The Restoration of Jersualem to The one of Abraham-Object of Organization.

Basie, Switzerland, Aug. 8.-The World's Convention of Zionists is to begin its sessions here tomorrow About 400 delegates have arrived and several hundred more are expected. Both the United States and Canada will be well represented.

This is the fourteenth annual congrees to be held by the International Federation of Zionists. The gatherings have always attracted leading men of the Hebrew faith, and its somewhat sentimental and romantic propaganda-the resoration of Jerusalem to the sons of Abraham-but mittee at 9 o'clock a. m., July 7, which was yesterday. Of course this philanthophic proposition has created philanthophic proposition has created

ate fate of the scheme. "Zionism" as the movement is called, by which its promoters declare, that is, the future of the oppressed Jew of Russia and elswhere is to be Dr. Gambrell said he woud leave last provided for—has met with opposiish clergy and laity.

The present congress promises to be enlivened by the criticism of some of those who have been active workers for the cause, but who now are said to be dissatisfied with the way the movement has been directed by the older leaders. Some of the delegates do not hestitate to declare that unless radical changes are made the whole movement is likely to prove nothing more than a dream, as its op-

ponents have always predicted. It is pointed out by those who believe that a thorough reorganization is needed that although the Zionists through their international and national organizations have been laboring assidously for many years to rehabilitate the Hebrews again into a nation and there have been numerous congresses to this end, until now nothing really definite has been accom-

On the other hand, the leaders who have directed the affairs of the organization since the death of Theodor Herzl, the founder of the movement declare that much has been accom plished within the past few years and they hint that, in view of the reports to be made to the present conottage at the Frost Johnson mill gress, the dissatisfied element will
