The Man Who Borrows Money-

must have good security to offer the lending agency or in dividual before he can expect a loan. There is no better collateral than real estate provided the title is good. More money is loaned on real estate than any other commodity of value. The careful lender always insists on an abstract for the abstract reveals the condition of the title and upon the title rests the applicant's eligibility for the loan.

FLAMELESS ELECTRIC CLOTHES DRYING helps keep your pretty colored washables looking "like new." Colored clothes stay bright and white clothes stay white because flameless electric heat is clean and gentle - never fades colors. Your clothes are protected, too, from whipping winds and airborne dust and dirt when dried indoors electrically. And precise electric control of drying temperatures assures safe drying of even the most delicate fabrics. See your electric appliance dealer soon for a flameless electric dryer that will save you time, work and money . . . help you Live Better Electrically!
