

City races draw spotlight

CONCRETE SKELETON — The concrete and timber supports are beginning to give an indication of the layout of the new courthouse annex. Workers are at the second-floor level this week, preparing to extend the massive concrete skeleton twice its present height before enclosing it and making it a part of the original building.

Both mayor candidates invited to give views

After Saturday, Dimmitt will have its first new mayor in 10 years. The winner will succeed George Bradford, who is retiring after serving as the city's chief executive since 1961. The new mayor will serve during the next two years with City Commissioners Troy Kirby and Noel Gollehon.

CANDIDATES are Mackey Oldfield, who came within 15 votes of unseating Mayor Bradford in 1969, and Elmer H. Youts, semi-retired farmer who previously served six years on the city commission.

The News invited both candidates to submit statements for this issue, telling what they hope to see the City of Dimmitt accomplish in the next two years, what they consider to be the key issues of the race, and their reasons for running.

Youts was the only candidate to submit a statement. Here is his statement:

"AS A candidate for mayor of Dimmitt, I would like to present some facts and observations.

"Dimmitt's city government is the council-manager type, and has been since 1930, when the people by vote changed it from the al-

Pool-hall fight ends in shooting

A pool-hall argument Saturday night ended in a shooting that left a Dimmitt man seriously wounded.

THE INCIDENT occurred at 10:15 p.m. in Dub Cline's Pool Hall on West Bedford Street.

Hospitalized with a 22-caliber gunshot wound in the chest was Ernest Mora, father of eight, who lives in the Castro County Agricultural Housing Project. He is now in Lubbock's Methodist Hospital, where his condition was listed as fair Wednesday morning.

Charged with attempted murder is Joe "Pepe" Lopez, who was arrested by sheriff's officers near his home on Northeast Seventh St. shortly after the shooting. Lopez is in the county jail awaiting Grand Jury action.

CLINE notified city police after the shooting occurred. After talking to witnesses at the pool hall, police broadcast a pick-up order on Lopez to all local law enforcement units, and sheriff's officers arrested him at his home moments later.

Mora was taken to Plains Memorial Hospital by Tony Sylva. After receiving emergency treatment here, he was transferred to Lubbock.

The mayor's races in Dimmitt and Hart will draw the spotlight Saturday as voters go to the polls in city, school district and hospital district elections.

IN THE Dimmitt mayor's race, grocery manager Mackey Oldfield and retired farmer Elmer Youts are both seeking the top city post being vacated by Mayor George Bradford.

Dimmitt youths are implicated in drug arrest

Three teenage Dimmitt boys were reportedly preparing to make a marijuana purchase in Hereford Saturday night when their contact — an 18-year-old Hereford High School student — was arrested.

CHARGED with possession and attempted sale of marijuana was James Brent Sweny of Hereford. He was arrested by Deaf Smith County Deputy Sheriff Gary Gillespie and Hereford Policeman Norman Necece.

Officers said Sweny had about a pound of marijuana in his possession and was attempting to make a sale to the three Dimmitt boys at the time of his arrest.

Officers filed no charges against the Dimmitt boys, and are withholding their names.

"ALL THREE boys stated that they had appeared in the Grand Jury investigation in Dimmitt recently," Gillespie said. "Apparently, a warning isn't stopping them. That's the experience we've had in Hereford, too."

Sweny was arraigned before Justice of the Peace W. Grant Nelson, who set his bond at \$10,000. He posted bond and was freed pending a Grand Jury investigation of the felony charges against him.

Nazareth student wins youth tour

Pat Acker, Nazareth High School junior, has earned an all-expense paid trip to Washington, D.C., as one of the two winners in the oratorical contest sponsored by the Deaf Smith County Electric Cooperative.

ACKER is the son of Mr. and Mrs. Anthony Acker.

Winning the girls' division of the contest was Sally Kendrick of Friona, who also earned a trip to the nation's capital this summer. She is the daughter of Mr. and Mrs. H. K. Kendrick, and is a junior in Friona High School. The winners were announced this week by James T. Hull, manager of the cooperative.

ACKER and Miss Kendrick were among eight students competing from the area served by the Deaf Smith REC. Each student delivered a five to eight-minute oratory on the subject, "Rural Electrification—Challenges of the '70s."

The two local winners will be among 100 young people from all over the state participating in the seventh annual Government In Action Youth Tour to the nation's capital June 12-23, sponsored by the Texas Association of Electric Cooperatives. All members of the youth tour will be winners of similar oratorical contests across Texas.

BOB DUKE of Flagg and Vickie Wilhelm of Nazareth were finalists in the area contest. Other finalists were Angela Grubbs of Hereford, Jackie Adams of Bovina, Troy White of Friona and Larry Justice of Hereford.

Liquor charges filed on youths

City police crashed a drinking party near a local drive-in at midnight Saturday and charged eight Dimmitt boys with violating state liquor laws.

THE BOYS were all 19 or older, and most were college students home for spring vacation, officers said. They were charged with illegal possession of alcohol, making alcoholic beverages available to minors, and minors possessing alcohol.

Also involved in the party, officers said, were four Dimmitt girls 16 and 17, who were referred to juvenile court. The 12 youths were in cars near the Erbeat Drive-In, officers said.

Six of the youths pleaded guilty of the misdemeanor charges and paid fines of \$15 and \$25. The other two pleaded innocent and posted bond.

In Hart, Mayor E. E. Foster faces a challenge from Claude Kropp, former police chief.

Other contested races in the county are for the Hart city council (four candidates seeking two posts), the Dimmitt School Board (four men seeking three positions), and the Hart School Board (three candidates for two positions).

THE MAKE-UP of seven boards and commissions will be decided Saturday. Every qualified voter in the county will have a chance to mark at least three ballots.

Polls will be open from 8 a.m. to 7 p.m. Polling sites will be the Dimmitt City Hall (mayor's race); Dimmitt Junior High School (Dimmitt School Board, County School Board, Castro County Hospital District Board); Hart City Hall (mayor and councilmen, Hart School Board, hospital board, County School Board); and the Nazareth Community Building (Nazareth School Board, hospital board, County School Board).

HERE'S A roundup of the elections on tap Saturday:

Dimmitt mayor — Elmer H. Youts vs. Mackey Oldfield.

County School Board — Charles Nutt and incumbents John Merritt, Clyde Damron and Melvin Barton are vying for the three available seats.

COUNTY School Board — Three incumbents are unopposed. They are George Sides of Precinct 3, Eddie Drerup of Precinct 4, and Ivor Bagwell, at-large member.

County Hospital District — James Elch, Dale Maxwell and Ed Bennett, all incumbents, are unopposed.

Hart mayor — E. E. Foster, incumbent, vs. Claude Kropp.

HART City Council — Four candidates are vying for the two posts being vacated by M. L. Aven and Horace E. McLain. Candidates are Audrey Myers, Ralph A. Futrell, Tony D. "Butch" Martinez and W. T. Sanders.

Hart School Board — Three men are seeking two posts. Candidates are Cleve McLain and incumbents David Nelson and Preston Upshaw.

NAZARETH School Board — Ed Rumaekers, incumbent, is a candidate for re-election and James Wilhelm has filed for the post being vacated by George Beck Jr.

VFW men, women to pick officers

Castro County Memorial VFW Post 8056 and Auxiliary will both elect new officers next week.

MEN OF THE post will choose their 1971-72 leaders Monday night at 8 in an election meeting at the post home. District 13 Commander Charles E. "Chuck" Rogers of Amarillo will be present for the election meeting.

Members of the post's auxiliary will elect new officers in a special meeting Tuesday at 8 p.m. at the post home.

Post Commander Howard Cook and Auxiliary President Florene Leinen urged all members to be present for their respective election meetings.

MILLER ACCEPTS 'CITIZEN OF THE YEAR' PLAQUE
... From J. R. Brown at Chamber of Commerce banquet

Jack Miller is named 'Citizen of the Year'

Jack Miller is Castro County's new "Citizen of the Year."

THE Dimmitt attorney was announced as the winner of the county's highest civic award at the annual Chamber of Commerce banquet Saturday night in the Dimmitt High School gym.

He was presented a plaque by J. R. Brown, chamber director, who cited him for his community service through the Jaycees, Lions Club, Chamber of Commerce, Country Club, Church of Christ, Dimmitt School Board, Library Board and Boy Scouts.

Miller, 40, is a partner in the law firm of Moran & Miller. An honor graduate of the University of Texas School of Law and holder of a Doctor of Jurisprudence degree, he is the former county attorney here.

IN PRESENTING the Citizen of the Year award, Brown cited Miller's background as a Castro County native, a farmer, teacher and lawyer.

"I have read that three factors combine to determine one's life," Brown said. "These are heredity, environment and, of course, one's own self."

"Our award goes to one who may rightly claim a wholesome heritage, to one who is a member of a prominent family... a family whose integrity and stability have merited respect and admiration of all."

"HE POSSESSES a deep devotion for the environment in which all of a lifetime has been spent, for he was born in Castro County, has seen this area pass through several stages of progress, and yet has always aspired for continued cultural and economic growth for our county."

"Though efficiently operating a prosperous personal livelihood, our Citizen of the Year has generously given time and effort toward the betterment of our community by working with, and holding offices in, most of our civic and professional organizations," Brown continued. "Those services rendered have been rewarded by esteem and respect of both the old and young alike."

"Our Citizen of the Year graduated from Dimmitt High School (in 1948) as the valedictorian and also as president of the senior class," Brown said. "He was the first person in Castro County to receive the Eagle Scout award — the highest rank in scouting — and has remained a leader in scouting."

"HE SERVED his country as a member of the US Army from 1953 through 1955. He has served as president of the Castro County Chamber of Commerce, and as president of both the Dimmitt Jaycees and the Lions Club. The Castro County Country Club, the Church of Christ, the Dimmitt School Board and the Castro County Library have all progressed under his capable leadership...."

The Castro County Country Club, the Church of Christ, the Dimmitt School Board and the Castro County Library have all progressed under his capable leadership...."

"He then taught for a time in the Dimmitt school system.

"HE EARNED a bachelor of laws degree from the University of Texas — with honors — and has since earned his Doctorate of Jurisprudence.

"A husband and a father of four children, a farmer, a teacher, a lawyer, and a person who takes time from his personal responsibilities to contribute so much toward making our county a better place to live is Jack Miller, Castro County's Citizen of the Year," Brown concluded.

Miller received a standing ovation from the 225 persons attending the banquet.

Dimmitt gets first \$15,000 in tax return

Dimmitt received its first city sales tax return Friday — a payment of \$15,032.73 based on retail sales in the fourth quarter of 1970.

THE CITY'S voters approved the one percent sales tax last year to go into effect the fourth quarter.

The state comptroller's office reported that Dimmitt had gross collections of \$16,106.17, representing retail sales of \$1,610,617 on taxable items during the final three months of 1970.

The sales figure does not include retail goods that are exempt from the sales tax — basic food products, farm machinery, farm chemicals, autos, professional services, etc.

FROM THE gross collections here, the state kept \$322.12 as its two percent service fee and retained \$751.32 to cover possible errors or returned checks. This amount will be forwarded with the next return if not needed for balancing the fourth-quarter returns.

"In preparation for his profession, he obtained a bachelor of science degree in agriculture from Texas Tech — with honors — and farmed for a time near Dimmitt.

"He then taught for a time in the Dimmitt school system.

"HE EARNED a bachelor of laws degree from the University of Texas — with honors — and has since earned his Doctorate of Jurisprudence.

"A husband and a father of four children, a farmer, a teacher, a lawyer, and a person who takes time from his personal responsibilities to contribute so much toward making our county a better place to live is Jack Miller, Castro County's Citizen of the Year," Brown concluded.

Miller received a standing ovation from the 225 persons attending the banquet.

"RAINBOW BLOSSOMS Among the Dust" was the decoration theme of the annual Chamber of Commerce banquet in Dimmitt High School gymnasium Saturday night. Members of Beta Sigma Phi sorority, under the direction of Mrs. Roy Ellis, converted the gym wall to an impressive, colorful backdrop for the head table. Here, Dr. James Granberry,

mayor of Lubbock, delivers a joke to an appreciative audience. At table in left foreground are Dimmitt High School's regional champion Bobcats and their coaches, who were the guests of honor. Table decorations included pot-pansies for the ladies to take home.

CHAMPION PICKUP at the Lubbock Autorama 71 Sunday was this 1941 Ford pickup exhibited by Wade Maynard of Dimmitt. The beautifully reconditioned black pickup—a familiar sight in Dimmitt—won out over all others in both early and late model pickup divisions to capture its second straight championship at the Lubbock auto show. For the contest, the pickup sported a new set of blackwall, white-lettered tires and an under-hood light to show off its chromed 283 Chevrolet engine. Inside the cab, the customized pickup has hidden stereo speakers, foam trim and tape player.

15—LEGAL NOTICES

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING) The Texas Highway Department is planning the improvement of State Highway 194 from South Street in Dimmitt to 1.7 miles northwest of Hart. The proposed highway project will pass into the City of Dimmitt.

The proposed project contemplates the reconstruction of the present highway to a two-lane highway with paved shoulders. This proposed reconstruction will be within the present usual 100 foot right of way of State Highway 194 except for four minor relocations that straighten offsets (three of twenty five feet and one of fifty feet) that presently move out around wide right of way of the Fort Worth and Denver Railway Company. Additional right of way required at these four relocations will be obtained from the Fort Worth and Denver Railway Company by Castro County. The proposed project also contemplates the reconstruction of the State Highway 194 and U. S. Highway 385 intersection to provide for a safer flow of traffic. The north bound U. S. Highway 385 traffic to be stopped for State Highway 194 traffic. Maps and other drawings showing the proposed location and geometric design and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Littlefield, Texas. Also, the drawings showing the proposed geometric design have been placed on file with Castro County and the City of Dimmitt.

Information about the State's Relocation Assistance Program, the benefits and services for displaced persons and the relocation assistance office, as well as information about the tentative schedules for acquisition of right of way and construction, can be obtained at the Resident Engineer's Office. Any interested citizen may request that a public hearing be held concerning the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office, Box 868, Littlefield, Texas 79339 on or before April 16, 1971.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing. 15-24-tfc

Mrs. Tischler is HD Woman of Year

Mrs. Sue Tischler, member of the Flagg Home Demonstration Club, was announced as the "HD Club Woman of the Year" last Wednesday of the county-wide Home Demonstration Association Banquet.

THE EVENT was held in the Colonial Inn dining room at noon. "Stairway to Progress" was the banquet theme.

Mrs. Tischler received an engraved silver tray from Mrs. Irene Keating, county HD agent, who announced the 1971 Woman of the Year.

Mrs. Tischler is the president of the Flagg HD Club, and also has served a year as reporter and two years as vice-president. She has been in HD club work five years.

In announcing Mrs. Tischler as the Woman of the Year, Mrs. Keating said:

"SHE HAS helped with the club and council activities, is an adult 4-H leader in foods and clothing, and has served as organization leader.

"Her family enjoys camping and fishing every summer. Her baby, Senecia, 3, has gone with them the last two years. Sue made her a sleeping bag from an old army coat; it is warm and just the right size.

"Sue enjoys sewing, crocheting, and collecting old dishes and keeping a scrapbook of the family's activities."

MRS. TISCHLER and her husband, Delton, have four children—Mike, 14, Sandra, 11, Toby, 5, and Senecia, 3. The Tischlers are members of Littlefield's St. Martin Lutheran Church, where she assists with the kindergarten class.

Former HD Club Women of the Year in Castro County were Mrs. James Welch of Bethel in 1965,

Mrs. Wes Anthony of Big Square in 1966, Mrs. M. F. McRee of Mulkey in 1967, Mrs. Earl Lust of Bethel in 1968, Mrs. Moss Howell of Bethel in 1969, and Mrs. D. L. Cleaver of Mulkey in 1970.

Recreation at last week's banquet was provided by the Dimmitt Promenaders, who gave a square dance demonstration. In charge of the program were Mrs. Tischler and Mrs. Laurence McLain. Mrs. McLain outlined the work of the new Castro County unit of the American Cancer Society.

THE BETHEL H.D. Club was in charge of decorations for the banquet, while the Flagg HD Club was responsible for programs and the Mulkey HD Club for recreation.

Mrs. Nell Ingram is the County HD Council chairman and Mrs. Hattie Howell is the THDA chairman for the county. Delegates to the county council were Mrs. Buena Shwen of Bethel, Mrs. Blanche Ginn of Flagg and Mrs. Onaida Hufro of Mulkey.

'Fun After 50' club will meet

The newly organized Castro County "Fun After 50 Club" will meet next Tuesday night at 7 p.m. in the community room of the First State Bank.

Everyone is invited to attend but the club is especially for those over 50 according to Mrs. Cecil Ginn, president. Those attending are asked to bring their dominos. Refreshments will be served.

GOOD husbandry consists not only in producing but in continuing to produce good crops.

Miss Barham

Vows set for June

Mr. and Mrs. Perry Barham of Hart announce the engagement and approaching marriage of their daughter, Brenda, to Jerry Davis, son of Mr. and Mrs. Thomas Davis of Hart.

MISS BARHAM is a member of the Hart High School class of 1971. Davis is a 1970 graduate of Hart High.

Wedding vows are planned for June 11.

Mrs. Powell wins Tops KOPS honor

After meeting at Dr. B. D. Murphy's office for weigh-in and roll call last week, members of the Dimmitt SOS Tops Club walked to the home of Mrs. Jean Petty for a big program that included the installation of officers and the naming of the 1970 KOPS Queen, "Mrs. Inspiration," Best Loser and division winners.

MRS. Patricia Powell won the honor as the 1970 KOPS (Keep Off Pounds Sensibly) Queen. Her claim to the coveted title resulted from a weight loss of 43 pounds during the year.

Named "Queen of the Week" was Mrs. Frances Goodwin, who recorded a five-pound weight loss. The 18 members attending last week's meeting recorded weight losses for the week totaling 16 1/2 pounds.

Announced as the Best Loser of the Year was Mrs. Agnes Brockman, with losses totaling 20 1/2 pounds. Division winners and runners-up were:

DIVISION 3 — Dolores Schulte, first place; Lyn Day, runner-up. Division 4 — Agnes Brockman, first place; Rose Birkenfeld, runner-up. Division 5 — Leola Elkins, first place; Tommie Petty, runner-up. Mrs. Petty installed new officers in a candle lighting ceremony. The new weight recorder for 1971 is Arlene Oldfield, her assistant is Audrey Nelson, and the club reporter is Jo Hankins. Agnes Brockman, Rose Birkenfeld and Lyn Day all received charms for 10-pound losses. The club meets each Monday at 6 p.m. in Dr. B. D. Murphy's office, 405 NW Third St.

Peter Marshall's 'First Easter' will be reviewed

Due to the forthcoming Easter holidays, the Dimmitt Book Club will hold its April meeting next Wednesday instead of the second Wednesday of the month.

MRS. FRANK WISE will review the book, "The First Easter," by Rev. Peter Marshall. Her book review will begin at 4 p.m. in the First State Bank community room, and will be preceded by a business meeting at 3:30. The review is open to all persons interested in attending.

"The First Easter" is a series of the late Rev. Marshall's inspiring sermons compiled by his wife, Catherine, who earlier wrote "A Man Called Peter," based on the life story of the dynamic Welsh immigrant who became the chaplain of the US Senate.

IN "THE First Easter," Mrs. Marshall has skillfully wrought a dramatic narrative of Easter from the sermons of her late husband. Rev. Marshall's version of the Easter story is exciting, reverent and graphic. He captures both the essential significance of the Crucifixion in Christ's own time, and in a moving summation he explains the meaning of Easter for today's Christians.

Newspapers offer \$800 scholarship

BALLINGER — West Texas Press Association is looking for another winner in its \$800 newspaper scholarship contest.

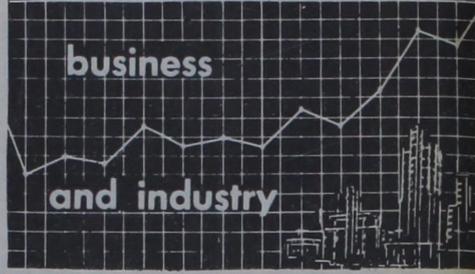

contest will be received from high school seniors until April 15, Richard H. Perry, chairman of the scholarship committee, has announced. Application should be sent to Richard H. Perry, editor of The Ballinger Ledger, Ballinger, Texas 76821. Announcement of the winner will be made by May 15.

West Texas Press Association, which started the newspaper scholarship in 1956, has four students in college this year. One will graduate this spring.

Rules for the scholarship contest have been mailed to high school principals and to newspaper editors or publishers of the West Texas Press Association area towns, who will be glad to help with the necessary application details. Interested applicants must be in the upper 25 percent of their class, must have demonstrated ability in newspaper journalism and a desire for a newspaper career.

The winner will receive \$200 per year (\$100 per semester) for each of the four years of college, providing satisfactory academic requirements are met.

Eleven West Texas colleges and universities have been designated for scholarship winners by WTPA. These are Abilene Christian College, Angelo State University, Hardin-Simmons University, Howard Payne College, Midwestern University, Sul Ross University, Texas Tech University, University of Texas at El Paso, Texas Christian University, Wayland College and West Texas State University.

Drive going well for Easter Seals

Castro County's Easter Seal Representative reported this week that the 1971 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well. Mrs. Walter Maynard serves as Easter Seal Appeal Treasurer for Castro County.

THE 1971 Easter Seal Appeal will finance the Easter Seal Society's rehabilitation program for crippled children and adults in Texas. Last year the Society helped over 21,000 disabled persons through its program of assistance in finding and making effective use of services for the disabled and their families.

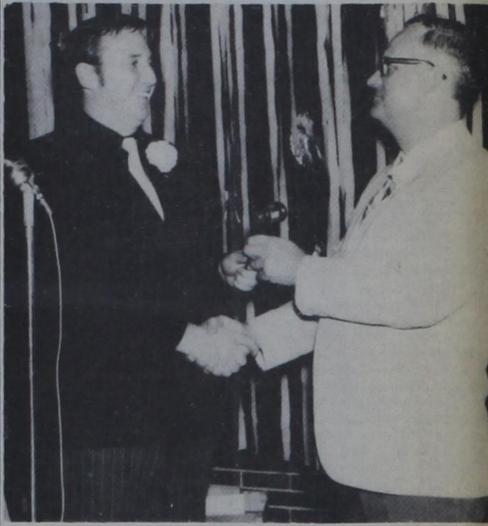

The Easter Seal Society helps support 20 treatment facilities in Texas where children and adults are treated, regardless of ability to pay. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

As Easter Seal Representative, she is the person to contact for services from the Easter Seal Society. She can be contacted at the First State Bank, Dimmitt.

WHEN contacted for services, Mrs. Maynard will request the Easter Seal Society to investigate the needs of the disabled person and will ask that the Society advise the handicapped person of the best resources available to help her.

She added that contributions to the Easter Seal Appeal should be sent to her as soon as possible, as the 1971 Appeal ends Easter Sunday, April 11.

REEFORD BURROUS (right), new president of the Castro County Chamber of Commerce, accepts the gavel from Bo Bryant, outgoing president, during the annual CofC banquet in Dimmitt High School gymnasium Saturday night. After commending Bryant for his work during the past year, Burrous said his first goal as president would be to form an industrial development commission for the county.

Burrous pledges industrial team

Formation of an industrial development commission for Castro County will be the first goal of the Chamber of Commerce this year, according to Reeford Burrous, new CofC president.

BURROUS told those attending the annual chamber banquet at Dimmitt High School Saturday night that the Texas Industrial Development Commission and Southwestern Public Service Co. already have pledged their help and cooperation in the project to seek beneficial new industry for the county.

"The state has many services and many industrial developers," Burrous said, "but the final choice in gaining new industry rests with the work of the individual community and its leaders."

Once the industrial development team is organized here, Burrous said, "Southwestern Public Service Co. has offered to conduct a school to train these team members."

BURROUS, who is the plant manager for West Texas Telephone Co., accepted the president's gavel at Saturday night's banquet from Bo Bryant.

Nelson addresses PHSPA convention

News Managing Editor Don Nelson, president of the Panhandle Press Association, was the keynote speaker Saturday at the annual convention of the Panhandle High School Press Association at West Texas State University.

NELSON outlined the career opportunities in the various phases of journalism to more than 200 high school and junior high journalism students and their sponsors.

The all-day convention, held in WTSU's activities center, also included workshops on yearbooks, school newspaper production and photography.

Bentsen tells why he voted against the SST

By SEN. LLOYD BENTSEN

I voted against continued federal funding of the SST because, primarily, I think it is an economically unsound investment of the taxpayers' money.

IT IS projected that the supersonic transport plane will cost approximately one-third more per seat mile to operate than subsonic jets. I don't believe that travelers will be willing to pay that kind of premium to save less than three hours on a flight to Europe.

The timing for its construction could hardly be worse. With airline debts and operating losses at an historic high, to burden airline operations with billions of dollars of investment in a basically inefficient plane doesn't make sense.

The argument that the Russians and the French will get ahead of the United States doesn't add up. I remember the big lead which the British had with the Comet, but a few years later when we solved many of the major technological problems and the industry could use it, the United States moved in with a much more efficient aircraft to capture the

market. When the SST is made economically practical and feasible, I have confidence that the United States can and will meet the competition.

WE MUST not succumb to a myopia that places technological elegance above the economic and social utility that in the past have made American aircraft supreme.

The airlines are unprepared to absorb the cost of the SST now or in the immediate future. Some lines are already cancelling orders for the 747 and many of the airlines today are flying with less than 50 percent loads; how can we expect them to buy a

new generation of aircraft? At a time of a substantial deficit in the national budget and national needs of much greater significance, we cannot afford this extravagance of the taxpayers' money.

If, indeed, private industry cannot afford completion of the project after expenditure of over \$886 million of taxpayers' monies, it has failed the test of the marketplace.

I listened to all the arguments, emotional and reasoned. I voted against the continued spending for the SST because I thought it was the right vote.

Happy Home Environment
WHAT'S THE IDEAL?

■ Most people would agree that the ideal happy home environment must take into consideration the environmental aspects as well as the spiritual and human relationships.
■ In the present state of technology, electricity does its job well when it comes to environmental aspects of conditioning the air in your home.
■ The ideal system, now available, not only does its job of comfort heating in winter and comfort cooling in summer but also refines the air itself. Electric humidifiers control the amount of moisture in the air and electrostatic air cleaners remove undesirable dust particles.
■ So then, 4 things to give you a happier home environment . . . electric heating, electric cooling, electric humidification and electric air cleaning . . . and all of it automatically. Ask your Public Service manager for complete information.

City gets \$2,230 as first sales-tax return

By MYRT LOMAN
The City of Hart has received its first city sales tax return since voters here adopted the one percent tax last fall.
THE CITY received a check for \$2,230.13 from the state as its return for the fourth quarter of 1970. This does not represent all the city's collections for the quarter, since the state withholds a small percentage to cover any possible miscalculations or non-payments, and reimburses this amount with the following quarter's payment if no other demands are made on it. The state also takes a service fee.
The city will now receive a sales-tax return check after each quarter of the year. Merchants collect the city sales tax along with the state sales tax on applicable merchandise. The total sales-tax collections are sent to the state, which computes and apportions the shares.
Hart's first sales tax return indicates retail sales of approximately \$225,000 on taxable items during the fourth quarter of 1970.

a meeting Friday, April 9, and each club member is to bring a guest.
★ THE JUNIOR-Senior Banquet was held Saturday night in the school cafeteria.
Theme of the banquet was "Romance in Venice."
The meal was served by the sophomore girls and boys.
Keith Lemons, member of junior class, was master of ceremonies. Johnny Ethridge, junior, gave the welcome and Ralph Ed Bell, senior, gave the response.
Dee Clevenger and Chuck Lyons read the senior class prophecy, and Roni Cox and Steve Hankins read the class will.
"The Spirit of '71," a group of Olton High School students provided the entertainment.
Sponsors of the junior class are Lanny Tucker and Barry Hughey.
★ THE FUTURE Homemakers of America recognize three degrees of achievement: junior, chapter and state.
This year three Hart High School senior girls obtained the State Homemaker Degree of Achievement. They are Sharon Brooks, daughter of Mr. and Mrs. Paul Brooks; Carolyn Cole, daughter of Mr. and Mrs. Everett Cole; and Carol Ann Miller, daughter of Mr. and Mrs. Dwight Miller.
The attainment of a State Homemaker Degree included many opportunities for individual improvement, for developing leadership, for improving relationships between individuals and among groups, for helping the FHA's find their place within groups such as the home, the school and the community, and to accept responsibilities within these groups. The State Degree is the highest honor bestowed in the Future Homemakers of America.

The highlight of the evening was the graduation ceremony of Jackie Davis, receiving his Webelo award and advancing into Boy Scout Troop 246.
Robert Lacy joined the Webelo Den.
Men of the First United Methodist Church furnished refreshments.
Mrs. Leonard Griswold conducted a workshop at her home Friday after school for Pat Six and Robert Lacy.
★ THE Northwest Texas Annual Conference of United Methodist Women's Society of Christian Service was held in Pampa Tuesday and Wednesday.
Mrs. T. H. Taylor was a voting delegate from Hart, and Mrs. Leonard Griswold as alternate. The two ladies left Hart at 6 a. m. Tuesday and returned home Wednesday night.
The next meeting will be in Plainview April 11 and 12.
★ THE W.S.C.S. met last Thursday morning in the First United Methodist Church.
Mrs. Leonard Griswold read the Scripture lesson and the poem, "Do You Know the Lord?" She also gave some of the highlights of the next study, "The Americas," which she will be teaching.
Participating in the discussions were Mrs. Paul Armstrong, Mrs. W. C. Crick, Mrs. T. H. Taylor and Mrs. Griswold.
★ HART P.T.A. met last week for a program and election of new officers for 1971-72.
Mrs. Ben Kennedy gave a report of the last Bi-County PTA Council meeting in which it was voted to sponsor a drive for elementary school books to be sent to Vietnam. Hart will participate in this project and will pay either one-fourth of the freight charge or allow \$50 for freight.
New officers elected by acclamation were Mrs. Max Marble, president; Mrs. Mike Burnam, vice-president; Mrs. W. G. Martinez, secretary; Aubrey Myers, treasurer; Mrs. W. T. King, historian; and Frank Barnes, parliamentarian.
Room count was a three-way tie between three first grades and

a two-way tie between ninth and 11th grades. The PTA voted to donate to each room the sum of \$2.50.
Lewis Winters, music teacher presented a choral concert by students of grades one through four, with folk, cowboy, Hawaiian railroad and spiritual songs.
This was the largest attendance at a PTA meeting this school term.
The choral group of the fifth and sixth grade students will present the next program on April 22.

In the Hart School Board election, Fenton Upshaw and David Nelson seek re-election, with one new name on the ballot, Cleve McLain.
Two places are to be filled on the school board.
Each voter must present his registration receipt.
★ HART'S junior high and high school girls' volleyball teams both won their district championships last week.
The junior high girls defeated Vega in the second round and

Bovina in the finals after drawing a bye in the first round. Members of the District 3-A championship junior high team are DeAnn Bailey, Genice Crosby, Vickie Martinez, Carla Rambo, Cindy Hill, Beth Hacker, Pat Waide, Bonnie Ethridge and Vicky Guzman.
In the high school girls' tournament, Hart defeated Sudan 15-8, 15-9 in the first round, then ran up against their stiffest competition when they faced Springlake in the semifinals. Hart defeated Springlake 15-8 in the first set, but Springlake won the second set by a close 15-13 score. Hart captured the playoff set, however, turning back Springlake 15-12 to advance to the finals.
In the championship bout, Hart won a pair of easy sets over Vega, 15-7 and 15-4.
Members of the high school girls' championship team are Diane Barham, Brenda Cheves, Roni Cox, Kathy Crawford, Deb-

Did you know that we once used bronze two-cent pieces?
They were introduced when Abraham Lincoln was finishing his first term in 1864. Although short-lived, they hold an immense interest with numismatists today.
The American two-cent piece was our first coin to contain the motto "In God We Trust." The introduction of this phrase was due to the crisis of the Civil War.
The 1864 issue of the bronze two-cent piece had two varieties, the small motto and the large motto. The former variety is scarce.
On the obverse of the coin is a shield, the motto and the date. The reverse has "2 CENTS" in the middle surrounded by two stalks of wheat and our country's name on the border.
The bronze two-cent pieces were minted until 1873.

Now you can spread out your spring work load, and speed up milo planting. How? By applying Milogard before you plant.

Yes, now you can put Milogard on anytime after you plow. Get it on early so spring rains have a good chance to move it into the soil. Protects your milo during that critical period right after planting, when weeds really knock yields.

Raising prize-winning animals requires a year of hard work

By RANDY MORGAN

Ever wonder what it takes to develop a prize-winning show animal? Most dwellers of the city are understandably in the dark about the farm boys and men who raise and sell "blue chip" stock.

IN RAISING show animals, an exhibitor can't goof off during the time he's working with the animals and come out on top. Raising a blue-ribbon show animal means a lot of hard work. There really aren't any tricks one can use to win a blue ribbon unless it is in the show ring.

The ones who usually win the shows work hard with their animals year-round. To get a good start, one wants to get a good animal. But winning depends mostly on what one does with the animal between the time he gets it and show time.

One who raises a steer usually gets it in the spring. He feeds it all through the summer, fall and most of the winter. He spends many hours of work. This includes washing and trimming the steer prior to the show. The boys who usually do a good job of raising steers wash them regularly throughout the year.

THE BOYS who raise pigs usually get them in the fall.

With sheep, it depends on what breed you get. If you buy a Hampshire or a Southdown you normally purchase it in the summer. A fine-wool or a crossbreed is bought and started in the fall.

When the owner is showing the lamb, he usually braces it so that the animal's legs are wide apart but still under it to make the rump look wider. The owner also wants the lamb to be "tight" looking and feeling when the judge is evaluating it.

Randy Morgan, DHS ag student, commented, "You tighten them up by making them push against you."

DON HRABAL, senior ag student, stated, "I believe these prospective farmers gained a lot of good business experience by raising these animals."

The raising and showing of a prize-winning animal is a lot of work, but the rewards can be great.

FHA girls have Southern Supper honoring mothers

The FHA girls were the hostesses of a "Southern Supper" for their mothers last Thursday night in the high school cafeteria. One hundred and fifty girls and their mothers attended.

"SEE Mother Run" was read by Debra Reed. Games were played and prizes were given to some of the mothers.

Long-stemmed white carnations were presented to Mrs. Joy Jones

Campus chatter

Hi out there, sports fans. Here is the authentic Campus Chatter from the halls of DHS:

THE Journalism class would like to thank everybody who helped make our game a success. It's too bad that our coaches couldn't pull it out.

Wonder what the reason for Nancy Tisdale wanting to fight Shawnee Burroughs is?

Does anybody want to buy a Shetland pony? If so, contact Pete Gonzales. He still prefers a mule.

Henry Rivera sure enjoyed his dates with Elsie Tijerina and Felicia Rueda. Don't you feel anything, Santos Gonzales?

HAVE YOU noticed that Rosie Pressas and Nati Anes are always together, holding hands?

Hey, Coach Askey, when are you going to move your possessions into the gym? Since you are already eating there, you might as well live in there.

Seems like a guy who is tough enough to take track ought to be tough enough to play basketball whenever he wants to. Don't you agree, Coach Blair?

MR. KELLY is learning the crafts of a teacher rapidly. That's all right, Mr. Kelly, don't let those sixth period kids jump on you.

Lee Summers now belongs to the New York Jets. Haven't you seen him wearing that T-shirt?

It's amazing how some people can get away with skipping and a poor girl cuts one period and nearly gets murdered. Right, Linda Malone?

MIKE DODSON and Danny Ebeling were chasing some girls last weekend. We understand they finally caught them.

Say, George Copeland, it is true, that you have a girlfriend whom you met at camp? If it is true, why don't you let all of us know about it?

Would somebody in woodworking please make Mr. Crider a good strong board? He ruined his other one on Frank Crespin.

Andy Mays and Veda Kirby are very happy together. Just thought somebody would like to know.

Luther Perez thinks he is a big-time gambler. We understand he won 20 cents last Friday.

AGNES GARCIA and Juanita Garcia, what were you doing at the beginning of third period? Guess what? The journalism class reports that we are going to have an annual after all! It'll

DHS coaches lose but J-class wins

"I just couldn't get anything to go down. Must be a little out of shape. Man, some of our coaches sure showed some fantastic moves, huh? I'm going to bring my own rebounder along next year commented Coach Brown Smith, one of the many player-coaches of DHS in the game played against the KGNC North-Flushers last week in the North Grade Gym.

The game was sponsored by the journalism class.

A nice crowd netted a total gate of \$139. This was split three ways, with the journalism class clearing \$70, KGNC's team netting \$25, and the D-Club receiving \$29.

Coach Ken Cleveland, athletic director and head roundball coach, led the way for all scorers with 26 points, and Bob Lively of the Four-Flushers netted 21 tallies to lead the victors. The Four Flushers also brought along their big Sports Department head, Sammy Smith.

Also playing for the coaches were "Dandy" Don Parker, Bob Askey, Gene "The Machine" Kine, Roy "Boy" Blair, Ken Ringo, Bill Scott of the Highway Patrol, and Jim Ratcliff, a local businessman and former Bobcat athlete. Also, from the junior high ranks came Coach Al Lemons.

We would like to say thanks for your help in support of the financial payment of the year-book.

Worldwide 'walkathon' urged by UN

Students around the world are urged to hit the road walking on May 8 and 9 in an International Walk for Development to show their concern for the effects of poverty on their fellow men.

WORLDWIDE, the objective is three million walkers, according to the U. N. Food and Agriculture Organization, international sponsor of the Walks.

"We expect more than a million students to walk in 40 states," said Mike McCoy, U. S. Youth Chairman of International Walk Day (IWD). McCoy, a senior at Marshall-University High School, Minneapolis, has taken a semester off to work in the Washington headquarters, Young World Development of the Americas, Freedom from Hunger Foundation.

"The Walks are designed to impress on Americans that steadfast support for global development is absolutely fundamental to our survival as a nation and as a people," McCoy said.

IN ADDITION to their educational objectives, the Walks raise money for domestic and international self-help projects such as a nutrition center in Florida for migrant children and a rural education center in Dahomey.

The walks work like this: A local group organizes to recruit walkers and organize a public education campaign. They map out a 20 to 30 mile route. Each walker solicits his own sponsor who pledges from a few cents to several dollars for every mile walked. Local groups choose international and domestic projects to help fund.

Spanish Club selling candy

About two weeks ago, the Spanish Club received 600 boxes of candy which they are selling at \$1.00 per box. So far, they've sold about half of them. A meeting was held on Tuesday to decide how they are going to sell the rest of the boxes.

IT WAS decided that the club would get together on Wednesday night to sell the remaining candy.

The purpose of selling this candy is to raise money for a gift for the school and also, for an end of school party.

Mrs. Parker, club sponsor, stated, "I would like to thank each person who has bought candy

MRS. SUE BRODERSON DEMONSTRATES CRAFTWORK ... To Duke Chapman (seated) and Johnny Thomas

Student artists doing craftwork

Mrs. Sue Broderon's art classes have started a series of craft studies. They just completed two weeks of wire sculptures of insects, animals, people, and other objects.

The art students are now doing two weeks of decoupage of cream cans, purses, plaques, trunks and other things.

Soon the students will be doing clay sculptures for two or three weeks.

On the days that are pretty, the art students will be going outside to sketch.

There will be an art exhibit in the foyer of the high school auditorium April 6. Examples of paintings, drawings, and crafts will be shown.

Mrs. Broderon commented, "Every year it seems like the students get better at their work."

There are plans for an all-day field trip to area museums and galleries, "probably in Lubbock," Mrs. Broderon said.

and especially the members of the club who have worked hard to make our sale a success."

Choir to sing Easter music next Thursday

The combined junior and senior high choir will be presented in a program of Easter music April 8 at 10:40 a.m. in the high school auditorium.

THE CHOIR will be accompanied at the organ by Cecil Bolton of Lubbock, dean of the Lubbock College of Music. Mr. Bolton holds a master's in organ, a master's in piano, a master's in composition and has finished considerable work toward his doctorate.

A preview concert was given for the high school student body Friday.

Admission to the April 8 concert will be 25 cents for students and 50 cents for adults. The proceeds are earmarked for choir robes that will be purchased when sufficient funds are accumulated.

Journalists win district via forfeits

Dimmitt High School's journalism entry in the UIL competition was notified Friday that they had won in the district competition.

THE TEAM, consisting of David Musick, Rosa Ortiz, and Linda Elder, was awarded the prize on a forfeit by the other entrants.

The Dimmitt journalists next stop will be regional competition in Lubbock.

DAVID MUSICK, DHS student entered in newswriting stated, "I sure didn't think it would be this easy." Gee, we could go all the way.

Rosa Ortiz, feature writer entry stated, "We'll sure do our best to win."

ON SPORTS

By PAXTON

What's the trouble? It seems as though there's always been a little trouble about playing basketball during football season and vice versa.

WE ALL understand that if it's football season, then basketball shouldn't be played and the same when it's basketball season. But in the spring since we don't have a certain sport, then why should it matter if a boy works out for football in the evening and basketball at night if he chooses to do so.

We agree that if someone is running track then he shouldn't do anything but run track until track season is over. But for those who aren't in track, it shouldn't really matter whether or not they played basketball or football. And since there's no specific season, then we just want to know why all the fuss.

FOR THOSE who were able to attend the Amarillo drags Sunday they witnessed a fine exhibition of beautiful machinery at work. The drags are becoming one of the nation's fastest rising sports. This is a sport dealing with a lot of hard work and money, also steady nerves. This sport isn't just dragsters, but also cycles, funny cars, and expeditions. Often there are people from small towns, like Dimmitt, who take their street cars to run for prizes.

All and all the drags are a very exciting and dangerous sport, and for those who have never seen the drags, we encourage you to make the next meet.

LAST YEAR, thousands of children were killed in avoidable accidents and thousands more crippled. The Texas Easter Seal Society works to rehabilitate many of these children—with funds contributed to the annual Easter Seal campaign, March 1-April 11.

Palm service is planned Sunday

By Mrs. Florence Albracht
Sunday, April 4, Holy Family

parish will celebrate Palm Sunday with a procession, after the palms are blessed in the Religion building at 7:45 a.m., re-enacting Christ's glorious entry into Jerusalem, singing the psalms "Hosanna in the Highest." During the mass the Passion of our Lord will be read with all taking part. This is the beginning of Holy Week.

★ **SONNY Ball** is still in Methodist hospital in Lubbock. After spending several weeks at home after returning from Vietnam, Jimmy Schmucker left Monday, March 29 for Washington, D.C. to complete his tour of Army

duty. The Dan Schmuckers were hosts for a family dinner and party for the Joe Schmucker families and friends Sunday, March 28. The John Dea family of Lubbock had dinner Sunday with Max Acker. Their two sons who are back from Vietnam were with them.

★ **COME AND enjoy the Smorgasboard** dinner served at the community hall, Sunday, April 4, by the Catholic Daughters. There will be four meat entrees, assorted salads, homemade bread, four desserts. Prices are \$1.50 for adults, 75 cents for children to 12 years old; and 25 cents for pre-schoolers.

Sunday the Future Homemakers of America started their week set aside each year for the FHA by attending the 10 o'clock mass in a body. Our pastor Father Stanley, talked to them on what it takes to build a real home, in this day of so many broken homes. It is not enough to know how to cook, sew etc., to make a good home. Much love, forgiveness and peace make a good home.

The members of the Knights of Columbus also attended 10 o'clock mass in a body, something they had originally planned for the Sunday of the blizzard and had to be postponed.

★ **OUR pastor, Father Stanley,** and 15 women from the parish attended the Plainview Deanery meeting in Friona on Wednesday, March 24. The theme was "One in the Spirit." The meeting opened at 9:30 a.m. with a Bible reading and hymn. Mrs. Don Dolle of Umbarger, president, conducted the meeting. Speakers during the day were Most Rev. Lawrence M. De Falco of Amarillo, Pauline Jacobs of Lubbock, Msgr. Francis Snyder of Amarillo. The panel on "Responsible Women in the Community Service" moderator was Father Rex Nichols of Plainview, who gave the women attending much to think of doing. The Eucharist was celebrated at 12:30 p.m. by Rev. Antonio Genzales, deanery moderator and the pastor of Friona Rev. Norman Boyd. Women from the parishes gave the readings and scriptural responses and led the singing. In the afternoon a skit led by Mrs. John Kretn of Abernathy on "Call to Order" was enjoyed by all. The meeting closed at 4:30 p.m. with a message from Msgr. Snyder, diocesan moderator.

★ **THE FRANK Hoeltings** were pleasantly surprised the past week when they had a call from their daughter Dianne and husband, the Warren Norrises, in Atlanta, Ga., that twin boys had been born to them and all were doing fine. Mrs. Hoelting is planning

on flying to see them soon.

The Talent Show sponsored by the C.Y.O. group drew a large crowd Sunday evening in the school cafeteria. Much local talent was enjoyed. Judges were Mrs. Henry Tuebel of Tulia, John Dalton and Mrs. Leslie Birkenfeld. First place winners in the junior division were Bruce Schulte in speech, senior Bernita Schulte singing, second places junior a sixth grade singing group, senior the Stork sisters, third place juniors a tie between Larry Ramackers and Clyde Birkenfeld and Rocky, Neal, Hugh and Eric Wilhelm, seniors a group of high school girls.

★ **MRS. Margaret Schmucker** spent several days with her son and family, the Alvin Schmuckers, in Hereford.

Tom and Viola Radwarski and Darryl Hoelting of Olpe, Kan. visited their grandmother Mrs. Lizzie Birkenfeld and family and the Hoelting relations over the weekend. Tom and Viola are getting their degrees in May at the teachers College in Emporia, Kan. and will be making their home in New Jersey.

★ **THE STYLE show and tasting** tea sponsored by the Women's Legion Auxiliary on Monday, March 22, drew a large group of women and girls and all enjoyed the evening.

DIHS to stage play next week

The Dimmitt Junior High School speech department will present a three-act comedy, "Boarding House Reach," next Thursday night at 7:30.

THE PLAY, directed by Mrs. Betty Hawkins, tells how a boy opens up his parents' home as a boarding house when they go on vacation. The menagerie of guests ranges from a punch-drunk prize fighter to "Rough House Ruby," lady wrestler.

The cast includes Greg Calvert, Brad Sanders, Lori Lee, Tonya Clark, Brent Armstrong, Robert Horton, Robert Calhoun, Shannon Truelock, Mary Hamilton, Larry Duke, Lydia Martinez, Lee Stokes, Wayne McKee, Bobby Bossett, Terry Young, Cholea Montez and Kelly Birdwell. Stage managers are Dudley Wooten, Eliza Ortiz and Raul Hermosa.

Cancer Crusade to begin Monday

The Castro County chapter of the American Cancer Society will meet at 7:30 p.m. Monday in Lamar Fellowship Hall of the First United Methodist Church in Dimmitt.

A **CRUSADE** workshop which had previously been scheduled for March will be conducted at this time, and everyone who has been asked to help with the Crusade is urged by Mrs. Laurence McLain of Hart, county president, to attend and pick up the material they will need.

Mr. and Mrs. Pete Steiert of Hart are the Crusade Co-chairmen. The goal for Castro County has been set for \$4,000.

Meeting set today on freezer foods

By **IRENE KEATING**
There is a meeting on freezer foods at 2:30 p.m. today (Thursday) for all women interested in becoming home demonstration club members in Dimmitt. We will be meeting at my house east of town. Mary Neil, Home Economist from Southwestern Public Service Company in Plainview is giving the program.

★ **THOSE OF you who live** southwest of town may want to join the Flagg Home Demonstration Club. They are meeting tomorrow at 2:30 p.m. Call Mrs. Delton Tischler for more information; she is president of the Flagg Club.

Saturday will be an important day for several of our 4-H girls. Sandra Tischler, Angie Wilhelm, Janet Smithson and Patty Hochstein will be participating in the District Food Show at Amarillo. Good luck to you girls.

There are so many pretty flowers blooming now. Maggie Boren's back yard is lovely—it reminds me of a picture or a spring poem. It is always so pretty. This time of year always perks me up and gives me a new outlook on life. To me it is a time to spruce things up and set new goals for myself. It inspires and thrills me to see grass become green, buds burst into bloom and those long sunny afternoons.

Charlie White of Dimmitt carded a 75 for the low gross spot; with Paul Webb of Tulia coming in two shots back with a 77 for second low gross.

The long driving contest on No. 1 h.c. was won by John Goodwin of Tulia. "Nearest to the pin" honors on No. 2 hole went to Dimmitt's Richard Walker.

★ **THE FIRST West Texas Pro-Am** Golf Tournament of the season in the Panhandle will be held at the Castro County Country Club Monday, with tee-off times from 9 a.m. until 2 p.m. Entry fee is \$6. Competition will be by four-man low ball teams.

★ **THE FIRST Playday** for the CCCC Ladies' Golf Association will be Tuesday at 9 a.m.; and at 5:30 p.m. for working members. Free group lessons for members of the association will be given at 9 a.m.; and again at 5:30 p.m. for working members.

Mrs. Garnett Holland, president, announced that almost \$300 was raised from the rummage sale, with the balance of the unsold merchandise donated to Girlstown.

General public doesn't realize how important water is to area

Dear Editor:
I wish that more of us could have been at the meeting held in Hereford sponsored by Water, Inc. It was very informative.

MANY problems are ahead before we are to have imported water. However, I think our biggest problem is to educate "We the People."

How many of the urban population realize the importance of water? It is hard to understand that only seven or eight percent of our population produces all of our nation's food. We had better stop and think.

Our High Plains produces some 25 or 30 percent of our food. When we are out of water, we, the rural people, will be the last to get hungry. A number of times I have been in Amarillo and heard the remark, "I am not in favor of importing water. We do not need more water—just look at the water being wasted."

MAYBE the waste is not as great as it looks. You cannot raise a crop by turning the water on and letting it run a short while and then turn it off. The soil must be wet to a certain depth before it can support plants. And to get it wet, we must let the water completely cover it. In doing this, we are going to let some water run out of the field

We have all seen the bar ditches full of water. But in many cases, the water is carried through the ditch to a large pit dug to take care of the overflow. Later the water is pumped back up the field and is run through again.

In many instances the surplus water is carried to another field and is used there. Sometimes the water is allowed to run out on the grass and water our pastures.

I have heard it said that our government subsidizes one large publishing house more than the whole farm program costs.

plenty of water.

It's **PIONEER** again this year.

Here's why:

ALLEN WEBB, Dimmitt, produced 178.8 bushels of corn this past year from 162 acres of Pioneer brand 3306. He also had a 25-acre field of 3306 that produced over 180 bushels per acre. Mr. Webb is an outstanding farmer who knows how to get the most from good management programs. That's why he's particular about the seed he plants. Naturally, we're proud that good farmers like Allen Webb plant Pioneer year after year.

Pioneer is a brand name; numbers identify varieties.

EULEUS and Winston Waggoner went to Shamrock on business Monday.

Mrs. Euleus Waggoner and Dolores attended the Dimmitt High School FHA mother-daughter dinner in Dimmitt Thursday night.

What's cooking at the schools

Here's what's cooking at the school lunchroom next week for students in North Elementary, South Elementary and Dimmitt Junior High. The menu for the DHS cafeteria will be essentially the same, according to Mrs. Sarah Blackwell, lunchrooms supervisor.

TODAY — Chicken a la King, green beans, applesauce, cookies, rolls, butter, milk.

Friday — Fish fillets with tartar sauce, steamed rice, green peas with carrots, coconut pudding, rolls, butter, milk.

Monday — Meat loaf with catsup, mashed potatoes, green beans, sliced peaches, rolls, butter, milk.

Tuesday — Pinto beans with ham, turnip greens, vinegar beets, cornbread, butter, milk.

Wednesday — Barbecue on a bun, cabbage slaw, baked beans, chocolate cake with icing, chocolate milk.

Next Thursday — Pizza, tossed salad, green peas, applesauce, milk.

Friday, April 2 — Baked ham with apple rings, sweet potatoes with marshmallows, green beans, white cake with coconut and jelly-bean icing, rolls, butter, milk.

Harold Schacher ends AF course

Airman Harold A. Schacher, son of Mr. and Mrs. Alfred K. Schacher of Nazareth, has graduated at Chanute AFB, Ill., from the technical training course for US Air Force vehicle repairmen.

AIRMAN Schacher, now qualified to repair towing and servicing vehicles, is being assigned to Bergstrom AFB, Tex., for duty with a unit of the Tactical Air Command.

He is a 1970 graduate of Nazareth High School.

WHERE erosion has occurred rain is no longer an unmitigated blessing. In many parts of these countries drought has come to stay, regardless of the weather. — Jacks and White in "VANISHING LANDS"

JERRY CLUCK, who was named by the Texas Young Farmers as the Outstanding Young Farmer of Texas for 1970, received another plaque in recognition of his accomplishment during the annual Chamber of Commerce banquet Saturday night. Here, Robert Benton (left), chamber director, presents a special plaque to Cluck. In foreground are Mr. and Mrs. Reeford Burous.

PIONEER BRAND 3306

It's **PIONEER** again this year.

Here's why:

W. G. HARLAN, Muleshoe, produced 168.6 bushels of corn per acre last year from 14.6 acres of Pioneer brand 3306.

"This was as clean and pretty a corn as I've ever seen," Mr. Harlan said.

Because of its excellent yield and profitability, he plans to plant 3306 again this year. Naturally, we're proud that good farmers like W. G. Harlan plant Pioneer year after year.
