Ground Broken For New Parks

The first ground was broken this week for two new junior baseball parks at the Castro County Recreation Center.

THE PARK areas were burned off Monday, and the Little League field area was plowed Tuesday in preparation for floating. Taking part in the operation were Donald Wright and two of his employees.

Dr. David Bechtol, Don Carpenter and David Springer. The men used their own equipment.

Dickey's Dozer Service is to start hauling dirt this week for leveling the two parks. An estimated 1,500 yards of dirt will be scooped from the center's lake area for the dirt-moving operation.

Dr. Bechtol, chairman of the baseball commission which is in charge of getting the two new parks built, said he expects the project to be finished in time for Little League, Pony League and Colt League boys to start their baseball seasons this summer.

The parks are being built with both volunteer and paid labor, and will be financed by civic and service clubs, junior baseball leagues and individuals.

Six Bobcats Earn Votes On 3-AA Team

Six Dimmitt Bobcats were named in the all-district selections released by 3-AA coaches last Thursday, with David Land, 6-1 junior guard, leading the way as the only unanimous choice.

JERRAL SEALE, 6-4 junior post forward, was named to the first team along with Land.

Making the all-district second team were Bobby Baker, 6-0 sophomore guard, and Jack Bradford, 6-0 senior guard.

Jerry Brady, 6-3 junior post forward, gained an honorable mention in the selections although he played only the last seven varsity games with the Bobcats. Also receiving honorable mentions was Doug Hays, 6-3 senior forward. Here are the coaches' choices as the district's "dream team":

FIRST TEAM
Guards — David Land of Dimmitt (unanimous), Charles McClain of Olton and Hugh Garrett of Hale Center.

Forwards — Pat Bodkin of Olton and Bic Bickley of Lockney.

Post forward — Jerral Seale of Dimmitt.

SECOND TEAM
Guards — Jack Bradford and Bobby Baker of Dimmitt.

Tony Perea of Friona and Ken Johnson of Olton.

Post forward — Larry Vannoy of Abernathy.

Only 32 Percent Of County Cars Inspected So Far

If you haven't had your car inspected yet, you're liable to find yourself in a long line on deadline day.

SO FAR, less than one-third of the county's vehicles have passed the 1968 state safety inspection, with only five more weeks before the deadline.

Ed Richards, area safety officer, reported that 2,392 Castro County vehicles have been inspected so far. This is 32 percent of the county's 7,476 registered vehicles.

He said, with 5,048 vehicles still to be inspected and passed before the April 15 deadline.

OFFICIAL inspection stations are:

Dimmitt — Jim Fox Ford, Dimmitt Motor Co., Dimmitt Upholstery & Garage, Taylor's Garage.

Hart — Bailey Motor Service, Hi-Way Garage.

Jaycees to Give \$5,000 for Parks

Dimmitt's Jaycees will provide approximately half the money needed to build two new junior baseball parks at the Castro County Recreation Center.

BY A unanimous vote last Thursday, the Jaycees decided to release their airport fund from an interest-bearing account and guarantee \$5,000 to the baseball parks project.

According to Jaycee President Robert Benton, the fund from the club's sale of the original Dimmitt Jaycee Airport now totals more than \$4,500, including the interest it has accumulated over the years.

Approval by two-thirds of the club's members was required to release the fund.

JAYCEES also voted unanimously to add to this fund the income from the salvage of the present Jaycee ball park in East Dimmitt (which is now being torn down), plus enough from the club's general fund to bring its contribution to an even \$5,000.

The money will be turned over to the Dimmitt Baseball Commission, which is responsible for getting the two parks built. Dr. David Bechtol, commission chairman, said the two new ball parks will cost about \$10,000.

BENTON said also that the Jaycees will provide much of the volunteer labor needed to build the two new parks for the Little League, Pony League and Colt League.

Wrecking Yard Ordered Closed

After receiving protest petitions signed by 130 Dimmitt residents, the City Board of Adjustment Monday turned down a request by two local men to operate a wrecking and salvage yard near US 385 in South Dimmitt.

SEEKING authorization for the wrecking yard were John Hutcherson and E. V. Hargrove, who had already started the operation. The board of adjustment denied them a permit and ordered their property cleared.

Dimmitt's zoning code has no provisions for wrecking yards, and such an operation requires specific approval and a permit from the five-member board of adjustment.

Students to Get Holiday Friday

Friday will be a holiday for students in all the county's schools as teachers attend their annual district meeting in Amarillo.

MOST teachers, administrators and office employees of the schools will attend the District 9 Texas State Teachers Association meeting, so Friday will be a holiday only for students, lunchroom personnel, bus drivers and custodians.

191 Enter Livestock Show

HAVING A LOOK-SEE — Local residents, state and federal officials, newsmen and visitors take time to chat as they tour the giant Castro County Agricultural Housing Project apartments Friday afternoon. The

tour followed dedication ceremonies and the official ribbon-cutting by Allan Webb, president of the county agricultural housing association.

Housing Project Termed 'Standard for New Era'

With an air of friendly informality and help from a host of federal officials, the Castro County Agricultural Housing Association dedicated its million dollar housing complex Friday.

The dedication—conducted from the second-floor landing of a 12-apartment building, with a step ladder as a rostrum—climaxed five hours of activities that also included a press conference, ladies' coffee, luncheon and tours.

"WE WILL dedicate ourselves to the proper administration and management of this project so you can be proud of it not just now, but 20 years from now," said Allan Webb, president of the association.

Moments later, Webb cut a red nylon ribbon as a crowd of 200 or more watched, and as TV and newspaper cameras clicked and whirred.

The ribbon-cutting was only symbolic, for 11 families had already moved into the pioneer housing project and many others were preparing to.

DELIVERING THE keynote speech was Howard Bertsch of Washington, D.C., administrator of the Farmers Home Administration. His agency played the major role in financing the project by insuring a \$570,000 private loan and providing a \$387,380 grant to clear the way for construction.

"The people of Dimmitt stand second to none in your capacity for forward-looking community

action," Bertsch said. "These new homes we dedicate today will help to set a national standard for a new era in agricultural housing."

"Certainly, I know of no finer monument anywhere to community enterprise, than this magnificent development where we stand today," he said.

HE SAID federal cooperation in the pioneer project here was an outgrowth of President Johnson's "rural outreach" program, in which all federal agencies are being urged to help give rural America an economic boost.

"One may well ask: Why this high administration priority for the rural outreach mission?" Bertsch said. "The answer is as simple as it is urgent: National circumstances and national self-interest demand it."

"THE RURAL problem in the nation... is essentially one of wholesale depletion of our human resources on our farms and in our rural communities," he continued. "This grim situation resulted in an exodus of some 20 million people from rural America in our large metropolitan areas between the end of World War II and the 1960s."

"For the cities, the influx of disadvantaged rural people presented a magnitude of additional problems—more congestion, more ghettos, a rising burden of welfare and unemployment, increased crime, and, too often, special holocausts such as we witnessed

in the agonies of Watts, Newark and Detroit.

"THE PRICE we pay for distorted rural-urban imbalance is obviously far too high, even for a seemingly affluent nation like ours," he said.

"The alternative, of course, is a massive reinvestment in progress for rural America... The farm labor housing program is an important element in the total effort to make rural America attractive to the maximum number of people."

"And so," he concluded, "we dedicate this project as a milestone on the road to a rural America rich in new opportunities for all its people, and with a high quality of living environment for everyone who wishes to live here."

EARLIER, Joe Manahan of Austin, chief of farm placement for the Texas Employment Commission, said the housing complex here will solve one of the area's biggest farm-labor problems.

"One of our main problems in West Texas has been to find adequate housing for farm workers," Manahan said. "This project will entice them here and make them more available to you."

"We see no reason why, in our vast state, we can't schedule our migrant workers for a full year of work," he continued. "Too many of them have been straying from our state, where better housing was available. So this is a very important step in the right direction, and you're to be commended for it."

MASTER of ceremonies was Elvon DeVaney, who was in charge of the dedication program.

CLIFF COOK, owner of Dimmitt Safety Lane, and Clyde Damon, Flagg farm operator and former DHS school teacher, have also filed.

The election will be April 6 at Dimmitt Junior High School.

The annual Castro County Junior Fat Stock Show kicks off today with 191 boys and girls entering almost 300 calves, lambs and barrows.

AND WHILE the livestock show is being conducted at the county fairgrounds, the 1968 Project Show for girls will be underway in Dimmitt's American Legion Hall. Besides showing their wares, girls will sell snacks, coffee and soft drinks during the Project Show.

Sponsored by the Castro County Chamber of Commerce, the shows are open only to active members of the 4-H and Future Farmers of America in the county.

Weighing of livestock will begin at 1 p.m. today (Thursday) and all animals must be in place for the show by 5:30.

Friday morning, the young showmen will hold their breath as their animals go through the "sifting" to cut the fields to workable numbers for judging.

Animals that survive the sifting will be guaranteed a good floor price at the show sale, while those sifted will go for straight market prices.

Lambs and barrows will be judged Friday afternoon, and calves Saturday morning. Grand and reserve champions will receive banners and the top 10 animals in each division will get ribbons.

THE BIG auction sale will begin at 1 p.m. Saturday as farmers, businesses and buyers' clubs bid to pay premiums for the youngsters' animals. The sale committee will set an above-market floor price for the calves, lambs and barrows, and top bidders will pay the difference between their bids and the floor price as a premium, letting the animals go on to market. However, if a successful bidder wants to keep the animal he buys, he must pay the full amount of his bid.

Here's the time schedule on the livestock show:

THURSDAY
1 p.m.—Weighing begins.
5:30 p.m.—All animals must be in place.

FRIDAY
9 a.m.—Sifting begins on all livestock.
1 p.m.—Lamb judging begins. Five classes, light and heavy. Judge: Scotty Windham, Lazbudie vo-ag instructor.

2 p.m.—Barrow judging begins. Seven classes, light and heavy. Judge: Larry Tackitt, Happy swine breeder.

SATURDAY
9 a.m.—Calf judging begins. Three classes, light and heavy. Judge: Justin McBride, Deaf Smith County agent.

1 p.m.—Auction sale begins. **FOLDERS** with specific information on all phases of the show are available at the county agent's office.

General superintendent of this year's livestock show is Joe Nelson, with Wes Anthony as assistant superintendent. Auctioneers Saturday will be Dean Sanders, Jack Howell and Joe Neuman.

Second Gas Co-op Formed

A second gas farmers' cooperative was formed here Monday night as 80 local gas users crowded into the courthouse assembly room to hear their chances of tapping the El Paso Natural Gas Co. pipeline for cheaper irrigation gas.

WHAT STARTED as a meeting of the new Central Gas Farmers' Cooperative Society blossomed into the establishment of a new North Gas Farmers' Cooperative Society for producers in the northern half of the county.

"We decided this would keep the farmers' cooperative efforts more localized," a spokesman for the new co-op said. "We learned at Monday night's meeting that the Central Cooperative was going to encompass a 35 or 40-mile area, and we decided it would be better to form a second cooperative."

THE MEETING to organize the new cooperative will be Monday night at 7:30 in the courthouse assembly room. However, officers and directors of the North Cooperative were elected on the spot Monday night.

The officers are Robert Huseman, president; Donald Wright, vice-president; Elmer Schulte, secretary-treasurer; and Raymond Ammen, Don Carpenter, Frank Wise and Carl King, directors.

The North Cooperative, like the Central association, will buy gas from the El Paso Natural Gas Co., tapping the El Paso line at an anticipated cost of 22.36 cents per thousand cubic feet.

MEMBERS of the two new cooperatives expect the authorization to tap the El Paso line under the provisions of a recent ruling by the Federal Power Commission, enabling gas users here to buy their irrigation gas from new sources.

At present, Pioneer Natural Gas Co. sells all county irrigation farmers their pipeline gas.

Spelling Bee Prelims Start

Brush up on your spelling rules, kids — it's Spelling Bee time again.

THE COUNTY'S schools will hold preliminary spelldowns during the month, and the county spelling bee is scheduled for March 27.

Each school will send four spellers 14 and under to the county bee. The county and school bees are conducted in two divisions — junior and senior — with two spellers representing each school in each division.

County Judge Raymond Wilson will be in charge of the county bee again this year. The event will be at 2:30 p.m. March 27 in the assembly room of the courthouse.

THE JUNIOR and senior county winners will represent Castro County at the regional spelling bee in Amarillo in April. National Spelling Bee finals are conducted in Washington, D.C., with prizes ranging from encyclopedia sets to college scholarships.

NFO Seeking To Form Here

The National Farmers Organization will seek to form a Castro County unit next Thursday night in a meeting at Nazareth's community building.

THE MEETING will start at 8:30 p.m., and is open to all farmers, ranchers, wives, business men and anyone interested in agriculture.

Speaker will be John Oster of Ethen, S. D., national director of the NFO. He will conduct three other meetings in the area during the week—at Tulla, Hereford and Memphis.

The NFO, which has gained national headlines through its members' "holding actions" in the North and East during the past year, now claims membership in 25 Texas counties.

NATIONAL Farmers Organization is a farmers' and ranchers' bargaining group that started in 1958 and is now recognized as one of the major farm organizations in the US, with membership in 38 states.

"NFO is not asking farmers and ranchers to desert their present farm organization," Oster said. "Rather, it is asking them to become participating members of the NFO so they can take part in the effort and help get fair prices for their production through the NFO bargaining program."

He added, "The remarkable growth, success and recognition of the NFO is due to the fact that it is made up of farmers and ranchers and is offering an opportunity to them to solve their problem of receiving a fair price, by bargaining and selling together to get justice in the market place."

AT NEXT Thursday night's program, Oster will give a brief history of the NFO, tell of its accomplishments to date, outline its methods, and conduct a question-answer session.

Huggins Funeral Held at Farwell

Mr. and Mrs. E. E. Huggins returned home Saturday from Corpus Christi Lake, where they had been vacationing, to attend funeral services for their grandson, Olin Lex Huggins.

Funeral services for Huggins, 29, who died Monday in Farmer County Hospital, were conducted Wednesday at 3 p.m. in the Farwell Church of Christ.

Bobbies' Next Foe: Granbury

Dimmitt's Bobbies will meet Granbury, of Northeast Texas Saturday at 12:30 p.m. in the first round of the Region 1-AA girls' basketball tournament.

THE TOURNEY will be in Lubbock Municipal Coliseum. If the Bobbies win their first game, they'll meet either Spearman or Winters at 8 p.m. for the regional championship.

The Bobbies advanced to the regional tourney by downing the powerful Slaton Tigerettes, 58-50, for the bi-district title Tuesday night in Levelland.

THE BOBBIES won their bi-district tilt in the second quarter as they combined red-hot shooting with steals and ball control. For Slaton, it was only the third loss of the year.

Trailing 18-19 going into the second period, Dimmitt's forwards stole the ball six times within three minutes and converted the

turnovers to baskets to go ahead by 14 big points, 39-25, at half-time.

Slaton rallied in the third to pull within six points, 48-42, but that's as close as the desperate Tigerettes could get. The teams matched baskets in the fourth until, with three minutes remaining, the Bobbies went into their control game and stalled it out for a 58-50 victory.

The Bobbies kept the Tigerettes away from the free-throw line by committing only three fouls in the second half.

For the first time this year, all Bobbie forwards hit over 50 percent of their shots, averaging .540 from the field, Debra Summers led the way with 29 points, followed by Allan Webb with 19 and Ruth Dyer with 10.

"Our forwards never played better," Coach Van Kountz said. "Slaton was one of the best teams we've played all year."

Smith Talks to 40 Here

When Lt. Gov. Preston Smith met with Dimmitt residents Monday morning, he labeled public education as "the most important program in the state" and said teacher salaries will have to be hiked if the state is to solve its shortage of 14,000 educators.

"OUR BIGGEST problem in education is attracting and holding enough good teachers," the Lubbock Democrat told 40 voters in the First State Bank community room during the informal coffee.

When the legislature convenes again, you're going to hear more about school teacher salaries," he said.

He also listed highways, welfare and water among the state's most pressing problems.

"I WON'T agree to any master plan on water unless it makes provisions for the entire state," he said.

Noting that he has already served 235 days as governor during the last five years, while Gov. Connally was on out-of-state trips, Smith said, "I'm a conservative. I believe in freedom of the individual, and in the responsibility of an individual."

LT. GOV. PRESTON SMITH (RIGHT)

Five Men Seek School Posts

At least five men will make the race for three vacant seats on the Dimmitt school board.

WITH THE filing deadline at 5 p.m. today (Thursday), three incumbent trustees and two new candidates have indicated they'll run.

Incumbents Jim Golding, John Merritt and Carroll Webb all filed for re-election at a trustees' meeting Tuesday morning.

CLIFF COOK, owner of Dimmitt Safety Lane, and Clyde Damon, Flagg farm operator and former DHS school teacher, have also filed.

The election will be April 6 at Dimmitt Junior High School.

FLYIN' WEATHER — David Nelson, 6, uses the age-old "boy's barometer" to show that winter is almost over. Any boy knows that when it's warm enough and breezy enough to fly a kite this high in your shirtsleeves, spring can't be far. David is the son of Mr. and Mrs. Don Nelson, 604 Oak St.

Bible Thoughts

SHEEP GONE ASTRAY
By Ronnie Parker

Jesus would win no popularity contest in our day. Now, as when he lived on earth, we see "no beauty that we should desire him. He is despised and rejected of men" (Isaiah 53:2-3). All we, like sheep, have gone astray. We have turned everyone to his own way in the quest for pleasure, wealth, and security.

But Christ says "Come unto me." He is the Good Shepherd who has laid down His life for the sheep. Isn't it about time for us to listen when he offers salvation, peace and rest. His voice, which bringeth good tidings, should be the dearest sound to our ears. The story of His love and sacrifice deserves our undivided attention and supreme interest. A special opportunity for hearing the gospel story is coming March 24-29. Sunday services will be held at 10:30 a.m. and 6:00 p.m. Weekday services, Monday through Friday, will be at 7:30 p.m. John Gipson of Fort Worth, Texas, will be the speaker.

YOU ARE CORDIALLY INVITED
FOURTH AND BEDFORD CHURCH OF CHRIST

V.F.W. NEWS

By GEORGE DERRICK

Our Post will hold a regular dance, Saturday night, at the Post Club House on the Tulia highway, starting a 9 p.m.

Music will be furnished by "The Texans," a local five-piece western band. All members and guests are invited.

ON FRIDAY night, March 15, our Post will host a special old folks dance, at our Post Club House. Starting time is 9 p.m. Mrs. Lily Marie Howard will furnish the music. The price of admission will be in the form of a donation at the door. All proceeds will go to the Golden Spread Rest Home of Dimmitt, to help buy a color TV set for the home. Make your plans now to attend.

If you cannot attend this special dance, and wish to contribute to this cause, please contact any officer of our post, or call 647-5246.

Passing Thought: Three menaces to safe driving: "Hic," "Hike," "Hug."

LEGAL NOTICES

NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR THE PURCHASE OF CERTAIN ROAD MACHINERY
NOTICE is hereby given that bids will be received in the office of the County Judge until 10:00 A.M. on the 11th day of March, 1968 for the purchase of the following road machinery for the maintenance and improvement of the roads in and for said County, to-wit:

One (1) New Heavy Duty Motor Grader, Tandem Drive, with Diesel four cycle engine with not less than 115 flywheel HP; Oil type Master Clutch; Constant Mesh transmission. Machine to be equipped with Cab, Heavy Duty Heater, Lights, Defroster, 14 Ft. Hydraulic Sideshift Moldboard, foot operated accelerator-declerator, Dry Type Air Cleaner, Pre-cleaner, 2 Ft. Moldboard Extension, 13.00 x 24 8 Ply Tubeless Tires, and Direct Electric Starting, basic machine weight to be not less than 23,200 lbs. Equip. new or used V type Scarifier.

SUCH PROPOSALS will at said time be publicly opened and read before the Commissioners Court.

IT IS THE INTENTION OF THE COMMISSIONERS COURT to trade in One (1) AD45 Allis Chalmers Motor Grader, Serial No. 732.

IT IS THE INTENTION OF THE COMMISSIONERS COURT to pay all of balance of purchase price of above specified equipment in cash.

THE RIGHT is reserved by Castro County to reject any and all proposals or to waive all technicalities.

ALL BIDS will be retained by the County and will not be returned to the bidders.

An Added Touch of Beauty

Robert Louis Stevenson said:

"The world is so full of a number of things, I'm sure we should all be as happy as kings."

God's world is filled with loveliness, but we need to add our own touch of beauty, so that we might be builders of a better world with Him. Each of us was given talents which would enable us to contribute to the world and mankind something great and lasting and beneficial. May each of us use these talents to the Glory of God. Add a touch of beauty to your life this week by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Clayton Reports On Liquor Probe

By BILL CLAYTON
STATE REPRESENTATIVE

The Liquor Laws Study Committee held its first meeting in Austin last Saturday and scheduled another meeting for the 26th to begin its study of needed changes in the Texas Liquor Control Act.

ONE OF the responsibilities which falls upon the shoulders of a state official is that of reporting to the people. I do so now. I report to you on a problem that has me deeply worried, and deeply concerned. The problem I refer to is the "liquor mess," and I know you share this concern with me.

You've heard the reports on radio and television. You've read the accounts in newspapers. And, if you're like most citizens, you have a few questions about just what is going on.

Let me tell you what is happening in all this furor over the Texas Liquor Control Board and the so-called "liquor-by-the-drink" controversy.

BUT FIRST, let me caution you. When you talk about whiskey in Texas, you raise a highly emotional issue. Just check your history books if you want an idea of how deeply ingrained the problem is. Politicians and citizens have engaged in loud debate, voting, fistfights and even shootings as the subject of whiskey has confronted Texans. We must keep emotions out of this. What makes it touchy right now is not only the emotional problem, but the fact that the current situation is one that is very complicated.

First, let's talk about the Liquor Control Board. You know that there have been charges, that some state employees in responsible positions have been fired, that an investigation is currently underway. As you also know, you cannot come right out and make a charge against an individual or a group without all the facts to back up that charge. It is not responsible, and it would be illegal.

Therefore, an investigation is underway. And it's being conducted by several different agencies of the state. It would be the height of irresponsibility to make any charges against any individuals or agencies without the benefit of a thorough investigation into all the allegations. Therefore, it is premature — at best — to come right out and say "This, specifically, is the problem."

BUT, I can give you an idea of generally what is being checked into. You are entitled to know what your state government is doing.

Generally, the problem revolves around the areas of ad-

ministration and enforcement — of a law which, frankly, is very difficult to administer and enforce.

There are some who have charged that the law in Texas — the liquor law — is not being enforced as it should be. And as a result, they feel that the law is being abused.

If any law, and I don't care what it is, is being circumvented by the people . . . or not being enforced as it should, you have a very serious problem. The law should be changed, or the law should be enforced. There is no middle ground.

WHEN enforcement of the law breaks down, then the very fabric of our society breaks down. We've seen too many examples of this in the race riots in other cities in our nation.

The enforcement problem is complicated by another factor. There are those who go into a private club and buy a mixed drink and they feel they are doing nothing wrong, even if they have never been in that club — or even in that city before.

The way they are served the whiskey is that they are classified as a "guest." It just so happens that any John Doe can walk right in off the streets to many private clubs in Texas and become a "guest" by just walking in . . . and be served all the mixed drinks he can pay for.

This is wrong. It's wrong because it goes against the intent of the law.

NOW, IF A majority of Texans want to change the law, that's another matter. But that's not the way the law is written now. The law — as it's written now — is allegedly being abused and misused. And that's why we have several different groups checking into those allegations.

That's just one of the problems being tossed out about the current liquor laws. Another problem is enforcement. For instance, it's badly hampered by a lack of LCB agents and auditors to check on possible violations. This is why Speaker of the House Ben Barnes has appointed a five-man subcommittee, of which I am a member, to do a complete and thorough study of the state's liquor laws.

We do not solve our problems in Texas by sitting back and hoping the problems will go away — and all the while criticizing those who would try to do what is right.

IN ALL this, there is one very obvious fact: If the present liquor laws are being abused, as some feel they are, then it is up to those of us in positions of responsibility to correct those abuses. If the alleged abuses are corrected, you can look for a very strict, tight, tough enforcement of all liquor regulations in this state! And this will affect each and every person who has any connection with the sale or purchase of alcoholic beverages in Texas!

We cannot — and we will not — tolerate any of our state laws to be flouted!

NOW, IF the people of this state — and that's you — do not like the laws we have, they have an excellent recourse through the members of the legislature. They can get the word to their senators and their representatives about their feelings.

I would hope that each of you would transmit those feelings to us as soon as possible.

Don't forget: there is an alleged problem. We are checking into it. And, if the facts warrant, there will be action. Only by hearing from each citizen can we be sure that what will be done will mirror the wishes of a majority of Texans and this district.

SHORT STRONG TALKS

It takes tougher corn varieties, with short, strong stalks for today's modern farming. DeKalb's short XL varieties stand better at high populations, and take advantage of narrow rows. XL's are bred to hold their ears, too . . . to harvest easily, and produce a breakthrough to higher corn yields for you.

"DEKALB" is a Registered Brand Name. XL Numbers are Variety Designations.

More Farmers Plant DeKalb than any other Brand.

LBJ's Farm Message Termed 'Misleading'

By BOB PRICE
Congressman, District 18

A few days ago, the President delivered his farm message to Congress.

Main proposals of the program are for permanent extension of the commodity legislation enacted in 1965; a three-year extension of the Food for Peace or PL 480 program; and a bill to create a "food bank" of government-held stocks of wheat, feed grains and soybeans.

BY AND large, the farm message was received without any great enthusiasm on Capitol Hill. Sen. Ellender, chairman of the Senate Agriculture and Forestry Committee, was quoted as saying that he did not feel that Congress would or should enact "permanent" commodity programs.

Many members considered the message rather partisan in tone, but in a "presidential election year" this type of political appeal isn't surprising.

IN PLAIN and simple language, this is hogwash! The fact is first that the programs covered by the 1965 Act run through 1969. New or modified programs aren't necessary — at least by the calendar — until 1970.

place, and in the unlikely event that Congress failed to act before the termination of the 1965 Act, each of the major commodities — feed grains, wheat and cotton — have permanent "back-up" programs on the law books.

For wheat, there would be another farm referendum on a mandatory wheat certificate program with price supports on domestic and export up to 90 percent of parity; for feed grains, the Secretary could set price supports at anywhere from 50 to 90 percent of parity; in the case of cotton, there would be a marketing quota program with price supports from 65 to 90 percent of parity.

So it seems to me that the dire prediction of "catastrophe and ruin" to farmers if the 1965 Act is not extended this year is on the outer fringe of the credibility gap.

I don't believe that the major commodity programs are doing all they can for farmers and I don't think farmers are satisfied with them.

Better farm prices are certainly needed and as committee hearings proceed, I plan to do what I can, either in PL 480 Legislation, a grain reserve bill, or more commodity programs to prevent government manipulations which depress farm prices and are responsible, along with continually rising farm operating costs, for the present low level of farm income.

So it seems to me that the dire prediction of "catastrophe and ruin" to farmers if the 1965 Act is not extended this year is on the outer fringe of the credibility gap.

Buckmaster Assigned as Guard At US Embassy in Switzerland

Marine Cpl. Ronnie C. Buckmaster, former Dimmitt resident, has been assigned to the Marine Security Guards at the American Embassy at Bern, Switzerland.

BUCKMASTER, son of Mr. and Mrs. T. S. Buckmaster of Lubbock, graduated at the top of his class at the Marine Security Guard School in Arlington, Va.

He is one of five Marines assigned to guard US government Classified material at the State Department establishment in Switzerland. He will arrive after a trip half-way around the world, with a stopover in Paris, France.

Cpl. Buckmaster is a Dimmitt High School graduate and attended Texas Tech. He entered the US Marine Corps Jan. 6, 1966.

SECRETARY of State Dean Rusk and Marine Corps Commandant Leonard F. Chapman Jr. attended the Marine Security Guard School's graduation and spoke to the class of 68 who received diplomas and assignments to 39 embassies and consulates throughout the world.

Rusk spoke on the recent Viet Cong terrorist attacks on the US Embassy in Saigon, and emphasized the role played by Marine Security Guards there in destroying the 21-man terrorist squad. One Marine was killed and nine others were wounded in the embassy battle, and they will be replaced by 10 members of the graduating class.

THOSE chosen for Marine Security Guard School receive a variety of instruction ranging from protocol and etiquette to handling of bombs and explosive devices. They receive instructions from experts in the US Information Service, Department of State, Treasury Department, US Army and Marine Corps.

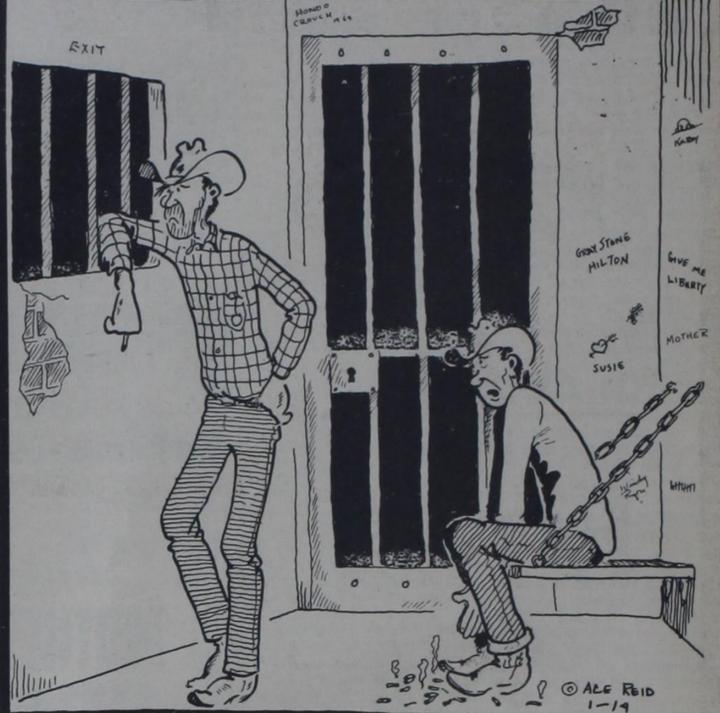

Cpl. Buckmaster

Rubber Hose Prevents Scratches and rust stains from the gas can if you'll split a length of old garden hose and fit it around the bottom of the tank.

Stone Is Graduation Speaker For Air Force Class Saturday

By RUBY STONE
Guests at the commencement banquet of the management class of Cannon Air Force Base Saturday were Mr. and Mrs. Loy D. Stone. Stone made the awards presentation, awarded the certificates of completion and gave the commencement address.

HIS TALK on "Ways of Solving" to some 25 airmen and their wives to some 25 airmen and their wives at the banquet held at the NCO Club. Main points of Stone's talk were:

—Define your problem before attempting to solve it.

—Don't limit yourself to the commonplace solution only. Sometimes the unusual is more effective.

—Do something about a problem, even if it later proves wrong. Doing nothing only creates new problems.

Mrs. Jewel Turner from Ventura, Calif., is visiting the H. H. Smiths, the Ben Medley family and Mr. and Mrs. Shorty Smith of Hereford, and the W. A. Eppersons of Easter Community.

Mr. and Mrs. W. A. Epperson and Mr. and Mrs. Tom Hall visited in Abilene over the weekend.

LANA and Trent Downing gave a dinner party for the R. B. Medleys and Sandra, the H. H. Smiths of Hereford, Mrs. Jewel Turner of Ventura, Calif., and the W. A. Eppersons of Easter last Thursday.

Trent Downing and Alvis Jolly went to Bovina to a Lions Club zone meeting Sunday.

Mrs. Lora Harris had dinner and spent the afternoon with Mrs. Ruby Stone Sunday.

On the Go
MINISTER and Mrs. Bedford W. Smith and Mrs. Othele Fry attended the New Mexico Christian Church convention Monday in Portales. Smith also attended sessions there Sunday and Tuesday nights.

A typewriter eraser will remove rust spots from guns, hooks, rods, etc.

Chemical Spray Gets Top Results In Greenbug Test

Methyl parathion, applied by air in a water carrier, has been found to give excellent results in controlling the greenbug, reports the Texas Agricultural Experiment Station at the Southwestern Great Plains Research Center in Bushland.

IN TESTING the effectiveness of ultra-low volume and conventional sprays for greenbug control, Associate Professor Norris E. Daniels reported the finding of his research last year.

"Malathion and dimethoate, applied as ultra low volume aerial sprays, were not effective in greenbug control. Methyl parathion, applied by air in a water carrier, gave excellent control. Dimethoate and malathion, as well as other insecticides, applied as

water, emulsion sprays with ground equipment gave satisfactory results," Daniels said.

The greenbug, which has been damaging Panhandle wheat, was found susceptible to methyl parathion, parathion, malathion and phosphamidin insecticides applied with conventional methods, but ultra-low volume application was found unsatisfactory in all instances, he said.

THE ultra-low volume gave insufficient coverage because the greenbugs were well protected by the plant leaves. The dosage differences seemed to make no difference in control, the specialist concluded.

At present there are no label clearances for ultra-low volume application of insecticides for wheat insect control, and producers should not apply any insecticides to wheat by this method, he warned.

CARD OF THANKS

My sincere thanks to everyone who so thoughtfully remembered me during my illness in the hospital. I shall always be grateful for your kindness.
C. O. BURT

We want to thank each and everyone for the nice get-well cards and pretty flowers and the food brought us and thanks for visits, and prayers for the recovery of my husband.

We are so thankful for Bro. Cunningham's visits and his prayers and for his presence during the operation.
May God's richest blessings be with all of you.
Mr. and Mrs. J. W. Welty and children

Words cannot express our gratefulness to each of you for your generous contribution of money, food, clothes, household furniture, bedding, and many other acts of kindness in our loss of our baby daughter, Rebecca and her trailer home with all contents, in the fire recently. From our hearts, a "Thank You" to each. Mr. and Mrs. Frank Ledesma

Case; complaining of the spouses of the last individually named persons; and if any or all of said individually named persons or their spouses be deceased, complaining of the heirs and legal representatives of such of them as may be deceased;

George B. Miller is the Plaintiff. The Defendants are those persons first named in this Citation and to whom it is directed. A brief statement of the nature of this suit is as follows, to-wit: The Plaintiff sues for the title to and possession of the following described real estate situated in Castro County, Texas, to-wit:

All of Lots Number Seven (7), Nine (9), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), in Block Twenty-eight (28); Lots Number One (1), Two (2), Four (4), Seven (7), Nine (9), Fourteen (14), Eighteen (18), Twenty (20), Twenty-two (22), Twenty-three (23), in Block 29; Lots Number Three (3), Five (5), Eight (8), in Block thirty (30); Lots number One (1), Two (2), Three (3), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), in Block thirty-seven (37); Lots One (1), Two (2), Three (3), Four (4), Five (5), Six (6), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), Twelve (12), Nineteen (19), Twenty (20), Twenty-one (21), Twenty-two (22), Twenty-three (23), Twenty-four (24), of Block thirty-eight (38); Lots Five (5), Six (6), Seven (7), Eight (8), Ten (10), Twelve (12), Fourteen (14), Sixteen (16), Seventeen (17), Eighteen (18), of Block thirty-nine (39); Lots One (1), Two (2), Four (4), Seven (7), Fifteen (15), Sixteen (16), Seventeen (17), Eighteen (18), in Block forty-five (45); Lot 4, Block 46, Lots One (1), Two (2), Three (3), Six (6), in Block fifty-five (55); Lots Four (4), Five (5), Six (6), Eight (8), Twelve (12), Sixteen (16), in Block 56 Lot Number One (1), in Block 58; that part of the lots in Block 56 and lots in Block 58, lying North of the right-of-way of U.S. Highway 60.

All of the aforesaid lots and parts of lots being located in the Original Town of Summerfield, Castro County, Texas, according to plat of said Original Town which appears of record in Volume 11, Page 470, of the Deed Records of Castro County, Texas.

Plaintiff sues in trespass to try title and additionally claims title under the above described property under the Five Year Statute of Limitations and adverse possession; the Ten Year Statute of Limitations and adverse possession; and the Twenty-five Year Statute of Limitations and adverse possession.

That the names of the parties to this cause are as follows:

George B. Miller is the Plaintiff. The Defendants are those persons first named in this Citation and to whom it is directed. A brief statement of the nature of this suit is as follows, to-wit: The Plaintiff sues for the title to and possession of the following described real estate situated in Castro County, Texas, to-wit:

All of Lots Number Seven (7), Nine (9), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), in Block Twenty-eight (28); Lots Number One (1), Two (2), Four (4), Seven (7), Nine (9), Fourteen (14), Eighteen (18), Twenty (20), Twenty-two (22), Twenty-three (23), in Block 29; Lots Number Three (3), Five (5), Eight (8), in Block thirty (30); Lots number One (1), Two (2), Three (3), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), in Block thirty-seven (37); Lots One (1), Two (2), Three (3), Four (4), Five (5), Six (6), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), Twelve (12), Nineteen (19), Twenty (20), Twenty-one (21), Twenty-two (22), Twenty-three (23), Twenty-four (24), of Block thirty-eight (38); Lots Five (5), Six (6), Seven (7), Eight (8), Ten (10), Twelve (12), Fourteen (14), Sixteen (16), Seventeen (17), Eighteen (18), of Block thirty-nine (39); Lots One (1), Two (2), Three (3), Six (6), in Block fifty-five (55); Lots Four (4), Five (5), Six (6), Eight (8), Twelve (12), Sixteen (16), in Block 56 Lot Number One (1), in Block 58; that part of the lots in Block 56 and lots in Block 58, lying North of the right-of-way of U.S. Highway 60.

All of the aforesaid lots and parts of lots being located in the Original Town of Summerfield, Castro County, Texas, according to plat of said Original Town which appears of record in Volume 11, Page 470, of the Deed Records of Castro County, Texas.

Plaintiff sues in trespass to try title and additionally claims title under the above described property under the Five Year Statute of Limitations and adverse possession; the Ten Year Statute of Limitations and adverse possession; and the Twenty-five Year Statute of Limitations and adverse possession.

That the names of the parties to this cause are as follows:

Plaintiff prays for title to and possession of the real estate above described and that any cloud cast on Plaintiff's title by any of the Defendants be removed; as is more fully set out in Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at office in Dimmitt, Texas, this 13 day of February, 1968.

Attest:
Zonell Maples
Clerk, Castro County, Texas
District Court
By: Lola Faye Veazey, Deputy 18-5c

Vows Recited in Nazareth; Couple to Live in Colorado

MRS. RICHARD GEORGE SCHACHER
... The former Shirley Ann Acker

Holy Family Church in Nazareth was the setting for the Feb. 22 wedding of Miss Shirley Ann Acker and Richard George Schacher.

Rev. Wilmer Reichel officiated at the 4 o'clock double-ring ceremony.

THE BRIDE is the daughter of Mr. and Mrs. Lawrence Acker of Nazareth. The groom's parents are Mr. and Mrs. Alfred Schacher, also of Nazareth.

Diana Acker, sister of the bride, was maid of honor, and Genevieve Braddock, the bride's cousin, and Erlene Birkenfeld were the bride's attendants.

Harold Schacher served his brother as best man. Groomsmen were Francis Acker, the bride's brother, and Don Faust-brid's brother, and Don Faust-night. Ushers were Denis Acker, Gerald Acker and Jerry Leinen.

ESCORTED by her parents, the bride wore a formal length wedding gown of imported Chantilly lace over taffeta. The gown featured a lace scoop neckline and fitted bodice, and its skirt had large ruffles of contrasting plain net with scalloped lace edging, dropping in waterfall fashion to the floor. Her veil of imported illusion was secured by a crown of seed pearls. She carried a bouquet of white gladioli and carnations.

A reception and dance in Nazareth Community Hall followed the ceremony. Music was provided by the Western Swing Kings.

For traveling, the bride wore a dress of hot pink and white wool, with a corsage of gladioli and carnations to match her bridal bouquet.

Socially Yours

Danelle Crowley

Danelle Crowley Receives Degree

Danelle Crowley, daughter of Mr. and Mrs. Paul Acker of Dimmitt, has received her bachelor's degree in secondary education from Texas Tech.

She completed her degree requirements at mid-term, with a double major of Spanish and physical education.

SHE IS a 1964 graduate of Dimmitt High School, where she was a member of National Honor Society. At Tech, she was named to the Dean's Honor List six of her seven semesters.

She was active at Tech in Alpha Phi social sorority, served on the President's Seminar as a representative of the School of Education, and was a member of the Rodeo Association, Sigma Delta Phi, Spanish honorary, Karate Club and Judo Club. In karate, she earned her brown belt, and in judo she earned a Gokyn Belt.

After a tour of Europe, she plans to teach Spanish and physical education at the junior high and high school level.

Janice Mooney To Give Program

Janice Mooney of Dimmitt will present a program of piano music at the 40th anniversary banquet of the Levelland Rotary Club March 18.

MISS MOONEY, daughter of Mr. and Mrs. Bob Mooney, is the Dimmitt Rotary Club's pianist, and last year was named the official pianist of the Future Homemakers of America after winning competition at the area, state and national levels.

Camp Fire Girls See Puppet Show

Nancy Vardell presented a puppet show when the Oklhi Camp-Fire Girls met last Thursday in the Boy Scout Hut.

ALSO, the members polished their pictures for the third time, sang songs and said the "Fire Maker Desire."

Marlene Langford conducted the meeting, and refreshments were served at the end of the meeting.

Attending were Marlene Langford, Jaci Johnson, Pam Forrest, La Cretia Sandlin, Charlo'te Fisher, Ann Welch, Nancy Vardell, Jan Noble, and the group's leaders, Juanita Welch and Jeanle Johnson.

H-D Notes

Project Show Coming Up

By IRENE KEATING

Saturday morning we had a 4-H Council meeting. It was good to see nearly all the members present. The council presented a United States flag to the county, with Judge Raymond Wilson accepting. It stands on a staff in the lobby of the courthouse. The county bought a Texas flag which is in the lobby, too. It sure does make me feel good to walk in and see those flags.

LAST WEEK was quite busy. Thursday, Russell Burwell and James Horton gave an interesting program on wills and investments. I wish everyone could have heard it.

This weekend is our Livestock and Project Show. We want all of you to come to the Legion Hall

and eat with the 4-Hers. They'll sell sandwiches, pie, cookies and drinks. We want to thank the Home Demonstration Club women for donating the pies to sell. The 4-H girls will bring cookies to sell.

Saturday at 8:30 a.m. the girls' Project Show will be judged. Girls, there is an extra award for each division this year. I think you'll be real proud to get it—so enter, so you'll be eligible. I'll not tell you what the award is so it'll be a surprise.

FRIDAY afternoon I went to Flagg Home Demonstration Club. I sure enjoy the women in that club. Patty Summers stole the afternoon with her new baby. Flagg 4-H Club had a good meeting Friday night. They got two new members. Stephen Anthony and Jeff Robertson, we're glad to have you in 4-H.

The Consumer and Marketing Service suggests a unique between-meal snack. Whip cottage cheese with fresh orange juice and freshly grated orange rind. Serve gen-

erously over hot gingerbread. It sounds delicious to me. And just think—it isn't very high in calories!

Glidewells Host Visitors Sunday

By LaVerne McDaniel
Mr. and Mrs. Gary Hathaway and Paul of Plainview spent Sunday with Mrs. Hathaway's parents, Mr. and Mrs. Lloyd Glidewell. Bill Glidewell, a college student, was also home for the weekend.

DINNER guests of the Robert McDaniels the past week were Rev. and Mrs. Sewell and Derwin, Mrs. Thelma McCoy, Thursday, Mr. and Mrs. Eddie Miles and Carolyn from Anton, Sunday, also Cindy Williams and Ronny McKay.

On the Go

MRS. JOHN HAMILTON of Dallas and Mrs. Sam Maynard, spent the weekend in the home of Mrs. E. C. Caudle and Mr. and Mrs. Jim Maynard at Lubbock. Mrs. Caudle moved to Lubbock last week.

Labor Gets Half Of Food Dollar

A big share of the food dollar goes to labor. Of the total cost of moving food from the farmer to the housewife, wage earners in the food industry get an estimated 50 percent.

MYRNA BUCKLEY

wants to meet you in the Blue Room

We are proud to announce that Mrs. Myrna Buckley, award-winning hairdresser, has joined the staff of the Blue Room Coiffures.

A native of Bangor, Maine, Myrna was married recently to Larry Buckley of Dimmitt and is a new resident here. During her three years as a hairdresser, she has won nine trophies in professional hair-styling competition throughout New England. Here, you see her with large Maine Beauty Supply "Master Award" trophy.

She wants to meet you, and is ready to style your hair expertly, by appointment Tuesdays through Saturdays.

Only Half of US Households Have Good Diets, Study Shows

Despite higher income and the availability of wholesome nutritious food at the lowest real cost of anytime in our history, many American diets do not meet recommended allowances.

A RECENT nationwide survey of food consumption conducted by the Department of Agriculture reported that Americans' food habits were shifting, causing change in national dietary levels.

The great variation of food use from household to household was significant, reported Extension foods and nutrition specialists at Texas A&M University.

Twenty-one percent of all households had poor diets. This figure was 15 percent in 1955. Half of the households surveyed met or exceeded requirements for a good diet.

The Specialists concluded that many Americans are making a

poor choice, nutritionally, of our food abundance. Incomes do not necessarily determine good nutrition, pointed out the specialists.

LOW INCOME household, those with incomes less than \$3,000, had greater returns in calories and nutrients per food dollar than households with higher incomes, on the average.

Most families received adequate amounts of protein, iron, thiamine and riboflavin.

Nutrients most often in short supply were calcium, vitamin A and ascorbic acid. Nutrient shortages were associated with use of less-than-recommended amounts of milk, milk products, vegetables and fruits, say the specialists.

The study showed a 10 percent decline in the consumption of fresh milk and other dairy products that are primary sources of calcium.

SECRETARY OF Agriculture Orville L. Freeman said that cooperation will better the nation's nutritional status: enrichment of flour, breads and cereals; improvement of nutritive value of processed foods; encouragement to shop for best nutritional values for purchases made, and other consumer education.

The Texas Agriculture Extension Service's educational program is directed toward better food buying and toward work with lower income families and donated foods.

Library Reports Progress in '67

The Castro County Library circulated 4,169 books during 1967 and made more than 500 extra books available to the reading public.

IN ITS progress report for 1967, the library board noted that the county library purchased 175 or more new books during the year, received 252 books valued at \$400 to \$500 on loan from the Texas State Library, and received two other loans of 50 books each from the Amarillo Library, an area loan center.

One of the brightest spots in the library report was that it recovered 65 of 67 long overdue books through a publicity campaign during 1967.

The library board also ordered a new set of Collier's Encyclopedias, delivered in January to aid in school level research.

Mrs. Sandra Robb, former librarian, and Mrs. Virginia New-

som, present librarian, attended four educational library workshops during the year. Also, Mrs. Newsom continued her weekly "Story Hour" for children at the library, added a "Story Hour" program on Radio Station KDHN, and started a column, "The View From the Library," in the Castro County News.

THE LIBRARY during 1967 noted a rise in book circulation to 130 to 140 books per week, plus increased use of the library for research.

When requested, the librarian has located and borrowed special research material from the Amarillo Library. This material generally is not available in local county libraries.

In the 1967 children's summer reading program, 100 participated and 71 completed their required reading and received state certificates.

American Family Income Hits New Peak With \$7,400 Median

American family income has reached a new peak. The median income of all families in 1966 was \$7,400, a 7 percent increase from 1965.

ALTHOUGH prices have risen, too, Extension home management specialists at Texas A&M University say real consumer purchasing power gained about 4 percent. Prices rose about 3 percent between 1965 and 1966.

The number of low-income families has decreased and the number of high-income families has increased. The percentage of families with incomes less than \$3,000 dropped from 16 percent in 1965 to 14 percent in 1966. The percentage of families receiving \$10,000 or more increased from 27 to 30 percent.

The 1966 median income more than doubled the 1950 figure, the specialists say.

THIS INCOME growth is attributed to several factors. Rising

productivity of the American economy and working wives are two primary ones.

In 1967, 35 percent of all wives were in paid jobs. In 1957, the percentage was 27.

The median income of husband-wife families in which the wife was a paid worker was \$9,200. This was 30 percent higher than the median income of \$7,100 for families in which the wife was not in the paid labor force.

Frio Club Hears Exchange Student

The Frio Jolly Workers met Friday, February 23, in the Easter Lions Club. The meeting was called to order by Diana Adams. The roll call, "A Country I Would Like to Visit," was answered by: Diana and Kenneth Adams, Earl and Bob Behrends, Eugene and Raymond Warrick, Diana and Marvin Jones, David Hutchins and Jeff Wylie.

The old and new business were discussed. The County Stock and Project Show is to be March 7-8-9 in Dimmitt. Diana then introduced the guest speaker, Katie Laine, our foreign exchange student from Finland. She gave a very informative program on her country and family.

At the close of the meeting, Sharon and Kieth Hall and Patricia Yerby were introduced to the club as new members.

The meeting then adjourned for recreation and refreshments.

EARL BROCK
... Will retire April 1

RALPH GLOVER
... Will succeed him

SWPS Names New Dimmitt Manager

Ralph Glover will become the Dimmitt manager for Southwestern Public Service Co. April 1, it has been announced by J. M. Collins, Plains Division manager for the electric company.

GLOVER will succeed Earl Brock, who is retiring after an electric utility career that has spanned more than 40 years.

Glover, who has been with Southwestern Public Service Co. for more than 22 years, comes to Dimmitt from Olton, where he has been manager since 1956. He started with the company as an apprentice in 1945 at Clovis. He went to Floydada as a lineman in 1949 and to Silverton as manager in 1950.

THE NEW Dimmitt manager is a native of Vernon, and a graduate of Vernon High School. He has also taken courses in the vocational training, customer relations and supervisors educational programs of his company.

Glover is a past president of the Chamber of Commerce and Agriculture and the Lions Club in Olton.

Brock has been Southwestern Public Service manager in Dimmitt since 1949, but nearly a quarter century before that time he was one of the men who helped build the electric distribution system in Dimmitt as well as the first transmission line into this area.

He has been active throughout his business career in civic affairs here, having served as president of the Chamber of Commerce and Lions Club. As chamber president, he helped put Castro County into the vegetable industry by contacting producers and processors.

Brock has also had an active career with the Boy Scouts, and recently was awarded the coveted Silver Beaver pendant, highest award for adult workers in scouting.

HE HAS twice been selected Manager of the Year by his company for his outstanding efforts in sales promotions.

A retirement party for the Brocks will be held later this month, at which time he will be honored for his long service.

Lenten Services Slated Wednesday and Fridays

By Mrs. Florance Albracht Holy Family Parish is having special Lenten devotions each Wednesday evening. Mass is celebrated at 7:30 on Friday evenings. Way of the Cross, Rosary and benediction of the Blessed Sacrament is held.

ON FRIDAY several of the women from our Parish attended the World Day of Prayer with the women of other communities, which was held at the Methodist Church in Dimmitt.

Mr. and Mrs. Bruno Schwertner and family from Colorado visited friends here and attended mass Sunday.

Mr. and Mrs. Greg Venhaus and Harold Venhaus spent Sunday here with the Paul Venhaus and Bob Steffens families.

SUNDAY afternoon the Catholic Daughters of America held a reception for new members. Joining the court were Mrs. Tom Brockman, Mrs. Jerry Acker, Mrs. Jerry Lange, Mrs. Jerry Leinen and Mrs. Elizabeth Britting of Amarillo. After the reception, a tasting tea was held with all donations going to the Madonna Plan, a group that takes care of needy mothers.

Visiting the John Slaviks Sunday were their daughter Judy and her family of Houston.

A NEW rectory for our parish has been contracted for, and plans are to get started immediately. Urban Kleman of Tulia is the contractor.

Mrs. Math Albracht of Amarillo visited her mother, Mrs. Lizzie Gerber, and Mrs. Anna Albracht Sunday afternoon.

Mrs. Mildred Ball, her daughter and granddaughter, Mrs. Odette Roberson and Sydney of Amarillo, and Mrs. Raymond Annen visited Mr. Mary Kleman at the Golden Spread Rest Home in Dimmitt Feb. 28. It was Mrs. Kleman's 84th birthday.

JOHN HEMMER AND Albert Demmert left for their homes in Chester and Lothair, Mont., after spending two weeks visiting here with the Venhaus families.

Mrs. Agnes Brockman, Mrs. Max Acker and Mrs. Ozetta Wilhelm went to Plainview Feb. 27 to attend a musical show.

David Schulte is the new manager of Al's Service Station in Nazareth.

Mrs. Agnes Brockman was host at a supper and card party Feb. 25. Those enjoying the evening were the families of Jerome Brockman, Ralph Steffens, George H. Book, Cyril Brockman, Tom Brockman, James Wilhelm, Philip Brockman of Muleshoe,

Paul Venhaus, Albert Venhaus, Helen Backus and John Hammer and Mr. Albert Demmert of Montana.

THE ORDER of Martha met in the home of Mrs. Florance Albracht Feb. 27. Altar linens that were completed will be sent to a mission in Pennsylvania. The afternoon was spent in playing games and visiting. New linens to be made were taken by the members to be sewn and laundered at home.

Mrs. Lizzie Birkenfeld went to Umberger to visit her daughter, Marcella, and they attended the conference given by Msgr. Mattheison at St. Mary's Church in Amarillo. After the conference, they visited Mrs. Julia Brockman and family and Mr. and Mrs. John Birkenfeld.

First Christian Revival Coming

A week-long revival will begin Sunday at the First Christian Church.

SUNDAY'S services will be at the regular hours, 10:50 a.m. and 7 p.m., and Monday through Friday services will be at 7:30 nightly.

Evangelist will be Dalton Carr of Rocky Ford, Colo., former missionary among the Indians in Washington state and Arizona. All services are open to the public.

Scotland Slides On Tap Tonight

George Balke of Happy will show films and talk about his native land of Scotland at the Arney Community Club at the community building tonight (Thursday) at 7:30.

THIS WAS changed from the regular meeting date to give everyone interested a better chance to attend. The public is invited.

Last chance to win a prize at the Club's "42" tournament will be Saturday evening at 7:30. Refreshments will be served.

Emergency Grappling Line If you lose something overboard, unsnap all the snaps on your fish stringer, tie it to a longer line if necessary and drag it along the bottom. There's a good chance one of the hooks will grab.

Frio

Revival Ends

By Mrs. Owen Andrews

The revival at Frio Baptist Church was concluded Sunday evening. Among guests Sunday morning were Mr. and Mrs. J. B. McAdams of Plainview, parents-in-law of Rev. Bob Bratcher; and Mrs. Lawrence of Plainview, mother of Bob Lawrence, singer for the revival. Also visiting were Mr. and Mrs. W. L. Bal-dree and grandson of Borger. Lawrence and Bratcher stayed in the Olin Parris home.

Bob Lawrence came here directly from a meeting at Nashville, where he was attending to business relating to the tri-state Baptist work he serves. He left by plane Sunday afternoon for his home at Rapid City, S.D.

Rev. Bratcher left Monday for El Paso where he is pastor of Mountain View Baptist Church.

The women brought dinner to the church Sunday, and a large number, including several guests, ate the noon meal there. Also, supper was served after the evening service, with the large amount of food left from the noon meal. The new fellowship hall was utilized to the fullest last week, with gatherings and meals almost every day.

FRIO Homemakers Club met Tuesday afternoon in the home of Mrs. Eugene Baldwin. The program centered around "Care of Wigs and Wiglets" and was given in demonstration by Mrs. Chesley Johnston, licensed beautician. She talked about cleaning and styling the hairpieces, and showed how to roll curls in one. She combed another and placed it in the hair, with Mrs. Baldwin serving as her model. Also, two wigs were used to demonstrate their adaptability to different faces.

The next meeting is planned for March 12 at the home of Mrs. Carlton Dobbins, with a film on HemisFair 68.

Attending Tuesday's meeting were Mmes. Carlton Dobbins, Weldon Stephan, Gene Duvall, Earl Harkins, Andy Axe, Henry Andrews, Laura Littrell, Harlan Barber, Annie Springer, Dee Taylor, Sam Ogan, Jackie Andrews, T. L. Sparkman Jr., Owen Andrews, Tommy Sparkman and Miss Alma Andrews.

MR. AND MRS. D. P. Schmidt of Corn, Okla., are here visiting their children, the Leonard Schmidts, the Herb Schmidts and the Earnest Harders this week. They came home with the Herb Schmidts when they were in Oklahoma last weekend. Visiting Mr. and Mrs. T. L. Sparkman Sunday afternoon was

a niece, Mrs. Glenn Reeve of Friona.

Several visited the J. B. Harlin home last week while their daughter, Mrs. George Cameron of Salem, Ore., was visiting her parents. She is the former Kitty Chloe Harlin and grew up in Frio community. The Camerons have two daughters, Linda, a high school sophomore, and Cindy, who is a university freshman. Mrs. Cameron made the trip by airline, returning home Friday morning. Among those who visited were Mrs. H. M. Mobley, Mrs. Floyd Cole and Mrs. Owen Andrews.

A RECENT visitor in the home of Mrs. H. M. Mobley was a sister-in-law, Mrs. D. P. Smiley of Roaring Springs. She was on her way to Friona to visit a son, Murle Massey, and family.

Mr. and Mrs. Leo Hall of Wilcox, Ariz., were here during the weekend visiting friends and attending to business. They attended church at Frio Sunday.

Harry James Vogler is in Houston this week, where he has a pig entered in the Stock Show. Mrs. E. F. Vogler, his mother, went with him and is visiting another son, Leon, and his family there. Also in Houston this week with calves in the show are Steve Robbins and Bill Cole.

SEVERAL from here attended a bridal shower for Mrs. Charles Danley, the former Linda Blackburn, at First National Bank community room in Hereford Friday afternoon. The Danleys were married two weeks ago at Avenue Baptist Church in Hereford. Miss Blackburn has been a student at Dimmitt High School this year.

For A Dry Timepiece

You'll never get your watch wet as the consequence of an unexpected fall into the lake if you place the timepiece in a small plastic bag, seal the bag, and carry it in your pocket. The clear plastic keeps the watch dry, yet permits you to see what time it is.

NEW FLAGS — On behalf of the county, Judge Raymond Wilson accepts a new American flag for the courthouse from members of the County 4-H Council Saturday morning. The county has purchased the companion Texas flag in the background, and the two new flags now stand

inside the entrance to the courthouse. 4-H Council members are, front row from left: Bob Duke, James Eastman and Gary Hart. Back row, from left: Jo Ann Smith, Sue Smith, Rita Womack, Diana Adams, Debbie Hochstein and Virginia Winchell.

The Shadow

Current Victim Makes Two Trips to Lubbock

I sure am glad at times like this that my shape and size fits perfectly around the neck of a pretty young girl attending D.H.S. Everyone should have it so lucky. But as everything else, it has its lay backs. I'm not complaining mind you, but if someone could just tie her down for a while so I could rest . . .

WELL like this weekend, after school Friday we went home and did a little nothing for a while until we got the notion to cruise to town for a while. Here we got a coke and saw all the "kiddies" from school. Then home for nights sleep.

We really needed that sleep cause the next morning, we were up with the chickens at 7:30 (in fact we might have woke them up). Well we went to Lubbock to pick up our Mom and visited Prince Charming. Of course we had to get back for the Band Festival at Hale Center. We got back at 8:30 and straight to the good ship lollipop for a few sweet dreams.

The next morning we went to church like all nice little girls do but then it was back to Lubbock with Patty and Stan for another visit with our "heart throb." We got back about 10:30.

BOY AM I glad the week ends aren't any longer, I'd never make

it! Monday was just another school day but afterwards was play rehearsals. Tuesday we went shopping in the city of Dimmitt, and Wednesday another play practice.

The View From Your Library

By VIRGINIA NEWSOM Librarian

Members of the book selection committee met Feb. 28. Those attending were Miss Hazel Merritt, Mrs. R. A. Axtell, Mrs. Earl Lust and Mrs. Steve Taylor. Purpose of this committee is to assist the librarian in the selection of new books for the library.

THE LIBRARY receives many book catalogues from various dealers. From these are selected the books we think are best suited to our needs. We will, very shortly, be sending off a rather large book order so the library will be getting new books again.

We concentrated heavily on books for our young people this time. We are trying to prepare for the summer reading program, which will be under way sometime in June. Some of you are familiar with this program. The youngsters are given a required number of books to read. When they are completed these, they receive a certificate from the Texas State Library saying they have finished their requirement. The program was very successful last year, with approximately 100 youngsters participating.

★ WHEN NEW books are received at the library, they are not yet ready for the shelf. If you sometimes wonder why it takes so long before you are allowed to check books out, let me tell you briefly the steps necessary to getting them ready.

First, each book must be given

Well you've probably guessed by now I am a Texas Tech drop necklace owned by Sharon Flynt. I bet you can't guess who our heart throb is!

Who's Starring In the Movies?

1. Bonnie and Clyde — starring Betsy and Ronny
2. The Happiest Millionaire — starring John Hays
3. Water Hole Number Three — starring Jill and Graham
4. How I won The War — starring Danny Newton and Bobby Baker
5. Our Man Flint — starring Lonnie Markley
6. Born Losers — starring Clem and "Fuzz"
7. Sound of Music — starring the Bobcat Band
8. The Longest Day — starring the English IV classes!
9. Jungle Book — starring the Ag Boys
10. Snow White and the Seven Dwarfs — starring Sharon Henley
11. Gone With the Wind — would you believe it to be soon dedicated to the mighty Senior Class???
12. Hell's Angels — The Senior Boys

an accession number. These are entered in large book which gives us a permanent record of all books in the library. We then must catalogue the books and give them either a number or letter, which assures their being placed on the proper shelf.

We then put on a plastic, protective cover which keeps the books clean and new looking much longer. We must type three cards for the card files—these are title card, author card, and subject card.

Finally, we put a pocket in each book for a date card. The date cards are then typed, inserted in the pocket and your are ready for business at last.

SO YOU SEE, the processing does involve a bit of time. We are always anxious to get the books on the shelves, but all of these things must necessarily be taken care of first.

All our efforts are aimed at giving you a really good library, and we appreciate the fact that

Editorial

Thanks, Fans!

By BETSY SIMPSON

Down at Levelland the other night, the outstanding sportsmanship of the Dimmitt fans amazed people and brought in several complimentary reports to Mr. Moore's office.

WHEN a team is behind, it is always hard to be the best sports about the calls made by the referees. It is equally hard to be good losers, especially when the team is an habitual winner. This is the time when a school's students and fans show what they are and how good they are by the way they act and the way they yell.

We must be pretty good, we Dimmitt people, and that isn't meant to sound like bragging. We are very proud of the behavior of the whole Dimmitt section.

During school hours before the game, Student Body President Tommy Martin took over Mr. Moore's public address system mike and explained to the student body of the importance of being good sports and not booing or mak-

more people are using the library each week. Book circulation continues to be up, and our monthly total for February was 475 books, which is an increase of 150 over last month.

Make using the library a habit, it's to your advantage to do so.

ing cat-calls and what-have-you. It seems to have paid off this time, from the way Mr. Moore talks about all the compliments he has received from various sources.

During the game, the referees made a number of calls detrimental to the judgment of our loyal fans. Of course we were upset, but there were no loud boos or cat-calls from the Dimmitt side of the court. After one questionable call by the referees, bad sounds could be heard from the other side of the gym, much to the embarrassment of several people over there.

THROUGHOUT this whole year, the sportsmanship of the school and the townspeople has been very commendable. Not only down at Levelland have the Dimmitt fans shown their reputable attitude, but at all the ball games that have been played in the course of the year.

And sportsmanship is not confined to the football field and the basketball court. It can be applied to the different phases of the Interscholastic League contests such as track, band, number-sense, one-act play, prose interpretation, and so on.

With as fine an attitude as shown at basketball games, though, and with the continued respect for the other team or side, our sportsmanship will never leave anything to be desired.

Campus Chat

DHS--a Source of Pride

Sometimes you hear kids griping about our school, but still you hear more that like it. We are awfully lucky to have a school like this and the kids that are in it.

WE HAVE a right to be proud of our school, we have a great basketball team who always wins district. We have a great Band that gets to go more than most bands its size in Texas. Then we have our clubs which also help to hold our school closer. We have a fast rising speech and Drama department and only this past week some students of our school represented us at the Texas Tech Speech Tournament. Our FFA boys have shown champions at several Fat Stock Shows.

With teachers like Coach Cleveland, Smith, Mr. Quinby, and Mr. Farrer our school is on the rise and will always be the champs in Basketball, Band, FFA and Speech. We have a right to be

proud and most of us are because we attend Dimmitt High School. MAYBE we should look at our school and just see what makes it so great. The Basketball team have won district several times and did it again this year, the Bobbies and Bobcats are a real addition to the success of our school. Our band has won several Sweepstakes Awards in UIL competition and just week before last won the Concert Division at the Hale Center Band Festival. Our speech department has brought home many

victories from various speech tournaments.

We here in Dimmitt are really lucky to have such a great school and we all have a right to be proud of it.

Organizations

This week, due to six-week exams, this school is doing a little of nothing!!! There are a few energetic people left though—if you can call taking two pictures for the annual big bunch of energy. On, yes, the library is selling candy to raise funds for their pins.

OH, IF you just happen to be walking down the halls sometime and just happen to look into one of the classrooms you can see the "lazy" running off everybody. For instance, the JETS are now engaged in a great enterprise. Only trouble is, nobody knows what the enterprise is including the JETS.

Science Club, headed by Mr. McCoy, is doing their usual — NOTHING. The National Thespians meet for the first time since they were organized this year to have their pictures made, and to top this, the Administration is doing the "least possible" in correcting this state of depression. This school has one thing to say, "HELP!"

Senior Boy of Week:

Tom Martin

"Please rise while we sing the school song." This is a familiar statement made by our Senior of the week, Thomas Stephen Martin. Tommy is our Student Body President. He has served as Vice-President of the Student Senate his Junior year. In his spare time he devotes himself to the F.F.A., Student Senate and JETS.

TOM'S PARENTS are Mr. and Mrs. J. W. Martin, who lived in Muleshoe, Texas on the date of his birth in 1950, April 17th.

Tommy notes his past time as working with cattle or listening to the song "Whispering Pines."

Tommy would be in hog heaven (should he find some sparetime) if he could set in a blue Firebird and watch any movie with Lee Marvin starring.

You can tell Tommy is a cattle man when he tells us his favorite food is steak.

Tommy plans to attend Texas Tech and major in agriculture or engineering. Good luck to a fine student and D.H.S. leader!

THE rehabilitation library of the National Easter Seal Society for Crippled Children and Adults is the only specialized library of its kind.

HOWARD BERTSCH (left), administrator of the Farmers Home Administration in Washington, describes his agency's role in the new Castro County Agricultural Housing Project during a press conference before Friday's dedication ceremonies. The conference was held at the clubhouse of the new county recreation center, another FHA-backed project. At right is Joe Manahan of Austin, chief of the Texas Employment Bureau's farm placement service, who also spoke at the dedication service. Bertsch pointed to the urban-rural imbalance in the US and the resulting riots in metropolitan ghettos, and said his agency's main mission is "to help revitalize the economy of rural communities to counter this imbalance." He added that his agency's \$387,380 grant to the local housing association "is a lot wiser investment than giving three million dollars to help increase the police forces in metropolitan areas."

Bethel News

Mrs. Sides Has 8th Birthday

By MRS. J. T. STEHR
647-4221

Mrs. George Sides was surprised on her eighth birthday last Thursday (Feb. 29) when the following dropped in that morning for a surprise coffee: Doris Lust, Norma Smith, Jean Gilreath, Sandra Bagwell, Frances Smith, Marie Winders, Nell Ingram, Rita Welch, Glenda Rickerd, Charlene Howell, and Sue Howell.

mother, Mrs. Dean Meyers, Mrs. Raymond Carson and Mrs. Ethel Fryer, Mr. and Mrs. Curly Daugherty of Olton, Mr. and Mrs. Pat Graef of Clovis, and Mrs. G. A. Shwen.

Six Cub Scouts from Bethel attended the banquet at the South Grade School for the Cub Scouts. Mrs. A. T. Morgan spent the weekend in Waco visiting her mother, Mrs. E. L. Holmes and other relatives.

★
MR. AND MRS. Mike Langford and children attended a party in the home of Mrs. Paul Langford and Linda in Dimmitt Friday night, honoring Pfc. Bill Meyers, who was to leave for Vietnam Wednesday. Present were Bill's

★
MRS. A. T. MORGAN visited Mrs. Jimmy Ivey of Lazbuddie Tuesday.

Attending the ball game at Levelland from Bethel were: the Charles Wales family, the George Sides family, the Don Gilreaths, Houston Lusts, James Welches, Ricky Bagwell, Mrs. Jack Howell and boys, and the Jimmy Howells.

Ricky and Randy Morgan spent Friday night and Saturday with their sister and her husband, the Charles Harris of Plainview.

Next Thursday will be hand-work day at the home of Mrs. Jim Bagwell.

Tom Haney and Larry Waggoner of near Granite City, Ill., were callers in the Jack Howell home. They came to see the quarter horses. They spent the night with the Howells.

★
VISITING in the J. T. Stehr home over the weekend were his brother and wife, the Martin Stehrs of Willow, Okla., They all attended church at Hereford Sunday, then went via Boot Leg to visit the Herbert Schuelers of Rhea Community. They ate supper with the Schuelers. Monday the Stehrs returned home.

Mr. and Mrs. A. T. Morgan attended the funeral of a friend in Winters Monday.

The Jack Howells took the Moss Howells to Clovis for supper Saturday night.

The Bud McElroys went to Buffalo Lake on an outing Sunday.

★
MRS. EARL LUST and Mrs. Vern Lust attended the World Day of Prayer service at the First Methodist Church in Dimmitt.

Mrs. Wesley Smith was in Amarillo Monday.

Mrs. Houston Lust took her mother, Mrs. Joe Finck of Tulia, to Amarillo Monday.

The Wesley Smiths and the Elbert Smiths were hosts to a '42' party at the County Recreation Center Friday night. They had seven tables. The Jack Howells won high score and the Max Keatings low score.

★

Rev. Cecil Tune

Methodist Revival To Start Sunday

Dimmitt's First Methodist Church will begin a four-day revival Sunday, with two services daily.

THE REVIVAL will begin Sunday morning and continue through Thursday night.

Evangelist will be Rev. Cecil Tune of the Wesley Methodist Church of Andrews. He is a former full-time evangelist for the Northwest Texas Conference, and has conducted revivals throughout the state. He also has served pastorates at Shallowater, Pleasant Valley Methodist Church of Amarillo, as well as other churches in the conference.

Rev. H. Weldon McCormick, local pastor, will be the revival's song director.

SUNDAY'S services will be at the regular worship times, 10:45 a.m. and 6:30 p.m.

Weekday services will be at 12 noon and 7:30 p.m. The noon services will be brief, and light lunches will be served free to all attending.

Wilkinson Calls From Australia

HM-3 Coyce Wilkinson phoned his mother, Mrs. Faye Wilkinson, Wednesday of last week—all the way from Sydney, Australia.

Mrs. Wilkinson got the call at 5:30 p.m. Wednesday (9:30 a.m. Thursday in Sydney). The connection was very clear and her son sounded "just great," Mrs. Wilkinson said.

Wilkinson, who was on shore leave in Sydney, also called his sister, Mrs. Peggy Fulfer, of Kearney, Neb.

Homemakers To Meet Tonight

Mrs. J. C. Gilbreath will present a program on hats when the Young Homemakers meet tonight (Thursday) at 7:30 p.m. in the homemaking department of Dimmitt High School. The meeting is open to the public.

Shelly's Chatter

Gregorys Return From Hawaii

By MYRTLE SHEFFY Jack and Jo Gregory are home from quite a long trip. They were gone a month. First they went to Wilcox, Ariz., on land business, then decided to go to San Mateo, Calif., to visit their son, Dr. Carrol Gregory and family. By then they were so close to the ocean, they took a jet to Hawaii for a 12-day stay.

Jo says they made several boat trips and flights to see the four islands. An interesting thing they learned was that in 40 years of flying, the Hawaiian Air Lines have never had a casualty.

The Gregorys came home by Ruidoso to visit Wayne and Neva Gipson. Wayne is not well at all, after a recent fall. His mother, Ethel Gipson, is visiting them.

CADET Glenn Garland Stiff, son of Glenn and Juanita Singer Stiff of Roswell, has been named to the Dean's List at New Mexico Institute for high scholastic average, and also is on the Commandant's List for exemplary discipline and military bearing. These attainments qualified him for the Superintendent's List, the highest award at NMMI. He is the grandson of Mrs. Annie Singer.

MRS. GEORGE Webb and Mrs. Leola Haberer were hostesses at a turkey dinner with all the trimmings at Sally's Steak House Monday night. The group later went to Mrs. Webb's for "42." Their guests were Messrs. and Mrs. George Bradford, P. L. Cunningham, Clarence Bearden, Wes Anthony, Sid Sheffy, Horace Carlie, N. F. Cleavinger, Edgar Ramey, Ruth Wilson, Cletha George, Ann Singer and Beulah Wright.

Winnie Cunningham served an extra good salad and Alma's cake to eight women Thursday. They partook of a little bridge and much chatter. Winnie and Posie also entertained several people Friday evening with dinner and bridge.

Mrs. H. B. Settle of Meadow has been visiting her daughter, Kay and Tommy Keller. I saw them shopping downtown.

Mrs. J. W. Walker of Plainview will be guest reviewer Wednesday at 4 p.m. in the community room of the bank. She is the guest of Esta Vandiver, who extends a special invitation to you to come hear Mrs. Walker tell of her trip to Chad, Africa.

DR. AND Mrs. Charles Vandiver, sons Craig and Loren, and guests Steve Birdwell and Gary Webb spent the weekend skiing near Santa Fe.

Mr. and Mrs. Paul Craig of Friona were here for a few days' visit with their son, Randy, and Genelle Craig. Pat Preston was at her sister's home for Sunday dinner. She says "thank you" to all for the nice birthday cards, and to write again.

Mike Cornelius felt the need for more "learning," so off he goes each day to WTSU at Canyon. He and Loretta plan to move to Amarillo sometime soon. They and his parents have the Western Auto Store.

Mrs. G. C. Sandlin, her daughter Katy, and her friend RaJean Meester of Lubbock were here to visit the Jimmy Jack Butlers. They came up to Dimmitt to shop for clothes. Says she can do better here.

HELEN BROWN (Mrs. Wes) was hostess at a birthday dinner party Friday for her daughter, Verna Frye of the Easter Community. Guests were Verna's mother-in-law, Mrs. Harlan Frye, Barbara Wood of Hereford, Judith Woods, Kay Robbins, Carol Farris, Linda Warick and Karen Payne.

Marilyn Carver went to Florida to attend the golden wedding party of her grandparents. She and Reba Touchstone missed the Garden Club's hat sale at that beautiful Recreation Center Clubhouse. We had some pretty hats, too. Go out and look over the club-

house and grounds in the northwest corner of town.

Linda and David Wimberley are the parents of a pretty baby girl named Marsha Renee. She is the granddaughter of the Ira Wimberleys and the Orby Moores.

Donna Taylor of Paducah, a student at Tech, is the very pretty granddaughter of Mr. and Mrs. H. R. Pickard, and was a weekend guest up here.

MR. ND MRS. G. L. Willis Jr. were hosts to a houseful of girls over the weekend, when daughter Jan came home from school at Tech at Lubbock. Her visiting friends were Linda Clayton of Amherst, Jan Cornelison of San Angelo, and Peggy Kinnelion of Pasadena. I learned that attractive Peggy was voted "Miss Lubbock."

Aural Davis was downtown Saturday with two of her daughters, Janis (home from Denton) and Suzie, who is teaching in Amarillo. Also home to see their parents, were Harlan and Sharon Wilke, to visit the Roy Lillies and Walter and Dorothy Wilke. Harley is stationed at Fort Bliss, El Paso.

Thursday night the Edgar Rameys were hosts at a dinner served Italian style by Mrs. Herman (Rose) Acker. There they were, with an Irish St. Patrick's theme and spaghetti(?) Guests were Messrs. and Mrs. Swain Burkett, Raymond Wilson, Sam Gilbreath, Pearl Sheffy, Goodwin Miller, Ray Riley, Pearl and Ray were high score winners.

MRS. PEGGY WEBB was hostess Friday morning to a coffee honoring the wives of men taking part in the dedication of the new agricultural housing project.

Mrs. Jane Blackburn greeted the guests and presented them to Mrs. Howard Bertsch of Washington, D.C. Other out-of-town ladies attending were Mrs. J. C. Hays, Ed Manning and Louis Lee, all from Temple; Mrs. H. A. Padgett of Lubbock (her husband was the builder of the housing units); Miss Myra Hays, Mrs. T. G. Hall and Mrs. Don Jennings of Plainview. Sue DeVaney, Verbie Nelson and Maxie Horton served coffee, small sausages and sweet rolls throughout the morning. Other ladies assisting Mrs. Webb were Ruth Jackson, Nancy Ross, Mary Jo Brown, Ann Touchstone, Mary Baldrige, Kathryn Vardell and Gloria Isaacs.

Mrs. Webb took 15 ladies to the Hereford Country Club for lunch, then back to Dimmitt for the dedication. Then all of the folks — men and women — went out to the Webbs for coffee and conversation. Verbie Nelson, Sue DeVaney, Jane Blackburn and Maxie Horton helped with the coffee serving.

VAN EARL HUGHES is working hard landscaping the grounds and golf course of the Recreation Center. The Dimmitt Garden Club bought more than \$400 worth of trees and shrubs. The Club's Tree Committee ladies "worked the town" for funds to help pay for more. Other clubs are helping, but need to tell me what they have done.

Burris McRee said he read the News avidly while in Vietnam. So let us know about your comings and goings.

HAZEL MERRITT, Faun Welker and Helen Richardson went to Hereford Saturday for the autograph party honoring Gladys Miller of Dawn. Her new book is "Junior Dear." Anyone who has been or has had a boy 10 to 12 years' of age will enjoy reading this story. You become acquainted in the book with three boys who are now men. The book is dedicated to the ladies' good friend Margaret Bell. The autograph party was at the Christian Book Store in Hereford.

Mr. and Mrs. P. L. Cunningham went to San Angelo Sunday to visit her sister, who is in a hospital recuperating from a se-

vere heart attack. Her brother and his wife, the Kings of Marfa, will be in San Angelo to visit the family.

Mr. and Mrs. Kenneth Shropshire of Shallowater were Sunday guests of the Jasper Profitits. The Shropshires were former residents of Dimmitt, and he was with the bank.

JUDE GOSSETT is still in the hospital getting well from a broken shoulder bone. He fell on the ice the same time Russel Nelson did. Russel went home but can't walk much. O. D. McDonald is in the same room. He lives near Lazbuddie and works for Roy Miller. He started to step off his tractor, and his foot slipped and he hurt a leg.

Weldon Skinner is due to enter a Lubbock hospital for eye surgery. Mrs. Fate Shannon is in an Amarillo hospital. Oh, yes, Lily Marie Howard slipped in the bath tub and broke a rib. She is very uncomfortable.

We are all wishing a speedy recovery for you.

"D'Anna," Metropolitan Opera singer, performed in concert at Plainview Sunday afternoon. The people whom I heard attended from here were Mr. and Mrs. Goodwin Miller, Mrs. Pearl Sheffy, Mrs. Jimmy Rawlings, Mrs. Carolyn Jones, Mrs. Bob Jones, Mrs. Polly Bell and Mrs. Burl Bradford.

Mr. and Mrs. Horace Carlie left for El Paso and Juarez for a few days' vacation. They enjoy watching the dog races and they will visit relatives enroute. They plan to return via Austin to see the Mansion's yard which the Garden Clubs of Texas helped landscape — (\$30,000 worth).

MRS. PAUL ACKER has spent two days in Lubbock getting her daughter, Danelle Crowley, ready for her trip to Europe.

Danelle got her degree from Texas Tech in mid-January. Germany will be her first stop. She will spend several weeks with her uncle and his family, who are stationed at Garmisch, Germany. From there she will tour Europe. Her plans are to be home in later October.

Ronnie Parker, minister of Bedford Street Church of Christ, is recuperating from recent surgery at St. Anthony's Hospital in Amarillo. Jack and Myrna Miller visited him Friday. Anita and Cliff, the Parkers' children, are with the Millers.

Week of Prayer for Home Missions

ANNIE ARMSTRONG OFFERING FOR HOME MISSIONS March 3-10

"Pray in one accord"

That His people may receive power "Fill me just now with power anew; Power to pray and power to do." Pray for the personnel of the Home Mission Board and missionaries employed by the Board.

That His message may be proclaimed "Help me each day, on life's highway, To win some soul for Thee." Pray for the Home Mission Board's ongoing programs of evangelism, language missions, and work with National Baptists.

That the bruised may be healed "O master, Make haste to heal the hearts of pain" Pray for the Home Mission Board's program of Christian social ministries.

That our land may know Him "O God, we pray for all mankind, We plead that all Thy grace may find" Pray for those establishing five hundred new churches in strategic areas and for the Crusade of the Americas.

That He may speak through us "Oh, use me, Lord, use even me, Just as Thou wilt, and when, and where" Pray that love and concern will motivate Southern Baptists to give sacrificially to the Annie Armstrong Offering for Home Missions.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (2 Chronicles 7:14)

"The Time for Decision" NFO MEETING

Thursday, March 14, 8:30 p.m. at the Nazareth Community Hall HEAR JOHN OSTER, Director of National Farm Organization Collective Bargaining Plan for Agriculture Learn About National Farmers Organization

Hundreds of thousands of farmers have become acquainted with the NFO plan. A large percentage has already joined the NFO, the fastest growing farm organization in the history of agriculture. Through collective bargaining the NFO is giving the family farmers the opportunity to solve their own problems. We invite you to come out to the meeting and hear the NFO plan explained. If you're not satisfied with general farm conditions, it is your duty to join with your neighbors and battle for better prices.

HART NEWS

Ladies Plan New Vietnam Mailings

By MRS. H. E. LOMAN
Hart's Beta Sigma Phi chapter is making plans to again mail boxes of goods to our servicemen in Vietnam.

If you know of some boy from the Hart area in Vietnam, please give his name and address to Mrs. L. D. Williams, 938-2431.

SPECK ALFORD was admitted to Veterans' Hospital in Amarillo last Thursday night.

H. W. Speer of Albuquerque, N. M., spent the weekend with his son, Ralph, and family in Hart.

Mr. and Mrs. Lynn Alford have bought and moved into the former home of Mr. and Mrs. Al Irons on Fourth Street and Avenue G, having sold their home to Tump McLain for a rent house.

MR. AND MRS. Henry Hendrix spent part of last week in Muleshoe visiting in the home of a granddaughter, Mr. and Mrs. Hilbert Wesian and sons.

Junior Bass has been a patient in Methodist Hospital in Lubbock for a few days for observation.

Donna Ewing, little daughter of Mr. and Mrs. Don Ewing, is presently visiting with relatives in Wilcox, Ariz.

The foundations have been completed for the moving of three houses from Amarillo to be used for teacher homes here. The

homes will be remodeled and re-decorated for the fall term of school.

LADIES of the Women's Missionary Society of the First Baptist Church met in fellowship hall of the Church Monday morning for a covered dish luncheon and Week of Prayer program.

Mrs. Lester Lancaster was in charge of the program, with the theme, 'Pray in one Accord.'

Participating on the program were Mmes. Clay Anderson, Vasca Kittrell, Howard Mitchell, Weldon Davis, R. A. Futrell, Preston Upshaw and Mrs. Lancaster.

The ladies have set a goal of \$250, and gifts may be given any time this month.

BOY SCOUT Troop 216 met recently with Scoutmaster Deryl Clevenger to reorganize the troop. Patrols were formed, with Leaders and Patrol Dads elected. They are:

Woodpecker Patrol Duane Clevenger, patrol leader, with the following boys as members: Theron Hawkins, Bobby Joe Clark, Danny George and James Warren. Robert Hawkins, patrol dad.

Tejas Patrol Ike Graves, patrol leader. Members: Dirk Rambo, James McLain, Jerry Swindle, Jim Tucker, Teddy Gutierrez. Patrol dad: Cleve McLain.

Eagle Patrol Vic Nelson, patrol leader. Members: David Hawkins, Roy Gonzales, Freddy Mancias, David Warren and Pete Niabes. David Nelson, patrol dad.

Bob White Patrol Kim Dyer, patrol leader. Members: Stan Dyer, David Armstrong, Bill Bates, Ricky Black and Sonny Mancias. Paul Armstrong, patrol dad.

The troop leaders completed the application for renewing the troop charter. Twenty-seven boys are now registered.

Scoutmaster is Deryl Clevenger, and his assistants are David Nelson and Cleve McLain. The Troop Committee consists of G. C. Graves, chairman, Paul Armstrong and Stewart Newsom.

Institutional representative is Ed Harris, and Robert Hawkins is neighborhood commissioner, with the Hart Lions Club sponsoring Troop 216.

HART SCHOOL teachers, administrators, staff members and employees will be in Amarillo Friday to attend the District 9 TSTA

meeting. Students will be dismissed on Thursday afternoon, and regular classes will resume Monday.

Mr. and Mrs. Levi Bennight returned Saturday evening from a 10-day fishing trip to Falcon Dam. They report fair luck fishing, but cold and damp weather.

MR. AND MRS. David Brown of Tulia are the proud parents of a daughter, Lulynn, born Feb. 25 at Tulia. She weighed 9 1/2 pounds at birth.

Grandparents are Mr. and Mrs. B. D. Williams of Tulia and Mr. and Mrs. Fred Brown of Hart. Maternal great grandparents are Roy Russel and Mrs. Maudie Williams of Turkey, and paternal great grandparents are Mrs. Dora Fletcher and Mr. and Mrs. Homer Amerson of Tulia.

MORE THAN 20 members and guests of the junior high Sunday school class of the First Methodist Church enjoyed bowling and supper in Plainview Friday night.

The young people and their teacher, Mrs. Ed Bennett, met at the church at 7:00 p.m., leaving in a group with other adults, Mr. and Mrs. Fred Brown, pastor and wife, Mrs. Wamon Foster and Ed Bennett.

GRANDMA and Grandpa Club will meet in the community room of the bank tonight (Thursday), for games of 42 and fellowship. All senior citizens are urged to attend.

Recent visitors in the home of Mr. and Mrs. Earl Hacker were their granddaughter and her family, Mr. and Mrs. Billy McCormick and daughter, Gaylia, of Longview.

Richard Franks, the secretary-treasurer of the Hart Lions Club, reports a profit of \$80 from the one-night show of 'Merlin, the Man of 1,000 Mysteries,' shown Saturday night in the Hart High School auditorium.

Mrs. Eula Mae Spruill of Estelline is visiting in the home of her daughter, Mrs. Lanny Tucker and family.

THE ZEALOT Club met Monday afternoon in the community room of Farmers State Bank, with Mrs. Cleve McLain and Mrs. Warren Lemons hostesses.

The room was decorated in a St. Patrick theme, with nine members present.

Cecil Kerbo of Tulia presented a program of care of the hair, conditioning, styling and wigs and wiglets.

The club voted to have a spaghetti supper and 42 party the last of this month, with husbands as guests.

Members present were Mmes. Howard Mitchell, Jack Dyer, Hubert McLain, Eldon Shive, Deryl Clevenger, Preston Upshaw, L. D. Williams, Cleve McLain and Mrs. Warren Lemons.

Guests were Mmes. J. D. Myrick, Weldon Davis and Mrs. Tom Ed Benton.

Here's the Hart School honor roll for the fourth six weeks:

Grade 12 David D. Harris.

Grade 10 Harold Bob Bennett and Andy Rogers.

Grade 9 Sharon Brooks, Carolyn Cole, Denise Lowery and Carol Miller.

Grade 8 Cindy Dyer, David Bass and Keith Lemons.

Grade 7 Cathy Nelson, Alan Shive, Ricky Black and Dirk Rambo.

MR. AND MRS. Douglas Carruth of Pueblo, Colo., were called to Plainview to attend the funeral of his grandfather this past weekend. They visited with their parents, Mr. and Mrs. Roy Futrell of Hart. Sharron Pennington, student at Wayland and former roommate of Mrs. Carruth, joined in the visitation in Hart.

Sunday guests in the home of Mr. and Mrs. Henry Hendrix were their grandchildren, Mr. and Mrs. Hilbert Wesian and two sons of Muleshoe; daughter and son-in-law, Mr. and Mrs. Archie Bussey; and granddaughter, Mrs. Merle Bussey and son of Dimmitt. Mr. and Mrs. Bill Lacy have been remodeling and redecorating their home north of town.

Mrs. Connard Riddles and children of Wichita Falls have been visiting with her parents, Mr. and Mrs. W. C. Lacy, and other relatives.

MR. AND MRS. Theron Morrison and Blair went to California recently and met with Mike, who has been in the Medical Corps of Marines and just returned from Vietnam.

Joe Bob Sanders of Dimmitt, formerly of Hart, was selected to represent the freshman class of West Texas University as a candidate of Personality King.

Recuperating at home from hospitals are C. O. Burt, J. W. Welty and Mrs. Harvey Davis.

Mrs. Royse Davis and son, Don, of Leonard recently visited in the home of her parents, Mr. and Mrs. Levi Bennight.

THE TEACHER Appreciation Banquet will be held Monday night, March 18, in the Hart School cafeteria. Speaker for the evening will be Grady Tunnel, a lawyer from Plainview.

A MEETING will be held at 7:30 p.m. in the community room of the Farmers State Bank to re-organize the Cub Scouts, according to Neighborhood Commissioner Robert Hawkins.

We have the boys, but are desperately in need of adult leaders. If you are interested in Cub Scout work, please be present.

ALL FIVE Troops of the Girl Scouts met Wednesday after school and practiced on their program for the Father-Daughter Banquet for Tuesday night. The 70 members were issued 41 cases (41 dozen boxes) of Girl Scout Cookies to sell, with the local troops receiving six cents per box and the remainder paying for cookies and expense of the Camp Rio Blanco near Floydada.

THE WOMEN'S Society of Christian Service of the First Methodist Church met at the church last Thursday afternoon for their 'World Day of Prayer,' program presented by Mrs. Ed Bennett. Participating in the program were Mmes W. C. Crick, E. E. Foster, Bill Yeager, L. L. Swindle, C. B. Landers, Mabel Aven, Fred Brown and Bob Bennett.

The World Day of Prayer was observed in 129 nations.

MR. AND MRS. Dwight Miller honored their daughter, Carol, with a birthday 'Slumber Party' Friday night. The girls enjoyed eating, watching the late movies on TV and playing games.

Guests were Becky King, Elizabeth Stephens, Carolyn Cole, Lisa Lacy, Frances Cunningham, Dee Clevenger, Nancy Graves, Kathy Kennedy and Brenda Covington.

Some of the girls went to bed as late as 5:30 Saturday morning.

Mrs. Robert Brooks, local post-mistress, had foot surgery last week in the Amarillo Osteopathic Hospital.

DWIGHT JOINER directs members of the Follies Chorus through a 'Roaring 20's' number during rehearsal Sunday afternoon. Throughout the city, performers are rehearsing their parts for the annual Lions Club Follies, which will be presented

March 21 and 22 in DHS auditorium. More singers for the chorus are still needed, Joiner said. Rehearsals are at 7:30 Monday and Friday and 2:30 Sunday until show time.

Youth Revival To Start Monday

'Personal evangelism' will be the theme of a special youth revival which will begin at the First Assembly of God Church Monday.

Calif., will conduct the youth revival. He is the Latin American Crusade coordinator of 'Youth With a Mission,' an international youth movement of young people from different denominations.

THE REVIVAL will continue through March 17, with services at 7:30 nightly, according to Rev. John Sewell, pastor.

Wedge Alman, widely traveled youth speaker and missionary evangelist from Los Angeles,

Farm Bureau Dinner in Lubbock To Feature Radio Commentator

Paul Harvey, famed commentator for the American Broadcasting Co., will speak Wednesday night at a regional Farm Bureau gathering in Lubbock.

HE IS addressing three banquets in Texas during March, honoring the 20th anniversary of the Southern Farm Bureau Casualty Insurance Co.

His Lubbock speech will be at the KoKo Convention Center at local delegation will attend to hear him. He will also speak Monday at San Antonio and Tuesday at Fort Worth.

Attendance is by special invitation only. Original stockholders of the company are to be honored at the meetings. Others invited include county Farm Bureau presidents and special guests.

Sidney Dean of Victoria, Farm Bureau president and director in the Southern Farm Bureau Casualty Insurance Co., will be the toastmaster.

ORIGINAL stockholders will receive engraved silver pitchers as mementos of the occasion. Past and present board members of the Texas Farm Bureau also will be recognized.

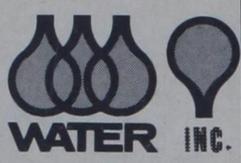

Harvey, an award-winning newscaster and commentator, has received seven honorary degrees,

Paul Harvey

By JAKE STREET

Much has been said and written about the need for an organization such as Water, Inc. to be active in our region. This need revolves around many factors, including a means to better inform our people and bring about a better understanding of this region's water problems.

THERE IS a need to have a forum where interested and concerned groups and individuals can meet together to discuss subjects of mutual interest to preclude possible conflict.

There is a need to coordinate a plan of positive action for the common good of the region. A program must be developed to speak as a unified voice for the region. At the same time, the people must be well-informed on current plans and programs.

There must be an entity which can engage in surveys and studies of economic and sociological facets within our region, and which can use such data to publicize and recognize the region's contributions to the over-all welfare economic strength and health of the state and the nation.

THESE ARE a few of the reasons why Water, Inc. has a very important and vital role to play in any program of water importation. There are many others...

The hard facets of economic progress are that we cannot take water importation for granted. We must have it, and in order to have water, we must work for it. We must start at home, we must start now, and we must pull together for the long haul.

John J. Vandertulip, chief engineer for the Texas Water Development board, speaking before the West Texas Water Conference at Texas Tech, on Feb. 2, stated "The title of my remarks is 'Water Importation—Current Outlook.' The title can be placed on the program for many coming sessions. That statement is not intended to indicate lack of interest in the subject. Quite the contrary, it indicates an awareness that the successful completion of an importation program will require joint efforts by local, state and federal entities. Be assured that I mean effort with a capital E, and with a capital F for financial support."

PATCH TENT WITH IRON-ONS. When camping take along a supply of "iron-on" patches. If clothes or tent tear or snap, heat a pot and use the bottom to iron on a patch.

MODERN AGRICULTURE

Delay in Soybean Planting Can Cost Heavily in Yields

Date-of-planting on soybeans may be far more critical than most farmers realize.

RESULTS of research at various locations for the past several years has indicated that a four to five bushel decrease in yield can normally be expected for each 10-day delay in planting beginning with May 20, especially with the full-season varieties.

On the newer, short-season types, such as Patterson and Clark 63, it appears that the same rule will generally apply beginning with June 15.

A test at the High Plains Research Foundation in 1967 was conducted to determine the effect of planting date on the Hinn, Hill, Patterson, Clark 63, and Wayne varieties. Six planting dates were planned, beginning May 1 and continuing every two weeks until July 15.

RAIN AND wet field conditions prevented the June 1 and July 1 plantings. The planting dates average yields were:

- May 2—24.4 bushel per acre;
- May 15—27.1 bushel per acre;
- June 14—27.3 bushels per acre;
- July 12—16.6 bushel per acre.

Oil and protein content are also being checked in this test, but results have not yet been obtained. All varieties received a pre-plant irrigation. Subsequent irrigations were applied as each variety reached bloom and pod-set growth stage. Rains provided adequate pre-bloom moisture.

PREVIOUS soybean irrigation studies at the foundation have determined the best timing to be pre-plant, pre-bloom, bloom, and pod-set. One quart of Planavin per

Deadline Nears On Wheat, Grain, Cotton Programs

By CHARLEY HILL, ASCS Office Manager

March 15 is the final date to sign your intention to participate in the 1968 Feed Grain, Wheat and Cotton Programs.

Please do not let the above date slip by if you intend to participate in any of the above programs.

MEASUREMENT SERVICE. March 15 is the Final Date to sign up for pre-measurement service for 1968 row crops and measurement service for wheat.

WHEAT ACREAGE. Participating producers are urged to measure and report wheat acreage correctly again this year. You are urged to do this as soon as possible, but in no case later than May 1.

'67 Calf Crop Up 4 Percent

The Texas calf crop in 1967 was up 4 percent from the year before and totaled 4,876,000 head.

According to the Texas Crop and Livestock Reporting Service, the nation's crop was up 3 percent and totaled 43,647,000 head. Expressed in terms of percent of cows and heifers two years old on Jan. 1, 1967, the calf crop for Texas was 86 percent and for the nation 87 percent.

\$2 Soil Test Reaps Dividends

How many people would not invest \$2 if they thought they could gain several hundred dollars in return?

MANY Texas farmers have found that by using good management practices they can turn a \$2 investment for a soil test into big crop gains because they know the type and quality of fertilizer or limestone needed by their fields, reports C. D. Welch, Extension soil chemist at Texas A&M University.

Farmers who are considering liming their fields should invest this \$2 for each type of soil under consideration to know if the limestone is necessary.

A Lee County farmer lined his fields in 1966 and raised a cover crop in 1966 before planting peanuts in 1967. That portion to which one ton of limestone per acre was applied, produced 1,388 pounds of peanuts per acre compared with \$20 on the unlimed acreage.

THE VALUE of this added production was \$46 an acre, Welch pointed out, and for a 40-acre plot covered by one soil test, this is \$1,800 added income.

Another example of the benefits of liming, after considering soil test results, is shown by the Waller County farmer who had a 15-bushel an acre increase on his corn crop after applying two tons of limestone per acre. Over a four-year period, this will amount to about \$2,500 gain for the 40-acre plot.

While these are exceptionally good results, Welch said that since all soils do not need limestone it is necessary that soil tests be made to identify the soil's needs.

Liven Those Dull Corners

Liven dull corners of your living room with color and lighting. A simple answer is a good-sized plant with light coming through it. Or use tall furniture or low pieces with decorative wall treatments to give height for a functional corner.

PEERLESS PUMPS

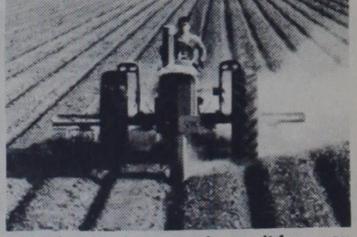

Growers bought every pound of Planavin® Herbicide they could get their hands on last season. Read why.

Planavin is the cotton-soybean herbicide that gives you more than your money's worth.

Shell's Planavin® Herbicide gives you more than just excellent preemergence control. Nothing on the market does a better job.

It had to be more than just another good weed killer in order to break in against established competition. Growers found out how good last season. Planavin proved itself under the worst weather conditions in years. It held the fort against most annual grasses and many broadleaf weeds—right through the early period when control really counts. Growers got what they paid for—freedom from weed problems during the time when weeds can strangle young cotton and soybeans. Plus a sound control base that makes season-long control programs simpler and more economical.

Planavin also gives you a bonus. It frees you from immediate incorporation. Takes the pressure off. And it can save you hours of application time.

With Planavin you can spray by ground or air. You can use large rigs, wide booms. Covering large acreage fast saves you hours. There's no waiting for incorporation equipment to catch up. No downtime for custom applicators. The reason? Planavin doesn't require immediate incorporation. You can take your time. Even a few hours of exposure to air and sun won't wipe out your weed control when you use Planavin. Note: When you do incorporate, keep it shallow—no deeper than 1 to 1½ inches. Don't bury your Planavin below the sprouting weeds.

Get Shell's Planavin® Herbicide early—to keep the pressure on weeds and off you. Shell Chemical Company, Agricultural Chemicals Division: Suite 500, First Bank and Trust Bldg., Richardson, Texas 75080

Hymnals Presented As Haydon Memorial

By **TEENY BOWDEN**
One hundred new copies of the Baptist Hymnal were presented to the church this week by friends of Olton in memory of Buford Haydon. They have wine-red covers, blending with the colors in the choir loft.
Correction: Mr. and Mrs. John Gilbreath and Mr. and Mrs. E. R. Little did not attend the Plains Memorial Hospital Auxiliary banquet as was reported last week.

★ **GAS MEETINGS** were held at community house Tuesday and Friday nights for those on different lines who are involved in the new gas co-op which was organized in Dimmitt.

★ **THE W.M.S.** met at the church Tuesday for the study of the book, "Trumpets in Dixie." Teachers were Mrs. Houston Carson, Mrs. Cliff Brown, Mrs. J. Paul Waggoner, Mrs. Glen Wilson and Mrs. M. D. Durham. A southern dinner was served at noon. Mrs. Alford Crisp kept the nursery.

★ **MARSHA DAWSON** is a member of the Springlake-Earth Wolvrette basketball team which won the championship trophy in district 3-A competition. Marian Dawson plays on the junior high team, which also won its district championship.

★ **MR. AND MRS. Houston Carson** visited in Methodist Hospital Wednesday in Lubbock with her sister, Mrs. Joe Edd Carson of Hart. They were with her also last Friday when she underwent major surgery.

★ **MR. AND MRS. E. R. Sadler** returned home from Corpus Christi Friday morning. Mr. M. H. Fowlkes is still in the hospital, and still weak, but there was no permanent damage to his heart. He is able to be up for short periods.

★ **THE YOUTH** of the church Training Union went to Plainview to bowl Friday night. Mr. and Mrs. Eddie Howard met them and helped sponsor the group. Mr. and Mrs. Cliff Brown were the sponsors. Lee and Lynn stayed with Mr. and Mrs. Alford Crisp and Terry.

★ **STANLEY HARRIS'** barrow placed first in the cross heavyweight division at Houston. David won second with his medium weight Poland, seventh on a medium weight Hampshire, and eighth in

lock of Springlake, met Mr. and Mrs. Charles Hedrick and boys of Stratford in Amarillo Friday. Bryan came home with them to spend about two weeks while Brent undergoes some clinical tests to determine whether or not surgery on his damaged eye would be beneficial.

★ **THE BIRTHDAY** Club members and their husbands met at the home of Mr. and Mrs. R. E. Duke for an "84" party Thursday night. Those present were the hosts, Mr. and Mrs. R. V. Bills, Mr. and Mrs. Ray Axtell, Mr. and Mrs. J. E. Shirey, Mr. and Mrs. Irving King and Mr. and Mrs. Cecil Curtis.

★ **MRS. E. R. SADLER** returned home from Corpus Christi Friday morning. Mr. M. H. Fowlkes is still in the hospital, and still weak, but there was no permanent damage to his heart. He is able to be up for short periods.

★ **MRS. E. R. SADLER** returned home from Corpus Christi Friday morning. Mr. M. H. Fowlkes is still in the hospital, and still weak, but there was no permanent damage to his heart. He is able to be up for short periods.

★ **MRS. E. R. SADLER** returned home from Corpus Christi Friday morning. Mr. M. H. Fowlkes is still in the hospital, and still weak, but there was no permanent damage to his heart. He is able to be up for short periods.

the heavy cross division.

Eighty-two attended Sunday School with 54 in Training Union Sunday. Mr. and Mrs. Cecil Fields and their daughter, Mr. and Mrs. Curtis Christler of Wilson, and Mr. and Mrs. Charles Montgomery of Lubbock were visitors in the morning service. The Montgomerys are Richard's parents.

★ **WANDA LAXSON** of Lubbock, Mrs. Montgomery's sister, visited with them in both services. A reception was held after the evening service honoring Mr. and Mrs. Richard Montgomery. He has been the music director of the church for the last four months. The choir under his direction received an "excellent" rating in the music festival recently. He will be sworn into the Air Force March 12.

"SERVING THE BEST GRAINMEN IN THE NATION"

Cubs Hold Honor Banquet

Dimmitt's Cub Scouts, their parents and adult leaders commemorated 58 years of scouting Friday night with a Blue and Gold Banquet in the South Grade School cafeteria.

A SPECIAL Webelo Ceremony on "The Seven Virtues of Life" was conducted for Brian Mayfield and special recognition was given to Mrs. Mary Lu Smithson for her years of service as Den Mother of Den 6.

Officers and leaders for 1968-69 are Jack Miller, institutional representative, Milton Bagwell chairman and president; George Sides, Jim Cleavinger and James Welch, committeeman; Bill Birdwell, secretary-treasurer; John Mueller, Cubmaster; Jody Minnick and Herb Mayfield, assistant Cubmasters; and Ted Robb, assistant Cubmaster in charge of Webelos.

OTHER Den Mothers honored, in addition to Mrs. Smithson, were Mrs. La Verl Phares, one year, and Mrs. Dorothy Mayfield, two

years. Cub awards at the banquet included: One-year pin: Brad Dulaney. Two-year pins: Mark Welch, Hal Miller.

WEBELO Achievement: Lee Stokes, outdoorsman, athlete and sportsman; Brian Mayfield, aquanaut, outdoorsman and athlete. Bobcat badges: Greg Kelly, Jody Minnick, Terry Grand.

Wolf badges: Brad Yates, Ricky Timmons, Scott Bagwell, Loren Vanidver, Johnny Hampton, Jimmy Cleavinger, Robert Jones, Randy Powell, David Mueller, Keith Crum.

Bear badges: Randell Phares, Rickey Bagwell, Steve Stanton, Jim Birdwell, Hal Miller, Greg Sides, Kyle Touchstone, Jerry Schaeffer, Mark Merritt, Brad Dulaney, Keith Crum.

Pastures Need Early Fertilizer

Fertilize pastures early this spring. THIS ADVICE comes from Neal Pratt, Extension agronomist of pastures at Texas A&M University, who calls attention to the very favorable statewide soil moisture situation.

He says the abundance of soil moisture will be better utilized by pasture plants if they are fertilized early, and that moisture will also be conserved. There is plenty

of moisture in practically every section of Texas to initiate good spring growth, he notes. And, he adds, plenty of plant food will help improve the quality as well as the quantity of forage produced, whether for grazing or hay.

AS FOR hay, Pratt suggests hay be made from the pasture by cutting the expected excess growth during the spring and early summer.

JOSE 'ZITO' SARTARELLI DESCRIBES BRAZIL

Exchange Student Explains Brazil's Economy, Government

Jose "Zito" Sartarelli of Brazil explained his country's geography, economy and political structure to the Dimmitt Jaycees at their noon meeting last Thursday.

THE American Field Service exchange student in Dimmitt High School is currently making a "speaking tour" of civic and service organizations in the area. American Field Service policy generally restricts exchange students from accepting such public speaking engagements during their first months of schooling in the US.

"Zito," a DHS senior who hopes to become an engineer, lives with the Lonnie Bell family here. He will graduate in May before returning to Brazil for advanced schooling.

"The president of my country is currently conducting a campaign to correct to the world the common misconception of Brazil—that it is all jungle," he said.

"WE DO have a lot of jungle—about two-thirds of our country—but we also have a lot of agriculture, too. My father raises tomatoes, beans and rice. Our country's main product is coffee, but beans and rice are our basic foods."

He described Brazil as "the economic exception in Latin America," and attributed the country's progressive attitude to its original settlement and development by Portugal. Portuguese is the language of Brazil, he explained.

He said many of Brazil's people still have "a constant poverty problem," and explained, "Our agriculture has no government support such as you have in this country, and our farmers and farm workers may get rich one year and go broke the next."

BUT HE said industrialization has gained a good foothold in Brazil.

"The auto industry is well established there," he said. "Ninety-five percent of all cars bought in Brazil are made there. Several American auto manufacturers have assembly plants there now."

He said he believes Brazil will see more industrialization and economic progress because of its stable democracy. The Brazilian people proved their preference for a republican form of government in their bloodless revolution of 1964, he said.

"THIS WAS the only overthrow of a government in our country in recent times," he explained. "A new president succeeded to leadership, and the people felt he was appointing communist sympathizers — Castroites — to important cabinet posts. So the people simply said, 'No, we don't want this,' and they took the government back over. Our republic is stable, mainly because of a high sense of Christianity (mainly Catholic) allied with a common sense of democracy."

Brazil has a capital that's unique in the world. The capital city of Brasilia was planned and built "from the ground up." It was a for the Brazilian government.

"Our present inflation was caused by the building of this capital—that's the general feeling," Zito explained. "But I think it was a good and desirable thing for our country and for its diplomatic

relations with other countries. We now have the best embassy facilities in Latin America, and I think this will benefit our country."

Answering a question about Brazilians' feelings on the US involvement in Vietnam, he said, "I think the great majority of our people support the American position."

Nazareth Stock Show Winners Announced

Hal Brockman, Carroll Gerber and Larry Hochstein showed the grand champion animals at the Nazareth FFA and 4-H Livestock Show Friday.

BROCKMAN showed the grand champion lamb, a Shropshire, while the reserve championship went to a fine-wool cross shown by Francis Acker.

Gerber's crossbred barrow was named grand champion of the swine show. The reserve championship went to a Hampshire barrow shown by Kenny Huseman.

Grand champion calf was a lightweight Hereford raised and shown by Larry Hochstein. The reserve championship went to a heavyweight Hereford shown by Leon Schulte.

ALL THE animals in the Nazareth junior show will compete in the annual Castro County Junior Livestock Show in Dimmitt this weekend.

Top placings in Friday's show at Nazareth were:

LAMBS Hampshire and Southdowns: Hal Brockman, Shropshire, first; Francis Acker, Southdown, second; Harold Schacher, Southdown, third.

Other breeds and crosses: Francis Acker, fine wool cross, first; Harold Schacher, fine wool, second; Hal Brockman, Rambouillet, third.

BARROWS Hampshire: Kenny Huseman, first; Bobby Schulte, second; Benny Wethington, third.

Crossbred: Carroll Gerber, first; Bobby Schulte, second; Benny Wethington, third.

All other breeds: Benny Wethington, Duroc, first; J. C. Pohlmeier, spotted Poland China, second;

Tom Jones, Chester White, third.

STEEPS Lightweights: Larry Hochstein, Hereford, first; Stephen Acker, Shorthorn, second; Raymond Huseman, Hereford, third.

Heavyweights: Leon Schulte, Hereford, first; Larry Hochstein, Hereford, second; Weldon Wilhelm, cross, third.

How Do Soybeans Take Fertilizer?

Do soybeans respond to fertilizer?

A BETTER question might be, "Do some varieties or strains of soybeans respond to fertilizer better than others, and, if so, which one and to which fertilizers?"

Dr. Douglas Owen, agronomist at the High Plains Research Foundation, is attempting to find some of the answers to these questions. A preliminary study was started in 1967 to evaluate 40 varieties and experimental strains under both fertilized and non-fertilized conditions.

Two identical test areas were planted, with each containing all varieties and strains. One area received no fertilizer, and the

other received a total of 147 pounds of nitrogen and 96 pounds of phosphate. The sources of fertilizer included a pre-plant application of 8-16-0 and a side-dress application of ammonium nitrate.

SLIGHT increases in yield were obtained from most varieties and strains tested. However, two specific varieties did show better than average response, and several experimental strains showed definite promise. Yields of up to 59 bushels per acre were very encouraging, and the test will definitely be continued, Dr. Owen said. No recommendations can yet be made as yet, but complete results of the 1967 test will be printed in the annual research report of the foundation.

SPECIAL NOTICE TO

Castro County

FARM BUREAU

Members!

SPECIAL OPENING FOR ENROLLMENT IN FARM BUREAU'S BLUE CROSS-BLUE SHIELD

MARCH 6 TO MARCH 25 INCLUSIVE EFFECTIVE APRIL 1, 1968

Farm Bureau and Blue Cross-Blue Shield designed this prepaid hospital-medical care protection especially for the farm and ranch family. It's a practical, low-cost protection which provides just about all the hospital-medical benefits the farm or ranch family is apt to need.

Farm Bureau Group Members have not had a rate increase since 1964, and an increase is not contemplated.
