about a hurricane

The only thing to do is to be sure you have plenty of wind-storm insurance. Then just wait the thing out and don't worry.

Hurricanes, cyclones and tornadoes used to confine themselves to certain areas. But now they roam anywhere, and one may blow your prop-erty to toothpicks or smash it in with a big tree . . . any

An Extended Coverage en-dorsement added to your Fire policies will insure you against loss by windstorm and six other perils as well.
