

Young Farmers And FFA Plan Donkey Ballgame

It's going to be a wild game Saturday night at 8 p.m. in the North Grade gym when the Dimmitt FFA Chapter challenges the Dimmitt Young Farmers to a donkey basketball game.

It will be a good guess who's going to stay on the donkey and who's going to stay on the floor. The donkeys may prove to be the stars of the show.

Tickets to the game will be available at the door.

Jaycees Plan Annual Golf Tournament

Annual Dimmitt Invitational Golf Tournament sponsored by Dimmitt Jaycees has been set December 4 through 12 announces Bob Myers, chairman.

Tournament will be medalist play. Qualifying rounds of 18 holes will be shot on December 4-5. Participants will then be paired into flights for remaining 36 holes of competition.

Trophies and merchandise will be awarded to first three finishers in each flight. Entry fee will be \$10. This will include green fees.

Bob Lindsey is defending champion. Deadline for entering is Wednesday, December 1.

Further details can be obtained from tournament committee composed of Bob Myers, chairman, J. E. Wohlgermuth, Cliff Cook and Pete Wright.

All play will be conducted on the John Pitman Municipal Golf Course at Hereford.

Mrs. Brashears Purchased First Gas Stove Here

Mrs. Etta Brashears, resident of Castro County for 61 years, has been cooking on the same stove for 35 years and she claims it's better than any modern day stove.

The stove has been in use everyday since it was used for the first time November 10, 1930. The Economy Range built by Comstock-Castle Stove Co. was ordered from a catalog. It was shipped from Quincy, Ill.

The 84 year old Mrs. Brashears cooked on a Majestic Range coal stove before the purchase of the gas stove. This was the first gas operated stove to be installed in Dimmitt.

The spy Mrs. Brashears state, "I had the first house in Dimmitt that was hooked up to city water, electricity and gas."

Mrs. Brashears moved to Castro County in 1904 from Madill, Oklahoma. She came on the train to Hereford where her brothers met her and the other children. They traveled 7 1/2 miles east of Dimmitt in a covered wagon.

The gas stove bought in 1930 cost over \$500 when new. It has 11 top burners and two large ovens. The largest group Mrs. Brashears recalls having served, a meal cooked on the stove, was 60 at a Thanksgiving dinner. She cooked meals regularly for her boarders at the hotel.

She just completed baking a four-layer coconut cake Friday for Mrs. G. L. Willis' Jr., birthday party. This is the cake she is preparing in the photo.

Mrs. Brashears says, "I have cooked for everybody from the North Pole to the South Pole."

Hospital To Start LVN School

Castro County District Hospital Board of Directors approved recommendations Monday evening for Plains Memorial Hospital to open a school for training of licensed vocational nurses.

A representative from the State Board of Licensed Vocational Nursing was present and gave the hospital a green light to go ahead with preparations for the school and to start accepting applications pending official approval of this Board for the school. The State Board will meet in March, 1966.

The local hospital will start taking applications for the school December 15 of this year. Ten students will be the maximum enrollment for the first year. Final selections will be made and their applications informed of their selection in April, 1966.

The closest LVN schools are located in Amarillo, Lubbock and Levelland.

Don Newman, hospital administrator states, "We feel like the people of this area ought to have

an opportunity for this type of training without having to travel to Lubbock, Amarillo or Levelland."

Mary Baldrige, R. N., director of nursing service will be in charge of the school. Teachers will include qualified hospital personnel, two R. N.'s, medical technologist, and hospital administrator.

According to Mr. Newman, the hospital anticipates forming an advisory committee to the school and bringing in some community

leaders for assistance in this training program.

Another need for this localized training, according to Mr. Newman is that the hospital needs additional trained personnel. The hospital is taking care of twice the amount of patients today than a year ago. Capacity has increased 80.7 per cent for the last 12 months.

Newman says, "We anticipate having to build an addition to the hospital in the next two years and this will require additional staff."

Minimum requirements for applicants include: a tenth grade high school education or equivalent; age 18; and female. No restrictions will be made on race.

The director of the school anticipates a tuition fee of \$150 which will include uniforms and books. Tentative plans for students include first three months of training, free; the next three months, students will earn \$20 a month; the third three months, students will earn \$40 a month; and the final three months, they will earn \$60 a month. Some schools do not pay their students while in training.

The students will have a 40 hour week for 52 weeks with five holidays and one two-week vacation. Classes will start May 2, 1966 if the official State Board approves the school according to schedule. The first year students will take their state board exams in July, 1967.

Mr. Newman and Mrs. Baldrige have put in one year of study and preparation for this training program.

Annual Community Thanksgiving service will be held in the First Methodist Church Wednesday, November 24 at 7:30 p.m. with Ronnie Parks, Bedford Street Church of Christ minister bringing the special Thanksgiving message.

Other ministers of the community will lead in prayer and bring scripture reading.

Rev. J. N. Burnett, First Baptist Church, will direct the music. Special music will be brought by a choir composed of various community church musicians. Mrs. Keith Howard will be at the organ and Mrs. Dale Winders will play the piano.

The Community Service is under sponsorship of Ministerial Association announces Rev. Weldon McCormick, president.

Annual Bobcat Band Thanksgiving supper will be Saturday night, November 20 from 6 to 8 p.m. in the South Grade cafeteria.

Turkey and all the trimmings will be served to adults for \$1.50 a plate and to children under 10, 75 cents a plate.

The band also has 200 lbs. of pecans for sale at \$1.50 per lb. Fruit cakes for Thanksgiving and Christmas are on sale: 2 lbs. for \$3.90; 3 lbs. for \$5.60 and 5 lbs. for \$8.60.

Proceeds from the supper, pecans and fruit cakes will be used to purchase new uniforms.

Orders may be given by contacting Junior High or High School band students, calling the band office during school hours, or by contacting Ralph Smith, band director.

Reading Workshop Held In Dimmitt Schools Saturday

Dimmitt High School was the site of a reading workshop on "New Media for Reading Instruction" Saturday from 8:30 to 4 p.m. The workshop attracted approximately 150 school personnel.

The workshop was held in cooperation with Sound Photo Company under the direction of Darrel Flynt, superintendent of Forsan Public Schools, Forsan.

The first general session opened in the High School auditorium with Paul Hilburn, Dimmitt Public Schools superintendent welcoming the guests. Darrel Flynt, workshop co-ordinator introduced the eight section leaders.

Flynt and Eugene Matthews, Reading Media specialist with Sound Photo Co. discussed "A Look At Reading Eyes" with the group.

Matthews said, "No one has ever been able to read physically in phrases. A student possibly reads in mental phrases but cannot contain a phrase with the physical eye."

According to Matthews, the tenth grade is the first time a normal student sees an entire word when reading.

The speaker said, "Any reader that reads below 50 words per minute is not reading, he is doing a 'word attack skill'."

Second general session followed the noon luncheon. It was concerned with a film presentation on "The Reading Lab". Secondary section meetings were: "Reading Machines: Their Purpose and Their Use" under direction of Jim Williamson, reading teacher, Andrews Junior High School; "Testing For and Developing Selective Reading Skills", directed by Eugene Matthews; "Developing Study Skills", directed by Darrel Flynt; and "Developing Vocabulary and Listening Skills," Jim Williamson.

Elementary section meetings were: "A Visual Memory Approach To Teaching Spelling," directed by Doris Nored, Second Grade Teacher, Lubbock Public Schools; "Using the Controlled Grades," directed by Claude Zeverly, Principal, Panhandle Elementary School; "Developing Study Skills", directed by Nita Holman, Fourth Grade Teacher, Midland Public Schools; and "Comprehension Power Building" directed by Robert Holman, Co-ordinator Language Arts and Reading, Midland Public Schools.

READING WORKSHOP PERSONNEL on the secondary level include (left to right) Darrel Flynt of Forsan, Workshop co-ordinator; Jim Williamson, Reading teacher, Andrews High School; and Eugene Matthews of Lubbock, Reading Media specialist, Sound Photo Co. First general session of the workshop included talks from Flynt and Matthews. See story for details. —Staff Photo

An investment in Your Future ATTEND CHURCH

LAND OF PLENTY

★ THANKSGIVING FOR ...

- PROSPEROUS NATION
- FOOD
- A STRONG NATION
- FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Dear Blabby:

Round and Round She Goes

By Oma Siler

Dear Blabby: My girl friend (and fiancée) has a little toy roulette wheel. When she wants to make any decision, whether it's what dress to wear or where to shop or what to eat, she spins the wheel and decides by where the ball goes (odd or even, red or black, and so on). At first I thought it was only sort of crazy, but now I'm wondering if she's a secret gambler at heart? —QUESTIONING

DEAR QUESTIONING: It certainly is an off (and not very even) way to decide things. But I don't think she likes to gamble. She just wants guidance. For the best guidance in your plans for furnishing your home, take her to ALLENS HOME FURNISHINGS. Their complete selection of national known brand furniture and appliances take the gamble out of anything you buy, for any room in the house. And their low prices make you a sure winner.—BLABBY.

Students Have Medical Career Assembly Meeting

The students of D.H.S. were honored to have as their guests in an assembly on Tuesday, November 9, four people connected with hospitals and the medical profession in Amarillo. They presented an informative program on careers in the medical field. Dr. Emmett Smith, Professor of Education at West Texas State University, gave a short talk about the things these people are doing to get high school students interested in the different phases of the medical profession. They will be going to most of the schools in this area during the year presenting the information which they have amassed and answering questions.

Dr. Smith then presented a series of slides showing the various duties and qualifications of the different professions in the medical field. The four guests formed a panel to answer questions from the students about the film. Other guests who helped present the program were the Director of Amarillo Osteopathic Hospital and two of the head nurses from Northwest Texas and St. Anthony's Hospitals.

Bobcats Tame Mustangs 22-15

The Dimmitt Bobcats won their first game of the season as they defeated the Olton Mustangs at Olton by a 22-15 score.

Scoring started with 2:28 left in the first quarter when Dale Deberry went 44 yds. for Olton. Joe Priest kicked the extra point and Olton led 7-0.

In the second quarter the Bobcats blocked a punt by Joe Priest and Don Moore recovered at the 9 yd. line. A few plays later Danny I and went 4 yds. for the score. Kent Lindsey ran the 2 extra points.

A few minutes later with 8:34 left in the second quarter Joe Bob Sanders went 28 yds. for the second Dimmitt Touchdown. Kent Lindsey ran the two extra points and the Bobcats led by a 16-7 score.

Olton took the kickoff and drove down field where Joe Priest went 4 yds. for the score. Priest also ran the 2 points. Dimmitt now had a lead of 16-15.

With 2:18 left in the half Dimmitt scored the last touchdown of the game as Kent Lindsey went 2 yds. for the score. The extra point was no good and Dimmitt led by a 22-15 score.

Both teams came out the 2nd half and played a real defensive battle. No score was made the second half by either team.

When the gun went off Dimmitt had won their first game by a 22-15 score.

The "B" team defeated Floydada by an 8-0 score, here Thursday.

Beelee Goodwin Named Bobcat Of The Week

Mr. Beelee Goodwin, who is one of our outstanding football and basketball players told us that his ambition was to attend college and become a teacher. Even though he may be the best teacher ever known, he cannot possibly live up to his idea of an ideal teacher.

A few of Mr. Bobcat's favorites are: car — Mustang; color — blue; food — steak; subject — all; sport — football and basketball; movie — "Goldfinger", and his favorite book is "It's Good to be Alive."

Our sports minded Mr. Goodwin has decided that his pet peeve is grandstand quarterbacks.

Beelee's parents are Mr. and Mrs. P. O. Goodwin. His birthday is October 23, 1948. We want to thank Mr. and Mrs. Goodwin for providing us with such a fine friend and fellow student. May you have the best of luck throughout high school and the rest of your life, Beelee.

Campus Chat

You've heard the song, "England Swings," I'm sure. Well — I have decided that the song should be rewritten to say, "Dimmitt Swings." I am a song-writer touring the United States for possible song lyrics, and I believe I have finally found them. Would you like to hear what I have written so far? Well, here it is:

"Dimmitt swings like a pendulum do
 Couples in fancy cars two by two
 Carlie Theater and the good ole drag
 So much excitement that your spirit won't sag
 How's that for a tribute to your town.

The reason I chose Dimmitt to write about is that I happened to pass through here Friday night just in time for all the excitement. When I first entered the city limits, everything was quiet and still; so I asked where all the people were. I was told to follow my nose until I came to Bobcat Stadium; what I was looking for — people — of all shapes, sizes, and dispositions. Of course I wasn't interested in those from Abernathy, so I made it a point to meet a lot of Dimmitt people. Some of those were: Chris and Doug, Gene and Peppy, Kay and Stanley, Ronnie Kenmore and A'l-lan Webb, Vikki and Rodney, Pam and Beelee, Evelyn Waggoner and Jack Flynt, Molly and Claudio. Joe and Vickie, Jean and Dan Carolyn Scarborough and Keith Gross, Sandra Bruegel and Ber Fought. I followed some of these people to the big hootenanny at the First Baptist Church. There they told me why I couldn't find Johnna Hastings. It seems that she went to Lubbock to see her Tech plussier, Richard Connell.

I found activity on Friday night to be so intriguing that I had to stay for the whole week end. Saturday night proved to be rather dull, for the band left town to present a pregame show at the WT game. I did see Miss Weaver and Coach Hunter, Eva and Bruce, Tony and Chris, Janet and Joe Don, Deby Lumpkin and Glenn Broadstreet, and Dan and Jean.

Sunday night a revival at the First Baptist Church began; there I saw several young people. Afterwards I saw Johnna and Richard, Jo Johnson and Verletta Crick, Keith Ann and Mike, Dan and Jean, Penny and Ray, Stanley and Kay, Ann and Jerry Don, Carolyn Scarborough and

Webster's dictionary defines democracy as a government by the people, either directly or through elected representatives, the acceptance and practice of the principles of equal rights, opportunity and treatment. The government of the United States of America is a democracy. The leader is the President and he is elected by popular vote. The President has a body of advisors known as the Cabinet.

Dimmitt High School is set up on this same basis. The president of the Student Council is elected by popular vote, and his

John McKay Visits DHS

Thursday, November 11, the D. H.S. student body met during activity period for an assembly led by John McKay, visiting songleader at the First Baptist Church.

Mr. McKay began his program very appropriately by singing "Getting to Know You." He also sang a medley of songs about our nation, America. John McKay held the interest and attention of his audience with his warm friendliness.

Mrs. Broadman Ware, from College Heights Baptist Church in Plainview, played the piano for Mr. McKay. To conclude the program, Mr. McKay told a few jokes and sang a few more songs.

Mr. McKay closed the program by singing "I'd Rather Have Jesus."

The Assembly was enjoyed by everyone and we'd like to thank Mr. McKay and Mrs. Ware for presenting such a fine program.

This is the way I happened to select Dimmitt for the title of my new song. And now I must go. Goodbye.

The paper staff would like to welcome the two new student teachers to D.H.S. and hope they like it.

There is only a week and two days left to buy annuals. Please buy yours before it is too late. Oh yes, here is something to make the freshmen in world geography swell with pride. Miss Cox, the student home-ec teacher informed us that she thought the freshmen were a pretty sharp bunch of kids. Now the freshmen won't feel left out.

cabinet consists of other council members elected by their fellow classmates. The Student Council, like any other high school organization, has a sponsor and is under the supervision of the principal.

When ever a serious offense is committed against the government, its leaders find it their duty to correct the error. This same thing holds true for any school. It is the responsibility of the leaders to correct the wrong. However, our national leaders cannot do the job alone; they must have the help of the citizens. In the same sense, the Student Council cannot possibly undo the damage done; they have to have the full support of the student body.

The Student Council needs your help!!!!

Our school has successfully done a marvelous job of being exceptionally rude to a speaker in an all school assembly. Four people worked many hours to prepare a film and a speech that they felt was of great importance. When many of the students, who are your classmates and friends, booed him because he did not represent the college which they liked. Then, as the film was shown, the student body, laughed and made fun of the pictures, and talked to the neighbors. Is this the way we show respect to and appreciation for people who go out of their way to help further the education of today's youth?

Yes, we did a fine job of disgracing our school and humiliating our faculty, administration, and our student leaders. Not everyone joined in on the sneering and jeering, but the ones who sat idly in the seats are just as much to blame as the others. Why?? Because they sat there and let the rest of the students degrade our school.

Our nation operates on a plan of discipline known as "Freedom Without License." This means that U. S. citizens are free to do as they please, until they infringe on the rights of others. Our school is the same way; we are allowed many privileges and freedoms until we, through foolish acts, commit an offense that causes us to lose a few privileges. Such a situation has arisen, and we are very close to losing our privileges of meeting in the auditorium. The damage has been done and it is our duty to rebuild the reputation of our fine school, and to repay the four people that were so unjustly treated.

Monday brought school and band practice for our gal, but did it bring excitement? No! Tuesday was another schoolday, but there was a little excitement because our senior was the only girl at a church. It seems she had to play the piano. Afterwards, she went to Evelyn Waggoner's where she and Johnna Hastings helped Evelyn work on the banquet all night.

Wednesday brought only school, Wednesday night church services and studies. Thursday, which ended my week of sleuthing was more eventful. After school, our senior, who is also a loyal basketball manager, stayed after school to issue uniforms, and for basketball practice. When she finally got home, she made a cake for a party in business math class for Coach Brown L. Smith. After making the icing twice, (she used the wrong kind of milk), our favorite senior cleaned house because she is expecting company this week end. When all this was over, she finally got around to studying.

The staff of the Bobcat Tales thanks you, Molly Bradley, for letting us shadow you. Next week my victim won't be Molly, but it could be you!

Ginger Kemp And Donny Jackson Named DHS Seniors Of The Week

Ginger Kemp is our senior girl of the week. She is the daughter of Mr. and Mrs. Carl Kemp and was born in Amarillo. Her favorite subject is civics. Her favorite book is "Gone With The Wind". In the entertainment field Ginger has several favorites; one of which is "My Fair Lady." Others are actor, Van Johnson; actress, Ann Margret; singer, Dean Martin; and song, "Try to Remember."

Ginger's favorite sport is naturally basketball. Spaghetti is a food which she could eat tons of. Green is her favorite color.

Miss Kemp keeps herself busy by participating in band, sports, and drama. Her ambition is to finish college and be a social director. The person she would most like to meet is Jackie Kennedy.

The son of Mr. and Mrs. J. A. Jackson, Donny, is the senior boy of the week. He was born in Lubbock and has attended schools in Levelland, Odessa, and Dimmitt. His favorite subject is physics.

The book that Donny could read over and over again is "Exodus." Andy Williams is his favorite singer and the song he likes best is "Pink Panther." Rock Hudson and Sandra Dee are his favorite actor and actress.

Basketball is Donny's favorite sport because it is fast moving. The food he likes best is anything from south of the border. Blue is his favorite color.

Mr. Jackson's main interests are reading and playing chess. His ambition is to be an engineer. He would like to meet the astronauts. His comment about DHS is "It is the best school I have ever attended."

The Shadow

This week was slightly overloaded, but I still had time enough to shadow another one of those active senior girls. Friday night, this particular senior was at the last home football game. Afterward, she accompanied Jack Flynt, Evelyn Waggoner and Claudio to the hootenanny at the First Baptist Church. Later that night, in fact much later, she was helping Evelyn Waggoner and Vickie Beyer work on scenes to decorate the Best Beau Banquet.

I think she must have rested all day Saturday because I didn't see her until she went to the West Texas ballgame with the Dimmitt Bobcat Band. I wasn't there, but rumors are that our senior yelled for Drake and rode back with Claudio. You know these crazy rumors.

Sunday, after church at the Sunnyside Baptist Church, our senior rested from her vigorous week-end and studied for the big week coming up. After the evening church services, our favorite invited the Church's youth director to a family dinner.

Dimmitt FHA Chapters Meet

November 8, 1965, the Megalai Adelpia and the Mikrai Adelpia FHA Chapters met in the Dimmitt High School Auditorium for their monthly meeting to elect their Best Beau.

Eva Giles called the meeting to order and led the opening ceremony. A report was given by each committee chairman concerning the banquet. Each reported that things were under way and were getting completed.

Then the Megalai Adelpia Chapter and the Mikrai Adelpia Chapter divided into the Megalai Adelpia Chapter stayed in the auditorium and the Mikrai Adelpia Chapter went to the gym to elect the Best Beau. Those elected were: Kent Lindsey for the Megalai Adelpia Chapter and David Seale for the Mikrai Adelpia Chapter.

The meeting was adjourned.

Hootenanny

Friday, November 5, 1965, a special hootenanny was given in the fellowship hall of the First Baptist Church in honor of the 1966 seniors.

As the evening progressed they were entertained by several groups.

The song that especially impressed the seniors was "Today." This is one of many that is very dear to their hearts. During the evening Miss Griffing entertained the students and visitors with a monologue of "Past, Present, and Future." These memories kept them laughing, even though they were occasionally laughing at themselves. They all enjoyed this program very much.

This program made all of them realize how near in the future is graduation, and how much they will miss school. The seniors would like to thank the people who were thoughtful enough to dedicate the last hootenanny to them.

The staff of the Bobcat Tales thanks you, Molly Bradley, for letting us shadow you. Next week my victim won't be Molly, but it could be you!

Texas Tech Students Are Practice Teaching In DHS

Many of you have seen our two new additions to the homemaking department. They are student teachers from Texas Tech and will be here for six weeks observing and teaching. They are Mary Beth Cox from Lubbock, and Zafer Cetinkaya from Istanbul, Turkey. These very attractive young ladies consented to tell us more about themselves and we are passing it on to you.

Miss Cox was born July 22, 1943 in Georgia to Mr. and Mrs. Roy M. Cox. Since her birth her parents have moved to Lubbock where Miss Cox graduated from Monterey High School and went on to Texas Tech. She will receive her Bachelor of Science in Home Economics there, in January of 1966. In February she plans to return to Tech and work toward her Master's Degree in psychology.

Miss Cox seems to be a very versatile and well rounded person judging from her wide range of favorites. She adores the shade blue and German Chocolate cake, and she enjoys driving an Impala. "Becket" and "My Fair Lady" are her favorite shows and her favorite actors and actresses are Julie Andrews, Richard Burton, and Dean Martin, especially when he sings her favorite song "Houston."

Miss Cox has several hobbies, in my opinion they all go together very well — music, dancing and men. Mmmm. She only has one pet peeve though; she hates alarm clocks.

Miss Cox stated she thought the Dimmitt school system was an excellent one and the students of DHS, friendly and well mannered.

All School Play Practice Gets Underway

This year's all school play will be: "The Diary of Anne Frank"; dramatized by Frances Goodrich and Albert Hackett. This play is based upon true facts from the book: Anne Frank — Diary of A Young Girl, which tells the feeling and pressures of a family hiding from the Germans. It takes place at the top of a business building in Amsterdam during World War II and immediately thereafter.

The play is directed by Miss Griffing and assisted by Genita Aldridge and Carolyn Simpson.

The cast members are as follows:
 Mr. Frank — Jack Flynt
 Mrs. Frank — Sandra Coffman
 Miep — Sharron Flynt
 Mrs. Van Daan — Peggy Godfrey
 Mr. Van Daan — Bill Simmons
 Peter Van Daan — Jay Nelson
 Margot Frank — Beth Sheffy
 Anne Frank — Ginger Kemp
 Mr. Kraler — Bruce McRee
 Mr. Dassel — Bobby Ebeling
 The play will be presented January 6th and 8th, 1966.

Thanksgiving Supper

The Dimmitt Bobcat Band is giving its annual Thanksgiving Supper, to which the public is invited. The purpose of the supper is raising funds to purchase new band uniforms. Serving time will be from 5:30 to 8:00 Saturday, November 20, in the South Grade School Cafeteria. Tickets may be purchased from any band member or at the door. The price is 1.50 for adults and .75 for students. Entertainment will be furnished by the stage band.

"It is a privilege to work with such a fine group of students, faculty and towns people." She is also very happy Dimmitt has a stop light, otherwise she couldn't find her way around.

Miss Chetinkaya is another very interesting person. She was born in Sile, Istanbul, Turkey and received most of her education there. She attended the American Academy for Girls in Uskudar, Istanbul, Turkey during junior and senior high. In 1959-60 she was an exchange student in Hawthorne High School, Hawthorne, Calif. For the past three years she has attended Texas Tech and will receive her Bachelor of Science in Home Economics in January of 1966.

Miss Chetinkaya also has a varied field of favorites which includes blue and yellow as her favorite colors and the Chevrolet is the car she would most like to be seen in. Miss Chetinkaya must enjoy going to the movies since her favorite screen stars are Tony Perkins, Rex Harrison, Richard Burton, Paul Newman, Shirley McLaine, Julie Andrews, and Audrey Hepburn. And of all the movies she has seen "The Collector" and "My Fair Lady" are the best.

Turkish food, American hamburgers, and ice cream are the foods enjoyed by this fledgling teacher. She also enjoys art, reading, traveling, meeting people, and camping. Her pet peeve is people who do not try to pronounce her name. Let this be fair warning to you. Try to pronounce it.

When asked what her future plans were, Miss Chetinkaya said, "I plan to attend one year of graduate school somewhere in the Midwest or Northeast to get my Master's Degree in Home Economics Education and Child Development. I plan to return to Turkey as soon as I get my masters. On my return I plan to teach home economics at the American Academy for Girls and possibly at one of the universities in Turkey. I would like to take part in some of the social work programs of the Turkish government as well as helping train Peace Corps volunteers who come to Turkey. I hope to see Y'll in Turkey someday — you will have me as a guide when you come through Istanbul.

We on the Journalism staff wish to thank Miss Cox and Miss Chetinkaya for being so cooperative and hope all the students of DHS will be extra friendly and make their stay very enjoyable for them and us.

Pink Lady Party Line

by Helen Braafladt

After picking our way cautiously through the Dimmitt white-out, which came a day or two after the New York black-out, we found there were mighty few noses to count at the monthly Hospital Auxiliary meeting last Wednesday morning, Dec. 10. Nevertheless business as usual.

Now is your chance to get in on the Hospital Auxiliary Christmas Bazaar Workshop. It will be at Virginia Gilbreath's on Friday, Nov. 19. Don't stay home just because you haven't anything to work on. There will be plenty there for you to help make. We need you.

The Bazaar is less than three weeks away. Doesn't that jar your back teeth? It's to be Saturday, the 4th of December in the lobby of Plains Memorial Hospital.

Remember, each member is to donate at least one gift. That's not counting the gifts we will be

home.

Mr. and Mrs. O. E. Sumner of Carlsbad, New Mexico and Mrs. L. T. Smith of Earth visited Monday with Billye, Lance and Andrea Davis.

Darlene Wooten and Bobbie Hill visited Mr. and Mrs. Jess Wooten Wednesday afternoon.

making at the workshop.

Guess who was made chairman of "Operation Christmas Greeting" this year? And I wasn't even absent from the meeting. You'll be hearing more about this. Last year's O. C. G. bought a very fine microscope for our hospital. These purchases add to the already fine quality of care and service we receive there. Our hospital administrator is thinking constantly of ways to improve the care and keep the costs down. We're lucky to have him.

See you at the workshop. Let's make this r-r-really big!

BOBCATS CLAW MUSTANGS FOR FIRST DISTRICT WIN

Dimmitt Bobcats scampered to their first victory of the season in an upset over the Olton Mustangs Friday night there. The Bobcats grabbed an early lead and maintained it to win the game 22-15.

All the scoring of the ball game took place during the first half. Neither team scored during the second half of the struggle. The Bobcats won the toss and elected to receive the ball. Tony Young took the kickoff on the 10 and carried it to the 28 where it was first and ten for the 'Cats. Dimmitt failed to get a first and down and was forced to punt.

Olton took over on their 34 yard line and fumbled on the third play from scrimmage and Ray Bradley recovered for the Bobcats and ran it to the 24 yard line. A five yard penalty against Olton moved the ball to 19 yard line where Kent Lindsey moved two yards for a first down.

Danny Land carried the pigskin to the nine yard line to put the Bobcats in scoring position. Kent Lindsey carried on the next play and lost the ball on the seven yard line as he was hit hard by Olton Mustangs. Olton recovered the fumble and started a march which ended in the game's first touchdown.

Olton drove to Dimmitt's 47 yard line where Dale DeBerry wingback, broke loose for a 47-yard scamper on sweep around left end. Joe Priest kicked the extra point and Olton led 7-0 with two minutes and 28 seconds left in the first period.

The quarter ended after the ball went over to Olton on downs. The Bobcats only lacked inches to a first down. A spectacular second quarter found the Bobcats running three touchdowns across the goal and Olton making one to finish the scoring of the game.

Olton failed to move the ball following the Dimmitt punt and were forced to kick on a fourth down situation. Don Moore blocked the punt and the ball was fumbled, kicked and pushed to the Olton 10 yard line where Bobcat Beelee Goodwin made a big recovery and put the 'Cats in scoring position.

Olton took the kickoff and ran it to the 41 yard line where they started a fast drive for touchdown territory. Olton broke loose for a scramble to the 18 yard line where Kent Lindsey stopped the runner. Olton gained the four yard line on a pass play and then Joe Priest took the pigskin the remainder of the way for a touchdown with 6 minutes and 40 seconds left in the half.

Joe Bob Sanders carried five yards on the first and ten situation and a five yard penalty against Olton for unnecessary roughness moved the pigskin to the 2 1/2 yard line. The Bobcats attempted a pass which fell incomplete in the end zone. Danny Land bulled his way to the goal line dragging several Olton tacklers on a four down and four yard situation. Dimmitt's first touchdown came with 10 minutes and 35 seconds left in an exciting second period which kept fans on their feet.

Kent Lindsey ran the two extra points and Dimmitt took over the lead 8-7. Dimmitt kicked off to Olton and the Mustangs took over the ball on 35 yard line. On the second play after the kick off, Joe Priest fumbled the ball and Bobcat Ronnie Kenmore recovered to make it first and ten on the Olton 40 yard line.

Dimmitt took the Olton kickoff on the 15 yard line and Tony Young ran it back to the 44 yard line where the Bobcats started their drive for the winning touchdown.

Priest carried for the extra points and the score stood 16-15 with Dimmitt holding a narrow one point lead. Dimmitt took the Olton kickoff on the 15 yard line and Tony Young ran it back to the 44 yard line where the Bobcats started their drive for the winning touchdown.

On the third play with 10 yards needed for a first down, Ronnie Kenmore gathered in a pass at the Olton 42 yard line. On the first and ten situation, Kent Lindsey took the ball to the Olton 30 yard line for a 12 yard carry. Joe Bob Sanders carried six yards in two plays and then Lindsey carried to the three yard line.

Sanders gained half yard on the first and goal to go situation. Kent Lindsey took the ball across the goal line on a quarterback sneak with two minutes and 18 seconds left on the clock. The extra point attempt was no good and the scoreboard read 22-15.

The half ended with Dimmitt in possession of the ball after stopping a threatening Olton team on the Dimmitt 32 yard line. The second half of the ball game was a defensive battle with each team threatening to score. Olton took the second half kickoff and started a drive on the 44 yard line. Olton got the ball to

the 36 yard line where they needed 20 yards for a first down. Olton punted and the Bobcats fumbled the punted ball and Olton recovered on the Dimmitt 30 yard line. The Mustangs drove to the 8 yard line where the Bobcats held the Mustangs and took over on fourth down.

Dimmitt took the ball on their own 10 yard line and marched to the Olton two yard line where it was fumbled and the Mustangs

made the recovery. The third quarter ended as Joe Priest moved the ball to the Olton three yard line. The fourth quarter found the two teams see-sawing back and forth across the field. Olton tried to close the gap and Dimmitt needed another touchdown for extra insurance. The ball game ended with Dimmitt in possession of the ball. Dimmitt ended the season on a

note of victory, their first win of the season. Season standing for the Bobcats is 1-9 and district record is 1-4. The Bobcats made 97 points against their opponents and the other teams garnered 281 points from the Bobcats. The Bobcats played some outstanding games which were not shown by the final score. They faced some big teams and played a good hard-hitting game. Kent Lindsey was named fighting Bobcat of the week. He did an outstanding job as quarterback in the Olton game Friday night. Final district 3-A standings are: Friona, 5 wins, 0 losses; Lockney, 4 wins, 1 loss; Floydada, 1 win, 4 losses; Dimmitt, 1 win, 4 losses; Olton, 1 win, 4 losses. Friona will meet Denver City Friday at Friona for bi-district playoffs.

Linda Moore Writes Poem

Linda Moore, an eighth grade student in Mrs. Kountz's—English class wrote this ballad of the assassination of President Kennedy.

One bright morning when the sun was high
There lived a man who was bound to die.

He stepped off the plane with a smiling face,
And left the airport at a speeding pace.

He felt the crisp, cold Texas air,
And also did his wife so fair.

Then suddenly out of the cheering crowd,
There came a noise that sound-

New Students Attend DHS

Last week Dimmitt High School welcomed two new students: Jo Ella (Jody) and Venida Bransman from Pecos, Texas. Mr. and Mrs. Otis Bransman are the parents of these two sisters who look very much alike but who are quite different in personality.

Jody, who is a junior, lists her interests as horses, rodeos, swimming, and football. Her favorite class in school is study hall, possibly because it gives her plenty of time to read mystery books.

"The Carnival Is Over" is Jody's number one song, and Mexican food is delightful to her taste buds. Jody's pet peeve, people who laugh at her, will not phase her ambition of becoming an airline pilot. About D.H.S. she said, "I was so surprised; I thought it was hard to get to know kids. Boy, was I surprised! I like the friendly way I was greeted, and I feel like I belong here already. Wonderful kids, except I'm a little shy when it comes to meeting people."

As a sophomore Venida enjoys English more than any other subject. She can eat a hot-fudge sundae any time especially if she happens to be listening to "Unchained Melody," but this is ruined if someone were staring at her. Basketball, horseback riding, and football are Venida's interests; while her ambition is to become a psychologist. "Dimmitt and D.H.S. as a whole are the friendliest town and school I've ever been in. Everyone was nice to us even when we first got here," Venida remarked.

DPS Investigates 15 Rural Wrecks In Castro County

The Texas Highway Patrol investigated 15 accidents on rural highways in Castro County during the month of October, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These wrecks accounted for seven persons injured and an estimated property damage of \$9,550.00.

The rural traffic accident summary for this county from January through October of 1965 shows a total of 91 crashes. As a result of these crashes there were 50 persons killed and 80 persons injured. The estimated property damage amounted to \$63,287.

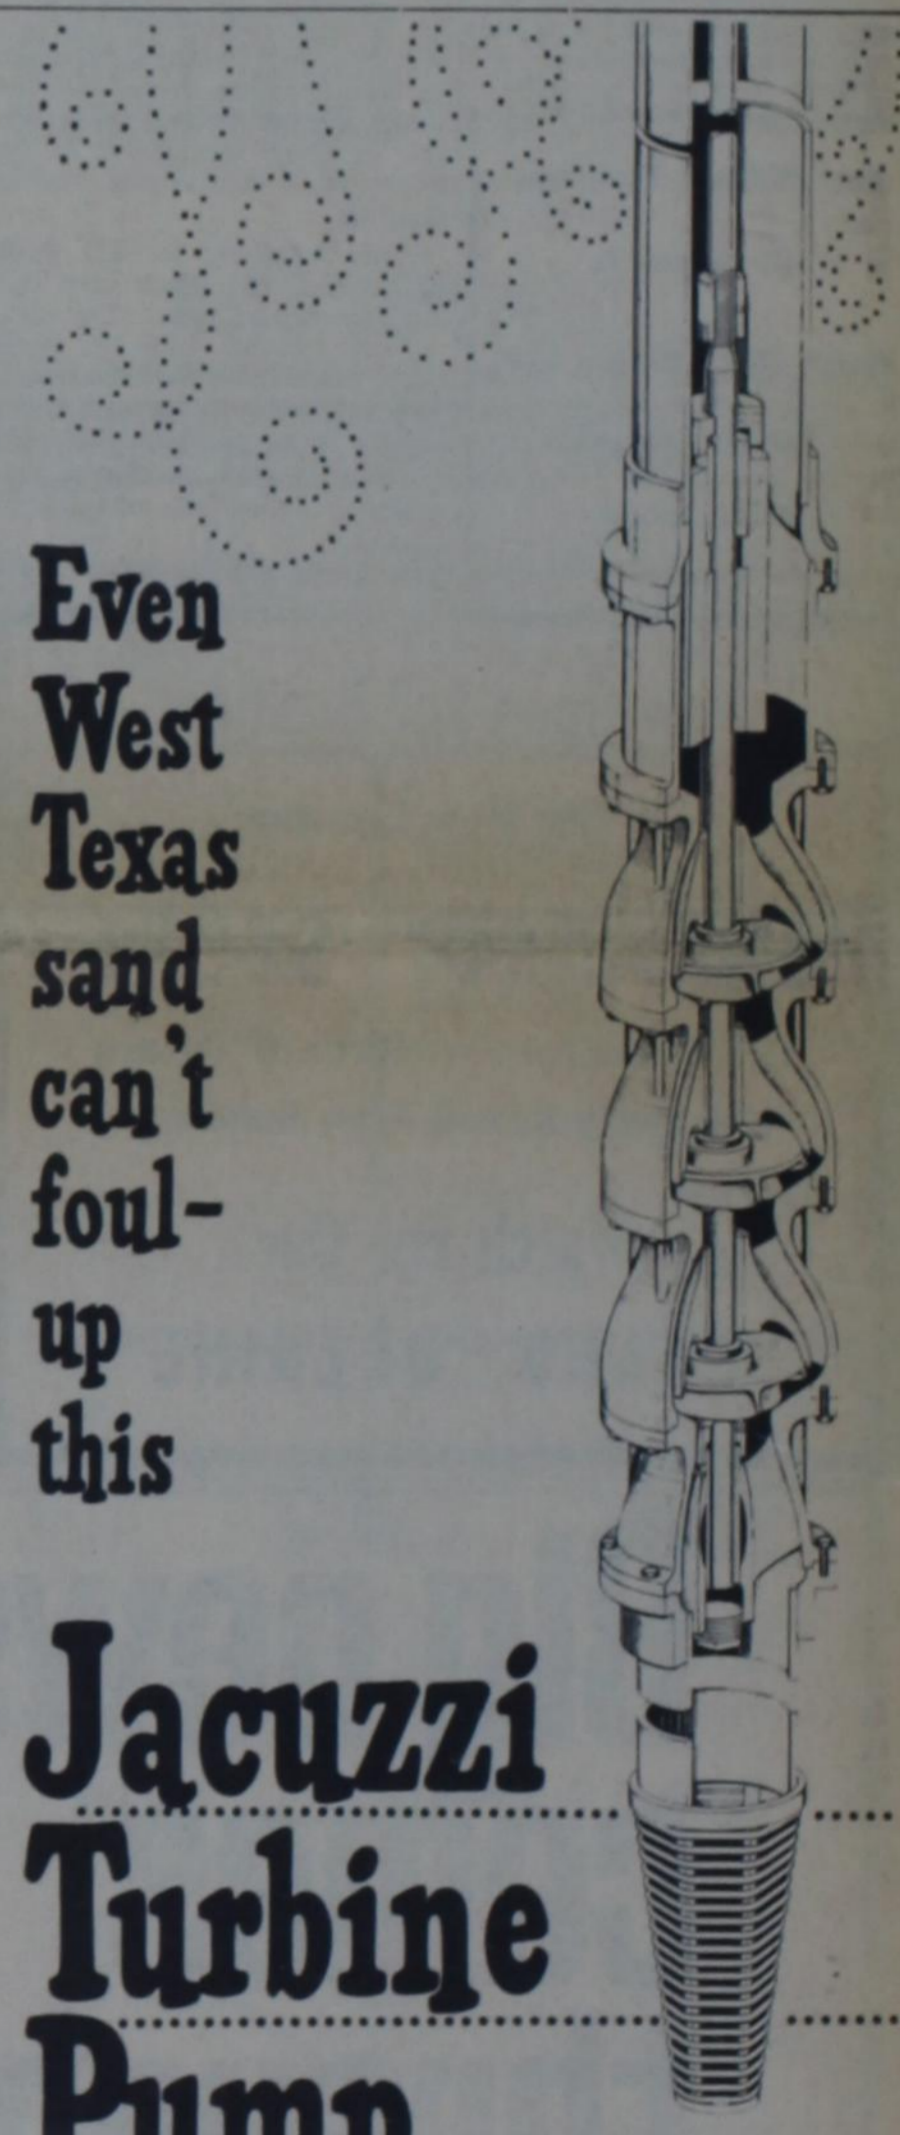

November and December are noted as dangerous months in traffic and especially for pedestrians. During the last two months of 1965 in Texas there were 80 pedestrians killed and 726 injured in collisions with motor vehicles. There are many reasons for this: longer hours of darkness, bad weather, pedestrians not visible to drivers, holidays and lack of driver's and pedestrian's concentration.

The Sergeant stated, "To aid both the pedestrian and drivers, always wear something light colored when walking after dark. If possible, carry some kind of light, walk on the left side of the road facing traffic day or night so that you can see approaching traffic. If you have a dark colored raincoat or overcoat, put a strip of reflectorized material across the back and front when walking on the highway or street."

Jacuzzi Turbine Pump

Exclusive grease-packed bowls seal out destructive sand

While West Texas sand chews vital bearings to bits in other pumps, Jacuzzi lineshaft turbines with exclusive grease-packed bowls go right on working the year 'round. That's because only patented Jacuzzi grease-packed turbine bowls can effectively stop sand from reaching the bearings. These unique bowls—an optional feature of all Jacuzzi lineshaft turbines—were developed just for Sand Country. They actually extend the life of your pump 10 to 20 times. This means you can now set your pump and forget it completely, confident it will perform reliably when you need water and need it fast. Now that you know there is a difference, ask for Jacuzzi lineshaft turbines with grease-packed bowls.

Nazareth Swifts Shut Out Textline Tornadoes, 27-0

by Art Albracht, correspondent
Nazareth shut out the Textline Tornadoes 27-0 last Friday, but not before having more trouble than expected in getting its sixth victory.

A slight letdown could be expected since the Swifts got as high as a kite in preparing for the

district leader, Vega, last week. Textline trailed Nazareth by a 13-0 score at half but the Swifts jumped way out in front with two long scoring bombs in the fourth quarter.

The Swifts' pack marched for 436 yards of total offense with 110 of the yardage coming through the airways. Clyde Venhaus, the Swifts sophomore end, caught a pair of aerial touchdowns in the fracas from quarterback Marvin Hoelting.

While marching for 326 yards of rushing, the Pack used six different ball carriers. Top rusher was Hoelting with 106 yards in 13 rushes, followed by Larry Ringwald nine for 44 and Ricky Gerber 11 for 40 yards. Slippery halfback Gerald Brockman carried only twice but managed 57 yards.

Nazareth, with the victory, now

stands 4-1 in district 1-B action and 6-2 on the season. Tomorrow the Pack closes out its regular season play against Happy which has an explosive offense. Happy wiped out Hart 66-6 last week while scoring five touchdowns in the air and six on the ground.

Nazareth broke into the scoring column for the first time in the battle early in the first quarter. The Swifts set up shop at their own 38 and then drove 62 yards in six plays for the tally.

Brockman got the biggest part of the yardage on a halfback sweep of left end, which was good for 40 yards. The Pack did a fine job of blocking on the run but Brockman also made a great move at the Textline 30, to get 19 more yards.

Brockman moved the ball to the Textline 11, and in two plays the Pack had its first score. Fullback Larry Ringwald slammed nine yards for the marker and Hoelting booted the conversion kick through the uprights to give Nazareth a 7-0 lead.

The first Nazareth drive was relatively easy but that wasn't the case with the next touchdown. Nazareth didn't score it until late in the second quarter. The Pack moved deep in Tornado territory late in the first quarter but Textline bottled the Swifts up at the Tornado 13.

Hoelting dashed 49 yards for a touchdown on a quarterback keeper but the play was called back when the Swifts were called for clipping. On fourth down, Hoelting then dropped back to punt but faked it and ran 15 yards to the Textline 35. The Swifts were still short of a first down and the Tornadoes took over the pigskin.

Textline opened the second quarter by completing a 20 yard pass. The Tornadoes got another first down but then fumbled at their 45 where defensive end Tom Pohmeier covered the ball for the Swifts. The Pack moved the ball deep into Textline territory only to have a 15-yard personal foul penalty halt the drive inside the Tornado 20. On first down for Textline, Gerald Aberant got the

ball right back for the Swifts at the Textline 39, when he picked off a Tornado pass.

This big break moved the Swifts for their second touchdown. The big score came when Hoelting hit Venhaus with a 25-yard scoring shot with about a minute left in the first half. Hoelting tried the extra point kick but it went off to the left.

On the first Nazareth possession of the second half, the Swifts moved into Tornado territory after starting a drive at the Pack 31. The biggest offensive move of the long drive came on a pass interference call against Textline at the Tornado 20. Nazareth then got another first down at the nine of the Tornadoes.

On the next down, the Tornadoes knocked the ball loose and recovered the Nazareth fumble at the nine. Textline chalked up a first down, only to fumble the ball back to the Swifts at the Tornado 36. This break was all the Pack needed to get its third marker. Early in the final stanza, quarterback Hoelting got the chance to toss the pigskin. Finding end Venhaus open at the 20, Hoelting fired a touchdown bomb to the end which covered 35 yards. Nazareth added the conversion point to get a lead of 20-0 over Textline.

The Pack quickly got another scoring opportunity when the Tornadoes fumbled on the kickoff and Ricky Gerber covered the ball for the Swifts at the Tornado 35. After the Pack was stopped on two pass attempts, the Swifts went to the air again, sending halfback Gerber out for the aerial. Gerber dropped a possible touchdown pass but Naz-

Dimmitt "B" Downs Floydada

The Dimmitt "B" team won their second game of the season as they defeated the Floydada "B" team 8-0 here Thursday night.

Both teams played a fine defensive game throughout the first half, fighting to a 0-0 tie. Dimmitt came out in the third quarter and got on the scoreboard for the first and only time as Ronny Hutton ran for the score. John Hays passed to Lint Merritt for the two extra points. Dimmitt took an 8-0 lead and held Floydada scoreless during the fourth quarter.

The win brought the "B" team record to 2-6 for the season. Both Varsity and "B" team start basketball practice Monday.

The students of Dimmitt High School are very proud of the record of the "B" team and we are looking forward to seeing most of them on the Varsity next year. Keep up the good work, Bobcats!

areth came right back to get a tally on the next play. Hoelting then fired his third touchdown pass when he hit fullback Larry Ringwald on a 35-yard scoring toss. Hoelting added the conversion point, making the score Nazareth 27, Textline 0.

The Tornadoes, led by quarterback Bob Sheets and halfback Gary Reeves, marched deep into the Swifts part of the field. Defensive standout, Harold Venhaus, led a Nazareth uprising which halted the Tornado drive. On the next play, after Venhaus had belted the Tornado ball carrier on

for nine years and has completed projects in Foods, Clothing, Freezing, Gardening, Canning and Fire Prevention. In 1965 she was County Share-the-Fun winner, Bake Show alternate, county Dress Reveal winner, and Senior Youth Fair Champion.

Speaker for the Gold Star banquet was Grainger McIlhane, member of Texas Legislature from Wheeler.

The speaker told the audience, "These young people we are honoring tonight, represent a segment of the finest and strongest country in the world."

The speaker pointed out that America has fed friends and foes alike. He said, "We've given food to almost every place in the world."

He told the Gold Star winners, "You're coming into a golden age with unlimited opportunities. You are part of a proud country."

McIlhane emphasized this statement, "Young people maintain your interest in society and be a good citizen. As you take your place in the world, maintain your interest in government, if you don't, someone else will take over the government and you may not like the way they will run it."

The outstanding legislator and author concluded, "As you become successful in material things, keep your humility. When you go to the city, carry on and be part of the community, don't forget your church."

The 4-H District Awards program was concluded with a ceremonial presented by 4-Hers from Dallam, Carson, Gray and Potter Counties.

Happy Cowboys Lasso Hart Longhorns, 66-6

The rampaging Happy Cowboys lassoed the Hart Longhorns 66-6 in District 1-B contest at Happy Friday night in the last game of the season for Hart. Happy meets Nazareth in final district game next Friday night.

The Happy team scored 18 points in the first, 12 in the second, 14 in the third and 22 in the final period.

Hart's touchdown came late in the game when Doug Martin plunged three yards over left tackle for paydirt. Extra point attempt was no good.

Happy's Mark Maynard went 27 yards for the first td around right end. Curtis Fowler ran 42 yards for the next tally. Randy Johnson then tossed a lateral to Gary Culp who passed to Richard Todd for a 33-yard touchdown gallop.

Culp again passed, this time to Mark Maynard for 35 yards and another score. Maynard broke around left end on a 62-yard scoring junket next.

In the third, Fowler scored on a 9-yard reverse. Johnson passed to Bill Vernon for 40 yards and another td.

Culp then scored on a 77-yard run. Don Maynard passed to Mark Maynard on a 69-yard scoring play. The final touchdown came when Don Maynard passed to Gary Culp for 46 yards.

The Longhorns are now 0-9 for the year and 0-5 for district. This ended the long, hard football season for the Longhorns. "Although they failed to win a game, the Longhorns faced their opponents with courage and played the game as good sportsmen," says Coach Jeff Smart.

Paul Green To Present "Texas" At Amphitheater

"Texas", new production by noted playwright, Paul Green, will open in Pioneer Amphitheater in Palo Duro Canyon State Park during its second season, 1966.

The season will open July 1, 1966, with the Founders' Festival which has been planned since the first announcements of the program. This week will be primarily for those who have supported the theater. All seats will be reserved and membership will be included in the admission price. There will be special celebrations

each of the six days. The regular season will open on Thursday, July 7, and run through Labor Day.

Paul Green is the author of several famous historical plays presented with light, song and dance in spectacular outdoor theaters throughout the country. He has been successful in transforming history back into life in the site where it took place, using all the resources of the modern theater to accomplish this master feat.

Echoing sound and blazing lights will roll through the Canyon, highlighting the hardy cattlemen and settlers who found ways to carve homes in the Plains.

duction, "Texas", in a letter sent to the board of the Texas Panhandle Heritage Foundation: "I have tried dozens and dozens of titles in my mind for our drama, and so have you and many others. None of them seem to cover the ingredients and pointed reach that will necessarily be in the play, but, one word does cover everything — Texas. I know such a title sounds big and grabbing. Well, why not? You Panhandle folk are the first in that whole great state with vision and drive

enough to want to celebrate the mighty Texas land and its people. The play actually will be, no matter what we call it, a dramatization of Texas life. One thing that makes me feel it would be hard to overdue the sweep of the title is the fact of the sound and light display which we will be able to give to the audience. They won't go away and say the show wasn't big enough for Texas, not after we have shot the works we'll have to shoot!"

Attending the District I Gold Star Banquet in Amarillo, Saturday night were Castro County Gold Star boy and girl, Ronnie Burks and Sandra Huseman, their parents, Mr. and Mrs. Charles Burks and Mr. and Mrs. Emil Huseman, special guest Miss Nedda Thomas, and county extension agents, Rebecca Gaddis and Charles Hattel.

The Post Office handles more than 70 billion pieces of mail a

year. So why not aid in providing quicker and more efficient processing and delivery by using our zip code number. For Dimmitt this important number is 79027. Use of this number will be especially important in the coming holiday season when millions of additional cards and packages will be in the mail.

Cotton is still the most popular fiber in the country. Consumption rose 4 percent last year, after having noticeably lost ground to man-made fibers in 1962. The average person used 22.6 pounds of cotton in 1964 — in rugs, curtains, sheets, and towels, upholstered products as well as other items.

On the other hand wool — the other "natural fiber," didn't fare so well, says the U. S. Department of Agriculture. Domestic use of wool went down 14 percent in 1964.

The winners however — in increased consumption — were the synthetics. A record 15.7 pounds

of man-made fibers were used by every person in this country last year. Greatest gains were in rayon and acetate and especially nylon.

Bread is eaten more regularly than any other food found in the home, observes Gwen Ciyatt, Texas A&M University consumer homemaker who buys over 250 pounds of bread each year from a selection of more than 70 varieties.

Although you may think of bread chiefly as an energy food, it is an important source of essential nutrients. Because bread is used in substantial amounts, it is an economical source of food energy and protein.

Bread proteins are better utilized by the body when eaten with other protein foods, especially animal proteins such as eggs, milk and meat.

Enriched breads provide significant amounts of iron and some B vitamins: thiamine, niacin, and riboflavin. These nutrients are less with the bran and germ in the milling of white flour. When breads are enriched, they are comparable in food value to whole wheat breads.

A "mutual appreciation society."

That's the objective of National Farm-City Week, celebrating its 11th annual observance Nov. 19-25, as proclaimed by the President.

It's an attempt to bring about better understanding between urban and rural people.

Farm-City Week is a time when these two groups recognize their dependence on one another. For

Sen. John Tower's Washington Report

Looking forward to the new Congressional session starting in January, we can see a number of pending items of concern to Texans. Most important will be any renewal of the Right-to-work repeal fight, and we will continue our interest in maintaining a strong American stand against Communist aggression.

But, I expect one of my areas of activity next year on behalf of Texans will be attempts to cut short the inflationary trends that face our nation and to obtain additional tax law adjustments so that a more reasonable tax load can be obtained for each Texan.

It is a matter of grave concern to me that continual federal deficit spending — the paying out of dollars the government does not have — has driven the cost of living ever upward. For a majority of Texas wage earners 1965's federal income tax cuts will be more than offset by the ever-increasing cost of living and by the increase in taxes needed to pay for Medicare.

Figures from the Treasury Department show what a married man with two children will have to earn next year just to maintain the same buying power he had in 1963:

Table with 3 columns: Income in 1963, Income Needed in 1966, Change. Rows show income levels from \$4,000 to \$15,000.

More shocking than the above table are the figures affecting Texans living on Social Security and similar pensions. Even with the recent seven percent cost-of-living increase in Social Security benefits — an increase I fully supported — these pensioners now have less buying power than they had in 1958 and 1954 under the Eisenhower Administration.

Inflation has eroded away all of the Social Security increase voted this year. A person who has paid into the Social Security Fund since 1940 on an annual salary of \$3,000 has \$9.19 less purchasing power today with his larger check than he had in 1958.

instance, all Americans rely on the great abundance of farm products for their food, clothing and shelter. In turn, the farmer depends on his fellow city workers for a variety of manufactured goods, and the machines and power he needs on his farm or ranch.

This efficient system — of cooperation between farm and city workers — produced a record 62 billion dollars worth of goods and services last year.

However, we now spend a record low of about 18 1/2 percent of our disposable income for food. In the late 1940's, it was 27 percent. This is considerably below such countries as England and Russia.

Farm-City Week is directed by a national committee made up of representatives of more than 150 business, industrial, farm, professional, trade, church, youth and service groups. Educational institutions governmental agencies, including the USDA, publishers and broadcasters also participate. Kiwanis International is the coordinating agency for the national program.

More than 10,000 communities in the United States and Canada observed Farm-City Week last year.

Vietnam Needs School Supplies

The J. B. Moores received the following letter from W. A. Youts, local boy, who is stationed in Vietnam.

Youts is asking the citizens of Dimmitt to give supplies for a school which the American soldiers are trying to start in Vietnam. He says the common people need to be educated to the U. S. side.

Youts says they need pencils, paper and any other type of school supplies available. He asks the help of local churches and civic organizations.

Part of his letter follows:

"This area has been under Viet Communists control for years and we are trying to get the common people on our side. We are going to sponsor a little school in Ben Cat and we have nothing at all to teach with. Maybe the churches or local civic groups want to help. We can use pencils, pens, paper and about any other type of school supplies you can name. I think this is the only way we will ever win this war is to show the people we are here to help them not just to tear their homes up."

If anyone wants to help they can mail the supplies to following address:

MRS. JAKE SPEAKS UP

Hi! It has been several weeks since there has been a Mrs. Jake column but actually things have been pretty quiet.

We had two of our members in the hospital but from all reports both are home and doing just fine. The Jaycee-Ettes as usual, had a good time helping with Halloween parties in several rooms at school. Our special thanks go to Jean Byrnes. She passed out refreshments while Jaycee-Ette Ann Touchstone dressed as a witch, delighted the children with her witchy antics.

Christmas time is coming and we will be busy helping the various organizations decorate the courthouse lawn. We all are looking forward to this.

See you in a couple of weeks. Mrs. Jake
