

Suit seeks new precinct lines

Three local voters have filed suit against the county citing that unequal apportionment of the county commissioners' precincts is unconstitutional.

The suit was filed last Thursday in the Federal District Court in Amarillo, and the plaintiffs are seeking a court order requiring the county to redraw its commissioner precinct lines to comply with the one person-one vote rule.

Plaintiffs are Carmen Catano, Maria Rivera and Amelia Velasquez, all residents of Dimmitt. They are represented by William Beardall, an attorney with Texas Rural Legal Aid of Hereford, as well as by attorneys Joaquin Avila of the Mexican American Legal Defense and Educational Fund and Rolando Rios of the Southwest Voter Registration and Education Project.

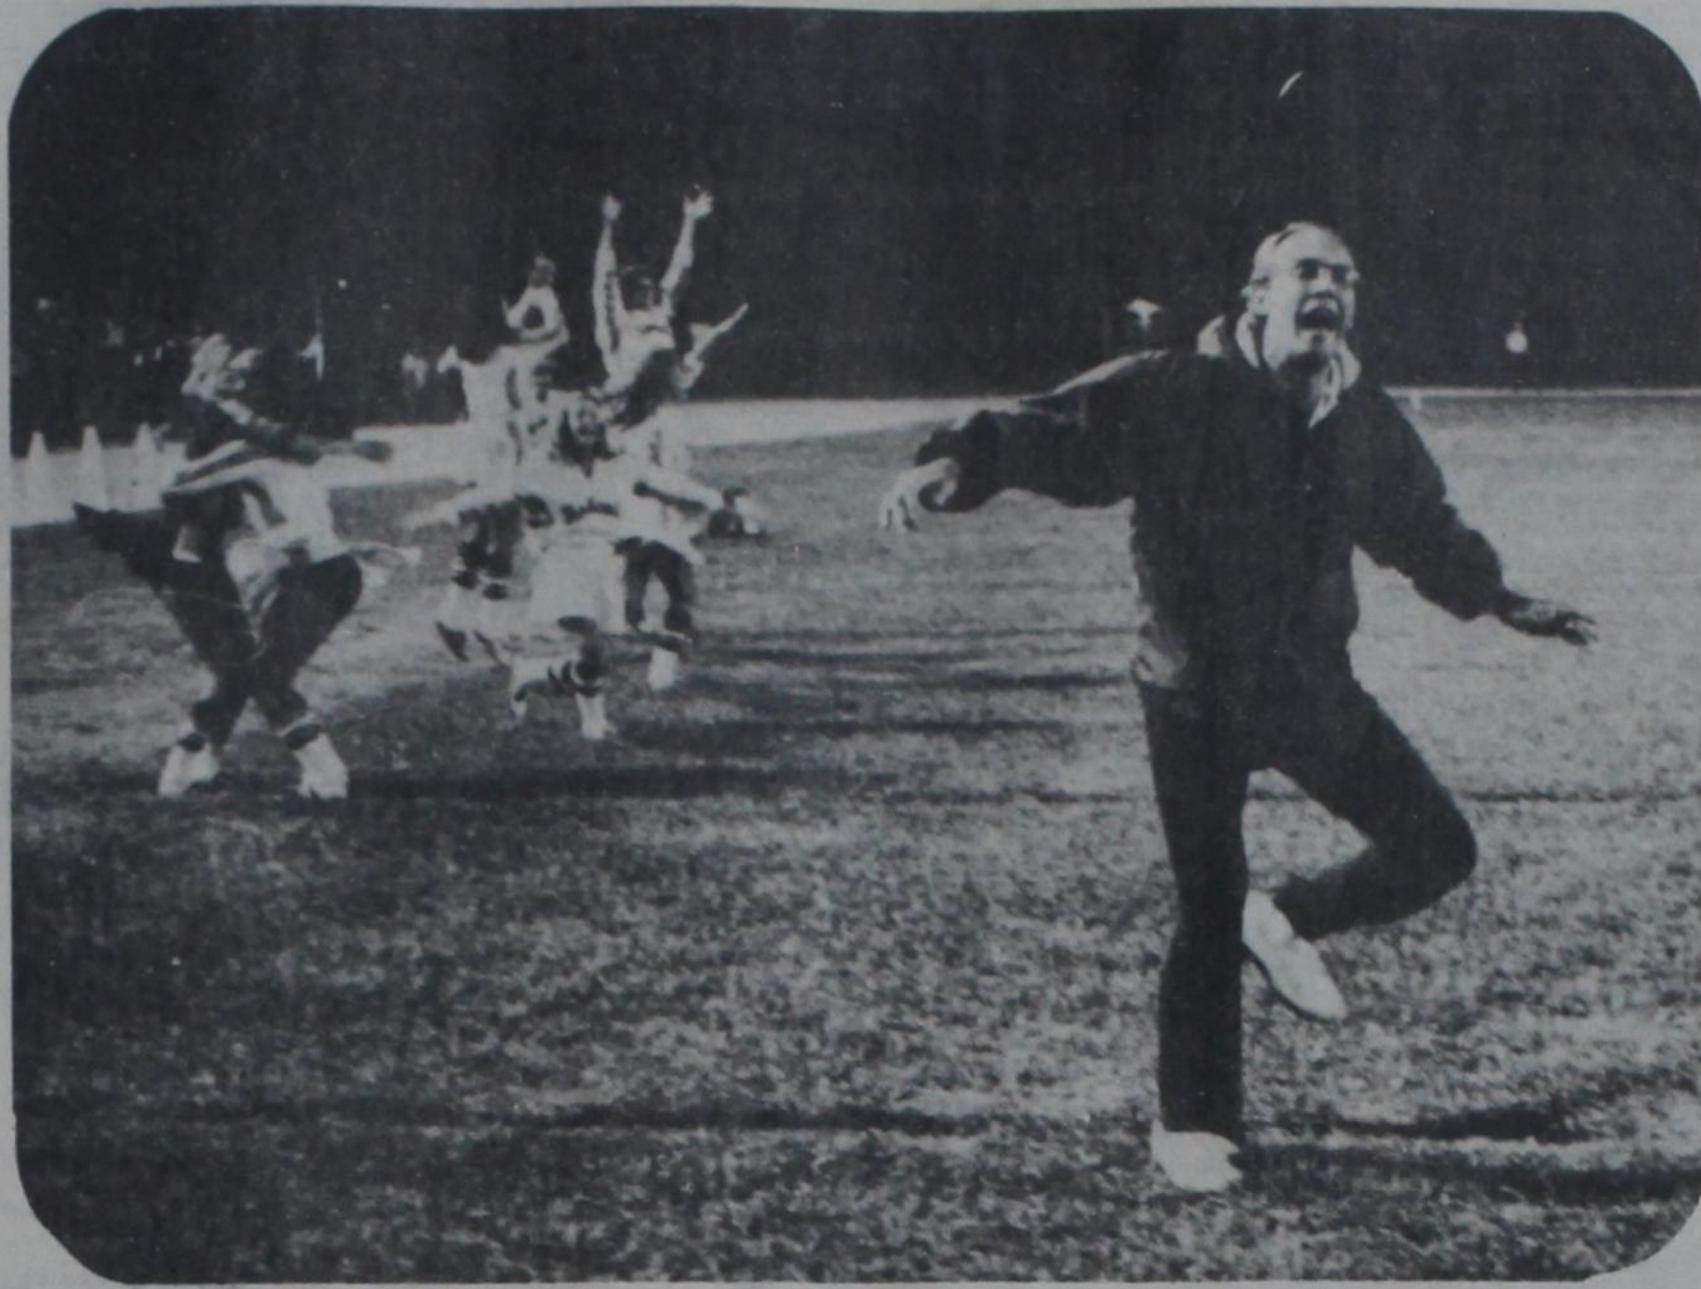

Under the Supreme Court's one person-one vote ruling, county commissioner precincts must contain approximately equal numbers of voters. The plaintiffs charge that Precinct 2 has a population of 3,130, while Precinct 4 has 1,710, a 54% differential.

Commissioners noted at their Monday meeting that they are not opposed to the idea of re-apportionment per se, but are concerned with the other problems it will create—changes in boundaries will affect roads, bridges and facilities and equipment within precincts. Another problem is that the wet-dry precinct boundaries might be moved. Precinct 4 is wet and the other precincts are dry.

County Democratic Chairman Oscar Wylie asked the commissioners' court Monday why the re-apportionment could not be delayed until after the 1980 census, since the boundaries might have to be reapportioned again after that.

Beardall said that the census data would not be available until the end of 1980, and that the

At last!

Until Friday night, Wayne Garner's first season as Dimmitt High School's head football coach had been 0-3 and no glee. But all the frustration ended at this moment, when the horn sounded on a 6-3 Homecoming victory over Tulia. Garner bounds toward his victorious Bobcats onfield, while in the background DHS's happy cheerleaders whip up a whirlwind.

Candidate list mushrooms to 18

Eighteen candidates have filed for three positions as aldermen on the Dimmitt City Commission, subject to the Nov. 6 election.

It's the largest number of candidates in the city's history.

If voters approve a change to the aldermanic form of city government in the Nov. 6 election, the three candidates receiving the highest number of votes will be elected, two to serve until the last Saturday of April, 1981, and one until the last Saturday of April, 1980.

Candidates whose names will appear on the Nov. 6 ballot are Joe Josselet, Jeffrey L. Myers, John N. Mueller, Sam B. Killough, Joe Paul

Weatherford, Wayne Collins, M. A. Pennington, Doug Lapins, Patricia Elliot, Roy Lilley, Larry S. Gonzales, James Slough, Johnny Stanford, Jackie D. Powers, John L. Allen, Art Kasher, Carolyn Mitchell and Roger Malone.

Voters will be asked whether they favor a change to a six-man board of aldermen, and to vote for three additional members to serve with Mayor Elmer Youts and Commissioners Chet Pressladt and J. R. Brown in case the proposition carries.

A voter may vote against the change to the aldermanic form of government, but still cast his votes for his choice of aldermen in the event the issue carries.

Merchants to have planning breakfast

Attention, all Dimmitt merchants: You're invited to a breakfast at 7 a.m. Friday at the Colonial Inn restaurant to help plan this year's Christmas shopping promotion and other community Yuletide activities.

The meeting is sponsored by the Chamber of Commerce Retail Trade Committee, and the CofC will buy your breakfast.

Chamber President Jerry Marvin said the Dimmitt Volunteer Fire Dept. already has agreed to put up the downtown Christmas decorations this year. Other ideas to be discussed at Friday's breakfast will include a possible visit by Santa, a community tree-lighting and caroling service, kids' cartoon shows, window decorations, a trade-at-home promotion, a Christmas lighting contest, and others.

"We need your ideas," Marvin said.

Bank deposits are up

A jump of more than \$3.5 million in deposits over this time last year is reported by the First State Bank of Dimmitt in tally of condition at the close of business Sept. 28.

Deposits, considered an index of the community's business health, amounted to \$35,228,696.33 at the time of the report, compared with \$31,713,468.55 at the end of September, 1978. The increase is \$3,515,227.78.

The bank's total resources were reported at \$39,026,300.02. After the third quarter last year that figure was \$35,332,027.17. The gain amounts to \$3,694,272.85.

Farmers State Bank at Hart has shown a decline over 1978 in deposits for each quarter this year, following a change of banking practices that resulted from the sale of Grain Handling Corp. to Frito-Lay of Dallas. The third quarter report shows deposits of \$5,021,794.12. At that time last year the deposit total was \$9,335,917.64.

Total assets of Farmers State stood at \$6,532,883.95 at the end of September, compared with more than \$10 million in 1978. Loans and discounts totaled \$4,009,729.63 this year.

UW fund bog-down is blamed on some 'misunderstandings'

Misunderstanding of a change in conducting the Dimmitt United Way Drive this year, and of ways to pay UW contributions, are responsible for slow progress of the drive to date, Chairman Gary Moore believes.

The drive which began last month has reached 59.9 percent of its goal, with \$6,671 raised from the business canvass and \$3,062 in a home-to-home canvass plus more than \$200 from a tennis tourney.

Goal of the 1979 campaign is \$16,250, to supply funds for nine agencies. The drive is moving at a snail's pace this week.

Dimmitt residents have apparently not understood, Moore said, that the home-to-home drive was planned to

replace the collection through places of employment, which has been used in previous years.

The result has been that many people, when contacted in their homes, have made only token contributions because they expected to be asked as usual to contribute where they were employed, he said.

Instead, only the home contact has been made and some families have given as little as five dollars or even a dollar, when they have in the past given the "fair share" asked by the UW—the equivalent of one hour's pay per month.

Also, Moore said, many people fail to understand that the UW does not ask that the entire contribution be given in a lump sum. Salaried workers

find it more convenient to pay a pledge in monthly installments, he explained, and the UW can use those monthly payments nicely.

Bank drafts may be arranged easily, and the monthly contribution designated by the depositor is paid directly from his account to the UW account without further attention on his part.

A basic misunderstanding that persists about the United Way, Moore added, involves failure to understand the alternative if the drive fails.

Without UW funding, each of the nine affiliated agencies would have to conduct its own drive for funds, so residents would be solicited for money not once, but nine times in the year. The whole purpose [See UW FUND, Page 14]

D.H.S. HOMECOMING QUEEN Dawn McRee (left) and Flame Queen Ulla Jonsson pass in review before Friday night's Homecoming game in Bobcat Stadium. Miss McRee, a junior cheerleader, was crowned at the

Beet harvest begins, corn and milo nearing completion

Sugar beet harvest began in Castro County this week, with stations at Dimmitt and Hart opened Tuesday to receive beets for the Holly Sugar plant at Hereford.

The plant was due to begin slicing beets today (Thursday) and Calvin Jones, Holly agricultural manager, said it was hoped that operations could be completed by December on this year's crop.

He said the beet sugar crop is larger than usual this season, and pre-season tests have shown sugar content to be high, even in fields where the beet foliage was severely damaged by August hailstorms.

Jones said the cooler weather of this week is welcomed

by beet growers, as it is better for stockpile storing at the plant.

Meanwhile, harvesting of corn and milo in the county is making good progress and the soybean harvest, larger than usual this year, is almost complete. Elevator operators estimated that the corn harvest lacks only about 25 percent to completion.

Hard wind that accompanied the cool front Monday night further damaged corn in the fields, causing stalks to fall, and also caused shattering of grain in milo heads. Farmers were managing to salvage most of the downed corn, however.

Cotton harvest is in sight

now and gins are getting ready to begin operations in a few weeks although mid-November is the date giners estimate for the real start of the season.

Gene Ross at the Ross Family Gin at Sunnyside said some of the cotton crop in that part of the county "will be ready in two or three weeks, but we won't get much until the middle of November." Most cotton is "a little late this year," he added.

"Some of the fields are looking pretty white, but I'm not guessing yet just when the harvest will start," Earl Chaney of Castro Co-op Gin said. "It depends on the weather and other things."

Brockman says

Pope John Paul II 'like a friendly grandfather'

By APRIL GUY

"I would compare him to a kindly old grandfather," Jerome Brockman of Nazareth said describing Pope John Paul II. Brockman received Holy Communion from the hands of the Pope last Thursday in Des Moines, Iowa.

Brockman, a deacon in the Holy Family Parish of Nazareth, was chosen by the National Catholic Rural Life Conference as one of 10 persons

to represent the rural dioceses of the US at the special mass.

"My impression of the Pope is that he is really a man of the people; he is so much like one of us, he is not a sophisticated aristocrat. He is extremely healthy and strong both physically and morally. He enjoyed people yet I think he has the courage to speak out on topics that need to be spoken out on. He loves all people and yet he can be firm when he needs to be," Brockman said.

"We got up at 5 a.m., packed a sack lunch and went to the Living History Farms where the mass was to be held. It is a working farm museum on the outskirts of Des Moines."

It was a rather chilly, blustery morning of about 42 degrees, Brockman said.

"The Pope arrived about an hour late," he said. "The field mass began at 3:45 p.m. At this mass we were among the group who were to receive

communion from the Pope. We were seated on the front row, about 150 feet from the altar.

"During the service 150 of us received communion from the hands of the Pope. Of these people, 140 were from Iowa and the 10 remaining people represented a cross section of the United States. Only three of us were farmers and ranchers."

Those 10 receiving communion from the Pope other than Brockman were a Mon-

tana cattle rancher, a small town homemaker from New England, a Louisiana plantation worker, a Wisconsin dairy farmer, a community development worker from Appalachia, an American Indian nun from South Dakota, an Oregon wheat farmer and a rural Ohio priest.

"A fine crowd of 340 thousand people attended the mass in this large field or pasture. They ranged from 100 feet from the altar to a good quarter mile. It was a well behav-

ed and peaceful crowd," the Nazareth farmer described the scene.

"I did not get to speak to the Pope. We approached him one at a time to receive communion. He celebrated the mass at the altar alone.

"His comments were directed to the farmers, ranchers and rural people. He made several points, that a farmer should be grateful for the land, for the crops that he grows, and for his lifestyle. "He urged farmers and

ranchers to conserve the lands for future generations. He urged the farmers not to become too profit oriented, but to realize that their vocation gives them the opportunity to be a service to all mankind. "He urged rural people to be generous and to share the food that they raise with the whole world.

"The Pope's trip to the United States had a good effect on the Catholic Church and the public," Brockman said. "I think since the Sec-

ond Vatican Council made so many changes in the Catholic Church there has been a great deal of uncertainty. Many people expected the council to go a lot farther than it did. Pope John Paul II is coming forth very strong in giving us the Church's position.

"This is the ideal that I think all Catholics should strive to follow."

The trip? "It is one of those things that you never dream would happen and it did," Brockman said.

Sheffy's Chatter

By MYETLE SHEFFY

The big doing in Dimmitt last weekend was the Homecoming, with the bonfire, Flame King and Queen, Homecoming Queen and the big ball game. You can read about that on the sports page.

The Class of 1959 had a reunion with a reception at the high school parlor, the pep rally, supper at the cafeteria and a get together at Don and Carlee Warren's house, also a dance. Tommie and Richard Bills of Earth came by to tell me a little bit about the friends coming in. Brenda Dollar Allen and Bill from Anchorage, Alaska were here to see the folks, also for the class parties. Gordon Thansch and his wife from Arlington, Morris Westberry of Canyon, Joyce Messenger and husband Darrell Ellis from Willman, Mike Bailey and wife, Cecil Stehr of Kansas, Charlotte Hestand from Maryland, Betty Hargrove Pugh and children Cindy and Angie from Gruver, Dr. and Mrs. Myles Sadler from Lubbock.

More people were Mary Lynn Hendrix Lankford and husband Bill of Amarillo, also visiting Mary Edna Hendrix. Sandra Nelson helped me with names. These are the locals from Dimmitt: Marilyn Cambell Ginn, Patsy Gibson Roberts, Don Gregory, Ben Holcomb, Glenn Odom, Brenda Ramsey Andrews, Donald Shelton, Don Warren, Norman and Sandra Thompson Nelson, Ralph and Avis Smith were the sponsors. Twenty-two graduates returned for the reunion.

Ten members of the Class of 1954 met for lunch and visiting Saturday from 11-2. A home movie of the senior trip to San Antonio and much reminiscing were the highlights of the reunion. Present were Pat DeLozier Crooks from Childress, Don R. Owen and his wife Janis from Houston, Bosie Young Hall and her husband from Pecos, Christine Young Bridges and her husband Edwin from Hereford, Oran Howell and his wife Norma from Panhandle, Don Johnston from Killeen, Carolyn Rothwell Mitchell and her husband Joe Ben from Dimmitt, Gale Sadler and his wife Verna from Dimmitt.

Carolyn Campbell Wiseman and her husband Dean from Dimmitt and Carolyn Sides from Dimmitt. Martha Isaacs took a few friends to the country club for lunch and a few games of bridge. Going were Roxanne McLean, Carlee Warren and Patricia Braafladt. Who says you have to go to Ruidoso to see good horse races? I heard that Bunt Kitchens, who trains horses at Kemp Farms' new horse barns west of town, won three big races a couple of weeks ago at the Lubbock Downs track.

Saturday my guests were Cara Miller and Laura Lapins. They had a bit of cornbread and blackeyed peas with me, also told me about all their friends home for a weekend with the families and Homecoming. Most of these folks finished high school in the spring of 1979. Here are names, but first Cara and Cheryl Wiseman are rooming together at Abilene Christian College and their friends love our paper. They are Alana Day of Levelland and Nancy Diamond from Lubbock. The girls like ACC. Cara says each Sunday they take the Dimmitt paper to the parlor to read. These were home: Cheryl Robb of WTSU, Gayla Heathington and Carol Bagwell, also of WT, Kimberly Peggum of Wayland, she sings and plays piano, Diane Love, Sue Rita King, Lisa Wales, Tami McMasters, Kyle Wise, Johnny Merritt, all of Tech, Mark Summers of Amarillo College, Laura Lapins of Baylor, Cinde Sides from Tech.

Teresa Lantz came home from TWU at Denton. She is the daughter of John and Carol. Leslie Heard and Allan McClure were here from South Plains at Levelland, Susan Sadler from Tech, Angela Ross from Georgetown, Tobin Touchstone of UT, Leanne Crozier home from Lubbock Christian College. She was also helping with Pam Heard's shower.

Don and Ginger Scarbrough are home from a trip to Colorado Springs, where they had a short vacation, seeing all the things there, the falls, the zoo, mountains. You can see Ginger at the Pizza Hut. Bud and Nancy McClendon are new folks in town. They live at 104 NW 7th. Bud is a police patrolman. Nancy is at Amstar.

Cindy Kelley and friend Dale Kidd of Lockney, both students at WTSU, were home for the weekend with her family. Ewell and Nell Kelley, also for Homecoming, as was Jo Beth Bates, to be with mom Laverne, Jean Bradford from San Marcos, also Patrice Finneran, a student at San Marcos, granddaughter of Opal Bearden, daughter of Kay, and Jim Bradford and Greg Kelley home from Tech.

Ted and Dorothy Sheffy had their family in for Sunday dinner and church, Beth Wallace and children Shay and Brooke here from Tullia, Virginia and Kevin Malone from

Hereford and Graham and Karen of here. Andy and Helen Behrends went to Lubbock to see the A&M and Tech game. Their step grandson plays. They all had dinner with daughter Mary and husband Garnett Reeves and do you remember Dr. Harold Brannon? He and Mrs. Brannon were also at Mary's. They live in San Antonio, have three children, one married and little ones, the youngest a senior in high school. Harold's parents, Mr. and Mrs. Brannon, live on their ranch out northwest of Clayton, N.M. They are former Dimmitt residents.

Mary Jo Birdwell went to Red River and Taos with Mamie and the Harlin Dodds last week. They made the foliage tours and visited with Weldon and Irene Bradley who have been managing a condominium. Others going to Santa Fe to see the beautiful aspens and other trees and the mountains were Bill and Kathryn Birdwell and Jim and Ina Cleavinger.

Joe and Rita Gilbreath, who are former Dimmitt folks with the FmHA, have a new baby girl. Her name is Joni Michelle, born Sept. 27 at Memphis. They have two other girls, Melissa and Melanie. Rita Gilbreath had a visit with those kin last week. Rita is a school teacher in Dimmitt.

Edwin Ramey and friends Tom Draper and Virgil of Hereford made a visiting and business trip to Wellington

I saw Bennie Edwards at Pam Heard's party. She and her husband Roger teach school at Tullia, and Roger is choir director at the First Baptist Church.

Bryce and Darlene Dowell and Betty Dennis went to Ruidoso Saturday to see the Mulearama. Morgan and Geneva Dennis went to Goldthwaite to visit their son, Dr.

Douglas and Mona Dennis, but mostly to see the grandsons Brent and Eric play football. They are a sophomore and eighth grader.

Lon and Mary Woodburn and Joe Raper went to Ruidoso for a short vacation and to get some of the Hondo Valley apples.

Why not come to Tuesday night's party with the Senior Citizens, at 6:30 p.m. A covered dish supper with "42" or visiting with friends. And this past Monday Clara Dollar drives the van with people going to Knox Retirement Village at Lubbock. There is bowling at Hereford, leaving the center at 12:15, come and go. The ladies who enjoy crafts and quilting can do that, come on and join the

fun. Brick Autry and Michael Smotherman went caving at Carlsbad Caverns last weekend. Both reported having a good time. Visiting Joy and Elvis Barker this week were her brother and sister-in-law Gary and Twilla Lamm from Jenks, Ok. [See CHATTER Page 7]

PROTECTION FROM THE ELEMENTS
 It has been said in the Lone Star State that there is nothing between Texas and the North Pole but a barbed wire fence. That certainly gives you the idea that in Texas you're not given much protection from the cold North wind.
 There are times when you might think there is no protection and comfort afforded from the hardness and cruelty of the world. But there is a buffer between you and the world. This help and protection is the church. As members of the church, you are with good people of like minds who love you, pray with you, comfort you and assist you. They are the ones who "by love serve one another." (Gal. 5:13)
 We invite you to attend the church of your choice this week. You will find a warm welcome there.
 "And this commandment we have from him, that he who loveth God love his brother also"
 I John 4:21
 The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Family fun is theme for Scout-O-Rama South Plains Council, Boy Scouts of America will stage its annual Scout-O-Rama from 1 to 5 p.m. Saturday, Nov. 3 in the Lubbock Memorial Civic Center. The Scouting movement as a family centered program, packed with fun, is the idea reflected in the 1979 Scout-O-Rama theme, "Family Fun Fair." Byrnie Bass is the general chairman for the Family Fun Fair Scout-O-Rama. Special features will include a continuous stage show featuring regional talent and Scout contests. Displays and demonstrations detailing various Scout activities will round out the afternoon program. Among the demonstrations are rappelling, sand painting, totem pole making, lumberjacking, martial arts and silk screen printing press. The Scout-O-Rama is one of the largest youth shows staged on the South Plains. Tickets priced at \$1 are available from area Scouts.

Last-minute TD gives Swifts 17-13 victory

By CHRIS ALBRACHT

Gary Book caught an eleven-yard touchdown pass from John Steffens with 51 seconds left as the Nazareth Swifts won their third consecutive game over the Canyon JV, 17-13, Friday night in Canyon.

The Swifts, 3-2 on the season, relied on Bryan Huseman's 160 yards on 37 carries and the passing of John Steffens—five completions for 87 yards.

Nazareth received the ball first and after penetrating to the Canyon 45, punted to the Eagle 19. Three plays later Book stripped a Canyon back of the ball, giving the Swifts possession at the same spot.

After runs by Huseman and Steffens that put the ball on the 31, Huseman missed a 48-yard field goal attempt. Starting at the 31, Canyon got to its own 44 in five plays. After a clipping penalty pushed them back to the 26, QB Jay Tipps dropped back and

found Steve Beck wide open at the Canyon 40. He then outran two Swift defenders to the end zone. After the PAT, the JV Eagles led 7-0 halfway through the first quarter.

The Swifts got the ball with 9:03 left in the half after an exchange of punts. After long runs by Huseman took the ball to the 1 yard line, Steffens scored on a quarterback sneak. Huseman's PAT kick was good and the game was tied at 7 at halftime.

After a scoreless third quarter, the Swifts scored again on a 19-yard field goal by Huseman, which was set up by a twelve play drive. Then Nazareth was ahead 10-7 with 13 minutes left in the game.

After Canyon got the ball back on the kickoff a three yard run by Louis Byers took it to the 50 yard line. Byers then took the handoff from Tipps and ran the ball in for the last 50 yards. The conversion kick was no good, but Canyon led 13-10 with 12 minutes left.

After a Nazareth fumble and a Canyon punt, the Swifts got the ball at the 8 yard line. After two incomplete passes and a four yard loss by Huseman, Calvin Schulte went back to punt and was roughed up by two Eagle defenders. This penalty gave the Swifts first and 10 on the Canyon 30.

The next six plays took the ball to the 11 yard line, then Steffens threw to Book in the end zone for the winning touchdown. Huseman added

the PAT to make the final score 17-13.

The only Swift penalty in the game was a delay of game call on the conversion attempt which pushed the ball back to the 7 yard line.

The Swifts recovered on the second play in a desperation drive for Canyon and ran out the clock.

The Swifts will host the Valley Patriots Friday in the first District 2-B North game of the season, which is also Homecoming. Game time is 7:30, with the crowning of the Homecoming Queen at 7:15.

On the go

Pearl Johnston, a former resident of Castro County for 40 years, spent the weekend with her sister, Ruby Sims, accompanied by her sons,

Don and Harold. She is now a resident of Bell Haven Nursing Home in Killeen. Approximately a hundred of her friends and former Dimmitt neighbors called to visit her at

Mrs. Sims' home, 105 Front St. The two sisters are twins, and plan to celebrate their 75th birthday together next April.

ONE CALL COULD HAVE KEPT THEM FROM CUTTING OFF HUNDREDS OF TELEPHONES.

They've just cut through an underground telephone cable. And you could too, unless you call Continental Telephone before you dig.

By calling our local Business Office you can find out where the cable is and how to avoid it.

A cable can be costly to repair. And it can be costly for those whose telephone service is interrupted.

So don't take unnecessary chances. The next time you're planning any digging, call Continental Telephone before you start.

One telephone call from you can insure uninterrupted telephone service to hundreds of others.

Canyon women produce book on Panhandle sites

Nine months and 24,000 miles later, the dream and work of two Canyon women is on Panhandle bookshelves. "Presenting the Texas Panhandle", a where-to-go, what-to-see and who-to-know guide to the upper 26 Texas counties, was published recently by Lana Barnett and Elizabeth Buhrkuhl.

The book developed, said Barnett, because she wanted to know what was interesting to see on weekend trips in the Panhandle. "When we moved back out here from Ft. Worth, I was wanting something to take with me on weekend trips, something that listed what there is to see. I called the library, asking if there was a compilation and they checked and didn't have anything like that," she explained. "I just thought about it for a year. I didn't have the money then."

During that time, Barnett came to work for The Canyon News, helping prepare the county progress edition. She saw advertising as a way to finance the guidebook.

Barnett enlisted the aid of Buhrkuhl, a school teacher for 18 years, who has instructed from the grade through college level.

With the encouragement of Troy Martin, News publisher, they began work, gathering both advertisement and information. The result is a 198-page book with cover by Canyon artist Jim Ward and filled with historical photographs from the Panhandle-Plains Historical Museum.

'TEXAS PANHANDLE' PUBLISHERS
Lana Barnett and Elizabeth Buhrkuhl

Each county has a chapter devoted to it that includes a feature story of a current topic; a historical feature; a calendar of annual events; things to see and do; a list of interesting facts, both past and present; current and historical photographs.

"We didn't write the book," they add. "We published it but we had contributing authors and did some of the writing."

In traveling the Panhandle, the major feature has been change, said Buhrkuhl. "We have not been in one county that there hasn't been a lot of changes, growth, industry, population, mostly for the better," she said.

"We've seen wildlife. We saw a herd of antelope between Perryton and Pampa," said Barnett. "We've had a ball. We've met people in all walks of life, in all age groups. We've met people in all kinds of business situations."

"We've learned that the people are fantastic. And that the Panhandle is not all flat; there are a lot of canyons and hills in this Panhandle," she said.

They plan to update the book with a new edition every other year. In the meantime, they are working on other projects.

Copies of the book are available at Parson's Drug, Dimmitt; Gibson's, Dimmitt, and Farmers State Bank, Hart.

Dinner slated at Nazareth Homecoming

A Homecoming Dinner will be served Sunday as a part of the Nazareth School Homecoming activities this weekend. The meal will be served in the school cafeteria from 11 a.m. to 1:30 p.m., open to the public.

On the menu are ham, vegetables, homemade dessert and rolls. Cost of tickets will be \$3 for diners age 12 and older, \$1.50 for those 6 to 12 years old and \$1 for pre-school youngsters.

Roundup slated for SPC exes on October 27

South Plains College's monthly Sandyland Opry barbecue and a chance to talk over "old times" will highlight SPC's fall roundup and reunion Oct. 27.

More than 800 ex-SPC students from the years 1961-64 and 1971-74 have now been contacted in a mail-out campaign concerning details of the reunion, said Eddie Trice, dean of college relations at SPC.

"We'd like to emphasize that all ex-SPC students from those years, not only graduates, are welcome to attend the roundup," said Trice.

"And anyone we neglected to contact by mail is cordially invited as well. We urge anyone not yet contacted to send us their name and address as soon as possible," he added.

SPC's Sandyland Opry, a spinoff of a unique country/bluegrass music degree program established by SPC in 1975, will feature both college and area talent. The Opry will be free to all guests of the reunion, said Trice. Opry time is 7:30 p.m. in the College SUB.

Festivities begin with registration and reception from 2 to 5:30 p.m. Oct. 27 in the SUB followed by a barbecue meal with all the trimmings buffet style in Texan Hall. Cost of the meal will be \$2.75 a person.

A display of memorabilia from the reunion years also will be set up, according to Carole Blair, SPC dean of women.

[Continued from Page 2]

la. The Lamms were returning home from a vacation to Arizona and New Mexico. Also visiting the Barkers last week were Joy's parents, Mr. and Mrs. Jack Lamm from Sayre, Okla. Joy spent a few days in Plains Memorial Hospital last week.

Anita Morris was hostess to the Thursday bridge club with refreshments of pumpkin pie and coffee. Guests were Ceal Carlile, Betty Huckabay, Ann Carpenter, Edna Riley, Tina Rawlings, Maxine Tidwell, Virginia Gilbreath and Dorothy Elder.

Going to Ruidoso to see the Mulearama Saturday and Sunday were Richard Bills, Don Randolph, Wendell Clayton and Dolan Fennell, all from Earth.

Hazel Britt of Gruver came down with sister Betty for Homecoming and a visit with her mother, Mrs. E. V. Hargrove, and brother Don and Mae.

Kenneth and Ruth Jackson went to Lake Conchas for the weekend. Mostly to rest and maybe fish a little.

Kenneth and Libby Cleveland were hosts at a birthday dinner for Vicki and her friend Brad Allcorn of Olton. Both were birthday people. Other guests were Gale and R. V. Allcorn of WTSU and Linda Wise, Beth (Cleveland) and husband Darrell Buckley and Kevin Darrell.

Darrell and Beth Buckley had a supper Saturday night. They served barbecued ribs, beef and sausages with all the trimmings to brother Kevin and Denise Dobbs, Vicki Cleveland, Brad Allcorn, Linda Wise and Brian Allcorn. Beth is commuting to Tech at Lubbock majoring in home economics and math. She is a busy person.

Walter and Louise Spinhirne went to Lubbock Sunday for dinner and a cake to celebrate the little granddaughter's first birthday. She is Allison and the daughter of Angela Spinhirne Jones and Mr. Jones. Other folks there were Michael and Sharon Spinhirne and son Dustin of

Amarillo, Regina and Jackie and Kevin, another daughter Caroline and Steve Bezner and son Jeffery of Lubbock.

And a while back Walter and Louise celebrated their 29th wedding anniversary by having dinner and seeing a show at Amarillo Theatre. Their son Michael and Sharon were with them. The Spinhirnes have the Western Auto store here.

John and Nancy Cranford of Virginia Beach are here to visit her mother, Mrs. J. A. Ramsey and sister, Martha Isaacs, Mrs. Clarence Hance, Mrs. T. D. Claborn. The Cranfords are moving soon to Washington, D.C.

Cletha George's company Sunday was grandson Donnie Joe and wife and two children of Plainview, son Jimmy and Floyce, Danny and Shelly Rice and two girls. They went out for dinner. That's nice, no dishes to wash.

Oneida Hutto is recuperating from an illness in a Littlefield hospital. And Janice Bell had more surgery at Lubbock. She is better now.

Polly Bell's guests Monday were her sister-in-law Lola Griffin of Lubbock, her daughter Lavonne Griffin and her friend Bea, both from Nashville, Tenn., and Polly's daughter Karen Sheffy and Carrie from Canyon.

Glen Lust of Lazbuddie came over Saturday to visit his parents Vern and Millie Lust.

Garland and Susan Coleman and son, the 3rd, had a good visit in Dallas with friends and stayed in the home of Susan's brother Joel Nelson, who is a student at Southwestern Medical School. The friends were in school with Garland, who is a pharmacist here. The friends are Mr. and Mrs. Fred Carter. This was Susan's first jet flight. She was a little green-faced at first but likes flying now.

Leland Lee had a birthday Monday, so his in-laws, Anita Morris and Jeanie Miller and ladies of the Church of Christ brought over a cake for him and daughter Carolyn.

Montiel injured in farm mishap

By TEENY BOWDEN

Joe Montiel was admitted to Plains Memorial Hospital in Dimmitt Friday with a scalp injury and a leg muscle injury due to a farm accident. He was transferred to St. Anthony's Hospital in Amarillo Saturday and had surgery on the leg muscle Monday morning.

Dr. and Mrs. Myles Sadler of Lubbock attended the Dimmitt High School Homecoming game and activities of the class of 1959. Gregory and Amy stayed with Mr. and Mrs. David Sadler and girls.

Dr. and Mrs. Frank Gabe, Jennifer and Tod of Newark, Ohio and their guest, Kristina Hahti, an exchange student from Finland, visited Saturday and Sunday with Mr. and Mrs. Gerald Graham, Tommy and Michael.

Michael Graham and Tommy Graham, home from TSTI for the weekend, attended the 4-H Awards banquet in Littlefield Saturday night. Both boys received their 10-year pins and Michael received the automotive award.

Mr. and Mrs. Noah Spencer returned home Friday from Dalhart where they helped Mr. and Mrs. Howard Spencer with the ensilage harvest the past two weeks. The women came back Monday to attend the funeral services for John Cox, father of Jerry Cox of Dimmitt.

Mr. and Mrs. Ezell Sadler and Mr. and Mrs. Hollis Buchanan returned home Friday afternoon from a two-week vacation.

David Sadler returned home Friday from ensilage cutting in the Texas Panhandle and in Kansas.

Mr. and Mrs. A. J. Phelan of Weatherford spent the weekend with Mr. and Mrs. Roy Phelan.

Mr. and Mrs. Bruce Bridges, Erin, Robin and Jonathan joined the rest of the family last Sunday in honoring Mrs. Howard Bridges with a birthday dinner in her

home in Dimmitt.

Baptist Women met Tuesday morning at the church for the general meeting with Mrs. L. B. Bowden in charge.

Mr. and Mrs. Clyde Akers of Lubbock spent last weekend with Mr. and Mrs. John Spencer.

Doug Jeffcoat, Gene Bartlett and Mr. Christian of Levelland visited in the Sunday morning services.

Rev. Raymond Jones, Hershel Wilson, Roy Phelan, Milburn Haydon and Lonnie Wilson attended the Llanos Altos WMU Association annual meeting in First Baptist Church at Farwell Thursday. Missionary speaker was Wana Ann Forte, a medical missionary in Sanyati, Rhodesia. She and her husband, also a doctor, have served at the Baptist Hospital in Sanyati for 27 years.

Gene Ross and L. B. Bowden attended a Better Weather meeting in Earth Monday night.

E. R. Sadler was admitted to Methodist Hospital in Lubbock Thursday afternoon and underwent minor surgery Friday morning. Several from the community have visited with him over the weekend. He is scheduled for major surgery Thursday.

Reba Keeler of Hale Center, cousin of Ezell and E. R. Sadler and Mrs. Howard Cummings, passed away in the Hale Center Hospital Saturday night of a heart attack. Funeral services were held Monday afternoon.

Mrs. Lonnie Wilson was admitted to the Littlefield hospital Thursday. She was dismissed Sunday. Samantha and Jessica spent the week with their grandparents, Mr. and Mrs. Hershel Wilson.

Ex-resident's services held

Funeral services for Arthur Sherman McJimsey, 61, former Dimmitt resident, were held recently in Silverton.

Mr. McJimsey was a Briscoe County tax assessor and collector for two terms. He was born Sept. 7, 1918 in Lexington, Okla.

He lived in Dimmitt for several years before moving to Silverton.

He was a member of the First Baptist Church in Silverton and of the Silverton Lodge 754 AF&AM. He was an Air Force veteran of World War II.

He is survived by his wife, Annabel; one daughter, Sherri Wynn of Wichita Falls; two brothers, Raymond of Silverton and Robert of Lubbock, and a sister, Anna Belle Tipton of Silverton.

THERE is an Oregon law which makes it illegal for a dead juror to serve on a jury.

Year's plans for programs are outlined

The Castro County Family Living Committee met last Thursday and planned educational activities they felt would be beneficial to the residents of Castro County.

Educational programs to be conducted during the year will include a "Dollar Watch Computer Program," to help families with their budgets, a "Single Survival Course" for Senior Citizens, programs on "Family Record Keeping," and "Time Management."

These programs were planned to help the residents of Castro County with managing their resources, whether in time or money.

Members of the committee who were present were Michele Bell, Joyce Davis, Gary Moore, Dwight Overton, Polly Simpson, Mildred Washington, Peggy West and Margaret Womack.

Wedding guests visit in Nazareth homes

By VIRGIE GERBER

Hubert Backus, Mark Gerber and Jim Hoelting left on a four-day combined fishing trip and chemical training session at Del Rio sponsored by Riverside in Dimmitt.

Congratulations to Billy Steffens, who will go to Oklahoma City to compete in Punt, Pass and Kick.

Leroy and Colette Hoelting spent most of last week here. Colette visited her parents, the Leonard Conrads, and Leroy attended a seminar at Texas Tech. On Saturday they attended the A&M-Texas Tech game.

Gene and Susie Gerber and children Natalie and Jenny of Odessa and their friends Leonard and Patsy Patton and children Sarah and Nate of

Odessa were here for the Gerber-Schulte wedding Saturday and also visited the Vincent Braddock family.

Rick and Robbie Gerber of Austin were here for the wedding Saturday. They spent Friday night in Hereford with Robbie's parents, the Wirt Albrachts.

Carol Drerup, who works with child welfare in Leland, spent the weekend with her mother, Lucille Drerup.

Edwin and Irene Huseman and family of Dumas spent the weekend here with Mrs. Fonsa Huseman and the Bert Venhaus family. They also attended the Schulte-Gerber wedding.

Agnes Brockman is home from an Amarillo hospital where she had tests made, but is feeling much better.

Congratulation to Mr. and Mrs. Eddie Riley of Independence, Mo., who are the parents of a boy, Patrick Allan Riley. He was born in St. Luke's Hospital, Kansas City, Oct. 4. He weighed 8 pounds, 13 ounces. Grandparents are Mr. and Mrs. L. C. Brockman of Nazareth and Mr. and Mrs. D. W. Riley of Independence, Mo.

City woman's sister dies

Funeral services for Juanita Hughes, 31, of Childress, sister of Wanda Thomas of Dimmitt, were conducted Tuesday afternoon at the New Hope Baptist Church in Childress and burial was in the cemetery there. Rev. A. L. Sanders, pastor, officiated for the service.

Mrs. Hughes, a native of Childress, died there Sunday. She was a member of the Childress Chapter of the NAACP.

Survivors include two sons, a daughter, her parents, six sisters and two brothers.

McRee, Jonsson, Ortiz win Homecoming crowns

Return of DHS exes who have moved from Dimmitt, a grid victory preceded by pep rallies, crowning of student royalty and special events in the schools added up to excitement for present and former students at the annual DHS Homecoming last weekend.

Dawn McRee was crowned Homecoming Queen at the Friday afternoon pep rally, which was wild, enthusiastic and loud as fans yelled and band music blared in a colorfully decorated DHS gym.

The queen, a high school junior, was attended for the coronation by nominees from the other classes, Senior Deanna Moore, Sophomore Teresa Maxey and Freshman Estella Mendez.

More crowns were awarded at the bonfire rally Thursday when the seniors saw their nominees, Ulla Jonsson and Gus Ortiz, proclaimed Spirit Queen and King.

Kim Watts and Adrian Stanton were candidates from the junior class, Jerri Ka Clark and Ricky Gonzales the sophomore, Shelly Fry and

Greg Odom the freshmen. Also crowned Thursday were Toby Tischler and Scott Simpson, Dimmitt Middle School's Spirit Queen and King.

Spirit Sticks were presented to Todd Touchstone, as a player; the Bobcat Band, group; Libby Cleveland, faculty member; and Summer McLean, small daughter of the Charles McLeans, Tiniest Fan.

The junior class was winner for hall decorations in Dimmitt High and the seventh grade at the Middle School.

In special dress days at DHS, Kevin Ginn was the student winner and June Parker faculty winner for Dress of the Year 2000; D'Anne Harman and Norris Cole the students and Pat Bagley the faculty member judged best costumed on Western Dress Day.

Looking great program set in Tulia

Looking Great—Feeling Up to Date is the theme of the Swisher County Extension Homemakers county-wide meeting to be held from 1-3:30 p.m. Friday in the Tulia Methodist Church basement.

The program entitled "Feeling Pounds Thinner," will be presented by Becky H. Culp, followed by a slidestrip on "Inching toward Metric."

The meeting will close with a presentation by Joyce Thompson on the up-to-date use of the sewing machine on fall fabrics.

Castro County women are invited to attend the meeting.

How sweet it is! Cats trip Tulia, 6-3

HI, MOM!—Junior guard Ben Holcomb shows how the thrill of victory feels as he and his Bobcat teammates and coaches gather at midfield in a joyous, back-slapping mob after winning

a bruising 6-3 victory over the Tulia Hornets in the Dimmitt High School Homecoming game Friday night.

By JIMMIE CHAPMAN

The Dimmitt Bobcats, trailing by three points through the second quarter, marched 64 yards for the only TD of the night to capture a thrilling 6-3 Homecoming win over the Tulia Hornets Friday.

Tulia had gone ahead 3-0 on a 27-yard field goal only four plays into the second quarter, and the Bobcats started from their own 36-yard line after the ensuing kickoff. With fullback John Laurent and halfback Jimmy Stewart smashing into the middle of the line, the Cats quickly found themselves at midfield but facing third-and-long.

As quarterback Robin Ryan rolled back to pass, Tulia's Shannon Smitherman pushed down intended receiver Steve Stone, giving Dimmitt its only break of the night—a pass interference penalty at the Tulia 30-yard line to keep the drive going.

Laurent and Stewart moved the ball to the 1-yard line, and on fourth down Laurent followed good blocking and smashed into the end zone for the go-ahead score. The snap for the extra point was bobbled, but the Cats were ahead 6-3 with 6:09 left in the first half.

That was all the scoring in the game, thanks partly to two good punts by end Gary Naylor—one for 50 yards and another for 46—that kept the Hornets in the hole. But that wasn't all the excitement as the two teams staged a bruising defensive battle.

Dimmitt got another scoring chance when David Allison recovered John Hurd's fumble of the second-half kickoff at the Tulia 27-yard line, but with losses on pass attempts and a 15-yard penalty, the ball was soon back at midfield and Dimmitt had to punt it away.

The Hornets kept the ball the rest of the third period and were sitting on the Dimmitt 18-yard line when Kelly Nelson knocked quarterback Barry Cowan loose from the ball and Elias Perez fell on the fumble. This was one of three fumbles Dimmitt recovered in the second half, due

mainly to the hard-hitting Bobcat linemen.

Dimmitt was in the hole once in the final period when Hornet Ray Ruiz's punt went dead at the Dimmitt 6-yard line, but after three plays, Naylor returned the favor with a 46-yard punt. Tulia tried desperately to chalk up a go-

ahead score, but Naylor recovered another fumble at the Dimmitt 40 and the Bobcats ran out the clock to insure their first win of the season after three defeats.

Linemen Kelly Nelson, Morris Cole, Gus Ortiz, Gary Naylor and Gary Malone all played fierce defense—as did the entire linebacking crew—to stop the hard-running backs from Tulia.

Randy Washington was the Bobcats' leading ground gainer for the night with 55 yards in only six attempts. Stewart got 38 yards on 16 tries, Laurent got the only TD and 30 yards total on eight attempts. Ryan threw only two passes, and completed both for 18 yards.

Tulia's offense was well balanced, with Barry Cowan getting 31 yards on 15 carries, Terrell Roberts 35 yards on eight trips, and Karl Travis 54 yards on 15 carries. In the passing department, Cowan completed three of nine for 23 yards.

It was a sweet Homecoming victory for the Cats, who will now journey to Lockney to tangle with the Longhorns of District 4-AA. After the Lockney game, district play begins with the Bobcats going to Littlefield Oct. 19 to take on the Wildcats, who are ranked No. 8 in the state.

Eighth grade teams downed in 2 games

Dimmitt's eighth grade A team held a Tulia team scoreless until the last half-minute of a game in Dimmitt last Thursday, only to lose 6-0 as Tulia scored on a 20-yard pass that climaxed a 70-yard drive.

The B team from the eighth grade also met defeat last week, dropping a 24-8 decision to Nazareth on Tuesday.

The Thursday contest was "a good hard-hitting game, one of the best I've seen at eighth grade level," Coach Jerry Durham said. "Both teams would move the ball to the opponent's 20, then get bogged down by fumbles, interceptions and penalties as defense stiffened."

Scott Simpson and Brad Holcomb were effective on offense for Dimmitt. Robert Nelson got an interception that saved a touchdown, punter Roy Tijerina kicked far and high with no runbacks and Robbie Hottel was a pillar of defense.

The Dimmitt boys are now 2-1 on the season. Tulia has won four without a defeat.

Dimmitt's B team got its only score in the final quarter after Nazareth had made a touchdown in the first and two more in the third.

Noe Jackson went the final 10 yards on a 70-yard drive and Jody Short added the PAT for Dimmitt.

In an outstanding play, Jerry Fuentes ran a kickoff back from his own 25 to the Nazareth 15 but the team was unable to push it in.

Tech to stage annual dairy short course

Approximately 100 are expected to participate in the 31st annual Dairy Short Course Oct. 14-15 in Lubbock. It is sponsored by the department of food technology and animal science at Texas Tech University.

The meeting, which usually attracts producers, processors and dairy marketing representatives from Texas, Oklahoma and New Mexico, will be held in the Hilton Inn. Registration will take place from 2-6 p.m. Sunday, Oct. 14, and continue from 8-8:45 a.m. Monday. The registration fee of \$30 includes the Saturday night banquet.

Discussions will deal with such topics as economic conditions in the dairy industry, quality control, the Texas Uniform Milk Inspection Program and legislative action regarding the industry.

Speakers will represent the Texas Department of Health, the Dairy Products Institute of Texas and Superior Dairies, Austin; Southland Corp., Dallas; Bell Dairy Products and Southwestern Public Service Co., Lubbock; the Texas-New Mexico Dairy Technology Society, and Texas Tech University.

Dr. Sam E. Curl, dean of the Texas Tech College of Agricultural Sciences, will welcome guests. Dr. J. Wayland Bennett, associate dean, will be the guest speaker for a 6:30 banquet Oct. 15. Bennett, an agricultural economist, is a member of the Board of Directors, Federal Reserve Bank, Dallas, and he will discuss "Producers and Consumers in an Inflationary Economy."

Dozen hold special WT scholarships

Nine students from Dimmitt and three from Nazareth are attending West Texas State University this semester as President's Honor Scholars, each the recipient of a \$100 special scholarship.

Honor scholars are chosen from top students in area high schools who are members of National Honor Society.

Honor scholarships are awarded to WTSU freshmen in a program that began last year.

Of the 213 recipients the first year, more than 150 have returned to the WTSU campus for the fall semester this year, a return rate that caused university officials to term the program a success.

Current President's Honor Scholars from Dimmitt are Carol Bagwell, Jo Beth Bates, Natalie Cline, Randy Lunsford, Arjelia Sauseda, Ydolina Sepeda, Regina Spinhirne, Estella Trigo and Tonya Hampton.

Those from Nazareth are Joyce Acker, Evey Wilhelm and Darryl Birkenfeld.

Money for the scholarships comes from the President's Development Fund, which is supported by donations. A person who contributes \$100 or more has a scholarship offered in his name.

Miscues doom HHS, 26-13

By MONTY UPTON

Hart's Longhorns suffered through another frustrating game of boom or bust Friday night as they dropped a 26-13 decision to the Silverton Owls. Five turn-overs and 101 yards in penalties spelled doom for the Horns.

Hart got the opening kickoff and returned it to the 48. Wasting no time in this boom situation, fullback Lorenzo Valenzuela had 16 and 17-yard gains to advance the ball to the Owl 19, then on the third play of the game, halfback Isaias Ponce raced in for the opening TD. The PAT kick was good, and Hart had a quick 7-0 lead.

Hart's next possession, after an Owl punt, ended with a fumble at the Silverton 13. The Owls, unable to generate offense, punted out. But on the second play, a Longhorn pass was picked off at the Silverton 37. The Owls then used 13 plays before scoring on a four-yard run by tailback Bobby McPherson. Tommy Potter added the kick to tie the score.

It took Hart only seven

plays to reach paydirt again, on a six-yard run by Valenzuela. The PAT kick failed, leaving the Horns on top by 13-7.

Not to be outdone, the Owls roared right back and in 11 plays—including a critical pass interference penalty on a fourth-and-9 situation—scored on a 44-yard pass from QB Paul Brannon to Mark Brown. The kick failed, to leave the score tied again, 13-13.

In the third quarter, Hart threatened on its second possession as the Horns drove to the 14 before sputtering. At that point a field-goal attempt went awry. The Horn defense

looked especially good during the period, holding the Owls to a total of one yard.

However, the bubble was about to burst. The Horns could generate no further offense, and the fourth quarter would be crucial.

The Owls got to midfield in six plays, and wingback John Segura broke 50 yards for the score. Potter added the kick to put Silverton ahead for the first time, 20-13.

Hart's next possession ended with a blocked punt, and the series after that lasted only one play as the ball was fumbled. Hart then drew two 15-yard penalties for bad-mouthing the refs, setting Silverton up at the 11-yard line.

McPherson scored three plays later to give the Owls their final 26-13 lead. Hart had drawn six penalties for 46 yards in 15 plays.

Hart's Scott Jones, Chad Black and Benny McLain did a good job of playing tough ball most of the evening. Leading Longhorn runners were Isaias Ponce with one TD and 49 yards, and fullback Lorenzo Valenzuela, who finished with a TD and a super 122 yards on 16 carries.

The Longhorns have an open date Friday as they try to regroup and get mentally and physically ready for the opening of district play against Farwell at Longhorn Stadium Oct. 19.

HE'S NOT DOWN YET—Dimmitt tailback Jimmy Stewart breaks a tackle en route to gaining six yards to the Tulia 35-yard line with 1:18 left in Friday night's Homecoming game here. Meanwhile, a teammate throws a block into Tulia's James Avent [70]. Stewart finally was stopped a foot short of a crucial first down, but he got it on the next play to virtually insure Dimmitt's victory.

Sustained drives spell win for DHS Frosh

Long drives by Dimmitt High School Freshmen resulted in three touchdowns and a 21-14 win over Tulia's Freshmen at Tulia last Thursday. Dimmitt got underway for two

counters in the third quarter after a scoreless first half.

Capping a 73-yard run after the second half kickoff, Richard Guzman carried the ball the remaining yard for the first Dimmitt TD.

A run for extra point failed, leaving Dimmitt still two points behind Tulia which had scored on a 75-yard drive late in the second and made the run good for 8 points. Tulia began the push after stopping a Dimmitt drive at the Tulia 25.

Dimmitt's second scoring drive came later in the third quarter when Jeff Watts recovered a Tulia fumble at the

Dimmitt 42 and drove all the way with Sid Sageser scoring on a two-yard run. The biggest play was a 30-yard pass from Ron Rickenbrode to Fernin Gonzales. Guzman carried over for the PAT so the score was 14-8.

Each team scored in the final frame. Reuben Casas scored on a 2-yard run to complete a 59-yard Dimmitt drive and Gonzales kicked for the extra point. Tulia finished the scoring with an 80-yard drive in five plays.

After that touchdown, with 4 minutes left in the game, Tulia was successful with an onside kick but Dimmitt held, took over and ran out the clock.

Linemen Rodney Hunter, Johnny Gonzales and Johnny Nino and running back F. Gonzales were cited by Coaches John Thomas and Robert Crawford for their work on offense, while outstanding defense players were tackle Shan Powell, linebackers Bill Grosz and Sageser, and halfback Casas.

Hart teams score wins

After losing in its first outing of the season, the Longhorn Junior Varsity from Hart showed its mettle in a 40-0 win over Silverton JV at Silverton last Thursday. Hart's eighth grade also blanked a Silverton team, 22-0.

The JV scored in every quarter of the game, tallying 8-12-12-8 by quarters. The win brought their record for the season to 1-1.

A touchdown in the opening quarter with a 2-point addition was all the eighth graders could manage by halftime, but 6 more points were added in the third quarter and 8 in the final. The team now stands at 2-2 on the season.

Hart's seventh grade, with a 2-0 record, did not have a game last week but scrimmaged the Silverton seventh graders Thursday.

Lists are mailed by Fat Stock Show

Some 5,800 premium lists outlining rules, premiums and other information were mailed this week to potential exhibitors at the 84th annual Southwestern Exposition and Fat Stock Show, reports W. R. Watt Jr., show president-manager.

"Premiums for our Jan. 23 through Feb. 3, 1980 Stock Show will exceed \$300,000," Watt said. "There have been several revisions of rules in our various departments, and exhibitors are urged to read the premium list carefully before making their entries."

"We know there are many who would like to exhibit at our show," he said. "If those who did not receive a premium list will let us know, we'll be happy to mail one to them."

Exhibitors of cattle, sheep, swine, horses, donkeys and mules must have their entries into the Stock Show office by Dec. 10, while poultry, rabbit and pigeon exhibitors have until Jan. 15. Entries should be sent to P.O. Box 150, Fort Worth, 76101.

Hundreds of private-sector donors support 4-H through National 4-H Council, a non-profit organization that assists the Cooperative Extension Service in advancing the membership, leadership and influence of the 4-H program.

DHS Class of '59 reunites

'I haven't aged much, but look at old Joe'

The 1959 graduating class returned to Dimmitt High School last weekend as the honored class at Homecomings Activities started with the pep rally in which the class was recognized, and a reception honoring the class was held following the rally.

After the ball game Friday night, the class had a get together in the home of Don and Carlee Warren. A luncheon on Saturday ended the activities for the class.

Highlights of the luncheon were introductions of the graduates, their spouses, children, and short resumes of their activities and occupations. Letters were read and pictures were shown of several who could not attend.

A movie of the Senior Trip to Bandera, a dude ranch, was shown. Several awards were presented and a humorous story on "Memories" was read.

The class of '59 had 43 graduates. Two of the members are deceased. Houston Frye was killed in a farm accident in 1967, and Sharon Rothwell Lenz died following an illness in September, 1979.

Sponsors of the class were Ralph and Avis Smith, who were present at the luncheon.

Following is a summary of the class of '59.

MIKE BAILEY and his wife, Jane, live in Dalhart with their three children. Mike is owner of Bailey Flying Service.

JO BEECHER PRATHER and her husband Dan are stationed in Bad Kreuznach, West Germany. She is an elementary school teacher, and they have one daughter.

Rotarians hear History Book presentation

A County History Book presentation was given to members of the Dimmitt Rotary Club by Clara Vick and Helen Richardson at their Friday meeting.

Mrs. Vick gave reasons for extending the deadline on information to be included—the main reason being lack of family histories.

The Castro County Historical Commission intends to conduct more workshops to assist persons writing family histories.

The book will take six months to be published after the publishers have all the information in, Mrs. Vick said.

The Rotary Club was urged to write a history on its club.

What's cooking at the school

NOTICE TO BIDDERS

The Commissioners' Court of Castro County will receive bids until 10:00 A.M. October 25, 1979, for the purchase of five-year time warrants in the amount of \$200,000.00. Time warrants will be payable in five annual installments and the proceeds will be used to purchase road machinery for Castro County. The amount of the initial indebtedness will be \$200,000.00 and the net effective interest rate shall not exceed ten (10) percent, and the maximum maturity date will be five (5) years from date of issuance. If as many as ten per cent (10%) of the qualified voters of Castro County whose names appear as property tax payers petition the Commissioners Court in writing on or before October 25, 1979, then this proposition would be submitted to the voters of Castro County on the form of a referendum as to the issuance of bonds instead of time warrants. The Court reserves the right to reject any or all bids.

MRS. DANNY GERBER
The former Karen Schulte

Schulte-Gerber vows exchanged

Karen Schulte and Danny Gerber were married in a late afternoon ceremony Saturday at the Holy Family Church in Nazareth with Rev. Stanley Crocchiola, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Gilbert Schulte and the groom is the son of Mr. and Mrs. Albert Gerber, all of Nazareth.

The church was decorated with arrangements of silk roses and pampas plumes. The bride, given in marriage by her father, wore a gown of ivory silk organza fashioned with a Victorian neckline and sheer bishop sleeves. The bodice was enhanced with lace and a row of satin buttons. The A-line skirt featured a flounce of lace at the hemline and flowed to a chapel length train. Her waltz length mantilla was edged in chantilly lace. She carried a bouquet of carnations and red roses with an orchid in the center that was used as a going-away corsage.

The maid of honor was Elaine Schulte, sister of the bride. Acting as bridesmaids were Rosemary Kleman and Glenda Gerber, sisters of the couple.

The feminine attendants wore formal length sundresses of burgandy, with cream colored shawls draped over their shoulders. They each carried a single rose and wore babysbreath in their hair.

Harold Gerber, brother of the groom, acted as best man and Larry Ramaekers and Calvin Schulte, brothers of the couple, served as groomsmen.

Mass servers were Rodney Schulte, Doyle Schulte, Todd Hill and Cory Hoelting. Wade Hoelting, nephew of the groom, acted as ring bearer. Ushers were Keith Gerber, Kevin Gerber, Doyle Kleman and Mark Hoelting.

Solo selections were sung by Tricia Gerber, Sandie Hoelting and Beverly Hill, all sisters of the groom. Mrs. Jim

Peggram served as organist. A reception followed at the Nazareth Community Hall with a dance following.

The couple is honeymooning in Colorado and will make their home in Nazareth.

Mrs. Gerber is a graduate of Nazareth High School and attended Howard College at Big Spring. The groom is employed at Hill Farms in Hart and is a graduate of Nazareth High School.

Tops Club schedules work night

A work night to prepare for entertaining Tops Clubs of Northwest Texas at an Area Recognition Day Nov. 3 was scheduled by Dimmitt members at their weekly meeting Monday night, when plans for hosting the area visitors were continued.

Work night was set for 7 p.m. Tuesday at the courthouse assembly room. Francis Goodwin, publicity chairman, and Vivian Pigg, decorations chairman, reported from their committees. The song committee announced the eight songs which have been selected for the program. Dale Wells will be song leader.

At the Monday session, 22 members weighed in with a weight loss of 18 pounds, 12 ounces for the week. Faye Varner was Kops of the Week, Karon Moss Tops of the Week with a loss of 5 pounds, 4 ounces and James Slough Male Tops of the Week with a 2 pound loss.

Oleta Raper, club leader, is serving as general chairman for Recognition Day, which is expected to bring 150 or more Tops Club members here from a wide area. Ruth Slough and Judy Lange are her co-chairmen.

Committee heads who have been named to complete the list include Jo Hankins, programs and newsletters; Karon Moss, souvenirs; Joyce Davis, Kops activities; Mrs. Moss, division awards; Tom Moss, plaques, and Judy Lange, dress parade.

County board hears stock-pen protests

The Castro County Commissioners' Court heard protests from residents of South Dimmitt concerning the animal pens located along South Street at its meeting Monday.

The citizens have been seeking help from the Dimmitt City Commission to have the area cleaned up, as the more than 100 animals of

various kinds that are housed there create odors, flies and mosquitoes. Since the area is not within the city limits, the residents were referred to the commissioners' court.

A letter prepared by County Attorney Jimmy Davis, outlining the possible steps to have the area declared a health hazard, was given to the del-

egation and commissioners agreed they would try to work with the city to see what could be done about the problem.

A letter from Texas Rural Legal Aid concerning the terms of office of board members of the Housing Authority Board was read. The TLRA pointed out that the current board members have been serving since Oct. 22, 1973, without definite terms of office. Under the enabling legislation for the Housing Authority, three of the members' terms should be set up to expire Oct. 22, 1979, and the other two Oct. 22, 1980.

Present members of the board of directors are Allan Webb, Rayphard Smithson, Ray Robertson, Truman Touchstone and Bruce Fuller, all of whom are involved in agriculture. The federal guidelines specify that members of the board should reflect a wide variety of interests, the TLRA claimed.

In the absence of ailing County Attorney Jimmy Davis, the court postponed action on this matter until the next meeting.

In other action, the court: —Voted to advertise for bids for five-year warrants to finance purchase of four road graders.

—Voted to advertise for bids for two steel buildings—one 40x100 ft. brick-front shell to be built east of the city hall to house the Dept. of Human Resources, which will complete the interior, and one 30x40 ft. insulated storage barn for Precinct 4.

—Tabled until next meeting a review of the contract between the Sheriff's Department and the City of Dimmitt regarding dispatching and jail use.

—Heard a presentation from William Beardall, attorney for Texas Rural Legal Aid, concerning the suit against Castro County challenging unequal apportionment of commissioners' precincts.

—Miss King had previously been elected president of the sophomore class at CJC. She was active in campus organizations during her freshman year.

Randy Pope of Nazareth identified all the items as having been stolen from his home. He said two rings were also missing.

As a result of the search, officers arrested Joe Castillo and his brother, Albert. Officers reported they recovered the two missing rings at Albert Castillo's residence southeast of Nazareth.

Pope had notified the sheriff's office Sunday that his home had been burglarized, and provided a list of the missing items which he estimated had a total value of \$1,760.

The following day Pope reported to the sheriff's office that his father, who works at Swisher County Feedlot, notified him that Joe Castillo had been to the feedlot trying to sell some rifles.

Deputies Lonny Rhynes, Boots Crews, David Dalton and DPS Trooper Dyrle Maples executed the warrant and took into custody 17 items, including three rifles, a shotgun, kitchen appliances, a movie camera, sewing machine and color television set.

Carla King holds top CJC office

Carla King, a Dimmitt sophomore at Clarendon Junior College, was recently chosen student body president in a campus election. She is the daughter of Mr. and Mrs. Carl King and a 1978 graduate of Dimmitt High School.

Members of the pumper team are Acey Boyd, Jerry McGuire, Tommy Cleavinger, Ben Reyes, Randy Griffith and Francis Acker.

Effort to sell stolen items leads to arrest

Two Nazareth men have been charged with burglary after trying to sell some stolen items at the Swisher County Feedlot to the father of the man whose home had been burglarized.

Albert Castillo, 43, had bond set at \$7,500 and Joe Castillo, 28, at \$5,000 after they were charged Monday with burglary of a habitation. Both were jailed.

After receiving a call that Joe Castillo had been trying to sell expensive rifles at the feedlot, the Castro County sheriff's office obtained a warrant to search his home at Nazareth.

Deputies Lonny Rhynes, Boots Crews, David Dalton and DPS Trooper Dyrle Maples executed the warrant and took into custody 17 items, including three rifles, a shotgun, kitchen appliances, a movie camera, sewing machine and color television set.

DVFD wins second trophy

The Dimmitt Volunteer Fire Department pumper team placed first at a mini-convention of area firemen Saturday, competing against four other teams.

The trophy the team won was its second this year. Dimmitt previously won the championship at the district firemen's contest.

Members of the pumper team are Acey Boyd, Jerry McGuire, Tommy Cleavinger, Ben Reyes, Randy Griffith and Francis Acker.

boundaries need to be redrawn by Jan. 5, 1980, the deadline for filing for commissioners' posts for the 1980 election.

Beardall also said that the re-apportionment process is now underway in dozens of other counties in Texas, and suggested that the commissioners contact some of these counties to find out how the practical considerations are being handled when precinct lines are redrawn.

He also mentioned that Castro County was fortunate in having the population concentrated in the center of the county, in the City of Dimmitt. This would make it possible to re-align the precinct boundaries within the city without much change in the outlying areas of the county, he said.

Since County Attorney Jimmy Davis was not present at Monday's meeting of the commissioners' court, it was decided to take no action until the next meeting. Beardall said he would work with the county attorney before then to draw up several possible ways the boundaries could be re-drawn to assure that residents in each precinct would have equal representation and still give full weight to the Mexican-American vote, as requested in the suit.

Davis, after reviewing the complaints in the lawsuit, said Wednesday he wished the plaintiffs had "gone through the regular channels"—that is, petitioned the commissioners' court for reapportionment—before filing the suit. He questioned whether a lawsuit is necessary to carry out the Supreme Court ruling.

Davis also questioned the plaintiffs' figures and the percentage variations which they allege exist between the precincts' populations.

He also noted that the Federal District Court in Amarillo already has ruled in a similar case that courts can't set precinct lines to recognize any ethnic, racial or religious group.

"I think one of the major changes that might come out of this would be the wet and dry boundary lines," Davis said.

He said the Federal District Court has not notified his office yet on a hearing date on the suit.

Halloween Carnival plans are underway

Reservations for booth space are now being taken for the annual Halloween Carnival to be held from 6-10 p.m. Wednesday, Oct. 31 at the LaMantia, Cullum, Collier and Co., Inc., building at the northeast edge of Dimmitt.

The annual affair is sponsored by the Dimmitt Noon Lions Club.

Booths for various amusement features and sale of refreshments are available to local organizations without charge. Booth sizes are 18 feet square or 18x36 feet.

Reservations for space can be obtained by contacting

Doyle Hoover, carnival chairman, at 647-4302 during the evening. All booths and activities must have prior approval from Hoover.

There will be no activities inside the building which will cause smoke. No electrical equipment other than record players and public address systems will be permitted, to avoid problems with the building's wiring system.

Propane or gasoline stoves and catalytic heaters will be allowed and extra light may be supplied with battery operated, propane or Coleman type lanterns.

New deadline brings rush to history book

A speed-up in receipt of material for the Castro County History book resulted from announcement last week that the deadline has been extended to Nov. 10, according to Mrs. L. B. Bowden, chairman of the history book committee.

Family histories may be submitted for inclusion in the book until the deadline, also orders may be placed for copies of the book. Memorials, stories of businesses or organizations and photographs of classes or other groups may be ordered for a fee.

The county histories, bound in hard cover with gold-embossed design, must be ordered and paid for in advance. Mrs. Bowden emphasized. Price of a book is \$35.

"If you would like to pay a permanent tribute to a relative or friend, you can buy a page, half or quarter of a page in the Castro County History," she said.

"If you would like to include a few words in memory of a parent, grandparent or other relative, consider a memorial in the book.

"If you would like for your business to be remembered, tell its story in the book. A full page costs \$150, a half page \$80 and a quarter page \$45.

"Every club, church, school graduation class or other organization should consider purchasing space to tell its story or publish its picture."

Family histories, of present residents as well as county pioneers, are wanted for the book and will be included in brief form with no charge, Mrs. Bowden emphasizes.

These histories, orders for the books and orders for memorials and other items for which a charge is made, may be sent to her or to Clara Vick or any member of the history book committee.

WBC offers camera course

A continuing education course in the fundamentals of photography will be offered by Wayland Baptist College's Division of Special Services beginning Oct. 18.

The course, designed for the beginner through advanced amateur camera buff, will strive to enable persons to enhance their photographic skills with their present camera and equipment, according to Dr. Bill Hardage, assistant to the vice president for academic affairs.

The class will meet each Thursday night, excluding Thanksgiving, from Oct. 18 through Nov. 29, from 7-9 p.m. in Room 202 of Flores Bible Building on the WBC campus.

Cost for the six-week course is \$20 per person, with the only requirement being access to a camera of some type and enough film for the course.

Blood drive to be held October 25

A blood drive sponsored by the Town and Country Extension Homemakers will be held from 2-6 p.m. Thursday, Oct. 25 at the City Hall Assembly Room.

Residents will have a one-month grace period on their blood insurance since the blood drive was held on Oct. 11 last year.

Babysitters will be available.

"The entire Panhandle is looking to Castro County to give blood on Oct. 25," said Margaret Womack. "We had a real good drive last year," she added.

Anyone from 17 to 66 can give blood, Mrs. Womack said.

Ex-residents wed recently

Former Dimmitt Residents, Lois Young and Nolan Young, were remarried recently in a double wedding ceremony at Bronte in which their son, Garry Young, and Kim Ayers were also married.

The ceremony took place in the home of their daughter, Carolyn Sims, and Judge Dub Sims officiated. Mrs. Sims and Sheila Young were the bridal attendants and Larry Young of Houston was best man. Cake and punch were served by Sheila Young after the wedding.

Mr. and Mrs. Nolan Young are at home in Milledgeville, Ga. Mr. and Mrs. Garry Young are making their home in Lubbock.

UNITED WE DRIVE—United Way Campaign Chairman Gary Moore and last year's chairman, Joe Josselot, get ready for the shotgun tee-off for the United Way Golf Tournament. The tourney will begin at 9:30 a.m. Saturday at the Castro County Country Club. The

nine-hole tourney is open to everyone in the county. There is a \$5.50 entry fee for the Calloway Handicap tourney. All proceeds will go to the Dimmitt United Way, which supports nine different organizations in Dimmitt.

Golfers to tee off in UW benefit

A shotgun tee-off will begin Dimmitt United Way's Golf Tournament at 9:30 a.m. Saturday on the Castro County Country Club course.

The nine-hole tourney is open to everyone in Castro County, campaign chairman Gary Moore said. Those par-

ticipating in the tourney do not have to be members of the Country Club to enter.

There is a \$5.50 fee. All proceeds from the golf tournament will go to the United Way.

All participants in the tournament must be registered by

6 p.m. Friday. Persons can register at the Country Club or by calling Moore at 647-2101.

The UW has now reached 59.9% of its goal, Moore said, as \$6,671.35 was raised from the business canvass and \$3,062.78 in the home-to-home canvass.

Homecoming activities underway at Nazareth

Nazareth's Spirit Queen and King will be announced at a Pep Rally today (Thursday) during the Nazareth High School Homecoming mid-week activities.

The Pep Rally will begin at 8 p.m., after a parade starting in front of the cafeteria.

The winner of the spirit chain, decoration winners and

the spirit stick winner will be announced at the pep rally.

Spirit King candidates are Dwayne Heck, senior; Bryan Huseman, junior; Virgil Huseman, sophomore, and Rodney Schulte, freshman. Candidate for Spirit Queen are Dianne Hochstein, senior; Sharon Gerber, junior; Karen Birkenfeld, sophomore, and Rhonda

Hoelting, freshman. Today is official Blue and Gold Day for the Nazareth students.

The Student Council will serve a taco supper from 6:30 p.m. until the pep rally begins, then will resume after the pep rally to continue until 10 p.m.

There will be a charge of \$2.50 for the meal which will include two tacos, nachos, beans, fried pie and tea or coffee.

Dress-up day is Friday and the students will come to school dressed in their best attire.

Mean Maroon Week set as Hart opens district

Hart High School will play its first district game next Friday night against Farwell, concluding HHS Homecoming Week activities.

Mayor Frank Barnes has proclaimed the week of Oct. 15-19 as Mean Maroon Week in honor of the Hart athletic program.

The proclamation is to urge all citizens to back the Hart Longhorns as they begin district play.

Students will decorate the school halls from 2-5 p.m. Sunday and will complete the decorating job from 5:30-11 p.m. Monday.

Rope 'Em Day for Hart High School students will be held Tuesday. The student council will sell suckers to the students Wednesday, which is dubbed Lick 'Em Day.

The Bonfire King will be crowned during the bonfire activities Wednesday.

Candidates for Bonfire King are Lorenzo Valenzuela, Daniel Higgins and Keith Newsom.

Maroon and White Day will be Thursday, when students will come to school dressed in the school colors.

The Pep Squad King will be crowned Friday morning during a reception given by the Pep Squad for the high school

students. Candidates for Pep King are Isaias Ponce, Keith Newsom, Jesse Gonzales and Danny Rodriguez.

Dress Up Day will also be on Friday and students will wear their dressiest clothes.

A giant pep rally will be held at the high school gym from 2:45 to 3:45 Friday.

Seniors at Hart High School will be selling mums until Tuesday.

The Homecoming Queen will be crowned during half-time activities Friday. Candidates for the title are Emma Costillo, Lori Barnes, Erma Godino and Janet Black.

Hart cheerleaders are encouraging Hart businesses to participate in homecoming activities this year by decorating their windows in the homecoming there.

The cheerleaders will judge the windows Thursday and the winner will be revealed at the pep rally Friday.

The Homecoming Queen will be crowned during the pre-game activities beginning at 7:15 p.m. Friday. Candidates for this year's Homecoming queen are Doretta Ramaekers, senior; Joyce Schacher, junior; Roxane Birkenfeld, sophomore, and Dena Hoelting, freshman. They will be escorted by the football captains.

At halftime the Student Council will present a friendship plaque to Valley High School.

The Homecoming meal will start at 12 noon Sunday with open house beginning at 1 p.m.

Spirit links were sold by the Student Council on Monday to kick off homecoming week activities.

Colors of the chains for the classes are blue for seniors, gold for juniors, white for sophomores and brown for freshmen.

YOU HAVE COME A LONG WAY, DADDY.

Lions donate for machine

Donation of \$100 toward a machine for the Hi-Plains Eye Bank, to use in testing for glaucoma, has been voted by the Dimmitt Noon Lions Club. Lions Clubs in this district are buying the machine for use in all cities within the HPEB service area.

Club members voted an additional \$817 in donations to the Lions International Foundation, Girlstown USA, Water Inc., Texas Crippled Children's Camp, Hi-Plains Eye Bank, Lions Care Program and Girlstown Christmas Project.

Ninety percent of the money raised in Dimmitt by the UW stays in this county, Moore said in response to questions asked by many residents.

The other 10 percent goes to administrative offices of the Girl Scout and Boy Scout programs and returns in their services to this county, and to the Salvation Army which is ready for emergency services which would be given immediately in case of a disaster such as a tornado, and also services to some needy individuals who are not eligible for care given through regular channels here.

Police calls

An Oklahoma man was booked into Castro County jail last Wednesday for theft of under \$5.

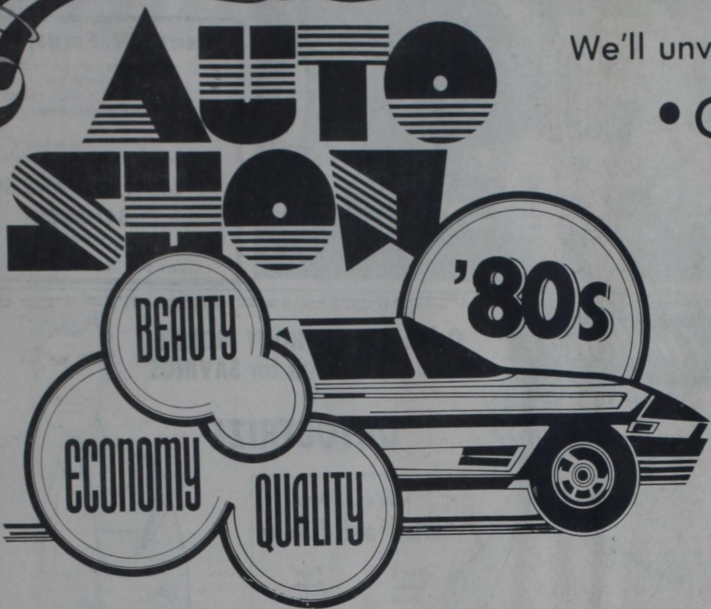

The man had reportedly taken tools from the back of a pickup and then attempted to sell tools at George's Exxon Station and took a cigarette case containing a small amount of money which belonged to an employee of the station.

The tools were confiscated, identified by the owner and returned.

The Star Dance Club kept police busy this week with three knife fights and an assault charge.

Police were also swarmed with DWI's during the week.

A bicycle valued at \$90 was taken from the Country Arms Apartments Monday. The bicycle was a 10-speed Western Auto brand.

Muscles need attention

By TERESA L. CRISWELL

When we exercise or do any physical activity, we use the muscles of our body. This movement is possible only because we have muscles. There are several good reasons why each of us needs to get the right kind of regular physical activity.

You may have seen what happens when a cast is removed from an arm or leg that has been broken. Lack of exercise makes the limb smaller and weaker than the other one. After being used again for a few weeks, the arm or leg becomes larger and stronger.

When muscles are used, they grow firm and strong. Muscles that are not used properly become flabby and weak. This can happen to all

the muscles including the heart muscle.

Physical and healthy activities keep muscles in good condition. And it also helps keep weight down, especially when fewer calories are eaten, helps bowels work better, helps you feel and look more alert, helps you have the energy to do more things, makes housework and other activities less tiring.

An important benefit of physical exercise is that it helps the heart and lungs work better. The heart pumps more blood with less effort when the heart muscle is in good condition.

After heavy exercise, such as jogging or pushups, the well-conditioned heart recovers quickly. Lungs expand more fully and take in more oxygen if a person gets enough exercise.

Easy physical exercise, such as brisk walking, gardening and bicycling, is safe for most people. Of course, people with special health problems, heart disease or back disorders should ask their doctor about the kind and amount of exercise best for them.

As a rule, middle-aged and older people should not engage in strenuous exercise if they are not used to it. Walking and other activities are encouraged.

Those who have not been active should start with easy physical activity and increase it a little at a time. Make physical activity a part of your daily schedule. You will look and feel better for it.

ALTHOUGH there are fewer cattle on feed than a year ago, the decrease probably won't be large enough to strengthen prices. There will be a lot of potential feeder cattle available during the rest of the year due to these reduced placements, only a one percent reduction in the 1979 calf crop, and a sharp reduction in calf slaughter.

WINNING T.D.—Dimmitt's Bobcats happily cast their votes with the referee as they realize that fullback John Laurent—somewhere under the pile-up—has crossed the goal line for a touchdown against the Tulia Hornets in Friday night's Homecoming game here. The TD, which came with 6:09 remaining in the second quarter, capped a 64-yard march and put Dimmitt ahead by 6-3. That's how the score remained as the Bobcats won the fierce defensive battle.

ICA opposes Bergland bill

The Independent Cattlemen's Association of Texas is taking a strong stand against a draft bill proposed by Agriculture Secretary Bob Bergland which would expand the secretary's powers, allowing him to quarantine livestock in case of an "extraordinary emergency" due to existence of any communicable disease.

"We find this a very dangerous bill because we don't feel the agriculture secretary should be given the ultimate authority to control the interstate movement of livestock and interfere in the day-to-day business of producers," Wheeler said.

"We are just as concerned as the secretary is in preventing the spread of disease in our cattle but we already labor under too many government restrictions."

ICA believes the bill may be an additional attempt by the government to control eradication of brucellosis—a disease in the spotlight for the past year because of the controversial Uniform Methods & Rules on brucellosis.

Although the USDA has assured ICA that brucellosis is not an "extraordinary emergency" and does not fall under this proposed legislation, all it would take is for Secretary Bergland to declare brucellosis an "extraordinary emergency" and he would have the power to quarantine herds, if the bill is passed, said Wheeler.

Total 4-H participation of urban youth has tripled since 1970. 23% of 4-H members now live in suburbs of cities, or in central cities, of more than 50,000 population.

National 4-H Week

OCTOBER 7-13

THE WHITE HOUSE
WASHINGTON

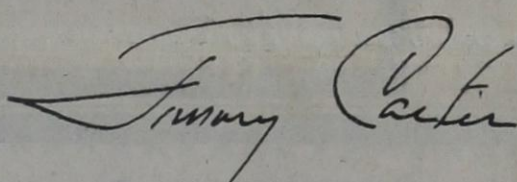

National 4-H Week, 1979

In the very near future, 4-H'ers, their volunteer leaders and the professional youth workers throughout our nation will be celebrating the observance of National 4-H Week. I wish to take this opportunity to congratulate all of those involved in this outstanding youth program on another year of growth and important accomplishments.

Your theme, "4-H - Expanding Horizons," is an especially appropriate one that focuses on the fine way in which 4-H programs are expanding horizons for millions of youth through achievement and self-fulfillment.

4-H is a program that is reaching out to all young Americans -- rural and urban -- from every cultural, economic and social background. Through learn-by-doing educational projects and activities, 4-H'ers are contributing to energy conservation, environmental improvement, community service, food production and many other areas vital to all of us and participating in valuable programs that aid youth employment and career decisions, health, nutrition and strong family relationships. As a result of its fine exchange programs with many countries around the world, 4-H is making important contributions to international understanding.

I commend you for your accomplishments and challenge you to continue to pursue your quest for knowledge and ways to help solve the many needs and problems of our day. By your involvement, you greatly enrich the lives of all Americans and build a stronger future for our country.

Awards banquet is Oct. 20

Announcement of the Castro County Gold Star 4-H girl and boy for this year will top the recognition of outstanding 4-H Club members at the annual awards banquet Oct. 20.

The banquet for 4-H Club members, their families and invited friends will be held at 7:30 p.m. in the County Expo Building.

During the Awards Banquet 4-H'ers will receive individual project pins, clubs will receive achievement certificates and adult leaders will be recognized.

Each family will bring two covered dishes or salads for the dinner.

Master of ceremonies will be Kylene Behrends, the invocation will be given by Laura Downing and David Huseman will welcome those attending.

Beth Benton will give the 4-H Motto and Pledge, then Kim Sides will introduce the special guests. Scott Simpson will present an appreciation to parents.

Two plaques will be given to people who have done special service for 4-H during the appreciation to friends of 4-H spoken by Jerri Ka Clark.

Ka Ka Bruegel will conduct the appreciation to leaders. Rodney Hunter and Edith Durbin will present certificates to leaders.

The 4-H Awards will be given by George Sides and Connie Nelson, the 4-H pins by Laurie Sides, Quint Waggoner and Bernice Thomas. Diane Hochstein will give the 4-H prayer.

Edith Durbin and Diane Hochstein will tell of their trip to Washington, D.C.

5.2 Million Youth To Observe National 4-H Week Oct. 7-13

From RFD 1 to 77th Street, more than 5.2 million young people nationwide are observing National 4-H Week Oct. 7-13.

Whatever their address, 4-H members in the United States, Puerto Rico, the Virgin Islands and Guam are taking part in special activities that focus attention on the values of 4-H, the nation's largest youth-serving program.

The National 4-H Week theme, "Expanding Horizons," challenges 4-H'ers everywhere to "seek new knowledge, acquire life skills and build on personal strengths." It calls on members to strengthen their citizenship and leadership abilities and to "assume positive roles in a free democratic society."

Boys and girls 9-19 participate in 4-H through organized clubs, special interest groups, short-term projects, camping, television series, and programs planned to meet their specific needs in the communities where they live.

Twenty-three percent of 4-H members now reside in suburbs of cities, or in central cities, of more than 50,000

population. 21 percent live on farms, 40 percent in small towns or open country, and 16 percent in towns and cities of 10,000-50,000.

4-H is the youth education program of the Cooperative Extension Service, and is conducted jointly by the U.S. Department of Agriculture, the land-grant universities, and state and local governments.

580,000 adults and teens serve as volunteer 4-H leaders at the local level.

4-H projects and activities encourage young people to learn and apply real-life skills and to become competent, productive citizens.

Around the world, 82 countries have youth education programs similar to 4-H.

You can be a 4-H'er, too!

If you are interested in joining a 4-H Club, fill out this form and mail it to the Castro County Extension Service, Courthouse, Dimmitt, 79017. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion or national origin. 4-H'ers and their leaders choose their activities from a wide variety available.

4-H'ers planning fun year

The Castro County 4-H Clubs have a fun year planned for the coming year, with so many things they want to learn.

For example, the BETHEL 4-H CLUB plans to learn about nutrition (including making banana splits), photography, electrical wiring, banking, leathercraft, and showing animals, and they have a fun night planned that will feature old family films.

The DIMMITT 4-H CLUB has planned a program on parliamentary procedure, a crafts project, a food show and tasting tea, a Christmas party, tours of the county jail and museum, a gun safety course, and a trip to Wonderland Park.

A record book workshop, Christmas puppet show, stock shows, method demonstrations and a dairy tour are among the projects that are going to keep the FLAGG 4-H CLUB members busy this year.

The HAPPY HELPERS at Easter are learning about snakes, first aid, hook rugs, embroidery, hair braiding, skin care, clothing, electricity, foods and nutrition, and plan to take tours of the hospital and the museum.

NAZARETH 4-H CLUB has conducted its annual club awards banquet, and will have a program on citizenship and leadership, with slides from 4-H'ers' Short Course and Heritage Tour to Washington. They also plan to work on method demonstrations and enjoy a skating party.

In all their work, Castro County's 4-H'ers keep in mind their motto, "To Make the Best Better," and their pledge:

"I pledge my Head to clearer thinking, my Heart to greater loyalty, my Hands to larger service, and my Health to better living, for my club, my community, my country, and my world."

STATE 4-H RESERVE CHAMPION—A pretty girl and a pretty mare can make an unbeatable combination. That's how it was this year for Carol Bagwell of the Castro County 4-H Horse Club and her registered mare, Miss Bagwell won first place in showmanship at the District 2 Horse Show in Lubbock, and was

the third high-scoring individual in overall competition. Her mare won the Grand Championship at district and the Reserve Championship at the State 4-H Horse Show. Miss Bagwell was one of three 4-H'ers from Castro County to qualify for state competition; the other two were Jerri Ka Clark and Kelley Hill.

Be a 4-H adult leader

Put a child in your life

If you're an adult who likes to work with youngsters, then 4-H and you can fill some of the many needs of youth today.

The needs vary, as do the youth. But one thing remains constant—the need for adult direction!

Or if you have children, maybe you would like to get them involved in one of the county's six clubs, or help get a 4-H club started in your neighborhood or area. Just contact the County Extension Office in the courthouse.

What is 4-H?

It's an organization for all youth, ages 9-19. It dedicates itself to the development of youth, encouraging them to recognize their strengths and weaknesses, and to build a better life, community and world.

Castro County's six clubs meet monthly for club business, recreation and community service activities. In addition, an individual 4-H member may choose one or more subjects to receive training in at special project meetings.

County 4-H members can get involved in such things as:

- 50 different projects
- Music and drama activities
- Team and individual sports
- Public speaking
- Camping (winter and summer)
- Safety and health activities
- District, state and national trips
- 4-H Roundup
- 4-H enables a child to discover himself and, with adult guidance, to develop life skills important for a fulfilling lifetime. It provides him with a wholesome social outlet and teaches him new responsibilities. In full, new dimensions are added to many lives.
- New dimensions can be added to your life, too, through active involvement in 4-H. Consider some of these possibilities:
 - Be a friend
 - Career counsel a youth
 - Evaluate club events
 - Be a parent helper

-Assist in fund raising
-Be a "4-H parent" to members whose parents aren't functioning

-Be a resource person
-Chaperone an event
-Provide refreshments
-Coordinate club activities
-Coordinate projects
-Teach for one meeting
-Be on a calling committee
-Assist in transportation

Or you may prefer more involved commitments, such as being a general leader of a 4-H club, or being a project or

activity leader.

Regardless of your choice, you are contributing to a growing child, and to tomorrow's world.

Numerous resources are available to assist you:

- Project literature free to members and leaders
- Training meetings in content areas and in how to work with youth
- Professional advice, guidance and assistance from county Extension agents
- The advice and resources

of Texas A&M University-Extension Service specialists in various content areas

-Community resources.
So share yourself, and put a child in your life. If you're concerned over the directions the youth of today are taking, 4-H offers you the opportunity to do something positive about it.

4-H circles the globe. 82 countries enroll about 5 million youth in educational programs similar to 4-H.

Happy Helpers of Easter involved

The Happy Helpers 4-H Club of Easter has been involved in many activities during the past year. Most of these projects have been of the self-determined type—each doing his own thing.

Some of our projects have been Home Care and Improvements (cleaning, rearranging or changing the decor of a room), Fruit and Vegetable Preservation, Nutrition (preparation of dishes and meals for the family), Baby Care (baby sitting), Feeding and Care of Swine (for market), Livestock (raising lambs for show), Family Fun (Palo Duro Canyon and "TEXAS" outing), Citizenship (distributing Christmas plates to the elderly in the community), Leadership (in which junior leaders in the club have the chance to help the younger club members), and Method Demonstration (#

show-and-tell type program, which provides a wonderful way to learn specific subjects).

4-H is a golden opportunity for any of the youth of our county who are 9 years of age or older. It is a place where we can learn by doing. We have fun, but we also have to work. This gives us the opportunity to share with others what we have learned.

There are camps that one can attend for free or at a minimal cost, and trips that you can take that enable you to make friends and to grow in knowledge.

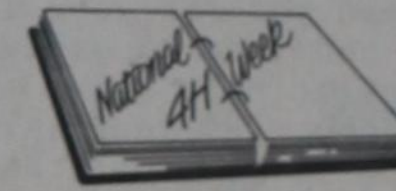

We meet the first Monday of each month at 5 p.m. in the Easter Community Building, and invite you to be our guest.

Come and see what it is like!

We're proud of our 4-H'ers, and of the parents and adult leaders who work with them to make 4-H one of the finest programs in the country for young people.

DISTRICT CHAMPIONSHIP TEAM—Castro County 4-H Horse Club members captured the High Point County award in the District 2 Horse Show at Lubbock this year, and individual members also placed high in a number of show and riding events. Team members are [front row, from left] Jill Brown, Connie Dennis, Jerri Ka Clark, Janet Sammann and Jill Smith;

[middle row, from left] Steven Bagley, Kelly Hill, Carol Bagwell, Debbie Dennis, Greg Odom and John Smith; [back row, from left] Matt Howell, Kyle Bagwell, County Agent Charles Hottel, Club Sponsor Jerry Cluck, Kelly Nelson and Assistant County Agent James McNey.

Workshop offered for 4-H leaders

"One of the strengths of 4-H Clubs is their ability to demonstrate practical learning, and shared leadership. The Texas 4-H Center invites 4-H Club adult leaders and youth officers to a special weekend workshop which will help explore and develop this strength," Neal Tindol, assistant county Extension agent, says.

Club leaders and officers from all parts of Texas will gather at the center near Brownwood on Saturday and Sunday, Oct. 27 and 28, for workshop sessions.

Topics to be covered include: "The Winning Recipe: Ingredients for Successful Leadership" by Jean Anderson, Parker County Extension agent; "Getting Our Act Together" by Texas 4-H Council officers and Dan James, area 4-H and youth specialist; "A Smorgasbord of 4-H Club Ideas" by 4-H adult leaders, youth officers, and Extension staff, and other helpful subjects.

Those interested in this October weekend 4-H training may contact the Castro County Extension office located in the courthouse or call 647-4115.

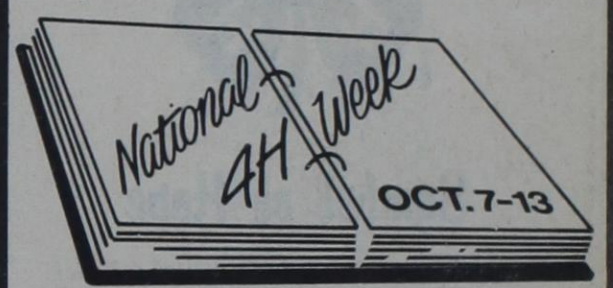

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion or national origin.

The National 4-H Center in suburban Washington, D.C., provides housing and educational facilities for young people and adults from across the nation and around the world. Last year, the center served more than 35,000 persons.

Through the years, our Castro County 4-H'ers have won top awards at the district, state and national levels. In doing so, they have expanded their horizons toward greater accomplishments in the future.

We are proud to help our 4-H clubs and leaders throughout the year, and we salute you on your special week.

4-H Horse Club builds reputation for winning

The Castro County 4-H Horse Club is in its seventh year of organization with 26 active members. The purpose of the club is to encourage young horsemen, offering them an opportunity to compete in a structured program.

Meetings are held weekly from March through July, with instruction on grooming, judging, showmanship and riding.

The club participates in the Llano Estacado 4-H Horse Show Association with Deaf Smith, Lamb and Oldham Counties. Each county hosts one show a year, with trophies given through fifth place and ribbons through 10th. Points are accumulated

for year-end awards which include saddles for high point junior and senior individuals.

There are three age groups—PeeWees under 9, Juniors 9-13, and Seniors 14-18. The events offered include halter, showmanship, western pleasure, western horsemanship, reining, pole bending, barrel and flag races. Both registered and grade horses are eligible to show.

Officers for the club are Kelly Nelson, president; Norris Cole, vice-president; Debbie Dennis, secretary; and Carol Bagwell, reporter. The adult leaders are the Edgar Dennises and the Milton Bagwells. Jerry Cluck and Matt Howell provide the instruction

in riding.

This year's senior judging team had Matt Howell winning second high overall and second in performance at the District Judging Contest. Scott Bagley was third high in halter judging. Laura Downing was the other team member.

The junior team was second in the competition, with Greg Odom high point in halter and Kennon Howell second in performance. John Smith was second overall. Kim Howell was also on the team.

In July, 17 members earned the right to compete in the District Show at Lubbock. Carol Bagwell finished first in showmanship and had the

Grand Champion Mare. The club was the high-point county winner and Carol Bagwell was third high individual. Debbie Dennis was elected the most congenial contestant. Carol, Jerri Ka Clark and Kelley Hill progressed to the State Show in Odessa, where Carol had the Reserve Champion Mare.

Debbie Dennis was the club's nominee for Rodeo Queen. Other members competing under other sponsors were Jill Brown, Laura Downing, Carol Bagwell and Connie Dennis.

The club is proud of its growing PeeWee membership, which assures continued growth and success.

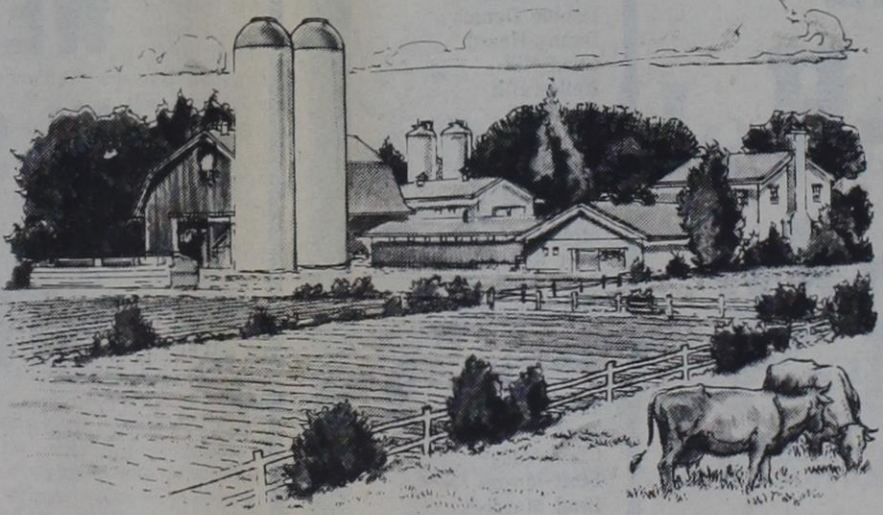

CONGENIALITY WINNER—Castro County 4-H Horse Club members are not only good at horsemanship and showmanship—they're downright likeable, too. Debbie Dennis was named the "Most Congenial" among all contestants in the 1979 District 2 Horse Show at Lubbock this year, and was awarded this big trophy.

CHEERS TO OUR 4-H'ers

As we extend congratulations to 4-H Club members, we look to the future... for the 4-H'ers of today are the leaders of tomorrow. Since today they do so much toward building a better community and country, we can be sure that tomorrow, our future is in good hands. Let's "Expand 4-H"... and may 4-H activities and ideals ever flourish.

Symbol of Hope

Within the goals and programs of 4-H lies the hope for a better world. When a 4-H'er learns what he or she can accomplish through individual or joint efforts, within the framework of a free society, it's a great lesson. When an individual expands his horizons, then our nation's horizons are expanded, too. We salute our 4-H'ers and their adult leaders!

DISTRICT AND state competition are open to local 4-H girls who win in their age divisions of the annual County 4-H Dress Revue. This year's county winners were (foreground) Gay Waggoner and Cara Odom, first and second in the junior division; and (background, from left), Dianne Hochstein, first in the senior division; Edith Durbin, second in senior division; Annette Hoelting, first in the 12-13 division; and Chris Kern, second in the 12-13 division. Miss Hochstein, Miss Waggoner and Miss Hoelting all placed either first or second at the District Revue at Texas Tech in July.

4-H, the youth education program of the Cooperative Extension Service, emphasizes learn-by-doing projects and activities that build character and leadership-citizenship skills.

\$251,800 in scholarships valued at \$500 to \$1,000 each will be awarded at the 58th National 4-H Congress in Chicago Nov. 25-29.

4-H Club Work Expands Horizons

Through the valuable training you receive in 4-H, you'll be more knowledgeable in your future business, profession or hobbies . . . you'll be better able to know yourself and your capabilities . . . and you'll be better equipped to expand the horizons of America.

We at Goodpasture, Inc., are working to expand the horizons of our great agricultural area, and we know the value of sound training and high ideals such as you receive in your 4-H work.

We commend all our 4-H'ers during National 4-H Week. May you continue to expand your personal horizons through your work in 4-H!

CLOTHING—With guidance from their mothers and adult project leaders, 4-H girls learn to construct and model their own clothing. Modeling at a civic club meeting earlier this year are [from left] Charlynn Hunter, Jan Nelson, Jill Nelson, Gay Waggoner and Cara Odom.

Honors are captured by Nazareth 4-H'ers

The Nazareth 4-H Club has 54 members and meets the second Monday of each month in the American Legion Hall. Officers are Dianne Hochstein, president; Greg Huseman, vice-president; Karen Huseman, secretary; Annette Hoelting, treasurer; Randy Huseman, parliamentarian; and David Huseman and Edith Durbin, council delegates. The adult leaders are Mr. and Mrs. Dennis Huseman, Mr. and Mrs. Louis Huseman and Mr. and Mrs. William Hochstein.

David Huseman was selected Gold Star Boy at the county awards banquet last November. He is president of the Junior Leaders, served on the District 4-H Council, and also attended Texas 4-H Congress in August.

Edith Durbin and Mary Jean Huseman represented Castro County in the District 2 Food Show at Lubbock in December.

Most of the members entered the county Fat Stock Show and project show in February. In the lamb division, Mary Jeanne Hochstein had a breed champion. In the swine division, Lonnie Huseman had a breed champion and Hugh Wilhelm, Randy J. Huseman, Heath Schulte and Janet Huseman had reserve breed champions.

Several of the members also showed animals in the Hereford, Amarillo and Houston stock shows. In the project show, Dorothy Durbin won first place in the 11 and 12 year old group and Lea Ann Huseman won first place in the 13 and over group.

Some of the members were on the rifle teams that went to district. George Hochstein was on the junior team and Leon Huseman, Joe Hochstein and Greg Huseman were on the senior team. Paul Huseman was on the trap shooting team that won sixth in the state meet.

Edith Durbin and Dianne Hochstein attended the 4-H Citizenship Short Course and Heritage Tour. They saw many historical places, met and visited with their congressman and also had the opportunity to learn many things about government and citizenship.

Annette Hoelting represented Castro County in the District Fashion Revue at Lubbock in the 11 to 13 year old division and Dianne Hochstein in the senior division.

Members participated in various camps during the summer. Karen, Mary Jean and Greg Huseman and Sharon Birkenfeld attended Teen Leader Lab at South Plains College at Levelland.

The Bethel 4-H Club was established in 1959-60 with only 8-10 members. Now in 1979 it has 30 members.

Meetings are held in the old Bethel Church building, now known as the Community Building.

Leaders of the Bethel 4-H Club are Robert and Marty Benton, and George and Carolyn Sides. The officers are Kim Sides, president; Ka Ka Bruegel, vice-president; Kennen Howell, secretary-treasurer; Laurie Sides, council delegate; and Beth Benton, alternate council delegate, who is also the recreational leader; and Janet Sammann, reporter.

New members to the Bethel 4-H Club are Britt Boozer, Debbie Brannaman, Jan Bruegel, Tammy Leatherwood, Corbin Connell, Donna Sue Hart and Coby Moke.

The club has had several interesting programs the past year which include the study of parliamentary procedure conducted by Gary Moore. The club now conducts its meetings in that manner.

There were also programs on honey bees and wildlife given by Goose Ramey and a study on entomology given by Ronnie Gfeller. The club enjoyed these programs and learned how to make original banana splits.

The main project for the upcoming year will be photography.

The Bethel 4-H Club is a thriving and growing club. Its goals are to teach leadership and responsibility as well as those goals set out in the 4-H pledge.

— Janet Sammann

During National 4-H Week, Oct. 7-13, more than 5.2 million 4-H members will rededicate their heads to clearer thinking, their hearts to greater loyalty, their hands to larger service and their health to better living.

Young folks who appreciate the gifts the good earth offers, who use those gifts to make things better for themselves . . . their families . . . their neighborhoods . . . and the nation. It's time to congratulate them: the country kids with their livestock and produce . . . the city kids planting parks, cleaning rivers—all of them learning and using the skills that make life a richer experience and the world a better place. We'd like you to know, 4-H'ers, that we appreciate your work and applaud your success. We're standing behind you proudly as you proceed with your projects. Thanks for creative concern.

SCHOLARSHIPS are available to the outstanding 4-H'ers in the county. Here, Leanne Crozier of the Dimmitt 4-H Club and Paul Huseman of the Nazareth 4-H Club accept County Extension Homemakers Council Scholarships of \$300 each from Council President Oneida Hutto during the council's annual Spring

Luncheon in May. Because of their leadership and scholastic capabilities, top 4-H'ers also are in line for other scholarships from various sources. Several of the county's former 4-H'ers are now attending college on major scholarships awarded by universities, trust funds and private foundations.

PROJECT ANIMALS—4-H members have the opportunity to raise project animals and poultry both for show and for market. Here, Robbie Hottel of the Dimmitt 4-H Club ex-

METHOD DEMONSTRATION is a unique 4-H program that enables a youngster to learn how to research a subject, collect visual symbols and samples, organize an audio-visual program, and present it before an audience. This is the safety demonstration team of Cathy Clements (left) and Sherry Lynn Backus, district champions in their age group at the District 4-H Roundup at Canyon.

Dimmitt 4-H members win show calves

The Dimmitt 4-H Club has been busy during the past year with meetings on parliamentary procedure, care and feeding of livestock, method demonstration programs, and a club livestock show.

Also, the club conducts a Spook House at the annual Halloween Carnival.

Officers of the Dimmitt 4-H Club are Shan Smithson, president; Greg Odom, vice-president; Rodney Hunter, secretary-treasurer; Robbie Hottel, reporter; and Leann Crozier, 4-H Council delegate.

Shan Smithson won a calf at the Houston Livestock Show calf scramble this year, and did very well with her. Rodney Hunter and Scott Simpson will show their heifers that they won this year at the calf scramble in Houston.

Projects for the coming year at the Flagg 4-H Club will include a Club Awards Banquet, a food show tasting tea and a club stock show.

The club will also work on method demonstrations with an emphasis on record books.

All members will be active in the County Food Show, the County Stock Show and the County Dress Review.

Officers for the Flagg 4-H Club are President Quint Waggoner, vice-president Scott Nelson, secretary-treasurer Holly Waggoner and reporter Gay Waggoner. The council delegates are Jerri Ka Clark and Gabriel Montiel.

Leaders are Stanley and Connie Nelson, Winston and Judy Waggoner and David and Debbie Harris. The Harises are new leaders for the Flagg 4-H Club.

Mrs. Harris was active in 4-H in Houston. Mr. Harris runs a hog operation in Sunnyside for Charles Axtell.

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up *America*. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

EXPANDING  HORIZONS

ANYTIME THERE'S A PARADE, you can bet the 4-H'ers will have a float. This one was the first-place winner in the Youth Division of the Castro County Fair Parade in September, and featured the Castro County Sub-Junior 4-H Trap Team that

captured the state championship in San Antonio this year. Members of the championship team are Mark Standlee, Todd West, Billy Patton, Robby Hottel, Mike Stanford and Dirk

Wright. They were coached by Ed Standlee and Lynn West. Castro County's senior team placed seventh in the state competition.

4-H - Expanding Horizons

National 4-H Week is the focal point of the annual 4-H calendar—an appropriate time to recognize volunteer leaders, parents, extension professionals, and local groups and businesses for their contributions throughout the year to the development of youth and to the betterment of the community.

4-H is unique in several ways. The largest youth-serving program in the United States, it involves more than 5.2 million young people in projects and activities that are relevant to everyday living. It operates via a special partnership of the public, private and voluntary sectors. And it serves a broad clientele—boys and girls 9-19 in all geographic areas.

The National 4-H Week theme, "Expanding Horizons," calls on 4-H members everywhere to become productive, self-directed and contributing members of society. In our rapidly changing world, it is increasingly important that young people learn life skills, prepare for meaningful careers, and assume citizenship and leadership responsibilities.

JOIN 4-H

The 4-H Club has done a great job in preparing our young people for the future. The boys and girls, young men and women between the ages of 9 and 19, are taught to respect their environment, work to better their community and become self-reliant and responsible individuals. By taking an active role in the 4-H experience, they're

having fun as they do important work across the nation . . . from anti-pollution projects in the cities . . . to livestock and agricultural projects on the farms. They're working for tomorrow . . . let's proudly salute them today! Keep up the GREAT work, 4-H'ers!

4-H member assists in conducting a vision-screening test. The national 4-H health program received additional support from the private sector last year when Kraft, Inc. joined Eli Lilly and Company in sponsoring incentives and recognition for 4-H'ers and 4-H groups.

Individual projects are the core of 4-H work. In 1978 4-H members enrolled in an average of 2.2 learn-by-doing projects.

4-H members range in age from 9-19. 56% are pre-teens (9-11), 30% early-teens (12-14) and 14% mid and upper teens (15-19).

STATE QUALIFIERS—The quality of Castro County's 4-H program results in many state qualifiers in various fields of competition. Here, County Extension Agent Teresa Criswell congratulates two district champions in record-book competition—Laurie Sides (center) in Public Speaking, and Kim Sides in Family Life. Wendy Bruegel also qualified for the state roundup with her record book on Health. All three of the state qualifiers are members of the Bethel 4-H Club and the 4-H Junior Leaders.

LEADERSHIP DEVELOPMENT is one of the main benefits of the 4-H program. These Castro County youngsters attended a special District 2 Teen Leadership Lab in Levelland in June. In front row, from left, are Sharon Birkenfeld, Annette Hoelting and Leanne

Huseman of the Nazareth 4-H Club. In back row are Greg Huseman and Karen Huseman of the Nazareth 4-H Club, Robby Hottel of the Dimmitt 4-H Club and Assistant County Extension Agent Jim McNeely.

4-H youth programs are conducted in 3,150 counties of the United States, District of Columbia, Puerto Rico, the Virgin Islands and Guam.

The number of 4-H volunteer leaders adults, juniors and teens has tripled in the past 20 years to 579,624.

The National 4-H Week theme, "Expanding Horizons," challenges 4-H members to develop their fullest potential for the betterment of club, community, nation and world.

The most popular 4-H projects are individual and family resources, animals and poultry, leisure education and cultural arts, and energy, machines and equipment.

The 4-H emblem is a green four-leaf clover with a white "H" on each leaf. The four H's stand for Head, Heart, Hands and Health.

Each of the more than half million volunteer 4-H leaders contributes an estimated 20 8-hour days annually to 4-H leadership responsibilities.

Comment on USDA cotton rules asked

The Secretary of Agriculture proposes to make the following determination with respect to the 1980 crop of upland cotton:

- Established (target) prices.
- National program acreage.
- Program allocation factor.
- Voluntary reduction percentage.
- Whether there should be a set-aside requirement and, if so, the extent of such requirement.
- If a set-aside is required, whether there should be a limitation on planted acreage and, if so, the extent of such limitation.
- Whether there should be a provision for additional diversion and, if so, the extent of such diversion and the payment therefor.

The above determinations are required to be made by the secretary in accordance with provisions of the Agricultural Act of 1949, as amended by the Food and Agriculture Act of 1977 and the Act of May 15, 1978.

This notice invites written comments on these proposed determinations. Comments must be received on or before Nov. 19, 1979. Address to: Jeffress A. Wells, Director, Production Adjustment Division, ASCS, US Dept. of Agriculture, Room 3630, South Building, P.O. Box 2415, Washington, D.C. 20013.

View from the Library

By BRICK AUTRY
Librarian

From time to time this part of the paper highlights regular library occurrences. Some of them are quite mundane. Visits from salesmen are mundane events in the library.

You can always tell when a salesman has arrived when a large, expensive auto pulls up outside and an impeccably dressed man emerges and starts to lug out boxes and brief cases. This is a standard ritual of the salesman. Next he will come in, flash a big Gleem smile and burp. "Too much coffee," he'll say, "you know these crummy cafes, ..."

Following that, he reaches out, takes your hand and in a fit of exuberant goodwill, squeezes it until your fingertips turn black.

"Come help me with this stuff," he'll say. You probably will whether you want to or not because he might try to shake hands with you again. You go out and lug in the 50 pounds of boxes that he has brought just for you to look at.

Once inside the door he puts all the stuff down on the

floor and says, "Well, they're expecting me at the school now. I'll be back to help pack up. Enjoy looking at all the specials. Good morning." And he disappears.

One thing about salesmen — at least they don't over-stay their welcome.

There are some other very interesting arcane rites which salesmen practice which, perhaps, will be explained here later. However, at this time the new staff needs to be introduced.

The new Manpower staff members are Sandra Heck and David Chavira Jr. David loves to work at the library. Now he can throw his friends out when they get too rowdy. I suggested that he might like to be a bouncer in a bar, but around here there were no employment opportunities. So David has to settle for the library.

As for Sandra, since this is her first day, it's too early to tell what her motives are for applying here. Certainly she's no bouncer.

Fire Prevention Week is observed Oct. 8-14

Oct. 8-14 is National Fire Prevention Week, but this observance shouldn't be necessary, according to Fire Chief Dagwood Wood of the Dimmitt Volunteer Fire Department. Common sense dictates that fire prevention should be a year-round custom.

Unfortunately, common sense about fire hazards appears none too common, so one week is set aside each year as a reminder. Fire Prevention Week originated because of a fire that shouldn't have happened. On Oct. 9, 1871, carelessness sparked a fire in a modest west home. It didn't seem threatening or uncontrollable, but by the next day, more than 2,100 acres of Chicago were burned, claiming more than 200 lives and direct losses in excess of \$168 million.

On the same day, the worst forest fire in US history broke in Peshtigo, Wis., claiming 1,152 lives and burning more than 1.28 million acres.

As a reminder, Fire Prevention Week is observed annually on the anniversary of the Chicago and Peshtigo tragedies. In 1922 it became a national observance by presidential proclamation. The proclamation stated: "Fires are not deplorable accidents, but the consequences of neglect and carelessness."

Texans have a big stake in the observance of Fire Prevention Week. Last year, volunteer fire departments throughout the state reported
