### RICH FEES FOR RECEIVERS AND THEIR ATTORNEYS

Rep. Hatton Sumners of Texas is the chairman of the house judiciary committee. That committee is delving into federal receiverships in the city of Chicago. Thus far the Rock Creek and Potomac parkway investigation has disclosed evidence that \$4,500,000 in commission. The latter perhaps fees was shared among lawyers, receivers and masters in does not take much time, but he chancery in two cases in the court of Federal Judge James of railroads, which does take time. H. Wilkerson. The fat sum of \$2.476,088 was divided in one railroad receivership case. Testimony was drawn from witnesses in the Chicago city street railway case that \$4,-000,000 was raised by assessment of the Milwaukee Railway's 25,000 stockholders to be divided by interested attorneys without first consulting Judge Wilkerson. One law firm was awarded \$250,000 and another \$175,000.

Of course, "the laborer is worthy of his hire." Now what is Chairman Sumners and his house judiciary committee going to do about it?

### ANCIENT LIQUOR CALLS FOR NEW STAMPS

Those who own ancient liquor meaning the stuff that was placed in cellars and warehouses before the coming borhood with his wife and three of the 18th amendment are reminded by a Chicago collect children, while in Washington, stocks: tor of internal revenue that "simple antiquity is no excuse quite a contrast with his 1400-acre Am Can for existence in the eyes of the revenue law." Chicago stores argued the liquor was preprohibition and had been cased before the new revenue laws were enacted. Speaking for Uncle Sam the Chicago collector of revenue ruled that it should have been recased and the proper stamps afixed. All of which is a hint or a warning to Texans who are the possessors of ancient liquors that the stamp act is here and the law is equipped with a double row of shark's nicipal airport, he put them in a teeth.

# EVERY "BUDGETEER" SHOULD VISIT OUR AND SEE THE FRIGIDAIRE '34 THAT USES LESS CURRENT THAN ONE ORDINARY LAMP BULB \$104.50

If you get a thrill out of making a nickel do a dime's work ... if you're proud of the convenience of your kitchen and the comfort of your family ... then by no means miss our Spring Showing of the Frigidaire'34.

You'll see a Frigidaire that actually operates on less current than one ordinary lamp bulb. A Frigidaire that quickly pays for itself by the savings it makes possible. A Frigidaire that wins your heart with new-day conveniences.

Here are a few features of this Frigidaire '34: automatic defrosting-you don't have to remember to turn it on again after defrosting. Automatic ice tray release-the ice trays glide from the freezer at a finger-touch. Unusually large food space-room for everything; with extra provision for tall bottles. Lifetime Porcelain interior. Gleaming Dulux exterior finish. A quiet, efficient motor that you can scarcely hear running. Why!...this Frigidaire even has a special compartment for frozen foods that must be kept frozen!

DELIVERED and INSTALLED

Truly, it's small wonder that the Frigidaire '34 is the talk of the town. Small wonder that thousands of proud women already are boasting, "Ours is a Frigidaire '34."

Come in, won't you please ... and see just what has happened in electric refrigeration . . . learn why the Frigidaire '34 makes all inconvenient refrigerators entirely out-of-date. You'll be glad you did!
