FROM A BEATING

Stepmother and Step Brother Hurried to Jail To Escape Any

Chico, Texas, June 28 .- Helen Rumbel aged fourteen, beaten for neglecting a task, is dead at her home near Gridley. Mrs. Emma Rumbel, her step mother and Arthur Lewis, her step brother were held yesterday by the coroner's jury to answer to a charge of murder and have been rushed to the Orville county jail for safe keeping. The country side is haif crazed with rage. Lewis and Mrs. Rumbel reported that the girl had committed suicide. At the inquest it developed that the girl's body was a mass of bruises and that her face in death remained black from the chocking she received. Her fath-er died two months ago. Mrs. Rum-bel said the girl broke her own neck in her frantic struggles to free herself from a scantling to which she had been bound in punishment for stubborness. She said she underestimated the child's endurance.

DOUBLE-HEADER SUNDAY INSTALLATION KNIGHTS

Secretary Morse of the Texas-Oklahoma baseball-league announced this team, the first game to be called at 2:30 o'clock. The Cleburne series at this place included a game on Monday but at the request of the Cleburn management, who desired to get back home for a game at that place on Tuesday, the 4th, an agreement was made for the double-header on Sunday. The team could not have possibly reached home in time to play Tuesday after playing a game here Monday afternoon. The Cleburne series is scheduled to open here on Friday for four games.

The Irish Lads will complete their series of four games with Durant on Thursday following which they will return home to remain until the pres ent schedule is completed on July

HINES BARRED FROM **COMMITTEE ROOM AT** THE LORIMER HEARING

President Day of the Conservatory Investigating Committee Deemed it Inadvisable that He Be Allowed to Hear the Testimony Further

> Culver, a lumberman of Lansing was elected. The day before Mr. Michigan, on the stand in the Lorimon Cook testified without reservation that investigation today was expected to testify about the alleged remark of Edward Hines in 1907 that Hines has just "succeeded in making us a sen, ator and cost a hundred thousand

Hines was excluded from further permission to listen to the testimony, the committee deeming his listening inadvisable.

Culver said "It seems to me that Hines said to me he had been in the The line of the Lorimer-Hines de-habit of helping out Lorimer. He cer-fense against Cook's statements which tainly referred to the congressional are circumstantial and detailed was elections. He said he would deco indicated yesterday. Cook will be atrate certain wagons for Lorimer." W. H. Cook of Duluth, Minn., a

He related an alleged conversation company, the Virginia and Rainy Lake way. Incidentally, Mr. Sullivan says with Mr. Hines at the Grand Pacific and that Cook tried to force Hines to that Altus is the best station on the hotel in Chicago, in May, 1909. It buy Cook's stock at excessive prices that Altus is the best station on the hotel in Chicago, in May, 1909. It buy Cook's stock at excessive prices; W. F. & N. were both stockholders in a lumber be attempted to develop that Cook in-"Now, for instance," Mr. Cooks tes- vented a means either to revenge or It was a dramatic session, in which

"He has ways in business that

The defense laid foundation for im peachment of the testimony by long cross-examination designed to present Cook as a man trying to force Hines' hand. Cook made a bad im pression as a witness in the beginning but later, improved very much, and Alabama senator joined in. Mr. Cook before he had gone far seemed to be reiterated his Springfield testimony frank and willing to tell everything

MORE DOCK WORKERS STRIKE IN LONDON

Liverpool, June 28 .- Work at the docks here is practically at a standstill, four thousand additional men having joined the stirkers today. Their demands are for recognition of their union and no increase in wages is wanted.

A shortage of butter and bacon and eggs has been produced in England by the strike, which is holding up enormous continental supplies of these products.

BASEBALL SITUATION

erstick who offered the ordinance said League further than the announce It was with intention of curbing the ment made this morning that the vocabulary of "Billy" Sunday the evan meeting to be held on Saturday would be at Fort Worth instead of Gainesville as heretofore announced. It is not likely that action will be taken prior to that time, when it is expected that matters will be adjusted to the satisfaction of all the teams in the league or the organization will disband.

The proposition as it now stands seems to be much in the air and it would be hard to predict just what the pulcome of the conference of Saturday will be. That Wichita Falls will do its part in maintaining the organization seems certain but it is not known what course will be pursued by the remaining teams as no recent ex pression has been obtainable along this line.

STATE SUPREME COURT 12 MONTHS BEHIND

Writs of Error Will Probably Be Filed During the Summer

One hundred and eleven unsubmitted cases are pending with the State Zula Matthews. Messers. Robertson, and the tenderest sympathies of the Supreme Court, according to figures gleaned from the regular docket which has just been closed for the summer. In addition eighteen applications for writs of error have been carried over to the next term. The records show that an average of between 75 and 100 applications are received during the summer term, which is taken by those in authority to mean that the highest tribunal of the State Kansas City, June 28.—Potatoes of Texas is nearly a year behind in

applications for writs of error. total of 368 were received during the term, making 468 in all. Of that num ber the court refused 301, granted tion, refused in part and dismissed in part 2, and carried 18 over. Of the decisions rendered, 104 were written, exclusive of the written opinions in overruling motions for rehearing. Other statistics for the term show: Certified questions answered, 19; manda-

mus awarded 8; mandamus refused "Do you think," humbly inquired 7; judgments affirmed, 15; judgements Courts of Civil Appeals reversed and will surpass those in Paris at the that of district courts affirmed, 12; judgments Court of Civil Appeals affirmed, 7; reversed and remanded, 14; reversed and rendered, 14; reversed and remanded in part and affirmed in Civil Appeals, 1; affirmed in part and reversed and rendered in part, 3; judgment Appellate Court affirmed. and cause reversed and rendered in

part, 3. Governor Colquitt said awhile back that some legislation must be enacted for the relief of the Supreme Court. The proposed reform will probably engage the attention of the Legislature early in its next reghlar session if not during the forthcoming special session
