HOME-MADE—Everything from welding art to frames, antiques, decorative housewares, knick-knacks and paintings gave the Castro County Fair a bazaar atmosphere Friday and Saturday as area hobbyists showed their work for sale and prizes. "Cottage industry" is becoming more and more

important in the American marketplace—especially with the increase in foreign visitors—and some of the country's best craft items are to be found in this area, according to buyers who make the rounds of art-and-craft shows. [Photo by Joe Ramirez]

business and industry

**Wheat supply still ample**

The U.S. wheat crop is about equal to expected use, according to the latest reports, but carryover is still large. Therefore, the U.S. Department of Agriculture has again announced a program to trim production in 1979.

"The acreage cut-back should keep prices from falling too much," notes Roland Smith, grain marketing specialist with the Texas Agricultural Extension Service. "But, with ample wheat supplies, prices will not show much increase this fall unless crop problems develop elsewhere."

Regarding the U.S. wheat crop, supplies are generally strong despite a below average winter wheat harvest. The Texas crop was hurt most—down more than half from a year ago. The spring crop looks good, however.

Cow-calf producers need a written plan to improve reproductive performance in their herds. The plan should fit the situation and should include a review of the herd's reproductive performance, goals or objectives, inventory resources, methods and alternatives to reach the goals.

Lie detectors: what do you do about taking a test? You have little to gain as an employee or a prospective employee by taking a lie detector test. Agree to it and the consequences could be anything from loss of privacy to losing a job. Decline the test, and, as it now stands in 16 states, you could get fired from your job.

**Jackpot roping announced for Sept. 17, 24**

Dimmitt Rodeo Association announced its next two jackpot roping events for Sunday afternoons, Sept. 17 and Sept. 24. Books will open at 1 p.m. and the action will begin at 2 p.m.

Days for the roping have been changed so there will be enough time for two jackpots, the DRA officers said.

"If you can't make it for the first one, come for the second," their invitation says. "Bring your wife and kids. A concession stand will be open."

**Elaine Acker is certified in WT course**

West Texas State University sophomore Elaine Acker of Nazareth has been certified by the National Association of Legal Secretaries for successfully completing the basic Legal Secretarial Procedures course at WTSU this summer. The course is designed to train secretaries who wish to work in law offices, and deals with the role of the lawyer and secretary, and the various levels of the courts and their deadlines.

The course also looks at substantive law, and at contracts, civil procedures, domestic relations and probate.

Individuals completing this basic level course may qualify to enter an advanced level class for which plans are being made.

The best course of action depends on the circumstances at the time you are requested to take the test. Firm resistance to the lie detector (up to a reasonable limit) may do the least amount of harm overall. You should check your legal standing if you are asked to take a test. Federal law does not restrict the use of lie detectors and some states have weak laws on it. New Mexico and Vermont limit the types of questions which may be asked. Alaska, Connecticut, Delaware, Minnesota and New Jersey all have laws saying that employers cannot require a lie detector test. Massachusetts and Rhode Island ban all job-related lie detector tests.

You should check on whether you can lose state unemployed compensation if you get fired for not taking a lie detector test. You should also check on whether your state allows your boss to tell other employees about your reluctance to take a test.

If your state does not prohibit lie detector tests (Texas is one that does not), ask why the test is being given. Some companies test all employees on vague security grounds. Other employers test only when wrongdoing is suspected.

The greatest risk with a lie detector is lack of qualified company employees who are qualified to evaluate the findings. Innocent employees can be found to be deceptive. Guilty employees can come up innocent.

**Davis named on committee**

Jimmy Davis of Dimmitt has been appointed to serve on a new advisory committee on mental retardation for the Central Plains Mental Health/Mental Retardation Center at Plainview. Davis is the county-district attorney here.

The committee will be composed of citizens in the nine-county area served by the Central Plains Center. The committees are formed to help the hospital keep in touch with the communities it serves, Davis said.

The first meeting of the new committee will be at 7 p.m. Sept. 28 at the hospital complex in Plainview.

**What's cooking at the schools**

**The inside story on a new combine that lets you harvest more of what you grow**

**International® Axial-Flow Combines.** The world's most advanced. A single rotor takes the crop from the feeder and whirls it in a spiral path through the machine. The crop makes multiple contacts between rotor rasp bars and rotor cage concaves for thorough threshing. It is simplicity itself. There is no cylinder, no cylinder beater or beater grate, no straw walker and no rack. You harvest more grain with less kernel damage. More than that, Axial-Flow combines give you greater productivity, reliability and easier serviceability.

### New 155-hp 4640

**Lots more than power from a big-job tractor**  
 Big-power jobs demand something equally important—big-job strength. And strength is the 4640's strong point. Evidence is everywhere . . . a bigger engine, longer wheelbase, more weight, new 4-pinion differential, bigger final drives, bigger drive axles. Even the drawbar is bigger and heavier than on the model it replaces. Now, bigger cooling systems are used for both engine coolant and transmission/hydraulic oil. Stop by the store for more details on the big-job strength of a 4640.

**County farmer placed on AAM board**

A Castro County farmer and one formerly from this county were among seven chosen for the Panhandle area as commodity group representatives to serve on a district board set up under the American Agriculture Movement.

Dick Shackelford of Dimmitt was picked to represent soybean growers and Ted Godfrey of Spearman, formerly of Dimmitt, to represent small grain producers. Mr. and Mrs. Shackelford went to Panhandle last week to a district meeting of the commodity group representatives picked from each county.

District representatives of other groups are Guy Austin of Muleshoe, cotton; Ralph Roming, Bovina vegetable grower, specialty crops; Billy Shannon of Quitaque, peanuts; George Reeves of Dalhart, feed grains; Dale Smith of Quitaque, livestock.

An eighth commodity group, dairying, did not have a representative at the Panhandle meeting.

At Panhandle, reports were heard from the national AAM meeting Sept. 3 at Sheboygan, Mich., where a tractorcade to Washington, D.C. was planned for sometime after

Washington. The new session of Congress convenes early in 1979.

A Labor Day protest march across an international bridge followed the national meeting, and delegates reported that the Michigan governor was "a gracious host" to the peaceful protesters. The next national meeting will be in

Washington.

Announcement was made of a new song recording, "A Measure of Wheat for a Penny," which the AAM is sending to disc jockeys over the nation as a way of expressing its viewpoint. One of the records has been given to Radio Station KDHN.

EMILY Dickinson authored more than 900 poems, only four of which were published during her lifetime.

# Kick gives Floydada 7-6 win

Floydada's Whirlwinds finally overcame their own mistakes and pierced Dimmitt's defense for a fourth-quarter touchdown and extra point to earn a 7-6 victory in the season opener here Friday night.

Whirlwind halfback Junior Arredondo, who led Floydada's runners with 71 yards on 17 carries, raced 10 yards around right end for the game-tying TD early in the fourth. Kicker Joey Luna added the all-important PAT to give the visiting Whirlwinds their victory margin.

The touchdown, which came when the fourth period was only 1:03 old, climaxed a 35-yard drive—Floydada's longest march of the night.

The Whirlwinds had been in the hole ever since the first quarter, when Dimmitt halfback Larry Bossett broke loose on a beautiful 37-yard touchdown run, longest sprint of the night.

It was a game of halves, with Dimmitt dominating the first and Floydada gaining control in the second.

It was also a game of if-onyes and uh-ohs.

Dimmitt place-kicker Tony Gonzales split the uprights after Bossett's long TD run in the first, but the point was nullified by an illegal-procedure penalty. Gonzales' second kick, from five yards farther out, was wide.

Midway in the second period, Dimmitt appeared ready to put the game out of Floydada's reach after getting the ball on the Whirlwinds' 40 and marching to a third-and-four at the 24. But the drive died when two Dimmitt passes fell incomplete. The Bobcats didn't complete a pass all night, and were never to get that close to Floydada's goal line again.

Offensively, it was a lackluster game as the defenses held a natural first-game advantage and the offenses—especially Floydada's—committed costly miscues that caused their attacks to sputter.

Dimmitt gained 144 yards on the ground, with Bossett (four carries for 47 yards) and tailback Dennis Veals (22 for 75) leading the attack.

**HOT PURSUIT**—Floydada halfback Junior Arredondo skirts right end with Dimmitt halfback Larry Bossett and safety Dennis Veals [24] in hot pursuit during third-quarter action in Friday night's season opener here. Arredondo, the Whirlwinds' leading ground-

gainer for the night, scored Floydada's touchdown on a 10-yard burst—a repeat of this play—early in the fourth quarter. An extra-point kick gave the visiting Whirlwinds a 7-6 victory. [Photo by Joe Ramirez]

Floydada gained 132 steps, but lost 41 of them because of fumbles and a hard-pressing Dimmitt defense, for a net rushing total of 91 yards. The Whirlwinds connected on six of 12 passes for 40 more yards, giving them a total offense of 131 yards for the night.

The Bobcats owned the field in the first half while the Whirlwinds played as if under a hex.

Dimmitt's defense held Floydada to only 14 yards on its first three possessions and kept the Whirlwinds deep in their own end of the field. The Bobcat offense, meanwhile, came up short on its first possession after missing with a long surprise pass on its first play, and saw its second drive end when Floydada intercepted a pass at the Whirlwind 26.

But with their third pos-

session, the Bobcats put points on the board.

Floydada lost two yards in three plays after the interception, then punted to the Dimmitt 49. Veals ripped for 12 yards in two plays for a first down at the Floydada 37, then Bossett broke through, saw daylight and raced to the end zone. The nullified PAT kick and the wide second attempt left Dimmitt with a 6-0 lead with 3:27 remaining in the first.

On its next drive, Floydada crossed the midfield stripe for the only time in the first half, advancing to the Dimmitt 42. But then quarterback Todd Vickers made a bad pitchout and Dimmitt's Danny Ortiz nailed the Whirlwind runner at the Floydada 35 for a big 23-yard loss. The Whirlwinds fumbled on the next play, too, and Dimmitt recovered at the Floydada 33. The Bobcats

were on the Floydada 28 and driving when the first quarter ended.

But the Bobcat drive came up short by inches as the Whirlwind defense held just inside the 24.

After an exchange of punts, the Whirlwinds found themselves fighting a nightmare. On first down at the Floydada 32, Ricky Day got a charlie-horse as he took a pitchout, and was nailed for a three-yard loss. Then Dimmitt's ambitious defense chased Vickers down for a six-yard loss. On the next play Floydada was penalized 15 yards, back to the 10, for illegal procedure. After an incomplete pass, the Whirlwinds found themselves facing fourth and 32, and Arredondo dropped back into the end zone to punt.

Whether it was planned or not, the Whirlwind halfback

ran instead of punting—and almost made it as he scampered out to the Dimmitt 40 before being hauled down a yard short of a first down.

It appeared the Bobcats were going to capitalize on the opportunity as Veals ripped eight yards on first down. But a five-yard penalty, a three-yard loss and an incomplete pass left the Cats facing fourth down where they had started. A personal-foul call against Floydada gave the Bobcats new hope with a first down at the 25, but the drive fizzled with two incomplete passes, and Floydada took over at the 20.

The Whirlwinds lost 15 yards back to the 5 before punting, and Dimmitt got off two no-gain plays before the halftime buzzer sounded.

The Bobcats got a good starting spot again as the second half opened, when Veals returned Luna's left-footed kickoff to the 35 and the Whirlwinds drew a 15-yard face-mask penalty, setting Dimmitt up at midfield. But the Bobcats couldn't muster a first down.

After Dimmitt's defense held Floydada deep in its territory again, the tide began to turn. The third quarter was slow, but the Whirlwinds gained better field position with every exchange. Late in the period, Floydada got the ball at the Dimmitt 35 and launched its victory drive. A seven-yard pass and runs of two, nine and seven yards set up Arredondo's 10-yard TD run.

The fourth quarter was played in Dimmitt's end of the field. The Bobcats advanced to their own 45 late in the game—picking up their only first down of the second half along the way—but a fumble killed the drive.

## FIRST STATE BANK of Dimmitt

JIMMY STEWART of the Dimmitt Junior Varsity gains eight yards and a first down before being stopped at the Dimmitt 35-yard line by Nazareth's Lester Backus in the season opener last Thursday night at Nazareth. The Swifts posted a 44-6 victory in the opener, which was played at Nazareth.

# Swifts zap Dimmitt JV, 44-6

By PATRICIA KERN

Two minutes later, Nazareth got its second score on a 24-yard pass play from Huseman to Kenny Gerber. The extra point kick gave the eager Swifts a 14-0 margin.

On the next series, Dimmitt was forced to punt on fourth down, but the intended punt was blocked, and Stanley Hoelting carried it 16 yards for the third Swift TD.

The JV Bobcats scored their only TD of the night when Adrian Stanton capped a series with a 10-yard romp into the end zone. The kick was no good, so the teams went in at the half with 20-6 showing on the scoreboard.

The highlight of the second half was a 60-yard punt return by Gerber late in the fourth quarter.

Neal Wilhelm and Chris Hatla scored TD's on runs of 21 and two yards respectively, and Dewayne Acker hit a 31-yard field goal to round out the night's scoring.

During the first quarter, Nazareth Swifts recovered a fumble and a blocked punt into touchdowns early in the first quarter, then went on to post a lopsided 44-6 victory over the Dimmitt JV Thursday night at Nazareth.

The first score came 5:20 into the game, after the Swifts recovered a Dimmitt fumble on the 20-yard line. Jimmy Huseman carried the ball over from the 1-yard line two plays later to give the Swifts a seven-point lead.

## Insects still active in corn and cotton

Damage to cotton and corn crops in Castro County is still being done by insects, County Extension Entomologist Mark Powell notes in his weekly report:

**COTTON**—Some cotton in the area is beginning to open, mostly due to water stress but some due to maturity.

The black light trap catches of bollworm moths remain high (approximately 2,000 moths per night). However, the egg laying activity is not as heavy as expected. Also the percent of eggs hatching is low.

The cooler temperatures at night causes a longer incubation period for the eggs so instead of hatching in three days the eggs are taking up to six days. This lengthening of time will cause many eggs not to hatch since the worms run out of food while still in the egg and die before they hatch out.

**CORN**—Corn harvest continues. Damage from the corn earworm is very noticeable. The earworm has fed on the tips of the ears and has caused many cracked kernels.

Only one field in the Hart area has been noticed lodging due to southwestern corn borer girdling. This situation will increase the further in to the harvest season we get.

**SORGHUM**—Headworms have been found in some sorghum. A correction from last week is that the threshold for treatment is two headworms per head in grain milo and one worm per head in seed milo.

### Ex-resident's funeral held

Funeral services for Mrs. Agapita Escalera of Muleshoe, formerly of Dimmitt, were conducted Monday morning in the Catholic Church at Muleshoe with Rev. Tim Schwertner, pastor, officiating. Burial was in the Muleshoe Cemetery.

Mrs. Escalera, 80, died Thursday. She was a native of Mexico, born at Agua Caliente, and moved to Muleshoe three years ago from Dimmitt.

Survivors include her husband, Rafael; five daughters including Eulalia Balderas of Dimmitt and Rosa Martinez of Hart; four sons, two sisters and a number of grandchildren.

### Five take first places in car show

First places in five categories were won by as many Dimmitt exhibitors in the Annual Antique and Special Interest Car Show at Hereford last weekend. The Hereford Rotary Club sponsored the show, with more than 80 entries from a number of area cities.

Paul Armstrong won first place in Pre-1922 Cars with the 1909 Buick he entered.

The 1937 Chevrolet owned by Michael and Melissa Goolsby took top honors in the Street Rod class. Moises Murillo's Corvette was first as a Special Interest Sports Car.

Among antiques, Wade Maynard's 1940 Ford DeLuxe earned a first place. Jesse Sepeda showed his 1964 Chevrolet pickup in the Custom Pickup class and was another top winner.

Many Castro County residents were spectators at the show, held in the Hereford Bull Barn Saturday and Sunday afternoon.

THE FLAG GOES UP for the first time Thursday on the new flagpole in front of the Castro County Historical Museum. Volunteers who finished installing the new 22-ft. pole Thursday are (from left) Oscar Gonzales, H. C. Nelson, Jim Elder, Mrs. P. P. Robb and Allie Mae Willis. The flagpole was donated by Rhoads Memorial Library, which had received one more than it needed when it was built. Dimmitt Boy Scouts conducted the first formal flag-raising at the beginning of the museum's open house Saturday morning.

### Key Club reports goals to sponsoring Kiwanians

A new scoreboard for Bobcat Stadium is the main goal of Dimmitt High School Key Club this year, and members hope to have it erected before this football season is over, Key Club President Johnny Merritt told the Dimmitt Kiwanis Club Monday.

Kiwanians sponsor the high school organization here, Merritt brought them up to date on Key Club activities of the new school year as he spoke briefly at the Kiwanis lunch. He said club members are beginning the sale of scoreboard ads to businesses here.

Merritt said 105 persons attended a Key Club party last week when those from last year's rolls welcomed new members and prospects. The club also sponsored a recent dance that put \$250 in its treasury.

A new coat of purple paint was put on the marquee supports at the high school, he said, and sale of firewood began as another fund-raising activity. Dimmitt Key Club was represented at a division-

al council session at Hereford and as visitors to a new club, Amarillo Caprock.

Kiwanians discussed their installation banquet, scheduled Oct. 2, and planned attendance at similar events in Muleshoe and Canyon this week and Hereford next week. Bob Crozier, president, reviewed membership goals for the year and said six new members are still needed to meet the goal.

Guests included Brad Murdock of the Key Club, Eugene Worsham of Amarillo and Darrel Payne of Lubbock.

DURING the first two years of life a baby should drink at least 2,106 ounces of orange juice.

## Litsch honored on 80th birthday Saturday

By VIRGIE GERBER

A surprise birthday party was given Saturday evening, Sept. 2 in honor of John Litsch, who turned 80. Those present were Rudy and Mary Litsch, Mrs. Katie Huseman, Louis and Gin Huseman, Robert and Willie Faye Huseman, Catherine and Denis Huseman, Patsy and Alphonse Huseman, all of Nazareth, Terry Huseman of Canyon and Julie Huseman of Amarillo.

A dinner party on Sunday in the John Litsch home was attended by Rudy and Mary Litsch and Katie Huseman of Nazareth, Rose Annen of Hereford, Sophia Braddock of Amarillo and the Donald Annen family of Amarillo.

Meta Stork is still in Plains Memorial Hospital in Dimmitt recuperating from pneumonia.

Mrs. Flo Backus has been taken back to the rest home in Dimmitt from the hospital where she spent several days.

A large group of relatives and friends from Nazareth joined many others from out of state and other cities in Umberger Sept. 2 to celebrate the golden wedding of George and Mary Brockman. Both of them grew up in our community. Mass was offered for them by the pastor, Father Sanderman, at 10 a.m., followed by dinner and afternoon reception followed by a dance. Seventy relatives from out of state came for the big day.

Andy Albracht and family of Reseda, Calif. spent several days here visiting relatives.

Mr. and Mrs. Bill Heiman of Inglewood, Calif. left Thursday after spending a week here with relatives.

Mrs. Dottie Doherty and son David of Chicago left Wednesday after spending two weeks with her mother and family, Dora Albracht.

Several couples from here went to Lubbock Friday evening to visit the Gene Schmucker family and celebrate his birthday. They will be moving to Midland this month where he will be manager of a Taco Villa.

A supper was held at the Jerome Brockman home Friday evening for their family. Present were Gerrie Russell and sons of Lubbock, Paul and Joe Brockman of Canyon, the Louie Schacher family and Agnes Brockman of Nazareth and Mr. and Mrs. Jimmy Brockman of Wilcox, Ariz.

Sunday dinner in the new home of Regina Steffens was enjoyed by the Joe Kitten family and John Steffens of Slaton, the Bud Steffens family, Sybil Steffens and Agnes Brockman of Nazareth.

Sunday evening a number of relatives and friends had a house warming for Regina Steffens. The evening was spent visiting and playing cards.

Agnes Brockman says thanks to everyone for the

prayers, cards, visits and acts of kindness shown her recently when she had eye surgery in Amarillo.

Jimmy Huseman had surgery Monday morning at Northwest Texas Hospital on his shoulder, which he hurt playing football Thursday evening.

Chell Pohlmeier has returned to Wayland Baptist in Plainview, where she will be a sophomore.

Mrs. Easy Schulte is in Northwest Texas Hospital,

where she will have knee surgery Tuesday morning.

### WHAT DOES THE FUTURE HOLD?

Are you amazed and perplexed with world conditions and developments? Are you confident of the future? Will inflation stop or continue to get worse? What about the Middle East crisis and present peace negotiations between Begin and Sedat? Will a peace agreement be reached, and if so, will it last or will the Middle East situation continue to deteriorate, eventually resulting in another world war? How will future national and international developments affect our personal lives? For a scriptural answer to these and other questions which concern us, you are invited and encouraged to come and hear a series of messages each Sunday evening at 7:30 on Bible prophecy as it relates to current events at the Bible Baptist Church of Dimmitt at 501 S.E. 3rd Street. Pastor Kenneth Carroll will be preaching these messages.

THIS IS SAM KILLOUGH ASKING YOU,

the people of Castro County, to support me as your candidate in the upcoming election for Castro County Judge. I, Sam Killough, will be a write-in candidate, running on the Republican Ballot.

If elected, I will be working for low taxation. I will do my best to work for all the people of our county, giving special attention to our young people and in helping to keep our county a clean and good place to live.

THANK YOU FOR YOUR SUPPORT

## Nuggets from the Senior Citizens' Center

By RUTH COLEMAN

We were happy to host the Old Settlers Reunion, which from all accounts was a huge success.

There were a lot of happy greetings as friendships were renewed and new ones made.

As usual the Dimmitt people simply out-did themselves in preparing the delicious food for which they are famous. We estimate that 175 people were fed.

With Mayor Youts presiding the members reorganized with Sam Gilbreath as president and Helen Richardson as secretary-treasurer.

They are already making plans for next year's reunion, which the Senior Citizens will be glad to host.

At the same time a list of deceased members who had passed away this year was read and Mr. Pennington offered the prayer of thanks for their lives and contributions to the community.

A happy time was had by all.

The hand-painted quilt made by Nora Mae Newsom and donated to sell for benefit of the Senior Citizens Center netted \$440 and was won by Lucille Branscum of Muleshoe.

**THE PERFECT HEART** held by Mrs. L. W. Jordan is not an old-fashioned pincushion, carefully cut in that shape. It grew that way and is a Castro County potato. Jordan found the unusually shaped potato in a field on the David Cole place where the tubers were being harvested recently, and took it home. He is an employee on the Cole farm and the Jordans live at 401 NW 4th.

### Shower honors new daughter

Mrs. Fred Bolton and her newly adopted daughter, Polly, were honorees at a recent layette shower in the home of Mrs. Jack Newsom.

Approximately 20 friends were guests who presented gifts for the baby. Mrs. Bolton's mother, Mrs. Winton Rochelle of Houston, was a special guest. Cake and punch were served

by the hostesses, Margo Boyd, Carlene Long, Shelley Rice, Paula Moore, Sandra Hucks and Lela Newsom.

### AHA directors slate meeting

Beginning a new fiscal year, the board of directors of the Castro County Unit, American Heart Association, will meet today (Thursday) to preview next year's aims.

Continuation of the blood pressure screening program, public education campaign and cardio-pulmonary resuscitation classes will be discussed, as well as fund-raising programs.

Dr. Bill Murphy is president of the unit and Bettye Huckabay the secretary. Other officers will be announced after the first meeting by Jerrold Welborn, nominating committee chairman.

ONE reason bloodhounds are used in detective investigations is because they can detect scents which are more than a week old.

### Wells to head children's hospital drive

Dale Wells has been named to head the 1978 door-to-door march in Dimmitt Oct. 15-28 for St. Jude Children's Research Hospital, a nationally supported institution opened in 1962 by actor Danny Thomas, who is still the active president of the organization.

St. Jude Children's Research Hospital is the only research center dedicated exclusively to the study and conquest of catastrophic diseases of children. Its work, particularly in leukemia and other childhood cancers, has been internationally cited for basic and clinical research.

No one is charged for the benefits provided by St. Jude Hospital. That includes the extremely expensive total medical care provided to children enrolled in its research studies.

Over two-thirds of this year's 19 million dollar operating budget came from public support.

### Records must change name at marriage

Brides who change their names have many official records to change, says Lillian Chenoweth, family resource management specialist with the Texas Agricultural Extension Service.

Place of employment is one of the first places to start. Employers need to know of a new status for pay check purposes and to avoid confusion with federal taxes.

When making name change on insurance policies, consider any change in beneficiaries at the same time.

To change social security records, call the nearest office of the agency and request a name-change form. After completing and returning the form, a new card will be issued. The number will remain the same.

**MR. AND MRS. GEORGE Brockman of Umbarger, formerly of Nazareth, celebrated their Golden Wedding Anniversary Saturday with a reception at St. Mary's Parish Hall in Umbarger. Mrs. Brockman is the former Mary Albracht. The couple married in Holy Family Church at Nazareth in 1928 and have lived at Umbarger since 1941. Their daughter, Mrs. Harvey Artho of Wildorado, and sons, Allan of Hereford and Robert of Amarillo, were hosts for the anniversary reception. Relatives from both families who still live at Nazareth were among 75 guests at the reception.**

### Irene's Ideas

#### Fair awards listed

By IRENE KEATING

The Castro County Fair will go down in history as one of the best. Thanks to each of you who participated, set up exhibits or booths and worked as superintendents. The cooperation of all concerned made it successful and next year's will be even better. The Fair Association will be meeting soon to evaluate this year's fair and begin plans for 1979. If any of you are interested in helping or sharing your ideas, call the Extension office at 647-4115 and let us know. The Fair Association meeting is open to the public. It is your fair and you have a chance to help set policies and rules.

This year the Fair paid one dollar for each blue and fifty cents for each red ribbon won at the Fair. Also, Best of Show rosettes were presented to the most outstanding entry in these divisions:

- Clothing — Catherine Hochstein
- Photography — Alfred

Baking — Carmen Catano  
Farm & Garden — Swain Burkett

Canning — Nona Barringer  
Commercial exhibits were judged and banners awarded for indoor and outdoor exhibits as follows:

Indoor — 1st, Riley Carver, 2nd, Dodd's Frames, 3rd, Conklin Products.

Outdoor — 1st, Hays Implement, 2nd, Stan Byrnes Ford.

Kerr awards were given to these persons, with first place receiving two dozen jars and second place one dozen jars.

Fruits — 1st, Nona Barringer, 2nd, Catherine Hochstein.

Vegetables — 1st, Mrs. Lawrence Acker and Kim Sides, 2nd, Lynnette Rials and Mary Jean Hochstein.

Pickles and Relishes — 1st, Ethel Fry and Dianne Hochstein, 2nd, Carolyn Sides.

Jams and Jellies — 1st, Margaret Womack and Tammy Behrends, 2nd, Ocie Bolton and Laurie Sides.

### Meeting date change made

A change in the September meeting date for the Nazareth Art Club is announced by Patsy Huseman, president, so members may see a demonstration by Kay Stephens of Tulia.

The club will meet Sept. 26 instead of the regular date,

Sept. 25, in the basement of the Holy Family Church at Nazareth. Time is 7:30 p.m.

The demonstration will be on painting animals with oils. Anyone interested is invited to attend.

### School menus at Nazareth

## W's will conduct events to raise funds for project

Two fund-raising events are scheduled next week by the Association of W's to finance a seminar which will probably be held in January, open to the public.

First will be a bake sale at the Dimmitt Super Market next Wednesday, beginning at 9 a.m. Leslie Moore and Deanne Clark are in charge of arrangements and all members have been asked to contribute items for the sale.

A rummage sale will be conducted Sept. 22 and 23,

opening at 9 a.m. both days, in the building formerly occupied by White's Store here. Members are asked to help with sale preparations by meeting at the building, next door to the Anthony Store, by 2 p.m. Sept. 21.

Anyone wishing to contribute articles for the sale may notify Mrs. Pete Stewart at Dimmitt, Mrs. Cliff Brown at Sunnyside, Mrs. Robert Huseman at Nazareth, Mrs. Butch Merritt or Mrs. L. C. McLain at Hart before Thursday of next week. All items should be priced for the sale.

Proceeds of these two events will be used for a seminar to study "The Doctrine of Humanism: Its Effect on Educational and Religious Institutions Today." Date will be announced when arrangements are completed. The public will be invited and special invitations will be sent to school administrators and board members and religious leaders in Castro County.

NEW OFFICERS of the Dimmitt Young Homemakers were installed at an invitational salad dinner last Thursday evening in the First United Methodist Church. Seated, from left, are Rhonda Schaeffer, vice-president;

Rita McDaniel, vice-president; and Debbie Annen, president. Standing, from left, are Prissy Boothe, historian; Shanee Lust, treasurer; Karen Robertson, reporter; and Bobbie Wooten, secretary.

## YHT Week proclaimed here

Young Homemakers of Texas Week has been proclaimed in Dimmitt by Mayor Elmer Youts, for observance Sept. 17-23 sponsored by the Dimmitt Young Homemakers.

Various activities are plan-

ned including a bake sale Sept. 20 for benefit of the Satellite Center and a member's interview with Susan Hanners on "Susan's Coffee Break" program Sept. 18 on Radio Station KDHN.

New officers for the year were installed by the Dimmitt YHT chapter last week and announcement was made that a member, Vicki Bryant, was elected area parliamentarian at an area convention in Amarillo recently.

Mrs. Bryant, who has just completed a term as president here, was one of several Dimmitt members and advisors at the convention.

## Tops members shed pounds

More than a pound per member in weight loss the past week was averaged by Dimmitt Tops Club members in the weigh-in at their meeting Monday evening in Rhoads Memorial Library. There were 28 members present and the total weight loss was 29 pounds, 12 ounces.

Leading in weight loss was Karon Moss, who is 7 pounds, 4 ounces lighter, and James Slough, who dropped three pounds. Cindy Backus was Kops of the Week, who kept her weight at her goal level during the week.

Mrs. Moss gave the program, a brief talk encouraging members to continue their efforts to carry out the club objective of "Taking Off Pounds Sensibly." Vivian Pigg presided for business.

## Refreshment ideas will be given to club

Ideas for club party refreshments will be presented at the meeting of Town and Country Home Demonstration Club at 9:30 a.m. today (Thursday) in the courthouse basement assembly room.

Lynette Rials will give the program, preparing different types of refreshments which members and guests will be invited to sample.

Women interested in this program, or who would like to join the club, are invited to attend the meeting.

## New members invited for HD groups

Home Demonstration clubs are reorganizing for the year and any interested women are welcome to join one of the clubs or to organize a new one.

Microwave ovens and energy saving foods will be demonstrated at 5 p.m. Tuesday in the courthouse assembly room. Xie Collins, home service advisor for Southwestern Public Service Company in Lubbock, will give the program for the Sundowners Home Demonstration Club and guests.

Club members are reminded to bring ideas for gifts to the October club meeting. Pat Evan, president, invites anyone interested to call her after school at 647-3331 for more information, and to attend club meetings.

## Birthday celebrated

Mamie McLain of Hart celebrated her 84th birthday with a visit in the home of her daughter and son-in-law, Anna and Willard Willmon, in Roswell, and a trip with them to Ruidoso. Her birthday is on Sept. 1.

Mrs. McLain and the Willmons spent the day in the mountains and had dinner at the Inn of Mountain Gods in Ruidoso. The Hart woman said she especially enjoyed seeing it rain all day.

She visited numerous friends in Roswell and received birthday gifts to add to the pleasure of the occasion. She attended a Saturday Night Ball of the Fraternal Order of Eagles, of which she is a member.

## Dance slated after game at Hart

An after-the-game dance at Hart will be held Sept. 22 following the Hart-Nazareth football game, on the parking lot behind the Farmers State Bank, sponsored by youth of the Hart United Methodist Church.

Mark Shannon of Station KPUR in Amarillo will be the disc jockey for recorded music which will begin about 10:30 p.m. and continue to 1:30 a.m.

Tickets priced at \$2.50 are available now from members of the UMY group, which is headed by Lori Barnes as president. Tickets are also on sale by Jonalyn Jones and Suzan Sanders at the Farmers State Bank, Bill Sanders at B&B Farm Supply and at the UMC parsonage in Hart.

## Plan session begins year for sorority

Delta Kappa Gamma, honorary sorority for teachers, began the new school year for its Dimmitt chapter with a planning session Monday afternoon in the fellowship hall of First United Methodist Church.

Newly staffed committees outlined their plans for the year's programs and activities.

Hostesses who served ice cream and cookies were Ruth Wooten, Faun Welker, Elizabeth Huckabay, Elsie Smith and Cleo Forson.
