as president of the Dimmitt Lions Club and as an officer in the Chamber of Commerce. He's also an amateur taxidermist.

"It's been one of the most enjoyable careers I could imagine," Sandy said, "and I think I'm serving the finest people I've ever known."

Garland Coleman, RPh, owner of Coleman Pharmacy, also is a second-generation pharmacist. A native of Paducah, he received his BS degree in pharmacy from Southwestern Oklahoma State University in Weatherford in 1975.

After working two years at Tulia, Garland bought Carver Pharmacy here in November 1977. Three years ago he built his big new building and affiliated with the HealthMart group of independent drug stores.

Coleman Pharmacy is open from 8:30 to 6 Monday through Friday and from 8:30 to 1 on Saturdays. Also, Garland is on call 24 hours a day.

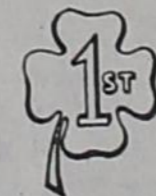

"We love being of service to people, and we have enjoyed and continue to enjoy being a part of Dimmitt," said Garland, who serves on the boards of the Chamber of Commerce, Castro County Hospital District and the First United Methodist Church.

To earn a bachelor's degree in pharmacy, one must attend college at least five years and take more chemistry courses than are required for a master's degree in chemistry. Pharmacists must pass a very difficult state exam to be licensed, then must study constantly to keep up with all the new prescription drugs and medicines that come on the market, and must know their composition, relative strengths, side effects, etc. They must maintain adequate stocks for community emergencies, and be ready to serve their customers and the medical community day and night.

Sometimes we don't appreciate them enough.

Parsons Drug and Coleman Pharmacy, we're glad you're part of Dimmitt!

Energas changes name to Atmos Energy Corp.

The shareholders of Energas Company have approved a change in the company's name to Atmos Energy Corporation, effective Saturday.

At a special meeting of shareholders held last Wednesday, Charles

K. Vaughan, chairman, president and chief executive officer, announced the results of the shareholders' vote. In addition to the name change, shareholders also approved a proposal to increase the company's authorized common shares to 50,000,000 and approved a restricted stock grant plan.

In related action, the company announced that common shares of Atmos Energy Corporation will begin trading on the New York Stock Exchange Monday under the trading symbol "ATO."

"These actions set the stage for our company's continued growth and expansion. We are pleased that our shareholders have demonstrated their support for our plans," Vaughan said.

Energas (Atmos Energy Corporation) distributes natural gas to more than one-half million customers throughout its operating divisions.

ICC to sponsor tent circus here

The Immaculate Conception Catholic Church in Dimmitt will sponsor the Culpepper and Merriweather Circus in Dimmitt next Thursday, Oct. 6.

Two performances, at 6 and 8 p.m., will be held behind Pizza Hut.

The traditional traveling tent circus has been featured by the National Geographic Society's *Explorer* television series.

Advance tickets may be purchased at reduced prices at Maria's Restaurant, El Sombrero, Miguel's Texaco, and from Stella Mendez at Richardson Elementary School, Gloria Hernandez at Dimmitt Middle School, and Kara Schulte at Dimmitt High School.

Guajardo helps aid failed vessel

Navy Petty Officer Third Class Jesus Guajardo, son of Rafael and Juana Guajardo of Dimmitt recently assisted the crew of an Indonesian fishing boat in the Indian Ocean.

Guajardo was serving aboard the guided missile frigate USS Rodney M. Davis, homeported in Yokosuka, Japan.

Due to a loss of oil, the fishing vessel's engine failed, but within an hour, the ship's motor whale boat crew had the lube oil replaced and the engine running again.

ICC Happenings

CCD students should return their circus tickets and money by Sunday.

There will be mass at 5:15 p.m. today (Thursday). The Pastoral Council constitutional amendments sub-committee will meet at 8 p.m. today (Thursday).

Edward and Juanita Wales, Gary Jouett and Valentin Caballero will celebrate the right of acceptance into the order of Catechumens and of the rite of Welcoming baptized but previously uncatechized adults who are preparing for confirmation and Eucharist Wednesday at 7 p.m. They will participate in the rite of christian initiation of adults which is now the norm for an adult convert.

This weekend is Prayer Commitment time for the third season of RENEW.

The junior CYO (grades 6-8) will meet Sunday at 2 p.m. in the Community Center with their coordinator, Elma Aguilar.

If you MAKE it here, SPEND it here.

Booster Club is 'loyal to effort'

Members of the Dimmitt Athletic Booster Club are not only "Loyal to Effort," they are busy.

Head Football Coach Army Salinas set the theme, "Loyal to Effort" for this season, which is a short way of saying that fans, parents and students should give their 100% support to the athletes who are giving their 100% effort.

The Booster Club and its president, Joe Josselet, took Coach Salinas' theme and ran with it. Parents had a table at the County Fair during Harvest Days so folks could get a head start on joining the club. New members were given a window sticker that is a purple circle with white letters that say, "Loyal to Effort."

People all over town are wearing a purple dot on their watches or eyeglasses to remind them to give their 100% support.

The Booster Club is continuing to sell loyalty flags and encouraging fans to wave the flags at games to cheer on the Bobcats.

The Booster Club hosted the annual "Meet the Bobcats" night after the scrimmage with Shallowater. The coaches introduced their players, and fans also met the cheerleaders and band, then enjoyed homemade ice cream furnished by the football players' moms and Booster Club members.

At the first home game, the Booster Club hired an airplane to fly over the stadium pulling a banner that read, "Bobcats—Loyal to Effort."

For the Homecoming game, Pam Josselet and her Booster Club crew painted a huge solid-purple circle in the middle of the football field. Of course, the circle had the words, "Loyal to Effort" in it.

The Booster Club pays for the purple and white helium-filled balloons that are released at each home game. The club also pays for the pictures of football and basketball players and coaches that are placed in businesses around town. This year, Kay Wardlaw designed huge football-shaped mats for the pictures of the football players. She also drew and painted the theme posters for the coaches and managers of all sports and the megaphones for the cheerleaders.

Football players' mothers prepared the posters and placed them in businesses that had bought ads in the football program. The football program is a joint project of the Booster Club and the cheerleaders.

Jean Petty headed that project this year.

Booster Club members boast that Dimmitt has one of the finest football programs around.

The Booster Club also has shared the costs with other organizations for other improvements to the DHS sports facilities.

The club helped pay for the signs on the newly remodeled press box and the field house at Bobcat Stadium, sharing the expense with the school district. Daniel Loreda painted the signs.

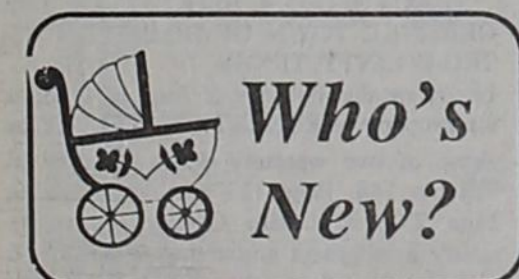

The Band Parents, Booster Club and DISD cooperated to purchase the new picnic tables near the concession stand.

The Booster Club meets every Tuesday night at 7:30 in the high school cafeteria during football season. Members hear reports from all the football coaches, from seventh grade through varsity. They view the varsity game film from the previous Friday night, then conduct business.

During basketball season, meetings are "slipped in" between the many games each week.

If you haven't joined the Booster Club but would like to, it isn't too late. The club needs lots of members because there's a lot to be done to support Dimmitt's student athletes.

Get in on the excitement, and always be "Loyal to Effort!"

JV Bobcats run record to 4-0

Dimmitt's Junior Varsity hiked its record to 4-0 last Thursday with a 23-8 win over Abernathy. Playing at Abernathy, the JV Bobcats scored touchdowns in the first, second and third quarters and a safety in the third to take a 23-0 lead before allowing the JV Antelopes a TD in the fourth. Freddie Martinez got Dimmitt's first TD with a three-yard run on Dimmitt's fifth play of the game. AFS exchange student Mikkel Holm kicked the extra point to make it 7-0. Miguel Ontiveros, who finished the game with 69 yards on nine carries, struck paydirt with a 20-yard TD run in the second quarter. Holm again added the point-after to give Dimmitt a 14-0 halftime lead. Martinez tackled an Abernathy runner in the end zone for a two-point safety in the third to stretch Dimmitt's lead to 16-0. Later in the third, Martinez tossed a six-yard scoring pass to Daniel Espinosa for the JV Bobcats' final touchdown. Holm again booted the extra point to make it 23-0.

Abernathy scored in the fourth on a 55-yard run. An attempted pass for a two-point conversion fell incomplete. Henry Rocha was Dimmitt's leading ground-gainer with 79 yards on 13 carries. John Ortegon had a good game also, gaining 50 yards on nine totes. Martinez carried six times for 15 yards and Espinosa picked up eight yards on two carries. Martinez completed two of five

ACS plans golf scramble

The Castro County unit of the American Cancer Society will sponsor a golf scramble Saturday at 1 p.m. at the Country Club. A meal will be provided and cash prizes will be awarded. The food for the meal will be donated and prepared by members of the Alpha Chi Omega Sorority. Anyone interested should call in their handicap to 647-4502 or 647-5773.

passes for 44 yards and a TD, and had one intercepted. In addition to Espinosa's seven-yard touchdown catch, James Flores caught a 38-yarder. Holm was three-for-three on his extra-point kicks. Dimmitt gained 261 total yards, including 217 rushing, while Abernathy had 124 on the ground and 79 in the air for 203 total yards. Michael Ehrhridge had a big game on defense, intercepting two Abernathy passes. The JV Bobcats have outscored their first four opponents 137-14. The Freshman Bobcats didn't play last week, since Abernathy doesn't have a freshman team.

7th, 8th teams have 0-0 games

Dimmitt's seventh and eighth grade football teams both played scoreless ties against their Abernathy counterparts here last Thursday. On the eighth grade game, Coach Lyman Schroeder commented, "We're glad we tied them. They had scored 47 points the week before." Seventh grade coach Greg Clark said Abernathy's seventh graders "threw a funky defense against us. Our boys played well, especially on defense." The eighth grade now has an 0-1-1 record and the seventh grade is sporting a 1-0-1 mark.

AT LEAST IT'S NOT THE REAL THING!—Janie May kisses the "pig's" nose as her brother, Jason, deposits a donation into the "pig's" bank. The "pig" is a replica of the real thing that 4-H'ers will carry around during their fund drive for the American Cancer Society during National 4-H Week, Oct. 2-8. The 4-H club that collects the least amount of money during the drive will have to kiss a real pig at the county stock show in February.

4-H'ers to 'Kiss a Pig' for American Cancer Society

The 4-H'ers in Castro County are doing something a little unique for this year's community project and the proceeds from it will go to benefit the Castro County chapter of the American Cancer Society.

The 4-H'ers will be embarking on a door-to-door collection drive during National 4-H Week, Oct. 2 to 8, that culminates in a "Kiss-the-Pig" contest during the Castro County stock show next February.

"Each club will be competing against the other clubs in the county," said Val Davis, president of ACS. "The club that collects the least amount of money will have to 'Kiss the Pig' at the county stock show in February.

"The kids will go door-to-door in groups of two and each team will have a bottle decorated as a "Kiss-a-Pig Bank." They will be wearing a 4-H clover tag with their name and ACS printed on it," Davis said.

Davis urges the community to support the kids and in turn, support ACS. The money raised for the American Cancer Society will be used for research and materials.

"People may be contacted by more than one group of 4-H'ers, because it is a contest and they'll all want to win," Davis said.

The 4-H'ers won't know the result of the contest until February at the stock show, Davis added.

Violinist to perform in Hereford Monday

The Hereford Community Concerts Association will present Violinist Robert McDuffie in concert Monday night at 8 in the Hereford High School Auditorium.

Admittance to the concert is by membership in the Community Concerts Association.

Devoting as much of his concert season to concert appearances as to the recital stage, McDuffie's orchestral engagements have included concerts with the Chicago Sympho-

ny, Atlanta Symphony, Baltimore Symphony, St. Louis Symphony, Cincinnati Symphony, Calgary Philharmonic, San Diego Symphony and Pasadena Symphony and foreign orchestras including the Czech Philharmonic and Danish State Radio Orchestra and Danish State Radio Orchestra. He is scheduled to perform and record his first disc for Angel Records with the St. Louis Symphony Orchestra and Leonard Slatkin.

NISD awards bids on tennis courts

The Nazareth school board voted to award the bid for two new tennis courts and a sidewalk on the south side of the school cafeteria to Dimmitt Ready Mix at its regular meeting Sept. 14.

Ready Mix presented a bid of \$18,172 for the two tennis courts and \$1,260 for the sidewalk.

The board also agreed to let the school architect proceed with plans

for a new concession stand, restrooms and weight room. Bids will be taken and construction will begin in the near future, but the complex is not expected to be ready for this football season.

The board accepted the campus plan as presented by the principals, faculty and superintendent. The Administration will begin developing a district-wide plan. The mission statement, "Striving to Succeed," was approved.

I know, I know — I haven't written anything in months. I can explain.

First, I was depressed over that TV writers strike—all those re-runs.

Then, I was a little bummed out because the TV writers went back to work and there were still all those re-runs. It's been so long since I saw a first-run show, I'm starting to wonder how they came up with all those re-runs in the first place.

Mostly though, I've been pondering the meaning of life. But I haven't really hit on anything concrete yet.

Of course, feeding, picking-up-after and doing the laundry for a family of five does sort of eat into one's pondering time. But, the one thing my rare moments of reflection point to is that there are a lot of contradictions in the world.

For instance, have you ever noticed that, around a campfire in the fresh evening air, the song of a cricket is lyrical, but, in the hallway at three in the morning, the song of a cricket is annoying?

And, along the same lines, the most dedicated liberal pacifist will gleefully grind that wandering minstrel into the carpet with the closest shoe, boot, book or bat at hand.

Consider this. The same child you practically have to beat on the head on a school night will offer his allowance money as a bribe if you will only let him sleep an extra half-hour on a school morning.

Have you every noticed that the

higher your unpaid VISA balance gets, the more credit card applications you receive in the mail as a "preferred customer?"

A toddler who will dig a lint-covered Tropical Fruit Life Saver out of the bottom of her mother's out-of-season purse and eat it with gay abandon, will, in the same day, stare at the fresh broccoli on her plate as though someone is trying to poison her.

How about this—You have a cookout. You spend three hours mowing and cleaning up the yard, an hour getting the charcoal to that perfect white-hot stage, twenty minutes cooking the meat, fifteen minutes peeling the potatoes, thirty minutes frying the potatoes, all so that you and your friends can sit down to eat a hamburger and French fries, which in the restaurant trade is called "fast food."

I have a friend who is really disturbed by the claim "fresh sour cream." Think about it.

So many contradictions—things just don't add up. What does it all mean?

My daughter and a friend of hers were listening to a taped story of "Jonah and the Whale" and playing Bible School one afternoon. During the "class discussion" of the moral of the Jonah story, they reached several conclusions.

"You should be kind to one another."

"You should do what God tells you to."

"You shouldn't care about what kind of clothes you wear." (My daughter is a young woman of the eighties—clothes fit into the meaning of everything!)

Finally my son, who had been silent through the whole lesson, chimed in with, "You shouldn't get into the water with a whale!"—Aha, the meaning of life!

Auxiliary members go to state meeting

Members from the Plains Memorial Hospital Auxiliary recently attended the district meeting of the Texas Association of Hospital Auxiliaries in Lubbock.

Nell Ingram, Mary Emma Matthews, Mattie Seale, Betty Freeman, Nell Newton, Willie Mae Sadler, Jackie McLeroy and Edith Graef, all of Dimmitt, attended the meeting, which was held Sept. 19.

State President Margie Bozeman of Idalou conducted the meeting.

Bridal shower fetes Zimmer

Charlotte Zimmer, bride-elect of Jerry Thomas, was honored with a bridal shower Sept. 17 at the home of Lanell Hansen in Dimmitt.

Thirty hostesses presented the bride-to-be with a vacuum cleaner.

The serving table was decorated in the bride-elect's chosen colors of mauve and white. Hot, spiced tea, watermelon and cantaloupe balls, breadsticks wrapped in bacon and sausage balls were served to the guests. A silver tea service completed the table appointments.

Out-of-town guests included Jeanie Starkey of Clovis and Darla Rials of Amarillo.

Sunnyside

By Teeny Bowden, 647-5703

Ezell and Verba Sadler went to Odessa Friday to attend funeral services for the husband of a second cousin, Troy Taylor, in Odessa on Saturday. He died in his home last Thursday after a long battle with cancer. They returned home Saturday night after visiting with Golda Taylor and her family.

Teeny Bowden and Clara Vick of Dimmitt returned home from Italy Monday morning at 3:30 a.m. after attending the reunion of the former prisoners of war. They were amazed and pleased with the progress made with the restoration of the chapel since they were here in May. They entertained us royally and made every attempt to show us Italy. There wasn't time to go to Northern Italy because we had planned to use our Eurail Pass into Switzerland. We met the American Ambassador to Italy, had an audience with the pope (along with about 7,000 others from all over the world) visited Mussolini's grave and saw all the sights at Rome.

Rose Acker and Wynona Day of Canyon also went as interpreters and will stay in Italy another week to visit Rose's family. Wynona will tour northern Italy this week. We visited with Rose's family, who took us to Pompey and the ruins and the Isle of Capri. We left Sept. 14, which explains why there was no Sunnyside News last week.

Patricia Powell and Eunice Adams, her daughter, Sharon and a friend, attended the class reunion at Springlake-Earth Friday and Saturday. They spent the nights at the Sadler's big house. They visited with the Bolinger family, who are former residents of the community, along with Eunice Jenkins Adams. It was James Powell's graduating class, but he had to work.

.90 of an inch of rain was recorded for Sept. 14 and Sept. 15. No hail damage was reported.

Willie Mae Sadler and other members of the Plains Memorial Hospital Auxiliary attended the dis-

trict meeting at the Women's Club in Lubbock Sept. 19.

Billie King attended the funeral services for Ammie Murry in Panhandle Sept. 21. She was Mary King's sister-in-law. He got to see and visit with a lot of people he hadn't seen in a long time.

Embree Roy and Willie Mae Sadler went to Plainview to have dinner with Otis and Opal Baker of California and her sister, Goldie Blew of Muleshoe, Polly (Hembrey) Curtis and her sister-in-law of Plainview.

Ezell and Verba Sadler attended the rock club meeting in Hereford Monday night.

Jerry Watts brought in the first load of corn to Farmers Grain leg from the Jim Ussleton farm last week. The harvest is less than 1/2 completed and the test weights have been good, but the prices have been going down. The rain delayed the harvest for several days, but

was spotty. Some of those cutting at the time of the rain got stuck in the field because it fell so fast and hard.

The Marvels of God's Creations

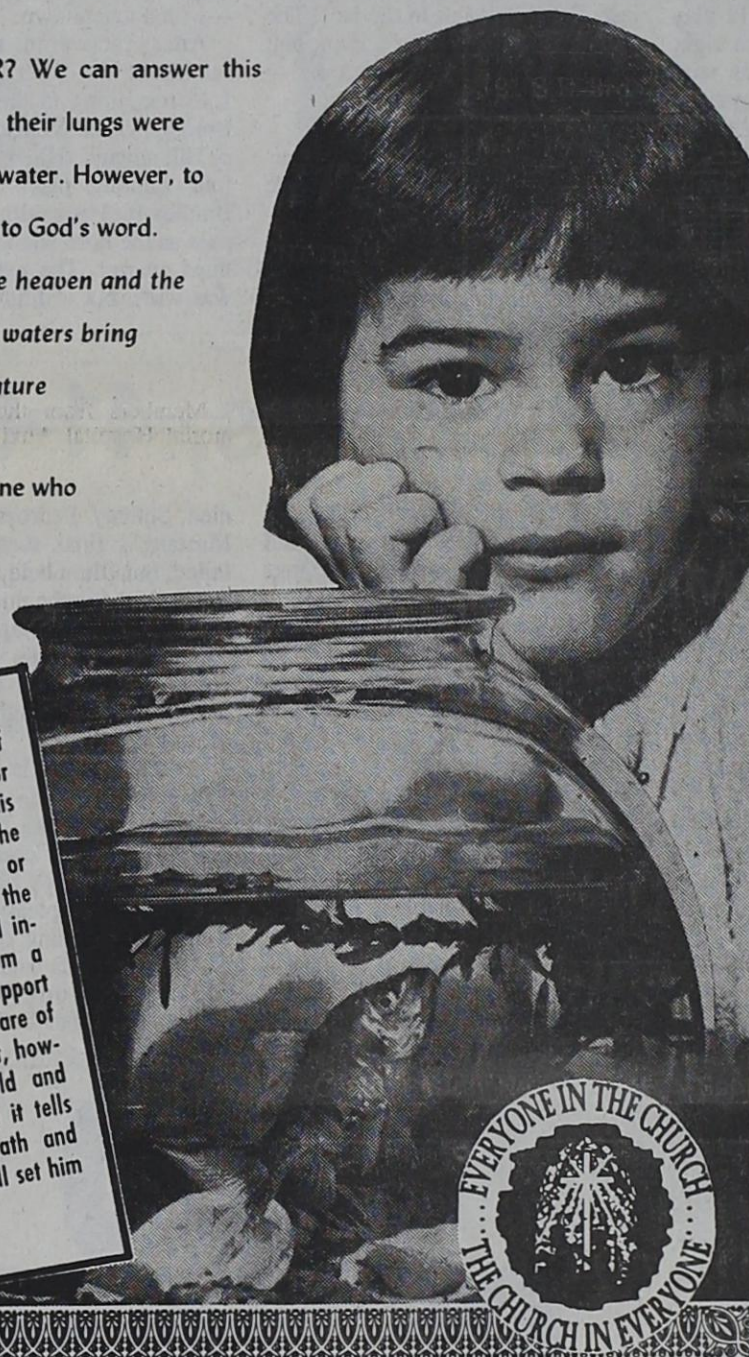

WHY DO FISH LIVE IN WATER? We can answer this question partially by saying: that their lungs were created to draw oxygen from the water. However, to know how and why, we must look to God's word.

"In the beginning God created the heaven and the earth." . . . "And God said, let the waters bring forth abundantly the moving creature that hath life . . ."

Attend Church and worship the one who created these marvels.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Antelopes hear discouraging word: Howell

On just two plays Friday night, Dimmitt's Kelly Howell outrushed and outscored the entire Abernathy team.

Those two plays were touchdown runs of 77 and 95 yards.

The speedy senior fullback had a dream game as he gained 272 yards and scored three TDs on 16 carries—all in just three quarters—to lead the Bobcats to a 37-7 Homecoming victory over the Antelopes here.

The victory kept the Bobcats' record perfect so far at 4-0.

Before an overflow Homecoming crowd, the Bobcats rang up their 37 points in just three quarters. They blunted an Abernathy comeback attempt in the second period with a one-minute, 67-yard scoring drive to take an 18-7 halftime lead, then erased all doubt with Howell's 77-yard TD run on the first play of the second half.

Dimmitt Coach Army Salinas, enjoying his first 4-0 start as a coach since 1971 (and the Bobcats' first 4-0 mark since 1974), was elated.

"The kids got after it. Boy, I'm proud of 'em," he said.

"Kelly had a super game, and he got the blocking. As the line goes, so go the backs—and the backs know it. He went around and thanked all those linemen; all our backs do that."

"Our boys played 48 minutes," the coach said. "All 22 kids played their hearts out. It was a good win for us."

The Bobcats scored on their first possession with a 60-yard, 12-play drive. Howell went over the right side for the final five yards with 4:08 remaining in the first quarter to make it 6-0. Robert Anes' extra-point kick was wide.

Kevin Petty, Rene Enriquez and Emilio Arce joined forces on defense to set up the Bobcats' second touchdown. Petty and Enriquez trapped Abernathy's Steve Peeples

behind the line, Petty forced a fumble and Arce fell on it at the Antelope 20.

Three plays later, quarterback Clay Lytle handed off on a half-back option to Mat Bradley, who rolled to the right and fired a 17-yard touchdown pass to Arce at the goal line. The Bobcats tried a two-point pass but it was incomplete, and the score stood at 12-0 with 5:02 remaining in the second period.

The Antelopes—who are favored to go into the Class AA playoffs—struck back when Peeples broke loose on a 55-yard touchdown run with 1:22 remaining in the first half. Peeples also kicked the extra point to put Abernathy back into the game at 12-7.

"We had him tackled but we didn't think he had the ball," Assistant Coach George Rasor said of Peeples' breakaway run. "That's what the option will do to you sometimes."

But the Bobcats came back with a hurry-up blitz and needed only a minute of clock time to cover 67 yards and put the Antelopes back in the hole at 18-7.

After two incomplete passes, Petty gained 15 important third-down yards, and Lytle followed with a 30-yard pass to Arce—who caught it in a crowd—and a 21-yard strike to Petty at the Abernathy 1. Chad Davis plunged over the goal line on the next play, with just 22 seconds left in the half. The Bobcats again went for a two-point conversion—this time on a run—but came up short.

Just for grins, the Bobcats surprised everybody with an onside kickoff—their first of the season—then tried a wingback reverse and an unsuccessful long bomb as the final seconds ticked off.

The Bobcats dominated the first half, outgaining the Antelopes 149-69 on the ground and 68-12 in the air, and chalking up 13 first downs to Abernathy's two.

If the touchdown just before halftime put the Antelopes in the hole, the first play of the second half buried them.

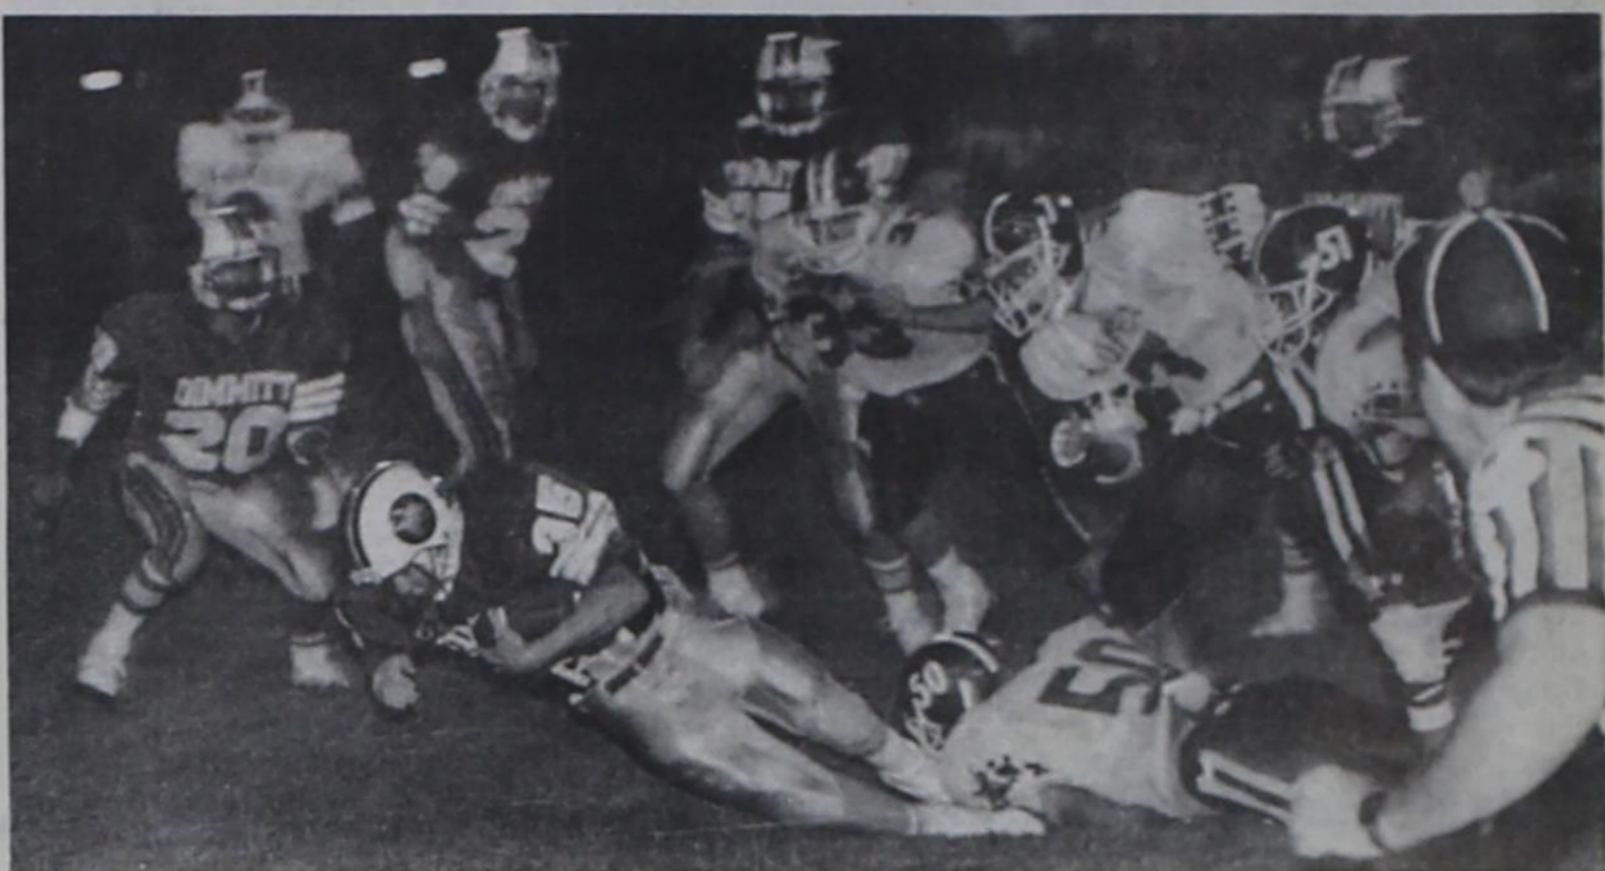

After Arce returned Abernathy's kickoff to the 23, Howell burst over right guard on first down and raced 77 yards to give Dimmitt a three-touchdown lead and make those still at the concession stand wish they hadn't gone. Anes kicked the PAT and it was suddenly 25-7, with the third quarter just 19 seconds old.

Later in the third, Abernathy sacked Bradley, forced a fumble and took over at Dimmitt's 16-yard line, but had to give up the ball four plays later at the 8. After a two-yard gain, the Bobcats were penalized back to the 5, threw an incomplete pass and faced third-and-13.

Then Howell struck again. Starting almost at the goal line, he shot through the line of scrimmage at the 5, broke a tackle at the 35, got a handy screen block from a referee near midfield, and won a footrace to glory land against Abernathy's last defender, who finally dragged him down as he crossed the goal line. Anes' PAT kick was off, and the score stood at 31-7 with 3:13 remaining in the third.

The Bobcats ended the third quarter the way they had started it—with a touchdown.

Anes recovered an Antelope fumble at the Abernathy 20 with 1:45 remaining in the quarter, and Bradley, Oscar Velasquez and Barry Hill advanced the ball to the 7 on four running plays. From there, Bradley hit Petty with a touchdown pass as the horn sounded to end the third quarter. The extra-point kick was wide, but it didn't matter with

KELLY HOWELL (35) dives for extra yardage and picks up a first down at the Abernathy 26 in the Bobcats' first scoring drive Friday night. Moments later, Howell scored on a three-yard

touchdown run to give Dimmitt a 6-0 lead. Howell gained 272 yards on 16 plays and scored three TDs as the Bobcats won their Homecoming game, 37-7.

the Bobcats holding a 37-7 lead.

The fourth quarter was scoreless, but the big Homecoming crowd—which included reunion groups of DHS's classes of 1968 and 1958—didn't seem to mind.

Enriquez led Dimmitt's defense with 13 tackles and a quarterback sack. Prentiss Washington, Bradley and Petty all forced fumbles which Anes, Arce and Petty recovered. Arce and Leo Castro intercepted a pass apiece.

The Antelopes had been averaging 314 yards per game, but the Bobcat defense held them to 182 yards—144 on the ground in 37 running plays and 38 in the air on five-of-13 passing.

Olton drops Swifts, 41-0

BY LORELEA ACKER

Spurred on by a Homecoming crowd, the Olton Mustangs crushed the Nazareth Swifts 41-0 Friday night.

The Swifts took to the air for 53 yards; however, they could not contain the Mustang running backs who rushed for a combined total of 434 yards and five touchdowns.

The first Mustang TD came with just 43 seconds expired in the first quarter when Olton's Hector Garcia scrambled 30 yards to the end zone. Junior Garza added the extra point for a 7-0 Olton lead.

Nazareth's Marty Gerber recovered an Olton fumble later in the quarter and the Swifts had the chance to score, but a determined Mustang defense would not allow the Swifts inside the five-yard line.

On Olton's next possession, Garza found an open man, Joe Al Saucedo, in the end zone and connected for a 22-yard scoring strike with 2:38 left in the first quarter. The PAT by Joe Carrasco was good, giving Olton a 14-0 lead.

The Swifts received a break in the second quarter when a touchdown pass to Mustang Manuel Perez was brought back because of a penalty, but the Mustangs weren't stopped for long. Duane Wilborn found a clear path into the end zone three plays later and Garza added the extra point.

Wilborn ran for another TD with 2:55 left in the second quarter and Carrasco's kick gave the Mustangs a comfortable 28-0 lead.

A 30-yard pass from Nazareth Quarterback Brian Schmucker to Bryce Hatla moved the Swifts to their own 49-yard line, but time expired.

An Olton interception set the stage for another scoring play in the third quarter. Arturo Aviles scored on an eight-yard run at the 7:20 mark.

Nazareth was unable to move the ball on its next series, and Olton intercepted the Swifts to set up yet another TD.

A penalty brought the ball back, but Olton wasn't going to be de-

nied. Johnny Pedroza ran for the Mustang's final score. The PAT failed, but Olton held a 41-0 lead as time expired in the third.

A field goal attempt by Olton in the final stanza was wide left, and Nazareth was never able to move the ball close enough to set up a scoring drive.

"I felt like their overall team speed pretty much overwhelmed us," said Les Goad, Nazareth head coach. "We just couldn't contain them."

"I was really pleased with Harold Verkamp's running of the football and Bryce Hatla had a couple of pass receptions from Brian (Schmucker) that he looked pretty good on."

Horns drop first game, 21-20

Two late fourth quarter touchdowns by Happy's Guy Coile and several penalties by Hart lifted the Cowboys to a 21-20 victory over Hart, ending the Horns unbeaten streak.

The first quarter was a familiar one for the Longhorns. They just couldn't seem to score early in the game, despite having a good opportunity. Fortunately, the defense held tough once again and the score was knotted at 0 after the first quarter expired.

Late in the second quarter the Longhorns scored a touchdown to take a 7-0 lead. David Rodriguez fielded a Jesse Sosa punt at the Horns 44 yard line and broke a couple of tackles before turning up the sideline and sprinting untouched into the end zone with 1:10 left in the first half. Junior Washington added the extra point.

But the Horns lead wasn't meant to last.

A short kick-off gave Happy the ball on its own 34-yard line and eight plays and 51 seconds later the Horns gave up their first points of the year.

Cowboy Quarterback Marty Middleton connected on passes of 31, 12 to move his team down the field, and then found Cory McCarley in the end zone for a 21-yard scoring strike. Sosa's extra point evened the score at 7 as time expired in the first half.

The second half was an emotional drainer for Hart, especially the waning minutes of the game.

Things weren't all bad for the Horns as the half opened. On the

Horns first possession, Washington, who rushed for 274 yards on 21 carries, took off on the first of his long scoring runs, a 70-yard touchdown to cap off a 94-yard drive with 7:18 left in the third period.

The kickoff was fumbled by Happy and Washington recovered the ball on the 41-yard line.

A series of penalties plagued the Horns, and most of their big plays were nullified by a yellow flag on offense and defense.

The score remained 13-7 until the 9:21 mark in the fourth quarter, when Washington broke away for a 76-yard touchdown and added the PAT to put the Horns up 20-7.

But the lead wasn't enough to sustain the Horns for the rest of the game.

The Cowboys, led by tailback Sosa, began to move the ball and chipped away at Hart's lead until they had overtaken the lead.

Guy Coile scored from a yard out to pull Happy to within seven points, 20-13.

Hart took over on its own 18 after losing 15 yards from a penalty on the kickoff. Three consecutive penalties forced Hart back deeper into its own territory and forced a punt.

The Cowboys had the ball on the 38-yard line with 3:19 left in the game, but Hart's defense stood firm, forcing a third-and-ten situation, but Sosa picked up 22 yards on a draw play to give the Cowboys the first down they needed to continue their drive for the goal line and victory. Incomplete passes

once again forced Happy into a third-and-long situation, but a Hart penalty breathed life into the dying drive. The Cowboys completed a 20-yard pass and picked up an extra 15 yards from another Hart penalty. Hart was penalized again, moving Happy to the Horns' six-yard line. Coile scored on the next play and the Hart lead was cut to one. Happy's Coach Tom Lair called a two-point conversion play, but the ballcarrier, Middleton, was stopped short. But, another Hart penalty gave Happy one last chance at the gold and they cashed it in. Sosa dove in from 1 1/2 yards out to give Happy the 21-20 victory.

NEEDED SUPPLIES

ACE REPORTER(UPI):
In researching the needs of a tailgate party I came up with the following list:

1. Pot luck dish (i.e. chicken - preferably Kentucky Fried, fajitas, hamburgers, hot dogs or whatever you want to eat and share with rabid football fans)
2. Your preferred beverage (no i.e.)
3. Plenty of great spirit
4. A tailgate (although tables will be provided along with plates, napkins and plastic forks)

Unbeaten Cats face Olton

Dimmitt will put its unbeaten record on the line against another unbeaten team, Olton, while Hart faces Friona in its Homecoming game and Nazareth hosts Farwell Friday night.

The games are scheduled to begin at 8.

Bobcats

The Bobcats are unbeaten in four games, and are drawing their biggest football crowds in years.

Olton's Mustangs are the only unbeaten team remaining on the Bobcats' schedule. You can assume that they, too, are drawing crowds.

So if you want to get a seat, you'd better get to Olton early Friday.

Kickoff time will be 8 p.m. in Mustang Stadium.

The Bobcats are two-touchdown favorites, but when two undefeated teams meet, anything can happen.

The Mustangs of District 3-AA have outscored their four victims 121-6, although they haven't faced any strong opposition yet. In their first two games they defeated Crosbyton and Springlake - Earth by identical 27-0 scores. They gave up their only touchdown so far to New Deal in their third game while defeating the Lions, 26-6. Friday night they breezed past Nazareth, 41-0.

Remember last year's Dimmitt-Olton contest? It was the Bobcats' Homecoming game, and the Mustangs apparently had it won when they scored with just over a minute remaining to go ahead 14-12. But Jim Nelson kicked a 43-yard field goal on the final play to give Dimmitt a 15-14 victory.

"I'm sure their coaches are reminding them of last year's game," Bobcat Coach Army Salinas said this week. "I know they'll be thinking about that."

The Mustangs' main man is senior quarterback Junior Garza (5-7, 155), who threw for 1,025 yards and nine touchdowns last year.

The talented Mustang backfield also includes sophomore tailback Duane Wilborn (5-10, 160).

"Wilborn is a very good tailback," Salinas said. "He's a lot like Davis from Slaton—and he's just a sophomore. Also, Garza is a fine quarterback.

"They have a good line, too," the Bobcat coach said. "They have a huge nose guard—Berry Ebey, who is 6-2 and weighs 305."

This will be the last non-conference game for both teams, and both are hoping to carry undefeated records into district play.

Longhorns

The Hart Longhorns will host the Friona Chieftains Friday night for Homecoming and hope to close out the pre-district schedule with a victory.

"Each week's getting tougher for us. This is our last preparation before district begins," said Coach James Mireles. "We're just going to try and get all our wrinkles ironed out and get ready for district."

Friona hasn't won a game so far this year, but the Chiefs have faced some stiff competition against Canyon, River Road, Brownfield and Dalhart.

"They haven't won a game yet, but they are better than their record. They've played some awfully tough people," Mireles said.

Friona will run out of the wing-T on offense and 27 on defense. The Chiefs main offensive strength is in the backfield, with two talented running backs in Ben Osborne (176 lb.) and Andre Duran (180 lb.)

"They've probably got the biggest running back we'll face all year. They're pretty good," Mireles

said.
Hart hopes to have Larry Brown back in the backfield at full strength before long, but it could be awhile.

"We tried using him a little bit at Happy and he limped a little afterwards. We'll let him try a little more this week though," Mireles said.

Swifts

When Nazareth hosts undefeated Farwell Friday night, the Swifts can look forward to a lot of speed and experienced players.

"Farwell is going to more complicated offensively and defensively than Olton was," said Les Goad, Nazareth's head coach. "They'll do a lot of different things, but they will be another very good football team, similar to Olton."

Farwell's offense and defense both revolve around Jeff Actkinson, a 5-9 185-lb. fullback who runs a 4.6 second 40-yard dash. Actkinson rushed for 855 yards and 12 touchdowns last year and led the team in tackles.

He will be joined in the backfield by another speedster, Shawn Stewart, who clocks a 4.5 in the 40.

The Swifts may be without the services of starting offensive guard and linebacker Howie Annen. Annen, who was injured in the third period against Olton Friday night, suffered stretched ligaments and muscles in his knee.

"I don't know that he'll be able to play this week, but he won't be out for a long time," Goad said.

"We won't make a whole lot of changes unless Howie is not able to play this week. Then we may make some adjustments defensively. We had to move freshman Trey Johnson in when Howie got hurt, and he did a pretty decent job," Goad said.

PUBLIC NOTICE NOTICE OF PUBLIC MEETING

City of Nazareth, Texas will hold a public hearing at 7:30 p.m., on Wednesday, Oct. 5, 1988, in the City Hall in regard to the submission of an application to the Texas Department of Commerce for a Texas Community Development Program (TCDP) grant.

The purpose of this meeting is to allow citizens an opportunity to discuss the City of Nazareth's housing and community development needs, the amount of TCDP funding available, all eligible activities under the TCDP, and the use of past TCDP funds, if applicable.

This meeting will provide citizens an opportunity to participate in the development of the application. Citizens unable to attend this public hearing may submit their views and proposals to Ralph Brockman, Mayor at City Hall. Citizens needing handicapped accommodations for this meeting should also contact City Hall.

The final application will be submitted to the Texas Department of Commerce by October 27, 1988.

Police Calls

Two boys were injured at noon Sunday when a pickup hit the bike which they were riding in the 500 block of East Halsell Street.

Injured were Jessie Hernandez, 12, and Joel Ramero, 13, who were thrown off the bike. Both were taken to Plains Memorial Hospital by ambulance. Ramero was transferred to an Amarillo hospital for treatment of a broken leg, and Hernandez was released from PMH Tuesday after being treated for lacerations, the hospital reported.

Police said the 1980 Ford pickup, driven by Juan Domingo Rosalez, 17, of Dimmitt, turned a corner and was westbound on the street and went into a skid before hitting the bike, which was traveling east in the westbound lane.

Rosalez was cited for having no liability insurance, no driver's license and an expired inspection sticker.

Two accidents involving trucks occurred Tuesday morning on FM 1055, in the southwest part of the county.

A 1985 Autocar tractor with a flatbed semi-trailer hit a cow on the road at 3:15 a.m., 2.3 miles north of the county line, the Dept. of Public Safety reported.

The truck was driven by Oscar Ruben Villareal, 34, of Pasadena and leased by Scaffolding Specialists, Inc., DPS Trooper Ron Morgan reported. The cow was owned by W. G. Sanderson, he said.

Damage to the truck was light, and the cow evidently wasn't injured too badly, either, Morgan reported.

"The cow ran off after the accident," the trooper said. "They don't usually do that when they've been hit by a truck."

The second accident occurred at 8:20 a.m. when two trucks collided at the intersection of FM 1055 and FM 1524 at Flagg.

Morgan said a 1973 White grain truck driven by Jose Manuel Lozoya, 38, of Hereford, was southbound through the intersection when it collided with a westbound 1979 Chevrolet grain truck driven by Tomas Mares, 43, of Dimmitt.

The accident caused heavy damage to both vehicles, Morgan reported.

Mares was cited for failure to yield right of way at a stop intersection and for having no Class B driver's license. Lozoya was cited for having no vehicle registration.

A 1973 Chevrolet sedan driven by 17-year-old Robert Vera of Dimmitt collided with a 1981 Oldsmobile driven by Robert Reed Hays, 63, of Andrews, when Vera was pulling out of a circular private drive at 611 N. Broadway Sunday afternoon, city police reported.

Damage was listed as moderate to Hays's car and light to Vera's car.

Vera was cited for failure to yield right of way, and both drivers were cited for having no driver's licenses.

City police and county sheriff's officers are seeking three juveniles who are suspected of forging six checks in a checkbook that was stolen from a Dimmitt woman.

The blank checks had been reported stolen by the woman in a recent burglary, and Walt Hansen, owner-manager of Dimmitt Market, recognized one of them from a police alert when a juvenile male tried to cash it at the store, police said.

Hansen told police that when he contacted the woman by phone while the youth was still in the store, she said she had not written a check to the juvenile. The youth then grabbed the check and ran from the store to a pickup outside, occupied by two other male juveniles and a woman in her 20s, witnesses said.

The sheriff's office is holding five other checks that were forged on the same series of checks and cashed at another Dimmitt store, police reported.

The investigation is continuing.

Lupe Rodriguez reported to city police last Thursday that the home of her mother, Mary Torres, 506 SW Sixth St., had been burglarized of a \$250 "jam box" and a \$450

portable electronic organ in a black case.

After investigating, police said a window at the home had been pried open. Police spotted a pair of tennis shoe tracks near the window.

Andrew Blesi of the Pit Stop Beer and Wine Store, 610 N. Broadway, told police Sunday night that \$100 had been stolen from a bag in the store's cash register. The Police Dept. is investigating.

Tires on two city police cars were reported slashed Saturday night and Sunday.

The tire on one car was cut in a sidewall, apparently by a knife, while the car was parked in the driveway of a policeman's home. The incident occurred between 10 p.m. Saturday and 1 a.m. Sunday, police reported.

The other slashing incident occurred on a patrol car while it was parked on the county courthouse parking lot Sunday evening. In addition to cutting a tire, the slasher scratched the paint on the passenger side of the car, the officer reported.

Both tires were damaged beyond repair and had to be replaced, police said.

D. S. Burkett, 400 SW Seventh St., reported last Wednesday morning that the battery had been stolen from his car while it was parked at his home.

Danice Wright, 705 Pine St., told police last week that someone had gotten into the family's vehicles, but that apparently nothing was taken.

The Dept. of Public Safety arrested a 28-year-old Olton man last Thursday to hold for Randall County authorities on a charge of theft by check.

Local officers jailed one person during the week for DWI, one for public intoxication, one for investigation of criminal mischief and one for failure to maintain financial responsibility. Only one of the four had posted bond by Tuesday evening.

NHS lauded for success on TEAMS

Nazareth High School has received a commendation from the Texas Education Agency for the success its students have had on the TEAMS test.

Nazareth is one of 109 school districts in Texas who has mastered the TEAMS test the past three years with at least a minimum of 90% of the students.

"The Division of Exemplary Programs desires to have Jim Pegram (principal at NHS) testify as to how the school achieved such a high rate of success and why we are so unique. Especially, they desire to hear testimony in an effort to find a common element which could serve as models for the rest of the schools in Texas," said NISD Superintendent Johnny Mason. "We have never had a student fail to master the test so we are 100% through this year."

Nazareth to discuss TCDP grant

The City of Nazareth will hold a public hearing Wednesday at 7:30 p.m. in the City Hall to discuss the submission of an application to the Texas Dept. of Commerce for a Texas Community Development Program grant.

"This is just a fact-finding meeting to see if the people want to try and incorporate the water board into the city so we can qualify for the grant," said Nazareth Mayor Ralph Brockman. "Our main priority is to drill a new well and improve the city's water supply if we qualify and receive the grant."

The meeting will provide citizens an opportunity to participate in the development of the application and will cover the city's housing and community development needs and the amount of TCDP funding available.

Obituaries

Mary Bryan
