Mrs. H. M. Mobley, Don and LaNelle and Mrs. Mobley's mother, Mrs. Leila Taylor spent last week-end visiting the Lee Johnsons at Seminole. Then Friday they took Mrs. Taylor to Floydada, where she planned to visit another daughter, Mrs. Claud Price, for a few days before returning to her home at Throckmorton.

Mr. and Mrs. J. B. Thompson and Gail took J. B.'s folks Mr. and Mrs. W. H. Thompson, La Von and Tawana to Oklahoma City, last week-end. The Thompsons, Sr., planned to remain for several days but their children were to return the first of the week.

Mr. and Mrs. Geo. Parker of Tahoka visited their daughter, Mrs. Clint Parris, from Wednesday

News of Our Neighbors

EARTH—(from the Earth Sun) Earth City Commissioners met at the city hall recently where they voted to make application for more lights along Main Street and convert the four lights on wooden poles to steel poles. The lights are to be changed to mercury vapor. More residential lights will be acquired through the commissioner's action, too.

Bob Ussery and A. D. Taylor have donated land to the City of Earth for a park site. The land, located in northeast Earth, has been cleared by the Jaycees and is to be landscaped by the Good Earth Garden Club.

OLTON—(from the Olton Enterprise) Two men held in jail at Floydada are being questioned in connection with the recent burglary of Cashway Food Store here. There are no new developments in the investigation of three burglaries which netted crooks about \$535 in cash a week ago Monday (Feb. 26), according to Lamb County Deputy V. L. Smith. Burglarized at that time were Olton Auto Supply, Olton Farm Supply, and Bodkin and Nixon Implement Company.

LOCKNEY—(from the Lockney Beacon) The State ASC committee has approved an increase in the cotton acreage allotment for Floyd county of 36,508.9 acres. The new allotment will give the county a total of 121,355.9 acres as compared to a planted acreage in 1953 of 193,000 acres and a harvested acreage of some 135,000 acres. Hale county gained more than any other county on the high plains with 48,521.4 additional acres for a total of 193,284.4. Floyd was second and Bailey third.

CHILLICOTHE—(from the Chillicothe Valley News) The city council voted in favor of the delinquent tax clean-up at a recent

day until Friday, and the Parkers visited the Parkers on Saturday.

Mr. and Mrs. S. B. McLallen and Nora Jo went to Dallas Sunday, where Nora Jo was to receive medical attention this week. McLallen returned home, Monday. The other McLallen daughter, Sammie Lu, spent Sunday night with Veradelle and Frances Andrews.

meeting. Mayor George Gatewood was authorized to sign the contract with Austin Tax Attorney C. L. Chance. A group of Negro representatives met with councilmen to plead that something be done about lack of buyable building space in the colored section of town. The council decided to try clearing up titles to some property in the Negro area through delinquent tax procedure. They will also attempt to get some of the property, now not on sale, open for purchase.

FARWELL—(from the State Line Tribune) The projected expansion of the Farwell branch of Worley Mills, recently Farwell Elevator, will get underway this week, with excavation work beginning on the 600,000-bushel storage tanks and the new office and warehouse. Storage facilities will be erected at an early date in order to be ready for both the summer harvest of wheat and the sorghum crops of this fall.

COLORADO CITY—(from the Colorado City Record) Mitchell county farmers are expected to gain slightly more than 11,000 additional acres for cotton planting

Henderson Ranks High In Studies

Bill Henderson, accompanied by Don Bonnell of Albuquerque, N. Mex., spent the week-end with his folks.

It is reported that Bill, a 1953 Dimmitt High School graduate, now attending Draught's T. V. and Radio School at Wichita Falls, is ranking 5th in his T. V. studies. He will graduate from this school Mar. 26. Soon after graduation Bill will enter Federal Communications Commission school for a few weeks for further preparation. On the completion of this course he will receive his F. C. C. license.

Bill with 3 of the students outranking him, has an apartment, 1107 Austin, Wichita Falls.

this year under the new cotton marketing quota law. The 11,000 plus increase will bring the county quota to more than 82,000 acres. Previously the county had been allotted 71,895 acres with a factor of 38.59.

RE-STATEMENT: As the tempo of congressional activity increases, I would like to state again my idea of the proper role of the Democratic minority in this Congress.

It is the right and responsibility of the majority to present a legislative program. It is the right and responsibility of the minority to point out the weak and the strong points of this program. Both opposition and support must be based on principle—not on partisanship.

FARM PROGRAM: This means that in considering farm legislation, for example, now the subject of the committee hearings in both Senate and House, we must work for a program which will protect our farm economy without being unfair to other groups in our national life.

I oppose the sliding scale price support system—not for the sake

of opposition, but because I know farmers already are in trouble and I don't want to see them pushed farther down the economic ladder. We can't get away from the record of history, which shows that the lower farm prices go—the higher farm surpluses rise.

TAXES: This concept of the minority's rightful role means that in considering tax reduction, to take another example, our purpose—during this period of "economic readjustment"—should be to seek the fairest means by which to increase consumer purchasing power.

That is why I favor increasing the personal income tax exemption. A \$200 per year increase would mean an annual saving of about \$160 for a married man with two children. Every family would have proportionately that much more money to spend for goods.

TREATY POWERS: Debate and voting on the Bricker Amendment was almost wholly along non-partisan lines. The amendment reported by the Senate Judiciary Committee never came to

NOTICE OF CITY OFFICERS' ELECTION

THE STATE OF TEXAS
CITY OF DIMMITT
TO THE RESIDENT QUALIFIED VOTERS OF THE CITY OF DIMMITT, TEXAS:

TAKE NOTICE that an election will be held on the 6th day of April, 1954, in the City of Dimmitt, Texas, at the place, in the manner, and for the officials set forth in the attached copy of an order for City Officers' Election, duly adopted by the Mayor of said City on the 3rd day of March, 1954. Said attached order for City Officers' Election being made a part of this notice for all intents and purposes.

(Seal)

E. B. Noble,
City Secretary/Clerk
ORDER FOR CITY OFFICERS' ELECTION
THE STATE OF TEXAS
CITY OF DIMMITT
I, E. B. Wright, in my capacity as Mayor of the City of Dimmitt,

do hereby order that an election be held in said City on the 6th day of April, 1954, for the purpose of electing the following officials for said city: a mayor and two commissioners.

That in accordance with an order adopted by the City Council/Commission of said City, said election shall be held at the City Office Building, in said City, with Joe Hastings as Presiding Judge, and Mrs. Olin Rice and Mrs. Elvis

the floor for a vote. After voting for several provisions designed to close the constitutional loophole with respect to treaty-making powers, I urged Senator George to introduce a substitute amendment that would attain the basic objectives of Bricker Amendment supporters.

He did so. His amendment was supported by Senator Bricker and others among the sponsors of the original amendment. We lost by just one vote.

Nevertheless, a valuable purpose was served. Americans have been alerted to the need for action to protect the constitutional rights of the States and of the people generally. The issue will be with us again, and I predict that some such measure as proposed will finally be enacted.

FOR TEXAS
I believe that Texans generally feel as I do, that all of us are Americans before we are members of any political party. As your Senator, I want to act in the best interest of Texas and of America. I have no higher ambition.

NEWS BRIEFS: Congressman Wright Patman of Texarkana was widely honored in Washington on his 25th anniversary as a member of the House. The celebration included publication of Bantam Books, New York, of his book, "Our American Government".

Texas State Society honored me with a second term as president. Several East Texans appeared before Senate Appropriations Committee on behalf of Farwell's Dam and Reservoir near Jefferson. I accompanied them and made a statement urging appropriation to keep this vital project moving along.

Joe T. Steadham and W. H. Winchester of Austin and John C. Carr of Cleburne were welcome visitors. They were here in the interest of the Railroad Brotherhoods. I was glad to see Senator Rogers Kelley of Edinburg. I went with Dallas citizens to the Veterans Administration to protest against proposed transfer of Dallas District VA office to Denver. Let me hear from you.

That said election shall be held in accordance with the Election Code of this state and only resident qualified voters of said city shall be eligible to vote at said election.

That the City Secretary/Clerk shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior

to date fixed for said election. That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the City Council/Commission of this city as required by the Election Code of this state.

A copy of this order shall also serve as a writ of election which shall be delivered to the above appointed Presiding Judge Hastings, for said election.

E. B. Wright
Mayor

Dr. Henry Holle of Brenham Succeeds Dr. Cox As State Health Officer

York City.
The 49-year-old Dr. Holle (pronounced Holly) was born in Brenham. He received his early education in Brenham public schools and graduated from Blinn Memorial College at Brenham. He took pre-medical work at Texas A. and M. college and later entered the University of Texas medical school where he received his medical degree in 1927.
After internship at Herman Hospital in Houston, he engaged in the private practice of medicine and surgery in Brenham for six and a half years. He was one of the founders of Sarah B. Milroy hospital at Brenham.

Dr. Henry A. Holle, internationally-known public health administrator of New York City with a strong Texas background, this week was named state health officer of Texas. He will succeed Dr. Geo. W. Cox whose resignation was effective March 1.

Dr. J. B. Copeland of San Antonio, chairman of the State Board of Health, announced the selection and described Dr. Holle as "one of the foremost public health administrators in North America."

"Dr. Holle has distinguished himself in a number of assignments in North America and Central Europe," Dr. Copeland said. "He gained the pinnacle of the public health administrative phase of the medical profession in government duty posts in the United States, in the Panama Canal zone during the early years of World War II, and later as Chief Medical Officer to a mission sent to war-torn Poland."

Dr. Holle will assume his duties as new state health officer when he is replaced in his present assignment as Regional Medical Director of U. S. Public Health Service region I and II ten-state area with headquarters in New

York City.

INSURANCE QUESTIONS ANSWERED
One of the most familiar types of contracts is the insurance policy, as nearly everyone carries some sort of insurance protection. Yet, few people take the trouble to read their policies and lawyers have to answer many questions regarding insurance generally.
Here is a problem frequently presented: "I have a hospitalization insurance policy. Will the company pay all my hospital bills if I become ill?"
It may or it may not. Insurance is a contract between the insurance company and the policy holder agrees to pay a certain sum of money for the policy of insurance, and the insurance company agrees that should the pol-

icy holder incur hospital expenses that the insurance company will make payment to the policy holder of stated sums, as set out in the policy of insurance.

The insurance policy itself must state the complete contract between the parties. The oral statements of agents not in harmony with the policy are not binding on the company. The company is bound to pay only such sums as are specifically set forth in the policy of insurance.

Practically all policies have a section called exceptions and exclusions. The policy holder should particularly read this section before purchasing a policy of any kind of insurance. It would be possible for a policy of insurance to have so many exceptions and exclusions as to practically nullify any benefits under the policy.

Another question often asked is: "Can I sue the insurance company which issued a liability policy covering the car of someone who runs into and damages my car?"

For all practical purposes you may not sue the insurance company which carries insurance on the other fellow's car to protect him from suits in case of his negligence. You must look to the owner or driver of the other vehicle for your damages. Upon his becoming liable to pay those damages to you, then in turn looks to the insurance company to make settlement for him, or to reimburse him for the settlement which he has made.

If the case goes to trial before the jury, even though you may know that the other party carries insurance, if there arises any discussion of the fact that

insurance is carried by the other party, then the courts have held that it is the duty of the trial judge to declare a mistrial.

This means that you will have to start all over again and try your case from the beginning before the jury, at a later date. Your case is not dismissed, and you do not lose your rights to be heard on your case because of the word "insurance" coming into the case, but it does mean that the trial then in progress must be dismissed and you must start all over again before a new and different jury.

The theory of the appellate courts is that the mere introduction of any evidence or any testimony to the effect that there is an insurance company involved in any way in the case, is highly prejudicial to the Defendant and his cause of action.

The appellate courts further say that it is reversible error, that is, such error as will set aside the findings of the jury, if the jury in retiring to consider their verdict discuss whether or not either of the parties might or might not have insurance to back them up or protect them.

(This column, based on Texas law, is written to inform—not to advise. No person should ever rely on or interpret any law without

the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Half-ton beauty with a two-ton punch

GMC HYDRA-MATIC TRUCKS

THIS new '54 GMC light-duty wasn't born just to win beauty contests. Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike. There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, supple-leather upholstery. Smart instrument panel, with dials clustered for instant reading. But mister—take another look! A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash. That's more power than some makers pack into their two-ton models. That's more usable power than in any other 6-cylinder engine in its class! And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight. Finally, it offers Truck Hydra-Matic Drive* that saves you, saves your cash, saves your time. (Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!) Come in and drive this great GMC. It will do all its own selling! *Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

The Confraternity of the Holy Rosary was established in Holy Family Parish Mar. 7 by Very Rev. Father Peter Morsch, who had previously received permission to begin the group from the Master General of the Dominicon Order. The approval of Bishop Fitzsiman, of Amarillo, had also been given.

Included in the ceremony of erection were the reception of a large group of parishoners, the blessing of rosaries, and the establishing of a privileged altar. Members of the group do not attend meetings, but share in the graces received by the group. Each member is expected to recite an entire rosary of fifteen decades each week.

The biennial state convention of the Catholic Daughters of America is to be held at the Kemp Hotel in Wichita Falls April 20-23, according to announcement made at the Mar. 3 meeting of Court Archbishop Gerken. Mrs. Leonard Schulte, Mrs. Tom Anren and Corine Huseman, as the membership committee, are attempting to interest possible members in being received into the organization at the Wichita Falls convention.

Members of the local court chose names for "prayer pals" for the Lenten season. In charge of entertainment for the meeting were Mrs. George Book, Jr. Mrs. Lucy Leinen, and Regina Brockman. Mrs. Book read an article pertaining to the penitential season of Lent, entitled "New Look in Hair Shirts."

Mrs. Tom Anren, lecturer, announced plans for an amateur night talent show, to be sponsored by the court.

Mrs. Ed Brockman, Mrs. Henry Wilhelm, and Mrs. Leo Witkowski attended a meeting of the board of directors of the Lubbock district of the Diocesan Council of Catholic Women in Plainview.

putting on weight is no problem with MM DISC HARROWS...

...DEEP PAN weight boxes hold needed weight easily

Tired of tying on weights to hold your harrow down? New 11B and 14B disc harrows offer you the easy way to add extra weight when you need it. Just fill the pans with soil, sand, gravel, etc.—use any weight that fits the job. You have a wide choice of weights, and it's a lot easier to spread the weight evenly over all the discs.

MM Disc Harrows penetrate deeper because discs are spaced a full 7-inches apart. You get a wider cut and a better seed bed. You cover more ground in less trips through the field. And wide-spaced harrows pull easier, prevent clogging.

Here's more advantage for you Tension springs between gangs assure even penetration in uneven soil, permit short turns without gouging or digging in on turns. Uni-Matic Power gives you easy angling of discs right from the tractor seat. Self-lubricating bearings never need oiling or greasing. New 11B disc harrows can be used as either a single or double-cut harrow by removal or addition of rear gangs. Over-head bars are lower for added strength.

There's an MM Harrow for every job and soil condition. There are tandem, single, and wide-cut disc harrows... spring-tooth and pegtooth harrows with new sectional steel drawbars. Stop in soon. Let's talk over your harrow needs.

COLISEUM-AUDITORIUM FOR LUBBOCK—This impressive structure is Architects Haynes and Kirby's conception of how the new coliseum-auditorium on the Texas Tech campus will look in a year. The \$1,750,000 building will be able to seat 10,000 in the coliseum and another 3,000 in the auditorium. Tech and Lubbock will use the building jointly, but it is owned and operated by the city.

WALTER ROGERS' WASHINGTON NEWSLETTER

Congress Under Fire (Literally) convened at high noon March 1. The House of Representatives and a prayer was offered by the

Reverend Braskamp, Chaplain. Routine business was disposed of and debate commenced on whether or not the House would consider a bill amending the so-called Mexican Labor Bill. The

plan had been to consider and dispose of this particular piece of legislation on Monday. Business proceeded as usual, with members working between the floor and their offices and committee rooms, meeting their numerous commitments and following the debate as it moved to conclusion. The debate was concluded, the Speaker counted the quorum and put the question to the House on the Resolution. A division was demanded and the ayes were called upon to stand. I was voting aye and remained standing until the entire count had been concluded. Just as the Speaker finished the count, and before I sat down, the usual hush came over the House, waiting for him to call upon the noes. At this precise time the House Chamber was filled with sharp staccato reports resembling a whole package of firecrackers being set off at once. Everyone, from the Speaker to the page boys, was taken by complete surprise. I began to search for the source of the noise from where I stood, and located it immediately in the southwest corner of the House gallery. A foreign looking woman was firing a gun above her head and was flanked by two foreign looking men who were firing straight to the House floor. There appeared to be another man leaving the House gallery through the door at that particular moment. Just as I saw what was going on, the woman unfurled a flag. She was screaming something in a foreign accent, shooting and unfurling the flag at the same time. I immediately recognized the flag as a Puerto Rican. I knew that this was no publicity scheme, and immediately fell to the floor behind a row of seats. Many of the members thought that they were shooting blanks. I discounted this theory immediately when I saw one of them go through the ceiling. The crackling of the guns stopped, and I stood up again. The woman ran out the gallery door and left the two men standing there. One of them had a long-barreled revolver that resembled a Luger, and the other had a shorter pistol that looked to be fully automatic. They were both trying to reload their guns when a spectator in an adjacent section of the gallery, who turned out to be Frank Wise, displayed the greatest courage of the entire incident. He ran across the section in which the men were located and grabbed the smaller man, pinning his arms to his side. However, the Puerto Rican had both hands on the gun and was still trying to reload it. It was right in the stomach of the spectator. Had the gunman been able to get a shell in the chamber, the spectator would, no doubt have been killed. The gunman whirled around by this brave man and shoved out the gallery door. While this was going on, the other gunman was trying to reload his gun and had it pointed right at the base of the spine of Frank Wise. Obviously, he was unable to get a shell in the chamber, and Frank Wise is still alive today. In short, this courageous spectator missed death twice by a split second, within a split second. He is certainly entitled to the highest acclaim and commendation of all of the people of this country for his brilliant display of unselfish courage, in the face of what could have been immediate death.

I did not realize that anyone had been hit until the assassins were out of the House gallery. I then glanced two seats in front of me and saw my good friend Congressman Cliff Davis, of Tennessee, with a bullet hole in his leg. Everyone was trying to help the wounded and find out how many had been struck. Cliff was very calm and remained seated until medical aid came. This was certainly in his best interest. Congressman Bentley, of Michigan, who was the hardest hit of the group, was lying in the well of the House, just west

of the Speaker's stand. One look at the man left no doubt that he had been hit and hit bad. Congressman Ken Roberts, of Alabama, was lying on the other side of the Chamber and near the east door. He had been struck by a bullet above the knee and was bleeding profusely. Quick-thinking Percy Priest, of Tennessee, made a tourniquet out of his tie, using a fountain pen for pressure, and stopped the flow of blood. Ken was hit pretty bad and had all of us worried for awhile, but he seems to be getting along a little better as this letter is being written. Congressman Ber Jensen, of Iowa, was struck just as he was trying to leave the Chamber after the firing started. He was very fortunate that his wound was not a great deal more serious, as he was hit in the back. Congressman Fallon, of Baltimore, Maryland, was struck in the hip. They had removed him to the cloakroom by the time I was able to locate him. He seems to be getting along fine, although suffering a most painful wound. We are praying that such splendid men have quick recoveries and are back with us doing the grand job for their constituents for which they are noted.

Several of the Texas delegation were seated in the approximate center of the House of Representatives. Brady Gentry, of Tyler, was just in front of me and directly behind Cliff Davis, who was hit. Frank Ikard, of Wichita Falls, and Lloyd Benson, of the Rio Grande Valley, were seated on the same row with me. Directly behind us was Frank Wilson of Dallas, Wingate Lucas of Fort Worth, and several others. John Lyle was standing just behind the rail with John Riley, of South Carolina. They ducked down just in time to dodge a bullet that splattered into the panneling at the back of the Chamber. The same thing happened to Albert Thomas, of Houtson, and Wright Patman, of Texarkana. They were standing near the rear of the Chamber and were missed by a fraction of an inch. They were in direct line with a bullet that imbedded itself in the panneling just behind the pages' bench. Two page boys were on the bench and had just bent over. Had they been sitting up, the bullet would probably be in the head of one of them. Time and space will not permit me to tell many more interesting

things that happened, but I did want you to have a first-hand report on this event. The office of the Honorable Antonio Fernos-Isern, Resident Commissioner of the Commonwealth of Puerto Rico, is numbered 1710. Mine is 1712. He is

two doors from me. There has been a constant guard in front of his office since the shooting in the House Chamber. The Commissioner is a splendid fellow, as is Governor Munoz-Marin. Why anyone would want to kill them is more than I can understand.

Area Coaches Are Invited to Tech Coaching Clinic

All high school coaches in this area are invited to attend the fourth annual Texas Tech Coaching Clinic, Mar. 12 and 13 according to Coach DeWitt Weaver.

No formal invitation is necessary, but Coach Weaver said he would like to have a card or letter from coaches planning to be present. The clinic, scheduled for Tech Gym and Jones Stadium, starts at 10:45 a. m., Friday, Mar. 12. It will conclude with a Red Raider scrimmage Saturday afternoon, Mar. 13.

Game movies and a barbecue are scheduled for Friday evening. Movies of Texas Christian, Odessa and Texas Tech contests will be shown.

L. R. (Dutch) Meyer, TCU athletic director, and Cooper Robbins, Odessa High School coach, will be guest lecturers. Also on the program will be President E. N. Jones, Coach Weaver, and Coaches Beattie Feathers, Dee Ardros, Buzz Warren, Wyatt Posey, and Bud Sherrod.

The formal spring training wind-up game, open to the public, will be played here Friday night, Mar. 19.

Castro County Attorney Russel Moran attended a two-day school on farm and ranch income taxation at the University of Texas at Austin, recently. The meeting, attended by representatives from all over the state, was sponsored by the University.

Mr. and Mrs. Norman Cleavinger, accompanied by M. E. Cleavinger of Canyon, left Thursday of last week for a visit with relatives in Los Angeles, Calif. They will also visit their son, Orville, who is stationed at the Long Beach Naval Training Station. They will be accompanied home by her mother, Mrs. O. C. Ax-tell.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

SPEEDY, LOW COST JUSTICE

Although "justice for all" has always been an ideal of the American way of life, this goal has often been difficult of achievement in cases involving amounts of money too small to warrant the outlay of the usual and customary court costs involved in obtaining a legal judgment. However, in 1953 the Texas Legislature created a system of "Small Claims Courts" which appeared to be making progress in that type of cases.

Lawsuits formerly requiring a minimum expenditure in excess of \$10.00 for court costs may now be tried for a total cost of only \$2.00 and without the formal pleadings required in other courts. This latter results in lower attorney fees when counsel is employed, and cases can be processed without assistance from attorneys if the parties desire.

Applying to all claims for money debts not exceeding \$50.00 and for wages not exceeding \$100.00, the new law provides that the justice of the peace shall sit as judges of the Small Claims Courts in their precincts and counties. Hearings must be informal, "with the sole objective of dispensing speedy justice between the parties."

In these new courts legal actions are commenced by the filing of a simple statement made under oath, describing the claim concisely and without technicality.

Bank claim forms are supplied by the justice of the peace. Following filing of the sworn claim, citations are issued in the same manner as in any other case in Justice Court, and defendants are directed to appear and answer.

If a defendant fails to appear at the proper time and place on the date specified for the hearing on the claim, the judge will enter judgment for the plaintiff for the amount proved to be due him. If the plaintiff does not appear, the judge may enter an order dismissing the case.

During the hearing the judge listens to testimony from the plaintiff, the defendant, and from any witness produced by either side. He is also empowered to question any witness or party and to summon additional witnesses to the extent necessary "to effect a correct judgment and speedily dispose of such case."

Congratulations

Simpson Herd Is Listed by DHIA

The Holstein herd of Jumbo farmer M. L. Simpson, Jr., has been rated at the top of the list for milk and butter fat production in the January report of the Dairy Herd Improvement Association News. Simpson's herd produced an average of 1,270 pounds of milk during January for a percentage of 4.0 and a butter fat total of 51 pounds per animal.

Other Castro farmers whose cows were recognized in the report are Frank Huseman and Leo Witkowski.

The Jumbo farmer also ranked fifth and sixth under the list of "Ten High Cows in Milk." The fifth animal produced 2,080 pounds of milk and 75 pounds of butter

fat in January while the one ranked sixth produced 2,020 pounds of milk and 75 pounds of butter fat. Under the "60 percent and over class" Simpson's holsteins ranked sixth, seventh and eighth.

Mr. and Mrs. J. F. Bright attended church services in Covis, Sunday, and also the wedding of a niece. Upon returning Sunday night the Brights attended worship services at Farwell. The Brights report that they saw a number of old friends in Farwell.

Interest Mounts in Recreation Meeting

A meeting, called to organize a recreation association in Dimmitt, will be held Thursday night, March 18 in the District Courtroom of the courthouse. The meeting is set for 8 p. m.

Interest reportedly was mounting this week in favor of a complete summer recreation program and a good attendance is expected to be on hand for the forthcoming meeting to elect a full slate of officers as well as formulate plans. Youngsters of all ages may participate in the summer program.

Hart HDC Meet Very Successful

Mrs. Sybil Stringer, Castro County Home Demonstration Agent, gave an interesting demonstration on the making of cinnamon buns with sweet dough and butter frosting at a meeting of the Hart Club recently.

Meeting in the community building with Mrs. Inez Cox as hostess club members enjoyed what was termed as "a very successful meeting." Club President Mrs. Ruby Davis, presided.

The next meeting of the club will be in the home of Mrs. Bessie Mae Cox, at which time Mrs. Cora Davis will give a demonstration on shaping rolls.

Ice cream and cake were served to the following members: Mesdames Nola Myrick, Mildred Garrison, Ruby Davis, Edna Hart, Stringer and the hostess, Inez Cox.

Kenneth Acker Feted With Farewell Party

A farewell party for Kenneth Acker, who will enter the service Tuesday, March 16, was held Sunday night in the home of his parents, Mr. and Mrs. Jacob Acker of Nazareth.

Some 16 friends enjoyed chicken dinner and entertainment on the occasion. Acker graduated from Nazareth High School in the spring of 1949 and from Texas Tech College in May of 1953.

Hospital News

Patients in hospital as of March 10, 1954

Andy Nelson, Mrs. J. O. Ayers, Will Wright, Mrs. Wm. Kirkpatrick, Tom Tate, Mrs. Houston Fowlkes, Houston Fowlkes, Bill Whitson, Mrs. Jila Jimenez, Joe Albracht, and L. T. Martin. Patients dismissed since last report:

Geronimo Garza, Genevieve Loudon, Mrs. Artie Cone, Mrs. Sid Taylor, Mrs. Everett Wilkinson and baby girl, Vickie Austin, Larry Mitchell, Madelyn Smith, Rosanetta Hyatt, Mrs. Nick Ehly, Mrs. J. W. Dear, and Fred George.

The hospital wishes to thank Mrs. C. J. Mapes for the nice wash cloths she gave to the hospital. We sure appreciate this gift Mrs. Mapes.

Bethel HDC Names Council Delegate

The Bethel Home Demonstration club met March 3 in the Bethel Community Building. The meeting was called to order by the president. The minutes were read by Mrs. Jack Flynt in the absence of the secretary.

As the council delegate has resigned, Mrs. Flynt, who was the alternate, took her place and Mrs. Brown was elected to the office of alternate council delegate. The meeting was then turned over to Mrs. T. J. Finley, who presented a demonstration on Textile Paintings. She also displayed several beautiful things she had made. A brief discussion was held on textile paintings after the demonstration.

Refreshments of cookies, cold drinks, and coffee were served by the hostesses Mrs. Travis Campbell and Mrs. Ira Brown to 16 members and two guests, Mrs. T. J. Finley and Miss Zella Vee Smith.

Red Cross Drive Shows Progress

A total of \$356.50 had been raised by Red Cross workers in Castro county as the drive for funds entered its second week, according to B. M. Nelson, county campaign chairman.

This amount includes \$180 raised prior to the campaign kickoff breakfast held here on March 1. The balance was turned in by three county committee chairmen. Nelson stated this week that he is pleased with the results thus far and if other drive committees do as well as those reported the campaign is sure to go over the top. The county goal has been set at \$920.

Only three weeks remain in which funds can be accepted. Residents are urged to rally to the drive and make this year's campaign the most successful yet. The 1953 drive fell about \$100 short of its goal.

Kress Cage Players Win Junior Tourney

The Kress boys and girls were declared champions of the District Grade School Tournament held here over the week-end. Both teams downed the Dimmitt junior cage aggregations to win the tournament.

The Kress boys beat Amherst and Dimmitt for the District title while the Kress girls defeated Happy, Amherst and Dimmitt for the girl's division crown.

Marvin Axe and Weldon Warren are receiving their basic Infantry training at Ft. Bliss, El Paso, instead of at Camp Hood as was previously reported in the News.

Temporary Librarian Is Employed Here

Dimmitt resident Mrs. W. J. Morrison was employed this week to serve as temporary county librarian until Mrs. Frank Easter recovers from a recent illness.

Mrs. Easter, who has served as county librarian for many years, has been confined to the Castro County Hospital but is now at home convalescing nicely. She is expected to be back on the job within three weeks.

Mrs. H. W. Bischoff volunteered her time as librarian until a temporary employe could be obtained.

Three Texans To Serve As Soil Contest Judges

Three Texans have been selected to be the judges who will determine the state's six winners in an annual national soil conservation awards program, it was announced here today by Goodyear Tire and Rubber Co., sponsor of the program, currently in its seventh year.

The Texas judges will be: Murray Cox, farm director, radio station WFAA, Dallas; A. B. Jolley, agricultural director, radio station KRLD, KRLD-TV, Dallas; W. A. "Doc" Ruhmann, radio station WBAP, AM-FM-TV, Fort Worth.

The outstanding farmer from each of the three districts selected as best in the competition and one member of each of the states three top governing bodies will be rewarded with a vacation trip to Arizona in December, as guests of the sponsor. The six individuals also will receive, at the regional meeting of the National Association of Soil Conservation Districts this year, bronze plaques as a permanent symbol of their achievements in conservation.

Competition in the current program ends on April 30 and names of winners selected by the judges will be announced from Akron in July. A new annual program is scheduled to begin on May 1. Score sheets for consideration in the current program should be submitted to Chairman Cox, of the state judging committee in Dallas and must be filled not later than May 15.

CLEAN UP OUR HALLS

Do you throw your books in the locker and run? Do you carelessly toss bits of paper or gum wrappers over your shoulder? Do you leave your locker door open with your books, papers, and maybe your coat cascading to the floor?
 All these things add up to a rather messy-looking hall. Even if you haven't done these, surely you have noticed the run-down condition of our halls.
 First impressions are the most lasting, it is said. When a visitor or new student comes to our school, his first view is that of a cluttered hall. Those lockers give an atmosphere of indifference, as though nobody cared about anything, and "what's the use of improving?" If everyone would take a moment to put his books in neatly, it would be easier to close the locker door. This would give a much neater appearance, and think of all the pencils which wouldn't roll on the floor and get lost.
 By every door there is a wastebasket. If we would just put the waste paper there it would stop the "cluttered look." It's an easy habit to acquire and a good one, too.
 So let's try to clean up our halls, and not ever find need to be embarrassed by a messy-looking building.

DIMMITT BOBBIES GO TO STATE

The Bobbies of Dimmitt High School, who are tutored by Coach Leo Fields, gained a berth in the state tournament at Austin when they made a clean sweep of the regional tourney which was held at the West Texas State Field House in Canyon Saturday.
 The Bobbies cinched a name in the bucket for state honors when they downed the New Deal Lionesses, defending state champions, by a score of 50-42. Earlier in the tournament the Bobbies showed a strong defense and some of the best team work of the year as they blasted Burk Burnett 61-40, to reach the finals Saturday night.
 In the finals with New Deal the spot light shone on Darlene Cates as she poured in 19 points for the Bobbies. Darlene, whose set-shot hitting kept her team out in front, shared scoring honors with Margaret Odom who had 19 points for the night. Mary Nelson was close with 12. The Bobbies left Wednesday, and are seeing action against Cooper Friday at 8:45 A. M., in the state TIL Girls Basketball playoffs.

Grade School News

8th GRADE
 The Dimmitt 8th Grade boys basketball team placed second in the grade tournament when they were defeated by Kress, 27-18 in the Finals Saturday night. At the end of the first quarter Dimmitt was behind only two points with the score 6-8. The second quarter ended with Dimmitt behind 10-19. The third ended with Dimmitt trailing 18-23. Kress received the first-place trophy, while Dimmitt received the second one. Amherst received the third-place trophy.
 The Kress girls won the first-place trophy by defeating the Dimmitt girls 18-23. Dimmitt received the second-place trophy. Springlake received the third-place trophy when they were defeated by Kress before going into the finals.
 The Dimmitt boys also received second at the Kress tournament.

5-A

The 5-A room made a study of local accidents in connection with their study of Safety Rules. Nine children interviewed 59 persons which 46 accidents were reported. These were tabulated according to causes and it was found that 26 percent of all accidents reported were caused by motor vehicles; with falls and burns accounting for 21 percent each. Most of these accidents happened in or around the homes and were mostly caused by carelessness.
 We are enjoying Mack and Jack Thompson, twin boys from Whiteface.

Seven pupils were absent on Monday because of illness, which is the greatest number of absences we have had in one day.

Striking Senior

Meet Mr. Quigley, age 75, alias Jerry Vandiver. Jerry played this role in the senior play of 1954, "Finders Creepers." He was also in the junior play last year and in the one act play contest plays in 1953 and 1954. Jerry stands 5'9 1/2" and has brown hair and blue eyes. He is 18 years old.
 Jerry's favorite subjects are dramatics and music. He enjoys eating sea food, and during his pastime he likes to go. He dislikes people who don't speak. His favorite sport is football. The best movie that he has ever seen is the "Glenn Miller Story." His favorite actor is James Stuart.
 Jerry is a member of the choral club, band, and Teen club. He is

Seniors Discussion About Trip

Duck! You might get hit by pro's and con's flying around after last week's Senior class meeting. The discussion is over about where the class will go on their Senior trip. The possibilities are narrowed down to two towns, San Antonio, Texas, and Colorado Springs, Colorado.
 Committees were appointed to list the merits and demerits of each town. The trip is an annual affair, and it is now a state rule that the trip be no longer than four days. The trip will be on May 7-11.
 Pictures for the class panel are being made this week. The boys are wearing white dinner jackets and bow ties. The girls are to wear a black drape and pearls.

Bobcats Goin Track

The dust has been flying for the past week from the heels of nine boys that are out for track this spring. Necessary training and conditioning is under way. At the present time the Dimmitt tracksters have not been matched in any meets.
 The following boys are working out in these events:
 Richard Wood—Junior, Dashes-Sprint relay
 Edgar Dennis—Junior, Dashes-Sprint relay
 Alton Whitworth—Sophomore, Dashes-Sprint relay
 Gale Sadler—Senior, Dashes-Sprint relay
 Ivan Sinclair—Junior, Mid-distance
 Joe Nelson—Junior, Mid-distance
 Troy Stafford—Junior, Distance
 Clark Dobbs—Senior, Weights
 Jimmy Cole—Sophomore, Weights.
 drum major of the Bobcat Band, Senior Class treasurer, Teen Club President, and was selected a band favorite of 1954. Jerry plans to attend college after graduation.

Down To Earth; or Good Connection
 Though Junior lives in outer space, I note his interstellar phone restores him to the human race where I suggest an ice cream cone.

One Act Play Is Cast

The One Act Play for the TIL district contest was cast last Thursday. The students who were lucky enough to get a part are, Raneal Ivy, Carolyn Rothwell, Monette Kenmore, Sandra Hance, Jack Dye, and Jerry Vandiver.
 The play, selected by Director James Bates, is "Gloria Mundi". The contest is scheduled to be held March 26 at Kress.

Shamrock Day Observed Next Week

Saint Patrick's feast day is celebrated throughout the world, wherever there are Irish people. It falls on March 17. We often celebrate this holiday by wearing green and shamrocks.

Saint Patrick is the patron of Ireland and a saint of the Roman Catholic Church. Saint Patrick's life was filled with adventures. When he was at the age of sixteen, he was captured by pirates from Ireland. They later took him back to Ireland and set him to tending the flocks of a chieftain in Ulster. After he had led the life of a slave for six years, he became a very devoted Christian. He finally made his escape to France and became a Monk and later a vision led him to return to Ireland as a missionary bishop where he worked for the rest of his life. His work was not in vain either, for he later became known as one who "found Ireland all heathen and left it all Christian." He must have had a very busy life in founding over 300 churches and baptizing 120,000 people.
 Many relics of this saint were held sacred for a thousand years, but some of them were destroyed during the Reformation. Much study has been given to Saint Patrick; but little that goes beyond the testimony of his own writings can be accepted as certain.

Family Living Is Fun

Twenty-four FHA girls, their advisers, and one chapter mother left at 7:30 Saturday morning to attend the Area I FHA meeting in Canyon.
 As the girls arrived, each one registered. A total of 2012 girls from Area I were registered. There are 1134 chapters in Texas with 5074 members.
 The meeting was well-planned affair with the theme "Family Living Is Fun." The main address of the morning was given by Dr. James P. Cornette, president of West Texas State College.
 Darlene Carpenter was the voting delegate from the local chapter. Wilda Smithson was a candidate for the area office of corresponding secretary. The candidate from Friona, however, was elected to the post.
 The girls report that they had a very enjoyable day. Some of them remained to see the Dimmitt Bobbies win the regional championship Saturday night.
 Members making the trip were: Barbara Stevens, Barbara Rogers, Bobbie Hoyer, Melba Curry, Melba Shelton, Billie Wesson, Miley, Daniel, Wilma Noble, Mary Coke, Sandra Glenn, Wilton Ivey, Myrna Thompson, Shirley Staleup, Lorine Wear, Wilda Smithson, Darlene Carpenter, Regene Reynolds, Carolyn Campbell, Louise Simpson, Eileen Ballard, and Myrtle Trimble. Mrs. R. D. Rogers, chapter mother, and Miss Charlene Potts, local adviser, accompanied the group.
