

## As I See Ranger

By Gene Townsend

This week will end the organized baseball season in Ranger. This seems kind of an anti-climax since the Little League All-Star Tournament has been completed, but League officials said that to keep the records straight they would go ahead and finish the season, although the League championship has already been decided. Then too, the extra money taken in at the games Monday night and Thursday will help to build a new concession stand at the Little League Park.

Speaking of building the concession stand, there is some talk of organizing some softball teams here and playing about two nights a week for the next month, to raise money to help build the stand. There seems to be quite a bit of interest in softball. A lot of the dads that have been spectators all summer are wanting to get into the act.

Ranger can be proud of their Little League All-Stars, although they were defeated in their first game in the tournament, they played well through the entire game. Even trailing 3 to 0 in the last inning, they still played their best, never conceding defeat until the last out was made. Manager Bob Galley is to be commended on his work with the team. He spent many hours working with the group and they gave a good account of themselves in the tournament.

I guess that I had better say something about the Cisco pitchers. Since seeing a believing, their pitchers seem to be as good or even better than their records indicate. Maybe the Cisco batting averages being below par was from having to face some outstanding pitching, rather than the pitching being good because of poor batting. Anyway the two Cisco pitchers that saw action in the area tournament did real fine jobs, and would be a credit to anyone's team.

Mrs. W. P. Hatfield, who lives on Highway 80 East, had been wondering why so many trucks had been sounding their horns as they passed her house. Then one day she noticed her little boy running toward the highway and went to see where he was going. He ran to the edge of the highway and waved at a passing truck. The truck driver waved back and sounded his horn in recognition. After this, she began to notice that even if her son wasn't near the highway, some of the drivers would honk in friendly greeting to the boy. He has made several friends this summer, although he has never met any of them. "A friendly greeting, although it costs nothing, can do a lot of good."

The tri-city school situation that has been talked about and argued about in Eastland county, has created some interest in the state other than in this county. The Houston Post, one of the largest newspapers in Texas, ran a long story recently on the Eastland County school situation. It was rather interesting to read the comments made by an outsider. Of course the writer approached the idea from a county standpoint and talked of the benefits to be arrived from such a plan, where we as individuals must take a closer look at the situation and look at the objective side as well as the other.

## Gerald Shockey Listed On H-SU Honor Roll

Gerald Dowell Shockey, son of H. A. Shockey of Ranger, has been listed on the honorable mention roll for the 1960 spring semester at Hardin-Simmons University.

Students named to the honorable mention roll must maintain a 3.58 grade point average while taking from six to 11 semester hours.

Shockey is a ministerial student majoring in Bible at H-SU. He is a graduate of Ranger High School.

**BEAUTY AND THE BOSS**—Two officials of the Dallas Texans professional football team are anxious to help the Abilene Shrine Club advertise its West Texas Shrine Bowl game Aug. 20 in Public Schools Stadium, in Abilene. They are Kay Sutton, Miss Dallas Texan of 1960 and Texan owner Lamar Hunt who are shown holding a placard advertising the game against the New York Titans. Tickets for the Aug. 20 contest are now on sale in Eastland at Pipkin Sports Center and in Ranger at L. & J. Supply Co.

## Covered Sugar

By Mrs. Cubian Perry

Again it is the time that the politicians are on the "band wagon" with all their wiles and words of promises. If we listen (and believe) as each sing their song, we just know that in a few months we can say: "ails well with the world."

The Democrats have put their donkey on silver skates and the Republicans are preparing to put their elephant on gold ones; but it will be up to us to pick the ones on the most substantial pair.

Some skates turn easily, other skates will throw you on the curves, others will stop dead, throwing you flat on your face—SO, lets try our skates on for size and rolling ease before we strike out on our own.

Each of us voting Americans (including the Politician) should get down on our knees and ask God for the guidance we need so badly in this weary, fear-laden world that we all have in indifference let it come.

Lets not expect that our new leaders will work miracles (only the good Lord can do that), but let us study each platform in relation to our laws as we prepare ourselves for voting in the coming election.

Just because your paw, his paw and his paw paw voted such and such a ticket does not entitle you to make the same mistake. I read this the other day and I really think it hits the "old nail" on the head with its truth. Do you agree?

"Politics is the only serious subject that men think themselves qualified to act upon without any previous education or instruction whatever. If it happened to be astronomy, or botany, or medicine, or law, he would never be allowed to work in any of these arts, or to take a decisive part in the history of any one of these sciences without having, at least, acquired the A B C's of it; but the awful fact of politics is that we do not take the trouble seriously to understand the political situation."

—Rev. Hugh Price Hughes.

If ever, in the history of our country, we need to be cautious of our actions and the way we will vote—this now.

The world has its ears on the pulse of living Americans as at no other time since we became the leading Christian country. A false move from us, at this time, will add to the confusion that a good many of our fellowmen in other countries have been pushed into.

Lets not play "footies" with our heads but all start thinking things out for ourselves and vote for the men we think are walking with God and trying to think of the best for the most of the present and the future generation.

**Teenagers End Season With Eastland Win**

The Ranger Teenagers defeated Eastland 12 to 11 Monday night to end the baseball season with six wins and six losses.

The Ranger nine found themselves trailing after four innings, 11 to 5, then tightened up their defenses and collected seven runs to win the game in the bottom of the seventh inning.

Alex Garcia went to the mound in relief in the fourth inning for his second appearance this season to get credit for the win. Ronnie Hinds started the game and was relieved by Bobby Owens who was in turn replaced by Garcia.

Hayden Wilson kept the Ranger batters puzzled for five innings and was relieved by Jody Cooper in the last inning.

Garcia led the Ranger hitters, getting a double and a single. Hinds, Owens and Terry Townsend each got one hit.

Eastland got three hits with Dickey Byar getting two and Baaham getting one.

The Ranger Teenagers will make one more appearance this season, when they will have an inter-squad scrimmage between the regulars of this season and the ex-Little Leaguers who will join the Teenagers next season.

## Cisco Wins Area Three LL Tournament

The Cisco Little League All-stars won the Area 3 tournament and the chance to compete in the district tournament at Brownwood Friday by defeating defending champion Baird 6 to 1 Saturday night at Baird.

Cisco defeated Ranger Friday night to advance into the finals. Baird downed Eastland Friday and Eastland had defeated Clyde in the first round of the tourney Thursday night.

Glenn Ferguson pitched a one hit ball game to get the win for Cisco. Bobby Smith, who had shut Ranger out 3 to 0 Friday, carried the big bat that worked good through the entire tournament. He hit a two run homer in the first inning against Baird, a duplicate of action against Ranger the night before. He also got a one run Homer in the third inning to produce half of Cisco runs.

Baird's starting pitcher, Robert Griggs spoiled Ferguson's no hitter by getting a single in the second inning.

Cisco will play Monday in the district tournament to be held in Brownwood Friday and Saturday.

## Final Rites for Mrs. Viola King Held Sunday

Mrs. Viola King, a resident of Desdemona for 45 years, died at 2:30 a.m. Friday in the Ranger General Hospital following an illness of about two weeks.

Services were held at 2 p.m. Sunday in Killingsworth Funeral Chapel with burial in Evergreen Cemetery, Lloyd Bryant, Mesquite and Rusk Church of Christ minister, officiated.

Mrs. King was born Sept. 13, 1898, in Knox Township, Venton County, Ohio. Her husband, Robert A. King, died May 8, 1950.

Survivors include two brothers, Clyde Harkins of McArthur, Ohio, and George P. Harkins of New York City; and a nephew, William V. Townsend, of Arlington.

Pallbearers included L. E. Clark, J. M. Wilcoxson, Cicero Rodgers, Joe Owens, Howard Williams, Jeff Chiam, all of Desdemona, a n d Royce Phillips of Ranger.

## Unlicensed Dogs Will be Picked Up, City Warns

The City Dog-Catcher will be active through the remaining days of July and August checking dog licenses in Ranger, according to an announcement from the city hall today.

Licenses can be obtained at the City Hall. Owners must have a vaccination certificate to get licenses.

Licenses may be obtained for \$1 for Male dogs and \$2 for female dogs.

## SOUTHWEST PEANUT RESEARCH FOUNDATION

# Peanut Growers Organize Research to Help Themselves

The peanut farmers in Texas and Oklahoma have organized the Southwest Peanut Research Foundation to provide for a program of research and promotion to be paid for by the growers out of voluntary assessments placed on themselves.

(Continued On Page Two)

Through the cooperation of peanut buyers, 50¢ a net ton will be deducted on a voluntary basis from each ton of peanuts marketed in these two states. If all farmers participate, this will result in \$50,000 to \$75,000 being available each year to finance research and promotion to help peanut farmers.

The Southwest Peanut Research Foundation is being sponsored by the following organizations: the Southwestern Peanut Growers' Association, the Texas Farm Bureau, the Oklahoma Farm Bureau, the Oklahoma Farmers Union, a n d the Southwestern Peanut Shellers' Association. The Board of Directors, whose members are named by the participating organizations, consist of the following members: H. C. Dean, Southwestern Peanut Growers' Association, Route 1, Comanche, Texas; Dean Kirk, Southwestern Peanut Growers' Association, Route 1, Gorman, Texas; Floyd L. King, Southwestern Peanut Growers' Association, Rt. 3, Hydre, Oklahoma; Wesley Swearingen, Texas Farm Bureau, Route 3, Seely, Texas; Carroll Smith, Oklahoma Farm Bureau, Rt. 1, Lookala, Oklahoma; Leland Stanford, Oklahoma Farmers Union, Route 1, Shawnee, Oklahoma; and Sidney C. Reagan, Southwestern Peanut Shellers Association, 3840 Greenbrier Dr., Dallas, Texas.

The purpose of the Foundation is to foster and promote research in any and all phases of production and marketing of peanuts in order to improve efficiency, lower the costs of production and marketing of peanuts in order to improve the net income to the producers and to promote the increased usage of peanuts and peanut products. The promotional phases are limited to 5¢ per net ton and will be handled exclusively through the National Peanut Council. The Foundation is prohibited by its charter and by-laws from engaging in and providing funds for any legislative and political purposes.

## Eastland Rites Sunday for Former Resident

Funeral services for L. Troy Edwards, Sr., 56 of Abilene, were held at 3 p.m. Sunday at Elliotts Funeral Home Chapel of Memories with the Rev. Charles Carter, Baptist minister, officiating.

Burial was in the Eastland Cemetery.

Mr. Edwards was a former resident of Ranger and was married to the former Mary Weatherall of Olden.

Mr. Edwards, an employee of Huey Lamb Motor Co. in Abilene, was dead on arrival at Hendrick Memorial Hospital about 7 p.m. Friday. He suffered a heart attack shortly after arriving home from work.

Born Oct. 22, 1903, he had been an Abilene resident about 21 years.

Surviving are his wife, Mary; four sons, Lonnie Joe of Oklahoma City, L. Troy Jr. of Los Angeles, Calif., Kenneth Ray and Teddit Jack, both of the home; two brothers, Columbus of Abilene a n d Larry of Ranger; three sisters, Mrs. Erby Lipe of Mineral Wells, Mrs. Johnnie Whitlock of Fort Worth and Mrs. W. O. Wright of Port Worth.

Pallbearers were Jack Yonge, Herman Whittle, Huey Lamb, M. S. Stages, Jack Gipson and Allan Hubbard.

The Board of Directors of the Foundation will work closely with the Experiment Stations in Texas and Oklahoma in developing and carrying out a research program on peanuts.

The following officers were elected by the Board of Directors: Dean, Chairman; King, Vice Chairman; Reagan, Secretary; Ross Wilson, Treasurer. Wilson is manager of the Southwestern Peanut Growers Association with offices in Gorman. The headquarters of the Foundation is in the office of the Southwestern Peanut

## Of Summer Training

# Guard Unit In Final Week

The peacetime power of the Texas Army National Guard's 49th Armored Division was paraded Saturday at North Fort Hood where the "Lone Star" Division is on two weeks of active annual duty training.

The approximately 10,000 officers and men passing the reviewing stand with military officials and civic dignitaries saw more than just their reviewing officers. They got a good look at 15 unit sweethearts who were "out front" during the annual Governor's D a y Mounted Review.

The hundreds of visitors also saw the division's newest addition of the atomic age—a battery of "Honest John" rockets.

Sharing the reviewing stand with Maj. Gen. K. L. Berry, the Adjutant General of Texas, who reviewed the troops, was "Miss 49th Armored Division"—Miss Sharon Tipton of Pasadena, Maj. Gen. John L. Thompson, Jr. commands the Forty-Ninth.

The Governor's Award to the outstanding unit was won by Company B, 1st Medium Tank Battalion-112 Armor. It's home station is Irving, and its commander is 1st Lt. Robert F. Frank.

The 249th Quartermaster Battalion, Austin, was awarded both the outstanding battalion and the champion recruiting battalion trophies. Its commander is Lt. Col. Vernon Scofield. The champion recruiting company was Company D, 2nd Medium Tank Battalion, Fort Worth. 1st Lt. Wilburn Whitmore is the commanding officer.

The weekend festivities marked the midway point in the division's 13th intensive summer training period. Units will return to home stations July 31.

## Giants Within One Game of Perfect Season

In Little League action Monday night the Indians downed the Yankees 15 to 0 in the first game and the Giants downed the Braves 13 to 1.

In the first game the Indians took the lead in the second inning, with four runs and then scored 11 runs in the fourth.

Al Garcia started on the mound for the Indians and only allowed one hit in the game. He had the game under control all the way, allowing only five runners to reach base safely. The Yankees used four pitchers, but couldn't stop the Indians as they collected 15 runs on seven hits.

Dwight Dunn collected the only hit for the Yankees, while Al Garcia led the Indians with a double and a single. Ralph Simmons, David Mahaffey, Jimmy Battles, Randall Mahaffey and Richard Williams each got one hit.

In the second game the Giants moved into one game of an undefeated season, when they downed the Braves. Larry Blackwell made it eight wins on the mound by allowing the Braves only two hits and held them to one run.

Joe Don Gibson, the Brave's pitcher, and Robert Tally accounted for the Braves' hits.

The Giants' leading batter was Bill Arterburn, who had a perfect night at the plate, getting three for three. Daryl Swinney, Larry Blackwell and Mike Landtroop, each hit two and Johnny McGee, Wayne Boone, Kenny Seymour and Gary Hise each collected one hit.

Thursday night will end the Little League season with the Giants trying for an undefeated season against the Dodgers and the Indians and Braves battling it out in the second game.

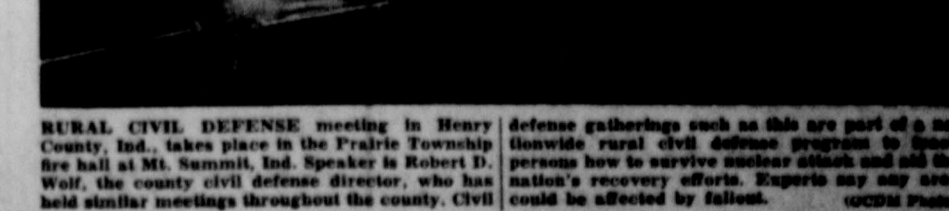

Officers and directors of the Ranger Lions Club held a meeting at King's Cafe at 6:30 a.m. Tuesday to appoint committee chairman and make plans for current activities of the club.

## Lions Club Directors Meeting Held Tuesday

President D. C. Arterburn presided at the meeting. Committee Chairmen appointed were, Floyd Killingsworth and Pete Brashers, will head the membership and attendance committee; Charles Miliken and Wilson Guep, finance committee; and Dr. W. P. Watkins and Lloyd Bruce, the civic activities committee.

The club adopted two resolutions one, to print a bulletin of Lions activities each week and to plan a light bulb sale in the near future.

Present at the meeting other than Arterburn were James Townsend, Ted Nickieck, Gene Townsend, Earl Lebrede, W. J. Sipes, Dr. Charles Gann, Dr. Douglas Mims and C. E. Ikeler.

**RURAL CIVIL DEFENSE** meeting in Henry County, Ind., takes place in the Prairie Township fire hall at Mt. Summit, Ind. Speaker is Robert D. Wolf, the county civil defense director, who has held similar meetings throughout the county. Civil defense gatherings such as this are part of a nationwide rural civil defense program to teach persons how to survive nuclear attack and aid the nation's recovery efforts. Experts say any area could be affected by fallout. (CCDM Photo)

### Political News For Women

When August rolls around, 40 years will have passed since the key was turned in the door of political opportunity for women. In recognizing the anniversary of women's suffrage and the grow-

ing importance of the woman voter and her political responsibilities, the National Association of Manufacturers has produced a new booklet, "Women's Role in Politics."

The booklet, based on an address by Charles R. Sligh, Jr., executive vice president of the NAM, warns of the dangers of Big Government and Welfare state trends and discusses the differences between the "liberal" and the "conservative" point of view. It also stresses the need for increased economic growth in order that our communities may have the additional schools, parks, churches and other institutions required by an expanding population. "American women have more to do with this than many of them realize," the booklet points out. "They have more votes than men. They devote more of their time to consideration of the welfare of the helpless, the aged and the younger generation."

In introducing "Women's Role in Politics," the Director of NAM's Women's Communications, Mary B. Brown, says, "Even though the old rule, 'pink is for the girls, blue is for boys,' will not be visible on the ballots at the polling places, it seems obvious that the more than 53 million women of voting age will once again show their influence and power in November. In the last several elections women cast 50 per cent or more of the total vote, and it is estimated that their votes will exceed the men's this year by two million."

The NAM representative continued, "Women are wide awake to politics; they know that the very fact that we have freedom of choice makes it doubly important to choose well. Last year at this time NAM introduced a program kit on politics for women's clubs. More than eight thousand organizations responded enthusiastically. The 'Women's Role in Politics' booklet is a part of future programs on National Affairs prepared specifically for women's interest by the NAM." The booklet is available free through: NAM, 1600 Holcombe Blvd., Houston 25, Texas.

### Wed. Services Announced for First Baptist

Wednesday night services at the First Baptist Church begin with a covered dish supper for all officers, teachers, and class officers of the entire Sunday School at 7 p.m.

Superintendent R. V. Robinson will give direction to the meeting and will be assisted by R. E. Henderson and J. B. Bell. Mr. and Mrs. Robinson will give a report on Sunday School week at Gloria Baptist Encampment.

Richard Henderson will present a proposed program to the entire Sunday School for an increase in attendance and new members. The present and proposed teacher training program will be discussed by J. B. Bell.

All departmental superintendents have been elected for the new year that begins for Sunday School September 1. They are Adult 1, Wilson Guest; Adult 2, Mrs. Ralph Perkins; Young People, Mrs. Glenn West; Intermediates, Mrs. Ruby Springer; Juniors, W. A. Lewis; Primaries, Mrs. V. A. Galloway; Beginners, Mrs. Robert Bundick; Nursery, Mrs. Rayneal Base; Extension Supt., Mrs. Lee Mitchell; Cradle Roll Supt., Mrs. D. C. Cox, Sr., General Secretary, Miss Eunice Presslar.

Prayer meeting will begin at 8 p.m. with the pastor bringing the message.

**FLIGHT CANCELED**—This stairway would lead any climber to an unhappy landing in Crawfordville, Ind. It was the last portion standing of a home under demolition.

Nearly everyone has heard of "dry rot" in wood, and yet there is no such thing. Rot or decay is accomplished by the action of fungi as they consume wood for food. These fungi cannot grow without water. Wood must have a moisture content of at least 20 percent before fungi will attack it. Thoroughly dry wood will not rot.

Some fungi can remain dormant or inactive for years without doing any damage. Then, when the conditions of moisture and temperature needed for their growth occur, these fungi become active. Other wood destroying fungi transport the water needed for their wood consuming activity through tubelike strands or tunnels which establish contact with the ground.

To prevent decay, wood should be installed dry and kept dry. Proper construction practices can help maintain such conditions and eliminate decay damage and expensive repairs to houses and other wooden buildings. Remember, dry wood will not rot.

### VISITS SISTER

Mr. and Mrs. T. B. Satterwhite of Marlow, Oklahoma, are visiting in the home of his sister, Lillie Langford.

### IN COLORADO SPRINGS

Alex Brashier, son of Mr. and Mrs. F. P. Brashier Jr., is vacationing in Colorado Springs with his grandmother, Mrs. Alex Hudings. They will be gone about ten days.

### First Baptist's WMS Meets for Luncheon Tues.

The Women's Missionary Society of the First Baptist Church met Tuesday, July 19, at 10:30 a.m. in the home of Mrs. Ralph Perkins.

The Kathleen Jones Circle presented the Royal Service program on Good Will Centers. Those participating on the program were: Mmes. W. A. Lewis, Frank Arrendale, L. D. Tankersley, V. A. Galloway, L. H. Kay, Glen West and L. L. Bruce, chairman of the circle.

Following the program, Mrs. Carl Black, president, presided at the short business meeting. Reports were given by the G. A. Y.W.A. and Sunbeam leaders on the recent camp which have been held at Lueders Baptist Encampment.

A covered dish luncheon was served at 2:30 p.m. Friday, July 29, at the Community Club House. This will be a business meeting. All members are asked to be present. The wives of new employees who have just moved here are asked to be present.

### RETURNS HOME

Mrs. Azalea Woods has returned home after visiting her daughter, Mrs. Wayne Nugent in Pocatello, Idaho.

## TRACTOR TALK

### TESTS PROVE TRACTOR CARE SAVES YOU MONEY

Here's some information that can save you money. It comes from Kansas State University of Agriculture and Applied Science, where a performance study on 50 typical farm tractors was completed recently.

Failure to maintain an engine properly can cost the owner more fuel to produce less power. The average tractor in the Kansas State test was producing only seventy-five percent of its maximum power and it took one-third more fuel than normal to do it. Improper preventive maintenance is the primary culprit, with the following four points topping the list:

- (1) Air Cleaner: Of the tractors tested, one out of ten had air cleaners that were choked with dirt and chaff. Servicing their cleaners resulted in an average power gain of 7.6 per cent and an 11.4 per cent decrease in fuel consumption.
- (2) Carburetors: Adjustments were needed in almost 75 per cent of the cases. On 23 engines found running "rich," proper adjusted decreased fuel consumption by 3.5 per cent. (In some cases, however, excessive leaning of the carburetor may actually increase fuel consumption at full load.)
- (3) Ignition Timing: Over half the tractors were found to need timing adjustment.

**WEEKEND GUESTS**  
Mrs. P. C. Long and Clayton had as their weekend guests, Judge and Mrs. George W. Oulase of Seewater and Mrs. R. C. Kelly of Breckenridge.

**Free Estimates**  
On A New ROOF

Or Repairs your old Roof Residential & Commercial

**Eastland - Ranger Roofing Co.**  
Noble Squires  
Ph. MA 9-2370 Eastland

This produced an average gain in maximum power of 5.3 per cent with fuel consumption decreasing by the same percentage.

(4) Spark Plugs: New plugs were installed in 90 per cent of the tractors for an average power gain of 5.3 per cent and a 6.1 per cent decrease in fuel consumption. In seven of the test tractors, plugs were found to be in such bad condition they caused misfiring under load. In these engines new plugs increased power 21.5 per cent and decreased consumption 14.2 per cent. Governors on 80 per cent of the tractors were off. Adjustments or repairs increased horsepower 9 per cent and cut fuel consumption by 5 per cent.

### AIR SERVICE CLEANER IMPORTANT

Are you servicing your tractor air cleaner as often as you should? If not, you'd better heed this warning from Champion Spark Plug Company on the importance of keeping air cleaners working at peak efficiency.

Champion engineers tell us a dust clogged filter may cut down on the flow of air entering the carburetor, resulting in an overly rich fuel mixture in the combustion chamber. This may cause excessive carbon build-up, fouled spark plugs, varnish and gum deposits, oil dilution, slugs, and loss of power.

Even more important is the fact that as the filter becomes clogged, small particles of dust and dirt will enter the carburetor and mix with the lubricating oil to form an effective grinding compound. This compound has the same effect on cylinder walls, rings and valves as rubbing them with sandpaper.

The result—excessive engine wear and shorter engine life.

Just in case you haven't considered how much dirt gets into the air cleaner, keep in mind there are one-million particles of dust in one cubic foot of air. Add to this the fact that it takes approximately 20 tons of air to burn a gallon of gas, and you have an idea just how much dirt enters that air cleaner.

And, remember, when the cleaner has absorbed its limit, the dirt and dust may move right through it into the engine. Don't take a chance on damaging your tractor engine. Always follow the manufacturer's recommendations on air cleaner servicing.

### CORRECT ENGINE TEMPERATURE IMPORTANT

Maintaining correct operating temperature on a tractor engine is very important too cool an engine (often indicated by continually fouling spark plugs) may reduce fuel economy, decrease available horse power, and shorten engine life.

On the other hand, too hot an engine (sometimes indicated by spark plug electrode burning) can result in poor engine performance and excessive wear of engine components.

Of the two conditions, most farm problems center on engines

**MISTAKE**—After living with the "wrong" parents for her whole life, 17-year-old Gudrun Reuthe is the unwanted girl in a two-family light in Hanau, West Germany. She was switched just after birth with another girl.

which operate too cool. This is due mainly to the fact that tractor engines are designed with excess cooling so they can handle heavy loads in hot weather without overheating. However, because of this design characteristic, when the tractor is operated under light engine loads or in relatively cold weather, engine operating temperatures become too low unless precautions are taken to make the engine run hotter.

Usually, this is accomplished by covering the lower part of the radiator, which in effect, increases the temperature of the water flowing from the bottom of the radiator into the cooler lower part of the engine.

It's the effect of this cold water entering the engine which can cause too low an operating temperature, hence the reason for

covering the radiator to increase cooling water temperature.

You may not think that too is especially important after a sudden change in outside temperature, which can cause condensation in the hot tank. If you find water and dirt in the sediment bowl clean it out and wash the filter with solvent. If it has a throw-away element, replace it. When reinstalling the glass bowl, be sure the gasket surfaces are in good condition, to prevent leaks. cool an engine operating temperature has much effect on engine performance, but according to engineers at Champion Spark Plug Company, an engine running too cool greatly can increase cylinder wear for beyond normal limits and have a tendency to foul spark plugs.

### NO ROOM FOR SEDIMENT

If you have trouble with engine surging power and power loss when operating your tractor, you'll probably think of carburetion as the cause of the trouble. Check the fuel filter and sediment bowl before tearing into the carburetor. You might save yourself a lot of time and temper. Your best bet, of course, is to check them before you experience trouble; in fact, the fuel filter and sediment bowl should be examined daily... cleaned weekly. This

### VISITS HERE

Visitors in the home of Mr. and Mrs. Lloyd Landtroop over the weekend were her brother and family, Mr. and Mrs. Howard Savage of Fort Worth. Larry Landtroop of Dallas is visiting with them for two weeks.

Attending the Intermediate Methodist Youth Camp at Glen Rose this week are the following: Sylvia Robinson, Betty Estes, Cookie Falls, Pat Tawzen, Celeste Scott, Becky Brown, Patricia Brown, Jimmy Drennan and Bill Rushton.

### ATTENDS MARKET

Mr. and Mrs. F. P. Brashear Jr. and Tommy attended the July Market at Homes Furnishing Mart in Dallas last week.

### VISITS WITH PARENTS

James L. Mitchell and son, Bill of Wichita Falls are visiting with his parents, Mr. and Mrs. W. W. Mitchell. They are enjoying fishing. Mrs. James L. Mitchell and Kelly Sue are visiting in Putnam with her mother.
