J.E. Meroney Gives Lions Interesting Program Thursday

Lion J. E. Meroney, who was elected secretary to fill the unexpired term of Lion R. V. Galloway who relinquished that post due to the heavy amount of club business interfering with his own business interests, gave an interesting discussion of the duties and demands of and on the secretary of a Lions club.
Immediately after the meeting adjourned the three committees for the banquet on Tuesday night, Dec. 11, met with the president, Lion Col. Brasher to finish plans for the banquet which honors the international president, Vincent C. (Stub) Hascall.
The ladies of the Methodist church have been given the contract to serve the banquet meal to the approximately 300 visiting lions from more than 40 towns in this district. The program has been worked out and will last from 7:30 until 11 with short speeches by several prominent men from over the district and the main address by the international president. The program will also include three 15-minute periods of entertainment which will be furnished by Breckenridge, Albany and by Ranger. Featured on the Ranger spot will be an acrobatic dance by little Miss Dorothy Henry and a group of selections by the famous Tickville band.

'Sleeping Beauty' Stirs at Last

Two years and nine months after she relapsed into a sleep-like coma which completely baffled doctors, Patricia Maguire, above, Chicago's "Sleeping Beauty," is showing signs of consciousness. She has obeyed simple commands written on a slate by her mother, Mrs. Saide Miley, who now hopes the long battle with the strange malady may be won.

COLD WAVE SWEEPS INTO SOUTHWEST

A cold wave, expected to bring freezing temperatures to the Gulf coast, swept Texas today.
The temperature started dropping this morning and by 7 a. m. a low of 20 degrees was reported at Amarillo. Dallas reported 32, with the mercury still dropping. At Oklahoma City it was 18.
The cold wave will bring freezing weather to the entire state except the lower Rio Grande valley, according to forecasts.
It was raining early today at Austin, Galveston, Houston, San Antonio and Port Arthur. Rising temperatures for most of the state were forecast for tomorrow.
Sub-freezing temperatures extended far southward into Texas. The mercury dipped below zero at several points in the north.
While the snowfall was general over several states, it brought no damaging results as those which accompanied the storm Thanksgiving. Snow and ice, however, made driving hazardous.
Snow was falling in southern Kansas and Missouri this morning. In the Ozarks area it measured about three inches. The entire state of Nebraska was covered with two to eight inches of snow. Sub-zero temperatures were reported.

IS FIRST LEG OF THE STATE CHAMPIONSHIP

Two Teams Are Considered About Evenly Matched For The Contest.
Four games in which the high school football championship elimination series are being played today, while four others will be played Saturday in the first round of the sawoff. The games this weekend will leave eight of the 16 starting teams left, while games to be played next week-end will eliminate all but four.
This afternoon Highland Park is playing at Vernon, Longview is playing at Greenville, Athens at Corsicana and Corpus Christi at Thomas Jefferson, San Antonio, Vernon, Greenville, Corsicana and Corpus Christi are favored as winners.
Saturday the other eight teams remaining in the race will play, with Ranger playing at Amarillo, Big Spring at El Paso, Masonic Home at Dallas Tech and Beaumont at Jeff Davis, Houston.
The interest over most of the state tomorrow will be centered on the Ranger-Amarillo game, the winner of which is expected by most followers of the high school grid schedule to go into the state finals on Dec. 29.
The Bulldogs have been considered the underdogs by most sports writers, though some have failed to take into consideration the fact that the Bulldogs have shown the greatest improvement, possibly, of any team in the state since they were defeated by Central of Fort Worth and Lubbock early in the season. The loss to the Abilene Christian Frosh is more or less discounted, as it is generally known that the game was intended only as a workout to keep the team from going stale during a long rest period and the Bulldogs did not put out.
The two teams Saturday are expected to be about evenly matched, with Amarillo having the edge in the line and Ranger having the edge in the backfield and in an aerial attack.
The teams line up for the kickoff at Amarillo Saturday afternoon at 2:30 and a large number of Ranger fans are expected to be on hand to see the classic struggle.
A special train, carrying some of the fans, will leave Ranger at 1 a. m. Saturday, arriving in Amarillo at 11:25, and leaving on the return trip at 7:25 Saturday night, arriving in Ranger at 4:46 Sunday morning. The roundtrip fare on the train is \$5.
Ranger fans have been urged by the athletic committee to purchase their tickets for the special as early as possible today in order that the railway officials may have some indication of the amount of equipment that will be required to handle the crowd.
The Arcadia theatre is to receive a play-by-play report of the game for those fans who are unable to attend the game. It will be broadcast from the stage of the theatre, beginning at 2 o'clock Saturday afternoon, with the actual playing of the game being broadcast at 2:30.

People of Ranger Are Urged to Do Mailing Early

Acting Postmaster Mrs. Martha Davenport would at this time like to stress the importance of early mailing of all Christmas cards, letters, and packages.
During the holiday time the volume of mail is increased approximately 200 per cent. One can easily visualize the congestion that would exist, if all were received at one time or just two or three days before Christmas.
The postoffice employees will do all in their power to give the best service and will appreciate the cooperation of the public in early mailing.

Baylus Hicks Gets Promotion In Navy

F. D. Hicks has received a letter from his son, Baylus Hicks, who has been in the navy for the past three years, stating that he was promoted to the rating of seaman first class three weeks ago and has now been transferred to the radio gang and is learning to be a radio operator.
Young Hicks is stationed on the U. S. S. Pennsylvania, flagship of the Pacific fleet. He states that the ship is expected to be in San Diego for Christmas and that a trip to Honolulu is planned for early spring.

Evidence Sought In Slaying Case

Officers sought today to gather evidence to substantiate a charge of murder against Dwan Adams, 26, which was filed in Limestone county in connection with the slaying of John Davis last May.
Young Adams was released on \$2,500 bond last night, following his arrest at Teague. District Judge Fountain Kirby set the bond. Adams is charged with the slaying of Davis, a dairyman, whose body was found in a water tank, his neck bound with a belt and a bullet wound in the head. Adams' mother shot herself after she is said to have admitted they killed Davis.

Farmers Want to Continue Cotton Plan Another Year

HOUSTON, Dec. 7.—Farmers want the Bankhead cotton control act continued another year, it was indicated today by a poll taken at a statewide meeting in Houston.
The federal act, however, was not without opposition among big and little planters who discussed the matter in an effort to formulate new legislation to be proposed in 1935.

Caddo Masons to Raise Clothing for Needy With a Feed

Wayland Masonic Lodge No. 542 of Caddo, is planning a big barbecue and entertainment in order that clothing for the needy of that section might be secured. The barbecue is to be held at the lodge in Caddo Saturday night at 7:30. Every Mason from this section of the county is invited to be present, the only charge for the barbecue and entertainment being a garment that might be used to aid the needy of that section.
As there is no other form of relief in Caddo the lodge has been called upon from time to time to administer to the wants of the community and it is taking this means of providing clothing for those in distress.

Relief Expense Camouflaged Auditor Says

AUSTIN, Dec. 7.—Relief administration expenses have been camouflaged by charging a part to "work relief" asserted Texas state auditor, George Simpson, in a report filed here today.
"Economies never can be effected by judging records in this manner," he warned.
Simpson said he had not ascertained if the system used in Texas is that used nationally.
Classification of the expense in the Tarrant county administration was stressed in the report. Claimed abuses of instructions in 31 counties was detailed.

Man Is Identified As Dallas Robber

DALLAS, Dec. 7.—A man brought here today from Fort Worth was identified as the bandit who yesterday took \$480 from two customers in a Dallas drug store.
Most of the money was recovered, police said.
William Moses, one of the victims, looked at the man in city jail and said he was the robber. Police said the man had confessed and would make a written statement later.
Also in jail was another man and a woman, both arrested in Fort Worth. Officers said the second man was in the store at the time of the robbery and helped search the victims who were seated in a rear room.

ASSASSINATION IS BLAMED ON TERROR GANG

GENEVA, Dec. 7.—A sweeping charge that terrorist crimes such as the Marseille assassination are "merely a part of a Hungarian campaign" to wreck post-war treaties and wrest territory from Jugo-Slavia and Czechoslovakia was made today by the veteran Edouard Benes of Czechoslovakia.
Dr. Benes, one of the most distinguished Balkan statesmen, charged a conspiracy had been organized to "hinder the historical development" of an entire section of Europe and the goal of the plotters is separation of Croatia from Jugo-Slavia and of Slovakia from Czechoslovakia. He alleged attempts had been prepared against Slovakia on the northern frontier of Hungary.
The charges came during the discussion by a special council session of Jugo-Slavia's charges that Hungary was responsible for the assassination of King Alexander. Hungary, through Tibor Eckhardt, contended that the assassination was plotted entirely outside of Hungary, and, in fact, announced in advance at a terrorist meeting in the United States.
"The meetings at which the death sentence to King Alexander was announced was held last summer in Youngstown, Ohio. It was attended by 10,000 persons. A similar announcement was made in Buenos Aires and other cities," Eckhardt said.

Arrangements have also been made to secure the same service at Big Spring-El Paso game and the Masonic Dallas Tech game at Dallas that those who call on the reports on the way to the upper bracket is given.
Times has furnished this information on practically all of the important games in the past a service that is offered to all wishing the scores of the three games can get them by calling 224 after school.

JEP LOWE IS INDICTED BY GRAND JURY

Jep Lowe, charged with murder in connection with the fatal shooting of W. S. Garrison, 26, on the square in Eastland Nov. 17, was indicted by the 91st grand jury which recessed Thursday. Lowe, after filing of charges by the state made bond of \$5,000 on Nov. 18.
Garrison was allegedly slain from pistol shot wounds while on the northeast corner of the public square in Eastland, Saturday, Nov. 17. Officers were nearby when the shooting occurred. Lowe was taken by officers to Stephens county jail after the affair. The following morning charges of murder in connection with the shooting were filed by the state. On the same morning bond setting of \$5,000 was fixed by Justice of Peace Milton Newman. It was made promptly by Lowe.
The grand jury has been called to reconvene Monday by Judge George L. Davenport, judge of the 91st district court.

Masons Appoint Representatives

Elmo Hill of Eastland and George W. Stewart of Huckaby, Erath county, received notices through the press of their having been appointed to represent the Masonic Grand Lodge of Texas in their respective districts for the coming Masonic year. Mr. Hill will serve Eastland and Stephens counties comprising 10 subordinate lodges. Mr. Stewart will serve Erath and Hood counties with at least nine or 10 lodges. The grand lodge at Waco, recently adjourned, confirmed these appointments.

Only One of Three Killers at Liberty

AMARILLO, Dec. 7.—Of the three killers who shot their way out of the Huntville death house last July 22, only Raymond Hamilton was at large today. Irvin Thompson, known to the underworld and police as "Blackie" was killed by officers near here last night when he attempted to resist arrest.
Hamilton was sought near Dallas today after he and two companions allegedly robbed three employees of an oil supply company there of \$182. Joe Palmer, the third fugitive, was back in the Huntville death cell awaiting electrocution for murder, having been caught several weeks ago in Kentucky.

A Rising Star man who is charged with assault with intent to murder was given liberty from custody of officers after making \$1,000 bond this week.
Officers say that the man hit a woman over the head with a rifle Sunday night in Rising Star. The man denies the charge, it is said.

PARAGUAYAN TROOPS NEARING BOLIVIA

ASUNCION, Paraguay, Dec. 7. Paraguayan soldiers were only a few miles from recognized Bolivian territory today after a drive against the Bolivian army in the Gran Chaco, according to dispatches from the front.
In their path lay seven small forts. It was believed these would fall and the Paraguayans then would advance on toward the main army base.

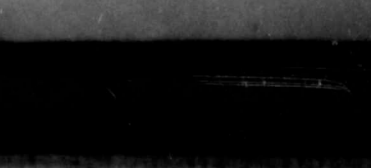

APPPELLATE COURT DECISION FAVORS LOAN ASSOCIATION

The case of Eastland Building & Loan association vs. W. G. Williamson of Eastland was reversed and rendered in the court of civil appeals at Eastland Friday.
In the 8th district court in January Williamson sued for asserted recovery of \$1,000 worth of stock in the company, with judgment in his favor.
The case taken by the loan association to the appellate court Friday resulted in judgment in their favor.

Y. W. A. Christmas Party Announced for Dec. 13
Fourteen members of the Y. W. A. of the Central Baptist church met last evening at 7:30 with the sponsor, Mrs. George Robinson, in charge of the meeting.

The entire personnel of Y. W. A. is especially urged to be present at the Sunday evening service, since the organization is to be in charge of the hour.

The Christmas party was announced for the evening of Dec. 13, at the home of Mrs. Robinson.

The entertainment comes as the last meeting of the year. The evening of Jan. 3 will usher into service the new schedule for 1935. Each member will bring gifts and names are to be drawn after the arrival of all guests.

Cisco Y. W. A. Accept Invitation to Christmas Party

Word was received by the secretary of the Ranger Y. W. A. of the Central Baptist church this morning that the members of Cisco Y. W. A. had accepted the invitation to pay a visit to the local organization on the evening of Thursday, Dec. 13.

Form of entertainment for the evening comes as a Christmas party and gift exchange feature. Special plans will be carried out in compliment to the visitors.

Week of Prayer Unusually Interesting

The week of prayer observed by members of the Womens Missionary society, First Baptist church, has proven unusually interesting, and more so than meetings heretofore, from the standpoint of personal interest manifested.

Each days service has been opened with well selected devotional, and special offerings taken at the close of each for the Baptist missionaries, whose work is outstanding in foreign fields. The prayer sessions are observed each season at this time and are recognized as the Lottie Moon week of prayer, throughout the Baptist institution.

The Monday and Tuesday lessons were presided over by Mrs. A. J. Shackelford, who in her impressive way, made inspirational the hours. Subject carried out was "Work in Europe, Africa, South America and Mexico."

A continuation of the instructive study was turned over to Mrs. A. W. Lewis, president of the society, Wednesday and Thursday whose subject was "China and Japan." Today and tomorrow's lessons have been given complete attention and promise to climax the week in a most successful and satisfactory manner.

The attendance has been decidedly pleasing throughout the week and the results are to be added to other interesting programs of work handled through the society during the year.

Safe Christmas Urged By Fire Commissioner

By RAYMOND S. MAUK
Fire Insurance Commissioner
All indications point to the realization that this Christmas will be one of renewed hope and good cheer and we, as a people, have much for which we should give thanks.

Let us, among other things, give thanks to all of those who have worked so diligently this year in the prevention of fires and give to them encouragement by a willing spirit of co-operation in a continuation of this splendid public service, but lest we forget, the observance of Christmas is fraught with danger to life and property because of many special fire hazards that come into use at that time. A careless act, or the use of an unsafe article, may blight the day, replacing joy with grief.

Some of the facts pertaining to special fire hazards that everyone should acquaint himself with during the holiday season are as follows: "That evergreen trees decorated with highly inflammable materials often ignite.

"That cotton or lighted candles should never be placed on the

For a Safe Holiday Season

The Holiday Season is designed to bring joy and happiness—but it likewise brings with it a vast amount of preventable misery, because of the accident toll.

Here are a few rules, issued by the National Safety Council, to help pass a safe and happy Christmas season:

Be extremely cautious in the matter of ice-skating—be sure to be at least four inches thick before it can be trusted to sustain a large group.

Winter brings special automobile hazards, such as ice and snow, poor visibility and soft highway shoulders.

Don't use candles on your Christmas tree—don't put it near a stove—don't use inflammable trimmings—don't permit it to dry out in the house after Christmas—don't fall to anchor it firmly—don't use light bulbs of greater strength than one firefly candlepower.

These little hints are simple enough—there's nothing but common sense behind them, and they will cost nothing in either time or money, to follow.

Smokeless Cities

Some years ago various cities carried on campaigns to eliminate the smoke nuisance. The use of smoking fuels by the majority of homes had created a difficult problem in closely packed urban districts, and the smoke was proven to be highly inimical to the health of residents and workers, as well as to plant life.

Depression threw a wrench in the movement, inasmuch as householders were unable to go to the expense of installing smokeless fuel equipment, and were forced to get along with their old heating plants.

A chronic kicker is sure to let his foot slip some day.

Checks Mailed to Pay Teachers In Education Project

AUSTIN, Dec. 5.—Checks totaling \$120,914.92 were mailed last week from the Texas relief commission to counties to cover the special emergency teacher project expenses for the month of December. This project is sponsored by the federal emergency relief administration through the Texas relief commission in the state, and supervised by the state department of education at Austin. The December allocation will bring benefit to approximately 2,000 formerly unemployed teachers in Texas. About 500 men will take an active part as soon as classes can be organized. They already have been approved for participation. Approximately 50,000 students also are receiving benefits from the program. To participate in a teaching capacity in the emergency education program in Texas, a person must show that he has no other source of income or support, and must have a regular license to teach in his chosen field from the state department of education or show that he is competent to teach. Many of the teachers are taken from the relief rolls. All the students are taken from the relief rolls, the only other requirement being a minimum age limit of 16 years. Many of the students are more than 50 years old. The program is divided into five plans, the first of which is the literacy plan, devised to teach illiterate adults to read and write. It is considered especially important in that it has reduced illiteracy among adults in the state probably as much as any other efforts to that end. A second plan involves vocational education for unemployed destitute who probably would continue to be unemployable without special vocational training. Such training is given in the fields of trade and industry; home economics; agriculture; commerce, such as stenography, typing, bookkeeping and accounting; and vocational adjustment. It is supplementary to the established program of vocational education in the state. Plan number three gives training for vocational rehabilitation of unemployed adults who are physically handicapped and need additional training in work opportunities. A special plan has been introduced to give advanced general education to unemployed adults who are already equipped with elementary education, in an effort to enhance their chances of obtaining employment. Classes are conducted in economic history, economics, government, legislation, community problems, the history of the labor movement, current industrial situations, international affairs, social psychology, and other allied subjects. The most recently instituted plan, which is still in the experimental stage, is called the nursery school plan, and is for the benefit of children of pre-school age. Its purpose is to develop the physical and mental well-being of such children in needy, underprivileged families, to assist parents in meeting the nutritional, physical, and social needs of their children, and to set up an environment and daily program appropriate for pre-school children as a demonstration for schools, homes, and welfare agencies. All space and equipment for the teacher project is provided by the city or county education systems. Classes must have a minimum of eight pupils. The program started in September as a continuation of the summer emergency education program, and is scheduled to continue through January.

WINNIPEG VIEWS MONSTER
WINNIPEG, Man.—A 65,000-year-old prehistoric monster, a relic of the days when semi-tropical waters covered most of Manitoba with their ooze, has been placed on exhibition at the museum here. The skeleton of the reptile was found on the banks of the Assiniboine river near Treherne in 1932. It is 30 feet long and resembles a huge lizard. It took museum workers 18 months to assemble the bones.

FARM FERTILIZER AIDS FISH
MADISON, Wis.—Use of ordinary farm fertilizer has increased fish food 22 per cent in one of Wisconsin's northern lakes, recent tests have revealed. Seven hundred pounds of super-phosphate sprinkled over the surface of the water resulted in a decided increase in the growth of algae, a marine fungus from which fish derive a great portion of their diet.

2,000 DEER SLAIN
SAULT STE. MARIE, Mich.—Nearly 2,000 deer was killed in the upper Michigan peninsula in the first week of the open season, conservation officials revealed. An actual count of deer placed on ferries to cross the Straits of Mackinac placed the figure at 1,600 after six days of hunting. Many others were slain that were removed by other routes.

REHEARSAL BROKE UP
WINDSOR, Conn.—A skunk ambled into the Windsor Dramatic Club during a rehearsal and players lost little time in beating a retreat. Until the air cleared the rehearsal was held in nearby rooms.

Arcadia to Broadcast Ranger-Amarillo Football Game

No Advance in Admission; Starts at 2:30

Saturday afternoon at 2 p. m. the Ranger-Amarillo bi-district football game will be broadcast at the Arcadia theatre. The game will be brought to this theatre through a special leased wire from the Western Union, direct from the playing field in Amarillo. It will then be broadcast through the theatre's sound equipment by none other than Boris Belovsky, Ranger's local nut. The theatre will be warm and comfortable and if you are unable to go to the game you are promised an enjoyable evening at the Arcadia. The game starts at 2:30 p. m., but the broadcast will start about 2 o'clock, giving weather conditions and the condition of the field, etc.

GOOD PICTURES ARE SECURED FOR THE WEEK

Ranger theatregoers have the opportunity to see two really outstanding pictures at the Arcadia this week when Joe Penner appears in "College Rhythm" and Dick Powell and Ruby Keeler are featured in "Flirtation Walk."

co-starred in "Flirtation Walk." Starting the week Friday, Claire Trevor has the leading role in "Elinor Norton," adapted from the novel by Mary Roberts Rinehart. Supporting Miss Trevor in this drama is Norman Foster, her leading man, Gilbert Roland, Henrietta Crossman and Hugh Williams. Saturday afternoon arrangements have been made to receive the Ranger-Amarillo football game play-by-play at the theatre. This report comes direct from the playing field in Amarillo by a special wire leased from the Western Union. The broadcast will start at approximately 2 p. m.

After the game Joe Penner, screen of the air, will be seen in his first picture, "College Rhythm." Penner is supported in this picture by Mrs. Oakie's little boy, Jack, Lanny Ross, whom you all remember in "Melody in Spring," Helen Mack and Mary Brian. This picture is an All-American musical with speedy comedy and snappy songs, including the most beautiful girls in the world. This picture will be held over Sunday.

The really outstanding picture of the week opens Monday for a two-day run. This picture is "Flirtation Walk," with Dick Powell and Ruby Keeler, the singing sweethearts of "42nd Street." "Footlight Parade," and other great musical pictures. The cast includes the chin busting Irishman of "Here Comes the Navy," Pat O'Brien, and the West Point Cadets. Hear Powell sing "Flirtation Walk," "Mr. and Mrs. Smith," and "No Wife, No Horse, No Mustache." This picture was recently played at the Worth theatre in Fort Worth and the management stated that more favorable comments and more money was grossed from same than when Cab Callaway appeared in person.

John Boles will again appear on the local screen in his latest picture, "White Parade." Loretta Young co-stars with John Boles in this truly great picture. This picture is the blue ribbon winner of last month.

CREAM OF THE CROP

Here are just six of the ladies of the ensemble from LeRoy Prinz's chorus of more than a hundred in Paramount's "College Rhythm," coming Saturday to the Arcadia theatre. Since, as Prinz says, Hollywood has the most beautiful showgirls in the world and he selects only the most beautiful of those for his film chorus, "College Rhythm's" chorus girls really do represent the cream of the crop. Norman Taurog directed the film which features Joe Penner, Lanny Ross, Jack Oakie, Helen Mack and Mary Brian.

COON DOGS VALUABLE

ST. JOSEPH, Ark.—Ozark hill folk treasure their coon dogs more than they do their cows. Two untrained hounds of the lop-eared variety brought \$20 each at an auction here, while several choice heifers went for only \$12 each.

Letters For Santa Claus

Dear Santa Claus: I am a little girl, 9 years old. I go to school at Alameda. I have been pretty good. For Christmas I want a big baby doll and a raincoat, and a doll buggy, and a little piano, and a red tam, and a pair of red beads, and some red warbobs, and a red pen, and red silk dress, and a pair of gloves and lots of candy and nuts and fruit. Santa Claus, don't forget my brothers and sisters, and all the other little children and especially my little friends at school.—Your little friend, Geardlean Fox.

Dear Santa Claus: I am a little girl 7 years old. I go to school at Alameda. I have been pretty good this year. Santa, please bring me a rubber doll, 11 inches tall, and a set of dishes; a doll buggy and nuts, fruit and candy. Remember my little brother, Talmeg Lester. He wants a little truck and a ball, some nuts, fruit and candy. Don't forget the other children.—Your little pals, Mary Gene and Talmeg Lester Ferrell, Rt. 1, Box 57, Ranger, Texas.

Dear Old Santa: I am a little girl 8 years old. I go to school at Alameda. My teacher's name is Mrs. Higginbottom, and I surely

like her. Santa I am going to tell you what I want you to bring me for Christmas: A pair of boots and a purse. I have a little brother, Chester Clinton, 5 years old. He wants a truck and a fiddle. Bette Joyce, my little sister, 3 years old, wants a rubber doll and a set of dishes, and we would like for you to bring us all some candy, nuts and fruit. I hope you find all the little children this year for we are all glad when Christmas comes. Please remember our Daddy and Mother.—Miss Dorothy Ethel Strickler, Rt. 1, Ranger.

Dear Santa: Please bring me a big doll. Bring a chair to rock my doll to sleep. Bring my little brother a wagon scooter for boy Lloyd and bring me a coat too, and please do not forget the nuts and candy. Santa, Santa I hope that we are not asking for so much so you can get to the other children. Your little friend, Zena Corrine McKeehan, 425 Alice street, Ranger.

Dear Santa: Please bring me a doll buggy, dishes, furniture, candy, and fruits. Remember my little sister, Billie Sue, and please, Santa, remember other poor little boys and girls. Your little friend, Margaret Joyce Smith.

Dear Santa Claus: Please bring me a sleepy doll with brown eyes and a doll bed, and a little racking chair and trunk, fruits, candy and nuts and remember my mother and daddy. Your little friend, Madeline Gertrude Smith.

Dear Santa: Please bring me a pair of skates and will you bring me a wagon and I want a Mickey Mouse, sweater, and my little sister wants a doll with real hair and a buggy too. Your little friend, Morris B. George, Ranger.

FARM NEWS

Placing second and third with two car loads of feeder calves at the American Royal Live Stock Show has confirmed Clyde McElroy of Randall county in the practice of creep feeding. About \$2 worth of cottonseed cake was creeped to each of the calves, and they brought \$9 a head more than they otherwise would have brought on the market, not to mention the premium money.

Seeds, plowing, young plants, cans and jars used in producing the products on the pantry shelf of Miss Kate Owen of Hill county cost her \$11.78. The products are valued conservatively at \$74.12. She has a surplus of canned fruits and a shortage of succulent vegetables, so she is trading fruit with friends to balance her food budget.

CANTON—By removing 30 calls from a flock of 104 hens, Mrs. J. J. Bateman of Van Zandt county made enough money to remodel her poultry house by eliminating sloping roosts and low doors, according to Mrs. Mary Eth-

el Brandon, home demonstration agent. In addition, her records showed an increase in egg production and the culling gave her working hens more room on the roost and more milk per hen.

Mrs. Bateman's record from January to September shows a profit of \$77. Her feed and new stock cost \$81.45, while the sale of fryers and eggs brought in \$158.45. She adds that she also has three hogs which have been fed some of the feed charged to the poultry.

A calf being fed by Damon Davis of the Text 4-H club for boys in Megard county has set a record for that county by gaining 206 pounds in 60 days, an average daily gain of 3.4 pounds.

CORPUS CHRISTI — Cuttings brought from the yard of her old home, cuttings promised by neighbors, and native materials will be used by Mrs. R. A. Ingle of Nueces county in landscaping the yard of the new home to which she has moved, according to Miss Dosea Hale, home demonstration agent. "Even though a woman rents her home there is no reason why she can't have a well planted yard," Mrs. Ingle says. "We became so accustomed to having a nice looking yard that when I moved it seemed just as important to plan our yard as it did to arrange our furniture in the house."

SWEETWATER—Various kinds of sacks have been utilized by Mrs. A. B. Lewis of Nolan county in improving her bedroom, according to Miss Fontilla Johnson, home demonstration agent. Paper sacks were used to reinforce the corners of the room to keep the paper from spilling. Feed sacks and sugar sacks were used for canvas, while feed sacks were also dyed and used for curtains. Gunny sacks dyed with walnut hulls were made into a braided rug, and feed and sugar sacks were used in making dresser scarfs. At a total cost of \$13 the room was papered, all the woodwork was painted, and some of the furniture was refinished.

DALLAS—A profit of \$363.68 for his year's poultry demonstration has been made by Ollie Davis, Dallas county 4-H club boy, ac-

cording to an adult poultry demonstration record kept under the direction of Dale Merwin, assistant farm demonstration agent. His gross income for the year from his flock of White Leghorns was \$543.30 but his feed cost was \$159.62. This is the second year that young Davis has kept an adult record for his flock.

LOCKHART—Land on the farm of O. T. Moore of Caldwell county that had been in cultivation for more than 50 years but had been terraced recently produced more bales of cotton than land that had been in production only 10 years but had not been terraced, according to A. O. Hebel, farm demonstration agent. Purchased cotton seed of the same strain was planted on both pieces of land. As a result of this demonstration, Moore had his entire farm of 40 acres terraced with the construction of road building equipment. The terraces were constructed with a base of 27 feet.
