

NATIONAL JUNIOR CHAMPIONS—Members of the Castro County 4-H Junior Trap Team proudly show the engraved pewter wallplates they received after winning the team championship for boys 12-15 in the Grand American competi-

tion at Vandalia, Ohio, last week. From left are Todd West, Mark Standlee, Mike Stanford, Tim Kenworthy and Robby Hottel.

NATIONAL RUNNERS-UP in team competition for high-school-age boys at the Grand American trap-shooting classic last week were these five youths who make up the Castro

County Senior 4-H Trap Team. From left are Robert Boozer, Doug Schilling, Kent Kirby, Adrian Stanton and Todd Hatla. They lost only to an "all state team" from Ohio.

Young gunners 'up in air' after winning US titles

They went, they saw, they conquered. The 10 youths who make up the Castro County Junior and Senior 4-H Trap Teams packed their shotguns, boarded a jet plane and went to Vandalia, Ohio, to the Grand American, the national trap-shooting finals.

They saw an impressive sight at Vandalia: a full mile of trap-houses lined out on pampered greens amid the lush, rolling hills of Ohio. They saw special displays of custom shotguns such as they had never seen. They saw 2,000 other gunners there for the competition.

Then they conquered. When it came their time to shoot last Wednesday, the country boys from Texas — the first ever to represent the state in national junior competition — did their thing. They kept their cool, and broke more clay pigeons than nearly anybody.

The Junior 4-H Team of Todd West, Mark Standlee, Mike Stanford, Robby Hottel and Tim Kenworthy drew beads on 500 clay pigeons — 100 apiece — and broke 432 of them for the national championship in the junior-high age division. Kenworthy led the team with 97x100, while Standlee fired

96x100. Stanford and West broke 81 each while Hottel broke 76.

Three of the boys fired an extra 100 shots for individual competition, and Kenworthy finished with a 192x200 to place third in the nation. Standlee finished with 189x200 and West with 168x200 — out of the placings at the Grand American, but still plenty good in anybody's league.

The Senior 4-H Team of Robert Boozer, Doug Schilling, Kent Kirby, Adrian Stanton and Todd Hatla competed against 11 other teams from the US and Canada in Division II

(high-school age), and beat everybody except a selected "all-state team" from Ohio to finish as national runners-up.

The five boys on the senior team fired at 200 targets each — a total of 1,000 shots. When the smoke cleared, they had hit 923 of 1,000. Stanton led the team on the first 100 birds with 98x100 — including a string of 75 straight hits — and finished with 195x200, good for third place nationally in individual scoring.

The boys were accompanied by Lynn West, one of their

'I'll be vindicated'--Clayton

"We're confident we'll be vindicated because we know we did no wrong," House Speaker Bill Clayton told an applauding audience here Tuesday night.

Clayton was the guest of honor at an old-fashioned ice cream supper in the Expo Building less than eight hours after his pre-trial hearing ended in Houston Tuesday.

He and two Austin lawyers are to face trial Sept. 8 on charges of extortion, fraud and conspiracy in connection with the Texas "Brilab" case.

Tuesday night's ice cream supper was held as a show of support for Clayton. Almost 200 attended from Castro and surrounding counties.

DRY RUN—County and Soil Conservation Service officials park on the emergency spillway of the Lower Running Water Draw Watershed Reservoir east of Sunnyside during an inspection tour of the project Tuesday morning. In background is the earth-and-concrete dam with the floodgate structure in the center. Light-colored slope in right background is the south

bank of the reservoir. The reservoir, now virtually dry, would hold a lake of 569 surface acres before water would start running over the emergency spillway. The Soil Conservation Service expects to turn the flood-control reservoir over to the county within two months.

Dam 'can halt 100-year flood'

The almost-completed reservoir on the Running Water Draw east of Sunnyside will save \$3 in damages for every \$1 it is costing to build, and it will be able to hold back a "100-year flood."

But under normal rainfall conditions, it may not be much of a lake.

That's what Soil Conservation Service officials and builders told county commissioners when they inspected the dam, floodgate and reservoir Tuesday.

SCS officials said they expected to "turn over" the completed reservoir to the county within two months.

However, the county apparently won't be responsible for the dam's upkeep and silt control until the SCS has vegetation growing on at least 70% of the reservoir's slopes to hold back erosion. And it could take two or three years to get a stand of native grasses growing on the now-bare slopes, SCS officials said.

Otherwise, the \$1.5 million project is almost complete. It will be finished "within a month," builder Byron DePauw of Earth Movers, Inc., said. It's the fulfillment of an idea that started on SCS drawing boards more than a decade ago.

The Sunnyside reservoir is one of seven that are being built along the Upper and Lower Running Water Draw to protect cropland, rangeland and cities along the watershed. Others have been

completed at Clovis, Bovina, Lazbuddie, Plainview and Northeast Hale County, and the final one is to be built near Edmonson.

The watershed system is designed "to hold back the 100-year flood," SCS Construction Engineer Charles Milton explained to county commissioners Tuesday.

"Our original survey of the system's total cost projected more than \$3 of benefit for each \$1 of cost, based on the flood-damage potential of the draw," Area Administrator Brent Conlin of Amarillo said. "One of the main benefits of this dam is to protect Plainview."

As officials toured the project Tuesday, there were only several random ponds standing among the tons of earth that had been shifted to carve out the reservoir.

"When you want to know anything about anybody, ask his neighbor," Ray Joe Riley said in introducing Clayton. "We know... that when we need help we can turn to our neighbors, Bill, and we want to help you."

Clayton said he has "really seen a new side of life" since he was indicted on a federal charge of accepting \$5,000 cash from Houston labor leader L. G. Moore and FBI informant Joseph Hauser, posing as a representative of the Prudential Insurance Co.

Federal prosecutors contend that Clayton didn't report the \$5,000 as a campaign contribution. Clayton has confirmed this, but contends that he had ordered the money locked up and intended to return it.

And Clayton's attorneys say he was "set up" by an elaborate scheme in which the FBI used a convicted criminal (Hauser) to "create a crime."

One of Clayton's defense attorneys, Roy Minton, recapped the case Tuesday night and told the local audience, "You would not believe how much money our (federal) government spent to devise a scheme to approach Bill Clayton. They spent more than a month drawing up a plan and a letter that said they could save the state of Texas a million dollars (on state employees' health insurance). Their entire approach was made on the basis of benefiting the people of Texas."

Minton said that after labor union official L. G. Moore "pushed" a \$5,000 "campaign contribution" on Clayton in a second meeting Nov. 8, "Bill, being a gentleman, didn't make an issue of it. He took it and later handed it to Rusty Kelly (his administrative assistant) and said, 'Don't list that as a campaign contribution. Lock it up. I'm

DS refinery plans still being inked

Before the Diamond Shamrock Corp. builds a multi-million-dollar ethyl alcohol plant in Dimmitt, there are still a lot of sticky problems to be settled — including its contract with the Amstar Corp.

"We are still some distance from a definitive agreement with Amstar," a spokesman from Diamond Shamrock has told the News.

Don Leib, general manager of fuel alcohol business for Diamond Shamrock, didn't go into detail as to the nature of the problems, but said, "It could still take a few more months to sign an agree-

ment."

The two companies announced an agreement in principle two weeks ago calling for Diamond Shamrock to build, own and operate an ethyl alcohol plant in Dimmitt adjacent to Amstar's corn wet-milling plant. Amstar is to supply the Diamond Shamrock plant with dextrose feedstocks for fermentation and distillation into alcohol.

As to the number of people the new DS plant will employ, Leib said, "There will be approximately 30 to 40, but it could be more or less." He said it was difficult to be specific since actual plans for

Final countdown starts for Harvest Days events

The final countdown is on for the 1980 Harvest Days celebration.

Festivities will start next Tuesday with the carnival, "Pride of Texas Shows," which will be located on the vacant lot behind the Pizza Hut, just off South Broadway.

Also on Tuesday, the Harvest Day Queen will be selected following a tea at Rhoads Memorial Library.

The 32nd Annual Dimmitt Open Rodeo will begin next Thursday. The rodeo has traditionally attracted top amateur rodeo cowboys and cowgirls from several states. Held nightly beginning at 8:30, the rodeo will feature bareback riding, saddle bronc riding, team roping, bull riding, calf roping, slack team roping and girls' barrel racing.

County Fair entries will be accepted in each division from 3 to 6 p.m. next Thursday. Entries will be displayed Friday and Saturday in the Expo Building, from 9 a.m. to 6 p.m.

A full slate of events is scheduled on Saturday. Beginning at 9:30, a pet show

is planned on the courthouse lawn. Dr. W. J. Hill will be judging, and ribbons will be awarded in many categories. All county residents are urged to bring their pets.

A parade through downtown Dimmitt will start from the Expo Building at 11 a.m.

This year's parade promises to be colorful, entertaining, and just plain fun. Floats are entered in several categories, including commercial businesses, civic clubs, organizations and youth clubs.

"The Dimmitt Bobcat Band will perform, as well as the Nazareth and probably the Hart bands," said Charles Richard, parade chairman. The parade also will feature

Rodeo books open Saturday

Sign-up time for the 1980 Dimmitt Rodeo is Saturday and Sunday.

Books will remain open from 9 a.m. to 7 p.m. Saturday, and on Sunday from 9 a.m. to 4 p.m. at the Dimmitt Rodeo Arena (647-3215). All contestants must sign up on these days.

Entry fee is \$35 per person per event.

This year's rodeo will run all three nights of the Harvest Days celebration Sept. 4-6, with James Martin's MMM Rodeos producing it again this year.

Events include calf roping, team roping, saddle bronc riding and bare bronc riding.

Reunion schedule announced

Plans have been completed for the 1980 Old Settlers' Reunion, to be held Sept. 6 as part of the Harvest Days celebration.

Old timers and former residents will gather at the Senior Citizens Center in Dimmitt to renew friendships. More than 100 invitations have been sent out, and the turnout is expected to be good, planners said.

Those in charge of the reunion emphasized that it is for all interested people of all ages; you don't have to be a pioneer to attend.

Here's the program for the reunion:

9:30-11:30 a.m. — Registration and visiting at the Senior Citizens Center.

11 a.m. — Parade.

11:30 a.m. — Luncheon. The Senior Citizens, Inc., will serve homemade stew, coffee, tea and milk at a charge of \$3 per person; those attending are asked to bring a covered side dish or dessert.

1:30 p.m. — Program and business meeting. Invocation will be by Jerome Brockman, welcome by Mayor Elmer Youts, Old Settlers' response by Helen Richardson, special music by Zella Ellison, and address by Joe Cowen. Business meeting will be conducted by Raymond Annen, president of the Old Settlers Association.

W. T. Sanders dies in five-vehicle crash

W. T. Sanders, 64, long-time Hart insurance agent and civic worker, was killed instantly last Thursday morning when his car collided with a loaded cattle truck on Highway 194 in Hart.

City Marshal Vernon Ellis said the fatal mishap occurred when Sanders, traveling east, attempted to turn left at the Green Frog Cafe, apparently not noticing that the cattle truck was trying to pass him.

The truck, a 1973 International driven by Billy Don Crawford of Plainview, hit Sanders' 1977 Chevrolet Malibu from the rear and sent it crashing into three parked vehicles in front of the cafe.

Sanders was killed instantly when he was thrown from his car, Ellis reported.

Meanwhile, the truck over-

turned, killing two cattle and scattering others along the highway. But Crawford escaped serious injury, and was later treated and released at Central Plains General Hospital in Plainview.

Stunned cattle and leaking diesel fuel from the truck created a dangerous situation on the highway after the fatal collision. Ellis commended county sheriff's officers, state troopers, employees of Hill Farms, Inc., and members of the Hart Volunteer Fire Dept. for directing traffic, securing the area and clearing the highway in the wreck's aftermath.

It was the first fatal traffic accident within the Hart city limits in years, Ellis reported.

Funeral services for Sanders were conducted Saturday afternoon in Hart.

Sheffy's Chatter

Ackers tour Germany; visit hometown of ancestors

RTLE SHEFFY Clara Kleman and her brother David and Mary Acker are home from a two-week visit in Germany. They went by jet to Kitzingen, an Army base, to visit the Ackers' daughter Elaine and her husband 1st Lt. Douglas Sanford. They all toured a few places. The most enjoyable place was Salzburg, Austria, where "The Sound of Music" was filmed. Was a beautiful place, and they only saw parts of Switzerland. They went through the Black Forest. Clara says it is not black, but thick green pines and other trees, was dark. Germany has many vineyards. The wine is very good, light, not so fermented as some. Vines everywhere, much farming, no maize, but corn, potatoes, wheat, many vegetables. Germany is a clean, beautiful place, many flowers especially geraniums. All houses have flower boxes in the windows. Oh yes, Clara says: "The Sound of Music" is a little different from the real life of people, but a man told her that Maria Von Trapp spends most of her time in Vermont, USA, but has a good home in Salzburg. They went to the early town of the Ackers and the cemetery is full of them. Mrs. Phillip Acker is now living at South Hills Manor.

Tom Kellars and Honey went to Conchas recently to fish and water ski. All together they caught about 40 fish. Ty Kellar, the son, caught a big walleye. And another weekend Ted and Dorothy Sheffy, Graham and Karen and kids went to Conchas to catch fish. Caught a few, Dorothy caught sunburn. Jim and Becky Killingsworth were in Dallas visiting a cousin from California at Becky's sister, Vicki and her husband from Houston. I was chatting with Mrs. T. N. White at TG&Y. She and husband T. N. have been here from Corpus Christi visiting a son Kenneth White and daughter and family, Mr. and Mrs. Dwight O'Brian at Friona and a brother Johnny Mays passed away Aug 11. They were here for that service. The Whites lived here a few years ago. Mrs. George Bagwell was the surprised lady Wednesday when a group of friends went out with salads for a late birthday party. Merle Boozer of Hereford, Clara Neumayer and Flora Stanford were the acting hostesses. 24 guests came for dinner bringing many pre-owned gifts or useless ones, an empty perfume bottle, bright pink pins and ear clips. And the "Beauty" was a 15-year-old fuchsia velvet hat worn by sister-in-law Hazel Bagwell. Mrs. Williams gave a tiny antique china doll, minus arms. Much fun at that party by the 24 people including husband George, daughters Sue Boozer and Carolyn Sides. Roy and Dorothy Bell of Plainview came Sunday for a dinner and talk, talk with his sister Ruby Webb. She was at the Bagwell dinner. M. A. and Christine Pennington went to a meeting at Eden Hills Baptist Church at Wichita Falls last week. M. A. was there to enlist a team for a Christian crusade. They also visited their eldest daughter and family while in that area. Billie McIntyre and daughter Mae Snell of Phoenix have been here for a visit with sister and aunt Mae Cox, who has been in Plains Memorial Hospital here. She has a broken wrist and other aches and pains. The big buffet supper and game time Tuesday evening at Senior Citizens Center was attended by 63 people. They had fun with "42", bridge, "84" and canasta and another game. Each Tuesday evening is game night. Also the working ladies have quilts and gift items for sale. Guests at Tuesday's party were Edwina Higgins and son Darrell from Colorado Springs. Their mother is Mrs. Scott and Kim Blackwell visiting Sarah and Blackie, Mr. and Mrs. Ben Kennady of near Hart, Billie McIntyre and Reese Kessler. "Do come to the party."

McMurry College, a Methodist supported place of learning. The Jones' will visit their daughter Mary and David Gregory who attend Abilene Christian College. Kevin Hucks tells us he leaves for Tech at Lubbock, Sept. 2. Others going are Jim Bradford, Karl Langford, a junior, Greg Kelly, a junior, Johnny and sister Amy Merritt, a junior at Tech, Jeff Lindsey, a freshman. Tobin Touchstone will be at Texas University in Austin. Many others are leaving soon. I don't have the names yet. Vadabel Oldham, mother of Verbie Nelson sends me a card from Honolulu, Hawaii. She is having a good time. She sends a picture of one of the most beautiful beaches "The Kaanapali" on Maui. She says this old ocean is still coming and going, no one knows where. And the happy-go-lucky folks don't care. She is seeing the pineapple and cane, eating that good food that is served there. Susie Reeves was hostess to the newest bridge club Thursday at the Senior Citizens Center with dinner with Jessie Silva and girls. Playing were Johnnie Vannoy, who won high score, Oleda Schumacher, second high, Betty Cartwright, Emily Clingsmith, Cleo Forson, Jo Gregory and Myrtle Sheffy. Ceal Carlile was hostess to the First Thursday Club with bridge and dessert of blueberry cheesecake. Guests

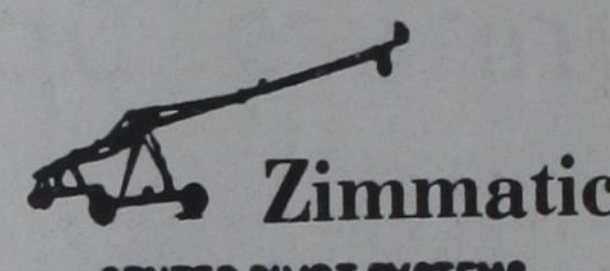

were Gladiola Shipley, Maxine Tidwell, Dorothy Elder, Jeannie Miller, Virginia Gilbreath, Anita Morris, Edna Riley, and Betty Huckabay. The Wednesday Duplicate Club is well attended. Call Ramona if you will play. Sammy and Sylvia Martinez and brother-in-law Pete and Irene Sisentez went to Brownfield for a weekend visit with friends. Lt. Col. and Mrs. R. G. Davis and son are here from England where he has been with the US Air Force. They visited aunt, Ceal Carlile Friday. Going to see other kin before going to a new place. Mrs. Davis is a great niece of Horace Carlile. Jack and Murna Miller spent several days at the Welch cabin near Cowles, N.M. for the Welch family reunion. (Murna's family), 16 members attended from Houston, Dallas, Amarillo and Friona. Murna's brother and his wife, Mr. and Mrs. France Welch and Vicki from Dallas, came home with the Millers

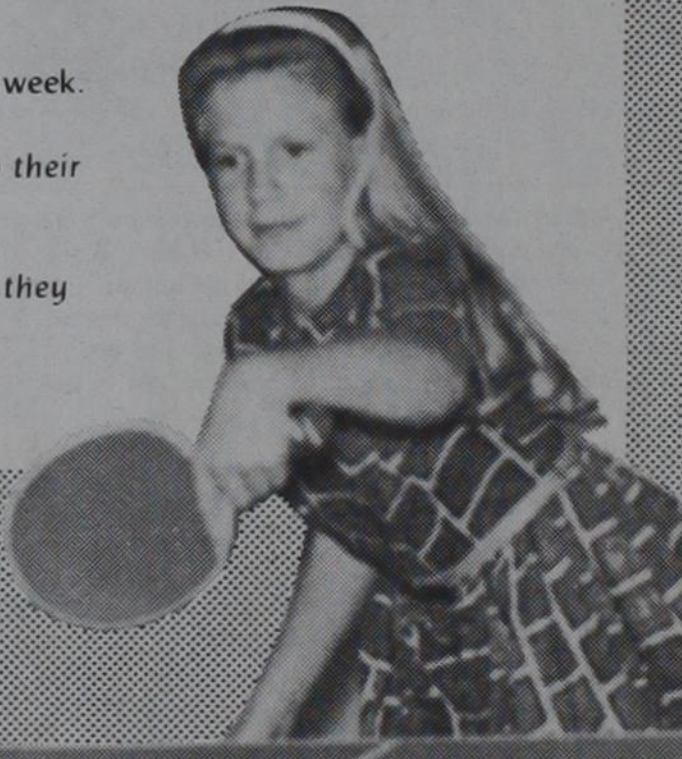

for a few days visit. Cara Sue Miller leaves soon for Abilene for her sophomore year at Christian College. The Harvest Days Festival for Castro County will be Sept 4 through 6. Myrtle (me) will be chairman of horticulture in flowers and the house plant division. If you have any that will do to show, bring them to the Expo building that Friday afternoon. The Cotton Coop of Earth celebrated its 50th annual stockholders meeting Friday night with a dinner catered by Southern Seas of Lubbock. I was a guest of Richard and Tommie Bills and Randy and Joyce Bills. Very good food too. J. Allen Gover, president, presided at the meeting. David Billingsley gave the financial report. Board of directors are J.A. Gover, Richard Bills, Jerry Jones, Dean Jones, Phillip Haberer and Jack Angeley. Mrs. Dan Nelson's house was the place Saturday morning for a shower and coffee for Connie Calvert who will be married to Gary Nutt the 5th of September at 7:30 at Bowman Chapel of First United Methodist Church in Lubbock. There were many people at the shower. I always see so many friends as these affairs and I met Connie's pretty mom, Mrs. Marjorie Calvert. In the line was Hazel Nelson, Dorothy Nutt and honoree. Hazel will tell you about it on the society page. And Deanne Clark will be hostess at the shower for Becky Sue Hand Monday. She will marry Christopher [See CHATTER, Page 7]

Elzie and Serena Teague went to Lubbock on a recent Sunday for the Medlock family reunion in the home of W. E. Medlock who is Elzie's cousin. More than a hundred people came by from as far away as Mississippi. The group had lunch catered, a nice visiting time. Laura Jones of Childress, sister of Elzie, came home with them. So one evening they went to the Palo Duro to see "Texas." They went early and rode the Sad Monkey train and saw the canyon. We always like the Palo Duro. Gene and Mary Nell King went to Austin recently on business. They stopped off in Aspermont to visit Gene's mother, Mrs. Willie Dee King. OUR USE OF LEISURE None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit. There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work. Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work. Part of our leisure time should be spent renewing our spirit by worshiping God in His Church. We invite you to attend services this week. "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31. 

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God. Coleman Adv. Ser.

Develop plan for plant care

During present heat and drought conditions, homeowners may want to develop a priority system to aid in deciding which plants should receive water and other care first.

Selective watering can protect plants that contribute most to the landscape and also comply with water rationing, explained Dr. C. Wendell Horne, plant pathologist for the Texas Agricultural Extension Service.

He said when a part of the root system, or in some cases top growth, dies for lack of adequate soil moisture, the weakened tissue is vulnerable to attack by organisms that break down organic matter.

Just how much drought stress will plants endure? He said each plant has its own individual point of "permanent wilt." Once a plant passes that point, it will not recover even when adequate water is added. However, Bermudagrass is an exception, because it will go into a state of semi-dormancy.

Shrubs and trees that have poorly developed root systems are probably the first damaged by drought stress. Horne said increased watering will not compensate for a deficient root system. Some foliage removal without shock pruning may help. He also said newly transplanted items have a greater water requirement for the top than the root system can support.

Homeowners who must water with low-quality water during drought conditions may damage plants due to salt accumulation. This injury may persist after the period of drought stress has passed, said Horne.

Irrigation gas demand up 48%, Rotary learns

"Last spring, the irrigated farmer in this area spent 15 percent of his production costs on energy," Bob Carthel, agricultural representative for Pioneer Natural Gas, told the Dimmitt Rotary Club Friday.

"With some prices going up, that figure is possibly up a little higher now," he added.

"Demand for natural gas is up 48 percent this year, due to the drought conditions," Carthel said.

He stressed the importance of farming efficiency: "We must conserve water by increasing pump efficiency, and by more efficient distribution of water."

"Our economy is dependent on the irrigated farmer," he said, "but water storage figures show that by the year 2000 we'll see 45 percent less irrigated land than now."

The farmer has increased production so that now he is

producing enough to feed himself and 50 people. With well capacities dropping and energy prices increasing, cheap food and energy cannot continue — food costs will have to go up," Carthel said.

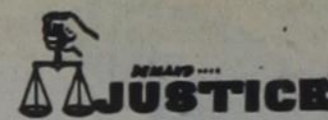

"Natural gas has been a cheap source of energy," he explained. "In the 1950's it was in abundant supply."

"Now, with lack of incentive for exploration, reserves have declined."

"But, except for last year, Pioneer Natural Gas reserves have increased. They now have a reserve life of 10.3 years which is one of the best in the natural gas industry," he said.

Carthel concluded saying, "We will continue to serve the irrigated farmer as best we can."

TO save water use a small pan of water for cleaning vegetables rather than running the water.

ASCS notes
 Loan rates listed

By CHARLEY E. HILL
 Executive Director
 The 1980 payment limitation is \$100,000 per person on disaster payments and \$50,000 on deficiency payments.
 The Emergency Feed Program is an on-going program. It is available to all livestock owners who meet program requirements and have suffered a 40% or more

loss due to abnormal conditions.
 Corn, grain sorghum or cotton acreage affected by disaster which will not be harvested for grain or lint, must be appraised prior to cutting for silage, haying, grazing or plowing to be covered for disaster payments. Please contact the Castro County ASCS Office if you have any questions concerning the above.

Here are the 1980 crop loan rates:
 Corn, No. 2: \$2.34 Bu.
 Grain Sorghum, No. 2 or better: \$3.84 Cwt.
 Soybeans, No. 2 or better: \$4.91 Bu.
 Wheat, No. 1: \$3.01 Bu.
 Barley, No. 2 or better: \$1.85 Bu.
 Oats, No. 3: \$1.31 Bu.
 Rye, No. 2: \$1.97 Bu.
 Interest rates on all 1980 crop year commodity loans is 11.5%.

The national average market price for Grain Sorghum has reached the call level. Wheat and corn remain in a release status until Aug. 31.

HOLIDAY: This office will be closed, Monday, September 1, 1980, in observance of Labor Day.

THOUGHT: Don't be afraid of growing old — relax and enjoy it. It's a privilege that many are denied.

Your chances of dying from a heart attack or stroke are 50-50.

FREE Combine Service Seminar

We will conduct a free combine service seminar for Allis-Chalmers Combine owners and all other interested farmers and combine operators.

The school will be conducted by an Allis-Chalmers factory representative, starting at 7:30 p.m., Tuesday night, September 9, in our building.

Refreshments will be served.

Information on the N Series Combines will also be available.

THE world's largest tractor is 14 feet tall and 20 feet and 7 inches wide with an 848.6 gallon tank.

Gasohol co-op in final push

"It's coming right down to the wire," say Guy Austin and Grady Sorley, officers of Hi Plains Grain Products International, Inc. "The site study is nearly complete, and very shortly we will know what size fuel alcohol plant we are going to be constructing in this area," they said.

The final push is on to obtain members of the GPI. Grower-members will determine the size of the fuel alcohol plant, which is projected at 30 million gallons per year or more.

Sept. 2 is the final date to sign up to become a part of the multi-million dollar operation, according to Austin and Sorley. The co-op will become a closed corporation on that date.

They pointed out that since plans for the plant got underway, the price of fuel alcohol has increased to \$1.83, DDG has jumped in price to \$145 per ton, and earnings on 100 pounds of corn have increased to \$6.77 while the earnings for milo have increased to \$6.97.

Dennis Johnson, planner and consultant with the Arthur D. Little consulting firm in Massachusetts, is currently narrowing down the proposed plant site to two or three locations. Dr. John Nystrom is working on the mechanics of the plant, and Bill Leavitt is working on a financial package for construction and operation.

The final meeting before actual signing of construction contracts will be Sept. 2 for all the general membership. Austin and Sorley said fuel alcohol is in great demand, and because of the lack of operational plants in the United States, most of the fuel alcohol consumed in the US is still imported from Brazil.

"We have the grain, so we have the ball, and how we play the ball game is entirely up to us," said Sorley. "Let's take the ball and run with it while we can."

Austin, of Farwell, is chairman of GPI and Sorley, of Bovina, is secretary-treasurer. Other board members include Bert Williams, Farwell; Tommy Whatley; Jim Owens,

Tulia; Bobby Redwine, Morris Killough and Doug Bales, Muleshoe; Herman Wheatley and Rusty Andrews, Brownfield; James Higgins, Hereford; and Garvin Thorn, Hub.

National FU lobbyist to talk here Saturday

Robert Mullins, Washington spokesman for the National Farmers Union, will be in Dimmitt Sept. 6 to address the annual meeting of the Castro County Farmers Union.

Members and their families, as well as all others interested, are urged to attend the meeting, which will begin at 7:30 at the Dimmitt High School cafeteria.

Castro County FU President Doug Higgins said he expects several special "fly-ins" will be designed by the Farmers Union to take family farmers into Washington from all over the country during key times in the developmental stages of the 1981 Farm Bill. Representation from Castro County will be one item on the annual meeting agenda.

Senior Citizens set election date

The Senior Citizens of Castro County, Inc., have set Tuesday, Oct. 7 as the date for their annual election.

The election meeting will begin at 7 o'clock that evening, and is open to all interested senior citizens. Officers, directors and department chairmen are to be elected — more than 30 in all.

JUDITH SANDOVAL of Dimmitt has completed six weeks of basic Air Force training at Lackland AFB, San Antonio. She is currently stationed at Sheppard AFB, Wichita Falls, and will attend technical school to become a freight traffic specialist. A 1980 graduate of Dimmitt High School, she is the daughter of Emigdio and Maria Sandoval.

Steiert takes ROTC training

Cadet Patrick J. Steiert, son of Mr. and Mrs. Pete J. Steiert of Hart, recently received practical work in military leadership at the Army ROTC advanced camp at Fort Riley, Kan.

The five-week ROTC advanced camp provided an opportunity for cadets to develop and demonstrate leadership capabilities in a field training environment.

Steiert is a student at West Texas State University, Canyon.

Hearing set Friday on gasohol loan program

A public hearing will be held Friday in Lubbock on the USDA's proposed regulations implementing provisions of Title II of the Energy Security Act which authorized biomass energy and alcohol fuels loans and loan guarantees.

Deputy Agriculture Secretary James H. Williams said the proposed regulations will determine how the Farmers Home Administration will carry out certain parts of the act, which was signed into law by President Carter on June 30.

The hearing will be at Lubbock's Holiday Inn, 6624 Ave. H, from 9:30 a.m. to 11:30 a.m., from 2 to 5 p.m. and from 7 to 9 p.m.

The Energy Security Act authorizes \$600 million for the USDA's program of loans and loan guarantees to alcohol fuels and other biomass energy projects during fiscal years 1981 and 1982. USDA funds will be used to assist energy projects which use agricultural or forestry products or residue. USDA has responsibility for projects up to 15 million gallons of

capacity. Anyone wishing to participate in the public hearing should contact the Office of Public Participation, Room 118A, Department of Agriculture, Washington, D.C., 20250, telephone 202-447-2113. USDA will also participate in similar hearings to be held in the near future by the Dept. of Energy concerning DOE regulations for financial assistance to biomass energy projects.

THE most prolonged continuous shower bath on record is 336 hours by Aaron Marshall.

Coggins graduates with honors at TSU

William Hal Coggins of Dimmitt has graduated with honors from Tarleton State University in Stephenville.

Coggins was awarded a bachelor of science degree in agriculture.

Dimmitt, Texas

MEMBER OF FEDERAL DEPOSIT INSURANCE CORPORATION

By Ace Reid

As the Labor Day weekend approaches, Major C. W. Bell, regional commander of the DPS, advises:

"If a Labor Day trip is on your schedule, plan ahead. Know your route and where the turn-offs are located, especially on the interstate highways. Turning suddenly from the wrong lane, or trying to get back to a missed turn-off, can be fatal. What the grim total will be this weekend depends on each driver, each passenger and each pedestrian in this state."

The main hazards in Texas, according to the DPS, are driving too fast for conditions and the drinking driver. Drivers frequently overlook the fact that weather, traffic and road conditions dictate safe speed.

The condition of the driver is often overlooked when returning from a party. It is best to obtain a sober driver for the trip home.

DPS troopers will be on area highways in full force this Labor Day, Major Bell said.

CHILDREN who have their own money, either through "jobs" or "allowances," tend to develop better money concepts than those dependent upon parents giving them money when they need it.

Touchstone earns honors

Tobin Touchstone of Dimmitt was one of 1,010 University of Texas engineering students recognized as honor students for the 1980 spring semester by the UT College of Engineering.

To achieve the engineering honor roll, a student must have maintained at least a 12-hour course load throughout the semester, passing all courses with a minimum grade point average of 3.25 on a 4.0 scale.

More about

(Continued from Page 2)

Richard Book at Nazareth the 30th of August at 7:30 p.m.

The Dunn brothers and sister Connie Ivey made music at South Hills Manor Saturday evening and send happy 95-year-birthday greetings to their mother, Mrs. Dunn who lives at the home. Helping make the music were friends Dave and Ruby Atkins from Sudan, Leldon and Alma Phillips who have moved to Hugo, Okla. from Muleshoe, Mr. and Mrs. Truman Cotton of Anton, Mrs. R. O. Edwards of Littlefield. Mr. and Mrs. Howard Bridges have moved to the Manor. Many of us went out to hear them.

Weldon and Irene Bradley, Johnny and Nell Martin went to Russel and Myrtle Lois Moran's house for food and games of 84 Saturday night. Russel says put in the Chatter the men won against the gals. Irene says, "They just barely beat us."

Blanche and Cecil Ginn went to Ima, N.M. near House, to attend the Community Room golden wedding of Buster and Pauline Krilings. You remember he was foreman of the Flagg Ranch many years ago. Their home is in Cuervo, N.M.

Mae Cox is very ill at St. Anthonys Hospital (this is Saturday). The Ginn's called on her and Brad and Juanita have been with her as have others.

Maria Hayes and Pam Patterson were hostesses at a shower for the new baby girl of LaVern Patterson, Aug. 23. Grandparents are Mr. and Mrs. David Patterson.

Pam Anthony, daughter of Bob, is home from Fredricksburg where she attended the Stock Show. She says she got a breed champion and had a first place calf.

Flora Stanford had some of her family home for a week-end visit, Jess Stanford from San Angelo, Paul and Betty and daughter Jena from Albuquerque, N.M.

Cleo Forson is home from a five-week visit in Whittier, Calif. with her sister, Mrs. Mellie Capley. It was not a fun trip but to help take care of Mellie's husband who has been in the hospital since May 26 with kidney failure. He is on the dialysis machine three days a week. We wish him to be better.

Lonnie and Janice Bell had the Sunday dinner for their family, celebrating birthdays of Michele and Zachery, also goodbye to Jeff who leaves this week for Abilene to attend college at ACU. Rick and Susie were there and Lonnie's mom Polly Bell. My son Don and Karen Sheffy and girls Kristi, Karla and Carrie took Opal Bearden and I out to the Colonial for a good Sunday dinner. They visited Polly, also Bob and Mildred.

George Froehner of Dallas was at church Sunday with his parents Noland and Evie, and we all had a talk with him.

More college people leaving this week for school: Jim Cleavinger and Reggie Quiett, both to Tech at Lubbock and Jim Birdwell to McMurry.

Stephanie White of Tulsa, Okla. spent the weekend with

her friend Barbara Snell who is intern and youth director at the Methodist church.

E. B. and Evelyn Noble helped their daughter and son-in-law, Jan and Clayton Robison, and sons, Caleb and Zachary, move from Canyon to Bryan last week. Clayton will be enrolled in the College of Veterinary Medicine at Texas A&M University.

Connie Nelson has been busy lately. She was a counselor at the high school church camp at Ceta Canyon earlier this month, with about 65 kids attending. The day after camp, she left for the Bridger Wilderness in Wyoming for nine days of backpacking with students from Perkins School of Theology in Dallas.

She says they got snow, hail and sleet - VERY cold most of the trip. They also saw four moose along the trail. They hiked about 60 miles in all, and she got home last Wednesday afternoon. Dixie Robertson, niece of Ray and Joannis Robertson, also went on the backpacking trip.

Connie left Saturday for Dallas where she will begin her Master of Theology studies at Perkins.

Boyd Hodges of Panhandle and Bruce Northcutt of Lubbock were here Saturday and had lunch with Boyd's grandmother, Beral Hance. They met here on their way to New Mexico on a backpacking trip. Both boys have done this each summer but this is their first trip together. They plan to go north of Santa Fe. Boyd and Bruce have finished their sophomore year at Texas Tech.

Jim Wright, son of Donald and Katy, left Sunday for A&M University where he will be a senior. Jim got his senior ring Monday.

Jimmy and Joyce Davis hosted a birthday party Sunday afternoon for his father, Jack Davis, to celebrate his 80th birthday. This was in the activities building of the First Baptist Church in Lubbock, where Jack and Fern Davis are members.

Mr. Davis was reared at Wolfe City, in East Texas, and came to this country when he was in his teens. They own and manage the Jack Davis Western Wear on University Avenue, across from Texas Tech. Beral Hance attended the birthday party, as did a great many other friends. Joyce had the serving table looking so pretty. The centerpiece was a basket of summer flowers. Punch and cake were served; one of the cakes was made in the shape of a boot.

Oleta Raper and Zonell Maples have returned from Austin where they attended the Texas Association of Counties at the Marriott Hotel. They were the only Castro County representatives.

Earlyne Gee visited Beral Hance Monday. She was returning from a visit with her parents, Hazel and Earl Taylor of Littlefield and Jerry's parents, the Gees in Amherst. Jerry and Cammye stayed at home in Spearman; Jerry is busy with farming and Cammye couldn't leave her friends. She is a senior in high school this year. Earlyne is a teacher in Spearman High School.

Dorothy Hopson was hostess at her home Monday evening at a bridge party honoring Brenda Andrews on her birthday. Guests were Carolyn Jones, Betty Huckabay, Martha Jo Hyman, Bill and Dalia Gregory, Bill and Cheryl Glidwell, Virginia and Cecil Crum, Kay and Tommy Kellar, Cowboy and Jeanie Johnson, Brenda Andrews and, of course, Dorothy and V. C. also played bridge.

Alpha Epsilon Tau Chapter of Beta Sigma Phi had a basket supper Saturday evening at Jean and Bob DuLaney's home. Over forty people attended; most of them watched the Cowboys win over Houston. Bob DuLaney auctioned off the baskets.

TEXAS OIL SALES
September 1980 nominations for the purchase of Texas crude oil total 2,607,933 barrels daily, the Railroad Commission's Oil and Gas Division has reported. Purchaser nominations for August 1980 totaled 2,620,890 barrels daily.

Keep fabric heirlooms for future generations

Store garments and other textile heirlooms for long periods of time without damage and deterioration, says Becky Saunders, a clothing specialist.

Follow these tips to maintain them for future generations, she suggests.

Mrs. Saunders is with the Texas Agricultural Extension Service.

Store textile items clean and as free of dust as possible. Dust and soils often contain materials that deteriorate fabric, especially during prolonged storage.

Remove general surface dirt by brushing or vacuuming. Tumble dry non fragile items alone on the air cycle of the dryer.

Laundry soiled items, and remove all stains if possible, she says.

Fold fragile items flat on a clean screen, and soak in the bathtub.

Dryclean soiled nonwashables. Alert the drycleaner of the item's age, fragile areas and intended storage for best results, Mrs. Saunders recommends.

For best storage, lay items

flat without folds. Do not store with pins or other metal objects such as jewelry which can rust and cause permanent damage.

Choose as large a box as possible for flat storage. Line the box with laundered muslin or sheeting to prevent the box from adding to fabric deterioration.

Pad any folds with the box lining fabric and cover the top with fabric. Then seal the box.

Cover and hang garments made of strong fabric on padded hangers.

However, avoid packing tightly in an overly crowded closet.

Light causes fading as well as overall deterioration, she adds.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Some important information to MIA and POW wives and children regarding educational benefits has come from the Veterans Administration office in Waco:

Certain wives whose husbands are listed as MIA's, or were POW's for 90 days or more, will lose eligibility for valuable Veterans Administration education benefits if they don't act within the next six months.

Eligibility for the VA Survivors' and Dependents' Education program expires for this select group Dec. 24, 1980, or 10 years from the date the listing was made, whichever is later.

The program, which is also open to children of POW/MIA's, provides tuition assistance for the spouses and children of veterans who died or suffered total and permanent disability resulting from their military service.

Since 1956, VA has spent some \$1.7 billion to educate and train some 409,000 eligibles, including 193 wives and children of POW/MIA's.

Education payments are available for up to 45 months of schooling or the equivalent in part-time training at the following monthly rates: \$311 for full-time students; \$233 for three-quarter time; and \$156 for half-time.

Tuition cost only—limited to \$156—will be paid to less than half-time students and \$78 for one-quarter-time or less.

For information on how to apply, what type of training qualifies for benefits, and eligibility information on this and other VA programs, contact the VA. The toll-free telephone number of the regional office is 1-800-792-3271.

SCRIMMAGE SCENE—With coaches looking on in the background, sophomore Sid Sageser throws a block that enables junior back Zeke Garcia to turn the corner in the Bobcats' scrimmage against Abernathy here Friday

evening. The Cats will travel to Plains Friday for their final inter-squad scrimmage before opening the 1980 season here Sept. 5 against Floydada.

Coaches smiling a lot after first scrimmages

More scrimmages are on tap this week as Dimmitt's Bobcats, Hart's Longhorns and Nazareth's Swifts polish their acts for the start of the 1980 football season.

Dimmitt will travel to Plains Friday for a junior varsity scrimmage at 6 and a varsity set-to at 7.

Hart will host Lazbuddie in a scrimmage starting at 5 p.m. Friday. Each fan is asked to donate a bar of soap for admission. The soap will be used by the school's athletic department during the year.

Nazareth's Swifts will host Claude Friday in a scrimmage that will get underway at 6:30 p.m.

All the scrimmages are open to the public.

Friday's scrimmage between Dimmitt and Abernathy here looked like the Mutts versus the Jeffs, so big and tall were the visiting Antelopes.

Abernathy scored once against Dimmitt's first defensive unit and once against the second unit. The Bobcats didn't score.

Still, Coach Wayne Garner said he was "surprised and pleased" at the way his Bobcats performed in their first test against outside competition.

"We moved the ball a lot better than I was expecting, since we are running a new offense (the veer)," Garner said.

"And defensively, the kids played with more aggressiveness and enthusiasm, and hit better, than I've seen them do until now. If the kids will continue to improve and keep showing those key ingredients, we have the ability to be a good football team."

The Bobcats got some good drives going, "but our inexperience showed — we fumbled and stopped ourselves," Garner noted.

The Castro County News SPORTS

Season to open on doves Monday

Sept. 1 marks the opening of mourning dove hunting season.

The season may range from exciting to dismal, according to the Texas Parks and Wildlife Dept.

Hunting will be allowed in the North Zone which covers approximately the northern two-thirds of Texas. In general, dove prospects are good in the eastern half of the North Zone and poor in the west.

Biologists say the numbers of mourning doves statewide in the 1980 season may be outstanding. Dove Program Leader Jim Dunks said call-count surveys showed an increase in the statewide breeding population for the third consecutive year.

Also, a nationwide survey indicated a 12 percent increase in the nation's breeding population of mourning doves, part of a 10-year

upward trend, Dunks added.

However, field biologists point out that the continuing drought in Texas may cause many of the native birds to leave some areas before the season opens because of a lack of food, and birds migrating from the north may not stay long if food is scarce.

Here's Hart's school menu

Here are the menus for Hart school for the week of Sept. 1-5.

MONDAY — No school.

TUESDAY — Breakfast: Sausage, biscuits, jelly, apple juice, milk.

Lunch: Burritos, crackers, tossed salad, corn on the cob, peanut butter cake, milk.

WEDNESDAY — Breakfast: Cold cereal, banana, milk.

Lunch: Barbecued beef, hot rolls pinto beans, cabbage slaw, rice pudding, milk.

THURSDAY — Breakfast: Donuts, orange juice, milk.

Lunch: Cheeseburgers on homemade bun, French fries, catsup, lettuce, tomatoes, onions, pickles, peaches, milk.

FRIDAY — Breakfast: Waffles, syrup, butter, tomato juice, milk.

Lunch: Battered fried fish, corn bread, coleslaw, black-eyed peas, peach cobbler, milk.

Swift tickets now on sale

Season tickets to the Nazareth Swifts' home football games are now on sale in the school superintendent's office.

Ticket prices for reserved seats in the home stands are \$8 each for adults and \$4 each for students.

Each season ticket is good for all five home games.

Boosters have coats, caps

If you're a Bobcat fan and would like a booster coat or cap, you need to notify Garner Ball at 647-3140.

The Booster Club has to order all coats at the same time, and the deadline for ordering is Sept. 7.

The purple booster coats have an outer shell of 100% Nylon oxford cloth, acrylic pile body lining, quilt-lined sleeves, drawstring, snap front and elastic cuffs. They cost \$28 each in adult sizes and \$23.50 in youth sizes. The booster caps are silver with a purple D on the crown. They're \$5 each, and are available immediately.

The club also has a limited number of "snug bags" for sale.

At its Thursday night meeting, the Booster Club set a membership goal of 300 this year. Booster Club dues may be paid at the DISD business office at the school administration building, or at the Higginbotham-Bartlett Co., Hi-Plains Savings & Loan Association, Production Credit Association, Castro County Grain Co. or Hays Implement Co.

Bob Crozier, vice-president, is the membership chairman.

Noting the small turnouts at the first two meetings, the club voted not to attempt a

CATTLE NUMBERS UP

A cattle inventory estimate for mid-year shows total numbers up 4 percent from a year ago, with beef cows up 6 percent. This indicates US cattlemen are rebuilding their herds although current drought conditions in Texas and the Midwest have already caused some cutback in cattle numbers. Calves under 500 pounds on farms and ranches also were up 6 percent, and the total 1980 calf crop is expected to be up 6 percent. However, a low feedlot placements during the first half of this year leave many additional yearling cattle for feeding in the remainder of 1980.

float in the Harvest Days Parade Sept. 6, and also nixed the proposed dunking-board and sponge-throw concessions during the celebration. From now until the end of Daylight Saving Time in October, the Booster Club will meet each Tuesday night at 8:30 in the high school cafeteria. Each meeting will feature a game film, coaches' comments and scouting reports.

agri-facts

It's not surprising that the American farmer is the world's Great Provider, considering what he can do with an acre of land, and that the United States has become the world's market place. As a result of this abundance, today's farmer is as dependent on foreign markets as a source of income as the importing nations are on the U. S. as a source of supply. Consider this: the U. S. now supplies about 44% of world wheat exports, about 55% of the coarse grain exports, 75% of the soybean exports and 25% of the world cotton exports. We are the world's main donor of food aid, accounting for 60% of the total world food aid during the 1970s compared with 90% during the 1960s. Barring natural disasters, the American farmer has kept up with the world's food demands on less land, his technological know-how and more determination than any other farmer in the world.

Enrollment up in Dimmitt, down in Hart and Nazareth

While Nazareth and Hart showed decreases in student enrollment from last year's first-week figures, Dimmitt schools showed an increase of 57 students.

Dimmitt Supt. Robert Ryan announced that enrollment as of Friday was 1,620, compared with last year's figure of 1,563.

Richardson Elementary showed the largest increase with 42 more students and an enrollment of 614, compared with 562 on the same day last year.

Dimmitt Middle School reported 601 students, up from 583 last year.

The high school enrollment

figures are down though, with 405 this year compared with 418 last year.

In Hart, total enrollment was 546 students as of last Thursday. Last year's total on the first day of school was 583.

The kindergarten enrollment was 41; first grade, 45; second grade, 56; third grade, 48; fourth grade, 29; fifth grade, 53; sixth grade, 43; seventh grade, 36; eighth grade, 45; ninth grade, 42; 10th grade, 40; 11th grade, 35; and 12th grade, 33.

Hart Supt. Ted Averitt commented on the decrease: "There are just not as many farm laborers as last year,

and we have lost some Anglo students, too."

Nazareth's first week total this year was 297, a decrease of 10 students. Enrollment figures are kindergarten, 20; first grade, 19; second grade, 16; third grade, 18; fourth grade, 19; fifth grade, 26; sixth grade, 22; seventh grade, 26; eighth grade, 23; ninth grade, 28; 10th grade, 24; 11th grade, 28; 12th grade, 28.

Nazareth Supt. Johnny Mason pointed to the higher number of students graduating compared with the number coming in at the first-grade level as the reason for the decrease in enrollment.

MD Telethon to kick off Sunday

In conjunction with the Jerry Lewis Labor Day Telethon for the Muscular Dystrophy Association, members of the Castro County Lucky 7 CB Club will operate a pledge center in Dimmitt.

Roy Leingang will be the coordinator for the center, which will be located at the County Expo Building.

The pledge center here will open during the same hours as the telethon, from 1 p.m. Sunday to 6:30 p.m. Monday.

Residents of the Dimmitt area can call a special number, 647-5131, during those hours to make their pledges to the telethon in support of the Muscular Dystrophy Association.

Pledge center volunteers also are planning a door-to-door drive for Labor Day. Children interested in helping "Jerry's Kids" should come by the Expo Building Monday to pick up an official canister, telethon badge and instructions.

Also, a variety of entertainment and fun has been scheduled for the Expo Building throughout the 30-hour telethon period. The public is invited to come out and see the show.

The Sunnyside Uppetts will perform at 3 p.m. both days, and the Dimmitt Promenaders and Nazareth Kurlie Q's will give square dance exhibitions. Hershel Wilson will be "in and out" both days to sing, and the Jordan Sisters will sing the telethon theme song and other songs.

Audie Justice will be performing country and western music during the telethon weekend, and so will Jimmy Ray Davis of Hart and his group.

The weekend talent show will also include fiddlers Billy

Senior Citizens' lunch menu

MONDAY — Chicken and noodles, lima beans, Waldorf salad, sweet potato pie, roll, oleo, milk, coffee, tea.

TUESDAY — Swiss steak, buttered rice, celery-carrot-raisin salad, cherry cobbler, roll, oleo, milk, tea, coffee.

WEDNESDAY — Hamburgers, lettuce, tomatoes, pickles, onions, French fries, peaches, milk, coffee, tea.

THURSDAY — Meat loaf with sauce, corn O'brian, blackeyed peas, custard pie, milk, coffee, tea.

FRIDAY — Ham and cheese sandwiches, lettuce, tomatoes, potato chips, apple crisp, milk, coffee, tea.

Labor Day Picnic set at Nazareth

It's time again for the annual Nazareth Labor Day Picnic.

Festivities will begin with a parade at 10 a.m. Monday.

Lunch will be served starting at 11:30 a.m.; the menu will include barbecued beef, creamed potatoes, baked beans, cabbage slaw, relish tray, fruit cobbler and homemade bread. Prices are \$3.50 for adults, \$1.50 for children 6 through 12, and \$1 for children under 6.

In the afternoon there will be games and the traditional auction and horse racing.

Hamburgers will be sold Monday evening, and there will be a dance featuring the music of Tiny Lynn.

The Labor Day Picnic is open to all.

Obituaries

W. T. Sanders

Services for W. T. Sanders, 64, were held Saturday at 2:30 p.m. in the First Baptist Church of Hart. Burial was in the Hart Cemetery, directed by Parsons Funeral Home.

Mr. Sanders died in a car-truck collision last Thursday morning on Highway 194 in Hart.

Born July 15, 1916, in Collingsworth County, he married Joby Smith in 1942 in Lovington, N.M.

He was an insurance agent, and a member of the Hart Lions Club, the Hart Volunteer Fire Dept., and the First Baptist Church of Hart.

Survivors include his wife Joby; two daughters, Judy Warren of Mission and Jo Thompson of Lubbock; a sister, Mrs. Furche Riley of Hart; a brother, Dean Sanders of Hart; and six grandchildren.

Pallbearers were Robert F. Riley, Joe Bob Sanders, Bill Sanders, Brad Sanders, Don Sanders and Brent Sanders.

Angelita Hernandez

Funeral services for Angelita Sandoval Hernandez, 59, former Dimmitt resident, were conducted last Thursday afternoon in the Immaculate Conception Catholic Church. Rev. Raphael Chen, pastor, officiated.

Burial was in St. Anthony's Catholic Cemetery in Hereford, under the direction of Gilliland-Watson Funeral Home.

Mrs. Hernandez died Aug. 18 in Waxahachie. She was a Corn City native and married Melchor Hernandez in 1939 in Corpus Christi. He died in 1971. She was born in Rugen in 1920.

Survivors include six sons, Melchor and Thomas of Dimmitt, Joe and Mike of Lubbock, Matias of Easter and Mario of Oklahoma; six daughters, Maria Trevino of Waxahachie, Manuela Gonzales of Hereford, Angelita Tinajero of Amarillo and Eneledia Vidal, Irma Rivera and Andrea DeLaCruz, all of Dimmitt; three brothers, Phillip, Sixto, and Jesse of Bishop; a sister, Meletina Delgado of Bishop, and 35 grandchildren.

Marie Hanson

Funeral services for Marie Hanson, 68, of Nazareth were pending at presstime Wednesday with Wallace Funeral Home in Plainview.

Mrs. Hanson, who lived alone, was found dead at her home about 3:30 p.m. Tuesday.

A lifetime resident of Nazareth, she married John Hanson in 1936. He preceded her in death.

She was a member of the Holy Family Church, the Order of Martha and the Catholic Daughters of America.

Survivors include three daughters, Martha Koelzer, Elizabeth Green and Agnes Brandt; and three sons, Jerome, Andrew and James. Another son, Joseph, died in 1949.

No aldermen's meeting Monday

The Dimmitt Board of Aldermen will not meet Monday night because of the Labor Day holiday. The next meeting of the city governing board will be Sept. 15 at 6:30 p.m.

Pioneer sets field day

The latest news in genetic research will be discussed and breeding nurseries will be toured during a field day next Thursday at the Southwestern Division headquarters of Pioneer Hi-Bred International, Inc.

Farmers and dealers from throughout the Texas and Oklahoma panhandles and New Mexico are expected to attend the annual field day. Guided tours will be held from 10 a.m. until 2 p.m., with lunch provided.

A highlight of the field day will be a discussion of the results Pioneer has had with its new herbicide-safened sorghum seed.

The site is located one mile north of the Plainview city limits on Pioneer Road, off the business route of US 87, one-half mile east of the Producers Grain Corp. elevator.

Nazareth

Local relatives attend Pohlmeiers' celebration

By VIRGIE GERBER
 Congratulations to Alphons and Leona (Pohlmeier) Albracht on their Golden Wedding Anniversary. They are former residents of Nazareth who now live in Fremont, Neb. Going from here for the celebration were: Max Acker, Paul Pohlmeier, Philip and Dora Pohlmeier, LeRoy and Dorothy Pohlmeier and J.C. and Jacelyn Pohlmeier. Alfred and Ledvina Pohlmeier of California, Virgil and Viola Pohlmeier of Tulsa, Rita Pohlmeier of Golden, Colo., Germaine Pohlmeier of Amarillo, H.D. and Myrtle White of Amarillo, Maureen Self of Hereford, Bryan and Peggy Pohlmeier of Muleshoe.

Arnold and Catherine Huseman, Helen Backus and Lenora and Celina Braddock visited in Yukon, Okla. over the weekend with Ralph and Emalene Pohlmeier and children Sabrina and Terrell. The Edmund Backus children from Dumas spent a week here with their grandmother Helen Backus and other relatives. They are Quentin and Sherri Lynn.

Alfred and Ledvina Pohlmeier of Fillmore, Calif. are visiting here for several weeks. They went to Fremont, Neb. for the golden wedding celebration with Max Acker, H.D. and Myrtle White of Amarillo. They are now visiting in Happy with their daughter Della Venhaus and family and in Dumas with Martella Frische and family. Earl and Ruth Backus have both been patients in the Canyon hospital, but are home to recuperate.

Mr. and Mrs. Philip Pohlmeier, Paul, Germaine and Rita visited in Yukon, Okla. with the Ralph Pohlmeier family on their way home from the golden wedding celebration in Fremont, Nebraska.

Congratulations to Joe and Jeanette Johnson on the birth of a daughter Aug. 13. On Sunday the 24th she was baptized in Holy Family Church. Her sponsors were Tim and Vicki Bixenman of Amarillo. She was given the name of Trina Rene. Her grandparents, Arch and Burnett Johnson of Happy were here, also for the occasion.

Barry Edward, son of the Jim Hoeltings, was also baptized Sunday in Holy Family Church with Father Stanley officiating at both baptisms. His sponsors were Roger and Edna Schilling of Dimmitt. Enjoying dinner with the Hoeltings and the Schillings were Sylvia Hoelting and Father Stanley.

Carroll and Denise Gerber, Albert and Virgie Gerber and Traci Hill enjoyed the weekend in Odessa with the Gene Gerber family. Also coming to Odessa for the weekend were Donna Charanza and sons Kris Ryan and Bryan of Temple.

Clara Acker and David and Mary Acker of Canyon flew to Frankfurt, Germany to visit the Acker's youngest daughter Elaine and her husband,

1st Lt. Douglas Sanford for two weeks. The Sanfords are stationed in the little town of Kitzingen just out of Wurzburg, about an hour and a half drive from Frankfurt. On Sunday the five started towards Salzburg, Austria, on the very southern edge of Germany. On the way stops were made at King Ludwigs famous Herrenchimsee castle, all beautifully done in white, gold, crystal and velvet. Also saw many castles from a distance along the Rhine River. They toured one ancient castle ruin and visited many churches of all sizes and descriptions. Big elaborately decorated ones to small, very old ones.

In Salzburg they toured the Sound of Music Land as the tour is named. The old convent where Maria actually stayed, the church where she was married and the Von Trapp house was pointed out from a short distance. Maria Von Trapp is still living in Vermont. She returns to Salzburg every summer where she keeps a summer home. They stayed three nights at Berchtesgaden, Hitler's headquarters. It is the most beautiful part of Germany.

Went to Oberammergau, but of course were unable to get tickets for the Passion Play, as far back as last March. They went into the

edge of Switzerland along the Bodensee and back into Germany through the Black Forest, so named they supposed, for the very dark green color of the thick brush and tall pines. They stayed with a German family for a day and a half. Their son had spent three weeks with the Ackers when he was in America on an agricultural trip in 1976. This was at Mutterstat, just west of Heidelberg. In the same locality is Wachenheim, the town the Ackers originally came from. Germany is very beautiful, industrious and clean. Every bit of land that can be farmed is planted to grapes, wheat, potatoes and many other vegetables. They have some old equipment but also some very modern, although not as large as we use, as most of their fields are of a small acreage. Even the forests have been seeded back to pines in many places, where the war had taken its toll. Nowhere can one see any ruins of the war, it has all been built back, is a very modern country, yet the old German style still prevails. It is upstairs and downstairs everywhere one goes (no elevators). The flower boxes in the windows and on the balconies everywhere is the one outstanding thing they will always remember.

NAZARETH YEARBOOK—Patti Schacher (left) and Joyce Schacher proudly show the Nazareth High School 1980 yearbook which they helped produce. The annual, just off the press, has a gold-colored cover that's so

glossy it didn't photograph well, but take the girls' word for it—it's a beautiful book. "It's one of the best we've had, and we're really proud of it," said yearbook sponsor Brenda Durrett.

Lions to sell brooms Friday

The Sunnyside Lions Club will conduct a broom sale Friday at the Sunnyside Community Center.

On sale will be brooms and other cleaning equipment and household items made by blind people in Texas. Proceeds will be used for club projects.

ceeds will be used for club projects.

HANY Rizk ate 29 doughnuts in 7 minutes and 16 seconds on April 10, 1976 for a world record.

County looks cautiously at college-loan program

Former Farmer County Judge Paul Fortenberry met with the Castro County Commissioners Monday requesting that they give their approval for the Panhandle Plains Higher Education Authority — a student loan program — to operate in Castro County. The commissioners postponed a decision until their next meeting.

Fortenberry said the loan program "is needed because a lot of students need it to go to college." Students applying for the loan would be screened by the lending agency and by a consultant who "doesn't believe in loaning them the money unless they really need it," he added. Worthy students must be willing to work, plan a budget and meet a pay-back plan.

The program would cover loans to students planning to attend local colleges, universities and possibly trade schools.

Fortenberry said that the student loan authority

"guarantees lending agencies in the county that they will get their money back." The loans would be made interest-free to the students since the state would pay the interest.

After Fortenberry read a sample motion to the board, Commissioner Al Maurer requested that an additional clause state that the county would not be liable for any financial or legal obligation, and that the county may withdraw at any time the loan isn't satisfactory with the lending agency or the county governing board.

The commissioners tabled further discussion until the motion is redrawn and further information is available.

District Soil Conservationist Stephanie Elliott invited the commissioners to view the Lower Running Water Draw Watershed dam Tuesday at 10 a.m. for possible acceptance of the structure located about four miles east of Sunnyside.

The commissioners had several questions concerning the construction, its mainten-

ance and vegetation, silt problems, and the county's take-over. Miss Elliott promised to answer all their questions at the site on Tuesday.

Commissioner Al Maurer looked in the October, 1970 minutes containing the county's original agreement with the Running Water Soil and Water Conservation District. Apparently the county's take-over of the maintenance will be three years from the acceptance date and after vegetation covers at least 70% of the watershed dam.

In other action, the board discussed adding a second ramp for the handicapped to the courthouse.

The present ramp goes into the jail portion of the building where locked doors prevent access to the rest of the courthouse. New jail standards may restrict the entrance and the board asked Judge M. L. Simpson to check about restrictions and to check with an architect.

Approved the request from Phillips Petroleum Co. to allow lowering of a gas line under the county road approximately 3 1/2 miles east and one mile north from Nazareth.

Discussed USDA's recent designation of Castro County as a natural disaster area due to the extreme hot weather and the hail storms which hit the county earlier in the summer.

All fiddlers are invited to join in the competition. There will be cash prizes awarded to the top three participants — \$75 for first place, \$50 for second place, and \$25 for third place.

Dimmitt's volunteer firemen will conduct water polo contests beside the carnival at 4 p.m.

During the County Fair in the Expo Building, there will be a baby animal zoo in a nearby quonset barn. Everyone is invited to bring their baby animals; those wishing to do so should call Neal Tindol at 647-4115.

Also, the Castro County Museum will have open house on Saturday from 10 a.m. to 5 p.m.

Closing the festivities will be a Harvest Days Dance from 9 p.m. to 1 a.m. at the Expo Building. Music will be provided by the Rough Riders.

More about Harvest Days

(Continued from Page 1)

Texas Tech's masked rider, the Khiva Klowns and lots of antique vehicles, Richard said.

The parade will form at the Expo Building at 10 a.m., and judging will be completed by 10:45.

At 11 a.m., the parade will head west from the Expo Building to Southeast Second, then will turn and go north to Bedford. It will then proceed west on Bedford to Southwest Third, and will come back east on Jones Street to Southeast Fourth. The parade will then follow Fourth Street back to the Expo Building to disband.

Children are invited to ride bicycles, horses, go-carts, and motorcycles. It is not necessary for them to sign up, just meet at the Expo Building at 10 a.m.

Also, children can have their faces painted by the Art Club on the courthouse square before the parade. Bicycle and tricycle races are scheduled on the Gibson's parking lot.

A fiddlers' contest will be held at the Expo Building at 1:30 p.m. Weldon Bradley, who is in charge of the event, has recently visited three area contests and has spoken to several fiddlers about attending.

All fiddlers are invited to join in the competition. There will be cash prizes awarded to the top three participants — \$75 for first place, \$50 for second place, and \$25 for third place.

Dimmitt's volunteer firemen will conduct water polo contests beside the carnival at 4 p.m.

During the County Fair in the Expo Building, there will be a baby animal zoo in a nearby quonset barn. Everyone is invited to bring their baby animals; those wishing to do so should call Neal Tindol at 647-4115.

Also, the Castro County Museum will have open house on Saturday from 10 a.m. to 5 p.m.

Closing the festivities will be a Harvest Days Dance from 9 p.m. to 1 a.m. at the Expo Building. Music will be provided by the Rough Riders.

Revival is underway at Assembly of God

The First Assembly of God is featuring Rev. Randy Hatley in a revival this week. Services are at 7:30 nightly at the church located on Southeast Second and Belsher.

Rev. Randy Hatley

Rev. Hatley has been associate pastor at the First Assembly of God in Seminole for the past two years. Upon completion of the revival, he will enter a new ministry of radio evangelism, working with Radio Station KBSN in the Odessa Crane area. The station will be enlarging its facilities to 10,000 watts, and Rev. Hatley will host a talk show.

This Sunday will be a "big day" at the First Assembly of God with a western theme, according to Rev. Monte Wike. He has been preaching for several Sundays about the harvest and will conclude the series Sunday morning.

"We're expecting a record crowd in Sunday School, and a covered dish luncheon will be served following services at noon," Rev. Wike said.

Of special interest to all area churches is the "Fifth Sunday Singing" which will begin at 2:30 p.m. Sunday. All groups or soloists are urged to participate and the public is invited.

Sunday night, Rev. Hatley will give his testimony on how God changed his life.

Young Farmers, Homemakers prepare for Area I banquet

The annual Awards Banquet for the Area I Young Farmers and Young Homemakers will be held at the Villa Inn in Amarillo Sept. 6.

Awards to be presented to Young Farmers include Star Young Farmer, Young Farmer Public Relations, Outstanding Young Agribusinessman, Outstanding Associate Member, Outstanding Chapter, Outstanding New Chapter, Outstanding Area Officer and Electric Energy Management Award.

The Young Homemakers' awards will be for the Outstanding Chapter, Outstanding New Chapter, Outstanding Young Homemaker and Future Homemaker, Honorary Membership and Energy Management Award. The sponsors for the awards are the Investor-Owned Utility

Companies of Texas and Pioneer Natural Gas Co.

Dr. Berlie J. Fallon, educator, humorist from Texas Tech University, will be the speaker at the banquet.

The Young Farmers and Young Homemakers are education organizations for young adults under 35 years of age. They are sponsored by the Texas Education Agency and local Vocational Agriculture and Vocational Homemaking Teachers. Area I is composed of 38 Panhandle and South Plains counties.

Mr. and Mrs. Max Eubanks of Farwell serve as presidents of the two organizations.

Mrs. Alfred Sammann of Dimmitt is parliamentarian and reporter for the Area I Young Homemakers, and Teddy Smithson of Dimmitt is secretary of the Area I Young Farmers.

ATTENTION ALL FARMERS, CREW CHIEFS AND PARENTS:

Every Child between the ages of 7 and 17 inclusive residing in Castro County must attend regularly either public or parochial school. The parents of such children not requiring them to attend school may be subject to heavy fines. Crew Chiefs may not work school age children during school hours. Farmers may be subject to heavy fines if they permit school age children to work on their land during school hours without a permit.

Dimmitt Public School:	Classes begin August 21
Nazareth Schools	Classes begin August 21
Hart Schools	Classes begin August 21
/s/ M. L. SIMPSON County Judge Castro County Dimmitt, Texas	

ATENCION RANCHEROS, CONTRATISTAS, Y PADRES DE FAMILIA:

Cada criatura de edad 7 hasta 17 que resida en el Condado de Castro tendra que asistir a la escuela diaria, ya sea publica o parroquial. Los padres que no manden a sus hijos a la escuela, tendran que pagar una multa. Los contratistas no pueden hacer que trabajen criaturas durante horas de escuela. Los rancheros tendran que pagar multa si permiten que criaturas trabajen en sus labores durante esas horas sin permiso.

Se registrarán para la escuela pública de Dimmitt comenzando el día 22 de Agosto. Las clases comienzan el día 21 de Agosto. Las clases en Hart comienzan el día 21 de Agosto. Las clases en Nazareth comienzan el día 21 de Agosto.

Albrachts celebrate golden anniversary

Mr. and Mrs. Alphonse Albracht of Fremont, Neb., former residents of Nazareth, recently celebrated their 50th wedding anniversary with a mass and reception at St. Patrick's Catholic Church in Fremont.

Alphonse Albracht and Leona Pohlmeier were married Sept. 30, 1930 at the Holy Family Church in

Nazareth. They have nine children, 28 grandchildren and three great-grandchildren.

The children include four sons, Dale and Gary of Modesto, Calif., Wayne of Madison, Neb., and Dick of Woodward, Iowa; five daughters, Ethel Heiman of Sterling, Ill., Mickey Weidner of Madison, Neb., Hatley Harsh of Columbus, Neb., Sue Whorlow of Omaha, Neb., and Jane Roberts of Amarillo.

Relatives from this area who attended the celebration included Mrs. Max Acker, Paul Pohlmeier, Mr. and Mrs. LeRoy Pohlmeier, Mr. and Mrs. J. C. Pohlmeier and Mr. and Mrs. Philip Pohlmeier, all of Nazareth; Mr. and Mrs. Virgil Pohlmeier of Tulsa; Mr. and Mrs. Brian Pohlmeier of Muleshoe; and Mr. and Mrs. H. D. White and Germaine Pohlmeier of Amarillo.

Becky Hand is honoree

Becky Hand, formerly of Dimmitt, was honored at a coffee-shower Monday evening in the home of Mrs. Bill Clark. Miss Hand is the bride-elect of Chris Book of Nazareth.

Daisy corsages were presented to Miss Hand, to Mrs. Robert Hand of Dennison, Iowa, mother of the bride-to-be; and to Mrs. George Book of Nazareth, mother of the groom-to-be, by the hostess, Mrs. Donald Wright.

Miss Hand was assisted in the opening of gifts by Sherri Kenworthy, and Amy Merritt. Mocha punch and assorted cookies were served by the sisters of the prospective groom — Loretta Kelly and Gail Book.

Guests included Mrs. Agnes Brockman, grandmother of the groom; Regina Steffens, Irene Wilhelm and Margaret Brockman, aunts of the groom; and cousins Florine Brockman and Teresa Brockman.

Other hostesses were Irene Wilkerson, Elois McMasters, Lois Wales, Carole Dyer and Sue Merritt.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

AUGUST 28 — Mr. and Mrs. Jerry Ward, Tim and Linda Patton, Don and Verbie Nelson, Jack R. and Murna Miller, Jim and Rhynetha Weatherford.

AUGUST 29 — Karl and Mary Jackson, C. B. and Jean Lunsford.

AUGUST 30 — Bill and Jo Behrends, Kenneth and Rochelle Oldham, Ewell and Nell Kelly.

SEPTEMBER 1 — Bob and Paula Bradford, Ed and Leola Ramaekers.

SEPTEMBER 2 — Tomas and Ercilia Pina, Bill and Bernita Hoelting.

SEPTEMBER 3 — J. R. and Lynette Rials, Bob and Helen McLean.

Plainview to host hospital auxiliaries

Plainview will host a meeting of the Texas Association of Hospital Auxiliaries Sept. 9 at the First Presbyterian Church at 2101 Utica.

Registration will begin at 9:30 a.m., with the meeting to start at 10. Mrs. R. E. DeBaKey of Houston, state president, will be the featured speaker in the morning session.

At noon there will be a style show and luncheon. Price of the luncheon is \$8 per person.

The afternoon session will feature a panel discussion by past presidents of the TAHA. The meeting will adjourn at 2:30.

All members of the Plains Memorial Hospital Auxiliary are urged to attend. Those planning to go should contact Nell Ingram at 647-4488 after 9 p.m.

More about Dam ...

[Continued from Page 1] Milton said. He explained that public access to the lake and its shores would be subject to the approval of the landowners, the Graham sisters.

The \$1.5 million project cost is only the construction cost, SCS officials explained. That figure doesn't include the costs of contract administration, inspections and vegetation.

The Soil Conservation Service expects to formally accept the reservoir from the contractor in about a month. The SCS will then turn it over to the county — the project's official "sponsor" — when the Commissioners' Court votes to accept it under the terms of a 1970 agreement.

Police calls

Law officers in Sayre, Okla., recovered a car Saturday night that had been forcibly stolen from its owner here Aug. 17, and an illegal alien man is in jail here, charged with stealing it.

Simon Martinez Jr. reported to the Sheriff's office Aug. 17 that two men who were riding with him near Dimmitt in his 1972 Ford LTD sedan had knocked him unconscious and taken his car.

Sheriff's officers issued a stolen-car report over both Texas and interstate law enforcement wires, and Saturday night the report paid off when officers in Sayre impounded the car and arrested its driver.

Sheriff's officers identified the suspect as Jaierr Lira Chavarra, a resident of Mexico, and said his companion reportedly had returned to Mexico after the car-theft incident here.

Sheriff Granville Martin returned Chavarra here from Sayre Monday to face a charge of unauthorized use of a motor vehicle. Chavarra is in the County Jail under \$5,000 bond.

Martinez accompanied Martin to Oklahoma and drove his car back home.

Sheriff's officers and Texas DPS troopers during the week arrested and booked seven persons for public drunkenness and DWI, two suspected illegal aliens, one on a bad check charge, one on a bond forfeiture for failure to appear in court, and two for theft over \$200.

One of the theft complaints was filed against a 22-year-old Hereford woman who was charged last Wednesday with cashing worthless checks in the Dimmitt area. Her bond was set at \$3,000.

The other felony theft charge was an old one reinstated against Bobby Dean Bossett, 25, of Hereford, who was on probation. He has been charged with violating probation and forfeiting bond.

Dimmitt police jailed seven persons during the week on misdemeanor charges that included public drunkenness, simple assault, theft under \$5, and failure to appear in court.

coaches, and by Assistant County Agent Neal Tindol. Their other coach, Ed Standlee, stayed home and gritted his teeth all the time they were gone.

"It was beautiful up there," Kenworthy said. "The weather was beautiful — there was no wind at all."

"But the humidity was awfully high, and I had an allergy that caused me some problems," Stanford said. "I was sneezing and having to blow my nose all the time, between shots."

"The people were very friendly," one of the boys commented. "One thing was kinda funny, though — every time someone heard we were from Texas, they'd ask us why we weren't wearing cowboy hats and sideguns. And they were serious — especially the guys from Canada."

"We saw all kinds of guns on display," Hatla said. "They had special displays set up — new guns. We went through the Trapshooting Hall of Fame, too."

The Grand American range, Kirby said, "has got a full mile of trap houses with open green grass behind them. It's beautiful. We had to ride little buses to get to the different shooting area."

"The boys were really impressed," Coach West said. "I didn't realize it would be as big as it was, either. You can read about it, but seeing it is something else. We all really enjoyed it."

The boys arrived back home last Thursday afternoon, and were ushered into town by a police escort. They already had missed their first day of school, but they didn't seem to mind.

Monday, they were guests of honor at the Kiwanis Club meeting. And this week, their names are being engraved in the Trapshooting Hall of Fame at Vandalia.

More about Clayton ...

[Continued from Page 1] going to give it back to L. G. Moore next time he's here, and I'm going to sit down with him and have a little talk with him."

Clayton told the News Tuesday night that he had "considered Moore to be one of the few friends I had in the labor ranks," and that he expected Moore would be back in his office sooner or later, and he could return the money to him then. But he said the Justice Dept. filed charges before he ever saw Moore again.

"There was no conception in my mind whatsoever as to what they were up to," Clayton said. "There was no question but what I was on a totally different wave length than what they were. They said they could save the state a million dollars. I think any

public official would have listened."

Clayton said he was "totally pleased" with the Sept. 8 trial date set by US District Judge Robert O'Connor Jr. He had requested a trial before the legislature reconvenes in January, and says he'll still seek a fourth term as Speaker of the House.

Despite defense motions for a dismissal of charges, Clayton said a dismissal "would have been disastrous to us from a political standpoint, because we need the chance to prove our innocence."

REPAIR all leaking water faucets. A slow drip can waste as much as 170 gallons of water a day and add \$5 a month to your water bill.

History book goes to press

The Castro County History Book has gone to the publishers.

Final copy was delivered to Craftsman Printers in Lubbock last Thursday afternoon, and was forwarded to Taylor Publishing Co. in Dallas Monday in time to meet the final deadline.

All deadlines were met on schedule, the Historical Book Committee announced. The project has represented a hard year's work by many local volunteers.

The history book will consist of 533 pages, plus a surname index of about 20 pages. The index contains 2,691 surnames beginning with all the letters of the alphabet except x.

Of the 533-page body of the history book, 17 pages are of Establishments, 17 pages of Organizations, five pages of Man vs. the Elements, seven pages of Man vs. Illness, six pages of Celebrations, 22 pages of Schools and Communities, 19 pages of Churches, 338 pages of Family Histories, 27 Tribute pages, 19 Memorial pages, 11 pages of Clubs and Organizations, 37 Business pages and eight miscellaneous pages.

Books can still be ordered until Sept. 22 for \$35 including tax, plus \$2.25 if mailed. If there are any extra books for sale after publication date, the price will be \$45. The books are scheduled to be off the press before Christmas.

MAJA MARTINEC of Yugoslavia "signs in" at Dimmitt High School Monday morning to officially start her year here as an American Field Service exchange student. Helping her register is DHS Secretary Laverne Bernethy. In left background is Maja's American sister, Debbie Hrabal. Maja [pronounced MY-ah] arrived at the Amarillo Airport Friday and

was met by her American host family, the Jim Hrabals. The new AFS student is from the Croatian capital of Zagreb, a city of more than a million in northern Yugoslavia. She speaks four languages, including English. Dimmitt is hosting two AFS students this year; the other is Catherine Mongeau of Quebec, Canada, who is living with the Doug Pybus family.
