Texas voters will go to the polls Tuesday, that's next Tuesday, April 22, to vote on two amendments to the state constitution. Copies of the two proposed amendments to the constitution, along with a sample ballot for the election, appears on page twelve of this issue of the News.

Amendment No. 1 on the ballot is (S.J.R. No. 3). This amendment has to do with changing existing legislation pertaining to provisions relating to state and local retirement systems. Turn to page twelve, read the amendment, then make your decision as to how you think you should vote, then express your preference Tuesday at your polling place.

Amendment No. 2 on the ballot, (H.H.R. No. 6) is another effort to effect a pay raise for state legislators. The proposed pay raise for our legislators has been rejected several times by the voters, possibly for various reasons, not the least of which might just possibly be the performance of past legislatures while in session. They are asking for a pay hike from \$400 per month to \$600 per month, with some additional side benefits, which is not an unreasonable request. Some of the performances by the legislature would indicate that the members are being overpaid, but we elected them so let's pay them something like a living wage.

I would say that the members of both houses of the legislature will earn their take home pay this session, just through the process of hearings and consideration of the federal Equal Rights Amendment. Although passed by a previous legislature the controversial issue is up again for consideration, this time for repeal. According to news reports anti and pro ERA ladies were out in force for the House committee hearing the first of the week. It was a colorful hearing, pro-ERA women wore red, white and blue trappings, while anti-ERA ladies were dressed in pink. The news didn't mention the color preference of the committee members. You could assume that they were black and blue by the time the hearings were called to a halt. At least those worthies will earn their pay on this issue.

Be sure to vote Tuesday. You might think about this bit of legislation while you are considering other matters on the local and state level that might be important to you, your friends or someone you might become acquainted with later. These two paragraphs appeared in a news story Tuesday: "In other action Monday, the Senate approved and sent to the governor a bill for the state to pick up the tab for the defense of Ignacio Cuevas, who recently was convicted of murder. It has been estimated that Cuevas' appeal could cost as much as \$121,000 in legal fees." There may be some explanation for this piece of legislation.

Funds pour in to modify hail

After receiving a permit from the Texas Water Development Board Tuesday, Better Weather, Inc., plans to put a modified program into effect May 1.

"AS OF Monday night, we had \$87,000 on hand so the program is moving forward and it looks like we should be able to go with it," said James Welch, president of Better Weather, Inc.

Within a week, \$67,000 was contributed to the program, enabling it to stay alive. According to Welch, the program will start May 1 instead of April 24 and will run through the balance of the season, ending in October. Besides taking a week off the front end of the program, the executive board decided to reduce the target area by trimming some of southwestern Lamb County.

"We still need the balance of the funds to have a full-season program," said Welch. "Our next meeting will be Monday night at the Earth Community Building. We'll review the funds on hand at that time and issue a policy statement by the board regarding the program we'll be able to operate with the funds we have."

ALL... TOGETHER?—With the discomforting knowledge that they're being judged by their classmates, sixth grade girls try out for class cheerleader posts during an election

rally Friday in Dimmitt Junior High auditorium. Following the rally, Tanya Fry and Hope Garza were elected cheerleaders for next year. The class also elected representa-

tives to the Junior High Student Senate for next year, with Terry Mixon, Tammy Ross, Bobby Crozier and Sharla Street winning the posts.

NEW 'ELECTRONIC OPERATOR' GOES IN
Workers from Kansas City install DDD equipment

'DDD' is on its way

Continental Telephone Co. is underway with several projects that will improve telephone service in Castro County.

THIS WEEK, six men from Stromberg Carlson Contractors in Kansas City are in the Dimmitt office to install equipment for the Direct Distance Dialing system (DDD), which will allow customers to do their own dialing on long distance calls at a

cheaper rate, without operator assistance.

According to Reeford Burrous, construction superintendent, the DDD system will go in to operation in November of this year if equipment continues to arrive on time.

"We will open the system in Dimmitt first," explained Burrous. "After we get it operating smoothly there, we

will cut in Hart, Nazareth and Sunnyside."

THE COMPANY also plans to add 300 new numbers to take care of the growing demand in Dimmitt and the county.

Two new operator positions were tested and put into operation this week. They are expected to help provide quicker service on long distance calls.

"We are going to install a toll route to Hereford to meet the Bell System," said Burrous. "This will keep us from being isolated in case the cable to Plainview gets cut. At the same time, we will lay another cable to upgrade service to customers along the Hereford highway."

Common site for elections seen possible

Representatives from the county, hospital district, Dimmitt School District and the City of Dimmitt met Friday to discuss the possibility of holding elections at a common polling place, but they reached no decision.

THE Election Code would allow school, city and hospital elections to be conducted at one site. Representatives from all three political entities indicated they would be in favor of a common location, in hopes that it would draw a larger voter turnout because of its convenience.

The possibility of using the courthouse, school, city hall, fire station or county exposition building was discussed.

Dimmitt Mayor, Elmer Youts, and Robert Ryan, school business manager, both said they would have to check with attorneys on the legality of designating a polling place before they could commit to an agreement.

The weather was dreary but the smiles were sunny as a slow, soaking rain deposited a multi-million-dollar inch of moisture on cropland at just the right time.

THE SMILES were biggest on the faces of the county's dryland farmers. The gentle rains provided the moisture needed to get the dryland wheat crop up and make it thrive.

It was an important rain for irrigation farmers, who were able to shut down their wells for a while and save on high fuel costs as well as water.

County calls for new car, sound system

The County Commissioners' Court voted Monday to call for bids on a new car for the Sheriff's Dept. and approved purchase of a new public-address system for the County Exposition Building.

THE NEW sound system is to be installed within 60 days to replace the original PA system in the new county building. An Amarillo representative of the Federal Food Stamp Program was on hand at Monday's meeting to explain the program to the commission and answer questions.

A new audit starts today (Thursday) in all departments of county government.

Edwin "Goose" Ramey recorded 80 of an inch last Thursday and another 20 of an inch Sunday. Falling on top of .08 of an inch recorded Tuesday of last week, the rainfall put Castro County's farmland in prime condition for feed-grain planting and gave wheat just the boost it needed.

DHS golfers extend lead

Dimmitt High School's golf team built its district lead to a commanding 37 strokes this week, with just one more course to play in the 3-AA title race.

DIMMITT gained four strokes at Olton last Thursday and seven more at Littlefield Tuesday. The final round will be played at Friona today (Thursday).

Last Thursday's round was called after 13 holes because of rain.

At Littlefield Tuesday, Dimmitt shot a team total of 333 on 18 holes to finish seven strokes ahead of Olton on the course. Kelly Moore was the low medalist with 78, followed by John Cook with 81, Keith Crum with 83 and Tobin Touchstone with 91.

Team totals after the third round of play Tuesday were Dimmitt 913, Olton 950, Littlefield 998 and Friona 1040.

Satellite School cites volunteers

"I think almost all our students are capable of finding a job that they can do — work is fun to them," teacher Norma Conard reported at the annual awards luncheon of the Dimmitt Satellite School last Thursday.

SHE EXPLAINED that the Satellite School's purpose is to train retarded students in basic knowledge and job skills so they can eventually earn their own living, either in open-shop situations or in "sheltered workshops."

Mrs. Conard showed slides of the local students working around the school and at Smith Produce Co. at Hart, which cooperates in their training program. At the school, students were shown cooking and preparing their own meals, doing the school laundry with a wringer washer, and other jobs. Slides taken at Smith Produce Co. showed them sacking potatoes, stacking sacks, and cleaning the building and fixtures after the potato season.

Her program also included slides showing each student's birthday party at the school. Beta Sigma Phi sorority in Dimmitt makes sure each student's birthday is celebrated with classmates.

TABLES at the awards dinner were decorated with decoupage plaques and decorative polyfoam butterflies which the students made. The event was held in the First United Methodist Church's Lamar Fellowship Hall.

Highlight of the dinner was

the presentation of award pins and certificates to the volunteer workers who helped Mrs. Conard with the Satellite School program during the year.

Receiving pins for more than 100 hours of volunteer service during the year were Grace Dunaway, 225; Harriet Dunaway, 161; Harold Smith, 150; Rhonda Welch, 136; Alvina

School board urges sales-tax financing

Would an additional state sales tax be a fairer way to finance Texas public-school education than a property tax based on land productivity?

MEMBERS of the Dimmitt School Board feel it would be, and they're urging state legislators to go the sales-tax route instead of the property-tax method proposed in the Governor's Bill on Public School Financing.

The ad valorem tax plan would require reassessment of all property in the state, and school board members here feel it would result in prohibitive taxes on farmland.

Supt. Charlie White reported at Monday night's school board meeting that the Governor's Bill would increase the tax rate in the Dimmitt Independent School District by 20½ cents if adopted in its present form. The current school tax rate here is \$1.73 per \$100 assessed valuation.

WHITE SAID he had sent an official complaint to state officials about the penalty which the proposed Governor's Bill would impose on the local school district.

"I'm in favor of a one-cent sales tax for education," White said. "I think it's fairest."

The sales-tax method of fi-

nancing has been proposed in House Bill 1160, now before the Texas Legislature.

TRUSTEE Charles Wales urged residents of the district to write Speaker of the House Bill Clayton at the State Capitol Building to urge his support of HB 1160. Wales said Clayton reportedly favored the sales-tax route at first, but apparently is now going along with the property-tax proposal included in the Governor's Bill.

Former School Board President Jack Miller said when the Governor's Bill was presented to regional school trustees in December that the "financial restructuring" plan in the bill "could possibly drive agriculture out of Texas."

Using the evaluation/assessment formula proposed in the Governor's Bill, a study group in Deaf Smith County reportedly projected evaluation figures as high as \$2,500 per acre on prime land.

"WE WERE told in one meeting that a statewide one-cent sales tax for education would more than meet the need," White told school board members Monday night. "In fact, one official estimated that a tax of four mills (0.4 of a cent) would probably raise enough money."

Board releases Wright; ponders stadium move

In their April meeting Monday night, Dimmitt's school trustees voted to release Head Football and Track Coach Deane Wright from his contract effective Saturday and called for open applications for the coach's position.

THE BOARD also talked about moving Bobcat Stadium, approved the use of \$56,368 in emergency school-aid funds, and elected officers for the coming year.

Wright, who has accepted the post of head football coach and athletic director at Canyon High School, asked to be released "as soon as possible."

Board members agreed to release him after the district track meet Friday in Little-

field. Assistant Coach Alton Fields is to accompany DHS tracksters who qualify for the regional and state meets.

Rather than promote anyone within the local system to the head coach's post, the board voted to ask local applicants to apply along with coaches from other schools.

DURING A discussion on the use of \$56,368 available through a special state appropriation, Trustee Charles Nutt proposed using part of the money to move Bobcat Stadium either south or east of the high school, where adequate paved parking could be provided. He said the move would release the present stadium site for more playground space for elementary and middle-school students.

"We've got to replant the field again, we're getting ready to install new lights and poles, and we've been talking about a new field house," Nutt said. "Why don't we just move the stadium while we're at it? If we don't, we're just throwing good money after bad."

At Donald Wright's suggestion, the board requested Supt. Charlie White to refer back to the original property-use options in the district's "master plan," or to draw a new master plan to include a football field, field house and paved parking lot.

THE BOARD tentatively earmarked \$10,000 of the special state funds for moving the

Radio operators to meet Tuesday

The Dimmitt Chamber of Commerce has scheduled a meeting for licensed citizen band radio operators at 7:30 p.m. Tuesday in the Community Room of the City Hall.

THE MEETING is in connection with the Emergency Preparedness Plan now in developmental stage.

According to Elvon DeVaney, Chamber manager, a licensed operators organization can be a real benefit to the Emergency Preparedness Plan when a disaster occurs.

TOP VOLUNTEERS assisting the Dimmitt Satellite School during the year included these five persons, who received pins in recognition of 111 to 225 hours of voluntary service during the school's annual awards banquet last Thursday. From left are Harold Smith of Hart, Alvina Gerber of Nazareth, Myrtle Lois Moran of Dimmitt, Reta Welch

of Bethel and Grace Dunaway of Dimmitt. Rhonda Welch and Harriet Dunaway, who also have contributed more than 100 hours' service apiece, were not present to receive their award pins. On the table and in awardees' hands are decoupage plaques and other decorative items made by the Satellite School students.

Ladies return from tour of Deep South and Bahamas

By MYRTLE SHEFFY

Maurine Henderson and her cousin Madeline Bell of Hereford are home from a fun trip to the Southeast. They went to Florida and the Bahamas, spent three days touring the Islands and in Florida they saw St. Augustine, the oldest city in the U.S. They saw the Cypress Gardens and Disney World at Orlando, Fla. They made a tour of the Kennedy Space Center at Titusville and spent one night there. Then on to Miami, where they made a cruise on the Emerald Seas Ship to Nassau, then the Bahamas. Coming home they saw the beautiful Bellingrath Gardens out of Mobile, Ala., then to New Orleans, one of the most interesting cities. Saw the French Quarter and the statue of Jackson on the horse standing on one foot. Spent two days in the hotel on Bourbon Street. On to Natchez, where they saw the lovely Antebellum southern homes and the Confederate Pageant portrayed in ballet. Stopped in Vicksburg to see the site of the battlegrounds of the Civil War. Stopped in Dallas for the farewell banquet of the tour group at Downtown Sheraton Hotel, then back to Amarillo. Then each to his own home.

MRS. CHARLES Hottel and her five HECE girls, that is Home Economics Coop Education, have been making station visits to the places they work for credits. These are the girls: Patricia Smith and Bobbi Kirby at the Hospital, Lupe Quinonez at Super Market, Teresa Broadstreet at TG&Y and Janis Fore at Parsons.

Mrs. Ronnie Farris of Dalhart was the reviewer at the regular meeting of the Book Club Wednesday afternoon. The story, "Beyond Desire" was about the life of Jakob Ludwig or Felix Mendelssohn a German composer of some of the finest music. He conducted in Dusseldorf, Leipzig and London. His compositions include "A Midsummer Night's Dream," and five symphonies and many others. He married one of the most beautiful ladies in that area, the daughter of a Calvinist preacher, a hothead and Felix was a devout Jew. But he felt that his work was God's gift that had to be done, in spite of religious difference. He found the lost work of Bach wrapped around meat from the market.

Mrs. John Nichols came from Tulia and Mrs. Ray Axtell from Earth.

LAST WEEK I told you that Mr. Curtis Johnson of Clarendon died, but I didn't say that his brother Oscar Johnson also went to the service. He is Cowboy's dad and friend Howard Hershey went too.

Jack Summers has been to Oklahoma City about his eyes, but I hear no surgery is planned.

Cecil and Blanche Ginn went to Lubbock on business Wednesday, then on to Colorado City for a few days visit with an aunt.

George and Barbara Hudson are home from a visit with their son Bobby Hudson and family in Houston. George went fishing with kin, but their grandson Chad fell and broke his leg below the hip and he is in the hospital recuperating from that accident.

GOING TO the Art Linkletter talk on drugs last week in Friona besides the hundreds of Friona residents were Mr. and Mrs. Truett Boothe, Mr. and Mrs. Joe Butler, Mr. and Mrs. Mike Boothe, Mr. and Mrs. Pat Hardy and Sue Miller. Mr. Linkletter was a houseguest of George and Andrea Fry. She is the daughter of the Boothers. The Frys also had a reception in their home for the speaker who told of the damage to the body when drugs are used unwisely. Mr. Linkletter has written a fun book on sayings by children and had a television show for many years.

And Wednesday Ray Alexander, assistant director of Central Plains Mental Health Center in Plainview was guest speaker at the Fellowship Hall at the Methodist Church. 32 ladies heard him tell some of the problems from the wrong use of medicine or drugs. He tells parents and kids to keep the line of communication open. Kids are apt to turn off their parents and teachers, so how can you help if they don't listen? Mrs. Norville Birdwell and another lady were guests also. Dinner was served by the Naomi Ruth Circle. And Mrs. Jerry Wyatt gave the meditation on talking, watching our words. Do say the right words.

RUIDOSO was the place that several people went to for a holiday ski run and a change of scenery. Patricia Braafladt tells me that she and children, Jerri Butler and her kids, Sandra Potts, Sandra Clark and daughter were there and stayed at Buster Cooper's house.

And Bill and Jo Behrends and two sons Dean and Richy and Linda and Don Logsen and son Brad were at the Behrends-Derrick cabin. They came home the long way by Juarez, Mexico, bought some clay flower pots and a leather Mexican purse. The ladies plan to plant petunias, red, white and blue, for the library garden.

Joe and Donna LaRue have moved back to Dimmitt from San Antonio. He is farming with her dad Donald Gilreath and Donna says they have a town house in San Antonio for sale if you wish to move 500 miles south.

Charlie Garza of Dallas came home for a holiday visit with his folks. I think the Tony Garzas. You hear Tony on KDHN in the afternoon.

VERA WEBB and son Allan and Peggy flew off to the south last week. The first stop was in Midland where they picked up Vera's daughter Mary Jean Copeland and a niece Nelda Timberlake. All went on to Orange on the southeast Gulf

Coast for a Cockrell family reunion in the home of Mike Milligans. They went to Lake Charles to visit kin. Mrs. Milligan is the daughter of Juanita Blaine who helped with hostess duties. All the men went fishing at Toledo Bend, brought home fresh fish. And Mrs. Flora Stanford went to Nassau south of Houston to visit her family. She brought home fresh shrimp which she served at the Church dinner Wednesday.

Ben and Karen White of Oklahoma City visited Karen's grandmother Myrtle Williams last weekend. They were with a group from Edmond College which gave a series of plays at First Baptist Church in Hereford. This was part of their practice teaching before graduating in May.

Mrs. Oma Simmons of Springfield, Mo. is here for a visit with kin, Maurine Henderson, Mildred or Nita Kyle, Carl Simmons and former Flagg neighbors, the Bruegels, Bradfords, and Sheffys.

THE JIM Bagwells attended a family reunion of Robertha's brothers and a sister Easter Sunday in Floyd County near Petersburg. Five of the six brothers were there. The youngest, Woodrow, had back surgery and was unable to attend. They live in Mesa, Ariz. J. A. Bagwell and family from Salida, Colo., Christine Bell from Perryton and Grace Marie Holland from Midland met their parents there, the Bagwells.

Mr. and Mrs. Bill Carrell from Hood River, Ore., are visiting Mr. and Mrs. Thomas Carrell and Mr. and Mrs. Raymond West. Mr. and Mrs. Logan Francis of Quanah, Frank Carrell and Daisy Wallen of Olustee, Okla., came out to be with the brothers and sisters Kirby Carrell and family from Bovina also Geline McGee flew in from Houston and Shelia West came from Amarillo. Peggy Long, James and Tammy of Amarillo, Mr. and Mrs. A. T. Kirby, Lynn West and others dropped in for the reunion. Mrs. Odie Mundell of Roswell spent last weekend in Dimmitt visiting her mother Mrs. Laura Weems, the McRees, Wests, Carrells and others.

MRS. GOODWIN Miller was hostess Thursday with dinner at the Colonial Inn Restaurant with bridge later at home. Guests were Ruth Wooten, who won high score, Retta Cluck, second, Josie Bradford, Maggie Boren, Opal Bearden, Cletha George, Gladys Cleavinger, and Myrtle Sheffy.

Mona Merritt had her bridge playing friends out to the farm Thursday. She served some good fattening food to Ina Cleavinger, Courtenay Armstrong, Shirley Wise, Carolyn Jones, Jo Eddie Riley, Betty Patterson, Joannis Robertson and Dorothy Mayfield.

Mrs. Zelma Thomas has moved here from Odessa to the Larry Morris house at 210 SW 4th. She plans to work at the bank and will attend church. She is the mother of Prentiss Thomas and an aunt of Mrs. Johnny Davis.

UFW NEWS

By Gerald Broadstreet

Greetings Comrades,
It's been a long time since I've had the opportunity to write. My time has been taken up with other personal duties, but I do have some information that you will be interested in.

LAST Monday night at our regular meeting we elected our new officers for the 1975-76 term. We will have our installation ceremonies at our next regular meeting May 5, then the new officers will assume duties after the State Convention June 24.

Our newly elected officers are as follows: Commander, Harry Hauf; Senior Vice-Commander, Ted Stubblefield; Junior Vice-Commander, Herman Acker; Quartermaster, Lee Roy Wood; Judge Advocate, Archie Bussey; Chaplain, Gene Johnson; Surgeon, Gordon Fore.

The Ladies Auxiliary also elected officers and Florene Leinen was re-elected to serve her eighth term as president. Congratulations Florene, that's a hard record to beat and we are proud to have you on our team and I hope you have a most successful year.

THE OTHER newly elected officers are: Senior Vice-President, Linda Broadstreet; Junior Vice-President, Ilene McElroy; Secretary-Treasurer, Sylvia Stubblefield; Guard, Lurline Pope; Patriotic Instructor, Kitty Johnson; Chaplain, Polly Holland; Historian, Della Chapman; Conductress, Gaby Roland.

Last Friday night we had a dance at the post home and Tiny Lynn and his band played to a near capacity crowd. We are fortunate to have such a good band and I know everyone enjoyed them as much as I did.

Comrades, we are way behind on our dues as compared to last year. If you still haven't paid your dues please do so today. Let's see if we can make our quota of members (193) by

Social Security agent sets visit

A representative of the Amarillo Social Security Office will be at the courthouse from 9:15 to 12 noon Monday to help on any matter relating to Social Security, Supplementary Security Income or Medicare.

SERVICE is available daily at the Amarillo office, 317 East Third and by phone, 376-2241. Calls to the office can be made toll free by asking the Hereford operator for ENterprise 8-3353.

Office representatives are also available to give programs on social security.

Number Of U.S. Farms Seems To Be Stabilizing

The number of farms in the United States appears to be stabilizing.

A recent USDA estimate shows 2,819,000 farms will be operated in the nation this year. That's down only four-tenths of one percent from 1974.

Total land in farms is pegged at 1,086 billion acres, only slightly below the last two years. Average farm size is 385 acres, up one acre from 1974's figure.

The Muleshoe Fire Dept. for their annual Fireman's Ball, conduct flag raising ceremonies and they also work with the Little League Baseball program.

AS YOU can see Comrades, our VFW posts in District 13 do have an active roll in the improvement and betterment of their communities.

A date to keep in mind is May 24-25. This is when our next district convention will be and the place is Post 5681 in Canyon. I hope you will make plans now to attend for this is one of the more important meetings as we'll be electing the new district officers.

By the way, I want to mention that we have bought new cards to use at our regular Wednesday Game Night activities. If you haven't been out lately, we'd be glad to have you. Starting time is 8 o'clock but if you want to get your favorite table come early.

How can you spot an abused child?

By CHERYL BREWER

Child abuse has become a big problem in our society. Child abuse happens everywhere. Alert individuals can affect the amount of child abuse that occurs in their families — and even in their communities. BE ALERT for repeated skin or other injuries for which there are no satisfactory explanations. Labeling the child as clumsy or accident prone by the parents may be an attempt to justify the child's injuries.

An abused child may generally appear fearful and withdrawn. But other abused children will be notably aggressive or destructive. If either type of behavior is consistently observed, the home life is probably not supportive.

Another form of abuse is severely restricting a child's activities. Parents may keep an infant confined in a play pen or crib for long periods of time without responding to his physical and emotional needs.

IF YOU know of incidences of child abuse, the state has provided a phone service where you can contact the proper authorities. The toll-free number is 800-292-5400.

Since this is my last news article, I would like to say thank you to all the people of Castro County who were so helpful to me during my period of training as a County Extension Assistant. I really do appreciate everyone's help.

What's cooking at the schools

Here are the Dimmitt school menus for April 21-25.

Monday — Country fried steak, creamed potatoes, green beans, fruit, rolls, butter and milk.

Tuesday — Tamale pie, Mexican beans, tossed salad, pudding, rolls, butter and milk.

Wednesday — Barbecue on bun, pickle circles, blackeyed peas, gelatin with fruit and milk.

Thursday — Fried chicken, potato delight, broccoli, peanut butter cup, rolls, butter and milk.

Friday — Macaroni and cheese, Vienna sausage, green peas, fruit salad, rolls, butter and milk.

View from the Library

By MARY EDNA HENDRIX

National Library Week is April 13-19, and we have planned several interesting things — so come by the library while you are in town.

WE HAVE asked the artists in the county to bring a painting each to be put on display, so you will want to see this exhibit. If no one has contacted you about bringing a picture, then let me invite you now to bring one of your paintings to be hung in the library for a few days. We are quite proud of all our artists in the county.

We are still having Children's Story Hour for pre-school children every Friday from 1 to 2 p.m. The Town and Country Home Demonstration Club is sponsoring our story hour. Members of this club who have helped this year are Verletta Witt, Margaret Womack, Shirley Schacher, Lynette Rials, Martha Isaacs, Kathy Goolsby, Rita McDaniel, Donna Allen, Melba Sanders, Drilma Handley, Oneida Hutto, Ann Henderson and Yvonne Huffines. These club members tell the stories, direct the games and serve refreshments. The average attendance has been 25 boys and girls this year.

The Genealogical Society meets at the library the third Thursday night of each month. If you are interested in tracing your family tree, why not visit this group and let them give you some instructions on the process of finding facts about your ancestors? We have a microfilm reader in the library for interested persons to use to read microfilms that can be rented or bought. Mrs. William Moss is the president of this group, and Mrs. Madge Robb is the past president.

WE HAVE A new Xerox copying machine in the library, and we would like to encourage anyone who needs to make a copy of anything that is letter size or legal size to come in and let us help you with this service. The cost is 10 cents for each page.

We would like to remind you that if you need a book which we do not have in our library, we are allowed to call the Amarillo Public Library on a collect call for them to send us the book. If Amarillo does not have the book, then they can Tele to the other major resource libraries in Texas for one of them to send the requested book.

WE HAVE too many books that are overdue — so during National Library Week we will have an amnesty period. You may bring your overdue books back without any charge, so please bring your overdue books back to the library this week and save some money!

The library hours are 9 to 6 Tuesday through Friday, and 9:30 to 4 on Saturday. Please remember, we are closed on Mondays.

Jack Miller is chairman of the library board, which has worked hard for the last few years during the building program of the library. Other board members are Leora Little, Edna Riley, Jackie Armstrong and Mary Acker. New members of the board are Lana Downing, Irene Wilhelm and Maxie Horton.

WE HAVE A new Xerox copying machine in the library, and we would like to encourage anyone who needs to make a copy of anything that is letter size or legal size to come in and let us help you with this service. The cost is 10 cents for each page.

We would like to remind you that if you need a book which we do not have in our library, we are allowed to call the Amarillo Public Library on a collect call for them to send us the book. If Amarillo does not have the book, then they can Tele to the other major resource libraries in Texas for one of them to send the requested book.

WE HAVE too many books that are overdue — so during National Library Week we will have an amnesty period. You may bring your overdue books back without any charge, so please bring your overdue books back to the library this week and save some money!

The library hours are 9 to 6 Tuesday through Friday, and 9:30 to 4 on Saturday. Please remember, we are closed on Mondays.

THE DIMMITT Book Club met last week with the president, Mrs. Sue Merritt, conducting the business meeting. Maxine Tidwell and Shirley Stephens served lovely refreshments.

Carole Farris from Dalhart (formerly of Dimmitt) reviewed the book "Beyond Desire" by Pierre La Mure. This a story of love: Mendelssohn's love for the fiery Italian prima donna, Maria Salla, and for Cecile Jeanrenaud, his wife, who

MRS. LEONA ROTHWELL, who turned 90 Sunday, was honored at a birthday reception in the First United Methodist Church Monday. Women of the church hosted the reception and presented a money tree to Mrs. Rothwell.

Braddock to host dairy conference

Our special pictures of the month are on display in the library. The artists are Jonalyn Jones and Jewell Brooks of Hart. These pictures are so different from any we have had, and we are proud to have them on display. We hope we have visitors from all over the county come in to see all the paintings on exhibit this week.

We need more patrons like Mrs. Anne Ethington, who comes to the library and gives us a donation about once a year. We really appreciate this. Be sure to come in this week for coffee.

NEW HEADQUARTERS OF HIGH PLAINS CONSERVATION DISTRICT
... Located on Avenue Q in Lubbock

Water district has new home

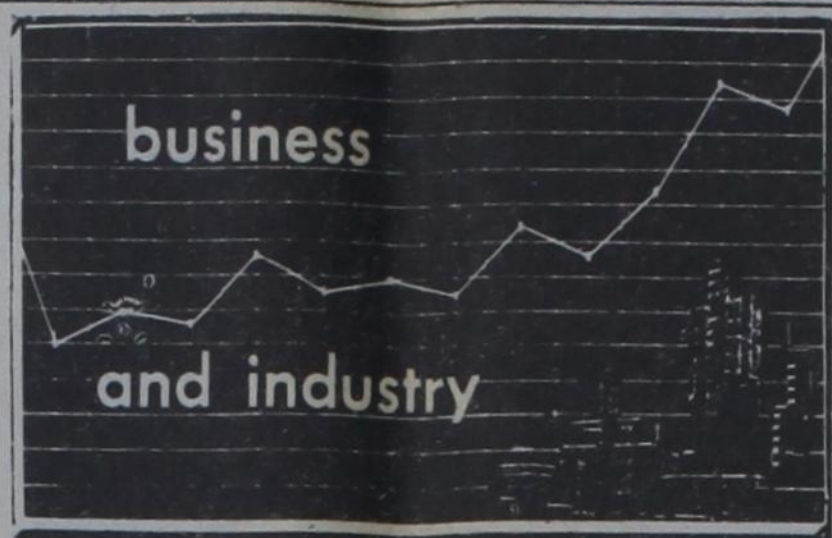

The High Plains Under-ground Water Conservation District No. 1 has relocated its Lubbock headquarters office from 1628 15th Street to 2930

Avenue Q. Funding for the building was provided by five years' interest on time deposits, ceilings on salaries and certain expenses, the use of grants to supplement the working functions of the District.

THE 8,000-square-foot building will house all well records and related data, a reference library, a 30-foot by 40-foot board room (featuring sound-projection equipment), a photography reproduction

laboratory and a water quality analysis laboratory.

District Manager Frank Rayner noted that the new headquarters will facilitate the efficiency and effectiveness of the District's many groundwater conservation and management programs. He also noted that the new building would provide meeting, research and educational facilities for the activities of other water groups, professional, educational, economic and private institutions, and for the general public.

Arthritis seminar set for April 30

The West Texas Chapter of the Arthritis Foundation and the Texas Agricultural Extension Service will sponsor a one-day seminar April 30 at the Hilton Inn in Amarillo to inform concerned individuals about the effects and treatment of arthritis and what citizens can do in helping those victimized by it.

THE SEMINAR will feature six Amarillo physicians who will provide latest research and treatment developments as well as testimonies from several persons who have suffered from arthritis and have recovered or learned to cope with it. The Arthritis Foundation estimates that 50 million Americans have some form of the disease, which generally requires a great deal of time, treatments, and exercises to ease suffering.

ACCORDING to Mrs. Sue Farris, District Extension agent, the seminar was planned in response to requests from across the High Plains. It is designed to offer an opportunity for individuals to learn about arthritis and how they can support those who suffer from it.

For additional information on the seminar, contact Mrs. Irene Keating, county extension agent.

ROY ALEXANDER

Alexander moves to new position

Roy Alexander has been named assistant executive director of the Central Plains Mental Health Center.

ALEXANDER formerly served as director of outreach services, which included regular visits to the local mental health office as a staff psychologist.

In his new position, Alexander will help coordinate all phases of the Center's programs and projects, perform duties of the executive director in his absence, supervise all clerical and receptionist workers, supervise preparation of periodic and special reports, hire receptionists, secretaries and technicians and generally assist the executive director in his duties. He replaces Nick Harrison who has taken a simi-

lar position in Beaumont. Phillip Carpenter, director of marriage and family services, has been assigned directorship of the satellite programs and

will be making regular visits to Castro County. AT LAREDO the onion harvest is expected to begin about April 10.

Millions of people have hobbies that range from collecting stamps to photography to restoring antiques. And most executives have on-the-job skills that are marketable off the job as well, as teachers, consultants and writers. Now, with inflation still high, the economy in a tailspin and unemployment still climbing (even among executives and managers) more and more people are looking to their hobbies and skills as sources of extra cash. Sometimes a hobby can even open the door to a whole new career.

FOR MOST executives, facing everything from soaring college bills to sky-high home heating costs, even 10% of regular take-home pay is well worthwhile. And 10% is about the maximum profit potential of most hobby enterprises.

Owners of profitable sideline hobby business have to eventually decide whether to expand into a full-time business.

But, making it big with a full-time hobby business depends on the basic profit potential. Unless your hobby business is returning 20% or more a year on the capital investment, forget about making it a full time career. Business consultants believe that about 90% of all hobby business failures are the result of management mistakes. And most new business will fail. Dun & Bradstreet has compiled figures which show that of all new small companies, about a third fold within one year and only a third stay alive more than five years.

REMEMBER also that the background of an executive does not prepare him to handle all of the details of a one-man operation. And others are just not emotionally ready to carry the burden of being self-employed. Be sure the public wants what you have to offer by doing some market research before starting.

Conservation
Parallel terraces gain in popularity

By CLAYTON JOBE
Soil Conservation Service

When terraces are mentioned, many farmers don't like to talk about them. However, the terraces that are built in modern times are rapidly gaining popularity. They are called parallel terraces.

THESE terraces are easily farmed and are built parallel to each other, thus eliminating point rows which were so com-

mon on the old standard type terrace.

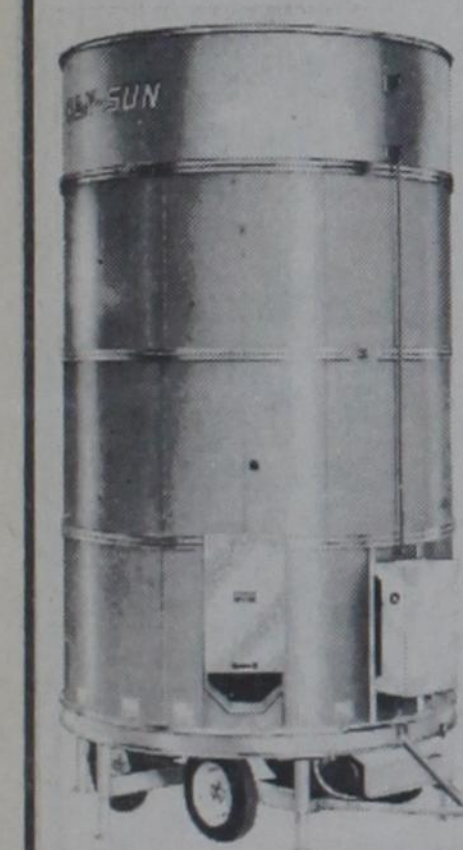

Of course, the purpose of terracing a field is to prevent or eliminate gullies, and to hold as much of the water from rainfall as possible on the land. This keeps the soil where it belongs and will increase production of crops. It keeps the farmer from worrying about whether his field is going to be washed away during a heavy rain.

There are many parallel terrace systems already established in Castro County. One of these may be seen at the Jeanette Kemp farm located two miles east of Dimmitt.

MR. KEMP established this terrace system through the Great Plains Conservation Program, with both technical and financial assistance being given. Sixty percent of the cost of constructing these terraces is offered through the program. Also, cost-share assistance is available through the Agriculture Conservation Program from the ASCS office.

Farmers who are interested in these terraces may contact technicians at the Soil Conservation office or at the ASCS office.

Mr. and Mrs. Harold Broadstreet announce the engagement and approaching marriage of their daughter, Teresa, to Sandy K. Parsons IV, son of Mr. and Mrs. Sandy K. Parsons III.

MISS Broadstreet is a senior at Dimmitt High School and will graduate May 30. Parsons, a 1972 Dimmitt High School graduate, attends Amarillo College.

The couple will exchange vows in Lee Street Baptist Church June 6 at 8 p.m. Friends and relatives of the couple are invited.

TEXAS TALK

By Jim Hays

Agriculture is still No. 1. Although only about 4.5% of the population works on farms, another 25% of working Americans are employed in directly related industries. Food transportation, marketing, financing, manufacturing, chemical development and textiles are a few of the businesses which push the agricultural industry to the nation's number one position, accounting for nearly 25% of the Gross National Product.

As bad as things are economically, Americans still spend only about 16 percent of their income after taxes for food. In a majority of the world's countries the amount of income paid for food exceeds 45%. In 25 years the percentage of disposable income spent for food in the United States has decreased more than 28%. As dramatic as this decrease, is the increase in selection and quality of foods available to the American consumer, evidenced by the more than 11-thousand food selections at many supermarkets.

Last Thursday Doris Lust, Nell Ingram, Margaret Womack, Donna Allen, Kathy Goolsby, Oneida Hutto, Shirley Schacher, Mary and Agnes Acker, Cheryl Brewer and I went to Dumas to the District I Texas home Demonstration Association meeting. The Moore County women did a very nice job and we are all delighted with the flower arrangements we got as table favors.

SPEAKERS at the program included Dr. Winfred Moore, who gave some interesting ideas on "Preservation of Homes and Families," and Judge Naomi Harney who spoke on "Child Abuse Laws." Three ideas from Dr. Moore that would benefit us all were:

- (1) We must accept the responsibility of rearing our children.
- (2) There are so many mechanical (and other) miracles today that we can't understand, and they're taking away our value as persons.
- (3) Too many people swap God for gadgets. Judge Harney shocked us all with some of the terrible abuses children undergo, usually from their parents, and told us of the new law requiring that we turn in anyone we suspect of abuse — be it emotional, physical or other.

Sorority holds pledge ritual

Dimmitt Alpha Epsilon Tau Chapter of Beta Sigma Phi held its regular monthly meeting Wednesday night at the Castro County County Club with 18 members present.

PRIOR to the meeting, pledge ritual was conducted for rushees A'llan Bradley, Delores Golden, Lucy Nelson, Diane Sanders and Pam Woodard.

Officers for the coming year were voted on and will be installed on Founders Day at the next meeting May 7.

Girl of the Year was voted on by secret ballot and will be presented at the next meeting by last year's Girl of the Year, Sandra Clark.

Hostesses for the evening were Jerry Butler and Beverly Lindsey.

MRS. DUANE HENRY BRADDOCK
... The former Dolores Diane Heck

Miss Heck, Braddock exchange wedding vows

Miss Dolores Diane Heck and Duane Henry Braddock exchanged wedding vows Saturday in Holy Family Catholic Church with Father Stanley Crocciola officiating.

PARENTS of the couple are Mr. and Mrs. Charles Heck of Nazareth and Mr. and Mrs. Vincent Braddock of Dimmitt. Both the bride and groom graduated from Nazareth High School.

The bride followed tradition by wearing her great-grandmother's wedding band, a new rosary from her cousin, a veil borrowed from her mother, a blue garter and a sixpence in her shoe.

Maid of honor was Beverly Heck of Nazareth, sister of the bride. Bridesmaids were Emaline Huseman of Nazareth and Barbara Huber of Canyon. Darlene Heck of Nazareth, sister of the bride, was flower girl.

Cecil Braddock of Nazareth, brother of the groom, was best

man. Groomsmen were Charles Heck of Nazareth, the bride's brother, and Kent Birkenfeld of Nazareth. Martin Backus of Nazareth, the groom's nephew was ring bearer.

CANDLES were lit by Tammy Heck, the bride's sister, and Tommy Braddock, the groom's brother. Acolytes were Joel Gerber, Norman Acker, Darrell Huseman and Bobby Birkenfeld, all of Nazareth.

Bruce Braddock, Stanley Maurer and Joe Brockman, all of Nazareth were ushers. Richard Birkenfeld of Nazareth was mass reader.

Music was provided by Mrs. Leonard Conrad, organist, Lewis Querre, soloist, Mrs. Danny White, soloist and the church choir.

A buffet dinner and western dance followed the ceremony. The couple will be at home at 4612 S. Georgia, Amarillo. The groom is employed with Buck's City Garage there.

ENGAGED—Mr. and Mrs. Elbert Summers of Dimmitt announce the engagement and approaching marriage of their daughter, Donna, to Bob Yates, son of Mr. and Mrs. Johnny Yates of Cameron. Miss Summers and Yates are both teaching in the Elgin school system.

Shower honors Mrs. Hutton

Mrs. Ronnie Hutton, the former Sharon McDuffee, was honored with a coffee and shower Saturday morning at the Country Club.

MRS. TED SHEFFY introduced guests to the honoree, Mrs. Marie Bowen, Mrs. Bessie Cope and Mrs. Jimmy Brewer in the receiving line.

Dorothy Magness registered guests. Debbie Hogue and Tanya Hutton served cinnamon rolls, fruit and coffee from a linen-covered table. The centerpiece was an arrangement of roses and asters.

Gifts were displayed on tables around the room. The shower was hosted by 15 ladies.

frio Homemakers see unique bride-dolls

By MRS. OWEN ANDREWS

Frio Homemakers Club met Tuesday in the home of Mrs. T. L. Sparkman Jr. A guest, Mrs. Glen Reeve of Friona brought the program. She had a display and discussed her collection of dolls which she calls "The Sixteen Brides of the White House."

Each doll is dressed, as nearly as Mrs. Reeve could determine from much research, as the bride which she represents. Mrs. Reeve has studied the era in which those people lived and the lives of the people with whom they were associated. Her talk was very informative from a historical point of view and is spiced with intimate details which would not ordinarily be found in publications the average person would read.

In the business meeting, new officers for the club for the club year which begins in September, were elected. They include president, Mrs. Tommy Sparkman; vice-president, Mrs. Tony Urbanczyk; secretary, Mrs. J. E. Warrick; and marketing chairman, Mrs. E. F. Vogler.

Those attending the meeting included Mmes. Urbanczyk, Vogler, Sparkman, Eugene Baldwin, Annie Springer, Laura Littrell, Frank Robbins, Lloyd Shultz, D. F. Yandell, Harlan Barber, Henry Andrews, Annie Lee Dobbins, Eldon Fortenberry, Owen Andrews, Miss Alma Andrews and a visitor Mrs. Floyd Botsford.

MRS. RAYMOND Mobley and her daughter Mrs. Dean McLaughlin and baby son Kyle of Farmington, N.M. were here the first of the week. They attended the funeral of Mrs. Mobley's aunt at Wichita Falls on Tuesday. They remained and Raymond Mobley also came for the funeral of his grandmother Mrs. Leila Taylor at Woodson on Thursday. The Floyd Coles, Nell Miller, Austin Mobley and Mrs. H. M. Mobley also were among relatives going. Mrs. Taylor, who was 98 years of age, died at a nursing home in Throckmorton Monday night and the funeral was in Woodson Church and burial also was there.

Harvey Manion was in an Amarillo hospital for treatment of a back ailment last week and was able to come home the middle of the week.

Richard Dobbins, son of the Robert Dobbins, underwent a tonsilectomy at Deaf Smith General Hospital Friday. He was to stay in the hospital Friday night also.

Ray Shultz of Fairfield, Calif. has been visiting his brother Lloyd and Mrs. Shultz for several days.

ALSO VISITING the Shultzes Thursday night and Friday was her son Dennis Ashley of Lubbock. Dennis is a salesman for a Lubbock sporting goods firm and visits this area in his work and also visits the Shultzes.

Mr. and Mrs. Clark Andrews went to Wellington last week-end to bring Mrs. Andrews' aunt to Amarillo to attend the funeral of Johnny Grier Monday. He was killed in a car accident in Amarillo Friday. His wife is Mrs. Andrews' cousin. They and her mother, Mrs. Berryman, were in Amarillo on Monday for the funeral.

THIS community received a good amount of rain from last week's spell of weather. It amounted to from two to three inches, depending on location, with the heaviest amount seemingly along the county line but a generally good rain over the whole area.

MRS. NICKY HUME
... Nee Charlotte Goldsmith

Vows read in Friona

Miss Charlotte Goldsmith and Ira E. "Nicky" Hume exchanged wedding vows Saturday in a double-ring ceremony at the home of Royce Dale Hume in Friona, with D. L. Hargeuss officiating.

THE BRIDE is the daughter of Mr. and Mrs. Bill D. Goldsmith of Dimmitt. She is a 1972 graduate of Dimmitt High School.

The groom is the son of Erbert D. Hume of Paris, Tex. He attended Friona schools and is presently employed by Big T Pump Co.

Given in marriage by her father, the bride wore a floor-length pale blue dress, with white accessories.

D'Wan Goldsmith was maid of honor, and Bill Clark was best man.

After a short wedding trip to East Texas, the couple will be at home in Friona.

Town and Country elects officers

The Town and Country Home Demonstration Club elected officers at its meeting last Tuesday in the courthouse community room.

ELECTED to serve one year terms were Donna Allen, president; Shirley Schacher, vice-president; Margaret Womack, council delegate; Kathy Goolsby, secretary-treasurer; Rita McDaniel, reporter and Bea Archer, parliamentarian.

Donna Allen and Kathy Goolsby gave a report on the tour planned by the club next Thursday. Members will meet at the courthouse at 9:30 to leave for a trip to the Ranch Headquarters and museum at Lubbock.

The club will hold a bake sale on May 10. Bea Archer is in charge of the sale.

Cheryl Brewer gave a program on wall coverings and Martha Isaacs, Charlotte Acker and Lynette Rials served refreshments.

Following the meeting, members worked on the quilt.

WMU Circle meets at Mrs. Maynard's

The WMU night circle of the First Baptist Church met Tuesday in the home of Aleene Maynard, with Irene Carpenter presiding and Mrs. Bill Bunch giving the program.

MRS. MAYNARD served refreshments to Billye Wesson, Cora West, Meryl Thomas, Mrs. Elzie Teague, Mrs. Bill Bunch, Irene Carpenter, Mary Edna Hendrix, Beral Hance, Mary Lou Frazier and Connie Ivey.

Dimmitt Agri Industries supports program for rural youth careers

Realizing that the greatest need for rural America today is to keep its young people interested in the benefits of rural life, Bill Clark, manager of Dimmitt Agri Industries, Inc., has indicated his support for an educational program to aid rural youth in choosing a career.

The educational program is called "Careers In Cooperatives." It is designed to generate interest and provide placement and training for youth seeking a local cooperative career in the exciting field of agribusiness.

"Our approach in the past has been to seek out and hire well-qualified employees after they finish school," Bill said. "Today, the competition for personnel is greater, and we must interest young people in a cooperative career, before they finish high school or enter college."

"We are cooperating with our area junior colleges and universities in a career curriculum which will help solve our manpower needs. We are working with high school guidance counselors and the directors of curriculum for our junior colleges and universities, and are emphasizing to each youth that we talk to that at any point in his or her schooling, there is a place for that person in our local cooperative. At the high school level, we are encouraging students to follow a general business curriculum. If that youth does not want to continue his or her schooling past high school, he or she can begin a cooperative career," Bill said.

At the junior college or university level, a student may follow the cooperative careers curriculum for one or two years or more. Following the first year a student will take a field study in a local cooperative under the supervision of the school and the regional cooperative.

"This will give both on-the-job training for co-op development and also help the student determine whether he or she wants to continue his co-op program," Bill said.

"The same situation occurs at the end of the second year. In addition to earning college credits, the student will be earning funds to support his or her education. At the conclusion of the two years, the student may elect to enter his co-op career or continue to a four-year college for further education."

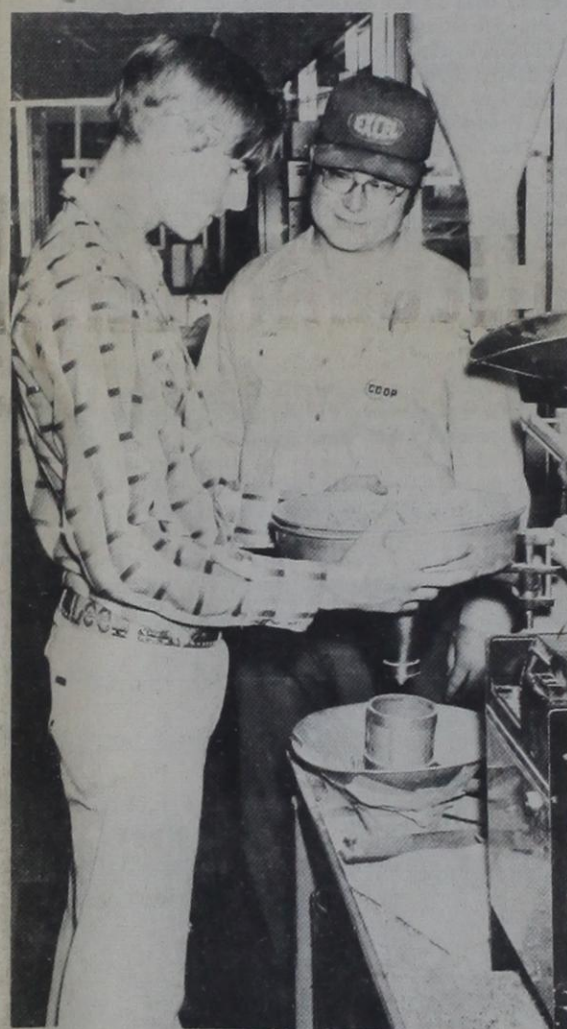

The curriculum being stressed at the junior college level is a general agribusiness one. The first year it consists of 34 hours of credit including agribusiness math, principles of plant science, chemistry, economics, business communications, writing, personal finance, principles of animal science, accounting, and soils and fertilizer.

The second year's courses include agribusiness marketing, human relations, speech, business control, ag chemicals, principles of livestock nutrition, elevator and feed mill technology, cooperative grain marketing, business organizations, and agribusiness law.

"After two years of post high school study, we think we will have students who will be qualified to be branch managers, office managers, and the like," Bill said. "They will have shown their interest in going to work for a co-op. We think that this program has a tremendous potential for assisting youth from our rural areas to have a good career in our county. In doing so, they will support the local economy and be of assistance to a great segment of our state, namely agriculture."

"We would like to stress that youth who might be interested in pursuing a 'Careers In Cooperatives' Program contact me at our co-op office first, and then call the junior college or university nearby," Bill said.

Further information can also be received from Producers Grain Corporation, PO Box 111, Amarillo, 79105.

LaGlenda Wilson won first place in spelling in the UIL competition in Farwell Friday in the fifth and sixth grade di-

vision. She was representing Hart schools.

Tammy Ross won third place in spelling in the district UIL literary events last Saturday in Littlefield. Rhonda Ross and her team members won second place in team picture memory. They were two of the 11 Dimmitt elementary and junior high students placing in the competition.

Debbie Wilson won third place in prose reading in the UIL literary contest in Farwell Friday. Steve Morgan participated in persuasive speaking, Junior Saucedo in science, and Clint Dawson in number sense as representatives of Springlake-Earth schools.

REV. AND Mrs. Raymond Jones, Mr. and Mrs. Roy Phelan, Mr. and Mrs. Noah Spencer, Mr. and Mrs. Thomas Parson, Hershel Wilson, Mr. and Mrs. Cliff Brown and Lee, Mrs. Embree Roy Sadler, Mrs. L. B. Bowden, and Mrs. Robert Duke attended the counselor training in the First Baptist Church in Dimmitt in preparation for the Larry Jones Crusade.

L. B. Bowden attended the hail suppression meeting in Earth Monday night.

One inch of slow rain was received Thursday with another .30 inch Saturday from light snow and a misty day. A trace of rain was received last Sunday with another trace Monday in the midst of a bad sand-storm.

Mrs. John Gilbreath spent the week in Lubbock to be with her father in Methodist Hospital. Mr. Barnett remains about the same this week. He is still in ICU and still taking continuous IV's and is still under oxygen much of the time. Mrs. Gilbreath came home Friday night to be with her family over the weekend.

Joel Bradley was dismissed from Methodist Hospital in Lubbock Tuesday and is about adjusted to the new routine. His condition remains about the same.

Mr. and Mrs. Larry Don Bills were in Amarillo much of last week and the week before with her brother-in-law who underwent open heart surgery in Northwest Texas Hospital. David and Angela stayed with their grandparents, Mr. and Mrs. R. V. Bills.

Greg George broke out with chicken pox Friday night.

MRS. EMBREE Roy Sadler and Mrs. L. B. Bowden attended the board and general meeting of Plains Memorial Hospital Auxiliary in Dimmitt Wednesday morning. Mrs. Sadler was elected president of the auxiliary for another year. Mrs. John Gilbreath served on the nominating committee.

Lee Brown was elected vice-president of the Springlake-Earth student council for 1975-76 in the election Tuesday.

David Bills visited with his grandparents, Mr. and Mrs. Gene Vaughn in Hereford Thursday through Saturday. Mr. and Mrs. Larry Don Bills and Angela visited with them Saturday and David came home with them.

Baptist Women met Thursday afternoon for the general meeting with the president, Mrs. Embree Roy Sadler in charge.

The Baptist Women current missions group met Wednesday night with the group leader, Mrs. Alton Loudder in charge.

Mr. and Mrs. Joe Sanders and Scott and Clay Thraikill of Duncanville visited last Tuesday through Friday with Mr. and Mrs. Robert Duke and Larry. Mrs. Sanders and Mrs. Duke are sisters. Clay is a nephew.

RANDY, Tresa and Cheryl Powell of Dimmitt spent last week with their grandparents, Mr. and Mrs. Ezell Sadler and the David and Larry Sadler families. Mrs. Powell spent the day Saturday with them.

Mr. and Mrs. Noah Spencer and Mrs. V. E. Bearden of Hart were in Amarillo on Business Saturday and had dinner in Amarillo with Mr. and Mrs. D. N. Gamblin of Sunray.

Robert Duke was re-elected as member at large for the Castro County School Board in last Saturday's election.

Larry Jones:

'Crusades strengthen unity of Christians'

Interdenominational Crusades sponsored by churches on an areawide basis help to strengthen Christian unity, evangelist Larry Jones believes.

JONES WILL hold a "Christ is the Answer" Crusade here April 27 through May 4. Meetings will begin at 7:30 each evening in the Dimmitt High School Auditorium, sponsored by several local churches.

The Rev. J. Lennox Hester, pastor of the First United Methodist Church and chairman of the Crusade committee, said Jones bases his entire ministry on the belief that his Crusades help to build local churches.

Rev. Hester quoted the evangelist as saying: "People sometimes ask: Why have a Christ is the Answer Crusade?"

"The answer is our need to take the Gospel to the unchurched. Statistics show that

when Crusades are held on an area-wide scale and on neutral ground, many more people are reached — including those who never darken the door of a church.

"IN FACT, the number of those attending who are not Christians often increases by 30 percent or even more. Those are the ones who most need to realize that Christ is the Answer to their problems."

Rev. Hester said it has been Jones' experience that when persons become converted at Crusade meetings, one of their first desires is to unite with a local church.

Jones' ministry crosses denominational lines. He has worked with 25 denominations in his eight years as a full-time evangelist.

Within the past year Jones, who lives in Oklahoma City, Okla., has added a weekly television program to his growing ministry. He also is producing occasional one hour prime time television specials. His weekly radio program is heard on 12 stations in five states.

THE AVERAGE annual income of Texas families headed by women in 1969 was about half that of all families—\$5,360 for female-headed households compared to \$9,955 for all households.

BREATHING PROOF—Students throughout the county are getting to see how cancer and emphysema affect lungs in this rare exhibit from the American Cancer Society. Here, Randy Lunsford, an eighth grader in Dimmitt Junior High, studies the exhibit. In the exhibit, preserved human lungs — one normal, one afflicted with emphysema and one can-

cerous — are illuminated and made to "breathe" by an electric pump. The display gives "living proof" of the constrictions caused by emphysema and cancer. Mrs. L. C. McLain of Hart, a director in the Castro County Cancer Society Unit, acquired the mobile display for the area. It's the only display of its type in Texas.

VETERANS' SERVICES

By BEDFORD W. SMITH
Veterans Service Officer

We have a lot of inquiries now concerning the new GI loan provisions as a result of Public Law 93-569, signed by the President on Dec. 31, 1974.

NEW G.I. LOAN policies that apply to all veterans with military service since the start of World War II make more than 20 million veterans eligible for the Veterans Administration guaranteed home loans.

Among them are more than four million veterans whose GI loans have been paid in full, VA Regional Director Jack Coker said. Those who have never used their eligibility are still eligible even though they might have been out of service more than 30 years. Also potentially eligible for new loans are those veterans with current loans outstanding. The only condition for restored eligibility is that the first loan be paid off and the home be disposed of.

In addition to broadened eligibility rules, new legislation approved by the President on

Dec. 31, 1974, raised the maximum portion of a loan VA is allowed to guarantee from \$12,500 to \$17,500 and made it easier to buy mobile homes and condominiums.

Changes affecting the purchase of mobile homes were:

- a provision for loans to purchase lots on which to place mobile home units already owned by veterans.

- an increase in the maximum permissible loan amounts to \$12,500 for a single-wide unit and \$20,000 for a double-wide unit.

- liberalized rules for guaranteeing loans on used mobile homes.

OPPORTUNITIES for purchasing one-family condominiums with VA guaranteed loans were broadened by deleting a former requirement that VA limit its loan guarantees for such units to developments in which Housing and Urban Development (HUD) had already insured loans.

The March 15 Bulletin of the Veterans Affairs commission gives a complete summary of the new law, part of which we quote here:

(1) The maximum grant payable for specially adapted housing is increased to \$25,000.

(2) VA provides maximum guaranteed loans of \$7,500 for purchase of a developed or undeveloped lot for a mobile home already owned by the veteran.

(3) Authorizes the guarantee of used mobile homes which meet VA minimum requirements.

(4) Removes the delimiting date of July 1, 1975, for guarantee of mobile home loans.

(5) Authorizes certain veterans to pay discounts for "points" when they obtain GI loans.

On Jan. 21, 1975, the VA interest rate (which fluctuated in 1974) was reduced from 9% to 8½%. Current laws authorize the Administrator of Veterans Affairs to raise or lower the GI loan rate as demanded by the money market.

The Young Child's Rights--2

Child care centers must meet standards

[This is the second of a series of articles for the Week-of-the-Young-Child, April 6-12, sponsored by the National Association for the Education of Young Children. These features are furnished by the Texas Department of Community Affairs, Office of Early Childhood Development.]

State Department of Public Welfare, the state agency in charge of licensing and overseeing day care in Texas, has made dramatic strides in reducing the number of unlicensed centers in Texas in the last year.

THERE IS a new legal push to assure that all day care centers are meeting minimum standards and are licensed.

DPW representatives claim that the new day care licensing standards now in effect are at least partially responsible for the better protection offered to Texas children.

Anne Leatherman, DPW's Director of Policy and Standards for the Licensing Division, spoke on the matter recently.

She was asked: Why should a day care center seek licensing?

"It is an advantage for a day care center to seek licensing."

"The main reason, and the most obvious, is that it is illegal to operate without a license," she replied.

The operator of a day care center who continues to stay open after court injunction against it can be fined or otherwise penalized by the court.

"Another reason a center should seek license is that when a center is licensed, competition which does not adhere to the standards is cut out," Ms. Leatherman pointed out.

"Those who remain in operation are required to live up to the same minimum standards and so can compete on more or less the same basis."

"Third, and most important of all, from the standpoint of the child, a licensed center can offer better protection to children. Certainly that should be a strong selling point to parents seeking good child care," she said.

"Those going into the day care business need to think

through their program. In the planning stage, we give them support, information and even technical help.

"We are striving for a uniform application of the law."

Considering all these advantages, the real question might be, "Why should a day care center avoid licensing?"

Ms. Leatherman was also asked:

Why should a parent choose a licensed center at higher cost when it may be possible to find an unlicensed day care center around the corner at a cheaper rate?

"Unfortunately that's a problem," says Ms. Leatherman. "That's just what a number of parents do."

"The standards met by licensed centers are rooted in the needs of children. The younger they are, the more vulnerable they are—and the more they need protection. Since a child can't verbally explain what is happening to him in an inadequate center, parents may not know."

"When parents seek out good, licensed centers, they have at least some assurance of minimum protection against such things as harsh physical discipline."

"In a licensed center, the child is better protected from aggressive injury on the playground."

"Since there are statutory requirements for children having had all their shots in licensed centers, there is preventive health care involved and a child's health is better protected," she said.

"Information is obtained from the parent when the child first enters the licensed center as to the child's health, and there is a written policy and a procedure for contacting the parent or a physician if the child should fall ill or be injured accidentally."

"The Health Department and the Fire Department have to check out the center before licensing. Fire drills must be practiced."

"It is required of the licensed day care center that it provide one-third of a child's minimum daily requirements through lunch and a snack."

That means that his nutritional needs are protected.

"You would be astonished at what we have found in some unlicensed centers, nutritionally empty food, no equipment, and no imagination in either the planning of the center or in the interaction with the children."

"I feel quite certain that par-

ents who want to make sure of a higher degree of protection for their children always seek out a licensed day care center."

Persons involved in child care should contact Mrs. Betty Devin, Child Care Licensing Representative through the local Dept. of Public Welfare or at her headquarters in Swisher

County Courthouse, Tulia, phone 995-2180.

Federal jury indicts three

A federal grand jury in Amarillo returned two-count indictments last Thursday against Alvin Henry Beavers and Michael Glenn Hutton of Dimmitt and Elbert Wayne McClenney, formerly of Dimmitt.

THE THREE were indicted on federal charges of importation of marijuana and possession with intent to distribute marijuana.

They were arrested Feb. 19 as they allegedly transferred bags of marijuana from a plane to a stock trailer at the Lamesa Airport. The plane had been tracked by radar from Mexico, Federal Drug Administration officers said.

Schools set final date for transfers

May 1 is the final day for legal transfers from one school district into another for the 1975-76 school year in Hart, Nazareth, Dimmitt and Hereford school districts.

BEFORE that time, any student living in one district and wishing to transfer to another for next school year should contact the superintendent of the district into which they wish to transfer.

ACC Alpha Chi elects Miller

Brent Miller, son of Mr. and Mrs. Jack R. Miller of Dimmitt, has been named reporter for Abilene Christian College's national honor society, Alpha Chi.

Miller, a senior mass communications major, is a 1972 graduate of Dimmitt High School.

To be eligible for induction into Alpha Chi, a student must have 66 hours of credit and a grade-point-average of 3.4 on a 4.0 scale.

Nazareth boys take district in tennis

Nazareth boys claimed district tennis championships in both the doubles' and singles' divisions, qualifying four of the six team members for regionals.

IN BOYS' doubles, Bernie Huseman and Wayne Heiman defeated Packett and Jackson of Happy in the finals 6-2, 6-0 to take the crown.

Danny Gerber took the singles' championship by defeating teammate Larry Ramaekers 9-7, 6-2 in the finals. Both will go to the regional tournament in Levelland April 25 and 26.

Five of Nazareth's six varsity girls qualified earlier for the girls' regional meet in Levelland this weekend.

Club schedules benefit game

Bridge players in Dimmitt will strike a blow at cancer with a benefit session Monday for the American Cancer Society, according to Paralyne Moore, Crusade chairman.

THE DIMMITT Duplicate Bridge Club will host the benefit at 7:30 p.m. in the Country Club.

According to Ola Mae Trimble, the American Contract Bridge League has designated the American Cancer Society as its "Charity of the Year" for 1975 in a nation-wide program to "Trump Out Cancer."

"This is an opportunity for combining a very interesting pastime with a very important cause. The proceeds will be used in local and national programs, including the vital research programs seeking new means of curing cancer," said Mrs. Moore.

DKG initiates new members

Iota Zeta Chapter of the Delta Kappa Gamma Society, composed of women teachers of Castro County, met Monday evening at Caison's Restaurant in Hereford for dinner and initiation of new members.

WELCOMED to the sorority by its president, Mrs. Koma Ratcliff, were initiates Jean Morris, June Parker and Pat Bagley, all of Dimmitt, and Sister Benedict Marie Borgerding and Sister Immaculata Homer of Nazareth.

Initiation ceremonies were led by J'Lynn Ryan. Music was sung by Betty Parish, Margaret Rambo and Elsie Smith, accompanied by Laura Hawkins.

Hostesses were Cleo Forson, Faun Welker, Elizabeth Huckabay and Ruth Wooten.

Plans were made for sending officers to the state convention in Dallas, June 19-22.

YOUNG LAND JUDGERS get assistance from Clayton Jobe [second from left] of the Soil Conservation Service during practice judging on the H. C. Nelson farm south of Dimmitt last week. Teams from Slaton, Dalhart and Hart placed 1-2-3 in the contest.

Vo-ag students judge land

A land judging contest for area vocational agriculture students was held on the H. C. Nelson farm south of Dimmitt April 8.

MORE THAN 30 boys and one girl from five schools participated in the contest. They identified the soils in four fields, classified the land, and suggested treatment.

Richard Heizer, soil conservationist for the Soil Conservation Service in Dimmitt, and Herb Bruns, soil scientist from the Hereford SCS, conducted the contest for the Running Water Soil and Water Conservation District.

The Slaton FFA chapter team placed first with a score of 563 out of a possible 840 points. Dalhart's FFA team was second with a score of 548, and the Hart FFA team placed third with a score of 538.

Jody Snitker of Hart was high-point individual with a score of 206 points of a possible 280. Mike Kincer of Slaton placed second with 198 and Les Kennan of Dalhart won third with 189.

These teams participated in another soils contest at West Texas State University at Canyon Saturday, and will be at the regional contest at Texas Tech this Saturday.

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION APRIL 22, 1975

NUMBER ONE ON THE BALLOT (S.J.R. No. 3)

Repealing Sections 48a, 48b, 51e, and 51f of Article III and Sections 62 and 63 of Article XVI of the Texas Constitution, Article XVI of the Texas Constitution is amended to:

Provide for the revision and consolidation of provisions relating to state and local retirement systems and programs and to provide that all general laws that have established retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this constitutional amendment will remain in effect, subject to the general powers of the Legislature.

Provide that the amount a participating officer or employee contributes to the employee retirement system or the teacher retirement system shall be established by the Legislature but may not be less than 6% of current compensation and providing further that the amount contributed by the state may not be less than 6 nor more than 10% of the aggregate compensation paid to participating persons, except that in an emergency, as determined by the Governor, the Legislature may contribute more than 10% of the aggregate compensation paid to persons participating in state retirement systems.

Provide that the Legislature shall provide for local retirement systems created by any city or county for its officers and employees and shall further provide for a state-wide system of benefits for officers and employees of counties or other political subdivisions of the State which may voluntarily participate, and to further provide that a state-wide system of benefits shall be provided for officers and employees of cities which may voluntarily participate.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising and consolidating provisions relating to state and local retirement systems and programs and providing for a maximum state contribution to state systems of 10 percent of the aggregate compensation paid to individuals."

NUMBER TWO ON THE BALLOT (H.J.R. No. 6)

Amending Article III, Section 24 of the Texas Constitution to:

Provide an increase in salary for members of the Legislature from \$400 per month to \$600 per month.

Provide an increase in the per diem rate for members of the Legislature from \$12 to \$30 for each day during each Regular and Special Session of the Legislature.

Provide an increase in the transportation allowance for members from \$10 per mile to the rate prescribed by law for employees of the State of Texas.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment setting the salaries of members of the legislature at \$600 per month and setting a per diem of \$30 per day during legislative sessions and a mileage allowance at the same rate provided by law for state employees."

The Amendments to the State Constitution and the Sample Ballot are being published as a Public Service by the FIRST STATE BANK of Dimmitt

Judging teams place in contest

Three judging teams from Dimmitt High School's vocational agricultural department placed in the district contests at West Texas State University Saturday.

THE LAND judging team consisting of Randy Smithson, Greg Sides, Ricky Bagwell and Mark Welch placed first in district. They participated in the state contest in Stephenville yesterday and today.

The dairy cattle judging team took fifth place in the contest. Team members include Steve Anthony, Gary Nutt and Scott Bagwell.

In livestock judging, the Dimmitt team of Mark Merritt, Thomas McGuire, Mark Cluck, Gaines Howell and Larry Robb took 10th place.

as a "satellite" of the Amarillo center.

Allan Walker of the Amarillo State Center presented certificates of appreciation to members of the Satellite School's advisory board — Emmett Broderson, Elvon DeVaney, Randall Craig, Robert Benton, Elmer Berryhill, Ike Moore, Ruth Hays and Don Nelson.

TESTIFYING to the students' abilities, Harold Smith, owner of Smith Produce Co. in Hart, said, "It's amazing how much work these kids can accomplish if someone will just let them do it."

Mrs. Conard reported that Smith also is providing a home and work experience for six retarded young men from Lubbock, as part of a project to get trainable youths out of state institutions and into society.

"When we took them for their physicals after they had been working for a while, the doctors reported that they were in the best shape they had been in, both physically and psychologically," Smith reported.

THE DIMMITT Satellite School is financed mostly with state funds, with the community providing facilities, transportation, volunteer workers and incidental funds.

stadium and asked White to call for bids on the job.

If not used for moving the bleachers, the \$10,000 would be used for renovation or other upgrading of school facilities.

Other uses of the emergency aid fund approved were \$4,100 for additional materials and equipment for Dimmitt Middle School; \$20,000 for seal coating or paving various parking lots and portions of school property; \$3,300 for paving and new sidewalks south of the middle school; \$750 for a concrete drive near the vo-ag building; \$12,000 for renovation of the junior high school athletic dressing rooms; \$3,000 for a portable welder and trailer; \$2,000 for track equipment; \$1,200 for football field preparation and seeding; and possible a new car or van for the schools.

MONDAY night's session was the annual organizational meeting of the board. The trustees elected John Gilbreath president for the coming year, Charles Wales vice-president, and Nutt secretary. White administered the oath of office to Gilbreath and to newly elected trustee Monty Booser. Other members of the seven-member board are Fred Bruegel Jr., Jimmy Cluck and Donald Wright.

In other action, the board:

- Accepted the low bid of \$35,559 from Plains Insurance Agency of Hereford for a three-year insurance policy on the district's buildings and contents;
- Authorized White to purchase liability insurance for the school board through Ivey Insurance Agency of Dimmitt;
- Learned that the lease on the vocational agriculture barns in South Dimmitt will run out next March, and was advised to seek another property owner who can donate, lease or sell land for the project buildings.

DuLaney qualifies for region match

Sophomore Brad DuLaney of Dimmitt qualified for the Region I tennis tournament when he finished second Friday in the district tourney in Morton. He was Dimmitt's only qualifier.

DuLANEY eliminated two other hopefuls in varsity boys' singles before losing in the championship match to Morton's Leo Rice. Both boys will compete in the regional play-offs in Odessa April 25-26.

In the first round, DuLaney defeated Olton's Jimmy Parker 6-4, 7-6 to avenge a loss in last year's district tourney.

In the second round, he used blistering serves to defeat capable Chip Sayers of Morton, 6-2, 6-2.

DuLaney bowed to Rice 6-4, 6-3 in the district championship game.

THE GIRLS' doubles team of Debbie Murdock and Resa Carson advanced the farthest of any other Dimmitt entries, winning two matches before losing to the eventual district champions in the semifinals.

Murdock and Carson, both juniors, downed Friona's Phillips and Graham in the first round, then defeated Ware and Wilkinson of Littlefield in the second round. But in the

semis, they lost to Morton's Fluit and Minor.

Dimmitt's other girls' doubles team, Kerry Broderson and Connie Nelson, dropped their first-round match to eventual district finalists Whitehead and Mason of Morton.

IN GIRLS' singles, Judy Gilreath lost to defending state champion Toni Gardner of Littlefield in the first round, and Joyce Wooten was eliminated in the first round by Morton's Julie Brown.

(Gardner later injured her knee and failed to recapture her district title as Olton's Susie Caldwell earned the championship.)

In varsity boys' doubles, Travis Wiseman and John Cook lost to Morton's Minor and Odgen in the first round.

IN FRESHMAN play, Dimmitt's Amy Merritt lost a close match to Olton's Crisswell in the first round of girls' singles. In freshman boys' singles, Leland Ginn lost to Olton's Rene Saldivar in the first round, and Robert Hughes lost to Mike Sifuentes of Olton, also in the first round.

Morton players dominated the district matches and captured the team championship.

REGIONAL QUALIFIERS—By placing either first or second in their events at district girls' track meet last week, these four Dimmitt High School girls qualified for the Region I-AA meet to be held Friday and Saturday in Odessa. From left are Kerry Broderson, 220-yard dash; Debbie Murdock, hurdles; D'Wan Goldsmith, Dorothy Rivers, 100-yard dash and 60-yard dash.

Ten ladies from the Dimmitt Ladies Golf Association participated in High Plains Golf meeting April 9 at the Olton Country Club golf course. Bessie Elder won low gross and was also winner of low putts for the meet. Patty Summers won low net.

THE LADIES Golf Association assisted in the High School District 3-AA tournament held April 8, by having candy, soft drinks and sandwiches for sale on the course. Congratulations to the Dimmitt boys team for winning the tournament first round.

The Ladies Golf Association's regular play day will be Tuesday, April 22, with a luncheon to be held at noon at the Castro County Country Club. All members and prospective members are urged to attend the luncheon.

Four Bobbies to compete in regional meet

Four Dimmitt High School girls will compete in five events in the regional track meet Friday and Saturday in Odessa.

THEY qualified at the district meet last week in Littlefield. Coach Sam Nichols' DHS girls finished fourth in team totals with 65 points as Olton—a state power in girls' track again this year—captured the team championship with 171½ points.

Two Dimmitt girls won district championships in their events. Senior D'Wan Goldsmith tossed the shot put 31 ft., 8 in. for a gold medal, and freshman sprinter Dorothy Rivers won the 60-yard dash with a time of 7.6 seconds.

Miss Rivers also qualified for the regional meet in the 100-yard dash, finishing second with a 12.0-second clocking.

JUNIOR sprinter Kerry Broderson qualified with a second-place finish in the 220-yard dash at the district meet, with a time of 27.8 seconds.

Junior hurdler Debbie Murdock placed second in the district, racing the 80-yard course in 12.8 seconds to qualify for the regional meet.

Dimmitt sixth, Hart 10th in giant Amarillo Relays

The sprint relay was going about as expected in the Amarillo Relays Saturday, with Dimmitt's record-breaking speedsters racing to an apparent victory that would give the Bobcats a strong second-place team finish in the giant 33-team meet.

THEN IT happened. The rain-slick baton slipped away during the final handoff and fell to the cinders. Dimmitt was out of the race.

The same fate befell Farwell's sprint relay team, which entered the Amarillo Relays with a time second only to Dimmitt's among AA-A-B schools this year. So neither of the two top-rated teams finished on the splashy track.

ALTHOUGH they didn't get the double points they were racing for in the sprint relay, the Bobcats still finished in a sixth-place tie with Sunray, with 29 team points.

Hart's Longhorns tied with Phillips for 10th place, with Barry George, Steven and Randy Finch, Jimmy Smith and Elizabeth Castillo scoring 20 team points.

Cliff Parker, Robert Mayberry, Gene Veals, Kenny Smith, Randy Porter and Thompson Mayberry scored all of Dimmitt's points in individual and relay events.

PARKER placed third in the 440-yard dash with a 51.7 clocking, losing by just a shadow at the finish line to James Beck of Memphis. Sanford-Fritch's Jack Stine set a new meet record of 49.3 despite the wet track.

The meet seemed to be one big 220-yard dash during the

crowded prelims Friday, but when it came down to the finals Saturday afternoon, Castro County boys captured third, fourth and fifth places.

Veals of Dimmitt was third with a clocking of 23.7 seconds, sophomore Steven Finch of Hart was fourth with 23.8, and Hart's Smith was fifth with a 23.9 time.

IN FIELD events, Barry George of Hart was third in the pole vault with a height of 12-6, and Randy Porter of Dimmitt placed fifth in the shot put with a heave of 47 ft., 11 in.

Robert Mayberry of Dimmitt placed third in the 100-yard dash with a time of 10.3 seconds. He shared the same clocking with Stratford's Mark Beatty, who was awarded second, and was just a step behind the winner, Ricky Spruill of Memphis, who clocked a 10.2.

One of the highlight races of the meet turned out to be the

120-yard high hurdles, where a strong field produced a new meet record. Dimmitt's Keny Smith finished sixth as Panhandle's Kerby Daniels knocked .2 of a second off the old meet record with a 14.1 clocking. The entire field of finalists finished within a seven-yard span.

HART'S 440-yard relay team beat out Stratford at the wire for a fourth-place finish. Team members are Smith, Castillo, and the Finch brothers.

Dimmitt's mile relay team of Parker, Veals and the Mayberry brothers finished fourth behind Floydada, Vega and Memphis.

Floydada won the meet in team totals with 88 points. Olton, Friona, and Dimmitt of District 3-AA were all among the top six teams in the meet, and Hart finished among the top four Class A teams entered.

Dimmitt and Hart tracksters will compete in their respective district meets this week. The Bobcats will go to Littlefield for the 3-AA meet Friday. The Longhorns were scheduled originally to compete at Springlake-Earth, but the shape of the rain-soaked track there left the site questionable at press time.

DJHS girls score in district meet

In the junior high girls' district track meet last Wednesday, Dimmitt's seventh graders took second place in their division with 137 points, while the eighth grade team compiled 98 points for fourth place.

Here are the results: **EIGHTH GRADE DIVISION** Long jump — 1, Norma Sandoval.

High jump — 3, Brenda Johnson. Shot put — 3, Kathy Goldsmith; 6, Julie Hrabal.

Discus — 4, Kathy Goldsmith; 6, Julie Hrabal. **TRIPLE** jump — 6, Norma Sandoval.

220 — 2, Lisa Wales. 100 — 1, Raynell Fagan. 60 — 1, Raynell Fagan. Hurdles — 2, Norma Sandoval; 5, Lisa Wales.

880 — 5, Carla Miller. Mile relay — 3, SereRita King, Tomasa Flores, Brenda Johnson, Janice Henderson.

440 relay — 4, Raynell Fagan, Norma Sandoval, Kathy Goldsmith, Lisa Wales. **SEVENTH GRADE DIVISION** Long jump — 4, Lori Dyer. Shot put — 1, Eileen Thompson; 2, Lynna McGuire.

REPRESENTING Division I are the Bobcats and Blue Dallions. From Division II are the Jawbreakers and Bobbies.

Results from last week's play are: Smiling Blue Jeans over Lollipops; Bobbies over Rainbows; Sharpshooters over Blue Dallions; Bobcats over Fonzettes; Bobcats over Purple Puffs; Blue Dallions over Fonzettes; Jawbreakers over Lollipops; Smiling Blue Jeans over Rainbows.

Girls' major league opens

Action in Texas Girls' Basketball Inc. Major League got underway last week with four teams. Games are scheduled for 5 and 6 Tuesday afternoons in the high school gym.

RULES are similar to those in Interscholastic League girls' basketball. The teams consist of 13 and 14-year-olds.

Players, sponsors and coaches of the teams are: C&S — Diane Sanders, coach; C&S Equipment, sponsor. Players are Olivia Glover, Paula Porter, Kim Weatherford, Lori Dyer, Terri Lynn Sanders, Sandra Slaughter, Christina Salinas and Sandra Zamora.

Flying Queens — Brenda Land, coach; Behrends Ins., sponsor. Players include Johnnie Fielder, Elizabeth Olvera, Lynna McGuire, Harriet Dunaway, Muffy Truelock, Anita Sanez, Adelita Anes and Lou Phillips.

PCA's — Debra Schreck and A'lan Bradley, coaches; Production Credit Association, sponsor. Players include Wanda Ward, Paula Williams, Vicki Cleveland, Andrianna Rangel, Tina Rowland, Mary Rodriguez, Brenda Sears and Rosalinda Guana.

IN THE first games, C&S defeated the Bombers while the Flying Queens squeaked by the PCA's.

Swiftettes take district crown

The Nazareth Swiftettes took nine first places and five second places to qualify 10 girls in 12 events for their regional meet Friday and Saturday in Levelland.

THE SWIFTETTES captured the district title with 215 points, while Amherst, the second place team, totaled 126 points.

Results include: Discus — 1, Judy Steffens. 60-yard dash — 1, Cindy Schacher.

80-yard hurdles — 1, Elaine Schulte; 2, Karen Schulte. 220 — 1, Kay Blair; 4, Vera Birkenfeld; 5, Shirley Maurer. Long jump — 1, Beverly Heck; 3, Cindy Schacher; 5, Theresa Huseman.

High jump — 2, Elaine Schulte; 3, Cheryl Hartman; 5, Karen Schulte. Triple jump — 1, Cindy Schacher; 4, Elaine Schulte; 6, Cheryl Hartman.

440 — 2, Beverly Heck; 3, Theresa Huseman; 4, Cheryl Hartman. 880 relay — 1, Cindy Schacher, Vera Birkenfeld, Kay Blair, Beverly Heck.

Mile relay — 1, Vera Birkenfeld, Shirley Maurer, Kay Blair, Beverly Heck. 880 — 1, Carol Hochstein; 2, Ladonna Brockman; 3, De-
