

Let's Look At Ranger

(An Editorial)

We recently heard the statement: "It seems that many of the people of Ranger are just sitting around waiting for Ranger to die."

"They don't want Ranger to die, but they have the feeling that it is going to, and there is nothing they can do to prevent it—so they are just waiting for the inevitable to happen," the person continued.

"This person asked "Is Ranger going to die?" Our answer is "NO—not unless the people let it die, and we have enough faith in the people of Ranger to believe that they won't let it happen."

Another person, a recent newcomer to Ranger said, "The people of Ranger look, act, and talk like they are whipped."

This person asked "are the people of Ranger whipped, or are they just going to give up?"

Our reply to this was "They have never been whipped to the extent that they have given up before—and we know they won't now."

When Ranger got to the point that they didn't have enough water to adequately supply the needs of the town, they did something about it. They got together with Eastland, which was stricken with the same water shortage, and the two towns working together accomplished what many said couldn't be done. Lake Leon was built because of a necessity and because a few men wouldn't give up on something that they knew had to be done.

There were a lot of people at that time who said that it couldn't be done, but they were proven wrong.

The people now who are criticizing the efforts of others and the ones who don't have enough faith in Ranger to believe it can survive, can be proven wrong. All it takes is some faith and cooperative effort.

Certainly those who get the idea that to get a group together and object to something (when it is evident that the facts haven't been thoroughly checked out) is surely not the type of thing that will help.

It's certainly not those that sit back and cuss city hall for some rumors that they have heard, that is going to help the situation.

It's not the people who say that they are too busy with their own rat killing to bother with what happens to Ranger. When a person gets so involved in his own business that he can't devote some time to civic duties, he is asking for the town to die around him.

It is understood that a person can't devote all of his time to civic affairs, but he must, in order to have an active town, devote some of his time to civic affairs.

Ranger solved its water shortage problem and there is no reason that it can't solve its population and business decline problem.

There is one thing for certain—no one is going to do it for us—we are going to have to do it ourselves.

HOW ABOUT IT?

SUNDAY DEVOTIONAL

By Ralph E. Perkins, Pastor First Baptist Church. Easter Sunday and the many days prior to this memorable day is viewed by the many Christian faiths, so-called, in varying degrees of light and respect. There has been a tendency to "paganize" this day and make it a dress parade of fashions ornamented by bunny rabbits, colored baby chicks, gifts, etc.

Today in the minds of Christian people around the world, "Easter" is the day of the Resurrection of Jesus Christ from the grave. Before Easter was attached to the resurrection, it was a pagan holiday commemorating the first day of spring. Mr. Webster tells us "Easter" is the name of an old T u o n i c goddess of spring, "Easter".

What does the Bible teach about "Easter Sunday"? The Holy Bible does not mention "Easter Sunday" at all. The Bible does teach us that on the third day after the crucifixion, Jesus arose from the grave. This day of the resurrection being the first day of the week.

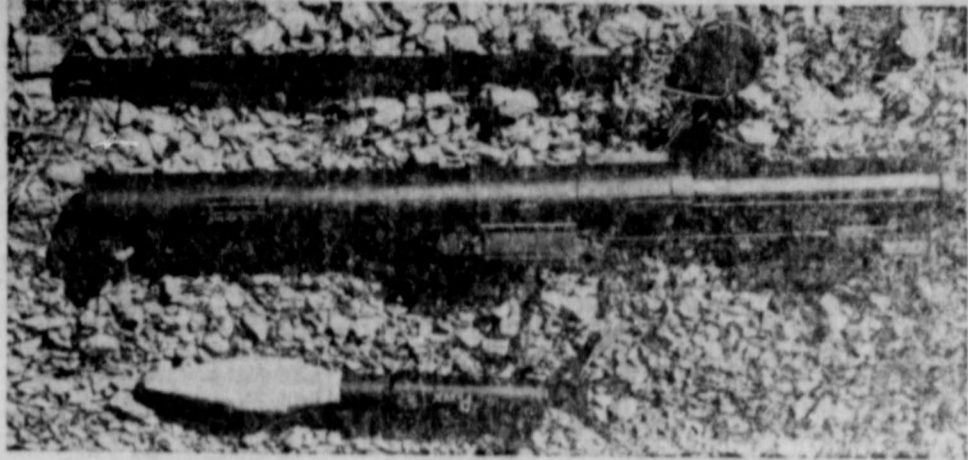

The Bible also teaches us that forty days after the resurrection Jesus Ascended into heaven to sit at the right hand of the Father. The Bible further states that the early Christians observed the first day of the week as a day of worship.

Today New Testament Christians observe the fifty-two Sundays in the year as days of worship, thereby commemorating the Resurrection and the Ascension of Jesus. The resurrection of Jesus Christ from the dead is the most significant phase of Christianity. This victory over death and the grave is the glorious hope and promise to the "born-again-child-of-God" that he will live again after the physical death. Paul tells us, "The wages of sin is death, but the gift of God is eternal life through Jesus Christ."

When we believe what the Bible teaches, we have a different concept as to what God's word teaches us over against paganized customs, practices, and beliefs.

The tragedy of tragedies is the tragedy of failing to read and to believe what the Bible teaches. We have to read the Bible before we know what the Bible has to say about the resurrection.

Spring time should be a gala and happy time. New life, green-

THE ARMY'S NEW ANTITANK rocket grenade, the XM-72, is fired (left) from its own disposable container. Highly effective against tanks, armored vehicles, earth-filled log emplacements and sand-bag fortifications, the light-weight XM-72 can be carried and fired by one man. Displayed in the photograph above are the rocket grenade (top), carrying-case launcher (center), and canvas carrying-sling (bottom). Small, light, and simple to operate, the new grenade is readily adaptable to mass production. It can be fired from a standing, kneeling, or prone position.

Four-H Club Members Win Big Share of Show Honors

Eastland County 4-H Club boys and girls captured a large number of championships in the Eastland County Livestock Show held March 24-25, according to Curtis L. Boase, assistant county agent.

Terry Geyer, Rising Star 4-H, showed his Yorkshire gilt to grand champion and a Darwin Pharr of Scranton 4-H showed his stock gilt to reserve champion of the breeding swine division.

The Grand Champion Hereford heifer was showed by Tommy Beck, County Wide 4-H Club member, and he also showed the reserve champion steer of the show. The reserve champion Hereford heifer went to Charles Stephenson, Cisco 4-H Club member.

Robert Whitt, Gorman 4-H, showed the reserve championship Hereford bull.

In the dairy division, Larry Wilhelm, Ranger 4-H, showed the grand champion female and Kodger Wilkerson of Scranton 4-H showed the grand champion dairy bull.

Baylis Pope, Nimrod 4-H Club, showed his Rambouillet ram to Champion of the fine wool breeding sheep classes and his brother Walter Pope, also of the Nimrod 4-H Club, showed his Rambouillet ewe to champion of the fine wool classes and grand champion ewe of the show.

Johnny Cantwell, Ranger 4-H, showed the champion Angora goat doe and Toni Horton, Eastland 4-H, showed the champion buck.

Kathryn Caraway, Carbon 4-H showed the reserve champion fat pig and also the champion south-down and Southdown cross fat lamb.

Eastland County 4-H Club boys and girls captured seven of the nice trophies given to Grand Champion and Champion winners in the show that were donated by certain business men in Eastland County. The 4-H boys and girls wish to thank all that had a part in making the Eastland County Show possible and all that bought their animals at the auction sale.

Library Week Again to Be Observed Here

National Library Week will be observed from April 16-22, it was announced today by the Texas Committee for N.L.W. This marks the fourth annual national observance of a program designed to increase appreciation of the vital role of the printed word in our national life, and encourage support and use of libraries of all kinds by every American. The Ranger Community Library will participate.

Chairman of the National Steering Committee is Norman H. Strouse, president of J. Walter Thompson Company. Sponsored by the National Book Committee, Inc., an on-profit citizen's group, in cooperation with the American Library Association, N.L.W. receives the full cooperation of newspapers, magazines, and broadcasting media. Its theme for this year, "For a Richer, Fuller Life—Read!" will be developed in news, photo and feature stories, special articles by famous programs across the nation.

Already work has begun on the national, state and local level, with increased support from national, civic, cultural and fraternal organizations, business and industry, labor unions, universities and other educational institutions.

Chairman of the Texas Committee is Dillon Anderson of Houston, prominent lawyer, author, and former head of the National Security Council. Anderson pointed out that the week stimulates public awareness of long-range, year-round goals for meeting the reading needs of the total community, creating a climate for intellectual growth so essential for personal and community fulfillment. Other members of the Texas Committee include Texas author J. Frank Dobie of Austin, serving as honorary chairman; and Henry Steinbocker, a public relations director for the San Antonio Public Library, serving as Executive Director of the state program. At a meeting this month in Dallas, the committee will formulate and subsequently announce its plans for the 1961 observance.

County Teachers Will Hear Noted Lecturer at Meeting

One of the most sought lecturers in the southwest will be the guest speaker at the annual Spring dinner meeting of the Eastland County Teachers Association, O. L. Stamey of Cisco, president of the Association, announced Saturday.

Speaker at the meeting will be Miss Helen Poe, who has spent 11 summers in Europe making a study of how other people live. Her topic will be "Your World Today." The meeting will be held April 21 in the First Methodist Church in Eastland beginning at 7 p.m.

From that fateful year of 1939, when she saw Adolph Hitler deliver a high-pitched tirade at Nuremberg and viewed Mussolini standing on a balcony to address a throng in the Square at Rome, Miss Poe has had a consuming interest in what is happening in the world.

She was a college student when she saw Hitler and Mussolini. Ten years later, she was one of the first American women to see the disaster and ruin brought about by these dictators. As a guest of United Nations personnel, she retraced her steps—and made her own vivid comparisons.

Since 1949 she has continued her journeys to see the other forces at work in the world. France, Spain, the Coronation of the Queen, the hot bed of the Middle East, Japan, and, most recently, four trips behind the Iron Curtain.

Other officers of the County Teachers Association besides Stamey are Mrs. Bernice Durham of Eastland, first vice president; Jimmy Hughes, Eastland County supervisor, second vice president; Mrs. Oscar Schaeffer of Cisco, secretary; and Miss Frances Worden of DeSdemona, treasurer.

Higher Interest Offered On Old Series E Bonds

"The latest extension offered on the oldest Series E Savings Bonds at a full 3-3/4 per cent annual interest rate is a boon to the thousands of people in this county who still hold bonds bought between May 1941 and May 1949," Guy Parker, County Volunteer Savings Bond Chairman, said today.

He referred to the recent announcement by the Treasury dealing with E bonds that begin to reach the end of their extended maturity in May of this year. This second 10-year extension was promised back in 1959, but the terms and interest rate were not announced at that time. Under the new ruling, these bonds will compound semi-annually, based on their current cash value (well over face value).

All of these bonds bought between May 1941 and May 1949 originally drew 2.9 per cent interest. Mr. Parker continued, "In their first extension, they have been earning from 2.90 to 3.47 per cent, if held to extended maturity."

"Now those loyal bond owners who have kept their E bonds for the full 20 years will be rewarded with a full 3-3/4 per cent return EACH year on the full current value of their bonds. This should encourage them to reap the benefits of this high rate for another full 10 years."

The County Chairman said nearly \$15 billion in the 1941-49 E bonds are still outstanding in the county as a whole. He estimated about \$2,250,000 worth are owned by people in Eastland county.

Julia Needham Completes Air Stewardess School

Miss Julia M. Needham, daughter of Mr. and Mrs. W. W. Needham, Route 1, Ranger, has graduated as a United Air Lines stewardess. After completing training at the company's stewardess school in Cheyenne, Wyo., she now serves aboard Mainliners flying from Los Angeles.

Miss Needham is a graduate of Ranger High School. Prior to serving aloft she was with Surplus Insurance Underwriters. Her hobbies are bowling, reading and dancing. In becoming a stewardess, Miss Needham has entered a profession which was pioneered by United 31 years ago.

County Wide Meeting to Hear Ag Experts Planned

Dr. J. B. Henderson, Texas Animal Health Commission veterinarian, Coleman, will discuss the Brucellosis law and the testing of cattle for this disease at a county wide mass meeting at the Eastland Auction Barn, Thursday night according to an announcement given out today.

Waverly Massengale, Eastland rancher and president of the County Livestock Raisers Association, is urging all cattle owners over the county to make their plans now to attend the meeting. Those who attend may hear a first hand explanation of the program and be able to ask questions regarding the clean up of this disease that effects both cattle and man he said.

Dr. Henderson has been in the county several times in the past to explain the Brucellosis program, first to the dairymen and later to beef cattlemen. At the April 5th meeting both beef cattle ranchers as well as dairymen are invited and urged to attend.

Former Resident Is Promoted By Humble Oil

Humble Oil & Refining Co. has announced the promotion of I. J. (Jack) Hart to senior clerk in the packaging and lube blending department at its Baytown refinery.

Hart joined the Humble organization in February, 1948 at Humble Pipe Line Company's north Texas Division office in Cisco. He transferred to Baytown refinery in March, 1960 as a member of the physical testing laboratory where he worked until he assumed his new responsibilities.

A native of Cisco, Hart graduated from Alameda high school. He attended Hardin Simmons University a year, and majored in mechanical engineering nearly two years at Texas Tech in Lubbock.

He served two years in the infantry in World War II, and spent eighteen months in the European theatre. Mr. and Mrs. Hart reside at 219 West Jack in Baytown. They have a son, Ernie, 13; and a daughter, Linda Sue, 10.

Ex-Ranger Man Electrocuted in Houston Thurs.

Funeral for Billy Owen Hinman, 42, of Jacinto City, native of Ranger, will be held at 2 p.m. Sunday at the First Methodist Church in Houston with the Rev. Richard L. Russell, pastor of the First Christian Church, officiating.

Burial will be in Evergreen Cemetery under direction of Killingsworth Funeral Home.

It was assumed that Mr. Hinman was electrocuted Thursday when a crane he was operating, in Houston for Brown & Root Construction Co., came close enough to a 12,000 volt powerline to cause an arc to jump to the crane. He had been employed by the firm a total of 15 years.

Mr. Hinman was a captain on the Haltom City police force from 1953-56. He entered military service, Sept. 27, 1944, and served in the paratrooper infantry until his discharge Jan. 27, 1946.

Born Sept. 27, 1918, he was a graduate of Ranger High School and Ranger Junior College. He was a member of the First Christian Church.

He is survived by his wife; a daughter, Miss Margaret Jane Hinman of Baton Rouge, La.; two stepsons, Eddie LaRoy Jacoby and (Continued on Page Two)

M. M. Barnes Dies Wednesday In Cleburne

M. M. Barnes, former resident of Ranger, passed away at his home in Cleburne at 4 p.m. Wednesday. Funeral services were held at 10 a.m. Thursday in Cleburne.

Christian Science

The vital importance for all mankind of the resurrection of Christ Jesus will be stressed Sunday at Christian Science services. Scriptural selections will include accounts from Matthew, Mark, Luke, and John of incidents in the life of Jesus, including the betrayal in Gethsemane, the crucifixion, and his resurrection.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy these passages will be read (pp. 292, 293):
"Truth will be to us 'the resurrection and the life' only as it destroys all error and the belief that Mind, the only immortality of man, can be fettered by the body, and Life be controlled by death

Social Security Trust Funds Show Increase

Income to the two trust funds out of which social security benefits are paid exceeded outgo by \$648 million during the year ending Dec. 31, 1960, according to R. R. Tuley, Jr., district manager of the Alabama social security office.

"The 21st annual report of the trustees of the two funds also gives fiscal and calendar year estimates for the following 5 years, 15 years, and for the longrange future up until the year 2025," Tuley said.

These figures, based on provisions of the present social security law, show that income to the two funds during the 1960's and on into the long range future will be sufficient to cover all outlays for benefits.

Income to the old-age and survivors insurance trust fund during calendar year 1960 exceeds outgo by \$184 million. Total disbursements for the year amounted to just under \$11.2 billion. Total income for the year was close to \$11.4 billion. At the end of the year, the fund stood at \$20,324,000,000.

Total income to the disability insurance trust fund during 1960 exceeded outgo by \$464 million. Disbursements totaled \$604 million, and income totaled \$1,068 million. At the end of the year, assets of this fund totaled \$2,289,000,000.

"The estimates for the 5 years following 1960," Tuley said, "show that under present law, total income to the old-age and survivors insurance trust fund over the 5-year period will amount to \$70.8 billion." Total outgo during that period will come to \$67.0 billion with a total excess of income over outgo amounting to \$3.8 billion. At the end of December 1965, the assets of the old-age and survivors insurance trust fund are expected to amount to \$24.2 billion.

During these same 5 years, the assets of the disability insurance trust fund are expected to grow from the present \$2.3 billion to \$2.7 billion. Total income over the 5 years is estimated at \$5.9 billion and total disbursements at \$5.5 billion.

"By the end of December 1970," Tuley said, "the trustees estimates are that the old age and survivors insurance trust fund will have grown to \$46.6 billion. On the same date, disability insurance

HOW U. S. SENATOR Wm. A. BLAKLEY STANDS

CONNALLY RESERVATION

Senator Blakley favors retaining and strengthening the Connally Amendment. Opposes turning over U. S. affairs to jurisdiction of a world court.

SENATOR WILLIAM A. (Bill) BLAKLEY

The Winner!

The Texas Poll

The official Texas Poll directed by Joe Belden and subscribed to by 21 leading Texas papers left no doubt at all that Senator Bill Blakley is the choice of Texas and the top candidate to win the run-off in the special Senate election April 4.

The state-wide poll published March 15 in newspapers throughout the state found Senator Blakley the top runner among all Democrats with Republican John Tower his likely run-off opponent.

On the strong likelihood that Tower and Blakley will go into a run-off, the poll said that "from all indications now, Senator Blakley would defeat the GOP Challenger." Blakley was still in Washington when the survey was made; his strength would be expected to increase during the final 4,500 mile campaign swing he is making across the state.

In a run-off between Blakley and Tower, the Texas Poll results were:

For or lean to Blakley	49 per cent
For or lean to Tower	31 per cent
Undecided	17 per cent

An earlier poll showed that Bill Blakley is the strongest Democrat. The new check of voter sentiment now confirmed the Senator is steadily increasing his standing among the people of Texas.

How the name will appear on the Ballot FOR UNITED STATES SENATOR (Unexpired Term)
WILLIAM A. (Bill) BLAKLEY
Dallas County

Senator Blakley has vital seniority in the U. S. Senate over all other candidates. His background as successful farmer, rancher, lawyer, business man and executive fully qualifies him to represent all Texas.

He is doing things now in Washington. His experience and ability make him a respected force on the powerful Judiciary and the Banking Committees.

Senator Blakley's Action Program for Texas

\$100 MILLION MORE ANNUALLY FOR SCHOOLS: A home-rule aid-to-education plan that would return to each state 5 per cent of federal income taxes for support of locally administered public schools. In Texas this would mean over \$100 million more annually for our schools—without federal interference!

INCOME TAX RELIEF FOR PRESSED PARENTS: Also, for families putting their children through college, additional income tax exemptions of \$1,200 for college or university student, \$400 for son or daughter in high school. Parents deserve a tax break!

A HELPING HAND FOR OUR SENIOR CITIZENS: A bill to raise ceiling on what Social Security recipients may earn without being penalized. Senator Blakley would raise ceiling from \$1,200 to \$1,800 a year to help many retired persons.

SHARP REDUCTION IN FOREIGN OIL IMPORTS: Reduce by one half the amount of foreign oil being brought into U. S. Texas economy, schools, state government, all suffer when foreign oil floods market, causes Texas production to shut down.

INDEPENDENCE! WE MUST KEEP IT ALWAYS: Retain Connally Amendment to World Court. United States should maintain its sovereignty without question. Senator Blakley is fighting against repeal of this vital guarantee.

TEXAS WILL KEEP BILL BLAKLEY ON THE JOB!

TRACTOR TALK

Warning On Removing Thermostats
Removing the thermostat from an engine to "correct" cooling system over-heating can greatly increase fuel consumption, reduce power and contribute to spark plug fouling due to the accumulation of excessive carbon deposits on the insulators.
Pointing to the fact that many farmers frequently remove the thermostats from tractors and trucks, engineers at Champion Spark Plug Co. advise this practice may contribute to spark plug fouling. Always check to see whether a thermostat is installed before performing any work on an engine which has a spark plug fouling problem.
The thermostat is vitally important to proper cooling system and engine operation. It never should be removed and the engine allowed to operate without it.

Frayed Cables Tipoff To Need for Replacement
Corroded, frayed or partially broken battery, starter and generator cables frequently are an indication that the interior metal strands have become brittle, and that the entire cable is apt to break. Cables in this condition should be replaced to eliminate high resistance in the various circuits which may result in eventual starting failure if not corrected.

Worn Throttle and Choke Shafts May Let Dirt In Engine
Many times when an excessive amount of dirt enters the engine, the air cleaner is at fault. However, this condition also may be caused by worn choke and throttle shafts in the carburetor.
When new, these shafts fit snugly against their bearing surfaces preventing any dirt from being drawn into the carburetor. However, after the tractor has been operated for some time, the shafts may wear to the point that a sloppy fit exists between shaft and bearing surface. Due to high manifold vacuum, it's possible for dirt to be sucked directly into the carburetor through the opening between shaft and bushing.
For this reason, both the throttle and choke shaft should be examined frequently for excessive wear.

Correct Reach Important When Selecting Spark Plugs
When selecting spark plugs for an engine, always be sure the plugs are of the correct reach for the engine.
According to Champion Spark Plug Co., if plug threads are too long, they will enter the combustion chamber where they may heat up causing preignition. Plugs with threads that are too long also may strike the valves or pistons causing engine damage.
If the plug threads are too short, the firing ends will be recessed in the head causing loss of power and economy.

Around the Campus

The Ranger College personality of this week is the eighteen-year-old daughter of Mr. and Mrs. W. S. Vinson of Ranger Miss Nellie Sue Vinson. A freshman in Ranger Junior College, Miss Vinson is

a recent pledge of Phi Theta Kappa. She is also a member of the Rangemans and the Debs and is a cheerleader. She is a 1960 graduate of Ranger High School. While in high school, Nellie Sue was a class officer three years, an FHA officer two years, and Junior Favorite. She took part in three plays, the all-school play while a freshman, the Junior play, and the senior play, and she had a poem published in a national anthology of poetry written by high school students. She is majoring in elementary

education and plans to go to North Texas State College next year to further her education. She attended summer classes at Ranger Junior College last summer and plans on doing summer work again this year.

An attractive readhead, this personable young lady has green eyes and fair skin. She is an enthusiastic, capable student who applies herself diligently and does her work efficiently. She is interested in many things and participates in all student affairs. She gets along well with people. This might be attributed to the fact that she comes from a large family, having two brothers and three sisters. She is friendly and affable and is well liked by both students and teachers.

HOW U. S. SENATOR Wm. A. BLAKLEY STANDS EDUCATION

Senator Blakley is dedicated to the principle that education is a local institution. He has introduced a practical alternative to Federal aid to education, a bill that permits the states to keep 5 per cent of Federal income taxes paid by the people in each state for use in their school systems.

Eastside Baptist Church

Easter services at the Eastside Baptist Church will begin Sunday morning with Sunday School at 9:45 a.m. In each class the theme will be the Easter Message from the Bible. At 11 a.m. the worship service will begin with the congregation singing together the old hymns of victory and praise in keeping with the Easter theme. The pastor will speak on the subject "The Glories of the Resurrection."

Sunday evening services will begin with Training Union at 6:30 p.m. followed by the preaching hour at 7:30 p.m. At this service the pastor will speak on the subject "Between Heaven and Earth."

Visitors are welcome to any or all of these services. The nursery will be open for the small children.

The pastor urged that every person in Ranger try to attend the services of some church on this Easter Sunday. He said, "Christ died for the sins of us all, the least we can do is lift our voices in praise and gratitude to Him."

Easter Program To Be Presented At First Baptist

The annual Easter program centered around the Cross, the Open Tomb, and the Ascending Christ, will be presented Sunday evening, (tonight) at 8 p.m. in the auditorium of the First Baptist Church.

The arrangement of the "Easter Story" has been made by Mrs. Ralph Perkins. She has used the scriptures depicting the account of those last days of our Master. Colored slides will be used to depict the scenes of the times, and the gospel music will bring humbly to our souls.

Six readers will make up the verse choir and these readers will bring a continuity to the story, the scriptures, the slides and the music.

All of the graded choirs of the church will participate in the program. This beautiful story will be of great interest, even to the smallest children.

First Baptist Church

The Sunday school department, under the direction of R. V. Robinson, challenged the Officers and Teachers Wednesday evening to a goal of 300 or more on Easter Sunday morning. Teachers and classes are making ready for the increase in attendance on the day of days in the Christian realm.

The pastor's message for the morning service is "Our Risen Saviour." All of Christianity centers in "His Virgin Birth, His Crucifixion, His Resurrection, and His Ascension." For man to become partaker in the power of this Son of God, man must repent and be born again. This new birth is the gift of God's love for a sinful and wicked people.

Training Union begins at 7 p.m. and the evening worship is at 8 p.m. Training Union under the leadership of J. W. White, has a goal of 11 for Sunday night. The evening services will be given over entirely to the "Easter Story" that will be presented by the choir and the verse choir. It will be depicted by color slides. The nursery will be open for the small children.

NEWS FROM DESDEMONA

Health in this community hasn't been too good the past few days.

Ike Abernathy, who has been ill for quite a while, is now considered in serious condition and is a patient in the Gorman Hospital.

Mahron Wilcoxian who spent the weekend in the Eastland Hospital was able to return home Monday.

Mrs. Emma Quinn has been quite ill in the hospital at Gorman but is now at home.

Mrs. Charles Gehoway has been ill at her home here but is now considered improved.

Mrs. Joe Murrell is home again after spending the past several days in the Gorman Hospital.

Attendance at the different churches Sunday was good. Visitors at the First Baptist Church were Mrs. Stanley Powers and Mrs. Jimmie Burleson and son of Fort Worth.

The spring revival at the First Baptist Church will begin April 2. Rev. Teaff of Moran will be the evangelist and the Rev. Moody will direct song services.

The public is cordially invited to attend. Mr. and Mrs. Junior Davis and his mother, Mrs. Hattie Davis, spent the weekend in Fort Worth with a sister and daughter, Mrs. Faye Illey and family. The Illey children, Richard and Phill, returned home with their grandmother to spend a week.

Extension Dept. Meets in Arrondale Home

Mrs. Frank Arrondale was a hostess to the Extension Department of the First Baptist Church Thursday afternoon at 2 o'clock when it met in her home for a business meeting and social.

The opening prayer was led by Mrs. W. A. Reuver. The devotional, taken from the fourth

chapter of John was brought by Mrs. Lee Mitchell, president. The members were called on to give reports of their visits, with 322 visits being reported. The members delivered "Home Life" magazines to the shut-ins. Mrs. H. E. Herweck led the closing prayer.

After the business session a social hour was enjoyed. Mrs. Arrondale made a grab bag which contained a hot pad for each one present.

Prosted punch was served to the following: Misses Lee Mitchell, W. A. Reuver, Tom Lang, W. S. Adkinson, Luther Kirkpatrick, K. P. Kirk, H. E. Herweck and Mrs. Arrondale.

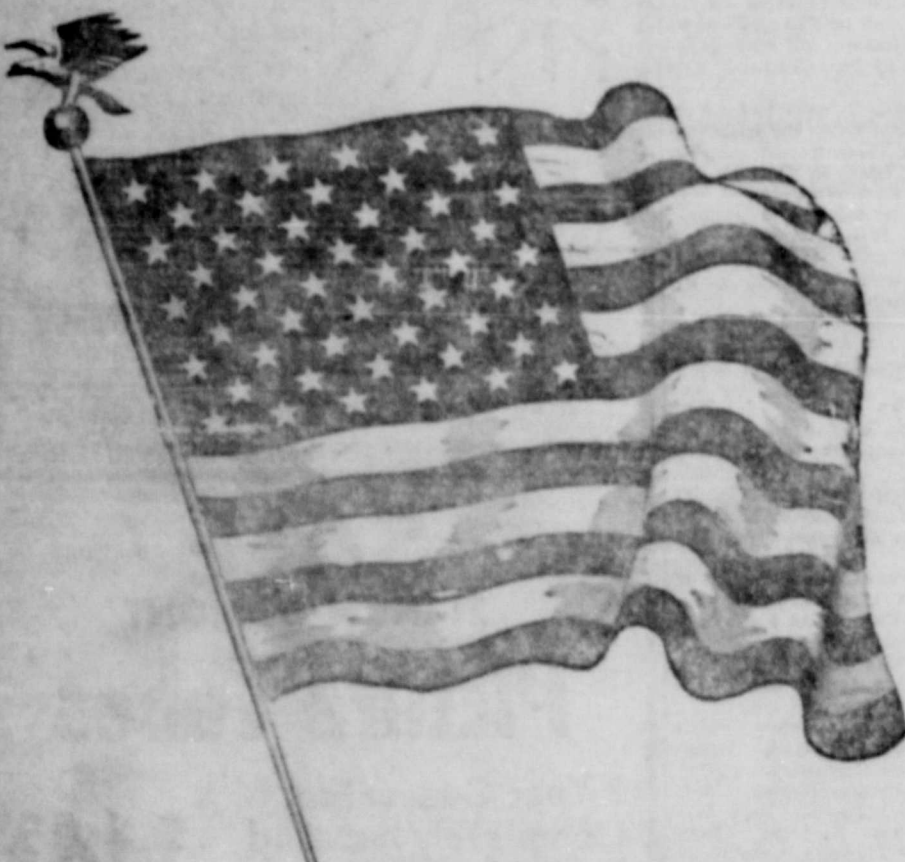

HOW U. S. SENATOR Wm. A. BLAKLEY STANDS

SOCIAL SECURITY

Senator Blakley has introduced a bill to give a helping hand to senior citizens, by raising the ceiling on the amount Social Security recipients can earn without being penalized from \$1,200 to \$1,800.

BUY BETTER - THAN - EVER U.S. SAVINGS BONDS

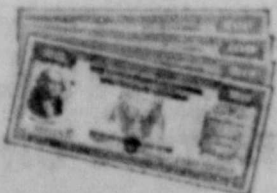

A new 50-star flag now flies over the capitol of 50 states—symbol of a new America that's bigger and stronger than ever before. And there's a better-than-ever U.S. Savings Bond, too, to help keep our new America strong.

U.S. Savings Bonds are now better in two ways:

1. They mature 14 months faster than before. In E Bonds \$18.75 now becomes \$25 in just 7 years, 9 months.
2. They continue to earn interest after maturity. If you hold your bonds for 17 years, 9 months, you get \$1.00 back for \$1 you put in.

Other advantages of U.S. Savings Bonds

- You can save automatically with the Payroll Savings Plan.
- You invest without risk under a U.S. Government guarantee.
- Your money can't be lost or stolen.
- You can get your money, with interest, anytime you want it.
- You save more than money—you're helping your Government pay for peace.
