Spurns All Day Sucker Menu

SHATABULA, O.—Pete, six-month-old Boston terrier, has lost appetite for all-day suckers. A few weeks ago, Pete's master, Mr. Wilkes, noticed Pete was sick and irritable. As the days passed, the family noticed a knot on Pete's side. It grew and until, when about the size of a grape, it burst. Dr. Wilkes prepared to take Pete to Dr. George E. Springer, veterinarian. She had noticed a bulge in Pete's side near the knot had been. Dr. Springer looked at it. "Something is all right," he said. The "something" was a four-inch stick upon which an all-day sucker had been fastened.

Key Opens Her First Model Prison

BRIANOFFLE—A barracks has been transformed here into the first modern prison. It contains workshops, baths, separate cells. Central heat and electric light are being installed. All prisoners will be compelled to work and make use of their hands. Turkish prisons have been run on somewhat primitive lines. Petty thieves were mixed with murderers in large rooms, so they were able to gamble, steal and take drugs.

Boy Thought West Texas Tough

PASO, Tex.—Robert Rick, Chicago, Ill., bought a pistol and a Bowie knife for his visit to West Texas, he told police officers who arrested him for carrying the pistol. Someone on the train told me El Paso was tough—I didn't want to let anyone bluff me," he said. He was wearing the pistol in a holster. His father returned him to Chicago.

COACH ECK CURTIS SIGNS CONTRACT TO COACH AT ELECTRA HIGH IN 1934

Coach Eck Curtis, for the past few years coach of the Ranger High school Bulldogs, announced today that he had signed a contract to coach the Electra High school team for the football season of 1934. The announcement came after several weeks of negotiations between the school and Curtis and after counter proposals had been tentatively made by the athletic committee of the Ranger High school.

In announcing his acceptance of the Electra contract, Curtis said that it was with regret that he was leaving Ranger, but that the better offer made by Electra was instrumental in causing him to leave the coaching position he held in Ranger for some time. He also expressed his thanks to the various business men who have given some of the football players work and thereby made it possible for them to remain in school and for all who have aided him in building up and maintaining the team on a high standard. "My best wishes are with the Bulldogs," Curtis said, "for a winning team in 1934."

While in Ranger Curtis has made an enviable record in one of the toughest districts in the state, with 27 conference victories, four ties and only seven defeats. The teams he has coached have not lost a game since Thanksgiving day, 1931, when the Breckenridge Buckaroos administered the last defeat the Bulldogs have sustained in conference play.

In six years as head coach of the Bulldogs, two years of which he was the only coach of the team, the conference record with the teams now in the conference is as follows:

Against	Won	Tied	Lost
Ahlsene	2	2	2
Cisco	3	1	1
Eastland	6	0	0
Brownwood	4	1	1
Breckenridge	3	3	0

The school board had not made any announcement this morning as to what action they would take toward securing a coach for the 1934 playing season.

Ben Hamner, Dr. C. H. Carter, Sam Gamble, Fred Maxey, and J. O. Earnest, all of Eastland, formed a party just returned from Don Martin Lake in Old Mexico, where they were fishing. The five caught an average of 17 fish each. They fished only for bass.

Ben Hamner caught the "big fish," which the boys described as being a seven and one-fourth pounder, the second largest ever to be taken from the lake.

CWA WORKERS TRANSFERRED TO NEW AGENCIES

WASHINGTON, April 2.—The government today ended its direct relief activities through the CWA and transferred 2,000,000 needy persons to care of states, cities and counties. The CWA, through which 4,000,000 were fed, clothed and housed in five months at a cost of \$1,000,000,000, was officially terminated and succeeded by President Roosevelt's long-term relief policy.

Approximately \$600,000,000 remained in the treasury, credited to emergency relief administration. In communities of over 5,000, work division began a systematic apportionment of unemployed to six types of work. It was expected that 30 per cent would work on improvements to public property; 15 per cent on housing; 15 per cent on production and distribution of goods needed by the unemployed; 7 per cent on public welfare, health and recreation service, and 10 per cent on emergency activities in public education.

EASTLAND CHAMPS OF MEET; CISCO WINS TRACK EVENTS

By S. McDANIEL DOSS
Cisco by a small margin over Eastland won the county inter-scholastic league class A track and field meet held in Eastland Saturday. Though Cisco was winner of the athletic events, little was the comparison in points amassed by Eastland, all round champions in the A division. Cisco was second in the all round championship followed by Rising Star, who this year have made an admirable stand both from interest manifested by the school and the showing their contestants have made.

As recorded by the recording secretary of the meet, the following is the record of points of the various school which took either first, second, third or fourth position in the track and field events.

120-yard high hurdle, Class A—Marsh Coleman, Eastland, first, time 17.8 seconds; Bates, Cisco, second; Ivie of Cisco, third, and Hall of Cisco, fourth. Class B—Gullett of Olden, first, time 20.7 seconds; Bailey of Scranton, second; Shirley of Carbon, third, and Belew of Scranton, fourth.

100-yard dash, Class A—Boaz, Gorman, first, time 10.1 seconds; Garrison of Eastland, second; Beasley of Cisco, third, and Morris of Gorman, fourth. Class B—Livingston of Scranton, first, time 10.5; Underwood of Alameda, second; Ramsey of Flatwood, third, and Belew of Scranton, fourth.

80-yard run, Class A—M. Morris of Gorman, first, time 1:12.8; C. Chastain of Rising Star, second; Wiessen of Ranger, third, and Johnson of Cisco, fourth. Class A—D. Keith of Desdemona, first, time 2:14; A. C. Gibson of Olden, second; M. Bailey of Scranton, third, and J. Hart of Alameda, fourth.

220-yard low hurdles, Class A—Coleman of Eastland, first, time 26.5; Groce of Cisco, second; For Moran, Edgar, Bumpers and Pinchfish were the stars of the game. Moran was rather weak on pitchers using three in a vain effort to stem the bombardment of extra base blows put on by the Eastland club. The Moran club's performance was by no means the type of ball they will play all summer as they have a great team and by the opening of the season should have a much more formidable nine than was on the field Sunday.

Mail Robbery Trial Is Nearing Close

FORT WORTH, April 2.—The \$71,000 mail robbery trial was to reach a federal court jury here late today with completion of the defense and government arguments. The defense indicated it hoped for at least nothing more severe for O. D. Stevens, alleged leader, than conviction on the conspiracy to stage the robbery. Stevens testified he had been in an original plot but had withdrawn a month before the robbery, Feb. 21, 1933. Hope for an instructed verdict of not guilty for Claude Hill and M. E. Howard, also was held out by defense attorneys.

WASHINGTON, April 2.—Tremendous costs and achievements of recovery so far are shown today in a new deal balance sheet drawn by the United Press. Favorable developments brighten many fronts as the nation enters a spring of predicted further business improvement. Highlights of the recovery are: 1. Expenditures are averaging \$500,000,000 a month. 2. About 6,000,000 persons have been re-employed, either privately or directly by the government. 3. The fiscal year deficit may be less than President Roosevelt said he expected. 4. Federal revenue is reaching budget expectations. 5. Re-opened banks appeared to be safe and sound. 6. The 10 per cent wage increase plan is spreading through industry. 7. The agricultural crop and mortgage loans and AAA benefits totaled \$1,172,000,000.

Eastland Team Defeated Moran 11 to 4, Sunday

By CHARLES LAFON
The Eastland baseball team entry in the local "New Deal" baseball league, won their first practice game from the highly touted Moran Jackrabbits, also a member of the new league, 14 to 4, here Sunday. Outside of the first half of the first and second innings the Eastland nine was master of the situation under the able management of L. E. Spalding. Other than a few misuses in the infield and outer garden the nine showed hustle and future ability as a team in general. By the time the season opens, April 15, one should see a more polished and smoother working machine, one at any rate that local fans should be proud of.

Oil Forms Being Rushed to Completion

AUSTIN, April 2.—Forms and orders requiring sworn per well production and refinery reports were rushed to completion here today as the state railroad commission prepared to arm itself with the criminal provisions of new oil statutes. Commissioners hoped to have the orders ready by tomorrow morning. The law makes violation of commission orders a felony, punishable by penitentiary imprisonment.

HAMILTON, Bermuda.—A unique plea for not getting a dog license recently was entered here. "Your Honor," the man stated, "my dog is so old and decrepit that I momentarily was looking for his death, so I did not take out a license." The plea failed. The dog owner was fined ten shillings.

LUKE TRAMMEL IS RECAPTURED NEAR COLEMAN

COLEMAN, Texas, April 2.—Luke Trammel, 24, under penitentiary sentences totaling 160 years, and regarded as one of Texas' worst criminals, was behind jail here today. Trammel, who escaped from the King county jail last Tuesday night, after slugging the jailer with an iron bar, was captured by Sheriff Frank Mills and other officers 25 miles southwest of here yesterday. When cornered the bandit offered no resistance. He begged officers not to shoot him. Trammel was convicted in the murder of John Lamkin, Nolan county deputy sheriff, and was sentenced to 50 years in prison. He also had been sentenced for robbery here, at Abilene, Sweetwater and elsewhere in Texas.

FINGERPRINTS INDICATE HE SHOT OFFICERS

Is Sighted Near Decatur But Evades Police Trap Set For Him.

WICHITA FALLS, April 2.—A man believed to be Clyde Barrow was sighted at Alford, near Decatur, on the Fort Worth to Wichita Falls highway today. Accompanying him was a red-haired woman, whom officers believed was Bonnie Parker. The man and woman were riding in a Fordor black Ford V-8 sedan toward Wichita Falls. Officers set a trap for them at Sunset, but the couple evidently turned off on a side road. It was thought they might have headed toward Montague. All highways in this area were being guarded.

Ranger First One Act Play Contest

Ranger took first position in the re-enactment of the one-act play contest which were presented in Eastland last Friday. Eastland was second and Cisco third. The plays were represented because of a protest by Cisco based upon, they stated, the irregularity of scheduled dates for the plays and when the official arrived were unaware of it and unprepared.

In the former and initial contest Rising Star took one of the three positions but in the latter contests were non-victorious. It is said that Rising Star were in non-abeyance with the rules of the inter-scholastic league in the presentation of their play when a gun was fired during the procedure of the play.

COST OF GOVERNMENT IN TEXAS

This is general elections year. There is a state primary coming in July. A governor and all state officers will be nominated. A legislature will be nominated—150 representatives and 16 senators.

Table with 2 columns: Category and Amount. State: \$96,894,751; County: 16,135,716; Cities and towns: 37,744,905; Other taxing subdivisions: 5,637,162; Other taxing subdivisions: 5,637,162.

Readers of the magazine are reminded this was the amount collected while the amount delinquent and including 1932 was \$120,000,000.

A vast number of taxpayers pay. They do not permit their names to go non the delinquent list. And a large number who are able to pay dodge the issue.

The records indicate that within the last five years the penalty placed on those who pay their taxes has increased approximately \$10 out of every \$100 paid in taxes to approximately \$33.50 to every \$100 now paid in taxes.

This tidbit of censure is passed on to lawmakers by the Journal. The sad part of the whole matter is it does not seem to concern, except in a general way, a majority of the members of the legislature.

This is campaign year. There is a campaign of education—appealing to taxpayers to remove their names from the delinquent list and assist in the support of government and its cost.

Really, it is time the people of Texas should do a lot of thinking while the primary campaign is on and vote intelligently in their choice of public servants on the day that the primary ballot is the thing.

Garden and Yard Hints From Club Women of County

PROCESSED CHEESE—USE SKIMMED MILK
Take three gallons of separated milk when it is curdled. Heat to temperature of 100 degrees F. during most of the time. This makes the ordinary cottage cheese hold at this temperature for 30 minutes and continue stirring. Cheese drier than customary for cottage cheese. Take half cup of water, salt to taste (about half teaspoonful), 1 tablespoonful of oil and mix thoroughly into the cottage cheese. Let stand 2 hours. Add 1 cup sweet cream and put into a double boiler and heat while cooking until a smooth consistency has been formed. Remove from the fire and add half cup of sour cream to which has been added cheese coloring as desired (about 1/4 to 1/2 teaspoonful). Beat until smooth and turn to buttered dish to mold.

Beaumont to Have Practically New Baseball Club

By United Press
 BEAUMONT, Texas.—Beaumont will send a practically new baseball team out in quest of the Texas league pennant this year.

Only 12 of last year's Exporters have donned the scarlet shirts this season. Eleven of the 1933 players were sold down the river, one was drafted and two quit the game to enter business.

Manager Ernest (Dutch) Lorbeer returned to the Exporters this year, succeeding Bob Coleman as pilot. Lorbeer caught for the Exporters in 1931. Last year he was with the Shreveport (La.) club of the Dixie league.

Like their manager, most of the aggregation seeking berths on the Beaumont team this year are new. There are 52 working for places now, 15 having been brought into camp April 1.

There are six candidates for catcher, 21 for pitcher, 12 for infielders and eight for outfielders. However, not all of those and the 15 more to come are pending on the Exporter team for their livelihood. Beaumont will supply men for Shreveport in the Dixie league, Alexandria in the Evangeline league and Okmulgee (Okla.) in the Western association.

Rookie practice which started Feb. 26 and last for two weeks brought 75 aspiring players. Catchers and pitchers have been working since March 12. Infielders and outfielders reported for their first workouts March 19.

Manager Lorbeer is beginning to shape his team for the league schedule opener with the Houston Buffaloes here April 17.

The host of prospective pitchers offers variety—14 right handers and seven southpaws. Only four have had previous experience with the Exporters.

Ray Fritz, fielding hurler who throws left handed, is one of Lorbeer's brightest hopes. Eddie Albers' one-hit performance late last season against Tulsa branded him as a boy with a good right arm and a future. Jake Wade, erratic left hander, is back in the camp this year. Wade with Joe Hare was sent to Shreveport to learn

Three Wrestling Matches Are On Elks Fight Card

Three wrestling matches and a six-round fight will make up the card to be presented at the Elks arena tonight.

On one half of the double main event, Verne "Kid" Lewis will get a crack at Hildome Jack Hendricks.

In the other half Bobby Davidson, clever strong boy, will face the Milwaukee sensation, Jack O'Brien.

Doug Henderson, featherweight champion, will show his wares against Red Rodgers of Chicago.

A six-round boxing match between Bill Donawho and Roy Thomas will complete the card.

Ladies will be admitted free to the ringside with a paid admission.

control last year. Both are back for new trials.

The other 17 pitchers are newcomers. They are Frank Cook, Grand Rapids, left hand; Richard Freitas, Santa Clara, Calif., left hand; Donald French, Mt. Pleasant, Mich., right hand; George Gill, Monroe, La., right hand, coaching at Mississippi State Teachers college and will not report until May; Stanley Green, Detroit, right hand; Steve Klim, Carnegie, Pa., right hand; Pat McLaughlin, Taylor, Texas, right hand; Walter Lacey, Detroit, right hand; Clarence Phillips, Baldwin, Miss., right hand; Paul Sullivan, Nashville, Tenn., left hand; Herman E. Ware, Trussville, Ala., left hand; Carl Williams, McCurtain, Okla., right hand; Charles Petro, Hanover, Mass., right hand; Irvin Stein, Philadelphia, right hand; Grady Johnson, Cisco, Texas, right hand, and Clyde Smoll, Quakertown, Pa., left hand.

The Exporters' two veteran catchers were sold to Hollywood. They were Joe Sullivan and Dick Schultz. With them went George Sorce, catcher. Detroit took Pitcher Elden Aufer and Catcher John Pasek. Sandy Herring, right handed pitcher, was drafted by Brooklyn at the close of last season. Claude Penseau, regular right hander last year, was sold to Toronto.

Forbeer always has himself to fall back on as backstop. Three promising young men are Michael Tresh, Conrad Fisher and Rudolph York. All of them saw some service with the Exporters in 1933.

William Thompson, brought from New Orleans, and Louis Caseani, imported from Hanover, Mass., are other aspirants for the masked job.

The infield will be almost entirely new. First Baseman Ignatius (Iggy) Walters and Third Baseman Chester Morgan are the only ones returning to the red uniforms.

A second baseman will be selected from Ben Catchings, formerly with Bartlesville and Hutchinson in the Western association; Reece B. Harris, semi-pro; Travis McNair, semi-pro; Al Vincent, with Baton Rouge in the Dixie league last year, or Ben McCarty, semi-pro.

Men seeking Morgan's job are Don Ross, from the Shreveport club, and Louis Batterson, semi-pro.

Shortstop aspirants are Roy Plegier from the Huntington club of the Middle-Atlantic circuit; Don Miller, semi-pro, and J. L. (Red) Brown, semi-pro.

Sales cleaned out the 1933 infield. Detroit took Second Baseman Herman (Flea) Clifton and Shortstop Francis (Salty) Parker. Tulsa bought Shortstop Lamar Newsome. Only three outfielders will previous experience with the

Only two other schools, Texas A. & M. and Baylor, have teams in this year's race. At the outset, Texas and Texas Christian appear to be the two outstanding teams. Each school plays a total of 12 games.
