NEGRO IN ASSAULT CASE TESTIFIES FOR SELF

DEFENSE FUND LARGEST FOR MANY YEARS

WASHINGTON, Feb. 19.—Largest war department appropriation bill, with one exception, in American peace time history, was reported to the House today. It carried an indirect warning to foreign nations that America plans a strong defense.

The \$378,690,000 army supply bill provided for purchase of 547 new airplanes, strengthening the national guard, and on direction of the president, increase of the army from 128,750 to 165,000 men.

The appropriations committee called for the largest military outlay since 1921, with the exception of 1931.

Taking the navy into account the 1936 budget for national defense is about \$100,000,000 in excess of the largest regular annual appropriation for national defense since enactment of the budget law, the report said. The budget of the navy was \$447,224,000 for the next fiscal year.

Barbara'll Act As Husband Says

Probably Barbara Kent, above, could rise to fame in the movies all on her own, but she just can't miss becoming a shining star because she's being managed by the man who guided such actresses as Garbo, Dietrich and others to the front rank of the famous. He's none other than Barbara's own husband, Harry Edington. That's the latest in a series of lucky breaks Miss Kent has had in pictures.

RELIEF FUNDS SWELLED BY A TRANSFER

WASHINGTON, Feb. 19.—President Roosevelt today transferred \$45,000,000 in unexpended PWA funds to the federal emergency relief administration, financing aid to the nation's 21,000,000 needy persons until March 1.

The action was taken after Relief Administrator Harry Hopkins announced he had spent the \$100,000,000 already allotted for relief this month.

The \$45,000,000, he said, would last until March 1. By that time, however, the administration officials expect congressional action on the \$4,880,000,000 work relief bill.

The relief administration, PWA Administrator Harold Ickes said, would pay the advances when it receives the \$880,000,000 relief appropriation in the bill.

Episcopal Minister Weds Catholic

By special dispensation, the marriage of Reverend Sherman Halstead Watkins, 72, an Episcopal clergyman, to Mrs. Anne White, 53, a devout Catholic, was made possible. The couple are shown leaving the rectory of the St. Patrick's Cathedral in New York, where the children of each witnessed the ceremony.

WITNESSES SAY KENNAMER IS SOUND IN MIND

PAWNEE, Okla., Feb. 19.—A procession of prosecution witnesses swore today that Phil Kennamer was sane when he killed John Garrell Jr., and his intelligence was above normal.

The state struck heavy rebuttal blows at the plea of insanity and self-defense offered by attorneys for the 19-year-old son of United States Judge Franklin Kennamer, on trial for his life.

"I think he was rational, knew the consequences of his own acts and knew the difference between right and wrong on the night of the tragedy," Dr. G. W. Robinson, Kansas City psychiatrist, testified loudly.

Dr. Robinson was qualified as an expert in nervous and mental diseases by the prosecution, after Tulsa school teachers had testified the young defendant's intelligence was far above normal.

Jersey Executioner

Robert Elliot, executioner who has sent 110 men to their doom in the penitentiary at Trenton, N. J., awaits the call to carry out the sentence imposed on Bruno Hauptmann. Five more are scheduled to die in the electric chair before Hauptmann.

SAID PROMISE SECURED FOR GUN'S RELEASE

Brother of Girl Also Testifies In Behalf of Sister At The Trial.

Frank Allen, Cisco negro, an trial in 88th district court on charge of assault to attack a transient, Mary Kertesz, in Cisco, Jan. 25, today took the stand in his behalf.

Allen testified Mary Kertesz told him she "would do anything he wanted if he would give her the gun."

What she meant he did not understand, Allen said.

Joe Kertesz, her brother, testified under interrogation of Milton Lawrence, defense counsel, he did not hear his sister tell Allen "a man's a man in the north—regardless of color."

Question of Dewey Ball, a companion of the brother and sister, brought forth admission he had served some time in disciplinary barracks at Fort Leavenworth, Kan. He was emphatic in his denial of ever serving in the federal penitentiary at Leavenworth.

Joe Kertesz denied that a railroad yard worker in Cisco threw a can at him, when under the barrage of questioning of Lawrence. He said, however, that something of that nature occurred farther "down the line."

"He thought I was a bum," Kertesz said.

Testimony of the defendant and Cisco officers conflicted. Allen testified that he did not tell officers upon his arrest and fingerprinting at Cisco jail he said he did not recognize them.

Officers Henry Stubbfield, O. Gustafsson and Cisco Chief M. L. Perdue stated that Allen told them he had never seen Ball, Kertesz or his sister.

Defense counsel this morning endeavored to draw from witnesses that one of the party had opened a box car and stolen, but no admission was forthcoming.

Joe Kertesz and his sister, both Hungarians, told Monday afternoon of their leaving Hammond, Ind., for El Paso. In Fort Worth, Kertesz said, he and his wife split up as she was to continue by highway to their destination. His wife was present during court proceedings.

At noon recess it was thought testimony was near completion.

Jurors are Norman Gray, E. L. Amis, H. Brekford Jr., H. C. Overbey, R. H. Brawley, V. H. Carter, J. L. Chance, Oscar Wilson, R. E. Hardwick, Edgar Harris, M. H. Parrish and Alvin Stroebel.

Plans Are Made For Times' Largest Cooking School

Ranger women have a real treat in store for them when the Times Cooking School starts in March. The Ranger Times, under the leadership of Mrs. Martha McDonald as lecturer and Happy Kitchen demonstrator, has planned one of the most attractive schools ever to be held in these parts.

The merchants have all come in with us and they are giving prizes that will be outstanding—real prizes. The women of Ranger and vicinity have always attended these Times Cooking Schools in large numbers, but this year the attendance will be increased because a number of women from the country plan to attend as do women from the neighboring cities.

Keep the dates open, read the announcements from time to time and remember the school will be one of the best ever to be attempted in these parts.

Everyone is invited. Classes will open promptly at 2:30 and close at 3:45.

Those co-operating in the Cooking School, to be held at the Ranger Masonic temple on March 5, 6, 7 and 8, are: Oakwood Jersey Dairy, Schooley's Bakery, Adams & Co., Piggly Wiggly, Texas Electric Service Company, Community Public Service Company, Killingsworth, Cox & Co., Montgomery Ward & Co., Ranger Furnitures Exchange, Joseph Dry Goods Company, Hassen Company, Inc., J. C. Penney Company, Clyde H. Davis, J. C. Smith, Ranger Floral Company, Burton-Lingo Lumber Company, Zimm's Bottling Company, Strawn, Ghoson Hotel, Ghoson Coffee Shop, Anderson-Fruet, Inc., A. J. Ratliff, Electric Shoe Shop, Paramount Pharmacy, Zuella Beauty Shop, Moderne Studio, Sinclair Service Station, and Elmer Rust.

Mrs. Col. Brashier's Brother Pays Her Unexpected Visit

C. B. Lyons, brother of Mrs. Colonel Brashier, who was accompanied by the sheriff of Torteau, Okla., visited with Mrs. Brashier early Sunday morning.

Mr. Lyons was en route to California, where he was going with the sheriff to help in the return of an escaped convict, who had been captured in Fresno. He was deputized for the trip to the west coast.

Mr. Lyons has been a druggist in Torteau for the past 16 years and it had been several years since he had seen his sister. He said that on the return trip they might come through Ranger, in which case they would probably spend the night here, leaving the prisoner in the Eastland county, or the Ranger city jail.

R. V. GALLOWAY NOW SECRETARY OF THE CHAMBER OF COMMERCE

At a meeting of the directors of the Chamber of Commerce, held in the office of the secretary Monday night, R. V. Galloway was unanimously elected secretary, to fill the vacancy made by the resignation of Wayne C. Hickey.

The nominating committee, composed of John Hassen, chairman, J. E. Meroney and T. J. Anderson, made a report, which was read by Mr. Hassen, endorsing Galloway as secretary and nominating him for the position. After some discussion a motion was made that the nominations close and Galloway be elected by acclamation. The motion was passed unanimously.

Mr. Galloway, who had retired during the election, was called back to the meeting and was informed that he had been elected. He made a short talk in which he said he would devote his entire time to the management of the organization and would give the very best service possible, and urged the cooperation of the directors during his term as secretary.

At the opening of the meeting a report on the joint banquet held last Thursday night was made. The report showed that 133 tickets and 146 meals paid for at 75 cents making a total of \$100.50. The 14 complimentary tickets sent out to officers of chambers of commerce in surrounding towns made up the difference in the number of tickets sold and the meals purchased. Other items of expense included 79 cigars at \$3.95, mints and gum 70 cents, room for the speaker \$2.50, flowers \$3.00, speakers expense \$15, programs \$5.50, tickets \$17.75, miscellaneous expenses \$2.00, making a deficit of \$10.45 which is to be divided between the chamber of commerce and the retail merchants association.

T. J. Anderson, chairman of the legislative committee, announced that he had appointed W. S. Adamson and L. R. Pearson to serve on the committee with him and they had written to Senator Collie, and Representatives George Davidson and Cecil Lotief, asking them to not support the bill doubling the capacity loads allowed for trucks, and that answers had been received indicating that the load limit might be increased to around 9,000 pounds, but that it was unlikely that it would be increased to 14,000 pounds.

C. D. Woods, chairman of the good roads and highway committee, announced that J. C. Smith and Hall Walker had been appointed to his committee and that plans for printing and distributing strip maps showing the route of the Broadway of America through Ranger, Eastland and Cisco and that plans for a billboard on Highway 89 were also being planned, but that no definite action had as yet been taken.

A. N. Larson, a member of the chamber of commerce, was present and made a report that Waco and other towns were working on a project to have a road from Waco connect with Highway 89, and urged the chamber of commerce to aid in the work being done. He was thanked by the chair for his suggestion and was told that it would be taken up.

B. H. Peacock appeared before the directors and announced a safety meeting to be held in Ranger on the evening of April 29, at which between 400 and 600 visitors are expected, and requested the chamber of commerce aid in making the visitors welcome to Ranger. The matter was turned over the convention committee and all the aid it was possible for the organization to give would be extended.

J. E. Meroney, president and chairman of the meeting, spoke briefly on the projects for the coming year and urged everyone who could to submit work projects that could be taken up by the organization.

Those present at the meeting were J. E. Meroney, W. C. Hickey, F. D. Hicks, R. V. Galloway, Calvin Brown, J. C. Smith, John Hassen, D. Joseph, C. E. May, W. W. Paschall, A. J. Ratliff, T. J. Anderson, C. D. Woods, A. N. Larson, C. D. Hartnett, J. E. Matthews, B. H. Peacock and E. R. Gentry.

Congress Urged By Texas Senate To Pay Bonus

AUSTIN, Feb. 19.—Texas senators today memorialized congress to enact some plan for immediate cash payment of the soldier bonus.

Bonuses due ex-service men in Texas amount to approximately \$90,000,000 according to Senator Allen Shivers of Fort Arthur, author of the memorial resolution.

It was adopted by a 22 to 3 vote.

"The federal government has lent millions to railroads and corporations, why not pay our obligations now to ex-soldiers," demanded Senator Gordon Burns of Hantsville.

WASHINGTON, Feb. 19.—Senator Millard Tydings, Dem., Md., today introduced a bill calling for payment of the \$2,300,000,000 soldier bonus bill in United States bonds.

Youth Tracks The Killers of Friends And Causes Arrest

FORT WORTH, Feb. 19.—The fierce desire of a 16-year-old boy to bring to justice the slayer of his friend today led to a confession by William Robertson, 16, of Stockton, Calif., that he killed Eugene Kling, federal transient bureau employee here.

Robert Norwood, 16, of Wichita Falls, enraged by the death of Kling, quietly set out from the transient bureau and followed Robertson and a companion, Roy Perdue, 28, of Coalgate, Okla., also held in the killing, to Monroe, La., where the pair was arrested when Norwood sought the aid of police.

They were brought back to Fort Worth and charged with murder. Today when confronted with a picture of the battered body of Kling, who was found Tuesday morning in a vacant lot, Robertson broke down and confessed the killing. He said Perdue and he planned to kill Kling, but Perdue was at home in bed when he lured Kling into a dark alley and slugged him with an iron pipe.

NEW DEAL GETS IMPETUS ON GOLD DECISION

WASHINGTON, Feb. 19.—New Deal prestige zoomed today under impetus of victory in the United States supreme court, where administration gold policies were protected against legal attack.

The administration was reported planning new legislation to head off possible suits in the court of claims by liberty bond holders, alleging damage resulted from dollar devaluation. Some lawyers maintained the high court decision left the door open for such suits.

A long range view of the court decisions indicated that they have imposed permanently upon administrations to come the necessity of following one of two courses of action. All gold must continue to be locked up in treasury vaults at present, in which dollar devaluation may be practiced. If gold should be allowed to circulate, however, the dollar must be restored to its old gold value.

HAUPTMANN IS GRANTED APPEAL RIGHT

TRENTON, N. J., Feb. 19.—Bruno Hauptmann today won the right to appeal his conviction for murder of the Lindbergh baby and was granted a stay of execution, originally set for the week of March 18.

Chancellor Luther Campbell granted a writ of error to C. Lloyd Fisher and Frederick Pope of defense counsel after Fisher had split with Chief Defense Counsel Edward J. Reilly. Reilly had proposed to delay the appeals action and said either he or Fisher had to get out of the case.

Hauptmann's sentence to death was automatically stayed by granting the writ. The state will pay the cost of printing the records for the appeal because Hauptmann is a pauper.

The date of March 28 was set for arguments before the court of errors and appeals.

DRIVING WHILE DRUNK BRINGS BROCK 2 YEARS

Elmore Brock, on plea of guilty of driving while intoxicated, was given two years in the state penitentiary Tuesday in 91st district court. Trial by jury was waived.

Brock was arrested recently by officers after a 25-mile chase south of Eastland. Brock was en route with his small niece, Margaret Ruth Brock, to Glen Rose to see his brother.

He abandoned his niece near Kokomo when his machine hit a sand ledge. Highway patrolmen and others found the man after a search of woods in the vicinity where he abandoned his automobile.

Officers went in quest of Brock after a Gorman resident phoned stating he had run into his automobile and was seemingly intoxicated.

14-Year Old Hay Is Ground Into Feed

Here's one that seems almost incredible, but is true.

Monday afternoon A. J. Ratliff, feed store proprietor of Ranger, ground and sacked five bales of sudan grass that had been baled for 14 years.

The hay was brought to Ranger by Scott Lips, who has raised feed each year since 1921, so that the sudan grass was never used. It was in the back end of his feed loft and as now hay was placed in the loft the sudan was covered up.

"When ground it was found to be in excellent condition."

Race Track Betting Advocates Decline A Test of Strength

AUSTIN, Feb. 19.—Friends of race track betting declined another test of strength in the House of Representatives today. They withdrew temporarily the anti-bookie shop bill that headed the calendar.

"We want a little more time," Rep. Jesse James of Cameron, floor leader in favor of racing, said.

Governor Allred, who sent a message to the legislature urging repeal of the pari-mutuel law, said today he did not consider yesterday's House vote to re-refer the repeal bill a decisive test.

"A number of those who voted for the additional hearing on the bill told me that they will vote for repeal when it gets to that issue," Governor Allred said.

It is a purely vegetable bitter tonic and pain-relieving medicine that has been in use over 50 years. While so many women testify that Cardui has benefited them, if it does not benefit YOU, consult a physician.

Two Unusual Bouts Seen at Elks Arena

Miss Billie Morrison, who was defeated once in Ranger by Mrs. Eddie O'Shea, staged a comeback Monday night at the Elks arena, throwing Mrs. O'Shea in two out of three falls before a large crowd.

The wrestling match between the two women was fast throughout and both showed they knew the finer points of the wrestling game.

In the finals Eddie O'Shea, husband of the defeated woman wrestler, won over Pug Heister, Seminole Indian, in a rough and tumble match that kept the fans on the edges of their seats from start to finish.

Both men were plenty rough and both were tossed out of the ring, while the referee had his hands full to handle the match.

The Elks are providing better and better wrestling matches for the fans of this section and their efforts are being well received, as is indicated by the larger crowds that are attending and the enthusiasm of the fans.

All proceeds over actual expenses go to the Elk charity fund.

Members of the C. L. F. club met Monday at noon and as a group presented Miss Pinson, sponsor of the club, with a large basket of fruit. Miss Pinson has been in the West Texas Clinic for the past few weeks.

Natural Laxative Food Wins Nation

Kellogg's ALL-BRAN Helps Millions to Regular Habits

Kellogg's ALL-BRAN is one of the most popular laxative foods in the country today. Millions have found it thoroughly satisfactory for correcting constipation due to insufficient "bulk" in meals.

In addition to its popular approval, ALL-BRAN has been accepted by science. Research shows it offers mild "bulk" to aid elimination. Also vitamin B and iron.

The American Medical Association Committee on Foods has granted Kellogg's ALL-BRAN its Seal of Acceptance. This delicious cereal is also approved by Good Housekeeping Institute.

Within the body, ALL-BRAN forms a soft mass which gently clears out the intestinal wastes. More effective than the "bulk" in fruits and vegetables, as it does not break down in the body.

Isn't this food better than patent medicines? Unlike cathartics, it remains effective with continued use. Two tablespoons daily are usually sufficient. Chronic cases, with each meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. ALL-BRAN is much more satisfactory than part-bran products. Made by Kellogg in Battle Creek.

"I Cannot Tell a Lie"

You can trust advertisements . . . and the companies that advertise. Because written selling is a pledge of faith. No established business can afford to put a wrong in writing. To advertise an inferior product is simply to hasten its failure.

Make the hard part of your shopping easy—as you sit in a comfortable chair at home. This newspaper reviews the shopping news of the day. Advertisements point the way to genuine bargains. They recommend variety for menus . . . they present the honest merits of products you need.

A few quiet moments, spent with the advertisements will save you many hectic hours of shopping around. And when your buying is done, you'll find that you have reliable things, bought at fair prices and giving genuine service as promised.
