RANGER TO FURNISH FAIR PROGRAM TONIGHT

PEEPING THRU The KNOTHOLE

With BILL MAYES

Probably the two games which will be watched with most interest over the state, and particularly in the Oil Belt, will be the Cisco-San Angelo contest at San Angelo and the Ranger-Amarillo game at Amarillo.

Sports writers all over the state have commented on the 50-0 defeat of Ranger at San Angelo last Friday night, and most of them still can't quite believe it. As one remarked, "No team can beat Ranger by that score." In fact, most believe that it must have been a fluke of some kind, but can't quite figure out just where the fluke came in. A fluke, as a general rule, is just one, or possibly two plays that accidentally go over for touchdowns, but for a whole game to be a fluke is unusual.

MAX STRUGGLES TO RISE AFTER SLAUGHTER

Beaten helpless by a hurricane of blows from the darting, punishing fists of Joe Louis, Max Baer here struggled to rise from one knee with the helping hand of Referee Arthur Donovan after the fatal ten had been tolled in the fourth round. A volley of lefts and then a crashing right had finished the California larriper. Utter exhaustion was stamped on the bleeding face of the playboy as he gazed through a fog while 30,000 spectators made Yankee Stadium ring with their cheers for the victor.

ALLRED IRED BY ACTION OF MEMPHIS CHIEF

AUSTIN, Sept. 26.—Gov. James Allred today paroled Carl Thompson, recent Texas prison inmate, to the Salvation Army in Memphis, Tenn., after Thompson was threatened with arrest by Memphis Police Chief Will Lee, to whom he was originally paroled.

In a scathing letter, the governor told the Memphis police official his "coldly cruel attitude" is an indication he thinks a man once in prison should be kept there.

Thompson was given a 10-year sentence in Harris county on a robbery conviction. His 63-year-old mother, his wife and child live in Memphis and need his aid for their support.

Following the parole Allred received a curt letter from Lee returning the parole proclamation and saying: "We are at a loss to understand why you should presume this convict should be paroled to me. If he shows up he will be immediately taken into custody as an undesirable person and charged with vagrancy and this procedure will be followed so long as he attempts to remain in Memphis."

"I was presumptuous," Allred wrote in reply. "I presumed the great city of Memphis had a human-hearted chief of police who would at least be fair, who would be interested in helping rather than kicking down a man who has been in the penitentiary. You are the first chief of police to whom I have paroled a man who has declined the opportunity to be of some service."

Carbon Baptist Church to Observe Fiftieth Anniversary for Three Days

The Carbon Baptist church announces that beginning on Friday night, Sept. 27, the church will observe the 50th anniversary of its founding. A three-day festival which will run through Sunday, Sept. 29, will be held. All former pastors and members of the church are invited back. Rev. E. L. Springer, former pastor will preach on Friday night, according to announcement of Pastor A. A. Davis. Former pastors will appear on the program during this fifth Sunday meeting. Rev. P. D. O'Brien of Colorado City, former pastor of Carbon church, will preach Sunday at 11 a. m. Dr. Hal Buckner of Buckner Orphan's Home of Dallas and Dr. F. M. McConnell, editor of Baptist Standard, also of Dallas, have been invited to attend this meeting and appear on the program.

An all-day affair Sunday, featuring preaching by old time pastors, gospel singing, fellowship, dinner on the ground, and barbecue. The public is cordially invited.

BAND, STRING MUSIC TO BE FAIR FEATURE

Ranger CC Head Will Make Introductory Remarks.

Second day of the Eastland County Fair will be headlined tonight by a Ranger program to be presented on a platform back the Eastland National Bank Eastland. The program will start at 8 o'clock.

J. E. Mernony, president of the Ranger Chamber of Commerce will make introductory remarks and will be followed by the following entertainment units:

Concert by Ranger High School Band, under direction of J. Whitefield.

Song by trio, "Rhythmettes" composed of Misses Marjory Clark Merle Stewart and Gladys Daniels. String music by John Ussery band.

The fair was attended by large crowds Wednesday that forces even greater attendance for the remaining four-day event to close Saturday.

Entries this year exceed those of the past five years. H. C. Day Chamber of Commerce secretary for Eastland, stated. Interest in attendance, likewise, Davis said are greater than that of the past five years.

T. B. Wood, district extension service agent, was present in Eastland to judge.

All exhibits were in place this morning. Livestock was brought Eastland by owners for exhibition in the Coca-Cola building East Main street.

An automobile of ancient vintage will be shown tonight on the midway. J. H. Ozmun of Akron, Ohio, arrived in Eastland today to take the car to San Diego, Calif., drive a 1900 model Holman automobile. The car has two cylinders, air-cooled and has a top speed 24 miles per hour.

Ozmun left Akron Aug. 1 a estimates he will arrive in California in two weeks. The Ohio purchased the car in January 1932, and is the third owner. T. second owner, Ozmun said, was secretary of the United States treasury.

The auto has a wheel base of inches and power is transferred wheels by a 3/4-inch old cable. T steering wheel is on the right hand side of the automobile. Dry cell are used instead of a wet cell battery.

Ozmun estimated one and a half million people have seen the car since he left Akron.

Postpone Schooley Celebration Until Some Future Date

Due to bad weather and to circumstances beyond their control, Mr. and Mrs. H. T. Schooley announced that the open house celebration planned for today and tonight had been postponed until some future date. The celebration of their first anniversary will be held in the near future, it was announced, and the date will be announced through the paper.

"We are very sorry that after the preparations we have made that it will be necessary to postpone the celebration," Schooley said today, "but because of circumstances over which we had no control it was made necessary that we do so."

Mr. and Mrs. Schooley had planned the celebration for tonight, with refreshments for all visitors, and everything was in readiness when the postponement was announced.

YOUTH TELLS OF POISONING HIS RELATIVES

LOS ANGELES, Sept. 26.—LeRoy Drake, 19-year-old president of a church society, today sobbed out a confession he poisoned his elderly aunt and uncle and dumped their body into the sea.

Police had questioned him 10 hours after he directed divers in finding the body of Henry Steinboer, 60, and his wife, Nellie, 50, from the front seat of their car 30 feet below the surface of Los Angeles harbor.

He told officers he was arrested recently on a grand theft charge and he didn't want his aunt and uncle to learn of his "disgrace."

When first questioned about the whereabouts of the couple, missing several days, he told police he had become panic-stricken when they dropped dead at dinner last Thursday and had driven off a pier. He said he was afraid he would be arrested if found with the bodies.

Cisco Furnishes Opening Program Of County Fair

Citizens and entertainers of Cisco opened the ninth Eastland County Fair Wednesday night at Eastland.

Heading the Cisco delegation was J. E. Spencer, chamber of commerce secretary. The Cisco Lobo band, under direction of R. L. Maddox, played a concert.

Dances were provided for the fair crowds by the following: Misses Marian Elmore, Louis Riley; Tommie Lamore, Charles Tucker; Miss Jessie Elmore played piano accompaniment.

Miss Louise Spruill made chalk drawings to piano accompaniment of Mrs. Ben Krauskopf.

COUNTY'S PER CAPITA DEBT IS NEAR \$400

AUSTIN, Sept. 26.—"Each person in Eastland county would owe \$396.60 if the \$12,546,234 debt of all the taxing districts in the county were distributed evenly," said State Auditor Orville S. Carpenter today about a recent survey.

Average per capita indebtedness of all local units of government in Texas is \$115.10. Eastland county's debt is larger than this figure. Debts range from \$13 average for each person in some counties to \$400 or \$500 in others," Mr. Carpenter said, concerning a recent report of the state auditor on "Taxes and Indebtedness of local units of government in Texas for 1934."

"More than 40 million dollars worth of property is listed on the rolls of tax districts in Eastland county," he stated.

"This \$40,312,266 worth of property is assessed at an average of 60 per cent of its true value. Other counties have assessment bases ranging from 20 to 100 per cent of their property value," Mr. Carpenter explained.

"Taxing units considered in Eastland county were school districts, cities, and the county itself. The largest item in the Eastland county debt was City of Cisco bonds \$6,175,722," Mr. Carpenter added.

Long Successor to Seek Peace With The Administration

BATON ROUGE, Sept. 26.—Wade Martin, whom Gov. O. K. Allen will elevate from the chairmanship of the Louisiana public service commission to the U. S. Senate to the late Huey Long's seat, will seek peace with the national administration.

The former sheriff told the United Press today he would take his seat unburdened by Long's personal animosities toward the national administration.

Stockholders In Line Await Meet

Eastland stockholders in the Mid-Continent Airlines, Inc. are awaiting call of a meeting in Fort Worth where future operation of the company will be discussed.

Faced by possible liquidation, R. H. Clement, president, called stockholders and directors to meet in Fort Worth last week when he reported loss of \$80 a day on the Dallas-Midland run.

Chief creditors of the airline, it is said, are American Airlines, Inc. which sold Mid-Continent Airlines, Inc., its trimotor Stinson plane, and Culver Aircraft Corporation of Dallas.

Clement is a former U. S. department of commerce inspector. In organizing his company he sold stock in most of the towns on the route, not including Abilene, however.

The line inaugurated service Aug. 31, but due to inclement weather abandoned operations during the week following. Later a Fort Worth director informed Eastland stockholders that the line would be unable to continue stopping at Eastland as federal regulations outlawed use of intermediate landing fields for passenger operations.

League Will Invoke Art. 15 IN CRISIS

GENEVA, Sept. 26.—The League of Nations council today decided to invoke the league covenant in defiance of Italy's wrath to deal with the Italian crisis.

It voted unanimously to act under paragraph 3 and 4 of article 15 of the covenant.

It decided also, realizing the gravity of the crisis to remain in permanent session.

The course to be followed is that which caused Japan and Paraguay to resign in the Manchurian and Gran Chaco disputes.

The decisions were taken in almost absolute silence, indicative of the realization its acts were of world moment. So crowded was the diplomatic gallery many foreign envoys were forced to stand.

Italy did not attend either the secret or public meetings. It announced it would attend no more meetings at which the crisis is discussed.

ROME, Sept. 26.—The League action was interpreted today as meaning it is now only a matter of days before Italy must quit the league or submit to the council and accept a solution as outlined by the committee of five.

Barring some miracle little hope was expressed for any solution satisfactory to Italy. After the council decision of inopportunity of article 15, the one that caused the Japanese to leave the league.

The news from Geneva arrived during the lunch period and no action was available immediately. However it was said today's developments were not unexpected, as stated in a recent cabinet announcement.

Brotherhood of District Baptists To Meet In Ranger

The Baptist Brotherhood of the Cisco Association, comprising Shackelford, Stephens and Eastland counties, will hold its fourth quarterly meeting at the First Baptist Church tonight. The organization is rapidly becoming one of the most effective enlistment agencies among the Baptist churches of this section. Since its organization several months ago it has held meetings at Eastland, Breckenridge and Moran. A banquet is an enjoyable feature of each meeting. The attendance usually runs around 150 men.

The primary aim of the Brotherhood is the enlistment and development of the laymen of the denomination in religious work. Already great good has come to the cause of righteous living and spiritual service among the laymen. Some who have heretofore given little thought to the matter of individual responsibility in religion have come to have a vision of the stewardship of life and possessions, and have become tithers in the support of the work of their church, both at home and abroad. An increasingly large number of laymen are offering their services in the way of conducting public meetings or delivering addresses themselves.

The program for tonight will vary somewhat from the usual order. The layman present tonight will have the privilege of hearing those from his own group speak. Five men, each from a different church, will speak tonight on "Brotherhood Impressions." These talks will be followed by the principal address. This will be delivered by Superintendent Walton, head of Ranger schools.

Music and readings will be in charge of Messrs. Lamance and Wardford, who are also members of Ranger High School faculty.

A most enjoyable, as well as a most profitable evening is anticipated. Plates will be 35 cents each, a price fixed by the three-county organization.

Judge W. D. R. Owen of Eastland is chairman of the organization and will preside at tonight's meeting.

Anti-Inflation Bonus Is Urged By Legionnaires

ST. LOUIS, Sept. 26.—The American Legion convention today unanimously adopted an anti-inflation bonus resolution.

A resolution urging preference to U. S. citizens on all public projects was adopted by acclamation.

By unanimous voice vote it adopted a resolution urging no executive clemency from Grover Bergdoll, "or any other wartime slacker."

Action of the convention in overwhelming the weak inflation thrust on the bonus issue was a foregone conclusion.

MAVS TO PLAY OLNEY FRIDAY NIGHT THERE

Cognizant of two defeats in a like number of weeks, Eastland Mavericks Friday night at 8:00 o'clock will play Olney. The game will be at Olney.

The Mavericks have been practicing this week and all gridsters are conditioned, reports indicate.

The game will be the third this year for the Mavericks. Mineral Wells and Sweetwater were other opponents.

The squad will make the trip by bus.

Court Injunction Enjoins Removal Rising Star Home

Writs of injunction enjoining removal of a house in Rising Star have been issued by 91st district court, it was shown Thursday in records at the district clerk's office.

The City of Rising Star, plaintiff, alleges that J. T. Hoard and J. B. Walraven of Eastland county and J. W. Newton of Brown county were attempting to move the house delinquent for three years.

Total taxes owed by defendants is \$38.01, a petition said.

On final hearing, the plaintiff asks for perpetuation of the injunction and judgment against defendants.

Roosevelt Letter Is Praised, Censured

CHICAGO, Sept. 26.—Clergymen of the nation mixed praise and censure today in replying to a letter from President Roosevelt asking their "council and advice."

Bishop George Stewart of the Episcopal diocese of Chicago said, "I am much pleased with the social legislation and will reply to the president's courteous letter."

An entirely different view was taken by Dr. John Stone, president of the Presbyterian Theological Seminary, Chicago, who said, "What I am going to do for the president is to pray for him because he needs it. I am not going to reply to his letter. It is the president's business to know how to run the nation and not the clergymen's."

Small Bill Favored In the Senate

AUSTIN, Sept. 26.—Senate opposition to liquor sales by the rink was emphasized by a vote refusing to send the small anti-drink bill to committee.

A motion to send it along to consideration received but nine votes. Seventeen voted against it.

Elated by their success, supporters of the Small bill tried to recess. They didn't, though, with a tie vote on the first proposal, but voted 16 to 12 to recess later.

The Small bill will be pending business when the senate reconvenes at 9:30 tomorrow morning.

The bill now before the senate prohibits as an open saloon any place intoxicating liquors are sold or delivered to be consumed on the premises or on premises accessible thereto.

Opponents said that would prevent sale of 3.2 beer as now authorized; that it would prevent ordering liquor being sent to a home to be consumed in the home, and would drive drinking from cafes into hotel rooms.

Small admitted the bill is defective. He announced amendments will be offered to permit sale of beer and wine in cafes.

Farm Program Is Active, County Head Announces

The Federal Resettlement Administration program is still active, George L. Lane, county supervisor, stated Thursday.

"Said Lane: "The resettlement program is still effective for the benefit of grocermen who have been kind enough to extend to rehabilitation clients short time credit."

"The resettlement program has been handicapped by becoming federalized, that is being made a unit of the Agricultural Adjustment Administration government program."

"There has been some delay in getting clients money for payment of September grocery bills, but in a very short time these clients who continue in the resettlement program and with a few exceptions will be permitted to continue as clients and will enjoy the extensive benefits under this program in the way of being furnished such grocery needs as well as seed, and such cases of new clients, feed. Other clients who have been afflicted for the year we can report all very well healed for feed."

Cooler Weather Is Expected For State On Friday

Cooler weather, bringing mercury down to 60 degrees in the northern part of the state, was expected to extend over most Texas today, the forecast said.

Skies were expected to be clear over most of the state tomorrow but cooler weather will be felt every part of Texas except the lower Rio Grande Valley.

Heavy rains were reported today in numerous parts of the state, the heaviest being at Corp Christi where 4.8 inches fell.

Port Arthur received 2.6 Houston 2.44; Galveston 2.5 Brownsville .96; San Antonio .8 and Dallas .58. Skies were clear in the northwestern part of the state and cooler weather was reported at Amarillo.

Delegates Return From Conventio

Mr. and Mrs. Al Tine return Wednesday from St. Louis, where they attended the national convention of the American Legion delegates of Carl Barnes Post No. 69 and the auxiliary unit of the post.

They reported, on their return that it was the largest convention in the history of the Legion, as was centrally located and veterans from all over the United States were able to be present.

Better Brains Than Beauty

There seems to be something about running a school that leads men to want to try out freak ideas. The latest stunt of this kind comes from Rockford, Ill., where a school superintendent is quoted as having ruled that applicants for jobs as schoolma'ams henceforth must be beautiful as well as smart.

To be sure, there is something to be said for the idea. After all, the pupils have to look at teacher, more or less, all day long, week after week, month after month; if she be properly decorative, the monotony is doubtless agreeably lessened.

But when you have said that, you have said it all. School children are too smart to judge by externals. The best-loved schoolma'am of this writer's youth was a veritable battle-ax upon whose countenance no admirer of beauty would have looked twice; but she happened to be a first-rate teacher, and her pupils appreciated the fact and profited by it.

Chicago housewives ask president whether "breathing spell" applies to food. Still, they aren't really compelled to buy limburger.

"Whiskey drinkers declining," says news headline. We thought very few of them did.

Ethiopian women are being armed for war. So as not to aggravate the horror of the next war, it is hoped Haile Selassie does not fit them out with umbrellas.

This is the time of year football coaches are looking over their raw material, and head cheerleaders their raw raw material.

Detroit fair features hog calling. Evidently the practice of sending around the armored car hasn't yet reduced it to the status of a lost art.

A test reveals that men can put on brakes faster than women. But then the fair sex is naturally reluctant to show it can stop a car in the middle of a block.

That Chicago woman didn't need to warn police, going to arrest her 96-year-old husband, that he was a wildcat. It might take a stiff tussle, but the average police squad would eventually have him behind bars, wheelchair and all.

Celebrities are usually pleased to receive keys to cities, but nowadays it might be difficult trying to get anybody to accept the Florida Keys.

Bananas First In U.S. And Apples In Britain

LONDON.—The United Kingdom is by far the world's largest market for apples, pears, oranges, lemons, raisins, currants and canned fruits, it is revealed in the Imperial Economic Committee's report on the production and trade of fruit.

more than Germany, the next largest importer. The Empire as a whole is an importer of all the important fruits, with the exception of bananas. The United States, in recent years, has taken nearly a million tons, or more than 60 per cent of the world's bananas.

New Era Club's Fall Tea

Colorful Affair in Colonial Room

The first note for fall's social calendar in prominent club affairs was sounded Wednesday afternoon when the New Era Club of Ranger entertained a large number of guests with a lovely appointed tea in the Colonial Room of the Gholson Hotel.

As guests stepped onto the mezzanine floor, the artistic floral decorations immediately greeted their eyes, and offered a pleasing impression for the richness in flower combination. A low bowl filled with queen's wreath, a native vine of Mexico, shot its spray

In graceful angles and traced lacy patterns over its table's board.

Mrs. J. J. Kelly, Mrs. E. K. Smith, and Mrs. W. B. Crossley, president of the club, gave cordial welcome to guests as they entered the Colonial Room, clad in a dress of fall. The beauty of the room was enhanced by the gorgeous display of paintings from the Le Petit Club of Breckenridge, of which the president is a former member. The pictures were hung by W. F. Thorpe and H. Leigh Bunkley of Breckenridge, in a manner which best displayed their beauty of color and at intervals twin white rosebuds stood in crystal vases. She with her usual degree of poise and grace, extended greet-

ings, and in turn introduced her program personnel of Ranger artists. Miss Mattye Buryl Montgomery played a violin solo, "A Waltz, from Faust by Ground, with piano accompaniment by Miss Mildred Moorman. Later, Miss Moorman played a piano solo, "The Mountain Stream." Miss Sammy Ruth Matthews, brought to a close the delightful program feature, with the reading of an Irish dialect.

Mrs. Clyde H. Davis, whose many splendid qualifications includes the art of being a decidedly entertaining reader, gave the principal address, "The Symphony of Color," written by Rev. Markley of Breckenridge, honor guest of the occasion. At the close of the colorfully written resume, the guests were much more familiar with art technique, color harmony, and many other major points of outstanding value.

Numbered among the tea guests, were Rev. H. G. Markley, and other members of the Le Petit Club, Rubye Presley, Pauline Pyeatt, Isla Willis, Kathryn Wright. Those who had pictures on exhibit include the above as well as Leigh Bunkley, W. F. Thorpe, N. H. Nanney, and L. R. Tatum.

PEEPING THRU THE KNOTHOLE

(Continued from page 1)

to a comparatively low score and Amarillo swamp the Bulldogs as heavily as did San Angelo everyone will be admitting that the Bulldogs are much weaker on the field than the lineup looks on paper.

However, if San Angelo should snow under the Lobos and Ranger hold Amarillo to a close score it will appear that San Angelo is just double tough this year.

But if Cisco holds San Angelo down and the Bulldogs make a good showing against the Sandies at Amarillo that will be another horse of the same color. It will mean that the San Angelo game was more or less of one of those things that sometimes happens and the Bulldogs will regain much of the prestige they lost last week.

Which covers about every possibility except if San Angelo runs up an overwhelming score against Cisco and the Bulldogs should beat or hold Amarillo to a very close score it will still look like all San Angelo.

There are too many things that can happen that will look important in those two games, so, naturally the entire state will be watching for the outcome. It will be one of the best barometers of the football season that can be had in this section of the state. Since almost anything can happen, as remarked, many fans and sports writers are probably due for another upset of the dope this week, but nothing could be quite as much a surprise to everyone as the scores turned in for the first games of the season.

And what has become of the old-fashioned game of protest. Or is it too early for the protest season? Yes, that usually comes along about November. Last year was one of the first in many years in which there were no charges and counter-charges hurled around the Oil Belt like forward passes in an S. M. U. game.

Back in 1931 Abilene protested four Ranger players in a group. The protest did not stand up, though it was made just a few days before the Abilene-Ranger game. In 1932 Breckenridge protested one Cisco player and it did stand up, Cisco being ruled ineligible during the 1932 season as an aftermath. In 1933 Cisco protested a Brownwood player and Brownwood countered with a charge against one Lobo and both stood up and the 7 to 0 victory scored by Brownwood was thrown out and both teams lost. In 1933 Cisco protested a Ranger player and though Ranger did not lose a game in the district three were declared forfeited as a result.

In 1934 there were plenty of rumors, but no action was taken against any team, as far as we remember, but four or five of Brownwood's mainstays were found to be ineligible and were not used in games during the season, which partly accounted for Brownwood's challenge to Knox College for the season. The ineligibilities were discovered by Brownwood school officials and the action was taken within the

The show includes favorite radio stars from Radio Station WFAA, all well-known in the entertainment world.

Featured on the show will be Hyman Charninsky, popular orchestra leader and master of ceremonies; Abner Sage, known as the Sultan of Seat; Sue Oliver, lovely blonde blues singer; Barbara Davy, a fast-stepping novelty dancer; Doris McClain, personality singer extraordinary, and others.

Following the big show in the Auditorium the Early Bird Orchestra, directed by Charninsky, will play for a dance in the American Legion Hall. A floor show will be put on by the entertainers from the show.

A portion of the proceeds from the stage show will go to buy chairs for the new auditorium.

Mrs. Melvin Belknap Honored At Study Club Meeting

Mrs. Melvin Belknap was named honoree yesterday afternoon when Child Study Club Association No. 1, was entertained at the home of Mrs. W. W. Jarvis Jr., Young street, with Mrs. Brown Bradley, co-hostess. An array of dainty gifts were presented her in white wrappings. President of the club, Mrs. Edwin George, presided over the meeting which was strictly devoted to general discussion of plans for this fall. Next Wednesday afternoon the club is to serve as hostess to the Ranger City Council, with the entertainment given at the home of Mrs. George, Tee Pee camp, Caddo highway.

It was voted by this association that they cooperate to the fullest with every undertaking sponsored by the council. A once-a-month meeting will be held with different organizations of Parent Teachers Associations and joint study clubs at which the council will be honored. This newly devised plan promises to be a very fine thing, since the contact will be even greater than that of last year. Mrs. A. Neil, of Ranger high school, a brilliant woman, one of refinement and culture, will be principal speaker at the program arranged for Wednesday.

As the meeting neared its climax special piano numbers were given by Mrs. Troy Grubbs. Refreshments were served to Meses. O. G. Lanier, E. R. Green, H. O. Green, Edwin George, D. W. Nichol, E. L. Fontaine, Jack Tucker, Bill Brown, Melvin Belknap, and little Misses Mattie Joyce and Bettye Joan Bradley, who presented the honoree her gifts.

For outstanding efforts in behalf of peace, we'd suggest the next Nobel prize be awarded to Halle Selassie.

LET KIDNEYS FLUSH OUT 3 LBS. A DAY

Clean Out 15 Miles of Kidney Tubes

Nature put over 15 miles of tubes and filters in your kidneys strain the waste matter out of blood. Kidneys should pass 3 pounds a day and so get rid of more than 150 pounds of waste matter.

When the passing of waste matter is slow, with smarting and burning the 15 miles of kidney tubes need flushing out. This danger may be the beginning of nagging backache, leg pains, loss of pep, energy, getting up nights, and puffiness under the eyes and p. n. s.

If kidneys don't empty 3 pounds a day and so get rid of more than 150 pounds of waste matter, you may take up some of these poisonous poisons. Don't wait. Ask your druggist for Doan's, which have been used successfully millions of people for over 40 years. They give happy relief and help kidneys to flush out 3 pounds a day.

VETERAN RELIEVED OF CONSTIPATION BY NATURAL FOOD

Kellogg's ALL-BRAN Corrects His Condition

Here is an interesting, unsolicited letter: "I have used Kellogg's All-Bran for about 4 years, and find it a wonderful relief for constipation." While in Government Service in the P. L., I contracted constipation in 1898-99.

"I consider your All-Bran in terms of millions, instead of the cost of a box of pills, for it surely has saved me. I eat All-Bran every morning."—F. L. Yllie, Visalia, Calif.

"Constipation due to insufficient 'bulk' in meals. Research shows Kellogg's All-Bran supplies gentle 'bulk' to aid regular habits. All-Bran is also rich in vitamin B and iron. All-Bran is a delicious laxative food . . . far better than patent medicines. Two tablespoons daily are usually sufficient. If not relieved this way, see your doctor. Pictures Shown at Lions Club Meeting

H. H. Nanney of the Le Petit Art Club of Breckenridge presented pictures drawn by the club members at the meeting of the Lions club today, along with an invitation to the members to attend an art lecture in Breckenridge on Oct. 18.

His talk was interesting through out. The projects committee was named, with L. L. Bruce, Colonel Brasher, O. M. Moore, A. N. Larson and C. J. Moore as members. This committee will take all projects suggested last week and will decide on one or more as the club's work for the year.

The safety committee was appointed, with instructions to work on getting some "slow" signs near all the schools. J. J. Kelly, Dr. W. L. Jackson, and Rev. H. H. Stephenson were named on this committee.

Clyde H. Davis asked that all who could do so go to the Eastland county fair tonight, which is to be Ranger night.

LET KIDNEYS FLUSH OUT 3 LBS. A DAY

Clean Out 15 Miles of Kidney Tubes

Nature put over 15 miles of tubes and filters in your kidneys strain the waste matter out of blood. Kidneys should pass 3 pounds a day and so get rid of more than 150 pounds of waste matter.

When the passing of waste matter is slow, with smarting and burning the 15 miles of kidney tubes need flushing out. This danger may be the beginning of nagging backache, leg pains, loss of pep, energy, getting up nights, and puffiness under the eyes and p. n. s.

If kidneys don't empty 3 pounds a day and so get rid of more than 150 pounds of waste matter, you may take up some of these poisonous poisons. Don't wait. Ask your druggist for Doan's, which have been used successfully millions of people for over 40 years. They give happy relief and help kidneys to flush out 3 pounds a day.
