61st Year—No. 8 Dimmitt, Texas, Thursday, November 12, 1987 14 Pages Plus Supplement

## School board peeks into 21st Century

A LITTLE FALL FROLIC—Four students from Happy Hearts Dayschool show that the best part of Fall is a romp in the leaves. The children are, from left, Jon Robert McLean, 3, son of Robert and Sandra McLean, Katy Loudder, 2, daughter of Lance and Terri Loudder, Ryan Hays, 3, son of Norman and Kim Hays, and Shirece Burrell, 4, daughter of Wayne and Tina Burrell.

The Dimmitt School Board learned Monday night how Texas education leaders plan to guide the state's public schools into the 21st Century.

The Texas Association of School Boards and the Texas Association of School Administrators are jointly sponsoring Project 2000, "a goal-oriented effort to move education in our state into the 21st Century." This year's kindergarten students will be the first graduates of the new century.

A film presentation on the project said that the schools need to address the problems of education, including drop-outs, minority relations, and community, business and parental support, participation and interaction.

Statistics were cited showing that by the year 2000, 50% of school enrollments statewide will be minorities, and that 40% of today's minority students are functionally illiterate, with the Hispanic drop-out rate at three times the level of Anglo students.

After noting that 90% of inmates in state prisons are high school drop-outs, State Commissioner of Education W. N. Kirby said it costs \$40,000 to educate a child from kindergarten through graduation, while it costs \$35,000 per year to keep an inmate in prison.

"If we don't pay for their education, we will pay for their lack of education," the film stated.

Ryan told the board that a meeting on Project 2000 is scheduled for next Wednesday night at the Region XVI Service Center in Amarillo.

Trustees also accepted the independent audit report for the 1986-87 school year, adopted a guidance service plan for the school counselors, authorized administration officials to negotiate an insurance settlement, and renewed an energy management program.

The audit report, submitted by Cornell and Co. of Amarillo, showed that DISD had total assets of \$12,033,549 and total liabilities of \$557,088. Among the assets, a \$70,000 decrease was shown in the category of furniture and equipment. Cornell representative Pat Buzzell said the deficiency was due to double inventorying of certain items the previous year, along with depreciation of other items.

Buzzell pointed out that although total revenues for last year were down 10% from the previous year, the schools "did a good job of holding down expenditures," which increased only 4.5%.

She noted that the school system's internal financial controls are adequate, and that she could see no areas of non-compliance with the

many regulations that must be met. She also pointed out that the First State Bank, where school funds are deposited, displays sound fiscal coverage.

During the early part of the construction project going on at Richardson Elementary, the interior of the building suffered water damage. (Continued on Page 10)

## Touchstone named new Maid of Cotton

Tricia Touchstone is the new South Plains Maid of Cotton.

Miss Touchstone, 20, is the daughter of Truman and Betty Touchstone of Dimmitt and Ann and Weldon Rodgers of Paducah.

The Texas Tech Senior was selected from among 20 Texas women during competition last week in Lubbock.

Miss Touchstone said her duties have already started, saying that her first days as Maid of Cotton have been somewhat busy, but fun.

She is Panhellenic representative for Junior Greek Council and a member of Kappa Alpha Theta sorority. She also competes in intramural football and basketball.

Miss Touchstone has worked with Meals on Wheels, the Heart Association, March of Dimes American Diabetes foundation and Castro County Community Centers.

She will go on to compete in the National Maid of Cotton Selection held in late December in Dallas.

If she wins the National Maid of Cotton Selection, she will have the

Tricia Touchstone

opportunity to travel throughout the United States and to cotton-producing countries overseas to promote the use of cotton.

If she is not selected at the National Selection, she will return to Lubbock to carry out her duties as the South Plains Maid of Cotton.

## Hance seeks to amend truck regs

Kent Hance, Texas Railroad Commissioner, has proposed an amendment to current regulations to exempt all vehicles having three

axles or a gross vehicular weight (GVW) of 26,000 pounds or less from the \$500,000 minimum insurance requirement.

Under the existing rule, all vehicles having a GVW of 10,000 pounds or more are required to have a minimum of \$500,000 liability insurance coverage. Under Hance's proposed amendment, operators of vehicles with three axles or a GVW of 26,000 pounds or less would still have to comply with the Texas Motor Vehicle Safety-Responsibility Act which sets minimum insurance levels on other vehicles.

The proposed amendment will probably go before the Commission Monday, according to Phil Gamble, Railroad Commission legal counsel. Gamble said that last week the

TRC published an amendment which would, if approved, exempt farm and ranch vehicles from the minimum insurance requirements.

The agricultural exemption would apply to vehicles operated by, or on behalf of, a farmer or rancher as long as the vehicle is used to transport farm or ranch products to market, or to other points for sale, processing, or storage. It would also apply to transporting materials, animals, tools, or equipment from the place of purchase or storage to the farm or ranch.

Hance strongly supported efforts to exempt agricultural vehicles from the definition of commercial motor vehicle and the registration and insurance requirements. "Such

## Holiday Calendar

FRIDAY — Plains Memorial Hospital Auxiliary's annual Holiday Arts and Crafts Bazaar at Expo Building.

Nov. 19—Third annual Christmas Open House sponsored by the Chamber of Commerce from 6 to 9 p.m. Businesses will stay open until 9 and will have special items on sale to help kick off the Christmas shopping season. Downtown Christmas decorations will be lit for the first time and businesses will set out luminarias.

Nov. 22—Nazareth Arts and Crafts Show and Thanksgiving dinner. The art show, sponsored by the Nazareth Art Club, will feature holiday items and will be held from 10 a.m. to 4 p.m. at the Nazareth School Cafeteria. A dinner with turkey and all the

trimmings, sponsored by the Christian Mothers Society, will be served from 11:30 a.m. to 2 p.m. in the Community Hall at Nazareth.

Dec. 5 — The Dimmitt Young Homemakers will hold its annual Christmas Arts and Crafts Bazaar from 9 a.m. to 5 p.m. at the Expo Building.

Dec. 5 — The Republican Organization for Women will sponsor its annual Holiday Tour of Homes from 10 a.m. to 4 p.m. Tickets are \$2.50 and may be purchased from any member as well as at the door of the homes. The bake sale will be held at the Calico Teapot with proceeds going to help send a girl to Girls' State this year. Watch for future publicity, details and addresses.

## Nazareth girls vie for fifth state crown

The Nazareth Swiftettes will be vying for their fifth straight cross country title and Dimmitt's Renea Harman will work for her first individual title at the state cross country meet in Georgetown Saturday at 9 a.m. at Southwestern State University.

"Our region usually does well at state," said Nazareth Mentor Sandy Heiman. "Individually, I think there is a girl from Munday there that's pretty good, and their team will be there also."

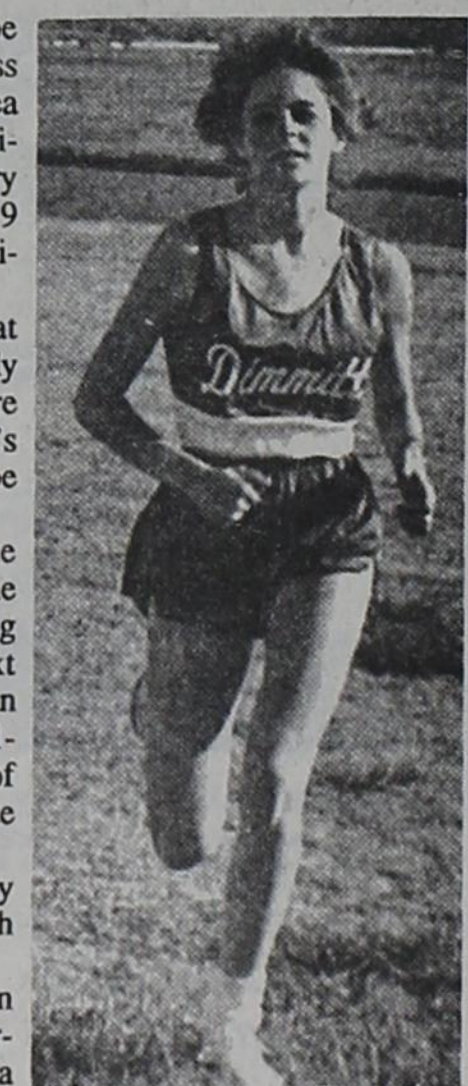

The Swiftettes ran away with the Region 1-AA title Saturday at Mae Simmons Park in Lubbock, scoring 46 points. Spearman was the next closest team with 88 points. Harman finished second in the Region 1-AAA race behind Amy Pribble of Perryton to qualify for the state meet.

"I was very pleased with the way the team performed," said Nazareth Mentor Sandy Heiman.

Nazareth placed five runners in the top 20 including freshman Darlene Heck, who led the team with a time of 13:04, good for an eighth place finish. Senior Rachel Huseman finished ninth with a time of 13:12. Senior Missy Brockman crossed the line at 13:25 for twelfth, junior Linda Birkenfeld ran the race in 13:33 for thirteenth, and freshman Janay Johnson placed fourteenth with a time of 13:34. Sophomore Nikki Schulte placed 27th with a time of 13:52 and junior Shana Birkenfeld posted a time of 14:26 to round out Nazareth's runners.

Harman, a freshman at DHS, ran the best race she's run all year, according to Coach Richard Wood. She finished the two-mile run in 12:27, just six seconds behind Pribble for second place.

Dilphia Ponce of Hart, competing in the Region 1-AA race, finished 42nd, with a time of 14:20.

Renea Harman

## Bivins makes bid for Senate

Teel Bivins announced his intentions to seek the republican nomination for the 31st District seat of the Texas State Senate Friday at a meeting in Dimmitt.

Bivins said he had decided to go for the senate seat in September and began traveling around the district to hear the views of the people.

Bivins said District 31 constituents want a Senator who would share conservative values that the people of the Panhandle hold.

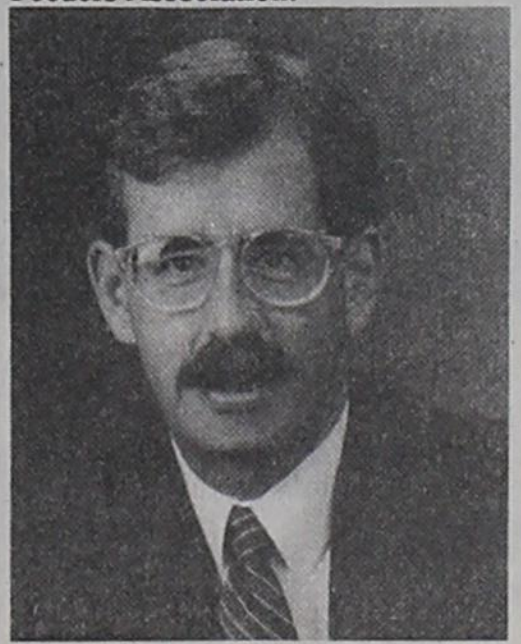

"They want a Senator who will champion family values," he said. "I think I can be that Senator."

Bivins felt that his background as a cattleman and businessman would help him have a better grasp of the wishes of the people of this area.

He expressed concern over the excessive spending of the legislature in recent years and said it was time for government cost cutting.

Bivins said he was also concerned over the threat of a state income tax and the rising rate of violent crime in Texas.

He stressed the need for unity among this district's representatives saying, "I will work with, not against, this district's representatives."

Teel Bivins

## Calico

By Terri Loudder

Last weekend I entered *The Twilight Zone* of video — my TV died!

Now, my stereo needle had already gone bad. We live so far out of town that all the radio stations fade out when the sun goes down, and I had left my cassette tapes at the office.

I had one old Billy Joel tape that was wedged in the back of the record cabinet, and my daughter's copy of *The Tale of Peter Rabbit*. Boy, would I like to get my hands on that twerp who said every cloud has a silver lining.

When it finally hit me that there was no hope for the set (I crossed my fingers and watched static for a half hour), I started to ask those

deep philosophical questions.

"Why me — why not those egg-heads who watch only PBS?"

"Why couldn't it have been the refrigerator, or the oven, or the heater — something expendable like that?"

It had started out as a routine Sunday afternoon. We were just sitting there in our usual, blissful, vegetable-like state watching a tape of *Freaky Friday* for the 163rd time when something snapped. The picture went to snow.

The children, thinking only of themselves, backed away from the set saying "I didn't touch it, Mommy, honest."

I frantically checked and re-checked every connection, and believe me there are many. I've seen entire rock bands set up with less wiring than we've got running in and out the back of our TV.

My daughter said, "Maybe we can enjoy some peace and quiet."

Kids today!

I tried to be cool and intellectual about the whole thing, at least on the surface anyway. I told her she was right and that we would spend some time together, telling stories, singing songs.

(Continued on Page 14)

## TIP-OFF

BASKETBALL PREVIEW  
1987-88

Coming Next Issue!

# On the Go with Mary Edna Hendrix, 647-3343

Calvin and Jeannie Salmon of Seguin were recent guests of Arthur and Melvina Oakley. Calvin and Melvina are brother and sister.

Cleo Forson had out-of-town visitors last Wednesday. Thelma Jones of Floydada, Clara Martin of Hale Center visited with her. The ladies are sisters and Cleo lived in their home in 1935 when she was teaching in McCoy. They had lunch at the Calico Teapot.

Bell McAfee of Eldorado was in Dimmitt for several days visiting her brother and sister-in-law, Ernest and Ann Mayhew, and friends. She spent a night with Cleo Forson.

Everytime I leave the Museum with someone else in charge, some distinguished guests come to visit. Well, the same thing happened Wednesday when I went to Lubbock with Wanda Murdock and Maxine Myers. I visited my cousin Johnnie Nix while the others attended to business. Morgan and Geneva Dennis kept the Museum open while I was in Lubbock and here is a list of the visitors. Maggie and Jiggs, Ronald and Nancy Reagan, Lil Abner and Daisy May, Kil Roy, Popeye and Olive Oil, Mutt and Jeff, Dr. Doolittle, Cinderella, Peter Rabbit, Donald Duck, Dennis the Menace, Garfield, Dick Tracy, Goldilocks, Blondie and Dagwood, Snow White, Three Bears, Santa Claus, Huckleberry Finn and Irene Carpenter.

Dude McLauren was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Edith Graef won high score. Susie Reeves won second high and Helen Braafladt won third high. Others playing were Cleo Forson, Neva Hickey, Oleda Schumacher, Lor-

anell Hamilton, Ferne Dickey, Louise Mears, Johnnie Vannoy, Elizabeth Huckabay, Rosalee Hawkins, Virginia Crider, Jean Christian and Jo Gregory.

Congratulations to Tricia Touchstone who has been named South Plains Maid of Cotton for 1988. The competition was held Friday night at the Holiday Inn Civic Center. Tricia is a senior at Texas Tech University and graduated from Dimmitt High school. She is the daughter of Ann Rogers of Paducah and Truman Touchstone of Dimmitt. The proud grandmother is Oleta Gallehon of Dimmitt.

Rev. and Mrs. Carl McMasters of Littlefield visited Bobby and Wanda Murdock on Sunday afternoon. Rev. McMasters is a retired Methodist preacher and he was pastor of the Hart Methodist Church many years ago. He was also a school teacher for a few years. The McMasters' went on to Hart to visit with the Methodist pastor, Rev. Perry Hunsaker and family.

On Sunday night, Bobby and Wanda Murdock were honored with an appreciation dinner at the Sirlain Stockade in Amarillo. The Amarillo American Legion softball team players and coaches held this special occasion to show their appreciation for the support the Murdocks had shown for their team through all the years. Debbie Murdock is a member of the team.

James and Mildred Bradford had a fun weekend! They met Mildred's sister and husband, Newt and Earline Settle from Nashville, Tenn., in Harlingen to visit the Confederate Air Force Museum. There is a collection of World War

II airplanes in the museum. This was a very interesting time for both couples.

Paul and Dorothy Godfrey of Columbia, Mo., were here recently for the funeral of Millie Lust.

Jim and Sally Bradford entertained Sally's sister and husband, Amy and Dan Becker of Dallas over the weekend.

Phil Watson, executive director of Texas Alcoholic Narcotics Education of Dallas, was the guest speaker for the evening services at the First Baptist Church in Dimmitt. I would like to share one of his poems with you.

*Once on a yellow paper with green lines he wrote a poem...*

*And he called it "Skip" because that was the name of his dog and that's what it was all about.*

*And his teacher gave him an "A" and a gold star and his mother pinned it on the kitchen wall and showed it to his aunt.*

*And that was the year that his sister was born and his parents kissed all the time and the little girl around the corner sent him a postcard signed with a row of "Xs" and his father tucked him into bed each night and was always there.*

*Then on white paper with blue lines he wrote another poem...*

*And he called it "Autumn" because that was the season it was and that's what it was all about.*

*And his teacher gave him an "A" and told him to write more clearly.*

*And his mother told him not to hang it on the kitchen wall because it has just been painted.*

*and that was the year his sister got glasses and his parents never kissed anymore, and the little girl around the corner laughed when he fell down with his bike, and his father got mad when he cried to be tucked in at night.*

*On a piece of paper torn from a notebook he tried another poem...*

*And he called it "?" because that was his big concern and his professor gave him an "A" and a hard, searching look, and his mother didn't say anything at all because he never showed it to her. And that was the year that he caught his sister necking on the back porch and the little girl around the corner wore too much makeup so that he laughed when he kissed her, but he kissed her anyway, and he tucked himself into bed at three in the morning with his father snoring soundly in the next room.*

*And that's why on the back of a matchbook cover, he tried another poem...*

*And he called it "Absolutely Nothing" because that's what it was all about.*

*And he gave himself an "A" in a slash on each wrist and hung it on the bathroom door because he couldn't make it to the kitchen...*

An Unknown Student

Castro County Community Concerts Association board met at the home of Ed and Betty Freeman Thursday afternoon at 5 p.m.

Topics of discussion included the fact that we had not met our budget for the year. Two solutions were proposed and adopted. It was decided to have a local talent concert Sunday, Dec. 6, at 3 p.m. at the First Baptist Church.

Working on the committee to plan the concert were Irene Carpenter, Dr. B.D. Murphy, Walter Maynard, and Betty Freeman.

The other solution was to reduce membership prices for the balance of this year's concerts. Family memberships would be \$25, individuals, \$10 and students, \$4.

On Sunday, Dec. 13, the Broadway Marionettes will present the Dickens' Classic, *A Christmas Carol* at 3 p.m. Nine men are needed to volunteer nine hours of their time to help set-up and take down. Any man who would like to help, report at 10:30 a.m.. They are asked to contact Rev. Edward D. Freeman or Elayne Patridge.

The next concert in the area is a concert by the County Basic Orchestra tonight (Thursday) at 8 p.m. in Herral Auditorium at Wayland Baptist University in Plainview. Castro County tickets will admit you to this concert.

Directors present at the meeting were Ed and Betty Freeman, Alma Conrad, Walter Maynard, Irene

Carpenter, Mary Edna Hendrix, Beral Hance, Elayne Patridge, Dr. B.D. Murphy, Pauline Bell, and Alyce Killingsworth.

The directors will meet again next Thursday night at 7:30 with Beth Ann Schultz, area representative.

Diedra Stafford, daughter of Tom and Donna Stafford of Made-

ra, Calif., was invited to perform with a group of cheerleaders during half-time of the Houston and San Francisco professional football game. The cheerleaders were chosen from Santa Barbara Summer Cheer Camp. Stafford, granddaughter of Rex and Dorothy Sheffy and Florene Stafford, won an award for outstanding performance.

## OPTOMETRIST

I will open a practice of optometry the first week of December in the building formerly occupied by Dr. James E. Wohlgemuth, Optometrist, 300 W. Bedford St., Dimmitt. My office will be open Monday, Wednesday and Fridays, effective Dec. 2. I look forward to meeting you.

Dr. Ervin B. Bussanmas  
Optometrist

## When It's Freezing Outside Is No Time For Your Furnace To Quit!

We'll check it out now, so it works when you need it.

No heating system is any good if it doesn't heat your home when it's cold. And usually you find out too late.

This year, plan ahead. We'll check your system, clean it, estimate on necessary repairs, if any, and give you a special pre-season price. 'Cause we've got time now... before those

emergency calls start coming in. You can save money now... Stay warm later. Professional service on all major brands, plus Trane products. It's an unbeatable combination!

## Dimmitt FFA teams place at district

The junior and senior chapter conducting teams from the Dimmitt FFA captured first place honors and Royce Schulte won in creed speaking at the district meet held Saturday at Texas Tech University in Lubbock.

The quiz team placed fourth, radio broadcasting team placed eighth and Mat Bradley earned fourth place honors in extempor-

aneous speaking at the meet.

The senior chapter conducting team consists of Mat Bradley, Kevin Bruton, Zay Bradley, Britt Boozer, Kay Gleghorn, Dennis Kirby and George Wall.

Members of the junior chapter conducting team are Royce Schulte, John Wall, Paul Axtell, Casey Gentry, Michael Ethridge and Matt Gfeller.

The Quiz team members are Dennis Petty, Jason Nelson, Todd McDaniel and Stony Griffith.

Curt Summers, Ben Scott and Curtis Knox compose the radio broadcasting team.

The FFA chapter wants to thank K-Bob's Steakhouse, Great Plains Chemical and Don Moke for donating things at the Halloween carnival and also wants to thank everyone for supporting them.

## DU plans banquet, auction

Ducks Unlimited will hold a banquet and auction Thursday, Nov. 12, at the Hereford Country Club.

Registration and happy hour will begin at 6 p.m. and the dinner will start at 7:30 p.m.

Ducks Unlimited Membership is \$20 (tax deductible), and the price of the dinner is \$10. Wives are welcome.

For advanced tickets, contact John Kovacs at 647-4141, work, or 647-5732, residence.

## Wilson gets ROTC award

Joel B. Wilson, son of J.B. and Diane Wilson of Hart has received a four-year Army ROTC scholarship.

The cadet was selected for the scholarship on the basis of comprehensive tests, high school scholastic achievement and extracurricular activities.

The scholarship covers full tuition, textbooks and laboratory fees and pays a monthly subsistence allowance.

Upon graduation and completion of the ROTC program, Wilson will be commissioned as a second lieutenant.

Wilson is a student at Texas Tech University in Lubbock.

### 15 - LEGAL NOTICES

**LEGAL NOTICE**  
**NOTICE OF APPLICATION**  
**FOR WASTE DISPOSAL**  
**PERMIT AMENDMENT**

NAZARETH WATER SUPPLY AND SEWER SERVICE CORPORATION, P. O. Box 122, Nazareth, Texas 79063 has applied to the Texas Water Commission for an amendment to Permit No. 10979-01 in order to revise monitoring requirements for Biochemical Oxygen Demand limitations from 20 mg/l to 100 mg/l. The proposed amendment would also update permit format and change the permit term from perpetual to a 10-year term. The permit authorizes the discharge of treated domestic wastewater effluent to a playa lake at a volume not to exceed an average flow of 28,000 gallons per day, for disposal primarily by evaporation. Some of the effluent is used to irrigate adjacent farmland. No discharge of pollutants into the waters of the State is authorized by this permit.

The treatment facility, playa lake and irrigation site are on the northwest corner of FM 168 and State Highway 86, west of the City of Nazareth in Castro County, Texas. The location is in the drainage area of the Mackenzie Reservoir in Segment No. 0228 of the Red River Basin.

The Executive Director of the Texas Water Commission has prepared a draft permit based on the application submitted by the applicant and other information presently available.

**LEGAL AUTHORITY:** Section 26.028 of the Texas Water Code, as amended, and 31 TAC Chapter 305 of the Rules of the Texas Water Commission.

No public hearing will be held on this application unless an affected person who has received notice of the application has requested a public hearing. Any such request for a public hearing shall be in writing and contain (1) the name, mailing address and phone number of the person making the request; and (2) a brief description of how the requester, or persons represented by the requester, would be adversely affected by the granting of the application. If the Commission determines that the request sets out an issue which is relevant to the permit decision, or that a public hearing would serve the public interest, the Commission shall conduct a public hearing, after the issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 30 days of the date of publication of the notice concerning the application, the permit will be submitted to the Commission for final decision on the application.

Requests for a public hearing and/or requests for further information concerning any aspect of the application should be submitted in writing to Michael L. Woodward, Assistant Chief Hearings Examiner, Texas Water Commission, P.O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone (512) 463-7905.

Issued this 4th day of November, 1987.

**LEGAL NOTICE**  
**NOTICE OF APPLICATION**  
**FOR WASTE DISPOSAL**  
**PERMIT AMENDMENT**

AMERICAN FRUCTOSE-DIMMITT, INC., 700 E. Jones St., Box 159, Dimmitt, Texas 79027 has applied to the Texas Water Commission for an amendment to Permit No. 01410 to authorize an increase in the volume of wastewater discharged to its playa lake for disposal by evaporation and irrigation. The proposed amendment would increase the flow to the lake from the currently authorized 864,000 gallons per day average to an interim flow of 950,000 gallons per day average and to a subsequent final flow of 1,300,000 gallons per day average. The wastewater, which consists of ion exchange regeneration water, cooling

**ICC Happenings**

The Pastoral Council will meet on Thursday at 8 p.m. The Guadalupe Thanksgiving Turkey Dinner this Sunday, Nov. 15, from 11 a.m. to 2 p.m. at the Community (Recreation) Center will also serve as our only large group gathering for the Renew. All small-group participants are urged to attend the dinner in thanksgiving and fellowship for the Renew - the first Semester of which terminates on Nov. 21.  
 Three important forthcoming events: Diocesan celebration for servers at St. Lawrence Cathedral, Amarillo on Sunday, Nov. 22 at 3 p.m.; Ministerial Alliance Thanksgiving Service at the First United Methodist Church on Sunday, Nov. 22, at 7 p.m. and a Hereford Deanery Workshop on 'Advent' by Sister Bernice Noggler, FMI teachers and helpers as well as interested parents are urged to attend. Ideas will be presented on activities to do with children in classrooms and in your home as a spiritual preparation for the great feast of Christmas.  
 Our recent census indicates that we now have 605 families or 2627 members in ICC and 231 families or 844 members in St. John Nepomucene, Hart - making us the second largest parish in the Amarillo Diocese.  
 Youth and their parents are requested to attend a talk on AIDS on Thursday, Nov. 12, 7 p.m. at Dimmitt Middle School Auditorium by Mr. Tommy Snell of Texas Department of Health.

**Four Dimmitt youths sentenced**

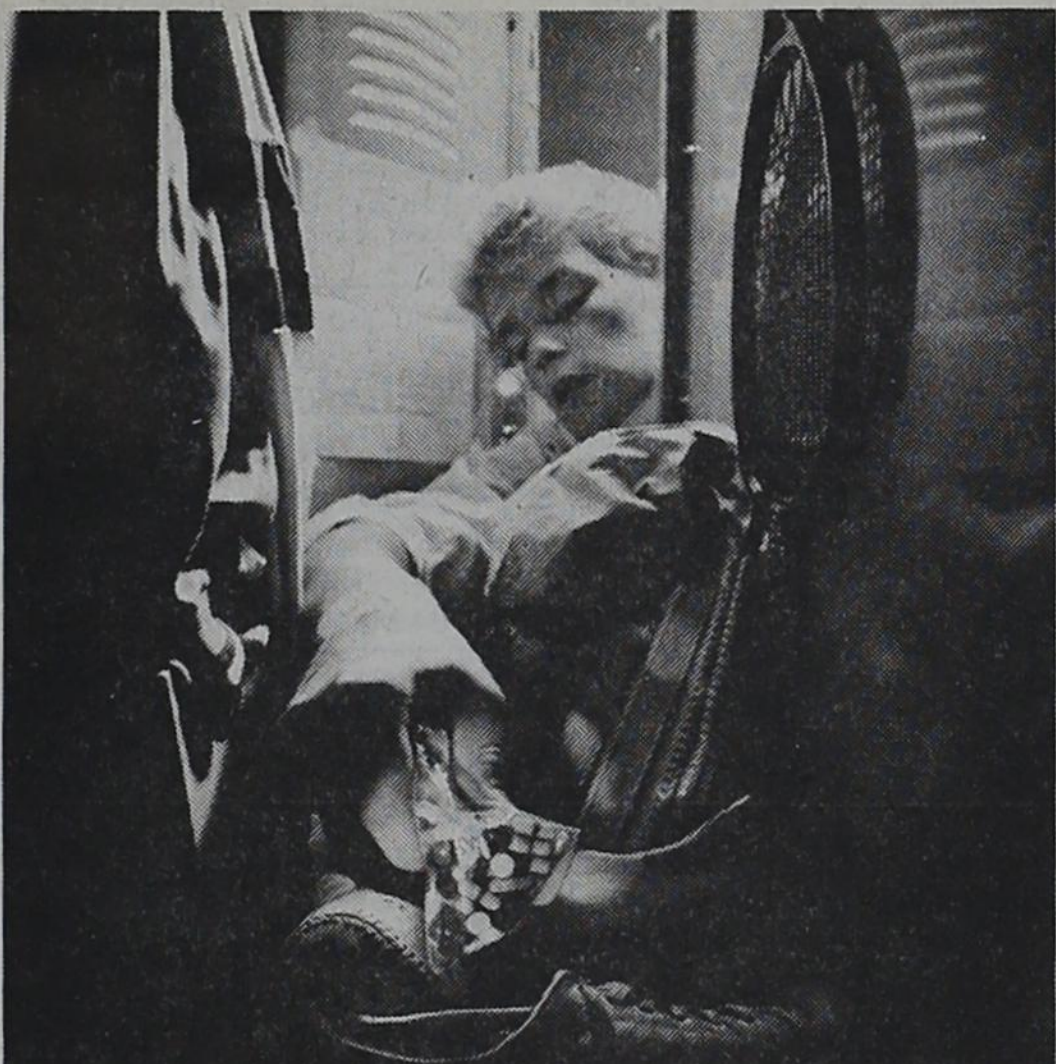

Two Dimmitt juveniles, age 14 and 15, were ordered to the Texas Youth Commission Tuesday morning by County Judge Polly Simpson following their admission to recent burglaries of Dimmitt residences and theft of automobiles.  
 Testimony admitted in Court indicated that \$11,000 worth of property was missing following a recent burglary of a Dimmitt residence.  
 Several cars belonging to Don Moke, Harold Stephens, Ruben Olivera, and Pete Gaitan of Hereford were also included in petitions filed with the County Court.  
 The juveniles were expected to be transported to the Brownwood facility late Tuesday.  
 Two other Dimmitt juveniles, age 13 and 14, were placed on formal juvenile probation for a term of one year by Judge Simpson on Tuesday.  
 The 13-year-old stood charged with participation two burglaries. The 14-year-old stood charged with aiding the commission of one of those burglaries.  
 County District Attorney Jimmy Davis indicated that restitution orders were successfully secured against the parents in all 4 cases. Texas juvenile law provides that restitution orders can be entered against the parents of offending juveniles, and violations of Court orders by the parents can result in contempt of court, with possible fines and jail sentences for willful violations of those court orders, according to Davis.

**Two make Talent Search Nov. 18 set for mammograms**

Jill Pohlmeier and Jaime Hatla of Nazareth Junior High School have qualified to participate in the eighth Annual Talent Search conducted by the Talent Identification Program at Duke University, in Durham, N. C.  
 Pohlmeier and Hatla qualified by scoring in the 97th percentile on math or verbal parts of the California Tests of Basic Achievement taken last Spring. They now have the opportunity to take the ACT, a college entrance test, in December to compete with other seventh graders across the nation.  
 The Talent Search program is designed to identify excellent ability and to provide these students with more information about this ability and about educational options that may be beneficial to them.  
 Jill is the daughter of J. C. and Joclyn Pohlmeier, and Jaime is the daughter of Doris Hatla.

*The job you save may be your own!*

**The only thing a kid should be getting in school is smarter.**

Unfortunately, what too many of them are getting instead is drugs. With your help, it doesn't have to be this way.

There is a program called "Schools Without Drugs: The Challenge" that can help you deal with the drug problem in your community or school.

Find out about it. The smarter you are about what works against drugs, the better chance our kids will understand how dumb it is to take them.

MRS. ERVIN BRIAN SCHOLWINSKI  
... She's the former Mary Camille Kemp

## Pair read wedding vows Saturday in Fort Worth

Mary Camille Kemp and Ervin Brian Scholwinski recited wedding vows Saturday in the Holy Apostles Episcopal Church in Fort Worth.

The bride is the daughter of Mrs. Andrew Kemp Jr. of Fort Worth and the late Andrew Jackson Kemp, formerly of Dimmitt. She is the granddaughter of the late Mrs. Perry Graham of Dimmitt. Parents of the groom are Mr. and Mrs. Richard L. Scholwinski of Houston.

Given in marriage by her brother, Andrew Perry Kemp, the bride wore a tea-length gown of Italian silk and Alencon lace designed by Galina. It was fashioned with a Sabrina neckline that draped to a deep oval in the back. Brief sleeves puffed at the shoulder and fitted to the arm above the elbow. The skirt of the gown was created in a body-skimming sheath, with a deep ruffle of Alencon lace falling from below her knees to above her ankles. A large tailored bow accented the center back of the gown.

Her headpiece was a narrow band of seed pearls fitting over her forehead in a V-line and forming a pouf illusion in the back. Three satin rosettes accented the back with narrow streamers of satin ribbon and seed pearls.

Matrons of honor were her sister, Carla Kemp Thompson and her

sister-in-law, Teresa Bruegel Kemp.

The two attendants were outfitted in short black velvet gowns designed by Victor Costa. The sleeves accented the gown, designed with large beaded disks of satin that matched the candlelight color of the bride's wedding gown.

Best man was Ihab Elsadid.

Flower girls Kathrin Elizabeth Thompson, the bride's niece, and Shelia Scholwinski, the groom's niece, wore black velvet dresses trimmed in candlelight lace, matching the bridesmaids' gowns.

A reception honoring the couple was held at the Rivercrest Country Club.

Tables covered in raspberry lame with poufs of white net surrounded the dance floor. Tall lucite vases filled with flowers served as centerpieces.

The bride attended Emory University and graduated from the University of Texas at Austin with a bachelor of arts degree in English.

The groom attended Texas A&M University and graduated from Sam Houston State University with a bachelor of business administration degree.

They are both employed at Electronic Data Systems.

They will make their home in Temple following a wedding trip to the Bahamas.

## Holy Family Church sets 85th jubilee

Holy Family Catholic Church in Nazareth will celebrate its 85th jubilee beginning with a Mass of Thanksgiving and Consecration Sunday, Nov. 22, at 9 a.m. in the church.

Bishop Leroy Matthiesen will celebrate the jubilee mass.

The Christian Mothers' Society will sponsor a Thanksgiving dinner after the jubilee mass from 11:30 a.m. to 2 p.m. in the Nazareth Community Hall.

The menu will include turkey, dressing and all the trimmings and will be \$4.50 for adults, \$2.50 for children 12 and under and \$5 for take-out plates.

A holiday arts and crafts bazaar will also be held that day from 10 a.m. to 4 p.m. in the Nazareth School cafeteria.

Everyone is welcome to attend.

## DYH to meet Nov. 19

The Dimmitt Young Homemakers will meet Thursday, Nov. 19, from 6:30 to 7:30 p.m. at the Dimmitt High School Home Economics Department.

There will be a brief business meeting followed by a "stop and shop" Tupperware party. Party points will be given to the Home Economics Dept.

There will be no babysitter. Everyone is invited to attend.

## Senior Citizens

Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 9 a.m. to 4 p.m. including the Domino Center.

Quilting, crafts, and table games are daily activities. A nutritious meal, open to the public, is served daily from 11:30 a.m. to 1 p.m.

Bridge is played today (Thursday), Friday and Wednesday at 10 a.m. Duplicate bridge is played Monday nights at 7:30 p.m.

There will be an evening of table game, preceded by the monthly covered dish supper at 6 p.m. Tuesday.

MONDAY — Chicken casserole, corn, salad, bread, tea, coffee and dessert.

TUESDAY — Salmon patties, macaroni and cheese, English peas, salad, bread, tea, coffee and dessert.

WEDNESDAY — Spaghetti and meat sauce, beets, salad, bread, coffee and dessert.

THURSDAY — Oven-fried chicken, potatoes and gravy, broccoli, salad, bread, tea, coffee and dessert.

FRIDAY — Stew, corn bread, salad, tea, coffee and dessert.

# ACS urges smokers to kick their habit Nov. 19

*Give yourselves a break and give smoking a kick in the butt!*

That's the message the local unit of the American Cancer Society is sending out to all tobacco users during the Great American Smokeout, which is set for next Thursday.

"The Smokeout is not just for smokers," said Val Davis, chairman of the county chapter of ACS. "We hope all tobacco users will give themselves a day off from their habit next Thursday by saying yes to participating in the nationwide campaign to encourage tobacco users into giving up their habit for 24 hours. We want to include smokeless tobacco users in our Smokeout activities because too many people — especially young people — think chewing tobacco and dipping snuff are safe alternatives to smoking."

The Smokeout is held each year on the Thursday before Thanksgiving. The 11-year-old event is sponsored by the American Cancer Society, but thousands of other organizations, businesses, schools and hospitals join the nationwide effort.

The goal of the 1987 Smokeout is to get at least one in every five smokers to give up cigarettes from midnight to midnight next Thursday. Anyone getting a late start on Thursday can extend the 24-hour period as long as necessary past the midnight deadline to get in a full day.

Cigarette smoking is the major

cause of chronic obstructive lung disease in the US for both men and women.

All forms of tobacco use, including cigars, pipes and smokeless tobacco, put the user at increased risk for cancer of any part of the oral cavity, from lip and tongue to mouth and throat.

If a woman smokes, her chances of developing lung cancer—once thought to be primarily a male disease—are two to three times greater than that of a non-smoking woman. Babies born to smoking mothers generally are smaller in size and weigh less than babies born to nonsmoking mothers. If a woman gives up smoking early during pregnancy, her risk of delivering a low birth weight baby is reduced to nearly that of a nonsmoker.

The ACS has several activities planned for local smokers who are interested in giving up their habit for a day and maybe even for good.

Delores Heller, Chamber of Commerce manager will head up a committee for the adoption of tobacco users by caring and concerned family members and friends.

Each adopted tobacco user will receive a survival kit filled with goodies, an adoption certificate, tips on kicking the habit, words of encouragement, telephone calls, maybe a luncheon date, flowers and more. Anyone who is interested in adopting a friend or family member during the Great American Smoke-

out may contact Heller at the Chamber office, 647-2524.

The Cancer Society is also distributing posters in Dimmitt, Hart and Nazareth with the slogan for the 1987 Smokeout, *Give Smoking a Kick in the Butt!* Adopt a Smoker posters will also be displayed at several locations.

Clerks and store personnel will be encouraged to wear stickers and pins as reminders of the Smokeout.

Rhoads Memorial Library will give out book markers reminding people of the Smokeout with books that are checked out.

Next Thursday, balloon bouquets displaying the message *Take a Breather*, will be displayed in some of the local stores and restaurants.

Smokeout 1986 set an all-time record for participation in the day-long event. More than 23 1/2 million of the nation's 54 1/2 million smokers tried to kick the habit for the day.

Davis said that several films on cancer are available to local clubs, churches, organizations and anyone interested in having an educational program on America's most feared and dreaded disease.

One of the films entitled *Let's Call it Quits* is an adult film showing the humorous, yet serious side of a man as he tries to quit smoking.

Davis said that education is the Cancer Society's prime goal for 1987-88 and anyone who is interested in the films, wants educational materials or wants to learn about services available to the residents of Castro County should contact her at 647-2131.

## What's Cooking

Here are the school lunch menus for Dimmitt, Hart and Nazareth for the week of Nov. 16 through Nov. 20.

### DIMITT

THURSDAY — Spaghetti with meat sauce, green beans, fried squash, rolls, butter, fruit and milk.

## Parents plan party for foster children

The Golden Spread Foster Parent's Association of Castro, Parmer, Oldham and Deaf Smith counties is making preparations for Christmas for the foster children being cared for in these counties and asks for donations to help defray expenses for gifts for these children.

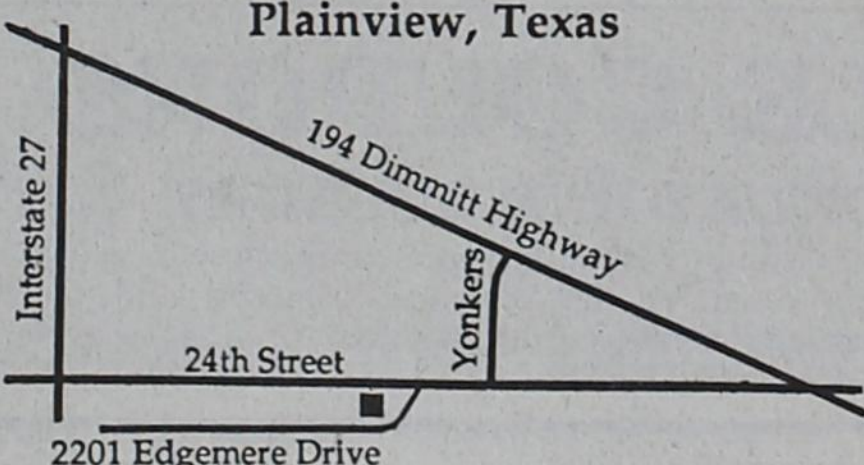

Money donated will be used to buy clothing and stocking stuffers for the foster children.

Toys may also be donated, ac-

ording to Christmas chairman Christine Acker. She said anyone wishing to donate toys, may call her at 945-2683 and she will pick the donations up.

Any individual or group wishing to help by donating funds may send them to Golden Spread Foster Parent's Association, in care of the Hereford State Bank, Box 272, Hereford TX 79045; or to Acker at HCR 1, Box 81, Nazareth TX 79063.

**'ETERNITY' IN THE FIRST BAPTIST CHURCH AT DIMMITT**  
...Christian musical group to perform Wednesday at 7:30.

## 'Eternity' to perform at First Baptist Church

*Eternity*, a 17-member Christian music group that has performed all over the world, will be preseted in concert Wednesday at 7:30 p.m. in the First Baptist Church Worship Center.

Everyone is invited to come out and enjoy a time of beautiful and live music at the church.

*Eternity* is a body of young musicians serving the Lord with their talents to reach people for Christ.

Directed by Rev. Joseph Alessi, *Eternity* originated in Hollywood,

Fla., in 1973. They group travels with six vocalists, nine instrumentalists, and a sound technician. Alessi, founder of the group, was raised in Philadelphia. He attended Drexel Institute of Technology and Penn Morton College. He graduated with a bachelor's degree in music and bible from Florida Bible College and he formed the group during his junior year.

*Eternity* has performed at the Pentagon, the Presidential Palace in Honduras, the Praise Gathering, Six Flags over Georgia, Six Flags over

Texas and Walt Disney World in Florida. They have appeared in concert with Christian musicians Dave Boyer, Evie Tournquist, Doug Oldham, Gary McSpadden, The Archers, Tim Sheppard, The Imperials, Carman, Cruse and others.

*Eternity* has 16 recordings which continue their ministry after their departure. The music they sing in traditional and contemporary, from composers as the Gaithers, Gary S. Paxton, Stuart Hamblen, Don Francisco and David Meece.

## Families must make time to be together

(Editor's Note: This is the first in a series of articles by County Extension Agent Deana Sageser, concerning the importance of the family as one of the most significant institutions shaping civilization today. The week of Nov. 22 through Nov. 28 has been designated as the "Week of the Family in Texas" by Castro County Judge Polly Simpson.)

In 1837, families living in the Republic of Texas had to grow their own grain and grind their own flour. They had to mix their home-grown ingredients to bake their own bread.

Today, bread is baked in a computerized bakery, thin-sliced and plastic-bagged and delivered to the local grocery store.

This tribute to hard-working, early Texans, is to remind you that although the bakery can do your bread for you, no one else can do your family.

The family is an indispensable part of personal growth and development. It should be encouraged, enlivened and enhanced. One way to strengthen your family is through planned *Family Time*.

Most families today don't spend much uninterrupted time together. Families and family members must compete with ballgames, chores, television, meetings, school work...

*Family Time* is based on the idea that each family can benefit from spending time together. *Family Time* is spent in quality projects, events and happenings which deepen, enrich and bring joy to family

life. *Family Time* is a planned event which occurs each week.

*Family Time* doesn't have to be an elaborate or costly event. For example, try a "how-to" night, where family members (especially children and teens) learn some useful new skill, like how to write a check or change a tire. A family service project, such as picking up litter in a park, or baking cookies and sending them to someone, is another type of family time activity. You can play games, do puzzles or discuss a television program you have watched together. With some thought, your family can think of numerous activities for family time.

Be creative in planning *Family Time* and allow each family member to share in the planning. Remember, however, that what you do is less important than doing it together.

## Sunnyside

Bro. Bentley and Kathy Gwyn, Christi and Holly moved to Loop Friday with the help of Lance Loudder, Don Ott, Lynn Cox, and R. V. Bills. He is planning to attend the annual General Convention of Texas in Fort Worth Tuesday and Wednesday as a messenger of the Sunnyside Church, so decided he had to move this week. They came back Saturday evening and had supper and spent Saturday night with E. R. and Willie Mae Sadler. They were given a going-away fellowship meal after the morning services and a crystal bowl of money. Ruth Spencer of Lubbock was present for the services and meal. His resignation was effective the 8th instead of the 10th as reported last week.

Clarence (Harry) Mitchell of Farwell, a former resident of the community and the brother-in-law of Betty Loudder and Janelle Hayden, was admitted to Methodist Hospital in Lubbock Oct. 26 for a heart cath. When it revealed an 80% blockage, they performed open heart surgery that day and put in four by-passes. He has been doing satisfactorily, but remained in CCU until Wednesday or Thursday of this week, when he was moved to a private room.

Pat Elkins was in Amarillo Friday to see a plastic surgeon about her foot. Her mother, Catherine Pierce of Littlefield, spent Thursday night with her and Gerald, and went with her to Amarillo. She was scheduled for surgery and skin grafting Nov. 17. Dr. Strauss Atkinson of Dalhart and Trudy Atkinson of Plainview met them at the doctor's office and they had dinner together at Furr's. Dr. Atkinson visited his church members, who were patients in the hospitals, while the

women did some shopping. Margaret Ann Henderson of Dimmitt took Toots Holbrooks to the eye specialist in Amarillo Wednesday and got a good report. Nancy Jurado, who stays part of each day helping them out spent the day with Slick. Teeny Bowden went to the orthodontist in Plainview Tuesday (Eulless and Hazel Waggoner's son-in-law) to be fitted with a brace to try to correct a jaw misalignment which should also correct the neck pain.

Bess Bills was in Lubbock Thursday for a check-up. She was scheduled for surgery the 16th.

.05 of an inch of rain was received Friday, and .25 of an inch was recorded for Friday night.

Kaye King of Earth was one of five Wayland History students chosen to be a member of a Security Council representing Great Britain at McMurry College in Abilene Tuesday and Wednesday.

Emma Jean King helped with the election in precinct 1 Tuesday in the court house.

Lillian Carson spent the weekend with her mother, Mrs. A. L. Aven of Hart.

Mr. and Mrs. Toby Phipps of Clovis visited last Sunday afternoon with E. R. and Willie Mae Sadler. They had come to visit with cousins, Betty and Alton Loudder who were not at home.

Ezell and Verba Sadler were in Clovis Monday and Tuesday nights for music, in Farwell Thursday night and with the Hereford music group Friday night. They had supper Friday night with Ruth King

By Teeny Bowden 647-5703

and Gay Sadler, Melody and Karla, of Hobbs, who spent the weekend with Ruth. Gay and the girls stopped by the Sadlers on their way home Sunday evening for a short visit.

Leroy and Rogene Lewis of Lubbock visited Sunday afternoon with E. R. and Willie Mae Sadler. Leroy is a brother of Verna Sadler.

Lance Loudder spent the weekend in Wichita Falls with Harold Love.

Lynn and Sharon Cox honored her mother, Lucille Odom of Dimmitt, with a birthday dinner in their home Sunday. Mike and Cindy Odom and Sha and Rae from Dimmitt, and M. B. Odom helped Lucille celebrate the day together.

## Dance is set

A Veterans Day dance will be held Saturday from 9 p.m. to 1 a.m. in the Nazareth American Legion Hall.

Music will be by the Rough Riders and you must be 21 years old or over to be admitted to the dance.

## Presbyterian Happenings

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The adult Bible Class meets at the home of Emily Clingsmith. All other classes meet at the church.

"Your Life Belongs to God" is the subject of Pastor Edward D. Freeman's sermon at the morning church worship service at 11 a.m.

Morning prayers are Wednesday at 6:30 a.m.

"The Twelve," Mark 3:13-19, is the subject of the mid-week Bible study Wednesday at 7 p.m.

## Mules win wild finale, 40-34

The season's final football game started and ended like a Chinese fire drill as the Bobcats and Mules hung 74 points on the flashing scoreboard.

The Bobcats scored first, three minutes into the game, and the Mules scored last with 30 seconds left to take a 40-34 victory. It was as though Bobcat Stadium had become a huge pinball machine and the two teams were during the scoreboard to show TILT.

Three touchdowns were scored before Muleshoe ran its first play from scrimmage. The teams traded four more TDs in the second quarter, with the Bobcats taking a 28-27 lead to the locker room. The Mules scored the only touchdown of the third period, and the Bobcats answered with a TD early in the fourth to tie it at 34-34.

Hoarse fans on both sides of the field appeared willing to leave it at that, but the Mules weren't. They scored again just 30 seconds before the final buzzer to take a 40-34 victory and escape the District 2-AAA cellar.

The win left Muleshoe with a 5-5 season record and a 1-4 district mark. The Bobcats fell to 2-8 and 0-5.

After Muleshoe's opening kickoff, the fired-up Bobcats needed only nine plays to drive 69 yards for the first TD. The big plays in the drive were a 17-yard pass from quarterback Mat Bradley to tailback Kevin Petty and a 14-yard run by Petty. Kelly Howell raced to the right corner from five yards out for the TD, and Jim Nelson kicked the extra point to give Dimmitt a 7-0 lead with 9:00 remaining in the first.

The lead lasted only 14 seconds. On the kickoff, Muleshoe's Estevan Sandeval fielded the ball at the 15 and handed it off to speedy Daniel Olivas, who went 85 yards to paydirt. Olivas added the extra-point kick to knot the score at 7-7.

On Dimmitt's second down after the Muleshoe kickoff, Rick Zimmer made a great catch of a Bradley pass at the right sideline with a Muleshoe defender in his face for a 26-yard gain to the Mules' 38. That play launched a 64-yard, seven-play drive that ended when Chad Davis scored on a left reverse from five yards out with 5:21 left in the first. The Cats bobbled the ball on the extra-point attempt, leaving the score at 13-7.

After Prentiss Washington's kickoff, Muleshoe finally ran its first offensive play with 5:17 remaining in the quarter.

After a dead-ball foul by Muleshoe and a quarterback sack by Emilio Arce for a 17-yard loss, Muleshoe faced a third-and-33. Quarterback Johnny Garcia heaved a spiral downfield that floated 60 yards before hitting the grass—just before a yellow flag did. A ref apparently had a notion to call pass interference, but was overruled, then after a huddle, the officials decided on a personal-foul penalty against Dimmitt.

"That was one of the strangest things that happened to us," Bobcat Coach Clifford Smith said. "The penalty was neither pass interference nor a personal foul, but it got them out of a fourth-and-33 and

### 4-H sets turkey shoot

The Castro County 4-H Trap Club will hold a turkey shoot Sunday, Nov. 15, from 1 to 5 p.m.

Cost of the shoot will be \$3 per event. Cash prizes and gift certificates will be awarded.

The shoot will take place three miles north and three miles east of Dimmitt on Highway 385.

No shotgun shells larger than 3/4-1 1/4-7 1/2 will be allowed. Proceeds from the shoot will go to benefit the Trap Club.

gave them a first-and-10, and they went on and scored."

It took the Mules 16 plays in a dogged drive that used up the rest of the first quarter and the first four minutes of the second. Fullback Armando del Toro carried on nine of those plays—including three of the last four—and scored off left tackle from three yards out with 8:05 remaining in the second period. Olivas added the PAT kick to give the Mules a 14-13 lead.

The Bobcats made a big profit out of the first exchange of punts. Jim Nelson booted a 57-yarder that rolled to the Muleshoe 10, and four plays later the Mules punted from their 13, only to see the ball die at their own 33.

From there, the Bobcats needed only two plays to take the lead again. After a quick eight-yard gain by Davis, Petty got a great clearing block by Zimmer as he raced around left end and went 25 yards for Dimmitt's third score. Howell added two points on a run, and Dimmitt led, 21-14, with 4:11 remaining in the half.

The Mules kicked back with a seven-play, 61-yard scoring drive, highlighted by a 21-yard run by Olivas. Del Toro ran the final three plays and got the TD from two yards out, then Olivas kicked the extra point to tie the score again, 21-21.

The fans had barely sat back down when the Bobcats struck again. On the second play after the Muleshoe kickoff, Bradley hit Arce with a 20-yard pass, and the Dimmitt wingback—being pursued by a faster runner—zigged and zagged 40 yards for the touchdown, with the frustrated Muleshoe defender on his heels all the way. Nelson kicked the extra point and Dimmitt had the lead again, 28-21, with 1:05 left in the half.

But the second quarter wasn't over yet. Olivas turned into a one-man gang as he caught a 32-yard pass from Garcia and ran for gains of seven, six, nine and four yards to give the Mules a first down at Dimmitt's 13-yard line with nine seconds left. Then tight end Mark Underwood got wide open at the 5-yard line, took a pass from Garcia and ran it in for the TD with two ticks left on the clock. Olivas' extra-point kick was an eyelash wide, leaving Dimmitt with a 28-27 halftime lead.

Washington's second-half kickoff hit one of the front-liners on Muleshoe's receiving team, and he fell on it at the 47. From there, the Mules used up most of the third quarter on a 15-play, 53-yard scoring drive.

The Bobcat defense had the Mules stopped after three plays, but on fourth-and-two, Arce broke through to try to block the punt but collided with punter Alex Bachicha. The penalty gave Muleshoe a first down at Dimmitt's 40, and from there they marched on in. On first-and-goal from the 1, the Mules fumbled but del Toro recovered it in the end zone for the TD. Olivas

### Scoring Summary

**First quarter:**  
 D — Kelly Howell, 5 run (Jim Nelson kick), 9:00  
 M — Daniel Olivas, 85 kickoff return (Olivas kick), 8:46  
 D — Chad Davis, 5 run (run failed), 5:21  
**Second quarter:**  
 M — Armando del Toro, 3 run (Olivas kick), 8:05  
 D — Kevin Petty, 25 run (Howell run), 4:11  
 M — Del Toro, 2 run (Olivas kick), 1:48  
 D — Emilio Arce, 65 pass from Mat Bradley (Nelson kick), 1:05  
 M — Mark Underwood, 13 pass from Johnny Garcia (kick failed), 0:02  
**Third quarter:**  
 M — Del Toro, 1 run (Olivas kick), 4:28  
**Fourth quarter:**  
 D — Davis, 1 run (kick failed), 11:17  
 M — Olivas, 5 run (run failed), 0:30

**Records: Dimmitt 2-8, 0-5; Muleshoe 5-5, 1-4**

kicked the extra point, and the Mules had the lead again, 34-28, with 4:38 remaining in the third.

Later in the third, Nelson punted Muleshoe into the hole again at their own 8. Then Dimmitt's defense set up the Bobcats' final TD when the line pressured Garcia on a third-and-five pass play, forcing him to put it up for grabs, and Howell intercepted the pass at the Muleshoe 30 and returned it to the 21.

Five plays later—with less than a minute gone in the fourth—Davis went over on a dive play from one yard out to tie the score at 34-34. The Bobcats bobbled the snap on the extra-point play and didn't get the kick away.

Dimmitt got a big break three plays after the ensuing kickoff when Muleshoe fumbled the ball away at its own 25. But three plays later, the Mules pulled a linebacker blitz and knocked Bradley loose from the ball, recovering it at the 30 to erase the break.

The Mules marched to the Dimmitt 16, but on third-and-four the Bobcat line swarmed Olivas for a

three-yard loss. Olivas attempted a tie-breaking 36-yard field goal but it was wide.

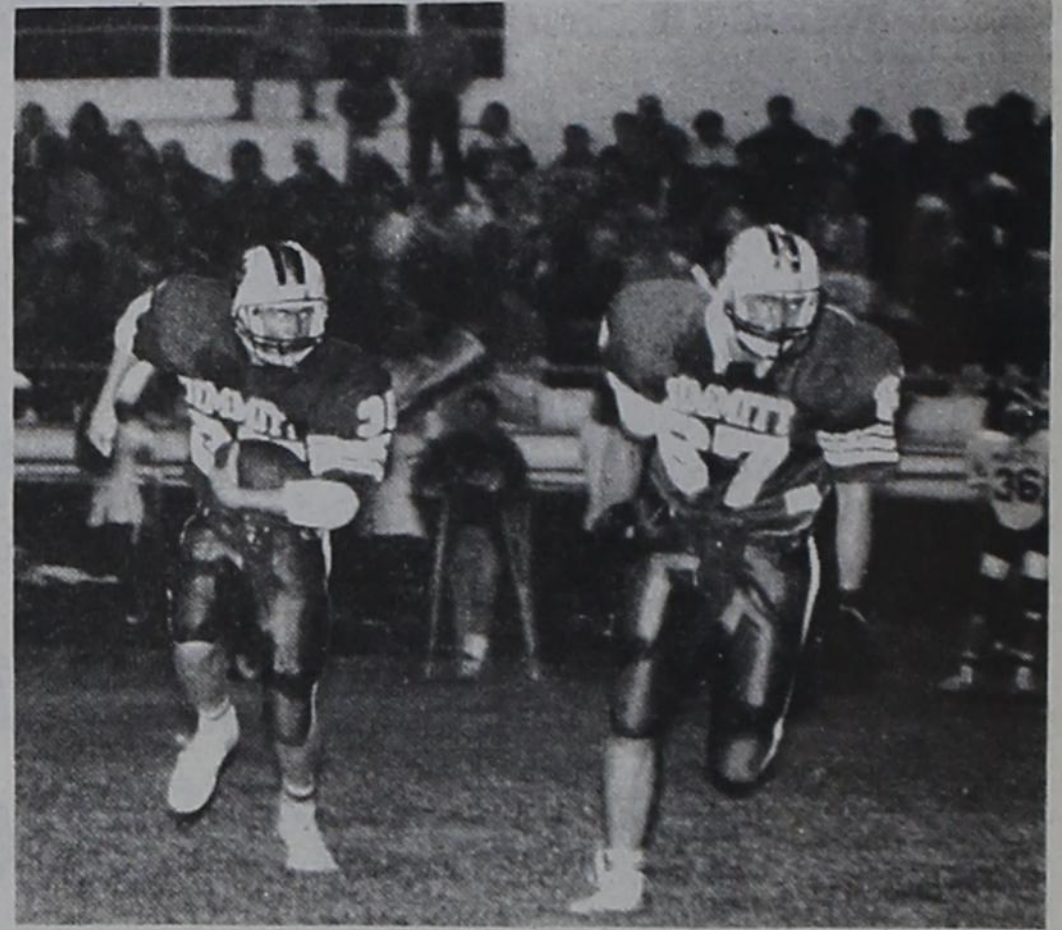

With time running out, Muleshoe's stiffening defense gave up only three yards on two plays. Then on third-and-seven, five Mule defenders trapped Arce near the left sideline on an attempted sweep. Arce reversed his field and retreated to find running room, only to be hauled down at the 7-yard line.

Nelson punted it out to the 35, and from there the Mules started their winning drive.

On second-and-nine at Dimmitt's 24, the Mules fumbled a handoff, but Lady Luck stayed with them—del Toro picked it up and ran 19 yards to the Bobcat 5. On the next play Olivas ran to the left and carried a Dimmitt tackler with him into the end zone with 30 seconds remaining. The PAT run failed, leaving the score at 40-34.

The Bobcats came back with four passes, but two were dropped, one fell incomplete and one gained only five yards.

The seven-touchdown game lasted two hours and 50 minutes.

**HEADING SOUTH**—With Kyle Shelton (67) leading interference, Dimmitt's Kelly Howell races right and looks for a place to cut southward in the Bobcats' season finale against Muleshoe here Friday night. Howell scored Dimmitt's first TD and intercepted a pass to set up another during the wild-scoring game. Muleshoe scored in the final minute to take a 40-34 victory. Photo by H. Quinonez

# MORE THAN JUST A POWERSHIFT

With a MAGNUM tractor, you get more than just a powershift . . . you get a new more powerful engine, more comfortable cab, more hitch capacity and more.

Ask us about the four all-new Case IH MAGNUM tractors, from 130 to 195 PTO hp.

The 18-speed full powershift transmission, standard on all new Case IH MAGNUM tractors, gives you 20% more working speeds than John Deere models with the 15-speed powershift.

And if that's not enough, you can get a MAGNUM tractor with a full powershift creeper transmission that gives you six additional speeds in the .5 to 2.1 mph range. It's a Case IH exclusive, for MAGNUM tractors.

**MAGNUM means more.**

# Happy edges Swifts out of playoffs in heartbreaker

It was a fight to the finish—the winner wasn't even announced until the statistics were tallied.

The lead changed hands five times during the game and when the final seconds expired, Nazareth and Happy had battled to a 16-16 draw in a game that decided the number two seed in District 1-A South Friday night in Happy.

Happy edged Nazareth out of a playoff spot by one 20-yard penetration in the first tiebreaker.

Defensively the Swifts were all over the field. Wayne Wilhelm, who just played on defense in the second half, recorded 10 solo tackles and one assisted. Teammate Wes Dobmeier brought down 11 Cowboy ball carriers on his own and helped bring down six more.

Nazareth ran 56 offensive plays to the Cowboys' 76, but managed 336 yards total offense to Happy's 291. Nazareth quarterback Schmucker was accurate on 14 of 35 passes for 241 yards and two touchdowns.

"We threw the ball real well and when we ran it we did okay," said Nazareth Coach Rex Minshew.

"I felt like both teams plays as hard as they could. Ties are just part of football. The kids played well," Minshew added.

Nazareth ended its season with an impressive 8-1-1 record, but missing the playoffs by a razor's edge is a little hard to handle.

The teams fought to a scoreless first period, but both had moments of glory.

On Happy's third offensive play of the game, halfback Moses Medina lost control of the ball and Marty Gerber recovered the fumble at Nazareth's 47-yard line.

On the next play with 9:28 left, tailback Gregg Gerber took off down the right sideline for 53 yards into the end zone, but... a yellow

flag fluttered to the ground back at the line of scrimmage after the play ended.

After conferring, the referees made the call, "Offsides, Happy and clipping, Nazareth. Offsetting penalties, replay the down."

It was just what Happy needed to hear. The call cancelled the six points and stunned Nazareth's offensive momentum.

Happy got the ball back four plays later and didn't score, but they picked up their first penetration. The Cowboys worked their way to the Swifts 17-yard line, before turning the ball back over to Nazareth on downs.

Nazareth took over with 4:22 left and utilized a ground attack to get into field goal range early in the second quarter.

Gerber picked up 24 yards on the first two downs to move the ball to the 41. Two plays later, Brad Hoelting, who caught eight passes for 184 yards in the game, hauled in his first pass of the game from Chris Schmucker for a 25-yard gain. Heath Schulte gave the Swifts a third-and-three situation on Happy's 26 after he caught a 5-yard toss from Chris Schmucker, then Gerber and Brian Schmucker gained 18 yards on three plays to set the Swifts up with a first-and-goal from the 8. A Cowboy jumped offsides, good for a 4-yard gain to the 4, but, three plays later at the start of the second period, the referees moved it five yards back on a Swift penalty.

Schulte put the Swifts on the scoreboard first with a 25-yard field goal with just 21 seconds expired in the second quarter.

Nazareth's defensive line and linebacker corps got tough and held the Cowboys on a third down attempt and Scott Sims punted the ball to Nazareth's Schulte. The ball slipped through Schulte's fingers

and Happy took over and began its first scoring drive.

Driving 28 yards in just eight plays, Happy took a 7-3 lead on a 7-yard run by Guy Coile with 5:50 left in the half. Jesse Sosa kicked the PAT.

The teams traded punts for awhile, then Nazareth pulled a few surprises from its duffel bag.

The Swifts started from their own 32 with very little time remaining. With the help of an offensive line that controlled the line of scrimmage, Chris Schmucker completed three passes to Hoelting, including a go-ahead touchdown.

A 20-yard flip started off the drive and moved the ball into Cowboy territory on the 48-yard line and another 25-yard pass moved Nazareth to the 23. Hoelting appeared in the end zone from nowhere on the next play to pick a 23-yard scoring pass out of the air with :09 left. Schulte's extra-point was good and put the Swifts up 10-7.

Happy opened the second half with a 70-yard drive culminating in a 1-yard touchdown run.

After eating away almost half of the time in the third period with a ground attack, Happy regained its lead when quarterback Marty Middleton and his offensive line surged forward for the TD. The kick failed, but Happy held a 13-10 lead.

Nazareth struck back with 1:48 left in the stanza.

On second-and-twenty from Nazareth's own 37, Hoelting out-reached a Happy defender to catch a pass from Chris Schmucker, then raced untouched down the middle

of the field for a 63-yard scoring play. Schulte's extra-point was wide and the Swifts settled for a 16-13 lead.

The game-tying field goal was kicked by Sosa with 8:46 left in regulation.

Staying with a ground attack that worked for them all night, the Cowboys drove to Nazareth's 4-yard line, but elected to kick a field goal on fourth- and -three. Sosa's 21-yard field goal tied the game at 16 with 8:46 left in regulation.

Nazareth took the kickoff and started working from its own 24. They drove the ball all the way to the 3-yard line and threatened to take the lead, but it just wasn't meant to be.

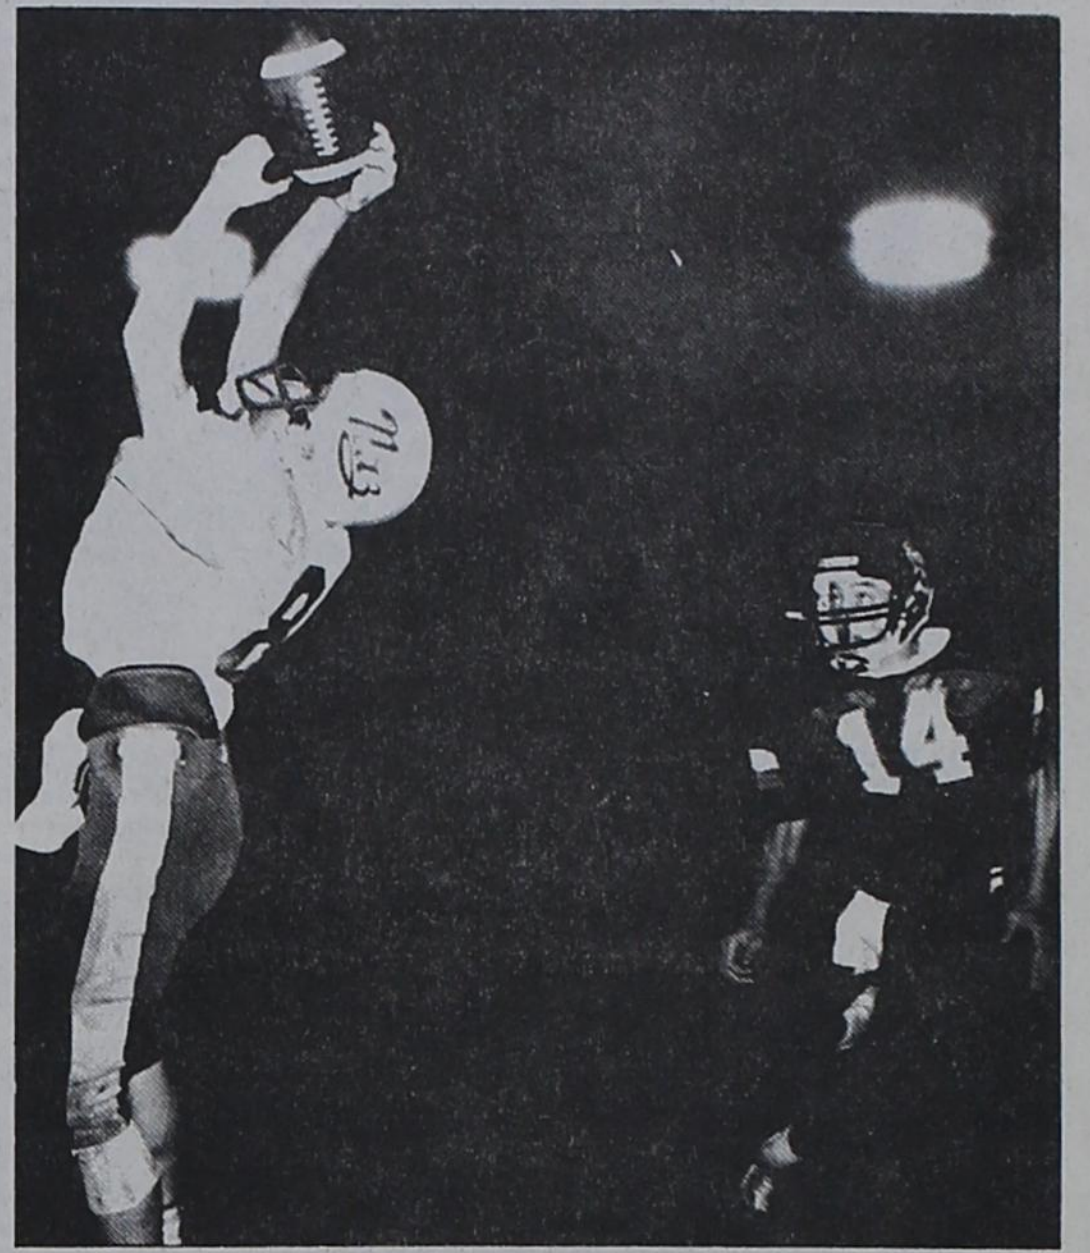

A pass intended for end Brad Kleman slipped through the receiver's hands and a third down play failed to go anywhere, so Nazareth prepared to kick a field goal.

In a controversial call, the referee behind the goal post ruled Schulte's 20-yard kick was wide and the score remained knotted at 16, but penetrations were tied at four.

Happy's game-winning penetration came with under 45 seconds left in the game.

Sosa raced nine yards to the Swift 19-yard line. Happy didn't score, but the penetration gave Happy the victory and a shot at the playoffs.

"They did an excellent job all year long. There weren't many people around who thought we'd finish the season at 8-1-1. We didn't have a lot of great talent, but the kids played well together. I just want to congratulate the team for a job well done this year. I couldn't have asked for a better group of kids," Minshew said.

BY THE EDGE OF HIS FINGERTIPS, Nazareth's Brad Hoelting (88) catches a pass from quarterback Chris Schmucker just in front of Happy defender Marty Middleton (14). Hoelting pulled in eight receptions for 184 yards in the game to lead Nazareth's offensive gainers. The two teams tied at 16, but it was Happy that won the right to advance to the playoffs—they had one more penetration than the Swifts.

## Letter

### Coach thanks fans for support

Dear Editor:  
 It's here again. Once more that time of year has returned where avid fans crowd into gymnasiums to enthusiastically support their local teams. For the next four months, Tuesday and Friday nights will become regular outing times for many.

On behalf of the Nazareth Athletic Department, I would like to thank all of our fans for the constant and dedicated support you have always shown to our teams in the past. We sincerely hope our fans continue this tradition.

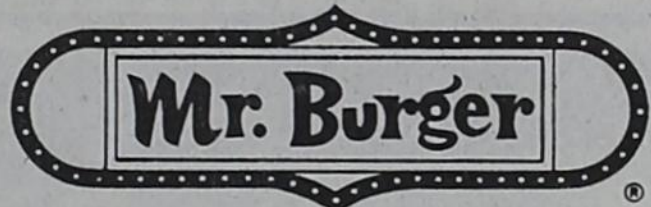

This promises to be an exciting year for basketball and the teams will soon have an opportunity to display their skills which have been backed by many hours of hard practice. Not only have we tried to teach our students to be the best basketball players they can be, but more importantly to be the best people they can be. "Competition with Class" is a motto we would do well to remember.

Many times in the heat of the moment, emotions run high and we don't stop to think what we are saying or doing. We have tried to teach our pupils to control their emotions on the court and we hope they set a good example for all who are involved. We appeal to our fans this year to continue their enthusiastic support, but to please use their enthusiasm in a positive way rather than a negative manner. We encourage fans to cheer "for" our teams, not "against" other schools, coaches or officials. It would be a disastrous thing indeed for our teams to be penalized for the outburst of an overzealous, misguided

fan.  
 John F. Kennedy described class as "grace under pressure" and this is what we have attempted to instill in our players. Please join us in our effort to make this a successful year for our teams where hopefully something can be learned off the court as well as on.

Sincerely,  
 Sandy Heiman  
 Nazareth Swiftettes Coach

THE BOBCAT JUNIOR VARSITY, coached by Roy Dudgeon (left) and George Rasor, were the district co-champions this season with an 8-2 record. They defeated Muleshoe 17-8 last Thursday to finish in a tie with Tulia with a 4-1 district record. Photo by Gamer Ball

THE FRESHMAN BOBCATS, coached by Alan Steidle (left) and Marty Hursh, defeated Muleshoe 28-6 last Thursday to capture the district championship with a 4-0 league record. They compiled a 9-1 season mark, with their only loss a 16-8 setback by the New Deal Junior Varsity. Photo by Gamer Ball

## Dimmitt JV and Freshmen are district champions

Dimmitt High School's junior varsity and freshman squads both closed out their seasons with victories over Friona last Thursday.

The Freshman Bobcats won their district championship with a league record of 4-0 and a season mark of 9-1. Their only loss was to the New Deal Junior Varsity, 16-8.

The JV's finished as district co-champs, tied with Tulia with a league mark of 4-1. They finished their season with an 8-2 record.

The Freshman Bobcats had to come from behind to win, but they struck for 14 points in the second quarter and 14 more in the fourth to take a 28-6 victory.

After Muleshoe took a 6-0 lead in the first quarter, Freddie Martinez scored on a one-yard run and Raul Jackson kicked the extra point to put Dimmitt ahead, 7-6. Then Martinez tossed a 31-yard scoring pass to Filiberto Oliva for another TD and Jackson kicked the PAT to give Dimmitt a 14-6 halftime lead.

After a scoreless third quarter, Miguel Ontiveros got a TD on a 21-yard run in the fourth. John Ortegon passed to Scott Acker for a two-point conversion to hike Dimmitt's lead to 22-6.

Henry Rocha, the team's leading scorer and ground-gainer this year, added the season's final TD with a two-yard run later in the fourth. Jackson's extra-point kick was blocked.

Dimmitt rushed for 222 yards and passed for 88 to finish with 310

yards, compared with 172 for Muleshoe (160 rushing, 12 passing).

Top ground-gainer this time was Ontiveros with 108 yards on eight carries. Rocha netted 85 yards on 22 totes, Espinosa gained 16 on two carries, and Adam Cline carried twice for 16 yards.

Martinez completed four of 10 passes for 86 yards, with one interception. He finished the year with a 46% completion rate (70/151) for 924 yards and 60 points.

Alafa caught two passes Thursday for 60 yards and a TD; Ortegon caught one pass for 25 yards; Rocha caught a pass for a one-yard gain; and Acker — the team's leading receiver this year — caught a two-point conversion pass from Ortegon.

Ontiveros averaged 33 yards on three punts, and Jackson was 2-of-3 on extra-point kicks.

The DHS Junior Varsity had to come from behind last Thursday, too, spotting Muleshoe eight points before surging to a 17-8 victory.

Muleshoe scored on a four-yard run with 2:34 left in the first quarter to take an 8-0 lead. The JV Bobcats evened the score in the second when Leo Castro got a TD on a two-yard run with 7:01 remaining in the first half, then caught a pass from John Flores for a two-point conversion.

In the third, Flores connected with Josh Gonzales on an 18-yard

scoring pass and Masatoma Itonaga kicked the extra point to put Dimmitt ahead, 15-8. Brian Stewart earned a two-point safety in the fourth when he tackled a Muleshoe runner in the end zone to hike Dimmitt's lead to 17-8.

In total offense, the game was a standoff. Dimmitt gained 107 yards rushing and 60 passing, while Muleshoe had 104 yards rushing and 59 passing.

Velasquez gained 58 yards on 15 carries and Castro picked up 54 yards on 11 carries to lead Dimmitt's running game. Flores completed three of six passes for 60 yards, with Gonzales catching two for 57 and a TD and Castro catching one for a two-point conversion.

## Harman wins Allsup's race

Renea Harman of Dimmitt captured first place in the women's division of the Allsup's fall road race held in Clovis on Oct. 31.

Harman ran the mile race in a time of 5:41, good for first place among women and a twelfth place overall finish out of 44 runners.

Todd Parker of Dimmitt finished 13 in the men's 30-39 age group in the 10,000 meter run. His time was 43:33.5

# Hart ends season with 14-7 victory over Owls

Hart's Reno Montiel intercepted a Jaime Garabay pass and returned it 13 yards to break a 7-7 deadlock with 2:30 left in regulation to give the Longhorns a 14-7 victory.

The win ended Hart's season with a 4-6 record, 2-3 in district play.

The Longhorns played their best game of the year, with the offense and defense working together, according to Hart Head Coach Mark Stroebel.

Hart picked up 129 yards during the first half and limited Hale Center to minus 5 yards rushing and 73 yards passing in the second half to help post the victory.

"This was a victory that was desperately needed by the entire unit," Stroebel said. "I thought everyone played exceptionally well, especially Cody Myrick. Cody played quarterback after only working at that position for two weeks and came out and did an outstanding job."

The Longhorns jumped out to an early lead in the contest. They

held the Owls on their opening possession and forced a punt. On Hart's first possession of the game, they struck pay dirt.

Hart drove 56 yards on the running of Larry Brown and Danny Valadez. A crucial 15-yard pass from Myrick to Modesto Gonzales set up the touchdown. On third-and-nine from the 17-yard line, Myrick threw to Jimmy Martinez who made a spectacular catch in the end zone. Brown booted the extra-point to put the Longhorns up 7-0 with just 5:53 expired in the contest.

Hale Center came roaring back with a long touchdown run after a Hart punt.

Garabay ran an option around the left end and rambled 58 yards to score. Victor Herrera booted the PAT to tie the game with 28 seconds left in the first quarter and that was the way the score stayed until Montiel's interception.

Hale Center was deep in its own

territory when Garabay attempted a middle screen pass. Hart noseguard Pedro Carrasco read the play and deflected the pass. Montiel picked the ball out of the air and raced for the winning touchdown. Brown added his second point-after kick to provide the final margin of victory at 14-7.

THE EIGHTH GRADE BOBCATS, coached by Lyman Schroeder, compiled a season record of 7-0-1 and finished as district co-champions. It was the squad's second district championship and second undefeated season. The eighth graders have a two-year record of 16-0-1. Photo by Gamer Ball

## 8th graders still unbeaten

Dimmitt's eighth grade Bobcats downed Muleshoe 27-8 last Thursday to complete their second undefeated season in junior high football.

They finished as district co-champs with a 7-0-1 record, and have compiled a two-year mark of 16-0-1. This was their second district title.

"In my records of the past 10 years, no other team in the junior high level has had the career record that this team has," Coach Lyman Schroeder said.

The eighth graders scored all their points in the first three quarters last Thursday. Muleshoe got its lone TD in the fourth.

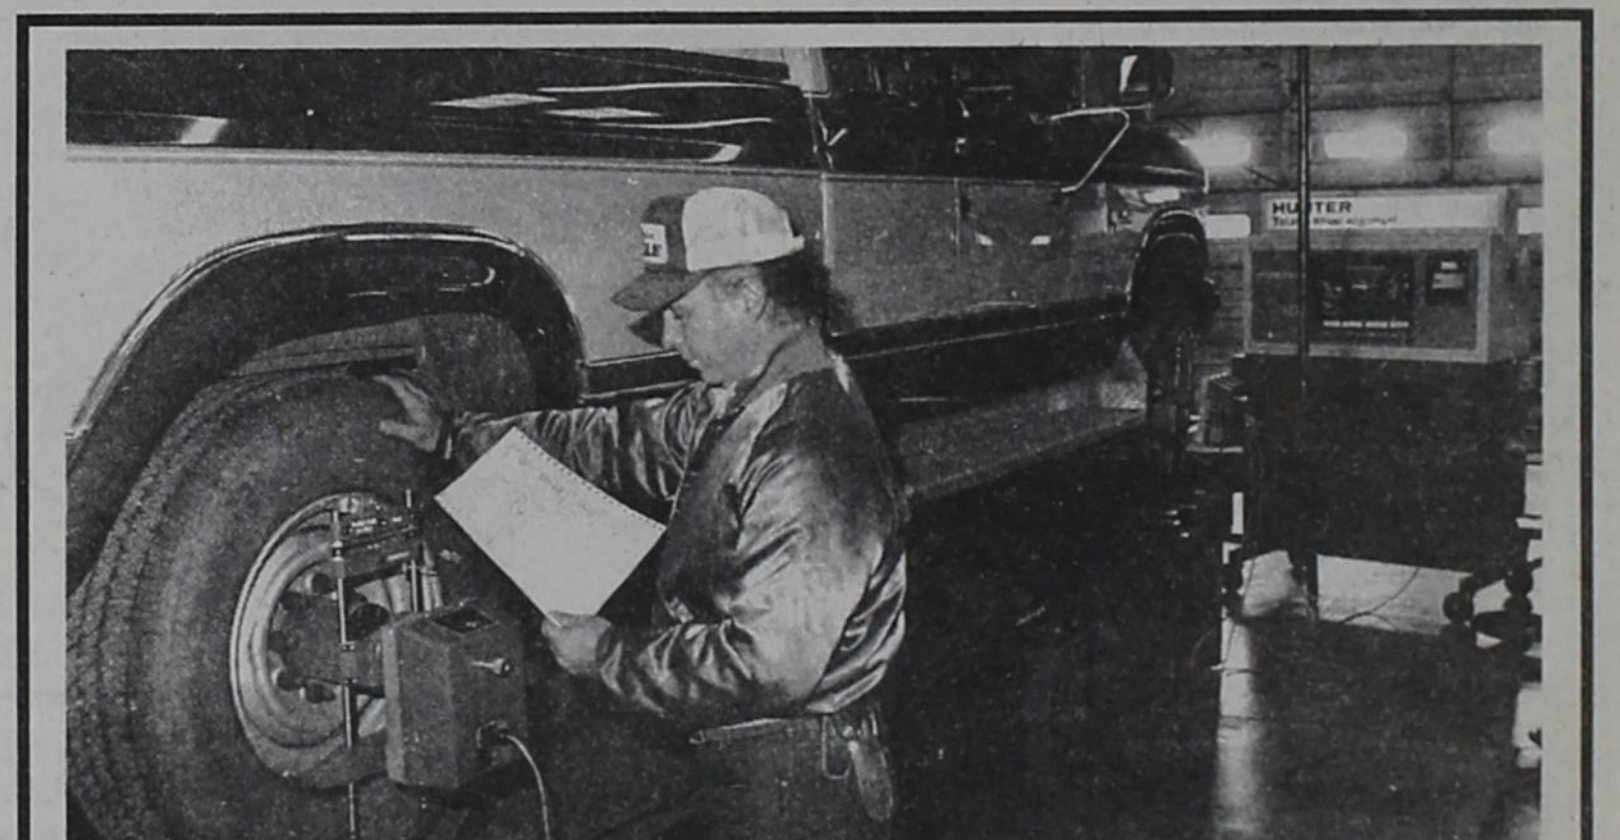

Armando Arce scored Dimmitt's first two TDs with a 36-yard run in the first and a 47-yard sprint in the second. Robert Ruiz ran a two-point conversion after the second TD to give Dimmitt a 14-0 halftime lead.

Ruiz scored two touchdowns in the third on runs of two and seven yards, and kicked an extra point to become the game's top scorer. Arce

was the main ground-gainer with 120 yards on 11 carries.

The seventh grade Bobcats defeated Muleshoe 6-0 last Thursday to finish with a 2-5-1 season mark. Kyle Haines ran the winning touchdown in from 11 yards out in the first quarter, and the rest of the game was scoreless. Haines had a super running game with 21 carries for 143 yards.

The seventh graders finished third in district behind Tulia and Floydada.

Kenny Paxton checks a computer print-out while adjusting the rear-wheel balance and alignment of James Burnam's F250 pickup with the new Hunter Total Wheel Alignment system. In right background is the system's "command stand," with color monitor, printer and precision control center.

## Today's cars need 4-wheel alignment

Today's cars—especially front-wheel drive models—need 4-wheel alignment to insure proper performance.

Our new computerized Total Alignment System is specially designed to meet today's complex alignment needs. We'll check and adjust the alignment angles of each wheel, front and back, to meet manufacturer's specifications. Total Alignment then relates all four wheels to a common centerline to give you precise handling and a smooth ride.

Get a better ride, longer tire life, improved handling, better gas mileage, and insure safe driving. Bring the pleasure back to driving . . . and save money, too.

mage, especially the carpet. An itemized list of damages submitted by a claims adjuster shows a total loss of \$30,139.63.

The trustees authorized Supt. Robert Ryan or Business Manager Gene King to negotiate a settlement with the contractor's insurance company. King said any funds received would be used to buy replacement carpet for four classrooms and possibly some offices, and to pay for professional cleaning of the hall carpeting.

Board members voted to renew the lease contract with Wes Tex International Corporation for energy management at the middle school. The first year of operation (from June 1986 to June 1987) netted a savings of \$11,956.43, with Wes Tex receiving half that amount as payment.

The board declined to purchase the energy-saving equipment, citing its expensive maintenance needs, and opted to receive \$5,378.40 on renewal of the lease.

Ryan told the trustees that the

pre-kindergarten program exceeded enrollment expectations this year, and the district has applied for a waiver on the required teacher-pupil ratio of 1 to 22. Ryan said the application noted that the district is currently constructing additional classroom space. He told the board that several pupils had to be dropped to make room for others who met the program requirements, which include income level and English proficiency.

Ryan informed the board that the Texas Education Agency has scheduled a monitoring visit for Nov. 18-20.

# Spring captures top awards in horse show

Kim Spring of Dimmitt, member of the Castro County 4-H Horse Club, captured the three top awards at the New Mexico Horse Shows Association competition at Roswell Oct. 25.

Held at New Mexico Military Institute, the show was the championship show for New Mexico this year.

Spring, 14, rode her three-year-old mare, Chica Tanqueray, to first place in both Western Pleasure and showmanship in her age group and also was named the overall reserve champion in horsemanship.

She brought home three award plaques which she will get to keep for a year.

She is only the second Texan to win the New Mexico Show's Showmanship at Halter traveling

plaque in the past 20 years and is the fourth Texas to win the Western Pleasure plaque since 1975.

She is the daughter of Charles and Sue Spring, and is an eighth grader in Dimmitt Middle School.

She has participated in horse shows in Texas and New Mexico all but three weekends since the Castro County 4-H Horse Show in June, and competed Saturday and Sunday at Sweetwater. She is working to garner enough winners' points to qualify for the Junior World Horse Show to be held in Tulsa, Okla., next year.

She has won more than 100 trophies, belt buckles and plaques with her first mare, Doo Bee a Ten, and her current mare, Chica Tanqueray.

# State ASCS head to speak at meeting

The National Grain Sorghum Producers Association will host a producer information meeting at the Amarillo Farm and Ranch Show Tuesday from 1:30 to 4 p.m. in the main meeting room at the Amarillo Civic Center.

Terrance G. Harman, Texas state director of the Agricultural Stabilization and Conservation Service (ASCS) will address producers concerning compliance with the provisions of the farm program for 1988. There will be a planned

question and answer period after Harman's presentation.

Harman, a native of Swisher County, was appointed executive director of Texas ASCS in June, 1987. He had previously served on

the Texas agency for three years as district director for 12 northwest Texas Panhandle counties. He later moved to Washington, D.C. and served as regional director of ASCS for 14 western states. He also served as director of the cotton, rice, and oilseeds division of the ASCS.

Dr. Bruce Boren, animal nutritionist and associate director of National GSPA, will present an overview of market development and research activities that the association is currently conducting. These activities include poultry feeding in Peru, Morocco, Turkey, Tunisia, Egypt and Poland. Swine feeding projects are also being conducted in Portugal and Bulgaria along with consultations with feed-mill nutritionists in Taiwan, Korea, Peoples Republic of China and Japan.

Carson County farmer, Billy Bob Brown will preside over the meeting. Brown serves on the executive board of National GSPA as vice president for research and education. He also serves as director for the Grain Sorghum Promotion Federation, and was recently elected to the Texas Grain Sorghum Producers Board.

"This will be a great opportunity for farmers to get the facts for '1988 planting and set-aside requirements. We will also show them what National GSPA accomplishes with their membership dues. While checkoff money is used for research and market development, only producer membership dues can be used to represent the sorghum farmers on a legislative level. I believe that farm policy is going to be the main factor on sorghum prices over the next year, and farmers need to know that work together through National GSPA can make a difference," Brown states.

Hansford County GSPA Director, Loyall Turner, and Carson County Director J.D. Kelly will also participate in the program. All producers and other persons involved in agriculture are invited to the meeting.

# Experts offer tips on buying stocker calves

Stocker cattle operators are now buying calves to put on winter pasture, and the type of animals they buy will go a long way in determining whether or not they will reap a profit.

"The stocker operator must buy cattle that will grow fast, be efficient in feed conversion, and sell for top dollar," points out Dr. Larry Boleman, beef cattle specialist with the Texas Agricultural Extension Service.

Since the calves from his operation will be going to feedlots next spring, the stocker operator must also consider the value of these animals to the feeder, adds Boleman. The cattle feeder is interested in rate of gain in the feedlot, feed efficiency, carcass cutability or USDA yield grade, and carcass quality or USDA quality grade.

"Stocker calves that have the potential

for performing efficiently in the feedlot and producing a choice carcass in the one to two yield grade class will demand a top price," says Boleman. "Buyers will often pay \$3 to \$5 more per hundredweight for calves with that kind of potential compared to those that might only produce a good grade carcass with a yield grade of four or five."

This means that stocker and feeder cattle buyers must use their knowledge and experience to determine which calves will ultimately excel in feed efficiency, average daily gain and carcass characteristics. Visual evaluation of frame size, muscling and breed characteristics help determine the economic outcome of the calf, says the beef cattle specialist.

"Frame size refers to the animal's skeletal size—its height and body length—in relation to its age,"

says Boleman. "These evaluations in feeder calves are directly related to differences in mature sizes of cattle and therefore have an important bearing on the animal's performance in the feedlot." Frame size designations are referred to as large, medium or small and are used in the USDA feeder cattle grading system.

According to the specialist, muscling in feeder cattle refers to the development of the muscle system in relation to skeletal size. Feeders of the same age and frame size vary in thickness due to differences in bone structure, muscling and degree of fatness.

"Animals with a greater muscle thickness will normally produce a higher yield carcass than an animal of the same frame size that is narrow throughout," said Boleman. Muscle thickness is classified as to three levels, and is included in the USDA grades of feeder cattle. No. 1 is the most muscular and No. 3 is the least muscular.

As far as breed characteristics are concerned, Boleman points out that buyers usually pay the highest prices for crossbred feeder calves that contain varying percentages of traditional, exotic and Brahman breeding depending on feeding locations and local market preferences.

"Feeder cattle buyers select animals on the basis of how they think they will perform in the feedlot," he adds. "Ideally, they want an animal that will produce a choice carcass with a No. 2 yield grade. That's the target that all cattlemen need to shoot at."

# Nazareth By Virgie Gerber, 945-2669

Urban Ball has returned home from a two week vacation at McKinney where he visited with his family, Esther and Butch Braddock. He said he did a little bit of everything and really enjoyed his stay.

We are glad to report that Joe Lange is home from the hospital and is doing well.

Congratulations to Mick and Jane Gerber on the birth of a son, Alan Robert on Oct. 31 at Plains Memorial Hospital in Dimmitt. Grandparents are Leonard and Alvina Gerber and Vincent and Chec Guggemos.

Congratulations to Pierce and Pat Brockman of Richardson on the birth of a son, Jerod Patrick on Nov. 2 at Richardson Medical Center. Grandparents are Pat and Don Maas of Cedar Rapids, Iowa and Cyril and Mitzie Brockman of Nazareth. Great-Grandparents are Alma Conrad and Agnes Brockman of Nazareth.

Nazareth football fans would like to thank our football team and coaches for an exciting year. We are proud of you.

Eric Wayne, infant son of Jerry and Tricia Rose of Tulia was baptized Sunday morning after mass. The baptism was officiated by Deacon Jerome Brockman in Holy Family Church. Eric's sponsors were Gene and Susie Gerber of Odessa.

Dinner was enjoyed at the Rose

home in Tulia after the baptism by Gene, Susie and Jenny Gerber and a friend, Wendy of Odessa; Ed and Ruth Rose of Whitney, Albert and Virgie Gerber, Meta Stork and the hosts, Jerry and Tricia Rose.

Funeral mass was said for Anna Rose Evers, 93, of Muenster, in St. Mary's Catholic Church in Umbarger with Rev. James Sonderman officiating. Burial was held in St. Mary's Cemetery in Umbarger. Mrs. Evers was the grandmother of Patsy Huseman of Nazareth.

# BUILDING SUCCESS ... step by step

## Newspapers Offer Wide Variety of Reader Audiences

Today's newspaper offers the retailer an unlimited variety of formulas to best get his ad message across - effectively and to the right audience.

- Some advertisers want their messages going to specific audiences. Others prefer saturation coverage. And still others desire general coverage. Newspapers, and newspapers **ONLY**, have systems available for meeting such a variety of demands.
- Newspapers are the **ONLY** medium serving all three categories of advertising . . . retail, classified and national.

**FUN... AND WORK**

To receive pleasure we must put out some effort. The building of a sled, or pulling it afterward is work, but all of these things add up to a wonderful time. The same holds true with the Lord, those who serve him receive the greatest pleasure.

"Serve the Lord with gladness... enter his courts with praise."

**EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Locals plow through new trucking regulations

Truckers, farmers and ranchers from the area will meet with representatives from the Dept. of Public Safety License and Weight Service next Thursday to plow through the implications of the new Federal Motor Carrier Safety Regulations. The new regulations, adopted by the last session of the Texas Legislature, will begin going into effect in January of 1988. On Jan. 1, 1988, new regulations on equipment will go into

effect, according to Sgt. Harold Emery, Area Supervisor for the License and Weight Service, and will involve such items as tire standards, oil leaks, broken springs, broken frames and more. Beginning June 1, 1988, requirements on driver's logs will take effect, according to Emery. Then, starting on Jan. 1, 1989, drivers of vehicles with a gross vehicular weight of 10,000 pounds or more will be

required to have a medical certificate and medical card, Emery said. Those attending the Thursday meeting will need a copy of the Federal Motor Carrier Regulations, which can be obtained from the Hereford Chamber of Commerce. There will be no charge for the meeting unless funds are needed to pay for the community center. All affected persons are urged to attend.

JOHN RAY PIPER

## Piper is new trooper

John Ray Piper, 26, has been assigned to the Highway Patrol Service in Dimmitt as a DPS Trooper. Piper was one of 83 cadets recently commissioned as state troopers in graduation ceremonies in Austin. He is a native of Guthrie and assumes his new duties in Castro County immediately. The DPS training course included instruction in traffic law, criminal law, arrest procedures, accident investigation

## Shot clinic set

An immunization clinic offering vaccines against several childhood diseases will be held at Hart in the elementary school on Nov. 23 from 10 to 11:15 a.m. The vaccines will offer protection against polio, diphtheria, lock jaw, whooping cough, measles, mumps and rubella. The Texas Department of Health is charging a small fee to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size and the ability to pay.

## Social Security in Castro County

By TERRY J. CLEMENTS

The supplemental security income (SSI) program, designed to provide a floor of income protection for needy people 65 and over, or blind or disabled, does not require that people sell their home and all their possessions before they can qualify for payments. Single persons may own resources valued up to \$1,800 and couples up to \$2,700 and still be eligible for payments. And some resources do not count in figuring SSI eligibility. Resources under SSI are defined as any property that can be converted into cash (if not already cash) to be used for their food, clothing or shelter. Resources include real estate, personal property, savings and checking accounts, stocks and bonds and just about anything else of value a person may own. Among the most common things entirely or partially excluded when counting resources for SSI purposes are the following:

- \*A home (and adjacent land) which a person owns and makes his or her principle place of residence, regardless of its value;
- \*Personal effects and household goods with a total equity value of \$2,000 or less. If the total equity value exceeds \$2,000, the excess counts. The equity value is what an item can be sold for, less the amount of any legal debt against it;
- \*A car regardless of value, if it is used by any member of the household for transportation to a job, to maintain essential daily activities or if it is modified for use by a handicapped person. If a car cannot be excluded for any of these reasons, up to \$4,500 of its current market value is excluded;
- \*Life insurance policies with a total face value of \$1,500 or less per person;
- \*Burial plots or spaces regardless of value, if intended for the use for a person or his or her immediate family; and
- \*Burial funds set aside for an

individual or his or her spouse of up to \$1,500 each. If you are in need and are 65 or over, blind or disabled, you should not try to figure out if you can qualify. Apply and let the experts at the Social Security office do it. You may contact us at 1401-B West Fifth Street, or call us at 293-9623. Appointments can be arranged if desired.

## ASCS News

LAA - 2 (Community C) will elect Community Committeemen for a three year term. A County Committeeman and two alternates will also be elected for three year terms. 1987 election calendar is:  
Nov. 24 — Ballots mailed to eligible voters.  
Dec. 7 — Final date to return voted ballots.  
Dec. 9 — Ballots counted at Castro County ASCS office.  
Dec. 16 — County convention at Castro County ASCS office.  
Jan. 1, 1988 — New committee members and alternates take office.

Loans are available on 1987 crop high moisture corn and grain sorghum. Loans of this type must be requested within 30 days after harvest of the commodity, but no later than Dec. 31. Interested producers are requested to contact the County ASCS office for additional details. Soybeans grading #2 or better, are \$4.56 per bushel. Soybeans are not eligible for the farmer-owned reserve programs or for storage payments. Soybeans produced on prevented or failed acreage are not eligible for price support loans.

## Ministerial Alliance

Brandi Kendall will lead the Castro County Ministerial Alliance in a study of Hebrews 3:7-4:13 Tuesday at 10 a.m. at the Hart Church of Christ.

Original holders of generic CCC-6s, whose expiration dates have passed, may provide written requests for cash and the CCC-6 held past the expiration date to CCC before Oct. 31, or within six months of the CCC-6's expiration date, if possible, but no later than 18 months after the CCC-6's expiration date.

The next CRP signup will be Feb. 1, 1988 through Feb. 19, 1988. The Conservation Reserve Program nears 23 million acres with a goal of 40 to 45 million acres by 1990.

Deliberate burning of any annual crop residue, unless waived by the county or state committee could be considered as defeating the purpose of the program. In these cases, all or any part of the cost-share that was paid under the ACP or would otherwise be due under the program during the year in which this action was taken may be required to be refunded or forfeited. If you have any questions, please contact the ASCS office.

## CRP GRASS SELECTIONS

By Dr. Bill Dahl—Director of Range and Wildlife at Texas Tech University. The best guide to a native species (or species mix) to seed is to find out which native, long-lived plants naturally grew on that soil. Published (USDA) soil surveys are excellent guides to which native plants are best adapted to your particular soils. If one checks the soils in the Texas panhandle (from Lubbock to Amarillo) he finds they are dominantly fine textured (clay loams) with common soil series being Pullman, Olton, Acuff, and Mansker. Next would be sandy loams (intermediate textured soils) with the Amarillo series most often found. Sandhills mostly exist off the Caprock to the east or along the Texas-New Mexico border, so are less important in the Plainview area. Moderate to steeply sloping land around the caprock escarpment comprises the other major kind of land that would be prime land for inclusion in CRP programs. Long-lived native species that are well adapted to the sandy loams and clay loams are (in approximate order of natural occurrence): blue grama, buffalo grass, side oats grama, vine-mesquite, western wheatgrass, silver bluestem, plains brome, Arizona cottontop, tobosagrass, and galleta grass. As the soil becomes more sandy, little bluestem becomes an important additional species. If truly sandy soils are encountered, all of the above species can still be used except buffalo, tobosa, and galleta grasses. In addition, the taller growing grasses such as switchgrass, big bluestem, indian grass and sand lovegrass should be considered on sandy soils. Green Spangletop is a popular species included in seeding mixes across all soils because it has high seeding vigor and is well liked by grazing livestock. Green Spangletop is used to nurture other grasses in a mix or for overseeding on existing pasture where a high palatable grass is desired. However, it should not be expected to persist very long unless natural reseeding occurs. Your county SCS personnel should be consulted to assist in grass selections for your CRP plan.

**SIGNING IN DRUG AWARENESS WEEK—** DISD Superintendent Robert Ryan signs a proclamation declaring Nov. 9 - 13 as "Drug Awareness Week." Looking on are, from left, Carol Lantz, Rhonda Wilkins, Chairman of the Parmer County Task Force, and Greg Harper, Chairman of the Central Plains Task Force.

# Drug Awareness is theme for November

School Superintendent Robert Ryan signed a proclamation Monday declaring the week of Nov. 9 - 13 as "Drug Awareness Week."

Ryan urged all students and parents to become more aware of the problem of adolescent substance abuse and to support the efforts of the Central Plains Task Force on Adolescent Substance Abuse. The task force promotes drug education for parents and

youths and encourages people to make use of the available resources in our area for help with substance abuse problems.

The Drug Awareness Week in Dimmitt schools is part of a Drug Awareness Month, a month-long effort by the Task Force to increase awareness on the problem of adolescent substance abuse. County Judge Polly Simpson proclaimed

November as Drug Awareness Month in Castro County.

Drug awareness programs were presented to DISD students throughout Wednesday by Kay and Stan Kroph.

Kay Kroph is the Coordinator of the Care Unit at the Palo Duro Hospital in Canyon. Stan Kroph is the Regional Crime Prevention Coordinator.

## Dimmitt man faces conviction

Former Dimmitt resident David Charles Nicholson, 25, was convicted of Criminal Trespass Thursday afternoon in 242nd District Court following almost two hours of jury deliberation.

Nicholson, currently a resident of the Friona area, was assessed the maximum fine allowed by law, \$2,000, and the jury added a one year jail sentence, which it also recommended be probated and served outside jail.

Judge Marvin Marshall ordered \$360 of probation reporting fees, \$133 in Court Costs, and ordered psychological evaluation and counseling during the term of probation.

During the course of the trial, testimony elicited by Castro County District Attorney Jimmy F. Davis from a 24-year-old female complainant indicated that Nicholson had been discovered unclothed in a northwest Dimmitt home at 3:30 a.m. on Nov. 22, 1986.

Under vigorous cross-examination by defense attorneys John Terry and James Swicegood, the victim adamantly denied any prior relationship with the accused. Nicholson, testifying in his own behalf, maintained that a prior relationship existed with the victim and at the same time of a marriage to another person.

Testimony indicated that while the prior marriage ended in divorce at approximately the same time, but the defense failed to call the former wife to testify before the jury, although the woman was subpoenaed and present for testimony.

During prosecution testimony, the brother of the victim testified that he was a resident of the home in which his sister was living, and that he was awakened by his sister, who appeared very distraught and who told the brother that an intruder had come into her bedroom. Subsequent testimony indicated that the young man single-handedly restrained the defendant within the home until local law enforcement officials arrived.

Nicholson testified that he had left Dimmitt on the preceding evening to go on a hunting trip. After purchasing alcoholic beverages in Dimmitt, he indicated that he spent most of the evening in Amarillo and then decided to cancel the hunting trip.

Returning to Dimmitt, he testified that he didn't feel that he could return to his family at that time after using alcoholic beverages and decided to go to the home of the female because he thought that he had an open invitation to go to her home.

He indicated that he knocked on the door after 3 a.m. and that he went inside the home after no one answered.

Prosecution witnesses had testified that the home had sustained damage and that the door was very difficult to lock.

Rejecting the offered defense, punishment was set after only an additional 20 minutes of jury deliberation by the eight woman four man jury.

Prosecution witnesses had testified that the home had sustained damage and that the door was very difficult to lock.

Rejecting the offered defense, punishment was set after only an additional 20 minutes of jury deliberation by the eight woman four man jury.

## Obituaries

### Reuben Bradshaw

Services for Reuben Elden Bradshaw, 78, of Ardmore, Okla., were held Friday at the Emmanuel Baptist Church with Rev. Jimmy Harness officiating. Burial followed in Rose Hill cemetery under the direction of Harvey-Douglas Funeral Home.

Mr. Bradshaw died Nov. 4. Born May 22, 1909, he was married to Zethel Gunn Aug. 9, 1937, in Tishomingo, Okla. He was a retired employee of the Texas Highway Department and was a member of Emmanuel Baptist Church. He had lived in Ardmore since 1973, moving there from Dimmitt.

Survivors include his wife; a son, Bobbie of the home; three daughters, Nora Baker of Perryton, Mick-

ey Brown of Ardmore, and Oreda Campbell of Dimmitt; two brothers, Ivy of Tishomingo, Okla. and Filmore of Fort Worth; three sisters, Ella Darter of Ardmore, Lena Jackman of Wapanucka, Okla., and Gladys Chance of Tishomingo; 11 grandchildren; and five great-grandchildren.

Pallbearers were Joe Broughton, Windell Patton, Boyd Howell, Jerry Henderson, Salty Bridgeman and Dean Sparks.

### Elaine Hart

Elaine Hart, 64, of Mooreland, Okla. died Nov. 2 at the Mercy Hospital in Oklahoma City.

Services were held last Thursday afternoon in the Sacred Heart Catholic Church in Mooreland with Rev. David Lafferty officiating.

Burial followed in Mooreland Cemetery under the direction of Billings Funeral Home.

Born Alice Elaine Kay Dec. 13, 1922, Mrs. Hart attended school in Vici, Okla. and graduated from Dimmitt High School in 1940. She went to business college in Chillicothe, Mo., and to LVPN school in Woodward, Okla. She worked at the Woodward Hospital and at the Seiling Nursing Home. She married A.R. "Roy" Hart in Oklahoma City on Nov. 21, 1969. They lived in Great Bend, Kan., and several other states before making their home in Lawton, Okla., in 1976. They moved to Mooreland in November, 1986. She was a member of the Catholic Church.

Survivors include her husband; a son, William McHarg of St. Petersburg, Fla.; a daughter, Mary Howland of Anniston, Ala.; four sisters, Alta Mae Robinson of Woodward, Marie Tate of Dimmitt, Gladys Brixi of Vici, and Joan Lockwood of Mooreland; two brothers, Cecil Kay of Yakima, Wn., and Clifton Kay of Ponca City, Okla.; and two grandchildren.

Memorial contributions may be made to the Oklahoma Medical Research Foundation, Cancer Division, with the funeral home acting as custodian.

#### Hance . . .

(Continued from Page 1)

a requirement," Hance said, "would prove disastrous for the small Texas farmer."

The Texas Corn Growers Association, based in Dimmitt, has been one of the leaders in the fight to exempt agricultural vehicles for these truck regulations.

Hance's newly proposed amendment would ease the burden on small businessmen.

"This proposal," Hance noted, "will comply with the legislative intent to improve the safety of commercial vehicles, but will not impose crippling and unrealistic insurance requirements on the small businessman already operating on the brink of survival."

### News feature to focus on Yule customs

The News wants to share in your unique Christmas traditions. During the next few weeks, we hope to feature unique or special family Christmas traditions of people around the county.

If your family has a special Christmas tradition you would like to share, contact our office at 647-3123.

### More about

#### Calico . . .

(Continued from Page 1)

Inside of twenty minutes, we had each reminisced about our favorite episode of *Family Ties* and had digressed to the point of singing the theme song from *Growing Pains*.

Why is it that TVs and kids only get sick at night or on weekends? Of course, our TV is at the TV Hospital now for extensive long-term treatment.

About 20 or 30 times a night I walk over to turn it on and find only a mashed-down square in the carpet. (Boy — do I need to vacuum!)

If it stays sick much longer, I'm liable to be pushed right over the edge. I might even be forced to spend my evening hours doing something productive, like the laundry. . . .  
Naaaah!

Before throwing away jam and jelly containers, fill with hot water and shake. Use the sweetened water when making gelatin desserts.

Welcome home Rosalinda Espinoza after serving nine years in the U.S. Army.

(Daughter of Paula G. Espinoza of Dimmitt)
