A Small City with Big Industry - A Bright Spot for New Industry

As I See Ranger By Gene Townsend

Ranger College Thursday morn ng to try for the Rangers football team. Coaches Jim Puryear and Clyde Evatt didn't waste much time in getting practice under way. The boys hit the field at 6:30 a.m. Thursday morning for an hour, then were back at 8:30 until noon. In the afternoon they spent at live scrimmage. There was a lot of head-knocking going on out there. It looks like Puryear is going to have a bunch of hard-nosed boys on the squad this year. Hard workouts can be expected for the coming week in preparation for the opening game next Saturday night. The opening game this year is a week earlier than usual. Prospects for the Rangers look better at this time than they did at this time last sea-son. Returning lettermen from last season look real good. Each one

Coach Harold Prescott had words of praise for his football squad at a talk he made to the Lions Club Thursday. He said, "last year the Bulldogs had a lot of natval ability but their spirit was lacking. But this year we may be short on ability, but the spirit is a lot higher than last year." He went on to say. ## If your house burns down -

If your home should burn, lot more than you probably Christ's Ambassadors meet from think it will to rebuild it or

Don't keep thinking about what your house cost you in the first place, maybe years ago. Building costs and home values have risen greatly in recent years. Think: how much would it cost me to duplicate it tomorrow?

If you are like the average home owner, you are still probably way under-insured and should talk to us mighty soon (maybe this minute) about increasing the amount of your fire insurance coverage.
