about dimmitt and castro county

by b. m. n.

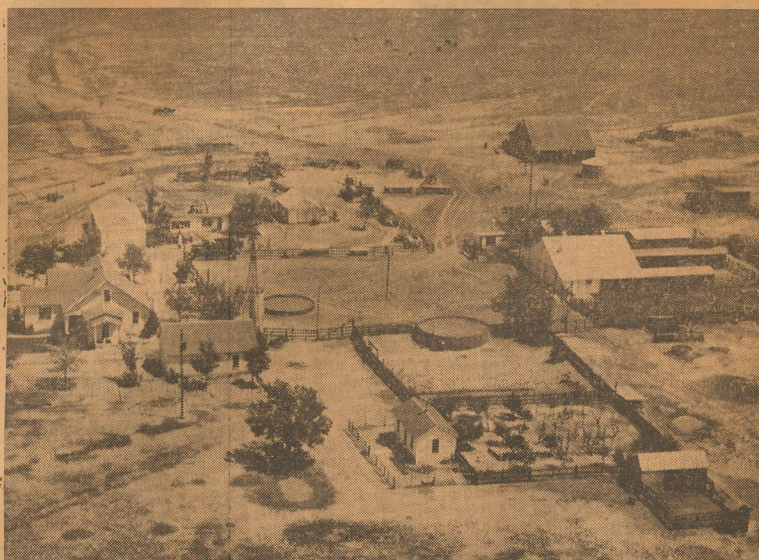

We have had a wonderful reader response to our Mystery Farm Series, for which we are duly grateful, but being a new feature we have discovered some discrepancies in the rules that need adjusting. For instance we announced that the first reader properly identifying the mystery farm each week would be awarded a year's subscription to the Castro County News. As dumb as the News force is it just took us two weeks to discover that the winner would be a city resident each week, as they are the first to get their paper. In order to give our readers on the rural routes, who get their paper later than the city dwellers a chance to place show or win, we will in the future place all of the names of the ones who correctly identify the mystery farm in a hat, a box or some other suitable container, and draw out the winner. That is the only way we can think of to make it a fair guessing game for everybody. Now, we appreciate your calls and we would be deeply disappointed if we didn't get them in large numbers, but to keep some semblance of order in our working schedule we suggest that you call in your guesses Friday afternoons, between 1 and 5, and on Saturday mornings between 8 and 12, and on Monday mornings between 8 and 12, or mail us a card.

We believe that if you will turn to Blanton Butane advertisement each week, and read about the Mystery Farm that appeared the week before, you will learn many facts about Castro county farms and farmers that you probably never knew before, and that of course is the main factor behind the whole project.

Once you have a good dog for a pet, you just naturally don't want to be without one. We have a new comer at our house. He is a six months old Cocker Spaniel blonde pup. So far we haven't been able to name him, he's just the pup. But oddly enough when one of us put out some food and call him by any name he is jumpy-on-the-spot, and no matter how much food we give him it is not enough. Our pup can eat more than any one of the three preacher members of the Dimmitt Lions Club, and that means that establishing some kind of a record for food intake.

Thanks to Representative Jesse M. Osborn of Muleshoe we have a pass to the Legislative halls of our state government. Mentioning me by name and making known the fact that I am associated with the Castro County News, the "Press Card" has the following wording in small print, "and hereby pledges himself to abide by the rules of procedure and decorum of the House. He is extended the privileges of the floor of the House having been approved by the committee on rules." Of course I appreciate the courtesy of our State Representative but there are two or three things in the above quote that I don't quite understand. How about that business about "decorum of the House and abiding by all rules of procedure." If they are going to give me the floor why can't I have the same privileges as our elected representatives. Who ever heard tell of them ever showing any decorum or abiding by the rules. It just goes to show you that they won't give me an even break with the members of the legislature. They shouldn't discriminate against a delinquent taxpayer in any such manner. We should be allowed to tell them that it is fine and dandy with us, for them to raise their pay, and the Governor's pay, and other government employees pay that aren't getting enough take-home money. But they won't pay any attention when we tell them that we don't think it is right to tax gasoline two cents more on the gallon and cigarettes one cent more per pack while we are letting our natural gas and other natural resources be piped and hauled out of the state without scarcely any taxing at all. We want good roads, we want good schools, we want good state institutions for our indigent, and we want the other services that the state is called on to render, but we also want fair and equitable taxation, and we don't believe that the people that make their living operating gasoline burning vehicles and the ones that smoke cigarettes are the only ones that should be called on to pay the freight. Basically the legislators are not very far-sighted in picking out the taxable groups. Highway accidents are killing off one group and cancer is getting the other and one of these fine mornings the state will wake up

HERE IS MYSTERY FARM number three. In order to give rural residents an equal opportunity with local residents in the identifying of mystery farms, the News is starting a new policy. Hereafter all names of persons calling in the correct identification will be written down and shuffled up in a container. The persons name drawn will be declared winner and will receive a year's subscription to the News. Blanton Butane, Inc. is sponsor for this new feature which will run in the News each week for the remainder of this year.

Castro 4-H Girls to Display Baking Entries in Forthcoming Project Show

4-H girls from over the county will be putting the finishing touches on some of their best baking efforts within the next two weeks as they prepare for the Castro County Fat Stock and Project Show scheduled for February 11-12. Baking has been chosen by county 4-H girls as their project for the forthcoming show as they will display tasty samples of refrigerator cookies, plain bar cookies and biscuits, according to Castro County Home Demonstration Agent Sybil Stringer who has been instrumental in making plans for the event.

There will be four classes set up for girls, according to age. Class One will be comprised of nine and ten-year-old girls; Class Two of 11 and 12-year-old girls; Class Three of 13 and 14-year-old girls; and Class Four of girls 15 years old and over. Each girl will enter at least two products and may enter as many as three. Awards will be presented to the first five winners for each product in each class. There will be a banner for champion and rosette for second place winners in each class.

News Flooded With Mystery Farm Calls

The News was flooded with calls and callers over the week-end as Castro counties continued to give the mystery farm feature an enthusiastic response. At least 35 persons either called or came by the News office to identify mystery farm number two. C. G. Miller of Dimmitt, who farms east of town, was the first person to call in and identify mystery farm number two as the L. A. Steiert farm near Nazareth. Callers encountered some difficulty with identification on the second mystery farm, however, as several identified the farm as that of John Jarrott, John Stork, D. Neumayer and Lon Woodburn. The winner will receive a year's subscription to the News. The mystery farm series is sponsored by Blanton Butane, Inc.

Regional Champ Will Go to Washington, D. C.

Castro's Top Spellers to Vie for Honors Here Feb. 18

The spotlight will be focused on Castro county's top spellers come Friday, February 18, the date set for the annual Castro County Spelling Bee. The best spellers from schools in the county will vie for honors in the courthouse here starting at 3:00 p. m. The local contest is a forerunner to the regional spelling bee which this year will be conducted on a special program over Amarillo television station on KGNC. The regional bee is scheduled for March 12. The county Junior Spelling Bee will also be held here February 18 with one entrant from the Dimmitt and Nazareth schools, competing for the title of champion junior speller of the county. There will be no junior bee in Amarillo, however winners are invited to a luncheon at the Herring Hotel on the date of the regional bee along with regional bee county winners. They will be guests of the Daily News - Globe.

Sponsors of the Nazareth contest have stated that they will have six junior and 17 regional spellers in their school contest. Dimmitt school officials have indicated that 30 spellers will be entered in each contest from which a winner in each division will be chosen. The pronouncer for the county bee will be designated at a later date. Judges for both contests will be a representative from each school in the county. Under the rules set up for the county bee, a student participating in the regional or senior division cannot be older than 15 on June 1 and not past the eighth grade in school. A junior bee contestant must not be past the sixth grade to be eligible. Webster's unabridged and Funk and Wagnalls dictionaries will be reference for correct spelling in the county bee. Ribbons will be presented to all students who enter as well as school winners, and county

Dallam Agent is Named New Agent for Castro County

Marvin Sims, Dallam County Agent since 1943, was named Monday to succeed Charlie Hudson as Castro County Agent. He will assume his duties here Tuesday, February 1.

Sims was hired Monday morning by county commissioners on the recommendations of Knox Parr, district extension agent from Amarillo. The new county agent is a graduate of Texas A & M College and served at one time as sports county agent and assistant Wheeler County Agent. He is a veteran of World War II and is currently serving as district director of the county agent's association of Texas for District I.

In addition to his wide experience in extension work, Sims comes to Castro county highly recommended by the extension service and the counties he formerly served. Outgoing County Agent Charlie Hudson resigned to accept a position at Las Cruces, New Mexico with a New Mexico firm.

Juniors Re-Schedule Play for Feb. 24-25

A conflict in schedule and plans has forced the Dimmitt High School junior class to delay the showing of their humorous production, "Junior Miss." Juniors, eager to do their best in the play, however, insist that "the show must go on" therefore Play Director James (Rosie) Bates has re-scheduled the production for February 24-25. Performances will be held each night at 8:15 p. m. A host of jurors will make their debut as actors in the forthcoming play which promises to be both exciting and funny. Tickets will soon go on sale at 25 and 50 cents.

Regional Champ Will Go to Washington, D. C.

Before the regional winners leaves for Washington, however, he or she will receive a 24-volume set of Encyclopedia Britannica, a Zenith Radio with short wave, one year use of a Britannica film library for the school and possession of the regional plaque with the winner's name inscribed for one year. County schools are urged to start making plans now for the county bee. Planners of the event encourage lots of entries on a local level.

Noel Gollehon to Head 1955 Fair, September 15-16-17

Noel Gollehon of Dimmitt was elected president of the Castro County Fair Association at a meeting here Monday night and will head the county-wide organization during 1955. Named to assist Gollehon, who succeeds Wes Anthony, is Edd McLeroy, also of Dimmitt. Other fair officers named were Steve Taylor, secretary and Goldman Dyer, treasurer. Some 20 persons from over the county were present for the important meeting, which was conducted in the District Courtroom of the courthouse. A full slate of fair directors and associate directors were named during the business session. A complete list of the 28 directors named follow: Joe Benson, Cecil Curtis, Harry Rothwell, Mrs. Jess Birchfield,

14 Teams Ready for Action in Dimmitt Invitational Basketball Tourney Set for February 1-5

A top brand of high school basketball is on tap for residents when the Dimmitt Invitational Basketball Tournament gets underway here Tuesday night, February 1. The tourney is slated to continue until Saturday night, February 5, when champions in both the boys and girls division will be crowned. Seven boys and seven girls teams have accepted invitations to play in the tourney. An eighth team, Vega, dropped out but will probably be replaced with another Panhandle team. Boys entries include Hale Center, Canyon "B", Bledsoe, Nazareth, Bula, Whiteface and Dimmitt. Entered in the girls division are Morton, Bledsoe, Nazareth, Bula, Hale Center, Whiteface and Dimmitt. The pairing for the first two nights of the tourney follow: Tuesday at 7:30 p. m.—Dimmitt and Morton girls; Tuesday at 5:00 p. m.—Bledsoe and Nazareth girls; Tuesday at 6:15 p. m.—Bledsoe and Nazareth boys; Tuesday at 8:45 p. m.—Dimmitt and Canyon B boys; Wednesday at 5:00 p. m.—Bula and Hale Center girls; Wednesday at 6:15 p. m.—Bula and Hale Center boys; Wednesday at 8:45—Whiteface (and team to be named) girls; and Wednesday at 9:30—Whiteface boys (and team to be announced). The Dimmitt girls at this writing boast a record of 15 wins and one loss and the boys have a record of 12 wins and three losses. The girls are undefeated in District 2-A while the boys have dropped one conference game, that being to the strong Sudan Hornets. The girls division of the forthcoming tourney may develop into a three-way battle between Dimmitt, Bula and Whiteface if past records can be used as a measuring stick. The boys division may also be a three-way affair with Dimmitt, Hale Center and Whiteface running a close race for the tourney championship. Coaches Leo Fields and Alvis Fuquay are in charge of arrangements for the five-night tournament. Admission prices each night will be 50 cents for adults and 25 cents for children.

Glen Brown Named Miner Letterman

Former Dimmitt grader Glen Brown, son of Mr. and Mrs. A. Brown of near Dimmitt, has been named by Texas Western College Athletic Director and Head Coach Mike Brunbelow among 34 lettermen for the 1954 season. Brown, a 5-6, 172 pound junior fullback, took part in the Miners' 47-20 rout of a highly regarded Florida State team in the Sun Bowl here January 1. During the regular season Brown had the best per try average of all Miner ball carriers, a seven yard average on 19 carries. His best effort was a 56 yard scamper against Hardin-Simmons. In the Sun Bowl, Glen carried four times for a net of seven yards.

Castro Farmer is Buried at Canyon

Funeral rites for Clarence Spallings, 59-year-old Canyon resident who farmed two miles northwest of Dimmitt, were conducted Sunday at 3 p. m. from the Griggs and Warren Funeral Home in Canyon. Burial was in the Canyon Cemetery. Mr. Spallings died in his home at Canyon Friday morning of a heart attack. He was a brother to Mrs. H. H. Houtchens of Dimmitt. Born in Bastrop county, Texas, in 1895, Mr. Spallings was a farmer most of his life except for a few years during which time he operated a cafe. Besides a sister here, Mr. Spallings leaves his wife, Ruby of Canyon; a daughter, Mrs. Charles Marshall of Portales, N. M.; his mother, Mrs. Fannie Spallings of Canyon; two other sisters and one brother.

Hart Home Coming Set for Saturday

The "H" Club of Hart High School has completed arrangements for a special home coming program for all former students. The event will be held Saturday night in the high school gym and will begin with a basketball doubleheader between the Hart boys and girls and the Anton high schoolagers. The first game will get underway at 7 p. m. A highlight of the program will be the crowning of a basketball king and queen. This special event will be held during intermission between games. Sandwiches and soft drinks will be served in the school lunch room to all alumni immediately following the two cage tilts. All ex-students are extended a special invitation to attend.

Steve Taylor, Bob Wilson, Mrs. Tom Armen, M. L. Simpson, Jr., Doyle Underwood, Allan Webb, Ray Axtell, Noble Howard, Frank Huseman, Goldman Dyer, Cecil Oglesby, Wes Anthony, H. C. Nelson, Noel Gollehon, Will Gilmore, J. V. Westcott, Bruce Woodell, Leo Witkowski, Edd McLeroy, H. H. Carlile, J. O. Seale, Russel Moran and Floyd Copeland. Fair members were high in their praise of their outgoing president, Wes Anthony, and accorded him a loud round of applause for "a job well done". Anthony was retained as a director and pledged his best efforts and cooperation with new fair officers.

September 15-16-17 will be the dates for Castro county's '55 fair. A motion that the exposition be held on these dates was presented to the group by J. O. Seale and was unanimously adopted. During the course of the two and one-half hour meeting, the group decided to confer again with county commissioners relative to getting that body to agree

upon underwriting the entire fair budget this year and during the years to come. This measure has already been put before commissioners but no decision has been reached as the matter is still under study. The entire group were optimistic about 1955 fair plans and pledged renewed efforts toward making the forthcoming event bigger and better than ever.

Services Held for Mrs. Fannie Rice; Pioneer Resident

Funeral services for Mrs. Fannie Rice, pioneer Castro county resident who lived at Hart for many years, were held Saturday at 3 p. m. from the Dimmitt Church of Christ. Mrs. Rice, 77, passed away Friday at 10 a. m. at the home of her daughter here, Mrs. Olen Rice, after several months illness. Minister T. J. Finley of the Church of Christ officiated at the services and burial was in the Dimmitt Cemetery under the direction of Dennis Funeral Home.

Mrs. Rice was born at Plano, Texas, in 1877. She moved from there at an early age with her parents to Oklahoma. She was married in 1883 near Duncan to Mr. Charlie G. Rice, who preceded her in death in 1939. The Rices came to White Deer, Texas, in 1908 and to Castro county in 1911, settling at Hart. Mrs. Rice moved to Littlefield in 1941 to be with a daughter and several months ago she came to stay with her daughter here.

Mrs. Rice was well known in the county and was a longtime member of the Church of Christ. She leaves four daughters: Mrs. Olen Rice of Dimmitt, Mrs. D. J. Maynard of Canyon, Mrs. Florine Rice of Littlefield and Mrs. W. J. Hoelting of Redondo Beach, California; two sons, Norman Rice of Stephenville and John Rice of Hart; one brother, H. O. Williams of Duncan, Oklahoma; and 15 grandchildren and 18 great grandchildren.

Funeral services for Mrs. Neal Cooper, 52, of Dimmitt, who succumbed in Olton Memorial Hospital Thursday (today) at 8:30 a. m., are pending with Dennis Funeral Home here.

Mrs. Cooper leaves her husband, Neal Cooper of Dimmitt; a son, Joseph of Dallas; four daughters, Vera Marie Moulton of Dimmitt, Geneva Daugherty of Dimmitt, Vera Lee Gray of Olton and Linda Lou Cooper of Dimmitt; her mother, Mrs. J. A. Van-Alstine of Elk City, Okla.; and 11 grandchildren.

Dimmitt Cemetery Charter Received

A charter officially designating the Dimmitt Cemetery as a perpetual care cemetery was received this week by directors of the Dimmitt Cemetery Association, according to Swain Burkett, association attorney. Directors for the association were named at a December meeting. They follow: directors for old cemetery—Wes Anthony, Noel Gollehon, and Bob McLean; directors for Graves and Bartlett Addition—Allan Webb; and directors for used portion of Graves and Bartlett Addition—Jim Elder, G. L. Willis and Swain Burkett.

The association will select officers from the board of directors at their next meeting.

Dennis to Judge At San Antonio

Morgan Dennis of Dimmitt, will judge Milking Short-horns at the Sixth Annual San Antonio Livestock Exposition. Dennis, who has been breeding short-horns since 1931, has judged at numerous stock shows, including the Tulsa, Oklahoma State Fair, the South Plains State Fair in Lubbock and the Pan-American Exposition at the Texas State Fair.

Present entries assure an even greater group of livestock than last year as the official prediction, with the exclusion of horses and rabbits, will top the 48,000 mark.

Rainbow Assembly to Install Officers

The Dimmitt Rainbow Assembly will meet Monday at 7:30 p. m. in the Masonic Hall for installation of officers. The meeting will be open to parents and friends. Practice for this meeting will be Saturday at 3:30 p. m. at the Hall.

Mothers March on Polio to be Held

A special appeal has gone out to Dimmitt residents to "turn on your porchlight Friday night and fight polio." This is the latest word from Mrs. Helen McLean who will head a committee of volunteer workers chosen to wage the county's final campaign, the Mother's March on Polio, in an effort to put Castro over the top. At this writing the county drive is still short of its goal of \$400 as outlying communities report that only small amounts have been turned in. Coffee money, together with funds derived from special events that are planned here and at Hart and Nazareth will be a big boost to the drive.

On the committee conducting a door-to-door campaign in the interest of the county chapter and the national foundation are Mrs. Alma Kenmore, Mrs. Jim Elder, Mrs. C. G. Maples, Jr., Mrs. Flo Nichols, Mrs. Ward Golden and Mrs. Raymond Van Zandt. The local fire department siren will be sounded at 7:00 p. m. to signal the start of the special drive. Residents are urged to turn on their porchlight or put a lighted candle in their window to let workers know that they desire to make a donation. Every dollar or dime given will be used to help polio victims walk again.

The Mother's March slogan is "let your light so shine." The willingness to help a worthy campaign for a worthy cause will be reflected in how local residents respond to this vitally important final campaign, workers point out.

Lions See Highlights Of 1954 Convention

Dimmitt Lion Club members saw highlights of the 1954 International Lions Convention as recorded on film at their Tuesday luncheon meeting. The 45-minute film, made available by Lions L. C. Dennis and H. J. Thomas, showed many of the important meetings and speakers during the four-day convention as well as the wealth of entertainment and hospitality accorded visiting Lions by residents of the host city, New York City. Guests of the club were Jack Malone, Allan Webb and Dr. J. E. Wohlgenuth. Malone and Wohlgenuth were accepted for membership.

The President's Economic Report

The President's Economic Report was, as usual, optimistic. There is no reason why it should not be as realistic as it was optimistic. This civilization has the know-how to prevent a depression, or even a serious recession. The responsibility of applying this know-how lies with whatever ad-

ministration might be in power. It is my opinion that the failure of any administration to act effectively to ward off an economic depression would immediately bring forth mandatory legislation from the Congress setting the proper wheels in motion. For those reasons, I do not believe that this country will have a depression. Government spending is still in the all-time high brackets even though we are not engaged in a hot war. Contrary to the arguments of some, there has been no transition from war-

time to peace-time economy. A war-time economy means that there is a tremendous amount of government spending. A peace-time economy is one in which the government is spending a minimum amount. Our present economy is based upon vast expenditures being made by the government. The only difference between our present economy and our war-time economy is that there is no actual shooting war going on at the present time. The preparedness program continues and the cold war continues. As long

as this is so, there will be heavy government spending. Much has been said about the expansion of our economy. Unless our economy does expand, we will dry up. The reason is simple. Our population continues to expand at a rapid pace. Unless our economy expands with it, we would not be holding our own but slipping backward. Unless it expands with the population, there would be much unemployment and much hardship, the standard of living would be measurably reduced and great damage could come to the entire country. If our population continues to increase as it has in the past, and there is no reason to think that it should not, the present national production of 380 billion dollars must be expanded within the next ten years to a point somewhere between 450 and 500 billion. That is, if we are to maintain the same standard of living that we are now enjoying.

Several proposals in the President's Economic Report were most interesting. One, to permit national banks to make amortized real estate mortgage loans with maturities up to twenty years and construction loans of perhaps nine months, would be to permit banks to do directly what they are now doing indirectly. The proposal to give the President discretionary authority to adjust interest rates of government backed mortgages will no doubt meet with strong opposition, because it would not be to the best interests of the economy of this country. The request was refused last year, and should be refused again this year. The truth is that interest rates are being fluctuated by discount practices on these mortgages. If Congress gives up the right to fix the interest rates themselves, the people can expect to pay more for borrowed money.

Social Security Benefits For Widows
My good friend, Honorable Peter Rodino, Jr., of New Jersey, has introduced a bill that merits early consideration and passage. Under the present law, a widow can get social security benefits only if she is 65 years of age or

if she has a minor child in her care. Many women who have been house wives all of their lives are widowed several years before they are 65. They have no way of making a living and no outside income. Provision must be made for these women, and I shall certainly assist Mr. Rodino in pushing his bill for passage.

Mr. and Mrs. Ira Wimberly were guests of the Alvin Frazies Saturday night.

Mrs. Cecil Gian and Mrs. Alvin Frazier attended the first aid training meet at the Sunnyside Community Center Monday.

CONVERTING TO NATURAL GAS FOR PUMPING?

Here's how to irrigate better for less

Fuel savings are only the beginning! You save more when you install Carlon plastic gas pipe. In Texas, over-all installation savings total \$500.00 to \$800.00 per mile. Also, a natural gas line on your farm can increase the value of your land \$30.00 per acre or more.

When you convert to natural gas, or plan new wells, PLAN ON CARLON PLASTIC GAS PIPE. Carlon gives you extra savings . . . extra years of service . . . a better pipeline for less money.

Carlon costs less than steel . . . and can be installed for less. By using Carlon plastic pipe, you can save one-fourth the cost of a steel pipeline. Carlon "LF" is right for gas.

Carlon plastic pipe can't rust . . . so it can be buried and forgotten. Its performance is proved by hundreds of miles of trouble-free installations right in the Texas High Plains area.

ALL INSTALLATIONS ARE MADE BY TOP-FLIGHT CARLON APPROVED CONTRACTORS AND SUPERVISED BY FACTORY-TRAINED CARLON ENGINEERS

ONLY CARLON PLASTIC PIPE GIVES YOU ALL THESE ADVANTAGES

LONGER LIFE - Anti-oxidant in Carlon resists aging. Makes Carlon last years longer than ordinary plastic pipe. Lasts longer than steel.

STRONGER - Carlon plastic pipe is 10% stronger. It has greater resistance to electrolytic corrosion. Carlon's base material is the roughest formula which can be successfully extruded.

TOP PERFORMANCE - Precision extrusion of Carlon provides smoother plastic walls which offer less friction and higher flows. It's like adding a reserve capacity to systems when Carlon is used.

TOP QUALITY - Because of Carlon's "know-how", engineering skill and ultra-modern facilities, Carlon plastic pipe is extruded without lubricants which contaminate ordinary plastic pipe.

ABSOLUTE UNIFORMITY - Precision controlled manufacturing processes guarantee accurate compounding and control of tolerances. Special Carlon processing eliminates flaws . . . makes Carlon the perfect plastic pipe.

PROVED PERFORMANCE - Almost 47,000 miles of Carlon plastic pipe are already in use.

TROUBLE-FREE FITTINGS - Carlon fittings are made especially for Carlon plastic pipe. With a Carlon installation, no trouble can be caused from purchasing pipe from one source and fittings from another. Carlon makes both . . . fittings and pipe become an integral unit.

GUARANTEED - Guaranteed forever against rot and rust. Completely resists corrosion caused by both acid and alkaline soils. This guarantee is backed by Carlon's reputation as the world's oldest and largest manufacturer of plastic pipe.

SAN JACINTO MONUMENT

This memorial is 570 feet high, the tallest stone monument in the world. On these hallowed grounds, Texas won her final battle for Independence from Mexico on April-21-1836. The Texans rushed to battle with the cry, "Remember the Alamo, Remember Goliad" and won a complete victory in less than thirty minutes. The Mexican army was routed with a loss of 630 killed, 280 wounded, and 730 captured. The Texans sustained a loss of two killed and twenty-three wounded. Among the Mexicans captured was General Santa Anna.

Nazareth Cagers Win 2 From Hart

Nazareth High School's basketball teams took both ends of a doubleheader with Hart High's cagers in the Nazareth gym Tuesday night, the Swifties dumping the Hart girls 69-34 and the Swifties winning from the Hart boys 67-55.

Delores Huseman, continuing as one of the Panhandle's leading feminine scorers, went on a scoring spree as she connected up for a total of 40 points to pace the Nazareth attack. Wanda Jo Felder and Nell Bowden scored 14 points each to lead the losers. In the boys game, Walter Ackerman piled in 23 points to take top scoring honors for the Swifties. Eddie Savage garnered 15 for the Hart boys.

In a game played over the weekend with Spade, the Nazareth girls bowed to the Spade girls and the Nazareth boys defeated the Spade boys 48-44. Acker dropped in 21 for the Swifties and Huseman tallied 33 for the Swifties.

The Nazareth girls have now lost two conference tilts and the boys have a single defeat in conference play.

Dimmitt Teams Chalk Up Wins Over Amherst

The Dimmitt Bobbies remained undefeated in District 2-A cage action by taking an easy 62-45 win over the Amherst girls in a game here Tuesday night. The Bobcats also won their contest by measuring the Amherst Bulldogs, 46-42.

Margaret Odom, despite an ankle injury in the third quarter which forced her to quit, was high scorer for the Bobbies as she pumped in 16 points. Darlene Cates was close behind with 15 points while Ann Speer, a transfer from Roosevelt High School who became eligible to play only last week, tallied 12 points, and Mary Alley and Shirley DeLozier each made nine points. Davis led the losers and was high scorer for the evening with 23 points.

Coach Leo Fields played reserves during most of the second half as the Bobbies held quarter time leads of 15-9, 31-20, 44-32 and 62-45. Sonya Lowe, Mary Witt and Sandra Adams showed up well on defense for the Bobbies.

The Dimmitt boys built up a big lead in their game with the Bulldogs but blew most of it as Coach Fields practically emptied the bench in the last half as he experimented with next year's starters. Ted Robb paced the Bobcats with 14, followed by Richard Wood with ten, Jimmy Cole with eight, Bobby Brock with six and Don Mobley with five. Anderson was high scorer as he hit the hoops for 16 points for Amherst. The Bobcats were ahead during the last three quarters with the score reading 18-14, 33-20, 44-30 and 46-42.

Both Dimmitt boys and girls met some pretty rough competition in the Happy Cowboys and Cowgirls Friday night at Happy. The Bobcats finally came out on top 67-64, however, and the Bobbies won 70-58.

Jimmy Cole dropped in 18 points for Dimmitt in their game with Happy. Bobby Brock made 17, Richard Wood and Don Mobley 11 apiece and Ted Robb ten. Shepherd and Oler each scored 18 for the losers. The score by quarters was 19-12, 37-25, 54-54 and 67-64.

The Bobbies were forced to make up a 12 point halftime deficit in order to take the Happy Cowgirls into camp. Margaret Odom had one of her best nights as she tossed in 38 points, Darlene Cates gave an assist with 17 points while Ann Speer hit for 13 and Mary Alley got two. Starkner kept Happy in the game by shooting in 26 points. Quarter time scores went like this: Dimmitt 13, Happy 24; Dimmitt 32, Happy 37; and Dimmitt 51, Happy 50.

The Dimmitt girls have now posted their 15th win against a single loss while the Bobcats have a good 12 won and three lost record. The local teams will play Kress here Monday night and the potent Sudan clubs Tuesday afternoon.

Negro is Treated For Pistol Wound

Percy Mayes, 26-year-old Hereford Negro, was treated in Castro County Hospital here Saturday night for a gunshot wound and later released, according to hospital attendants. The Negro was wounded in the leg by a Negro woman, also from Hereford, identified as Gean Kline.

The incident, according to City Marshal W. C. Cook who investigated, occurred in a local colored cafe following an argument between the two Negroes. The Negro woman whipped out a pistol and shot Mayes.

Later in County Court, the Negro woman pleaded guilty to a charge of carrying firearms and ordered by County Judge Bob Estes to pay a fine of \$150 and court costs. Mayes pleaded guilty to a drunk charge in City Court and was ordered by City Judge Posie Cunningham to pay a \$25 fine. Mayes was released after paying his fine. However, the Negro woman remained in jail Tuesday as she failed to pay the fine.

CARD OF THANKS

We wish to thank our friends who so kindly assisted us during the lingering illness and death of our dear mother.

Thanks for the food, flowers, letters, cards and words of encouragement to her, and to the ones who so faithfully stood by in her last illness.

Thanks to Dr. Spence who so kindly assisted, to Brother Finley, Brother Fabran, to the ones who sat up, to the ladies who brought food, also to the ones who served it in our home.

May the Lord bless each of you.

Mr. and Mrs. Jay Petty and "little Jay", and Mr. and Mrs. Bill Lee and Brenda were weekend visitors to Raton, New Mexico, and Trinidad, Colorado.

Wheat Measuring to Start Monday

The local ASC office will start Monday measuring all wheat in Castro County, ASC Secretary Doyle Thomas disclosed this week.

Thomas said his office, along with certain workers selected to assist with the job at hand, will measure all seeded wheat, all volunteer wheat standing at this time and all wheat mixtures. "Every wheat acre in the county will be measured," the ASC secretary asserted.

Plans for the wheat measuring program were made during an all-day meeting in the courthouse

Tuesday. Representatives from Farmer, Deaf Smith, Swisher, Briscoe and Castro counties were in attendance. The meeting was conducted by officials of the State Agricultural Conservation and Stabilization office.

Thomas emphasized that January 31 is the deadline for putting any kind of grain in government loan.

During a meeting late last week, the local ASC committee set April as the final date for farmers to dispose of excess acreage. It is the hope of the ASC secretary that all wheat will be measured by April 15. Immediately after April 30 the ASC office will start checking on farms that have excess acreage and volunteer acreage. Any acreage of this kind left standing after April 30 will be counted as volunteer wheat.

An appeal will be made to county farmers to give measurement workers their full cooperation. It will also be necessary for the farm operator to be present when the measurement is made.

Northedge Club Sets '55 Project

The Northedge Home Demonstration Club met in a regular meeting on Thursday, Jan. 20 at 2:30 p. m. with Mrs. Fred Dunn as hostess. Six members were present.

Mrs. Woodrow Nelson was elected as a delegate to the District meeting at Spearman on April 21.

Mrs. Troy Maxwell, Mrs. Fred Dunn, Mrs. Woodrow Nelson and Mrs. Bert Huggins volunteered to help with the Betty Crocker sale for the benefit of the 4-H girls.

A move was made and carried in favor of helping with the Cook Book to raise money for the Council. The move was made and carried to have as our community project this year, placing road markers in our community.

The president appointed committees for the coming year. Refreshment were served to Mrs. Troy Maxwell, Mrs. E. E. Huggins, Mrs. John Crum, Mrs. Bert Huggins, Mrs. Woodrow Nelson and the hostess, Mrs. Fred Dunn.

The club will meet again on Feb. 3 with Mrs. Woodrow Nelson.

and it has provided a credit against the income tax of persons receiving retirement income. This computation is too complicated to set forth here, but the effect is to provide a possible saving of \$240 a year to certain persons having retirement income.

In certain cases, proceeds from insurance policies constituted taxable income where there had been a transfer of ownership. The new law eliminates this under a few selected instances of transfer of ownership.

Heretofore, the interest element of an installment payment of insurance proceeds was untaxed. Now, interest in installment payments will be taxable, but if the proceeds are payable to the taxpayer's spouse, the first \$1,000 of such interest to her is excluded annually.

Hughes Circle Meets With Mrs. Emory Smith

Eight members and one guest were present for a meeting of the Waurayne Hughes Circle Monday morning. The meeting got underway at 9:30 a. m. in the home of Mrs. Emory Smith.

Mrs. Nina McLain opened the meeting with a prayer and a "thank you note" was read by Mrs. Jim Hays. The mission

study book, "Under the North Star," was taught by Mrs. Buster Tidwell, who also led a short devotional following the regular lesson.

After the meeting was adjourned refreshments were served by the hostess to Mesdames Nina Tate, Buster Tidwell, Sam Cooper, L. C. Dennis, C. A. Harce and a visitor, Mrs. Gene Smith.

WMU Meeting Slated

A meeting of the executive board of the local Baptist W. M. U. has been scheduled for Monday at 9:15 a. m. at the church. Rev. George Ray will teach the Bible lesson. Mrs. Lester Dowell will be in charge of a brief business session following the lesson.

"Thanks to G-E push-button control, son—

Starting our pump is easier than turning on a faucet!"

"It sure is easy to start our pumps with General Electric controls. Just push a button and the pump starts—that's all there is to it with G-E magnetic starters!"

"And you can forget about this control once it's installed. That's because its all-weather case is so well protected from rust, rain, and all kinds of weather. Even the push buttons are weather-resistant!"

"Now take the overload relays that protect our motor from overheating. They're in a special ventilated compartment so that the heat from the sun will not cause them to prematurely shut off the motor. This compartment is also protected with a rust-proof screen to keep out insects."

"All-weather protection for the control means continued protection for the motor because the control guards our motor against damage from overloads and short circuits. And the motor itself is built to last a generation or more! Its controlled bearing lubrication and sturdy cast-iron housing keep it ready for service whenever we turn it on."

"Son, General Electric knows our irrigation pumping problems and has the right motor and control team to solve them completely!"

Be sure to ask your local pump dealer for G-E motors and control for your irrigation pumps!

L. A. Steiert Farm 2nd in Mystery Farm Series

The above mystery farm, the L. A. Steiert place located three miles north of Hart, was identified by C. G. Miller of Dimmitt. Miller was the first reader to call in Friday morning and correctly identify the farm. Steiert made the identification official by calling at the News office Monday morning to receive a mounted enlargement of the original photo.

Mr. Steiert's farm, under cultivation since 1909, is known as Steiert and Sons Farm. Three generations have now occupied the farm. Mr. Rulrich Steiert, the present owner's father, bought the land in 1909 and two of his grandsons are helping to farm the place now.

Mr. Steiert married Miss Frances M. Davis, former nurse, in Amarillo in 1915. They have three sons and two daughters: Anthony U. of McCord Air Base at Tacoma, Wash.; P. J. and L. J., both of Hart; Mary of St. Louis, Mo.; and Ann Elizabeth of Big Spring.

When the Steiert farm was first settled 46 years ago, the land had to be broken up with a hand or push plow. Rattlers were killed

around the first dwelling, a dugout. Not until some three years later in 1912 was a wood frame dwelling constructed on the farm.

Recent farm improvements include a paved road that passes the farm, five irrigation wells, shrubbery and 400 tree seedlings that were set out this month.

Steiert raises Black Angus cattle and grows wheat, maize, cotton sudan and vetch. For fertilizers, he uses anhydrous ammonia and super phosphate. He also interplants vetch with some of his crops and plants soil building crops such as black eye peas. Steiert is a close cooperater with the Running Water Soil Conservation District. He has had his soil analyzed through the district and says he may add more fertilizer this year "if I see it's a good thing."

The Steierters are members of Holy Family Church at Nazareth, Castro Farm Bureau, C of F, and Knights of Colubus. Mrs. Steiert also belongs to the Mother's Society of the Catholic Church.

Grade Girls Take Sudan Title

The Dimmitt Grade girls won first to take home the Sudan titles by winning a victory over Morton 41-24.

Monday afternoon at 4:30 p. m. the girls beat Bledsoe by a score of 23-18. We went back Thursday for a tough victory over the Three Way Jr. girls by a score of 26-25. The girls played for semi-finals Saturday at 2:00 P. M. We played Spade and defeated them 31-15. Our next game was Saturday night for the finals. We played Morton. The Dimmitt girls were ahead all the way through the game and took home a 41-24 victory over them. The guards and forwards played good ball all during the tournament.

The Dimmitt Grade School Tournament is January 24, 27, 28 and 29. The admission is 25 and 35 cents. The teams that have entered the tournament are Dimmitt, Hart, Muleshoe, Springlake, Bovina, Hale Center, Sudan, and Tulia. Both girls and boys from each town will participate in the tournament. We invite each and everyone to attend. We are thankful for Mrs. Fuquay, Mr. Reisdorff and Mr. Harrison for making this tournament possible.

The Dimmitt FFA boys, advised by J. O. Seale, competed in the livestock judging contest at Tulia, last Thursday, January 20. The team consisted of Danny Bruton, Byron Tate, and Richard Hunter. The two alternates were Jimmy Johnson and Ronny Nelson. There were 24 teams competing in the livestock judging contest. The Dimmitt FFA boys didn't place but had high scores. The team will soon compete in the livestock judging contest at Pampa. There will be 48 teams competing there.

Junior DiCuffa is taking his Hereford Whiteface calf to Hous-ton for the fat stock show there. The breeders of his calf were the Hunter Brothers.

He also has a South-down lamb which he is entering, and the breeder is Bobby Warren.

Senior of the Week

Burt Huggins is this week's senior. He is the 19-year-old son of Mr. and Mrs. E. E. Huggins. On last November 14 he became the husband of Miss Jeanne Gladman. Burt has brown eyes, brown hair and weighs 135 lbs. He is 5 feet and 10 inches tall and has a red-headed wife.

EIGHTH GRADE

January 22 the Grade Tears, coached by W. E. Reisdorff, T. E. Harrison and Mrs. Alvis Fuquay, captured the Sudan Tournament. In the finals the boys defeated the Sudan boys 38-18, and the Dimmitt girls defeated the Morton girls 41-25. Both teams brought home first place trophies. January 24, 27, 28 and 29 there will be a tournament held at Dimmitt. We cordially invite you to attend this Grade School Tournament.

Grade School Attendance Race—Last Six Weeks the rooms with the highest attendance are the rooms of Mrs. Fuquay, Mrs. Richardson, Mrs. Rutledge, Mrs. Ratcliff, Miss Doran and Mrs. Vestal.

SEVENTH GRADE
The Seventh and Eighth Grade girls played in the Sudan Tournament and won first place over Bledsoe, Three Way, and Spade. The boys played Sudan, Springlake and Muleshoe to win first place in their division. Thursday Dimmitt will be in their first games in our own Tournament.

Last week two new boys enrolled—Max Gilbreath from Sudan and Bruce Owen from Hart. Our basketball boys and girls went to Sudan and won first.

The 6B Class had their club meeting Jan. 14 and 21. The club was named the "Amateur Club." The program on Jan. 14 consisted of skits, poems and dances. Also that week the 6th grade played basketball against Hart. The Dimmitt girls won 18-12 and the boys lost 13-7.
On January 21 another meeting of the "Amateur Club" was held. The program consisted of skits, songs and a poem.
We are studying about verbs in English. We have drawing pictures of action words.
We are very happy to have Kenneth Odom from Hart, who came Jan. 17, and Peggy Goldsmith from Texaco, who came Jan. 23.

Lookin and Listnin

One thing I want to tell you all about this week is the forthcoming "Twirp Week." It will be held the week of February 13th through the 19th, and will be sponsored by the F. H. A. Here's how it will work. For one week the girls will more or less exchange places with the boys. They will ask for dates, furnish the cars, foot all bills, and at school they will open doors, carry books, walk the boys to classes, and extend other customary courtesies.

There will be a "Black List" posted, and anyone who fails to comply with the rules will be added to it. Therefore, offenders will be omitted from the rest of twirp activities and requested to pay a penalty at the end of the week. There must be a substantial reason for adding a name to the list—Reasons like (1) "Steady" letting her date take her or pay for something, (2) a boy carrying a girls books or opening a door, (3) A boy refusing an invitation from any girl, unless a steady.

There will be tags passed out, and a party will be held to climax the week, if possible.

Several of the girls enjoyed a shower last week. It was for Sara (Baldwin) Petty who went to school here last year.

Several W. T. and Tech students have been seen around D. H. S. lately. They've had some time off between semesters and have been visiting classes.

Mr. Smith (a dinner guest). Will you pass the nuts?
Mr. Bates (absent minded). Oh, I suppose so, but I really should flunk them.

A senior has gone to heaven. We shall see him no more. For what he thought was H2O Was H2 SO4.

Boy—You're the most beautiful girl in Castro county.
Girl—You'd say so even if you didn't think so.

New Students In D. H. S.

David LaGrone is a sophomore and moved here from Floydada. He is enrolled in Band, Algebra II, English II, Biology, and Ag II.

Rose LaGrone is classified as a Senior, and she is also from Floydada. She is taking Home Ec III, Bookkeeping, Choir, Journalism, and works in the Library. Mildred Phillips is enrolled in General Science, English I, Algebra I, and Business Math. Mildred is a freshman transfer from Odessa.

Senior News

The Seniors are having trouble with their rings this year. Therefore, they decided to send them all back to the company to have them remade and all made alike. The boys rings were all hard to get back. Just ask Joe Nelson.

The Senior play for this year will be a mystery-comedy. Play reading will be the second and third weeks in February.

The Senior class has had two new members since mid-term. We are very happy to have them. They are: Rose LaGrone from Floydada, and Gene Collier from Whitface. There are 44 Seniors now.

Bobbies Add Two Victories

Last week found the Dimmitt Bobbies in action Tuesday night against Friona and Friday night against Happy. Dimmitt won both of these games. In the Friona game the score was 62-47. Margaret Odom made 32. Darlene Cates 26, and Mary Alley 4. In the Happy game the score was 70-58. Margaret Odom had 38 and was followed up by Darlene Cates with 17 and Ann Speer with 13.

The girls had a hard game with Happy but came from 12 points behind to win by 12 points. The ball game was tied three times in the third quarter.

Fads and Fashions

If you are wondering what the Students of D. H. S. are wearing, we will tell you have a glimpse of the latest just out.

Thursday there appeared five girls dressed in aqua corduroy jumpers. This is the first time that they have been seen. The garments were seen on Wilda Smithson, Dovie Smithson, Ann Speer, Faye Howard and Margaret Odom.

We have a teacher around Dimmitt High School who has chosen the color of red. She is Miss Charlene Potts.

Hey! Boys, have you noticed the sparkle around the girls' ankles. It's just another fad of pins worn on the cuffs of the socks. If you haven't noticed, why don't you take a look?

Pink and black is still being seen around the halls. Just for instance, Ivan Sinclair, Jimmy Johnson, Billy Gafford, Bobby Brock and a whole bunch more have been wearing pink shirts. However, Jerry Noble got it just the opposite and wore pink trousers and black shirt.

We even have the wearing of the pink in the faculty. As you saw, Mr. S. T. Newman had on a pink shirt. We really liked it and want to see it more often.

While we are talking about pink, blouses and lots of them have been seen. Beverly Johnson was seen with a pink blouse on and it even had clocks on it. Just ask Beverly for the time.

Can-Cans are still on the top of the fashions. If you don't believe it just ask Marilyn Howell.

This is all the new fashions that have been seen recently. Just keep watching.

Bobcats Scalp Chiefs 80-27

The Dimmitt Bobcats of Coach Leo Fields downed the Friona Chiefs here Tuesday night by a score of 80-27. Score at the quarters were 22-12, 46-16, 55-18, 80-27. Jimmy Cole was high point with 19, Don Mobley had 17, Bobby Brock 14. Next year's team played the last half.

The Dimmitt Bobcats squeaked out a victory over the Happy Cowboys at Happy Friday night by a score of 67-64. The Bobcats played good ball the first half, then slacked off. Score by quarters were 17-12, 37-25, 54-54, 67-64. Jim Cole had 18, Bobby Brock 17, Richard Wood, Don Mobley had 11, Ted Robb 10.

Your Manners Are Showing

In the January issue of the "Texas Outlook" is a picture of the Dimmitt Bobbies in action at the state tournament in Austin last year. The girls won the state championship there. The picture was printed in connection with an article written by Rheas H. Williams, Athletic Director, University Interscholastic League, on sportmanship and entitled "Your Manners Are Showing." In the article he tells of the relationship of sports and good sportmanship to the building of great Americans.

Dimmitt has always had a good record in sports and a good name in sportmanship. Let us try to retain this heritage through the years.

Senator W. Stuart Symington, formerly Secretary of the Air Force, says, "I think America's most cherished national possession is sportmanship as honestly rivalry, courteous relationships, and graceful acceptance of results. When a young American, though burning up inside, quietly turns away from a called third strike, or accepts without a grimace, moan or mutter, the foul called on him for basketball overguarding, he is learning those traits which later make him an asset to his community, to his future business or profession, and to his nation."

with its source of revenue either dead, or walking and not smoking. I wish I had time to take advantage of my courtesy card. I believe it would be interesting to set in on some of the meetings of this session of the legislature. The state has many vexing problems to solve and it would be interesting to watch and listen as our law-makers attempt to meet the needs of the times.

The State Government is no different to the City Government of Dimmitt. Both have the task of meeting the requirements of a growing population and an expanding economy. The manner in which these requirements are met will in a large measure determine the ultimate growth of both Texas and Dimmitt. As citizens of this city and state we have tremendous responsibilities. We should take interest in and an active part in the development of our city and state. Locally we need to sand blast the courthouse, build a high school building, expand our water and sewer facilities, pave some more streets, build a municipal building, build a city park, and by all means attend the Dimmitt Invitational Basketball Tournament in the local gymnasium next week.

29 Attend Bethel Leadership Meet

Twenty-nine representatives of the Bethel, Jumbo, Flagg and Sunnyside Rural Neighborhood Progress Clubs were present Tuesday at the Bethel Community Center for a leadership training meeting for officers, committee chairmen and other club leaders. The meeting was conducted by Knox Parr, district extension agent, and E. C. Martin and Mrs. Eula Newman, specialists in community improvement from College Station.

The program consisted of the value of community improvement, problems encountered and solutions and responsibility and work of officers and committees. Various club committees were given detailed training pertaining to typical community work with each committee making future plans for their respective club.

The group were served lunch in the Bethel Community Center hall.

Club representatives voted to conduct training for 1955 committees and officers during the first two weeks in April.

Demonstrations on Rugs and Floors Set

At a training meeting Monday for living room leaders of the various home demonstration clubs in the county a schedule was drawn up whereby each leader might give a demonstration to her respective club on the care of floors and rugs.

The following leaders will give demonstrations before their clubs in February. They are: Mrs. Noble Howard—Sunnyside; Mrs. Woodrow Nelson—Northedge; Mrs. Edd Wilson and Mrs. Clyde Damron—Flagg; Mrs. C. W. Mick—Big Square; Mrs. Laquita Hill—Hart Progressive; Mrs. L. J. Counselman—Rance; Mrs. Chris Clark and Mrs. Sue Wells—Bethel; Mrs. Ellen Simpson—Jumbo; and Mrs. Glen Maples and Mrs. H. E. Bowden—Hart Senior Club.

Pupils appearing in the recital are Sharon Fuller, Shari Willis, Suzie Davis, Keith Davis, Joan Dawson, Carole Coswert, Mary Lynn Hendrix, Ronald Leith, Chuck Youts, Sandra Leeth, Myles Sadler, Anna Gable, Kent Gable, Donna Sue Hendrix, David Hyatt, Nancy Carol Hays, LeDawn Kemp, Esther Hyatt, Dickie Dyer, Sandy Bruegel, Larry Burks, Moradell Hunter, Rosanetta Hyatt, Susan Youts, Lou Ann Hays, Idalia Poe, Gayle Buckmaster, Connie Goodwin, Jim Ratcliff, Aaron Hutto and Janice Wesson.

Local B And PW Group to Amarillo

Mrs. Helen Richardson and Mrs. Grace Loyd were hostesses to members of the Dimmitt Business and Professional Womens Club Tuesday night when they furnished transportation to the B and PW banquet in Amarillo.

The public relations banquet was held in the crystal ballroom of the Herring Hotel. Other clubs represented other than the Dimmitt club were Lubbock, Plainview, Dumas, Panhandle and Hereford.

Members from the local club making the trip were Mrs. Alice Gillingsworth, Mrs. Neva Hastings, Mrs. Claude Forson, Mrs. Hattie Boling and the hostess.

PICTURED IS MRS. HAROLD ERWIN, who will represent the Panhandle area as a model during the Amarillo meeting next week of the National Wheat Grower's Association. Wives of the Association members will serve as models during a special Style Show for ladies, at 2:30 p. m. Thursday, February 3, at the Amarillo Club.

Wheat Convention Slated Feb. 2-3-4

A modern version of an ancient food will be displayed and discussed at the National Association of Wheat Growers' meeting in Amarillo, Feb. 2, 3, and 4, says K. Kendrick, Stratford president of the organization.

The product called ALA, is a processed wheat comparable to bulgur, pilaf or kush kush. It will be introduced at the meeting by Joe Spiruta, of the Oregon Wheat Growers League. ALA is a versatile product. It cooks quickly and keeps indefinitely. It has been found to be acceptable to American palates, as well as that of the Orient, where it is expected to find a market.

Famous newspaper columnist Drew Pearson will be the main speaker for the three-day convention.

Registration will begin at 8:30 a. m. Feb. 2, in the Herring Hotel. Committee meetings and assignments and a report from the president will mark activity during the first day of the convention. A general session will be held Thursday and will be climaxed with the annual banquet in the Crystal Ballroom of the Herring. Pearson's talk on "Bensonism and Behind the Scenes in Washington" will highlight the last day of activities.

Between 6:30 and 7 p. m. Saturday night (Jan. 29) a convention prelude will be carried over Cottor John's TV program over KGNC. County residents are welcome and are urged to attend.

HDC Leaders Attend Sunnyside Meeting

R. D. Rogers of the Highway Department branch office here conducted what was termed "a very successful leadership training meeting" on the administering of artificial respiration before leaders of each of the nine county Home Demonstration Clubs in the Sunnyside Community Center Monday afternoon.

Damages High in Car Mishap Here

A traffic accident within the south city limits Sunday afternoon resulted in heavy damages to two cars but no injuries were reported by City Marshall Wilmer Cook, who investigated.

Mrs. Ruby Gipson of Littlefield, driver of one of the cars, told Cook she was attempting to pass another automobile when the driver, who was not identified, pulled to one side causing the two vehicles involved to side swipe. Time of the accident was placed at 4 p. m.

The radiator and front fender of Mrs. Gipson's car was smashed causing damages estimated at \$150. Damages to the other car were also estimated at \$150.

Mrs. Gipson appeared before City Judge Posie Cunningham and was fined \$12. The driver of the other car was given a ticket by Cook and was to appear later in City Court to answer charges.

Hart Zealot Club Installs Officers

In the home of Mrs. Bob Bennett, Hart Zealot Club members had their traditional Tea honoring incoming officers.

Mrs. Roy Pyeatt read the installations service giving many valuable helps and hints to produce a progressive organization. Using the rope for her installation theme the first segment was given to the President: Mrs. William D. Bell, the second segment went to the vice President: Mrs. Deward Armstrong, then consecutively the segments went on down the line. Secretary: Mrs. Edward Bennett, Treasurer: Mrs. Velton Martin, Parliamentarian: Mrs. Bob Bennett, Reporter: Mrs. Shirley Garrison, Educational Director: Mrs. Paul Armstrong and a segment to every member of the club.

Following the Installation Service, Mrs. Paul Armstrong presented Mrs. Pyeatt with a beautiful lamp symbolizing her worth to our club and the help she has rendered our community.

From the lovely Tea Table Mrs. Otto Dinwiddie poured Tea for all the members, the outgoing officers and the incoming officers and guest.

Tab Accidental Poisoning Deaths

For the first time the National Office of Vital Statistics has issued tabulations of fatal accidental poisoning by age, sex and kind of poison, said Dr. Henry A. Holle, State Health Officer. A total of 1,497 such deaths occurred in one year.

Petroleum products (including kerosene) and aspirin and salicylates were involved in 40 percent of the deaths in infants through 4 years of age, 165 such deaths, Dr. Holle declared this indicated

week.

Youts indicated that the Jumbo dinner conflicted with a community dinner already scheduled for Thursday night in the Army school house. A number of Dimmitt businessmen were to attend in the Arney dinner.

that parents are not as aware of the dangers of these substances as they are of such substance as lye, iodine, phenol or strychnine. It should also be pointed out that three out of four fatal child poisonings occur at ages 1 to 2. This indicates that prevention of these accidents involves keeping poisons away from children rather than teaching them about poisons.

Any item that can be poisonous should be kept out of reach of children. This includes medicines, kerosene, insecticides, cleaning fluid and many other items. Adults should never attempt to take medicine in the dark. Always read the label to make sure the medicine you wanted is not something poisonous.

In the 25-44 and 45-64 age groups, there are sizeable differences between male and female accidental poisoning deaths. There were considerable more barbiturate deaths of women in the 25-44 group
