

# New Addition Has Goal of 60 Residences

A recent real estate transaction involving the sale of 20 acres of land in Western Heights Addition just west of the Dimmitt city limits may result in the construction of 60 new homes, according to information received by the News this week.

The buyer, Everett Brown, Plainview real estate dealer, told the News that he plans to sell lots in the new area and let prospective home owners build their own homes or turn the job of building over to him on a contract basis. Brown stated that he acquired 20 acres from local real estate dealers Cunningham and Fulfer for commercial as well as residential building. "I hope to sell enough lots eventually to accommodate 20 businesses as well as 60 home, and the way Dimmitt is growing this may be sooner than we expect," the real estate dealer exclaimed.

Brown has already set up offices on his newly-acquired land and moved a ready-built home in for he and his wife's use. He plans to do extensive landscaping in the area, set out trees and survey and plot the land as well as develop streets as lots are purchased. Brown also handles ready-built homes and is prepared to take care of both, that is, move a ready-built home in or build a new home on a contract basis.

The former Plainview real estate dealer plans to make his headquarters here and is convinced that big things, in the way of commercial and residential building, are in store for Dimmitt. He indicated that he is impressed with the current growth of the city and the large trade territory and foresees continued progress and prosperity for the area.

If reports are true that Highway 86 will be extended further out as a four-lane road on the western outskirts of Dimmitt, then chances for expansion in that area will be much greater.

## New TV, Radio Business Opens

### Real Estate Office Changes Location

A new business and a change in location of another was announced this week by local businessman "Slim" Fulfer and Bob Killough.

F and K Sales and Service was to open today (Thursday) in the old labor office building on the north side of the square and Cunningham and Fulfer Real Estate offices were also to be moved today from their old location on the west side of the square to the new F and K location. The owners of F and K Sales and Service, Fulfer and Killough, will handle home appliances, TV and radio sets and will offer expert television and radio repair service. Clyde Vick of Amarillo, who has 11 years experience as a radio and TV repairman, will be in charge of repair services while Killough will serve as sales and service manager.

Fulfer will continue his association with Posie Cunningham. Their offices will be in the west corner of the building and the TV and radio sales and service will occupy the rear and east corner of the building.

New fixtures are being installed in the building and it is being re-painted both inside and outside.

### Store Burglarized Here Tuesday Night

Gladman Drug Store on the north side of the square was burglarized here Tuesday night as thieves made away with \$29 in cash plus several pieces of valuable merchandise.

Entry was gained by prying a lock off a rear door, according to reports. Besides the money taken, three men's wrist watches and two briefcases were stolen. No clues were left, but investigation of the burglary is being continued.

All commissioners were present for the Monday meeting.

## Hart Residents To Vote On City Incorporation

Castro county commissioners, in regular session Monday, accepted a petition signed by 38 Hart residents calling for an election to determine whether or not the town of Hart shall be incorporated. County Judge Robert Estes said the petition was in order and "as soon as an order and necessary notices can be prepared the election will be called, which will probably be in early November."

Judge Estes pointed out that any person is eligible to vote who is 21 years of age and who has resided within the proposed incorporated city of Hart for six months next preceding the date of forthcoming election and who is otherwise qualified to vote by the general laws of the state. An election board will be appointed from residents of the proposed incorporated town to hold the election.

A plot showing the boundary lines of the proposed incorporated town of Hart was also submitted with the petition.

The election petition is a direct result of a recent meeting of Hart townspeople at which time residents expressed themselves as being in favor of such a move. The primary purpose of the move is to encourage the location of a bank in Hart and to attract new businesses.

All commissioners were present for the Monday meeting.

## Dimmitt Woman Wins Hereford Golf Tourney

Mrs. W. W. Gilbreath of Dimmitt turned in an average score of 46 to win the championship flight of the annual Ladies' Golf Tournament played on the Hereford course over the weekend.

Of the four entries from Dimmitt, two others also placed in the tourney. Mrs. O. B. Dimmick was first among those competing in flight one and Mrs. Polly Manning placed second in the second flight of the tourney.

## County Records 3rd Fatality of '55 As

### Clyde Johnson, Fieldton Farmer, Dies In Car Wreck Near Sunnyside

Castro county's third traffic fatality of the year occurred early Sunday morning when an automobile driven by Clyde Ray Johnson, 21-year-old Fieldton farmer, left Highway 51 this side of Sunnyside and turned over several times killing the driver instantly. Services were to be held for the victim Tuesday afternoon at Field-

## Rites Held For O. M. Reynolds

Funeral services for O. M. Reynolds, pioneer Church of Christ minister in this area who died Friday night at his home in Kerrville, were conducted Sunday in Gainesville.

Minister Reynolds established many churches, including the local Church of Christ. He also helped in selecting the site and purchasing the lots for the former Church of Christ building here. Altogether, he conducted 13 revival meetings in Dimmitt. He is described by those who knew him as "a tireless and energetic worker for the church."

At the height of Minister Reynolds' career, when the church congregation consisted of six or eight families, he often had to lead in singing as well as do the preaching. He is survived by his wife, two daughters and one son. He had many friends here among the other churches as well as the Church of Christ.

The milo harvest in Castro county was expected to move into full swing by the end of the week as elevators started operating around the clock to handle the 225,000 acre county harvest which this year is expected to average around 3,000 pounds per acre, according to County Agent Marvin Simms.

Fleets of trucks began rolling into Dimmitt early this week and drivers have lost little time waiting as expanded elevator facilities have made operations smoother and much more efficient. The bulk of county grain sorghums have been selling at a market price of \$1.45 per cwt. However, with the advent of warm, sunny weather more farmers are beginning to place their grain in government storage at a time when the loan price is \$1.54 net per cwt. Fields are drying out, moisture is down and as a result farmers are now meeting government loan requirements which prohibit grain going into loan from testing over 14 percent per cwt. for moisture content.

## Dimmitt School Contract Let To Amarillo Firm

Contract for the construction of the new bond-financed Dimmitt elementary school building was let by the local school board Tuesday night to Tri-State Construction Company of Amarillo, Tri-State, one of three firms bidding for the contract, turned in a low bid of \$444,537. This amount does not include architect's fees, according to Superintendent of Schools R. S. Vestal.

Work on the structure, which will be located on newly-acquired land south of the present grade school and east of the football stadium, will start in two weeks. The contractors hope to complete part, if not all of the building by Sept. 1, 1956.

Voters of the Dimmitt Independent School District approved a \$500,000 bond issue July 22 to finance the cost of the new school plant. Plans call for three wings to be linked together by an administrative building in the foreground. The structure will house 24 classrooms, a cafeteria for 250, music room, nurse's health room, work room, principal's offices and other offices and storage space. Each room will accommodate 24 pupils or a total of 624 students. Crowded conditions, which have become acute in the last two years, necessitated construction of the modern, new plant.

## Local Business Changes Ownership

One of Dimmitt's largest businesses, the Wright Furniture Company located one block west of the square, changed ownership this week. The business was purchased by W. F. King, county farmer, and Gene Sealy, Ralls store owner.

The new co-owners have acquired a one year lease on the Wright building and will offer a complete line of furniture and appliances as well as prompt and efficient delivery service. The front of the building will be re-painted and the interior re-arranged to provide more space. They plan to add a name line of television sets to their stock.

King has farming interests in the western part of the county. He is married and has a son and daughter, both of school age. Sealy plans to move here in the near future. He is married and has two daughters and one son. The store name will be changed to King and Sealy Furniture Company. An open house and sale is planned and will be announced at a later date. The owners invite the public to drop in and inspect their stock.

## New L&H Gin To Have Open House

The owners and employees of L&H Gin which was recently completed midway between Dimmitt and Hart on Highway 194, will observe open house Saturday from 6 p.m. to 9 p.m. in order that the public might inspect the modern plant's new facilities and equipment.

Employing the Murray and Centennial system, the new gin is equipped with five 80-saw stands and lint cleaners and will offer fast service and high grade turnout. The owners are T. H. Lindsey and G. H. Hills of Lubbock, Allan Webb of Hart will manage the new plant.

Coffee, drinks and sandwiches will be served everyone attending the open house.

# Farm Problems to Be Aired In Farm Bureau Meet Oct. 22

Election of directors to replace those whose terms expire this year, resolutions to be submitted to the Texas Farm Bureau Convention and appointment of county delegates to the state convention are the main items for consideration when the Castro County Farm Bureau Convention is held here the night of October 22.

Directors with terms expiring this year are: A. J. Kemp, Dimmitt; Elmer Dixon, Cleo; Ira Brown, Bethel; Steve Taylor, Flag; Frank Hoelting, Nazareth; Allan Webb, Mulkey; Fred Axe, Junbo; and James Burgin, Frio. Holdover directors are: Roy Pyeatt, Hart; Noble Howard, Sunnyside; F. F. Collins, Dodd; A. T. Morgan, Big Square; Roy Botkin, Ramey; L. J. Councilman, Summerfield; J. H. Flood, Easter; and Leo Witkowski, Arney. New directors will serve for a term of two years.

Five men make up the director nominating committee. They are Fred Axe, chairman, and members, Ray Axtell, Vern Lust, Noel Colleton and Francis Wilhelm. The resolutions committee for this year is composed of Allard Webb, Steve Taylor and P. P. Robb.

Here are some of the subjects that will come up for discussion at the county convention, some of which will likely be the basis for resolutions to be drawn up:

1. Compulsory social security;
2. Reduction of gasoline refund on non-highway used gasoline for school purposes;
3. Federal taxation of gasoline for highway improvements;
4. Financing of a state water development program;
5. Method of securing board members administering a water development program in Texas;
6. Labor unions and the right to work law;
7. Revision of seed and feed laws;
8. Laws regulating use of farm pickups;
9. Obnoxious weed control and government regulations effecting cotton and grain crops.

A full slate of county delegates to the state convention, which this year will be held in Fort Worth November 7, 8, 9, will also be named at the county confab. County FB Service Agent Gene Ivey emphasizes that the number of delegates to the state convention are determined by the number of paid in memberships since last November. To date Castro county is eligible for six voting delegates. But, it is anticipated that enough new and renewal memberships will be paid by Oct. 31 to enable the county bureau to have seven voting delegates. This would be the largest voting delegation in Castro county FB history.

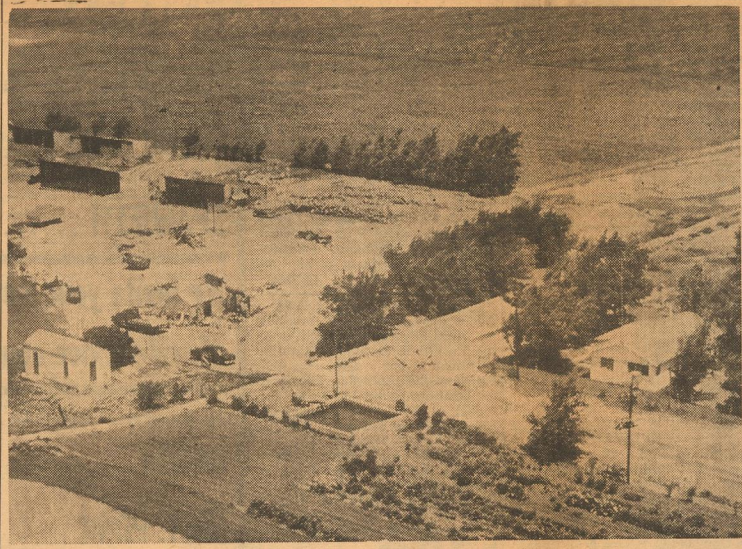

## Dimmitt 4-H Girls Win High Awards Saturday At State Fair Poultry Show

Mary Helen Maples, 12-year-old daughter of Mr. and Mrs. Glen Maples of Dimmitt and a member of the local 4-H Club, added another top award to her growing list of achievements in the poultry field by taking the reserve champion award with her turkey toms at the State Fair in Dallas.

The Dimmitt girl won the award in competition with 588 other entries. All turkeys entered in the State Fair Poultry Show were judged Saturday and auctioned off the following Wednesday or October 12.

Mary Helen won a blue and red ribbon on her turkey entries last year at the State Fair and had fourth place tom at the Houston Fat Stock Show last spring. She also had a first place turkey hen in the Fort Worth open show and fourth place hen and tenth place tom in the Fort Worth Fat Stock Show. Besides these many awards, she won grand champion in the junior poultry division of the Castro County Fair and placed first with her Leghorn pullet and Leghorn cock in the Tri-State Fair at Amarillo as well as second on young pen of Leghorns.

Mary Helen's sister, Glem Ann, age 10, also distinguished herself at the State Fair by showing blue and red ribbon turkeys. Last spring at the Fort Worth Junior Turkey Show, she showed a third place tom and seventh place hen. Mary Helen was also declared reserve champion of all junior girls at the Castro County Fair in September. She won the grand champion tom and grand champion female award of the county fair poultry show, as well.

MYSTERY FARM NUMBER 38—Here is another mystery farm picture of a Castro county farm. If you recognize this farm, call the News or drop a card. Answers must be in not later than Monday noon, the deadline for guessing the identification of mystery farm pictures. The mystery farm series is sponsored by Blanton Butane, Inc., and is published in the News each week.

# Bobcats Clash With Sudan In Non-conference Tilt Friday

One of the area headliners and in some circles the "game of the week," on the High Plains will be played in Bobcat Stadium Friday night when the re-surging Sudan Hornets invade for a crucial non-conference tilt with Coach Leo Field's Dimmitt Bobcats. Game time for the exciting match is 8 p.m.

The Hornets come to Dimmitt with a record of four wins and a single loss. They tamed Denver City in their opener 13-6, plastered Morton 40-6; downed Muleshoe and Slaton in one sided losses; and suffered their only defeat to Sundown in a close 13-12 contest.

The Hornets are noted for their speed and deception and run up a great deal of yardage on pichtouch from quarterback Jim Bacus to Fullback Dickey Hanna. Brown, Graves, Aller and Fisher are mainstays in the line and are capable of executing some key blockage when the occasion arises. Coach Francis Smith is noted for changing his lineup at a moment's notice and has sufficient reserves to keep the opposition guessing. In the game with Morton, Smith switched Smokey Saver from right guard to quarterback and Savage immediately set up a touchdown for the Hornets. This type of wide open, unpredictable play has earned the Sudan mentor a 3-1 record and has held all opposition to six touchdowns.

On the other side of the ledger, the Bobcats will likely be ready for this one after suffering losses to Hale Center and Abernathy. The squad should be at full strength and "champing at the bits" to go. Fields, according to reports this week, hopes to throw the Hornets off with a rapidly improving passing attack and ground assault. Wilmer Studer, lanky, 155-pound quarterback is showing promise as an aerial artist and will probably do plenty of heaving against Sudan. Don Moble, also a quarterback, is much improved from a leg injury and will do some veteran work at directing the Bobcat split T ground attack. Alton Bates, who recently has displaced Monte Saver at fullback, displayed some pulverizing plays against Abernathy, and should be effective in this assignment against Sudan. Anchor men in the line, Billy Gafford, Gary Cleaver, Jim Cole, Howard Smithson, Carroll Herring and Joe Ben Mitchell, should give the Bobcats a forward wall hard to penetrate.

Since the game is being played here, the two teams should be out just about even terms. The club that capitalizes on breaks will likely come out the victor. The Bobcats have held a magic spell over the Hornets in recent years winning the last three tilts. However, this game shapes up as one of the best ever played between the two clubs and should attract a capacity crowd before the starting whistle is sounded.

Despite their loss to the strong, undefeated Anton club, Coach Paul Boswell's crew displayed spirit and determination and fought back in the face of overwhelming odds. Trailing by two touchdowns, the Hart eleven opened the second quarter with a thrilling 48 yard run by Left Halfback Melvin Aven. The local fans cheered, too, when the crafty Aven proceeded to make the conversion.

The game was close and hard fought until the Bulldogs of Coach W. S. Talley broke the tilt wide open on 59 and 41-yard gallops by William Detwiler and another 45-yard sprint by Richard Howard. Detwiler also scored from two yards out.

## Lions Slate Ladies Night Observance

Dimmitt Lions Tuesday set November 8 as the date of their Ladies Night observance. Lion President Earl Brock announced that members of the Methodist Church Wesleyan Guild will serve food at the banquet.

A committee headed by Lion Raymond Wilson will handle arrangements for the event.

Several Lions drew fines from the tail twister at the Tuesday luncheon meeting for not correctly answering questions pertaining to Lionism and club organization. Lion Glen Youts was in charge of this phase of the program.

W. F. King was a guest at the Tuesday meeting.

## Hart To Invade Frio Friday

The Hart Longhorns will journey to Frio Friday night for a non-conference clash with the Chiefs, a team that has lost four games while winning one. The Longhorns lost their fifth straight contest on the home field last Friday night when the Anton Bulldogs invaded for a 40-7 victory.

The Frio team of District 2-A operates from the T formation. They went down 21-0 to Whiteface in their last outing and won their opening game from Farwell by a touchdown. The Chiefs are re-building and are lacking in experience just as the Longhorns. This should prove to be one of Hart's best and closest games of the season.

Despite their loss to the strong, undefeated Anton club, Coach Paul Boswell's crew displayed spirit and determination and fought back in the face of overwhelming odds. Trailing by two touchdowns, the Hart eleven opened the second quarter with a thrilling 48 yard run by Left Halfback Melvin Aven. The local fans cheered, too, when the crafty Aven proceeded to make the conversion.

The game was close and hard fought until the Bulldogs of Coach W. S. Talley broke the tilt wide open on 59 and 41-yard gallops by William Detwiler and another 45-yard sprint by Richard Howard. Detwiler also scored from two yards out.

The Anton game was a conference tilt and marked the third straight setback for the District 3-B Longhorns. After the Frio game, the Hart team will play four straight conference tilts before concluding the season.

## W. A. Springer, County Pioneer, Dies Wednesday

Funeral services for William Albert Springer, Castro county pioneer who died Wednesday at 2 p.m. in Deaf Smith County Hospital in Hereford, will be held Friday, Oct. 14, at 10 a.m. in the Hereford Church of Christ. Minister J. V. Davis will officiate and will be assisted by Minister J. V. Lawrence of the Dimmitt Church of Christ. Burial will be in the Hereford cemetery under the direction of Gilliland Funeral Home.

Mr. Springer, a resident of Castro county for almost 28 years, made his home in the Frio community, coming from Childress in November of 1917. He married the former Jannie Mae Steel in Childress on October 15, 1916.

A native of Arkansas, Mr. Springer farmed most of his life. He was a member of the Church of Christ and was well known in the Frio community and Castro county. Mr. Springer leaves his wife, two sons, George and Charles, both of Hereford; one daughter, Mrs. Mary Lois Sumner of Dimmitt; three brothers, seven sisters and five grandchildren.

Pallbearers were N. D. Bartlett, John A. Pitman, S. W. Patterson, C. N. McClure, Grady Rogers and Herb Schmidt.

Mr. and Mrs. George Bradford and Mr. and Mrs. Burl Bradford attended the funeral of a friend in Memphis, Sunday.

From the

## Castro County Grain Company

By Edd C. McLeroy

### BUMPER CROP

The harvesting of 300,000 acres of milo in the county is getting well underway and from all indications it will produce a record milo yield for the county. Most farmers are reporting excellent yields and are thankful for this bountiful harvest even though milo prices are not what they have been in the last few years.

It's nice to see this record crop coming to town. However, we hope you leave enough on the farm to feed a few livestock. FERTILIZER PAYS \$3 FOR \$1 Mr. Lester Gladden came by this week to tell us that 150 pounds of ammonium sulphate per acre applied to milo stubble last winter and planted to milo this spring increased his milo yield at least 1,000 pounds per acre. This is a return of \$3 for every \$1 invested in fertilizer. Mr. Gladden had 58 acres of Martin milo that averaged 4,250 pounds per acre.

Mr. Gladden is now in the process of cutting his present milo stubble, applying 200 pounds of sulphate per acre and planting wheat on this ground. He can expect a good increase from the fertilizer applied plus putting to work for him the green milo stubble that will add organic matter to his soil.

If you want to get the most for what you already have, apply fertilizer to your milo stubble; turn them under and water as soon as possible. The soil bacteria will be at work for you while you are sitting by the fire this winter.

### EGG PRICES HIGH, FUEL PRICES LOW

Mrs. Earl Backus of Nazareth was in this week to report the excellent results she is getting from her 42 Leg-rock pullets. She reported that for the past few weeks she has been getting as high as 41 eggs from 42 pullets per day. She is feeding home grown grain balanced with Purina chicken concentrate. By using her own grain, she is getting a top ration for only \$2.85 per hundred.

Mrs. Tom Wethington, also of Nazareth, has reported excellent results by balancing home grown grain for her laying flock. She reported that blue comb hit her flock a few days ago and egg production dropped considerably. This might be passed off as a warning when egg production drops on young pullets, you better start looking for the cause.

If you are not satisfied with your present livestock and poultry rations, drop by and let us help you get the most from the abundance of grain that most of you have this year.

### REMINDER

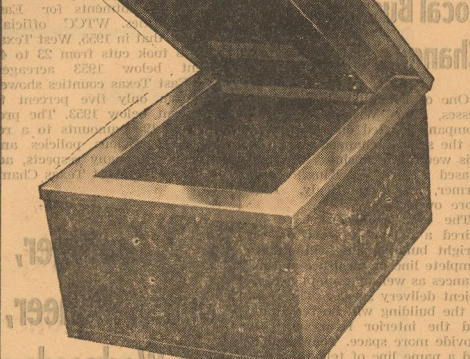

When your milo is harvested, come in and let us help you decide on the best type of fertilizer to apply to your milo stubble this fall for your crops next spring. We're interested in your business and also want you to make best use of the things you already have.

FRESHMAN BAKE SALE SATURDAY

**RECIPE OF THE WEEK**  
By Mary Lee Taylor

**Chili Meat Pie**

2 Tablespoons finely cut onion  
1 lb. ground lean beef  
2 Tablespoons hot fat  
8-oz. can tomato sauce

1-lb. can kidney beans, drained  
1 teaspoon salt  
1 teaspoon chili powder  
1/4 teaspoon pepper  
1 cup biscuit mix  
1/2 cup Per-Evaporated Milk

In a 10-inch skillet brown onion and beef in hot fat about 5 minutes. Stir in tomato sauce, beans, salt, chili powder and pepper. Cook over low heat about 5 min. while mixing biscuit topping. Put biscuit mix into a quart bowl. Stir in milk with a fork. Turn dough out on lightly floured board. With floured hands, pat dough to fit top of skillet. Put on top of meat mixture. Bake on center rack of 400 oven (hot) 15 minutes, or until top is brown. Serve from skillet. Makes 4 servings.

# Frio News

Mr. and Mrs. Charles King and grandson, David King, of Amarillo, spent Thursday night in the J. E. Andrews home. Mrs. Elmer Jones and Mrs. Ralph Stacy and Joel of Hereford and the Kings took dinner in the Andrews home Friday.

Mr. and Mrs. B. M. Sudduth returned Wednesday from a week's vacation. They visited with their son, John Sudduth, in Fort Worth and another son and his family, the Ben Sudduths of Arlington.

Mr. and Mrs. G. W. Sparkman and Orvel Grussendorf of Amarillo were Sunday dinner guests of the T. L. Sparkmans Sr., Mr. and Mrs. Bill Buchanan and Ralph of Wildorado, Mr. and Mrs. D. M. Springer of Kress, and Mr. and Mrs. Owen Andrews, Veradelle and Frances, called in the afternoon. Also the Springers visited awhile with the J. E. Warricks and the Bucharans and Springers visited with W. A. Springer, who is in the Deaf Smith County Hospi-

tal, Sunday afternoon. George Easley of Hermit, Calif. visited recently with his sister and her husband, the B. M. Sudduths. C. W. Scott of Bradshaw returned to his home last week after about three weeks' visit with his daughter and her family, the Carlton Dobbins. Mr. and Mrs. George Vinson of Milwaukee visited the first of last week with his brother and family, the Edgar Vinsons. Sunday, all of the Vinsons were in Big Spring for a Vinson family reunion. Glen Andrews was in Portales, N. M. Saturday night and Sunday visiting with Duane Shook. Duane

and Glen have gone to E.N.M.U. together for the last two years. M. L. Dobbins of Aiblene has been a recent guest of his brother and family, the Carlton Dobbins. During his visit he helped the Dobbins to build a garage. Mrs. M. L. Dobbins and their son and his wife, the Jerry Dobbins came after him last week. Mrs. Arthur Brock and Richard of Hereford spent Friday night with her daughter and son-in-law, the Leonard Schmidts. Mr. and Mrs. R. L. Simpson and Gary Cotton were in Plains over the weekend. Mr. and Mrs. Frank Robbins and children were Sunday dinner guests of the F. Y. Moremons of Hereford.

Mr. and Mrs. B. G. White attended the Hereford-Phillips football game at Phillips Saturday. Mr. and Mrs. Weldon Stephen and daughter took dinner Sunday in the H. D. Robbins home in Hereford. A birthday supper was held Friday night for Mrs. John Simpson in the Sam Lindley home in Hereford. Those attending the supper were Mrs. Elmer Gardner and a friend of Clovis, Mr. and Mrs. B. G. Cotton and Gary, Mr. and Mrs. J. C. Simpson and family of Wildorado, and Mr. and Mrs. R. L. Simpson, the John Simpsons, and the Lindleys. Mrs. John Simpson's daughter, Mrs. Leon Roberts of Wellington talked to her by phone Friday night. Also as a birthday gift Mrs. Simpson called to Los Angeles, Calif. to find that her mother is somewhat better after having suffered a severe heart attack on Tuesday night. Mr. and Mrs. Harold Boyd of Rossville, Ga. returned to their home Tuesday morning after a week's visit with Mrs. Boyd's aunt and family, the J. H. Dobbys. During their stay here the Boyds visited at several places and met lots of people. Some of the highlights of their visit were: Mr. and Mrs. Olin Parris and the Boyds took dinner Thursday in the Dobbys home. Saturday, Mrs. Dobbys, Clark, Larry and the Boyds were in Clovis and San Jon, N. M.; Sunday, the J. H. Dobbys, Mr. and Mrs. James Dobbys, and the Boyds went to Palo Duro Canyon for a picnic lunch. Monday, Mr. and Mrs. Henry Dobbys and Clark, the James Dobbys and the Boyds were at Buffalo Lake to fish. Rev. and Mrs. B. H. Baldwin and Olagene were in Lubbock Saturday on business.

Mrs. H. M. Mobley and Don, Mrs. Mobley's mother, Mrs. Lelia Taylor of Throckmorton, Mr. and Mrs. Darwin Miller and Jana Cole took supper with the Lee Johnsons of Seminole Saturday night and then went to Odessa to spend the night and Sunday with Mrs. Mobley's brother and family, the J. W. Taylors. Mr. and Mrs. Raymond Mobley and children of Dimmitt spent Saturday night with

the Johnsons in Seminole and went on Sunday to visit the Taylors at Odessa. They returned to Floydada where Mrs. Lelia Taylor stayed to visit for awhile with another daughter and her husband, the Claude Pries. Rev. B. H. Baldwin and family and Virginia Cox attended the Baptist Associational Youth Rally at Farwell Saturday night. Mr. and Mrs. Floyd Cole, Cheryl and Bill, and Eugene Baldwin were Sunday dinner guests of the Olin Parrises. Mr. and Mrs. E. H. Little, Peggy and Becky, Mr. and Mrs. Olin Parris, and Walker, Eugene Baldwin, and Eugene Baldwin visited Sunday afternoon in the Floyd Cole home. Mr. and Mrs. John L. Francis, Mr. and Mrs. J. R. Steele, and Alton Steele, all of Silverton, visited at different times last week with W. A. Springer, who is in the hospital at Hereford. The Steeles and Francis are relatives of Mrs. W. A. Springer.

Mr. and Mrs. James Dobbs and Mrs. Danny McLallen, surprised their mother, Mrs. S. B. McLallen, with a birthday supper Wednesday night in the S. B. McLallen home in Hereford. The Frio W. M. U. met Tuesday morning in the home of Mrs. Olin Parris. Those attending the Bible study meeting were: Mesdames E. H. Little, Clark Andrews, Olin Parris, G. W. Parker, James Dobbs, B. H. Baldwin, Owen Andrews and the hostess. Mr. and Mrs. Wallace White and Brenda, Mrs. White, Mr. and Mrs. Clark Andrews, Veradelle Andrews, and Frances Andrews attended the Ringling Bros. Circus in Amarillo Tuesday night. Rocky Andrews spent the evening with his grandparents, the Owen Andrews.

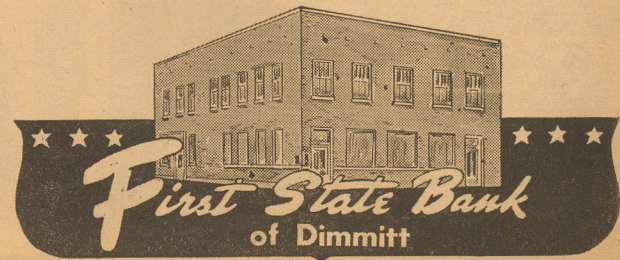

Mr. and Mrs. T. L. Sparkman Jr. and Barbara, and Mr. and Mrs. Owen Andrews took dinner Wednesday in the T. L. Sparkman Sr. home to help Mrs. Sparkman Sr. celebrate her birthday. Afternoon callers were Mr. and Mrs. Carl Parrish and Mr. and Mrs. McKee, all of Childress, and Mr. and Mrs. J. E. Warrick. The Parrishes and McKees also visited Wednesday in the Warrick home and with W. A. Springer, who is in the Deaf Smith County Hospital.

Mr. and Mrs. R. L. Laymen of Hereford were supper guests Thursday night of the B. G. Whites. W. A. Springer's condition is considered to be improved some. He is suffering from a brain hemorrhage, instead of a stroke as was thought at first.

### Farm Bureau News

The political campaign of 1956 has begun. Farmers discovered last week that they may be the number one issue for both Democrats and Republicans.

From every corner of the land comes charges and counter charges. But pleas get little, if any, attention from spokesmen for either party. Politician after politician used rural America as the sounding board for promises of better things for agriculture—or to echo predictions of disaster.

Only on one point was everyone agreed: farmers are in trouble. It is not new trouble. Gross farm income is down only four one-hundredths of one percent since 1947. But production expenses are up 29.9 percent during the same period. This has resulted in a 30.8 percent decline in the realized net income of farm operators from farming.

There is a cost-price squeeze—and it is apparent that much of the squeeze is coming from the cost side.

From across the nation we learn from politicians that government farm programs are working and that government programs have failed miserably, that farm debt is too high and that there is not enough credit, that food prices ought to be higher and that consumers should pay less, that times are going to get better and that times are going to get worse. To say the least, it is very confusing.

Some speakers place stress on price, others on production, but few—too few—put both together, subtracted costs and analyzed net income.

However, there are some bright spots on the national scene. Trying to bring order out of chaos and find a solution to the problems that politicians had often bungled pretty badly in the past were thousands of community and county Farm Bureau groups meeting in policy development discussions to evolve the recommendations which they will present to the state and national conventions this fall. These policy recommendations will find new strength from the proposals of other states across America.

The local participation and interest in policy formulation intensifies reflects the concern of farmers that—unless they find some answers to their current problem—someone with political capital in the making may produce a plan detrimental to the long-range best interests of farm people.

Some twenty community leaders met in the courthouse Monday to assist county Farm Bureau resolutions committee in planning

### Town And Country Garden Club Meets

Care and arrangement of roses afforded members of the Town and Country Garden Club with interesting subject matter at a meeting in the home of Mrs. R. M. Warren Tuesday. Co-hostess for the occasion was Mrs. Frank Wise.

Mrs. Bobby Warren had the program on the "Care of Roses," and Mrs. Dorit Smiley gave an interesting talk on rose arrangement. Mrs. Smiley also furnished a flower arrangement of roses for the meeting.

Refreshments were served nine members, including Mrs. Dee Umberson, president, and Mrs. James Autry, secretary.

The next meeting will be held in the home of Mrs. Glenn Merritt November 8.

### Mary Nelson Named To Tech PE Club

Diane Thomas, Amarillo senior, was elected president of Texas Tech's Major-Minor Club this week.

The group is composed of majors and minors in the field of physical education and recreation.

Other officers elected were: Frances Winn, Sweetwater, vice-president; Mary Nelson, Dimmitt, secretary; Kay Porter, Lubbock, treasurer; Mariana Wilson, Hereford, reporter; Joyce Carroll, Lubbock, AWS representative; and Bobbie Blocker, Lubbock, social chairman.

### WMS Circles Begin Study Of New Book

The Woman's Missionary Society of the local Baptist Church will meet in regular circle meetings Monday at 2 p.m.

The various circles will begin study of their new mission book, "World Within a World." Circles will meet with Mesdames F. R.

Curtis, Bill Lee, J. E. Burch, Lon Boothe and J. L. Compton.

The nursery will open at the church.

Mr. and Mrs. P. H. Ewing and Juanita spent the weekend in Lubbock where they attended a regional meeting of the disabled American Veterans.

**MOTHER OF TOM DAVIS  
DIES AT BAYTOWN**  
Mr. and Mrs. Tom Davis of Dimmitt and Mr. and Mrs. John Davis of Friona attended funeral services for their mother, Mrs. G. W. Davis, at Baytown Sunday.

Mr. and Mrs. P. P. Robb and Mr. and Mrs. Reese Kesler attended an open forum meeting of the Parmer County Farm Bureau at Bovina Thursday night.

Mr. and Mrs. Percy Estes made a business trip to Plainview Monday.

Mr. and Mrs. Floyd Dickey and children visited his father, Mr. Floyd Dickey, and Mrs. Dickey in Dallas.

**Reading Problems  
On PTA Program**

Five members of the Dimmitt Grade School faculty will relate some of the highlights of the Reading Conference they attended at West Texas State College in August when the local Parent Teacher's Association meets here Tuesday, October 18. The meeting will start at 8 p.m. in the high school auditorium.

Taking part on the program will be Mrs. O. K. Howe, Mrs. R. S. Vestal, Mrs. Claude Forson, Mrs. Glen Ratcliff and Mrs. Violet Barton. Each of these teachers attended the Canyon Conference and will have some interesting facts to present.

Following the regular program, a PTA birthday celebration honoring all past presidents will be held.

All members are urged to attend this meeting.

Mrs. R. C. Shuford and Mr. and Mrs. Roy Haberer visited Mrs. Clara Young in Big Spring last weekend. Mrs. Young and Mrs. Shuford are sisters.

Mr. and Mrs. A. L. Haberer of Ralls were Sunday guests of the Roy Haberers.

Mr. and Mrs. Sam Gilbreath attended the Texas-O.U. game in Dallas last weekend.

**Dimmitt Eighth Graders Rip Hereford  
78-0; 7th Grade Plays Scoreless Tie**

The Dimmitt eighth grade football team demonstrated power and speed Tuesday night on the local field by chalking up their third successive win with a smashing 78-0 victory over the Hereford eighth graders.

Eager for action, the eighth graders scored in every quarter to offset a 0-0 tie between the Dimmitt and Hereford seventh grade teams earlier in the evening. The local lads ran up 27 points on the scoreboard in the first quarter. Jerry Hyatt and Jimmy Curtis thrilled home fans with long touchdown runs in the first period. Hyatt scored the initial TD on a 60-yard run while Curtis galloped 70 yards for the second score. James Collins racked up the third score on a 45-yard jaunt and Curtis made the next two touchdowns. The final score of the first half was made by Ed Collins. Hyatt, Curtis and James Collins each ran an extra point over in the first quarter while Donnie Maxwell ran four extra points across.

The Dimmitt team continued its wild scoring spree in the third quarter as Jack Ragland trapped a Hereford ball carrier behind the goal and was credited with two points or a safety. Curtis proceeded to score two TDs (one on

an intercepted pass); Hal Ratcliff one (on an intercepted pass); and Maxwell ran three more extra points over the goal line making the final score 78-0.

Hereford threatened only once in the ball game, that being in the last of the fourth period.

The Dimmitt seventh graders threatened once in their scoreless deadlock with the Hereford seventh graders. They carried the ball to the three yard line but failed to score due to a 15-yard penalty. The seventh graders were strong on defense but showed lack of scoring punch on offense.

Outstanding defense players for the Dimmitt eighth grade were Jack Ragland, Quinfred Oakley, Hubert Faulkner, Ramirez Garza, Clint Smithson, Cecil Berryman, Hyatt, James Collins, Ratcliff, Curtis, Ed Collins, Marion Oakley, Joe Burkett, Jimmy Slough, Tony Gabel, Troy Honea, Maxwell and Carl Lee Kemp.

Every boy that played turned in an outstanding performance both on offense and defense, according to Coach Thomas Harrison and Grade School Principal W. E. Reisdorph.

Statistics for both games were furnished by Bennie Scott. Managers for the two teams are David Hays and Jack Bradley.

The locals will play Olton next on October 18. Both seventh and eighth grade clubs will play with the first contest beginning at 6:30 p.m. in Bobcat Stadium. The eighth graders have three wins and no losses and the seventh graders have lost one and tied two.

**Edgar Dennis At  
FFA Convention**

Edgar Dennis, Hardin-Simmons University freshman and son of Mr. and Mrs. Morgan Dennis of Dimmitt, is at the National FFA Convention in Kansas City, Mo. this week as the result of his winning the FFA Area I Santa Fe special award for public speaking.

Young Dennis won the special award at the close of his senior year in the local high school. As the guest of Santa Fe Railroad, he is touring stockyards and packing houses as well as attending the convention. He is among 100 West Texas delegates and 10,000 national delegates. Dennis left Sunday and will return to Amarillo Friday morning, Oct. 14.

The Dimmitt High graduate has qualified to play with the HSU Cowboy Band as the result of band tryouts at the University.

Mr. and Mrs. Frank Hill of Temple were here recently for a visit in the home of their daughter, Mrs. Jack Malone, and family.

Mr. and Mrs. Kenneth Jackson and Richard visited Dorothy and Bill Wood in Dallas and other friends in Groesbeck. Ed and Betsy Wilson visited the Pitts in Groesbeck last weekend.

Dalia and Bill Gregory of Abilene visited their parents Sunday, the Jack Gregorys and Ergie Twiner.

**LEGAL NOTICE**

**NOTICE TO BIDDERS**

Notice is hereby given that bids will be received until 10 o'clock a.m., October 24, 1955, for the purchase of one new 4-wheel drive dirt loader with one and one-eighth cubic yard bucket, weighing approximately 12,000 lbs., and approximately 60 hp, with four 130x24 tires.

It is the intention of the Commissioners Court to issue interest bearing time warrants in payment therefor not exceeding \$7,500.

Given under my hand and seal this 10th day of October, A. D., 1955.

For The Commissioners Court

Robert Estes, County Judge  
Castro County, Texas.

Mr. and Mrs. Andy Thompson of Muleshoe visited the H. E. Walls and Sid Sheffys Sunday.

**Nazareth News**

The Nazareth School Faculty has been completed by the addition to the staff of Miss Esther Harkleroad of Amarillo. She is teaching the second and third grades.

The Junior Class is presenting a play entitled "Finders Creepers," a mystery comedy in three acts, written by Donald Payton. The cast consists of Eileen Schulte, Ethel Drerup, Evelyn Drerup, Regina Gerber, Elsie Schaefer, Charleen Hoelting, Norma Venhaus, Carolyn Huseman, Dan Schmucker, Joe Ed Pohlmeier, Dale Bowers, Alphonse Huseman, Irene Birkenfeld and Ted Conrad. The play is built around the plot that someone is trying to poison Mr. Quigley. He suspects this and in order to catch the culprit, pretends he is dead. He is taken to the Nelson home which has been converted into a mortuary. He finds the clue and the offenders are brought to justice. This is a choice comedy and a mystery thriller at the same time.

The freshmen are sure after initiation this week that there will be no more "dumb bunnies" in the high school.

"Rings, rings, rings and more rings," were the thoughts of the juniors as they picked their class rings on October 5.

An important event of every senior year took place Tuesday afternoon. The seniors were called together to choose their commencement invitations. A simple but beautiful design was decided upon.

Emaline Helen, infant daughter of Mr. and Mrs. Arnold Huseman was recently baptized by Rev. Peter Morsch. Sponsors were Mr. and Mrs. Leslie Backus. Robert Wendelin Jr. son of Mr. and Mrs. Robert Huseman was also baptized. His sponsors were Julian and Corinne Huseman.

Mr. and Mrs. Neil Duer of Fort Worth recently visited in the home of Mrs. Theo Schmucker.

Mr. and Mrs. P. H. Dyer visited their daughter, Miss Mary Gene Dyer, at El Paso last weekend and attended the Western-Texas Tech football game.

Mrs. Doyle Thomas was a business visitor in Plainview Monday.

## World Agriculture Production Keeps Pace With Growth

COLLEGE STATION, Oct. 13—World agricultural production, excluding countries in the Communist bloc, was more than 25 percent greater in 1954 than in 1946-47, according to a report from the Food and Agriculture Organization of the United Nations.

Reviewing agricultural development of the decade since the end of World War II, and since its own birth in 1946, the FAO says that food production in areas outside the Communist bloc has slightly outstripped growth in population since before the war. Consequently production per head is slightly above prewar levels.

Leaving out the Communist bloc for which figures are still incomplete, the world is now, for instance, producing about 20 percent more wheat, fats and meat; 50 percent more fruit and sugar; and 80 percent more natural rubber.

Against this background of greater abundance, the FAO report shows, however, that in many Far Eastern and in some Latin American countries the consumption of food per person still remains below the very inadequate prewar levels. Generally, over large parts of the world the problem is not yet solved of providing people with the means to buy as much food as they need.

## EDITORIAL

How much longer will you be a "school kid?" Three years? 30 weeks? Or, if you are a senior, only 30 weeks? Not very long is it?

There is something about the ending of school life that reminds us of the beginning. "Going to the blackboard" in shorthand class, interviewing some of the first graders in journalism; these and other things show a definite connection between grade school and high school. They are not so different from each other, after all.

High school is wonderful. But our school days reminiscences shall always point first to our years in the lower grades—when boys and girls were not allowed to play together at recess because we either fought or played kissing games.

We recall, too, how we "hated" geography and saw no earthly use whatever for that impossible phase of arithmetic called division.

There were no scruples about self-esteem, either. When we were finally old enough to elect a class president, there was no majority because everyone voted for himself.

Remember? You stood out from the rest of your class in something: You were the quickest at arithmetic; or the best speller or reader; or the most talented in music or art; or the best batter, consequently the pitcher or the baseball team; the candidate for Halloween queen; the boy all the girls "claimed;" or the girl who could beat up all the boys; or even the teacher's pet. What did you excel in? Think of it! Doesn't it give you a surge of pride?

These memories should cause us to cherish the few days of school that are left, and to want

## Bobcats Face Hornets Friday

Friday night the Dimmitt Bobcats will meet the Sudan Hornets in a non-conference game here. Coaches Fields and Fuquay will have the Bobcats at full strength after an open date this past week. Only two boys are out on the injured list. They are Joe Ben Mitchell who suffered a leg injury early in the season and Howard Smithson who suffered a broken nose in the Abernathy game.

The Hornets are a strong team, as they have lost only one game this season. It was a 13-12 decision to Sunday. Dimmitt will probably have a hard time clawing the sting out of the Hornet.

## Honor Society Organizes

The Dimmitt Chapter of the National Honor Society met Monday, October 3, with their sponsor, Mr. Cason Smith and three other faculty committee members: Principal S. T. Newman, Mrs. George Muse and J. E. White, to organize for another school year.

This year the National Honor Society is composed of 16 members, 8 seniors and 8 juniors. The Honor Society, a nationwide organization, is limited in membership. Prospective members are selected on a basis of scholastic standing, service, dependability, and character. They are required to maintain a grade average of 90 or above and are to be of junior and senior grade level.

At this time the Dimmitt Chapter is one of 5,919 chapters in the United States.

At this first meeting, officers were elected for the first semester of this year. They are as follows: Van Conard, president; O. C. Renfro, vice president; Barbara Stevens, secretary; and Gail Cooper, reporter. Mrs. George Muse has been appointed treasurer.

—Reporter  
to make the most of them. I'll be awfully sorry when I'm no longer a "school kid," won't you?  
—From the "Tulia Hornet"

## DHS Seniors to Participate in Scholarship Contest

Dimmitt High School will have three seniors participating in the National Merit Program. This is a nationwide search for high school seniors who can best profit from a college education. Four-year college scholarships are awarded to the most able of these students—the stipend depending on their financial need—and a supplementary cost-of-education grant is made to the colleges and universities they attend. The winners are selected on the basis of aptitude for college work, as shown by scores on two nationwide aptitude tests, secondary school achievement, character, and qualities of leadership.

Eligibility: Any public or private secondary school in the forty-eight states, the District of Columbia, Alaska, Puerto Rico and Hawaii is eligible to participate. The principal selects the promising 5 percent of his senior students (both boys and girls are eligible) to take a preliminary screening test. Participant must be United States citizens. No fees or premiums are required of either schools or students.

This preliminary test will be given on October 26, 1955, to all secondary schools throughout the United States. The competition is open to all secondary schools, public and private.

## FTA Nominates New Members

The Future Teachers of America in Dimmitt High School met Tuesday, Oct. 4 at 6:30 p.m. The meeting was called to order by the President, Thurman Morris. We elected Mr. and Mrs. S. T. Newman F. T. A. sponsors. We decided to start working on the F. T. A. Directory.

We nominated four new members into F. T. A. We also talked about how we could raise money for F. T. A. convention. The meeting was adjourned by the president at 7:30 p.m.  
—FTA Reporter

## Band News

The Dimmitt Bobcat Band, under the direction of Mr. Ralph Smith, has begun what is hoped to be another successful year.

There are 81 members enrolled in band this year. The officers are: President, O. C. Renfro; Vice President, Melba Chism; Secretary-Treasurer, Melba Curry; Reporter, Sharon Wesson.

The drum major is Keith Taylor and the twirlers are Melba Chism, Nelda Bagwell, Nancy Nenumayer, Myrna Thompson, and Jonalyn Alldredge. So far this year, the band has performed in the half-time activities of every football game played this season; they have marched in the Castro County Fair parade here and in the Parade of Bands at the Tri-State Fair in Amarillo.

On October 25, the band will compete in the Interscholastic League marching contest to be held in Canyon. The band is now practicing for this event.

You have probably noticed the "sharp" look of the drum major and twirlers. They have new uniforms which are purple and really set off the rest of the band.

Because of the increase in the number of students interested in band, there is an increasing need for new uniforms. As a way to make money to purchase these uniforms, the band will again sell fruit cakes for Thanksgiving and Christmas.

Your orders for fruit cakes will be appreciated and may be given to any member of the band.

### Accident Rate May Climb As Farms Hum With Activity

COLLEGE STATION, Oct. 13—Farms across Texas are humming with activity. Harvest season in full swing means longer hours of hard work with more highway travel for farm residents.

It is also the season, says W. L. Ulich, extension agricultural engineer, when farm accident statistics usually take a sharp turn upward. More and complicated machinery is used during the harvest season than for any other period of the year and the long hours on the job means more fatigue, both heavy contributors to farm accidents. Hauling the farm produce to market means more

highway travel and increased chances for traffic accidents, cautions the specialist.

Ulich believes that farm families can reduce accidents greatly if they'll answer a simple question. "Can I possibly get hurt doing the job this way?" If the answer is yes, better change the method of doing the job or be more careful and always alert, says the engineer.

Automobile-tractor wrecks usually increase during the fall because tractors often are used to pull trailers loaded with cotton, grain and other farm products. "Be sure" warns Ulich, "that your tractor is properly lighted if it is to be on the highway after dark."

Jimmie F. Dyer, son of P. H. Dyer, Route 3, has enrolled for the fall semester at the University of Corpus Christi, A. H. Wilcox, U. C. C. registrar, has announced.

WALTER ROGERS

### Washington Newsletter

TO THE PEOPLE OF THE 18TH DISTRICT:

#### Congressional Ratings

There seems to be a great deal of increased activity in the field of grading Members of Congress. This is done by the numerous organizations throughout the country that hold themselves out as representing particular business groups, labor groups, manufacturing groups, political groups and so forth. You would be surprised at the number of such groups that have sprung up in this country in the last ten years.

As soon as a session of Congress is over, the individual voting record of each Member is thoroughly scrutinized by someone connected with the organization doing the grading. Usually the organization has picked out several issues on which they have decided to take a definite stand. They then take the voting record of the Member of Congress and find out how many times he voted like they wanted him to. If ten issues are involved and the Congressman has voted in accordance with the wishes of the organization ten times, he bats one hundred percent. For every wrong vote, of course, he gets reduced ten percent. The organizations then take the results and hand them out as absolute conclusions of fact that cannot be challenged. That is where the fallacy of the whole proceeding lies. In the first place, no mention is made of who does the deciding and on what basis it was originally concluded that the best interest of the country would be served by a yes or no vote. The truth is that these decisions are so often made on the basis of—not what is best for the entire country—but what is best for the particular group that happens to be compiling the statistics. Sometimes the issues chosen are not remotely connected with the particular interest of the group. Sometimes they get the yes and nay votes mixed up and give a Member a black mark when he should have a white mark according to their yardstick. For instance, on one occasion several years ago, a Member was listed as having opposed a certain piece of legislation that was supported by the particular group. It developed that the Member had actually vigorously supported the legislation. However, a motion to recommit the bill had been made which would have meant the death of the bill. Of course, this Member voted "no" on the motion to recommit. What the group had done was to see that he had cast a nay vote and apparently did not take the trouble to find out what he was voting "no" on.

The point I want to make is that these matters should be carefully scrutinized by readers. It would be a very simple matter for a Communist group to pick ten issues at random and grade the Members of Congress, both House and Senate, on how they voted on those issues, to then list these Members as having voted in accordance with the Communist yardstick or against it. Unless the readers of this rating sheet knew the exact issues that were being voted upon, they would have no way of knowing whether there was any soundness in the conclusion of the rating group. This process could be very easily used as a subtle but vicious propaganda vehicle.

**Visitors**  
Mr. Frank Storm, Jr., of Amarillo was a visitor in our office this week.

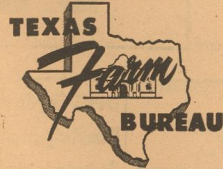

### Texas Ag Program In U. S. Spotlight

WACO (Special)—An idea for a farm program which originated here in Texas will receive nationwide consideration this fall.

The American Farm Bureau Federation announced this week that its board of directors has recommended to its member Farm Bureaus in 48 states and Puerto Rico full discussion of soil fertility bank plans as part of a federal farm program. The soil fertility bank idea was endorsed in general terms at the AFBF convention last December in New York.

The main idea of the plan is to adjust total agricultural production in line with effective demand by taking a certain percentage of acres out of production. These idle acres would be seeded to soil building crops or devoted to soil-building practices. Grazing or harvesting would be prohibited on these acres.

The plan was originally referred to as the "Hammond Plan" because it was conceived and promoted for many years by J. Walter Hammond, president of the Texas Farm Bureau. The state farm organization adopted the plan as its recommendation for a farm program in 1949 and has carried the idea to the AFBF convention each year since then. Last year was the first time that the parent national organization gave its approval to the plan.

## discover COOKING PERFECTION

*of course, it's Electric!*

It doesn't make any difference whether you live in an apartment, a little house, a mansion, an old home, or are building the most modern house in town. If you want to discover cooking perfection, cook electrically.

Electric cooking is versatile, and so are electric range sizes and styles. There are 30 inch apartment models for the small kitchen, standard sizes for regular kitchens — and then, the built-ins. Why with built-ins, you can have as many surface units as you want — and have the oven high or low, depending on your height.

Eventually, you'll buy the modern electric range. Why not now?

## Highlights and Sidelights FROM Your State CAPITOL

**By VERN SANFORD**  
 Texas Press Association  
 A big question this week was what effect Lt. Gov. Ben Ramsey's new job as national Democratic committeeman from Texas will have on his and Texas' political future.

Ramsey, quiet-mannered and nearly 52, was elected at a Fort Worth meeting of the state executive committee last week. He succeeds Wright Morrow of Houston.

Often mentioned as a prospective candidate for governor, the San Augustine lawyer was catapulted into the committee job without advance fanfare. He was labeled a surprise "compromise" nominee after agreement could not be reached on 14 others.

Some viewed it as positioning him on the inside track in the governor's race with firm conservative support and maybe some "loyalist" backing. A few seemed to consider the job a political blind alley. A few others thought Ramsey already had made up his mind against running for anything and welcomed the committee post to stay in public life.

Ramsey himself said he was "grateful and happy," but kept mum on personal political aspirations. He said his only purpose was to help get the best man for the Democratic nominee and to assist in electing him president.

Both House Speaker Sam Rayburn and U. S. Senator Lyndon Johnson promptly expressed approval of Ramsey's selection. Their approval had been part of the requirements laid down by national party leaders for an "acceptable" committeeman from Texas. Morrow had not been recognized nationally since his bolt from the party ticket to support Eisenhower.

Johnson said Ramsey can do the kind of a job that should unite Texas Democrats. Rayburn called him "a good man for the place."  
**Shivers Sees Victory**

Gov. Allan Shivers has launched his drive for conservative control of next year's Democratic Party conventions.

Executive committee members planned convention strategy behind closed doors at Fort Worth last week. Then Shivers took the rostrum for a stirring speech at a \$10-a-plate barbecue and rally. He challenged those who agree with him on party principles to capture next April's precinct conventions.

He said Texas votes in the national convention may be the decisive ones. "We cannot allow—we must not allow—those votes to be cast against the interests of Texas by a delegation representing

a minority of Texans," he said. "We must fight on if we do not want to see the hand of federal power reach further into the classrooms of our children. We must fight on if we are to hold the right to enforce our own laws and police our own communities."

"The time for quitting has not come. We have won before and we are going to win again."

**Duval Indictments Fall**  
 Officials seeking to clean up Duval county's alleged corruption may have to re-do nearly two years work.

A storm of reaction greeted the Court of Criminal Appeals ruling last week that the Duval grand jury which returned 104 indictments was illegally organized.

Atty. Gen. John Ben Shepperd, who worked with the grand jury for months, termed it "a tragic loss."

Specifically, the judgment overturned conviction of R. L. Adame, former Duval county school superintendent charged with felony theft of public funds. But all other indictments by the same grand jury would be subject to the same challenge.

District Judge A. S. Broadfoot named the jury commission that chose the grand jury. He had been sent to Duval county in March, 1954, by the State Supreme Court to replace Woodrow Laughlin, removed for misconduct in office.

Judge Broadfoot's dismissal of the grand jury panel selected under Laughlin and naming a new commission "of his own choosing" was held improper. An open-court hearing should have been held, the appellate court said, to determine if there was cause for dismissal of the old panel.

Judge K. K. Woodley dissented in the two-to-one ruling. He pointed out that in a similar case the court had upheld Broadfoot.

Shepperd also commented on the court's about-face. "The U. S. Supreme Court took 80 years to reverse itself on segregation, but this court reversed itself in 18 months," he said.

He promised re-indictments would be sought before the present Duval grand jury. He also said rehearing would be asked before the appellate court and disqualification of Judge Lloyd W. Davidson might be sought.

Grounds, he said, would be that Judge Davidson had "expressed himself" on the Duval cases before he became judge.

Davidson took office Jan. 1, replacing retired Judge Harry N. Graves. In the previous decision, Judges Graves and Woodley had voted together, with Judge William A. Morrison dissenting. In the new decision, Davidson joined Morrison to reverse the court's previous stand.

**Bell Indictments Uncertain**  
 Indictments seemed to be falling like ninepins. In Seguin the grand jury which indicted Con-

gressman John J. Bell in connection with a veterans land deal was ruled "illegally constituted."

Another unrelated case was involved when the court upheld an attorney's contention that the jury was not qualified because one member had not paid his poll tax. It seemed certain that Bell's indictment and several others connected with the land scandal investigation also would be invalidated.

Bell, a former state senator who helped set up the veterans land program, was charged with conspiring to steal \$154,000. He repeated his claim of innocence after hearing of the impending squashing of the indictment against him.

## Plainview Follies Slated Oct. 13-14

The Plainview Junior Service League will present the Follies this year as their annual project. The proceeds from this show go to support the Plainview Day Nursery. This nursery provides day long care for children whose parents must work.

Don't forget the Follies of 1955, Thursday and Friday, Oct. 13 and 14, at the Plainview High School auditorium! You'll be doing some small child a favor—and, you'll be doing yourself a favor too!

# The Longhorn Tips of Hart High School

## "H" Club Meets And Elects Officers

The "H" Club met and elected the following officers:  
 President: Joyce Bowden  
 Vice-President: Eddie Savage  
 Secretary: Rue Smitherman  
 Treasurer: Betty Lewis  
 Reporter: Peggy June Farris  
 Sergeant-at-arms: Virginia Davis and Ione Van Vliet  
 The "H" Club will have nine members who lettered last year. They are: Pancho Rubacalba, Melvir Aven, Alfredo Gonzales, Monte Phillips, Nancy Murray, Jayne Swindle, and Brenda Savage.

## Favorites Are Elected

Favorites for the Longhorn Annual were elected by secret ballot on Wednesday.  
 Those elected were:  
 Most Beautiful Girl—Peggy Beavers  
 Most Handsome Boy—Johnny Hindman  
 Miss Hart High—Beth Lewis  
 Mr. Hart High—Melvin Aven  
 Most Popular Girl—Ione Van Vliet  
 Most Popular Boy—Sonny Arm-

strong  
 Most Friendly Girl—Rowean Shepard  
 Most Athletic Boy—Pancho Rubacalba  
 Girl Most Likely to Succeed—San Jones  
 Boy Most Likely to Succeed—Gayland Anderson  
 Best all around girl—Joyce Bowden  
 Best all around boy—Eddie Savage

## Pep Club Elects Pep Squad King

The Pep Club had a meeting on Oct. 6 and elected Norman West as their Pep Squad King. They also elected officers. They are:

President—Virginia Davis  
 Vice-President—Nancy Murray  
 Secretary—Rue Smitherman  
 Treasurer—Brenda Savage  
 Reporter—Robbie Jo Robertson.

## Senior Of The Week

On May 13, 1938, Mr. and Mrs. Jack Hankins were blessed with a baby girl. Cordia is now a Senior

at Hart. She has attended school here 4½ years. Cordia came here from Dougherty, Oklahoma.  
 Some of Cordia's favorites are:  
 Food—Fried chicken  
 Drink—Iced tea  
 Movie—"A Man Called Peter"  
 Actor—Victor Mature  
 Actress—Debbie Reynolds  
 Book—"The Wall Between"  
 Author—Lloyd Douglas  
 Subject—English  
 Teacher—Mr. Goodin  
 Pastime—Running around  
 Pet Peeve—Snooty People  
 Cordia plans to study nursing when she finishes school.

## Question of the Week

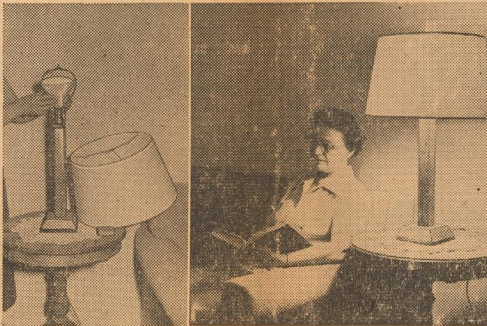

What would you do if you had a pipsisewa?  
 Cordia—Save it till next year, leap year, and take it to the Justice of the Peace.  
 Virginia—I'd step on it.  
 Rue—Get Rowean to teach it to Bumpa Doodle.  
 Peggy—Keep it for a joke.  
 Norman—Hide it.  
 James—Take it and draw doodles with it.  
 Faye—Do whatever you do with those things.  
 Glen—Marry it.  
 Rowean—Eat it, if it's edible.  
 Marilyn—I'd lock it up so it couldn't hurt me.  
 Eddie—It wouldn't do to say in public.  
 Jewel—Let it take a stroll down Hollywood.  
 Mrs. Manning—Let it take Freshman English.  
 Jo—Let it get my Algebra (if it could).  
 Jean—Let it take my tests.  
 Wyona—Put it in a cage.  
 Ruby—Let it go to school with me.  
 Ione—Run.  
 Carol—Find out what it was.  
 Peggy June—Well, I think I'd give it to San!  
 Jayne—Hug it and squeeze it real tight.  
 Miss Ray—Give it to Glen Welch.  
 A pipsisewa is a low evergreen tree.

## Brenda Savage's Ideal Boy

Most Handsome—Ronnie Farris  
 Cutest—Johnny Hindman  
 Sweetest—Ronald D. Clark  
 Nicest—Freddy Lilley  
 Best all around—Monte Phillips  
 Most Likely to Succeed—Gayland Anderson  
 Most Athletic—Pancho Rubacalba  
 Personality—Norman West  
 Disposition—Glen Welch  
 Best Physique—Ronald D. Clark  
 Friendliest—James Hollaway  
 Most Popular—Melvin Aven

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT  
 SOUTHWESTERN PUBLIC SERVICE COMPANY

Inexpensive lamp kit, put together at home, looks good and gives plenty of proper light for reading, sewing, studying and other close tasks.

Getting the correct lighting for reading, sewing or studying is easy with an attractive lamp kit which you can assemble at home and to suit your decorative tastes.  
 Many 4-H's have found fun in the project, and only recently Mrs. Harriet Brummett, County Home Demonstration Agent in Floyd County, Texas, assembled one of the kits in less than one afternoon.  
 "My husband thinks it is the best reading lamp in the house," says the proud Mrs. Brummett, who adds, "the amazing part about this quality lamp is the low cost. The kit and the approved R-40 bulb cost only about \$4.00."  
 Your Home Demonstration Club, 4-H Club or other groups can set up a craft lamp-building project with the help of your County Extension Agent. It's not only fun, but the kits come in a variety of colors permitting the homemaker to choose lamps which harmonize with the motif of the home. The Floyd County Home Demonstration Clubs are already planning similar craft lamp projects for this winter.  
 Important is the fact that although the lamp is extremely attractive, it still entails the design

## Ronald D. Clark's Ideal Girl

Most Beautiful—Peggy Beavers  
 Cutest—Kay Nell Popejoy  
 Sweetest—Brenda Savage  
 Nicest—Rue Smitherman  
 Best all around—Peggy Beavers  
 Most Likely to Succeed—Kay Nell Popejoy  
 Most Athletic—Rue Smitherman  
 Personality—Rowean Shepard  
 Disposition—Jo Davis  
 Best Figure—Peggy Beavers

## Most Popular—Rue Smitherman

F. H. A. Club Has Hobo Day  
 The F. H. A. had Hobo Day on Saturday, Oct. 8. There were eight girls who came to work. These eight girls made \$40. The F. H. A. has also elected Darrell Dunham as their Pin-Up Boy.  
 Freshman initiation is set for Thursday night, October 13.

## Teacher Of The Week

Mr. A. R. Bostick was born in 1903 at Erath county, Texas. He attended college at Texas Tech, W. T. S. C. and he has a B. A. and M. A. degree.

Mr. Bostick taught in New Mexico before teaching at Hart. He has taught here for the past six years.  
 Some of his favorites are:  
 Food—Ice cream  
 Drink—"You wouldn't ask that,

would you?"  
 Movie—Gone With the Wind  
 Book—Ethan Frome  
 Author—Mark Twain  
 Pastime—Watching people  
 Pet Peeve—Shiftles people.

### LEGAL NOTICE

CITATION BY PUBLICATION  
THE STATE OF TEXAS

TO: Thomas Patton and if ever married Mrs. Thomas Patton; J. C. Cope and if ever married Mrs. J. C. Cope; B. B. Cope and if ever married Mrs. B. B. Cope; B. C. Cope and if ever married Mrs. B. C. Cope; J. S. Beach and if ever married Mrs. J. S. Beach; Inez Cope and if ever married her husband; and if any or all of the above named parties are deceased, their heirs, their unknown heirs and legal representatives of each and all of them; their unknown spouses and all persons owning or claiming any interest in the property hereinafter described, all of whom are DEFENDANTS; Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Court-house thereof in Dimmitt, Texas at or before 10:00 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 21st day of November, 1955, then and there to answer in writing Plaintiff's petition filed in said court on the 6th day of October, 1955, in this cause numbered 2245 on the docket of said court and styled, Joe H. Bruce vs. Thomas Patton, et al, a brief statement of the nature of said suit being as follows:

Suit in statutory form of trespass to try title, and for costs by Joe H. Bruce, Plaintiff, against those persons who are first named

in this citation and to whom it is directed, as Defendants, and the unknown spouses and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiff, the Plaintiff suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

Lot No. Ten (10) in Block No. Ninety-seven (97) and Lot No. Twelve (12) in Block No. Ninety-seven (97), Original Town of Dimmitt, Texas.  
Plaintiff alleges that he is entitled to the title and the possession of said property, claiming under the five, the ten and the twenty-five year Statutes of Limitations, and Plaintiff further prays that the cloud cast on the title to the property above described by Defendants be removed and said title vested in the Plaintiff, all as is more fully shown by Plaintiff's Petition on file in this suit.

The Officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Dimmitt, Texas, this 6th day of October, 1955.

Mrs. Neva Hastings  
Clerk of the District Court,  
Castro County, Texas.  
(SEAL)

Mrs. D. G. Axtell is here from Phoenix, Ariz. for a visit with relatives and friends.

Students from Texas Tech, Lubbock, who were in Dimmitt last weekend to visit homefolk were Mary Nelson, Bob Anthony, Joe Nelson and Gayle Sadler.

District, School Building Bonds, Dallas county, \$400,000.

Groveton Independent School District, Schoolhouse Bonds Series 1955, Trinity county, \$90,000.

Lazbuddy Independent School District, Schoolhouse Bonds Series 1955, Parmer and Castro counties, \$180,000.

The bonds have been submitted by the Attorney General to the Comptroller of Public Accounts for registration.

Work on the school plant to be constructed here is slated to start within the next 30 days.

### Grass Waterways Protect Farmland

COLLEGE STATION, Oct. 13—As the experienced farmer knows, it's the occasional heavy, gully-forming deluge, not just ordinary rainfall, that puts a farm drainage system to the test. At such times, grass waterways can offer the supplemental drainage needed to protect both land and crops, suggests Jack Barton, extension soil and water specialist.

Commenting on the value of grass waterways, Barton said, "During heavy rains more water falls on nearly all cropland than can be held by the best crop rotations, contour farming, strip cropping, or even terraces."

"This water will run off through some kind of waterway," Barton said. "Unless you provide a safe waterway, it probably will cut a gully."

Usually it is easiest and cheapest to use a natural depression for a grass waterway to carry the water away safely. On farms where there is no natural depression that can be used, a waterway must be constructed. Help in designing such waterways is available from county agents, soil conservation technicians or soil conservation district offices.

Mr. and Mrs. J. W. Scruggs of Oklahoma City were recent visitors here in the home of his daughter, Mrs. Ray Bearden, and Mr. Bearden.

### Hart FB Members To Meet October 17

Hart Farm Bureau members will gather at the school auditorium Monday night, October 17 for an important meeting pertaining to farm insurance coverage. Meeting time is 8 p.m.

A representative will be present to fully explain and discuss all phases of the Blue Cross and Blue Shield insurance plan.

Mrs. Newton Fletcher of Roaring Springs spent last weekend in Dimmitt with her husband, who has employment at the local cotton warehouse.

## ACTUALS FROM POTENTIALS . . .

For many years, the energy-hungry cities and industries of the nation eyed the "potential" gas supplies of the mid-continent and Gulf Coast regions. But homes were heated, meals were cooked, and work was done with other and less satisfactory fuels.

At the same time, producers in the field looked anxiously toward the "potential" gas consumers in distant cities. Natural gas reserves were too great for field and local uses. Most reserves were idle — surplus — with little value.

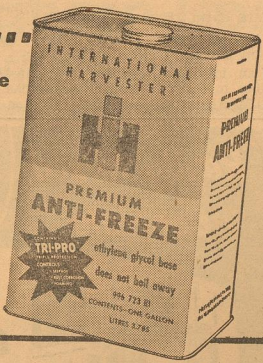

Thus, millions of people wanted gas but could not buy it; thousands of people had gas to sell but could not move it to market.

The development of large-diameter, high-pressure pipelines filled the gap. The construction of these lines has made it possible for consumers to bid for supplies as needed and for producers to sell gas as new reserves are discovered. Pipelines have brought better living to consumers and greater opportunities to producers.

Pipelines have turned "potentials" into "actuals."

## Now is the time to apply PHILLIPS 66 AGRICULTURAL AMMONIA

Here are the facts on fall applied agricultural ammonia fertilizer.

- 1 You get your nitrogen into the ground early — no gamble on spring weather that can keep you out of your fields when your crops are all set to get up and grow.
- 2 Cool, moist soils retain nitrogen. It stays there in the ammonia form where your crops can reach it next spring.
- 3 Crop residues are decomposed — fertility and soil tilth improved with fall applied Phillips 66 Agricultural Ammonia and fields are easier to work next spring.
- 4 Pastures, hay meadows and small grains produce more forage, longer and better grazing when fed in the fall with Phillips 66 Agricultural Ammonia.

See us for full information on your next trip to town!

## Local Baptist WMU Ends Year With Colorful Program

The finale of the year's work in Women's Missionary Union at the First Baptist Church was highlighted by a very informative and impressive review of the book, "Candle by Night," by Mrs. Roberta Turner Patterson. The book gives the history of the seventy-five years of Women's Missionary Union in the state of Texas.

In full dress period by period the review was done in pantomime narration as follows: "Home made Molds, 1800-1880," by Mrs. O. T. Vardell; "On a Candlestick, 1880-1895," by Mrs. R. B. Strother; "Candle to Oil Lamps, 1895-1906" by Mrs. Glen Youts; "All the Children of Light, 1906-1913," by Mrs. Charlie Hays; "Companies and Light, Innocent Sword, 1914-1931," by Mrs. Jim Hays; "The Great Whiteway, 1931-1941," by Mrs. A. J. Kemp; "The Light of the Sun, 1946-1955," by Mrs. Buster Tidwell; and "Tomorrow Night, 1955," by Mrs. Edwin Ramey.

Mrs. W. E. Kirkpatrick, the leader, gave the connecting links between the chapters. Assisting Mrs. Kirkpatrick were Mrs. Lee Norman and Mrs. C. G. Maples who had charge of the scenery and stage settings. Mrs. George E. Ray gave the devotional thoughts and Mrs. R. E. Hendrix had charge of the music.

**IT'S THE LAW**

A public service feature of the State Bar of Texas

### How To Minimize Risks

Whenever you are asked to sign something, your signature should be a warning signal that in some way you may become legally obligated by what you sign.

Usually you are asked to sign something as a result of a business transaction, such as a contract, a receipt, an order, a release, an option, a mortgage or a deed. For your own protection, you should clearly understand WHAT you sign, WHY you are signing it, and what the consequences may be. It is rarely possible for a person who has signed a document to avoid its legal effects.

You can decrease your legal risks by always taking these precautions before you sign anything: Know what you are signing and what the document contains. Understand clearly what it means. Don't be confused by its title—a "statement" may be a release of all your claims, or a "contract" may be a negotiable promissory note. "Co-signing" a note may result in your having to pay it.

Read EVERYTHING in any document. Clauses in fine print may be important. Remember, too, that oral promises not included in writing may be enforceable. Take nothing for granted.

Check and verify the document. Be sure the dates, prices, names and conditions filled in are correct. You are bound by what it says, not by what you thought it said.

Ask questions. Inquire about conditions and items of importance to you. Don't sign unless you understand what it means. Language clearly stating what you want can be inserted. If large sums are involved, consult with your attorney.

Retain a copy. Be sure the prop-

er persons sign. Request and retain a copy. Record it, if necessary, with the proper public official.

Like your fingerprint, your signature is unique. No one else has one exactly like it. Only you can sign it, and affixing it may set in motion events of great legal consequence. Treat it with the importance it deserves, and do not bestow it carelessly. If in doubt, seek information and advice.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

## Hart HDC Elects New Officers

A full slate of officers were elected at a recent meeting of the Hart Home Demonstration Club. They are:

President—Mrs. Fred Hamm; vice-president—Mrs. Paul Brooks; secretary and treasurer—Mrs. Buster Aven; council delegate—Mrs. Glynn Maples; reporter—Mrs. Jimmy Davis; and recreation leader—Mrs. S. L. Garrison.

Mrs. T. U. Smith and Mrs. W. A. Hawkins gave parts on the program, "Mental Health"

The hostess, Mrs. Hamm, served coffee and watermelon to ten members.

## Tech Homecoming Set For Nov. 5-6

LUBBOCK, Oct. 13—Texas Tech will celebrate its 28th annual Homecoming Friday and Saturday, November 5-6, L. C. Walker, executive secretary of the Tech Ex-Students Association, has announced.

The University of Arizona Wildcats will be served up as gridiron fare for the more than 5,000 Tech alumni expected to participate in 1955 Homecoming activities.

Highlighting this year's program will be the first campus-wide selection of a Tech Homecoming queen. Last year's queen, the first in Tech history, was named by the Double T Club, an athletic organization.

Other student activities will include decoration of the campus, pep rally and bonfire, downtown parade and Homecoming dance. The students will also be in charge of alumni registration.

Virginia Car, senior coed from Lubbock, has been named student Homecoming chairman. She will be assisted by the following project chaimen: Tommie Wynn, Lubbock, Homecoming queen; Benny Bedford, Midland, parade; Bill Ray, Baird, campus lighting; Frank Calhoun, Norm Lavaca, campus signs; and Norman Chapman, Austin, alumni registration.

## Hart Zealot Club Names Officers

Officers of the Hart Zealot Club were elected at a meeting of the organization Tuesday afternoon. Hostess for the occasion was Mrs.

Myrtle Wood of Bushland. New officers are: president—Jay Smith; vice-president—Marlene Bennett; secretary—Mrs. Johnny Hawkins; treasurer—Ruth Crick; reporter—Ruby Davis; and educational director—Wilma Lemons. Nine members and one guest were present.

## Care Of Teeth Stressed By State Health Department

AUSTIN, Oct. 13.—The fact that dental decay is likely to occur in the mouth of the average person, despite proper home care given the teeth, does not lessen the importance of brushing the teeth and massaging the gums daily, nor does it minimize the need for a cleaning and inspection of the teeth twice a year by the family dentist, Dr. Henry A. Holle, Commissioner of Health, says that the lack of these measures gives added power to germs that attack the enamel of the teeth and gum tissues.

"If, despite the proper application of such procedures, decay is suspected or teeth are injured in any way, the thoughtful person will seek the dentist's office promptly for the necessary corrective work," Dr. Holle said.

"It is surprising, though, even in these days of comparatively painless dentistry, that so many persons neglect to make good their dental defects, inevitable or otherwise, because they foolishly fear the discomfort they might experience in the dentist's chair," said the Commissioner of Health. "There are others who having lost a tooth or several teeth make no effort to obtain replacements. Apparently they believe they can get along without them. Reduced masticating power, the annoyance and sometimes actual discomfort of chewing hard substances on the exposed gums, and crooked teeth are some of the possible consequences of gaps in the teeth."

## New Cattle Breed Is Being Bred At Tech

LUBBOCK, Oct. 13.—A new breed of cattle, the Beefmaster, is being added to Texas Tech's registered herd, the animal husbandry department announced.

The Beefmasters are located at Pantech Farms, east of Amarillo. Other units of the Tech herd, located here, total 119 head, including registered Herefords, Aberdeen Angus and Brahmans.

An agreement between the college and Dan Gibson, Synder rancher, makes the Beefmaster additions possible.

Gibson allowed Agriculture Dean W. R. Stengel and Dr. H. H. Black, Tech animal husbandry department head, to select a Beefmaster herd of 20 bred females and a bull, to be kept at Pantech Farm until November, 1956.

At that date, Tech will return the herd to Gibson and keep the offspring for continued selective breeding and development.

Beefmasters are an American breed still in the process of es-

Dr. Holle advised those who are interested in experiencing the best dental and bodily health possible, to give daily attention to their mouth and visit the dentist twice each year, and promptly seek the dentist's services should decay or other suspicious conditions arise between the periodic visits.

"In short," Dr. Holle declared, "successful mouth hygiene means not only intelligent personal daily application of prophylaxis but complete and timely cooperation with the family dentist as well."

establishment. E. C. Lasater of Falfurrias is credited with beginning the breed by crossing Brahman, Hereford and Shorthorn breeds.

So far the Pantech Beefmaster herd has produced 17 offspring, Dr. Black said. The college plans to keep 15 to 20 females for a foundation herd.

The Gibson gift is the latest in a long line of donations by cattlemen interested in Tech. Those gifts have enabled Tech to develop a top-flight herd of registered cattle during the past 29 years.

## State 4-H Dress Review Scheduled For October 15

COLLEGE STATION, Oct. 13.—Climaxing county and district 4-H Dress Reviews, in which more than 5,000 club girls participated, the State 4-H Dress Review on October 15 will feature 46 outstanding girls, representing the 12 Extension districts in Texas.

Royce Lynn Pyeatt of Hart will represent Castro county at the state review.

October 15 is Rural Youth Day at the State Fair and thousands of 4-H'ers, leaders, parents and visitors are expected. The review will be staged in the State Fair Auditorium at 10:00 a.m., according to Extension clothing specialists, Nena Roberson, Graham Hard and Madeline Russell. Mrs. Jessie Southworth, fashion coordinator for Sanger Bros., will instruct the models and serve as commentator for the review.

A highlight of the 4-H clothing program, the State Review is actually an achievement event. Training in grooming, poise, health, clothing care, repair, and construction are a regular part of 4-H Club work. Girls aged 14 to 21, who have been 4-H members for at least three years, are eligible to participate in district and state reviews. Younger members participate in county reviews.

Models are scored on the construction of the garment, suitability of fabric and design, becomingness, fit choice of accessories, grooming, posture, poise, and on the record of other achievements in 4-H work. Judges for the review are Miss Janelle Allison, Oklahoma assistant extension clothing specialist, and Mrs. Lera D. Hancock, head of the Home Economics Department of Arlington State College.

Winner of the State Review will be awarded an all-expense trip to National 4-H Congress in Chicago to participate in the National Review.

Sewing machines, steam and electric irons and a fifty-dollar certificate are among other awards offered by donors of this 4-H achievement clothing program.

### LEGAL NOTICE

#### NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the City Clerk, Dimmitt, Texas, until 7:30 P.M., October 17th, 1955, for constructing Waterworks Improvements consisting of a 200,000 Gallon Elevated Storage Tank, Water Well and approximately 21,000 linear feet of 6", 8" and 10" Water distribution lines and appurtenances, and for constructing approximately 16,500 linear feet of 6", 8" and 10" VC Pipe Sewer System extensions and appurtenances.

A Cashier's or Certified Check payable without recourse to the order of E. B. Wright, Mayor, or an acceptable Bidder's Bond in an amount of not less than five percent (5%) of the largest possible total bid must accompany each bid, as guaranty that, if awarded the contract, the Bidder will promptly execute bond and enter into contract on the forms provided as outlined in the specifications and contract documents.

Checks must be issued by a Texas Bank satisfactory to the City, and Bidder's Bond must be issued by a reliable Surety Company doing business within the State of Texas.

The City reserves the right to

reject any bid and/or all bids, and to waive all formalities; except that no bid received after the closing hour above mentioned will be considered.

The attention of bidders is called to the special provisions concerning minimum wage rates and hours of employment included in the specifications to insure compliance with House Bill No. 115 of the Forty-fourth Legislature of the State of Texas.

Plans, specifications and contract documents are on file and may be inspected at the office of the City Secretary at DIMMITT, Texas; and are available upon deposit of Twenty-five Dollars (\$25.00) at the office of Hatfield Engineering Co., Consulting En-

gineers, Amarillo, Texas. Deposit will be refunded to each actual bidder submitting a bona-fide bid, immediately upon return of the plans and specifications in good condition. Refund will not be made on plans and specifications which are not returned within five (5) days after date for receiving bids.

E. B. WRIGHT, MAYOR  
CITY OF DIMMITT, TEXAS
