In the vernacular, anyone can lose their shirt under any number of circumstances. There is only one way to lose your hat, however; when it is hung on a hat rack with any number of other pieces of head gear, and that is for someone to make a mistake in their hat selection when leaving the premises. That is what happened to my Stetson Panama straw at the old settlers reunion held at the Methodist Church last Thursday. Whoever exchanged their hat for mine got the best end of the deal, however; it is about the kind of trade I get when I negotiate a deal so I am not really disappointed.

I made the same mistake one time. I wore Kent Birdwell's hat home from church one Sunday. He recognized it the next day and I had to make restitution. The difference in the two cases is that I don't have a suspect.

Roundup Week is gone and school has started. It is a complete new ball game. Summer vacations and celebrations are the most tiresome part of the year. When school starts everything settles down to a semblance of routine and you can depend on whoever you need to see being at his regular station at most any given time.

You should watch for stop and yield signs, and act accordingly, every day in the year, but now that school has started you should be doubly careful in watching out for those kids as well as the traffic signals.

Two Dimmitt men will be included in honor volume

John Farris and Jack W. Flynt II of Dimmitt have been chosen for inclusion in the 1972 edition of "Outstanding Young Men of America."

NOMINATED by the First United Methodist Church of Dimmitt, Farris and Flynt were chosen for the annual awards volume in recognition of their leadership.

Sponsored by leading men's civic and service organizations, "Outstanding Young Men of America" honors men between 21 and 35 whose demonstrated excellence has marked them for future leadership in the nation.

"These young men are truly outstanding because they have distinguished themselves in one or more aspects of community and professional life," according to Doug Blankenship, chairman of the publication's board of advisors.

Nominations for the awards volume are submitted each year by civic and church organizations, Jaycee chapters, college alumni associations and military commandants.

Ms., we need your opinion

Lady, do you prefer to be known as Miss, Mrs. or simply as Ms.?

THE NEWS has been experimenting with the new-style title for women—as have other newspapers and magazines across the country—and would like your reaction.

The "Ms." designation was started by women's liberationists, who claim the title rightly makes a woman's marital status secondary to her individuality. However, women's libbers are now debating over whether women should drop all marital-status designations, as men did ages ago.

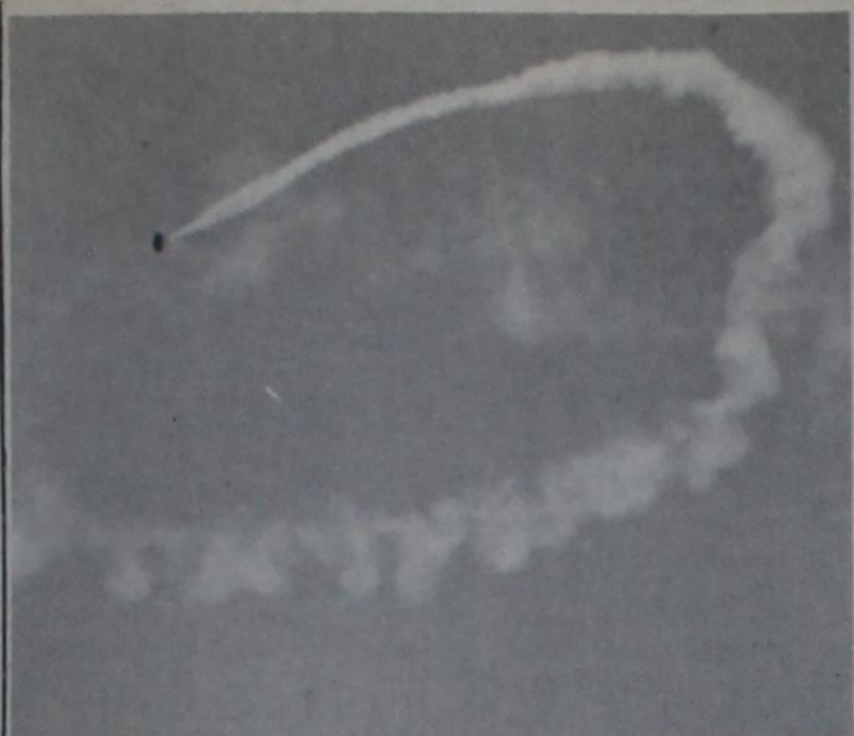

As far as the News is concerned, the "Ms." title is simply handy. It's shorter, and spares the writer from having to search through phone books and city directories to keep the Misses separated from the Mrses.

THE NEWS for years has preferred to use a woman's given name—i.e., "Mrs. Mary Smith" instead of "Mrs. John Smith"—because it gives a woman more individuality and conforms more closely to the spoken word.

But the "Ms." designation—pronounced "Miz"—may not be to your liking. Let us know. So far, the comments about it have been few, and have been equally divided, pro and con.

You're the boss, ma'am. Check the title you prefer below, clip this story and bring it or mail it to the News office, 108 W. Bedford St. (Or make your husband do it.) The majority will rule.

I prefer:
 Miss or Mrs.

UP AND OVER goes the smoke trail of stunt pilot Swift Ingram's Pitts Special mini-plane during the Jaycee Air Show Sunday afternoon. Ingram was one of four stunt pilots who gave five breath-taking aerobatics acts in one of the biggest air shows here in years. The pilots were joined by the Amarillo Sky Divers in keeping a crowd of almost 1,000 looking skyward for three hours.

Sims, Wilfong top rodeo stars

Don Sims of Clyde placed first in calf roping and second in bull riding to become the top-scoring cowboy in the three-day Dimmitt Rodeo.

THE TOP point-getter barely edged out Bob Wilfong, who won the saddle bronc riding and placed third in bareback riding.

The only other multiple winners were the roping team of Cowboy Johnson and Tommy Blasingame, who tied for the best time in heading and heeling, then switched jobs and placed fourth in the same event.

The closest event was barrel racing, which saw four girls tie for first place with identical times of 17 seconds flat.

BIG CROWDS turned out for all three nights' performances and the dances afterward. One of the feature attractions was the nightly appearance of the First Cavalry Division's horse cavalry platoon from Fort Hood. The pony soldiers posted the colors each night, rode in patrol formation, made saber charges with razor-sharp, 4½-lb. blades, and made rescue sweeps of downed horsemen with their .44 can-and-ball pistols blazing.

Here are the top winners in each event:

BAREBACK BRONCS
Rex Rash, first; Frank Hunter, second; Bob Wilfong, third; and Tom Timberlake, fourth.

SADDLE BRONCS
Bob Wilfong, first; Curly Chamberlin, second; J. M. Brady, third; and Ben Rodgers, fourth.

BULLS
Freddie Fields, first; Don Sims, second; Al Meredith, third; and Bill McCov, fourth.

BULLDOGGING
Joe Kennedy, first; Gerald Birkenfield, second; and John

BEST DRESSED COWGIRL in the Roundup Parade was Ernestine Templar, reigning Dimmitt Rodeo Queen, who wore a dazzling pink western suit. Jerry Swindle of Hart won the "Best Dressed Cowboy" award.

New Kemper trial to begin Monday

The second murder trial of Mrs. Joyce Kemper is set to begin Monday in 64th District Court in Plainview.

MRS. KEMPER, 35, has been under a murder indictment since September 1969 in connection with the auto death of her husband, Clois Wayne "Buddy" Kemper, Aug. 14, 1969. She was charged with running over him with their family car near their farm home in eastern Castro County. She pleaded innocent, stating that his death was an accident.

Her first trial here in September 1970 ended in a hung jury and a mistrial. Mrs. Kemper has been free on bond since that time.

The remodeling of the Castro County Courthouse and the death of Mrs. Kemper's defense attorney, George McCarthy of Amarillo, have delayed the second trial.

AFTER A pre-trial hearing last January, District Judge John T. Boyd granted motions by the ailing McCarthy to move the second trial to Plainview and to appoint Robert Carnahan of Amarillo as Mrs. Kemper's new defense counsel. McCarthy died three months later.

Judge Boyd will preside at the second trial. Prosecuting the case will be the original team of state's attorneys—District Attorney Tom Hamilton of Plainview, Castro County Attorney Robert Bunton, and special prosecutor Dee Miller of Amarillo.

Dimmitt enrollment is down

Schools opened across the county Monday and first-day enrollments were up in Nazareth and down in Hart and Dimmitt from the 1971 totals.

"THIS YEAR'S first-day enrollment is the lowest since I came here in 1968," Dimmitt Supt. Charlie White said Tuesday.

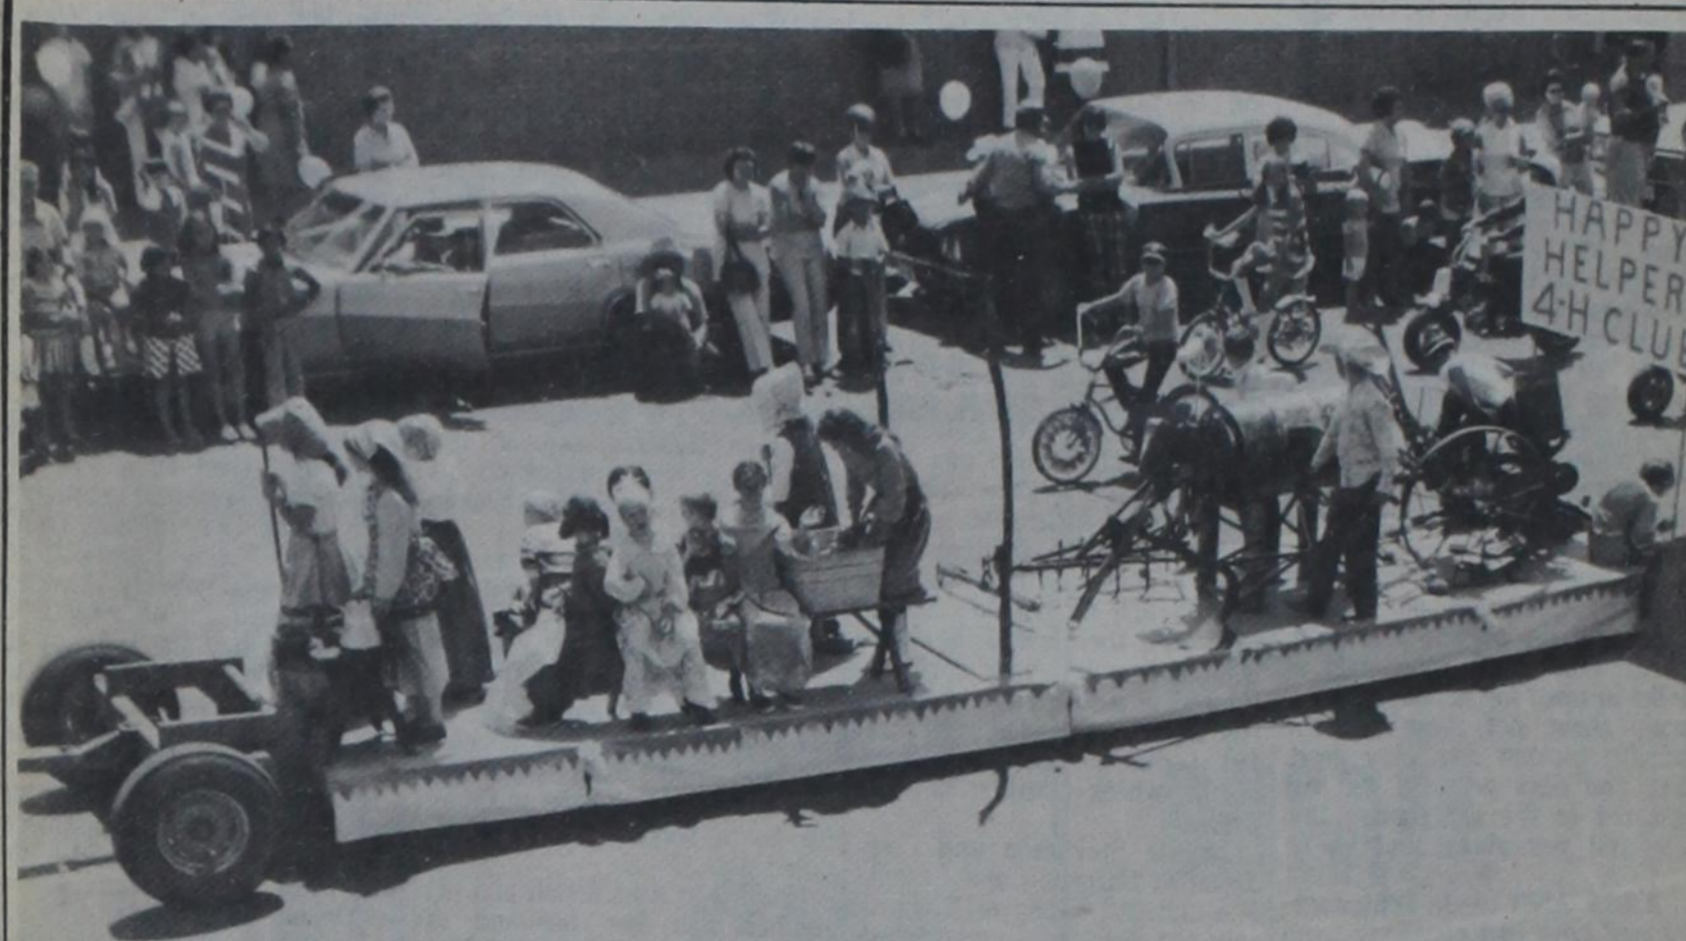

White said 1,636 students enrolled for classes Monday. Enrollment breakdown by building and classes was: special education, 23; pre-school, 65; grades 1-3, 419; grades 4-6, 483; grades 7-8, 250; and grades 9-12, 396. First-day enrollment in 1971 was 1,828, White noted.

SUPT. JOE KING at Nazareth said this year's enrollment was up three students over last year.

Nazareth schools counted 272 students in kindergarten through the eighth grade and 119 in high school, a total of 391 students, King said.

AT HART, enrollment reached the 649 mark Monday, according to Supt. Ted Averitt. But Averitt said enrollment is expected to increase over the next few weeks.

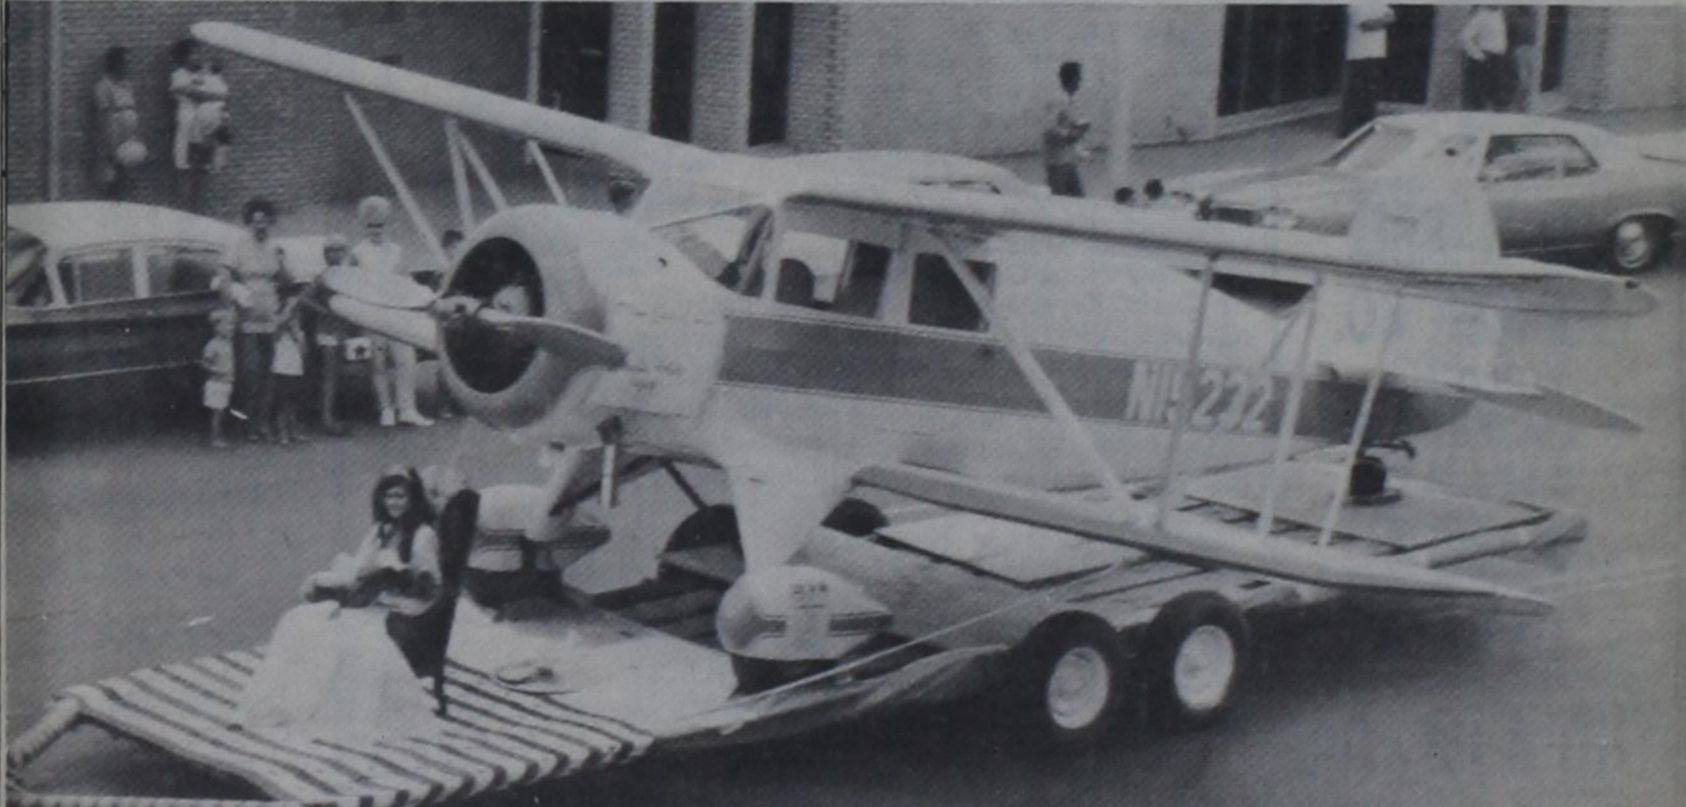

On Oct. 1, 1971, 759 students were enrolled in the Hart school system. Averitt said first-day figures were not available for 1971.

The Castro County Roundup has come and gone! And it was very nice to see the hundreds of people come in for everything.

The dinner was very good served to 121 people or more. Tony Thier of Spokane came the greatest distance and also received the trophy for the eldest man there.

Scott Crum and his dad and family came to the ranch near Arney in 1898, the Rameys in 1904. Mr. and Mrs. Houston Fowlkes and Irene Waggoner Fowlkes and husband C. J. came up from Rockport on the Gulf.

Mr. and Mrs. Jay Hastings of Lubbock were here for the Roundup and for a visit with sisters Leona Daniel and Milliecent Davis.

The rodeo and the horsemen of Fort Hood put on a good show and the parade was good. Many floats and thousands of folks in town for all the things - pony show, pet show and the bicycle parade was very good.

ANDY AND Oleda Schumacher and boys had company from Muenster, Texas. They are Andy's cousins, the Eugene Klemans and also Nan Davis of Tulia, the Schumachers' daughter - on to the rodeo, too.

With a jar, faucet and branch, you can start an indoor garden

All that is needed to create a beautiful indoor garden are a waterproof container, tap water and some cut branches from a favorite plant.

EVERETT Janne, landscape horticulturist with the Texas Agricultural Extension Service, gives some pointers in preparing and maintaining bottle gardens.

First, choose a waterproof container. Just about any will do, including beverage bottles, vases, antique canning jars, old fish bowls, aquariums or whatever night look attractive. The container must be clean, so wash well with a kitchen detergent and hot water.

When selecting branches, choose them from plants such as myrtle, peraniums, oleander, wax begonia, coleus, hibiscus or any plant with a fairly sturdy stem, suggests the Texas A&M University specialist. Using good sharp shears, make the cut on the stem clean without bruising or crushing it.

TURN THE arrangement at least weekly for uniform development, Janne adds. About once a month, empty the bottles and wash them thoroughly with hot water and detergent to kill any algae and bacteria that may have accumulated. Scrub the plant stems with a soft brush to get rid of any algae growth. Also, make a fresh cut on the stem to improve water up-take.

Frequently, roots will develop from these branches. New plants can be established by placing these roots in soil, points out the specialist.

As the branches of the arrangement deteriorate, remove and replace them with fresh ones. By doing so, an attractive arrangement can be maintained. Always clean the container when replacing branches.

INDOOR LIVING can be improved by the added interest and color of house plants. They are also beneficial in cleaning up the air we breathe. Bottle gardening is the solution for many who would like to have house plants but are hesitant because of a lack of good soil. Also, there is no worry about leaking or overflowing containers with this method compared to many potted plants. For the busy body, bottle gardening takes little time.

Boosters hear coach's report, contest rules at first meeting

The 1972 Dimmitt Bobcat football squad is young but eager, Head Coach Brown L. Smith reported at the first meeting of the Dimmitt Athletic Boosters Club Monday night.

OF THE 43 boys out for practice this year, there are seven seniors, 15 juniors and 21 sophomores. Terry Powell is the only returning starter from last year's team.

The boys have a good attitude and there is lots of competition for positions, Smith said. He predicted the team would improve every week as the boys gain experience.

Fans will see some new defensive formations this year, while the offense will be essentially the same, Smith said.

FOR A preview look at the 1972 Bobcats, Smith invited fans to watch the local quad scrimmage Abernathy there at 6 p.m. Friday. The first regular season game will be against Muleshire Sept. 8 in Bobcat Stadium.

The Boosters Club membership drive goes into high gear this week. Members need to be signed up by Friday for their names to be included in this year's football program. If you have not been contacted, you can buy a membership at the Castro County News office.

RULES for the "Pick the Winners" football contest were outlined by President George Rush. The contest games will be listed in the Castro County News, on the booster page, each week and your entry must be turned in to the News office by 5 p.m. on Friday. If mailed it must be postmarked by the same time. Only members of the Boosters Club are eligible to participate.

A grading committee of Boosters Club members will tabulate the contest scores each week, and the winners of the previous week's contest will be announced each Monday night at the Boosters Club meeting. Cash prizes of \$5 for first place and \$3 for second will be awarded weekly.

Cumulative point scores will be kept toward a season grand prize of two Cotton Bowl tickets and \$50 expense money, and a second prize of two Sun Bowl tickets and \$25.

GUESTS AT the next meeting of the Boosters Club Monday at 8 p.m. will be members of the football squads and their parents. A film on the 1971 season highlights of the world champion Dallas Cowboys will be shown. The meeting is open to the public.

Satellite School director reports on summer activities of children

(Editor's Note: There was no summer vacation for the Dimmitt Satellite School. For our mentally retarded children to retain what they are taught, their school must continue year-round. The school is operated mainly on state funds—as a "satellite" of the Amarillo State Center for Human Development—but also depends heavily on local volunteers, donations and services. Here is the report by Mrs. Norma Conard, teacher, on what the Satellite School's six students did while their brothers and sisters were on vacation this summer.)

It was a wonderful summer for the Dimmitt Satellite School. Progress in developing muscles and self-importance has been noticed by friends, family and the director.

IN JULY, Paul gave a big grin and "thank you" to the Wesleyan Sunday School Class of the First United Methodist Church for the \$80 gift to send him to Camp Wigwam.

Then in August came Camp Kiwanis in Lubbock. Camp Kiwanis awarded Paul a certificate for having the biggest smile. The Castro County News paid his way to camp. I believe he benefited more from this second camp because of the close follow-up.

It was very hard to convince Jean that Camp Kiwanis was going to be fun and was designed for her. This was her first time away from known friends and family. But on her return home, she had all smiles and tales of delight. Thanks to the Kiwanis Club for paying her enrollment fee.

The lady to whom I called "Help" was Mrs. Myrtle Lois Moran. She helped so kindly to get things together for camp. And it couldn't have been possible without Dr. J. D. Blackburn and his staff coming to our aid, since physicals were required.

THE NAZARETH 4-H Club gave us three picnics during the summer. Though this, one of our children learned to like the swimming pool very much. We appreciate the city for letting us use the pool. Bob Askew and the boys who care for the pool were so very nice to us.

Thanks to the Craft Shack for giving us so many useful things. Paints were used on the gourds given to us by the David Ackers. These gourds have been turned into the cutest little creatures, which we now have for sale. Money from these will go into our fund to help maintain our bus.

It would be great if 30 of you would join the 20 who let the bank draw a draft on their accounts each month. Just \$2 faithfully given each month would give us hopes of driving a bus which we wouldn't have to leave in the garage a lot of the time, as we have to do with our "Put Put" we drive now. We still enjoy our "Put Put" very much when it's raining well.

AS ALWAYS, summer adventures with the teens who come to help us are very delightful. These included Sharon Patton, Ronda Welch, Janis Fore, Bonnie George, Tresa Steffens, George Walker, Val Steffens, Harriet Dunaway, Eddie Chavers, Bonnie Wagoner and Monica Anderle. Monica has worked over 100 hours and will receive her 100-hour pin during our awards supper in February. Bonnie Wagoner is hoping to work in our center, gaining credit for this.

Hope you got a good laugh as our float went by in the Round-up Parade last Thursday. Until this some of the children thought parades were only to look at. Cobb's Department Store gave the material used on it. Thanks.

I have six enrolled, and expect enrollment to rise. I am looking forward to old and new friends coming to share a little of their time and love with us beginning next week.

Methodist Church to observe 50th anniversary Sunday

By MYRT LOMAN
Members of the First United Methodist Church will host the 50th anniversary of the church Sunday.

Rev. E. H. Phillips of Lubbock, former pastor, will bring the morning message at the 11 o'clock worship hour.

A basket lunch will be served at noon in fellowship hall.

Rev. Fred Brown of Lubbock, former pastor, will bring the evening message at 6 p.m.

THE HART Band Boosters will hold the first meeting of the 1972-73 school year at 3 p.m. on Tuesday.

All members are urged to attend this meeting as the club will elect a new president to replace Don Lloyd, who recently moved to Brownfield.

Goals and projects for this year will also be discussed. Donations from Hart Day activities helped the club closer to their goal of new band uniforms for the Longhorn Band members. The Golden Ones Club donated \$77.75 from the sale of "Shave Permits," and the cat roping at the Henderson Arena donated \$30.

According to Ted Averitt Hart school superintendent, 65 new uniforms have been ordered and will arrive around the first of October. Each uniform will cost \$105.

The Band Boosters have total cash on hand of \$1,940.46. This will be applied on the uniforms when they arrive.

Present Band Booster officers are Robbie Hawkins, vice-president; Aubrey Myers, Treasurer; and Mrs. Max Marble, secretary.

MY APOLOGIES to the two Hart young ladies who were first and second runners-up in the queen contest. Karen Foster was first runner-up and Jean Foster was second runner-up. They were reported in reverse order last week.

SOME 48 members of the First United Methodist Church and guests went to Ceta Canyon Sunday after the morning worship service.

The afternoon was spent in swimming, hiking, playing volleyball and pitching horseshoes.

Following the evening of fun and fellowship, the group enjoyed a covered dish supper in the tabernacle. Tommy Forbes of Lubbock brought the evening message. Tommy is son of the Hart pastor Rev. and Mrs. Kay Forbes.

REV. B. C. MCCOY of Troup will preach both Sunday services Aug. 27 at the First Baptist Church, in view of call as pastor of the church.

THE Cox-Hutcherson reunion was held on Sunday in the American Legion building with some 93 relatives and friends attending.

Mrs. Ellen Hutcherson Cox, who is 90-years of age, is the oldest of the three surviving sisters. Mrs. Lora Miller and Mrs. Irene Clark, both in their 80's, of Abilene were present. Their nephew Claude Hutcherson of Plainview flew the two sisters here and returned them home that afternoon.

A big basket lunch was enjoyed at noon.

Following the noon meal a lot of ole time visiting, reminiscing and picture taking filled the afternoon.

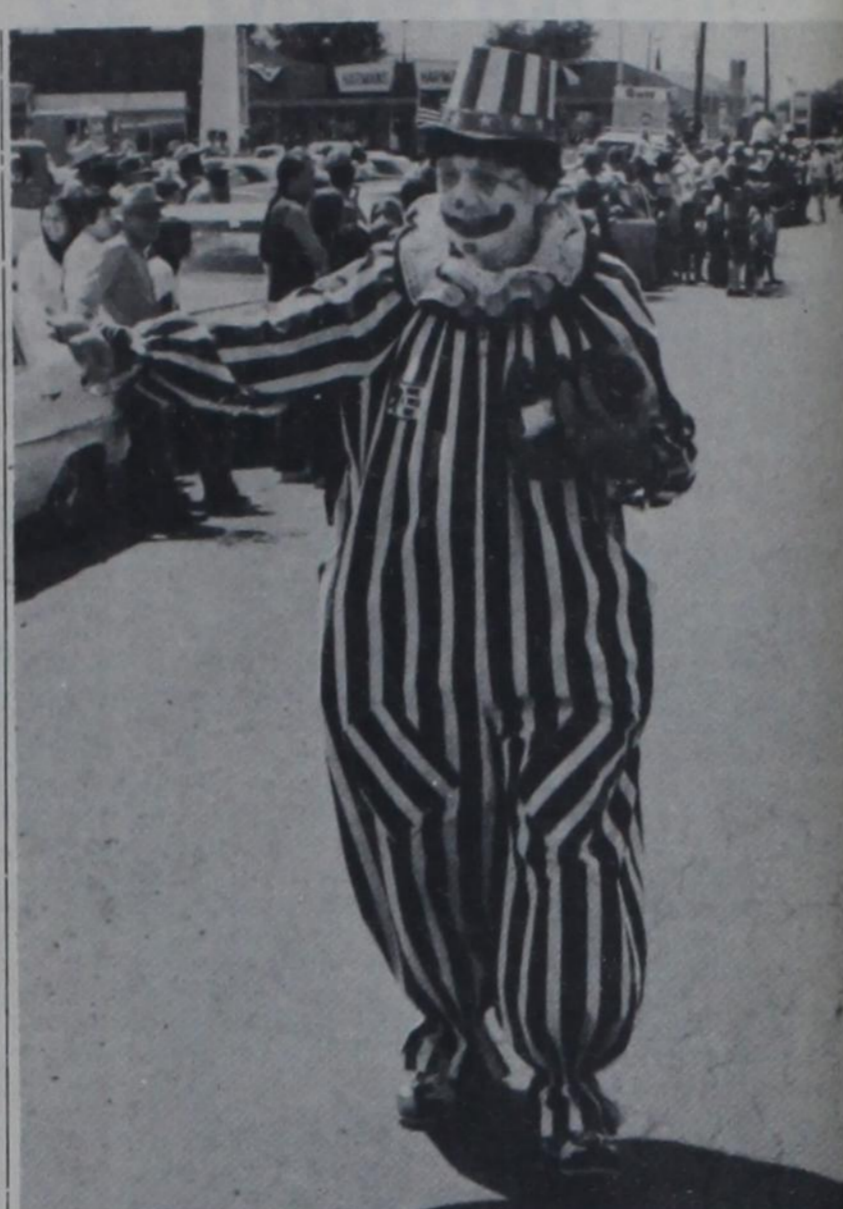

Relatives from California, Washington, New Mexico, Oklahoma and numerous cities in Texas were present.

The first Hutcherson reunion was held some 30 years ago, with the last few held annually in Hart. This was the largest attendance at the Hart gathering.

ALL PARENTS, Cub Scouts and prospective Cub Scouts are urged to attend the Cub Scout Pack meeting in the Hart Elementary Gym Thursday night. Mrs. Leonard Griswold, den mother and coach, said more new members are needed for more dens, and leaders are badly needed.

MRS. JOHN Holloway will host the members of the Golden Ones Club on Friday with a covered dish luncheon. Each member is to bring a guest and food for the guest.

MRS. WINNIE Hankins is still confined to the Plains Memorial Hospital in Dimmitt, and Mrs.

THE CLOWN making children happy during the Roundup Parade in Dimmitt last Thursday was R. J. Murray of Hart, member of the Khiva Clowns. Meanwhile, fellow clown Jack Dyer of Hart worked the other side of the street.

Jewel Kenady is in the Central Plains General Hospital in Plainview.

THE STUDENT Handbook of Hart High School lists the following do's and don'ts of proper dress for school:

The following will not be considered proper: tight pants, dresses, shirtrails out and shirts unbuttoned, pants which require a belt should have them, wearing other school's letter jackets, undesirable hair styles and colors.

The boy's hair should be neatly trimmed and combed at all times. Hair growing down the back of the neck, over the ears or eyes is not acceptable. Sideburns shall be squared at the bottom. Boys should be clean shaven at all times. Girl's hair styles should be neat and properly kept at all times.

MEMBERS OF the Hart Goodneighbor Club are spearheading

City Hall by Sept. 15. This is truly an effort every organization, church group and individual can support. There will be a place for all contributors to sign. The list will be sent to Jerry Wilson. Although he could not possibly acknowledge each contribution, it is felt that he would enjoy an opportunity to see the names of those who are interested in his recovery.

The Goodneighbor Club makes this plea: "Your old newspapers may mean a gift of life—don't let them go up in smoke."

THE ANNUAL meeting of the Texas Division of the American Cancer Society will be conducted in Dallas this week. Attending from Castro County are Mrs. Harry Kleman of Nazareth, president; Mrs. Claude Forson, public education chairman; Mrs. W. A. Epperson, treasurer; and Mrs. L. C. McLain, past president.

CLASSIC OLD CARS and trucks pass in review during the Roundup Parade. Judges admitted the antique-car division was tough to judge because so much time and loving care had gone into the restoration of each antique vehicle. Winners were LeRoy Hartwell's 1931 Ford, first; Roy Lilley's 1937 Ford, second; and Bob Ott's 1929 Ford Model AA truck, third.

THE ROUNDUP BARBECUE last Thursday drew a disappointing crowd of about 150—but those 150 enjoyed a delicious feast of barbecued beef, Cole slaw, beans, onions, apple cobbler and cherry tarts. Rotary Club members served the meal. Bill Behrends, barbecue chairman, reported that it was a "home grown" meal, with beef furnished by Dimmitt Feed Yards and Beef Feeders of Dimmitt, Inc., field vegetables by Frye & Associates, bread by Dimmitt Super Market and Taylor & Sons, dessert by the Colonial Inn and beans by Ann's Steak House. Von's Cafe prepared the Cole slaw.

ASCS news

Not much change in wheat rules

By CHARLEY E. HILL Executive Director
The 1973 Wheat Allotment Notices were mailed last week to both the owners and operators of wheat farms in Castro County. THE 1973 wheat program is about the same as in 1972. The required set-aside acreage will be 86 percent of the allotment. You may plant any acreage of wheat you desire and any acreage planted above your allotment may be counted toward the feed grain base. You may set aside an additional acreage up to 150 percent of the 1973 allotment by reducing the 1973 planted acreage below the 1972 planted acreage by the amount of the additional set-aside. The 1973 additional set-aside

will not be considered as planted for allotment preservation. Barley will be a feed grain in 1973 with a required set-aside of not less than 25 percent of the barley base. Substitution of feed grain and soybean acreage as wheat acreage is authorized if needed to prevent loss of allotment. Producers who have a conserving base shown on their wheat allotment notice will have through the end of the sign-up period to appeal their conserving base. Please check with the County ASCS Office if you have a conserving base. THOUGHT: Heredity is something you believe in when your child's report card contains all A's.

Why is mail service deteriorating so badly?

By SEN. LLOYD BENTSEN (D-Texas)

Every day I become more disturbed by continuing reports to my office that the quality of mail service in Texas is deteriorating rapidly. And the same thing seems to be true in other parts of the country.

CONSTITUENTS report that many smaller post offices—facilities that are vital as community centers as well as for their intended function—are being closed.

Tremendous reductions in work force are reported. And as the number of these dedicated, conscientious workers decreases, there is a resulting curtailment of mail service which seems particularly acute in rural areas. For example, many post offices are no longer open on Saturdays.

And postal workers are caught in the middle; unhappy that they are not able to provide the service they have in the past. In congressional testimony earlier this summer, James H. Rademacher, president of the National Association of Letter Carriers, listed several specific instances of reductions in postal services.

FOR EXAMPLE, he said that the Postal Service today devoted 13,000 hours less daily to mail collection than it did five years ago.

He also pointed out that many Americans are complaining about cutbacks in services offered at postal windows.

And he said one of the results is that the US Postal Service is losing out in competition for the parcel post business. Rademacher noted that,

in 1967, the Post Office Dept. delivered twice the number of parcels that were delivered by its strongest competitor, the privately-owned United Parcel Service. Last year, though—for the first time in history—United Parcel delivered more parcels than the US Postal Service. And it delivered them at a profit of more than \$30 million.

IN ADDITION to apparent reductions in service, I am also receiving disturbing reports about startling slowdowns in delivery time for first-class mail.

Real County Judge W. P. Sansom of Leakey, Texas, informs my office that today it takes 10 hours longer for a letter mailed from Leakey to reach Uvalde than it did in 1894.

Judge Sansom explains the reason is that mail for Uvalde—41 miles from Leakey—doesn't go direct. It is routed, instead, through San Antonio, a distance of more than 200 miles. And the situation in Leakey is likely to get worse, according to Judge Sansom. His town's post office lost all of its postal clerks in a cutback as of June 30, leaving only the postmaster to handle all the mail.

ANOTHER Texas constituent has described a situation in which a lady in his town mailed a check to pay her laundry bill. The check was mailed on a Friday, but didn't arrive at the laundry—a few blocks away—until the following Tuesday. The apparent reason for this is that the letter was sent to a regional processing center, in a city some distance away, then returned to her town for delivery.

Mail service in Texas also seems to have become very unpredictable, with letters arriving in a single day in some instances, but requiring three, four or more days at other times. A district judge has told me that he resorts to the telephone to summon a jury panel unless he has as much as five days in which to act.

Most reports to my office indicate that most of the deterioration of mail service has occurred during the past two years.

AND THIS deterioration must be stopped.

Along with most Americans, I want our postal system to be operated as efficiently, with as little cost, as possible. But I don't believe that should be done at the expense of massive curtailment of mail services.

And the recent cutbacks in personnel and the reductions of service seem to be leading in that direction.

I am making a thorough inquiry into operation of the United States Postal Service. When it is completed,

Our politicians are perfectly familiar with all the questions of the day. The difficulty is that they don't know the answers. — Democrat, Davenport, Ia.

Willis - Rogers vows exchanged in home

Miss Kay Lynn Willis and Mark Andrew Rogers were united in marriage Aug. 16 in a double-ring ceremony in the home of the bride's parents, Mr. and Mrs. G. L. Millis Jr. of Dimmitt.

Rogers is the son of Mr. and Mrs. B. H. Rogers of Rockport.

GIVEN IN marriage by her father, the bride wore a gown of re-embroidered silk organza over peau de soie. The gown featured an Empire bodice, pyramid skirt and short puffed sleeves trimmed in seed pearl drop lace. She wore a picture-brim hat and carried a nosegay of white gardenias with stephanotis and rosebuds.

Following the bridal tradition, she wore a blue garter; something borrowed, her grandmother's pearl necklace; something old, her grandmother's wedding band; and a white lace handkerchief which she bought in Italy this summer.

Bridesmaids were Ms. Gene Bradley and Ms. Mike Baca, sisters of the bride. Candelabras were Jill Braafadt and Debbie Wilson of Dimmitt. They wore rainbow colored gowns of silk organza over peau de soie in American Beauty rose, sky blue, lemon yellow and petal pink with Empire waistlines. Each carried a nosegay of gardenias and stephanotis.

SERVING AS best man was

Jerry Heller of Hart. Groomsman was Jeff Garrison of Tyler. Tod Bradley and Zay Bradley, both of Hereford, were ring bearers. Ushers were Eddy Davis and Tummy Rains, both of Lubbock.

Rev. Jim Pickens read the ceremony before a mantle bearing crystal pyramid lamps and covered with white asters, snapdragons and candy tuft. Standing candelabras with white tapers flanked by white camelia trees completed the scene.

Ms. Chet Braafadt, organist, accompanied Mrs. Truman Touchstone, soloist.

THE BRIDAL table at the reception featured a gathered pink net over peau de soie cloth and nosegays of pink roses and lily of the valley. The table was centered with a crystal candelabra and a bubbling fountain.

For a wedding trip to New Orleans, La., Mrs. Rogers wore a long black and white one-piece backless taffeta dress.

The newlyweds are now at home at 3002 Fourth St., Apt. 5, in Lubbock.

The bride is a graduate of Dimmitt High School and is a junior Home Economics major at Texas Tech University.

Need a quickie for sauerkraut?

By IRENE KEATING
Fall is here if we let the start of school be our guide. It is hard for me to realize that another school year is here. There are many children who are adjusting to kindergarten or first grade this year.

MANY OF YOU are still in various stages of canning and freezing. Last week I gave you several recipes and this week I want to share an easy sauerkraut recipe with you.

SAUERKRAUT MADE IN JARS
Select, prepare and mix cabbage with salt as in preparation of kraut made in stone jars. Shred the cabbage finely and salt according to taste. Five pounds of cabbage to 2 ounces of salt. Pack solidly into clean jars. Fill with cold water to within 1/2 inch of top of jar. Put on cap, screwing the band firmly tight. This will ferment for 3 or 4 days. When fermentation ceases, wash outside of jars, tighten screw bands if loose, and store jars without processing. Kraut will be ready for use in 4 to 6 weeks. If stored in cool place, kraut will keep for many months.

LAST WEEK I enjoyed a vacation in Colorado visiting my parents and sister and family. It was so cool and nice up there (near Delta) but very dry. While there we went to an interesting old town high up in the mountains—Crested Butte. It was fun to see the old buildings, etc. They have been well preserved and/or restored in keeping with the old mine town—now quite a tourist attraction.

The view from your library

By MARY EDNA HENDRIX
I would like to thank the Castro County News and the KDHN Radio Station for the checks they gave the winners of the summer Reading Program. It is a pleasure to work with such good people. We finally received the certificates from the Texas State Library for the Summer Reading Program. If you are entitled to a certificate (if you have read 12 books or more during the Summer Reading Program) please come by and pick up your certificate—and PLEASE bring your OVERDUE BOOKS with you!

WE HAVE helped with several events this summer by ordering books from Amarillo through the Inter-Library Loan Department. Phyllis Mooney used a book about weddings to help with the double wedding she had to plan for Jane Ann and Suzie. Polly Holland needed a book to help plan the float for the Woman's Golf Association that they entered in the Roundup Parade. Mildred Bradford asked me to order "The Poodle Book" through the Amarillo Loan Department. Jean Bradford came in after the judging of the animal show Friday morning and showed me her toy poodle, which had won first place for being the smallest dog in the show.

So if you need a book on any subject, come by the library. If we do not have the book in our library, we may be able

Driver's course will drop rates

Motorists who complete a new defensive driving course after Sept. 1 can become eligible for a 10 percent reduction in their annual auto insurance policies.

THE TEXAS Safety association has accepted responsibility for coordinating the National Safety Council course.

The course will cost about \$10 or less per person, and the resulting credit is good for three years.

Individual savings over the three-year period are estimated at about \$45—or \$43 million statewide. Duplications are not allowed for the new course in addition to the driver training course.

In families with two or more cars, the principal drivers of each car will have to take the course to qualify for credit on all vehicles. After the three-year period, the course must be repeated by drivers to continue qualification for the 10 percent credit.

Letter to the Editor

'Goose' tames another swarm

Dear Editor:
I just wondered if you had ever seen what I saw early last Saturday morning—a guy bringing in a swarm of bees in a gunnysack?

MRS. FRED BRUEGEL Sr. called "Goose" Ramey to come get a swarm of bees. He knew we had an empty hive and wanted a swarm.

He didn't take anything to bring the bees back in, so he asked Mrs. Bruegel for a gunnysack. She held the sack open while he gently cut the little branches off and slipped them into the sack.

So here he came, early Saturday morning, wagging that sack of bees. Looked like he might have caught a rabbit or a coon, they looked so big in that sack.

I think we've seen everything now. We have four good hives of bees now.

MRS. TROY MAXWELL, (Editor's Note: We would like to have seen that, too, Mrs. Maxwell—from a safe distance. One thing we've learned in trying to keep pace with "Goose": no matter how it may appear, he knows what he's doing, and it'll work out. A gunnysack full of bees wouldn't have worked out for US, of course.)

Boys Ranch Rodeo coming Sept. 3-4

The biggest Labor Day attraction of the Golden Spread is the annual Boys Ranch Rodeo at Cal Farley's Boys Ranch where 375 boys will be putting on the 28th presentation of the nationally known event.

PREPARATIONS for the rodeo have been going on throughout the summer with most of the boys trying to become contestants with tryouts on calves, steers, brahma bulls and bareback broncs. The rodeo's two-hour time limit restricts the number of entries to about 150 boys, but those who are not contestants will have some part in the rodeo production.

Older boys will be riding bulls and broncs for the title of Senior All-Around Cowboy while younger riders will be honing for the Junior All-Around Cowboy trophy. Trophies will also be awarded riders with the best time in the individual events.

Added features of the rodeo will be the traditional reunion of Ranch graduates and their families who are expected to travel long distances for the homecoming. Barbecue sandwiches will be prepared and sold by the boys for \$1.

RODEO performances are scheduled for 2:30 p.m., Sept. 3 and 4. Reserve box seat tickets are available at the Boys Ranch Administrative Office, 600 West 11th, in Amarillo. Reserve box seat tickets are \$2.50, and general admission is \$1.50 for adults and 75 cents for children and servicemen in uniform.

Happy Helpers have busy time

By STARLA TINDAL
The Happy Helpers 4-H Club of Easter has had a very busy three weeks. On July 17 the club met at 8 p.m. at the Easter Community Building for a business meeting and to complete some plans for coming activities. At that time the Happy Helpers gained their first male members. Joining the club were Charles Hogan, Bruce Edwards, Royce Thomas, Robbie Dobbins, and Randy Mike and Mark Harris of the Summerfield community.

ON AUG. 1 the girls of the club met at the community building for a demonstration of the cooker and how to select choice beans and prepare them for canning. This was demonstrated by the new adult leader for the coming year, Mrs. Buster Thomason. After the demonstration the girls canned their beans for entry in the Youth Fair to be held Sept. 9. After the canning session, each girl prepared a dish by herself for the lunch of the day.

The Happy Helpers journeyed to Palo Duro Canyon Aug. 10 to participate in the annual 4-H Playday. The group played games and heard demonstrations by junior 4-H leaders on fire control and tornado watch. Lunch was a Wiener roast which all enjoyed. Hiking was enjoyed also. The game warden gave a talk on wildlife in Palo Duro Canyon; and the day was topped off with a watermelon feast.

The Happy Helpers decided to enter a float in the Castro County Roundup Parade and met several times to build and decorate it. They met at the county barn in Dimmitt and decorated with the theme "Preserving the History of America." Last Thursday the club members dressed "old-timey" and rode their float in the Castro County Roundup Parade. The club won first prize in the Community Division and was awarded \$25 and a trophy.

THE NEXT meeting will be Sept. 8. It will be a banquet held in appreciation of the ones who have helped with the club the past year.

State certifies two new parties

Two new political parties, La Raza Unida and the Social Workers Party, have been certified for places on the Nov. 7 general election ballot in Texas. SECRETARY of State Bob Bullock said it was his duty to certify the parties since they filed more than the required number of 22,365 signatures necessary for ballot position.

The American Party and the New Party, which did not file enough signatures, are seeking to get on the ballot anyway by federal court action.

La Raza Unida is waging an aggressive campaign for governor, with Ramsey Muniz of San Antonio as its candidate. Both parties also have candidates for US senator, lieutenant governor and most other major statewide offices.

DDT registration to be cancelled

DDT registrations in Texas will be cancelled Aug. 31 with few exceptions, Agriculture Commissioner John C. White has announced.

White had banned DDT registration for household use earlier under Pesticide Advisory Committee recommendations. The committee said the action would have little impact on Texas agriculture.

Exceptions will permit registration for DDT to use on stored sweet potatoes, disease control programs by public health officials, in prescription drugs and by the US Dept. of Agriculture and the military in health quarantine programs.

New deputy joins SO here

The new voice you hear when you dial the Castro County Sheriff's Dept. is that of Joe Luther, new office deputy and dispatcher.

A native of Dallas, he is a former Dallas County deputy sheriff and also served as a security agent with the Sheffield Steel Corp. and chief of security for the Sheraton and Cabana Hotels.

Law enforcement and security work is a Luther family tradition. His father was with the Texas State Prison security, and he has a brother who is a jail supervisor for the Dallas County Sheriff's Dept.

"I think Dimmitt is a very nice town," Luther said. "Everybody has been very, very considerate, and the courthouse family seems to get along well." Luther is living in the S&K Manor apartments.

Hart man fined \$200 for assault

Manuel Garza, 20, of Hart was fined \$200 for assault this week after he allegedly attacked a sheriff's deputy who tried to arrest him for creating a disturbance.

GARZA has not paid the fine, and is still in Castro County Jail.

Deputy Sheriff Granville Martin reported that he received a complaint Saturday about a scuffle involving Garza at the H&S Produce Co. in Hart, and that he went to investigate the incident. Garza attacked him after he arrived, Martin said, but was subdued and placed under arrest. The Hart man originally was charged with aggravated assault, but the charge was later reduced.

134 attend Old Settlers Reunion

Anton A. "Tony" Thier of Spokane, Wash., won two trophies but Scott Crum of Dimmitt and Bryan McDonald of Canyon had to flip a coin for another one at the annual Old Settlers' Reunion last Thursday.

THE REUNION drew 134 old-timers to the fellowship hall of the First United Methodist Church for a visiting session, basket lunch and business meeting.

Thier, a former Nazareth resident, won the traveling trophy for coming the longest distance to the reunion, and also captured the trophy awarded to the oldest man present. He is 84.

Crum and McDonald tied for the earliest settler's trophy. Both originally came to Castro County in 1889 as babies, but they couldn't remember last Thursday which one arrived here the earliest. So Elmer Youts, vice-president of the Old Settlers Association and

master of ceremonies, flipped a coin. McDonald won the toss and got the trophy.

WINNING the trophy as the earliest woman settler was Mrs. Katy Noble, secretary of the association, who was born here in 1898.

Mrs. Leona Rothwell, 87, received the trophy as the oldest woman pioneer present.

During the business meeting, Raymond Wilson was elected president of the Old Settlers Association for the coming year, to succeed Ester Noble. George Bradford was elected to succeed Youts as vice-president, and Mrs. Raymond Wilson was chosen secretary, succeeding Mrs. Noble.

THE MUSEUM fund established last year now contains \$217.50, Mrs. Noble reported. Members of the association vot-

ed to invest the money in a time deposit to draw interest during the coming year.

The basket lunch at noon featured fried chicken, casserole dishes and all types of salads, pies and cakes, prepared by

those attending. Members of the Easter Lions Club waited tables for the Old Settlers. After the lunch and business meeting, the Roundup Parade was routed past the church for the Old Settlers, and later the Horse Cavalry Platoon of the First Cavalry Division from Fort Hood gave them demonstrations of mounted drills and tactics from the 1883 Cavalry manual on the south parking lot of the Bedford Street Church of Christ.

City recommends garage-sale law

The Dimmitt City Commission recommended at its Monday night meeting that a garage sale ordinance be added to the city's zoning code.

THE ORDINANCE will be referred to the city zoning commission, which will hold a public hearing on the proposed zoning change.

The ordinance is designed to stop perpetual garage sales within the city. It would limit individuals to no more than two garage sales in a 12-month period. Each sale may run three consecutive days. Residents would be required to obtain a garage sale permit and register in the city secretary's office.

Commissioners then took a look at the plans for the 1973 paving program for Dimmitt. They approved the plans, called for paving contract bids to be opened Sept. 18, and passed an ordinance calling for the assessment of land owners involved to pay for the program.

REPRESENTATIVES of West Texas Telephone Co. appeared before the commission concerning the proposed telephone rate increase.

Commissioners will submit written questions to the telephone company concerning the increase request. The phone company's answers will be considered at the next commission meeting.

"The city is thoroughly investigating the rate increase request," City Manager E. B. Noble said.

Phone co-op gets \$1 million loan

Sen. John Tower announced this week that the Rural Electrification Administration is approving a \$1,090,000 loan to the South Plains Telephone Co-operative, Inc., of Lubbock to upgrade and expand telephone service, to provide all one-party lines, and to serve an additional 191 subscribers in rural areas.

The cooperative services 13 counties including Castro County and has over 3,000 customers.

Toll reaches 12 with July wrecks

The Texas Highway Patrol investigated five accidents on rural highways in Castro County during the month of July, according to Sgt. Rex Smith, Highway Patrol supervisor of this area.

THESE crashes resulted in one person killed, and none injured.

The rural traffic accident summary for this county during the first seven months of 1972 shows a total of 40 accidents resulting in 12 persons killed, and 22 persons injured.

Officers seek knifing suspect

Law officers in four counties are searching for a Vega man who allegedly attacked his wife with a knife west of Dimmitt Sunday afternoon.

THE CASTRO County Sheriff's Dept. has issued a warrant for W. C. McDowell, who faces a charge of assault with intent to commit murder. The man is still at large, and officers in Castro, Deaf Smith, Oldham and Parmer Counties are searching for him.

McDowell's wife, Carol, was treated at Plains Memorial Hospital for a knife cut that extended from behind her left ear to the front of her throat. She was released after receiving emergency treatment.

Mrs. McDowell told sheriff's officers that she, her husband and several relatives were gathering okra in a field eight miles west of Dimmitt when the attack occurred. She and her husband were standing beside their car, separated from the others, but had not been arguing, she told officers.

OFFICERS said relatives came to Mrs. McDowell's aid, and a young boy who had been playing nearby called a Dennis Funeral Home ambulance.

Football squads book scrimmage

Dimmitt's Bobcats and Hart's Longhorns have both booked pre-season scrimmages for Friday night in preparation for the coming football campaigns.

Nazareth's Swifts are still hoping to nail down a scrimmage opponent for Friday, but haven't been successful yet.

AFTER surviving the pre-school ordeal of two-day workouts which started Aug. 14, the county's schoolboy gridders received their uniforms Friday and went to work in earnest with the start of school this week.

Coach Brown L. Smith's Bobcats will travel to Abernathy Friday evening for two scrimmage sessions against the Antelopes. The B-squad scrimmage will start at 6 p.m. with the varsity entanglement to follow.

And the following Friday night the Bobcats will travel to Stinnett to scrimmage the state's top-ranked Class A squad.

COACH Lonnie Phillips' Longhorns will travel to Sundown Friday for a scrimmage session with the Roughnecks. Play will begin at 6 p.m.

The only definite listing for Coach Clayton Neal's Swifts is a scrimmage against Hart at 6:30 p.m. Sept. 1 at Hart.

Dimmitt and Hart will play their opening games at home Sept. 8. The Bobcats will host Muleshoe and the Longhorns will receive a visit from Lazbuddie. Nazareth's season will open the next day against the Hereford B-squad.

Activities Committee meeting set

Carl Bruegel, chairman of the Castro County Activities Committee, has called a meeting of the county planning group for Tuesday, Sept. 12, at 8 p.m. in the courthouse basement.

OFFICERS will be elected for the coming year, and reports will be given on this year's Roundup costs and participation.

Also, Elmer Berryhill, director of special services for Dimmitt Public Schools, will show a movie entitled "To Touch a Child," telling how a Detroit suburb converted a junior high school into a year-round community center for neighborhood residents of all ages.

Season tickets on sale at DHS

Season tickets for Dimmitt High School's four home football games are now on sale in the school superintendent's office.

THE \$7 TICKETS will entitle holders to reserved seats in the center section of the west stand of Bobcat Stadium, below the press box.

Supt. Charlie White said previous season-ticket holders will have first choice of tickets. However, all tickets not picked up by previous holders by Wednesday, Sept. 5 will be sold on a first-come, first-served basis.
