Dimmitt, Texas, Thursday, August 24, 1978

16 Pages Plus Supplement

First load of corn comes in

CAN'T WAIT—Dimmitt High School senior Heidi Bruegel [center] and her sister Wendy, a freshman, discuss class assignments with DHS teacher Loranel Hamilton while registering for the 1978-79 school year Monday. The girls,

daughters of Mr. and Mrs. Fred Bruegel Jr., were among 480 DHS students who have registered during the past week. Classes begin today at all schools in the county.

Castro County's first load of corn was delivered to Dimmitt Agri-Industries Wednesday morning by Vic Nelson of Hart. The corn, grown on the David Nelson farm outside Hart, had a test weight of 53 lbs. and a yield of 7387 lbs. dry weight for four acres.

The load, which had a moisture content of 24.8, was harvested from a 1000 acre field of Pioneer 3780 corn planted April 5.

The harvested corn had not been sprayed for insects and had five waterings. Harvest on the remaining acreage will begin in a week, Nelson said.

The first 1978 load of corn came in three days later than the first 1977 load, which was unusually early on Aug. 20. It was grown by Charles Axtell of Sunnyside and also brought to Dimmitt Agri-Industries elevator here.

Elevator managers over the county said Wednesday morning they expect a few early loads this week and next, but the harvest will not get into full swing until after Labor Day.

In spite of hot, dry weather and damage from insects, principally spider mites and corn borers, the corn yield is expected to be larger this year than last, in the consensus of elevator operators. Acreage in the county is off from 1977, but production will be larger, they agree.

Corn has been cut for ensilage in some parts of the county for the past week or so and trucks of the green feedstuff bound for area feedyards [See FIRST LOAD, Page 14]

KENNETH McDERMITT [right] presents the first 45 rpm recording of his original song, the "I Love You Waltz," to KDHN owner Jerry Marvins Monday. McDermitt, former Dimmitt

police chief who is now a student in classical guitar at Tarrant County Junior College, wrote and arranged the song and recorded it under the name of "Kenny Mack."

City's former 'top cop' puts new song on market

Kenneth McDermitt, former chief of police in Dimmitt, has recorded a new country-western song which he wrote and arranged, the "I Love You Waltz," and is taking it to disc jockeys around Texas and Oklahoma, hoping it will become a hit.

Dimmitt's KDHN was the first radio station to receive a record of the waltz, which McDermitt recorded under the name of "Kenny Mack."

On the flip side is "Blue Prairie," an old Sons of the Pioneers standard written in 1932 by Bob Nolan.

McDermitt now lives in Grapevine and attends Tarrant County Junior College, majoring in music with emphasis on classical guitar. He is a dispatcher for the college's public safety department, which supervises security on the three TCJC campuses.

Already a grandfather when he started to college, McDermitt enrolled last year after his youngest child, Becky, had graduated from Dimmitt High School. Also DHS graduates are his other three children—Cindy (Mrs. Jim Bob Ellis), Julie (Mrs. Kenny Powell) and Kyle, now with Collier Publishing Co. Becky is employed by TG&Y Stores at Carrollton.

Fair association members to meet

All Castro County Fair Association members and superintendents will meet Aug. 31 at 8 p.m. in the courthouse assembly room to make final plans for the upcoming fair.

Discussion regarding a carnival for the 1979 fair and other business will also be included on the agenda. Superintendents will be briefed on the procedure for entering exhibits and judges will be announced.

All superintendents who will not be able to serve are asked to notify Irene Keating, Charles Hottel or James McNeely as soon as possible so replacements can be found.

He and his wife, the former Barbara Clark of Dimmitt, have five grandsons and one granddaughter now. They both grew up in Dimmitt. He is the son of Mr. and Mrs. Lester McDermitt, and she is the daughter of Mr. and Mrs. Chris Clark, who now live at Cisco.

His uncle, the late Woodie McDermitt of Hereford, played with the Bob Wills Band, Hank Thompson and other country-western stars, and taught guitar to many youngsters of this area.

McDermitt has written five songs so far.

"If this one catches on, we'll use my other four and some more releases and make an album later on," he said.

"I'm using this record to get my foot in the door as a music writer and recording artist," he said. "I've got another I want to record, too—it's a beautiful song called 'Thank You, and Happy Anniversary,' a pop song. I can hardly wait to get to work on it. All the people in the business who have heard it really like it."

After visiting radio stations in this area Monday, McDermitt headed north Wednesday into the upper Panhandle and Oklahoma to make personal calls on station managers and disc jockeys.

"After we make all our contacts in this area, I'll go south to Lubbock, Abilene and the Dallas-Fort Worth area," he said. "And my dad's brother, John, is going to contact stations in the

Paducah, Ky. area." Ben Gollehon, also a Dimmitt native who is now band director at Grapevine High School, wrote the "lead [See 'TOP COP', Page 14]

Cities receive tax rebates

Dimmitt's share of the city sales taxes rebated by the state comptroller's office for the month ending July 27 amounted to \$4,592.03, bringing the total for the year to \$71,368.30.

City sales taxes are collected by merchants along with the state sales tax, and rebated monthly to cities in which it was collected. The city tax amounts of one percent on retail sales.

The July rebate to the City of Hart was \$735.28, and the 1978 total stands at \$7,708.37. Nazareth's rebate check was for \$672.02, bringing the year's total to \$6,325.35.

Neither Hart nor Nazareth received a rebate payment in July of 1977. The check to Dimmitt a year ago was \$6,343.35, and the 1977 total to that date was \$84,713.10.

This year's total to Nazareth continues to hold above the previous year, amounting to \$6,325.35 compared with \$5,591 through July of 1977. Hart as well as Dimmitt showed a decline for the year, with \$7,708 for 1978 compared with \$8,710 for the first seven months of 1977.

County fair entry list is announced

County fair staples, the farmer's best ears of corn and his wife's choice apple jelly, along with some newer items like science projects and photographs, will be on display at the Castro County Fair Sept. 8 and 9 in the County Expo Center.

All residents of the county are eligible to enter exhibits, vying for cash prizes and ribbons.

The fair is being expanded this year to include booths for commercial and non-profit organizations as well as the product displays, and efforts are being made for the largest-ever showing of farm and garden produce, handcrafts, foods and special exhibits.

Sponsored in past years by the County Extension Office, the annual fair has the Dimmitt Chamber of Commerce as another sponsor this year as its scope is broadened.

Exhibit divisions and their superintendents have been announced in all categories. Chamber of Commerce Manager Shirley Hall and Jo Behrends are superintendents for the commercial exhibit spaces, and are already receiving reservations.

For the open exhibits, Clayton Jobe and Sam Scarborough are in charge of farm products, including corn, grain sorghum, small grains, sheaf grains, sheaf forage, baled hay, cotton and sugar

beets. Swain Burkett and Margaret Ann Brockman are superintendents for the garden division, comprising vegetables and fruit. Thelma Hutcheson and Shirley Schacher are directors of the canned fruits and vegetables section.

Crafts, including needlework, painting, leathercraft, refinished furniture and guns and many others, will be in charge of Beth Schulte, Carolyn Sides and Lana Downing. Bea Acker and Margaret Womack are superintendents of the baking division. Catherine Hochstein and Nell Ingram of clothing entries. Photographs, either color or black and white, will be displayed in a division directed by Linda Maxwell and M.L. Simpson.

N.A. Bryson and the Extension Service entomologist will be superintendents of special exhibits in horticulture, science projects and entomology.

Entries will be made from 2:30 to 6 p.m. Sept. 8 and judging will begin at 6 p.m. Entries must remain on exhibit until 4:30 p.m. Sept. 9.

Exhibitors will be in two groups, youth for those age 18 and under, adult for those 19 and over. Entries must be the work of the exhibitor and may not have been judged in a previous event in this county. Each person may enter only one article in each category.

about dimmitt and castro county

by b. m. n.

School starts this week, today to be exact. Kids are going to be on their way to school, on the city streets, whether they want to or not. We have a compulsory school law that makes the kids go to school, so if we are going to put them on the streets, in many cases against their will, we should be extra careful in looking after their safety. Try to anticipate what the little fellows are going to do, then let them do it in safety. They don't always observe the traffic laws and regulations. Then too our streets are not the safest place in the world right now.

According to recent news releases Secretary of Agriculture Bob Bergland is blaming farmers' non-compliance with his farm program for the expected glut of feed grains from this year's forecasted bumper crop. I got the impression that he was displeased with farmer participation in the program, and that he had no sympathy for them in their upcoming difficulties and that he would not go to any special trouble to correct the problem. The present program is not drastic enough to get rid of the surplus. It's like trying to stop stomach cramps with an aspirin. We desperately need a different secretary of agriculture.

It should be strictly against the law for anyone working for any government agency, and that includes all public employees, to strike. That does not mean that anyone can't quit any job after proper notice, or summarily for that matter, if they are not satisfied. We have seen cities crippled and the public punished as a result of strikes by policemen, firemen, teachers, etc. And now we are being threatened by a national walkout of postal employees. The public, and public funds, are sitting ducks at the mercy of striking public employees. With public employees getting salaries higher, on the [See, DIMMITT, Page 14]

Work day set at cemetery

A work day at Westlawn Memorial Park Cemetery has been set for Saturday beginning at 8:30 a.m. The well has been repaired and there is now water at the cemetery. All interested persons are encouraged to attend the work day.

School starts today

Vacation ends today (Thursday) for public school pupils in Castro County who return to classes at Dimmitt, Hart and Nazareth. Teachers reported Monday for in-service days preceding the start of the term.

Only one full week of school will be held before the first holiday, Labor Day. All three schools will be closed Monday, Sept. 4.

Facilities are complete in all county schools, the superintendents reported Tuesday, and buildings are in readiness for the new term.

"We think we're all ready; we'll open the doors Thursday and see what we lack," Supt. Ted Averitt of Hart quipped to sum up the feelings of the school heads.

Several new programs will be inaugurated in Dimmitt schools, Supt. Robert Ryan said.

New in all three schools is the state-required serving of breakfast as well as lunch in the cafeterias. However, that program was tried out for a few weeks at the close of last term in Dimmitt schools and no problems are expected in its administration.

Enrollment is anticipated near last year's levels in Dimmitt, Ryan said, but add-

UW agency needs studied

The goal of Dimmitt's 1978 United Way Campaign will be determined by the budget committee, UW board and campaign chairman Joe Josselet after conferences are held with representatives of the participating agencies through the remainder of August and in early September.

Requests from the 12 agencies which share in UW funds were due Monday and are being turned over to the budget committee, headed by Betty Huckabay as chairman.

That committee will discuss the requests with each agency, making adjustments when necessary to work out the allotments, Board Chairman Doug Lapins said.

The figures will be presented to the board of directors, which will decide on the amount of the campaign goal. Last year's goal was \$16,750 and slightly more than that was raised in the drive.

The campaign will officially begin in October but the "advance gifts" drive is underway and Josselet is including farmers in that drive. He has sent letters and pledge cards to farmers, asking them to make their pledges now before they become busy with harvest activities.

"We hear there are a good many more migrant workers in the district this year, partly because of the new vegetable packing plant here, so we may have considerably more migrant students."

Averitt said enrollment at Hart will also depend on the number of migrants, which is difficult to estimate. These students are usually in schools of the area through the fall harvest season, a date that depends on the weather and other factors.

Migrant workers are not numerous in the Nazareth district and make little difference in school enrollment, Supt. Johnny Mason said. He expects about 330 pupils will enroll, a slight drop from last year.

The Nazareth faculty was completed only last week when Joe Lombard was employed as girls' basketball

'Back to School' dance set for Castro County

A "Back to School" dance for all Castro County youth will be held Friday from 9 p.m. until 1 a.m. at the County Exposition Building. The dance is sponsored by the Dimmitt High School Key Club.

Country and Western as well as rock music will be D.J.'d by Frank Garrett of Amarillo at a cost of \$2.50 per person.

DHS Annual signing party set for Friday

An annual signing party will be held Friday at Dimmitt High School when the 1977-78 Bobcat will be given out to students.

The party will begin immediately after school is dismissed. 1978 graduates and current students are urged to attend the annual signing event, according to 1979 Bobcat editor Laura Lapins.

coach and Deborah Campbell as Title I reading teacher. Also Maria Falcon was employed to round out the lunchroom staff.

A new program this year in Dimmitt High School will be a half-unit of vocational office education for junior and senior students, Ryan said. This is a two-hour block of instruction designed to prepare students in secretarial skills for the job market. J'Lynn Ryan will be the instructor.

Another program will put [See SCHOOLS, Page 14]

CofC reaches membership goal

The addition of 20 new members to Dimmitt's Chamber of Commerce has pushed the total membership to 170, according to Chamber manager Shirley Hall.

The Chamber's membership drive, which began at the end of July and ended this week, netted the new individual members and businesses. A goal of 20 had been set by the Chamber.

New members are: Atchley Animal Clinic, Emmett Broderson, Kenneth Cleveland, Corn Saver Mfg. Co., Bill Dannevik, B&W Aerial Service, Dimco Ind., Five Point Gin Inc., D.W. Harkins and Carl King.

Also, the Pizza Hut, Ray Robertson, M.L. Simpson Jr., Ed Wilson Real Estate, Irene Keating, Granville Martin, Anna Margaret Moss, Scott's Trading Post, Alan Newman and Brick Autry.

"We would like to welcome all new members," Mrs. Hall said.

Booster Club sets meetings

The Dimmitt Athletic Booster Club reorganized for the year this week and will meet Tuesday night to elect officers, view a scrimmage film and make plans for the annual Ice Cream Supper.

Tuesday night's meeting will begin at 8 in the DHS cafeteria. A film of tonight's Dimmitt-Abernathy football scrimmage here will be shown, with running commentary by varsity coaches.

Committees also will be appointed to provide homemade ice cream and cookies for the Ice Cream Supper, which is scheduled for Tuesday night, Sept. 5. The Ice Cream Supper annually introduces varsity and junior varsity players and coaches to the public.

Membership in the Booster Club is open to all persons who enjoy high school athletics. Meetings during the football season will feature game films, scouting reports on upcoming opponents, and discussions with the coaches.

Dues are \$2.50 per year for individuals and \$5 per year for families.

The Booster Club will meet every Tuesday night at 8 in the DHS cafeteria, from now through football season.

ARMANDO BELLESIA, Dimmitt's 1978-79 American Field Service exchange student from Fabbriico, Italy has made a home with his American "parents," Bobby and Earlene West after arriving in Dimmitt Aug. 12. After arriving in New York City Aug. 8, Armando attended a two-day orientation and then took a bus with other AFS students to Kansas City,

Mo., then flew to Amarillo. Although he has been here a little more than a week, Armando has already developed a taste for hamburgers and Sprite. He is amazed at the number of large cars and teenage drivers. An early riser, the Italian boy jogs one mile each morning on the streets of Dimmitt.

Sheffy's Chatter

By MYKILE SHEFFY

Brenda Andrews, Cheryl Glidewell, Dorothy Hopson and Carolyn Jones spent several days in Taos, N.M., visiting friend Barbara Caldwell who has a cabin there.

Dan and Hazel Nelson, Mel, Pam and Robert and friends Jimmy and Mary Cluck and kids, Randy Smithson, the Charles Nutts and family went to Six Flags.

Louie and Lena Allen have had their two granddaughters Alysia and Audria Almond from Holmdel, N.J., for a four-week visit.

Sue Coleman is back on the job at the Castro County News following a two-week vacation. She went to Hebron, Maine, to join a group in a unique vacation plan called Elderhostel.

Betty Cartwright and granddaughter Pam Lockmiller of Clovis had a fun trip to Ruidoso. Seems it was Betty's first trip there.

Joe and Gladys Benson are home from a good trip to California. They visited Joe's nephew Lynn Benson at Corona. He has a big house on a hill overlooking the orange groves.

Emily Clingingsmith and Bea Hawkins went to the mountains of New Mexico and Colorado for a vacation.

They took the scenic railroad trip from Chama, N.M., to Antonito, Colo. This beautiful scenic trip was by narrow gauge railroad and the return by bus.

Also they visited Cripple Creek, Colo., an old mining town. While there they went to the Imperial Theatre where they saw the melodrama presented by the Imperial Players.

We saw the "Mighty Bobcats" running around Western Circle one evening. The coaches follow them in a pickup. The boys look good to my eyes, so let's keep in touch of game time and go watch them play good as always.

Gene and Mary Nell King and kids took her mother Anna Mae Boulware to her home in Graham after a visit here. She missed the worst of the flood. Gene stopped in Aspermont to visit his parents. The Kings are with the Dimmitt school system.

Michelle House, the young daughter of Mr. and Mrs. Hal House, has been visiting her grandparents Bill and Jo Hickey and the greats, Claude and Neva Hickey. I was visiting people in the store (and stores) and met R.W. and Peggy McClure here from Kress shopping for a winter coat.

James and Pat Powell spent last weekend at Van Alstyne visiting his mother and to pick up their girls Tresa and Cheryl who have been visiting Grandma. Also time to get the girls back in school.

My sisters Mrs. Roland Moore of Vigo Park and Mrs. Ethel Gillham of Claude and I went to Slaton Thursday to have birthday dinner with sister Bower and her husband Bill Sikes.

Brian Merritt was the three-year-old birthday boy Friday so his mother Mrs. Brock Merritt baked him a cake and other goodies. Had the grandmothers Mona Merritt and great-grandmother Mable Brock and little friends in. Seems the Brocks and Merritts went to Conchas for a weekend vacation.

Bridal shower for Dana Lippard will be held Saturday morning at 10:00 instead of 10 p.m. as was printed on the invitations. The shower will be in the home of Mrs. Ted Sheffy, 1000 Maple Street.

Donna Myers was telling me about their fun trip to Ruidoso. They saw the horses

run, on to see the Inn of the Mountain Gods, on to Cloudcroft and White Sands. Saw everything they could. Going with Donna were her daughter Crystal Dawn, Ressie Welty, Flora and Joyce Welty and grandmother Rosie Putman.

Dee Umberson came over from Alamogordo to visit his mother Alma Umberson who lives at South Hills Manor.

Mrs. Paul Dannevik of Moriarty, N.M., and Mr. and Mrs. Bill Mitchell and Carol of South Pasadena, Calif., were guests of son Bill and Martha Dannevik. The others are kin. Anyway, all went to see "Texas." I have a letter from Mrs. Margaret Harper. She says "A Fantasy in Sound" will be showing Sept. 1-10, except Wednesday the 6th. The play starts at 8 p.m. This is between "Texas" and something else.

Carole and Goldman Dyer, Jim and Ina Cleavinger and Charles and Lois Wales attended the wedding of their cousin at Wildorado last Saturday night. David Cleavinger was the groom. Didn't get the bride's name. David's parents are Bill and June Cleavinger.

I saw Drilma Handley and her children Brian and Angela at the shower and party at Shirley Wise's for Susan (Warnock) Minnick. Drilma lives at Lubbock, a former Dimmitt resident. She was here visiting Mrs. Carmen Pigg, Mae Hargrove, and Ed and Mary Jo Ray. And at the party were Sue Warnock Hance, daughters Terri and

Renee from Loomis, Calif., visiting C.A. and Oleada Hance. Sue is an aunt of Susan Minnick.

Ruth Jackson, Betty Burrous and Shorty Manning have been at Nichols Hospital recuperating from recent surgery. Seems all are doing well. Mrs. Annie Laura Hargrove and Laura, daughter of Don and Mae, are home from a visiting trip to Dallas to see her sister Dorothy Cox.

Enroute home by plane she had as seat-mate Melba Lewis from Brownfield. Melba is a sister-in-law to our daughter Dorothy Bond of Dallas.

Kathy George Burks of Lubbock was a Sunday guest of grandmother Cletha George and Patti Summers and all attended church with the Methodists. Kathy's husband Greg will attend school at Tech this fall.

Mary Booher, who has been ill, asked me to express her thanks to everyone for all the kindnesses shown her.

Howard and Dorothy Cook went to Santa Fe, N.M. for four days. Then to Oklahoma and parts of Texas to visit

Charles and Ann Armstrong and boys Trent and Brian are looking and driving around Colorado this week.

The Sheffy family says Thank You to everyone for kindnesses shown to Aunt Fannie Mahan who was buried at Plainview Monday afternoon.

Alene Lilley was hostess at Sunday dinner for her kin. They are Roy and Mozelle Lilley, Jerri Lillie or Mrs. Fred, Cody Fry, Jewell and Owen Hankins from Hart, Cody and Maria Marlar from Lorenzo and Kelton Lilley from Plainview. They had a talking and eating good time.

A well of water... Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water. Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life." The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Coleman Adv. Ser.

NOTICE

Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial, small industrial and air conditioning customer classes in the 63 cities and towns on its West Texas Distribution System, effective September 15, 1978. It is anticipated that the new rates will result in a 26.4% increase in Pioneer's gross revenues on its West Texas Distribution System, which increase is a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.

A Statement of Intent to change said rates was filed with each of the cities and towns (listed below) on or about August 11, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

NOTICE

Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial, small industrial and large gas air conditioning and/or electric generating gas service customers in the rural environs of the 53 cities and towns on its West Texas Distribution System, effective upon the date and to the extent that such rates are finally approved for the said cities and towns. It is anticipated that the new rates will result in a 1.7% increase in Pioneer's gross revenues on its West Texas Distribution System. The increase in Pioneer's aggregate revenues will not constitute a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.

A Statement of Intent to change said rates was filed with the Railroad Commission of Texas about August 18, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

Sunnyside

Ensilage harvest begins

By TEENY BOWDEN

A total of 25 inch of rain was received in the north part of the community Friday night with 30 inch recorded Sunday morning.

Ensilage harvest got underway Monday and with fair weather all week, much of it was cut.

Mrs. Gale Sadler, Cindy and Susan, Mrs. Ray Joe Riley, Lonnie Wilson and Chris Elkins celebrated their graduation from Emergency Medical Technical School Thursday night with a party at The Other Place in Dodd. Helping them with the celebration were Gale Sadler, Bob Clatt of Lubbock and Mrs. Lonnie Wilson.

Mrs. Raymond Jones, Mrs. Hershel Wilson and Mrs.

Gene Ross took Channin, Tammy and Rhonda Ross, Daneen Wilson, LaGlenda Wilson, Carrie Sadler, Ginny Guy, Chris Elkins and Lynn Brown to New Mexico's first State Youth Conference in the First Baptist Church at Hobbs Saturday. Steve Davis, who was a quarterback for Oklahoma University in 1976 when they were national champions, was one of the speakers. Jay Stack of Florida, an ex-junkie, was also a speaker, and Beckie Reid of Dallas, Miss Teen Age America 1977, and Shirley Cothran, Miss America 1975, were also speakers.

Laura Sadler was admitted to Plains Memorial Hospital in Dimmitt Wednesday afternoon and underwent a tonsi-

lectomy. She was dismissed Thursday morning.

Rev. Raymond Jones officiated at the funeral services for Mrs. Myrtle Cannon in Plainview Friday afternoon. He was with the family when she passed away Wednesday afternoon in Central Plains General Hospital in Plainview where she had been a patient 35 days. Mrs. Jones accompanied him, and they visited with the family Thursday.

Mr. and Mrs. Buddy Cummings and family of North Dakota visited this week with his parents, Mr. and Mrs. Howard Cummings. He is a Captain stationed at Minot Air Force Base.

Mrs. E.R. Sadler took Amy Sadler home Monday, but Gregory stayed through Sunday with his grandparents.

Mrs. Jake King and Karl of Hereford brought a niece, Kristi King of Gruver, for a visit with her aunt, Mr. and Mrs. David Sadler, Melody and Karla last Wednesday. Karl and Kristi spent the night and Mrs. Sadler and the girls took them home Thursday.

Baptist Women met for the council meeting Tuesday morning with Mrs. Raymond Jones, president, in charge.

The Baptist Young Women conducted a VBS class for the Mexican children in the community Tuesday morning.

Mr. and Mrs. Ezell Sadler spent the weekend at Breckenridge Lake.

Mr. and Mrs. L.B. Bowden and Mrs. Edd Thompson attended the Bowden reunion at Vernon Sunday.

Rev. and Mrs. Raymond Jones visited in Plainview with their daughter, Mr. and Mrs. Doyle Bothwell Thursday.

Kevin Riley, Pat Fulfer and Lynn Brown had football practice twice a day this week at Springlake-Earth. Lynn is a manager. Michael will be filming the games this year instead of helping with managing. They had an intersquad scrimmage Saturday night and Tommy and Michael took Hirota Shibuya and Kevin and Jodie took Shuta Ueda to watch since they will not be here long enough to see an actual game.

Mr. and Mrs. Alvin Schultz and their daughter, Marsha of Canton, Ohio, visited Sunday afternoon with Mr. and Mrs. Gerald Graham, Tommy and Michael. They are cousins of Mrs. Graham.

Mr. and Mrs. Dee Jones of San Angelo spent the weekend with Rev. and Mrs. Raymond Jones.

Mr. and Mrs. Lee Brown of Lubbock spent last weekend with Mr. and Mrs. Cliff Brown and Lynn and Mr. and Mrs. A.L. Jones and family.

The Uppitts had charge of the special music in the Sunday morning church services.

Mrs. Ray Joe Riley and Jodie took Shuta Ueda of Nayota, Japan, and Hirota Shibuya of Sendai, Niyagi, Japan, to her father's ranch north of Hereford Friday and spent Friday night and Saturday there.

Mr. and Mrs. Cliff Brown visited in Lubbock Sunday with Mr. and Mrs. E.R. Brown and Mr. and Mrs. Lee Brown.

Everyone in the Sunnyside community is invited to Dana Lippard's bridal shower this Saturday from 10 to 11 a.m. It will be in the home of Mrs. Ted Sheffy, 1000 Maple Street in Dimmitt.

KIMMIE HOLLUMS

Student ranks 2nd in class as LCHS grad

Kimmie Hollums of Dimmitt, a summer graduate at Lubbock Christian High School, was second in her class with a 3.9 grade average, and fifth for all high schools participating in Lubbock Christian College school, with a 3.85 average for all four years.

She was commended as top individual in typing and government, second in advanced Bible. Miss Hollums is the daughter of Mr. and Mrs. Kenneth Hollums.

Formerly a Dimmitt High student, she was a National Honor Society member and won the Deaf Smith-Castro Legal Secretaries scholarship.

A three-year FFA member, she earned the Lone Star State Farmer, Star Chapter Farmer and Star Greenhand awards here, was a chapter officer, lettered in agriculture and holds the State Farmer degree. She was chairman of fruit sales, an FFA project, and was high salesman two years.

Taking part in various team competition, she was also individual winner in district UIL shorthand contests. She was a three-year member of the concert and marching "A" Bobcat Band and was a twirler.

For hobbies she enjoys horseback riding, piano, sewing, table tennis and teaching twirling.

Nazareth

Gerbers honored on 37th

By VIRGIE GERBER

Albert and Virgie Gerber were treated to a supper at K-Bob's in Dimmitt Saturday evening by their children in honor of their 37th wedding anniversary. The rest of the evening was enjoyed at Charley and Bev Hills.

Tony and Erlene Fritz and children of Oklahoma City spent the weekend here with Erlene's family. Tony had a business meeting to attend in Amarillo with the Big Brothers.

Mrs. Josephine Ball, Fred Ball and Danny Schilling drove to McKinney to visit the Vernon Braddock family for several days.

Mr. and Mrs. Art Kleman of Tulsa, Mrs. Mabel Wagner of Hereford and daughter Lucille Hayden and son Victor of Louisiana visited in the home of Meta Stork Wednesday afternoon. They also visited Mrs. Blanche Birkenfeld at the home of the Paul Venhaus' and Mrs. Flora Backus at the rest home in Dimmitt.

Mr. and Mrs. Jerome Brockman, Paul and Teresa went with Kenny Brockman to Santa Fe, N.M., where he will enroll in the Immaculate of Mary Seminary.

Mrs. Rita Book and son Chris went to Tulsa, Okla., where Chris enrolled at an aviation mechanics school.

Vickie Wilhelm spent the summer here with her family, the James Wilhelms, but has now returned to McCamey where she will be teaching school this year.

Robin D'Lyn, daughter of Clyde and Lisa Schulte, was baptized Sunday in Holy Family Church. Sponsors were Bob and Beverly Schulte. Also baptized was Clinton Ross, son of Mr. and Mrs. Clayton Acker. Sponsors for him were Mr. and Mrs. Jerry Leinen of Amarillo. Deacons Jerome Brockman and John Dalton officiated.

Linda Smith and son Shawn have returned to Aurora, Colo., after spending a month here with her mother Mrs. Rose Hindman.

Mr. and Mrs. Alvin Anderle, Greg and Stephen attend-

ed graduation exercises for Monica at the Civic Center in Amarillo Saturday. Monica received her masters degree in physical education.

On Sunday, the Alvin Anderle family attended a Lindeman family reunion in Hereford at the W.J. Schumacher residence. Family members were from Oregon, Arkansas, Windthorst, Hereford and Nazareth.

On Monday evening a birthday supper was given in honor of Matilda Anderle. Those present were Sr. Charlene of Arkansas, Gertrude Lindeman of Oregon, Joe and Donna Lindeman and family of Hereford, Philomena and Andrew Garza of Dimmitt.

Attending the Schulte-McDaniels wedding from out of state were Mr. and Mrs.

Thomas Promes of Bull Valley, Neb., Artie Schulte and niece Laurie Schulte, also of Bull Valley, another niece Linda and her husband of South Dakota, and Mr. and Mrs. Dennis Schulte of Lincoln, Neb. Also Howard and Susie Schulte and daughters of Luling.

View from the Library

By BRICK AUTRY

This is a column about the activities of the library. So just what did we in the library do this week? One thing was—we swatted flies. That isn't particularly noteworthy, however, and I am sure that most would like to read about something more important.

This is almost my favorite time of the year. This is when various people in the book business and the magazine publishing world try to tempt us with complimentary copies of their wares. So far we've gotten a copy of the magazines Salesman, Pets of the World, and Somos, for free.

Salesman is the kind of cheap dynamic magazine that amateur sales people get. Pets of the World is a new one on me. It has a slick format, a kind of cutesy devotion to dogs and cats which pet lovers will enjoy. I

thought the horoscopes for your "Virgo" cat was a little too too.

Somos is another Chicano magazine. It follows the look and format of previous Chicano magazines. It has articles in both Spanish and English, banal comic strips, photo series stories and an awfully lot of racist propaganda. It's a bummer.

We are also getting complimentary books from companies. They include biographies of their founders, company history and the like. It is good public relations, all right, but I just can't stop thinking how smug their letters sound—example—"we graciously extend to you an invitation to thumb through our new book about Mr. So and So and how he led his inspiring career.... please accept this as a gift to your library (and remember, buy, buy, buy from us). It's rather touching, really.

We would also like to thank the Castro County Home Demonstration Council for giving us a copy of "Treasure Trails in the USA" by the National Extension Homemakers Council. They are nifty travel aids for all 50 states. They are also for sale in the Extension Office.

What's cooking at the schools

MONDAY—Chicken fried steak, gravy, creamed potatoes, green beans, fruit, rolls, butter, milk.

TUESDAY—Spaghetti and ground beef, blackeyed peas, tossed salad, Jello, rolls, butter, milk.

WEDNESDAY—Hamburgers, pork and beans, prune cake, milk.

THURSDAY—Meat loaf, broccoli, little whole potatoes, pudding, rolls, butter, milk.

FRIDAY—Fish with tartar sauce, peas and carrots, rice, fruit salad, rolls, butter, milk.

On Wall Street
By Bob Hill
A.G. Edwards & Sons, Inc.

Strikes by municipal workers are on the rise and they serve as a warning of what might happen to the rest of the country if the taxpayers' revolt succeeds outside of California. The natural consequence of passage of a Proposition 13 is to slash government spending through tax cuts which poses a direct threat to municipal workers in jobs and income. The question being raised is whether these workers have won too large a share of the public treasury.

That's a tough question to answer fairly and objectively because, in a country so in love with statistics, data on labor relations in government is seriously lacking. There is only a small amount of inflation about wage settlements, earnings, total compensation, etc. And much of the data published is out of date.

There are about 9 1/2 million state and local employees, 49 percent of which are members of unions. That unionization rate far exceeds the 24 percent in the private sector of the economy. Now the tax-cut movement threatens radical changes in labor-management relations in state and local governments. But policymakers do not have a clear idea of what course to follow in negotiations.

The necessary statistics, vital for any meaningful negotiations with municipal unions can only come from the federal government. But the budget of the Labor Dept's Bureau of Labor Statistics doesn't permit any more research on the subject.

So policymaking will suffer in the tangled thicket of state and government labor relations until the Labor Dept. begins putting out more wage data. And that will require a "political" decision by the White House or Congress to produce the necessary funds for such a project.

STARS can be viewed in Palo Duro Canyon

The stars will be shining in Palo Duro Canyon beginning early September. Not stars in the sky, but stars on the stage can be seen when the Lone Star dancers and singers with artists from Ballet West, New York City Ballet and the American School of Ballet perform a fantasy in sound and light as a tribute to the Palo Duro Canyon.

STARS will begin Sept. 1 and continue at 8 p.m. nightly through Sept. 10, except Wednesday the 6th.

Set in the Pioneer Amphitheatre, home of the musical TEXAS, the giant cliffs and biding rocks will be the setting for the dancers' tribute to the canyon. They will start the program which will end in a soaring salute to the canyon in sound and light using all the voices and echoes of its walls.

Tickets are \$3.50 for adults, \$2.00 for children under 12 years. Reserved sections are available for groups.

YURI Gagarin set the first world space record of 203.2 miles up.

Water management

Water, nutrients are still required by maturing corn

By William P. Dannevik, P.E.

The finishing touch! Normally corn plants should remain green and healthy until the maturity ring moves down to the tip of the kernel and the black layer forms. Then leaves will dry from the top down. It generally takes two to three weeks from dent to reach physiological maturity. Nutrients and water require-

ments remain strong during this stage.

Stress from disease, hot weather, insects or drought cause premature death and is indicated by leaves drying from the bottom up. When plants die before reaching physiological maturity the kernels dry up instead of filling out.

The last irrigations are puzzlers and depend on soil

texture, tensiometer readings or availability of water in the root zone, slope of the field, i.e. how much water is applied per irrigation, temperature, insect damage, extent of disease and probably a few other things such as money. Generally if a majority of the plants are green and healthy, keep it wet!

Current hot conditions have increased evaporation rates at a time when everyone is looking for a stopping place on irrigation. A 12-inch ten-

someter increased from 42 centibars on Thursday to 54 centibars on Friday. Water penetration is poor and an extra irrigation may be necessary.

Fuel costs are ranging from 60 cents per acre-inch to as much as \$2.30 per acre-inch. At \$2.30 per acre-inch the last irrigation must increase yield at least a bushel per inch of water applied. If corn is just beginning to dent the last irrigation can easily supply this increase.

DELAY can be deadly. The average heart attack victim waits three hours before seeking help, and most victims die before they get to the hospital if they wait.

Schedule set for revival at First Methodist Church

A schedule of events for the upcoming revival services at the First United Methodist Church, featuring Rev. Gene Moore and his wife Bobbie of Waco, has been set.

A church-wide covered dish luncheon will kick off the revival following Sunday morning worship services. Youth will meet at 5:30 p.m. Sunday and evening worship will take place at 6:30 p.m. An afterglow in the Lamar Fellowship Hall of the church will follow each evening worship service.

A breakfast and devotional at 7 a.m. will be held Monday through Thursday as will a youth get-together each evening at 7:00. Evening worship will begin at 8 p.m. Monday through Thursday in the church sanctuary.

Gene and Bobbie Moore, leaders of the revival, have

led services around the world. They have headed several missionary trips, the latest being to India in 1971.

They have been in charge of music for United Christian Ashrams, the South Central Jurisdictional Conference on Evangelism and the National Committees of the Twelve. The Moores led music for the Southern Illinois Annual Conference in 1972. They have recorded four record albums.

Rev. Moore is an ordained minister having been appointed as evangelist in 1962. He was a pastor in a local church prior to becoming an evangelist.

Mrs. Moore is a musician, having had many years of formal training. Both received their degrees from an Oklahoma college.

Everyone is invited to attend the five-day revival at the church.

County entomologist says bollworm is on steady increase

By MARK POWELL
County Entomologist

COTTON

Bollworm is on a steady increase. The majority of the fields have 1-2 bollworm eggs per 100 plants with only one field with 1 per cent worm damaged squares. This is below the economic thresholds for treatment as discussed in the previous newsletter.

Beet armyworms are being found in many fields as are cabbage loopers. Beet armyworms do similar damage as bollworms, i.e. feed on developing squares and flowers. The treatment level for these worms is the same as for bollworms.

Cabbage loopers are rarely an economic pest in cotton and feed mainly on foliage and although causing the crop to look ragged do little real damage. Cabbage loopers are distinguishable from beet armyworms in that cabbage loopers are a velvety pastel green with the body tapering towards the head. Beet armyworms have a uniformly thick body from head to tail, are dark green and black striped body with light stripes running down the length of the body on either side of this creature.

CORN

Most corn is in the dough stage with some fields in the Hart area entering dent. Some ensilage is being cut southwest of Dimmitt.

Spider mites are still present in many fields but the cool nights of the past week have kept population stagnant giving the corn a chance to reach the dent stage. Once corn is in the dent stage spider mites should no longer cause yield reduction.

Southwestern corn borers seem to be on the decline and hopefully the second generation will cease some time this month. The black light trap

catches were still up this past week but started to decline towards week's end.

SORGHUM

Greenbugs reached economic levels mid-last week and treatment on those fields I checked was applied. The parasite was not building up quick enough to control the greenbugs.

International Offset Disk Harrows

Unit-built gangs make them the toughest you can buy

Nobody builds harrow gang assemblies like IH. They're the key to "keep going" performance after other harrows are down for repair. Square, spring-steel arbor bolts . . . precision-machined spacing and bearing spools . . . high-capacity, triple-sealed, regreasable, self-aligning bearings . . . plus heavy steel sleeves that spread bearing loads over a wide area . . . all combine to provide you with the toughest gang units on any harrows. Come see for yourself.

- 3 models of offsets available— from 12 to 24-ft. wide . . . from 2 to over 5 tons in weight.
- Standard, deep-tillage and hydraulic folding wing types.
- Big clearances all the way through for work in heaviest trash.
- Massive main frames, self-leveling hitches . . . break-resistant crimp-center blades . . . truly simple adjustments.

See us for details.
Finance plans available.

Corn loan rate down, soybean rate raised

The loan and purchase rate for Castro County's 1978 corn crop is \$2.06 per bushel, down one cent from the 1977 rate, according to Charley E. Hill, director of the Castro County Agricultural Stabilization and Conservation office.

The 1978 soybean loan rate is \$4.39 per bushel, \$1 per bushel more than last year's rate.

According to Hill, the rates are based on national loan and purchase rates of \$2 per bushel for corn and \$4.50 per bushel for soybeans.

"The rates vary from county to county to reflect produc-

tion and utilization patterns, historical prices received by farmers and differences in transportation costs," Hill said. The schedule of premiums and discounts is unchanged from 1977.

The county corn loan rate is for corn grading No. 2. The soybean loan rate is for soybeans of the yellow or green classes which contain 12.8-13 percent moisture and which grade not lower than No. 2 on the factors of test weight, percentage of splits and heat damage, and not lower than No. 1 on all other factors.

Price support loan programs are administered by ASCS. Farmers who have questions concerning the 1978 loan and purchase rates are invited to contact the Castro County ASCS office at 3rd and Bedford, Dimmitt, telephone number 647-2153.

CERTAIN drugs—for example, sulphas, and certain tranquilizers and antibiotics—can make the skin extra sensitive to sunlight.

DIMMITT HIGH SCHOOL'S cheerleaders learned new yell and polished up old ones during cheerleading camp held July 24-28 on the campus of Southern Methodist University in Dallas. The seven-member squad was awarded the camp's

spirit stick. The University of Texas cheerleaders led the camp which was attended by 990 students. Cheerleaders, from left, are Jo Beth Bates, KaKa Bruegel, Lou Phillips, Beth West, A'Lann Truelock, Kim Watts and Tonya Hampton.

Graduate of D.H.S. to Preach

Darrell Holland, a third-year student at Arlington Baptist College of Arlington, Texas, will be preaching at the Bible Baptist Church of Dimmitt Sunday morning, August 27.

Darrell is a 1972 graduate of Dimmitt High School and is living in Arlington with his wife and daughter while he is a student at Arlington Baptist College. Darrell is taking the missions course and plans to become a missionary to Columbia, South America.

Darrell will be teaching the Sunday School at 10:00 a.m. and preaching the 11:00 a.m. worship service.

The public is cordially invited to come and hear him. The church is located at 501 S.E. 3rd.

"Stampers" featured in Postal Life magazine

Dimmitt Middle School's Benjamin Franklin Stamp Club was featured in the July/August issue of Postal Life magazine, a publication for 655,000 career postal employees across the nation.

The "Dimmitt Bobcat Stampers" were part of an area stamp collecting program begun by Hereford postmaster J. Nolan Grady, who pioneered the establishment of Benjamin Franklin Stamp Clubs in fourth-and-fifth-grade classes within a 120-mile radius of Hereford.

Also featured in the two-page article was Dimmitt postmaster Bill Sava and Middle School teacher Catherine (Kippy) Laws Broderick. Photos of Sava, Terry Cearley, president of the Dimmitt Bobcat Stampers Club and Anne Guy, a

"stamper" illustrated the feature.

The following are excerpts from the article, entitled "Ben Franklin Goes West":

Grady took Postal Life to Dimmitt, about 20 miles from Hereford. That club in the Dimmitt Middle School was "ideal" in his opinion. Under Postmaster Bill Sava's guidance, the kids were really enthusiastic and the hobby had caught on well.

Teacher Catherine Laws and her 27 students were right at home with Grady and Sava. Sava had been there before, to make his presentation on stamp collecting and to bring posters in addition to the Benjamin Franklin Stamp Club materials. In a town of 4,200, everyone knows the postmaster, especially if you're a kid, and Sava is no exception. He is active in Boy Scouting and helps coach local sports.

"These students are still amateurs," said Sava, "but they enjoy the hobby." Echoes teacher Laws, "We've tied in stamp collecting with a lot of subjects we study in class."

Grady spoke briefly to the class then moved down the aisles to talk informally with the students and answer some of their questions. One told him that by putting an envelope in the freezer for 24 hours the stamp would usually come off without having to be soaked. Another piped up that if you have valuable stamps you shouldn't damage the adhesive by soaking it.

Grady believes that most youngsters who take up stamps as a hobby usually wind up in the top five percent of their class scholastically. Whether it is the curiosity they generate or just the pleasure of having a collection, or both, he doesn't claim to know.

Terry Cearley, president of the Dimmitt Bobcat Stampers Club—a bright handsome boy—told Grady and Sava: "I never thought of stamp collecting before this year. Now my mother says it's the only thing I'm interested in besides basketball and baseball." Any day now Terry will discover girls.

PERSONS who do vigorous physical work or play and sweat profusely may need added sodium—the body loses about 1,000 grams of sodium in one quart of sweat.

Bovina man's death being investigated

Gaines County sheriff's department is investigating the death of Dannie Lynn McKay, 22, of Bovina, brother of Jerry Dean and Bennie Ray McKay of Dimmitt, after he was found in a burned pickup truck last Thursday near Seminole.

Graveside funeral services were held Sunday afternoon in the Bovina Cemetery by Rev. Jerry Rockwell, pastor of the Bovina First Baptist Church, and Rev. Denzil Leonard of the Canadian First Baptist Church.

A farmer found the burning truck with the body on a paved county road in Gaines County, well off the route McKay was supposed to be taking to Dallas. Seminole and Denver City fire departments were called and are investigating the cause of the blaze.

An autopsy was ordered to determine whether the man

had been shot, beaten or stabbed before the fire.

McKay left Bovina for Dallas the night before he was found dead. He had worked in Dallas this summer and was driving there to pick up some furniture and bring it back to Bovina before enrolling for the fall term at Eastern New Mexico University, where he was previously a student.

A Bovina resident 12 years, he is survived by his wife, Mary Lou; his parents, Mr. and Mrs. Elmer McKay of Bovina; a sister, Wanda Hundlee of Lubbock; and three brothers, Ernest Larry of New Boston and the two who live in Dimmitt.

THE GRAND Canyon is the most popular natural attraction in the United States.

At the age of 94, Bertrand Russell was active in international peace drives.

Former Hart resident dies

Services for Henry Hendrix, a former Hart resident, were held at 2:30 p.m. Tuesday in the Muleshoe Church of Christ. Royce Clay, minister from Big Spring, and David Cox, minister of the Muleshoe Church of Christ, officiated. Burial was in Rose Hill Cemetery at Tulia by Singleton-Ellis Funeral Home of Muleshoe.

Hendrix, 83, died Sunday. A native of Powderly, he had lived in Muleshoe 10 months, moving there from Hart where he had lived for the past 25 years. He was a retired carpenter and was a member of the Muleshoe Church of Christ.

He married Bertie Lea Baxter in 1915 at Quanah.

Survivors include his wife; four sons, George A. of Anchorage, Alaska, Dave T. of Chicago, Ill., Henry Jr. of Fairfax, Va., and Loyd F. of Sparks, Nev.; a daughter, Mrs. Audrey L. Bussey of Dimmitt; nine grandchildren; and seven great-grandchildren.

DESI ARNAZ at one time was a bird-cage cleaner.

Young campers visit Pecos Wilderness area

By MRS. OWEN ANDREWS

Bill Harmon

New Production Credit field officer named

Bill Harmon, formerly of Tulia, assumed duties Monday as the new field officer for the Dimmitt branch of the Plainview Production Credit Association. Harmon, born and raised in Roaring Springs, has served for 12 years as a loan officer for the First State Bank in Tulia. A graduate of Texas Tech University, Harmon has been a member of the Tulia School Board of Trustees, Rotary Club and is a deacon of the First Baptist Church in Tulia. He is married and has two children. Harmon's wife, Martha, will teach elementary school in Dimmitt this fall. His son Greg, 19, is a sophomore at Texas Tech University and daughter D'Anne, 16, is a junior in Dimmitt High School.

A flurry of mountain vacations and family reunions have occupied many area residents during these remaining days before school starts.

A youth group from Frio Baptist Church went to a camp site in New Mexico's Pecos Wilderness. Sixteen young people were accompanied by the pastor, Rev. and Mrs. Johnny Tims, also Cliff Hargrove, Dave Rycroft of Oklahoma, who was in charge of the music, and Rev. Bob Miller, pastor of the Adrian Baptist Church, who was designated camp pastor for the inspirational part of the outing. The group returned on Friday.

Mr. and Mrs. E.F. Vogler were away several days visiting relatives and during the weekend attended a gathering of her relatives, the Jacobs family and inter-related families. About 200 persons attended. They also visited his brother, Henry Vogler and family at Brownwood and an uncle at Winters. They returned Wednesday.

Mrs. Annie Lee Dobbins, Mr. and Mrs. Robert Dobbins and family attended a family reunion at Brownwood Lake last weekend. Quite a number of family members came for the outing in the resort area.

Mr. and Mrs. Edgar Vinson and members of their family, including their daughter Sammie and her husband Jeff Massie of Gonzales, were on a fishing vacation at Ute Lake a couple of days this week. The Massies were visiting their family a few days, including her grandmother, Mrs. Annie Lee Dobbins, and her sisters Edlana McDowell and Carleta Watts and their husbands, and the younger sister Pam Vinson.

Mr. and Mrs. Earnest Harder, Mr. and Mrs. Norman Harder and daughter Lee, and J.D. Harder went to Hinton, Okla., during the weekend for a reunion of the Janzen (Earnest's mother) family. They stayed in a church camp facility there.

Visiting Mrs. Gladys Mobley this weekend were daughter Dorothy and her

husband Earl Reno of Midland, also Mrs. Mobley's sisters, Mrs. Claude Price of Floydada and Mrs. George Bentley and her husband of Monahans, and their brother, J.W. Taylor and Mrs. Taylor of Odessa. Mrs. Floyd Cole, Bill Cole and the John Paetzolds also were with the family group.

Veldon and Trena Tims visited their grandparents at Sheffield last week while the rest of the family was at the Youth Camp. Mrs. Tims went for them Sunday afternoon and visited until Tuesday when they all came home.

Mrs. Floyd Cole was visiting her daughter, Mrs. Herman Vinson and family in Childress this week.

Visiting Mrs. Jim Brooks one night this week were her sister-in-law, Mrs. Earl McClellenn, and her daughter-in-law, Mrs. Mack McClellenn, Shannon and Fonda, all from the Comanche area. They came to see the pageant "Texas" at Canyon. A relative of the younger Mrs. McClellenn is a member of the play's cast. After the show the group came on here to spend the night with Mrs. Brooks.

Here visiting his distant Andrews relatives this week was Ed Andrews and his grandson John Deming of Greenville, Fla. They stayed with the W.H. Andrews and Clark Andrews and John stayed with the Mike Whites one night when Ed and the Clark Andrews went to see "Texas."

The E.F. Voglers and Mrs. Miles Caudle and Linda were attending a wedding of a nephew, Noland Vogler of Lamesa, Saturday. Noland is the son of Mrs. Earnestine Vogler and the late Harold Vogler.

Mr. and Mrs. Glen Thomas and girls were honorees at a party of the Young Adult II Sunday School Class of Frio Baptist Church. The Billy Joe Walls were hosts. The Thomas family is moving soon to Guymon, Okla., where Glen will be seed distributor for W.A.C. Seed Co. Mrs. Clark Andrews is teacher of the class which has over 20 members.

Elizabeth Andrews went by bus Thursday to visit her great-grandmother Mrs. Hattie Haseloff of Vernon. The rest of the Joe Andrews family went during the weekend to visit and Elizabeth came back with them.

Rosie Holbert and son Tony moved last week to teach in Crossroads School, which is located between Corsicana

and Palestine. They will stay with her mother Mrs. Elmer Reddus and Mr. Reddus at Tool until they find a house, planning to move their household goods from here to there at that time. She is the niece of Mrs. Billy Warrick and they have lived in this community over a year, coming here from Oklahoma. She will teach junior high and high school subjects at Crossroads.

L.L. Sparkman Jr. and Mrs. Owen Andrews received word Sunday evening of the death of Mrs. G.W. Sparkman of Amarillo. She was the stepmother of their father, the late T.L. Sparkman Sr. Funeral services were pending Monday. Burial was planned to be in Childress. Mrs. Sparkman was 86. G.W. Sparkman died in Oct. 1957 at the age of 89.

DHS grad to preach Sunday

Darrell Holland, a third-year student at Arlington Baptist College will preach Sunday morning at the Bible Baptist Church of Dimmitt.

Holland, a 1972 Dimmitt High School graduate, is studying missions and plans to become a missionary to Columbia, South America. He is married and has one daughter.

Holland will teach Sunday School at 10 a.m. and preach during the morning worship service at 11.

The public is invited to attend the services at the church, located at 501 S.E. 3rd.

A VISIT WITH MAHON—Dimmitt 4-H'ers Kim Sides (second from left in top photo) and KaKa Brugel (left, bottom photo) were special guests recently of Congressman George Mahon in Washington, D.C. The girls visited the congressman's office during a Washington stop of the 4-H National Citizenship Short Course Tour. While in the nation's capitol, they also visited the monuments and buildings and viewed a session of the Senate. Pictured with them are other 4-H members from the 19th Congressional District who took part in the short course and tour.

ON hot days with especially hard work or play, up to seven or eight quarts of sweat can be lost per day.

PCA directors slate Lubbock meeting Friday

Directors of Plainview Production Credit Association join PCA officials throughout Texas Friday in Lubbock for the Production Credit Association's director conference.

Plainview PCA director participants include Ray Robertson of Dimmitt; H.L. Porter Jr., president, Petersburg; Billy W. Carthel, vice president, and A.W. Anthony Jr., both of Friona; and Harley Wells of Plainview.

James A. Rogers, PCA general manager, said the conference emphasizes credit policy and management of the Production Credit System of Texas and will bring directors up-to-date on services provided to PCAs by the Federal Intermediate Credit Bank of Houston, source of most PCA loan funds.

A special feature of this year's conference will be "PCAs Meet the Press." The media forum will present a panel of agricultural editors and broadcasters to discuss some of agriculture's major

problems and their solutions.

The panel will include Del Deterling, southwest editor of "Progressive Farmer;" Jim Allison, farm editor of KGNC Radio; Roddy Peoples, "Voice of Southwest Agriculture," KGKL Radio; and Jim Stewart, farm and ranch director of KDAV Radio.

Plainview PCA has farmer-

rancher members in Castro, Bailey, Briscoe, Floyd, Hale, Lamb, Farmer and Swisher counties and loans outstanding of more than \$63.4 million.

Neal receives M Ed degree

Clayton Earl Neal of Dimmitt was among 104 graduate students who received degrees at the recent summer commencement exercises of Tarleton State University at Stephenville.

The M Ed degree in education administration was conferred on the Dimmitt man by TSU president Dr. W.O. Trogden in ceremonies held on the Tarleton campus.

John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

. . . because he knows our taxpayers need relief from inflation.

Field day at Halfway center to be Sept. 12

How much can a producer cut the irrigation of corn and still obtain good yields? The answer, a matter not only of dollars but of conserving precious water and energy, is being sought in a continuing study at the Texas Agricultural Experiment Station at Lubbock and Halfway.

Findings of the study, which began three years ago, will be reported at one of the featured stops during the 69th annual field day at the TAES facility at Halfway Sept. 12.

The field day alternates between the TAES centers at Lubbock and Halfway. This year's event here begins at 1 p.m. and offers tractor-drawn trailer tours of the 320-acre research site, J. Joe Wright, research assistant and field day chairman, said.

Featured stops on the tour will illustrate the latest research on weed control, mobile trickle irrigation, labor management, and cotton varieties, in addition to the corn irrigation studies.

The emphasis in the corn irrigation research has been to determine if less irrigation water can be applied and still obtain good yields, explained Dr. Charles W. Wendt, soil physicist at the experiment station.

"In the 1978 study, full irrigation is being compared with treatments in which irrigations are eliminated during pre-tassel, tasseling to pollination, and grain filling," he said. Measurements of soil moisture and plant growth are being obtained to determine the soil moisture situation due to the various irrigation treatments.

The need to conserve energy and water, especially on the Texas High Plains, is increasingly important and is a major reason irrigation studies such as this are conducted by the scientists at Halfway and Lubbock, noted Dr. Bill Ott, resident director of the experiment station.

Mooney is patient in Denver hospital

Bob Mooney entered a hospital in Denver this week for examination and treatment for a back injury which was sustained some time ago. He is in Room 379, St. Anthony's Central Hospital.

Mooney accompanied his brother and family, the Jack Mooneys, to Denver after they had spent the weekend in Dimmitt.

On the go

Betty and Bob Huckabay spent the weekend at Burnet near the lake and visited with Durward and Betty Patterson who moved down there this year. They say "Hello" to all their friends in Dimmitt.

Printed Circuitry

We're plugging it in to keep your rates as low as possible.

No one is happy when we have to ask our customers to pay higher rates for telephone service. Not you. Not we. And that's why we fight inflation — the number one cause of rate increases — every day in every way we can.

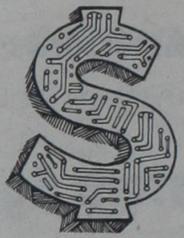

One of the ways we hold inflation at bay is to look for new and better ways to serve our customers more efficiently.

Printed circuitry is one of the new and better ways. Your radio and television sets probably have it, and you get better service with minimum maintenance because of it.

Now, in many of our exchanges, plug-in modules eliminate many of the tubes that burned out with such monotonous regularity. Plus thousands of hand-soldered connections. And miles of tiny wires that had to be traced to the source of any problem.

Plug-in circuitry is requiring a tremendous investment, but it's an investment that helps Continental control its operating costs and hold the line on rate increases.

Your rates for telephone service are based on our costs of doing business. With printed circuitry and other proven technological advancements, we're doing our best to do more for you.

Health Fair plans to be discussed

A planning session for the Castro County Health Fair will be held Aug. 31 at 1 p.m. Meeting jointly will be representatives of health agencies and the Castro County Family Living and Aging Committees.

All interested persons are encouraged to attend this meeting.

The Health Fair will be held Oct. 11 from 10 a.m. to 7 p.m. and is free to the public.

ULYSSES S. Grant was the owner of four slaves.

ENGAGEMENT ANNOUNCEMENT—Mrs. Betty Tevis of Dallas and Mr. and Mrs. Bill Clark of Dimmitt announce the forthcoming marriage of Cindy Tevis to Jim Harris Jr. The vows will be read Oct. 7 at 7 p.m. in the Hodges Chapel of Lubbock's First Christian Church. The bride-to-be is a graduate of Lubbock Coronado High School, and the prospective bridegroom graduated from Monterey High School.

Bride feted with shower Saturday

A bridal shower for Mrs. Jodie Minnick II, the former Susan Warnock, was given Saturday afternoon in the home of Mrs. Frank Wise, who greeted the many guests.

In the receiving line were the honoree, her mother, Lorina Colcote of Eldorado, and the groom's mother, Mrs. Jodie Minnick Sr. A special guest was the bride's grandmother, Belle McAfee.

Shelly Minnick and Charlene Warnock served punch from a silver bowl and home-baked cookies with a fruit compote. The table was covered in a floor-length flounced net cloth over white satin and ornamented with an arrangement of blue and white flowers.

Mel Nelson and Linda Wise helped show the gifts and Mrs. Eddie Sutton was at the guest book. Thirty friends assisted Mrs. Wise in the hostess party.

[Compiled from the community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

AUG. 24—Donald and Katie Wright, Jerry and Carolyn Watts.

AUG. 25—Tomie and Chris Maples, J.H. and Earlene Myatt.

AUG. 27—Ed and Mary Jo Ray.

AUG. 28—Don and Verbie Nelson, Ewell and Nell Kelly.

AUG. 29—C.B. and Jean Lunsford, Tim and Linda Patton.

AUG. 30—Jo and Bill Behrends, Kenneth and Rochelle Oldham.

HEART disease does not discriminate. It hits old and young and anyone in between.

Socially Yours

TO BE MARRIED—Mr. and Mrs. David V. Acker of Amarillo, formerly of Nazareth, announce the engagement and approaching marriage of their daughter, Elaine, to Douglas Sanford, son of Mr. and Mrs. Calvin Sanford of Abilene. The bride-to-be is a graduate of Nazareth High School and attends West Texas State University. Sanford, a 1978 graduate of West Texas State University, is a second lieutenant in the Army and is stationed at Fort Knox, Ky. The wedding will take place Oct. 7 in the Holy Family Catholic Church in Nazareth.

Mrs. Aven heads officers for 1979 in Zealot Club

Officers for 1979 were elected by the Zealot Club at Hart at a breakfast last Thursday, and members decided to sponsor the annual Christmas Tour of Homes at Hart again this year.

The new officers, to be installed in January, are headed by Claudine Aven as president.

Also elected were Lula Mae Hanes as vice president, Peggy Davis secretary, Midge McLain treasurer, Jackie Wheeler reporter, Minnie Ammons parliamentarian and Nancy Westcott historian. The breakfast and business meeting followed a summer schedule when the club has held monthly socials. The program was given by Margie Ray, in whose home the breakfast was held. Her subject was "Being a Grandma," with the time limited to three minutes.

Grandson of Dimmitt woman is married in San Angelo

The Sunken Gardens in San Angelo was the setting for the July 22 wedding of Janet Bruns and Gary Warnock, grandson of Mrs. Bell McAfee of Dimmitt. Rev. Gene Stark, pastor of the First Baptist Church in Eldorado officiated during the garden rites.

Parents of the bride are Mrs. Terry Duncan of Winters and Bob Bruns of San Angelo. The groom is the son of Mr. and Mrs. Jon Calcote and the late Charles Warnock of Eldorado. Grandmothers are Mrs. McAfee and Mrs. Lee Burrell of Auburn, Calif. Maid of honor was the bride's sister, Carla Bruns of San Angelo. Tommy Hoover of Ozona was best man and groomsmen were Jerry Sartman of Sterling City, Shannon McAfee, cousin of the groom, was flower girl.

Following the wedding, a reception in honor of the couple was held in the El Patio room of San Angelo. The couple is at home in San Angelo following a wedding trip to Ruidoso, N.M. The bride is a 1976 graduate of Winters High School. The groom is a 1975 Eldorado High School graduate. He attended Angelo State University and Southwest Texas State University in San Marcos.

Irene's Ideas

School routine begins

By IRENE A. KEATING

School has begun now and we're all trying to get back onto schedule. I hope you're satisfied with your children's classes, teachers, etc. I think often we parents are more apprehensive about school starting than our children are!

Jessie Ebeling gave me a new recipe last week that her family enjoys. I made a double batch and learned not to bake a double recipe on one cookie sheet, as it ran off...so I got to clean the oven! The next mistake I made was in buying pudding that needed cooking, but even so, it tasted good. I brought a batch to the office and everyone liked it.

Jessie's Walnut Banana Crunch
1 cup sugar
1 cup chopped walnuts
1 egg

Combine and bake on a greased cookie sheet at 350 degrees for 13-15 minutes or until bubbly and brown. Scrape out with a spatula and crumble into pieces. Put half of crumbs in bottom of 8x8" pan.
Mix for 2 minutes till thick:

60TH ANNIVERSARY RECEPTION SET—Mr. and Mrs. Willis A. Hawkins of Hart will be honored Sunday from 2 to 6 p.m. with a reception celebrating their 60th wedding anniversary in the community room of the Farmers State Bank in Hart. Willis Hawkins and Fredda Griffin were married Aug. 25, 1918, in Tulia at the Griffin home. All relatives and friends of the couple are invited to attend the reception.

Committee to finalize plans

The Family Living and Aging Committee will meet at 1 p.m. Aug. 31 in the courthouse assembly room to complete plans for the Health Fair to be held Oct. 11. All members are urged to attend the meeting and a list of exhibitors will be discussed as well as final plans made.

State honor winners

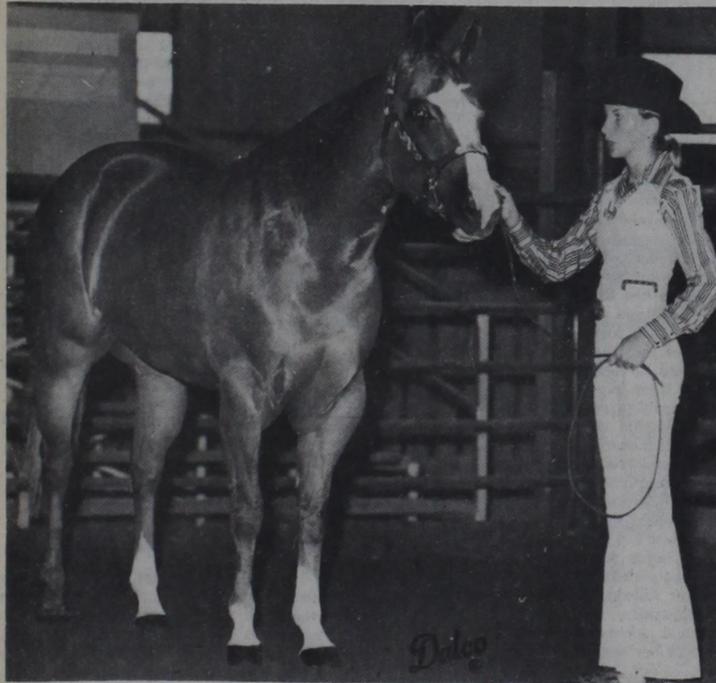

CAROL BAGWELL of the Dimmitt 4-H Horse Club earned enough points with her senior mare, Two-Eyed Pet, at the 1978 4-H Horse Show to qualify for the 4-H Southern Regional Show to be held in Montgomery, Ala. Her

registered mare was third in the state show in the 5-and-older class. Miss Bagwell is the daughter of Mr. and Mrs. Milton Bagwell of Bethel.

MORRIS COLE'S gelding, "I'm Competition," won third place in the 5-and-under registered gelding class at the 1978 State 4-H

Horse Show at San Antonio. Cole, son of Mr. and Mrs. David Cole of Dimmitt, is a member of the Dimmitt 4-H Horse Club.

JERRI KA CLARK'S registered mare, "Speckasalt," placed fourth in the 4-and-under class at the 1978 State 4-H Horse Show held in San Antonio recently. Miss Clark, a

member of the Dimmitt 4-H Horse Club, is the daughter of Mr. and Mrs. Jackie Clark of Sunnyside.

Boys Ranchers ready for Labor Day rodeo

At Cal Farley's Boys Ranch, 36 miles northwest of Amarillo, 385 pint-sized cowboys are getting ready for their 34th annual Boys Ranch Rodeo. Practice rides on the broncs and bulls have been going on since June with only about 150 riders expected to appear in the Ranch's rodeo arena over the Labor Day weekend. They will compete in bareback bronc riding, Brahma bulls, steers, calves and even stick horses for the three-to-six-year-olds. It is the only rodeo of its kind in the nation in which boys riding professional rodeo stock under RCA rules are the only contestants. Approximately 3,000 boys

have lived at the Ranch since it was started in 1939, and the rodeo is also a traditional homecoming for the Boys Ranch Alumni Association. Some of the graduates and their families travel long distances to attend. An added attraction will be Texas-sized barbecue beef plates that will be prepared and sold by the boys for only \$1.50. Reserve box seat tickets at \$2.50 will be on sale at the Boys Ranch Office, 600 West 11th Street in Amarillo. General admission will be \$1.50 for adults and 75 cents for children under 12. Performances are scheduled for 3 p.m. each afternoon Sept. 3 and 4.

Free prenatal classes to be conducted

Prenatal Classes for any expecting mother will be taught by Judy Venhaus, Swisher and Castro County Public Health nurse, beginning Sept. 5 from 1 to 2 p.m. at the Tulia Development Center. Classes will cover topics such as fetal development, posture and weight gain of the mother, body changes during pregnancy, nutrition, effects of drugs, alcohol and tobacco during pregnancy and infant care. The classes are free of charge. If the time is inconvenient or if more information is needed, call 995-4116.

Protection of existing cotton is 'name of game'

By MARK POWELL
Co. Extension Entomologist

COTTON
Bollworms have been maintaining a relatively constant level of activity. The black light trap catches have fluctuated up and down as seen on the graph. Egg laying activity is heavier in the south of the county than the northern half this past week. Fields range from 10-50 eggs per 100 plants with the average being approximately 30 eggs per 100 plants.

The cooler evenings have slowed cotton growth. Any squares that have not bloomed by the middle of the past week will most likely not make cotton. It takes approximately 100 days of "cotton weather" to go from a pin-head square to a harvestable boll, so any thing that has not bloomed should not be counted on in yields. Protection of existing bolls is the name of the game.

CORN
The second generation Southwestern corn borer has apparently bottomed out with only a few moths being caught each night. This is a pleasant occurrence. The remaining time till corn gets to the dent stage should be spent watching the mite situation. There are still strong holds of mite populations. Although mites do not reduce yield once corn has dented they can still desiccate a plant so that there is severe lodging at harvest.

MISCELLANEOUS
Beet army worms are having a field day in fields of sugar beets, soybeans, peas and cotton. There has been problems with control of these worms due to a high egg lay pressure. This causes the impression that the chemicals are not working. These chemicals do work but do not have a residual activity to control newly hatched larvae. Unfortunately the only recommendation is "Spray on."

VETERAN'S SERVICES

By BEDFORD W. SMITH
County VA Service Officer

Bedford W. Smith, County Veterans Service Officer, announces a change of work office days from Tuesdays and Thursdays to shorter hours on Mondays, Wednesdays and Fridays: 9 a.m. to noon and 2 to 4 p.m.

The July issue of the Texas Veterans Affairs Commission Journal carries the announcement of the 31st Annual Statewide Service Officers Conference at the El Tropicano Motor Hotel in San Antonio Oct. 10-13. This annual meeting is sponsored by the Texas VAV, the VA and

Here's Hart's school menu

MONDAY — Breakfast: Waffles, orange juice, milk. Lunch: Fried fish, tartar sauce, cornbread, coleslaw, blackeyed peas, apricot cobbler, milk.

TUESDAY — Breakfast: Sausage, toast, applesauce, milk. Lunch: Enchilada casserole, tortillas, buttered corn, tossed salad, chocolate cake, milk.

WEDNESDAY — Breakfast: Cheese toast, tomato juice, milk. Lunch: Cheeseburger on homemade bun, French fries, catsup, peaches, milk.

THURSDAY — Breakfast: Cinnamon toast, fruit cocktail, milk. Lunch: Pinto beans with ham, buttered spinach, cornbread, onions, pickles, apple cobbler, milk.

FRIDAY — Breakfast: Cold cereal, fruit, milk. Lunch: Fried chicken, cream gravy, green beans, whipped potatoes, peanut butter cake, hot rolls, milk.

Corn-sorghum loan policy is announced

Secretary of Agriculture Bob Bergland has announced that 1978-crop corn and sorghum placed under price support loan will be permitted to go directly into the farmer-owned reserve if it appears that the reserve goals will not be met from 1977 crops by Oct. 1.

According to the Castro County ASCS office, Bergland said the department has set a reserve goal of 670 million bushels (corn equivalent) of feed grains, including 500-575 million bushels of corn, and 40-60 million bushels of sorghum.

This includes feed grains held in the farmer-owned reserve as well as feed grains the government has taken over through its price support loan program.

The secretary had indicated earlier that the reserve goal would be 532 million bushels of feed grain.

The farmer-owned reserve takes wheat and feed grains off the market for up to three years or until market prices increase to specified levels.

As of Aug. 4, farmers had placed 195 million bushels (corn equivalent) of feed grain in the farmer-owned reserve, including 142 million bushels of corn and 12 million bushels of grain sorghum.

national veterans organizations with the following invitation:

"All veteran County Service Officers, Post, Chapter and Barracks Service Officers, and all others interested in the welfare of our veterans, their dependents and survivors, are invited to attend this very important meeting..."

Each monthly journal includes helpful information on VA benefit changes and detailed data on benefits which many qualified persons do not understand.

If veterans, their wives, survivors and dependents would call at our office, we could give them accurate information on educational, home loan, insurance, pension, death, burial and medical benefits for which many are eligible but are not receiving.

Most every month we find those not informed so not receiving entitlements. Because of changes some who once were not eligible may now be so.

Income limitations are raised from year to year both in the VA and Social Security. This July journal carries data of increases in limitations for nursing home care for a number of older veterans, widows of veterans, and parents of veterans.

We can assist claimants with necessary filling out of VA forms and making of xerox copies acceptable to the VA of service records and other papers.

Rush given Head coach job at Hart

Santry Rush of the Hart High School coaching staff was moved to the position of head basketball coach for boys after the resignation of Coach Mike Martin was accepted by the Hart school board last week.

Rush has been tennis coach at HHS and an assistant in basketball. Martin resigned after a year as head basketball coach at Hart to accept a similar position in Frenship High School.

Jimmy Lee McBroom, who received a BS degree from West Texas State University after graduation from Canyon High School, was employed by the board for a place on the coaching staff. He will teach seventh and eighth grade history.

Employed as elementary teachers for the coming term were Debra Carlton, who graduated from Friona High School and earned the BA degree at Wayland Baptist College, and Becky Ann Houy, who holds a BS degree from Texas Christian University. She is a Randolph High School graduate.

The school board also finished hiring bus drivers. To drive Routes 1 to 6 respectively are Ricky Smetana, David Knox, Leonard Griswold, Dennis Syring, Johnnie Sullivan and Carl Neinst.

West Texas may be defined as the Plains region and areas westward from Abilene, San Angelo, San Antonio and Laredo.

IT SAYS HERE—Nanae Ono [center] of Osaka, Japan tries to explain the Buddhist scripture held by her American "sister," Kylene Behrends, while her second "sister," Tammy, observes. Nanae has spent the past month with the Clarence Behrends family through a 4-H LABO Foundation exchange

program in which youth from Japan come to America and Canada to find out what the western world is all about. Before leaving for home Tuesday, Nanae was exposed to the routine of the family, helped hoe and can, rode horses and did all the things a typical member of a local farm family would do.

City to join PRPC study of Pioneer rate request

The Dimmitt City Commission voted Monday night to postpone for 120 days the implementation of the rate increase for Pioneer Natural Gas Co. so that city officials can further study the issues.

The commission also decided to join with other Panhandle cities in a joint study of the matter through a Panhandle

Regional Planning Commission study committee.

The gas company is asking for a 26.36% hike in rates.

Residential use of gas and electricity will no longer come under the 4% state sales tax as of Oct. 1, by action of the 65th Texas Legislature. Cities are also given the option to repeal their 1% sales tax on residential use of the utilities.

The commission voted to postpone action on the sales tax option until it could be determined how much of the city's revenue would be affected.

Options include: repealing the tax by Sept. 10 to take effect by Oct. 1; adopting an ordinance to continue the tax any time before May 1, 1979; or waiting until Oct. 1, 1979, when the tax will be automatically abolished by state law unless an ordinance for continuance has been filed.

Police Chief Alan Newman appeared before the commission to ask for an ordinance prohibiting parking in any area adjacent to the highway construction areas in the city, as a safety measure. He specifically mentioned the angle parking on the east side of the 100 block of North Broadway (US 385).

The commission told Newman the situation was already covered by a May 1 ordinance calling for temporary regulation of the speed limit and parking areas during the road

construction projects in Dimmitt. Newman was authorized to place "No Parking" signs in the problem areas and to enforce them.

In other business, the commission:

—Was informed of a further delay in obtaining the new trash truck because of the manufacturer's difficulty in obtaining frames.

—Heard a report on the water survey of the city sewer lake in accordance with the terms of the lease agreement on the surrounding land.

—Heard a progress report on the new well site south of town.

—Looked at a paving estimate by city engineers McMorries and Associates, Inc., for the paving of East Jones Street from Fourth to the County Road. The estimate was disregarded because several of the items included in the estimate would not be needed. Commissioners said that since the paving could not be undertaken until next year anyway, the prices of materials would also probably be higher.

School lunch schedule at Nazareth set

Nazareth Public Schools will serve lunch and breakfast each school day, and pupils from families with incomes below a specified level are eligible for free meals or reduced prices, Principal Jim Pegram announces.

Regular price for lunches in grades K-6 will be 45 cents and in grades 8-12, 55 cents, Pegram said. Reduced price for those who qualify will be 20 cents. Regular breakfast price is 20 cents, and reduced price is 10 cents.

A schedule of those eligible for free meals or reduced prices appeared in last week's issue of The Castro County News. The schedule is the same for all schools in the county, and is based on income and number in each family.

In some cases children become eligible when parents become unemployed, when high medical bills, disaster or casualty losses occur, or in other family emergencies. Foster children also may be eligible. Inquiries may be made to Pegram at the Nazareth school.

Nazareth football tickets go on sale

Nazareth football season tickets will go on sale today (Thursday) in the superintendent's office with prices of \$4 for student tickets and \$8 for adults. Tickets will admit the holder to all home school football games.

According to Nazareth Supt. Johnny Mason, \$2 for adults and \$1 for students can be saved by purchasing advance tickets instead of tickets at the gate.

Nuggets
from the
Senior Citizens' Center

By RUTH COLEMAN

We are so pleased with our new building. We really feel that we are up "town." And we are. We have had lots of people just drop in to see us and the building along with the progress that is being made in the improvements.

We would like to take this means to publicly thank the former Flagg Home Demonstration Club for their very generous donation of things that we so badly needed and can use, such as 36 good metal chairs, a refrigerator, two nice metal cabinets, a drawer full of beautiful silverware, useful dishes (now we can throw away those cracked ones), a hot water heater, two big circulating heaters.

These were among the things they so gladly shared with us. A great big "Thanks" to all of you.

If you haven't seen our painted quilt that our women are selling, drop by or call the center and ask about it.

We cordially invite you to come by and see us.

This week we will have a meeting of representatives from 17 counties coming to our town for an Area Agency on Aging meeting. We are expecting a goodly number to attend this meeting and visit in our town.

Club refreshment training session set for Tuesday

A "Party and Club Refreshments" leader training session for one or two leaders from any organized club in the county will be held Tuesday at 9:30 a.m. in the courthouse assembly room. The training will be conducted by County Extension Agent Irene Keating.

Types of refreshments, nutrition and recipes are the topics to be included in the session.

Training is open to anyone regardless of socio-economic level, race, color, sex, religion or national origin. For further information, contact the Extension Office at 647-4115.

Too Late to Classify

HELP WANTED: Clean-up boy or girl for an hour a day after school. See B. M. Nelson or Don Nelson at the Castro County News.

BOARD MEETING—Dimmitt Head Coach Jerry Vance talks with his four senior captains, elected by teammates to provide leadership for the Bobcats this year. From left are Tim Fewell, Randy Roberts, Jack Stewart and Dennis Veals. The Bobcats

will scrimmage Abernathy here tonight [Thursday] and Vega there next week, then will open the season at home Sept. 8 against Floydada.

Coach lauds Bobcats' attitude

Dimmitt's Bobcats act as though they can hardly wait for the season to start. Two-a-day workouts, usually a time of groaning and enduring, have instead been sparked by enthusiasm and determination. The 28 varsity squadmen did their homework during the summer, showed up in good shape, and seem anxious to put it all together—right now.

Which is a good thing, considering their rugged early-season schedule.

"The kids' attitude is just super," Head Coach Jerry Vance said as his Bobcats wound up their two-a-day drills this week. "Most of them worked hard during the summer and reported in great shape, and we've had tremendous workouts. They're a strong bunch of kids."

How strong? "Well, a lot of the varsity boys are bench-pressing a hundred pounds more than they could do last year," Vance said. "We have one kid

who was bench-pressing 120 pounds at the end of last season, and he has doubled that now, to 240. Nearly every boy on the squad can press 200 pounds now, and Norris Cole (junior tackle) can go 300. That's going to make a lot of difference when it comes to opening holes or making an extra yard or two."

The Bobcats will scrimmage Abernathy here tonight (Thursday), with the junior varsity scrimmage starting at 6. Next Thursday night they'll go to Vega for jayvee and varsity scrimmages.

Then, come Sept. 8, the Bobcats will host District 4-AA favorite Floydada in the season's lid-lifter. The Bobcat-Whirlwind clash will launch the toughest pre-district schedule Dimmitt has ever faced.

On Sept. 15 the Bobcats will travel to Tahoka to take on last year's state quarterfinalists, who are favored to win in District 5-AA this season. And the week after that, they'll hit the road again to play Slaton, defending

5-AA co-champion. Then, after an open date, will come Tulia and Lockney, who are always tough.

"After opening here the first week of September, we won't get to play at home again until mid-October," Vance noted. "We're going to have to work to keep our kids up when we go play these strong teams on their home fields."

The District 3-AA picture this year is, as usual, splattered with differences of opinion. Texas Football Magazine No. 5 in the state, but Littlefield is the team that got the district favorite's role at the 3-AA coaches' meeting. Vance and his coaching staff think Dimmitt could turn the tables on all of them.

"We look for the district race to be a lot tighter than most people expect," Vance said. "Most of the teams are going to be a lot more balanced this year. I don't think Muleshoe, Littlefield or Friona are going to run away with it. Olton has a new coach

and we don't know what to expect from them, except that they'll probably be as tough as they usually are. But I believe we're going to be tough, too."

The Bobcat varsity includes 16 seniors and 13 juniors, with 12 lettermen and seven starters back from last year.

Many of last year's starters have been shifted to new positions this year to take advantage of their size and speed. Speedster Larry Bossett—whose back surgery apparently has completely healed—has been moved from tailback to halfback. Randy Roberts will still be at line-backer on defense this year

—where he won all-district honors in '77—but on offense he's been moved from quarterback to fullback. Norris Cole, who started at center as the only sophomore on the varsity last year, has been moved to tackle on both offense and defense.

Dimmitt's offensive line will average 180-185 pounds, and on defense the Bobcats' front five will average a hefty 200.

Players who have moved into starting berths on offense during two-a-day workouts are junior Gary Naylor at strong end, junior Norris Cole at strong tackle, senior Kyle Wise at strong guard, senior Emilio Sandoval at center, senior Tim Fewell at quick guard, senior Gary Bruegel at quick tackle, seniors Henry Ogas and Chris Fry at "swing man" (split end), senior Jack Stewart at quarterback, senior Randy Roberts at fullback, senior Larry Bossett at halfback and senior Dennis Veals at tailback. There's a heap of experience there, especially in the backfield.

On defense, probable starters at this point are Bruegel at right end, Sandoval at right tackle, senior Leslie Heard at nose guard, Cole at left tackle, Wise at left end, Naylor and Roberts at linebacker, Fewell at the roving "Monster Man" position, Bossett at left halfback, senior Gus Ortiz at right halfback and Veals at safety.

Although nine players are tabbed for double duty, "there's not as much of a drop-off of size or ability from our first to our second units as we've had before," Vance said. "Everybody on the squad is going to get to play quite a bit."

Vance considers Dimmitt to have a major advantage in having the same coaching staff as last year—James Gibson, Dennis Miller, Larry Birdwell and Ed Hickman.

"This is the first time in years that Dimmitt has kept its whole coaching staff intact, and that's one of our biggest assets—having all our coaches familiar with the system and knowing the kids," Vance said.

The "system" is a Power-I offense and "what we're going to call the Dimmitt Defense—we'll do a lot of crazy things that other people might not do."

And if enthusiasm and confidence turn out to be deciding factors in the 1978 season, Dimmitt is in good shape.

"When do we play Friona? The week before bi-district," Vance cracked.

Henry David Thoreau, famous author, once held a job as a pencil maker.

New phone rates go into effect

Rate changes for local telephone service have gone into effect as a result of the acceptance by Continental Telephone Co. of the rate increases granted by the Texas Public Utility Commission.

The rate changes, which were authorized by the Commission July 3, were not accepted by Continental Telephone until early August.

"Although the Public Utility Commission granted us considerably less than we felt we needed, we are proceeding to place the new rates into effect retroactive to July 3, 1978 in accordance with the Commission's order," company President James Miles said.

Both increases and decreases in telephone rates have already been seen by Dimmitt residents who received bills in the Aug. 16 cycle. Nazareth, Hart and Sunnyside residents will receive bills including the new rate change on the Sept. 5 billing cycle.

The major change in rates is in installation charges. Customers will now pay double the previous rates for both residential and business installations.

Other rate increases include one-party service residences as well as one-party, multi-party, rural and key line service for businesses.

Rate reductions for residential service include charges for four party-rural, multi-party, rural and extension telephones. Businesses will receive rate reductions on four party-rural phones and on extension lines.

The prorated charge to July 3 is a one-time charge that will appear on the Aug. 16 billing for Dimmitt and the Sept. 5 billing for Hart, Nazareth and Sunnyside.

According to telephone company president Miles, most of the additional revenue authorized by the Commission will be received from increased rates for one-time services such as installation and wiring charges affecting mostly new subscribers and the line services provided by the local exchanges.

A list and explanation of new telephone rates is included in the bill including the changes.

[Continued from Page 1] average, than workers in the private sector and liberal retirement benefits taxpayers are entitled to uninterrupted service.

President and Mrs. Carter and their family are entitled to a vacation. Their selection of a vacation spot is ideal. A trip floating down the Salmon River in Idaho should be relaxing and a balm to the nerves. They have earned a brief rest and have selected an ideal spot for their vacation.

As they drift slowly down the Salmon and the President has time to meditate, maybe he will decide to fire Bob Bergland. Carter will be nominated and reelected, but the firing of Bergland would give him an enormous boost politically.

One in every eight people involved in agriculture becomes a victim of arthritis, which causes not only pain and suffering but the financial burden that comes when the victim is not able to work, the foundation reports.

IRS warns of pretended collectors

Taxpayers should ask to see the credentials of all persons identifying themselves as Internal Revenue Service employees, the IRS said.

From time to time, individuals have posed as employees of the Internal Revenue Service to collect money for what these imposters refer to as unpaid taxes.

Taxpayers should bear in mind that every public contact IRS employee carries distinctive identification and is required to produce identification when conducting official business.

If, after seeing an employee's identification, a taxpayer still doubts his or her authenticity, the taxpayer should immediately contact his or her nearest IRS office.

Program on oils to be presented

Ellen McCoy of Amarillo will present a program on oil painting during the Nazareth Art Club meeting Monday at 7:30 p.m. in the basement of the Holy Family Catholic Church.

Cost is \$1 for non-members and everyone is invited.

Christian school to begin classes

Classes will begin at Calvary Christian School in Lazbuddie on Aug. 28 at 8:30 a.m. The school expects an enrollment of 25-30 students on opening date.

Parent orientation will be Aug. 26 from 8:30 a.m. to 3 p.m., where parents will become fully acquainted with Learning Center procedures.

A parent-teacher fellowship will be held Monday night, Aug. 28, at 8:00.

County attorney race goes into court again

In the latest round of legal moves over the county-district attorney's race here, the Seventh Court of Civil Appeals in Amarillo Monday will hear a motion by Jimmy Davis contending that Keith Lemons took too long to file an appeal with the appellate court after the earlier 64th District Court ruling that Lemons' name be stricken from the ballot.

The case involves the right of both men to have their names appear on the ballot as Democratic candidates for the county-district attorney's office in Castro County, and it started before the Demo primary last spring.

Davis, serving in the office by appointment to complete the unexpired term of the late Robert Buntyn, was challenged by Lemons on the grounds that Davis had not been a resident of Castro County the required time before filing his

candidacy. As a result of this suit, Davis' name was ordered stricken from the primary and general election ballots in a case that went all the way to the Texas Supreme Court.

Davis in turn charged that Lemons, then a senior law student at Baylor University was not a licensed attorney. The District Court ordered Lemons' name off the ballot before the May Democratic primary.

Lemons has since graduated and been admitted to the bar.

Lemons filed an appeal earlier this month with the federal appellate court, asking that his name be reinstated on the November general election ballot. That appeal is scheduled for a hearing in the appellate court Sept. 11, unless the court rules in Davis' favor Monday.

Pre-trial work begins in Casas vs. Stone civil suit

Preliminary work started Tuesday in District Court here on a \$77,556 civil suit filed by Raul and Karen Casas against Loy Dean and Louise Stone as an aftermath of the Halloween shotgun slaying of Roxanne Casas, 15.

Attorneys for the plaintiffs and defendants began taking depositions Tuesday. County-District Attorney Jimmy Davis said depositions were being taken from nine different persons as a necessary preliminary in the civil suit. They include witnesses, medical personnel and law enforcement officers who were involved in the incident and its aftermath.

Mr. and Mrs. Casas are asking \$77,556 damages, charging that the Stones were responsible for their daughter's death. The total represents damages to Casas' pickup, funeral expenses for

their daughter and personal damages.

Mr. and Mrs. Stone have also been charged with murder in connection with the girl's death, which resulted from shots fired into a pickup in which she was a passenger, north of Dimmitt last Halloween.

Attorneys for all parties will study the depositions and other evidence as part of their preparation for the case. It will be up to the plaintiffs' attorneys later to request a trial date, Davis said.

Funeral in Mexico planned for boy

Funeral services for Juan C. Garza Jr., 9, of Hart, who died Sunday in Amarillo, were planned to be held in Cerralvo, Nuevo Leon, Mexico.

The boy was the son of Mr. and Mrs. Juan C. Garza and a pupil in elementary school at Hart. He was born in Mexico.

Schools ...

[Continued from Page 1] emphasis on reading in the sixth grade, which will be departmentalized with a designated reading teacher, Verbie Nelson.

She will be assisted by Mary Nell King so there will be two teachers in each class to assist students with reading difficulties and also encourage students gifted in reading.

A similar plan will put two English teachers at each grade level in grades 7-10, aimed mainly at helping the disadvantaged child. Federal funding will pay for the added teachers, Ryan said.

Participation in the Right-to-Read effort of the Texas Education Agency, which was approved by the Dimmitt school board last year, will be put into effect, Ryan said.

This will be concentrated on the third grade at Richardson Elementary and the fourth grade at Dimmitt Middle School, and "is primarily a motivation effort to get teachers to take a hard look at reading," Ryan explained.

The Dimmitt superintendent said the bi-lingual program is getting more attention this year, but the state's guidelines for that program were not received until July 27 so this year it will be continued in kindergarten to grade three, and not expanded to the upper grades until next year.

MH-MR trustee meeting planned

A meeting of the board of trustees of the Central Plains Comprehensive Community Mental Health-Mental Retardation Center is announced for 7 p.m. today (Thursday) at the Plainview office, 2601 Dimmitt Road.

A committee to nominate board officers will be appointed and the executive director's report heard. Renewal of contracts for hospital in-patient service, Coronado Halfway House and DHR protective services will be considered, as well as application to the Department of Human Resources for a foster home license.

A closed meeting for personnel evaluations will end the session.

Contest planned for Tops members

A contest will be started by the Dimmitt Tops Club at its first September meeting, to continue through November, designed to help members reach their weight loss goals. It will begin Sept. 4, and Vivian Pigg, leader, announced that all members are urged to be present to learn the details. New members are also invited to join the club.

At this week's meeting in Rhoads Memorial Library 27 members weighed-in with a total loss of 10 pounds 12 ounces.

Mable Brock was Tops of the Week with a 2-pound 8-ounce weight loss, James Powell was Male Tops of the Week and John Backus Kops of the Week.

TEXAS remains the sixth-ranked state in poultry and egg cash receipts, despite a slight drop in 1977 due to lower turkey production and somewhat lower prices received for eggs.

More about:

'Top Cop' ...

[Continued from Page 1] sheet" for the "I Love You Waltz," McDermitt said. The "lead sheet" is a basic presentation to provide to the publisher for copyright purposes.

The idea for the newly recorded song, McDermitt said, came "one day when I was fooling around with the guitar, after I had finished my practicing. We performed it for some of the folks at the college and they liked it and said, 'Why don't you get that recorded?'"

"I got in contact with Johnny High, the star performer at the Grapevine Opry. He also has a music publishing company and a record company. He specializes in Cajun music and is very big in the Cajun country—he's an old-timer in the business.

"I did the song for Johnny and he liked it, so we signed a contract with his Aunt Suzy Publishing Co. and his Go Records and we made a master tape of it."

McDermitt sings the song himself on the record, and plays the acoustical guitar. He is accompanied also by violins, alto sax, electric guitar, drums and bass guitar.

"Chord progressions in the song are standard country-western, but the melody is original," he said. "It's a waltz with ballad-type words. This guy goes to a dance and sees the girl across the room, asks her to dance with him and they fall in love while they're waltzing."

"Bill Walker, the administrative director for the music publishing company, compared it with the 'Tennessee Waltz.' I sure don't mind the comparison. I hope it does as well as the 'Tennessee Waltz' has done.

"Everybody's got dreams," McDermitt said, "and mine is to become a concert guitarist in classical guitar. I've got a late start and it's a tough business, but I'm going to keep working at it. Also, I enjoy music writing and arranging—imagining the different instruments and the sound I want."

Joe Lombard employed as Swiftettes' coach

Joe Lombard of Hale Center is the new coach of the State Class B Champion Nazareth Swiftettes, hired last week by the Nazareth School Board to replace George Cox who went to Class AAA Carthage High School this summer.

Lombard falls heir to a girls' basketball squad made up of mostly young, but several well-experienced players who began high school careers under direction of Cathy Wilson and then Cox. The Swiftettes have been to state playoffs the last three years and won the title in their class two years.

The new coach is a graduate of Wayland Baptist College, which he attended on a basketball scholarship and was a four-year letterman. This is his first venture in coaching. Since his graduation from Wayland in 1975 he has been a sales representative with Cleveland Athletics, a Lubbock firm handling sports equipment.

His wife, Bea, is the girls' basketball coach in Hale Center and the couple will continue to reside there while Lombard commutes. A native of Fort Wayne, Ind., Lombard completed high school studies there, played basketball, baseball and ran cross-country on the track team.

He will coach girls' track at

Promenaders to sponsor dance

A salad supper and dance sponsored by the Dimmitt Promenaders will be held Tuesday night in the Castro County Exposition Building.

Rounds will begin at 7:30 p.m. with Les Grumke calling and squares will be called by Tom Auldridge beginning at 8:30 p.m.

Cost of the dance and supper is \$2.50 per person. Everyone is invited to attend.

Jackpot roping series planned

Saturday night jackpot roping will be sponsored by the Dimmitt Rodeo Association this week and through September at the local rodeo arena. Spectators are invited, at no admission charge, for events beginning at 8 p.m.

Books will be open for entries at 7 p.m. each Saturday with all area ropers invited to enter. Entry fee is three for \$16.

Homemade ice cream, sandwiches and drinks will be available at a concession stand open during the contests.

Books will be open for entries at 7 p.m. each Saturday with all area ropers invited to enter. Entry fee is three for \$16.

OUT OF TOWN

Mr. and Mrs. Lonnie Markley of Waco are the parents of a son, Justin Chad, who was born Aug. 3. He weighed 7-pounds, 3-ounces. Justin has a big brother Jerod and a big sister Jennifer.

CENTER IS DEDICATED—Wes Anthony, former Chamber of Commerce president and Citizen of the Year winner, got the honor of cutting the ribbon at the formal dedication of the new Senior Citizens' Center last Wednesday morning as a large crowd attended. The building at Southwest Second and Jones, which formerly housed Dimmitt Super Market, has been purchased by

the Castro County Senior Citizens, Inc., and is being converted into an all-purpose center with complete kitchen, game tables, hobby centers, visiting areas, handicrafts store and class space. The center will be the site of the 1978 Castro County Old Settlers' Reunion, in conjunction with the county fair in September.

Hart ISD board okays band budget, tax rate

The Hart school's band budget of \$10,500 was approved by the board of education of Hart Independent School District at its August meeting last week. Dennis Syring, band director, presented the budget.

Rental fee for band instruments was set at \$30 per year or \$10 per quarter for all grades except the sixth. The board approved the present tax rate to continue for the 1978-79 school year. For the past two years the rate has remained at \$1.25 per \$100 valuation on property.

A change in the time schedule for classes in Hart schools was approved by board members. Classes will begin and school will dismiss 10 minutes later, with classes in session from 8:40 a.m. to 3:55 p.m. Buses will leave the school grounds at 4 p.m.

School lunchroom regulations were set and prices for

meals fixed. Since all Texas schools are required to serve breakfasts beginning in this school year, it was decided that serving lines will open at 8 a.m. and close at 8:30 for pupils in grades 1-12, and kindergarten pupils will be taken to the cafeteria at 8:40 a.m. by teachers after school starts.

Students may buy lunch for 50 cents and breakfast for 25 cents.

Correction

Under a photo in last week's issue showing the damage to two pickups that collided in the 1200 block of West Bedford Aug. 13, the caption indicated that Mrs. Derrell Musick was in her husband's pickup with him when the accident occurred. This was an error; Mrs. Musick was not in the pickup with her husband.

small talk

from South Hills Manor

By JUDI LYLES

This Monday at 2 p.m. will begin a new story time and a film strip will also be added completing the reading program. Receiving certificates for this time were: Jimmy Miller, Bill Metcalf, Leona Stiles, Ova Dyer, Velma Tucker, Lera Harris, Ester Van Doren, Essie Vaughn, Viola Lane, Katie Waggoner, Bailey Eddlemen, John Fite and Minnie Vaughn.

Thursday visitors with Harriett Osborn were Katharine Tischer from San Antonio and Mrs. W.L. Smith from Canyon.

In Loving Memory of Anna Betzen. Anna was born in 1894 to Rose and Engelbert Koelting. She was one of nine children. Anna was born in Evansville, Kansas but moved with family to Guthrie, Okla. in 1898, where she attended a one-room rural school. Here she completed the eighth grade.

When the family moved to Wichita, Kan., Anna entered nurses training at St. Francis Hospital, graduating with the class in 1922. She nursed in Wichita and in St. Louis, Mo. She met William Betzen, a widower, with eight children. They married on Thanksgiving Day in 1929.

With seven of their children they moved to Marienthal, Kan. where Bill engaged in farming. Five children were born to this marriage in Marienthal.

After surviving the dust bowl of the thirties, the family moved to Hereford in 1943. They farmed five miles northwest of Hereford.

Anna returned to her nursing profession at Deaf Smith Gen. Hosp. during World War II because of the critical shortage of nurses. She was also very active in her church work at St. Anthony's Catholic Church.

In 1955 Bill and Anna moved into Hereford. She continued her church work and enjoyed playing bridge. Bill passed away in 1969. Anna remained in her home until she moved to South Hills Manor in 1975 where she remained until her death last week.

She is survived by seven sons; Arnold, John, Clarence, Mike and Robert of Hereford, M.J. of Andale, Kan. and Joe of Iola, five Kansas daughters; Mrs. Gertrude Weinzul of Kansas City, Mrs. Clea Jasper of Lynn Center, Ill., Mrs. Linda Grachino of Okla. City, Mrs. Marie Bogner of Girard, Kan. and Mrs. Anna Ridder of Marienthal, Kan. Also 74 grandchildren and 67 great-grandchildren, two sisters and two brothers survive.

South Hills Manor takes this opportunity to thank the family of Mrs. Betzen for the electric hospital bed and the many other things they donated to the home.

Mrs. McMurry enjoyed her visit with son John Wednesday and the ride out with daughter Oleta.

Lanny took his mother Velma Tucker to Memphis to get her eyes checked. They visited Jack and Johnny Grisham in Childress while they were out.

Jr. and Joy Breedlove from Littlefield visit as often as possible with Joy's Mother and Dad, J.D. and Essie Vaughn. They were here Thursday night.

Mary Behrends was here to

Mrs. Dyer this week.

Mrs. Simpkins had her daughter Mary and son J.B. and his wife Oleta visiting her this week.

Dora Mooneys son Jack visited this weekend. On Sunday granddaughter Jane Ann came to take Dora to a family dinner.

Roy and Norah Barringer from the First Christian Church have services Sunday morning.

Addge Millers son Bill came down and took Addge for a ride.

Mrs. Umberson had several visitors this week. Her sisters Mary Gollehon and Christine Harris visited her from Lubbock. Also visiting was sister-in-law Willie Mae Reynolds.

Mrs. Rothwell enjoyed her Saturday visitors Mrs. Prebble Russell, Tommy Jo Mowery and granddaughter Mrs. Reg Bates from Plainview.

Our new patient is Amanda McNeill. She comes to us from Earth. She is Dr. Bill Lee's grandmother.

Rick and Joyce Wright and Darrell and Beth Buckley came out to visit grandmother Ruby Coke. She enjoyed the four folks visit very much.

Mrs. Tucker's Prayer for the Week:

Heavenly Father, may we live each day for you and help others while we can—

We pray the prayer Jesus taught his disciples, "Our Father, who art in Heaven."

AC courses are offered at Hereford

Late registration for college credit courses offered at Hereford High School by Amarillo College is scheduled from 6 to 7:30 p.m. Aug. 31 in the HHS cafeteria, according to D.H. Koeninger, counselor at Dimmitt High School.

Inquiries about the courses may be made to Koeninger at Dimmitt High. He also invites residents who would like to participate in credit instruction in art, typing, office machines or other subjects, to notify him. A minimum of 15 students is needed to offer a course.

Registration date was Aug. 21 and classes will begin Monday. A fee of \$5 will be charged for late registration next week.

Classes offered for the fall semester include accounting, bank management, business English, freshman composition, U.S. government, U.S. history to 1877, management training, functions of supervisors, general psychology, social principles and institutions, biology and biology laboratory.

Students must be graduates of an accredited high school or at least 18 years of age to be considered for admission.

Sept. 1 will be the final day for registration or schedule changes, Koeninger said. Classes will be held in the evenings, beginning at 5:30, 6:30 or 7 p.m. except for mid-management seminar which will be held from 9:10 to 10 p.m. on Thursdays. All classes will be in Hereford High School.

PEPI II, king of Egypt ruled for 90 years from c. 2566.

Quarterhorse show winners from county

Young horsemen from Castro County showed their mounts in a Quarterhorse Show at Bovina last weekend, and won championship ratings.

The grand champion mare was Speckasalt, shown by Jerri Ka Clark of Dimmitt, who also won the grand championship for youth mares

with Carol Bagwell taking the reserve championship.

Clark and Bagwell received first and second places in the aged mare division. Clark also took second place for youth showmanship and was fifth in youth reining.

John Smith received the second place award for 1975 geldings, Jill Smith sixth for

aged geldings. John fourth and Jill sixth for youth geldings.

Another who placed in the riding events was Scott Bagwell, fifth in junior western pleasure.

THE Caspian Sea covers an area of 393,898 square kilometers.

REFLEXOLOGY vs. ACCUPUNCTURE

(Without Needles)

I took lessons from a specialist in FOOT REFLEXOLOGY while in Arizona and received a certificate that I have satisfactorily completed the course of study prescribed for the practice of Foot Reflexology and am therefore entitled to this testimonial and to administer this method.

The regular price is \$7.00 but as this is an agricultural county and has been pretty hard hit by low prices of products and high cost of production I am going to give \$7.00 treatments for \$5.00 from now through November. I may go south for the winter. Most people need a body tone-up and I have books and charts showing what I am doing. This method will tone up the body and make you feel better.

I am still handling Watkins Products: Vanilla, Pepper, Vitamins, Cinnamon, Liniment, some Cosmetics, several other items and will have some Chinese Herbs in stock soon.

I have opened an office in my home 1 1/2 miles east of downtown Dimmitt, Hwy. 86, 1/4 mile north Noble Road, East Road just north of the Huggins Addition. I will be open 10 to 12 mornings, 2 until 8 evenings. These long evenings will give working people time to come after work hours.

I want to treat as many as I can by Dec. 1, as I want to help as many as possible in this area, and most people need it and I know it will help most of them.

This office will be known as

DOC'S HEALTH CENTER.

We accept anyone that we think we can help regardless of race or color. If unable to pay we treat them anyway, if we think they need it. Watch for my advertisement next week. Free consultation.

WHO CARES IF YOUR ELECTRIC BILL IS HIGHER THIS SUMMER? YOU DO AND . . .

WE DO!

If your electric bill has jumped this summer, take a good look up at that Texas sun. Sure, we all like sunny days, but our friend the sun can be a villain in disguise. On these Texas scorches, you'll need your air conditioning to run more. Sometimes running day . . . and night . . . all night. Well, that runs up your electric bill. Just when vacation and school expenses are here.

We know you care about higher electric bills. And we want you to know that we care, too. We can't cool off the sun, but there are still time and ways to keep your bill from going much higher. Here are just a few:

- Turn the thermostat to at least 78, or until you find the highest possible setting that feels reasonably comfortable to you. If you have window air conditioning units, run them only as much as is absolutely necessary.
- Check your insulation.
- When you buy major appliances, including air conditioners, be sure to check the EER (Energy Efficiency Rating). The higher the EER, the more energy and money you'll save.
- Clean and replace the filters regularly.
- Keep your drapes closed to block out direct sunlight.
- Weatherstrip around doors and windows.

At Southwestern Public Service, we care about you getting the most for your energy dollar. Call us for suggestions to help you change the size of your electric bill for the better.

TG&Y'S ADVERTISED MERCHANDISE POLICY-TG&Y's policy is to always have advertised merchandise in adequate supply in our stores. In the event the advertised merchandise is not available due to unforeseen reasons, TG&Y will provide a Rain Check upon request, in order that the merchandise may be purchased at the sale price when it becomes available, or you may purchase similar quality merchandise at a similar price reduction. We will be happy to refund your money if you are not satisfied with your purchase. It is the policy of TG&Y to see that you are happy with your purchases. It is TG&Y's policy to be priced competitively in the market. Regular Sale Prices may vary market by market, but the sale price will always be as advertised.

Your best buy is at TG&Y!
