

# Corn mill to be leased to Amstar Corporation

**SERVICEMEN'S ADDRESSES** turned in to date for the "Christmas Candy for GIs" project are shown by Beral Hance, who is compiling the list. As of Tuesday, 11 addresses had been turned in, "which is actually a good number for this stage of the project," Mrs. Hance said. Friday is the deadline for turning in addresses to Mrs. Hance at the County Agent's Office in the courthouse basement. Last year, packages of homemade candy were mailed to more than 60 county servicemen and women around the world.

## Deadline Friday on candy project

Five o'clock Friday is the deadline for Castro County candymakers to take their

sweets to the Farm Bureau office on North Broadway in Dimmitt.

**THE CANDY** will be shipped to county servicemen and women to add to their Christmas celebrations around the world.

Monday, volunteers will meet to package the Christmas candies for the Nov. 17 mailing deadline.

Beral Hance at the county extension agent's office is compiling the mailing list.

Approximately \$300 will be needed to cover the postage charges. At last report, the postage account contained \$119.

**CHAIRMAN** of the candy project is Reta Welch of the Bethel community.

## Veterans' Day parade is off

The Veterans' Day parade that was being planned for Saturday has been called off.

**THE PARADE** was to have featured the bands of all three high schools in the county plus marching groups from local veterans' organizations and entries from the area's military units.

However, a conflict has arisen with the two-week postponement of the regional UIL band marching contests in Lubbock. The contests were postponed because of last week's ice storm.

As a result, bands here are still busy practicing for the contests and have not been able to work on "street marching," which requires a different technique.

Nolan Froehner, Nazareth High School band director, originated the idea of a county-wide Veterans' Day parade, and was being assisted in planning by Gerald Broadstreet of the local VFW Post and by the County Activities Committee.

Planners said they intend to stage a Veterans' Day parade next year.

## Men from Hart resume search

The Civil Air Patrol may have called off the Utah search for four missing Hart churchmen, but local pilots haven't.

**SIX HART MEN** returned this week to the rugged mountains and canyons of southeastern Utah to continue their aerial search for the men whose light plane has been missing since Oct. 18.

Aboard the plane were Harold McColum, minister of the Hart Church of Christ, and three of the church's elders—Mert Booe, J. C. Jackson and C. C. Hanes.

The CAP announced Oct. 30 that it was calling off the aerial search because of fresh snows in the mountains of southeastern Utah, where the missing plane is believed to be down. Because of bad weather, volunteer searchers had been grounded most of the time.

**BUT DESPITE** the CAP cancellation, Harold Smith and W. T. King left Hart Friday night to resume the search in Utah. King returned Monday, then Harley Wilke, Wister Clevenger, Eddie Cook and Curtis Sniker left the same day to continue the search.

Meanwhile, 1,200 attended a memorial service for the four missing men Sunday afternoon in the Hart Elementary School gymnasium. (See Hart News, Page 9.)

The four men's plane, piloted by McColum, was reported missing Oct. 18 somewhere between Cortez, Colo., and Salt Lake City. The men were en route from Dimmitt to Oreville, Wash., and Bernaby, Canada to inspect mission churches which the Hart Church of Christ is supporting. After the plane was reported missing, Hart residents started conducting nightly prayer vigils at the church.

## It's Dick and Dolph here

A whopping 67 percent of Castro County's registered voters went on a ballot-splitting spree Tuesday that would have bankrupted a bookie.

**THE COUNTY'S** voters overshoot the national trend by giving President Nixon a 2-1 nod over Democrat George McGovern. But in the US Senate race they crossed over in favor of Democrat Barefoot Sanders over Sen. John Tower, a close Nixon confidante.

Leaders of both major parties feared their voters would go fishing on election day. But Castro Countians posted a record high turnout—2,585 of a registered 3,840.

Registration of 18-year-olds was expected to set new records in numbers this year. But Castro County's voting percentage was especially high, too.

**CASTRO'S** voters apparently have helped put Democrat Dolph Briscoe in the governor's mansion after the state's big cities gave Republican Henry Grover a surprising lead.

As the voting-machine precincts in metropolitan areas reported in, Grover built an early lead over Briscoe behind a coalition of Republicans, conservative Democrats and American Party voters. It began to appear that the hard-driving Grover might pull a stunning upset and become Texas' first Republican governor of this century. But as returns came in from rural outposts later, Briscoe edged to a 1.58 percent lead and seemed on his way to a narrow victory.

**For precinct totals on contested races, see Page 15**

Castro stayed in the Democratic column on all other races. Biggest vote-getter in any contested state race here was State Comptroller Robert Calvert, who received 1,935 votes to 35 for Anne Springer, Socialist Workers Party candidate.

**CASTRO COUNTY** bucked the state trend on one proposed constitutional amendment and went along on the other 13. Voters here went against No. 13, to provide a state bond interest increase although the amendment was carrying the state in late returns.

Castro Countians joined the rest of the state in turning thumbs down on Amendment 1 (legislators' pay hikes) Amendment 9 (allowing dual offices) (See Dick and Dolph, Page 15)

## Bands to attend marching contest

The Nazareth and Dimmitt High School bands will march in the regional UIL marching competition Tuesday and Wednesday at Jones Stadium in Lubbock.

**THE NAZARETH** Swift Band will march at 11 a.m. Tuesday. The Dimmitt Bobcat Band is scheduled to march at 10:10 the following morning.

The band marching contest was postponed last week due to the ice storm.

Patti Hochstein of Nazareth and Gary Hart of Hart were named Castro County's 4-H Gold Star Boy and Girl at the annual 4-H awards banquet Saturday night.

**JUDGE** Raymond Wilson presented the awards in a humorous speech to the one who escorted him to the front of the buffet line and to the one who invited him to come—Miss Hochstein and Hart. Parents, adult leaders and

4-H'ers were entertained by Steve Acker and Gary Hart with a slide presentation of their trip to the 1972 Citizenship Short Course in Washington, D.C.

In the awards recognition program, 103 county youths received medals and awards. Commissioner Al Maurer also presented medals to additional project winners.

## Neighbors protest park; commission vetos permit

Meeting for the first time in the new commission room, the Dimmitt City Commission refused to issue a permit Monday night to Diamond Valley Grain for a mobile home park on Northwest Twelfth Street.

**DURING** the hearing, 26 homeowners and residents of the Westhaven Addition voiced their opposition to the proposed mobile home park.

Bill Clark, acting as spokesman for the group, presented a petition signed by nearly all the property owners on Northwest Twelfth and Eleventh Streets requesting the commission to deny the permit.

The petition cited declining property values, increased traffic on Twelfth Street, and violation of the deed dedication restrictions as reasons for requesting the city to deny the permit.

up the commission's feeling, saying, "Our job is to help the people, and we think we are helping you by turning the permit application down."

**IN OTHER** action, the commission: —Heard a report from attorney Jack Edwards on the right-of-way easements necessary before paving begins on the "cut-off road" along the southwest edge of Dimmitt, linking State 86 west with US 385 south and State 194 east. Edwards said Imperial Savings of Amarillo required the city to pay for the easement needed on a piece of property on which it holds the (See Neighbors Protest, Page 15)

ing leadership were Mrs. Donald Adams for 11 years of service, Katherine Hochstein for 10 years, and Mary Acker for nine years.

Special "I Dare You" awards were presented for the first time to Steve Acker and Sue Smith. Miss Hochstein and Hart will attend the District Gold Star Award Banquet Nov. 18 in Amarillo.

Amstar Corp. of New York, N.Y. has announced that it has reached an agreement in principle with Dimmitt Agri Industries, Inc., to lease the corn wet-milling plant here.

**AMSTAR** (formerly American Sugar Co.) is the nation's largest manufacturer and distributor of sugar and sugar products sold under the Domino and Spreckles labels, with other activities in industrial equipment and paper and food service products.

The lease will be for 24 years, and will contain an option for Amstar to purchase the local plant at any time during the term.

However, the grain and elevator facilities adjacent to the plant are not included in the proposed lease and will continue to be operated by Dimmitt Agri Industries, Inc.

The lease reportedly will require the negotiation and signing of two or more agreements. All terms of the agreements are subject to ratification by stockholders of Dimmitt Agri Industries, Inc., at their next annual meeting.

Representatives of Amstar were due in Dimmitt Wednesday to inspect the plant and conduct further negotiations toward detailed agreements.

**THE DIMMITT** milling plant was completed in 1970 after a two-year construction period, and represented a \$10 million investment by Dimmitt Wheat Growers, Inc. It was the first corn milling plant in the nation to be built by a farmers' cooperative. The mill was a major factor in Castro becoming the main corn-producing county of Texas.

After completing the mill, Dimmitt Wheat Growers, Inc., changed its name to Dimmitt Agri Industries, Inc., to market the mill's products—starches, corn syrups, gluten meal, germ and steep water.

Original projected production capacity of the mill was 10,000 bushels per day. But the semi-automated plant proved capable of much more production than that, and has been consistently processing 14,000 bushels per day. However, the cooperative has been faced with an abnormal market situation during most of the mill's production life.

**MORE** detailed announcements of Amstar's plans for the local mill are expected after the corporation's representatives visit Dimmitt this week.

## Edward Wilhelm dies Saturday

Funeral mass for Edward J. Wilhelm, 76, of Nazareth was held Tuesday at 10 a.m. in the Holy Family Catholic Church.

**MR. WILHELM** died Saturday night in Northwest Texas Hospital in Amarillo, where he had been a patient the past two months.

Rosary services were held at 7:30 p.m. Monday in the church. Reg. Stanley Crocchiola officiated in both services.

Burial was in the Holy Family Parish Cemetery, directed by Wallace Funeral Home of Tulsa.

Mr. Wilhelm, a farmer, had been a Nazareth resident since 1910. He married the former Margaret Schacher in 1920 in Nazareth. She died in 1958.

**SURVIVORS** include four sons, Francis, Jerry, James and Leonard, all of Nazareth; a daughter, Mrs. Ernie Brockman of Nazareth; three brothers, Raymond of Hereford, and C. B. and Clarence, both of Nazareth; three sisters, Mrs. John Maenner of Eau Claire, Wis., and Margaret Schmucker and Rose Warren, both of Nazareth; 39 grandchildren and one great grandchild.

## PO recommends mail deadlines

The Post Office is requesting your help again with the Christmas mail rush.

**AN** advertisement by the Postal Service shows a little girl on Christmas morning looking out the window with the caption, "She'll never understand 'better late than never'."

So the Postal Service is asking you to help the people who help bring you Christmas.

The following partial schedule lists deadlines recommended for sending mail and parcels before Christmas:

1. MAIL for armed forces overseas:
  - Far East — Airmail Dec. 1; PAL Nov. 27; SAM Nov. 20, and surface mail, Oct. 27.
  - Europe — Airmail Dec. 11; PAL Dec. 1; SAM Nov. 27 and surface mail Nov. 11.
2. INTERNATIONAL MAIL:
  - Far East — Surface parcels Oct. 14 and Air parcels Dec. 9.
  - Europe — Surface parcels Nov. 11 and Air parcels Dec. 11.
3. DOMESTIC MAILS: Packages by Dec. 10, cards and letters by Dec. 15.

Mrs. Birdie Neill came home Sunday from a few weeks visit with her daughter Kathryn and Frank Marx and granddaughter Javin Hughs at Corsicana. They all went to the Baylor-A&M game in Waco. Birdie's other granddaughter Karen of Austin came over for a visit. Karen was Miss Grain Sorghum here one year and she is teaching Spanish in Austin. Javin teaches in Corsicana. One weekend Van Earl and Waurayne Hughs went down there for a visit with the girls.

Swain and Katy Burkett are home from a trip to South Texas. First they went to Austin on business but planned to see a game too. It rained and rained so they went to San Antonio where Swain has some lawyer business, then on to Summerville where Katy's sister Sue and husband Leon Cox of Houston met them and they went to the lake to fish. They caught a few bass in spite of the cold rain.

father J. R. Thornton of Kings Manor at Hereford were the birthday people Sunday. So Mrs. Thornton and Susan cooked them a dinner and asked his folks in. They are Rondal and Iris Price, and Evelyn of Amarillo. Dorothy and Wilford Quikell and Teresa of Farwell and Wando Amo from Brownfield.

Nancy Fuller went to Amarillo Sunday to meet the plane bringing her mom-in-law Kathryn Fuller, home from her trip to Ohio.

Mr. and Mrs. Roy Simpson of Lubbock and Mrs. Jewell Harris of Littlefield were Sunday visitors of the ladies' brothers, Ray and Clarence Bearden and the wives Lottie and Opal.

MR. AND MRS. Arthur Brock of Hereford were Sunday guests of his brother Earl and Mable Rex and Virginia Cowart went to Arkansas this week to visit his folks. Rex is now with Dennis Funeral Home. Virginia is City Secretary.

Jessie and Jack Ebeling have been to Oklahoma to attend a family get together and help celebrate an uncle's birthday. Her mother Ila Sanders of Springlake came home with them after a visit there.

Dwight and Beth Joiner had company last weekend, his folks from South Texas. That is all I know about that.

Johnny and Nell Martin, Russel and Myrtle Lois Moran went to Stillwater, Okla., to visit Tommy and Linda Martin who are in school there. Tommy is majoring in animal husbandry at the University. Their sons Scott Moran, a law student at Baylor, and Scott Martin of Perrin met them in Stillwater for a visit.

And a while back Kenny and Leu Ann Ebeling were in Oklahoma to visit her brother Tommy.

EDGAR AND Edith Ramey took their niece Decimae Beene home to Friona Sunday. Decimae will be able to teach school now after getting well from the ear wreck. They also visited her niece Jo Buchanan and son Joe and looked at the crops. Edgar says he has never seen so many trucks full of maize grain. Let's pray for several days of sunshine so the farmers can harvest the grain.

Marion and Lena Benton of Lubbock visited with son Robert and Martie and the children, also the Rameys. Bub Ramey from Amarillo was down to see his folks Edwin and Lena. And Jay and Alice Garrison from Huntsville are here a day or two with Rose and Herman Acker and to visit her son Coby Oldham.

Did you hear that Glen Merritt's kids named their sheep or one of them Myrtle? How about that? Reckon because they are dumb or talkative?

KATHY AND George Pulley have moved to Amarillo from Albuquerque. Kathy is with St. Anthony's Hospital in the cardiac department. George is at

WTSU teaching a fellowship in computer science working toward his Masters Degree. They visit Kathy's parents Mr. and Mrs. Billy Graham.

Mrs. Thelma Bailey of Amarillo has been a guest in the home of her brother Shorty and Ole Trimble. Another day their daughter Myrtle and Jimmy Johnson and children Becky and Steve of Lubbock were here for a visit.

Mr. and Mrs. Hubert Wilson of Albuquerque were weekend guests of his brother R. E. Wilson and Margaret who came home Friday from Mesa, Ariz. where she visited the Bob Brock family.

Dee and Clara Neumayer went to Medford, Okla. to attend the school homecoming and to celebrate the school's 50th birthday. Oklahoma was organized as a state in 1907. Indian Territory was opened to settlers in 1898 or thereabouts.

BOBBIE Kirby was "sweet sixteen" Friday, Oct. 26, so her mother Mrs. Troy Kirby baked her a cake and asked friends in for a party. These are the girls I heard went—Sherry Vaughn, Kim Miller, Sherry Barton, Melony Dowell, Lisa Hall, Leta Dodd, Mary Hamilton, Teresa Bruegel and maybe others.

If you need some good fresh pecans, call Mary Hamilton, Teresa Bruegel, Flo Lust or Sherry Burrous or any band member. This is the Bobcat Band project.

The Harvest Dinner at Methodist fellowship hall was a big success and Lonnie and Janice Bell were among the 3 or 4 hundred people off the diet.

Chet and Helen Braafladt and her brother Rex and Nia Gal-

lup of Odessa left here Thursday for Mendicino, Calif., for a visit with Chet's kin. That place is 200 miles north of San Francisco so Chuck tells me. Not cold though since it is near the Pacific coast.

PROBABLY two hundred teachers of Castro County attended the Texas State Teachers Association in Amarillo Civic Center Friday. The Theme was, "Quality Education For All," says Patsy Duncan, the president. David Walvoord, president of the business meeting and he introduced Ben Smith of San Antonio, the speaker. His topic was "The Big Red Apple." Mr. Smith is a director of insurance, has been director of CofC in Dallas and had several important jobs in San Antonio. There are several social events included in this meeting. There are 150,000 teachers enrolled in TSTA.

Larry Altman, assistant pastor at the Methodist Church, went to Lubbock last week to attend an intern class at Wesley Foundation at Tech. Larry is working toward his masters degree in Theology. He will go back to SMU in Dallas next year.

Vera Webb has been visiting her daughter Mary Jean Copeland in Midland. Mary Jean is having surgery this week. Bobbie Ruth Hill of Hart was enjoying the Dimmitt stores Wednesday and visiting her parents Jesse and Ruby Wooten.

MRS. Vickers of Lubbock was hostess Sunday afternoon with a coffee for Kristi Wesson who will soon be wed to Steve Baker of Slaton. Going from here were Kristi's parents Peggy and

Allan Webb Bob and Helen McLean, Harley and Sharon Wilke, Virginia and Sam Gilbreath, Bob and Jean DuLaney, Gladys Benson and Aural Davis.

Gladys Benson went by bus from Hereford to Albuquerque to visit daughter Susan and a sister Helen and Wes Brown. Coming home she had to wait 2 1/2 hours in Clovis for bus connections. So next time leave the car in Clovis.

The homemaking girls at Dimmitt High School have chosen secret grandmothers again and Monday evening I found a big tray of doughnuts with a cutout pumpkin on my front porch. The doorbell, rings, then away they go. Isn't this fun?

Mrs. Gladys Cleavinger visited her kin, the Millers in Canyon, last week. They asked several friends in to see and visit Gladys.

Mrs. Flora Stanford is home from a flying trip to Houston. She visited her daughter Mrs. Saul and family.

VIRGINIA Gilbreath was hostess to her bridge group Thursday afternoon. She served some good things to eat to Katy Burkett, Muriel Smiley, Helen McLean, Ceal Carlie, Edna Riley, Jeanne Miller, Reba Touchstone, Maxine Tidwell, who won high score. She was the smart one that day and did you know Maxine and Colleen Newman make those delicious coconut

cream rolls? Those two are talented in many ways.

Mrs. Dorit Smiley was hostess with a luncheon and bridge at the Hereford Country Club Friday. Guests were Reba Touchstone, who won high score, Aural Davis, second, others were Johnny Boothe, Ouida Willis, Grace Wright, Virginia Gilbreath, Anita Morris and Muriel.

Mrs. Bill Williams spent a few days with her mother Mrs. Scarbrough at Clarendon.

Mrs. O. A. (Shorty) Oldham has been very ill in a Lubbock Hospital. We wish for her good health and soon.

Roy Meacham has had another heart attack but he is out of intensive care but still in the hospital. His son Wayne of Denver has been here to see Roy and Mamma Billie. Billie has been staying with the Hugo Beyers.

NATALIE Stevenson and daughter Susan of Perryton were weekend guests of her Dad Claude Forson and Cleo.

Mrs. Forson has been teaching school all week for Alice Cowen who has been in Commerce and Galveston with her mother Mrs. Hamilton who has

been very ill.

Mrs. Martha Pearl Sadler has been visiting her kin Mr. and Mrs. Percell Peeler at Hale Center and a brother J. B. Henslee, Mrs. Peeler has been sick. Then on to Plainview where she visited the W. C. Malones, the J. B. Craigs and Mrs. Stone. She had not heard of the ice storm here until she got home, as Plainview did not get it.

Gladys McLain calls to say that her dad Raymond Annen has had successful surgery on his hip at Northwest Texas Hospital in Amarillo. His room is

236. She would like for all of you to send cards to him as he will be there two more weeks. Gladys is a nurse to Dr. Murphy.

### Baptist Colombia missionaries will speak at dinner Wednesday

Rev. and Mrs. James E. Giles Southern Baptist missionaries to Colombia will speak at a family dinner Nov. 15 at 6:30 p.m. at the First Baptist Church of Dimmitt.

REV. GILES teaches at the International Baptist Theological Seminary, is pastor of a church in Cali and has written a book and pamphlet in Spanish.

Mrs. Giles has taught a home-making class for women in her church and for the wives of student pastors.

Rev. Giles served as pastor of churches in Oklahoma and Texas prior to his missionary appointment.

EACH FAMILY planning to attend the dinner is asked to bring a salad or vegetable and a dessert.

By AL FORRESTER  
Club Professional

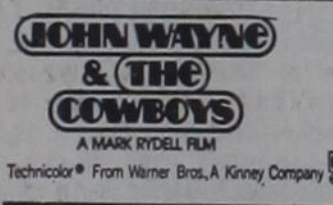

Our big news this week is the weekly night bridge club that was organized last Thursday. Bridge players attending were Mr. and Mrs. Richard Wooten, Dee Williams, Loranell Hamilton, Polly Holland, Virginia Crum, Bernice Hill, Faun Welker, Becky Berryhill and Jon Nell Forrester.

MEMBERS voted to meet every Thursday night from 7:30 until 10:30 p.m. Everyone attending is to bring a partner. A host and-or hostess will be chosen alphabetically every week, and will be responsible for providing coffee and tallying scores at the end of the night's play.

If there is an odd pair to play on Thursdays, the host and hostess will not play that week. We now have five tables, so every fifth week when it is your turn to be host, you may or may not get to play that night.

If you and your partner are

unable to attend any particular Thursday night for bridge, you are urged to get someone to take your place. However, if you simply cannot find a substitute, you are to notify the host for that week, so he or she can try to find someone. In any event, when Thursday night comes, the number attending will determine whether the host or hostess will play.

THEY KICKED this around last Thursday night for quite a while, trying to find the best solution for this problem of having full tables, and all agreed that the host and hostess would be the best alternates. However, if anyone has any suggestions, we are willing and anxious to hear them.

Members also voted to play "progressive" bridge, with players changing partners after every four hands. Our first first play night will be tonight (Thursday), with Cecil and Virginia Crum acting as host and hostess.

Any couple, either man and wife, two men or two women, can join at any time or drop out at any time. You do not have to be a member of the Country Club to join.

JOSIE BRADFORD came in first at our Friday Novice Bridge Club with a score of 5,850; Jeanie Johnson was second with 4,940; Jerrine Parks was third with a score of 3,870; and Ramona Annen was fourth with 3,480.

Jeanie Johnson was hostess last week, with Jerrine Parks due to be hostess Friday.

DON'T FORGET our Ladies' Golf Association Golf Tournament this weekend. Dinner and presentations are on tap for Sunday after play. The Men's Club Golf Tournament will be held at the same time.

WHEAT seeding throughout the state is more than two-thirds complete. However, only limited grazing was available. As of Oct. 1, about 10 percent of the 1973 wheat crops showed sufficient growth to provide pasture. Last year, more than 20 percent of the crop was available for pasture.

# Community lays Thanksgiving plans

By TEENY BOWDEN

Progressive "42" was the game at the community meeting Friday night. The Thanksgiving supper for the night of the 23rd was discussed. Time for serving was set at 6 p.m. Volunteers will furnish turkey and dressing and ham. Everyone else is to bring a salad, a vegetable or a dessert of whatever they desire. Everyone in the community is urged

to attend to visit and get acquainted with everyone else in the community.

RAY JOE RILEY was featured on the cover of the November Texas Farmer-Stockman Magazine released this week. This is quite an honor. The feature story was about the new developments in cotton production and marketing. Ray Joe, as president of Plains Cotton Growers, Inc. and chairman of the U.S. Producer-Ginner delegation to the International Cotton Standards Conference, is deeply involved in making these changes occur. He is among other things, the breeder of Rilcot Cotton.

Our first killing freeze of the season arrived Monday night and continued through the day Tuesday with rain, freezing drizzle and sleet. The freezing drizzle took down power and phone lines and crippled trees and ruined a lot of maize.

Tuesday morning everything, including the maize heads, were covered with ice, a huge flock of black birds lit in front of the house to feed on whatever they could find in the pasture where the ice was near the ground because of shredding. It was rather a pretty sight with the flitter of black birds on the glass ice with a white hue. The last major ice storm we had was eleven years ago. About this time six years ago we were stripping cotton. The gauge measured 1/2 inch, but when the accumulation of ice at the top melted it registered one inch. Some estimate the moisture to be closer to two inches.

Th Estacado Lamb Feeding Division came through their first major storm with minimum loss.

MRS. E. R. LITTLE attended the meeting of the Castro County Library Board Monday meeting with the Judge and County Commissioners, and city officials for the awarding of the contract for the construction of the new library, and the selling of the stocks held for this purpose.

Rev. Mark Turner attended the Texas Baptist 87th annual General Convention in Abilene Monday through Thursday.

Mrs. Ed Dawson had a Halloween program and party for her kindergarten group and their mothers Tuesday morning in Farth. Jodie Riley was one of those attending.

Eddie Waggoner was dismissed from Highland Hospital in Lubbock Thursday. This was his first time to be hospitalized.

THOSE ON the Springlake Earth "A" honor roll for high school students for the first nine weeks included Renee Jones, Lisa Morgan, Lisa Orr, Vickie Head, Dianne Fulfer, Freddy James, Jearid Head and Lee Brown.

Roy Phelan had charge of the Wednesday night business meeting in the absence of the pastor. The Baptist Women program was held Wednesday night with Mrs. Garner Ball and Mrs.

### V.F.W. NEWS

By GERALD BROADSTREET Greetings, Comrades. I'm sorry to say that our Veterans' Day Parade originally planned for this Saturday has been called off.

THE PARADE was a victim of last week's ice storm. That storm forced the postponement of the regional band marching contests, and meant that our local high school bands would not be free this weekend to march in the parade.

We appreciate the efforts of Nolan Froehner, Nazareth High School band director, who originated the idea; and the cooperation of all the veterans' organizations which we contacted.

Our idea was to have all three local high school bands, members of the county's VFW and American Legion posts, and color guards and floats from the area's recruiting services and Reserve units all taking part in the parade.

Don Nelson chairman of the Castro County Activities Committee, said plans will be made to have a Veterans' Day parade next year.

SATURDAY, as you know, is the "true" Veterans' Day—the anniversary of the signing of the Armistice that ended World War I. Veterans' Day is now part of the new "long weekend" Monday holidays, and was observed Oct. 23 by the federal and state governments.

DUE TO publication deadlines, it will be next week before I can give you the report on our regular meeting of Monday night.

Speaking of meetings, I want to remind you again of our District 13 convention in Littlefield Nov. 18 and 19. We sure do want to have a large delegation there, so please make plans to attend. You can learn a lot about the VFW at these district conventions and if you're like me, the more you know the better you like it.

DUE TO the bad weather last week, Game Night was cancelled. But this week we'll be back in business. As I've said before, the audience really goes for our new procedure as we've had some big crowds to prove it. If you don't know what I'm talking about, be there this Wednesday night at 8:30 and see for yourself. Be sure and bring the family; they'll enjoy it, too.

One other thing I want to stress is our membership. In the past, our post has been considered a "pace setter" in District 13, but if things don't start picking up we're going to lose that title. Please help me make our post quota before the district convention. You can do this by sending me your 1972 dues (\$8.25) today and I'll see that you get your card right away. My mailing address is 311 SW Third, Dimmitt, Tx 79027. Or if you want to, you can turn your dues in to Howard Cook at the post home after 4:30.

MILTON C. Campbell of Ralls, Cullen Luttrell of Sonora, Herbert Smith of Rusk, Melvin E. Bayless of La Grange, and Rinaldo Rivera of Falfurrias were finalists for the Lady Bird Johnson highway beautification award.

### 3-AA sidelines

There's something about the big ones that brings out the best in Morton's Indians. Smoke signals out of the reservation indicated nothing much out of the ordinary a month ago when Muleshoe moseyed in with an undefeated record. But that came to a halt when the Indians won their first game of the year, 27-20.

AND LAST week, Littlefield, the District 3-AA leader after disposing of challenger Friona 21-14, came over, only to run into a major ambush. The Wildcats escaped with a 7-7 tie, and Coach Jerry Blakely considered himself fortunate to get that. Now, Littlefield still is the district leader but the lead is down to a half-game, and the season will either end or move into the playoff phase this week.

Littlefield, with a 2-0-1 record, plays its final regular season game against Olton Friday night. A win would send it to the playoffs, but an Olton win...

The "ifs" can extend the rest of the year. Outside of Littlefield, the rest of the league does not end the regular season until Nov. 17, and the final outcome may not be decided until then, should the Wildcats lose this week. But if Littlefield wins Friday night, the final week of play will be strictly to make it official.

LAST WEEK, Morton scored in the first period and led until the final four minutes when Littlefield put on a determined drive and scored the matching touchdown. And Larry Hobralek's extra point kick brought the tie.

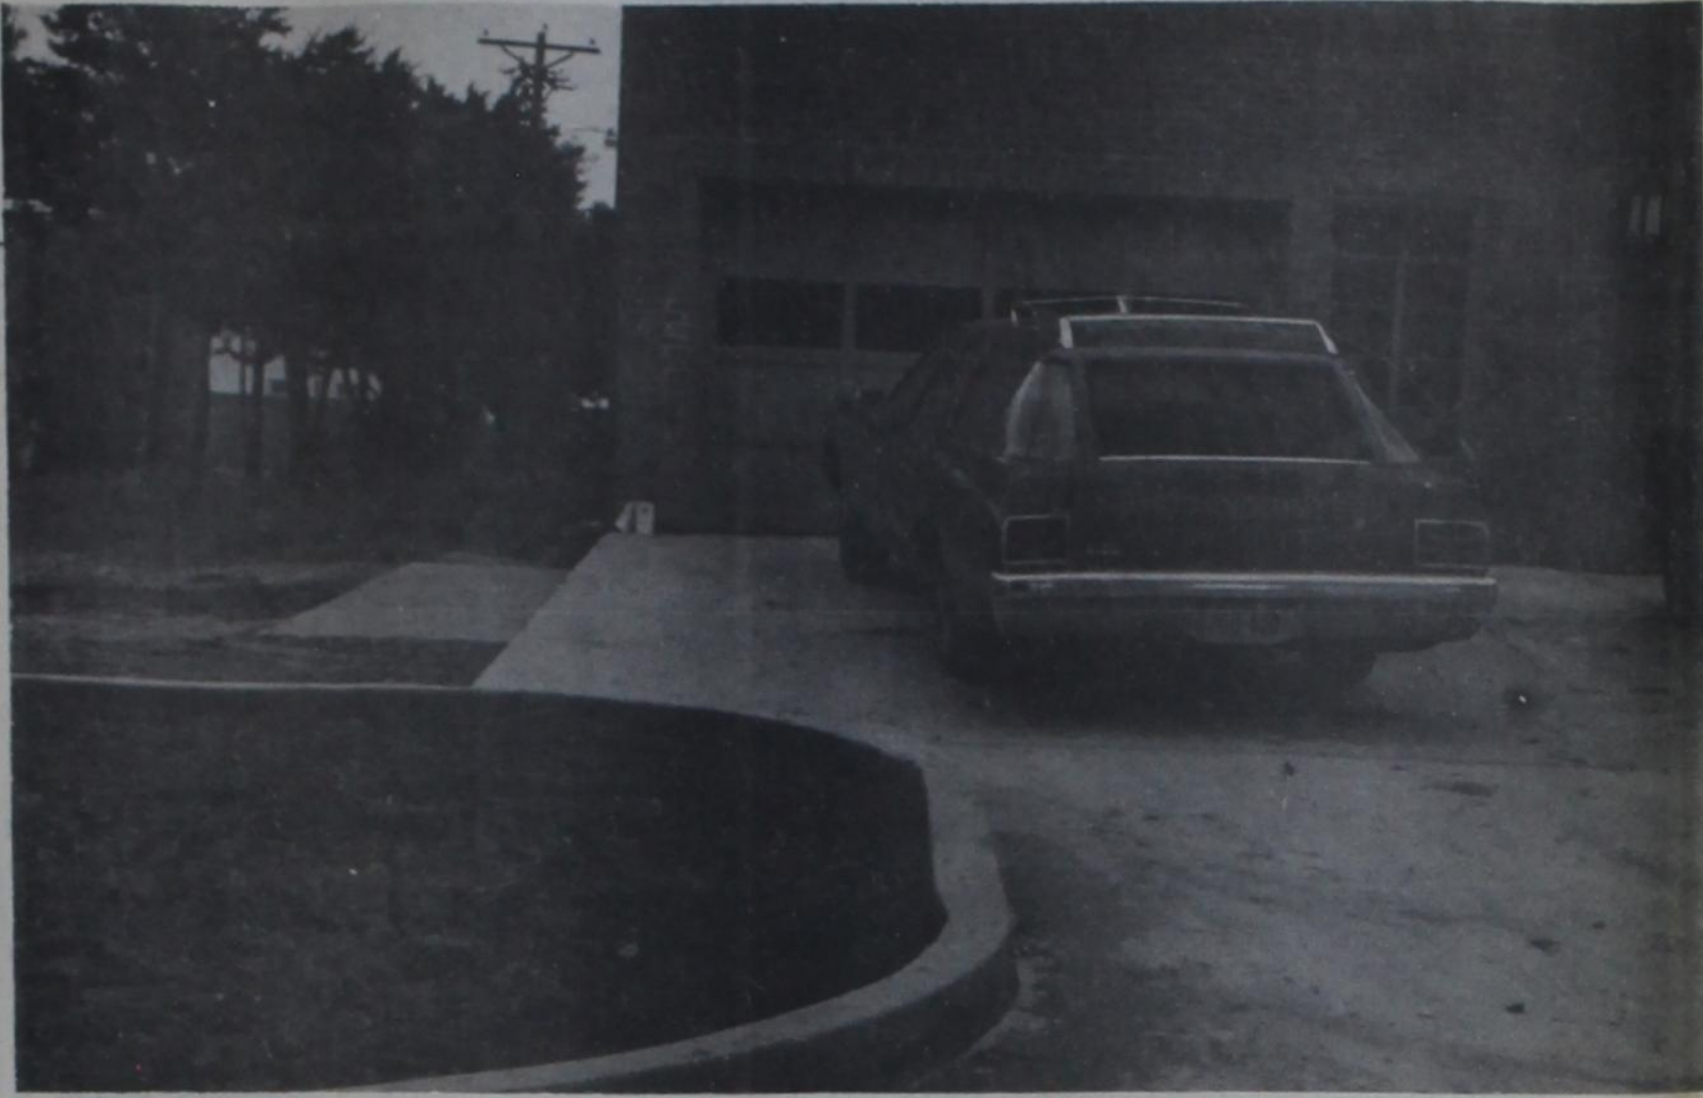

Quarterback Ted Thomas got Morton's TD on a 37-yard quarterback sneak, and Littlefield's clincher was a one-yarder by Pat Henderson with only 3:06 left on the clock.

In the other game last week, Friona broke open a close game with 20 points in the final period to outlast Dimmitt 27-6.

"THE TIE will go down as a tie this year," said Wildcat Coach Blakely. "We voted to go that way at a meeting about the first of the school year."

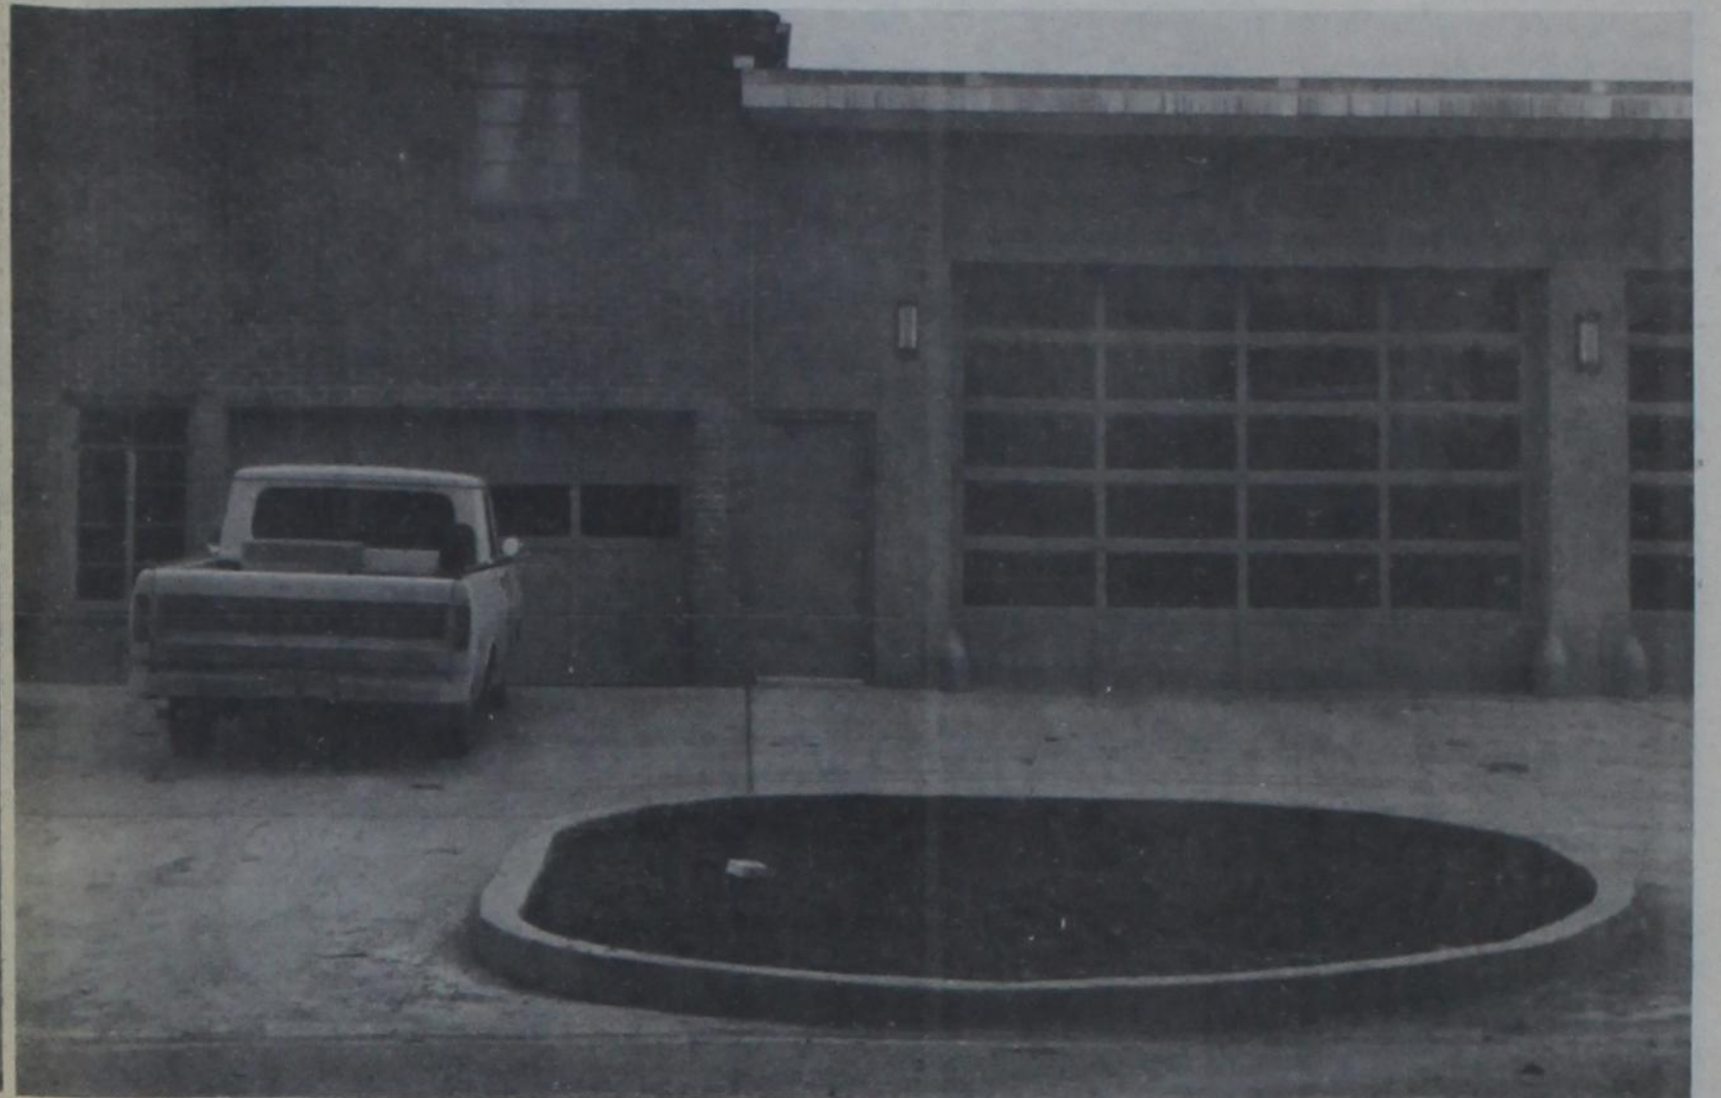

Last year, the district followed a statistical formula in breaking ties, and

**DON'T HIT THE CURB, FELLOWS**—Many Dimmitt residents have been puzzled over the "flower beds" that jut out in front of three garage doors at the new city fire station on West Bedford. Here, an island forces an angled entry to the door of the east garage. City officials say the islands are required by the Texas Highway Dept. for

access control. Since the fire station is on State 86, highway department engineers drew the driveway plans, using state specifications that require access-control islands within given distances in any entry-exit area alongside a state highway.

**OBSTACLE COURSE?** That's what this island appears to be as it stands in the driveway of the new fire station, almost blocking the path in front of one garage door and extending into the path of another. But City Manager E. B. Noble said the islands don't pose as much of an obstacle course for entering and exiting as they appear to. "The is-

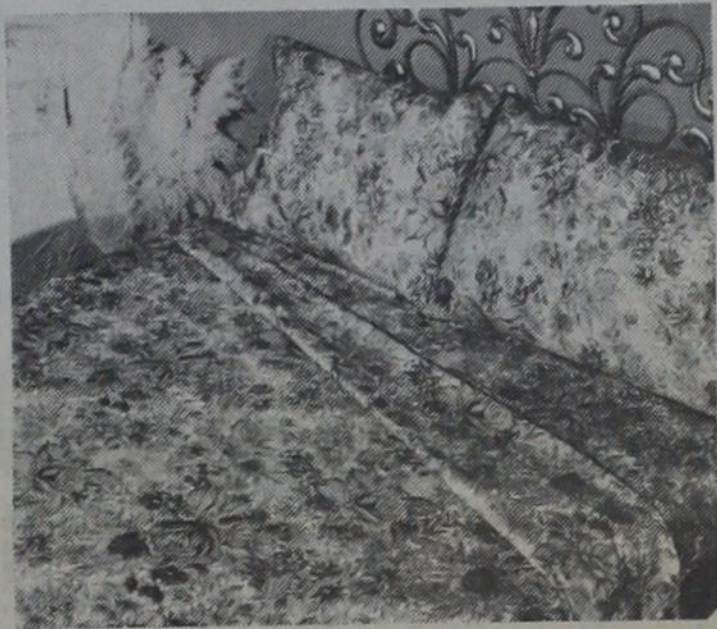

lands are actually beneficial in that they keep drivers from angling across the highway to get into the driveway," Noble said. "They keep the access to and from the highway squared up, and also keep the driveway from being used as a turn-around."

## Pipeline: an underground route to less erosion and evaporation

By DAYNE M. GOLIGHTLY  
Irrigation pipeline is a "water conduit" installed under ground to help farm units have a permanent irrigation facility. It prevents soil erosion and evaporation.

PIPELINES today are designed with pressure relief valves and air valves. A pressure relief valve serves the same purpose as an open-air vent. When too much pressure is put on this valve, it will release and let the pressure off of the line so there will be no damage to the line. An air relief valve permits a line that has air in it, to release it. Then it seals off and keeps the water from going out and air getting back into the line.

THERE ARE various types of pipelines laid in this area. Most commonly used are rubber gasket and plastic.

For safety purposes in pipelines, the vendor will design the new pipeline with the existing lines and wells to be used in the new line. He will then bring it to the Soil Conservation Service office where we will check the design to make sure that it will meet our specifications. Then he will turn in the design so the pipe company can go to work on the line.

After the line has been laid, the pipe company will push some dirt off in the trench covering the pipe just a little. They will crank the well and let water flow all over this soil that has been pushed in on the pipe. They let this dry, then they come back and backfill the line. The purpose of running the

water over it is to water-pack the line.

When the job is completed, the Soil Conservation Service will go out and check the line to see if it meets our specifications, if it is a cost-shared line.

For more information pertaining to pipelines, contact the Soil Conservation Service office. We will be glad to assist you in getting what information you need.

## CHAFF

By WES ANTHONY  
I believe last week produced one of the warmest cold spells we have ever had. Believe me, it sure did fix some of our trees, didn't it?

I'LL BET most of us could get a job helping the city pick up the limbs. But there are lots of pretty trees, shrubbery and grass left. Now, listen to this: Did you know that if the cattle fed in Castro County feed yards this year were lined up in single file, that it would be a solid line 227 1/4 miles long? This is a lot of bull, isn't it?

TEXAS continues to be number one cattle feeding state in the nation. In the major six-state feeding area—Texas, Arizona, California, Colorado, Iowa, Nebraska—there were 7,630,000 head on feed; this compared with 5,701,000 head a year ago.

ALL THIS SPACE WILL BECOME ONE BIG T.G.&Y. STORE  
... Two buildings on right will be torn out after first of the year

## TG&Y expansion plans told; April 1 completion is seen

Work will begin about Jan. 1 on an expansion project that will more than double the size of Dimmitt's TG&Y Store. DON SHRUM, local manager, and Carl Adkins, district supervisor, said an April 1 grand opening is anticipated. The expansion will take in all the business property between the present TG&Y Store and Harman's. This property, which the TG&Y chain leased earlier this year, holds two buildings which were formerly occupied by Trimble's Barber Shop, Marie's Beauty Bar and Buccaneer Stamp Store. The buildings on the newly leased property will be torn out and replaced to yield a single TG&Y store building with a 100-ft. front and 150 ft. of depth, Shrum said. In addition, six feet of depth will be added to the west end of the present TG&Y store.

Alaska, City Products Corp. and its subsidiaries conduct a diversified business consisting principally of the sales of general merchandise through company-owned and franchised stores, home furnishings and department stores. TG&Y continued to operate as an autonomous division under the management of the same group of officers. Scott Stores, a subsidiary of City Products, merged with TG&Y in 1969. Scott operated 110 stores in 18 states, with most of its outlets being clustered in the Great Lakes and Midwest states. This merger brought all of City Products' company-owned variety stores into the TG&Y Division. Plans for the overall growth of TG&Y call for 1,000 stores by 1975, doing a volume of about \$800 million. The firm is

scheduled for a 15 to 20 percent increase in volume per year for the next five to seven years. Additional warehouses will be needed to service the new stores. States now being considered for future warehouses are South Carolina, Texas and Florida. T.G.&Y. considers their stores to be of three classes: one is the expanded variety store, primarily convenience merchandise ranging to about 15,000 sq. ft. and carrying limited junior department store lines; secondly, the family center unit ranging from 20,000 to 30,000 sq. ft.; thirdly, the larger family center unit ranging from 40,000 to 80,000 sq. ft. Depending upon the size of these family center units, they go heavily into sporting goods, hardware, wearables, fabrics, automotive lines, and several other depart-

ments, considering the needs of the community. Some of these may include an auto center or outdoor garden and lawn sales. THE WAY things are now, almost any girl with a good job can get married. — Record, Columbia, S.C.

CATTLE fever center at Alice reports progress is being made in controlling the spread of that pest. Because of the reproductive ability of the fever tick, it could take two years before the pest is eradicated. Complete cooperation of cattle producers in the affected area—in South Texas—will be needed to eradicate the fever tick.

"OUR COMPANY is making this expansion because of the good reception we have enjoyed by the public here, and our faith in the future growth and potential of Dimmitt," Shrum said. The enlarged TG&Y will be an "expanded variety store," one of the largest such stores in the company's 819-store chain. TG&Y stores larger than the one planned here are classified by the chain as "family centers." All present departments will be at least doubled in size, Shrum said. Also, complete new departments will be added for shoes, hanging wearables, small appliances and electronic products, and automotive supplies. T.G.&Y. operates a chain of 819 variety stores in a 31-state area. These stores are serviced from nine warehouses throughout the US. TG&Y began operations in 1936 with headquarters, general offices and warehouse in Oklahoma City. The firm had grown to 128 stores at the end of 1957 when purchased by Butler Brothers of Chicago, remaining an autonomous division and continuing under the management of TG&Y officers. THE DIVISION had climbed to 219 stores by 1960, the year Butler Brothers was purchased by City Products Corp., with headquarters in Chicago and operating throughout the United States, including Hawaii and

# 1,200 attend memorial services for missing Hart men

By MYRT LOMAN

Six ministers from across Texas delivered the eulogies of four Hart men, while 1,200 persons listened in memorial services Sunday afternoon in the Hart Elementary School auditorium.

The clergymen quoted scripture and personal experiences while discussing the lives of the minister and three elders of the Hart Church of Christ.

Cleve Paden of the Sunset School of Preaching at Lubbock introduced the five other Church of Christ ministers.

Jack Mackey of the Lawndale Church of Christ in Amarillo spoke of Harold McCollum.

The minister of a Wichita Falls Church of Christ, Richard Pector, compared the death of Mart Booe, 41, to the death of Josiah in II Chronicles. He explained that Josiah was one of the reformed kings of Israel who died at an early age in a battle with the Egyptians.

Brother Joe Brooks of Westlaco said J. C. Jackson was the father of three sons and the owner of a garage.

Morgan Sturgis of Tulia said C. C. Hanes "was a dreamer, constantly planning for the future, working incessantly for his goals."

"I THINK he realized his goal to the fullest extent. He was a Christian gentleman who lived by the principles of Scripture," Sturgis said.

The congregational prayer at

the end of the memorial service was led by Fred Butler, minister of a Dallas Church of Christ.

The LCC chorus performed during the service. Food prepared by the community was served to the families and relatives Saturday and Sunday.

The ministers said those who attended from Hart and many surrounding area towns "felt keenly the grief," and it was "rather a quiet, dignified service with no undue display of emotion."

**HART BAND Boosters** are sponsoring a fruit cake sale with students in grades 6 through 12 who sell the most receiving a \$5 prize. Proceeds will be applied to the band uniform program.

**THE BOYS of the Hart school** CVAE class have recently completed a sidewalk from the band building to the high school and have remodeled the boys' and girls' CVAE buildings.

J. V. Wescott is teacher of the boys class and Mrs. Wescott is teacher of the girls' classes.

**MRS. Leonard Griswold** was among 200 Cub Scout leaders to attend the Cub Scout Powwow of the South Plains Council held Saturday.

The program included a luncheon, a style show and exhibits, and demonstrations of activities that could be used not only for Scouts but for other youth groups.

Mrs. Griswold presented a program on arts and crafts.

**TEACHERS** of the Hart Schools were in Amarillo on Friday to attend the 39th District XVI Convention of the Texas State Teachers Association.

The keynote speaker was Ben Smith of St. Louis, Mo., a professional speaker and a director of the American Hospital and Life Insurance Co.

His program topic was "The

Big Red Apple," while the convention theme was "Quality Education for All."

Sectional meetings were held throughout the city.

**DAVID Kirkpatrick** of Wayland Baptist College brought the Sunday morning and evening message at the First Baptist Church, in the absence of Dr. Richard Cheatham.

Dr. Cheatham was in East Texas for the weekend attending the 84th birthday celebration of his grandmother.

**A MEMORIAL fund** was recently established as a permanent fund at the First Baptist Church.

This fund is for anyone wishing to make a contribution in memory of a loved one or a friend. Acknowledgement to the families will be sent from the church.

**FRIENDS** recently received word that Mrs. C. B. Landers of Amarillo has suffered a stroke and is convalescing at her home. The family are former Hart residents.

**DISHES and food containers** from meals served at the Hart school cafeteria on Saturday and Sunday may be picked up at the Hart Cleaners.

**MRS. IVA Stanton** has been released from Plains General Hospital in Plainview and Doniece Clark, daughter of Mr. and Mrs. Donald Ray Clark, is a patient in Plainview Hospital.

Mrs. Mark Martin, former Hart resident, is temporarily making her home at the Heritage Home in Plainview.

**DEBBIE Dabis, bride-elect** of Ted Emery, was the honoree of a miscellaneous shower in the home of Mrs. Bill Hill Saturday afternoon.

Mrs. Hill received the guests and Mrs. Bud Hill of Dimmitt presided at the guest register.

Mrs. Harley Wilke and Berkly King served refreshments from a table covered with a white lincn cloth centered with blue candles in brass holders entwined with ivy.

The hostess' gifts were a carnation corsage and set of stainless flatware.

Special guests were Mrs. Doyle Davis of Hart and Mrs. Lee Emery of Idalou, mothers of the couple and Mrs. John Rice and Mrs. T. R. Davis of Hart, grandmothers of the honoree. Eighteen women assisted the hostess.

**REV. Kenneth Wyatt** of Tulia will be speaker for the harvest dinner of the First Methodist Church Nov. 15 in fellowship hall of the church.

This is an annual occasion for the members of the church, held each year prior to Thanksgiving. It encourages members to increase their financial giving during the harvest season.

**HERE IS the Hart school** lunch menu for the coming week:

Monday — Meat loaf and catsup, whipped potatoes, candied carrots, cole slaw, hot rolls, apricot cobbler, milk and butter.

Tuesday — Vegetable beef stew, plain and filled crackers, mixed greens, cornbread, buttered rice, milk and butter.

Wednesday — Turkey pot pie, buttered English peas and carrots, tossed salad, hot rolls, banana pudding, milk and butter.

Thursday — Hamburgers, potato chips, lettuce and tomato, pickle slices, onion rings, mustard, red velvet cake, milk and butter.

Friday — Barbecued wieners, pinto beans, spinach greens, onion rings, cornbread, peanut butter brownies, milk and butter.

**THE CASTRO County 4-H Awards** program was held on Saturday night in Dimmitt.

Gary Hart of Hart, the 4-H Council president, presided over the meeting.

Introduction of adult leaders with recognition going to Mrs. Bill Hill, receiving a 2 year certificate and pin. Mrs. Joe Hart received a Silver certificate and pin for serving 5 years and Joe Hart received a certificate and 8 year pin.

4-H members receiving certificates, pins and project ribbons were Shelia Brooks, Leoria Welty, Marlon Marble, Cindy Brooks, Kent Hill, Vic Hart, Larry Marble, LaDonna Hart, Dean Hill, Terry Hill, Marlan Hart and Gary Hart.

The Commissioners Court presented 4-H Medal Awards to LaDonna Hart, Tammye Hill, Leoria Welty, Cindy and Shelia Brooks, Dean and Terry Hill, Vic, Gary and Marlin Hart, Kent Hill and Marlon Marble.

The main award for the evening was presented by County Judge Raymond Wilson, presenting the Gold Star Award to Gary Hart, son of Mr. and Mrs. Joe Hart of Hart.

Charles Hottel, Castro County Agent presented the 4-H Club certificates and the Hart 4-H Club received a Red Award.

Attending from Hart were Mr. and Mrs. Percy Hart, Mrs. Paul Brooks, Mrs. Thomas Brooks and daughters, Cindy and Shelia, Mr. and Mrs. Max Marble and sons, Marlon and Larry, Mr. and Mrs. Joe Hart and children, Gary, LaDonna, Vic and Marlin.

Gary Hart will attend the District 4-H Banquet in Amarillo on Nov. 18 to meet with all the District 1 County Gold Star winners.

**ACCORDING to the official** rain gauge kept by Aubrey Myers, the total rainfall for the city of Hart during October was 2.86 inches. For the year, to the first of November, 19.53 inches has been recorded, with the wettest months being July with 4.22, June with 4.13 and September with 3.24. We have had moisture each month of

this year. April was the driest month, with only a trace. The 19.53 inches received so far in 1972 is already almost three inches over the annual "average."

Rainfall for past three years: 1969, 23.76; 1970, 6.71; and 1972, 22.36.

**OUR NEIGHBORS** and friends were so good to us this summer, bringing all sorts of fresh vegetables, more than I could ever use, and asking that I share with someone else, which I did. I still have one pumpkin on my porch which friends gave me.

It would be a cruel world without friends and neighbors. It is proved daily that Hart has a HEART.

**REMEMBER** that Beta Sigma Phi Sorority is sponsoring a children's book drive this month for the Castro County Library. All books must be hardback. Other books will be sold in a

book sale later with proceeds to be used for other needs of the library.

You may leave your books at the city hall.

# Longhorns top Wolverines 14-0; look to 3-A showdown

**COMIN' THROUGH** — Dimmitt's Terry Powell (15) and Roger Underwood (60) clear a path for tailback Albert Ewing (42), who sweeps left end for 11 yards in the first quarter of Friday night's Bobcat-Chieftain game at Friona. Ewing, who returned to the lineup Friday after being side-

lined six weeks by a cracked ankle, gave the Bobcats a new offensive spark. But the Chieftains struck for 20 points in the fourth quarter to break open a tight game and take a 27-6 victory.

## Chiefs ax Cats in fourth, 27-6

By JOHN BROOKS as the Tribe ran to a 27-6 win. For 42 minutes the Bobcats held the Friona Chiefs to only a 7-6 lead, but finally lost their grip on the Chief campgrounds

THE SCOREBOARD did not show the great effort the Bobcats were forced to exhibit as they held the Chiefs scoreless

for almost three quarters, as well as holding their hosts to five yards passing.

During the time the Chieftains were staging their fourth-quarter rally, the Cats were playing without noseguard Roger Underwood (ankle injury) and Terry Powell, quarterback-safety (leg cramps).

The Cats got on the board first as they took the opening kickoff and drove 77 yards for a touchdown, with Powell running the pigskin in from eight yards out. Rick Wright's kick floated off to the left, leaving the Cats with a stunning 6-0 lead right off the bat.

BUT THE screams of joy floated to the other side of the stadium two plays later as Scott Lillard took the ball on a 69-yard romp on second down. Kevin Wiseman kicked the successful extra point and the Chiefs were ahead 7-6, less than a minute after Dimmitt had

drawn first blood. This was the end of all scoring until midway in the fourth quarter.

The Bobcats had a chance to go ahead in the third quarter when they drove to the Friona 1, but could not go over on fourth down, missing by an inch.

The chiefs and Bobcats exchanged punts, then with eight minutes left in the game, Friona got the ball on the 30. A few plays later, James Bartlett raced into the end zone to climax Friona's first sustained scoring drive.

THE THIRD Friona TD came when Louis Lee took off up the middle on a 68-yard romp. It came on the first play after a Lonnie Strickland punt.

Friona's final score of the game came when Ted King grabbed a misguided Brad Sanders pass and raced 35 yards for the touchdown. Quarterback Johnny Bandy hit Bartlett for a pass for the two-point conversion.

The game left the Chiefs with a 2-1 district record and the Cats with an 0-2 ledger.

### Trap shoot set Saturday, Sunday

Okay, Joe, it's time to sharpen your shooting eye, and the Dimmitt Volunteer Fire Dept. will help you do it this weekend.

THE FIREMEN will sponsor a trap shoot Saturday and Sunday at the Dimmitt Gun Club range, west of the hangars at the city airport.

Shooting will begin at 10 a.m. Saturday and 1 p.m. Sunday.

Prizes for the top shotguns in each string will include turkeys, hams and bacon. Proceeds of the shoot will go to the firemen's retirement fund.

### Upsetting Braves due here Friday; final home game

By JOHN BROOKS As the Bobcats get ready for the Morton Indians, memories seem to drift back to last year.

GOOD REASON. The upset-minded Tribe rose up to wipe out the Cats 30-8 last season. And the Cats were clear-cut favorites. This year, the Indians have danced the same war-dance twice by tying Littlefield 7-0 and beating Muleshoe 27-20—Morton's only two victories, and both shocks.

The Tribe is headed by quarterback Ted Thomas, backs Jimmy Harvey and Larry Thompson (both with break-away ability) and lineman Dubbie Bryant, center. Defensively, Thomas, Bryant, Thompson, Harvey, Mark Fluitt and Tony Bramblett are the big guns.

THE INDIANS are 1-6-1 for the year, but the win and the tie were considered stunning upsets, proving that the Indians can easily be "up" for the big games and can stay on the field with anybody.

The Cats may be missing the services of guard Roger Underwood, who has an ankle injury. Probable replacements for him will be Robert Horton in the offensive guard slot and Ronnie Hall in the nose-guard spot. However, the Bobcats seem to be resettled now after shifting around in positions for about four weeks.

THE GAME will begin at 7:30 in Bobcat Stadium, and will be Dimmitt's final home game of the 1972 season.

### By KIPP BURNETT

The game looked as though it might be a repeat performance of the previous week's penetration loss to Kress, but the Longhorns finally put it all together again, scoring two touchdowns in the last three minutes to defeat Springlake-Earth, 14-0.

THE VICTORY boosted Hart's record to 8 wins, no losses and one tie, and the district record to 4 wins and one loss.

THE LONGHORNS remain in second place in District 3-A standings behind the Bovina Mustangs, who are 4-0 in district play after knocking off Kress Friday night to give Hart new hope.

The Longhorns, still contenders for the district championship, are idle this week. But come Nov. 17 they'll play Bovina in a chance to secure the district crown.

THE FIRST three quarters of Friday night's game were scoreless as neither team could manage to get within the other's 20-yard line. Finally, with 3:39 remaining in the game, the Longhorns drove down to Springlake-Earth's 1-yard line. On the following play, powerful full-back Stanley yer burst across to put Hart on the scoreboard and break the game open. Wayne Ethridge kicked the ex-

tra point and Hart went ahead 7-0 with 3:35 left to play.

When the Longhorns kicked off after the touchdown, the ball was knocked loose from the Wolverine receiver by several Hart defenders. It was Harley Malone who managed to recover the fumble on Springlake's 30.

The Longhorns took full advantage of the turnover and drove down to the 5-yard line with 19 seconds left to play.

JIMMY BROWN took a hand-off from quarterback Dirk Rambo and plunged across from a yard out for Hart's second TD. Wayne Ethridge kicked the extra point again, and with only five seconds remaining, Hart sewed up the ball game, 14-0.

It was the Longhorn line that made the difference as the pit crew made holes big enough to drive trucks through. The offensive linemen pacing the victory were David Barham, Guillermo Carrasco, Bill Clifford, Dan Sharp, Dwayne Clevenger, Wayne Ethridge and Harley Malone. Other outstanding players for the Longhorns were Stanley Dyer, Barry George, James McLain, John Henery, Robinson, Erasmo Castillo and Jimmy Brown.

Senior fullback Stanley Gerber led all Nazareth ball carriers with 65 yards in nine totes for an average of more than seven yards per carry.

Top defensive players for the Swifts were senior end Steve Acker with nine tackles and two assists, and Kent Birkenfeld, Junior Joiner and Stanley Gerber, all with seven tackles a-piece.

## Roughnecks trap Swifts

Sundown's Roughnecks used three long-bomb touchdown passes and capitalized on a disputed interference call Friday night to defeat the Nazareth Swifts 24-0, at Sundown.

THREE TIMES the Swifts drove to within the shadow of Sundown's goal posts, but couldn't net any points from their efforts.

Except for the score, the game was fairly even. Sundown rolled up 215 yards to Nazareth's 203, and gained 11 first downs to the Swifts' 10. The Roughnecks came out 50 yards better on penalties, being fined only 10 yards for two infractions while the Swifts lost 60 yards on five calls.

Both teams had a good night in the air, with Nazareth completing four of five passes and Sundown connecting on six of 10. But Sundown had the long-range capability that made all the difference.

IT WAS Sundown's passing that spelled doom for the Swifts in the District 2-B contest.

The Roughnecks uncorked touchdown bombs in the first, third and fourth quarters to offset Nazareth's domination of the ground game.

Sundown's second TD—scored in the third period—came after a controversial pass-interference call at the Nazareth 20. From there the Roughnecks ran the ball across for their only ground-attack touchdown. Sundown was unable to pick up any of the extra points.

THE SWIFTS started the game with a big rush as they took the opening kickoff and drove to Sundown's 5-yard line. But there the drive stalled and the Swifts had to settle for a field-goal attempt, which missed.

After Nazareth's defense forced Sundown to punt away, the Swifts started goalward again.

this time driving to the 9-yard line. But the Roughneck defense stiffened again, Nazareth went the field-goal route again—and missed again.

The Roughnecks came back with their first long TD pass to take a 6-0 lead in the first period. That's where the score still stood at halftime after the two teams battled scorelessly through the second quarter.

IN THE third period, the interference call against Nazareth paved the way for Sundown's second TD to give the Roughnecks a 12-0 lead.

Nazareth fought back with a 65-yard drive that took the Swifts all the way to the Sundown 1-yard line. But there Nazareth committed a fatal fumble on a handoff and the

Roughnecks recovered within a yard of the goal line.

Sundown put the game out of reach with another long TD pass play later in the third to gain an 18-0 advantage. Then in the fourth, the Roughnecks did another aerial encore for their elated fans to gain their 24-0 victory margin.

Senior fullback Stanley Gerber led all Nazareth ball carriers with 65 yards in nine totes for an average of more than seven yards per carry.

Top defensive players for the Swifts were senior end Steve Acker with nine tackles and two assists, and Kent Birkenfeld, Junior Joiner and Stanley Gerber, all with seven tackles a-piece.

## Tisdale - Whatley vows read

Miss Nancy Tisdale became the bride of Danny Whatley in a double-ring ceremony Oct. 21. PARENTS of the couple are Mrs. Marvin Tisdale of Dimmitt and the late Mr. Tisdale, and Mr. and Mrs. L. C. Whatley of Hereford.

Durwood Strickland read the wedding vows in the bride's home in Dimmitt before a mantle decorated with white candles, greenery and piracantha. Given in marriage by her brother, Jerry, the bride wore a long white gown of imported French lace over white satin. The bodice was trimmed with pearls and silver around the neck and waistline. Long puffed sleeves of Châlet with French cuffs trimmed in buttons accented the gown. The full skirt trailed into a short train. She wore a veil of imported French illusion trimmed in French lace and caught with a pearl-trimmed bow.

TERRIE CARSON of Dimmitt was matron of honor. She wore a long formal of orange satin with long sleeves and a ruffle on the skirt edge, topped by an orange bolero. She carried a nosegay of orange marigolds. Cindy Whatley of Hereford

was candlelighter and registered the guests.

The groom's brother, Clinton Whatley of Hereford, was best man.

Brenda Seely and Debbie Hogue served guests from a table that was centered with an arrangement of orange marigolds

FOR A wedding trip to New Mexico, the bride wore a navy blue velvet pantsuit.

The bride is a graduate of Dimmitt High School.

Whatley is a graduate of Del Rio High School. He is in the US Marine Corps and will be stationed in Okinawa.

## Wedding revealed

Mr. and Mrs. Paul Paulson of St. Mary's, Kan. announce the marriage of her daughter, Lana Rien, to James Welch, son of Mr. and Mrs. Claudia Welch of Dimmitt.

THE BRIDE is a 1972 graduate of St. Mary's High School. Welch is a 1969 graduate of Dimmitt High School and attended South Plains College. He is employed at Hereford Feed Yard.

The couple will be at home in Hereford.

## Saturday shower fetes Miss Elder

Trudy Elder, bride-elect of Richard Jackson, was honored with a bridal shower in the home of Mrs. Glen Merritt Saturday afternoon.

IN THE receiving line with Mrs. Merritt and Miss Elder were her mother, Mrs. Jim Elder; Jackson's mother, Mrs. Kenneth Jackson; and grandmothers, Mrs. Ruby Maples and Mrs. Sid Sheffy.

Deannea Merritt registered guests. Alona Birdwell and Lee Ann Merritt served coconut roll cake, hot spiced tea and coffee from a table covered with white satin and net. The table was centered with an arrangement of small yellow roses in a silver epergne. Doris Petty and Marla Mayfield assisted with the serving.

Out-of-town guests included Mrs. Charlie Hastings of Dumas and Mrs. Lena Maples of Hart. Twenty-nine ladies assisted with the hostess duties.

Wedding vows will be exchanged in the First Baptist Church Nov. 18 at 7 p.m. Miss Elder and Jackson are both students at Texas Tech University.

### On the Go

Mrs. Rachel Graham will have a birthday Thursday, please call her with birthday greetings.

## Couple read vows in home ceremony

Miss Carolyn Cole and Billy Harman exchanged wedding vows Friday at 7 p.m. in the

home of her parents, Mr. and Mrs. Everett Cole.

Harman is the son of Mr. and Mrs. Bill Harman of Dimmitt.

THE BRIDE wore a gown of white satin with flower appliques. The bodice was covered with appliqued lace with lace bell sleeves. Her veil was secured by a lace rose bouquet headpiece. The bride's dress and headpiece represented something borrowed; something new was her necklace, a gift from the groom; something blue was the traditional garter; and for something old, she wore pennies in her shoes of the couple's birth years.

A reception honoring the newlyweds was held after the ceremony, which was attended by the families of the couple.

They will reside at Park Terrace Apartments in Levelland. THE BRIDE is a graduate of Hart High School and is a sophomore elementary education major at South Plains College.

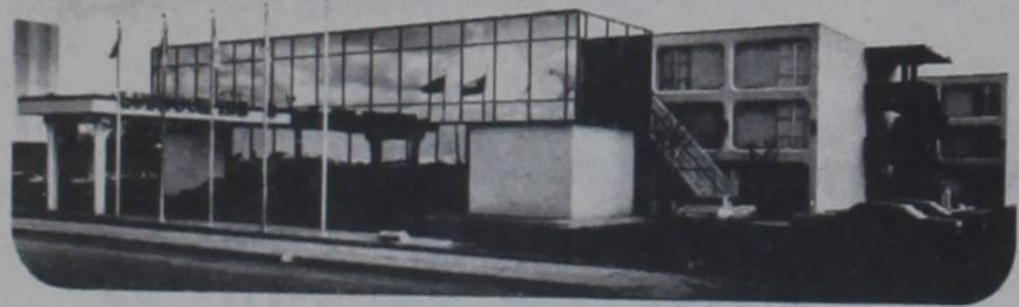

Harman is a graduate of Dimmitt High School and attended South Plains College and West Texas State University. He is employed at Harman's in Dimmitt.

NELSON is the son of Mr. and Mrs. R. O. Nelson Jr. of Lelia Lake, formerly of Dimmitt.

Wedding vows will be read Jan. 7 in the First Baptist Church of Lefors.

Miss Bates is a student at Clarendon College. Nelson graduated from Dimmitt High School and attended Amarillo College and Texas Tech University.

The Bateses are former Hart residents.

NEWSPAPERS are important in people's lives every day.

### Keep Christmas under control: get ready now!

By IRENE KEATING  
Time certainly is hurrying by. It won't be long now until Christmas. Do start getting ready now so you'll be able to relax and enjoy the holidays.

★  
THE ICE storm last week forced many of us to prune trees (some few needed it). I was sorry to see so many trees nearly destroyed. It is also necessary to do a little yard work yet.

Here is the November garden calendar.

1. Don't forget to wet down the compost pile occasionally. Those leaves and other organic matter won't decompose if allowed to remain dry.

2. If you are planning a rose bed, prepare the beds now so you will be ready to plant when the dormant roses become available in late December and January.

3. CLEAN up, oil, sharpen and store garden tools so they will be ready to use when needed. Any repairs needed on power tools should be done before storing.

4. Force spring flowering bulbs for indoor flowering.

5. Plant pansies and sweet peas in those beds you prepared last month.

6. Dahlia roots should be dug and stored after frost kills back the foliage.

7. Clean up dead plants, leaves and other debris to reduce insect population next spring.

8. THERE IS still time for that fall application of fertilizer for the lawn area. It will also benefit the trees in the lawn area.

9. Don't wait any longer to broadcast the wildflower seeds you collected. Winter rains and cool weather are needed for good germination of many of these interesting plants. Bluebonnet seeds should be planted by this time.

10. STILL NOT TOO late to set out started plants of cabbage, Brussel sprouts, and greens.

11. Shop your favorite nursery and garden center to get the best selection of needed plants in your landscape.

12. Start your Christmas shopping list of plant favorites for your friends and relatives.

SALES of cattle, calves and sheep increased throughout the state during September, while sales of goats and hogs were down. Cattle and calves marketed through Texas auctions numbered 705,000; this is five percent above a year ago.

Miss Irlbeck

### Nov. 25 date set

Mr. and Mrs. Ed Irlbeck of Dimmitt announce the engagement and approaching marriage of their daughter Karen, to Howard Day, son of Mr. and Mrs. Earl Day of Raton, N.M. Vows will be exchanged Nov. 25 in the Holy Family Church in Nazareth.

Miss Miller

### Carol Miller receives cap

Carol Miller, daughter of Mr. and Mrs. Dwight Miller of Hart, received her nursing cap from the Methodist Hospital School of Nursing in Lubbock Sunday afternoon, signifying the completion of her pre-clinical training.

Seventy-three students underwent the traditional capping ceremony, which was held in the First United Methodist Church in Lubbock.

Miss Miller is a 1971 graduate of Hart High School and took her pre-nursing training at Lubbock Christian College.

Mrs. Dwight Miller, Mrs. W. T. King and Becky King of Hart attended the ceremony.

Mr. and Mrs. Jose Felix Salazar of Dimmitt are the parents of a daughter, Clotilde, born Oct. 30. She weighed 11-pounds, 11 1/2-ounces.

A daughter, Joan Leslie, was born to Mr. and Mrs. John Wesley Chavers of Dimmitt Oct. 31. She weighed 5-pounds, 5 1/2-ounces.

Mr. and Mrs. Rudolfo Vidaurri of Dimmitt have a son Rudolfo Vidaurri Jr. born Nov. 2. He weighed 6-pounds, 14-ounces.

A daughter, Kristie Gay, was born to Mr. and Mrs. Roger Ray Owen Nov. 2. She weighed 5-pounds, 4-ounces.

### Kiwanians give \$300 to projects to benefit youth

The Kiwanis Club of Dimmitt has voted to donate \$300 to two local youth activities.

DIRECTORS of the club, at their last board meeting, authorized a \$200 donation to help send two Dimmitt High School students to the Presidential Classroom for Young Americans this year in Washington, D.C. Dimmitt first participated in the program last year, sending Dawn Parker and Patt Rush.

At their Monday noon meeting, Kiwanians voted to contribute \$100 to the Dimmitt Athletic Club to help pay the expenses of the junior boxing program here.

Kiwanis President Walter Spinhrne announced at Monday's meeting that District Lt. Gov. Bartley Dowell of Hereford will make his official 1972 visit to the local club at next week's meeting.

LOCAL Kiwanians are making plans to assist other clubs in the area to charter a new Kiwanis organization at Muleshoe.

The club has ordered trees for its annual Christmas Tree Sale, and they are due to arrive shortly after Thanksgiving.

The Kiwanis Club, youngest service club in the city, meets at noon each Monday in the Colonial Inn Restaurant. The club currently has 18 members and is planning a membership drive soon.

### Dimmitt 4-H'ers choose officers

The Dimmitt 4-H Club met Thursday night at the courthouse.

NEW officers elected are: Pam Oldham, president; Billy Leonard, vice-president; Norris Cole, secretary-treasurer; Deanna Moore, reporter and Morris Cole, council delegate.

Members were presented participation certificates for the year's work. Both county agents and seven parents were guests and enjoyed games and refreshments.

Several members were also present Saturday night at the annual awards banquet and received ribbons and pins of recognition for work finished this year.

### Mrs. Wheeler visits Michigan

By MRS. BDD McELROY

Mrs. Buck Wheeler spent 10 days visiting her son and family, the J. C. Johnsons in Big Rapids, Mich. She saw so many places. She saw the Mackinac bridge that is 5 miles long that separates Lake Michigan and Lake Huron, the Tequaman Falls, the second largest water falls east of the Mississippi River, the Soo Locks at Sault Ste. Marie in the Upper Peninsula and watched the big ships being let through the locks from Lake Superior to Lake Huron. She was close enough to look over into Canada and drove right under the International Bridge. She enjoyed her trip so much.

Buck Wheeler and his daughter-in-law Mrs. Jenean Wheeler went to Amarillo to meet Mrs. Wheeler at the airport.

The Bethel Home Demonstration Club meeting was cancelled last Wednesday because of the ice storm.

DON'T forget to take the candy for the servicemen and women to the Castro County Farm Bureau office on North Broadway before 5 p.m. Friday. If you are unable to make candy, donations are needed for postage. If any one has questions or information is needed, Mrs. James Welch is chairman of the 1972 candy project. Her

number is 647-5647.

David McElroy went to Kaco to visit the Texas State Technical Institute Friday.

**FLORENCE ACEVEDO** of Dimmitt pivots and heads upfield after gathering in a pass from quarterback Terry Powell in the second quarter of Friday night's District 3-AA game against Friona. The play covered nine yards. Moving in on Acevedo is Friona's Ricky London (65). Moments later the first half ended with Friona holding a slim 7-6 lead. That's where the score stayed until the fourth quarter, when the Chieftains stopped a Dimmitt drive at their one-yard line, then exploded for 20 points to gain a 27-6 win.

## Powell wins third Bobcat honor; Sanders, Goldsmith lead contest

Terry Powell captured the honors as Bobcat of the Week for the third time this season. Coach Brown L. Smith announced at Monday night's meeting of the Boosters Club. **POWELL** had another outstanding night as he threw the ball well, made a tackle that caused a fumble, faked well and moved the ball against the big Friona team. Steve Nutt and Larry Shugart were also cited for their play in Friday's game. Unfortunately, Roger Underwood is out for the rest of the season with an injury and Keith Calhoun is a doubtful starter against Morton. The game against Morton Friday will be the Cats' last home game, and the fathers of the varsity players will be honored in pre-game ceremonies. Morton had some injuries early in the season but is back at full strength now and will be tough to beat.

## Band supper set Nov. 18

The traditional Thanksgiving dinner sponsored by the Dimmitt High School Band parents has been scheduled for Nov. 18. **THE SERVICE** line will be open from 5:30 to 7:30 p.m. in the South Elementary School cafeteria, east side. The menu consists of turkey and dressing, potatoes, green beans, fruit-cranberry salad, home made hot rolls and prune cake. Tickets are available from any band member. Prices of the dinner tickets are \$1.25 for children 12 and under and \$1.75 for adults. Proceeds will be used by the DHS Band for its trips and projects.

## Easter Lions to host sons

The annual Father-Son Banquet of the Easter Lions Club will be Monday night in the Easter Community Building at 8 o'clock.

## Happy Helpers to meet Friday

The Happy Helpers 4-H Club will meet Friday afternoon at 5 in the Easter Community building.

**THE SEVENTH** and eighth grade teams both won against Littlefield last week and the two B teams were victorious Monday. The ninth grade team and B team will take on Morton there today (Thursday). The week's winners in the football contest were Ewell Kelley, first, and Ted Goldsmith, second. At this point in the season, Bill Sanders and Ted Goldsmith are tied for first with 113 points, followed by Emmett Broderson, Mrs. Frank Wise, Frank Wise, Bullet Adams, Bobby Adams, Anita Adams and Ewell Kelley with 111 each. The members voted that if the contest should end in a tie at the end of the next two weeks, it would be continued for those tied until a first and second place winner were determined. Coach Cleveland demonstrated the "instant replay" camera which was recently purchased.

At next week's meeting of the club, films of the seventh and eighth grade games will be shown and it is hoped that parents of these players will attend the meeting. The following week, films of the freshman and B team games will be shown. **GEORGE RUSH**, president, appointed the following persons to serve as the nominating committee for next year's officers: Travis Hammon, chairman, Marshall Langford, Mrs. Edd Wilson and Ewell Kelley. They will submit a slate at next week's meeting.

**TEXAS** agriculture continues to be punished by the screw-worm, fire ant, citrus black fly, and cattle fever tick. Programs are underway to eradicate or control these pests. Screw-worm eradication officials at Mission continue to urge livestock producers to check all livestock regularly, treat wounds on livestock for screw-worm control, and submit suspected screw-worm samples to the fly laboratory for verification. Plans are being made now for 1973 eradication program. Knowing the exact whereabouts of the screw-worm and the intensity of its infestations will be a big help in mapping the sterile fly-drops for next year.

**BETTER** newspapers make a better world.

**BEST COSTUMES**—Here are five of the 10 costume award winners in the Dimmitt Lions Club's annual Community Halloween Carnival Saturday night. Each won a \$3 cash award. In left photo is Eddie Oldfield. In center photo,

from left, are Blaine Gregory, Dee Ann Summers and Pam Anthony. In photo at right is Michael Anthony. Names of the other five winners were not available, since they were chosen by number instead of name.

## County hits 78% of US Bond goal

According to a report received from County Bond Chairman Raymond E. Wilson, sales of Series E and H United States Savings Bonds in Castro County during September totaled \$4,991. Sales for the nine-month period were \$28,529 for 78 percent of the 1972 goal of \$70,000.

**SALES** in Texas during the month were \$16,357,152 compared to \$15,465,128 during September 1971. The January-September sales totaled \$159,190,679 with 81 percent of the sales goal of \$197.5 million achieved.

Nationwide, September purchases of Series E and H Bonds amounted to \$472 million—13.8 percent above 1971 sales of \$415 million. Sales for the first nine months totaled \$4,774 million—14.4 percent above a year earlier. Exchanges of Series E for new Series H Bonds amounting to \$254 million were reported for the nine-month period—29 percent above the \$197 million exchanged in 1971.

## Miller playing in ACC's band

Brent Craig Miller, son of Mr. and Mrs. Jack Miller of Dimmitt, is one of more than 150 students who are members of the Abilene Christian College Big Purple Band this year.

**MILLER** plays the trombone and participates in the band's halftime performances at football games as well as special concerts throughout the school year.

Miller graduated from Dimmitt High School in 1972 and is now a freshman at Abilene Christian.

**ACC's** Big Purple Band is comprised of a high percentage of all-state bandmen from Texas and 22 other states. The band's annual spring tour takes it into various parts of the nation or into Mexico.

## 'Food-Fiber Abundance' month designated here

To recognize the contribution made by the agricultural industry in Texas, the month of November has been designated as Food and Fiber Abundance Month.

**COUNTY** Judge Raymond Wilson will serve as chairman of the Food & Fiber Abundance Month activities in Castro County.

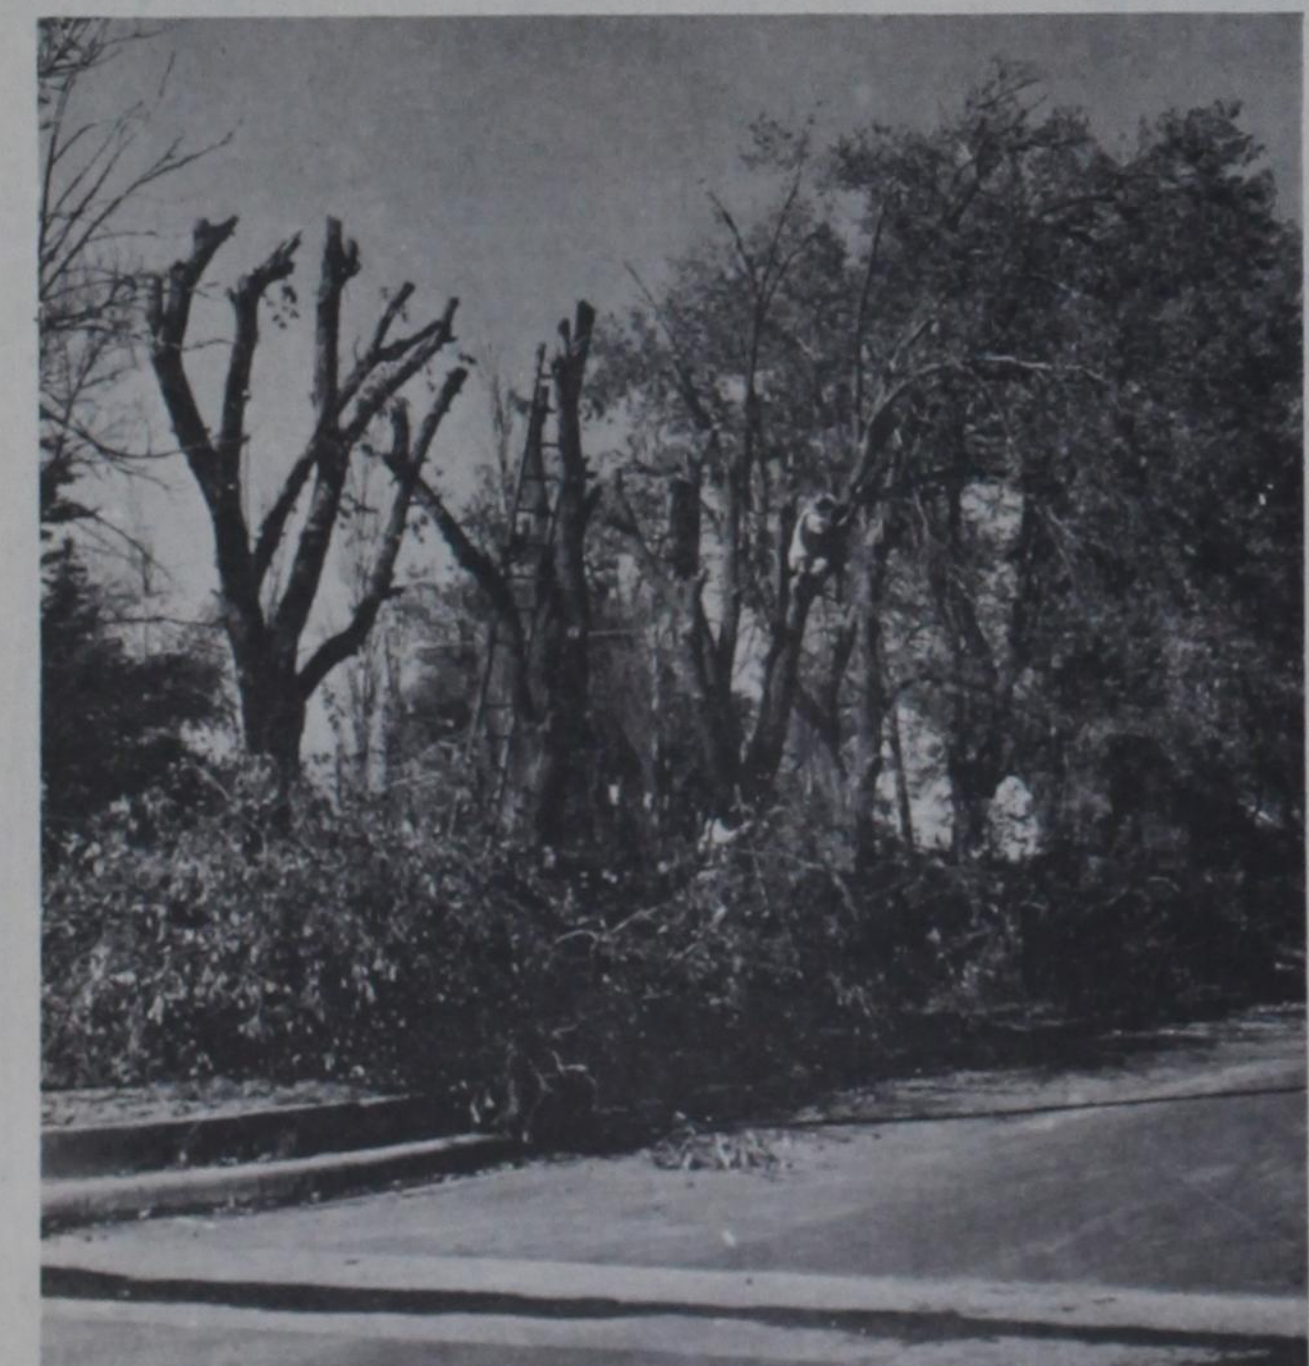

"While telling the agriculture story it must also be mentioned that no nation provides the consumers with food as cheaply as we do in the US, for the average family spends only 16 1/2 percent of its income on food," Wilson said.

This celebration was the idea of many people involved in the agricultural industry, according to Charles G. Scruggs, editor of **The Progressive Farmer** and chairman of the state sponsoring organization.

"**NEVER** IN the history of the world have so few fed so many so well with such a selection of foods. The average farmer in the US today raises enough food to feed himself and 45 other people," Scruggs said.

W. H. Meischen, executive director of Vocational Agriculture Teachers Association of Texas and state coordinator for the celebration, commented, "Perhaps the most significant fact is that we need only five percent of our entire population to provide this food and fiber. The other 95 percent are free to pursue other vocations that in turn help to make our standard of living something that every other nation can very well envy."

# Poem eulogizes Newton

When E. D. Newton died in a flood in New Mexico recently, the world lost an enthusiastic musician. And many Dimmitt residents lost a lifelong friend.

ONE OF HIS close friends here, Mrs. Troy Maxwell, has eulogized Newton with the following free poem:

**The True Life of E. D. Newton**  
E. D. Newton was a good musician. Geneva, his wife, was too. They played most everywhere. We were called the "Newton Gang" and all of us would be there. They all made the elderly happy by playing at the "Home"; they played there for charity. Money, he'd take none. He played tunes by request, many more times than three. But when he played "Under the Double Eagle" it was mostly for Troy and me.

We had birthday parties, 42 games and lots of fish fries. E. D. would be the first to arrive at the park to put wood on the fire so it wouldn't die.

And when the gang got there, the fish was ready to fry. Some 30-odd people would eat their fill. Then some of us would go off to climb the hills. E.D. took us all over the countryside. To view the hills and valleys and explain the farmer's side. We always had a real good time and when the drive was over, he would take us out to dine.

He was a jolly good fellow, always in a good mood. And when we fixed him a dinner he really enjoyed the food. He was a good friend indeed to everybody who was in need.

Several of the "gang" are missing. We never know who's next. God knows who He will be calling, for He calls the very best. We should all be ready so we can pass the test.

E. D. won't play music in this life any more. About six of us had tape recorders and we taped his music galore. Sometime later on, when our grief has

subsided, we'll play his music again, the music he decided.

Geneva was by his side playing the piano the night he died. They were called to play in a little town called Hillsboro. The dance was over, they were ready to go home. It had started raining, a warning there was none. When a flash flood hit the little town, some say. A lot of buildings were destroyed and cars were swept away. E. D. was in his car that was swept down Percha Creek. His car was found several hours later in water several feet deep.

He was buried here in Dimmitt in the peaceful countryside. He is at rest now by his Father and Mother's side. He has brothers and sisters and friends galore who will miss him forever more.

Yes, we know he is in heaven sitting on his Throne... playing music to the Angels... the Tune called "HOME SWEET HOME."  
—Lewella Maxwell

## Sessions set for Grand Jury, court

The current Castro County Grand Jury will meet Tuesday to consider evidence in felony cases, and 64th District Court will convene here the same day to conduct arraignments and non-jury trials.

THE DISTRICT Court will reconvene next Thursday to hear criminal cases.

Ten felony cases—including felony DWI, murder with malice, burglary, and robbery by assault—remain on the District Court docket. The court has disposed of seven docketed cases since Oct. 24.

## Damage is light in Monday mishap

Both cars were driven away from the scene of a minor traffic accident on Jones and East Second Streets Monday at noon.

POLICE Chief W. W. Jones said a 1968 Ford driven by Heywood Smith of Dimmitt was traveling north on East Second when it was hit in the left rear fender by an eastbound 1963 Chevrolet driven by Vera Myrtle Carter of Dimmitt.

## Two men given probated terms

Two men received probated sentences Monday after pleading guilty to felonies in District Court.

GORDON Weldon Massey was sentenced to five years' probation by District Judge John T. Boyd after pleading guilty to a charge of indecent exposure.

Albert Ramirez received a two-year probated term after he pleaded guilty to driving while intoxicated, subsequent offense.

## District Court jury convicts Hereford man in knifing case

A District Court jury Monday found W. C. McDowell of Hereford guilty of aggravated assault in connection with an Aug. 20 knifing incident west of Dimmitt.

THE JURY sentenced McDowell to serve six months in the Castro County Jail and pay a \$150 fine. The maximum jail term the jury could have assessed was two years.

McDowell was charged with assault with intent to commit murder without malice, a charge that could have carried a maximum sentence of three years' imprisonment. The charge stemmed from an incident about nine miles west of Dimmitt in which McDowell's wife, Carol Jean, received a slashed throat. McDowell was arrested three days after the incident after a three-county search by Castro, Deaf Smith and Parmar officers.

Monday's trial started at 3 p.m. before Judge John T. Boyd,

with District Attorney Tom Hamilton and County Attorney Robert Buntyn prosecuting the case and Jack Edwards serving as defense counsel. It was the young Edwards' first jury case.

After three hours of testimony, the case went to the nine-man, three-woman jury at 6 p.m. The jury returned its verdict of guilty on the lesser charge after deliberating 45 minutes. Then the jury went into session for another 90 minutes to set the punishment.

PECAN production based on Oct. 1 prospects is now forecast at 65,000,000 pounds, down from the previous estimate of 71,000,000 pounds. The 65,000,000 pound crop would be 171 percent more than the 24,000,000 pounds produced in 1971. It will be the second largest crop of record. Texas accounts for about 35 percent of the nation's total pecan production.

## Wreck causes moderate damage

A two-car accident Saturday at 5:59 p.m. at the Bedford and West Second intersection resulted in no injuries and moderate damage to the cars.

POLICE Chief W. W. Jones said a 1968 Chevrolet driven by William Stephen Anderlt of Nazareth was traveling north on West Second and had made a left turn onto Bedford headed west when it was struck by a 1969 Mercury driven by Esteban Oltivera of Dimmitt.

Jones said Oltivera was traveling south on West Second Street when he struck the Anderle car in the left front fender.

Oltivera was cited for driving at an unsafe speed, too fast for the conditions.

THE HOUSE has told the Texas Highway Department by resolution it shouldn't build the controversial new departmental headquarters across the street from the governor's mansion and capitol.

## Water, Inc. starts drive

Solicitors of the Castro County Unit of Water, Inc., have launched an intensive 45-day drive for new members. The effort is a part of an area-wide membership campaign and is aimed at swelling overall membership to 3,000.

THERE ARE currently 46 paid-up members of Water, Inc., in Castro County.

The campaign was launched with an organization-wide kickoff meeting in Lubbock recently. The special emphasis will continue until Dec. 15.

Water, Inc., was formed in 1967. It is a non-profit organization dedicated to the search for water for the future. It has more than 2,200 members in West Texas and Eastern New Mexico.

Heading up the membership drive in Castro County is Bob Caddell.

Ray Joe Riley, president of the local unit, challenged his neighbors in Castro County not only to give their financial support to Water, Inc., but to participate in county unit activities with an eye toward becoming leaders in the quest for tomorrow's water.

Membership dues in Water, Inc., are deductible as a business expense.

(Continued from Page 1) for conservation district directors) and Amendment 11 (pay hikes for speaker and lieutenant governor).

The narrowest margin on a proposed amendment here was on No. 10 (constitutional amendment procedures), which county voters favored by 16 votes. The biggest margin was on No. 11 in which Castro Countians turned down proposed pay hikes for the speaker and lieutenant governor by 1,610 to 600 a margin of almost 3-to-1.

VOTERS IN Precincts 1 and 3 ratified two new county commissioners and a new justice of the peace. Ed Bennett received 477 votes for commissioner of Precinct 1, Jimmie Howell got 526 votes for the Precinct 3 commissioner's post, and Mary Jo Smith took over the justice of the peace vacancy in Precinct 3 with 460 votes.

Leading the "popularity contest" among unopposed candidates here were County Tax Assessor Kent Birdwell with 2,054, Sheriff Jack Cartwright with 2,050 and County Attorney Robert Buntyn with 1,962.

On Page 15 you'll find the final, unofficial precinct totals on all contested races and proposed amendments. The News next week will give complete official totals on all races, contested and uncontested.

PLANS to combat the fire ant in Fort Bend County are now underway. State, federal, and county officials are working in a county-wide campaign against the fire ant. Mirex ant bait is being used throughout the county on about 495,000 acres. All necessary precautions are being taken to assure safety. Federal and state officials will constantly check the progress of
