

Sherman says senators may be shuffled, also

State senatorial districts may be next in line for court-ordered realignment, Sen. Max Sherman of Amarillo said here Monday night.

THE YOUNG state senator spoke to an audience of 40 or more at a Jaycee-sponsored dinner in the Colonial Inn Restaurant. It was his first public speech here since Castro County was added to his district. Until Jan. 1 the county was in the district of Sen. Jack Hightower of Vernon.

"I was in Austin the day the three-man federal court panel in Dallas redrew the lines of the state's congressional districts," Sherman said. "Everyone was scurrying around and didn't know what to do."

"NO ONE anticipated that the federal court case would lead to the redrawing of all congressional boundaries," Sherman told the Jaycee audience, "so if any senatorial district boundary is challenged anywhere in the state, no one would be surprised now to see all senatorial districts redrawn, too."

He added, "I think a ruling will be made" on the new senatorial district boundaries this year.

But he expects Castro County to remain in his district no matter how new boundaries might be drawn.

"THE court-ordered congressional district boundaries in many cases are similar to the state senatorial districts," Sherman said. "I would guess if there are any changes in my senatorial district, it would be to stretch it southward to include Hockley, Hall and other counties in that area."

He added, "We have a state senatorial district now that's larger in area than the state of Ohio."

Sherman has revisionist ideas of his own—but they're directed toward the state constitution instead of boundary lines.

"IT'S necessary that we at least consider the revision of the constitution," he said. He explained that the state's oft-mendaced constitution was written the year Custer was defeated at the Little Big Horn, "at a time when the largest city in Texas was Galveston with 15,000 people, and Dallas wasn't big enough to be included on the Census map."

He said he is supporting a

proposed 1974 constitutional convention, whose delegates would be those elected to the state legislature this year. State executive salaries, annual legislative sessions and executive unity are among the main problems that need to be solved by a new constitution, he said.

SEN. MAX SHERMAN speaks to Castro County Jaycees here Monday night. In background is Jaycee President Harley Wilke and his wife, Sharon.

NOBODY can get out of it

The county's new "jury wheel" raffle system was designed so very few could get out of jury duty.

IT'S WORKING out that way too. Just ask County Attorney Robert Buntyn. He was on a jury himself last week, serving as the jury foreman in a civil trial.

"As far as I know, the selection of the Castro County attorney for jury duty was a historic first," said District Judge John T. Boyd. "I think he was the first county attorney in Texas to serve on a jury—and I know he was the first in this judicial district."

18 bandsmen earn regional berths

Fifteen Dimmitt High School bandsmen and three Dimmitt Junior High students have earned berths in the all-regional bands. Director Ralph Smith announced this week.

THE SENIOR and junior high all-star bands will perform their annual concert at 7 p.m. Saturday in Coronado High School auditorium in Lubbock. Smith said. The bands will rehearse Thursday night, Friday and Saturday in preparation for the concert.

Members of the DHS Bobcat Band who will perform with the all-regional band Saturday night are Jeff Barringer, Julie McDermitt, Dawn Parker, Beverly Hill, Jeanne Petty, Deana Hargrove, Susie Mooney, Lissa Huckabay, Max Hastings, Brent Miller, Vicki Carpenter, Elaine Cook, Debbie Hansen, Jan Giles and Janet Smithson.

Dimmitt members of the junior high all-regional band are Gay Oldham, Sandra Carpenter and Connie Nelson.

Jimmie Howell will run in 3

Jimmie Howell, 37-year-old farmer and horse breeder, has announced he will seek the county commissioner's post for Precinct 3.

HIS announcement makes it a three-man race in the May 6 Democratic primary. J. M. Wright, the incumbent, and Andy Schumacher also have announced they will run for the Precinct 3 commission seat.

Howell was born and raised in the Bethel community. He farms 960 acres and raises registered quarterhorses in partnership with two of his brothers, Jack and Herb.

Howell graduated from Dimmitt High School in 1952, and has farmed in the Bethel area since 1953.

HE AND his wife, Sue, have three children—Kenneth, 6, Kim, 4, and Kelly, 1.

"I won't make any rash statements," Howell said. "If I'm elected, I'll just do my best for the people in our precinct."

Gas Users will meet Wednesday

The Castro County Gas Users Association will hold its annual meeting Wednesday night in the First State Bank community room.

JOHN GILBREATH, president of the association, said the main topic of discussion will be Pioneer Natural Gas Co.'s recent rate increase on irrigation gas. The Plains Irrigation Gas Users Association has protested the increase and has asked for a hearing before the Federal Price Commission.

Wednesday's meeting will begin at 7:30 p.m. and will also include the election of officers for the coming year.

"This is a very important meeting and I urge all members to be present," Gilbreath said.

Politicos in a tailspin

Castro County residents awoke Saturday morning under the legislative wing of Congressman George Mahon, Lubbock Democrat. But when they went to bed that night they were back in the fold of Congressman Bob Price, Pampa Republican.

THAT WAS one result of a three-man federal court action in Dallas Saturday that threw out the Texas Legislature's congressional districting plan and ordered new "mathematical" boundary lines.

After revising the congressional boundaries for the May 6 primary elections, the same three-man court followed up by declaring candidates' filing fees unconstitutional, leaving the political parties with no legal method of paying for their primaries.

The two court rulings in Dallas threw political leaders into a tizzy from Pennsylvania Avenue to Bedford Street.

UNDER THE court-ordered redistricting plan, Castro, Deaf Smith, Farmer, Bailey, Lamb, Hale and Hockley Counties were taken from the northern part of Mahon's new district and added back to the southern edge of Price's new District 13.

With 477,856 people, the new 13th District is now the largest in the state.

Under the boundary lines drawn by the Texas Legislature last year, Mahon was Castro County's representative in Congress for 22 days.

PRICE evidently fared well from the court's new alignment. Under the legislature's original plan, Price was pitted against Congressman Graham Purcell of Wichita Falls. But now Purcell faces a re-election showdown against fellow Democrat Omar Bureson in the new 17th

Pilots now have 'weather number'

Dimmitt area pilots now have a local phone number they can dial for weather briefings.

A CALL TO 647-2505 will put the pilot in contact with the Amarillo Flight Service Station at any hour of the day or night. Flight service specialists will have available information on current and forecast weather, including winds aloft, facsimile weather charts, weather avoidance radar, aviation charts and publications, and other data.

"We've been working toward this for a long time, and it's really going to be a big help to local pilots," said Buster Tidwell, spokesman for commercial and private pilots here.

Lon T. Golden, chief of the Amarillo Flight Service Station, urged pilots to use the new telephone number to obtain any of the services offered by the AFSS.

District. Purcell is one of three Texas congressmen—all Democrats—who were left out in the cold by the court's redistricting plan.

However, Purcell still has the option of declaring as a candidate against Price in District 13. He was expected to make his political plans known Wednesday or Thursday.

ON THE court's second ruling—which voided the assessing of candidates' fees to pay for primary elections—County Democratic Chairman Carl King said, "I'm not going to sell apples on a street corner to pay for the election."

"I intend to recommend to the precinct chairmen to assess candidates as they have done in the past until I receive further orders from the State Democratic Executive Committee," King said.

'Flu' is on upswing here

Dr. J. D. Blackburn, county medical officer, reports a marked increase in influenza and upper respiratory infections in the county.

"IT LOOKS like more illness of this type will occur before it peaks and slackens in Castro County," Dr. Blackburn said.

Plains Memorial Hospital reported a definite increase in patients suffering from influenza and respiratory infection.

Dr. Blackburn said high school absences in Dimmitt are running at 12 to 13 percent, which is above normal. In the lower grades, though, absences are not much above normal percentages, he said.

"MANY communities have had a 20 percent absentee rate in the schools and have been forced to close them. The school absentee rate is a good indicator of the number ill in a community," Dr. Blackburn said.

"At this time we're not sure of the type of influenza in the county," he added. "We're waiting on reports from the state health labs."

Court completes session Tuesday

The 64th District Court ended a six-day session here Tuesday with a series of non-jury civil cases—mostly divorce petitions.

IN ITS first full session here in a year—delayed by the court house expansion project—the court cleared its civil docket with both jury and non-jury trials, District Judge John T. Boyd said.

The court also conducted non-jury criminal trials last week for four persons who pleaded guilty to charges. The last person sentenced was Billy Joe DeVault, who received a three-year probation term after pleading guilty last Wednesday to passing a forged instrument. Three others sentenced earlier in the week were reported in last week's News.

THE COURT'S next jury trial date here is March 6, Judge Boyd said.

'Winds dampen Bobcats' hopes

It finally happened Tuesday night.

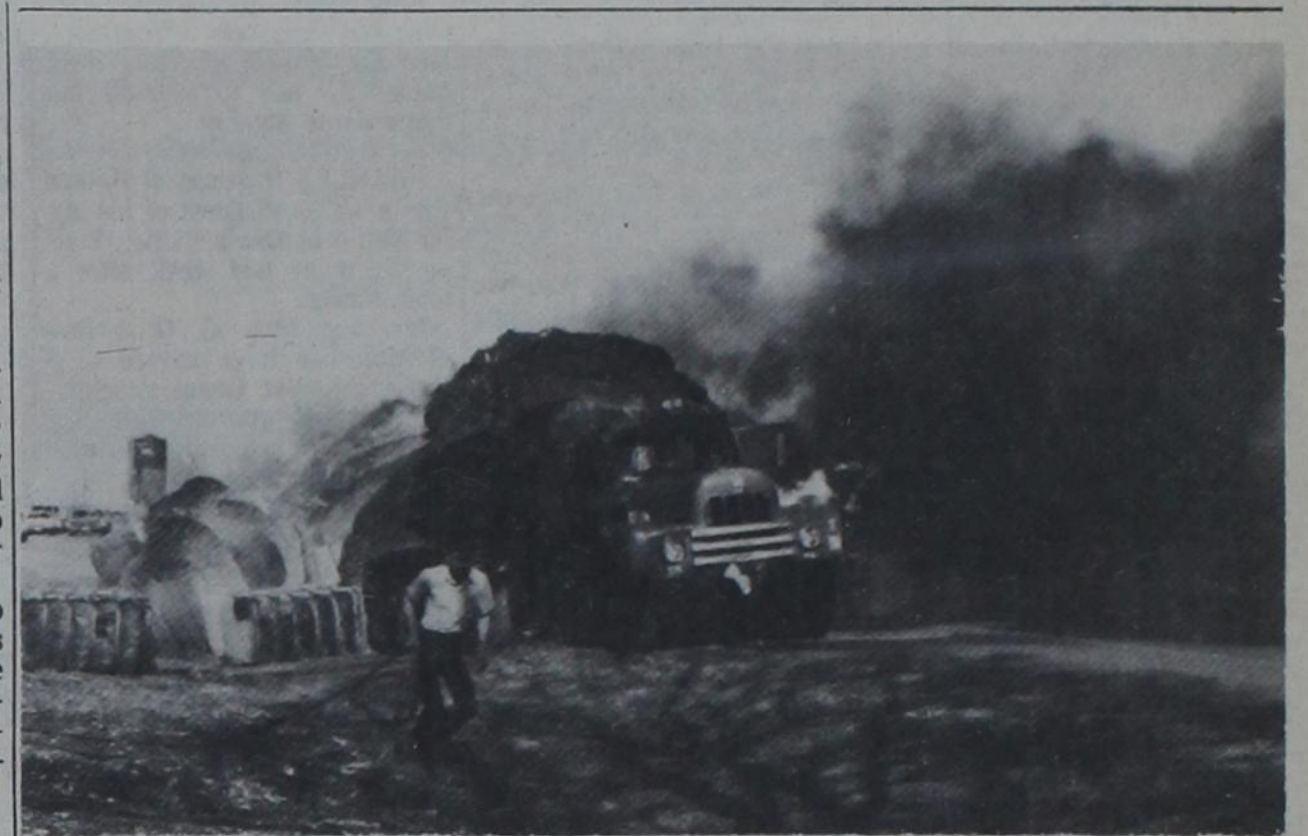

FLOYDADA'S Whirlwinds defeated the Dimmitt Bobcats for the first time in eight years, 56-52, to virtually eliminate the Bobcats from District 3-AA title contention in the first game of the second-half race.

The Whirlwinds sank seven points in the final two minutes to pull off the upset on their home court. Trailing 52-49, the Whirlwinds tied the score with a three-point play, then sank two more baskets in the final two minutes while the Bobcats missed the shots that would have kept them in the game.

Top scorers for Dimmitt were Danny Ebeling with 22 and Jerry Matthews with 14.

IN THE boys' B-team game, Dimmitt won easily, 81-44, as Bill Gregory snk 13 points and Terry Powell 12.

The Bobcats finished the first half of district play Friday night with a 79-70 victory over Abilene there. The win gave the Cats a 6-1 district record for second place behind Morton.

FIRE CONSUMES TRACTOR-TRAILER AND ITS LOAD OF COTTON 10 miles north of Dimmitt Sunday afternoon

Fire ruins truck, cotton

Fire swiftly destroyed a tractor-trailer rig loaded with 55 bales of cotton Sunday afternoon 10 miles north of Dimmitt.

THE TRUCK, driven by Ted Coleman of Hereford, was on its way to the compress in Tulla from the Deaf Smith County Gin when the fire broke out.

"I noticed some smoke in my left mirror, so I stopped the truck and took the chains off," Coleman said. "I managed to push off five bales before the whole load caught."

The cotton was worth almost \$7,000.

One unit from the Dimmitt Volunteer Fire Department and two from the Hereford Fire Department answered the call about 20 minutes after the fire began. After water tanks on the fire trucks were depleted,

Steiert to run in Precinct 2

L. J. "Bud" Steiert of Hart announced this week he will be a candidate for county commissioner for Precinct 2 in the May 6 Democratic primary election.

HE IS THE second candidate to file for the county commissioner's post now held by F. I. "Tump" McLain. Dean Sanders announced he will be a candidate also, and McLain has not filed for re-election.

"I would serve the precinct to the best of my ability if elected," Steiert said. "I would not promise not to make any mistakes—the person who never makes a mistake never does anything."

Steiert was born in Hart and attended Nazareth Public Schools. He served aboard heavy bombers in the Eighth Army Air Corps in Europe in World War II. After the war he returned home to farm. He operates 660 acres 3½ miles north of Hart.

STEIERT was named Hart's "Man of the Year" in 1967. He is a charter member and former vice-commander of Hart American Legion Post 311, has served on the school tax equalization board, is a director in the Castro County Farm Bureau, and was chairman of the board for organizing St. John's Catholic Mission Church in Hart. Through his Legion offices he has worked with Boys State and local Americanism and memorial projects. He is a member of the Hart Lions Club, National Farmers Organization, Council 2654 of the Knights of Columbus and Council 1795 of the Catholic Order of Foresters.

He and his wife, Irene, have four daughters—Alice, 10, Joan, 8, Anna, 6, and Judy, 3.

ALL PAPERS and compress tickets on the cotton load were lost when the cab burned. A tow truck pulled the cab free as the fire cooled down, but couldn't pull the trailer bed from under the burning cotton. The truck was a 1964 International.

Last rites held for Mrs. Lively

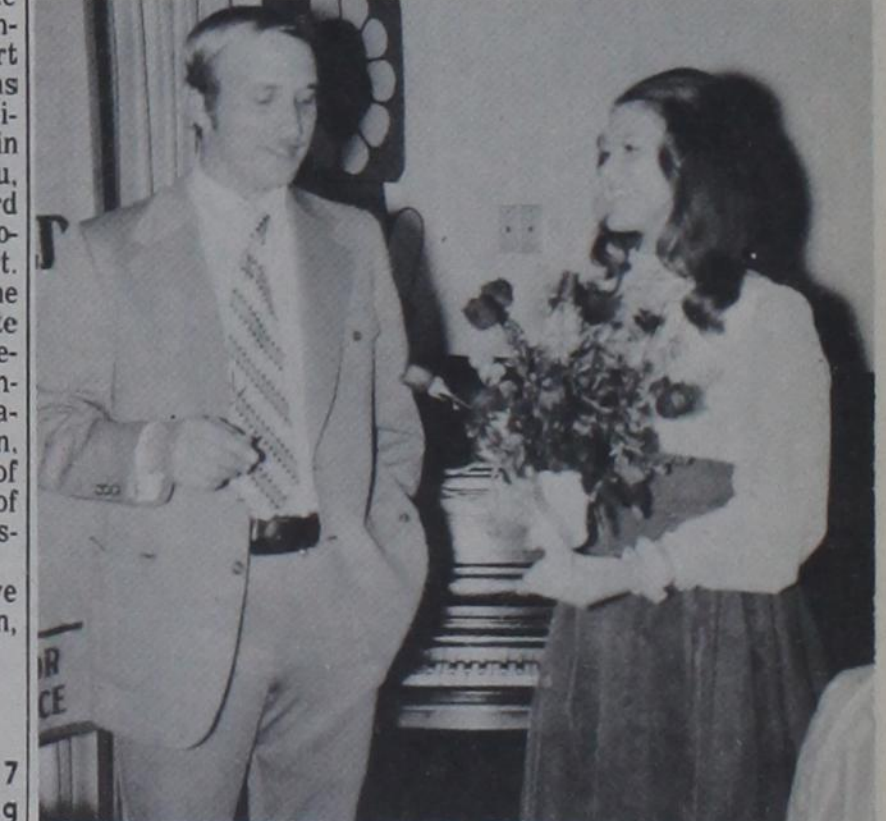

Funeral services for Carrie Jane Lively were held Jan. 15 in the Forestburg Baptist Church with C. E. Cole, minister of the Forestburg Church of Christ and Rev. Little, pastor of the Forestburg Baptist Church, officiating.

BURIAL WAS in the Post Oak Cemetery at Glen Rose with Rev. Marcus Goblyke, youth director of the First Baptist Church of Glen Rose, officiating at graveside rites.

Mrs. Lively, who died Jan. 16, had lived in Dimmitt 18 years before moving to Forestburg two weeks ago. She was born Aug. 29, 1925.

She is survived by her husband, P. C. Lively; her mother, Mrs. Elizabeth Raifsnider of Mineral Wells; four sons, David, Joe, Donald and John of the home; three daughters, Jane and Laurjan of the home and Mrs. Ben Coleman of Dimmitt; five sisters, Mrs. Juanita Collins of Tracy, Calif., Mrs. Marie Knox of Forestburg, Mrs. Ann Stroud of Fort Worth, Mrs. Beth Harper of Hamlin and Mrs. Nelda Gordon of Mineral Wells; and two brothers, C. O. Raifsnider of Irving and C. R. Raifsnider Jr. of Grand Prairie.

Pallbearers were Hershel Knox, Cecil McCandless, Tommy Stillwell and H. K. Irend of Forestburg, Bill Tuttle of Bowie and E. P. Calhoun of Dimmitt.

NEW 'MISS CASTRO'—Sarita White, a Dimmitt High School senior, will serve as the official "Miss Castro County" until the next pageant, the Jaycees announced at their dinner meeting Monday night. Here, Miss White receives the symbolic dozen red roses from Jaycee Vice-President Chuck Braafladt, Miss White, daughter of Mr. and Mrs. Charlie White of Dimmitt, finished as the first runner-up in the first Miss Castro County Pageant last April. The pageant winner, Jean Foster of Hart, asked to be relieved of her duties as Miss Castro County for the remainder of her term, Braafladt explained.

Last rites held for Mrs. Turner, Dimmitt pioneer

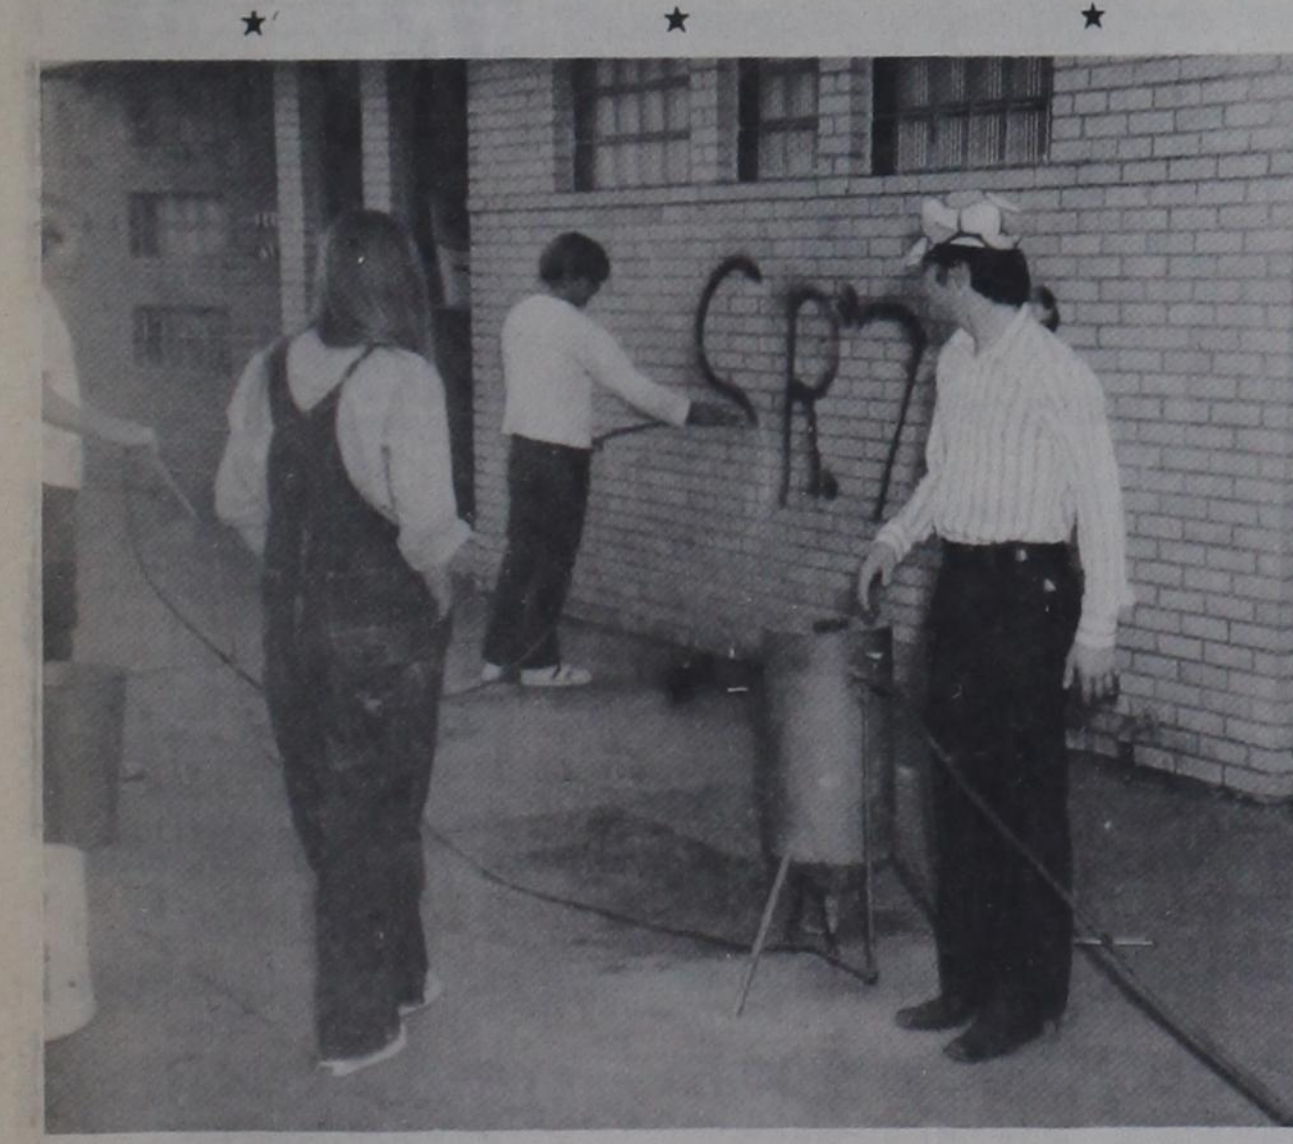

Services for Mrs. Mattie Burch Turner of Dimmitt were held Tuesday in the First Baptist Church. Rev. Earl Landtroop of Clovis officiated at the afternoon services.

BURIAL was in Castro Memorial Gardens, directed by Dennis Funeral Home.

Mrs. Turner died Sunday at 10:30 a.m. in the Southwest Convalescent Home in Amarillo. She was 79 years of age, and had lived in Castro County most of her life. Mrs. Turner was born July 3, 1892 in Georgia and moved to Castro County as a small child. Her husband, John, preceded her in death in 1958.

She is survived by five nephews and four nieces.

Senior volunteers make it right

SAND BLASTING, paint and brushes helped the senior class of Dimmitt High School remove the "SR '72" signs painted on buildings around town last week. The class voted to remove the signs and volunteers went to work last Thursday afternoon. Some buildings required sand blasting to

remove the paint and others had to be repainted. Here, several seniors sandblast the paint on the Federal Land Bank Association building. Other seniors removed signs from the Junior High School doors, Dimmitt Meat Co., Polson's White's Auto and Higginbotham-Bartlett Co. buildings.

Dimmitt High School's seniors "cleared their name" from downtown buildings last Thursday afternoon.

AFTER seeing the legend "SR '72," scrawled with black spray paint on the face of five business buildings, the seniors voted to rent a sand blaster and buy paint and brushes. And they called for volunteer workers.

"We were as ashamed as anybody else in town when we saw these signs," one senior girl remarked.

On their own time after school, teams of seniors performed the hard chore of removing the signs which they felt cast a bad reflection on their class.

THE STUDENTS' action prompted this letter of praise from the Federal Land Bank Association of Dimmitt:

"Dear Senior Class Members: We, the Federal Land Bank Association, would like to say a special 'thank you' to the members of the senior class who worked so diligently in removing from our building the unsightly sign that placed an ugly mark on the Class of '72. We realize the ones that worked so hard, and without ceasing, to remove the sign, were not the people responsible for placing it there, and we are grateful for your thoughtfulness in removing it.

"The fact that you were willing to work to right the wrong of others, makes us realize that you are a responsible and capable generation. Thank you."

Carvers home from scenic trip to Monterey, Mexico

By MYRTLE SHEFFY

Joe and Marilyn Carver are home from a most enjoyable trip to Monterey, Mexico. Marilyn says this big and pretty city is in a wide valley surrounded by large mountains. There are many big industries there, such as steel, glass, chemical, mercury marine and other things. The wage scale is very low. Mrs. Carver says they asked a few people and they make \$3.50 per day. In the states they make much more. Their son Billy stayed with the Reeds and daughter Evelyn stayed here to attend school too.

GEORGE and Kathy Pulley have moved to Albuquerque, N.M. Kathy is a registered nurse at Bataan Hospital out near Veterans and George is an accountant at the Ford Motor Co. Kathy is the daughter of Katy and Bill Graham.

Mrs. Joe Reese is the new physical education teacher at South Grade School. Also she has the fourth grade. She has the job JoNan Miller had. I hear that JoNan and Harold Miller are on the "anticipating" list.

Clarence and Opal Bearden with relatives from Lubbock left here Friday for a business trip to San Antonio, then on to Falcon Lake, and just maybe they'll take a side trip to Mexico.

Wayne Tanner of San Antonio has been here visiting friends, the Richard Wootens.

JACK and Betty Boren of Lubbock were guests of his mom, Maggie Boren.

Pam Woodard is now working at The Village Shop. Mrs. Polly Manning had to take off for awhile to get well from a recent illness. Ed Woodard is working with Bruegel & Sons Elevators.

Mrs. Frank Norfleet of Hale Center died one day last week. She lived to be 100 years old. Her husband Frank was a well-known rancher, who took out long enough to chase and find some bunko artist who had swindled him out of much money. Someone wrote a book about the life of Mr. Norfleet. They are friends of Bobby and his mother Mary Jones. Oh, yes! Mary Jones is home from a long stay in the hospital.

Calvin Jackson of the Bethel Community came home for a visit last weekend from Shepard Air Force Base at Wichita Falls. The Wayne Jacksons and Donna Gilreath went down there after school Friday to

get him. Seems they drove most of the night getting home.

MAXINE Norton and son Joe Cates of Amarillo were Sunday guests of pastor Jim and Mary Ann Pickets and also at church too. Her husband Rev. William Norton is teaching a religious study in Billings, Mont.

Don Nelson attended a Texas Press Assn. meeting in Fort Worth last weekend. Don was one of the speakers.

Cowboy and Jeannie Johnson daughter Jaci and son Monte went to Amarillo Saturday night to see the RCA Rodeo. They say it is a very good show. Judy Lynn sang many songs even "How Great Thou Art."

Jeannie's parents Mr. and Mrs. Carl Pitman of Clarendon and her sister Mr. and Mrs. Bill Burlin met them there for supper and the show. Cowboy went to Farwell Sunday to rope in a rodeo.

Charlie and Nancy Hays went to the ranch near Paris last weekend. The twins John and Mary are at Baylor. They usually visit them when in East Texas.

THE ROBERT Dukes went to Levelland Sunday to hear a song concert. They saw Bill and Nancy Bailey who were the summer workers at the Methodist church here.

Pastor Jim Pickets was in Albuquerque last week on business. He will attend a church seminar at Ceta Canyon this weekend. All the V.P.s will be there.

Mr. and Mrs. Frank Wise attended the funeral of two uncles who died within hours of each other. They were P. L. Wise of Houston and Hilton Wise of Rockwood. The services will be at Rockwood.

Earnest and Ann Mayhew attended the funeral service for her uncle Joe Nelson Jouett at Memphis. Mr. Jouett was changing a tire on the cotton trailer he was pulling when a truck hit him. Cotton was scattered all over. His brother Jack had stopped in a pickup nearby.

THE TED Sheffys and Virginia, Beth and Rick Wallace of Tulia also went to the big stock show and rodeo in Amarillo, Saturday.

Sue Stokes and Quincy Hawkins were at the shows too, also the Glen Merritts, Cindy Powell, Judy McLeroy and Debbie Hogue. Lee Stokes showed his piss as did Brad and Brent Sanders. Jim Bob Ellis, Gene Beals and Charley Sammann all showed their digs and Lee says many boys showed lambs on Monday at the Amarillo show.

Sue Stokes is attending school at South Plains Jr. College at Levelland, and Mrs. John Hardy Woods teaches math there.

Mr. and Mrs. J. M. Young, Jaci Johnson and Debra Hasley went to Lubbock Sunday to visit Sue Young who is in a Lubbock hospital for a checkup.

MR. AND MRS. Bob Hardin of Erick, Okla. were weekend

guests of son Jerry and Barbara Hardin. Jerry is with Red Barn.

Allen and Sue Battles came home this week to visit their families Mr. and Mrs. Poy Battles and Mr. and Mrs. Earl Chaney. Allen has been with the US Navy stationed in South Carolina. They plan to make their home in Dallas.

Curtis and Marie Tate and her mother Mrs. Kay visited the Tate's son Jim and Judith in Lubbock last weekend.

Ann Singer of Roswell came over on business Thursday. Her son Robert of Tulia went back with her to Roswell but came home Sunday.

CHARLES Hastings of Dumas was a weekend guest of his sister Millicent Davis. Ulys Davis passed away last week after a long illness.

Mr. and Mrs. C. O. LaRue of Muleshoe have moved to a house on west Grant recently. They attend church with the Methodists. Mr. LaRue is with Hays Implement.

Ronnie and Carole Farris and son Flynn went to San Angelo to visit Carole's brother Jim and Jan Cowser. Jim is with the Federal Land Bank here.

Maria Hulín Black of Casper, Wyo. has been here to visit friend Mildred Kyle and her sister Mavis or Mrs. Bill Burnham of Bovina. Marie graduated from Dimmitt High in 1937.

Oh yes, Mildred and James Burnham of Roswell were visiting Nell and Floyd Copeland and other friends. They have business interests here too.

REV. AND Mrs. M. J. Lee of Guyton came by here for a visit with Elmer and Mauzee Youts, enroute to Hobbs, N.M.

to attend a Baptist Bible Conference. Rev. Lee was a pastor here many years ago. He helped out at Flagg during World War II while the preachers were gone.

Charles Harris has accepted the work as pastor of Lee Street Baptist Church. Charles and his wife Deanna have been in Fort Worth where he attended the seminary and he preached at a church in Sansom Park. His mother still lives in Fort Worth. His father died two years ago. Deanna grew up at Bethel and attended school here. Her parents are Mr. and Mrs. Buster Morgan. Her brothers are Randy and Rickey.

Imogene McKinney and daughter of Baytown came for dad Mr. Claude Johnson's service as did his sisters Wanda and Vera Duree and husband Pete. All the children came in except Melba Smith who is in Turkey, Beverly and Carl Russell and children of Lubbock, Allene and family from Nebraska, La Quita and family from Oklahoma, Jimmy and Merle Jonson of Lubbock, and C. J. and Omega of here.

JEANETTE DUREE and husband from Lubbock were here. Jeanette is an RN at Methodist Hospital. She is a niece of the Johnsons. Wanda Hughes and son Battles of Rising Star, Wesley Smith and Bob Cook of Amarillo visited the George Behrends and Bob's brother Cliff. They also went to the Johnson service.

The over "59" club will meet in the community room of the bank Feb. 1. That is a Tuesday night at 7.

Mr. and Mrs. Wes Anthony will greet you as Mrs. Cecil Ginn had to be out of town

in Lubbock due to illness. This group plays progressive 42, you are invited to come.

MRS. N. F. Cleavinger was hostess to her bridge group Thursday afternoon. She served a beautiful green chiffon pie in a black-bottom crust and salad and coffee to Ceal Carle, (who won high score), Josie Bradford, Cletha George, Retta Cluck, Opal Bearden, Ruth Wosten, Maggie Boren and Myrtle Sheffy.

Mrs. Fred Bruegel Sr. and daughter Sandy Baker went to Fresno, Calif., to be with her mother Mrs. Cox who is very ill. They will visit other relatives while there.

Mr. and Mrs. Mike Nino and children have bought and moved into the Brooks house on South Eighth 109. Their son John is attending school at South Plains Junior College.

OUR sympathy goes to the Clude Johnson family. Mr. Claude Johnson went to his rest last week. We have known them for 51 years. The children went to school at Flagg and Dimmitt with our children. It was nice to see Big John who is Will Johnson from California. He played football with James Bradford and Allan Webb and that bunch. So many of our longtime friends were here for the service.

Lily and Fat Jolly of Phillips and Mr. and Mrs. Rufus Slover of Lubbock and Lucy Worrell of Lubbock were weekend guests of sister Georgia Henderson.

Ray and Allan Bradley and son Matt of Fort Worth, Kristi Wesson and Amie and a friend Steve Edwards of Slaton were Sunday guests of Allan and Peggy Webb. Ray and Allan visit-

ed his folks Dent and Bessie Mae Bradley too.

NICK AND Olivia Gonzales and children Marvann and Nick Jr. will move to Kermit the first part of next week. Nick will have a promotion. He will be manager of the big Anthony Store there. He has managed the store here for seven years, and it has grown much in building and stock. The Gonzales house on Grant Street is for sale. The reallocation manager will be Jim Day from Jal N.M.

Gary and Bonnie Calhoun of Amarillo were here as guests of Ruby and Darwood Woods. Gary is the son of the former Buddy Calhoun and Mozelle Lay. Ruby Wood and Lois Scott went to Clovis to see Lois' mother Roberta Humphries who is ill.

BERAL Hance tells us about a nice party out at Tex and Norma Conards house Sunday. The Adult III Dept. Sunday School classes of First Baptist Church husbands and wives took a dish of food to the Conards. More than 25 people had a good visit. Connie Ivey played the piano. Gene led group singing. Much visiting and a good day was had by all. The teachers are Earl Parish, Beral Hance, M. B. Odom, Rachel Hunter and Raleigh Strother.

Richard and Nell Humphries and Mr. and Mrs. John Marshall of Portales went to Amarillo for dinner and the big stock show.

Elvis and Jeannie Burch of Salida, Colo., are here for Mattie Turner's funeral service. Elvis is Mrs. Turner's nephew. Mattie was a Burch girl. John, her deceased hus-

band, was one of the early day Turners. He was a brother of Kate Noble, Dora Johnson, and Maggie Gollehon.

Wayne Meachem of Denver has been here with his mother Billie and Roy. Mr. Roy Meachem is still very ill from a heart attack. Charley Youts was taken to the Veterans Hospital in Amarillo, getting well from a heart attack. Mrs. Leora Cal-

houn is back at Plains Memorial Hospital, very ill. The hospital is full of patients.

Mr. and Mrs. Burt Benton of Twin Falls, Idaho visited his aunt Mrs. Leora Rothwell Jan. 10. They are now at home after visiting her mother and sister Mrs. Gilmer and Mae Coventry of Nocona.

Ray and Mecca Aldridge of Lubbock visited his mother, Mrs. Mary Booher Sunday. Mrs. Booher retired Monday after completing 20 years with the Dimmitt school lunchroom.

Social Security agent to visit

A representative of the Amarillo Social Security Office will be at the Courthouse in Dimmitt next Wednesday from 9:15 to 11:15 a.m. to help local residents on any matters relating to social security or Medicare.

DEEP AS THE SEA

Standing in the sand, looking at the sea, one cannot help thinking of the boundless, fathomless love of God toward us. Oh, how he loves us, uplifts us, protects us and encourages us. There comes to mind many of his precious promises and the heart swells with gratitude. Recalled first of all, perhaps, are verses like these:

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee: yea, I will help thee."

"Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee." Jeremiah 31:3.

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved." John 3:16, 17.

Many more words of comfort await you in the Bible and in the Church as His words are proclaimed from the pulpit. We invite you to attend church this week. You will be glad you did.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

A RED AND BLACK RUG is proudly displayed by Mary Ann Gill's class in North Elementary. The rug was done in the punch rug making technique using a design created by the class. The project took approximately a semester to complete. Ms. Gill said that anyone interested in buying the rug could contact her or come by her classroom.

ASCS notes

'72 enrollment period changed

By CHARLEY E. HILL
County Executive Director
1972 ANNUAL PROGRAMS
Enrollment in the 1972 feed grain, cotton and wheat programs has been changed to begin Feb. 3 and continue through March 10. Participation is voluntary but is not automatic. You will have to sign an Intention to Participate just as you have in past years.

Additional set-aside has been authorized under the 1972 wheat program, up to 75 percent of the farm domestic allotment. Wheat producers must designate acreage that is already planted to wheat and the acreage offered must be of average quality wheat.

Additional set-aside acreage will not be counted as wheat acreage for allotment preservation purposes. Producers offering additional set-aside will be required to designate the acreage at the time of sign-up. Producers will have to follow through with the acreage specified as additional wheat set-aside.

Acreage designated as additional set-aside must be entire fields, plus a solid block within a field to complete the total designated requirement. However, if the total additional set-aside takes less than an entire field, the entire set-aside must be designated as a solid block. If you have any questions check with the ASCS Office.

1971 COTTON PRODUCTION RECORDS
Each cotton producer must submit a record of his 1971 cotton production before we can compute your 1972 cotton yields. You are urged to take care of this as soon as your cotton harvest is completed.

MEASUREMENT AND STAKING SERVICE
We will accept requests for wheat measurement service and staking service for feed grain, cotton and set-aside acres through March 15.

1972 COTTON ALLOTMENT TRANSFERS
1972 cotton allotment transfers will be accepted through May 3. The Castro County ASC Committee has approved transferring cotton allotments out of the county by sale or lease, the same as last year.

UPDATING FEED GRAIN BASES
We still don't know the procedure for updating barley bases. Producers interested in updating their corn, grain sorghum or barley bases will have until March 10 to file their request. If you are interested in having this done, please file your request at the earliest possible date.

THOUGHT: What people fall for is often more significant than what they stand for.

Sunday last day for 'geese tour'

Just one more Sunday remains for you to participate in the Buffalo Lake National Wildlife Refuge's annual Free Winter Waterfowl Tour.

THE TOUR will run from 1 to 4 p.m. Sunday. Almost 1,000 individuals have taken the tours so far, including organized school groups, Boy Scouts and Girl Scouts. Out-of-staters noted have been from New Mexico, Louisiana and Wisconsin.

The latest waterfowl count on the refuge included 24,000 Canada geese and around 286,000 ducks of many species. Ten eagles have been observed, including five adult balds and five goldens.

Organized groups desiring special weekday tours may phone the refuge office at 499-2601 or write Box 228, Umlar, 79091, for arrangements.

On the Go
Mr. and Mrs. Odie McCoy of Brownwood, she's the former Annie Reynolds, and Mr. and Mrs. C. B. Harris of Lubbock were here recently visiting Alma Umberson and Mr. and Mrs. Floyd Reynolds.

V.F.W. NEWS

By GERALD BROADSTREET
Greetings Comrades,
I have some good news to report. We are now a quota post! Quartermaster Garnett Holland informs me that we obtained our 156th member late last week and that was our quota as established by the District 13 commander, Wayne Driskill.

COMRADES, don't let up now since we've reached our quota. We still need a strong membership, so if you know someone who is eligible, make an effort to recruit them.

We had a real nice crowd at our game night last Wednesday and everyone had a good time. If you haven't been out and participated in the activities, come on out—you'll really enjoy it. It's a type of entertainment the whole family can enjoy. We get started at 8 o'clock, so get there early and get a good table.

SAY, WE have a dance coming up this weekend! Blackie Foster and the Blackhawks will provide the music. These boys are real good musicians and they play the kind of good western swing music that you can dance to. That's this Saturday, and the band strikes up at 9 o'clock and plays till 1 a.m. Come on out—you owe it to yourself to have a good time once in a while. Right?

Well, we still haven't received any photographs representing the US Army to hang up in the lounge area of our post. The Marine Corps, Navy and Air Force are well represented, so your ex-Army personnel, go through your souvenir lockers and see what you can do. Okay?

COMRADES, don't forget our regular business meeting is the first Monday of each month. The February meeting will be the night of the 7th so mark it on your calendar and make an effort to be there.

1—REAL ESTATE, HOMES & LAND

GRASS and WATER!

2 sections of grass, (small amount in cultivation), approximately 500 acres would row water. Irrigation wells on all sides of this land. Good fences and windmills, corrals and pressure pump. With the addition of more irrigation wells and with sprinklers, the grazing potential could be enormous, or part could be used for transferred cotton acres. Reasonably priced. Good financing with reasonable down payment and low interest loans for a qualified purchaser.

300 acre irrigated farm on pavement, two irrigation wells, a good place to build a home, on a nice farm.

1/2 section irrigated farm near Dimmitt. Three irrigation wells tiled together, a near perfect farm. A qualified buyer may assume low interest loans and make acceptable down payment.

Well improved short half irrigated farm on pavement. Two irrigation wells tiled together. Good allotments and yields. A nice place to live.

What impresses a sixth grader during a tour of the hospital?

Anyone who regularly conducts "shop tours" for children wonders afterward what effect—if any—the tour had on the youngsters, and what they'll remember from it.

MRS. PAT BARBER, new director of nurses at Plains Memorial Hospital, learned exactly what had stuck in the minds of a group of Nazareth sixth graders after she conducted them on a tour of the emergency room and intensive care unit.

Their teacher, Miss Catoe, had the children write letters back to Mrs. Barber, thanking her for the tour and giving their impressions.

So what impresses a 12-year-old about a hospital? Samples of the children's letters tell the story:

From Gary Huseman: "Thank you for showing us the intensive care unit and the emergency room. The equipment that you showed us is really neat. That snake bite kit you showed us is neat too. I liked the TV for the room too. When I left the hospital, it didn't seem to have all of that in it. But I guess it does."

FROM Chris Book: "Thank you for showing us the intensive care room and all the things in it such as the suction, oxygen and the machine that shows you the person's heart beat. I learned a lot of important things yesterday that I didn't know before. I'm glad."

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING)

The Texas Highway Department is planning the construction of Farm to Market Highway No. 1057 from 6 miles south of Summerfield, south to State Highway 86 at Tam Anne and; Farm to Market Highway No. 2397 from end of F. M. Highway 2397 at Parmer County Line, east to proposed F. M. Highway 1057.

The proposed project contemplates the construction of a Farm to Market type two lane highway with a 20 foot paved roadway. The usual right-of-way width required will be 100 feet. The proposed location in general will follow the existing county roads except for relocation around the northwest side of a playa lake approximately 3.5 miles north of Tam Anne and minor relocations at existing county road offsets.

Maps and other drawings showing the proposed location and geometric design, environmental studies and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Littlefield, Texas. Also, the drawings showing the proposed geometric design have been placed on file with Castro County.

Information about the State's Relocation Assistance Program, the benefits and services for displaced and the relocation assistance office as well as information about the tentative schedules for acquisition of right of way and construction can be obtained at the Resident Engineer's Office. Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office, Box 868, Littlefield, Texas 79339 on or before February 11, 1972.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing. 15-15-2tc

Kiwanis and Key Clubs mark birthday Thursday

The Kiwanis Club of Dimmitt and the DHS Key Club marked the 57th anniversary of Kiwanis International last Thursday night with a ladies' night party at the Castro County Country Club.

THIRTY-TWO attended, including Kiwanis members and their wives, high school Key Club members and their dates. Providing entertainment after a short business meeting was "Stone Fever," music combo made up of Dimmitt High School students.

Although Kiwanis International has been organized 57 years, the Kiwanis Club of Dimmitt is less than three years old and the Key Club hasn't yet celebrated its second anniversary. But the initial years have been active ones for the local men's civic club and its high school boys' branch.

THE **KIWANIS** Club in Dimmitt has started or participated in a dozen or more community service projects since it was organized in 1969. Its first project was to pay for a sprinkler system for the Little League baseball park in 1969. Since then the club has:

—Supported the Dimmitt Sat-

ellite School for retarded children;

—Paid for testing of a non-speaking Mexican-American boy from Dimmitt to be examined and placed in the Satellite School;

—**PURCHASED** hogs and sheep at the Dimmitt Junior Fat Stock Show and presented them to Girlstown USA;

—Supported Kiwanis International's "Drug Alert" program by purchasing drug-symptom pamphlets for distribution to parents and working with the Future Teachers of America in a drug education program at Dimmitt High School;

—Organized the Dimmitt High School Key Club, a service organization for high school boys;

—**DONATED** \$500 to the Kiwanis Camp for Special Children to be built in Lubbock by area Kiwanis clubs;

—**DONATED** \$200 to help send two DHS students to the 1972 Presidential Classroom for Young Americans in Washington, D.C.;

—**DONATED** \$200 to the Satellite School to help purchase a school bus;

—Aided the "Christmas for the Needy" project with money

to buy toys for children;

—Supported Kiwanis International's "Project Environment" major emphasis program.

TO FINANCE these projects, the Kiwanis Club has sold fireworks in the summer, held a firewood sale in the fall, a Christmas tree sale in the winter and a lawn fertilizer sale in the spring.

The Kiwanis Club of Dimmitt meets each Monday at noon in the Colonial Inn Restaurant, with the board of directors meeting the last Monday of each month at 6 a.m.

Membership in the organization is open to any man interested in civic work and fellowship. Membership expenses are a \$10 initiation fee, \$1.75 per week for meal and \$5.50 international dues. These fees are paid monthly. International dues entitle a member to Kiwanis news bulletins and the

Lee St. Church to host singing

Gospel singing enthusiasts are invited to attend the regular "Fifth Sunday Singing" at the Lee Street Baptist Church Sunday at 2 p.m.

IN ADDITION to the afternoon singing, every fifth Sunday is "Youth Day" at the church with the young people serving in all capacities.

Cecil Jones will lead the congregational singing, with Donna Hudson at the organ and Mrs. Carolyn Young as pianist.

Lee Street Baptist Church has a new pastor Rev. Charles Harris. His wife, Deanna, is the daughter of Mr. and Mrs. A. T. Morgan of Dimmitt.

BILL HOBBY, candidate for the Democratic nomination for lieutenant governor, formally opened his state campaign headquarters at 4635 Southwest Freeway in Houston. Hobby, a 39-year-old newspaper executive, announced his candidacy last summer.

Tech cites three home-ec students from Dimmitt area

Students from Dimmitt recognized for their high academic achievement in the College of Home Economics at Texas Tech University are Rebecca Berryhill, Mrs. Marsha L. Crawford, and Marilyn S. McLeroy.

A TOTAL of 410 students in the College of Home Economics at Texas Tech University qualified for the dean's honor list for the fall semester, according to Interim Dean Donald S. Longworth.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 point grading system.

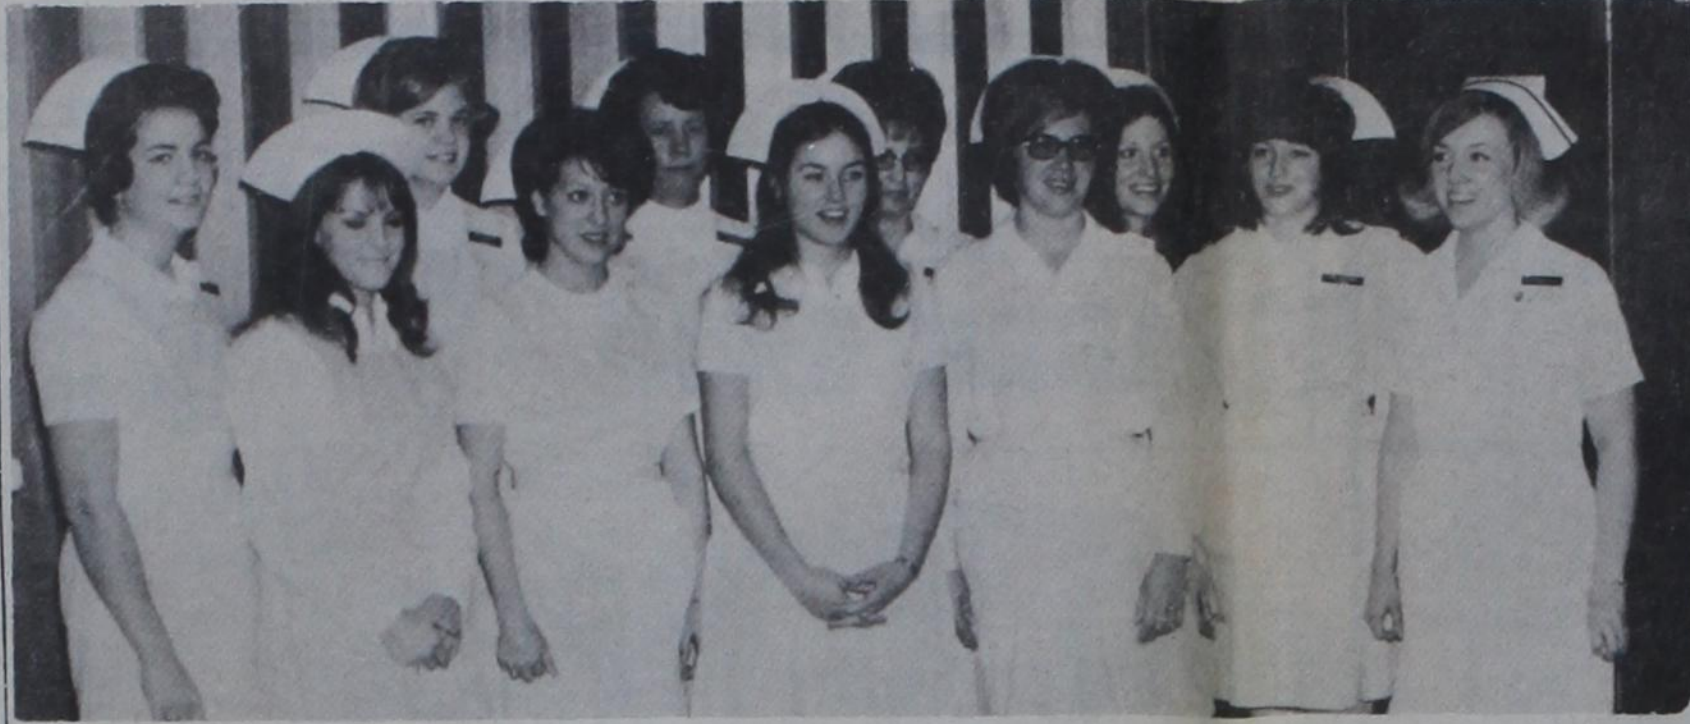

Rebekah Lodge installs officers

Dimmitt Rebekah Lodge 54 met recently to install officers for the new year. The Herford Rebekah Lodge 228 installation team and visitors were Roberta Combs, Helen Sowell, Ola Hacker, Alta Davis, Georgia Holliman, Erlene Manning, Susie Kirtsinger and Francis Parker.

Town and Country Club gets tips on landscaping

By MARY JO SMITH
Landscape planning was the program topic for the Town and Country Home Demonstration Club last Thursday morning. Don Hughes was the guest speaker in the home of Sue Slough.

ALTHOUGH winter seems to have arrived, it's the best time for tree planting, Hughes said. He showed the ladies how to sketch a basic plot before beginning landscaping. Scan magazines, he advised, to find shrubs, trees, plants and flower bed designs which appeal to you. Then list areas you want to utilize, making sure they are not in the center of line of the children's play area. Also, he said, consider the lawn mower, and group flowers and plants.

Other tips Hughes passed on to the club:
—To deepen the roots of newly planted willow trees, let the water seep around the base of the tree for several days at a time.

—To avoid weeds in flower beds, cover them with sheets of carpenter's plastic, cutting holes for plants to grow through.

LINDA ELLIS and Mrs. Slough were guests. Mrs. Audrey Nelson was back with us, and all members were present. The next meeting will be today (Thursday) at Ann Pevehouse's, with a program on blenders.

H-SU coed begins student teaching

Juanelle Conard Winsor of Dimmitt will be one of 74 senior students from Hardin-Simmons University student teaching in local and area schools during the 1972 spring semester.

Approximately 60 percent of each year's graduating class at Hardin-Simmons enter the teaching profession.

Mrs. Winsor will student teach at Jones Elementary School. She is the daughter of Mr. and Mrs. Milburn Conard of Rt. 1, Dimmitt.

Fun Bluebirds tour hothouse

The Fun Bluebirds met Tuesday afternoon Jan. 18, at the school cafeteria. After refreshments were served by Jerri Ka Clark, the group went to Seale Floral for a tour of the hothouse. Mrs. Mattie Seale discussed several varieties of greenery with the girls. Each girl was given two cuttings to take home to root. They will meet again Monday, Feb. 7, to pot their cuttings in soil.

The group also met Monday, Jan. 10, when they joined Sonya Andrews in a birthday celebration.

Miss Reed

Vows set for March

Mr. and Mrs. Glyn Reed announce the engagement and approaching marriage of their daughter, Nancy Glyn, to Billy Frank Walker of Holyoke, Colo., former residents of Plainview.

MISS REED is a 1969 graduate of Hart High School and has attended West Texas State University two years.

Walker, a 1965 graduate of Plainview High School, attended Texas Tech for four years and Wayland Baptist College one semester.

The couple are presently students at Southwest Business College of Plainview, where they are studying court reporting. A March wedding has been set.

HD notes

Three attend THDA workshop

By IRENE KEATING
Can you believe January is nearly gone? I think this year is going to fly.

MONDAY Nell Ingram, Hattie Howell and I will be attending a District THDA training meeting in Canyon. In April the District meeting will be held at Pampa and there will be club women from our county attending that. Next Tuesday the Mulkey Home Demonstration Club is meeting at 3 p.m. in the Assembly Room of the Courthouse. Anyone interested in joining is invited to attend.

There will be a 4-H electric project on TV here in March. It will come from an Amarillo station and last for 6 weeks. Last week I had the opportunity to see one of the series and it was very interesting even for adults. It was about electric motors and included a tour of the machinery at the Astrodome.

Nell Ingram and I were in Amarillo last week getting ideas for community improvement. I'd like to see some communities enter the Texas Community Improvement Program in 1972. Entries aren't due until Sept. 1 so that gives you some time to think about it and decide if you want to enter. One advantage of doing your community improvement through the contest is the possibility of winning cash awards. We all need to work to keep our community a good place in which to live. If you are interested and want more details please come by.

GRASS tetany in beef cows can be a problem during the winter season, says Dr. James Armstrong, Extension Service veterinarian. The condition results from a lack of magnesium and calcium in the animal's diet and affects cows most often in late pregnancy or when nursing calves. Mineral blocks containing magnesium oxide should be provided, and some supplemental feeding may be needed to provide cows with additional energy.

Mrs. Touchstone hosts Gardeners

The Dimmitt Garden Club met in the home of Mrs. Jay Lee Touchstone last Wednesday afternoon. Mrs. Bill Behrends presided in the absence of Mrs. Robert Benton, president.

PLANS WERE discussed to have a rummage sale in the future. Mrs. Goodwin Miller mentioned the need for ecology at home and school kids to quit throwing paper cups in the street and beer drinkers to quit throwing cans. You must help keep our town clean.

Mrs. Sid Sheffy demonstrated the making of arrangements using foliage (leaves) with something old or unusual. A big rock that was porous was used with holly, ivy and Sanseveria. Pine branches and Nandina berries were used in a live arrangement.

Hostesses were Mrs. Charles Vandiver, Mrs. R. E. Wilson and Mrs. Melvin Barton. They served chocolate sheet cake, coffee and Coke to 17 members and one guest, Mrs. Allan Webb.

Local group will visit IH plants

About 30 local farmers and businessmen will leave Jan. 31 for Moline, Ill. where they will tour the International Harvester factory. The trip is jointly sponsored by Hays Implement Co. and International Harvester Corp.

Wilke is named to state board

Harley Wilke, manager of Hart Aerial Sprayers, Inc., was named to the president's advisory board of the Texas Agricultural Aviation Association during the TAAA's annual conference last week in Houston.

Hays said the first presentation of the 1468 V-8 powered tractor, the first V-8 in the International Harvester line, and the 4166, a four-wheel drive tractor, will be made on the production line tour.

HAYS Implement Co., established in Dimmitt in 1944, carries the complete line of International Harvester equipment farm machinery and trucks, and

USDA offers wheat producers extra set-aside option for '72

US wheat producers are being offered an additional option to voluntarily set aside wheat cropland in 1972.

SINCE THE 1972 wheat program was announced on July 16, 1971, wheat export prospects have dimmed with the uncertainty of dock strikes. In addition, farmers harvested a large 1971 crop.

To meet these changed conditions, the US Department of Agriculture last week authorized the additional voluntary set-aside of wheat cropland equivalent up to 75 percent of a farm's domestic allotment, in a move aimed at preventing excessive production of wheat in 1972. The payment rate will be 94 cents per bushel times the farm's established yield times the acreage voluntarily set aside.

The 1972 national domestic wheat allotment is 19.7 million acres, and the required set-aside acreage necessary to qualify for program participation is 83 percent of the farm domestic allotment—the maximum provided by law.

TARGET of the voluntary set-aside acreage program is a reduction of possibly five to six million acres in the 1972 harvest.

A spring wheat producer now can offer acreage for voluntary set-aside provided his 1972 wheat planting plus additional set-aside do not exceed the total acreage planted to wheat in 1971. The acreage offered must be average quality land.

Producers of winter wheat, who already have planted their 1972 crop on 42.2 million acres, can designate acreage for set-aside if it is acreage planted to wheat and the growing wheat is of average quality for the farm.

THE PLANTED winter wheat cropland voluntarily set aside from production in 1972 can be used for grazing or otherwise disposed of by the certification dates established by State ASC committees or, if pastured, by the beginning of the non-grazing periods, which vary from state to state.

In the winter wheat area, producers at program signup time will need to designate the acreage involved. Spot checks of this acreage will begin immediately following signup.

CONGRESSMAN Bob Price said he was pleased to learn of Secretary of Agriculture Earl Butz's decision to offer US wheat producers the additional option to voluntarily set aside wheat cropland in 1972.

Price, in a recent telegram had urged Butz to take this course of action.

"I am especially pleased that Secretary Butz has decided to permit these acres voluntarily set aside to be used for grazing purposes; this will mean millions of additional dollars in income to Northwest Texas area farmers and ranchers," the congressman said.

C. R. Anthony Co. sends Gonzales to Kermit; Day new manager here

Nick Gonzales, who has been manager of C. R. Anthony Co. in Dimmitt for almost seven years, will become the manager of Anthony's in Kermit next week.

HIS successor here will be Jim Day, who has been the C. R. Anthony Co. manager in Jal, N.M., for the past five years.

The shift is a promotion for both men.

"My family and I will miss Dimmitt and the fine people here," Gonzales said. "We have enjoyed living and working in Dimmitt."

GONZALES, a native of Fort Stockton, has been with the Anthony department-store chain

12 years. He came to Dimmitt in May 1965 from Roswell, N.M. One of the highlights of his career here came in 1969 when the local store was expanded to twice its original size.

He and his wife, Olivia, and their two children—Mary Ann, 5, and Nicholas, 3—were honored at a bon-voyage reception Wednesday evening in the home of Mr. and Mrs. Stanley Schaefer.

DAY IS to take over as manager of the Dimmitt store about Feb. 1. His moving schedule was interrupted last week when he became a father for the third time. The baby is a girl, and the Days also have two sons, 8 and 5 years of age.

Telephones, Inc. is consolidated

An announcement has been made by Jack Keen, vice-president and general manager of Texas Telephone & Telegraph Co., of the consolidation effective Jan. 1 of Telephones, Incorporated, into Texas Telephone & Telegraph Co.

TELEPHONES, Incorporated, which is a subsidiary of the Continental System, served more than 2,500 telephones in five Texas towns. They are Springtown, Reno, Kamay, Lorraine and Maryneal.

This consolidation will provide improved engineering, construction and management through the use of the larger company's personnel and resources. This is part of the overall long-range program of Continental System to have only one operating company in each state.

Texas Telephone & Telegraph Co. now serves 120 Texas towns with a total of 52,726 customers. The Continental System recently passed the 1,800,000 telephones mark.

Plainview PCA is now No. 1 in farm loans

Plainview Production Credit Association, with loans totaling more than \$160 million in 1971, ranked first among Texas' 34 PCAs in amount of money loaned, according to James A. Rogers, the association's manager. This amount, he said, represented loans to 1,126 stockholders.

LOAN VOLUME for 1971 is up almost \$6 million, or approximately 4 percent, over the same period a year ago, Rogers reported.

Statewide, PCAs loaned a total of \$942 million to 15,873 stockholders, the manager stated.

Plainview PCA, with offices in Plainview, Dimmitt, Floydada, Friona, Littlefield, Muleshoe, Olton, Silverton and Tulia, makes agricultural loans in Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Parmer and Swisher Counties.

Holland attends phone seminar

A. C. "Bud" Holland, installer repairman for West Texas Telephone Co., attended a training seminar in Andrews Jan. 10-21.

CONTINENTAL Telephone System personnel from the Southwest Division's West Texas, East Texas and Louisiana Areas participated in the classes.

The class was entitled "Basic Outside Plant." Subjects covered during the two-week period included safety, tool maintenance and pole climbing.

Vanguard PVC plastic pipe. It won't leak

You're thinking, "Ok, Buster, prove it to me."
And that's exactly what we want to do. Because we've already proved it to ourselves.
When we first got the idea that a rubber gasket joint could solve a leaky irrigation problem, people said, "phooey." But our engineers ignored them. They went right ahead designing. And when they finished that they started testing.
Lab tests. Acid tests. Hydrostatic tests. Field tests. Every kind of test imaginable.
Guess what happened? Nothing.

The rubber gasket still looked the same. Still felt the same. And still acted the same.
It still held a watertight seal.
In addition, the rubber gasket saves about one third of the installation time with less manpower.
And, used inside our exclusive long-formed coupler, it allows the line to expand and contract when the ground does.
Get in touch with our representative. He'll show you firsthand what we're talking about. Then he'll explain how we can custom design your system to make the best use of your irrigation water.
Use Vanguard. It won't leak.

Gifford-Hill gets record contract

Sales contracts totaling approximately \$9,000,000 have been received by Gifford-Hill & Company, Inc. for Dallas-Fort Worth Regional Airport construction, according to John R. Hill Jr., president and chief executive officer of the company.

UNDER terms of the contracts, Gifford-Hill will furnish 2,700,000 tons of concrete aggregates, 18,000 cubic yards of ready mix concrete and 500,000 barrels of cement to H. B. Zachry Company and South Plains Construction Company for use in the runway construction at the airport.

Also, according to Hill, the company has received a sales contract from H. B. Zachry Company to furnish approximately 24,000 cubic yards of ready mix concrete for the construction of Phase II of the airport's electrical duct system. This contract totals more than \$400,000.

Shipment of materials to the runway paving project is slated to begin Jan. 24, 1972 and to be completed by July, 1973.

According to Hill, this is the world's largest single paving contract.

Hart Post Office schedules exams

An examination for clerk and carrier positions in the Hart Post Office will be held soon according to Postmaster Jewel Brooks.

Application cards may be picked up at the Hart Post Office until Feb. 3. The completed form must be mailed to the examiner in Charge US Post Office, Plainview, Texas 79072 before that date. Applicants will be notified of date, time, and place of the written examination and will be sent sample questions.

The general age requirement is 18 years or 16 years for high school graduates. In general, there is no maximum age limit.

Substitute employees starting salary is \$3.77 per hour with increases to \$5.06. Regular employees starting salary is \$7,572 per year with increases to \$10,157. Substitute and regular employees will be paid 10 percent extra for work performed between 6 p.m. and 6 a.m.

general expenses of the fire department.

The Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

New chief nurse commutes to job

Mrs. Pat Barber, R.N., of Hereford is the new director of nursing at Plains Memorial Hospital.

SHE IS a graduate of Hotel Dieu School of Nursing in El Paso, an affiliate of the University of Texas.

Prior to coming to Plains Memorial, she served as a nurse with the Deaf Smith

County Public Health Clinic in Hereford. Mrs. Barber's hometown is El Paso. She nursed in California and Dallas before moving to West Texas two years ago. She has 12 years of nursing experience.

Her husband is manager of the Texsun feedyards in Hereford. She has three sons who are active in Cub Scouting, and a daughter in Camp Fire Girls. Mrs. Barber enjoys oil painting in her spare time.

"This area has the friendliest, nicest people I've ever known," she said. "And I like the weather—especially the dry climate—after living in Dallas."

FB Insurance rewards firemen

The Dimmitt Volunteer Fire Department received a check for \$75 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of L. M. Blanton, Rt. 2, Hart.

TO GUITAR accompaniment, the Nazareth High School girls' quintet sang popular tunes at the Cyanamid Fun Fair in Dimmitt Saturday night. The group members are (from left) Bobbie Kleman, Lucy Ann Maurer, Jocelyn Kleman, Tricia GGerber and Bernita Schulte.

THE GUSTING WINDS from Hereford are (front row, from left) Sara Ricketts, Melinda Watts and Andi Askeu. Back row, from left: Lynn Wiley, Donna Kendall and Amy Cox. The group performed during the Fun Fair game time Saturday night.

340 local people visit 'Fun Fair'

Approximately 79 families attended the Cyanamid Farm Store's "Farmer's Fun Fair" Saturday night in the South Elementary School cafeteria in Dimmitt. The sausage supper and game time were enjoyed by about 340 people.

FLOYD MILLER filled in for the Elanco representative, Carl Underwood, in the "Trellan" game and made a big hit with the contestants.

Walter Schilling and Oscar Gross won the Geigy "sudden death" 42 tournament. Other guests practiced their 42 and played dominoes. Charlie Ackerman and the Cole-Schumacher

team won the runner-up prize. Gary Whitaker, Monsanto representative, captured the biggest audience with Donald Duck and Mickey Mouse cartoons for the children.

THE TWO vocal groups sponsored by Agri Sul Inc. and Excel Seed Co. entertained the crowd with their singing. The Gusting Winds, under the direction of Doug Morris, choir director at Stanton Junior High in Hereford, captured everyone's attention when they sang "Tumbling Tumbleweeds." The senior high school girls' quintet from Nazareth sang popular songs to a guitar accompaniment.

The sausage was prepared by Vincent Braddock, and the meal was prepared and served by the Nazareth PTA and the Catholic Daughters of America.

The film, "Norman Borlaug, Revolutionary" was shown as a climax to the Fun Fair. The film is about the only man in agriculture to receive the Nobel Peace Prize for Agriculture, 1970.

Fat stock show booklets ready

Programs for the annual Castro County Junior Fat Stock and Project Show are now available in the county agent's office in the courthouse and in all vocational agriculture departments in the county.

The stock show is scheduled for Feb. 17, 18, and 19 with Feb. 15 as entry deadline. The county event is sponsored by the Dimmitt Young Farmers. The show divisions will be beef calf, lamb, and swine.

You can now dial for market news

Instant market news reports can be had for the dialing, according to a revised directory issued this week by the US Department of Agriculture.

THE markets news service provides up-to-date information on prices, supply and demand for most agricultural commodities. Market news reporters in about 210 field offices gather the information and release it nationally and locally to anyone who needs it. The service is provided by USDA in cooperation with state departments of agriculture.

The Amarillo telephone number is (806) 372-3494. General livestock and meat information pertinent to the area is available. The recorded message is updated regularly throughout the day.

Vegetable reports from July through November from the Hereford automatic telephone answering service are available by dialing (806) 364-0129.

"All tied up" usually suggests that one's movements are restricted.

But to us, "all tied up" means good things. For example, this year we'll complete building a transmission line that will enable us to move electric power to the Public Service Company of Oklahoma... maybe even as far away as the East Coast. Or, to bring electric power into our system from far-away places.

Either way, it's a good deal for you — our customer. It means efficiency in the distribution of electric power and it means firming up dependability.

ELECTRICITY—IT DOES SO MUCH GOOD

Yes, "all tied up" means we'll be — so you won't be!

Mrs. Griswold first lady to win top Scouting Award

By MYRT LOMAN

Mrs. Betty Griswold of Hart was presented the Silver Fawn Award Saturday night at the South Plains Council's 45th annual banquet.

"The award is presented for 'noteworthy service of exceptional character to boyhood by registered lady Scouters within the territory under the jurisdiction of a local council.'"

This is the first Silver Fawn Award presented in the history of the South Plains Council.

Hart residents attending the South Plains Council's 46th annual banquet Saturday in the Lubbock Fair Park Coliseum were: Mr. and Mrs. Deryl Clevenger and Mr. and Mrs. C. C. Hanes, representing the Hart Boy Scout Troop 246 and Mr. and Mrs. Leonard Griswold, Mr. and Mrs. Ivan Wozencraft and J. V. Wescott represented the Cub Scouts of Hart Troop 246.

Five men received the Boy Scouts of America Silver Beaver Awards for "distinguished service to boyhood."

Brockmans take trip to Nassau

By Mrs. Florance Albracht Mr. and Mrs. Jerome Brockman returned home Thursday night from a four-day vacation in Nassau, Bahamas. They were among a group of 175 people from the Texas Panhandle farm cooperatives on a charter TWA 707-flight. Farmland Industries, a regional farm supply cooperative based in Kansas City, Mo., sent 22 such groups to the Bahamas as rewards for participation by the local cooperatives. The Brockmans reported having a very pleasant, interesting and educational trip.

MR. AND MRS. Florance Schacher are back home after spending a month in California with their daughter, Rosalie and family.

The Lay Franciscans met in the home of Mrs. Alphonsa Huseman on Tuesday evening. Rev. Byrnes of Clovis celebrated mass. A discussion on prayer was the theme of the meeting, with readings from the Bible on the many ways we should pray.

Miss Philomena Anderle had minor surgery in Plains Memorial Hospital Tuesday.

Mr. and Mrs. Florance Albracht are visiting their son Art in San Antonio over the weekend.

RELATIVES from here attending the funeral of Jimmy Hoffman, nephew of Mrs. Albert Schulte and Mrs. Vincent Guggemos, were Mr. and Mrs. Albert Schulte, and Mr. and Mrs. Vincent Guggemos, Jackie and Jane. He was killed as he stepped in Casper, Wyo. to check a trailer. His wife is still in the hospital. One child was injured, but released from the hospital. They have three children. The funeral was held in Pryor, Okla.

The FHA girls held a style show Monday afternoon for their Secret Grandmothers and mothers.

Brigitta Dobmeier received word that her brother-in-law died in Fordyce, Neb. Brigitina and her sister, Mrs. Gus Herkins left Saturday for the funeral. Mr. and Mrs. Sonny Hochstein and Mr. and Mrs. Junior Hochstein also left Monday morning for the funeral.

Grain Sorghum CHAFF

By WES ANTHONY When we think of the part our county plays in the production field, we think of it in terms of livestock, grain sorghum, corn, wheat, cotton, etc., but few of us realize some other production such as potatoes onions and beets.

FOR INSTANCE our county raised enough beets last year to make 63 million pounds of sugar, or 12,600,000 five-pound bags of sugar. Also, enough potatoes to make 21.6 million 10-ounce bags of potato chips. Also, enough onions to top off 1 1/2 billion hamburgers. PRETTY HOT STUFF, ISN'T IT?

Burn victim still serious

By MRS. OWEN ANDREWS Mrs. Sim Ogan remained in serious condition Monday. She is reported to be holding her own in the battle with pneumonia. This is the aftermath of burns received when the Frio

Baptist parsonage burned Jan. 12. She is in High Plains Hospital, Amarillo, still in intensive care.

Sammie, son of the Ogans, who is an exchange student in Italy, was flown home arriving in Amarillo on Saturday. A daughter, Mrs. Marsh Pittman, who was also burned in the fire, was released from the Hereford hospital last Thursday.

The men of the church cleaned the debris from the burned building last Saturday, hauling most of it away. The church voted at the Wednesday evening business meeting to replace the parsonage. A committee was elected to begin getting a study of plans and costs to be considered.

Letter to the Editor

'We enjoyed living here'

Dear Editor: We recently moved from Dimmitt back to Littlefield, which had always been home to us except for the time we lived in Dimmitt. We were glad to be returning to all our friends and relatives here. But we will always remember the many wonderful and friendly people of Dimmitt who made us feel right at home. MANY OF the people I met as a result of the very nice article that you published on my hobby. It even brought about the opportunity for me to dress bride and groom dolls for the Conard-Winsor wedding there. My sincere thanks to your paper and to the people of Dimmitt.

MRS. CARL R. ROBISON

Cafe heavily damaged by fire

Fire caused heavy damage to Von's Cafe on US 385 South late Saturday night, forcing the cafe to close temporarily.

THE FIRE broke out shortly before midnight, almost two hours after the cafe had closed. Flames caused heavy damage to the kitchen and service room, and smoke damage throughout. Firemen fought the blaze for an hour before extinguishing it.

Saturday night's fire was the first of three within 24 hours. Firemen were called out just hours later to fight a cotton burr fire at T&T Gin, then Sunday afternoon they battled a major cotton-truck fire 10 miles north of Dimmitt.

The week showed little let-up for the city's firemen as they were called out again at noon Tuesday to extinguish a cotton burr blaze at North Gin.

Puppies dig up stolen evidence

A pair of puppies dug up evidence last week that led to the recovery of most of the property stolen earlier from the Hart of the Plains Gin.

SHERIFF'S officers said the odor of new glove leather apparently enticed the pups to dig under a pile of debris near the gin. An employee of the gin, when he noticed the pups playing with the new gloves, notified the sheriff's office.

Deputy Sheriff Granville Martin located the place where the pups had been digging, and when he removed the debris he found the typewriter, calculator and a dozen more pairs of gloves that had been stolen from the gin office Jan. 10.

Two suspects have been questioned in connection with the burglary. Sheriff's officers said one of the suspects left the area after being questioned and the other has agreed to take a lie detector test.

Young Farmers cite Ted Collins

Ted Collins has been selected "Young Farmer of the Month" for January by the Dimmitt Young Farmers.

COLLINS has been a member of the Young Farmers for 3 1/2 years. A native of Dimmitt, he graduated from Dimmitt High School in 1960. He farmed here for three years before moving to Kansas. Four years later, in 1968, he returned to Dimmitt and now farms 550 acres in the Flagg community.

He grows milo, corn, wheat and cotton on his land. Collins is also in partnership with his father, Joe Collins, and his brother, Jim, in a cattle operation.

He and his wife, Cherre, have two daughters and a son. They live at 704 Cleveland St., and are members of the Church of Christ.

Two Dimmitt Junior High School boys' basketball teams came home with first place trophies from the Hereford Tournament last weekend. Four Dimmitt players were chosen for the all-tournament teams.

THE EIGHTH grade boys' "A" team and the seventh grade boys each defeated Stanton in the finals to win first place.

The eighth grade boys in earlier play defeated Muleshoe 29-25 and La Plata of Hereford, 36-30. They downed Hereford Stanton 35-21 in the finals. Edward Nino made the all-tourney team.

The seventh grade boys beat Canyon Purple 35-30 in the first round of play and La Plata 42-30 in the semi-finals. In the finals they beat Stanton 41-15. Brad Glenn and Victor Saenz were chosen for the all-tourney team.

The Dimmitt Freshmen were defeated in the finals 49-46 by LaPlata. Kelly Moore was chosen for the freshman all-tournament team.

Mrs. Mayhew's uncle is killed

Funeral services for Joe Nelson Jouett, 66, of Estelline, who was killed Saturday night when he was struck by a truck while changing a tire, were conducted Monday afternoon in the Estelline First Baptist Church. Mr. Jouett was the uncle of Mrs. Ann Mayhew of Dimmitt.

OFFICIATING was Leon Barnes, minister of the Tulia Church of Christ. Burial was in Fairview Cemetery in Memphis, directed by Spicer Funeral Home.

Mr. Jouett was changing a tire on a cotton trailer along the side of U.S. 287 about five miles south of Memphis when a truck driven by an Ardmore, Okla., man struck the trailer, police said.

Reservoir repair contract awarded

Jones Tank Repair of Clinton, Okla., has won the contract to clean, repair and repaint the City of Dimmitt's west water reservoir.

THE Oklahoma firm won the job with a bid of \$11,800. Although it was the only bid received, it was some \$2,000 below the engineer's estimate, City Manager E. B. Noble said.

The company is to clean the overhead spheroid reservoir and the ground storage tanks beneath it, make any repairs necessary, repaint the inside of the reservoir with three coats of epoxy paint, and paint the outside with one coat of heavy-duty aluminum paint. The project is to be completed by May 1.

Lopez released from hospital

George R. Lopez Jr., son of Mr. and Mrs. George Lopez of Dimmitt, has been dismissed from Bivins Center at High Plains Baptist Hospital in Amarillo.

He has been admitted there four times since he was injured in a car wreck July 4, 1971, near Hereford.

Whirlettes top Bobbies, 37-21

Dimmitt's Bobbies had their worst shooting night of the season Tuesday as they lost to the Floydada Whirlettes, 37-21, at Floydada.

THE LOSS started the Bobbies out with an 0-1 record in the second half of district play, giving the Friona Squaws an inside track toward the title.

"We just weren't finding the basket," Coach Bob Askey said. "We hit only 15 percent of our shots from the floor."

The only bright spot in the game for Dimmitt was the good performance of the Bobbie guards, who grabbed 10 rebounds and stole the ball from Floydada's forwards 11 times while holding them to a fairly low score. In the rebounding department, Ann Lust grabbed four while Sarita White and Patti Jackson got three each. Jackson led in steals with five, while White speared four and Lust grabbed two.

IN THE girls' B-team game, Dimmitt won an easy 36-17 victory as Lisa Simpson sank 19 points and Flo Lust 11.

The Bobbies finished the first half of district play Friday night with a lopsided 37-17 victory over Abernathy there, with Diane Dyer sinking 15 for Dimmitt. The Bobbies finished the first half of play in second place behind Friona.
