

## Opening of Annual County Fair Set Thursday

### CRA WINS IN FIRST TEST OF POWER RIGHTS

By United Press  
AUSTIN, Sept. 24.—Lower Colorado River authority, the southwest's "Little TVA" stood for tonight in opening skirmishes of its battle with utility companies for a wide "central Texas" power market.  
Eight town elections next week will decide the bitter battle. This week Lampasas and Fredericks voted for municipal distribution systems to use LCRA's cheap power.  
Tabulation of votes had not been completed on similar elections held today at Bastrop, Burnet, Marble Falls and Smithville. Next week's elections will be at Marcos, Gonzales, Cuero, Eckhart, Schulenburg, Llano, Alder and Kyle.  
Texas Power and Light company has some of these communities among its 200 patron-towns. Central Power and Light company serves some. Texas Public Service company serves Smithville.  
Individually the markets mean little in the power picture. San Marcos, one of the largest, buys about \$80,000 worth a year. Combined they simplify transmission, scattered among power sources by willpower and the coast.  
LCRA's combination flood control, irrigation and power project financed by \$24,000,000 federal grant and a \$15,000,000 PWA loan. It must make and sell power at the \$15,000,000. New deal congressman Lyndon Johnson, whose district received the grants, has taken to the airwaves to aid city bond issues.

### Death Pyre of Army Air Chief and Aide

In the flaming wreckage of the single-engine plane, pictured above, Maj. Gen. Oscar Westover, chief of the army air corps, and his aide, Sam Haynes, crashed to their deaths at Burbank, Calif. The 55-year-old No. 1 flyer of the army was circling his plane to land when it burst into flames and plummeted to earth.

### NEW ENGLAND DISASTER TOLL STILL MOUNTS

By United Press  
New England's disaster from hurricane, tidal waves and floods came into full realization today for the first time. The dead numbered almost 600, the damage \$350,000,000, the homeless refugees 20,500.  
These tolls were growing rapidly as the first semblance of order was reestablished. Already the known dead numbered 597 and the search of a 500-mile stretch of ruined shorelines still was far from complete.  
A thousand coast guardmen patrolled the coast where villages from Newport, R. I., to Cape Cod, Mass., were wrecked and famous resorts and landmarks obliterated.  
In the interior 500,000 rescue and relief workers had begun the rehabilitation of Rhode Island, Connecticut, Massachusetts, New Hampshire and Vermont. Their first task was the caring for refugees who crowded armories, schools and public buildings.  
National Guardsmen ruled in most cities. There were acute shortages of food, clothing and medicine, dangers of disease and fires breaking out as soon as the heaps of debris had dried. There had been looting near Cape Cod.  
National Guardsmen fired on one gang of looters last night.

### Czechoslovakia Is Now Armed Nation

By United Press  
PRAGUE, Czechoslovakia, Sept. 24.—This nation was a nation at arms today, with approximately 2,000,000 men ready to take the field at any instant. Early today the government radio station announced that emergency mobilization of every fighting man has been a "brilliant success."  
The atmosphere in the republic was tense but calm and the morale of the populace seemed high.  
The government, under Gen. Jan Syrový, commander-in-chief of the army, was obviously prepared for any eventuality.

### Jugoslavs Ready To Aid the Czechs

By United Press  
BELGRADE, Yugoslavia, Sept. 24.—Approximately 5,000 men gathered before the Czechoslovak legation today, noisily offering to fight for the Czechs.  
The demonstration reflected the intense excitement prevailing in Yugoslavia since the Czechs issued their mobilization decree.  
The latest figures on the comparative manpower of leading European powers are those compiled by Maj. R. E. Dupuy at West Point and Maj. G. F. Eliot, military intelligence reserve, in 1937, for their book, "If War Comes."

### Ranger Masons Meet With Cisco Lodge

D. L. Jameson, R. H. West, C. H. Suits and F. D. Hicks were visitors at Cisco Friday night, where they attended a Masonic meeting.  
Announcement was made at the Cisco meeting that two master's degrees would be conferred on Tuesday night, Sept. 27, beginning promptly at 7 o'clock.  
A large crowd of Masons are expected to attend from both Ranger and Eastland as well as from other points over the territory.  
After the meeting Friday night ice cream and cake were served to some 25 or 30 Masons.  
Those desiring to attend the meeting Tuesday night are asked to get in touch with C. H. Suits at the Paramount hotel or D. L. Jameson.

### Episcopal Service Slated for Tonight

The Eastland county Episcopal church services will be held in the Women's club building on Plummer street in Eastland tonight.  
The services are set with the young people's at 7:15 p. m., and the evening prayer and sermon at 8 p. m.  
Rev. Austin B. Mitchell, Jr., of Mineral Wells, priest-in-charge, will conduct the services, and a welcome is extended to everyone at the services, it was stated.

### Rev. Blunk Is New Pastor of Church

Rev. J. B. Blunk, former pastor of the Vaughn Boulevard church in Fort Worth, has accepted the pastorate of the Eastland First Christian church.  
Rev. Blunk will conduct his first services today at the morning hour, 11 o'clock, and also the evening worship period at 7:30.  
Charge of driving while intoxicated was filed Saturday against M. C. Ellis of Eastland following a collision one mile east of Eastland on the Ranger highway.  
Justice of Peace E. E. Wood and Constable Hugh Carleton stated Ellis' automobile struck a car in which F. O. Webb of Amarillo, Lawrence Henry of Dallas and J. B. Reed of Dallas were riding.  
No one was injured.

### Driving Drunk Alleged In Court

Charge of driving while intoxicated was filed Saturday against M. C. Ellis of Eastland following a collision one mile east of Eastland on the Ranger highway.  
Justice of Peace E. E. Wood and Constable Hugh Carleton stated Ellis' automobile struck a car in which F. O. Webb of Amarillo, Lawrence Henry of Dallas and J. B. Reed of Dallas were riding.  
No one was injured.

### Morton Valley PTA To Hold Meeting

The Morton Valley Parent-Teacher Association will hold its first meeting of the new school year Tuesday, Sept. 27, at 8 o'clock.  
Everyone is invited and the parents are urged to attend.

### ALL EUROPE IS READY FOR A WAR TO START AT MOMENT'S NOTICE

By United Press  
Europe's fighting forces prepared for war tonight while diplomats struggled for agreement on a peaceful solution of the crisis over Czechoslovakia.  
Prime Minister Neville Chamberlain returned to London with Chancellor Adolf Hitler's "final" demands for the dismemberment of the Czech republic. If they can be made acceptable to Great Britain and France with the Czechs concurring, war may be averted. If not there appears to be grave danger that Germany's troops will march on Czechoslovakia. Both countries are prepared.  
As the British cabinet met to hear Chamberlain's report on his second visit to Hitler in Germany, mobilization orders went into effect in various forms in France and Belgium, and London prepared to mobilize Great Britain's armed forces on a moment's notice.  
Major developments:  
Paris: Government orders partial mobilization of army, navy and air forces, drawing from her 5,500,000 trained reserves.  
London: British high command prepares plans for instant mobilization of all armed forces by land, sea and air. Prime Minister Neville Chamberlain returns by air from Godesberg to confer with cabinet and present "final offer" to Czechoslovakia.  
Geneva: Great Britain sounds out possible allies among foreign delegates to the League of Nations.  
Bucharest: Roumanian government completes arrangements for immediate mobilization of armed forces.  
Prague: Czechoslovakia becomes armed nation with approximately 2,000,000 fighting men mobilized.  
Padua: Premier Benito Mussolini of Italy warns that Czechs have one week to answer Hitler's proposals.  
Berlin: Reliable quarters say Hitler's "final proposal" stipulates that Czechoslovakia must indicate by Oct. 1, its intention to withdraw Czech troops from Sudeten areas to be ceded to Germany.  
Brussels: Belgium mobilizes military and technical units of the army and the 1937 militia class of the artillery regiments.  
Washington: Official Washington watches tense European situation, with anxiety. Maintains silence over war moves.

### Slip While Leaving Train Brings Hurts

Considerable bruises were suffered early Saturday morning by E. Payne when he fell to the ground while descending from a passenger train at Eastland.  
Payne, who was taken to the Payne hospital in Eastland, told officials his foot slipped on the train platform steps when he was starting to descend.  
The Eastland resident had been to Ranger. Following the injury he was taken to the hospital by a Hamner company ambulance.

### Christian Church To Have Singing

A community singing will be held at the First Christian church this afternoon at 2:30, to which the public is invited.  
Several noted quartets from out of town will be present. A good crowd is anticipated.

### CITY COMMISSION OF RANGER GIVES VIEWS ON WATER BOND ISSUE

The Ranger city commission Saturday issued the following statement concerning the proposed water revenue bond election to provide a new lake for Ranger's water supply:  
"To the editor of the Ranger Times:  
"We, the city commission assured you we would give you our view in regards to the bond election to be held October 11, 1938, for the purpose of building a new lake.  
"We secured the service of John B. Hawley of Fort Worth, Texas, as our water engineer. This firm is supposed to be as good as there is in the state of Texas. We asked this firm to give us detailed reports and possibilities of securing a new water supply for Ranger through the aid of the WPA and PWA government agencies, whereby our water rates and taxes would not be increased in the future.  
"This commission is very anxious to see our taxes reduced rather than increased and has worked every way possible to get the property taxes reduced and at the same time maintain an efficient city organization.  
"Mr. Hawley's company believes it possible for the lake and

### Annual Report Of Legion Auxiliary Made By Officers

The following is the 1938 annual report of the Carl Barnes Unit No. 69 of the American Legion Auxiliary during the presidency of Mrs. J. D. McClister.  
The Auxiliary held their annual Poppy sale during Homecoming week instead of on Armistice Day, selling one thousand Veterans made poppies and realizing over One Hundred dollars. We also sold at this time the book, "Were You in Ranger" written by Boyce House and cleared \$8.00 on the sales.  
During the year the Auxiliary has sent "Get-Well" cards and flowers to all Auxiliary and Legion members who were sick  
(Continued on Page 5)

### New Air Chief

Gen. Henry H. Arnold, above, regarded by colleagues as a "spark-plug of the air service," became chief of the Army Air Corps following the death of Maj. Gen. Oscar Westover in a plane crash at Burbank, Calif. Westover, 52 years old and a native of Pennsylvania, began flying in 1911 when the air force consisted of two planes.

### VARIED SLATE OUTLINED FOR 3-DAY SHOW

Opening Program To Be Provided By Cisco  
Eastland County Fair officials Saturday predicted that the annual event, scheduled this year for Thursday, Friday and Saturday at Eastland, will be one of the most successful ever staged.  
This year's show marks the twelfth staged at Eastland.  
Cream of community exhibits as shown at local fairs in recent weeks are to be arranged by opening date for the county fair.  
The county fair each year is regarded as one of the most important events of Eastland and Eastland county. Many of the exhibits are expected to surpass in quality those of last year. Because of frost this year, however, fruit exhibits will be lacking, it was stated, in proportion as is the usual case.  
The dairy show division of the fair, according to advance indications, promises to be the most successful held.  
Exhibits will be seen at the old Pickering Lumber company building and lot on North Seaman street. A carnival also is located on the 3436 street.  
Of considerable interest also is the rodeo to be staged by the carnival company. Although the fair is slated for three days, the carnival is booked at Eastland for the entire week.  
The carnival's receipts are to be shared with the Eastland Fair association.  
Cisco will be honored Thursday, first day of the fair. For several years Cisco has provided a program on the opening night of the fair.  
On Friday the day has been set aside for "Eastland County Communities' Day." Saturday will be "Ranger Day."  
Ed T. Cox, Sr., pioneer resident of Eastland and the county, for the second successive year is general superintendent of the fair.  
Assistant Chairman is Frank Castleberry; H. J. Tanner is secretary and C. J. Rhodes is treasurer.  
For the livestock department W. E. Richardson is chairman, assisted by E. E. Walker, W. L. Connell, Louis Pitzer, Rufus Cox and A. W. Armstrong.  
Wayne Thurman is chairman of the agricultural department. He is assisted by Herbert Wende, G. F. Bennett and Mrs. W. E. Albert.  
Co-chairmen of the community agricultural exhibits are Mrs. John W. McKinney and Mrs. D. J. Jabe. County Agent Emie V. Cook is to serve as individual farm educational exhibits chairman.  
In the women's department, Miss E. E. Layton, L. A. Highower, James Horton and Curtis Elmore are in charge. All aspects of home-making are to be recognized in the women's department.  
L. R. Higginbotham is the chairman of the boys' 4-H club department and Mues, M. W. Grieger and W. N. Jenkins are co-chairmen of the girls' 4-H club work department.  
Another feature of the fair is a conference football game Friday afternoon between the Eastland Mavericks and Ranger Bulldogs.  
Many entries are expected for the square dance contest Saturday night.

### MAVS DOWNED BY 39 TO 6 IN GRAHAM GAME

The Graham Steers defeated the Eastland Mavericks 39 to 6 Friday night in a non-conference game at Graham.  
The Steers marked up six touchdowns, one safety and one extra point while a lone touchdown was the tally of the Mavericks.  
The Steers received and Jim Bennett ran 65 yards to score in the third play of the game, and he scored once more in the first quarter.  
Stewart scored for Graham in the second and the extra point was made with a pass. Bennett scored twice in the third quarter and once in the fourth.  
Eastland made a touchdown on a 32-yard pass from Bobby Furse to Buck Perine.  
The Steers were penalized 60 yards and the Mavericks five. The Steers had a punting average of 18 yards to the Mavericks' 22. Graham attempted 17 passes and completed seven for 153 yards, while the Mavericks attempted 11, completed two for 39 yards and had two intercepted. The Steers made 246 yards on runs and lost 15; Eastland made 16 yards and lost 12. The Steers made nine first downs and the Mavericks one.  
The line-up: Eastland—Carl Bryant, left end; Tom Davenport, left tackle; Carl Van Geem, left guard; Fuzzy Furse, center; Sid Barham, right guard; Jimmy Young, right tackle; Buck Perine, right end; Bobby Furse, quarterback; Jack Bagley, left half; Barney Smith, right half; L. W. Mitchell, fullback.  
Graham—K. Helvey, left end; J. Hayes, left tackle; G. Cougar, left guard; H. Langford, center; Jug Bennett, right guard; Carter, right tackle; Newby, right end; Jim Bennett, quarterback; Jack Repass, left half; Bill Stewart, right half; and Roy Clinton, fullback.  
Eastland substitutes were Neal Samuels, Charles Bush, S. J. Tennant, Lewis Bassett, Sonny Self, M. C. Sparr, J. P. Biggs and Guy O'Neill.  
The Graham team had 24 substitutions, at one time sending in 11 men.

### Germany Sets Oct. 1st Deadline On Czech Demands

By United Press  
BERLIN, Sept. 24.—Germany sets Oct. 1, as the deadline for withdrawal of Czech troops and police from the Sudeten areas to be ceded by Czechoslovakia to Germany, it was disclosed today.  
A summary of Adolf Hitler's demands showed that Prague must agree to the withdrawal by that date and that German troops and police will take over as soon as the Czechs have moved out.  
Areas 70 per cent German will be taken over immediately. Others with a heavy German population after a plebiscite.

### Shamrock Man Is Killed In a Fire

By United Press  
SHAMROCK, Tex., Sept. 24.—Robert L. Walker, 30, prominent Shamrock business man, died of suffocation today when fire of undetermined origin badly damaged his home.  
Firemen found Walker's body near a window. He apparently had been overcome while attempting to escape from the blazing house. He was alone in the house at the time of the tragedy.

## Program for Women's Clubs' District Meeting Announced

The following program for the forum of the sixth district of Texas Federation of Women's Clubs, was arranged by Mrs. William Reagan, forum leader, of Cisco. It is to be held in the Hilton hotel in Abilene, Thursday, Sept. 29, beginning at 10 o'clock. Many Ranger women are expected to attend. The program follows:

Theme—Club Ethics.

Miss Ethel Foster, presiding.

Assembly singing—"America, the Beautiful."

Invocation and club collect—Mrs. J. M. F. Gill, Abilene.

Welcome—Mrs. Morgan Jones.

Response—Miss Ethel Foster.

Club loyalty—Mrs. Alex Spears, Cisco.

A symposium—Mrs. M. H. Hagaman, incoming president of sixth district, Ranger.

The object of being a club woman.

The president—Mrs. John Duckler, Ranger.

The vice president—Mrs. C. D. Bruce, Santa Anna.

Secretary-treasurer—Mrs. Roy-al Headrick, Sweetwater.

Club ethics—Mrs. H. B. Broad-us, Colorado.

Program and program planning—Mrs. Greenleaf Flak, Abilene.

Press and publicity—Mrs. John Perry, Sweetwater.

Parliamentary law—Mrs. Frank Friend, San Angelo.

Federation objectives—Mrs. Joseph Perkins, Eastland.

Open forum.

Safety on the highway—Mr. Harry Hines, Wichita Falls.

Luncheon—Hotel Hilton.

Our federation song—Assembly 2:00 p. m., Headquarters building.

Mrs. Richard Turrentine, president—Open forum.

Texas, Our Texas—Assembly singing.

Mrs. Morgan Jones, president of the Abilene City Federation, will be hostess to the district gathering.

## Mrs. Burks Honors Friends

Friday afternoon, Mrs. Ava Nell Burke entertained members and friends of Julia Alexander grove No. 1954 with a party honoring Mrs. LaVeda Anderson, who is moving to the Hohertz lease near Strawn, and Mrs. Ella Reynolds, who has recently moved to Mineral Wells.

Games were played, a plate of chicken salad sandwiches, potato chips, cookies and iced tea was served to the following: Misses Thelma Bott, Bessie Harris, Ruby Greer, Lena McDonough, May Easley, Lena Patterson, Edna Wil-

liamson, Ruth Booth, Minnie Shirley, Viola Cash, Annie Vaughn, Jewel Green, Lillie Wilson, Don McCarthy, O. F. Sides and F. C. Williamson, Jr.

Those sending gifts who were unable to attend were Mrs. Viola Brink, Mrs. M. G. Martin, Mrs. C. P. Simon and Mrs. Elbert Young.

## Mr. and Mrs. McCleary Are Showered on Wedding Anniversary

The Woodman circle members went to the home of Mr. and Mrs. John McCleary and presented them with a cake and a large assortment of gifts on their fiftieth wedding anniversary.

Mrs. McCleary has been a member of the Woodman circle for over 25 years.

## Mrs. McLaughlin is Hostess To Ladies' Safety Club

On Thursday afternoon the Illinois Pipeline company Ladies' Safety club had its first meeting with Mrs. J. R. McLaughlin, Sr., at her home, Gholson hotel, in the form of a "stunt party."

Stunts and games were indulged in, after which the hostess served a refreshment plate to the following ladies: Mrs. L. S. Waddington, Mrs. C. G. Hubbard and daughter, Veona, of Mingus; Mrs. Jack Hensley, Mrs. Arthur Allison, Mrs. R. J. Stevenson, Mrs. B. E. Rigby, Mrs. J. R. McLaughlin, Jr., Mrs. Ola Johnson, Mrs. J. R. Richardson, Mrs. L. B. Gray, Mrs. Jack Bowen, Mrs. H. E. Angus, Mrs. M. Wilson, Mrs. O. R. Ervino, Mrs. G. C. McGowan, Mrs. R. O. Bundick, Mrs. E. V. Ingram, Mrs. C. B. Clemmer, Mrs. Frank Weekes, Mrs. N. L. Seymour and Mrs. Elmer Lyon.

The club will entertain the husbands and families with a picnic supper at the country club Oct. 1. Mrs. Allison and Mrs. Bundick will be hostesses for the next meeting.

## Hodges Oak Park P-T-A. Will Meet Tuesday

The Hodges Oak Park Parent-Teachers association will meet at the school at 3:45 Tuesday afternoon. All mothers are invited to attend.

## Just a Bit Personal

Rev. J. C. Atkins and family arrived Saturday afternoon for a visit with the former's mother, Mrs. Sarah Atkins, of 721 Spring road. Other relatives who are to enjoy the visit include a brother, Foy Atkins; three sisters, Mrs. Leonard Shaw, Mrs. Ethel Stevens and Mrs. Jewel Boney, the latter living on route one. Sunday they will be guests of the Assembly Church of God on Strawn road, which Rev. Atkins formerly served as pastor for two years. Early next week they will go to Edinburg, Texas, where Rev. Atkins will begin another pastorate. Mrs. Atkins is a sister of Mrs. Charles Ashcraft, Young street, who will also have part in their visit.

## Mr. and Mrs. J. H. Welford and daughter, Miss Bessie Acy-craft, of Moran, were Saturday dinner guests of Mrs. Ashcraft's daughter, Mrs. C. E. Hathcock of Colony community and afternoon business visitors in Ranger.

Lee Shirley and Miss Helen Dealey, H. H. Vaughn, Jim Ingram, J. Moore, Whitefield, B. E. Garner, Floyd Killingsworth.

Teachers attending were W. T. Walton, Cleo Powell, P. O. Bailey, James E. Blaylock and Miss Lolita Connelly.

Miss Gladys Hicks, Mrs. Florence Davis and Miss Inez Fickett teachers in the Morton Valle school, were shopping in Ranger yesterday.

A. W. Warford, former teacher in the Ranger high school but not associated with the Brownwood public schools, was visiting in Ranger, Saturday. His visit stopped at Gorman for a visit with her mother.

Antagonisms: An Asset to Tyranny

Never was the contrast between freedom and tyranny sharper than it is today. Hardly an issue of a daily newspaper appears without pointing it up.

One day's paper recently contained two stories which, when set side by side, express their own moral.

One of these stories came from Rome. It told how a decree of Mussolini's cabinet had ordered all Jews who moved into Italy since the World War to leave within six months. The measure applied to citizens and non-citizens alike, and asserted that the Jews represent "a dangerous factor in the spiritual and material life of the nation."

The other story came from Detroit, where a message from President Roosevelt was read to the annual encampment of the Jewish War Veterans of the United States. The message went as follows:

"The American people need no reminder of the services which those of the Jewish faith have rendered our nation. It has been a service with honor and distinction. History reveals that your people have played a great and commendable part in the defense of Americanism during the World War and prior wars, and have contributed much in time of peace toward the development and preservation of the glory and romance of our country and our democratic form of government."

In these two pronouncements from the heads of two great nations the divergent natures of tyranny and freedom are unmistakably revealed. It is not merely that the one is a harsh order of expulsion and the other a warm and friendly greeting. The very natures of the two kinds of society are involved.

A tyranny needs a scapegoat. There must be some one thing, or some one element, which can be blamed for things; something on which the discontent and blind antagonism of the people can be focussed. German tyranny decided to use the Jew for that scapegoat; bobbing along as the tail to Hitler's kite, Italian tyranny has decided to follow suit.

In a free state, the exact reverse of all this is true. Freedom must minimize the natural antagonisms of its people; it must give them a genuine and effective outlet for their discontent instead of inventing a fake one.

Free peoples don't want traditional rivalries and old suspicions sharpened. They have to get along with each other, and the easiest way is to be neighborly and let old hatreds die.

Does anyone need to ponder very long over this contrast before deciding which is the pleasanter sort of society to live in?

Solution No. 100957: A British general says beer-drinking makes people less warlike. Explaining the anti-militaristic spirit in Germany today.

Another Patient Coming Up for Treatment

WASHINGTON LETTER

BY RODNEY DUTCHER NEA Service Staff Correspondent

WASHINGTON.—Headaches were freely predicted for the administrator of the wage-hour act. But they're piling up in even greater numbers than anyone anticipated.

They march upon Administrator Elmer F. Andrews and his deputy, Paul F. Sifton, in the form of huge question marks—mostly involved questions as to who's covered by the law, which Congress tossed out to fall in the administrator's lap.

The law's automatic provisions for an initial minimum wage of 25 cents an hour and maximum 44-hour week take effect Oct. 24. BEFORE that time, employers must be advised what industries are to be considered in interstate commerce and thus affected. The act's language is broad, assuring "Commerce" means trade, commerce, transportation, transmission, or communication among the several states or from any state to any place outside thereof.

Already the question is asked: How about manufacturers who buy raw materials outside the state, but manufacture and sell only inside? The law exempts persons in "professional capacities." The Wage-Hour Division is being asked if this means nurses, clerks, newspapermen, private secretaries, office forces, and so on.

BY RODNEY DUTCHER NEA Service Staff Correspondent

WASHINGTON.—Walk up to the north penthouse of the new Department of Interior building and you'll decide right off that the federal government has gone in for radio broadcasting in a big way.

There are studios and equipment, reception, audition and conference rooms, offices and listening galleries, microphones and gaudy modern furniture in chromium and red leather—a layout which cost \$100,000 and outlines all but the bigger broadcasting stations.

But the government doesn't broadcast. This new project is operated by the new Radio Section of the Interior Department's Division of Information, and its purpose is to provide a sort of laboratory for preparation, rehearsal, and delivery to commercial networks of educational and informational programs from PWA, the Office of Education, National Park Service, Reclamation Service, and other of the department's bureaus.

By courtesy, the penthouse will be open to other government agencies when the radio section isn't using it. The big broadcasting auditorium with capacity for a 40-piece orchestra, choir or dramatic company is there because educational, informational programs require dramatization and entertainment quality if they are to be acceptable to broadcasting networks and large radio audiences.

The radio section will develop programs, then offer them to broadcasting companies, competing in the market. There's no intention of using the studio as point

to this question will require a huge amount of investigation.

THE law exempts persons engaged in the "first processing" in food industries and processing of other agricultural products for up to 14 weeks in any calendar year when employed in the "area of production" as defined by the administrator. What, Andrews would like to know, is the "area of production," in this, that and a thousand other cases?

Another nice little job for the administrator is computation of money value of board, lodging, and other facilities which are given as part of wages in many industries.

And what is a "trade association"? The Commerce Department lists 8000 of them, but finds some hastily dissolving as it sends out a searching questionnaire in a phase of the "monopoly" investigation. On the other hand, the Wage-Hour Division finds quite a few "trade associations," some of them obviously phony, springing up overnight and demanding representations on the "industry committees" which are to decide how much specific industries should increase the bottom minimum toward 40 cents an hour.

BRIGHT prospects for bitter C. I. O.-A. F. of L. battles over labor representation on the industry committees, with Andrews in the middle, are obvious. Many more problems of decision and interpretation are presented by the act. Already many low-wage employers say they won't or can't obey the law. Threats to sub-contract orders for home work are heard and in some southern states companies are reported to have set up dual organizations one to manufacture in interstate commerce, the other to transport and sell in interstate commerce. (Copyright, 1938, NEA Service, Inc.)

of origin for speeches by government officials, for whom a trip to a broadcasting station will be a least equally convenient.

First program out of the studio probably will be one of a series on conservation of natural resources. Dr. John W. Studebaker, commissioner of education, started all this, although he probably doesn't relish removal of the studio from his jurisdiction to the information division.

The Office of Education has supervised several major series of educational programs and Studebaker designed the studio as place to prepare for more. Studebaker believes ardently in teaching people what democracy really is. Hence the 13-part "Le Freedom Ring" series, dramatizing historically the bill of rights, freedom of the press, speech, worship and so on.

A popular science series called "The World Is Yours" was done in collaboration with the Smithsonian Institution. The "Brave New World" series dramatizing Latin-American historical episodes with emphasis on democracy, was partly designed to offset Nazi-Fascist radio propaganda in South America.

Aside from similar programs record transcriptions will be made for regional use. Shannon Allen, who was assistant director of the Office of Education's radio project (mandated and financed by WPA) is director of the radio section. Bernard G. Schoenfeld is chief script writer. Miss Lola Wyman, supervisor of audience preparation, will seek to build up both selected and general radio audiences for particular programs. The staff has only three other members.

ANNOUNCES SHADY GROVE FAIR WINNERS

Following is a list of winners in the women's department of the Shady Grove Community Fair, according to announcement Saturday of Miss Ruth Ramey, county home agent:

COOKING Cakes—White Layer: 1st Mrs. E. N. Strickland, 2nd Mrs. W. J. Poe, 3rd Willie Word. Coconut: 1st Mrs. J. T. Graves, 2nd Mrs. Clint Brittain. Lemon Cheese: 1st Mrs. Minnie Burson.

Devil's Food: 1st Mrs. L. J. Harrkridder, 2nd Mrs. J. T. Groves, 3rd Mrs. Frank Ziehr.

Pies Prune Pie: 1st Mrs. J. T. Groves, Apple Pie: 1st Willie Word, Pumpkin Pie: 1st Mrs. Billy Bacon, 2nd Mrs. Ira Hooker, Pecan: 1st Mrs. W. J. Poe. Caramel Pie: 1st Willie Word, 2nd Mrs. Minnie Burson. Cornbread Muffins: 1st Mrs. Ira Hooker. Biscuits: 1st Mrs. Ira Hooker, Ice Box Cookies: 1st Mrs. W. J. Poe, Peanut Butter: 1st Mrs. J. T. Groves, Light Bread: 1st Mrs. Ira Hooker.

FLAIN SEWING Slip: 1st Mattie Burson, Shirt: 1st Mrs. C. Britton, Dress: 1st Willie Word, Pillow Cases: 1st Willie Word. Fancy Sewing Colored Pillow Cases: 1st Veda Poe, 2nd Mittie Burson, 3rd Mittie Burson. Tatting: 1st Mrs. Clint Brittain, Scarfs: 1st Mittie Burson, 2nd Mittie Burson. Table Cover: 1st Mittie Burson, Quilts: 1st Mattie Burson, 2nd Mrs. W. Poe. Applique Quilts: 1st Mittie Burson.

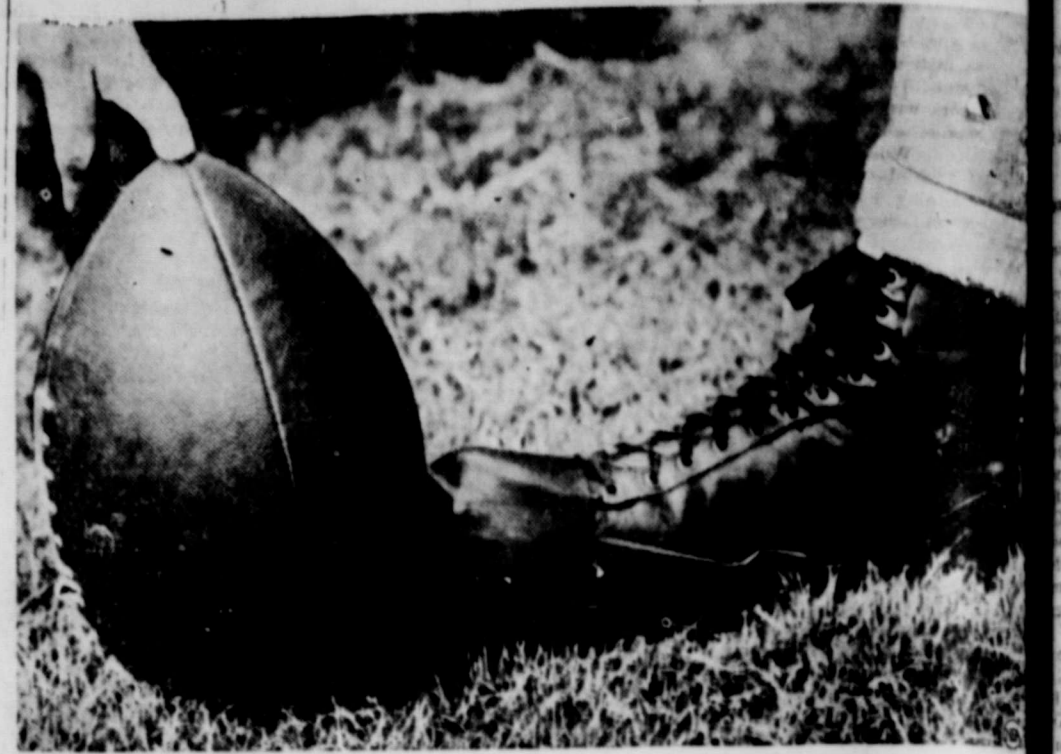

Quilt Tops: 1st Mrs. Parks Poe, 2nd Mittie Burson. Table Covers—Crotchets: 1st Mrs. W. Poe, 2nd Mrs. Groves. Line Stock Products Eggs: 1st John McKinney, Soap: 1st Willie Word, 2nd Mrs. Ralph Hagen. Relics: 1st Mrs. Ralph Hagen, 2nd Mrs. W. J. Poe, 3rd Mrs. W. J. Poe.

Canned Foods Corn: 1st Mrs. Frank Ziehr, 2nd Mrs. Billy Bacon. Potatoes: Mrs. Ira Hooker, Okra: 1st Mrs. Frank Ziehr. Beet Relish: Mrs. Frank Ziehr. Kraut: 1st Mrs. Shannon Ramsey, 2nd Mrs. Ira Hooker. Tender Greens: 1st Mrs. I. E. Ramsey.

Green Beans: 1st Mrs. Frank Ziehr, 2nd Mrs. Shannon Ramsey, 3rd Mrs. I. E. Ramsey. Ripe Tomato Catsup: 1st Mrs. Frank Ziehr. Tomato Juice: Mrs. Frank Ziehr.

Tomatoes: 1st Miss Willie Word, 2nd Mrs. Frank Ziehr, 3rd Mrs. George Atkins. English Peas: 1st Mrs. I. E. Ramsey, 2nd Mrs. Frank Ziehr, 3rd Mrs. J. T. Groves. Chunk Pickles: 1st Mrs. Ira Hooker, 2nd Mrs. I. E. Ramsey, 3rd Mrs. Shannon Ramsey. Dill Pickles: 1st Mrs. I. E.

Rubber Toe Brings First Football Kick

Intercollegiate football's first big kick of the season came after Phil Gaspar and Ralph Stanley of Southern California between them booted 59 out of 60 attempted placements in practice. The trouble was that the Trojans used a rubber toe, two inches wide and corrugated in front, which fits in the shoe and aids in keeping a place or drop-kick in line. The device was invented by Cecil Cushman.

Annual Report

(Continued from Page 1). sent sprays to bereaved families also distributed magazines in hospitals. Total amount spent for work was \$28.50.
Habitation and Child Welfare Work
The Habitation Committee sent clothing for the children of a veteran who was killed in an accident.
The County Relief Commission is getting an ex-sailor off the hospital by buying shoes and eating necessary clothing.
During Christmas we brought to several needy families a check to Department headquarters at Austin to cover gifts to ten veterans in the Hospital, also check for Veterans children.
We sent thirteen baskets of clothing and toys to needy families and one Veteran at Strawn, during Christmas week.
The Auxiliary bought shoes for school girl, and was instrumental in getting another High school girl back in school.
We gave a baby shower to a lady friend.
We bought sheets and pillow cases for another lady who was sick in bed.
We sent a check to the Brady Flood Relief Fund.
The Auxiliary conducted an after school sale for Texas Society crippled children; our part of proceeds to be used in local care work.
Total amount spent during the year for child welfare and Rehabilitation work—\$110.85.
We have a department Welfare, habitation and student loan fund to which the Auxiliary has contributed liberally.
Legislative Program:
During January, our Legislative chairman wrote letters and sent programs to our Congressman and senators, asking their support in passing the Universal Service Bill.
Community Service Program:
The Community service done by the Auxiliary the past year has been greater than ever. Under community service we started a program to have the negro school building repaired and remodeled. The School Board took it up and

His Speed Record Was Short-Lived

Records are made to be broken again, is the old saying, and it fell true for John Cobb, British daredevil, shown rearing across the mountain-framed Salt Flats at Donnevill, Utah, at 350.2 miles an hour. Shortly after Cobb set the record—a new world speed mark on land—his countryman, Capt. George E. T. Eyston, who had formerly held the record, regained his laurels with a 357.50 mile-an-hour run.

The work was started and they now have a new school building which is to be dedicated within a few days.
We sponsored an "Old Clothes Drive" for the WPA Sewing room, the clothes being renovated and later made into four hundred usable garments which were distributed to the needy families throughout this district.
We donated cash to the Ranger High School debating team for their sweaters.
March 15th being the 20th birthday anniversary of the American Legion, we, the Carl Barnes Unit No. 69 joined the Units throughout the country and celebrated same by entertaining our Post with a birthday party.
Several parties have been given during the year, using local talent for entertainment and several

Mother of 28, Now 62, Once Known As Child Bride

By United Press
DRUMMONDVILLE, Quebec.—Mrs. Daniel Lamothe, a "child bride" who has come to be known as Canada's "champion mother," has celebrated her golden wedding anniversary here.
Mrs. Lamothe, who is 62, has borne 28 children and adopted eight others during the 50 years she has been married. Only five of her own children and seven of the adopted are living.
Mrs. Lamothe was married at the age of 12 to Daniel Lamothe, who was then 19. She became the mother of a baby girl two years later, and during the next quarter-century the other babies arrived at one-year intervals. They included a set of twins.
Mrs. Lamothe said she "loved children," but sometimes had found it difficult to feed and clothe so many. She said she had adopted the eight children because she could not stand seeing them "homeless, helpless and without a mother's care." The last baby she adopted is 5.
"When I was a child," she said, "I was harshly treated after my parents died, and I swore that when I grew up I would do all I could to make life easier for other orphans."

State convention in Austin with expenses paid.
We closed our year's work with a membership of thirty senior members and three Junior members one senior member being a Gold Star mother. This enrollment being the largest since the year 1931.
Fall conventions being over and officers elected, the 1939 program will commence October 1st. The 1939 membership dues are now payable.
Respectfully submitted,
Mrs. J. D. McClister, President
Mrs. H. T. Schooley, Secretary and Treasurer.
Two delegates were sent to the

Twenty-Eight Irving Berlin Song Hits In Arcadia Offering Today

Above are scenes from "Alexander's Ragtime Band," 20th Century-Fox's Screen Cavalcade of America featuring a program of twenty-eight Irving Berlin song hits which will be the attraction extraordinary at the Arcadia theatre for two days starting today. In the upper left are the three stars Tyrone Power, Alice Faye and Don Ameche at the festive board; at the extreme upper right is Tyrone Power who portrays the role of the young maestro while in left center are Ameche and Power going over a new number. At the lower left Ethel Merman who portrays the role of hotcha singer while at the lower right Tyrone and Alice are shown in affectionate embrace. "Alexander's Ragtime Band" comes to the Arcadia theatre heralded as one of the season's outstanding smash hits.

Highway Safety Plays Big Part In Road Construction

AUSTIN, Texas.—Public policy and the idea of safety first is placing an important part in the design and construction of modern highways. Robert Leo Bobbitt, chairman of the Texas Highway Commission writes in an article in the September issue of Texas Parade.
"Very few could visualize ten years ago just what demands present day traffic was going to require of our highways of today. Just as it is now almost beyond vision as to what will be required of highways twenty years hence," the article states. "Some visionary prophet may try to paint a picture of highway transportation and its practical problems, twenty years from 1938.
"The rapid development of traffic and density and speed has now brought a full and definite realization of the necessity of safety in the design and construction of highways and structures to meet the demands of the traffic of today, tomorrow and even ten years in the future.
"Then Texas builds wide and impressive bridges and lays the ground work for wide, separated highways, the state is required to make, what to these unacquainted with the facts may seem, an extravagant expenditure; but to those who have a direct public responsibility and who have come to appreciate the importance of meeting the demands of the future, such expenditures are sound economic investments of public funds. As time progresses this foresight will be appreciated and commended by the public as a whole.
"Safety must and will be built into the highways of the future. The Highway Department of Texas is keeping that factor ever before it and its engineers as a guide for the future.
"Further, many existing highways have become, in many instances inadequate to meet present day traffic demands, and we are concentrating efforts to overcome the limitations and to remove the hazards as quickly as funds make possible.
"Public policy is the voice of the people. It has emphasized to the State Highway Department the public demand for safer highways, and prompt and additional safeguards on existing roads.
"Full utilization and appreciation of highways can come only as safety is built into them.
"The elimination of physical hazards, reduction of congestion, and the freeing of traffic flow always yield enormous dividends in highway safety. Accordingly, the first consideration in highway de-

sign—compatible with funds available—is safety to the traveling public, and all possible safety appliances and rules on our arteries to travel.
"The State Highway Commission, the Department and all responsible agencies are struggling to make the highways of Texas safe, and they will be made more adequate and safe.
"With the co-operation of the highway user, much progress can be made toward the goal of highway safety."

Sportsmen Urge Universal License

By United Press
BEAUMONT, Texas.—A universal hunting and fishing license law for Texas has received the endorsement of the Gulf Coast Rod and Reel club.
Such a law would cover all fishermen, regardless of whether they used artificial lures or live bait. The club, however, advocates a low fee under the proposal.
At a meeting here recently, members of the club voted to ask the legislature to pass the law.

North Texas Has Secured \$6,047,429 In WPA Projects

FORT WORTH.—Federal and local expenditures on WPA projects in the 21 North Texas counties administered from the Fort Worth office amounted to \$6,047,429 during the past fiscal year ending June 30, it was reported today by Karl E. Wallace, administrative officer.
WPA contributed \$4,334,175 and local sponsoring agencies provided \$1,713,254 as their share of participation in the work program, Wallace stated.
Of the total amount expended by WPA, \$3,753,276 was disbursed as wages for workers on projects. The remainder was utilized for purchases of materials, rental of equipment, and incidental project items.
WPA expenditures according to type of project were itemized by Wallace as follows: highways, roads and streets, \$1,595,134; public buildings, \$526,339; recreational facilities, \$564,165; conservation projects, \$50,427; improvement of public utilities, \$116,916; transportation projects, \$11,876; education projects, \$99,372; professional and service projects, \$251,545; education projects, \$99,372; professional and service projects, \$11,876; service projects, \$251,545; conducting recreation activities, \$50,426; sewing room projects, \$819,288; other production projects, \$129,972; sanitation and health projects, \$54,125; distribution of surplus commodities, \$44,879.
Counties administered from the Fort Worth WPA office are: Archer, Baylor, Callahan, Clay, Eastland, Foard, Hardeman, Haskell, Jack, Knox, Montague, Palo Pinto, Parker, Shackelford, Stephens, Tarrant, Throckmorton, Wichita, Wilbarger, Wise, Young.

District Attorney Is A Champion Milker

By United Press
EL PASO, Texas.—A "two-headed, head-on-the-cow's stomach milking technique" enabled District Attorney Roy D. Jackson to win the milking contest staged in San Jacinto Plaza as a "stunt to call attention to Dairy Products Days in the National Salesmen's Crusade.
"I got the idea from politics," said Jackson, who squirted a pint of milk into a bottle in 45 seconds. "You've got to stick your head on the cow's stomach to be a whizz."
Sheriff Chris Fox, who was nearly disqualified for filling his bottle before the contest started, milked a goat. "It was dry," he told hundreds of El Pasoans who jammed the plaza. "I did everything but pump its tail."
In the contest for drinking milk from baby bottles, Deas Carpenter, manager of the Hotel Paso Del Norte, chewed the nipple off his bottle and won first place.

Here they Come Down Our Street!

Remember the thrill when the six-foot drum-major twirled his gold baton and turned the big parade right down your street? Some of the world's most exciting business was coming right by your door!

There's another parade of exciting business that comes down your street every day—comes right into your home. It's the newspaper you are reading now. On the newspaper's pages march rank after rank of pictures and word-pictures of what the world is making today—from new breakfast foods to overcoats, from jewelry to overshoes. Lots of them are things that you want and need—and you have a grand-stand seat to watch them all march by. Just sit back in your easy chair and take your choice—the newspaper advertisements tell you all about them and even where you can get them. Make it a point to read the advertisements—they bring the world right down your street!

Cards' New Pilot

Mike Gonzalez, newly-appointed manager of the St. Louis Cardinals, grins in satisfaction immediately after President Sam Breadon announced that the former Red Bird coach would take the reins for the remainder of the season, replacing Frank Frisch.

SERIAL STORY

HIT-RUN LOVE

BY MARGUERITE GAHAGAN  
COPYRIGHT, 1938 NEA SERVICE, INC.

Larry is arrested as he drives. Pat calls him to give him the faith and love he has now more than ever before.

CHAPTER VIII

OPED up in the stuffy, dingy phone booth in the court lobby, Pat felt the rush of blood in his ears, heard the heavy beat of his heart, wiped the nervous perspiration from the palms of his hands. Four phone calls and she hadn't located Larry. She had his salesroom again and asked to talk to one of the men known.

"Please, I'll be at home. Tell I must see him." She hated going home yet she had to call before she would. The boys weren't home yet, Mrs. McGraw had heard the news. "Can I have him call you?" "Please, I'll be at home. Tell I must see him." She hated going home yet she had to call before she would. The boys weren't home yet, Mrs. McGraw had heard the news. "Can I have him call you?"

"I thought I'd be able to stay a while," he said, "but my lawyer wants to see me again. We go to court in the morning. Have to arrange things before then. I just wanted you to know everything is going to be all right." "The police haven't a thing on me. You know that fender was jammed at the club. Remember? And you know I was at High Hill. I told you about it, remember?"

Junior College Is Showing Growth Over Last Year  
H. L. BASKIN, Dean  
The initial two days of enrollment, which equaled in number the entire enrollment for last year, about twenty per cent in excess has been made to date in Ranger Junior College. Class organizations and school work have proceeded regular procedure.

MYRA NORTH, Special Nurse -- By Thompson and Coll

BLUFFING WAS SHE? LOOK AT MY HAND!  
COME A BURST OF MAGNUM BULLETS WILL MAKE THAT ROOM LOOK LIKE A SIEVE!  
AS SOON AS BENSON LEAPS BACK, MYRA QUICKLY SHUTS THE DOOR AND PILES LUGGAGE BEFORE IT.  
THE SPIDER AND BENSON RETURN TO THEIR PLANE WHERE THEY LOAD THEIR MACHINE GUNS WITH HEAVY SHELLS CAPABLE OF PIERCING INCH-THICK METAL.  
RUN HER IN CLOSE, JEM-- WE FINISH THIS QUEEN!  
PETRO LOOK! A SPECK IN THE SKY TO THE NORTH!  
HUH??

"OUT OUR WAY" By Williams

WHAT'S ALL THE YELLING OUT HERE? WHAT ARE YOU INTO NOW?  
CHECK HER ONE, WILL YA, MA? SHE'S SMearing CAR GREASE ALL OVER MY CLEAN SHIRT, JUST BECAUSE I ACCIDENTALLY KNOCKED THE DRESS SHE WAS WEARING ONTO THE CELLAR FLOOR!  
"ACCIDENTALLY"—HAH! I TOLD HIM I'D GET EVEN WITH HIM AND, BY GOLLY, I WILL!

BOSTON PROVIDENCE NEW YORK PHILADELPHIA ATLANTIC OCEAN MIAMI CUBA DOMINICAN ISLANDS  
HELLO, SUE! HOW'D YOU GET IN HERE? WE'RE SUPPOSED TO BE REHEARSING!  
I KNOW IT--- AND THAT'S WHERE I FIT IN!  
I FORGOT TO TELL YOU, FRECK--- SUE IS THE SINGER IN THIS ORCHESTRA! SHE SINGS TORCH SONGS!  
AND YOU KNOW WHO I'LL BE SINGING THEM TO!  
YOU MEAN YOU'LL BE STANDING ON THE PLATFORM NEXT TO ME?  
WHY NOT? EVERY ORCHESTRA HAS A GIRL SINGER FOR DECORATION IF NOTHING ELSE!  
GEE! I DIDN'T KNOW YOU WERE IN THIS OUTFIT!  
DADDY SAYS IF I SHOW PROMISE HE'LL HAVE MY VOICE CULTIVATED!  
IT SOUNDS MORE LIKE IT OUGHTA BE PLOWED UNDER!

ALLEY OOP By Hamlin

WHY, SAY, OOP-- MY GOSH, WHERE'S KAKKY??  
IF Y' MEAN THAT DANCED TWO-LEGGED LIZARD THAT WAS HOOGIN' ALL THE ROOM, I KICKED 'IM OUT!  
YOU KICKED MY KAKKY OUT? WHY, YOU--  
WHADDOVA MEAN, YOUR KAKKY? I'M TH' GUY WHO CAPTURED TH' CRITTER, AIN'T I?  
YEH, BUT I'M TH' ONE WHO TOOK CARE OF IM! KAKKY IS MINE, AND YOU HAD NO RIGHT TO KICK 'IM OUT!  
AWRIGHT! YOU CAN HAVE 'IM-- IF YOU CAN FIND 'IM-- I DON'T KNOW WHERE HE WENT!  
WHY, YOU-- YOU--!! I OUGHTA BUST YOU RIGHT-- AW, WHAT'S TH' USE, WASTIN' BREATH ON A HAIRY-FACED APE LIKE YOU!

The One True God

Text: Exodus 20:2, 3; Isaiah 45:22; Mark 12:28-34; I Corinthians 8:4-6  
BY WILLIAM E. GILROY, D. D.  
Editor of Advance  
THERE was a time when most religious people, young and old, and many who were not religious, were familiar with the Ten Commandments. Great emphasis was laid upon the memorizing and the teaching of them in Sunday Schools, and also in public schools in countries where there was provision for religious instruction.

SPORT GLANCES . . . . By Grayson

BY HARRY GRAYSON  
Sports Editor, NEA Service  
DUTCH REUTHER picks Cincinnati to beat out Pittsburgh, and says it would be better for the National League.  
"The Yankees would murder Pittsburgh pitching," says the old southpaw luminary. The Pirates haven't any pitching, in his opinion.  
"But both Johnny Vander Meer and Lee Grissom of the Reds would lick the Yanks," predicts Reuther. "They're left-handers-- good left-handers."

THIS CURIOUS WORLD By William Ferguson

"DUMBOY," A FAVORITE DISH IN LIBERIA, BEDMES SO HARD IF NOT EATEN IMMEDIATELY THAT LEFT OVER PORTIONS ARE USED BY THE NATIVES AS AMMUNITION IN THEIR MUZZLE-LOADING SHOTGUNS.  
THERE ARE NO POLECATS IN AMERICA! THE NAME, APPLIED ERRONEOUSLY TO AMERICAN SKINKS, BELONGS TO A EUROPEAN MARTEN.  
WATER, BOILING RAPIDLY, IS HOTTER THAN WATER BOILING SLOWLY! RIGHT OR WRONG?  
ANSWER Wrong. All water boiling at a certain altitude is the same temperature, whether it is boiling furiously or very slowly. At sea level this temperature is 212 degrees, and for every 538 feet gained in altitude, the boiling point is one degree less.

### New Rayon Cord Tire Gains Strength As Heat Grows

The ever-increasing demands of a safety-conscious motoring public have resulted in the development of an entirely new type of passenger car tire, which is constructed of rayon cord and is expected to relegate blowout dangers to an absolute minimum. Ever since the invention of the pneumatic tire (cotton, in cord or fabric form, has been the basic material used in the construction of the tire carcass. The changeover to rayon

cord (100 per cent cotton base), makes possible the building of a tire with a higher safety factor and a resistance to blowouts beyond anything ever achieved before. G. R. Drake, manager of the local Montgomery Ward store, where this new rayon cord tire is now on display, has this to say about the use of rayon in tire building: "Rayon's principal advantage over cotton is its ability to withstand heat, the greatest enemy of tire mileage. For example: consider a cotton cord containing normal atmospheric moisture that has a tensile breaking strength of 20 pounds. When this cord dries out its strength drops to approximately 16 pounds. Rayon is exactly the opposite, when

### CHURCHES

(Continued from Page 3)

will be present at 9:45, including many who have not been regular attendants before. It will be Proportion Day for all of the Children and Young People's Classes, followed by a joint session of the entire Church School. At 11:00 o'clock, there will be a Rally Day Service, marking the close of the old Church School Year, and the beginning of the new. The choir will sing the anthem: "Blessed Be the Name," for the Rally Day sermon, the pastor will take the theme: "Jesus of Nazareth." At the close of the service, the impressive installation service for the new officers and members will take place.

The Epworth League Sessions will be at 7:00 o'clock, and the Evening Service will begin at 7:45. "Does It Pay," will be the pastor's subject for the Evening Service. Practically everyone in Ranger has gone to Sunday school at some time, and since it is "Back To Sunday School Day" at the First Methodist Church, all who formerly attended some Sunday school especially adults, are invited to be present.

**FIRST CHRISTIAN CHURCH**  
H. B. Johnson, Pastor  
Sunday school 10 a. m. with Lawrence Bryan, Supt.  
Golden Rule Bible class, taught by the pastor.  
Preaching by the pastor 11 a. m. Subject, "Our Talent."  
Communion 11:45 a. m. Every member of the church should have part in the worship.

Convention singing 2:30 p. m. This will be one of the best singings of the year as there will be singers from all over the oil belt. Don't miss it.  
Preaching by the pastor 7:45 p. m. Subject, "When the son of man shall come in His glory—what?"

The ladies will meet in their Bible study, Monday afternoon, with Mrs. Matthews.  
All the members are expected to be present Monday evening as the official board is to be elected at that time. This meeting will be 7:30 p. m. with J. C. Carothers, chairman presiding. Community singing Tuesday evening 7:30. Don't miss any of these services. The summer is past and every

dry its strength is 25 per cent greater than when it contains moisture. Now the real significance of this is lost unless you remember that when a tire is in service it heats up. The tougher the service the more it heats, and naturally the heat dries up the moisture in the cord, causing it to get weaker if it is cotton, stronger if it is rayon. Nothing could be more fundamental or logical than that."

### City Commission—

(Continued from Page 1)

pipe line to be built at a total cost of \$287,320.00. This will build the lake, buy the pipe line from the lake to Ranger, by a 10-inch line, and build a filtering plant. At the present the city does not own the lake and does not own the 8-inch pipeline from the TP water tower to the lake, which now supplies Ranger water from the present lake. At the present the city pays approximately \$5,000 per year for water at 5c per thousand gallons. Under the new setup, it will cost the city \$6,052.00 per year to pay the principal and interest on \$80,000.00 loan for a 20-year period. At the end of the 20 years the city will own their own pipeline and lake. In other words the city will be out approximately \$1,000.00 more per year than we are at the present and in a 20-year period own its own lake and all the pipeline connected with the water system. In addition to this we should have good water through this period and for all time to come and the new lake will be much larger than the present lake and will assure our city ample water supply.

"The city commission does not wish to make you believe the present water is not good, as all of our reports which we have sent off weekly have all been favorable reports."

"The city commission does not wish to influence the voters in this election in any way. We wish to give you the figures presented to us and let you be your own judge in your voting."

"If the engineer can get the government to accept the present plan whereby we can use city equipment and by spending \$80,000.00 of our money, we will acquire the property stated above and give 400 men in this community 18 to 24 months' work. This commission thought this proposition should be submitted to the voters and get their decision. This commission does not wish to overlook and of the offers made by the government that would improve our town, give work to our labor, and the same time not increase our water rates and city taxes."

"Therefore, we have called an election to get your vote, and will be guided by same."  
"The report made by John B. Hawley will be available at the city hall and we invite each of you to read this report and familiarize yourself with this proposal."

"Yours very truly,  
"HALL WALKER, Mayor.  
"E. T. EUBANK, Secretary.  
"J. J. KELLY,  
"EDWIN GEORGE,  
"CALVIN BROWN,  
"HAL H. HUNTER."

member of the church should give their time in helping to carry the work of the kingdom forward. Come and worship with us today.

**CHURCH OF THE NAZARENE**  
Corner Oak and East Main Sts.  
Rev. A. G. Pool, Pastor.  
Sunday school 9:45 a. m. Ira Utz, Supt.  
Preaching 11 a. m. and 8 p. m.  
Tuesday night singing 7 p. m.  
Mid-week prayer, Wednesday night, 7:45 p. m.

A college professor states that there is no such thing as the Aryan race. Think of it; they ain't ary an Aryan!

### Women Invited to Attend Free Movie Cooking School

The women of Ranger and vicinity are invited to attend The Times' Free Motion Picture Cooking School to be held at the Arcadia theatre beginning Tuesday morning at 9:30 and each morning thereafter through Thursday. Three showings of the famous picture, "Star in My Kitchen," will be made.

There is no charge or admission fee to see this talking picture on the latest and best methods used in cooking and should be seen by all the women in this territory. The ladies are invited to be at the show by 9 o'clock so they will have plenty of time to register. There will be a number of prizes at each show and everyone interested in the art of cooking and homemaking is invited to be the guest of The Ranger Times on the three days mentioned, Tuesday, Wednesday and Thursday. The show lasts one and one-half hours.

### DISMISS CASE

Case of L. B. Qualls against Texas and Pacific Railway company has been dismissed at the cost of the defendant in county court by Judge W. S. Adamson.

### Ask Doctor About This Ideal Way TO LOSE FAT

READ EVERY WORD!

Make up your mind now that you'll lose more of that ugly fat and really enjoy life. No one can blame you if you don't want to take harmful drugs, go on starvation diets and do back-breaking exercises. No sane woman would! And for sensible women like yourself who really want to reduce yet don't expect miracles overnight—who are willing to faithfully follow a most simple, inexpensive and pleasant 25 day plan (women considerably overweight naturally require longer periods), we suggest this easy plan.

First of all go light on fatty foods and sweets. Eat plentifully of lean meats, fresh fruits and vegetables. And for proper functioning be sure to take a half teaspoonful of Kruschen Salts in hot water every morning. And let's get this straight right now about Kruschen—It is not harmful. It is NOT just one salt as some people may ignorantly believe. Look at the box! You'll see it is a blend of 4 active mineral salts, which when dissolved in water is similar to the famous medicinal waters of European Spas where wealthy fat people have gone for years. A lot of Kruschen costs but a few cents and makes 2 gallons of marvelous mineral health water. Get a jar RIGHT AWAY! At drugists everywhere.

### FOLD INTO THE BEATEN WHITES

Just knowing the ingredients of an Angel Food Cake does not enable a woman to bake a good one—for the MIXING is so important. Perhaps you have not realized that Prescriptions, unlike recipes, usually give the recipes only, and leave it to the Pharmacist to know how to combine and mix them properly.

With many prescriptions, as with an Angel Food Cake recipe, this knowledge of HOW to combine the ingredients is vital. The Pharmacists at "this store" always know how. They study new drugs, learn how to combine them properly with other drugs. This precaution is your best health protection.
