

New Corn Producers Board urges check-off donations

The Castro County News

54th Year — No. 1

Dimmitt, Texas, Thursday, October 2, 1980

16 Pages, Plus Supplement

The Texas Corn Growers Association, citing great strides for the corn producer in market prices, gasohol legislation, export markets and insecticide clearance, is urging corn growers to comply with the voluntary check-off program by donating one-half cent per

bushel to the TCGA. The check-off system was established by the passage of a referendum last fall. The referendum carried by an 82% majority of corn producers in a seven-county area which included Castro, Lamb, Bailey, Deaf Smith, Farmer, Hale and Swisher.

Two months ago, the Corn Producers Board was formed to administer the funds generated by these check-off donations. The board met Monday to draft a letter to TCGA members and area grain elevators. The letter tells of the TCGA's work with the Texas Department of Agriculture to step up restrictions on inspections of corn coming in from out of state to stop the European corn borer from spreading.

The TCGA also helped negotiate corn exports with Mexico, and has been instrumental in getting gasohol in Texas. This year, the TCGA and its chairman, Carl King of Dimmitt, secured an emergency-use label for a Shell Chemical Co. insecticide called Azodrin, which is used

to control spider mites. Azodrin has proven highly effective in the control of southwestern corn borers, also. Shell Chemical Co. and Olan Moore, local consulting entomologist, both sent letters to the TCGA praising its work in getting Azodrin cleared for emergency use.

According to Moore, under recent severe weather conditions, corn crops here could have suffered yield losses of 3,000 to 4,000 lbs. per acre without the use of Azodrin.

The Corn Producers Board stated strongly in its letter that if such vital accomplishments as these are to continue, the TCGA "must have the support of area corn producers through the check-off system."

about dimmitt and castro county
by b. m. n.

The recent rains were fine. I have been told that the moisture is sufficient to bring up the wheat crop, and that with just a little more rain it should make good grazing this fall and winter and on into the spring. The corn crop is all but gathered and the milo harvest has started. I assume the cotton crop is practically matured and will be ready for harvest following a few good freezes. Prices on most farm commodities have been fair, and prospects for a good cotton crop and high market prices are excellent. We have hit the bottom of the economic slump in this part of the country, and indications are that recovery from the recession is in progress.

A lot of noise is being made on the political front. There have been any number of "Democrats for the Republicans" organizations in past elections, but there are more of those organizations this time than ever before. The most of them are headed by oil tycoons or by supposed to be democrats that have been defeated in their bid for elective office.

One of the most publicized group of that ilk is the one headed by former governors Preston Smith, Allan Shivers and John Connally along with former Speaker of the House Ben Barnes. These people are throwing their weight and influence behind the Republican nominee, Ronald Reagan. Their weight and influence can be measured by their last efforts in seeking office on their own.

Big John was elected governor as a Democrat and was appointed to a cabinet post by a Democratic president. He would never have gotten out of a small law office if it hadn't been for the favors of the Democratic party. Knowing that he had gotten all that the Democrats would allow him to have, he switched allegiance to the Republican party. From that time on he was off and running for President. He spent ten million dollars in this election in quest of the Republican presidential nomination. For his money and effort he latched on to one delegate, that's not bad considering that it only takes six or eight hundred to get the nomination.

Preston Smith and Ben Barnes were in the race, in a large field, about ten years ago. In the first democratic primary they ran a poor third and fourth behind Dolph Briscoe and Sis Farenthold, two weak candidates, but strong enough to beat Smith and Barnes. These are the people that are throwing their weight and influence behind Reagan. Their records don't indicate too much strength so far as their influence with real democrats is concerned.

At the state democratic convention recently the several thousand delegates solidly pledged their active support of the Democratic nominees. They represent the Democratic voters in this state and their active support will carry the state for the Democratic ticket.

Members of the Corn Producers Board are Carl King of Dimmitt, Ray Joe Riley of Sunnyside, Raymond Schlabs and Jay Boston of Hereford, W. L. "Preach" Edelman of Friona, Les Watson of Springlake, Doug Higgins of Hart, and Weldon Davis of Star Rt., Kress.

Kiwanians cut back price of Pheasant Hunt permits

Dimmitt's Kiwanians voted Monday to reduce the price of their Pheasant Hunt permits to \$35 this year.

The reduction is because of the return to a 15-day pheasant season this year by the Texas Parks & Wildlife Dept., Kiwanis President Bob Murdock explained.

Last year the state expanded the season to a full month on an experimental basis, and the Kiwanis Club hiked its permit fee to \$50 in light of the longer season.

The \$35 fee this year will also include a ticket to the Pheasant Hunters' Breakfast on opening day at the County Expo Center. For non-permit holders, the breakfast price will be \$3.50, Murdock said.

The Kiwanis Club, in cooperation with local landowners, annually reserves thousands of acres of land for permit hunting only, and provides hunters with maps and directions to designated hunting sites.

Murdock said part of this

year's proceeds will go to continue construction of the "ag farm" north of the city, where Dimmitt High School students keep their show animals. A steer barn is the next project at the ag farm.

The rest of the proceeds from the December pheasant hunt are used by the club to pay premiums on animals in the annual Junior Fat Stock Show, and for other club service projects during the year.

Also at Monday's meeting, the Kiwanians voted to donate \$225 of the \$675 total cost to send a Dimmitt High School student to the Presidential Classroom for Young Americans in Washington, D.C. The Presidential Classroom is an "on-site" seminar in the operation of the federal government.

The program at the club's Monday noon meeting was presented by Dale Wells, minister of the Bedford Street Church of Christ, who spoke on the futility of worry.

Cooperatives draw October spotlight

October is "Cooperative Month" in Texas, and across the nation.

Gov. Bill Clements, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our state."

"Texas has more than 440 cooperatives operating and serving over 133,000 members," according to Bruno Schroeder, executive vice-president of the Texas Federation of Cooperatives. "These cooperatives are doing business volume of almost two billion dollars annually."

Cooperatives in Texas range from farmer-owned

gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens, Schroeder said.

"Cooperative Month," said Schroeder, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

Open house set at Nazareth PO

Open house at the new Nazareth Post Office will be held Sunday afternoon from 2 to 4.

Postmaster Kathy Birkenfeld, who will serve as hostess, urged all interested persons in the area to view the city's new postal facility.

The post office is located across the street west from the Nazareth Community Center.

Pancake meal on tap Friday

The Dimmitt Lions Club will hold its annual Community Pancake Supper Friday before the Dimmitt-Tulia football game.

Lions will prepare and serve pancakes, bacon and sausage with coffee, tea and milk in the Dimmitt High School cafeteria. Serving hours will be 5 to 7:30 p.m. Kickoff time is 8 o'clock. Admission price is \$1.75 for adults and \$1 for children under 12. Tickets may be purchased from any Lions Club member, and will also be available at the door.

Corn harvest in final lap

SMILING IN THE RAIN—Despite a steady drizzle that soaked her hairdo and formal, Nazareth High School senior Joyce Schacher flashes a big smile after being crowned Homecoming Queen in pre-game ceremonies Friday night at Swift Field. Her escort is Hugh Wilhelm. [Photo by Janice Smith]

King steps down from state post

The Texas Democratic Party Convention in Houston Friday and Saturday was described as "quiet" by delegates from Castro County.

Attending from here were Mr. and Mrs. Oscar Wylie, Mr. and Mrs. Carl King and Ronnie Parker, all of Dimmitt. Wylie is the county party chairman and King has been the state Democratic executive committee member from the 31st Senatorial District the past four years.

King stepped down from his state committee post at the convention, and served as permanent chairman of the 31st District caucus.

King, who served as permanent chairman of the 31st District caucus at the convention, stepped down from his state committee post. Tom Tollett, Littlefield attorney, was elected to succeed him.

Sandra Davis, Levelland attorney who had served as the state committeewoman from the 31st District, also stepped down from her post. Elected to succeed her was Donna Forbes of Claude, school teacher who has served as the party's district secretary for the past 15 years.

'81 model cars to be unveiled here Friday

The new 1981 cars are here, and will be on display Friday at a car show in the County Expo Building from 8 a.m. to 8 p.m.

Reeve-Fleming Chevrolet, Pontiac will have two of General Motors' X-cars on hand, the Chevy Citation and the Pontiac Phoenix, as well as the 1981 line of other

Chevrolet and Pontiac models.

Stan Byrnes Ford will be featuring the new Ford "World Car," the Escort, as well as the Granada and many others.

Soft drinks, coffee and doughnuts will be served during the show, and door prizes will be given away.

Three firms cut ribbons

The Chamber of Commerce sponsored ribbon-cutting ceremonies Monday for three new Dimmitt businesses.

The are Brawley Cattle Supply, Perfect Fit and the Kiddie Klubhouse.

Brawley Cattle Supply, located on North Highway 385, is owned and managed by Loyd Lindley, who has been in the livestock supply business in Dimmitt and

Hereford for seven years. The firm provides major brands of livestock medicines and vaccines, animal health supplies and tack.

Perfect Fit, owned by Cary and Cathy Jackson, is a new junior misses' clothing shop located at 105 N. Broadway. The shop features junior jeans, overalls and tots' clothing in such brand names

After more than an inch of rain over the weekend, the county's 1981 corn harvest is underway again, and elevator operators predict it can be completed within a week to 10 days if the weather stays dry.

The harvest is 75% to 90% complete in different parts of the county, elevators reported Wednesday.

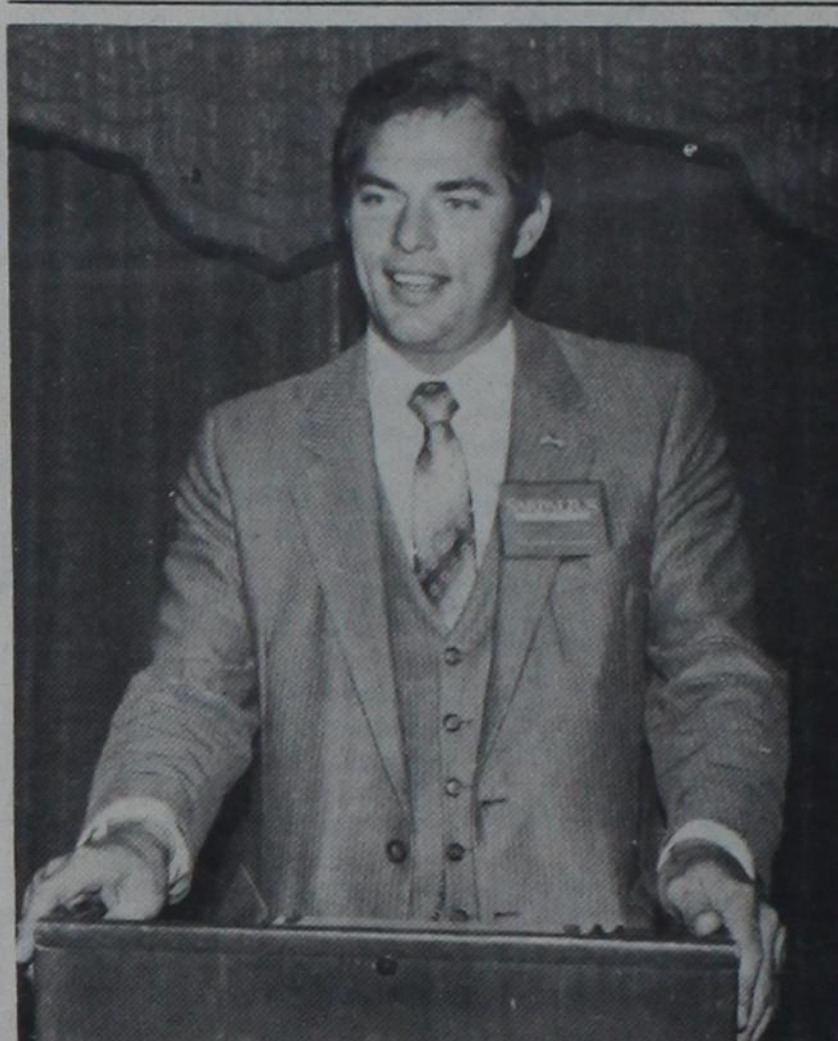

Yields generally are running 20% to 35% below normal, while the market price is holding about 18% higher than this time last year.

The corn market opened Wednesday at \$6.03 per cwt, compared with \$5.25 at this stage of the harvest last year.

But yields are averaging only 5,000 to 7,500 lbs. per acre, elevator men said, because of the summer's extreme heat and dryness, and damage from worms, insects and hail.

The harvest has reached the 85% to 90% stage in the Hart, Sunnyside and Flagg areas, while farmers in the rest of the county still have 20% to 25% of their crop to bring in.

Best dry-weight yields reported by individual elevators so far range from 8,100 lbs. per acre to more than 10,000 lbs., with most areas reporting top yields in the 8,800 to 9,200-lb. range.

SENATE CANDIDATE BILL SARPALIUS ... Speaking to Rotary Club Friday

Price ineffective, Sarpalius charges

Bill Sarpalius, Democratic nominee for the Texas Senate, told Dimmitt's Rotarians Friday that if he's elected his main legislative interests will be agriculture, water importation and education.

Sarpalius, who grew up at Boys Ranch and now lives in Hereford, is opposing State Sen. Bob Price (R-Pampa) in the Nov. 4 general election.

Sen. Price is scheduled to speak to Rotarians and their wives Friday at noon in the Colonial Inn dining room. The program will be open to the public.

Sarpalius listed agricultural legislation as his main concern Friday.

"I feel that with my background in agriculture, I can be an effective voice," he said. Sarpalius is a former president of the Texas FFA, majored in agriculture in college, and taught vocational agriculture at Boys Ranch.

The fight for water importation for West Texas will continue to be an uphill battle, Sarpalius said. He charged that Sen. Price has hurt the region's water importation efforts.

"We lost a very effective man on the Water Development Board in A. L. Black of Friona," Sarpalius said. "All that was needed to get him re-appointed was a courtesy letter to the governor from our state senator. But the governor never got a courtesy letter, and our state senator also never did nominate anyone for the State Water Development Board."

Public education, Sarpalius said, "ought to be the No. 1 priority of the state legislature since it's our No. 1 expenditure, instead of being the last thing to be considered every session."

He explained that more than half of the state's total budget goes to education, but added, "Of our 31 state senators, none has ever taught school, as I have done."

"We need increased salaries for teachers to attract

and keep the better qualified ones," he said.

Sarpalius said he has "always been interested in politics, and in helping people," but that he became "very interested in running for the State Senate" while manning House Speaker Bill Clayton's mobile office during the last session of the legislature.

"I had little doubt that I could represent the (31st Senatorial) district more effectively than it was being done," Sarpalius said. "I had heard a lot of complaints about our current state senator from people in the district."

Sarpalius resigned as Clayton's field assistant more than a year ago, when he decided to seek the Texas Senate post. He is now associated with Center Plains Industries.

(Asked after Friday's meeting if his association with Clayton is hurting his campaign, in light of the current "Brilab" trial in Houston, in which Clayton is charged with accepting a \$5,000 bribe, Sarpalius answered, "I value the experience and the association I had with Bill Clayton. I considered him my friend when I was his field assistant, and I consider him my friend today.")

Sarpalius charged that Sen. Price is "out of touch" with the people of the 31st Senatorial District, and that he has not been an effective legislator.

"We had a strong, effective voice for the Texas Panhandle when we had Max Sherman and Kent Hance in the State Senate," Sarpalius said.

He claimed that Price has introduced 27 bills in the Texas Senate, "none of which passed."

"His total legislative record was two resolutions, one of which wished John Wayne a speedy recovery," Sarpalius commented.

He also said Price has spent [See SARPALIUS, Page 16]

Hart High School's Homecoming underway

Hart High School's 1980 Homecoming activities got into full swing Wednesday night with a bonfire pep rally and the crowning of the Bonfire King.

Today (Thursday) is "Western Day" at Hart High School.

The Pep Squad King will be crowned at an assembly Friday morning. Candidates include Santos Valenzuela, Danny Rodriguez, Augustin Perez and Andy Sarabia. The

football team will be presented with a "victory cake" at this assembly. The Homecoming Pep Rally will be held in the high school gym at 3:15 Friday afternoon.

At 8 p.m. Friday, the Longhorns will meet the Valley Patriots in the Homecoming game. The Homecoming Queen will be crowned at halftime. Queen candidates include B. J. Brantley, Emma Castillo, Penny Pierce and Teresa Mapp.

Shoffy's Chatter

Barringers span US and Canada on trip

By MYRTLE SHEFFY AND BERAL HANCE

Roy and Nonah Barringer are home from a good trip back east and north. The first stop was Joplin, Mo., to see the new grandson. His name is Isaac and he is the son of Jeff and Debbie Barringer. Then on to Indiana to visit Roy's folks and back to Kentucky to see Nonah's folks. On to Pittsburgh, Pa. and New York. And to celebrate their 30 years of marriage they went to Niagara Falls. Nonah's sister Yvonne and husband Dr. Goh, went with them on a tour of the Falls and to Canada. They went through the tunnel under the falls, came out facing the water, a wonderful sight. On to Ontario Lake where they did some beach combing. Saw the Erie Canal. Her words, "They ate at a darling little village cafe where they had good salads." Back to Yvonne's house where she cooked a good Chinese dinner. They ate with chop sticks after instructions from Dr. Goh. He is a U.S. citizen, a doctor of medicine and other educated things. Roy is minister of the Christian Church on Western Circle.

Valery came up from Stephenville. Quite a crowd was there. Then for the evening meal a big supper was in the backyard at Bessie Mae and Dent Bradley's house.

Wednesday we met Roy and Mauricia Ewing who were here from their home in Richardson. In 1971, Mauricia, a former school teacher, retired from her job as technical editor for Collins Radio Company in Dallas and in 1976 Roy retired.

One day they were in Decatur and went into the courthouse. It is a beautiful old building, made entirely of granite. They became so interested in the courthouse that they stayed there for quite a while and decided to take some pictures of the building. That was the beginning of a hobby - photographing Texas courthouses. They have been in all the courthouses in Texas except 30, and they will have that completed in a few months. They told of so many kindnesses that has made their hobby a great pleasure. Mauricia said their Texas travels have restored their faith in mankind.

I asked them if they had certain courthouses that they think are outstanding and they mentioned those in Decatur, Waco, Denton and Waxahachie. Roy said the story is told of a young man, a stone cutter, who was helping to build the courthouse in Waxahachie. He fell in love with a beautiful young girl and when he asked her to marry him, her parents refused to let her see him again. So in that courthouse you will see three different montages over the door arches - one of the girl when she was young, one when she was middle aged and another when she would grow old.

The stone cutter was never heard of again but he left a legacy so people would always remember him and his lost love. The Ewings are enjoying their interesting hobby and said they had made friends everywhere they have been.

Thelma and J. B. Moore were in Odessa for the weekend visiting Thelma's sister, Veola and her husband, Zayne H. Payne.

Nell and Jack Ingram have been to Plainview to be with her dad, Bob Morris, who had surgery. He's doing great, Nell said.

Jeanette Seely of Brownwood was here for several days last week to visit her family, Gene and Cleo Seely and Brenda. Jeanette works for a doctor in Brownwood.

Beral Hance has had her children here, all at different times; Linda and Don Murphree and Paige, who now live in Denver, and Kent of Washington, D.C., and recently Beth was here from Panhandle. Linda and her family also went to Lubbock to visit their other daughter, Tracey, who is a freshman at Texas Tech, and Kerri Hodges, a Tech senior. Beral went to Lubbock Saturday to

be with all of them.

Kent and Mary Jo Birdwell have been to Orange to see their daughter, Paula and Bob Bradford and their only grandchild, 2 1/2 year old Jaime. It is 700 miles from Dimmitt to Orange, which is about 20 miles from Beaumont. Mary Jo said they also visited her sister in Houston, Kathryn Weinaug. They stayed Saturday night in Abilene on their way home. She said in the Snyder and Roscoe area that cotton fields were completely under water, and that it was raining hard on Sunday.

Zonell Maples has returned from a visit with Dorothy and Milt Draper and their daughters, Susan and Amy in Tahoka. Dorothy, daughter of the late Dewey Wrights, worked in the tax assessors office in Dimmitt several years ago.

Sunday was a very happy and important day for Spurgeon and Oneida Hutto. It was Oneida's birthday and also their 40th wedding anniversary. So their children planned two parties, one from 2:00 to 4:00 for the birthday party and an anniversary party from 4:00 to 6:00 at the Hutto home. For the first party, birthday cake, punch and coffee were served to a large group of guests and out of town relatives and friends. The table was beautifully decorated, using the colors of peach and orchid. Then at 4:00 p.m., those decorations were removed and the table

was decorated for the wedding anniversary.

Their five children gave them a silver coffee and tea set. For the anniversary, it was mostly family present. Spurgeon's brothers and a sister were there. Doyce and Maxine Hutto of Littlefield, Hansford and Joan Hutto of Tulsa and Fern and Jay Harris of Bovina. Also present was Nora's relatives (she is Rodney's wife) her mother, Roberta Nelson, her grandmother, Georgia Allison, and her sister, Lora Nelson, all of Roswell, N.M.

At the anniversary party they served cake and coffee, and also hamburgers, potato salad and dips and chips.

Other guests there was Patty Reagan of Lubbock, guest of Byron's and Karen's friend, Bruce MacPherson, who is in the Air Force and is now stationed in Albuquerque. Karen is a senior at Texas Tech. All of the Hutto boys are graduates of Texas A&M; Dr. Aaron Hutto of Hereford (he's a veterinarian), Byron and Rodney of Lubbock, and Keith of Houston. Karen and Keith are twins.

Josie Trevino, who attends Jessie Lee's Beauty School in Lubbock, was home for the weekend. Josie was graduated from Dimmitt High School in May and received a scholarship to the beauty school.

Merle Morgan was the birthday honoree Thursday at K-Bobs. Others present were

Geneva Dennis, Hazel Bagwell, Connie Ivey, Ruth Hays, Oleta Gollehon, Mauzee Youts and Irene Carpenter. The Morgans, former Dimmitt residents, live in Bovina.

Alice Anthony, Opal Bearden and her sister Naomi Ruth Patton of Hollis, Okla., and (I, Myrtle Sheffy) went to Ruidoso last weekend. We stayed at Alto at the High Country Lodge apartments. Make a trip almost to the top of the big ski mountain. There were so many trees. It rained some each day. The fun time was Friday and Saturday afternoon at the mule races. There were 200 mules entered. The Ruidoso paper says they were from everywhere except Alaska and Hawaii. The owners of mules draw for places to race. And our Dimmitt people got Sunday afternoon, but we had to come home Sunday. Edgar Dennis said he would tell us who won those races. From Dimmitt we saw Jimmy and Gwen Buckley. They had two

mules, he was selling one to an Albuquerque man. Then Edgar and Betty Dennis and Kenny and Luan Ebeling own a mule. Donny and Cindy McDaniel own a mule as does Bobby and Gay Mayhew. I didn't see them but did see Joe and Dugan Butler and friends from Hereford.

Johnny and Nell Martin from Big Square, Bob Caddell and his brother Jim Caddell from Roswell were there as was Donald Carmichael from Ringling, Okla. We met these folks from Houston: Margie and Phil Hanneman and Frank and Jayne Sampson. They were friends of Edgar and Betty Dennis and my seat mates besides the ones from Dimmitt were Bill and Pat Blackwell from Littlefield. We met Joe Dunn's friends

PLACIDITY "Thou wilt keep him in perfect peace, whose mind is stayed on thee. Because he trusteth in thee." Isaiah 26:3 "The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phillipians 4:7 God has never promised life without trouble nor progress without striving. He has, however, promised that amid the tumult and strife He would give us an inner peace if we let Him live in our hearts. Learn about this unusual peace offered to all freely.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Coleman Adv. Ser.

View from the library

By BRICK AUTRY

Oh. Oh. It's that time already? Yes. It looks like it. That time when the Dimmitt schools start sending students down to find poetry. It's not their most favorite assignment and up until this summer when we compiled a fine poetry index for our collection, we, here at the library hated it.

Poetry is hard to handle. Some poems come in collections, some in indexed contents lists, some just placed side by side. Poems are the most difficult items to find.

Some time ago in this article the librarian confessed that he doesn't read poetry, very often. That is hard to explain to school children when expecting them to read poetry.

Through the years of being involved with literature of all kinds this writer has actually found a reason why poetry is important. A poet can

express many things in a few words when using the poetic idiom.

Many of our most important documents like the Bible and the Declaration of Independence are written in the poetic idiom. The Bible was mostly translated into Greek because Hebrew was less expressive.

Poetry also requires a thorough grasp of organization. The poetic idiom is hard to learn but the poet who masters it becomes a fine prose writer also because he can write sensible paragraphs. Latin, for many years, was taught in school because the language required specific organization and was also quite apt for using the poetic idiom.

So there is the reason behind the ANNUAL POETRY assignment. However, unfortunately, it won't take the sheer druggery out of the work for Dimmitt students. Especially for the boys.

More about

Chatter

[Continued from Page 2]
from Big Spring.

Oh yes, do you remember Eudora Gipson? She is married to Bud Craft. We saw Eudora and three sons in a little grocery store near Alto. She sends greetings to Dimmitt and to Ma and Pa, Ethel and Willie Gipson at Bovina. They get the News. Some other friends from Earth were Don Randolph and Wendell Clayton and Dolan Fennell and son Rex. They have a mule trained by Donny McDaniel. The mules are fun to watch. Go next year.

Ann Carpenter was hostess to the Thursday Bridge Club with dessert of fruit cake and coffee and games all afternoon. Playing were Jeannie Miller, Virginia Gilbreath, Joni Vannoy, Anita Morris, Dorothy Elder. Maxine Tidwell and Ann were high-score winners, with Ceal Carlile coming in second.

Trent, Lana and Caroline Downing have just returned from a long weekend in Louisiana where they had a rare opportunity to participate in the second alligator hunt in

many, many years. They visited Lana's mother, Alfreda Laws, in Franklin, and also her sister, Margie Luke, who lives as far down in the swamps as possible. Margie's biggest catch out of 26 alligators was one 11½ ft. long and weighed between four and five hundred pounds. The Downings had some problems getting on the plane home with an ice chest of alligator meat and shrimp plus a crate with a three foot alligator skull, teeth and all. Lana tells me they skin the alligators, salt them down, then sell to shoe and bag makers. The beasts had multiplied until they are pests and dangerous to the settlement. They throw a fishing hook, when caught, they shoot them in the back of the head with a pistol. Trent went shrimping — fun also good eating.

Beral Hance had a birthday Thursday, Sept. 25. So Joyce Davis (Mrs. Jimmy Davis) baked a cake and had a courthouse personnel party for her. All the workers came by to wish her a happy day and more birthdays.

SOAKED BUT HAPPY are Tammy Heck and Val Hatla after being crowned Swift Band King and Queen at halftime of Nazareth High School's Homecoming game Friday night. The band favorites are both sophomores. [Photo by Janice Smith]

Gerbers host young visitors

By VIRGIE GERBER

Shelley Bowen and Debbie Begart, who are students at West Texas University and counselors for Muscular Dystrophy Summer Camp came out to the Francis Gerber farm with Stephen Brown, age 8, from Amarillo and Tony Poole, age 7, from Quanah. Both are victims of Muscular Dystrophy and wanted to visit a farm and see all the animals.

Lt. Kevin Bowen, son of Charles and Jo Anne Bowen of Plainview, spent several days visiting here the past week with his grandparents, Mr. and Mrs. Walter Schulte and other relatives. He just recently graduated from Undergraduate Pilot training after one year at Laughlin AFB at Del Rio. He is now going to Carswell AFB, Fort Worth, to train 3½ years for B-52s.

Rosemary Lammars of Otowa, Ohio, Rita Wagner of Lipsic, Ohio and Norma Haley of Dallas, were guests of Lucille Drerup from Tuesday to Saturday. Joe and Irene Klemann of Fort Jennings, Ohio were also guests of Mrs. Drerup from Wednesday through Tuesday. During their stay here they also visited with other relatives which included the Cornelius Drerups of Hereford, Geneva Miller and the James Ball family of Plainview, the Joe Drerups, Dan Schmuckers, Lucy Leinen and Alfred Schachers of Nazareth.

Mrs. Phil Brockman and children of Lazbuddie visited the Clarence Schultes and Agnes Brockman on Sunday. The infant son of David and Mary Olvera was baptized Sunday morning after Mass by Deacon Jerome Brockman. He was named Matthew David. His sponsors were Caroline Bermea and Tim Wilhelm.

Mrs. Gerrie Russell and boys of Lubbock visited her parents, the Jerome Brockmans, over the weekend.

Danny, Karen and K'Lynn Gerber, Glenda, Tricia, Harold and Virgie Gerber, Sandee Hoelting and sons, Bev Todd and Traci Hill drove to Temple on Friday to celebrate their sister Donna's birthday.

What's Cooking?

DIMMITT SCHOOLS

Here are the lunchroom menus in the Dimmitt Public Schools for the week of Oct. 6-10:

MONDAY — No school.

TUESDAY — Pizza with cheese, lettuce wedge, pork and beans, apricot cobbler, crackers and milk.

WEDNESDAY — Chalupas with lettuce and tomatoes, whole kernel corn, peanut butter cake, milk.

THURSDAY — Pork fritters, cabbage slaw, creamed potatoes, rolls, fresh apple, milk.

FRIDAY — Hot dogs with chili, Mexi-beans, pickles and onions, oatmeal cookies with raisins, milk.

NAZARETH SCHOOLS

Lunchroom menus in the Nazareth Public Schools for the week of Oct. 6-10:

MONDAY — Corn dogs, pork and beans, cole slaw, peanut butter chews.

TUESDAY — Lasagne, tossed salad, corn, hot buttered bread, apple cobbler.

WEDNESDAY — Cheeseburgers, tater tots, lettuce, tomatoes, onions, and pickles, pineapple upside-down cake.

THURSDAY — Mexican casserole, peas, tossed salad, sopipillas, pear halves.

FRIDAY — Batter-fried fish, macaroni and cheese, green beans, hot rolls and butter, peach slices.

HART SCHOOLS

Breakfast and lunch menus for the Hart Public Schools for the week of Oct. 6-10:

MONDAY — No school.

TUESDAY — Breakfast: Buttered toast, jelly, apple juice and milk. Lunch: Chicken fried steak, hot rolls, mashed potatoes, June peas, apricot cobbler and milk.

WEDNESDAY — Breakfast: Cold cereal, bananas and milk. Lunch: Cheeseburgers on home-made bun, French fries, lettuce, tomatoes, onions, pickles, oatmeal cookies and milk.

THURSDAY — Breakfast: Hot cereal, buttered toast, apple juice and milk. Lunch: Spaghetti with meat sauce, wheat rolls, buttered corn, tossed salad, apple cobbler and milk.

FRIDAY — Breakfast: Doughnuts, grape juice and milk. Lunch: Fried chicken, cream gravy, hot rolls, whipped potatoes, green

beans, peanut butter cake and milk.

SENIOR CITIZENS CENTER

Here are the lunch menus for the Castro County Senior Citizens Center for the week of Oct. 6-10. Meal prices are \$1 for persons over 50, and \$1.50 for persons 50 and younger.

MONDAY — Beef with brown gravy, baked beans, lettuce and tomato wedges, apple crisp, rolls, margarine, milk, coffee, tea.

TUESDAY — Macaroni, ham and cheese casserole, pickled beets with onions, peas and carrots, rolls, margarine, chocolate cake, milk, coffee, tea.

WEDNESDAY — Oven-fried chicken, creamed potatoes, green beans, tossed salad, gelatin with topping, rolls, margarine, milk, coffee, tea.

THURSDAY — Beef patties with cream gravy, mashed potatoes, mixed vegetables, applesauce cake, rolls, margarine, milk, coffee, tea.

FRIDAY — Tamale pie, Mexi-corn, carrot and apple salad, rice pudding, rolls, margarine, milk, coffee, tea.

Dawson wins scholarship

Clinton N. Dawson of Sunnyside is one of 28 Texas Tech University students to have been named a University Scholar and recipient of a \$500 scholarship for both semesters of the 1980-81 school year.

Based on entrance exam scores, the scholarships are automatically renewable each year, provided the recipient maintains a 3.0 grade average the freshman year and a 3.5 grade average each succeeding year.

The scholarships are made available through an endowment fund established by the Ella C. McFadden Charitable Trust of Fort Worth, the late Judge Marvin Jones of Amarillo and W. D. O'Brien of Lubbock and his late wife, Gertrude.

Cotton customers are one thing where there's no shortage of these days. Indeed, a roll call of the countries that make substantial purchases of the cotton produced in the United States reads like a diplomatic reception at the UN. Among the nations that proved to be good cotton customers during the marketing year, were: China, Korea, Taiwan, Japan, Canada, Greece, Spain and a variety of smaller countries in Africa and Latin America. Number one customer, without a doubt, has been the People's Republic of China. The PRC purchased over 2 million bales during the marketing year ending July 31st and has already agreed to purchase well over a million bales of U-S cotton during the year now underway. Total sales to China this year could exceed three million bales.

NEW LIVESTOCK SUPPLY BUSINESS—Kyanne Lindley, 6, cuts the ribbon to formally open the new Brawley Cattle Supply on North Highway 385 Monday. Standing next to Kyanne is her brother, Shandy, and holding the ribbon for her are Chamber of Commerce Director Clara Patton and City Fire Marshal Guy Waldrop. In background, from left, are Loyd and Pam Lindley, managers of the new business; salespersons Ann Cox, Jean Robb and Jeannie Johnson; Dimmitt Fireman Bill Westmoreland, Chamber of Commerce Manager Delores Heller, and CoC Director George Sides.

How much profit in stocker cattle?

Whether or not producers can make money from stocker cattle this winter depends largely on how well they buy and sell the animals, as well as their rate of gain.

Yet, to make sound management decisions, stocker cattle operators must know what they're up against, and that means developing a budget, points out Norman Brints of Vernon, area economist in management with the Texas Agricultural Extension Service.

Brints provides some estimates of variable costs for budgeting purposes which total \$400.50 a head. These are based on grazing of wheat pasture at 25 cents per head per day, a stocking rate of two acres per head, 130 days of grazing, a 3 percent death loss and stockers grading high good.

His costs include the following for a 400-pound steer: steer cost, \$320; death loss, \$9.60; wheat pasture, \$32.50; hay, \$12; medicine and veterinary costs, \$3; salt and minerals, 56 cents; miscellaneous expenses, \$2; hauling and marketing, \$5; and

interest, \$15.84. Based on these expenses (not including labor or a pickup), Brints lists the following break-even prices per 100 pounds depending on the rate of gain per day for the 130-day grazing period: \$75.56 with a 1-pound gain; \$71.26 with a 1 1/4-pound gain; \$67.31 with a 1 1/2-pound gain; \$63.87 with a 1 3/4-pound gain; and \$60.68 with a 2-pound gain.

Vegetables Growers to meet in Amarillo

Commercial vegetable growers will be treated to a wide range of discussions plus a product and equipment display during the fourth annual meeting of the Texas Vegetable Association in Amarillo next Wednesday and Thursday.

The two-day educational meeting will be held at the Villa Inn Motel, announces Tom Longbrake, horticulturist

with the Texas Agricultural Extension Service. Commercial product and equipment displays will highlight the first afternoon, followed by a reception and dinner.

A business session chaired by TVA president Frank Schuster of San Juan will kick off the second day's program, which will feature discussions on labor, new mechanical harvesting methods, new cultural techniques, use of gel seeding in vegetables, and market potentials for West Texas vegetables.

Discussing farm labor will be Mike Yurocek and Wes Fisher, vegetable growers and shippers in California and Texas, respectively, and Bill Weeks, Texas Citrus and Vegetable Growers Association. Extension specialists Dr. Bill Peavy and Dr. Roland Roberts will speak on gel seeding and onion studies in the High Plains, respectively.

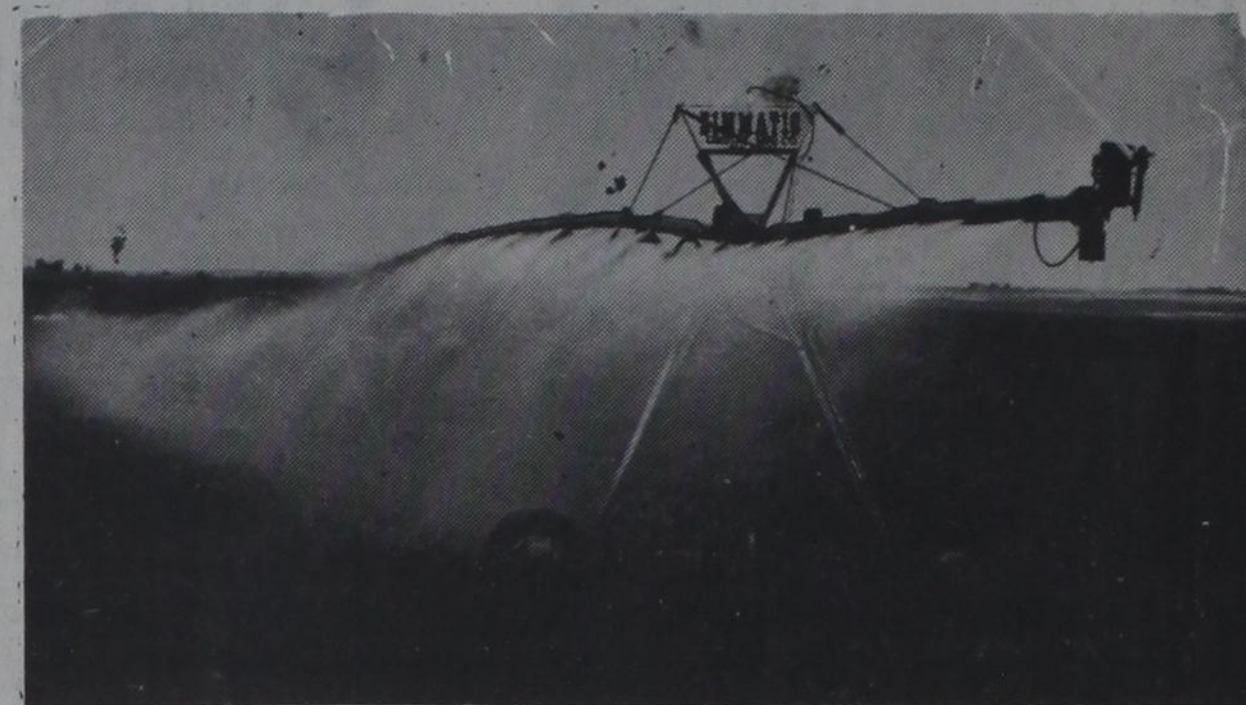

Other Extension Service specialists on the program will be Dr. Jerry Parsons, who will review a vegetable study trip to southern California, and Tom Valco, who will discuss results of mechanical pepper harvesters in South Texas.

Several research scientists with the Texas Agricultural Experiment Station will also be on the program. Dr. Leonard Pike will discuss new cultural techniques in pickle production, including high plant populations and chemical fruit setting, while Dr. Bill Lipe will explain results of onions treated with anti-transpirants under field conditions. Dr. Robert Branson of Texas A&M's Agricultural Market Research and Development Center will discuss marketing of West Texas vegetables.

IN DETERMINING wash-water temperature for laundry, remember that hot-temperatures will

average 10 degrees below the hot-water heater temperature setting due to the cooling effects from the washer itself

and garments, says Becky Saunders, a clothing specialist with the Texas Agricultural Extension Service.

Zimmatic Low Pressure waters down overhead

Cutting overhead is one of the keys to profitable irrigation. With a Zimmatic Low Pressure System over your crop you can unlock the door to big savings. Start by cutting horsepower requirements by as much as one-third and keep saving because your system will likely be more efficient and use less water.

And choosing Zimmatic Low Pressure gives you more than an economical center pivot. You get the company that pioneered low pressure in center pivot irrigation. Lindsay developed Zimmatic Low Pressure to cut horsepower without cutting performance. Your pivot is still 100% Zimmatic with all the dependable features and top-quality material that Lindsay is known for.

If you're considering center pivot irrigation, consider Zimmatic Low Pressure... the pioneer. Come in soon and find out how to water down your overhead while you pump up your profits.

Speedy QB paces Frenship win, 17-0

By JOHN BROOKS
Some horses run best when the turf is dry.

Some horses run best in the mud.
Frenship quarterback Pat Gaston proved to be a mudder Friday night.

Gaston, a member of Frenship's regional championship sprint relay team last spring, single-handedly pushed the Tigers 71 yards on three plays in the first 29 seconds of the game to give Frenship its first score in a 17-0 win over Dimmitt in the rain at Bobcat Stadium.

Gaston, who ended up with 118 rushing yards and 86 more through the air, took advantage of his sprinter's speed to pick up 58 yards on the first two plays of the game to move the Tigers from their own 29 to the Dimmitt 11.

On first down, Gaston went to the air, finding split receiver Rodney Carroll open in the end zone. After the try for extra points failed, Frenship led, 6-0 only 29 seconds after kickoff.

Gaston's efforts were an omen for the Bobcats. Worried about Gaston and backfield cohorts Comas, Godfrey and Johnny Johnson, the Dimmitt offense was able to gain but five first downs

and 83 total yards. The Bobcats drove down the field only once against the Tigers. Meanwhile, Frenship gained 332 total yards and 15 first downs.

Frenship moved the ball down the field well, only to find the officials calling back long gains because of penalties almost as often as they moved the first-down chains. The Tigers were beset by 14 penalties for 149 yards. Also the Tigers lost the ball four times in the game, via two fumbles and two Dimmitt interceptions.

Dimmitt threatened but once in the game.

Halfway through the second period the Bobcats stopped the Tigers at the Dimmitt 47 and, with Adrian Stanton leading the way, crisply drove to the Tiger 4. Stanton picked up 46 yards, including a 36-yarder after quarterback Richard Guzman — seemingly stopped by the Tiger defense — pitched the ball back to Stanton, who was finally pushed out of bounds at the 4.

But on first down, Guzman mis-connected on a handoff with the rain-slickened football, and Frenship picked it up at the 4.

The visitors looked for a moment as if they were going to give the Bobcats a second chance. The Tigers lost two yards on first down, and were stopped for no gain on the next two plays.

Punter Robert Nelms had apparently moved the Bobcats back on their side of the 50, only to have the punt called back for an offside penalty. Nelms' second punt traveled only 31 yards, setting up the Bobcats at the Tiger 35.

Dimmitt was unable to make any progress, as

ADRIAN STANTON (20) evades a Frenship tackler at the 25 and races down the sideline for Dimmitt's longest gainer of the night, a 36-yarder that carried to the visitors' 4-yard line, in the second quarter of Friday night's

rain-soaked game here. The Bobcats fumbled on the next play, however, to end their only serious scoring threat of the night. Frenship won the game, 17-0.

yards. Dimmitt failed to complete any of its seven passes.

Dimmitt goes up against Tulia Friday night at Bobcat Stadium.

The Hornets are 3-1 on the year, their only loss a 35-7 setback to Littlefield.

Tulia is coming off two big wins, 20-7 over favored Mule-shoe, and 7-6 over a highly touted Boys' Ranch squad.

The Hornets are led by quarterback Wade Littlefield, who averages almost 90 yards a game in the air. Littlefield has quarterbacked the Hornets off-and-on for three years.

The Hornet ground attack is spearheaded by halfback Kevin Crooks, another three-year man.

Dimmitt will probably have Chevo Ortiz, an end on both offense and defense, back off an ankle injury, but could be missing another end in Jeff Watts. Watts went down in the fourth quarter Friday with an ankle injury, and is doubtful for Friday night.

GAME AT A GLANCE

Guzman was dropped for 14 yards in two losses, and fired an incomplete pass, forcing a Ricky Gonzales punt from the Frenship 49.

The rain really poured as halftime ended, and neither team seemed ready to play in a shower that ranged from a mist to a downpour. Each team had the ball three times in the third, and each punted three times.

Late in the third, Frenship, after a Gonzales punt, set up shop at its own 36 and drove to the Bobcat 32, with Gaston picking up 17 yards while halfback Godfrey picked up 15 more. Gaston, who had 57 passing yards in the first half, risked going to the air for the

first time in the second half.

Defensive back Ricky Gonzales out-fought a Tiger receiver for the football near the end zone, giving the Bobcats possession at their own 1. Then the Bobcats committed their second turnover of the night, and it was the one that put the knife in their back.

Frenship took over at the Dimmitt 4 — and promptly moved backwards. After an illegal procedure call, Gaston and Johnson were stopped twice, and the Tigers opted to try a 24-yard field goal. Ken Attaway squibbed the ball through the uprights, giving Frenship a 9-0 lead with nine minutes to play.

The teams traded turnovers to set up the Tigers' last score.

After Frenship fumbled, then intercepted, the Tigers set up shop at the Dimmitt 7 and moved in quickly for the kill. After Gaston was stopped for no gain, he went to the air. Tight end Robert Garcia leaped high in the end zone to knock down and catch a high throw from Gaston for the TD.

The Tigers ran the ball in for a two-point conversion, giving them a 17-0 lead with just over six minutes to go.

The Bobcats were unable to muster anything offensively. In the one drive when they picked up 41 of their 83 total

7A team continues streak with 14-0 win

For the third week in a row, the Dimmitt 7A team scored on its first offensive play last Thursday to launch a 14-0 victory over Frenship.

It was the 7A team's first home game and third straight victory against no losses.

Frenship fumbled the ball away at its own 18-yard line after the opening kickoff, and Dimmitt's first play from scrimmage, quarterback Woody Glass raced the distance to the end zone for Dimmitt's first TD. Glass then threw to Sky Garner for a two-point conversion to give Dimmitt an 8-0 lead with the game less than a minute old.

And that was all the first-half scoring as both teams settled into a defensive battle.

Dimmitt's second TD came in the third period. Bernie Garcia hit Frenship's quarterback, forcing a bad pass, and Bobby Gill intercepted it and returned the ball to the Frenship 38. From there, Dimmitt launched its final scoring drive. Glass got the TD on a six-yard run. The extra-point attempt failed, leaving Dimmitt with a 14-0 lead.

The rest of the game was scoreless.

Glass completed five of seven passes, including a two-point conversion play, in addition to running both touchdowns. Other Dimmitt standouts were Bobby Gill on both offense and defense, along with Sky Garner and Mitch Brown.

Dimmitt's 7A team is idle this week, but will meet Bushland here next Thursday at 4 p.m.

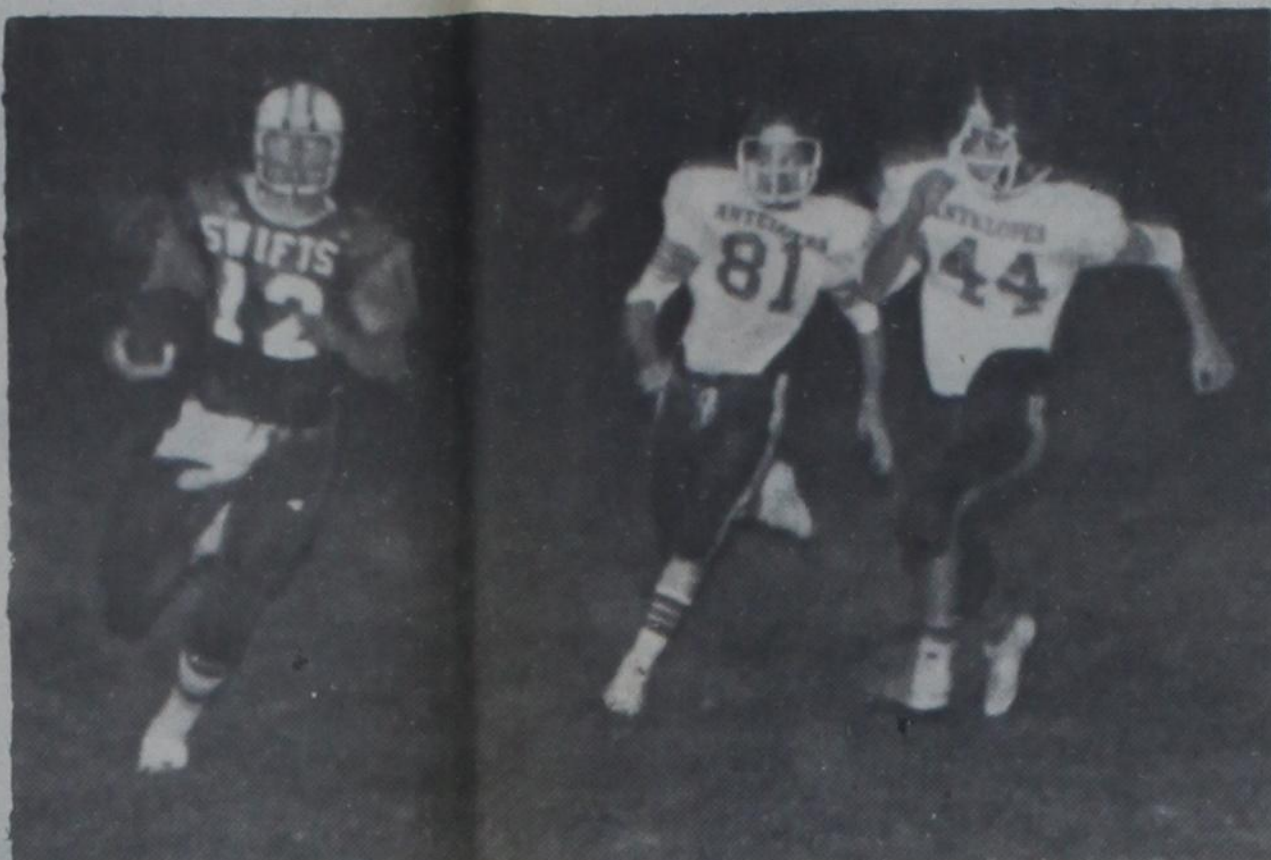

Huseman gets five TDs in 44-0 rout

By CHRIS ALBRACHT

The Nazareth Swifts, behind the driving force of Bryan Huseman's 252 yards and five touchdowns, and the powerful blocking of the offensive line, ended a two-game losing streak with a 44-0 coasting over the Whiteface Antelopes in the Swifts' annual Homecoming game Friday night.

The Swifts, now 2-2, played the game in less than optimal conditions with a slow, steady rain that made the grass exceptionally slick, and forced many fans to view the contest from the warmth of their vehicles.

Nazareth started its white-wash on its first possession, using nine plays to go from the Swift 41 to paydirt. Calvin Schulte and Bryan Huseman handled most of the running on the opening drive, and it was Schulte who scored the touchdown, from three

CALVIN SCHULTE hangs onto the wet football and outflanks two Whiteface Antelopes in the first half of Nazareth's Homecoming game Friday night. Schulte scored the Swifts' first touchdown, then

Bryan Huseman took over for the next five and Wayne Backus added the final one as Nazareth roared to a 44-0 victory. (Photo by Janice Smith)

yards out. Huseman added the extra point, and the Swifts were out of the gate, leading 7-0, with 3:39 gone in the contest.

The Antelopes took the kickoff to the 31, gained only five yards on three plays, and punted to the Swifts' 24. Again, the Swifts wasted no time ingoing 76 yards in eight plays. Two long running plays, back to back, set up Bryan Huseman's first touchdown, as Hugh Wilhelm took a pitchout at the Swifts' 36 and rambled 28 yards to the Antelope 36. Then Huseman carried 27 yards to the 9, and a play later, he scored from seven yards out. He also added the extra point, and the Swifts led 14-0 with 3:08 left in the first period.

Whiteface took the kickoff to the Swift 46 and, as the Antelopes reached the Nazareth 30, fumbled the wet ball. The Swifts were quick to return the favor as Bryan Huseman lost the handle on it too. Then, as the second quarter began, the Antelopes fumbled right back to the Swifts.

The Swifts got a first down but the drive fizzled at the Antelope 32 when a Huseman 14-yard run on fourth-and-16 came up short.

Then Whiteface gave the Swifts another present — their third fumble in five minutes — as Rodney Schulte pounced on the loose ball at the Antelope 23 with 9:00 left before halftime. Twenty

Steffens joins US Air Force

Val M. Steffens, son of Alphonse and Elizabeth Steffens of Nazareth, recently enlisted in the Air Force in Amarillo.

He departed Nazareth enroute to Lackland AFB at San Antonio, where he will attend a six-week Basic Military Training Course.

After successful completion of basic, Airman Steffens will automatically be enrolled in the Community College of the Air Force, in which he will receive transferrable college credit.

Airman Steffens, a 1980 graduate of Nazareth High School, selected the electrician area for job training, according to Sgt. Bill Phillips, the Air Force Recruiter in Clovis.

Coach Bruce Bagnall pulled all starters and played freshmen and reserves, who held the Antelopes in check throughout the remainder of the game.

For the Swifts, recognized for outstanding play were Joe Hochstein, Neal Hoelting and Calvin Schulte on defense, along with Gerry Kleman, who had an interception near the end of the third period. On offense, the entire offensive line was recognized for an outstanding job for opening holes in the Whiteface defense.

The Swifts will hit the road again Friday for their last game before district play begins. They travel to Anton to take on the Bulldogs at 8 p.m. Friday.

NOT ALL veterans are ex-servicemen. Some 679,000, or over 2% of the veteran population, are women.

Two long running plays, back to back, set up Bryan Huseman's first touchdown, as Hugh Wilhelm took a pitchout at the Swifts' 36 and rambled 28 yards to the Antelope 36. Then Huseman carried 27 yards to the 9, and a play later, he scored from seven yards out. He also added the extra point, and the Swifts led 14-0 with 3:08 left in the first period.

Whiteface took the kickoff to the Swift 46 and, as the Antelopes reached the Nazareth 30, fumbled the wet ball. The Swifts were quick to return the favor as Bryan

Huseman lost the handle on it too. Then, as the second quarter began, the Antelopes fumbled right back to the Swifts.

The Swifts got a first down but the drive fizzled at the Antelope 32 when a Huseman 14-yard run on fourth-and-16 came up short.

Then Whiteface gave the Swifts another present — their third fumble in five minutes — as Rodney Schulte pounced on the loose ball at the Antelope 23 with 9:00 left before halftime. Twenty

Huseman earns 'Player' honor

The Amarillo Globe-News Tuesday named Nazareth tailback Bryan Huseman as the Panhandle's Class A Player of the Week for his outstanding performance against Whiteface Friday night.

Huseman gained 252 yards and scored five touchdowns on only 17 carries as the Swifts won their Homecoming game, 44-0.

seconds later, Huseman added touchdown No. 2 on a 6-yard romp after he gained 17 yards on the previous play. The extra-point attempt by Joe Hochstein was blocked, leaving the score at 20-0 with 8:40 left in the half.

The Antelopes took the ensuing kickoff at the 20, and found themselves booting the ball back three plays later. The Swifts took the ball at the Whiteface 47 and drove seven plays to Huseman's third touchdown, a 10-yard burst. The extra point was wide, and the Swifts led 26-0 with 4:31 left in the second.

Less than a minute later, after the Antelopes' fourth fumble at the Whiteface 35, Huseman took the ball in for his fourth touchdown on a winding, twisting, sideline-to-sideline run. The point-after was wide, and the score was 32-0 at halftime.

After the second-half kickoff, Whiteface started a drive at its 32 but got no further than mid-field. The Swifts returned the punt to the Antelopes' 45 and Huseman took it from there to paydirt for his final touchdown and carry of the evening. The

Frenship tops 8A team, 22-6

Dimmitt's 8A team suffered its first loss of the season last Thursday when Frenship took a 22-6 victory in Bobcat Stadium.

The 8A team's record now stands at one win, one loss and one tie.

Frenship opened the scoring in the first period with a touchdown and a two-point conversion to take an 8-0 lead. The two teams then locked in a defensive battle until the fourth quarter, when 20 points were put on the scoreboard.

Frenship went ahead by 22-0 with a pair of two-quarter TD's and a two-point conversion.

Then Dimmitt mounted a 65-yard drive that resulted in a touchdown with less than a minute left, when quarterback Steven Bagley completed a two-yard TD pass to Nathan Nelson. The extra-point attempt failed.

Top players for Dimmitt were Bagley, Steven Hightower and Doug Nelson on offense, and Danny Martinez, Greg Sava and Doug Nelson on defense.

The 8A team has an open date this week, and will play Bushland here next Thursday at 5:15 p.m.

Why I can give you real value in homeowners insurance.

Good Neighbor Service

I know how to make your homeowners insurance more affordable. And I'll be there to give you prompt, personal service when you need it.

Inflation Coverage

As the value of your home increases, your protection can increase, too, automatically.

That's homeowners insurance the State Farm way.

Comprehensive Coverage

All the protection you'll probably ever need for your home and contents.

It's True.

"We put the heat pump in our home based on the recommendation from a builder. He said, 'by having a heat pump, you will save money over a long period of time on heating and cooling costs.' And, he was right! We are saving money with a heat pump. The heat pump really does do an efficient job of heating and cooling the home. If we were doing it all over, we would put a heat pump in again based on the results we've seen with lower electric bills. We are extremely pleased with the way the heat pump has performed."

Jack R. Pope

The things said about the heat pump are true. Find out more about the heat pump. It can save for you.

COOPERATIVE MONTH: OCTOBER 1980

Cooperatives- Focus On The Future.

Discover Cooperatives During October Cooperative Month

Power by, for and of the people—control by majority.

It works for businesses as well as government.

Some 40,000 cooperatives across the U.S.—with more than 50 million members—are democracy in action . . . people making use of a 2000-year-old concept to operate enterprises for their common benefit.

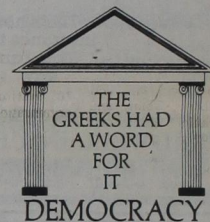

Efficiently and economically cooperatives meet a staggering variety of needs—legal aid, health care, electric and telephone service, credit unions, marketing and purchasing farm products and supplies, insurance, food, housing, furniture, nursery schools, funeral societies, TV and auto repair shops, and more.

Little cooperatives and big cooperatives, in cities, small towns, rural communities and places in between, all prove daily that democracy is more than a beautiful Greek work; it's a system that WORKS.

COOPERATIVE MONTH:
OCTOBER 1980

COOPERATIVES ARE PEOPLE!

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of goods and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

Other cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

Whatever the human need, people can fill it themselves through cooperatives.

OCTOBER
IS CO-OP MONTH!

Emery-Lane vows planned

Mary Alice Emery, daughter of Mr. and Mrs. Bill Emery of Clayton, N.M., and Charles E. Lane, son of Mr. and Mrs. Sam Lane of Dimmitt, will exchange wedding vows Oct. 11 at 3 p.m. in the First Assembly of God Church in Dimmitt.

All friends and relatives of the couple are welcome to attend.

Book Club to hear review of King novel

The Dimmitt Book Club will meet next Wednesday at Rhoads Memorial Library. The business meeting will begin at 3:30 p.m., followed by a book review at 4 p.m.

Susan Hanners will review the book "The Stand," by Stephen King. It is about the ultimate conflict between good and evil — following a disaster, the people of America have to take a stand for one or the other.

Other books Stephen King has written are "Carrie" and "The Shining."

SPRIT KING AND QUEEN in Nazareth High School this year are seniors Joe Hochstein and Dianne Schulte. They were crowned at the school's Homecoming Pep Rally last Thursday evening.

Saturday vows set

Kathy B. Odom of El Paso and Gene Veals of Dimmitt will exchange wedding vows at 3 p.m. Saturday in El Paso's Greater Mount Calvary Church of God in Christ.

Miss Odom, daughter of Mr. and Mrs. Roosevelt Odom, is a freshman at Texas Tech University, majoring in health education. She is a 1979 graduate of El Paso Bel Air High School.

Veals is a business major at Texas Tech. The son of Mr. and Mrs. Clarence Boyd, he is a 1975 graduate of Dimmitt High School.

The bride's father will officiate at the wedding. Sandra Odom will be her sister's maid of honor, while Chris Hughes will serve as best man. Marjorie Odom and Milton Odom will be the flower girl and ring bearer, respectively.

Kathy B. Odom

Homemakers meet tonight

Dimmitt Young Homemakers will meet tonight (Thursday) at 7 in the high school homemaking lab.

Mrs. Gilmore of Amarillo College is scheduled to present a program on "Women in the World."

The meeting is open to the public, and babysitters will be provided.

In its creed, the club believes in "upholding the right of each individual to dream, to work, and to assume the privileges and responsibilities of the democratic way of life."

Tops Club winners listed

The Dimmitt Tops Club met Monday night at Rhoads Memorial Library, with 22 members weighing in.

Male Tops of the Week winner was James Slough. Lady Tops of the Week was Frankie Pevehouse. Kops of the Week was Carolyn Copeland.

See what Mary Kay Cosmetics

can do for you. Complimentary free facials will be given at the Senior Citizens Center Wednesday, Oct. 8, from 9 a.m. to 5 p.m. We look forward to seeing you.

JANICE ALLISON of Nazareth shows the special PHT [Pushing Hubby Through] Certificate which she was awarded when her husband, Roger, graduated from Oklahoma State Tech recently. She and other graduates' wives were presented certificates at a reception in their honor on the Okmulgee, Okla., campus Sept. 19.

ROW to meet Wednesday

The Republican Organization of Women will hold its October meeting next Wednesday at noon at the Senior Citizens Center.

Guests as well as members are invited.

Miss Bruegel joins sorority

Katrina Bruegel, freshman from Dimmitt, has pledged Delta Delta Delta social sorority at Texas Christian University.

Pledging of 311 Texas Christian University women students was announced at the close of rush activities by TCU Panhellenic sponsor Laura Young of University Programs and Services.

A week of sorority rush activities took place at the opening of the University's 108th fall semester. Pledge ceremonies were conducted after bids were issued by the 10 national Greek-letter organizations for women.

Flower show set at Tulia

The Tulia Garden Club will hold its flower show Saturday from 2:30 to 5:30 at Highland Elementary School Cafeteria. Theme of the show is "The Melting Pot."

Admission is free, and is open to anyone interested, according to Mrs. Bayard Sadler, publicity chairman.

Film series will continue Monday

Nazareth Christian Mothers will show the third and fourth series of the film, "Whatever Happened to the Human Race?" Monday night at 7:30 in the Nazareth Community Hall.

The program is open to all interested persons.

THE highest mountain peak on earth, Mount Everest, rises 29,002 feet.

PUBLIC NOTICE

Bailey County Electric Cooperative Association, Drawer N, Muleshoe, Texas 79347, proposes to construct approximately 7½ (seven and one-half) miles of 69 KV transmission line. The proposed line will be a connecting link between our existing Dodd Substation and Lazbuddie Substation.

The purpose of this construction will be to upgrade the Cooperative's system and provide a better quality and reliability of member's service in the immediate area. It is a part of a continuing system improvement plan of completing another portion of a "looped transmission feed" of substations north of Muleshoe.

The new line will be single-pole structure with two (2) crossarms and three (3) energized conductors, and one (1) grounded neutral wire.

All construction will conform to standard R.E.A. specifications. It will be identical to the lines that the Cooperative has constructed, maintained and operated in the area for forty (40) years. No adverse effect on the quality of the environment is anticipated to result from this proposed construction.

We also propose to increase the capacity of the Earth Interchange.

Any person having questions regarding the proposed facilities should contact the Bailey County Electric Cooperative Association office.

IT'S RIBBON-SNIPPING TIME at the new Kiddie Klubhouse Monday, and all the youngsters in the playschool and nursery take part, along with city and Chamber of Commerce officials. Co-owner Cindy Ellis cuts the ribbon while her partner, Carmen Henderson, holds their framed "first dollar of clear profit" from the Chamber of Commerce, and CofC Directors

George Sides and Maxine Childers hold the ribbon — with help from some little friends. Adults in background, from left, are CofC Manager Delores Golden, Dimmitt Fireman Bill Westmoreland, Fire Marshal Guy Waldrop, and CofC Director Clara Patton. The Kiddie Klubhouse is located at 203 NW Fourth St.

Sunnyside

Community gets 1.6 from rains

By TEENY BOWDEN
 .80 of an inch of slow rain and drizzle was received Friday. By noon Saturday the amount had risen to 1.40 inch. By the time clearing had started Sunday evening the total amount was recorded as 1.60 inch.

Rev. Raymond Jones and Carl Dean Carson attended the Regional Sunday School Convention at First Church Lubbock Tuesday.

Mrs. Ray Axtell of Earth, Mrs. Cecil Curtis, and Mrs.

E. R. Sadler took a cake baked by Mrs. Lloyd Blanton, and helped Mr. and Mrs. Howard Bridges celebrate her birthday at South Hills Manor Friday afternoon. They played "42" and visited. It was a birthday club party, but so many were gone Mrs. Sadler filled in for one of them.

Mr. and Mrs. J. Paul Waggoner were honored after church Sunday night with a fellowship after the evening services. They were given a cut glass bowl full of money by friends.

Promotion Day was observed during the Sunday morning worship services with Lee Bradley, director, in charge.

Mr. and Mrs. E. R. Sadler visited Sunday in Memphis with her aunt, Mrs. Buna Gerlach, and her daughter, Mr. and Mrs. Holmes Posey.

Mr. and Mrs. Ezell Sadler attended the Caps Reunion

near Abilene and visited with relatives over the weekend.

Mrs. Raymond Jones left Tuesday for Fort Worth to spend the rest of the week with her mother. She went from there to Santa Anna Sunday.

Donnie Shive and Lisa Carlton of Denver City spent Saturday night and Sunday with Mr. and Mrs. Noah Spencer. They went on to Dimmitt, Canyon, and Amarillo to visit with sisters and brothers of Donnie.

Rhonda Ross participated as an out-going officer in the FHA Installation in Dimmitt Sunday afternoon. Tammy Ross was one of the three members of the FHA in the style show.

Mr. and Mrs. L. B. Bowden visited a few minutes with Nancy Kirby in St. Anthony's Hospital Friday morning. She is a nurse there and was on duty. L. B. was there for a blood chemistry work-up. He received a good report from his doctor later in the day. His condition remains stable.

Mr. and Mrs. Ernest Green of Springlake, their niece, Evelyne Bridges of Earth, her granddaughter, Shanna Bridges of Springlake, and Evelyne's brother, Earl McNeill of Tishomingo, Okla. had dinner Friday with Mr. and Mrs. Bruce Bridges. They all made a surprise visit to South Hills Manor to honor Beck Bridges on her birthday.

They also visited with Grandmother McNeill.

Mr. and Mrs. Lloyd Blanton and Ronnie attended the Benton family reunion in Slaton Sunday. The Bentons are Lloyd's mother's family.

Tony and Tracy Comardelle flew to Des Allemands, La. Thursday for the launching of their grandfather's boat, THE TRACY MARK, named for Tracy, his only grandson. Sidney Comardelle had built the boat himself. The launching was Friday morning. They flew home Saturday.

Mr. and Mrs. Tom McGill returned home the 16th from a ten day vacation with her sister, Mr. and Mrs. Dale Chitwood of Springlake and brothers, Mr. and Mrs. Elmo Bryant and Mr. and Mrs. LeRoss Bryant of Olton. They went to the Grand Canyon, Las Vegas, Salt Lake City, Yellowstone National Park, Teton National Park, Mt. Rushmore, Cody, Wyoming, Denver and other sites enroute.

Roundup herbicide controls 3 of the meanest weeds in cotton.

Whiteweed* Blueweed Field bindweed.**

They're mean. Tough. And stubborn. They can choke a cotton field right out of production. Most herbicides can't stop them. But Roundup can.

Just make sure the weeds are actively growing after harvest and not under drought stress. Then, spot or boom apply Roundup, and you'll see how Roundup gets to the root of those weed problems.

Reach for Roundup® herbicide—and clean up those cotton fields this Fall.

There's never been a herbicide like this before.

New 'Biotype E' greenbug threatens wheat and milo

By ALLEN KNUTSON
Extension Agent-Entomology

The adage, "There's nothing new under the sun," apparently doesn't apply to the Texas High Plains. The something "new" that appeared this summer, under a very hot Texas sun, was a new variety, or biotype, of greenbug.

The greenbug, an aphid, is the major pest of wheat and sorghum. Greenbugs feed by sucking the plant juices and also inject a toxin that kills the plant cells. The result is lower yields due to reduced seed set, small seed size, plant lodging, and often plant death, especially when seedlings are attacked.

That a "new" greenbug was present became evident from research at the Texas Agricultural Experiment Station at Bushland. Dr. Kenneth Porter found that greenbugs collected from the Bushland area killed greenbug-resistant wheat, while greenbugs collected from the Vernon area did not. Similar tests on sorghum also found that resistant hybrids showed no resistance to the "new" greenbugs from Bushland.

Field surveys found that the "new" greenbug, designated Biotype E, was present from the Oklahoma Panhandle across the Texas High Plains to eastern New Mexico. Biotype E has also been found at Plainview and Lubbock.

Biotypes arise when populations change genetically and become capable of damaging plants that were resistant to earlier populations of the same insect. Greenbug biotypes occur frequently and spread rapidly for two reasons. They reproduce rapidly, which increases the probability that a genetic

change will occur. Also, greenbugs reproduce without fertilization, resulting in offspring that are genetic copies of the female. The result is that superior genetic changes persist and rapidly spread. New biotypes survive and reproduce better, and therefore become more serious pests on normal host crops, or begin to attack new host crops.

Several greenbug biotypes have been identified. Biotype A and B attack only small grains. Biotype C, which first appeared as an economic pest in 1968, was the first to attack sorghum and became a major sorghum pest. Sources of greenbug-resistant germ plasm were found in 1968, incorporated into resistant hybrids and were made commercially available in 1975. The greenbug-resistant sorghum and wheat now available are resistant to biotype C, but not to the new biotype E greenbug.

It is important to remember that resistance does not mean immunity to greenbug injury. A more appropriate term for resistance is tolerance. Resistant hybrids can tolerate a greater number of greenbugs, compared with susceptible hybrids, before plant injury occurs. Therefore, even resistant plants will suffer yield loss from heavy and prolonged greenbug feeding.

What changes in sorghum and wheat pest management will be necessary to cope with biotype E?

Biotype E currently exists in mixed populations with biotype C. Therefore hybrids resistant to biotype C will continue to be important, and growers should select hybrids

having resistance to biotype C and other good agronomic characteristics. However, these hybrids will not tolerate biotype E feeding. This means that field scouting will be more important than ever. Early-season scouting and more frequent scouting to estimate greenbug damage will be necessary to permit timely chemical treatments and avoid yield loss. The current economic thresholds will still apply as they are based on damage symptoms.

Research at the Texas A&M Station in Lubbock has shown that biotype E does not differ in its susceptibility to chemical controls. Therefore, pesticides effective for biotype C control are expected to control the new greenbug as well.

Beneficial insects will still be important in greenbug management. However, there will be less time for beneficial populations to increase before greenbugs reach damaging levels.

Plant resistance will continue to be a part of the pest management program. Germ plasm showing resistance to biotype E has been identified, and research is underway to incorporate this resistance into agronomically desirable hybrids. It is estimated at least three years will be required before biotype E resistant hybrids will be available.

Until then, frequent field scouting combined with selective chemical treatments that provide economic control, yet preserve beneficials where possible, will be the main components of an effective greenbug management program.

NEW CLOTHING SHOP—City and Chamber of Commerce officials conduct ribbon-cutting ceremonies Monday for Kathy and Kerry Jackson's "The Perfect Fit," new clothing store for junior misses at 105 N. Broadway. Cutting the ribbon for her parents is Sharla Jackson, 8. Other ribbon-cutting participants, from left, are Chamber of Commerce Director Clara

Patton, CofC Manager Delores Golden, Stacy Jackson, Shawn Jackson, Kathy and Kerry Jackson, Dimmitt Fireman Bill Westmoreland, CofC Director George Sides, business neighbor Don Moke of Running M Boot Shop, and City Fire Marshal Guy Waldrop.

Maria and Miguel Saucedo are the parents of a baby girl, Maria DeJesus, who was born Sept. 28 at 9:03 p.m. She weighed 7 pounds, 9 1/4 ounces.

OUT OF TOWN
It's a girl for Dale and Debora Jones of Portales, N.M. She was born Sept. 19, weighed 7 pounds, 1 ounce, and has been named Cindy Lee. She has three older sisters and a brother. Grandparents are Mr. and Mrs. Ned Smith of Dimmitt and Mr. and Mrs. Herbert Jones of Melrose, N.M.

Mr. and Mrs. Dudley Wooten of Route 4, Dimmitt are the parents of a son, Rusty Cates, who was born Sept. 22 in Central Plains Regional Hospital in Plainview. He weighed 8 pounds, 5/4 ounces. He has a big brother Jason, 2 1/2.

letter to the editor Has US abandoned POW's and MIA's?

Dear Editor:

Former Maj. Gen. John K. Singlaub recently indicated the US government may have abandoned American POW's and MIA's still unaccounted for in the Far East — 2,800 men in all. These include 2,490 from the Vietnam War and 389 from the Korean War some 30 years ago. Many of these men were known to be alive at the cessation of hostilities, or had been seen alive prior to Southeast Asian peace accords.

The government has openly admitted that 389 prisoners of war were left in Korean prisoner of war camps after the fires of that war went out. There is mounting support, both from unofficial and official sources, that American POW's and MIA's are still held captive in Indo-China.

After sorting through over 300 first-hand sightings of Americans by refugee sources, the American government is prepared to "listen" to the thunderings of such evidence, and possibly take action.

The recent hostage crisis in Iran brings to the surface the pressing problem of the POW and MIA servicemen. Clarification of this issue is indeed both important and essential.

Americans must realize the possibilities that our government has in the past 'abandoned' Americans in the sake of "normalization." This attitude cannot be condoned, nor is it correct.

It is also important to note that we cannot afford to go to war over this issue of hostages. If that were the criteria for war, we have a much better reason for seeking retribution in Indo-China. This is provided that war is a viable way of settling moral issues, and furthering idealism. But, the POW's and MIA's must not be forgotten.

Only the most ardent and convicted campaign of the American public will bring the ear of bureaucracy within hearing distance of the captured Americans' plight. I urge all citizens and citizen groups to write our public officials and request an accounting of the POW and MIA issue. Four important points should be stressed:

(1) ALL documents relating to POW's and MIA's in Southeast Asia should be made public. These documents should include all material about Korea and Vietnam regardless of classification or reference.

(2) The POW and MIA issue should be included as a part of all negotiations with China, the Soviet Union, North Korea, and other areas of Indo-China.

(3) Rewards to be paid in gold should be allocated for the return of all 'live' POW's still being held in Indo-China.

(4) Officials at all levels should be urged to publicly support the move of accountability of POW's and MIA's and strive to declare a national moratorium date to bring to bear national attention on this problem.

There is no final chapter in the annals of war. The wounded are many. Both physical and mental, and they are wounds that never heal. But, time makes them more bearable. The POW and MIA issue is such a wound. For the soldier it is physical wound, for the American conscience it is a wound which cannot be ignored, and though time has made the POW and MIA issue something we can "live with," it has not closed the books on those boys who are still "over there." Help bring the POW home.

-s-FRANK R. PRICE
Director of Public Relations
The American Legion
Department of Texas

Eight from Dimmitt on Tech honor rolls

Eight Texas Tech University students from Dimmitt qualified for the deans' honor

rolls in the six colleges during the second term of the 1980 summer session.

They were Linda Wise, Cynthia Sides, Debora Schilling, Rhonda Parsons, Lelon Ginn, Joseph Collins, James Cleavinger and Kerry Broderson.

Amendments discussion scheduled

Pro Family Forum will hear a discussion of the proposed state constitutional amendments when it meets next Thursday evening.

The meeting will begin at 8 p.m. in the community room of the Farmers State Bank of Hart.

Skeet Workman, president of the Lubbock Eagle Forum, will speak on the amendments which will be up for vote in the Nov. 4 general election.

To qualify for a dean's honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale, and must have taken as many as six semester hours of work. Texas Tech has an enrollment of more than 23,000 students in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

Jury gets theft case

The felony theft trial of 21-year-old Terry Joe Tate of Lubbock was scheduled to go to a 64th District Court jury Wednesday after attorneys' closing arguments.

Tate is charged with having stolen a truckload of milo from the Dodd Elevator two years ago.

Willard Tibbets, who was manager of the nearby Dodd Gin when the incident occurred, testified that he saw Tate's truck loading the grain without lights about 2 a.m., and that he notified the elevator's manager, Forrest Collins.

Tibbets and Collins testified that they followed Tate's truck after it left the elevator, and notified law officers along the way. Tate was stopped and arrested by Olton police near the Lamb-Hale county line.

Tate testified that he picked up the load of milo on a customer's order. His father, who owns the trucking firm, confirmed his story.

The 67,200-lb. load of milo was valued at the time at \$2,850.

The six-woman, six-man jury was expected to start its deliberations in the case Wednesday afternoon.

In other 64th District Court action this week, three persons received probated sentences Monday after pleading guilty to felony charges against them.

Judge Boyd placed Hubert Allen Faulkner, 41, a 10-year felony probation after Faulkner pleaded guilty to burglary of a habitation. The charge stemmed from a break-in at the home of Mrs. Jewel Connell Aug. 12, 1979. Judge Boyd also ordered Faulkner to pay a \$250 fine plus court costs.

Pleading guilty to felony charges of DWI (subsequent offense) were Clarence Edward Veazey, 52, who was ordered to serve five years' probation and undergo counseling; and Jessie Perez, 33, who was placed on two years' probation and fined \$175 plus court costs.

Police calls

Tires on five vehicles were slashed at the County Expo Building Friday night while the vehicles' owners were attending a post-game student dance inside.

Dimmitt police are investigating the complaints.

Western Vegetables reported Monday that someone had broken in the company office in East Dimmitt and stolen gas, a Sharp calculator and a carton of cigarettes.

Police said the burglars used a cement rock to break a window on the south side of the office, then entered and took the keys to the company's locking gas tank.

The incident is under investigation.

A 1973 Chevrolet Vega collided almost head-on with a '77 Chevrolet pickup Friday night on South Highway 385, near the Lee Street intersection. However, no one was apparently injured seriously.

Police said Tammy Ward, 20, of Nazareth was northbound in the Vega and attempted to turn left across the highway into a parking lot. Her vehicle collided with the southbound pickup, which was driven by Albert Gonzales, 18.

Miss Ward was treated and released at Plains Memorial Hospital.

The Dimmitt Police Dept. and County Sheriff's Office investigated separate assault cases this week, and jailed suspects on charges of DWI, illegal alien, killing pheasants out of season, and theft by check.

The Texas Highway Patrol made bookings on DWI, illegal alien, driving without a valid license and public drunkenness.

State troopers also investigated a pickup rollover near Dimmitt that resulted in the arrest of three men on illegal alien charges, and investigated a pickup-truck accident on South Highway 385 in Dimmitt Monday. However, details of these incidents were not available at press time.

TESTING DAIRY RATIOMS
More and more dairymen are having feed and forage samples analyzed for nutrients at land-grant university labs. However, a lot of work still needs to be done in interpreting these test results, says a dairy specialist with the Texas Agricultural Extension Service. Infrared reflectance (IR) technology is a promising development that allows high-speed analysis of feedstuffs and can be used to predict animal response factors, including digestibility.

Obituaries

Charles B. Herring

Funeral services were held in Plainview last Thursday for Charles B. Herring, father of Richard Herring of Dimmitt.

Mr. Herring, 63, died last Wednesday morning in Central Plains Regional Hospital after a lengthy illness.

Last rites were conducted at the Calvary Baptist Church in Plainview with Rev. M. V. Davis, pastor, and Rev. Ken Horn, pastor of the Northside Baptist Church of Abernathy, officiating.

Burial was in Parklawn Memorial Gardens, directed by Lemons Funeral Home.

Mr. Herring, a native of Hood County, had lived in Plainview from 1934 to 1937, and from 1954 until his death. During World War II, he served with the Navy in the South Pacific. He operated Plainview Oil & Butane, East Side Phillips 66 Station and Date Street Phillips 66 station, and later was employed at Central Plains Mental Health and Mental Retardation Center.

Survivors, in addition to his son here, include his wife, Louise, two daughters, one other son, a brother, a sister, a half sister, his stepmother, 12 grandchildren and two great-grandchildren.

The family suggests memorials to the Special Olympics.

King is named manager of Hi-Plains S&L here

Joe King is the new branch manager of the Dimmitt office of Hi-Plains Savings & Loan Association.

His appointment, effective Wednesday, was announced by Don Lane, chief executive officer.

King succeeds Joe Josselet, who has accepted a vice-presidency with the First State Bank of Dimmitt.

King served six years as superintendent of Nazareth Public Schools before retiring in 1978 after 32 years as a teacher, coach and school administrator. For the past two years he has managed the Ruskin Racquet Club in Dimmitt.

His wife, Joyce, is a Plan A counselor for the county's schools, a post she has held for seven years.

The Kings have been Dimmitt residents three years. They own their own home at 1613 Butler Drive.

"Hi-Plains is pleased to have Mr. King in this new position, and would invite all the citizens of Castro County to get by and visit him," Lane said.

He added, "Hi-Plains is proud of the growth of the Dimmitt office since it was opened in 1973, and we intend to continue to offer our customers quality service in the future."

King, a native of Knox

Joe King

City, attended McMurry College in Abilene, where he played football and baseball until his college career was interrupted by World War II.

After serving four years in the US Navy, with the Seventh Fleet in the South Pacific, he returned to McMurry and received a BS degree in education in 1949.

He taught and coached all sports at Petersburg and Anton, then coached football and baseball in the Lubbock Public Schools. Later he was named assistant football coach and head track coach at Sul Ross State University in Alpine. He received a master's degree in administration from Sul Ross, and later earned an administrator's certificate from Texas Tech.

He served as a principal at Lockney and Tulia before accepting the Nazareth superintendent's post in 1972.

He also coached tennis at NHS, tutoring three state champions and four state runners-up, and coached girls' basketball his first year at Nazareth.

The Kings have three children — Johnny, who coaches at Seagoville; Judy Hefley, a teacher and tennis coach at Walsh, Colo.; and Kim Wilhelm of Amarillo, who teaches and coaches tennis at River Road High School.

DHS to receive artwork

Dimmitt High School's art department will be the first in the Panhandle to receive an original oil painting from the Educational Art Foundation.

The painting will be presented during a student assembly Nov. 17, according to DHS art teacher Sue Broderson.

The non-profit foundation was established in 1970 by Roy J. Beard, founder of Star Engraving Co. of Houston, for the purpose of acquiring art, paintings, etchings, statuary and other articles of art as gifts to high schools, colleges and universities. The foundation is now managed by Beard's son, Jack.

Mrs. Broderson applied for the foundation gift last December. In order for a school to qualify for a gift of art, it must express a sincere interest in the quality of art and have a creditable art department or an art teacher who specializes in this field.

The Educational Art

Foundation has three primary goals: (1) to get students to enjoy looking at beautiful things; (2) to interest students in various art fields; and (3) to inspire students to collect quality art later in life.

All of the paintings which the foundation donates are Texas scenes by Texas artists. The foundation tries to match the scene in the painting to the locale in which it will be placed. Gay Woods of

Houston is the artist who has been commissioned to do the painting for Dimmitt High School.

The painting will be hung in an area of the high school where the student body may view it continuously, Mrs. Broderson said.

The presentation of the painting will take place in the DHS auditorium at 10:10 a.m. Nov. 17. The presentation will be open to the public.

Jean Green of Olton Oils on Canvas

Class in Florals Oct. 10, 9 a.m. to 4 p.m.

Will have finished picture at the end of class.

Kitchen will be open for lunch.

Social Security in Castro County

By JANICE ULMER

Are you considering retiring at the end of 1980? If so, you should start making serious plans including social security now.

First, if you are under 65 considering retirement, you should remember that Social Security benefits will be permanently reduced if received before 65. The amount of the reduction depends on the number of months you get benefits before 65. The reduction rate is 20% at 62, 13-1/2% at 63 and 6-1/2% at 64. It is figured by the number of months a person is under 65.

Other factors can influence your decision to retire. Availability of a company pension could be a factor. So could one's ability to continue working. At any rate, you should

apply for social security retirement checks 2 or 3 months before you reach 65, even though you have no retirement plans. This will ensure that you have full Medicare protection at the earliest possible time.

You will need certain information ready when applying. This includes your social security card or a record of the number, proof of your date of birth, and your W-2 forms or self-employment tax returns for the past two years.

To prove your age, we need an official record of birth or baptism recorded early in life. If this is not available, you should bring the best evidence available. We can assist you in determining what is considered best evidence.

If you are applying as a husband or wife you will need the same documents. Birth certificates of any eligible children are also needed.

Difficulty in securing any of this evidence is not a reason to delay applying. We can assist you in securing most proofs.

We have a pamphlet, "Thinking About Retiring?" available at our local office, 1401-B West 5th Street, Plainview. Call 293-4371 and we will be glad to send you one.

More about Sarpalius ...

[Continued from Page 1] more than twice as much as Sherman did to operate the office.

Sarpalius said that, if elected, he would maintain a mobile office in the district.

"You must have a state senator who likes the people of his district, who will visit with them and listen to them," he said. "I plan to accomplish this by the use of a mobile office."

He added, "Price has said he tried a mobile office and it didn't work. Well, I've tried it and I know it does work."

Sarpalius said he is now on his sixth swing through the 31st District.

"I'm averaging 1,000 miles a week now, have been to all 26 towns in the district about six times each, and have walked into every business on Main Street in those towns at least twice," he said. "We've tried to show the people in this campaign that we're willing to work hard. Right now I'm averaging about five hours' sleep a night. I'm going to try to carry that enthusiasm over into the office and do the very best job I can do in representing this district."

Welcome, TEXACO Customers!

West Texas Gas, Inc., is pleased to announce that it has purchased Texaco Wholesale in Dimmitt.

We are moving the Texaco Wholesale service to our wholesale plant on the Nazareth Highway. There, you can continue to get all the fine Texaco products — gasoline, diesel fuel, oils and lubricants.

We also have key-pump diesel and gasoline available. And, of course, you can continue to use your Texaco Credit Card with us.

We look forward to serving the Texaco wholesale customers in the Dimmitt area.
