

# Cats, Horns, Swifts start season on road

1971 DIMMITT BOBCATS, WITH COACHES JIM JEFFERIES, BROWN L. SMITH, DON PARKER  
... They'll travel to Muleshoe for their season opener Friday night

The pageantry, noise, color and controlled violence of schoolboy football will begin Friday night.

HOWEVER, none of Castro County's three football fields will feel a clear this weekend. All three teams—the Dimmitt Bobcats, the Hart Longhorns and the Nazareth Swifts—will hit the road for their opening games.

Dimmitt's Bobcats, figured to be District 3-AA contenders again this year, will go to Muleshoe to test the Mules of District 1-AAA at 8 p.m. Friday. Coach Brown L. Smith will field a hefty team averaging 180 in the line and 157 in the backfield.

The Hart Longhorns of District 3-A will travel to Lazbuddie, where they'll take on the perennial champions of District 2-B at 8 p.m. Friday. Coach Doug Higgins' Horns have high hopes of improving on the 0-9-1 record of last year, their first season in Class A.

NAZARETH'S Swifts won't start their season until Saturday, when they travel to Hereford to play the B-Team Whitefaces at 8 p.m. Coach Clayton Neal, starting his first year as head coach after two years as an assistant, is depending on a wide-open offense and a stout line to improve on last year's 1-8 mark.

In pre-season scrimmages Friday, the Longhorns looked impressive as they revved up their Wishbone-T offense against Sunday, and the Bobcats fought

District 1-AA favorite Dalhart to a high-scoring standoff.

Dimmitt used the Houston Veer offense last year, but in spring training switched to the Straight-T with variations. However, Friday night the Bobcats uncorked a Power-I formation against Dalhart, and Coach Smith liked what he saw.

SMITH hadn't been satisfied with the Straight-T, and made a post-midnight decision last week to change to the Power-I. "Friday night, the Power-I was working better for us after

two days than the Straight-T had worked after spring training and three weeks this summer," Smith said. "I believe it utilizes our boys' potential a lot better."

The Bobcats, Longhorns and Swifts have been working hard, and they're even-up with all their foes at this point. This weekend they'll start fighting to stay on top of their respective crowds.

## Woman receives spinal fracture when car runs off US 86 Sunday

A Presidio woman received a spinal fracture and three other members of her family were hurt when their car ran off US 86 and jumped a bar-ditch Sunday morning. It was the county's only highway accident over the Labor Day weekend.

TWO VEHICLES were involved but they didn't touch each other, according to Highway Patrolman Bill Scott, who investigated.

The mishap occurred at 8 a.m. two miles west of Dimmitt.

Scott said that Guadalupe Silva Jr. of Turkey, driving a 1967 Chevrolet truck, was signaling a left turn off the highway onto a county road when a 1966 Pontiac sedan driven by Marcelo Galindo, 51, of Presidio, attempted to pass the truck.

"WHEN SILVA saw the car, he continued straight ahead," Scott reported, "but the Pontiac ran off the road, then back on, then Galindo lost control and the car jumped a ditch and ran into a corn field."

Galindo's daughter, Jesus, 23, received a spinal fracture when the car jolted across the ditch. Galindo received facial lacerations around the mouth and chin,

and possibly other injuries, when he was thrown against the steering wheel.

Also injured were Galindo's wife, Maria, 49, who received a scalp laceration, and their son, Marcelo Jr., 15, who was treated later for shock and bruises.

MR. AND MRS. Galindo and their son were treated and released at Plains Memorial Hospital. Their daughter was transferred to Methodist Hospital in Lubbock.

No members of the family were wearing seat belts, Scott said.

"They were all shaken up pretty badly when the car hit the bottom of the ditch," he said. "If they had been wearing seat belts the injuries wouldn't have been as severe."

## Tuesday mishap prompts warning from police chief

A carload of school-bound children was involved in a two-vehicle wreck at Jones and West Sixth Streets Tuesday morning, but no one was hurt.

THE mishap prompted a warning by the police chief, since the residential intersection has been the scene of two fatal accidents in the past.

Involved in Tuesday's wreck were a 1962 Oldsmobile sedan driven by Estella Eleizondo, 20, of the Agricultural Housing Project, and a 1970 pickup driven by Edward Bryan Brock, 63, of 907 SW Sixth St.

Police Chief W. W. Jones said Miss Eleizondo was driving west on Jones Street, taking a group of children to school, when her car collided with Brock's pickup, which was going north on West Sixth. Brock was cited for disregarding a stop sign.

THE RIGHT front of Brock's pickup collided with the left rear of Miss Eleizondo's car. Both vehicles received only moderate damage, and were driven away.

The accident prompted the police chief to issue a warning to motorists who cross the Sixth and Jones intersections regularly.

"We've had two kids killed at this intersection in the past," he said. "There's a lot of traffic here before and after school, and I'd like to remind people to pay attention to the stop sign there and at the other intersections in the school area."

## Storage building burns -- two times

Dimmitt firemen were called out twice within seven hours Tuesday to fight flames in a storage building behind the home of Pete Stewart, 210 NE Seventh St.

THE FIRST alarm was sounded at 2:45 a.m. Tuesday. Firemen quelled the flames, but Fire Marshal Guy Waldrop reported that the building already had been heavily damaged by the time the alarm sounded.

Firemen were called back again at 9:35 a.m. Tuesday when the cinders apparently rekindled in the old barracks building. But this time firemen stood by after Stewart requested they let it burn down.

Cause of the blaze was unknown.

## Accident victim off critical list

Joe Langford, Dimmitt youth who was injured in a pickup accident Aug. 19, has been taken off the "critical" list at Northwest Texas Hospital in Amarillo.

HE IS still listed in serious condition, but is "doing much better now," hospital spokesmen said.

Langford, 18, received serious head injuries Aug. 19 when he was thrown from a pickup that overturned three times on FM 105E near Easter.

He is in Room 550 of Northwest Texas Hospital.

## Chamber sets annual meeting next Thursday

The Castro County Chamber of Commerce has scheduled its annual membership meeting next Thursday night at 8 at the Country Club.

REEFORD BURROUS, chamber president, urged all members and interested residents "to come to the meeting and bring your ideas with you."

Burrous will report on the past year's activities and call for project ideas for the coming year.

The annual CoC meeting traditionally is a "brainstorming" session, in which local citizens voice their opinions on how the chamber can better serve the community and county.

## Runaway horse damages pickup

A runaway horse caused an estimated \$125 in damage to a parked pickup on Front Street Monday night. You could say the cause of the mishap was a piece of pipe.

THE PICKUP'S surprised owner, Richard Moore of 187 Front St., reported the errant horse to city police, who calmed it down and penned it up.

Police Chief W. W. Jones said the horse, which belongs to Joe Reyes, got loose in South Dimmitt and started wandering along Front Street, dragging a piece of pipe.

The horse panicked when the pipe kept hitting it on the legs, Jones said. The frightened horse ran into a front fender of Moore's parked pickup and raked a crease across the door with the pipe.

EXCEPT FOR being skinned and bruised by the pipe, the horse apparently was not seriously hurt during its panicky night on the town.

## Rites set today for M. J. Mooney

M. J. "Shorty" Mooney, 75, a resident of Dimmitt 47 years, died at 9:15 p.m. Tuesday in Plains Memorial Hospital following a stroke Tuesday morning.

FUNERAL services will be at 3 p.m. today (Thursday) in the First United Methodist Church, with Rev. Jim T. Pickens, pastor, officiating, assisted by Rev. Bill Wadley of the Lee Street Baptist Church.

Burial will be in Castro Memorial Gardens under the direction of Dennis Funeral Home.

Mr. Mooney, who lived at 106 NW Third St., was a retired custom farmer and implement worker. Born March 8, 1896, in Paris, he came to Castro County in 1924. He married Miss Dora Hyatt here in 1928.

A VETERAN of four years' service in France during World War I, he was a member of the Veterans of Foreign Wars and the American Legion.

He is survived by his wife, Dora; two sons, Bob of Dimmitt and Jack of Denver, Colo.; two brothers, four sisters, nine grandchildren and two great grandchildren.

Active pallbearers will be Ray Robertson, C. A. Wood, Jack Ebeling, Floyd Dickey, Boyce Carter and Dan Nelson. Honorary pallbearers will be V. C. Hopson, P. O. Goodwin, J. B. Moore, Edgar Ramey, L. A. Gladden, E. H. Youts, Jack Tucker, Louis Allen, O. B. Trimble, Alvin Frazier, Al Jackson, Jimmy Cluck, J. B. Blackwell and Edd Wilson Jr.

THE (GASP!) WINNERS of the Crazy Days Costume Contest collect their just rewards for their imagination and nerve Saturday afternoon—cash prizes from the Chamber of Commerce, presented by Nick Gonzales, chairman of the Retail Merchants Committee. First, second and third place winners (from left) were Mrs. Jimmie Schulte of Cobb's in a saloon-girl outfit that featured an ultra-bouffant hat of party crepe; Mrs. Jerome Durbin of the C. R. Anthony Co.,

who was lovely in tow-sack slacks, floral blouse and tiger-paw booties; and Mrs. Clotee Minchew of TG&Y, who was attired in an oversize pair of overalls accented with toys and doodads. At right are two more Crazy Days heroines—Mrs. Brenda Rust and Mrs. Ann Touchstone, the costume judges, who are now recuperating at home. Mrs. Schulte won \$20 for first place, Mrs. Durbin \$10 for second and Mrs. Minchew \$5 for third.

## Municipal lake in future?

# City eyes dam project on draw

The City of Dimmitt is taking a second look at the Running Water Draw flood control project, with the idea of establishing a recreation lake and new municipal water supply east of Sunnyside.

THE FLOOD control plan, developed by the Soil Conservation Service, Army Corps of Engineers and other agencies, calls for a series of seven earth dams along the draw from eastern New Mexico westward into Hale County.

One of the proposed dams would be on the Castro-Parmer line, near Lazbuddie. Another would be four miles east of Sunnyside, on the Billy Chaplowe property.

MAYOR Elmer Youts said this week that he sees the possibility of a recreation lake and a whole new supply of water for Dimmitt's future at the Chaplowe property site.

Youts envisions the city getting water rights to the lake and surrounding property, en-

larging the dam and lake for a recreation area, drilling new city wells there to replace the present ones in town, and boosting the water 17 miles to Dimmitt through a pipeline along US 385.

"It would be very expensive, maybe prohibitive in cost," Youts said, "but then again, it could be a life or death matter for the city in 20 years or so. I personally think we will definitely need to go to the Sunnyside area for our municipal water source sometime in the future."

THE underground water supply along the draw in Sunnyside is considered to be the best in the Panhandle-Plains area. Dimmitt sits on the fringe of a good underground water supply, with the "marginal" water area creeping closer to the city from the north as irrigation takes its toll on the underground supply.

Ray Joe Riley of Sunnyside, a director of Water, Inc., told

the Dimmitt Lions Club two weeks ago that city participation in the Running Water Draw project could be important to the city's future. He said the city had no supplemental water source, but had shown no interest in the flood-control lakes.

However, City Manager E. B. Noble said this week that both the Dimmitt and Earth city commissions told the Soil Conservation Service and the Corps of Engineers in 1966 that they were interested in the Lazbuddie lake site as a supplemental source of municipal water.

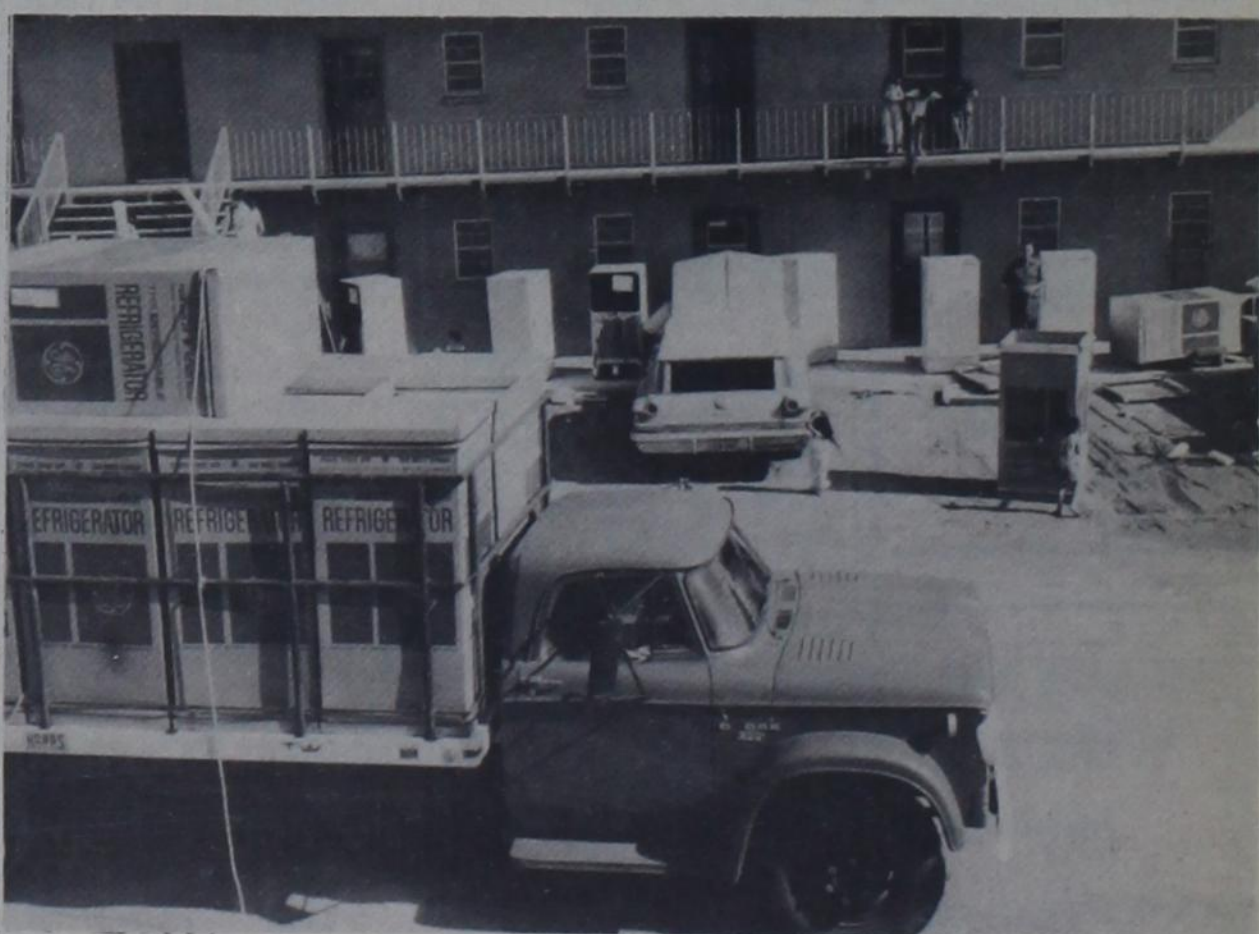

"WE SENT them a letter and went to Austin to discuss it with them," Noble said. "But the Corps of Engineers said that the proposed lake would be unfeasible for municipal water because there wouldn't be enough runoff."

Noble added, "I'd like to see this idea (for a municipal water source at Sunnyside) developed if it can be done."

David Springer, SCS district conservationist, said that if the city wants to participate in the project, "it will need to satisfy itself that it's worth the expense, then commit itself. Once the project reaches the construction stage, that will be the end of it as far as municipal water is concerned. It would be a flood control project only, and no municipality could get any rights to the water after that time."

HE ADDED, "All I can say about the construction phase is that it is not in the schedule prior to July 1972. We don't have any information yet that goes beyond that date."

City officials are now gathering facts and figures on what city participation in the Running Water Draw project would involve, what the estimated cost would be, what grants or loans are available, and whether the city could afford to pursue the ambitious idea—or could afford not to.

THE ICE MAN COMETH—The final truckloads of new refrigerators were uncrated and installed Saturday at the Castro County Agricultural Housing Project. These refrigerators were the last of 175 purchased by the housing association and the Farmers Home Administration to make living

better here for migrant farm workers and their families. It was the biggest single order for refrigerators in the city's history. Winning the bid to provide the boxes was Delbert McDougal of Lubbock, General Electric contract agent.

Shelly's chatter

Residents answer call of the hills over long weekend

By MYRTLE SHEFFY
The New Mexico hills called many Dimmitt people to come for a trip or last fling over the long labor day weekend.

L. Charles and Esta Vandiver and sons Loren and Craig and friends Dr. and Mrs. Albert Perkins of Littlefield drove to Cowles then had a backpack trip from there to Lake Catheryn, a nine mile hike. Do you think that would be fun? It is good exercise.

Rex and Dorothy Shelly and boys Scott and Brett went on to Aspen, Colo. and Estes Park, then on to Fort Collins. They plan to have a few picnic meals and stop near Aspen to visit Donna and Tommy Stafford who live there and are building a motel or houses. Then they'll visit the daughter Driscoll and Bob Storrs at Fort Collins. They are coming home a few days early to paint the house trim.

DAVID and Ann Hays and Kenneth and Linda Fry spent their vacation at Cowles. That is in a beautiful valley above Pecos. The Bill Sniders and Lindsey and the W. C. Sniders joined the rest of the Snider family in Lubbock on a recent Sunday.

Mr. and Mrs. Claude Forson are home from a pleasure and business trip to Denver, Colo. Cleo says their last "summer fling."

Mr. and Mrs. Woodrow Killingsworth and their son Jim and Becky were hosts to all the employees and families for a weekend at Blue Haven Camp in the mountains past Las Vegas, N.M. Going were Earl and Jerri Chaney, Bob and Joy Baker, and Norvelle and Judy Birdwell (Norvelle is building a church at Dallas for the Killingsworth Construction Co.) Mr. and Mrs. Larry Witt, Herman Ashford of Oklahoma City, Bill Patterson, Mr. and Mrs. Doc Miller of Hereford, Mr. and Mrs. Leroy Evans of Amarillo, Mr. and Mrs. E. E. Buff of Oklahoma City, and Builders Supply Labor force were fifteen people. I will find out names later.

SKIP KYLE is working for his masters degree at New Mexico University at Portales. His brother John is at a University at Long Beach, Calif. The boys are the sons of Mildred Juanita (Simmons) Kyle. I am sending a big "Hello" to Duke Chapman and his "Yankee" friends who are in the US Marines stationed at Camp

Pendleton, Calif. Duke says their unit won a first in drill work and his friends read our paper. Duke is the son of printer Jimmie Chapman and his wife Della.

Sleepy Morgan and his wife Lou of Dallas visited friends Reba and Jay Lee Touchstone this week. Then Friday their son, Mr. and Mrs. Wig Howard and babies of Waco came for a few days. They can't miss the Dallas Cowboy games. Dallas folks are loyal to those boys.

MR. AND MRS. Martin Ogan of Amarillo visited their cousins Mr. and Mrs. H. B. Rials. Mrs. Rials is now a nurse at Dr. Bischoff's clinic.

Mr. and Mrs. Charles Wales and children, his mother Mrs. C. S. Wales of New Deal and Lois's mother, Gladys Cleavinger spent a few days at the Tres Ritos place. That is up towards the Taos area.

Mr. and Mrs. Goldman Dyer and children were among the hundreds going to Ute Lake—and on west to Conchos Lake went the Glen Merritts and the

Capt. Fulfer earns decoration

Army Captain Kenneth Fulfer, son of Mr. and Mrs. Brad Fulfer of Dimmitt, recently received his third award of the Army Commendation Medal at Fort Sam Houston.

THE MEDAL was awarded for meritorious service. Such service can be over an extended period of time or for outstanding achievement in a single situation. In either case, the recipient must have demonstrated skills and dedication far above the average.

Capt. Fulfer earned the award during his last assignment with the US Army Combat Development Command Experimentation Command, Fort Ord, Calif.

He is now attending the Army Medical Department Officer Advanced Course at the US Army Medical Field Service School, Brooke Army Medical Center at Fort Sam Houston.

CAPT. FULFER received his BBA degree in 1958 from West Texas State University at Canyon. He was sales manager for Western Ammonia here before being recalled to active duty. His wife is the former Peggy Wilkinson. The Fulfers live in San Antonio.

The view from your library

By MARY EDNA HENDRIX
The new Castro County Library is in the planning stages now! Several meetings have been held with the library board members interviewing a few architects. Maybe it will be just a short time now before the actual building will be started.

THE FRIENDS of the Library met Friday for their first fall meeting with the president, Maxie Horton, conducting the meeting. Members present were Roxie Louder, Mildred Bradford, Margaret Womack, Reta Welch, Shirley Wise, Hazel Merritt and Mrs. Bob Hill.

Brooke Alexander brought his sister, Mrs. Lynn Hardcastle, and her two children, Jim and Christy, in the library while they were here visiting from Greeley, Colo.

Mr. and Mrs. W. E. Kirkpatrick donated 12 volumes of the 1970 National Geographic Magazine in a beautiful gold file. They plan to do this each year for the library. We have had so many pretty books donated it will be nice when we can display them in the new library.

MRS. Bellinghausen donated a couple of books to the library last week, two volumes of "The Outlines of History" by H. G. Wells, and Mac. Phoebe and Elaine Strother brought a big box of books to donate to the library.

The Book Club members have been so good to stay in the library while I have been out with my mother while she is in the hospital. If you have any problems that are not solved during this time, I hope you will be patient with all of us and we will try to get the books for you as soon as possible.

Emmett Brodersons. Others going I heard about are the Don Ricbs and boys Berle and Richard, Leon and Billie Gunn and to Ute Lake probably the Ralph Smiths, James Hortons and Edd McLeroys.

Robert Argvijo tells me that he and wife Elena are building a new house on Northwest 11th Street, near the Country Club. I didn't get their house in last week.

Dr. Carrol Gregory of San Mateo, Calif., has been here to be with his mother Jo Gregory and brothers, Bill and Don and families.

Wade Parks of Santa Fe was here as were hundreds of relatives and friends. He is Jo's brother.

MR. AND MRS. Charles Land went to Kerrville to attend the funeral service of her mother Mrs. John Taylor. Mrs. Land has been there for several weeks. I knew Mrs. Taylor a few years ago when I visited my folks there. Our sympathy goes to the family.

Tommy Gene Latham of Amarillo is here for a visit with his dad Gene Latham of the Colonial Inn.

Sept. 3 was the wedding anniversary of Bob and Helen McLean. She tells me she received 32 beautiful red roses. They and son Robert and Roxie and baby, and friends Judy and Byron Roe of Dallas and Daphne Montgomery went to their place at Ruidoso. They will see the big hills, maybe the horses.

Aural Davis went to Amarillo to see her daughter Susie and Roy Ellis. They all went to the Ice Capades and also out to the Pow Wow Club to hear Lilly Marie Howard play the organ. Keitha is coming soon

from California. Maybe we can have coffee with them. Susie is teaching home economics and science at Bowie Junior High. Roy is with his brother in a reclaiming business, metal or something.

CINDY SCOGGIN will attend Bauder Fashion College at Arlington. Cindy is the granddaughter of Lois Bartlett and daughter of Babe and Howard.

Wes and Helen Brown are home from a trip to Bella Vista, Ark., just to see the state then home by way of Nacona to visit Wes's sister and brothers.

Bro. William and Mrs. Summers attended the General Conference of the Assembly of God Church in Kansas City. They invite you to attend the Revival service this week at South-East Second and Belser. We met Carmen Cantano at Nick's. She is the mother of a new baby just a month old boy and has another small boy. Carmen and Mr. Cantano are here from the Edinburg country, way down south.

Pastor Jim and Mrs. Pickens attended a Seminar on ministry at Sacramento, N.M. Wednesday. This is a Methodist study and at the Dimmitt Methodist Church Sunday after morning services the youth and their moms will serve dinner. Eat all you can, pay all you can and Dr. Butler will preach at the evening service.

Mrs. Ollie Carver (Joe's mother) went on a trip with her Amarillo son to the mountains I think she said.

KATHY and Halsell Thomas went to Tishmingo, Okla. last weekend to clear out brush and small trees from the farm they

bought. They have a jewelry store here.

I noticed a new dry goods store on Broadway near the Thomas store. Guess we had better see about that.

Jack and Myrna Cowser and friends the E. B. Frees of Abilene, spent a few days in the Colorado Rockies, driving from one interesting place to another.

Brad DuLaney visited his mother Bonnie and sister Vicki in Plainview last weekend.

Joe Smith and daughter JoAnn and Virginia Shelly went to Boys Ranch Sunday to see their Rodeo. You should go there and see the place—over 400 boys, all ages and sizes, who need boots, coats and food. They have a pretty white church, a school and many fine homes to live in that generous people have given them. Each home has house parents to help look after them. The big boys help look after the little ones. They have cows and horses to care for and a bird sanctuary.

MR. AND Mrs. L. V. Cole were celebrating their 29th wedding anniversary Sunday with dinner out. They are just home from a good trip to Fort Lauderdale to visit their daughter Barbara and husband Don Waiksni. They saw the Georgia and Alabama country and Montgomery. The waters in or off Florida were calm and beautiful. They came home by Denton and picked up Russell Collier, a friend of their son Lee, who was with them. Russell visited a week. They visited a sister Mrs. Roy Bagley in Longview. Lee is visiting his friend Patti Poulter in Midland this weekend (or by now it was last week).

We saw Percy Merritt in town

Sunday. Percy has farming interest here and his and Patsy's home is on a ranch west of Clovis.

The James Bradford family and the Bill Birdwells went to Conchos Lake fishing and water-skiing. The Joe Carvers went to one place or the other—Ute or Conchos.

Johany and Tom Davis have sold their home on Lee Street to Homer Newton. They will live at Country Arms while or until they build another house.

Carl Lee and Bon Kemp flew out to San Francisco to visit his sister LaDawn. Guess they will see the sights in one of the most interesting cities.

Mrs. Cletha George flew out to Dallas to be with their brother Raymond Hance who has had surgery and a heart flare-up. He is better now. They went to Bonham and around visiting.

Polly and Shorty Manning were hosts to a few of their family members, Leon and his wife and little girl from Fort Worth.

Ray and Lottie Bearden went to Oklahoma City to visit her relatives this past weekend.

MRS. NANCY Alexander was hostess Saturday morning with a breakfast for 39 girls who are the DHS Pep Squad and cheerleaders. Mrs. Al Forrester assisted with hostess duties.

Darrell and Nell Kenmore are the bragging grandparents of a boy. His name is Matt and he is the son of Lonnie and Paulette Wagner. The paternal grandparents are the Lawrence Wagners of Nazareth. The young Wagners are at Las Vegas, Nev. at Nellis Air Force Base.

We met Mr. and Mrs. Mel-

vin Waggoner at a cafe recently. They live near Hart. He is with the Smith Enterprise and Mrs. Waggoner is with the Golden Spread Nursing home.

GUESTS of Earnest and Ann Mayhew and her parents Mr. and Mrs. Z. H. Jouett were Mrs. Joe Combs and Leisa of Eless, Mr. and Mrs. Dayce Jouett and girls Tammy and Becky of Grand Prairie, Mr. and Mrs. Bobby Jouett and children of Marble Falls. Mr. Z. H. Jouett is very ill in Plains Memorial Hospital.

A well of water... Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water. Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life." The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. ### Correction

The obituary of Marvin J. Mundell in the Aug. 26 issue of the News stated that he had been a resident of Dimmitt for 35 years. MR. MUNDELL actually came to Castro County in 1918, and had been a resident here 53 years. Also, the obituary listed one of his three daughters as Mrs. Nancy Arvizo of Roswell. Her correct name is Patsy, not Nancy. Mr. Mundell died Aug. 25 in Plains Memorial Hospital, and funeral services were conducted Aug. 27 in the First United Methodist Church here. The news regrets these errors.

### Milo research report is out

"Grain Sorghum Research in Texas—1970," a progress report which describes an entirely new industry in the state, has just come off the presses at Texas A&M University.

THE 120-PAGE publication was compiled by researchers and specialists in the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

Dr. H. O. Kunkel, dean of the A&M College of Agriculture and acting director of the Experiment Station, said the grain sorghum story, as outlined in the publication, is a good example of what a land-grant university can do for an agricultural commodity.

He said the report is especially significant in view of the more than \$300 million in cash receipts which Texas-grown grain sorghum has provided for the past four years. Receipts totaled more than \$350 million in 1970.

ABOUT ONE in every \$8 in cash receipts from all commodities marketed by Texas farmers has been from grain sorghum.

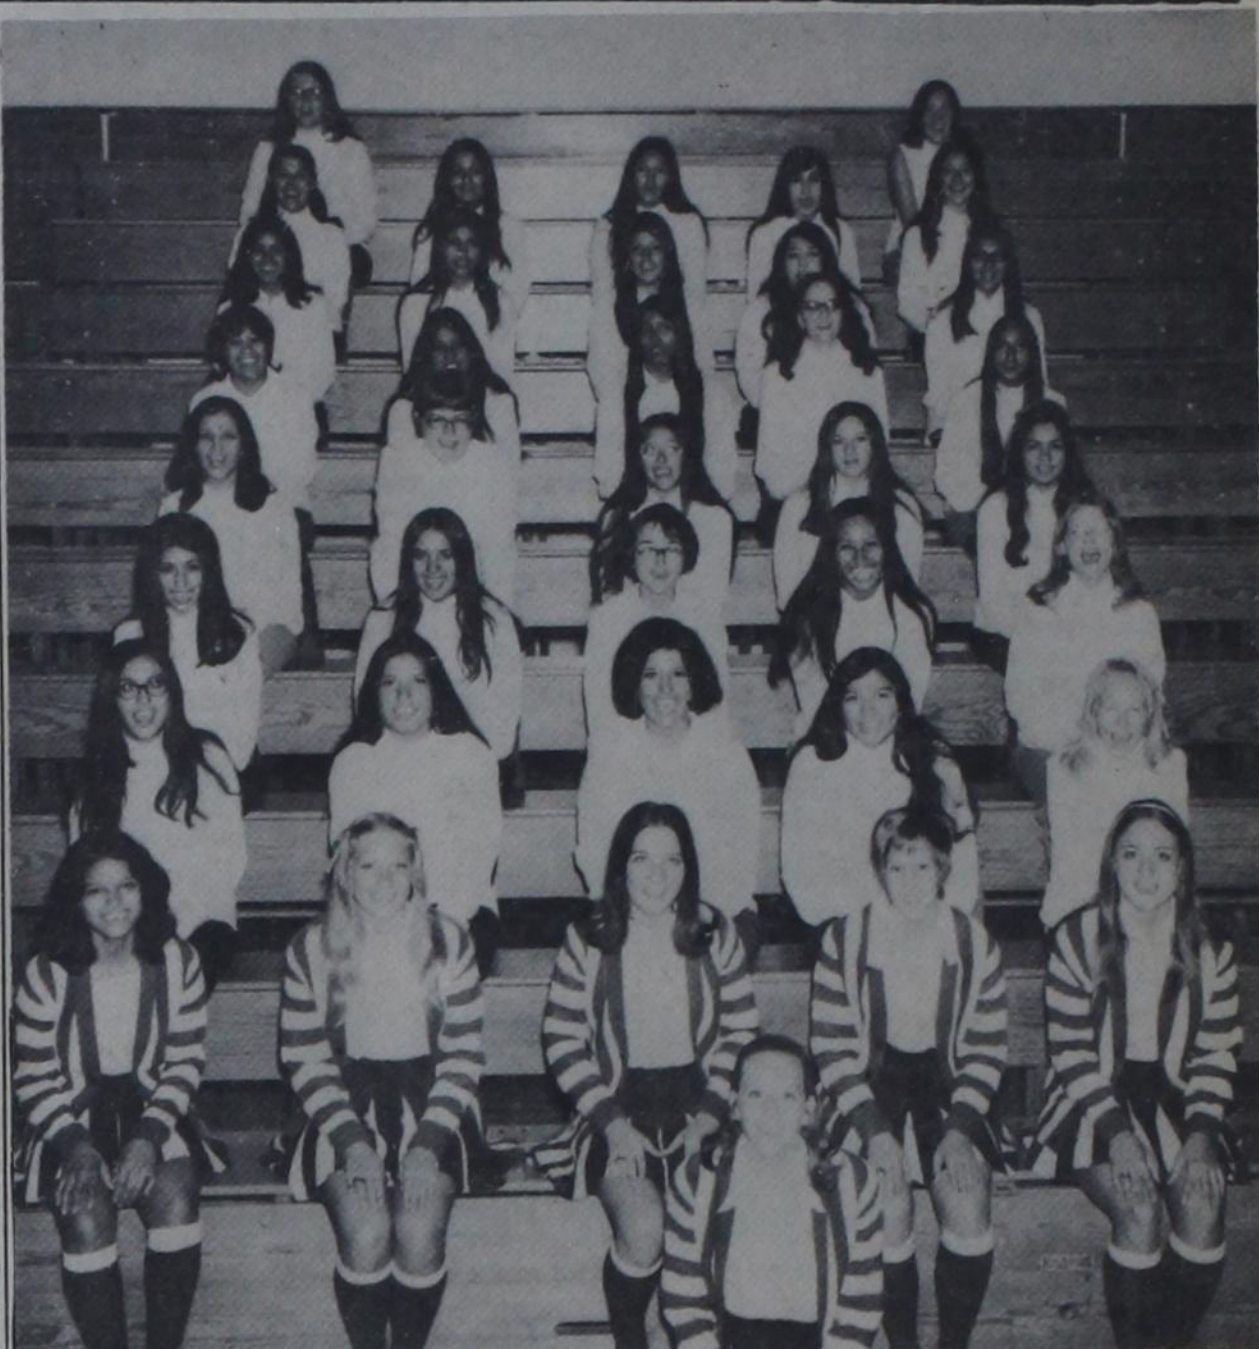

In 1970, 5.9 million acres of the crop were grown in the state with a yield of more than 320 million bushels, exceeding 40 percent of the entire U.S. crop.

Kunkel said a marked effect of the grain supply has been the growth of the livestock feeding industry. There were 3.138 million cattle finished and marketed from Texas feedlots last year. The state is now third in the nation in numbers of cattle on feed.

"TEXAS A&M University, through its research and extension work with grain sorghum for more than 50 years, heaped lay the foundation for this success," the dean said.

The publication's contents cover cultural practices, diseases and insects, chemical treatment residues, breeding, seed production, handling, various uses of the grain, economics, and extension education in grain sorghum.

"Grain Sorghum Research in Texas—1970" is available from the Department of Agricultural Communications, Texas A&M University, College Station, 77843.

LOUD AND PRETTY—You'll hear a lot of new yells coming from the Dimmitt High School stands this year, and these girls of the DHS Pep Club will be leading the student body in making them heard. In foreground is Head Cheerleader Terrie Newton, a Senior. Cheerleaders (front row, from left) are junior Dora Garza, sophomore Alice Rush, senior Linda Malone, senior Suzan Jones and senior Nancy Tisdale, co-head cheerleader. Sponsors of the lively bunch are Mrs. Estella Hottel and Mrs. Nancy Alexander.

## 'Wake up -- time to yell' sleepy Pep Clubbers told

By MRS. AL FORRESTER The home of Mr. and Mrs. Brooke Alexander was the scene of a surprise sunrise breakfast for the DHS Pep Club last Saturday.

ASSISTED by Mrs. Ronnie Parker and Mrs. Al Forrester, the early morning quiet was abruptly shattered when some 40 members of the Pep Club, varsity cheerleaders and fresh-

man cheerleaders consumed 10 dozen doughnuts, three gallons of milk, four gallons of orange juice and six pounds of bacon.

Each of the six varsity cheerleaders—Suzan Jones, Dora Garza, Linda Malone, Terrie Newton, Alice Rush and Nancy Tisdale — chose five members of the organization for an impromptu cheerleading program, and had about 10 minutes to teach them a Bobcat yell. The team of Nancy Tisdale, Odella Salinas, Martina Dones, Jana Hill, Mary Garza and Janie Garza garnered top honors, according to the pajama-clad, six girl panel of giggling judges.

The team led by Alice Rush goodnaturedly laughed their way through kitchen chores when they drew last place. Jana Hill was unanimously voted as "sleepiest," and Ronda Jackson received a three-foot poster of George Harrison for her ability to guess the right number.

PEP CLUB officers elected during the first week of school, are Sylvia Nino, president; Odella Salinas, vice-president; and Martina Dones, secretary-treasurer.

Squad leaders voted in were Mary Garza, Diane Saenz, Fide-la Saenz, Rosa Sepeda and Lisa Forrester. Squad leaders will be responsible for decorating the halls and goalposts, selling programs, roll calls, and money-making projects, of which some Bobcat sweatshirts, pens and notebooks are still available in Mrs. Alexander's room, No. 16.

High School Principal Robert Ryan was introduced to the members of the Pep Squad last week and commented that they were representatives of DHS, and were expected to behave in such a manner as to make him and the school proud. He made observation that all successful DHS activities were governed by rules, regulations, hard work and discipline, and that the Pep Club would be no different.

### Dunlap receives Army promotion

Richard L. Dunlap, 19, son of Mr. and Mrs. William E. Dunlap of Dimmitt recently was promoted to Army Specialist 4 while serving with the 8th Infantry Division in Germany.

Sp-4 Dunlap is a truck driver with Headquarters Co., First Battalion of the division's 87th Infantry near Baumholder.

# Homecoming is next week; first home game spotlighted

By MYRT LOMAN

Hart High School is making plans for the 1971 Homecoming, which will be held earlier than usual this year—Sept. 17, the date of the Longhorns' first home game.

Candidates for Homecoming Queen and Bonfire King already have been named, and students and exes will be busy next week preparing for the traditional Homecoming Week bonfire, pep rally, and exes' dinner and reception.

Queen candidates are Kathy Crawford, a senior, daughter of Mr. and Mrs. A. D. Crawford; Jean Foster, a junior, daughter of Mr. and Mrs. Wamon Foster; Nelda Henderson, sophomore, daughter of Mr. and Mrs. R. G. Henderson; and Genice Crosby, a freshman, daughter of Mr. and Mrs. Garlan Crosby.

The queen will be crowned at the Homecoming game Friday night, Sept. 17, when the Hart Longhorns will play the Turkey Turks.

Four Hart High School boys have been nominated for Bonfire King. They are James Taylor, a senior, son of Rev. and Mrs. T. H. Taylor; Erasmo Castillo, a junior, son of Mr. and Mrs. Varagoza Castillo; Guillermo Carrasco, sophomore, son of Mr. and Mrs. Jesus Carrasco; and Jimmy Brown, freshman, son of Mrs. Thelma Bown.

The Bonfire King will be elected next Thursday night at the annual Pep Rally.

NEW OFFICERS for the 1971-72 school year in the Hart FFA Greenhorn Chapter are Danny George, president; Doyle Davis, vice-president; Jim Clifford, secretary; Danny Carson, treasurer; Terry Beavers, reporter; Kent Irons, sentinel; and Lanny Tucker, advisor.

Only four men attended the men's dinner at the First United Methodist Church last Wednesday. With so few present, no business was transacted but a report was given of the three men who had attended the sub-district men's meeting at Muleshoe. At the meeting in Muleshoe, approximately \$500 was raised to assist with the remodeling of one of the cabins at Ceta Canyon. It will take another \$500, approximately, to complete the project.

A FRIENDSHIP Coke party was held last Thursday afternoon in the home of Mrs. Bob Bennett for the two Beta Sigma Phi sororities, with Mrs. Theron Morrison, president of Xi Mu Iota Chapter, and Mrs. Bob Lacy, president of Chi Psi chapter, as co-hostesses.

Games were played with Mrs. Joe Ed Carson and Mrs. Jim Black the winners.

The Chi Psi chapter was organized in 1961, with 11 members on the roll and \$5.65 in the treasury.

The members have enjoyed many activities, such as socials,

WHO'LL BE THE QUEEN?—These are the candidates, and the Homecoming Queen will be crowned before the Hart-Turkey football game Friday night, Sept. 17. Candidates, from left, are Genice Crosby, Nelda Henderson, Jean Foster and Kathy Crawford.

BONFIRE KING candidates for Hart High School's Homecoming Week are (from left) Guillermo Carrasco, Erasmo Castillo, James Taylor and Jimmy Brown. The Bonfire King will be crowned next Thursday night at the big bonfire and pep rally.

annual Valentine party, Christmas, the area and state conventions, ways and means projects, penny auctions, cake sales, bridge tournaments, enchilada and spaghetti suppers. The rush parties having depicted Spanish, hillbilly, come as you are, hat parade, the annual selection of a "Girl of the Year," and the election of the Valentine Queen each year.

The two chapters have many service projects, such as furnishing record players and hearing machines for the school, a college scholarship for a senior each year, sponsoring a girl at Girlstown, buying Little League uniforms and the sending of goodies to Hart servicemen in Vietnam.

Cultural programs have been interesting and enlightening, with one of the most comical, the hillbilly play, under the direction of Mrs. Charles Black and Mrs. Bob Bennett. Each member participated in this program.

In 1969, the Xi Mu Iota chapter was organized with 20 members. Today it has 22 and the Chi Psi chapter has 18 for a total of 40 active members of the Hart chapters of Beta Sigma Phi.

Thursday's party was held in observance of the 11th year of the local sorority and the 40th year of Beta Sigma Phi. Serving tables were decorated in keeping with the 40th anniversary of the organization. Cokes, coffee, Dr. Pepper and cookies were served.

HD ladies start  
new club year

By MRS. JACK RISTER

The Bethel Home Demonstration Club met Wednesday afternoon at the community building. Nell Ingram called the meeting to order. A brief business meeting was held. The roll call was answered by "The color I think would look good on the person next to me." The program was on "Respect for Law Enforcement officers in Home, Community and on the Highway." Police Chief W. W. Jones gave a good program. Some 15 members attended. Zelma Smith and Merle Snyder were hostesses.

MRS. LEONA Stiles spent Tuesday with Mr. and Mrs. Vern Lust.

Mr. and Mrs. Jim Morton and family, Mr. and Mrs. Leverage Jones and family and Mrs. C. S. Wales, all of New Deal, were Sunday visitors in the Charles Wales home.

Mr. and Mrs. Charles Wales and family visited in Vega Saturday with the Marvin Axe family.

Mrs. James Welch and girls spent the weekend in Clouderoff, N.M.

MR. AND MRS. James Welch and Sharon attended a wedding shower Tuesday night in Dimmitt for Mrs. Billy Myers.

Mr. and Mrs. James Welch and family attended the Welch family reunion in Amarillo Sunday.

Kyla Boozer is in Plains Memorial Hospital. She has been a pretty sick little girl.

Mrs. Bud McElroy visited in Morton and Levelland Wednesday with Mrs. L. H. Hooper and Mrs. J. D. McElroy.

MR. AND MRS. P. O. Goodwin, Mr. and Mrs. Jack Howell, Mr. and Mrs. Jimmie Howell, and Mr. and Mrs. John Howell were Sunday dinner guests of the Moss Howells. John, Colleen, and Rodney left Sunday afternoon for Fort Riley, Kan. Thursday they visited with the Bill Samuelson family.

Special guests were the other Farris children, Ricky, Billy Joe, Patsy Osborn and Peggy Holmfled.

As the guests arrived, their cars were taken to the home of Ricky Farris, so the honoree would not get suspicious when she arrived.

Visiting was enjoyed by all, with birthday cake and coffee served. The birthday cake was decorated with one candle and the number "39" in the center.

Guests were Mmes. Jack Cowser, Rhetta Cluck, Jimmy Cluck and Susie, Vera Webb, and Patsy Osborn all of Dimmitt; Billy Jo Farris and Timothy; Peggy Holmfled of Dalhart; L. C. McLain, L. L. Swindle, Willis A. Hawkins Sr., Judd Davis and Willis A. Hawkins Jr. of Hart.

MR. AND MRS. Glyn Reed and family were in San Diego, Calif., the first of the week to attend the funeral Tuesday of Mrs. Reed's mother, Mrs. Elmer Dellis, who died Saturday morning.

Mrs. Dellis had recently visited her daughter in Hart. She had been in bad health for some time, suffering from a heart ailment.

THE W.S.C.S. of the First United Methodist Church met last Thursday at 9:30 a.m. in the church for the first regular meeting of the fall.

Mrs. T. H. Taylor, president, opened the meeting, with Mrs. E. E. Foster giving the invocation. Mrs. Leonard Griswold gave the devotional reading.

Members voted to sponsor a tea at the church Sept. 16 from 3 to 5 p.m. All women of the church are invited.

New officers were elected. Mrs. T. H. Taylor was re-elected president; Mrs. Leonard Griswold, vice-president; Mrs. Paul Armstrong, secretary; Mrs. Ed Bennett, treasurer; Mrs. E. E. Foster, social relations chairman; and Mrs. W. A. Hawkins Sr. missionary and education chairman.

The group welcomed a new member, Mrs. Teddy Wintrey.

ADMITTED to Plains Memorial Hospital last week were Mrs. Arletta Crick and Shorty Lacy. Mrs. Becky Ingle is improving slowly at the home of her parents, Mr. and Mrs. Herman Burruss.

Mrs. Chloe Flippin is confined to the Central Plains General Hospital in Plainview.

JIM DALTON was honored with a surprise birthday party Saturday night at his home. Hosting the party were his family, Mr. and Mrs. Thomas Dalton and children of Edmonson, Mr. and Mrs. Aubrey Myers and children, Mr. and Mrs. J. C. Miller and daughter and Mr. and Mrs. David Dalton, all of Hart.

Grilled hamburgers and homemade ice cream and birthday cake were enjoyed.

REMEMBER the spaghetti supper in the Hart school cafeteria, to be held from 5:30 to 8 p.m. Friday, Sept. 17, preceding the first home football game.

The supper is sponsored by members of the Xi Mu Iota chapter, Beta Sigma Phi. Adult tickets are \$1.50 each, and admission is 75 cents under the age of 12.

CUB SCOUTS of Hart began their fall weekly meetings last

week, Den 3 meeting in the home of Mrs. Leonard Griswold. Mrs. Griswold, den coach and den mother for two dens, was in charge of the meeting.

The boys welcomed Clay Barnes into their group. Brad Hill, Phil Foster, Matt Aven and Clay Barnes began their work on den equipment. They also received their first Cub Day Achievements with the assistance of Mike Clevenger, den chief.

Matt Aven was chosen Denner and Clay Barnes his assistant.

The Webelo den met in the CVAE workshop at the school, with J. V. Wescott, leader, in charge. The boys reviewed and discussed their work for the coming year.

Russell Davis was chosen as denner and Luther Issaguirre his assistant. Jackie Davis was elected den chief.

Den 1 met last Wednesday after school in the home of Mrs. Griswold. They worked on their "Cub Band" skit for the September pack meeting.

Kyle Gleghorn was elect-

ed Denner and Scott Jones his assistant.

Jerry Stephens, district Scout executive from Plainview, was a special guest at the meeting.

Den 3 met last Wednesday after school in the Wozencraft Insurance Agency building with Mrs. Lyndall Warren, den mother, and Mrs. Bob Reed, assistant, in charge.

Leslie Reed was elected denner and Tracy Rich was chosen as his assistant. Keith Reed

joined the Cub Scouts of Den 3.

Marlin Marble and Maxie Craig were given a birthday party following the meeting.

Mrs. Griswold conducted a den chiefs' meeting last Wednesday evening, with Jackie Davis completing his first hour of "in service training."

BODIES OF poet William Blake and his wife lie in pauper's grave in Buyhills fields, Finsbury.

## Financial Facts

By Willis A. Hawkins, Jr.

Do you know how long half cents were issued in this country?

Began when George Washington began his second term of office in 1793, the half cent was issued with several intermissions until 1857.

When considered from the standpoint of face value, the half cent is the smallest coin ever struck by the United States. Any half cent in existence today is rare and worth far more than its face value. However, because the series hasn't enjoyed maximum popularity, the more common dates are reasonably priced.

The liberty cap type half cent (plain edge, no pole) that was minted in 1796 is the rarest and most valuable. Other difficult-to-obtain mintings are the ori-

ginals and restrikes of 1831, 1836 and all coins between 1840 and 1849.

WATCH NEXT WEEK FOR "NOTHING IS INFALLIBLE" I hope all three schools in the county have successful football seasons.

# Corn loan rates undergo switch to 'county where stored' basis

The only change in the loan provisions for 1971-crop corn is that loan rates will be those of the "county where stored" in-

stead of the "county where produced," according to Charley E. Hill, secretary of the Castro County Agricultural Stabilization and Conservation (ASC) Committee.

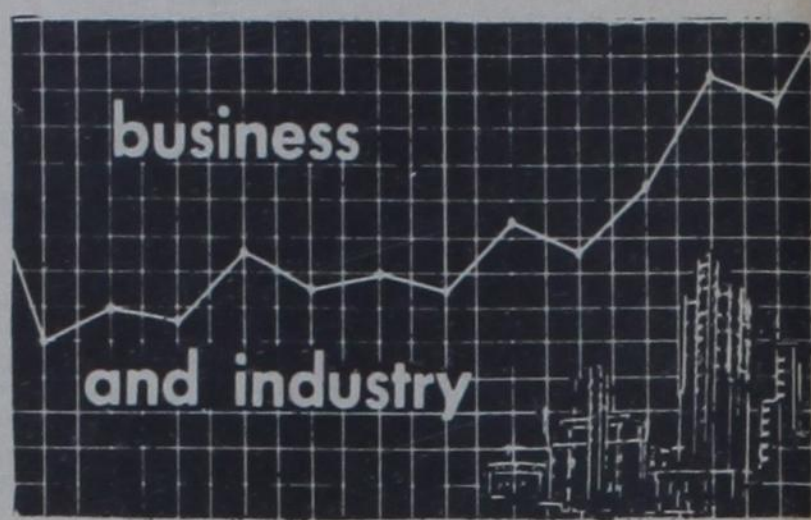

THE ACTION is intended to encourage the flow of corn into the principal consuming areas. The change to the "county where stored" basis for loan rates had already been made for several other grains and for soybeans, Hill said. It provides farmers an added option in management, with no penalty imposed if they choose storage closer to market outlets.

Loan rate for 1971-crop corn in Castro County will be \$1.14 per bushel, the same as for 1970. It is based on a national average loan level of \$1.08 per bushel, No. 2 basis. Premiums and discounts will be unchanged from those in effect for the past several years.

County loan rates vary throughout the country because of historic difference in locations and prices. Variations in local corn prices are caused by such factors as changing trends in production and use, transportation, and others. A review of these factors and of local operations of the loan program by US Dept. of Agriculture officials is made each year before county loan rates are established.

"The County ASCS Office can check on the loan rates for any county where a producer plans to store his corn," Hill said. "As always, eligible producers wanting to know about loan rates should get in touch with their local ASCS office."

Participants in the 1971 voluntary feed grain program are eligible for loans and set-aside payments for corn.

## Don't overlook set-aside rules

"Producers participating in the 1971 set-aside farm programs are reminded of the need for continuing observance of set-aside requirements," Jim Elder, chairman of the Castro County Agricultural Stabilization and

Conservation (ASC) Committee, said this week.

HE POINTED out that even though crop acreages have been certified and virtually all program participants have received their preliminary set-aside payments, the requirements relating to set-aside acreages must continue to be met through the remainder of the year.

The set-aside represents that acreage on a farm which must be devoted to conserving uses in addition to the conserving base if a producer is participating in any of the three voluntary programs—feed grain, wheat, and cotton.

"Responsibility for making certain that the set-aside requirement is met falls primarily on the farm operator. However, each producer on the farm has certain responsibilities too, because of his vital interest in this matter. His benefits are reduced proportionately if total benefits for the farm are reduced because of failure to comply," the ASC committee chairman said.

Any producer who has a question about program compliance or wants to know more details about requirements should get in touch with the county ASCS office, Elder said.

## Freeze holds up new phone rates

Rate adjustments for long distance calls within Texas, which were scheduled to go into effect Sept. 1, will be delayed in accordance with President Nixon's national wage and price freeze, according to a spokesman for Southwestern Bell Telephone Co.

WEST TEXAS Telephone Co., like all other independent telephone companies in the state, will concur with Southwestern Bell's rate adjustment when it does go into effect, according to Harold Miller, business manager of the Dimmitt division.

The new rates—when they do go into effect—will feature decreases in Direct Distance Dialing charges, and increases in charges for operator-assisted calls.

# How will price freeze affect man on the farm?

President Nixon's new economic program for dealing with inflation, employment, and the world position of the dollar has all sectors of the economy guessing as to the eventual implications.

TWO MAJOR questions are (1) what will happen after the 30-day period and, of particular interest to agriculture, (2) how will the agricultural domestic and export markets be affected?

These questions were posed by Dr. Carl E. Shafer, associate professor of agricultural economics, and a committee of Agricultural Extension Service and Experiment Station economists in the Department of Agricultural Economics at Texas A&M University. The committee, headed by Shafer, was recently appointed to determine what effects the new economic program is having on Texas agriculture.

Shafer's committee reminded Texas producers that "all farm level unprocessed products are exempt from the price-freeze provision while retail food (except for unprocessed items like eggs and lettuce) and fiber product prices are subject to the freeze. Of course, prices of items farmers buy are controlled. This should restrain the cost part of the price-cost squeeze dilemma farmers have had to face."

THE committee of agricultural economists indicated that "farm level prices could vary selectively depending on the strategy of food marketers as dictated by current cost and margins. However, with retail and wholesale food prices frozen, there is little reason to expect farm level prices to in-

crease to any extent." By the President's Executive Order No. 11615 prices were stabilized for a 90-day period at levels not greater than the highest of those pertaining to a substantial volume of actual transactions during the 30-day period ended Aug. 14, 1971.

Section 202 "A" of the Economic Stabilization Act of 1970 authorizes the President to issue orders stabilizing prices at levels not less than those prevailing on May 25, 1970. Therefore, in cases where prices have dropped below those of May 25, 1970, these prices may increase. But, the prevailing price cannot be higher than the highest price established in the mentioned time periods.

"POSSIBLY the most significant aspect of the new programs could be the psychological effect of the turn-about in the administration's economic policy," pointed out Shafer. "If confidence in the economy is renewed, inflation is restrained, and unemployment drops significantly, then the demand for food could increase. This would result in increased sales at the stabilized retail prices."

The agricultural economic group cited an example. If the demand increases for high consumer preference items such as beef, there might be some increase in cattle prices due to buyers bidding for the given supply. But, again, cattle prices could not rise much because of marketing costs and fixed retail prices.

"The President's moves to strengthen the U.S. trade position via the 10 percent surcharge on imports and temporary suspension of the dollar convertibility into gold should make our

agricultural products even more competitive in domestic and world trade," said Shafer. "The world trade question, however, hinges on the response of agriculture's big customers like Japan, Canada, and the European Economic Community (EEC) to the import-restricting moves of the President."

ABOUT 14 percent of US farmer's income comes from sales in foreign markets and 49 percent of US agricultural sales are to the six EEC countries, Japan, and Canada.

Japan, our largest customer, accounted for 16 percent of U.S. farm export sales for hard currency. The new 10 percent surcharge on imports will reduce somewhat the demand for Japanese goods in this country. Furthermore, should Japan have to increase the value of its currency, our commodities will become increasingly competitive with their's in world markets, the committee reported.

"In 1970, Japan took 66 percent of our grain sorghum exports, 29 percent of the corn, and 25 percent of our soybeans and was also the number one

customer in cotton and wheat," Shafer reported.

The Texas A&M committee of agricultural economists contended that "Japan could, of course, look elsewhere for these commodities but will probably not do so because the U.S. remains an excellent market for Japan's manufactured goods."

## Texas is the top beef export state

While the number of beef breeding cattle exported from the United States in 1970 fell 25 percent below the record 1969 levels, Texas led as the most important state of origin for the exports.

TEXAS claimed the top position in exportation of Angus, Beefmaster, Braford, Brahman, Brangus, Galloway, Red Poll and Santa Gertrudis cattle.

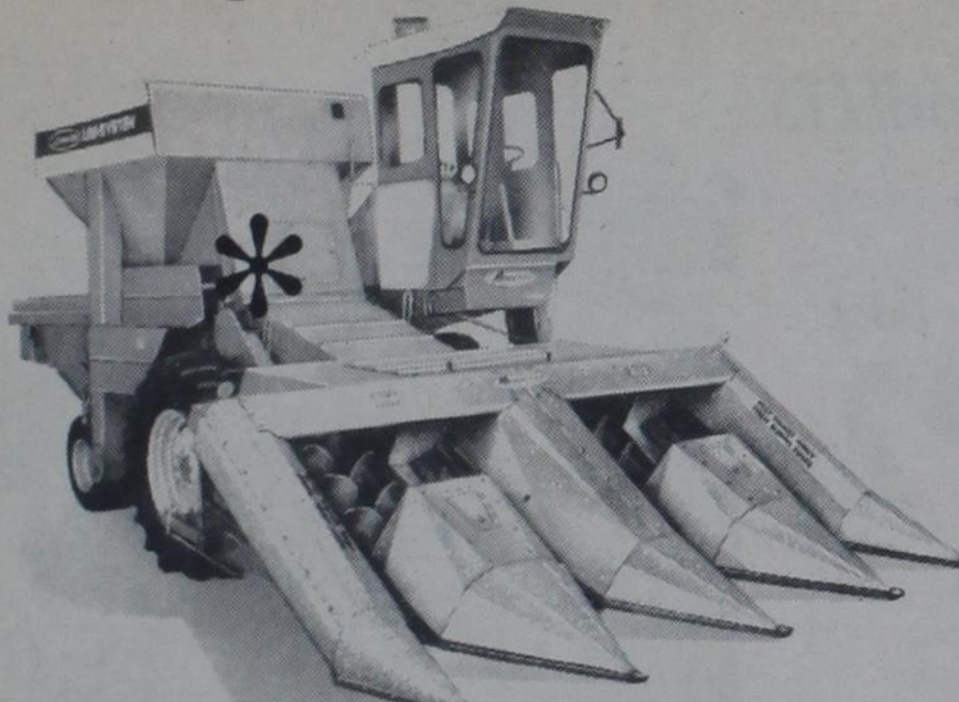

Even though the national totals were below year earlier figures, they are still above the level of the last several years, notes Dr. Ed Uvacek, Extension livestock marketing specialist. Canada and Mexico were the leading countries receiving U.S. cattle, with Canada accounting for about 44 percent of the total. Other important exporters were Chile, Greece, Costa Rica, Japan, Guatemala and Venezuela.

The principal breed exported from this country was Hereford, with Angus, Polled Hereford, Brahman, and crossbreds next in line. Most of the Herefords went to Canada, Mexico, Japan and Greece, and the Angus moved principally to Canada, Mexico, Greece and Costa Rica.

POLLED Herefords shipments were limited to Chile, Japan and Canada while Brahmans were exported to many countries with the largest numbers going to Mexico, Venezuela, Guatemala, Philippines, South Africa and Ecuador.

Uvacek pointed out that in terms of the types of breeding animals exported, there was considerable variation due to the breeds. Bulls were most frequently exported in these breeds: Beefmaster, Braford, Brahmans, Brangus and Red Angus. Cows or heifers dominated the exportation of Angus, Charbray, Charolais, Galloway, Hereford, Polled Hereford, Red Poll, Santa Gertrudis, Short-horn and crossbred cattle.

## Comfort is...

Fresh, warm air gently circulating from floor to ceiling... down-to-earth dependability... easy-on-the-budget operating costs. Comfort is gas heating. There's no heat more comfortable.

And there's no heat cleaner than gas. Gas burns clean. It's one energy source that doesn't dirty the air.

Air-circulating gas heating systems also give you the first-half of a built-in gas air conditioning system. Adequate heat ducts can carry cool

air to your whole house too — so you can add-on gas cooling right away or later if you prefer. Together, gas heating and gas cooling are an unbeatable combination for year 'round total comfort.

If you're building a home or planning to replace an out-dated heating system, choose thrifty gas heat. Check with your heating contractor.

# Sorority party draws 'hippies'

The basement of the First Baptist Church of Hart was the pad for a "Cellar Party" marking the beginning-day social of the Chi Psi chapter of Beta

Sigma Phi Sorority. A "hippie" theme was carried out in decorations, with peace and love drawings on the walls and ceiling. Colored chain beads marked the entrance to the pad, with kerosene lanterns providing light. Each guest brought a pillow for the seating arrangements on the floor.

Mrs. Mike Burnam received a gift for being the "hippiest hippie." Guests were dressed traditionally.

Stew, cornbread, crackers and salad snacks were served by the social committee composed of Mmes. George Vance, Ted Averitt, Tom Ed Benton and Barry Hughey.

Mrs. Bob Lacy, chapter president, gave a welcome and discussed Beta Sigma Phi. Yearbooks were distributed by Mrs. Jim Black and Mrs. Leon Kendall. The program chairman, Mrs. J. D. Myrick, explained plans for selecting the best program of the year and revealed the program theme, "Paths to Loveliness."

Opening meeting of the year is slated for Sept. 16 with Mrs. David Smith and Mrs. Richard Franks to serve as hostesses. The cultural program on oratory and speech is to be presented by Mrs. Kendall and Mrs. Averitt.

Miss Bennett

# Marriage plan told

An Oct. 15 wedding is planned by Sandra Jean Bennett of Hart and Danny Lee Sides of Hereford.

MISS BENNETT'S engagement and approaching marriage were announced by her parents, Mr. and Mrs. Bob Bennett.

The bride-elect is a graduate of Hart High School and has attended the Robert Spence School of Modeling in Lubbock and the Parks Business School in Denver, Colo.

Sides is the son of Judge and Mrs. G. T. Sides of Littlefield. A graduate of Olton High School, he attended Sam Houston State University and West Texas State University. He is now associated with Triangle Pork Producers of Hereford.

The couple will exchange marriage vows in the home of the bride's parents.

# Wesson, Lust get TTU degrees

Gary Steven Wesson and Joe V. Lust of Dimmitt were among the 1,050 graduates who received degrees in Texas Tech's summer commencement recently.

WESSON received a master's degree in fine arts, and Lust earned a bachelor's degree in agricultural economics.

The 1,050 degrees were a record number for summer graduation ceremonies, according to Dr. Grover E. Murray, university president.

Nickel Finds Many Uses. Nickel is one of the most versatile elements in the world. Fully 820 million pounds of it were consumed in the free world in 1969, and the major uses were for consumer, residential and institutional products.

Industrial and transportation equipment came next, followed by the automotive industry, which ranked third.

# Socially Yours

MRS. BILLY DEAN MYERS

The former Charlsa Ann Meacham

# Couple establish home in Plainview

Mr. and Mrs. Billy Dean Myers are now at home at 905 Lancaster St., Plainview, following their recent marriage in the College Baptist Church there.

THE BRIDE is the former Charlsa Ann Meacham, daughter of Mr. and Mrs. Charles Meacham of Plainview. The groom is the son of Mrs. Dean Myers of Dimmitt.

The bride is a graduate of Coahoma High School and Howard County Junior College. Myers, a Dimmitt High School

graduate, attended Wayland Baptist College and graduated from the Dallas Institute of Mortuary Science. He is now employed by Nalley-Pickle Funeral Home of Plainview.

Chaplain Clayton Hicks of the Veterans Administration Hospital officiated at the wedding. The altar setting included a white columned arch adorned with greenery, with baskets of white mums and gladioli atop each column. Twin candleabra held white tapers.

MRS. ARLIN WHITE, organist, provided traditional wedding music and accompanied Mrs. George White, vocalist.

The bride carried a bouquet of stephanotis centered with camellias and tied with satin streamers. Her floor length gown of white peau de soie was overlaid with lace. The bodice featured a high collar and long lace sleeves, and the Princess skirt was accented with pearls. Her fingertip-length veil was secured by a crown of pearls.

Vicki Whidden served as maid of honor, and Jane Meacham, sister of the bride, was the bridesmaid. Miss Whidden was attired in a gold crepe dress, accented with white lace, with a matching headpiece. She carried a long stemmed white rose tied with gold satin streamers. Miss Meacham was attired in an identical dress of avocado, and her rose was tied with avocado ribbon.

SERVING as best man was John Beeson. Dan Meacham, the bride's brother, was the groomsman. Ushers were John McRae of Iraan and George White of Forsan. Teresa White of Forsan was the flower girl.

A reception followed the ceremony in the church's fellowship hall. Mrs. John McRae of Iraan, Mrs. Harold Harrington of Coahoma, Mrs. Eugene Deard and Vicky Wallin of Plainview served wedding cake and refreshments from a table that was adorned with satin bows, wedding bells and garlands of greenery. The centerpiece of gold mums and green carnations was accented by streamers of ivy.

OUT OF TOWN guests at the wedding and reception included Mrs. Dean Myers, Mrs. Marie Langford, Will Graef, Mrs. G. A. Schwen, and Mr. and Mrs. James Welch and Rhonda, all of Dimmitt; Mr. and Mrs. C. C. Graef of Lazbuddie, Roger Westberry of Hereford, Mr. and Mrs. James Rials of Lubbock, Mrs. Ona Graef of Fort Stockton, and Mr. and Mrs. Charles Meacham of Pecos.

# Here are week's best food buys

Your family's health depends largely upon what you feed them. To make the most of food values that offer both nutrition and economy, follow these marketing tips, suggests Gwendolyn Clyatt, Extension consumer marketing specialist.

MOST MARKETS are well-stocked with various cuts of mature and baby beef. Featured cuts vary from market to market, so check ads for family preferences before shopping, the specialist says. In general, beef values include chuck roasts and steaks, round steaks, ground beef, beef and calf liver.

Pork prices are about the same as the past few weeks. Look for best values on shoulder roasts and steaks, hams, picnics and end-cut loin roasts and chops.

Fryer chickens are a good choice in most markets so take advantage of their versatility and serve them often to cut family food costs.

AND, according to Mrs. Clyatt, egg supplies are plentiful with prices somewhat lower than at this time last year. Buy Grade A large eggs for the most quality and economy for your egg money.

At the dairy counter, check for good buys on cottage cheese, American cheese and yogurt. Be sure to include milk products in your daily menus.

The vegetable counter is still well-stocked with fresh items, Mrs. Clyatt reports. Look for carrots, cabbage, mustard, celery, collard greens, corn, head lettuce, potatoes and yellow onions.

Miss Sharp

# Oct. 1 date set

Mr. and Mrs. Orval Sharp of Hart announce the approaching marriage of their daughter, Carol, to Jim Cottingham of Hart.

VOWS WILL be exchanged Oct. 1 in the First Baptist Church of Hart.

The bride is a 1970 graduate of Hart High School.

Cottingham, son of Mrs. Glenn Miller of Roosevelt, is the Hart unit manager for the American Dusting Co. He is a graduate of Hobart, Okla., High School, and attend Oklahoma State University.

## Law and order depends on all of us, police chief reminds HD Club ladies

By IRENE KEATING  
Now that September is here, many organizations are meeting again after a short summer recess.

LAST WEEK I was at the Bethel Home Demonstration Club meeting and really enjoyed the informative talk given by Police Chief W. W. Jones. He reminded us of ways WE could help law enforcement officers.

He urged us to report anything that was wrong or suspicious immediately—don't mention it days later. Also, if we are called to be on the jury, do our very best to make the right decision—one of our biggest problems is that criminals get by with much crime and keep it up as they're reasonably sure they'll be let free.

A large percentage of criminals are repeaters.

THE HOME Demonstration Council is compiling a cookbook. It will be filled with all sorts of excellent tested recipes. They'll be printed in about two months. They will be good for gifts as well as adding to each of our recipe collections. Plan now to get one.

The Tri-State Fair in Amarillo will start Sept. 18. I'd like to encourage you to enter items. You can enter canning, baking, jellies, jams, pickles and preserves, candy, knitting, embroidery and applique, Swedish weaving, sewing, rugs, crochet, holiday ideas and novelties.

If you are interested, come by and check the rules in the fair catalog.

# Who IS this guy?

When you see him, coupled with our corporate emblem, on a lineman's hardhat, on the door of a line truck or service truck, on our offices or signing our newspaper and TV messages, you know that here's a hard-working little fellow who gets around — 24 hours a day.

His name is Reddy Kilowatt.

He's a versatile little fellow who is capable of doing all kinds of good things for you. He can cook your meals, dry your clothes, wash your dishes, heat your place in winter, cool it in summer, light it up year 'round — and a hundred other chores around the home. He's a businessman, too. He helps to run retail stores, offices, commercial buildings, big and small industries and farms and ranches — efficiently, economically and dependably.

He, together with his 1,800 co-workers . . . they are *The ELECTRIC Company* . . . the one you can rely on. And this year marks our 50th Anniversary . . . that's over 438,000 hours of working for you dependably, efficiently and at the lowest possible wages. Hour by hour, we pledge to continue working hard for you for the next 50 . . . that's the kind of guy Reddy Kilowatt is.

Miss Brooks

# Sept. 25 vows set

Mr. and Mrs. Ira J. Burrows of Austin announce the approaching marriage of their daughter, Rene Brooks of Memphis, Tenn., to Roger Cameron of San Francisco, Calif.

MISS BROOKS, a former Hart resident, is also the daughter of the late Ernest Lee Brooks. An airline hostess, she is a graduate of Texas Tech University.

Cameron is the son of Mrs. Grace Cameron and the Late Alfred Cameron of Clinton, Iowa.

Wedding vows will be exchanged Sept. 25 in the Wesley Chapel of Lovers Lane United Methodist Church in Dallas.

### On the Go

MR. AND MRS. Edgar Dennis visited relatives in Seminole and also took gifts to a recently married brother.

CCCC Vice-President Joe Carver grabbed a two-stroke lead with a net 61 to win the Labor Day Handicap Golf Tournament here Sunday. Jak Rust carded a net 63 for second place in the one-day, 18-hole meet. Trailing one stroke back was Dr. David Bechtel to capture third place. Dr. James Wohlge-muth turned in an 84 to coast into the low gross spot for the day.

Jon Max Wohlgemuth, a high school freshman, shot a net 68, just easing out of prize range. Herb Mayfield carded a 73; Ole Mae Trimble, 1970 club champion, shot a net 75; and Polly Holland, LGA president, carded a net 77 for the day.

★  
THE L.G.A. Play-of-the-Day scheduled last week featured a "Throw out Four Highest Holes" Contest with Amy Glover rolling up 20 strokes in the championship flight for first place. Close on her heels were Bernice Hill with 21; Ole Mae Trimble, 22; Bobby Vilas, 23; Polly Holland, 24; Ann Touchstone, 25; and Kathy Thomas, 26.

First Flight saw Deanne Clark scoring a 23, Vaudine Giles 27, Joannis Robertson 28, Dorothy Gilbreath 29, Juanita Bruegel 31, and Neva Hickey 32.

Gladys Benson won the Second Flight in a walk with a five-hole score of 34.

The Ladder Tournament is going full swing this month with President Polly Holland holding forth on the top rung at the moment. Second place belongs to Past President Bobby Vilas, with Ole Mae Trimble swinging on the third vine. Other linksters who have challenged—won or lost—fall into the following shaky spots from fourth to last: Janie Walger, Amy Glover, Ann Touchstone, Kathy Thomas, Bernice Hill, Deanne Clark, Vaudine Giles, Maxine Childers, oy Mercer, Clara Patton, Joannis Robertson, Joni Wilson, Connie Stallings, Doro-

thy Gilbreath, Juanita Bruegel, Rosalia Gilbreath, Neva Hickey, Adaline Rush, Elsa Wood, and Marilyn Carver.

★  
THE ANNUAL Club Golf Championship was postponed due to the great out-flux of local golfers during the Labor Day holidays. A new date will be set shortly.

The Ladies' Golf Association is reminded of its Association Tournament set for this weekend—Saturday and Sunday. Any member of the Ladies' Golf Association is eligible to play in the 36-hole match play affair, with entry fee set at \$5. Tee-off times will be 9:30 a.m. Saturday and 12:30 p.m. Sunday. Deadline for entry is Friday at 5 p.m. Trophies will be awarded for first and second in each flight, with a medalist trophy for low score first day.

### Rites held for Sanchez infant

Gravesite services were conducted in Hart Cemetery at 10 a.m. Saturday for the infant son of Mr. and Mrs. Paul Sanchez of Hart.

★  
THE BABY was stillborn at 11 am. Friday in Plains Memorial Hospital.

Rev. Raphael Chen, priest of the Immaculate Conception Church of Dimmitt, officiated at the graveside rites. Dennis Funeral Home was in charge of arrangements.

The infant boy is survived by his parents; two brothers, Paul Jr. and Tony, of the home; four sisters, Bertha, Angie, Christine and Diane, of the home; and his grandparents, Mr. and Mrs. Manuel Sanchez of Hart and Mrs. Juanita Garcia of Corpus Christi.

BOWHUNTERS will get a special chance at deer, javelina and wild hogs during Aransas National Wildlife Refuge archery season Sept. 17-30.

PEACE, SISTERS—Members of Hart's Chi Psi chapter of Beta Sigma Phi sorority transformed the basement of the First Baptist Church into a "hippie den" for the

party opening of their new club year. After a meal of cornbread and stew, they chose Mrs. Mike Burnam as the "hippiest dresser." See story, Page 8.

# Students learn yells at Pep-In

David Nino, a DHS football player, was selected "Mr. Baby Bobcat of 1971" during a baby contest last Wednesday in the Dimmitt High School auditorium during the annual "Pep-In" sponsored by Cheerleaders Dora Garza, Suzan Jones, Linda Malone, Terri Newton, Alice Rush and Nancy Tisdale.

★  
THE PEP-IN featured a number of humorous skits. The hit of the afternoon came when Principal Robert Ryan demonstrated the art of being a good sport while extracting himself from a false-boltomed chair filled with water.

A "lion hunt" featuring Dean Behrends, Danny Ebeling, Patt Rush and Felton Isaacs as hunters, concluded when the hunters ended up being the hunted as their prey "lion," Pat Barries, turned on them.

Pillow cases, buckled knees and short-short legs were the theme for a cheerleader chorus

line dancing to the "Hokey Pokey." SARITA WHITE presented an outstanding "Little Girl" skit in which her frustration at her inability to get her poetic "Sailing Ship" lines right made her lose her temper—the ship sank anyway!

★  
Stage activities were coordinated by the Pep Club sponsors, Mrs. Ronnie Parker and Mrs. Brooke Alexander. Light and sound technicians included Craig Vandiver, Rickie Bell, Lance Davis and Max Hastings.

Students were taught new yells learned at camp this past summer by the cheerleaders. Receiving the most applause was a new yell, which the girls demonstrated with a good deal of sophisticated timing, called "Have Ya Got That Spirit"—"Yeh, Man!"

**FRIDAY,**

**SEPTEMBER 10th**

**8 p. m.**

**NAZARETH STARTERS** on offense Saturday, when the Swifts travel to Hereford to open their season against the Hereford B-team, will probably be (from left), end Glenn Ramaekers, tackle Kelvin Kleman, guard Dennis Kern, cen-

ter Stanley Gerber, guard Raymond McLain, tackle Arnold Ehly, and end Randy Schilling. Expected to start in the backfield, from left, are Neil Dobmeier, Gordon Wilhelm, Kerry Brockman and Stanley Maurer.

**THE SWIFT DEFENSE** in Nazareth's season opener Saturday will probably be this alignment. Along the front wall, from left, are Randy Schilling, Kelvin Kleman, Denis Kern, Raymond McLain and Steve Acker. Linebackers, from left,

are Kerry Brockman, Stanley Gerber and Neil Dobmeier. In the deep secondary, from left, are Kent Birkenfeld, Stanley Maurer and Pete Gonzalos. Head coach of the Swifts is Clayton Neal.

# Swifts set on improving record

By PAT ACKER  
After three successive seasons of being virtually dormant, the Nazareth Swifts—under the direction of Coach Clayton Neal—look forward to the coming season with the firm conviction of improving last year's 1-8 record.

**THE SWIFTS** hope to avenge the defeats they suffered last season at the hands of old rivals. Backing this boast, the Swifts have 17 returning lettermen and eight returning starters. Among these returnees are all-state candidate Stanley Gerber, 195-lb. junior center, and Denis Kern, 145-lb. junior guard. Nazareth will start its 1971 grid campaign Saturday against Hereford's B-Team, at Hereford.

**THE SWIFTS' starting offense** looks something like this:  
Quarterback: Gordon Wilhelm, 160, Sr.  
Fullback: Neil Dobmeier, 166, Sr.  
Running Backs: Kerry Brockman, 165, Sr., and Stanley Maurer, 155, Jr.  
Ends: Glenn Ramaekers, 142, Sr., and Randy Schilling, 152, Sr.  
Tackles: Arnold Ehly, 200, Sr., and Kelvin Kleman, 175, Jr.  
Guards: Denis Kern, 145, Jr.; Raymond McLain, 160, Jr.; James Birkenfeld, 140, Jr.

Center: Stanley Gerber, 195, Jr.  
**DEFENSIVE** starters will include Stephen Acker, 175-lb. junior end; Kent Birkenfeld, 140-lb. junior back; and Pete Gonzalos, 150-lb. sophomore back. They'll join defensive linemen Randy Schilling, Kelvin Kleman, Denis Kern and Raymond McLain; linebackers Kerry Brockman, Stanley Gerber and Neil Dobmeier; and halfback Stanley Maurer.  
The team has good depth in nearly all areas, depending for back-up on such outstanding young players as Charles Heck, 100-lb. freshman; Glenn Kleman, 165-lb. freshman center; and Glenn Ehly, 150-lb. freshman back.  
"Speed is lacking in this team, which necessitated a change from the conventional Straight-T and Power-I formations to the basic Flying-I formation with

two split ends," Coach Neal said. "We hope to produce a strong passing and off-tackle running game."  
**IN HIS maiden year** as head coach of the Swifts, Neal is assisted by Coach Tommy Frazier, formerly from Anton.  
"Defense seems to be our strongest asset," the coaches said. The Swifts are anchored by such players as all-district letterman Stanley Gerber at the "monster man" middle linebacker post, and Stephen Acker playing a strong defensive end.  
The Swifts are by no means lacking in manpower. Forty of the school's 60 boys turned up this year to play.  
**COACHES** Neal and Frazier are convinced that their boys will win a few more games this year as they face these teams:  
Sept. 11 — At Hereford "B"  
Sept. 17 — At New Home

Sept. 23 — Canyon "B"  
Sept. 30 — Tulia JV  
Oct. 3 — Open  
Oct. 16 — Kress JV  
Oct. 22 — At Lazbuddie  
Oct. 29 — At Turkey  
Nov. 5 — Amherst  
Nov. 12 — At Anton  
Nov. 19 — Matador  
**THE SWIFTS' final five** games are all district contests.

## Brockman attends KofC convention

Ernest Brockman of Nazareth was one of the 10 Texas delegates to the recent national convention of the Knights of Columbus in New York, N.Y.  
**BROCKMAN** is the former state warden of the KofC, and is now a state committeeman. He was elected a national delegate at the state convention last summer.  
National convention headquarters was the Waldorf-Astoria Hotel in New York City.  
**IF YOUR** French fried potatoes are often soggy and greasy the frying fat is probably not hot enough, suggest Extension foods and nutrition specialists. The temperature of the fat should be 375-385 degrees F.

# Horns wishing on a Wishbone

Hart's Longhorns are pulling the Wishbone again this year and hoping to improve last year's 0-9-1 record.  
**THEY'RE** working at it. Although they're small, they've shown a Bunyanesque knack for hard, honest, outdoor toil.  
"The boys have been working out as much as 2½ hours a day," reports Head Coach Doug Higgins, "and their attitude is a lot better than ever before."

This attitude apparently was a big factor in Hart's good showing against Sundown in a scrimmage Friday. And the Longhorns will need the best attitude and enthusiasm they can muster when they open the season Friday. They'll travel to Lazbuddie to do battle with the perennial District 2-B champions. Kickoff time will be 8 p.m.

**ALTHOUGH** they're tagged as "inexperienced" because they have only two seniors on the squad, it ain't necessarily so, Higgins says.

"A lot of the kids who took those lickings last year have gotten a lot of experience from it," the coach commented.

The two seniors are Roy Coronado, who is up from last year's B-Team, and James Taylor, who has just become eligible for varsity competition after moving from Cotton Center last year. He, too, saw action with the B-Team in the 1970 campaign.

**THIS WILL** be the third year for the Longhorns to operate from the demanding Wishbone-T offense, and the Hart varsity boys are now well schooled in it.

With the Wishbone-T, perfection of execution is the whole ball game—work it right, read the defense properly, respond correctly with the options, and you make your opponents work for you, and you win.

That's what Coach Higgins and his assistants, Barry Hugh-ev, Glenn Gheghon and Leon Kendall, expect their Longhorns to do this year. And they're hopeful.

**AT THE crucial man-under** slot, Hart has a returning starter—junior quarterback Dirk Rambo—to direct the Wishbone attack.

The Longhorn backfield also is blessed with three other starters back from last year—Stanley Dyer, 189-lb. junior fullback; Kenneth Davis, 140-lb. sophomore halfback; and David Barham, 120-lb. junior halfback. Also pushing for starting assign-

(See HORNS WISHING, Page 14)

**RETURNING STARTERS** on Coach Doug Higgins' Hart Longhorn squad this year are these four linemen and four backs, who are the building blocks for this year's Longhorn hopes. Linemen, from left, are Guillermo Carrasco, sophomore end who started on both offense and defense last year; Bill Clifford, junior guard who was a defensive regular last season; Dan Sharp,

junior guard who plays both ways; and Erasmo Castillo, junior offensive and defensive end. Returning backs, from left, are sophomore Kenneth Davis, junior Stanley Dyer, junior Dirk Rambo and junior David Barham. Davis, Dyer and Barham drew starting assignments on both offense and defense last year, while Rambo was the starting quarterback.

# Cats to unveil Power-I against Muleshoe Friday

By JOHN BROOKS  
Friday night the Dimmitt Bobcats will travel to Muleshoe to open the 1971 season against the Mules of Fred Hedgecock. The battle will begin at 8 p.m.

**MULESHOE** has bolstered its defensive corps over last year. The defense gave up almost 19 points a game, but still emerged with a 3-7 record.

On the defensive group are two all-district players from last year's squad—Rand Baker, defensive end, and Donnie Wheat at a middle linebacker spot. Others who are prospects for the District 1-AAA dream team are Don Heathington at the other defensive end post, Gary Lacky in the secondary, and Ricky Black in the linebacking corps.

On the offensive side of the picture, Hedgecock's charges will be running out of the Wishbone-T formation. Donnie Wheat is the field general. In the backfield will be big Bobby Hayes, who in spite of the name, is a much more powerful back than a speedster. Also in the backfield will be Jearrell Barra, and at fullback, Rick Back.

**COACH** Brown L. Smith's Bobcats proved in a scrimmage against Dalhart Friday night

that they're ready to go. They've replaced last year's Houston Veer with a Power-I and Straight-T offense, and looked very smooth as they rang up four touchdowns from scrimmage against the District 1-AA favorite.

"I was real pleased with the way the boys looked," Smith commented after the scrimmage.

Dimmitt's football prospects looked a lot brighter after Friday night's set-to than they did three weeks ago, when the prospect roster was riddled by absences.

**WHEN** two-a-day workouts began, Smith & Co. went into mourning. Gone were Mike Shepard, Eddie Sanchez, Daniel Frierson and speedster Charles Stewart. But rumors of Frierson possibly joining the Air Force were quelled when he showed up for his equipment the day after school started its long run. Stewart ended his lon'z holdout this past week.

The Bobcats have several star players with injuries. Frierson injured a shoulder and Nati Anes hurt his knee against the Tulia Hornets two weeks ago.

If scrimmages are any indication, Charles McLean should have a fine year at the split

end spot. He made a beautiful catch and rambled 40 yards for the Bobcats' first touchdown against Dalhart Friday night.

Gary Wise had a great showing at the fullback spot, and might start against the Mules, depending on how the injured Anes looks during workouts this week.

**SENIOR** Jerry Matthews and junior Terry Powell are still battling it out at the quarterback post, with senior Mike Dodson ready to step in should either be injured. Both have had much experience, with Matthews showing more consistency as a passer.

The interior line had a good day Friday, giving the passer good protection and providing the backs with huge holes to run through.

The starting line-up against the Mules Friday night should look something like this:

**OFFENSE**  
Tight End: Felton Isaacs.  
Left Tackle: Pat Barrios.  
Left Guard: Rocky Kay.  
Center: Patt Rush.  
Right Guard: J. B. Ellis.  
Right Tackle: Lynn Buchannan or Hollis Amnen.  
Split End: Charlie McLean.  
See CATS TO UNVEIL, Page 14

**LEADING THE BAND** this year for Dimmitt High School are Head Drum Major Ann Lust (left), a senior, and Assistant Drum Major Janet Smithson, a junior. The two high-step-

ping beauties bring the award-winning Bobcat Band onto the field in impressive fashion in their striking purple-and-white uniforms.

**Holiday picnic draws hundreds**

By Mrs. Florance Albracht  
The Labor Day Picnic drew a large crowd for the dinner, an afternoon of games, art show, parade and dance in the evening. So many neighbors and friends from the surrounding communities came to spend the day with us, and we were so happy they came.

MR. AND MRS. Lawrence

Wagner and daughter, Bonnie, drove to Las Vegas, Nev., to visit their son, Lonnie and his wife and new baby boy, Eric Matthew. Lonnie is stationed at Nellis Air Force Base there.

While there they went to see the Hoover Dam, Grand Canyon and Painted Desert. They also visited her brother Donald at Albuquerque.

The members of the Order of Martha met in the church basement for their regular monthly meeting, Aug. 31. They are busy quilting two quilts for Mrs. Kenneth Acker of Irving. A new year began Aug. 1. The group has donated over \$300 to the Home Missions from their projects the past year. Mrs. Katie Huseman was the hostess for the meeting and served delicious refreshments to the group.

MRS. MAX Acker and her families, the Tom Acker family and the H. D. White family of Amarillo spent the long weekend vacationing in Colorado.

Mrs. Agnes Brockman is home after a three-week trip with the Brittings of Amarillo up to Canada.

The Ed Ramaekers are the proud parents of a baby girl, born on Labor Day in the Swisher County Hospital in Tulla.

Visiting the Vincent Pohlmeier family over the weekend were all their children—Rosella of Dallas, Tom and family of Colorado Springs, Carolyn and family, the Les Boyles of Lawton, Okla., and Arlene and family, the Mike Williams of Amarillo.

Mr. and Mrs. Marvin Hoelting are moving to Denver this week where he has a new job.

MR. AND MRS. Thomas Birkenfeld and baby of San Antonio surprised his mother Mrs. Lizzie Birkenfeld with a weekend visit.

Mrs. Thelma Wethington and girls went to Lubbock Saturday morning to meet the plane bringing home their daughter and sister and baby girl, Mrs. Jannetta Jones and Joyce who has been with her husband in Guam where he has been stationed the past 13 months. He will be coming home in October and will have completed his tour with the Service. Mrs. Jones and baby will visit here and in Idalou where her husband's folks live, until he comes home.

LINDA ROSE, daughter of the Carol Birkenfelds, was baptized in Holy Family Church Tuesday evening, Aug. 31 by Rev. Father Stanley, Mr. and Mrs. Leslie Birkenfeld were sponsors. After the baptism the sponsors and Father Stanley enjoyed supper with the Carol Birkenfelds.

The Schulte families and the Vincent Guggemos family attended the wedding of Patricia Schulte, daughter of the Joe Schultes of Hereford and Jon Maul of Pampa on Saturday afternoon in St. Anthony's Church and the reception following in the K. C. Hall.

Mrs. Gertie Acker and Mr. and Mrs. Harry Kleman drove to Scottsdale, Ariz., for the wedding of their grandson and nephew Dan Crawley.

Mrs. Earl Backus entered the Canyon hospital Friday for medication.

**Homemakers begin a new year**

The Dimmitt Young Homemakers started their new club year last Thursday evening with a salad supper, style show and installation of officers in the community room of the First State Bank.

INSTALLED to lead the club this year were Mrs. Beth Odom, president; Mrs. Linda Springer, first vice-president Mrs. Brenda Bruton, second vice-president; Mrs. Marietta Smithson, secretary-treasurer; Mrs. Carolyn Watts, reporter and historian; and Mrs. Verletta Witt, assistant reporter-historian.

Installing the incoming officers was Mrs. Linda Roberts, outgoing president of the local club and a state vice-president of the Texas Young Homemakers Association.

MRS. NEVA HICKEY of the Village Shop provided fall fashions, which were modeled by Mimes, Jerry Butler, Reta Welch, Carol Cluck and Joannis Robertson. Mrs. Peggy Webb

**FAST STARTERS** — The 1971 football season won't start until Friday night, but Dimmitt High School's cheerleaders have already been "getting with it" for the past two months. Here, the pretty pep leaders gather around a high school display of awards which they won during the summer cheerleaders' camp at Stephen F. Austin

College, Nacogdoches. The awards include a superior ribbon, five excellent ribbons, and the camp's highest prize, the spirit stick. Standing, from left, are Dora Garza, co-head cheerleader Nancy Tisdale, Alice Rush and Linda Malone. Seated are head cheerleader Terrie Newton and Suzan Jones.

**Gardeners set breakfast meet**

The Dimmitt Garden Club will meet Wednesday morning at 8:30 in the home of Mrs. J. C. Gilbreath, 701 W. Lee St.

BREAKFAST will be served, and a discussion of plans for the coming year will be led by Mrs. Robert Benton, president.

Assisting Mrs. Gilbreath as hostesses will be Mrs. Jay Lee Touchstone and Mrs. Raymond Wilson.

was the narrator.

Present were 11 members, 10 guests and the club's three advisors, Mmes. Joanne Snider, Estelle Hotel and Pat Bagley.

Next meeting will be Thursday night, Sept. 16, in the home-making department of Dimmitt High School. The meeting will be open to all interested ladies.

**UMY to serve lunch Sunday**

The United Methodist Youth will hold their annual Youth Dinner at noon Sunday in the First United Methodist Church.

LUNCH WILL be served in the Lamar Fellowship Hall, beginning at 11:50 a.m., and is open to the public. Those attending are asked to "eat all you can and pay what you can."

Proceeds of the dinner will be used to pay for the UMY's activities during the year.

# Rites held in Olton for Bob Ball

By TEENY BOWDEN  
Funeral services were held in Olton last Wednesday afternoon for Bob Ball, father of Garner Ball and Mrs. J. Paul Waggoner of Sunnyside and Mrs. Wauline Lilley of Dimmitt.  
Mr. Ball died in Plains Memorial Hospital in Dimmitt Aug. 30, just 10 days after his 75th birthday.  
Many from our community attended the funeral services which were held in the First Baptist Church of Olton. Burial was in the Olton Cemetery, under the direction of Parsons Funeral Home.  
Mr. Ball's oldest son, Rev. Randall Ball of Big Spring, officiated at the service, along with Rev. John E. Lewis, pastor of the Olton church. Tom McGill of our community was one of the active pallbearers.  
Mr. Ball's survivors also include his wife, Gracie; another daughter, Mrs. Johnnie McMillen of Denver, Colo.; 10 grandchildren; three great grandchildren; four sisters and five brothers.  
Born Aug. 20, 1896, in Oklahoma, Mr. Ball had farmed in the Olton area since 1927. He was a World War I veteran and a member of the American Legion.  
Several from the community attended the funeral services for Jack Gregory of Dimmitt last Wednesday.  
Mrs. Irving King is home from Monument, N.M., after a visit there with her son, Billie, and family.  
Mrs. J. C. Holbrooks has returned home from Tucson, Ariz., after a two-week visit with their daughter, Mr. and Mrs. Russell Ramey, and her son, Jody Houlton. Jody still has some paraly-

sis, but it is believed he will in time recover and be normal after the head injury he received in a fall some time ago. They have moved from Tucson now to Colorado Springs to work with Ronald Henderson in business there.  
Mrs. John Gilbreath and Mrs. Punk Gilbreath played in the Ladies' Golf Association tournament in Dimmitt last weekend. Mrs. Punk Gilbreath won the tournament. They also attended the salad supper at the Country Club last Thursday night.  
Stanley Harris has been elected president of the Hart sophomore class. Marian Dawson will serve as choir treasurer of the Springlake-Earth Choir. She is also a senior. I left her out of the list of seniors in last week's news.  
Eddie Alair will be a running back on the Springlake-Earth Wolverine team this year.  
Band rehearsals have been underway at Springlake-Earth for some time. We have many community youth in this Wolverine band—Lesla and Steve Morgan, Lonnie and Debbie Wilson, Renee Jones, Danny and Don Holmans, Lisa Orr and Marian Dawson.  
C. J. Fowlkes of Houston, brother of Mrs. E. R. Sadler, underwent cerebral-vascular surgery in Methodist Hospital there Thursday morning after being admitted following a light stroke. He got out of the intensive care unit Friday and seems to be making a rapid recovery.  
Jack Jackson got out of the intensive care unit at Methodist Hospital in Lubbock Friday, and will start cobalt therapy Monday. He is in Room 631 if you would like to send him a card.

Congratulations to Ray Joe Riley, who was recently selected to appear in the 1971 edition of "Outstanding Young Farmers of America." He started his long list of accomplishments in Springlake High School. He graduated as valedictorian of the class of 1952 and has year by year added to the list of impressive accomplishments.  
Gerald Graham was elected treasurer of the Springlake-Earth Young Farmers Organization last Thursday night. The officer's met again Monday night for a planning meeting.  
Mr. and Mrs. Orville Thompson of Hobbs, N.M., spent Wednesday night and Thursday with Mr. and Mrs. Ed Thompson. The men are twin brothers.  
Mrs. Ila Haydon has returned home from a visit in Weatherford with friends and relatives.  
Kelley Haydon and Dolores Waggoner attended the Church of Christ Teenage Christian Conference in Denver City last Saturday. They were among 2,113 youth who attended.  
Mr. and Mrs. Thomas Parson took his mother, Mrs. T. E. Parson Sr., back to her home in Blanket Friday afternoon after an extended visit here. They stayed over the weekend for their family reunion. Had Mr. Parson lived, they would have been celebrating their 62nd wedding anniversary Sunday.  
Announcement was made this week of the engagement of Janis Bridge of Sunnyside and Gary Strahand of Muleshoe. Rev. M. D. Durham of Lubbock will officiate at the ceremony, assisted by the pastor, in the First Baptist Church of Springlake Friday.  
The new home of the Hershel Wilsons was bricked and roofed this week, and the Roy Pheasant house was being painted and improved.  
A trace of 20 of an inch of rain was received in the community Friday morning. Lightning hit the pickup in which Cliff Layman was riding Thursday night and shook it around, but no harm was done to him or the pickup—other than that he, too, was "shook up."  
Mr. and Mrs. Danny McGowen came in Friday night from Fort Hood for the weekend. They live in Killeen, near the post. Danny is a former resident of the community, and took his basic training at Fort Gordon, Ga. While he was there, he wrote the following poem which seems typical of most boys in basic training not only today, but during World War II, and perhaps even World War

I. It is entitled "Time Spent at Fort Gordon":  
Just across the Savannah River, Fort Gordon is the spot  
Where we are doomed to spend our times  
In the place that God forgot.  
Out with the snakes and lizards,  
Out where a man gets blue  
Right in the middle of nowhere  
And a thousand miles from you.  
We sweat, we freeze, we shiver,  
It's more than a man can stand  
We're not supposed to be convicts—  
Just defenders of our land,  
We're soldiers of the Third Army.  
Receiving a very small pay  
Defending people with millions,  
For two and a half a day.  
Living with our memories,  
Waiting to be with our gals  
Hoping all the while  
They don't marry our pals.  
Nobody knows we are alive—  
Nobody gives a damn.  
At home we are forgotten,  
For we belong to Uncle Sam.  
The time we spend in the Army,  
The times of our lives we miss—  
Beys, don't let the draft get you,  
And for goodness sake, don't ENLIST!  
When we die, We'll go to Heaven  
And hear Saint Peter yell  
"Let the boys from Fort Gordon in,  
For they've spent their time in Hell."  
LIKE ALL the others before him, he is not bitter about the service now as he was then, and someday he will be very proud to look back to his Army days and the time he gave for his country.  
A 7-POUND, 9-ounce boy was born to Mr. and Mrs. Dubby George in Virginia Beach, Va., last Wednesday. He was named Jack Carson George. Mrs. Lillian Carson and Resa flew to be with them last Friday and returned Saturday afternoon. They brought home one half of a huge clam shell. The clam weighed 120 lbs., with 72 lbs. of meat, and had a pearl inside it.  
Rev. Mack Turner and the evangelist, Rev. Dale Cain of Lazbuddie, were dinner guests of Mr. and Mrs. Gale Sadler Tuesday, Mr. and Mrs. Bill Morgan Wednesday, Mr. and Mrs. Milburn Haydon Thursday, and Mr. and Mrs. Alton Loudder Friday. They and Mrs. Turner had supper with Mrs. Helen Orr and Lisa Friday night, and they and Mrs. Dale Cain and Tracy all had supper Saturday night with Mr. and Mrs. R. J. Lefevre and family. Rev. and Mrs. Mack Turner, Rev. Dale Cain and Rev. and Mrs. Albert Castro and three daughters of Parkview Baptist Church in Littlefield, along with Mrs. Vernon Scott and boys of Farwell and Mr. and Mrs. R. J. Lefevre and family, were dinner guests of Mr. and Mrs. Weldon Bradley Sunday. Both the evangelist and singer went back to their home churches for the evening services.  
VISITORS were present in almost every revival service. Danny Castro, a fourth grader, brought special music every night except Wednesday and Saturday. Mrs. Castro and all the family except Albert Jr. were present Friday night. Albert came with him Saturday night; and part of the family attended the Sunday morning services.  
ADD SUNNYSIDE  
Marvel Gross returned to her home in Brownwood Thursday after a visit here with her sister and family, Mr. and Mrs. Noble Armstrong. Her son, Kenneth, and his family arrived Wednesday night to spend a few days with her.  
Kent and Kelly Bradley spent the day Saturday with Quint Waggoner.  
Carl Dean Carson left last Sunday and drove to Virginia Beach, Va., arriving last Wednesday. He will work with Dubby George in the construction business, and stay with them for an indefinite period.  
MR. AND MRS. R. V. Bills spent the Labor Day weekend in Dallas with their son and daughter-in-law, Mr. and Mrs. Larry Don Bills.  
J. W. Carr went to Clovis Sunday to visit with his sister, who has just given birth to twins, a boy and a girl. They already had several children.  
Noble Armstrong visited in Earth Sunday morning with his parents, Mr. and Mrs. Gentry Armstrong. Mrs. Armstrong was dismissed from Plains Memorial Hospital in Dimmitt Saturday.  
Mrs. Chuck Lay and Chris of Levelland spent the weekend with Mr. and Mrs. Noah Spencer. Chuck came for them Sunday.  
Mrs. Johnnie Reines and daughter of Lubbock and Roy Bradley visited with Mr. and Mrs. Gentry. She is a cousin to Weldon Bradley Sunday afternoon and Roy.  
MR. AND MRS. Winston Waggoner returned home Monday from the Colorado State Fair with several winners in the Brown Swiss Dairy Division.

They won first place with a bull calf, second in state herd, second in jr. get-a-sire, second with a heifer, third with a bull yearling, and several lesser prizes. They were competing against 10 herds in this division.  
Mr. and Mrs. R. S. Rogers of LaVerne, Calif., has spent the last three weeks here with her sister and family, Mr. and Mrs. John Gilbreath and boys, and her relatives in Olton.  
Coby, Matt and Mrs. John Gilbreath and Bob and Robert Duke attended a 4-H meeting at Flagg Friday night.  
★  
THE TWO corn dryers which were located north of the Farmers Grain Co. leg elevator here last year have been relocated. The Touchstone dryer was moved out of the community, and the Gilbreath dryer was relocated one-half mile off US 385 on FM 145, on Punk Gilbreath's place. They have installed two elevators with the dryer and it is a joint enterprise between John, Punk and Sam Gilbreath and Jackie Clark. It was near completion this week.  
Mr. and Mrs. Eddie Owsley and Shane of Hereford spent the day Sunday with her parents. Mr. and Mrs. J. C. Holbrooks Sixty-nine attended Sunday School with 19 in Training Union Sunday. Several more came in for the services Sunday night.

**On the Go**  
O. B. Winkle, who moved to Lubbock recently, is receiving treatment in a Lubbock hospital. The nature of his illness is not known, but it was reported that he is in intensive care.  
**MORE SCREWORM CASES**  
Ten more screwworm cases were reported in Texas last week. This brings the state total for the year to 106 while the southwestern United States has recorded 126 cases. Producers are urged to continue on the alert for more screwworm cases following recent heavy rains over much of the state, according to officials of the Mission Screwworm Eradication Program. The late summer and fall seasons are historically favorable for screwworms, and all necessary precautions should be taken to prevent outbreaks.

**Young Farmers choose Cluck**  
Jerry Cluck is the new president of the Dimmitt Young Farmers.  
HE WAS elected last Thursday night to head the young men's professional and service organization. He succeeds Gary Moore in the chapter's top post.  
Elected to serve with Cluck during the coming year were Ted Collins, vice-president; Don Moore, secretary; Bruce Fuller, treasurer; and Jerry Hardin, reporter.  
The program was presented by John Howell of Tulia, representative of the Mr. Beet liquid feed company.  
The Dimmitt Young Farmers meet the first and third Thursday nights of each month in the vocational agriculture building of Dimmitt High School. Meetings are open to anyone interested.

Main building blocks in the Longhorn forward wall are four of last year's starters—sophomore end Guillermo Carrasco, junior guards Bill Clifford and Dan Sharp, and junior end Erasmo Castillo.  
AT THE tackle vacancies, the fight for starting berths is between 165-lb. senior James Taylor, 170-lb. sophomore Cecil Jackson, 150-lb. soph Leslie Davis and 139-lb. sophomore Stan Harris.  
Vying for a starter's post at center are Duane Clevenger, 155 lb. sophomore, and Darrell Six, 125-lb. soph.  
Hart is now in its second season in District 3-A—and the Horns learned some valuable lessons in the strong district last year. They finished with an 0-9-1 mark, tying Amherst 6-6 for their closest victory bid.  
It won't be that way again this year. That's what Higgins hopes, and it's a promise his players seem determined to keep.
