Kermit man to lead lay mission for Hart Methodists Feb. 26-28

The First United Methodist Church of Hart will hold a lay witness mission Feb. 26, 27 and 28.

COMING IN to coordinate the mission for the Hart church will be Lloyd Hill of Kermit.

Born in Randolph County, Ala., Hill was raised on a small farm and attended a little Methodist church nearby. After graduating from high school he joined the US Navy and spent four years in the Pacific during the Korean War.

He and his wife, Patsy Ruth, joined the First Methodist Church in Kermit in 1957. His attendance was irregular due to his working hours, but in 1965 he changed jobs, joining the Tanswestern Pipe Line Co., and has since attended and worked in the church as a lay leader on a regular basis.

HILL HAS been president of his Sunday school class, is a member of the church's administrative board and council on ministry, has served as a work area chairman, is a member of the Methodist Men, and belongs to a prayer breakfast group that meets every Friday.

Through the Methodist Mission Home in San Antonio, Hill and his wife adopted a baby girl, Kim, last February. She will be a year old Saturday. The Hills also have a son, Larry, 12.

All services during the lay witness mission are open to the public.

Easter Seal drive to open

The 1971 Easter Seal Appeal will open in Castro County on Monday, March 1, according to Mrs. Walter Maynard, who serves as Easter Seal Representative for the county.

MRS. Maynard said that Easter Seal Appeal letters would begin arriving at homes in the county about March 1.

As Easter Seal representative, Mrs. Maynard is the local person to contact to request rehabilitation services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing programs and special information services to help solve the many problems faced by the families of handicapped children and adults.

Last year over 21,000 handicapped people received help from the Texas Easter Seal Society. With the costs of providing expert professional care rising, more money than ever will be needed.

FUNDS help support 20 centers in Texas, where crippled children and adults are treated, regardless of their ability to pay. Walkers, wheelchairs, and related services are provided to those who cannot provide for themselves.

"The people of Texas have always responded generously to helping the handicapped, and I feel certain they will make it possible to increase Easter Seal services to crippled Texans throughout the coming year," Mrs. Maynard said.

Genealogists to meet tonight

The Castro County Genealogical Society will meet tonight (Thursday) at 8.

DUE TO the moving of the Castro County Library this week, tonight's meeting will be in the Jack Patton home, 1005 Maple St.

Information on sources of genealogical material will be presented.

The meeting is open to all members and to any person interested in tracing "family trees."

BOB GOSS FORD, INC.
DIMMITT, TEXAS

GRAND OPENING will be held today (Thursday) from 10 a.m. to 4 p.m. at the new Co-op Fertilizer Service Center, just west of the Dimmitt Wheat Growers main elevator complex, near the former site of Dimmitt Consumers. Manager Bob Wegs will serve coffee and doughnuts and will conduct guided tours for all visitors.

Discounted rate now available on station calls out-of-state

Recent changes in rates for out-of-state long distance calls make the use of discount station-to-station calling even more attractive, according to Mrs. Earline West, chief operator for West Texas Telephone Co. in Dimmitt.

TO TAKE advantage of discount station-to-station rates, the customer must give the operator the area code, or city, and the complete telephone number being called, have the charges billed to the calling number, and require no additional operator handling.

The increases are applied primarily to out-of-state calls requiring operator assistance such as, person-to-person, collect, and credit card because the services required are more costly to provide.

Mrs. West pointed out that customers can minimize the effect of the increase during weekday business hours by using discount station-to-station calling. Initial 3-minute rates for these calls generally increased just five cents. Rates for additional minutes increased as much as three cents.

THERE ARE NO INCREASES at all for discount station-to-station calls placed after 5 p.m. or during weekends.

Generally, initial period rates for calls requiring operator handling have increased 15 cents during the day, and 30 cents after 5 p.m. Additional minute rates for these calls are increased between 1 cent and five cents.

"One of the easiest ways to keep your phone bill down is to avoid calling person-to-person," said Mrs. West. Initial period rates for most person-to-person calls went up 25 cents. In many cases person-to-person calls are now more than twice as expensive as discount station-to-station calls.

"ANOTHER way to save money," said the chief operator, "is to call after 5 p.m., when lower rates begin. And even better, when practical call after 11 p.m., when the lowest rates take effect."

If the customer doesn't know the telephone number of the party to be called he may obtain it free of charge from Directory Assistance. With the number then in hand, the call can be placed on the Discount Station-to-Station basis.

The chief operator added that there are no increases in rates for calls to points inside Texas.

More about **News, figures tell city growth**

(Continued from Page One)

an inflation factor to arrive at an actual growth figure. By applying the inflation factor on money, we still come out good and healthy. The money on deposit in our county's banks represented an actual increase of 69 percent in buying power during the decade.

Of all the growth figures indicated in the census, this is the biggest. And this growth in bank deposits has held firm throughout the Panhandle during the past decade.

Now, to get to the more specific highlights of 1970 itself:

INDUSTRIAL GROWTH

Industrial growth and construction provided the biggest news for Dimmitt during 1970. Here the highlights in this area:

1. Dimmitt Wheat Growers' starch mill went into operation, with the refinery to follow later this year.

2. The Western Ammonia Plant, which probably would have been closed down in August, instead was purchased by Goodpasture Industries, has had three other plants integrated with it, and its capacity has been hiked from 90 tons of ammonia to 550 tons of five agricultural chemicals per day.

3. There was a \$10 1/2 million increase in the cattle feeding industry in Castro County during the past year. (I predicted last year that this industry would be our "sleepier," and that it would probably have a more significant growth and impact than any other.)

4. The Western Vegetable Co. plant was expanded, giving it a capacity to process and store three million pounds of cucumbers.

AS YOU know, these industrial projects didn't just happen. They're the result of a lot of hard work, planning, and investment. The accomplishment of these projects can be viewed, I think, as proof that Dimmitt has recognized its disadvantages, has utilized its advantages, its natural resources and market potential, and has taken a dramatic turn upward while other small cities in the Panhandle are on the decline.

AGRICULTURE

The big story in agriculture during the 1970 crop year was simply that we made all of our crops. For the first time in many years, we had virtually no crops hailed out. We averaged almost 6200 pounds on our milo and almost a bale an acre on our cotton, and did proportionately well on our other crops. It was a healthy year, and for this we can be grateful.

WEATHER

1970 came awfully close to being a tragic weather year when the Lubbock tornado skipped across our county. But in the light of the tornadoes at Plainview and Lubbock, we were able to count our blessings afterward that no one was killed here.

1970 was the second driest year in recorded history here, with only 8.81 inches of rainfall. 1956 still holds the record with 8.25 inches. Our annual average is 16.75. This is another reason why our good crops were such good news. If we had been all dryland, we probably wouldn't have had any crops to speak of.

CONSTRUCTION

You know what problems we have had in construction — the same problems as everyone else across the country. But despite the high interest rates and increases in building costs, Dimmitt had a good construction year in 1970, and I think this is significant. Dimmitt is forging its own growth, and is doing so despite the rising costs.

Building permits for construction inside the city alone totaled \$745,000 in 1970, and this doesn't include the Western Ammonia plant, which was outside the city, or the corn mill or the First Baptist Church, which received their building permits in 1968.

THE NEW wing of Plaeks Memorial Hospital was completed in May—a \$175,000 project which also did not show up in the 1970 construction total.

Construction started in July on

the city's \$166,000 sewage treatment plant. When completed, this plant will be adequate for a city of 10,000—which is the size of the city the engineers said we'd better prepare for.

Fifteen new homes were started in Dimmitt during the year, despite unfavorable interest rates on mortgage loans. I think this is highly significant: while most Panhandle cities are losing population, Dimmitt is still building despite an unfavorable building climate.

These new homes were started because they were needed, and more homes are still needed — especially in the low and medium price ranges. Just ask anyone who is in the real estate business or who is in the market for a home.

THOSE IN the real estate and development business recognized this need for new homes here and responded to it during 1970. Two firms put together development packages for building as many as 50 new homes in the low and medium price ranges. The low-cost homes have been getting built, although it hasn't been easy. But construction of medium-priced homes under long-term mortgages has been stymied.

To wrap up the construction picture: Dimmitt has experienced construction activity here during the past two or three years that has dwarfed anything our city has ever experienced. In all, we had some 12 million or \$13 million worth of new construction underway at one time last year. I think the Chamber of Commerce used exactly the right adjective in its newest brochure when it referred to our city as "Dynamic Dimmitt."

Now, let's get away from the brick-and-steel, the dollar figures and percentages, and get down to people—the human events of 1970.

SPORTS

These are the sports highlights of the calendar year, which overlaps the school year.

In girls' basketball, the Dimmitt Bobcats won their district championship. They lost in the bi-district playoff to Post in a game which they wished they could have played again.

In boys' basketball, the Dimmitt Bobcats won their district again for the 10th or 11th straight year, but not until after a playoff game against Lockney. In the bi-district game, the Bobcats were defeated by the same Morton team they've been facing in district competition this year. That Morton team went on to win the regional title and place fourth in the state tournament.

TEN Dimmitt High School boys set a new marathon record on the basketball court after playing regulation basketball games continuously for more than 80 hours. If you remember, the Leon Meringue defeated the Cherry a la Mode 37 games to 12 in an event that captured the imagination of the entire state.

Dimmitt hosted the two-state district Pony League tournament during the summer at its new ball parks. Altus, Okla., won the district title.

And in football, Dimmitt's Bobcats upset the Olton Mustangs 17-7 in the final game of the year to finish with a 7-3 record and second place in the district behind Floydada. This wasn't a bad record at all for a bunch of kids who were picked to finish in the cellar. Maybe the sports prognosticators will know better next year.

HONORS

Dimmitt received many honors during 1970 through the efforts of outstanding individuals in our community:

Randy Schumacher was named to the Class AA all-state second team in football. Bobby Baker was named to the all-state basketball team.

Former Dimmitt High School Coach John Blaine was inducted in the Texas High School Coaches' Hall of Fame in March. He had led Dimmitt teams into the state playoffs in four major sports in the 1950's.

DIMMITT High School's Bobcat Band won the sweepstakes

Meacham, Merritt earn milo awards

Roy Meacham and Glenn Merritt of Castro County have received awards recognizing their accomplishments as leading grain sorghum growers of this area. **THEY WERE winners** in the Northrup, King & Co. 1970 "Carload Sorghum Club" awards, and were honored at a meeting of district winners in Plainview last week.

Meacham qualified for the honor by producing more than 600,000 pounds of sorghum from a single NK hybrid, while Merritt was cited for producing 230,050 pounds.

Presentation of the awards was made by Robert Clark of Amarillo, district sales representative for Northrup, King & Co. **THE ANNUAL Northrup King** awards generate interest both locally and nationally because of the rising importance of sorghum as a major grain crop. The awards also are proof of the better field performance of the new sorghum hybrid varieties now coming into general availability, Clark said.

Fourth clinic for DPT shots set Saturday

A fourth public inoculation clinic is scheduled Saturday to immunize county residents against diphtheria, tetanus and pertussis (whooping cough).

THE SHOT clinic will be conducted from 9 a.m. to 12 noon and from 1 to 3:30 p.m. at the Migrant Health Unit office in the Castro County Agricultural Housing Project.

Purpose of the clinic is to provide booster shots for county residents who haven't yet had them, and to complete the series of DPT shots and DT shots for adults and children 6 and older. Three shots are recommended to complete the series.

Dr. J. D. Blackburn, county medical officer, said that all residents who received shots during any of the three earlier clinics should be sure to bring their inoculation cards with them Saturday.

THE CLINICS were started in November after a county boy fell victim to diphtheria. The youngster recovered from the dread disease, and no further cases have been confirmed here.

Vaccine for the inoculation program is supplied by the State Health Dept. Plains Memorial Hospital has been providing syringes, cotton and other vaccination items, and registered nurses and volunteer workers have been donating their time to make the clinics a success. Each clinic has drawn a large crowd.

City receives street-work bids

Dimmitt's city commission is expected to award a contract Monday night for new construction and repair in the city's 1971 street program.

COMMISSIONERS received and opened four bids at their Monday night meeting. The bids on the year's proposed street work ranged from \$28,266 to \$37,135.

Of the two lowest bidders, one bid low on new street construction and the other was the low bidder on the street repair phase. The city is obligated to take the aggregate bid of one or the other after reviewing the amount of new street construction that could be scheduled during the year.

Money for the program will come from the \$50,000 bond issue authorized by Dimmitt voters last month.

Texas Securities purchases city's bonds for 5.21%

The City of Dimmitt sold its new \$50,000 issue of general tax obligation bonds Monday to the Texas Securities Corp. of San Antonio.

THE San Antonio firm submitted the lowest of three bids for the bonds, with an interest rate offer of 5.21 percent. The highest bid was 5.75 percent.

Title Game

(Continued from Page One) district championship game.

The bi-district tussle will begin at approximately 8:30 p.m. Tuesday, following a game between South Plains College and Clarendon Junior College. A former Dimmitt player, David Land, is a starting guard for the Clarendon JC team.

District 3-AA students and fans will occupy the south side of the coliseum, with Rails as the home team. The same coliseum restrictions will apply—no live broadcast will be allowed, booster signs will be permitted, mechanical noise makers are ruled out.

COACH J. D. Hargrove's Jackrabbits met both Dimmitt and Morton in the Caprock Tournament, defeating the Indians by a point and losing to the Bobcats, 74-66, in the tourney championship game.

Public hearing slated Monday on zoning plan

The Dimmitt City Commission will hold a public hearing at 2 p.m. Monday on the proposed rezoning of West Bedford Street.

ANY interested citizen may appear before the commission to voice his views on the rezoning proposal or to have the commission review it.

The proposal is to rezone a half-block strip along each side of West Bedford, from the present business district to Front Street, from a multi-use residential zone to a limited use business zone.

The city zoning commission has recommended the adoption of the rezoning proposal.

ONE immediate result of the rezoning would be to make possible the sale of part of the old First Baptist Church property to a petroleum company for a service station.

Four highway wrecks recorded during January

The Texas Highway Patrol investigated four accidents on rural highways in Castro County during January, according to Sgt. Vernon Cawthon, Highway Patrol supervisor of this area.

THESE crashes resulted in no deaths or injuries, however.

The rural traffic accident summary for the 60 counties of the Lubbock DPS Region for January, 1971 shows a total of 467 accidents resulting in 17 persons killed and 235 persons injured. This was worse than January, 1970, when 460 accidents resulted in 15 persons killed and 188 persons injured.

The 17 traffic deaths last month occurred in the following counties: Lubbock, 4; Wise, 3; Hutchinson, 2; and Clay, Palo Pinto, Parker, Terry, Wichita, Childress, Potter, and Sherman, one each.

School supper is postponed

The Dimmitt Satellite School will hold a salad supper for volunteer workers, directors and their spouses next Thursday night at 7.

THE SUPPER, originally scheduled for tonight, was postponed a week due to the district championship playoff game between Dimmitt and Morton tonight.

Lamar Fellowship Hall of the First United Methodist Church will be the site of the supper, and each couple attending is asked to bring a vegetable or fruit salad.

Narcotics course to be held here

The Castro County Sheriff's Dept. will host a state narcotics course for law enforcement officials from throughout the Panhandle March 23-24.

THE TWO-DAY course, arranged by the sheriff's office in January, will be taught by federal and state narcotics officers and will deal with all phases of law enforcement relating to narcotics problems.

Classes will be held in the courthouse community room.

Three attend TCTA convention

Don Parker of Dimmitt High School and Marie Ellen Brittain and Leola Elkins of South Elementary School were delegates to the Texas Classroom Teachers Association's annual convention in Corpus Christi Friday and Saturday.

PARKER, a DHS coach and teacher, is president-elect of the Dimmitt Classroom Teachers Association. Miss Brittain, a first grade teacher, is the local chapter's secretary, and Miss Elkins, South Elementary librarian, was an elected delegate.

Cats finish schedule with pair of wins

Dimmitt's Bobcats soaked it to Fricca here Friday night, 77-44, then blasted Abernathy, 94-53, on the Antelope home court Tuesday night to finish their regular season with a sparkling 29-2 record.

THE FINAL two victories gave Coach Kenneth Cleveland's Bobcats a perfect 7-0 record in the last half of district play and a tie with the Morton Indians for the 3-AA championship. Dimmitt and Morton will settle it tonight (Thursday) in South Plains College Coliseum, Levelland.

Five Dimmitt players scored in double figures at Abernathy Tuesday night as Kent Bradford sank 27 points, Mark Wohlgemuth 21, Donny Ebeling 12 and Max Newman and Jerry Matthews 11 each. The Bobcats fired 61 field shots and put 29 of them through the hoop for a 47 1/2 percent accuracy record.

The Bobcats collected 36 points at the free-throw line in the foul-ridden game. Abernathy was charged with 35 fouls and Dimmitt with 23.

BRADFORD dominated the boards on defense as he hauled in 15 rebounds. Wohlgemuth and Newman pulled down five each and Larry Langford collected

four for Dimmitt. The Bobcats were never in trouble as they jumped to a 23-12 lead in the first period, led by 50-28 at halftime and romped to a 75-38 advantage by the end of the third frame.

IN Friday night's game against the visiting Friona Chieftains, every boy on the Bobcat squad scored as Dimmitt chalked up a 77-44 victory.

Mark Wohlgemuth led Dimmitt's scoring with 21 points, hitting on 10 of 15 from the floor. Max Newman was close behind with 20 points as he posted a

brilliant 80 percent accuracy mark from the field, hitting eight of 10. Danny Ebeling and Kent Bradford added eight points each to the Bobcat cause.

The Bobcats averaged 46 percent on team shooting as they connected on 29 of 63 shots.

DIMMITT dominated the boards by hauling in 41 rebounds. Bradford led the Bobcat defense with 13 caroms while Newman picked off eight.

But the Cats came through with a big 26-point second quarter to take a 42-20 halftime lead and were never threatened after that.

WITH THEIR 29-2 mark, the Bobcats gave Coach Cleveland the best record he's ever posted here by the end of regular season play.

The previous top records by Cleveland-coached teams in regular season play were a 28-2 mark by the fabulous 1968-69 team that advanced to the regional finals and finished with a 30-3 record, and a 29-4 standing by the

famous "Prairie Bandits" of 19-66-67, who advanced to the state finals and ended the year with a 34-5 record.

The worst the Bobcats could do at this point is to match that 30-3 mark of 1968-69.

Bobcats ready for showdown

By PAXTON
 "I knew we could beat them but I never thought we would beat them like that."
 THIS WAS the comment of just about all of the players after the Morton game. The Cats looked as though they were ready to play and by the score on the board at the end, seemed to prove that they have peaked.

Counselor's Corner

By KEN RINGO
 The top students in the junior class took the National Merit Scholarship qualifying test Tuesday. Valuable scholarships are available to students placing above the 99 percentile nationally. Kent Bradford and Sharon Welch are national finalists and are still being considered for scholarships from last year's test.
 WE HAVE finished pre-registration and are about ready to send forms to the computer. Students should get their next year's schedule in a few weeks.
 We are continuing to interview graduating seniors on next year's plans and make available to them information on colleges, vocational and technical schools, financial aids, employment opportunity outlooks, and military opportunities.
 There is only one more date available to take college entrance examinations before school is out. Seniors, don't let this get away if you have not yet taken a test.

Student of week

Cara Frazier

This week's student of the week is Cara Frazier.
 CARA, a DHS junior, is the daughter of Mr. and Mrs. Alvin Frazier.
 Cara enjoys swimming, bowling and listening to records. Her favorite courses are homemaking and band, because, "These courses offer me lots of participation."
 Cara works after school delivering clothes for her father's dry-cleaning plant.
 Cara, whose future plans are uncertain, enjoys cruising around town and other related activities.

Tracksters start workouts

By JOHN BROOKS
 Dimmitt High Schools' Bobcat tracksters began workouts recently in preparation for the long track season ahead. The Bobcat cindermen start at the big Fort Stockton meet Feb. 26-27.

TEN tracksters greeted head mentor Roy Blair Wednesday. After a round on the weights they ran a couple of laps around our oval. Then, the men ran 800-yard dashes, with Charlie Zarazua and George Vasquez turning in the fastest times, 11.7 and 12.3.

An eligibility problem faces some of the men who were hopefully going to be winners for the cindermen this year. However, it is hoped that these men will soon be burning up the cinders again this year for the Cats.

The men who are hoped to bring home more than last year's three trophies are Charlie Zarazua, George Vasquez, Junior Espinosa, Sammy Davila, Frank and Bob Crespin, Rich Presas, Fernando Davila, Junior Gauna and Frank Rodriguez.

WE WOULD like to encourage all of the people who would like to try the cinders to come out. However, do not think it as easy and something to get an easy credit from, because all of us should, if we go out, put our all into it.
 See you at the track meets.

Students busy pre-enrolling

"What are you taking next year?" This is a question that has been heard recently in the corridors of the high school.

FRESHMEN, sophomores and juniors have been busy pre-enrolling the past few days. Counselor Ken Ringo and his assistant, Mrs. Marilyn Hardison, have been busy helping the student decide which courses would be most useful in the years ahead. The majority of the students had completed this process by last Friday afternoon.

Ringo commented, "In general it seemed to me that many students had spent too little time in going over the hand-out on graduation requirements and course offerings. Things, however, been going pretty smoothly. This should allow us to begin school next fall with a minimum of confusion and no changing of courses. Ringo also stated, "I'm sure the teachers will appreciate this greatly. We should have all the class rolls made out and next year's schedules passed out to the students before this spring term has ended."

MRS. LUCILLE DOLLAR
... More than a secretary

Campus chatter

By PAT BARRIOS and DIANA GARZA
 Hi out there, sport fans. Here is the authentic Campus Chatter from the halls of DHS.

WELL, our Bobcats did it—just like we said they would. Yep, our fighting Cats beat those Indians in their own teepee. Let's go, Cats, keep it up.

Felton Isaacs had a little tough luck Monday. Somebody must have been very hungry for pork, since they stole his pig from the ag farm.

We wonder how many of our students as well as faculty notice what a great person we have in Dimmitt High School, Mrs. Dollar. She not only is a secretary she is a friend to everyone.

The "Sweetheart Game," which the FHA sponsored, was a big success. It gave all of the student body a few good laughs. The couples were Randy Griffitt and Jeanne Petty, Bo Myers and Beverly Hill, Lynn (Buck) Buchanan and Rebecca Stanford, Shannon DeVaney and Donna Hudson. Bo and Beverly won the contest, and they received a brand new, beautiful lounge chair. In addition, they also received some Valentine candy.

Luther Perez and Junior Espinosa learned a lesson the hard way. Don't go out for track unless you plan to "gut it out."

Can't wait till those roundball dudes go out to the field house. It's really going to be a bummer. Even though Santos Gonzales is having fun talking about Charlie, Clifton, Bobby and George, she still keeps an eye on Henry Rivera. Santos, will you please learn to trust your good friends

Sylvia Perez, osa and osemary. Rosa Ortiz and Agnus found out what a whole dollar bill can buy! Sandra Casas doesn't seem to understand Fernando. He must be one of those guys who strikes once or twice and then leaves in silence.

Did you see Steve Brown's trousers the other day? He made them out of a flag.

Man, our round-ballers are really rolling along. The Dimmitt fans are just great, too. They're also very classy in the sportsmanship they display. Basketball is too good a game to ruin with a lot of rowdyism. See you next week.

Boys enjoying home-ec class

Home management is a one-semester course open to senior boys and girls, no pre-requisite required.

THE MAIN objectives of the course are to prepare students to take care of themselves in future years when they are on their own, and to provide useful experience for managing a home of their own.

The course includes a great deal of food preparation, which the students like best, for they love to eat. The emphasis is on meat cookery and cream pie. This semester there are six boys—yes, boys—and 14 girls in the class.
 Why boys in a girls' class that

Drivers' ed classes begin

Monday was the first day of driver's education classes for this year. Seventy-two high school students signed up for the course which will be taught by John Lantz and Nancy Greer.

ONE GROUP of students will meet on mornings from 7:30 till 8:30. The other group meets evenings after school.

A new 36-unit trailer, made available by PESO, is being used for the first time by Dimmitt students.

Dimmitt is one of six schools in this area to use this trailer. The trailer we now have is going from here to Hereford and then to Canyon. There is another trailer in Borger which will be passed around to two others schools.

MOST students will receive their licenses earlier and will have lower insurance rates after completing the course.

The fee for the drivers' education course is \$10 per student.

CARA FRAZIER, this week's Bobcat Tales Student of the Week, gets a helpful hint from Brown L. Smith. Cara enjoys homemaking and band classes most, works for her father after school, and likes to "cruise" during her free time.

Editorial

Students fortunate to have wide range of classes, clubs

Does the student of Dimmitt High School realize how fortunate he is in the wide range of classes and clubs that are available to him?

THE CLUBS open to the student range from the Pep Club, which promotes student welfare, to the FHA, which enables the student to practice skills which will be of domestic use in the future.

Various other clubs exist. These include the Art Club, the Spanish Club and the Library Club. A Rodeo Club is proposed, which would be of interest to future cattle barons and stock men.

The student can select classes ranging from health to the various business classes. These classes are necessary for building a student's future.

Other clubs for the students are Forensic and National Thespians. Forensic Club sponsor Bob Farrer, commented, "The objective of the Forensic Club is to pro-

vide a high degree of efficiency in public speaking." Farrer, also the Thespian Club advisor, stated, "The Thespian Club promotes dramatic activities and interest in the theatre."

MISS Thelma McMinn, Future Teachers of America sponsor, commented, "The purpose of FTA is to interest young men and women in teaching as a career. It also provides its members with experience to develop the qualities and aptitudes basic to successful teaching. And another purpose is to impart an understanding of the development and purpose of our public free schools."

Thus the students truly benefit from the varied clubs and classes available during one's high school career in Dimmitt High School.

Board extends contracts of Six, Barnes and Higgins

By MYRT LOMAN

The Hart School Board awarded new contracts for the 1971-72 school year last week to Elmer Six, high school and junior high principal Frank Barnes, elementary principal and Doug Higgins, athletic director and head football coach.

The board set Saturday, April 3, as the school board election date, and appointed DeWayne Brown as election judge and Wister Clevinger as the alternate judge. Tom Ed Benton was appointed absentee voting clerk.

The school trustees hired Susie Camacho as a kindergarten teacher's aide to finish the 1970-71 school year.

EIGHT Hart youths showed prize-winning hogs in the recent El Paso Barrow Show.

They were Donnie Burruss, third in middle weight crossbreeds, Cathy Nelson, fourth in heavy crosses; Ary Sanders, fifth in heavy crosses; Jim Tucker, fifth place middle weight Duroc; Donnie Shive, fifth place light weight Duroc; Lonnie Davis, 11th place middle weight Duroc; Stanley Harris, fifth place light Hampshire; and Debbie Davis, sixth place light Hampshire.

The youths were accompanied by Lanny Tucker, high school co-educational agriculture teacher and FFA sponsor.

OUR BASKETBALL teams closed out their season with good records. The varsity girls won 10 and lost four in district play, while the Longhorn boys' varsity won eight and lost six.

"We had a number of compliments on how our teams conducted themselves both on and off the playing court during the season," Principal Elmer Six said. "We feel that we were well re-

presented."

JANA Mapp and DeAnn Richburg were announced as the "Sweethearts" of the Girls in Action group at a Valentine party last Wednesday in fellowship hall of the First Baptist Church.

They were elected by secret ballot. The winners' names were revealed by Laurie Franks, and each was presented with an engraved identification bracelet by Sharla Carson, president.

The party also was a birthday observance for Melanie Upshaw.

Miss Upshaw read the prayer calendar for missionaries in Argentina, and her mother, Mrs. Preston Upshaw, served chocolate cake, punch and "funny face" favors. The girls exchanged Valentines and played games.

Nineteen girls attended, including a new member, Stacie Averitt. Guests were Mrs. T. H. Taylor and Mrs. Upshaw. Sponsors of the group are Mrs. Lowell Richburg and Mrs. Howard Mitchell.

Plans were completed to meet Saturday at the church and take tray cards to the Golden Spread Nursing Home and Plains Memorial Hospital in Dimmitt, as one of the girls' "Mission in Action" projects.

MRS. W. C. CRICK, Mr. and Mrs. Verle Crick and Bob were in Oklahoma City last week to attend the funeral of Mrs. Ina D. George, sister of Mrs. Crick.

Mrs. George, 85, died Feb. 9 at her home in Oklahoma City after a lengthy illness.

A native of Douglas, Kan., she moved to Oklahoma with her family in 1889. She taught in the Capitol Hill schools for some 25 years, and was also an organist and past president of the "89-ers."

JANET BLACK daughter of Mr. and Mrs. Jim Black, celebrated her birthday with a party last Thursday at her home. Theme of the party was "It's Fun to Be a Clown."

Guests were Lori Barnes, Lana Tucker, Laurie Franks, Cindy Brooks, Connie Featherston and Teresa Kirtrell.

Following indoor games, the guests were served cake, ice cream and punch.

THE WOMEN'S Society of Christian Service honored the members of the UMYF and their sponsors last Wednesday night with a Valentine banquet.

Fellowship hall of the First United Methodist Church was decorated with red hearts and candles.

The meal consisted of baked ham, rice and broccoli casserole, candied sweet potatoes, strawberry gelatin, chocolate cake, hot rolls, butter and iced tea.

Rev. T. H. Taylor, pastor of the church, was the guest speaker. His topic was "Hearts."

Thirteen UMYF members and four sponsors and guests were present.

DAVID SMITH met with 16 members of the Royal Ambassadors last Thursday in the home of Mr. and Mrs. Harold Smith. Mrs. Percy Hart, Mrs. Sid Farmer and Mrs. Curtis Smitzer assisted the boys in their leathercraft billfold project.

Following the lesson, the boys enjoyed basketball.

THE W.S.C.S. of the First United Methodist Church met at the church last Thursday morning.

Mrs. T. H. Taylor led the Bible lesson on "Thine Is the Kingdom," and a discussion of "What Is a Sponsor?"

LIONS Club met last week with 26 members and six guests present. Guests were Mrs. Frances Graham of Amarillo, Panhandle regional director of the American Heart Association Texas affiliate; Jerry Stevens of Plainview, district executive director of Boy Scouts; Jean Foster, Lions Club sweetheart; Tom McLain, Jud David and Lonnie Davis.

Lonnie Davis was awarded the Safe Driver Award of the month. Each month the city's teenagers are observed by three men who select the driver of the month.

Jerry Stevens briefly explained the Scout drive in which Hart will try to raise \$580, its share of the 1971 council budget of \$181,458.

Mrs. Graham explained to the Lions their need to recognize the symptoms of heart disease and to change their living habits to reduce their risk of suffering a heart attack.

Mrs. Graham described the heart and how it works, the circulatory system and how the ar-

teries are affected by cholesterol and a buildup of fatty substances resulting in arteriosclerosis, which is the major cause of a heart attack or stroke.

Heart disease is the number one killer in the nation, accounting for 534 percent of all deaths, including accidents. The four major types of heart diseases are arteriosclerosis, high blood pressure, rheumatic heart disease and congenital heart disease.

The future is promising, however, in this research, new surgical techniques and new medications are giving new life and new hope to persons afflicted with heart disease.

Education on the local level is bringing new facts daily to the public which can enable people to alter their living habits and live longer and healthier lives. Physicians and nurses are being trained in coronary care through the professional education facet of the American Heart Association, and mouth-to-mouth and closed chest resuscitation is being taught through the community service program.

February is Heart Month, and campaigns are being conducted throughout the state and throughout Region 1.

Willis A. Hawkins Jr. is campaign chairman for Hart.

Mrs. Graham, who resides in Amarillo and works with 26 counties, is a past president of the Amarillo Chamber of Commerce and a past president of the Amarillo Dub and Derrut Club. She lost her husband by a heart attack some years ago.

NINE students were inducted into the Longhorn chapter of the National Honor Society in a school assembly Friday.

New NHS members are seniors Roni Cox, Debbie Davis and Jeton Jones, and juniors David

She attended Central State College and the University of Oklahoma, and graduated from Oklahoma City University in 1923. She was a member of the Pilgrim Congregational Church, Order of Eastern Star, Merry Pilgrim Club, Merrigold Flower Club, Grey Ladies at Will Rogers Hospital and the Sooner Ladies Club.

Burial was Thursday afternoon in the Sunny Lane Cemetery of Oklahoma City.

Survivors are two sisters, Mrs. W. C. (Arletta) Crick of Hart and Mrs. C. eo McDill of Oklahoma City.

CUB SCOUTS met Tuesday and Wednesday of last week at the bank building. Mrs. Leonard Griswold met with Den 1 and assisted the boys on their window projects for this week.

Den 2 met on Wednesday after school at the bank and worked on window projects. The den added a new member, Kelley Irons.

Den 3 met Wednesday in the community room of the bank and made Valentines for their mothers.

Bill Shelby, Webelo leader, met with his group of boys Thursday afternoon at the bank building, and all worked on their Indian costumes.

Plans were made for a breakfast honoring the senior class of Hart High School. The breakfast was tentatively set for Friday, April 30, at 7 a.m. in the fellowship hall of the church. Mrs. Ed Bennett was appointed to secure a speaker, Mrs. Paul Armstrong was assigned to get a list of seniors and Mrs. T. H. Taylor was put in charge of decorations.

Mrs. Leonard Griswold and Mrs. Ed Bennett were appointed as chairman for making prayer holders for Plains Memorial Hospital in Dimmitt.

Jennifer Myers of Girlstown was sent a Valentine boys of candy from the society.

Mrs. Taylor closed the meeting by reading the poem, "God Walked With Me."

LIONS Club met last week with 26 members and six guests present. Guests were Mrs. Frances Graham of Amarillo, Panhandle regional director of the American Heart Association Texas affiliate; Jerry Stevens of Plainview, district executive director of Boy Scouts; Jean Foster, Lions Club sweetheart; Tom McLain, Jud David and Lonnie Davis.

Lonnie Davis was awarded the Safe Driver Award of the month. Each month the city's teenagers are observed by three men who select the driver of the month.

Jerry Stevens briefly explained the Scout drive in which Hart will try to raise \$580, its share of the 1971 council budget of \$181,458.

Mrs. Graham explained to the Lions their need to recognize the symptoms of heart disease and to change their living habits to reduce their risk of suffering a heart attack.

Proposed CONSTITUTIONAL AMENDMENT
NUMBER TWO ON THE BALLOT (HJR 21)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVII, Section 1, of the Texas Constitution, be amended to read as follows:

"Section 1. The Legislature by a vote of two-thirds of all the members elected to each House, to be entered by yeas and nays on the journals, may propose amendments to the Constitution, to be voted upon by the qualified electors for members of the Legislature, which proposed amendments shall be duly published once a week for four weeks, commencing at least three months before an election, the time of which shall be specified by the Legislature, in one weekly newspaper of each county, in which such a newspaper may be published; and it shall be the duty of the several returning officers of said election, to open a poll for, and make returns to the Secretary of State,

of the number of legal votes cast at said election for and against said amendments; and if more than one be proposed, then the number of votes cast for and against each of them; and if it shall appear from said return, that a majority of the votes cast, have been cast in favor of any amendment, the said amendment so receiving a majority of the votes cast, shall become a part of this Constitution, and proclamation shall be made by the Governor thereof."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment providing that the Legislature may propose an amendment of the Constitution at any session of the Legislature."

Basz, Amelia Castillo, Roy Coronado, Cindy Dyer, Lisa Lacy and Keith Lemons. They were chosen on the basis of scholarship, leadership, character and service.

The induction ceremony was conducted by Sharon Brooks, Carolyn Cole, Becky King, Denise Lowery, Carol Miller and Donnie Shive, along with the chapter sponsor, Vaughn Ross.

FRIDAY will mark the end of the fourth six weeks in Hart schools. There will be no classes Monday because of a teachers' in-service workday.

The senior class of HHS will conduct its bake sale Saturday.

The Hart PTA has donated \$200 to the Hart School Band Fund for the 1970-71 school year.

MAX Marble, Cubmaster; Mrs. Leonard Griswold, den coach; and Bill Rich, Lion boss, assisted 16 Cub Scouts Saturday with their first project of helping clean up accumulated trash on the city's main streets and vacant lots.

The boys and adult workers met at the city hall at 1 p.m. and worked most of the afternoon.

Monday night has been designated as Plainview District Layman's Night at the First United Methodist Church in Plainview.

Bishop Kenneth Copeland will be at the First United Methodist Church in Plainview Feb. 21-25 at 7:30 each evening.

(Continued on Page 12)

Max Marble, Bill Rich, Bob Reed and Simon Martinez assisted with pickups, city trucks and trailers.

BISHOP Aislie Carleton will be in Plainview to dedicate the district parsonage Saturday at 4 p.m.

Proposed CONSTITUTIONAL AMENDMENT
NUMBER THREE ON THE BALLOT (SJR 5)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 51-a, of the Texas Constitution, be amended to read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be by the Legislature be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance grants to and/or medical care for, and for rehabilitation and other services to or on behalf of:

"(1) Needy aged persons who are citizens of the United States or noncitizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years;

"(2) Needy individuals who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

"(3) Needy blind persons;

"(4) Needy dependent children and the caretakers of such children.

"The Legislature may prescribe such other eligibility requirements for participation

in these programs as it deems appropriate.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of State funds paid for assistance grants for needy dependent children and the caretakers of the children shall not exceed Fifty-Five Million Dollars (\$55,000,000) during any fiscal year.

"Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the State for these purposes, then and in that event the

Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

"Nothing in this section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this State."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment removing the limitation on the total State appropriations for assistance grants for the needy aged, the needy disabled, and the needy blind, and setting a limitation on total State appropriations during any fiscal year for assistance grants for needy dependent children and the caretakers of such children."

NUMBER ONE ON THE BALLOT (SJR 15)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of nine members. Three members shall be appointed by the Chief Justice of the Supreme Court of Texas with the advice and consent of the Associate Justices serving on the Court, three members shall be appointed by the Presiding Judge of the Court of Criminal Appeals of Texas with the advice and consent of the other Judges serving on the Court, and three members shall be appointed by the Chairman of the State Judicial Qualifications Commission with the advice and consent of the other members of the commission, of each group of three appointees no more than two shall be attorneys engaged in the active practice of law. In addition thereto there shall be two ex officio members, one from the House of Representatives and one from the Senate to be elected on the first day of each Regular Session of the Legislature by a majority of the membership of each House for a term ending on the first day of the next Regular Session.

"(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

"(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

proved before that day by resolution of either House of the Legislature.

(b) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission thereof shall not take effect until approved section by section by resolution of both Houses of the Legislature.

"All votes on these resolutions or parts thereof shall show the individual votes in the respective journals of both Houses.

"(8) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

"(9) Until otherwise provided by the commission, each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand, Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session and for 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.

"(10) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improvements and economy in the legislative process."

at an amount higher than that of other members notwithstanding any provisions to the contrary of Article IV, Section 17, of the Texas Constitution.

"(5) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders upon election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information.

"(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, Legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary.

"(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated before the convening of any session of the Legislature by filing a certified copy of the proclamation with the Secretary of State.

Foreign remittances are a convenient way to send money abroad.

Before taking a trip you can arrange with your bank to have money held for you at overseas branches or correspondent banks, either in U.S. dollars or local currency.

When urgent remittances are desired, payment instructions to the correspondent bank are sent by cable rather than air mail.

Foreign drafts are used when one prefers to forward the remittance himself or when the extra fast service provided by cable is not necessary.

Remittances in foreign currencies may also be obtained. With this method the remitter knows in advance the amount the payee will receive regardless of intervening fluctuations in exchange.

Exchange services provided by banks also include the purchase and sale of foreign currency and travelers' checks.

 "CLOSE TO YOU" was the theme of the annual Future Homemakers of America Best Beau Banquet in the Hart School Cafeteria Saturday night. Decorations were in rainbow colors. Becky King, president, was mistress of ceremonies, and Ro-

ni Cox gave a talk on the FHA and its purposes. Lonny Davis, a senior, was named "Best Beau." He has participated in sports all four years of high school, having played both football and basketball, has been a member of FFA four years, is vice-president of the senior class and is a candidate for most handsome. Last week at the Lions Club meeting he was presented a certificate for safe driving and care of his car for the past 60 days. Other Best Beau candidates were Ralph Bell, Greg Crosby and Ricky Farris. Entertainment was furnished by the Goodtime Singers of Lub-

hock Christian College. The dinner was prepared by the mothers of the FHA girls.

MEN OF THE First Baptist Church will meet in fellowship hall of the church Thursday at noon for a meal and program. Rev. Larry Wilson, pastor of the Baptist Church of Edmondson, and Harold Smith will tell of their recent trip in Old Mexico. The Edmondson Baptist Church sponsors three missions in Mexico.

CHARLES Gullede of Plainview, a former Hart resident, has been selected to replace O. W. Carlson of Childress as roadmaster for the Fort Worth and Denver Railroad. Carlson's retirement was effective Jan. 31.

Gullede was a Hart school student several years ago when his parents lived here. His father was the section foreman for

the railroad and his mother worked in the Hart school cafeteria.

Gullede started work several years ago as a laborer, and a year later he was made section foreman, then track supervisor. He is the son of Mrs. Pearl Strain and George Gullede of Wichita Falls, a retired section foreman.

Mrs. Gullede and daughter Maxine will soon join Charles in Childress.

THE Brotherhood of the First Baptist Church presented a program Sunday afternoon to residents of the Golden Spread Nursing Home in Dimmitt, with J. D. Rodgers in charge of the program.

Don Lloyd led in group singing. J. D. Rodgers gave a short testimony, and Rev. Cunningham presented a short devotional.

Attending from Hart were Rev. Cunningham, Lloyd, Rodgers, Mrs. Jewel Kenady, Mrs. T. H. Taylor and daughter, Jamie, Myrt Loman, Rhonda Cole, Becky King and Miss Cox.

MRS. Lowell Richburg and Mrs. Howard Mitchell accompanied some 12 Girls in Action members Saturday to visit with residents of the Golden Spread Nursing Home and patients in the Plains Memorial Hospital.

DeAnn Richburg played the piano and Debbie Lacy led in group singing at the home. Each resident was presented tray cards and small books of Bible verses. Cookies were served.

Mrs. Lowell Richburg, GA leader, visited in the Golden Spread Nursing Home with Mrs. R. B. McMurrey, who was her Sunday school teacher some 20 years ago.

The group then visited the hospital and left tray cards and books of Bible verses.

Mrs. H. R. Shaw joined the group for visitation. En route home, all stopped for refreshments.

Deaf Smith REC speech contest offers Washington trip as prize

Expense paid trips to the nation's capital city will be awarded to winners of an oratorical contest, it was announced this week by James Hull, manager of Deaf Smith County Electric Cooperative.

THE CONTEST is open to any boy or girl at least 16 years of age but not 18 years of age prior to Sept. 1, 1971, Hull said. Local winners will join the winners of similar contests sponsored by other electric cooperatives across Texas on the sixth annual Texas Electric Cooperatives Government-in-Action Youth Tour to Washington, D.C. All expenses of the 12-day trip beginning June 12, will be paid by Deaf Smith County REC.

Each entrant will be required to give a 5 to 8-minute talk on the subject, "Rural Electrification — Challenge of the 70's," and answer one or more of 50 questions asked by the judges.

The oratorical contest will be

Hays Implement Co.
International-Harvester Farm Machinery

judged on the basis of (1) knowledge of subject, 40 percent; (2) speaking ability, 30 percent; (3) poise, 10 percent; (4) personality, 10 percent; and (5) appearance, 10 percent.

INTERESTED young people may obtain official entry blanks from their school or the offices of Deaf Smith County Electric Cooperative. The deadline for submitting entries will be Feb. 26.

As participants in the Texas Electric Cooperatives Youth Tour, local contest winners will travel by chartered buses to Washington, D.C. where they will spend four days visiting places of historical interest and seeing the nation's government in action.

On June 16, the Texas group will meet more than 1,000 students from other states for a program sponsored by the National Rural Electric Cooperative Association and the Rural Electrification Administration. The program will feature presentations by officials of these organizations and other Washington personalities, and possibly the Presidential staff.

THE eventful day will end with a chartered cruise down the Potomac River which will include entertainment and refreshments.

Also included on the 12-day agenda will be visits to George Washington's Mount Vernon home, Arlington National Cemetery, the US House and Senate, and US Department of Agriculture, the Smithsonian Institute, the Lincoln Memorial and other places of interest.

PLAINS MEMORIAL HOSPITAL

A \$1,000 CHECK was presented to Plains Memorial Hospital Friday by the Hospital Auxiliary. The money, which came from the "Operation Christmas Greeting" project, will be used to buy a "bilirubin light" to prevent brain damage in certain newborns, and a nebulizer for patients with serious upper-respiratory problems. From left are Hospital Administrator Verle West, accepting the check; Mrs. Roxie McLean, the Hospital Auxiliary's newest member; Mrs. Gayle Bruegel, secretary of the Pink Ladies; and Mrs. Margaret Wilson, Auxiliary president, presenting the check. The check presentation was made near the hospital's new sign, which is intended to promote group tours in the future and to encourage county residents to use their local hospital.

Dress code for dances is adopted

By Mrs. Florence Albracht
At the community hall committee meeting held recently the members voted for this dress code for those attending dances. Girls may wear dress pant suits, no slacks or sloppy shirts. For boys, no blue jeans, Levi dress pants or any dress pants. This rule is for all dances held in the Community Hall, regardless of who the sponsors are. If you wish to come and enjoy dances here, please follow these rules or you will not be allowed to come in.

MEMBERS of the Third Order of St. Francis met in the Robert Huseman home on Monday evening for a mass celebrated by Father Joel Byrnes of Clovis. A discussion followed on the New Testament Corinthians 1, Chapters 12, 13 and 14.

The children of the Arnold Brockmans surprised their folks with a party on Thursday evening in the Legion Hall, honoring them on their 30th wedding anniversary. A large group of relatives and friends enjoyed the evening.

After a few days at home, Hubert Schmucker is back in Plains Memorial Hospital in Dimmitt. He is suffering from emphysema.

Edgar Birkenfeld is in the VA Hospital in Oklahoma City for tests. His wife is with him. On Friday Mrs. Alphonsa Huseman and Mr. Arnold Huseman drove to Oklahoma City to visit him.

THE Catholic Order of Foresters attended the 10 o'clock mass Sunday in a body with their candidates. After mass they enjoyed a communion breakfast in the Legion Hall and an initiation ceremony following.

The Bert Venhaus families enjoyed a supper and evening together in Amarillo Sunday, Feb. 14 celebrating their wedding anniversary. Their sons and wives, the Cecil Venhaus of Dumas, Lloyd and Vincent Venhaus of Happy, Clyde of Amarillo, and daughters and their husbands, the Dickie Hoellings and Edwin Husemans of Nazareth and Mr. and Mrs. Bert Venhaus and daughter, Claude Annen, stationed at Fort Bliss, Texas, spent the weekend with his folks, the Raymond Annens. On Sunday afternoon Mrs. Martha Bauman and Mrs. Patsy Warren of Hart visited with the Annens. Mr. and Mrs. Larry Spencer and baby of Amarillo also were home over the weekend.

THE Catholic youth group sponsored a Valentine dance in the community hall Saturday evening. A large group enjoyed it. Mrs. Leonard Gerber, Mrs. Olivia and family, Mrs. Florence Albracht, Rae Albracht and Renee Ramaekers enjoyed the Valentine party with the Satellite Day School pupils on Friday afternoon, Feb. 12.

Mr. and Mrs. Leslie Birkenfeld recently married in Oklahoma were honored with a reception on Sunday evening in the Legion Hall.

Grandson signs football letter

Terry Allen of Guymon, Okla., grandson of George Behrends of Dimmitt, signed a letter of intent Friday to play football at Panhandle State College in Goodwell.

AN all-district and alternate all-state tackle at Guymon High School last season, Allen is the son of Mr. and Mrs. Dale Allen of Guymon. His mother is the former Phyllis Behrends.

Allen, 6-3, 230, was named twice to the Panhandle All-Star Team at tackle and was a runner-up linebacker last year. He also was named to Who's Who in

High School Athletics in the U.S. Coach Larry Ledbetter of Guymon said of Allen, "Terry is the best lineman Guymon has had in many years. He has the size and strength to be an outstanding college ball player. He's very coachable."

On hand to witness Allen's signing Friday, in addition to his parents, were Oscar Williams, Panhandle State athletic director and head football coach, and Dean of Students John Lain.

The Castro County Library has moved!

OUR NEW location is 105 East Bedford next door to Parsons Drug. We hope to be open to the public by the time this article is published, if not, please have patience with us because it has not been an easy task and it takes time to move!

We hope to gain more patrons instead of losing any so I hope you will be coming to see us in our new location.

Books are keys to wisdom's treasure. Books are paths that upward lead; Books are gates to lands of pleasure. Books are friends. Come, let us read.
