## Highway Dept. Tests Bridge De-icing System

Electric energy is spearheading a determined assault by the Texas Highway Department against an old and deadly traffic hazard in Texas: ice-covered bridges.

In the hope of permanently solving this age-old problem to motorists, Highway Department engineers are now experimenting with an electrical ice-prevention system near Wichita Falls. First testing began Friday.

First of its kind ever undertaken in Texas, the research project is taking place on twin bridges at U. S. 287 at its intersection with City View Drive near the northwest city limits of Wichita Falls.

The anti-icing system employs the use of electrical heating elements embedded in the concrete bridge slabs through which are energized small amounts of electricity which heat the elements and

warm the bridge deck a few degrees above freezing. The system is actuated by a control panel hook up to an electric utility power supply.

The headache of ice-covered bridges has been particularly acute in Texas, where flash freezes occur periodically during the winter months. Ice forms more easily on bridges than on highways because cold air circulates both above and below them. Temperatures of the adjacent highway area are reduced more slowly, and may not reach the freezing point at all, due to the influence of heat radiated from the earth.

This creates a deceptively dangerous situation for the winter motorist, who may be driving comfortably at 60 miles an hour along an unfrozen highway and suddenly come upon a glazed-over bridge.

**STAND ASIDE, PLEASE**—The Air Force announced that a Convair B-58 Hustler, like the one shown, has broken several speed records. The plane, flying from Edwards Air Force Base, Calif., hit up to 1,200 m.p.h. over a closed course.

## New Officers Elected for SFOA Chapter

Members of the Ranger Chapter of the Southwest Football Officials Association elected Carl Black to serve as their president for the coming season.

Other officers elected at the meeting were Roy Barrett as vice-president and Ronald Carroll as secretary.

Outgoing officers were Louis Conn, president, Carl Black, vice-president and Roy Barrett as Secretary.

Two new members were accepted into the local chapter. Johnny Gay and Leonard Arterburn have successfully passed their examination into the Association and are now officially members of the Ranger Chapter.

The two new members increased the local chapter to nine. Other members are Morris Campbell, R. Craig and Elton Ables.

The Ranger Chapter has a fairly full schedule of games last season with each member participating in officiating in from 20 to 35 games.

The chapter has started scheduling games already and expect to have a full schedule of games for this fall season.

## National Comm. To Address State Legion

National Commander of the American Legion, William R. Burke of Los Angeles, Calif., will be the principal speaker at the annual Mid-Winter Conference of the American Legion, Department of Texas, to be held at the Stephen F. Austin Hotel in Austin, Feb. 4-5.

Burke was elected National Commander at the final session of the Forty-Second Annual Convention of the American Legion on Oct. 20, 1960, at Miami Beach, Fla.

## Ranger High Students Invited To HPC Debates

Ranger High School students have been invited to send student participants to the Sixth Annual Howard Payne College - Brownwood High School Invitational Forensics Tournament in Brownwood February 3-4.

The invitation was extended to the high school through the speech department, said Dr. McDonald W. Held, chairman of the Howard Payne Division of Speech Arts, tournament director.

More than 20 high schools are expected to send approximately 300 student participants this year to the tournament, which features both individual events and debates.

Stark McQuinn, Brownwood High School speech director, will serve as director of the individual events, which include extemporaneous speaking, poetry interpretation, humorous declamation, original oratory, dramatic interpretation and dual acting. Joe Gwathmey, HPC student from Brownwood, is student chairman and debate director for the tournament.

Awards to winners in the individual events will be made at a banquet Friday night, Feb. 3, at the close of these events.

Awards to winners in the debates, to be held Friday night and Saturday, and the coveted sweepstakes award to the school compiling the most points in the tournament, will be made at the close of competition Saturday.

## Covered Sugar

By Mrs. Cubian Perry

How many of you worry? Have you found that it is one of the biggest time consuming things in the world? It is never satisfied but burns on and on through all your days and nights, making you and all those around you more miserable each hour.

As each problem is solved it finds a new one to mix into your cup of tea. It is like a drug up the leg. It will, if you let it, take over the body as well as the mind.

We all know that anything that controls the body and mind will either tear us apart or build us up; so why let such a miserable microbe rule our days and nights?

Most of us like to worry as it gives us something to think and talk about. We think of all our miseries to unload on friends and strangers.

Stop and think just a second (it will not take more than a second) and recall the last time you said, "Oh, I hope the weather is pretty tomorrow," or "I hope that I'm not taking cold," or "Hope every one likes creamed chicken," or "Hope that spot on the rug comes out."

Why worry it won't help any of the above things.

Be honest, has any of your problems been solved because you walked the floor and tore the bed wrong side out, turning this way and that all night?

The little things will solve themselves and the bigger things will be solved with Gods help in his own time and way.

If we would spend half of the time we waste worrying about the things we can't control; doing things we can control, wouldn't our lives be full and rich with the good things that cost so very little?

I put on the back, a gay hello, a wave of the hand, a smile to some one across the room, a task made easier by your helping hand, a boost to the top for a friend, a word of cheer to a very sick friend.

Does it all sound Pollyannish to you? It's not you know, just a way of life that's been tried and proved by a few.

Some say that WORRY is like a rocking chair—it gives you something to do but gets you nowhere.

**JUST BE GLAD**

O HEART of mine, we shouldn't worry so!

What we've missed of calm we couldn't have.

Have you know!

What we've met of stormy pain, And of sorrow's driving rain, We can better meet again, If it blow!

We have erred in that dark hour When our tears fell with the shower, All alone— Were not shine and shower blent

As the gracious Master meant? Let us temper our content With His own.

For, we know, not every morning Can be sad; So, forgetting all the sorrow We have had, Let us fold away our fears, And put by our foolish tears, And through all the coming years, Just be glad.

—James Whitcomb Riley.

## Final Rites Sunday for John B. Turner

John B. Turner, 86, Eastland County resident for about 25 years, died at 4 p.m. Saturday at Eastland Memorial Hospital after suffering a heart attack at his home.

Born Dec. 24, 1874, in Cooper, Tex., he came to Eastland from Dallas 25 years ago. A retired farmer, he was a member of the Church of Christ.

Mr. Turner married Bertha Mae Rundles, Dec. 1, 1898, in Grand Saline.

Funeral was held at 3:30 p.m. Sunday in the Hamner Funeral Chapel with Gary Adams, minister officiating. Burial followed in Eastland Cemetery.

Survivors include his wife; five sons, Otto of Grand Saline, Albert of Overton, John Earl of Eastland, G. B. of Fort Worth and Carl E. of Garland; three daughters, Mrs. Lillie Belle Horton of Kilgore, Mrs. Gurley Mitchell of Dallas and Mrs. Mary Whaley of Odessa; 16 grandchildren and 16 great-grandchildren.

## Rangers Lose To Weatherford And Gainville

The Ranger College Rangers showed much improvement in their last two games. They played Weatherford Saturday night and were defeated 84 to 71 and Gainville Monday night and lost to Gainville 84 to 76.

In each of the games the Rangers played real well in the first three quarters of the game, but reserve strength took its toll in the last quarter. Saturday night the Rangers were forced to finish the game with four players, and Monday night they were cut down to one reserve before the game was over.

Danny Walsworth, starting guard for the Rangers had missed the last two games due to a back injury. Danny has a 14.8 scoring average. This has hampered the Rangers offense. Frank Rice who replaced Walsworth in the lineup has been outstanding on defense, but has been unable to take up this pace in offense.

In the Saturday night game against Weatherford, Clyde Smith took game scoring honors with 34 points, Dick Stephenson 14, Jerry Anderson 13, Frank Rice six, Bob Sellers two and Wayne McDaniels two.

Jack Coffman led Weatherford with 17 points.

Monday night's game Dick Stephenson took game scoring honors with 25 points, Smith 13, Anderson 18, Rice four, McDaniels three and Bass Ward three.

The Rangers' next game will be Monday, Jan. 30 as they take on Decatur in the Ranger gym.

## School Census Is Being Taken In Ranger

Charlie Garrett, principle of Ranger high school announced today that the 1961 school census was now being conducted. The census is almost completed except for the prospective beginners.

He said that it is very important that parents of children who will begin school in September 1961 notify the school so that these children may be counted in the census.

He said that about the only way to get a complete census is for the parents of these children to turn in information. This can be done by calling MI 7-1187 or MI 7-3216 and give name and address so that a census taker may call.

Also if anyone has a neighbor or friend who has a child of this age, make sure they have turned in the information.

### Veterinarians Expecting Large State Meeting

The Texas Veterinary Medical Association will have the largest attendance in its 48-year history when it meets in Houston next week, Dr. H. T. Barron, president, predicted.

The Association's membership also is at an all-time high, Dr. Barron said, citing a phenomenal increase in membership among the state's veterinary doctors from 375 at the beginning of 1960 to 721 at the end of the year.

"We hope to have at least 400 veterinarians registered at 11th Houston convention," the Taylor, Texas, practitioner said. "Our membership increase is due to a strong and re-vitalized program of member service and public relations we undertook in October, 1959. In addition, our convention committee, headed by Drs. King Gibson and Austin Weeds of Houston, have put together the finest program I have ever seen for a gathering of veterinary medical men."

Dr. Barron said the program also contains many elements of entertainment and interest for the Ladies Auxiliary of TVMA and predicted attendance of at least 175 wives.

The two-day meeting, beginning with business sessions on Monday, Jan. 30, will be formally opened at luncheon that day, with attendance of 600 anticipated.

Dr. John B. Truslow, M. D., executive director of the University of Texas Medical Branch in Galveston, a nationally recognized medical educator, will be the keynote speaker.

Dr. Truslow's theme will be the importance of veterinary medicine and research to human health, and the inter-relationship between veterinary and human medicine.

Other speakers during the first afternoon's session include: Dr. Alvin A. Price, dean of the School of Veterinary Medicine at Texas A & M College, and Dr. Jacques Jenny of the University of Pennsylvania, widely known specialist in bone and joint equine practice.

Dr. Victor J. Cabasso of New York, an equally well-known authority on distemper and similar diseases among domestic pets, also will speak on the first panel, will Dr. Delano L. Proctor of Lexington, Ky., famed race horse specialist.

Dr. Barron said social events are planned for both Monday and Tuesday evenings, the latter being the organization's annual banquet and President's Ball. On that occasion new officers and directors will be installed, he said.

The Houston meeting will be followed by a three-day post-convention clinic staged by the veterinary medical department of the University of Mexico, D. F. Two top veterinarians from the University of Mexico are scheduled speakers on the Texas group's second day program.

Would you like to be sure that every dollar you put aside for retirement will pay you \$1.93 later on? It can be done, and here's an example:

Buy a \$100 Savings Bond (for \$75) each month for 17 years and 9 months. (This is exactly ten years longer than the official maturity period for Bonds, and means extra interest earnings.) At the end of that time, you can cash in a Bond every month for the next 17 years and 9 months, and each one of them will pay you \$145.

This works out to \$1.93 for every \$1.00 you put in Bonds—and please note—the \$75 figure is only an example. You can put as little or as much as you like into this retirement plan. See the chart.

Miss Barbara Lou Cook Becomes Bride of Benny Frasier Friday

Miss Barbara Lou Cook became the bride of Benny Glen Frasier at 6 p.m. Friday in the home of the bride's parents, Mr. and Mrs. Z. W. Cook of Route two, Ranger. The groom is the son of Mr. and Mrs. P. C. Frasier of Route one, Gorman. Rev. Jackie Heath, pastor of the Kokomo Baptist Church, read vows for the double ring ceremony amid a nuptial setting of white gladioli. Mrs. James Thackerson, pianist, rendered special musical selections of "Always" and "Bridal March." Given in marriage by her father, the bride wore a wedding gown of white taffeta covered with chantilly lace. The fitted princess waistline was accented by a scooped neckline and fingertip sleeves. She wore white accessories and a single strand of pearls was her only jewelry. Her bridal bouquet was of white carnations. The shoulder length veil of white net was attached to a head-

What Gifts Are Deductible On Tax Return?

Certain gifts can be deducted on that Federal income tax return for 1960, Arthur E. Fogle Jr., Administrative Officer, Internal Revenue Service, Abilene, said today. You can deduct gifts to the Salvation Army, Red Cross, Community Chest, churches, (including assessments,) non-profit schools and hospitals, veterans' organizations, Scouts and non-profit groups primarily engaged in research for cure of certain diseases. On the other hand, the IRS representative said you "cannot deduct gifts to social clubs, propaganda groups, labor unions, chambers of commerce, relatives, friends, other individuals, political organizations or candidates. "You can deduct gifts to certain organizations but you cannot deduct dues or other payments to them, for which you get personal benefits. "For example," he said, "you can deduct gifts to a YMCA but not dues. The IRS representative advised taxpayers to get full particulars on contributions from the instructions that accompany 1960 tax forms, or from the free IRS Document 5053, "Contributions." The taxpayer whose signature

2 Million Women to Join Mothers' March To Support March of Dimes Health Goals

The Golden Key of Hope—a new symbol for a new decade of medical progress against crippling diseases—is the badge some two million volunteers will proudly wear in the 1961 Mothers' March of Dimes.

Symbolizing the need for research to unlock the mysteries of such major cripples as birth defects and arthritis, the Golden Key also represents the vaccine "keys" to polio prevention perfected through research made possible by the March of Dimes.

In most communities, the Mothers' March will take place the evening or afternoon of Tuesday, Jan. 31. Volunteers identified by the Golden Key badge will call on their neighbors for support in the campaign against tragedies which affect one in every four American families. Each of the estimated 40 million households visited in the Mothers' March will receive valuable health information cards including Do's and Don'ts for expectant mothers, Arthritis Warnings, and Vaccination Alerts for the almost 85,000,000 Americans still not protected against polio. Recluded by centuries of superstition, birth defects are considered by medical authorities to be the nation's most serious child health problem. Yet the fields of cause and prevention were largely unexplored until funds from the March of Dimes began to make intensive research possible. Pointers derived from early research are included on the cards to be distributed by Mothers' March volunteers. The cards are also designed to bring home the realization that more than 11,000,000 Amer-

icans suffer from some form of crippling arthritis. Many victims, grasping at straws, pay out a total of more than \$250,000,000 annually on quack "cures." The fact is that the causes of arthritis are largely unknown. There is no known cure, no known preventive. But research to find the key is being rapidly advanced through the March of Dimes support. To improve treatment and rehabilitation of those crippled by birth defects and arthritis, a network of clinical study centers is being established by means of March of Dimes funds. Techniques developed by The National Foundation in aiding polio sufferers are applied to children suffering from birth defects and arthritis. All of this research and patient care would be impossible without health manpower—and womanpower—to put it to use. To help meet this drastic problem, March of Dimes funds support a health scholarship program in every state each year. Thus the Marching Mothers also seek support for an increase in the critical supply of doctors, nurses, physical therapists and others dedicated to the improvement and protection of the nation's health.

### Electra SS Class Meets Thursday In Presslar Home

Mrs. Cora Presslar, assisted by her daughter, Miss Eunice Presslar, was hostess to the Electra Sunday School Class of the First Baptist Church Thursday, Jan. 19, at 12 noon for a covered dish luncheon.

The table was laid with a hand-made luncheon cloth. Immediately following the meal the special hour was enjoyed.

Mrs. V. A. Caloway brought the devotional taken from the 91st Psalm. She also sang the first verse of "God Will Never Break His Promise."

The opening prayer was led by Mrs. J. U. Elrod. The Bible quiz was led by the teacher, Mrs. Frank Arrandale.

A cheer-up card was signed by the group and sent to Mr. and Mrs. W. C. McDonough who are in Donna, Texas, with a daughter.

Mrs. Homer Perry asked each one to write or quote their favorite scripture verse. The meeting was closed with the group singing "Blest Be The Tie."

Members present were Mmes. M. V. Crossley, J. U. Elrod, H. G. Bureh, and Frank Arrandale, two visitors, Mrs. Homer Perry and Mrs. V. A. Galloisy, and the hostesses Mrs. Cora Presslar and Miss Eunice Presslar.

#### VISITS IN NORTH

Enjoy hearty breakfasts during "Better Breakfast Month" and all year. Serve baked treats like Wig Wag Wedges often.

Turn the morning spotlight on Wig Wag Wedges for good-eating during February, "Better Breakfast Month." Spicy and sweet, this easy coffee cake sparks listless appetites.

Serve fluffy scrambled eggs with bacon chips, chilled grapefruit juice and hot cocoa. Feature Wig Wag Wedges with plenty of butter or margarine in this luscious meal, planned to give your family a bonus of energy until lunchtime.

Wig Wag Wedges score high in nourishment when you make them with enriched flour. At no extra cost, you can include additional amounts of essential B-vitamins and food iron in your family's diet this easy way. If you haven't time to do your own baking for "Better Breakfast Month," see the tempting array of coffee cakes, rolls and breads displayed at your neighborhood bakery or food store. Check to make sure all the products you buy bear the "enriched" label.

#### WIG WAG WEDGES (Easy Coffee Cake)

- 1 package yeast, compressed or dry
  - 1/2 cup water (lukewarm for compressed yeast, warm for dry)
  - 1 cup milk
  - 1/4 cup sugar
  - 2 teaspoons salt
  - 1/4 cup shortening
  - 3 3/4 cups sifted enriched flour (about)
  - 1/2 teaspoon cinnamon
  - 1/4 teaspoon allspice
  - 2 eggs
  - 1 cup currants
  - Crumb Toppings
  - Confectioners' sugar icing
- Soften yeast in water. Scald milk. Add sugar, salt and shortening and cool to lukewarm. Add 2 cups flour, cinnamon and allspice and beat well. Add softened yeast and eggs and mix thoroughly. Add enough more flour to make a stiff batter. Beat thoroughly until smooth. Cover and let rise in warm place until light and bubbly (about 1 hour). Add currants and stir down. Spread evenly into 2 greased 9-inch round pans. Sprinkle with Crumb Topping. Make 5 wedge-shaped pieces by pressing lines into batter with floured finger tips. Let rise until light (about 30 minutes). Bake in moderate oven (375° F.) about 30 minutes. Drizzle confectioners' sugar icing horizontally across each wedge.
- Makes 2 9-inch coffee cakes.
- Crumb Topping  
1/4 cup sugar  
1 teaspoon cinnamon  
1/4 cup butter or margarine
- Combine flour, bread crumbs, sugar and cinnamon. Cut or rub in butter or margarine until mixture is crumbly. Sprinkle over beaten batter. Makes enough for 2 9-inch coffee cakes.

### Wed. Service Announced for First Baptist

A definite schedule has been made for the Wednesday evening service at the First Baptist Church. The service starts at 6:15 p.m. with Church Choir rehearsal, followed at 7:15 with Sunday School Teacher Training and Planning meeting. At 8 p.m. Bible study, worship and prayer begins.

This is a definite schedule that will be followed, and each member is asked to join in with the portion of the mid-week service they are directly connected with and to be regular in attendance.

"Besides the prayers for individuals and our city and nation, the pastor is bringing a series of messages, beginning in Genesis and going through the Old Testament. The current theme will be, 'The Evangelism in the Old Testament.' This Wednesday's evening message will be based upon what God has to say in the first three chapters of Genesis," said a spokesman of the church.

Bring your Bibles and prayer requests and meet in the lower auditorium for these services. The nursery will be opened for the small children.
