GSPA exec blasts corn dumping

"We believe this action is totally wrong," said Elbert Harp after the announcement by Commodity Credit Corporation (CCC) that it would sell on a bid basis the surplus corn it had shipped into the Texas High Plains.

Harp is the executive director of the Grain Sorghum Producers Association (GSPA).

"It is definitely unfair and we believe it is illegal," Harp said. "It will force many sorghum and corn farmers into bankruptcy this year. This action will most likely cost High Plains sorghum and corn farmers a minimum of 50 cents per hundredweight — \$5,000 for a million-pound farmer — on all grain currently being held or produced in 1981."

GSPA has been seeking a USDA policy to sell this corn for export use only. USDA has agreed to withhold 25 to 30 million bushels of the corn in High Plains storage for disaster aid only.

USDA officials have also stated plans to sell the remainder gradually. However, such decisions can be reversed or changed at any time by the Administration.

CCC shipped more than 45 million bushels of corn from Iowa, Minnesota, Wisconsin and Nebraska into Texas after May 1980. This corn was originally sold to the Soviet Union before the embargo.

When CCC bought it from the grain companies following the embargo, the corn was shipped to storage facilities in Plainview and other areas within a 75-mile radius of Plainview.

The total volume of corn shipped here for storage was 45,297,200 bushels — an amount equal to the 1979 production of Castro, Parmer and Bailey Counties combined. All shipping and handling charges on the corn were paid by the government.

According to GSPA, the effect of sales of one million bushels of "sample grade" corn from these stocks earlier in the spring, and the anticipation that more would soon be sold, has drastically weakened the High Plains grain market.

The High Plains is a deficit [See GSPA exec, Page 12]

HARVESTING WHEAT AT SUNSET, WITH THUNDERHEADS ON THE HORIZON
... On the Truman Touchstone farm just west of Dimmitt

Wheat harvest is winding down

The 1981 wheat harvest will be over, for the most part, by the end of this week, according to area grain elevator operators.

Estimates of how much of the harvest is completed ranged from 75 to 95 percent. Overall, the quality and

yields of the wheat are good, although some of the early wheat shriveled due to the hot

spell in May. The wheat protein content was down in some areas, but not severely.

The only area that reported measureable hail damage was Sunnyside. According to one elevator operator, the wheat that was hit by hail lost 20 to 30 bushels per acre.

Star Grain reported "great" yields in the Nazareth area, with heavy wheat and very little shriveled grain.

It's redistricting season again

County Attorney Jimmy Davis informed the Castro County Commissioners' Court Monday that county precinct lines may need to be redrawn again.

The problem for the commissioners is how to deal with the "enumeration districts" set by the 1980 census. The 15 enumeration districts do not match the divisions made by the county's four precinct boundaries.

"They don't divide the county in the same way that we do," Davis said. He suggested that he,

County Judge M. L. Simpson, and a permanent resident of the county drive throughout the county to count the residences. The number of homes in each precinct would then be multiplied by 3.6 persons to determine if the present boundaries are fair and in balance.

Commissioner Ed Bennett said that he thought the county should hire two or three county residents to help with the count.

The count will have to be made in July or early August, because the commissioners must submit their plan in August to either leave the precinct lines as they are "or to move the lines to get the precincts in balance, according to the law," Davis said.

They must then send their recommendations to the US District Court in Amarillo and to the Justice Dept. in Washington, D.C., for a 60-day examination.

"Can we eliminate the bottlenecks?" Simpson asked.

The redistricting in April, 1980 created "corridors" from Precincts 3 and 1 to allow voters access to the county courthouse.

"Probably not," Davis said, adding that precinct changes must be looked at in federal and state courts. The county must prove that moving lines is fair to all residents.

In other business, the county governing board:

—Heard a request from District Extension Agent Catherine Crawford to include increases for salaries, travel allowances and miscellaneous expenses for the County Extension Office when the commissioners begin to draft a 1981-82 budget.

—Received personal invitations to the Official Texas Historical Marker Dedication Service to commemorate the J. W. Carter Family and the 7-Up Ranch. The local historical Commission has written to the Texas Historical Commission for permission to

locate the marker at the corner of FM 1055 and FM 145, since erosion and parking space were problems at the first location chosen, according to the Texas Highway Dept.

—Heard a request from Mrs. L. B. Bowden, Castro County Historical Commission Chairman, to consider placing "little red school house" markers at sites where county schools used to be.

—Approved the dedication of Coronada Acres, a future country home subdivision to be located 4.3 miles south of Hereford and 13.7 miles north of Dimmitt on the west side of Hwy. 385. All except 15 acres of the 436.2-acre tract are in Castro County. The land will be sold in lots of five acres or more, according to owner Charlie Bill of Hereford.

—Approved the first quarterly property tax payment of \$12,158.20 to the appraisal district and examined the new appraisal district office building.

New appraisal office set to open next week

The new intergovernmental appraisal office will open next week.

During their regular meeting Monday, the Castro County Commissioners approved the first quarterly property tax payment of \$12,158.20 from the county to the new appraisal district, and examined the new office building where the appraisal district will begin operation next week.

The office will be housed in the county's steel building located east of Dimmitt's city hall. Furnishings will be moved into the office next week, prior to the first official business day Wednesday.

Jerry Heller will be the chief appraiser and Kathy Naylor will be the assistant.

Three deputies will also be employed at the office.

"We will have the office open and available to the public during the noon hour," Mrs. Naylor said. Office hours will be from 8 a.m. to 5

p.m., she added. Taxes collected in the appraisal district office will include the City of Dimmitt, the Dimmitt Independent School District, Castro County, the water district, the hospital district and the Nazareth Independent School District.

Other taxing entities which do not presently belong to the appraisal district plan to join in 1982. They are the City of Nazareth, the City of Hart and the Hart Independent School District.

Equalization boards for the City of Dimmitt and the Dimmitt School District, and for Castro County, will meet in two separate rooms at the new office July 13 from 2 to 5 p.m.

KDHN RADIO

Nazareth's ninth annual German Folk Festival will kick off at 2:30 p.m. Saturday with water polo games, followed by an "Outhouse Race" at 4 p.m. and the traditional sausage meal from 4 to 7 p.m.

The water polo games and the 150-yard outhouse race will be open to anyone wishing to enter. The entry fee for the race will be \$20 per six-person team.

The Nazareth Art Club will sponsor an arts and crafts show in the school cafeteria from 2:30 to 7 p.m. Paintings, quilts and arts and crafts items will be on display and available for purchase.

There will be an outdoor "Blue Grass Concert" at the Community Hall from 2:30 to 6 p.m. All blue grass musicians or groups are invited to participate.

The festival meal of German sausage, sauerkraut, potato salad, green beans, corn, apple crisp, relish plate, bread and German chocolate cake will be served in the Community Hall at a cost of \$3.75 per person.

The day's events will end with a country and western dance from 9 p.m. to 1 a.m., with music provided by the Rough Riders band. Tickets for the dance are \$3 per person.

'Jaws Fund' dance set Saturday night

The Dimmitt Promenaders and the Nazareth Kurlie Q's will sponsor a public dance Saturday night in the county Expo Building to benefit the "Jaws of Life" fund.

The event will run from 7:30 to 11:30 p.m.

An arts and crafts auction will also be held, and door prize will be awarded. Food will be available.

The Castro County Cowboys will play for western dancing, and square dance callers will be Herrick Allen of Amarillo, Johnny Gillenwater of Tulia, Bob Graham of Clovis, N.M., and Helen Laughter of Amarillo.

The Top of Texas Cloggers will present a clogging exhibition.

Admission is \$2.50 per person.

Site changed for marker; ceremony set

The location of the Texas Historical Marker commemorating the J. W. Carter family and the 7-Up Ranch has been moved due to inaccessibility of the original site, according to Mrs. L. B. Bowden, chairman of the Castro County Historical Commission.

The marker will now be located half a mile north-northeast of the original Carter house, at the intersection of FM 1055 and FM 145.

The marker will be officially dedicated Saturday, July 4, at 10 a.m.

Among those slated to be present for the dedication ceremony will be US Rep. Kent Hance, Texas Speaker of the House Bill Clayton, and State Sen. Bill Sarpius.

The public is invited to attend the July 4 dedication.

AFS students share feelings

As Catherine Mongeau and Maja Martinec, Dimmitt's two American Field Service exchange students for 1980-81, prepare to return to their respective homes in Quebec, Canada, and Zagreb, Croatia, Yugoslavia, after a "great" and "wonderful" year in Dimmitt, the News gets their ideas on what it was like to be exchange students in Dimmitt for a year. See Page 14 for the full story.

Who's in charge of free meals?

About 250 free breakfasts, lunches and afternoon snacks are being served daily to children under 18 in the old East Bedford Market building.

However, those in charge of the center seem to be confused about how the program is organized.

Defensa, Inc., in Muleshoe heads the program with a government grant, according to representative Alberto Daniel.

Daniel said that Defensa, Inc. is funded through the Texas Dept. of Human Resources.

However, DHR officials in the local, district and regional offices had no knowledge of such a program earlier this week.

"We do not have that program," a DHR representative at the regional administration office in Lubbock said.

Apparently, Defensa, Inc. is an extension of Chicanos Unidos. Both organizations have the same telephone number.

Texas Rural Legal Aid in Hereford said it had no information about Defensa, Inc., or about the free-meal

centers.

Daniel said that, for the agency to receive the government grant, at least 80 percent of the children fed at the center must be from low-income families.

Even though the program is aimed at low-income families, "no one will be turned away," Cook Juanita Dominguez said.

Defensa, Inc., has established free-meal centers in Dimmitt, Hereford, Littlefield and Muleshoe.

The highest number of participants last week, Mrs. Dominguez said, was 50 for breakfast, 110 for lunch and 70 for the afternoon snack.

The program is strictly offered between the end of school in the spring and the beginning of school in the fall. When school starts Aug. 20, the Dimmitt center — known as "Casa Obrera" — will be out of operation, Daniel said.

Parents who want their children in the program must fill out a form with information on the number of family members, their address, whether the parents are migrant or seasonal workers, their incomes, and the

[See Free meals, Page 12]

NEW PRIEST IS ORDAINED—Father John Dalton (left) is robed by Father Stanley Crocchiola during his ordination into the priesthood Friday afternoon in Holy Family Church of Nazareth, his home church. Father Dalton conducted his first mass at the Holy Family Church Sunday morning. More than 60 priests, deacons, relatives and friends from

throughout the area joined local parishioners in the ordination service. Father Dalton, a veteran of the Vietnam War, operated his family's farm near Nazareth before beginning his study for the priesthood. He has been assigned as associate pastor of St. Lawrence Cathedral in Amarillo.

Sheffy's Chatter

Farewell reception honors Ike, Joan Moore

By MYRTLE SHEFFY
Ike and Joan Moore and family have lived in Dimmitt the past 15 years. Both have been with our school system. They are moving to the Valley Mills in Bosque County, west of Waco, where Ike will be director of special education for eight schools. They will be missed. They attended the Church of Christ. Ike likes to sing and often led the congregational singing. A farewell reception in the Moores' honor was held after the Sunday evening service in the fellowship hall. A money tree was presented to them.

son from Dennison. The Tuggles have recently moved to Meridian.
Jerry and Debbie Annen are home from the Plainview hospital with their new baby girl, Amanda Michele. The grandparents are Fred and Ramona Annen and Pete and Mary Dove.
Doc. R. Harned and Bertha Ramey of Lawton, Okla. are here for a Father's Day visit with uncle Goose Ramey and Decimae Beene of Friona and Bob and Emily Ramey of Amarillo.

The wedding of Gilbert Nino and Ydolina Sepeda Sunday afternoon was very pretty. The service or mass was at Immaculate Conception Catholic Church with Rev. Raphael Chen reading the wedding mass. The church was pretty with candles and baskets of flowers. The reception was at the Expo community room. Mrs. Nino's brother was here from Lockhart near Austin. Many kin were there.

At the wedding reception Sunday evening, I met so many people. I talked with Alvin Vasquez, who lives on NW 8th, near neighbor that we don't see often.

T. D. Davila Jr. and son Richard have been down south to Lake Amistado where they fished for striped bass and channel cat. They caught quite a few fish.
Zed Park of Belen, N.M., and Mr. and Mrs. Henslee of Amarillo were Sunday guests of Mark and Katie Henslee, all attended church at the Presbyterian for services and the christening of little Rachel Henslee. The group were dinner guests of Katy's grandmother, Mrs. Rachel Graham.

Nora Mae Newsom spent a few days in Ruidoso visiting her son Jack and his wife Leala. There were with the Dimmitt hospital for several years before Jack's retirement. They are planning to build a new house. Nora Mae says they went out to see the horses run. It was fun but she didn't make any money. She was afraid to bet.

Mrs. Newsom stopped in Roswell to visit her granddaughters, Voniss Leach and Patricia Vogel and husbands and babies.
Annie Laura Hargrove is home from her bus trip to Abilene, where she visited her son Leroy and family. She attended her granddaughter's graduation there. Then on to Winters to see her brother Ray Laughon.

James and Betty Duncan of Salt Lake City have been here to see her mother, Loneta Jordan and the girls. They all went to Kickapoo, Electra and Wichita Falls to visit kin and to attend a big family reunion. I see Loneta at Senior Citizens. She is a very good artist with oils and maybe water color.

Mrs. Neeley and daughter Maxine Adams of Amarillo have been here for several days visit with Susie Reeves. Mrs. Neeley is the mother, Maxine a sister. They came

to the parties at Senior Citizens. The Tuesday game night and bountiful supper was well attended and fun.

Mary Emma Matthews is inviting all friends to a bridal shower for Dawn McRee, in the home of Mrs. Don Carpenter. She lives a mile east on Tulia Highway or Hwy 86. Dawn will be married soon to Mark Cluck. The shower will be from 10 to 11:30 a.m. June 27.

Earl and Mable Brock have had company the past week; nieces Fae and Tresa Wilson from El Paso, and nephew Leonard Coikerfam from Artesia, N.M.

The Smithson family were all here for their dad, Ben Smithson's memorial service. I knew them 30 or more years ago at Flagg, and we visited with the seven sons and three daughters at Rapphards house. A fine family those people.

Herb and Dorothy Mayfield recently attended the Bar S Ranch barbecue and music festival at Matador. The get together was hosted by Mr. and Mrs. Morris Stevens and Mr. and Mrs. Monty Stevens. Probably 150 people attended. Much good food and music. You remember Herb and his brothers made music.

Dr. John Douglas Damron of Dallas has been in the Flagg community visiting his son John and Mrs. Damron and two sons Joshua and Robert.

Mrs. Gladys Knox of San Diego, Calif. came to see me (Myrtle) last Thursday. Then we went to Claude to have

dinner and a visit with sister Ethel Gillham and other kin, Mr. and Mrs. Bill Sikes of Slaton, Mrs. Rex Bagwell, south of Claude, our brother, Travis Knox and sons, Tom and Tim and our sister, Mrs. Roland Moore of Vigo Park.

Dale and Cindy Wells have been in a church camp near Beaumont where they have been teaching Bible for a week. Dale is minister of Fourth and Bedford Church of Christ. Ronnie Parker filled the pulpit Sunday in Dale's absence.

M. F. McRee went with friends from Spearman last week to Olustee, Okla. to attend the Weems family reunion. This week his daughter Connie and Fred Barrington and daughter were here to see Mac.

Birdie Neill was the birthday lady Friday, so all the elephant birthday folks brought their favorite dish for the buffet dinner. There were a few guests besides the regulars, like Opal Jarvis from Plainview, niece and daughters, Katharine Marx and her granddaughter, Elaine and Andrea Middleton, from Corsicana, Waurayne Hughs from here, Virginia Higginbotham from Washington state (you will remember her as Maggie Boren's younger sister); Dorothy Elder, Ruby Maples, Decimae Beene of Friona, Lois Bartlett and Nettie Graham.

Mollie Soler has been in Dallas for a few days visit with her mother and other

relatives. Mollie is a hair stylist in Dimmitt.

Raymond and Katie Ross of Morton were weekend guests of her sister Eunice and W. E. Thornton. They attended church with them.

Mrs. Vern Lust and Mr. and Mrs. Glenn Lust of Lazbuddie went to Tulia Sunday to attend the 80th birthday party for Mrs. Edna Fink who is the mother of Doris Lust, she and Houston. Charles and Sue Summers and Mrs. Kyle Touchstone went also.

Raymond and Shonnie Lust have been to one of the Amarillo hospitals with their baby who is ill from an asthma attack.

Last Sunday at the morning service at the Methodist church, special music was presented by Jackie Anthony and Beth West who played their flutes, with the organ, accompanying the choir — very nice — and in the evening all the Vacation Bible School presented their programs and their work. Twenty or 30 people worked, but especially Susan Coleman, Vicki Bryant, Mrs. Crawford and Deanne Clark. Afterwards cookies and lemonade were served in fellowship hall, with a pound- ing of food for Mr. and Mrs. Strayhorn, the latest intern and his wife.

The duplicate bridge players met in the party room at the Senior Citizens Wednesday. A good barbecue beef tips and the go with foods was served by Elena and Wilda. Players were Ramona Annen, Jeannie

Miller, Carlee Warren, Aural Davis, Genevieve Howe, Faun Welker, Polly Manning, Dorothy Mayfield, Edna Riley, Tina Rawlins, Seletta Gholson of Hereford and Joe Don Cummins of Hereford.

Ruth Coleman was hostess to the Friday bridge players at the Center. They also had dinner and games. Playing were Opal Bearden, Josie Bradford, Betty Renfro (she won high score), Tina Rawlins (placed second), Betty Cartwright, Gladiola Shipley and Jeannie Miller. Ruth served ice cream with grape juice poured over — very refreshing I hear.

Dorothy Elder was hostess at a bridge party Thursday at the country home north of

town. Good refreshments were served to Anita Morris, Jeannie Miller, Virginia Gilbreath, Ann Carpenter, Edna Riley, Betty Parish and Betty Huckabay.

PROGRESS

Progress is on the march. There is a great boom in building. Cures are being found for maladies that have killed mankind for centuries. Industry is doing magnificent things. But what sort of progress is being made in human relations—this term that includes respect for the person and property of others and good will among men.

There is one agency striving for progress in this field. This agency is the church. At the birth of Jesus Christ, the following prophecy and promise was given to mankind by a host of angels: "Glory to God in the Highest Heaven! Peace upon earth among men of goodwill!" Luke 2:14, (Phillips translation). Only when the majority of men on earth are men of goodwill, will we have peace.

Attend church this week and align yourself with the forces of God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

ATTEND 4-H TEEN LEADER LAB—These young leaders from Castro County 4-H clubs, along with their advisors, participated in the District 2 4-H Teen Leader Lab last week at South Plains College in Levelland. Attending from Castro County were [kneeling, from left] Dorothy Durbin, Patsy Birkenfeld,

and Nancy Hatla; [standing, from left] County Extension Agent Teresa Nutt, Mike Huseman, Lonny Huseman, Bruce Huseman, Frankie Huseman, and County Extension Agent Neal Tindol.

4-H'ers learn leadership

Seven young leaders from Castro County were among the approximately 175 4-H club members who participated in a three-day district teen leadership lab in Levelland last week.

The annual three-day workshop for selected 4-H members was held on the campus of South Plains College, Neal Tindol, Castro County Extension agent, said. Adult leaders, Extension

specialists and a team of older youths conducted the learning experiences for the 4-H'ers attending the lab. Participants took part in a variety of activities, from group learning and discussion sessions to

game tournaments and special morning and evening ceremonies.

Training focused on teaching teen leaders to help others learn new projects and activities. Time for fun and relaxation provided the participants with the opportunity to make new friends.

The annual leader lab helps 4-H youths develop skills in working with younger club members, broaden their friendships and strengthen their leadership abilities.

4-H is a year-round youth program of the Texas Agricultural Extension Service which is open to all youths.

Farm program covers weather-damaged crops

Melvin Barton, chairman of the Castro County Agricultural Stabilization and Conservation Committee, says farmers who accurately report crop acreages and sign an application for payment will be eligible to receive disaster benefits on their 1981 crops, along with price support benefits and deficiency payments.

The 1981 program provides for disaster payments to help farmers whose crops are severely damaged by weather conditions.

The program offers crop protection against drought, flood, hail, windstorm, insect infestation, plant disease or any other type of disaster which occurs through no fault of the farmer.

"Castro County farmers should notify our office if they expect low yields on their wheat or barley crops because of severe weather conditions," Barton said.

Under the program, a wheat and feed grain farmer

whose crop yield is less than 60 percent of the established yield times the acreage planted for harvest may receive disaster payments on the production losses below 60 percent.

Farmers will also be eligible for disaster payments if they are prevented from planting a program crop for harvest because of a natural disaster. However, the planting of other later non-conserving crops must also have been prevented.

The ASCS official said farmers should notify his office before they harvest or destroy crops or replant other crops when a disaster strikes. Accurate acreage and production reports are necessary to assure full program benefits, he said.

Producers who have elected to have part of their crop insurance premium paid by the federal crop insurance corporation for a program crop will not be eligible for disaster benefits on that crop.

THE American five-cent nickel is composed of 75% copper and 25% nickel. The

American one-cent penny is composed of 95% copper and 5% zinc.

BETWEEN 1970 and 1978, the population of New Hampshire increased 20% and the divorce rate increased by 103%.

DS to begin exploration 'down under'

Diamond Shamrock Corp. has announced it will open an office in Australia to handle the company's expanding activity in international oil and gas exploration.

The office, to be located in Sydney, New South Wales, will be opened in early July and will be responsible for the company's oil and gas exploration efforts in the Asia-Pacific area.

Diamond Shamrock has an interest in three prospecting licenses offshore New Zealand, comprising approximately 2.5 million acres, and on exploration permit in the Arafura Sea, Northern Territory, Australia, comprising approximately 7.8 million acres. Diamond Shamrock is operator of all the licenses and the permit.

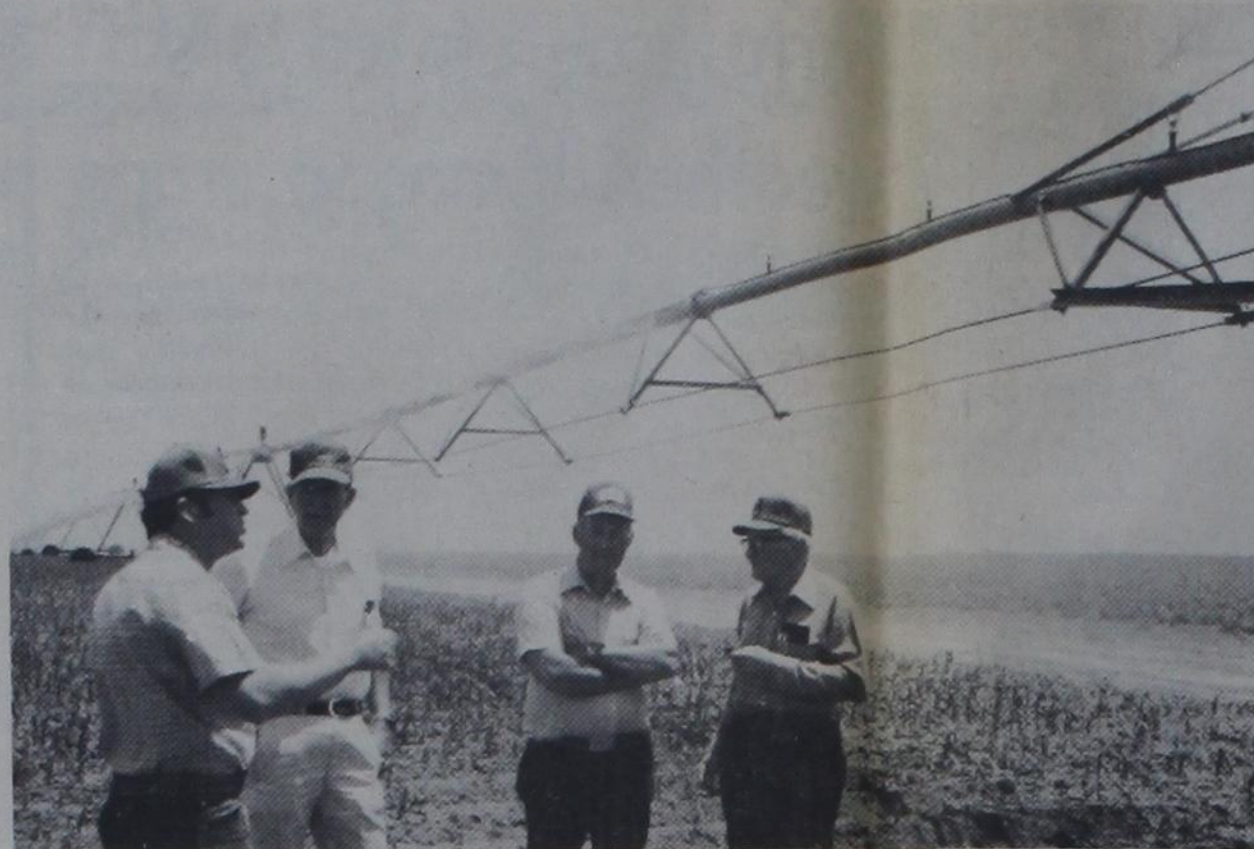

Drilling operations are scheduled to begin in July on a test well 34 miles off the west coast of the South Island of New Zealand. The well will be drilled in 560 ft. of water and is targeted for a depth of 7,000 ft.

Seismic operations will be conducted on the other two New Zealand licenses as well as the exploration permit in Australia during the third and fourth quarter in 1981.

In addition, Diamond Shamrock, in association with others, has applications pending for three permits in Australia and two licenses in New Zealand. Results of these applications should be announced within the next two months.

Diamond Shamrock Corporation is an international energy and chemicals firm headquartered in Dallas, Texas, with major offices, research and production facilities in 18 of the United States and more than 30 countries around the world. Worldwide sales and operating revenues were over \$3.1 billion in 1980.

AFTER spending two days in the hospital, I took a turn for the nurse. — W. C. Fields

EXPERTS DISCUSS the merits of a pivot sprinkler system on the Ben Holcomb farm which was the subject of a recent evaluation by the Soil Conservation Service. From left are Randy Underwood, conservationist agronomist [irrigation team], Amarillo; Gene Vittetoe, state engineer, Temple; Clayton Jobe, conservation technician, Dimmitt; and Dan Huckabee, engineer, Amarillo. [Soil Conservation Service Photo]

DS borrows \$200 million

Diamond Shamrock Corp. has announced the borrowing of \$200 million from a group of Texas banks.

Funds from the loan will be used to pay off all of the corporation's commercial paper and a major portion of its other variable interest rate debt.

The borrowing is under agreements with First National Bank in Dallas and Republic National Bank of Dallas as co-agents. The First City National Bank of Houston and Texas Commerce Funding Co. (Houston) are the other participants.

The agreements provide for a total maturity of 10 years and provide Diamond Shamrock the option of repaying the loan at any time. Other terms were not disclosed.

Donald C. Mielke, Diamond Shamrock's treasurer, characterized the agreements as an integral part of the corporation's program to convert short-term debt to longer maturities.

Mielke said, "The agreements provide Diamond Shamrock the flexibility to replace this debt with a long-term public debt issue when markets improve, while increasing the short-term liquidity of the corporation."

Is your irrigation system efficient?

By GARY HUNTER
Soil Conservationist

Irrigation — is it increasing your profit, or is it costing you more than it is worth? This question should be considered by anyone who uses irrigation for crop production. An inefficient irrigation system and pumping plant may well cost more to operate than it will return in increased production.

Increased efficiency of the system is one of the answers. Various methods are available to improve the efficiency of water application.

For furrows with excessive grades, land leveling is the solution.

Sprinkler efficiency is drastically lowered on hot, dry, windy days. Efficiency can be improved by irrigating at night, when winds are calm and humidity is high.

The intake rate of the soil should also be considered to determine the proper rate of water application. Water that is applied faster than the soil can accept it, simply runs off the end of the field or collects in low areas where it is wasted. Tailwater recovery pits help save some of this water for re-application to the crops.

The Soil Conservation Service personnel in Dimmitt are working with area land owners on improving their irrigation systems. We recently completed a pivot sprinkler evaluation on the Ben Holcomb farm in the southern part of the county.

First, we gather information on the design of the sprinkler from the landowner. Next, we gather field information such as the wind speed and direction, time of day,

humidity, type and height of crop, soil type, and length of the sprinkler. Then we run a complete evaluation of the sprinkler, while it is in operation.

After all this is done, we can calculate for the landowner the efficiency of his pattern (are the nozzles performing as they were designed?); the application efficiency (is the amount of water being applied?); and the overall system efficiency.

With this information, the landowner can make corrections and any needed repairs, to allow his sprinkler to operate at a higher efficiency.

The pump and power units can also be evaluated by the SCS, since efficiency plays another important role here. By gathering some information while in the field, we can figure the pump efficiency, such as what it is costing the landowner to apply the water, and what the potential annual cost reduction would be from repairs (if any were needed).

With water supplies diminishing rapidly, and the cost of fuel, good irrigation water management is a must. The local Soil Conservation Service personnel, cooperating with the Running Water Soil and Water Conservation District, is willing to help you develop or improve your irrigation system. Contact us at the Dimmitt field office at Third and Bedford, in the High Plains Savings and Loan building.

Presbyterian Church holds infant baptism

Rachel Denise Henslee, infant daughter of Mark and Kathy Henslee, was baptized on Father's Day at the morning worship service at the First Presbyterian Church by Rev. Edward D. Freeman. He was assisted by Joe Cowen.

Visitors for the baptism were Rachel's grandparents, Mr. and Mrs. Harold Henslee of Amarillo; her great grandmother, Rachel Graham of Dimmitt; and friends, Zed and Randi Park of Jarales, N.M.

This Sunday at the service for the public worship of God at 11 a.m., Pastor Freeman will speak on the subject, "Abraham Was a Shining Example of Faith."

Presbyterians will have an ice cream social Sunday at 7 p.m. at the church.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs.

Aviso Público

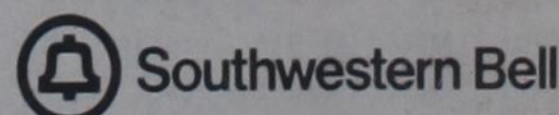

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 21 de Julio de 1981, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 15.8 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell.

19 from county earn Tech honors

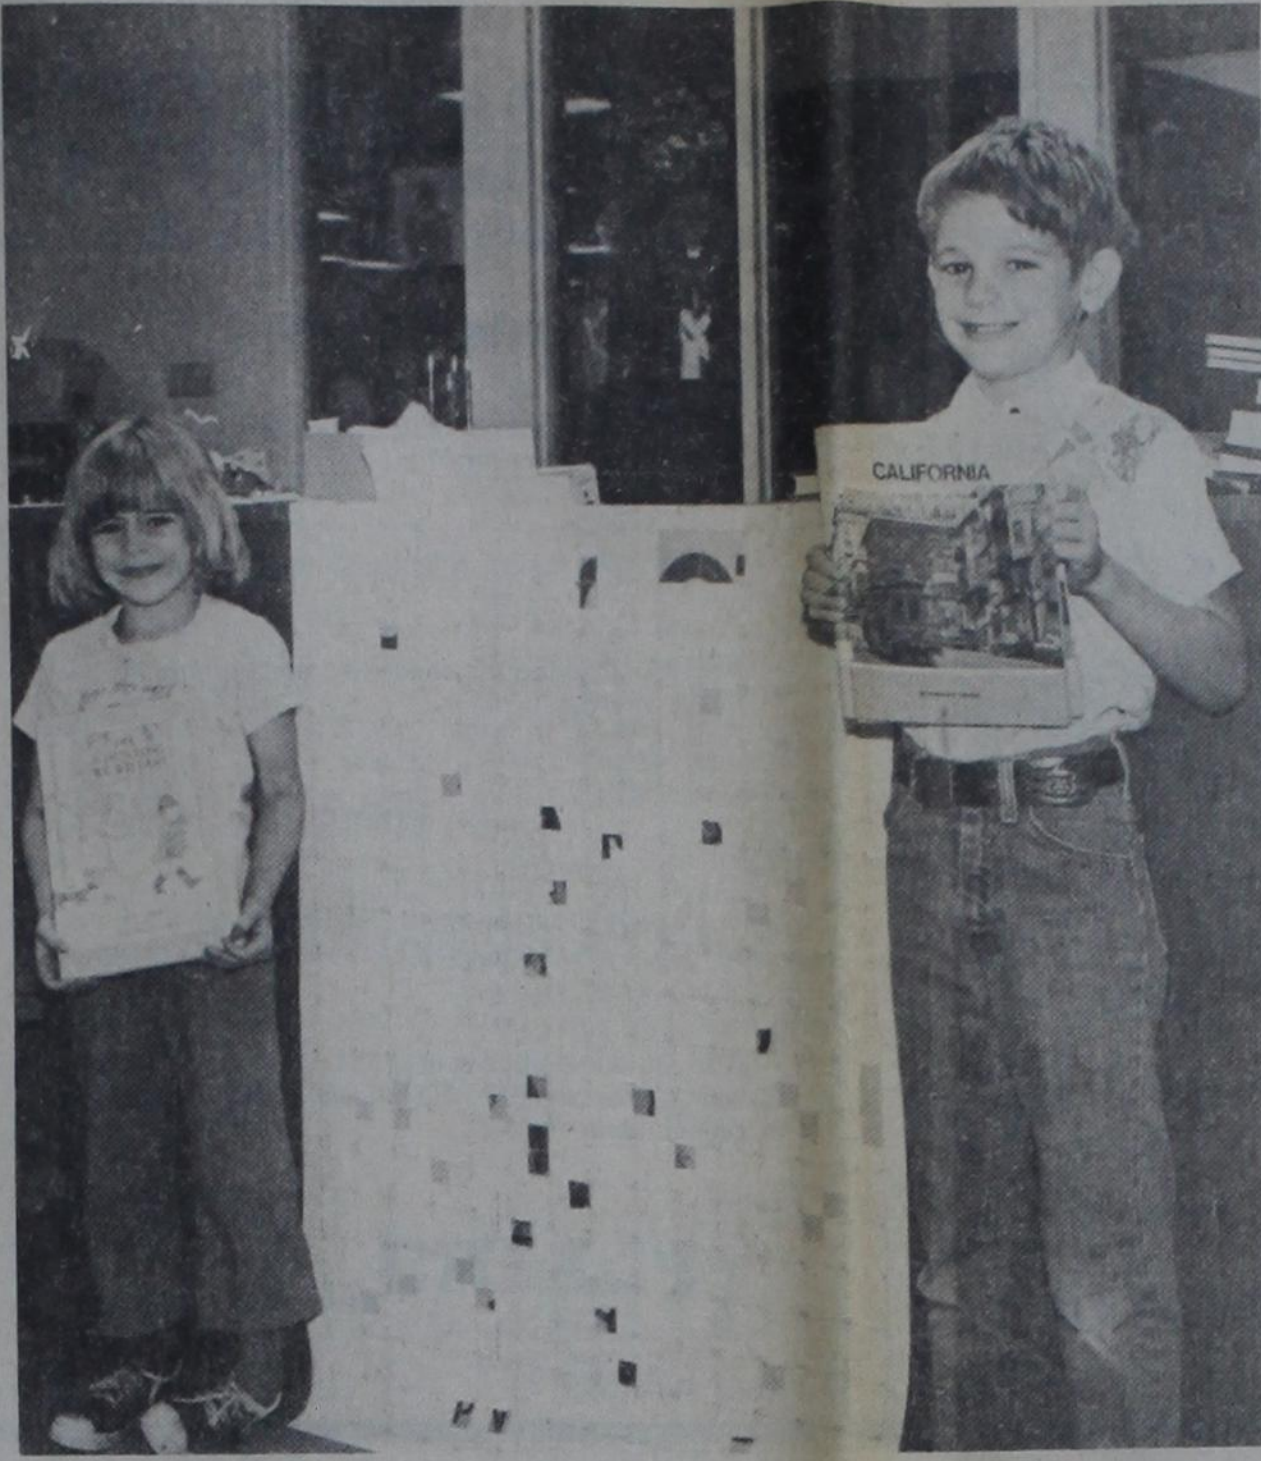

More than 5,200 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the 1981 spring semester. They include 18 Dimmitt residents and one Nazareth resident.

They are Stephen Anthony, Scott Armstrong, Scott Bagwell, James Cleavinger, Norris Cole, Kyle Collins, Clinton Dawson, Kris Dowell, Lori Dyer, Tina Jones, Darla Myatt, Rhonda Parsons, Reginald Quiet, Susan Sadler, Debora Schilling,

Cynthia Sides, Laine Snider and Lisa Wales, all of Dimmitt, and Anthony Brockman of Nazareth.

To qualify for a dean's honor roll, a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken at least 12 semester hours of work.

Texas Tech has an enrollment of more than 23,000 students in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

HELPING 'BIGFOOT'—Hether and Shawn Thomas add two more pieces to Rhoads Memorial Library's "Bigfoot puzzle" by completing two books in the library's summer reading program for children. Each time a youngster finishes a book, he or she draws a

puzzle piece at random and adds it to the map. If enough children read enough books this summer, they'll complete the puzzle and help a shy monster named Bigfoot get into the library to see all the things that can be discovered there.

Giants, Astros win Tuesday's Jr. BR games

In Junior Babe Ruth League action Tuesday night, the Giants and Astros both gained lopsided victories as the Giants downed the Tigers 12-6 and the Astros topped the Pirates 16-7.

In the first game, the Giants spotted the Tigers five runs before coming back in the bottom of the second inning to score four. Then they held the Tigers to one run in the final four innings while scoring six of their own.

In the second game, the Pirates overtook a one-run lead that the Astros gained in the top of the first inning by scoring two of their own, but then relaxed in the second and third innings, letting the Astros bat in four runs to make the score 5-2 in the bottom of the third.

The Astros kept their momentum going as they scored 11 runs to the Pirates' five for a decisive 16-7 win.

The Pirates and Astros will play again tonight (Thursday) in Nazareth at 8 for the Junior Babe Ruth League championship.

Warning signals

Here are the siren signals for Dimmitt, Hart and Nazareth. For your family's safety, clip and post in your home, or have every member of your family memorize the signals for your community.

DIMMITT
TORNADO—Three long blasts, then a pause, then three long blasts, then a pause. Series continues for 15 minutes.
FIRE—Seven blasts of six seconds each.
PRACTICE—Two long blasts, usually around 7:30 Thursday evenings.

NAZARETH
TORNADO—Trucks are dispatched around town individually, with sirens going and warning announced over the trucks' loud-speaker systems.
FIRE—Firetrucks are together or close to each other, going in the same direction.
FIRE DEPT. PHONE NUMBER: 945-2219. (New number.)

HART
TORNADO WATCH—Three long blasts.
TORNADO APPROACHING—One long blast.
FIRE—Four or more short blasts of approximately six seconds each.
PRACTICE—Two short blasts.

THE word HONEYMOON is derived from the old Germanic custom of a newlywed couple drinking a stein of mead together each evening during the first 30 days of their marriage. Mead was an alcoholic beverage made from fermented honey, malt, yeast, certain spices, and water.

Nothing in Texas touches DU-TER FUNGICIDE

When it comes to effective leafspot control in sugar beets, nothing touches DU-TER for control or convenience.

- **CLEAN AND EASY**—Just open the outer bag and the water-soluble inner bag drops into the tank, leaving no bulky containers to dispose of. Dissolves quickly, sprays easily.
- **ECONOMICAL**—In Texas field trials, DU-TER plots produced the highest sugar yields. Yet, DU-TER spraying costs were lowest!
- **DEPENDABLE**—In more than 10 years of use, leaf-spot has shown no known resistance to DU-TER. Ask your farm chemical supplier today for DU-TER fungicide. Nothing in Texas touches it.

Ag banker to retire

A leader of Texas agriculture will retire at the end of June. Jack H. Barton will leave the presidency of the Federal Intermediate Credit Bank (FICB) of Texas.

The bank, located in Houston, provides funds to Texas farmers, ranchers and commercial fishermen, primarily through the state's 30 Production Credit Associations (PCAs).

Under Barton's leadership, the Texas FICB passed a milestone this spring, reaching one billion dollars in loans outstanding. During 1980, the FICB of Texas provided \$2.4 billion in loans to Texas agriculture.

Barton, 59, is a native of Kaufman County, a graduate of Texas A&M and a decorated Army officer. In addition to heading the Federal Intermediate Credit Bank, he was recently appointed by Gov. Clements to a second term as chairman of the Texas Farm and Ranch Security Program Advisory Council, serves as president of the Texas Forage and Grassland Council and vice-chairman of the Harris County Program Building Committee.

Barton is part president of the Agribusiness Committee of the Houston Chamber of Commerce, past president of Texas Food and Fiber and past president of Professional Agricultural Workers of Texas. In the Farm Credit System, Barton served as chairman of the nationwide Farm Credit Banks Loan Services Committee and the PCA/FICB Training Committee.

The District Board of the Farm Credit Banks of Texas

Jack H. Barton

has named James A. Rogers acting president until a selection committee can complete its work and designate Barton's successor.

Rogers, senior vice-president in charge of operations and administration of the Supervision and Review Division of FICB since 1979, brings to the office nearly 30 years of farm credit experience.

A Wills Point native and a graduate of Texas A&M, Rogers began his farm credit career in 1952 as a fieldman with Tyler PCA. He was named its manager in 1960. In 1962, he joined the Texas FICB as a credit examiner, leaving to work with the Plainview PCA as assistant manager in 1967.

Rosses tour California

By TEENY BOWDEN

Mr. and Mrs. Gene Ross, Rhonda and Chanin returned home Thursday morning from a vacation in California. They flew from Lubbock to San Francisco June 6, and they made all the sight-seeing tours there until the 11th, then rented a car and drove to Santa Barbara, Los Angeles and San Diego, seeing the sights in each town as they went. They flew home from San Diego.

Dr. Strauss Atkinson of Plainview, area missionary, filled the pulpit Sunday in the pastor's absence. He and Mr. and Mrs. Gerald Elkins and Chris had dinner in Littlefield with Mr. and Mrs. C. D. Pierce and Mrs. Atkinson spent the week-end with her sister, Mrs. Pierce.

Mr. and Mrs. J. W. Carr left over the weekend for Houston where she will have her regular medical check-up June 23.

LaGlenda Wilson started to Wayland University Monday as a freshman.

Mrs. Gabriel Montiel was in Plains Memorial Hospital two or three days this week.

Mrs. Eddie Waggoner, Laura, Susan, and John spent the weekend in San Angelo to have Father's Day with her parents, Mr. and Mrs. John Stapleton. Mrs. Euleess Waggoner went with them to Midland where she spent the weekend with Mr. and Mrs. Alan Jackson and Mr. and Mrs. Jesse Pharis and family.

Dwayne and Lane Loudder of Flagg, Lance and Terri Loudder, Mr. and rs. Doug Loudder, Lyle, Dara and a friend, Robin Ray, Charlie Hawkins, Mr. and Mrs. Lowell Westmoreland and Zane and Mr. and Mrs. Jukmy Durham and LaTosha of Littlefield, and Mr. and Mrs. Rickey Yantis of Amherst had Father's Day dinner Sunday with Mr. and Mrs. Alton Loudder.

Mr. and Mrs. Jake King and Karl spent the day Sunday with Mr. and Mrs. David Sadler, Melody and Karla. They attended the Sunday morning services with them. Melody presented the special music for the service.

Gary Wise was called for jury duty Monday and Wednesday mornings, and served on the petit jury Tuesday. Stanley Nelson, David Harris and Mrs. L. B. Bowden were called, but didn't serve.

Mr. and Mrs. John Gilbreath, Mr. and Mrs. Eddie Haydon and Kim, Mr. and Mrs. Dan Quisenberry, Mr. and Mrs. Don Ott and family,

Mr. and Mrs. Alton Loudder, Mr. and Mrs. Don Curtis and family, Mr. and Mrs. Tom McGill, Ila Haydon, Mr. and Mrs. David Sadler and family, Ray Joe Riley and boys, Larry Sadler and Dick Gregory were among those attending the supper at the airplane hangar of Mr. and Mrs. Charlie Hall Jones last Saturday night. They heard speakers on pest management and saw a film.

Mr. and Mrs. Euleess Waggoner and Mr. and Mrs. Fred Waggoner of Dimmitt attended the funeral services of their aunt, Mrs. Pauline Waggoner in Plainview Tuesday.

Mrs. L. B. Bowden attended the Castro County Genealogical Society meeting in Dimmitt Tuesday night.

Mr. and Mrs. Gary Wise, Holly and Heather and Mr. and Mrs. Jerry Matthews and children spent several days recently at Lake Granbury.

Mrs. Larry Salder, Carrie, Stacy, Laura, and Cheryl Powell of Canadian, Mr. and Mrs. Tex Conard, and Mr. and Mrs. Ezell Sadler were at the lake at Breckenridge last Friday through this Saturday for the Hooper reunion. Larry Sadler went down on Monday. Tex came home Tuesday, Norma, Carrie and Cheryl Saturday.

Mrs. L. B. Bowden kept the

church library open from 2 to 4 Thursday afternoon. 26 books were checked out.

Mr. and Mrs. Cliff Brown attended the Pettit reunion in Comanche over the weekend.

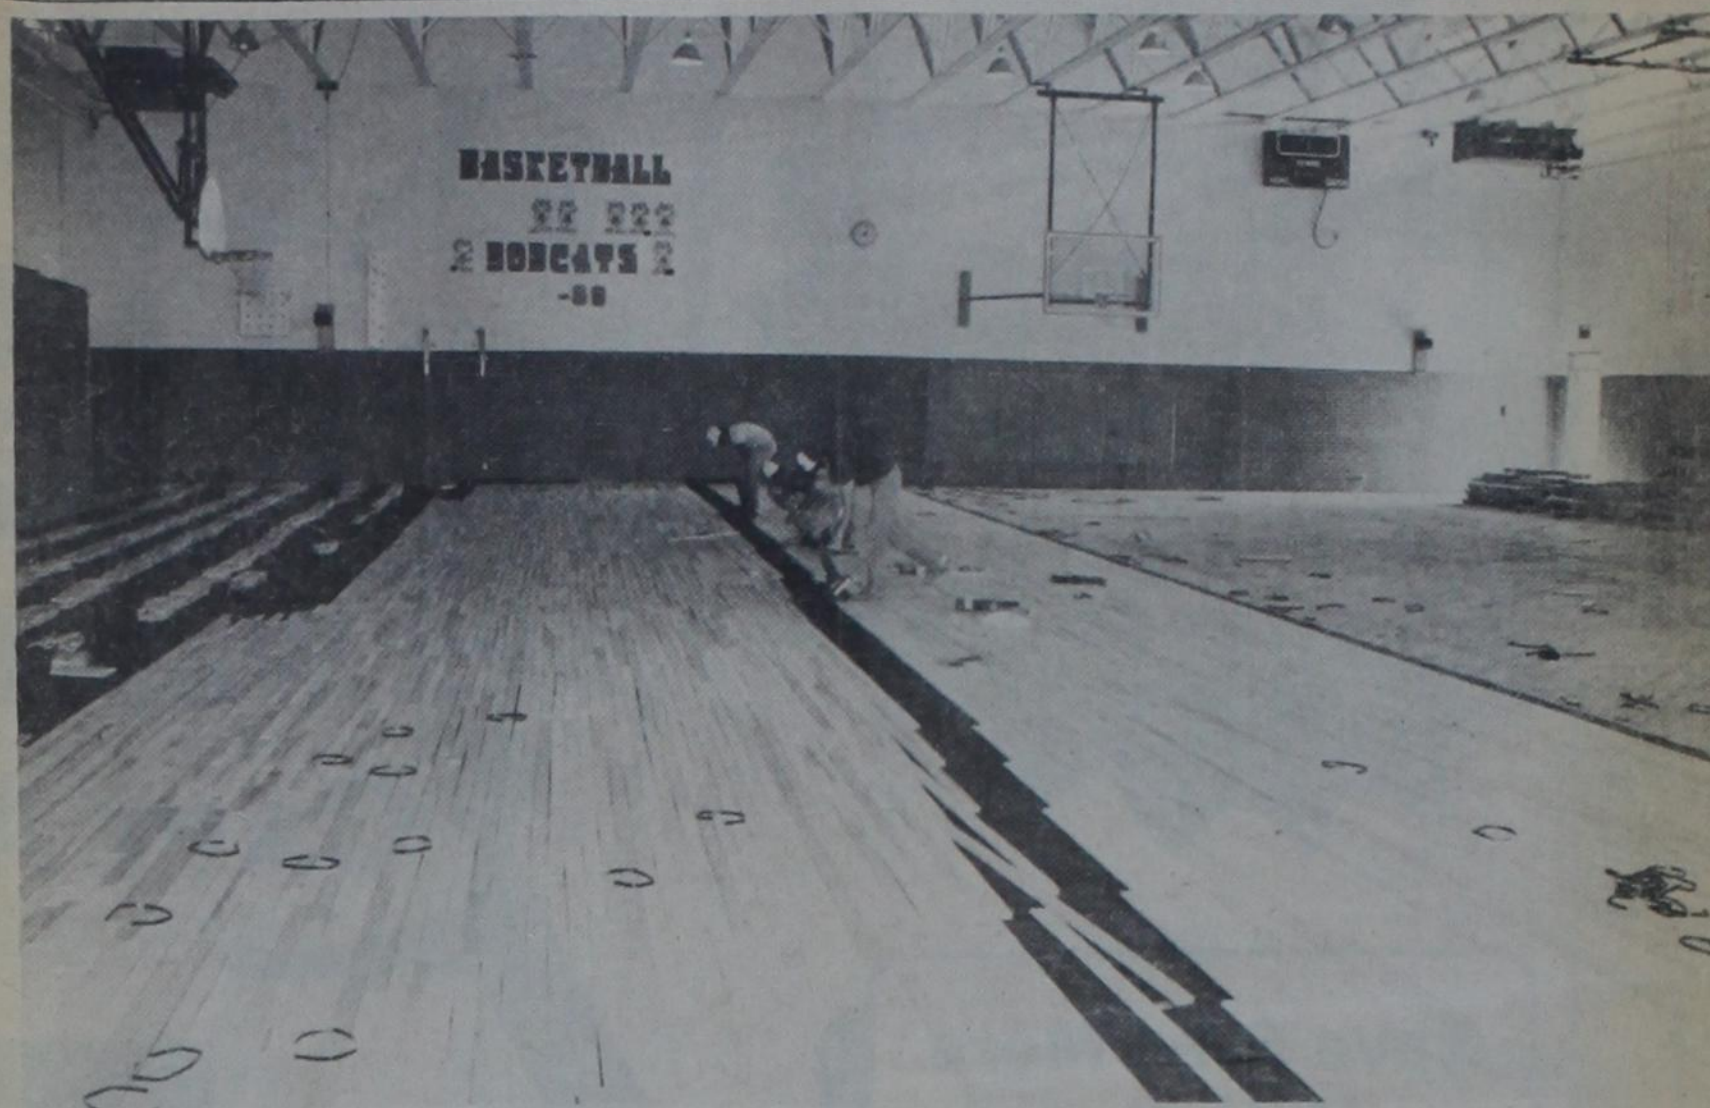

Dr. and Mrs. Myles Sadler, Gregory and Amy, Mr. and Mrs. Bob Clatt and Jasmyne and Susan Sadler all of Lubbock and Mr. and Mrs. Gale Sadler spent Father's Day with Mr. and Mrs. E. R. Sadler. Susan attended the Sunday morning services with them.

Mr. and Mrs. Sam Gilbreath of Dimmitt had Father's Day dinner with Mr. and Mrs. John Gilbreath, Coby, Matt, and Hal.

Mr. and Mrs. Lee Brown, Jason and Jared spent Friday night in Lubbock with his grandmother, Mrs. E. R. Brown.

Mr. and Mrs. Roy Phelan visited in Tulia Thursday with Mr. and Mrs. Loyd Morris. They came by and visited with Mrs. Larry Robb of Dimmitt on the way home.

Mr. and Mrs. Marshall King and Lance spent Thursday and Friday in Monument with his parents, Mr. and

CAN WE PLAY YET?—Danny Howe and his crew from Witt Builders Supply of Amarillo are busy laying down the new maple floor in the Dimmitt High School gym. The original floor was damaged when rain leaked in during roof repairs. After

the maple floor is laid down, it will be sanded, a laquer-like finish will be sprayed on and stripes will be painted on. Workers estimate that it will take approximately two weeks to finish the job.

Nazareth

New priest is ordained Friday

By VIRGIE GERBER
The parishioners of Holy Family Church of Nazareth were honored with the ordination of John Dalton to the priesthood Friday afternoon. Bishop Leroy Mathiesen of Amarillo, 30 priests, about that many deacons from the surrounding area, and Father John's family from St. Francis were here to share in the beautiful, emotional ordination. A dinner was served in the evening at Nazareth Community Hall.

dock. In the evening, Rudolf and Margaret hosted a supper for their relatives and friends. They would like to thank everyone for the beautiful cards and gifts and for enjoying their anniversary with them.

Visiting in the Jerome Brockman home over the weekend were Jimmie, Kathleen and Robert Brockman of Chandler, Ariz., Paul and Theresa Brockman of Canyon, Ronnie, Jerrie Russell and sons of Lubbock, and Ronnie and Elsie Schilling of Slaton.

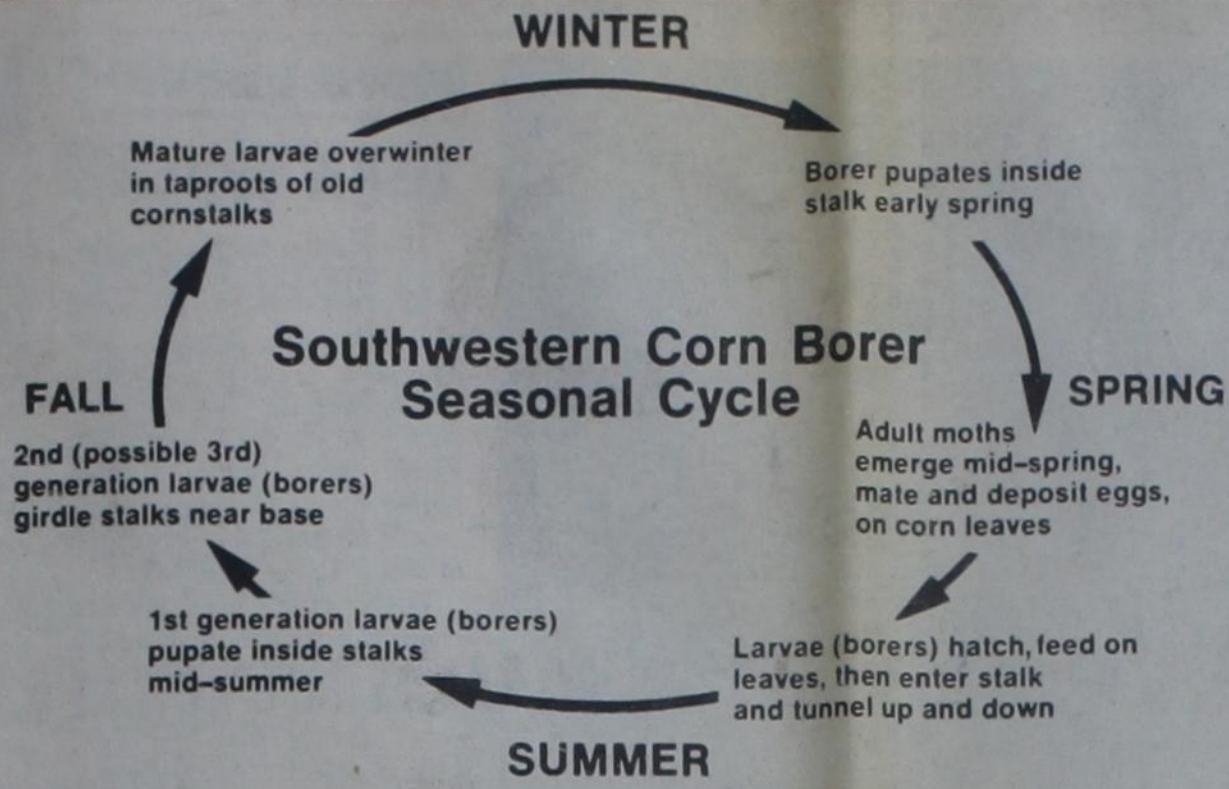

Jerry Gerber, of Umbarger and Carol Stanford of Canyon spent Sunday afternoon with the Albert Gerbers.

Sister Mary Hawkins was officially installed as prioress of St. Scholastica Convent last Thursday at Fort Smith, Ark. Sister Norbert Hoelting, present prioress, made the transfer of authority. At the time of her election, Sister Mary was employed as reference librarian at West Texas State. She is the daughter of Mr. and Mrs. Willis Hawkins of Hart and was teacher in the Nazareth Schools several years before taking the job at WTSU in Canyon.

The Albert Gerber families enjoyed a barbecue at the Gerber home Sunday evening.

The Clarence Schulte families enjoyed a barbecue honoring their dad at the David Schulte home. The Lester Schultes, Phil Brockmans and the Francis Acker families attended.

TO REMOVE bathtub decals, soak decals in mineral spirits, then scrape off, says Bonnie Piernot, a family resource management specialist. Next, spray the tub with an all-purpose spray cleaner and rub with the abrasive side of a sponge. Then wax the entire tub with an automobile paste wax.

Know your crop's enemy, and when to attack him

An hour or two in the cornfield checking for southwestern corn borers could add thousands of dollars to Texas corn growers' pockets this fall, says Chris Kleyla, a product specialist with Union Carbide Agricultural Products Co., Inc.

The first generation of the insect now is laying eggs, but potential damage can be avoided if appropriate action is taken.

Careful and frequent inspection of fields is critical for control of southwestern corn borer in Texas, Kleyla emphasizes. Moths generally lay 300 to 400 small, oval, white to yellow eggs in clusters that overlap like shingles. These egg masses usually are found on the upper side of corn leaves. Peak period for egg hatch generally occurs from mid-July through mid-August. Young larvae begin feeding first on corn leaves, but soon bore into stalks.

Proper timing of application is important to obtain effective control. Treatments should be timed to coincide with egg deposition and hatching of new larvae. The exact timing of application varies with the season and area.

Generally, treatments are applied when egg masses

and/or new larvae are present on 10 to 20 percent of the plants. A second application, seven to 10 days later, may be necessary.

If allowed to produce a second generation, the southwestern corn borer will work its way back into the stalk by mid-September, Kleyla adds. They girdle the stalk near the plant base, often with no outward sign of damage. By the time the stalks lodge from lack of support, it is too late to control the pest.

Kleyla recommends a season-long insect management program: an early planting date, careful monitoring of insect levels, chemically treating if the level of infestation is potentially damaging, early harvest where practical, and chopping or disking corn stalks to reduce numbers of overwintering insects.

For assistance in scouting fields or in determining infestation levels and application timing, Kleyla recommends seeing the local county agent or private crop consulting service.

Troopers Sanders named Rotarian of Year for July 4

The Texas Dept. of Public Safety will be conducting "Operation Motorcade" during the July 4 holiday period. The weekend death count will begin at 6 p.m. July 2 and end at midnight July 5.

Major C. W. Bell, regional commander of the Dept. of Public Safety, said, "During the 78-hour 'Operation Motorcade' period all available troopers will be on the highways. The troopers will be especially aware of drinking drivers and violators of the speed laws. All drivers should be aware of their condition and the condition of their vehicles. If you are planning a trip, you should know your routes and what exits you will need to take. Sudden movements or lane changes can cause accidents and might possibly cost you your life."

The Texas Dept. of Public Safety challenges each driver to drive defensively and help make this the safest holiday on record.

Joe Bob Sanders was elected as the Rotarian of the Year at Friday's meeting of the Dimmitt Rotary Club.

Sanders was cited for his work with the club's flag program, which provides flags at businesses across town on national holidays and special occasions.

The club also elected Sanders as president-elect, to begin his term July 2, 1982. The current president-elect, Keith Mussett will begin his term next week.

In other action, the Rotary Club: —Chose Al Gibbs as the program chairman who gave the best program of the year.

—Decided on June 30 as the date for the club outing. —Set the date for a CPR course at July 20 and 21 in the Fellowship Hall at the First United Methodist Church.

—Accepted Raymond Fleming as a new member. —Introduced Tammy Stanford as the new sweetheart for the coming year.

DUE TO AN error made by the Southwestern Bell Telephone Company, the Elliott-Hamil Funeral Home in Abilene, Texas is listed in the local Yellow Pages Directory under the heading "Frozen Food — Wholesale."

HART, TEXAS

Obituaries

Heberto Villegas

Funeral services for Heberto Villegas, 78, were held at 9 a.m. Tuesday in St. Peter's Catholic Church in Olton with Rev. Glen Rosendale, pastor, officiating.

Mr. Villegas died about 5:25 a.m. Sunday in Central Plains Regional Hospital in Plainview.

Burial was at 10 a.m. in Hart Cemetery, under the direction of Parsons Funeral Home of Olton.

Mr. Villegas was born in Laredo. He was a retired farm laborer. He married Tomasa Aguilar in 1940. He had lived in Hart since 1961.

Survivors include his wife; five sons, Gilbert of Loveland, Colo., Manuel of Olton, Miguel of Sayre, Okla., Armando, of Oklahoma, and Luis of Hart; two daughters, Rachel Sanchez of Plainview and Lidia Perez of Olton; two sisters, Clementina of Pearfall, and Lydia Ramos of Eunice, N.M.; and two brothers, Humberto of Dallas and Leo of St. Paul, Minn.; and 26 grandchildren.

NEW BOSS LION—Joe Josselet [left] accepts the Dimmitt Lions Club president's gavel from outgoing president Jack Edwards during the club's annual Installation Banquet and Ladies' Night at K-Bob's Steak House Tuesday. Other new Lions Club officers for the coming year are Marlos May, Chuck Braafladt and Ron Burleson, vice-presidents; Marvin

Bryant, secretary; Bob Baker, treasurer; Fred Bruegel Jr., tail twister; Don Nelson, Lion tamer; and Virgil Justice, Bob Caddell, J. R. Brown, Chet Braafladt and Edwards, directors. Chet Braafladt was the installing officer, and Winston Waggoner presented the program.

Myasthenia gravis clinic being planned

A free clinic is being planned in Hale Center in August for those who have myasthenia gravis, or who suspect that they may have the disease.

One purpose of the clinic is to help determine just how many MG victims are in this area. Also, planners hope to establish local chapters for victims and their families.

Anyone interested in the clinic or in starting a local MG chapter may call 647-5350.

The name "myasthenia gravis" comes from Greek and Latin words meaning

"serious muscle weakness." It is a neuro-muscular disease characterized by varying weakness of the voluntary muscles of the body.

This weakness is abnormally increased by continued or repeated use of the muscles at any one time and partially relieved by a short period of rest or inactivity of the muscles.

MS is not contagious and it is not directly inherited. However, its occurrence among two members of the same family is more common than chance alone explains.

Early symptoms often come and go, making early recognition at times difficult. The symptoms may be any of the following alone, or in combination: drooping of one or both eyelids, blurred vision, double vision, loss of facial expression, difficulty in chewing or swallowing, an easily fatigued slurred voice, difficulty in breathing, difficulty in raising the arms overhead, weakness in the arms and hands, difficulty in extending the fingers, weakness in flexing the thighs at the hips, and weakness in the lower limbs, especially when trying to walk on the heels.

The variety and severity of symptoms may differ considerably in the same patient from time to time. No two patients have exactly the same variety and severity of symptoms.

Museum group meets tonight

The Castro County Historical Museum, Inc. will meet tonight (Thursday) at 7:30 at the museum building on West Halsell.

Interested persons are invited to attend this regular meeting.

agri-facts

Imagine the possibilities ... of sitting in your own living room, tuning a channel on your television set, and having the August cattle futures ... or the debate on the new agriculture bill from the floor of the U. S. House of Representatives ... or the listing of a combine someone wants to sell - at exactly the price you're looking to pay ... or the December wheat futures ... all right there, where you need them, when you need them. According to experts in the field, that's exactly what's in store, in the very near future, for the farmer and rancher via satellite communications. The satellites are already in stationary orbit, the receiving equipment is available, some of the agricultural information is already being transmitted, with much more in the planning stage, and the time may be at hand when, next to a tractor, a satellite receiver will be the modern farmer's most valued piece of equipment.

production area, so the price of grain in Kansas and Nebraska, plus freight, determines the market price here. Producers in the High Plains area must receive higher prices to recover their cost of production, since much of the grain is irrigated.

The GSPA expressed concern over the government paying freight, handling and storage costs for this surplus corn, saying that the CCC was, in effect, "subsidizing it by that amount in competition with local producers."

VETERAN'S SERVICES

By BEDFORD W. SMITH
 County Service Officer

Pensioners receiving checks under the New "Improved Pension" which became effective Jan. 1, 1979, will receive increases of 11.2% in their July 1 checks for June.

Those with Social Security will have like raises, but this will not affect the pension.

Any other increases or decreases in income must be reported to the VA; also, provable medical expenses do affect all VA pensions. See me if more information or help is needed with these matters.

Pensions under the prior (to Jan. 1, 1979) program will be

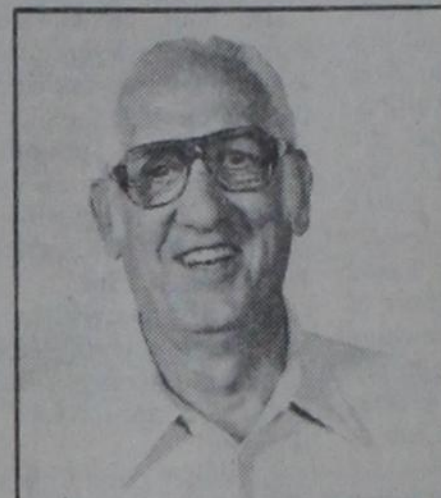

able to have more income by the cost of living index of 11.2% without being cut off; but rates have been frozen permanently. The over 5% spent for medical purposes help the amount of accountable income matters in both plans.

Word has reached me from the Texas Land Bank of Austin that for the time being no further applications will be accepted for the loan and purchase of 10 or more acres of Texas land by Texas veterans. We give details in our next published news column.

Sarah Elizabeth Crooks and John Leslie Sparks

Marriage plans told

Mr. and Mrs. Bobby Crooks of Carthage, formerly of Dimmitt, announce the engagement and approaching marriage of their daughter, Sarah Elizabeth, to John Leslie Sparks, son of Mr. and Mrs. Johnny Sparks of Estelline.

Grandparents of Miss Crooks are Mr. and Mrs. Elbert DeLozier of Dimmitt, and Mr. and Mrs. R. E. Crooks of Mena, Ark.

The couple will exchange vows at 7 p.m. July 11 at the Joseph A. Hill Memorial Chapel, West Texas State University, Canyon.

Miss Crooks, a senior in special education at WTSU, is a 1979 graduate of Childress High School. She is an officer in Kappa Delta Pi, honorary education fraternity.

Sparks was salutatorian of the 1979 Class of Estelline High and is a junior pre-medical student at WTSU.

The couple plan to reside in Canyon after marriage.

Melanie Nelson and King Burney

Wedding set Aug. 14

Mr. and Mrs. Dan Nelson announce the engagement and approaching marriage of their daughter, Melanie, to King Burney, grandson of Mr. and Mrs. King Burney of Dallas.

The wedding will take place Aug. 14 at 7:30 p.m. in the Fourth and Bedford Street Church of Christ.

Miss Nelson, a graduate of Dimmitt High School, has attended Abilene Christian University and Texas Tech University, and is currently attending the State University of New York at Albany.

Burney is a graduate of San Antonio Roosevelt High School, Texas Tech University and Abilene Christian University. He is presently the campus minister of the Church of Christ Bible Chair at the State University of New York at Albany.

THE loganberry is the result of a cross between a red raspberry and a California wild blackberry.

THREE may keep a secret if two of them are dead.

Teresa's topics

Baby-sitting clinic slated

By TERESA NUTT
County Extension Agent

A baby sitting clinic is planned for July 7-8 in Dimmitt for Castro County boys and girls 11-16 years old who are interested in becoming more responsible baby sitters.

Topics and activities will include the role of the baby sitter, characteristics of a good sitter and the role of the sitter's parents and the employer.

Also, general characteristics of children of various ages up to nine years of age will be studied. This includes physical and emotional development, coordination, and guidance possibilities.

General care of children of various ages, including meal-time, bed-time, changing, etc., will be discussed, stressing the safety of each task.

Various safety problems and emergencies that may occur while baby sitting will be covered. These include strange visitors or fires.

The clinic will be held July 7-8 from 9 a.m. to 2:30 p.m. in the assembly room of the courthouse.

Cost of the clinic is \$1 for materials and drinks at lunch. Each participant is asked to bring a sack lunch.

Pre-registration is required. The clinic is limited to 30 participants. Fill out the following registration form and mail to Teresa L. Nutt, County Extension Agent, Courthouse, Dimmitt, 79027 by Thursday, July 2.

Socially Yours

Linda Jean Wise and Kevin Gene Welch

Aug. 1 vows planned

Mr. and Mrs. Frank Shelby Wise announce the engagement and forthcoming marriage of their daughter, Linda Jean, to Kevin Gene Welch, son of Mr. and Mrs. Royce Gene Welch of Friona.

A 1977 graduate of Dimmitt High School, Miss Wise received a degree in elementary education from Texas Tech University in May.

Welch, a 1975 Friona High School graduate, received an agriculture economics degree from Texas Tech in December 1979. He is currently engaged in farming in the Black community in Parmer County.

The couple's wedding vows will be solemnized in the First United Methodist Church of Dimmitt Saturday, Aug. 1, at 4 p.m.

Friends of the couple and their families are invited to attend.

Connie Rodgers and Mike Gleis

July 10 date is set

Bobbie Chester of Clovis announces the engagement and approaching marriage of her daughter, Connie Rodgers, to Mike Gleis, son of Mr. and Mrs. John Gleis of Lake Wilson, Minn.

Miss Rodgers is employed by Malco Products Inc. of Clovis.

Gleis is employed by Culligan Water Softener Service of Clovis.

Friends and relatives are invited to attend; no invitations will be sent.

The couple plan a July 10 wedding date. They will exchange vows in Clovis at the Hillcrest Park Garden at 6 p.m.

Kurlie Q's visit other dance clubs

The Nazareth Kurlie Q's have been busy this week visiting other square dance groups to invite them to the Jaws of Life benefit dance Saturday from 7:30 to 11:30 p.m. in the County Expo Building.

One square went to Clovis Friday, one square went to Hereford Thursday, and couples went to Plainview.

Those persons donating arts and crafts to the auction or sandwiches are asked to have them at the Expo Building at 11 a.m. Saturday. If you need your donations picked up, call local square dancers.

The Kurlie Q's elected officers this week. New officers are Don and Doris Lemons, presidents; Nathan and Ann Pevehous, vice-presidents; Mitzie Moore, treasurer; Charlie and Edith Graef, host and hostess; Bill and Ann Henderson, reporters; and PSDA representative, Edith Graef, club sweetheart.

The Nazareth Kurlie Q's meet on the first, third, and fifth Sundays of each month at 7:30 p.m. in the assembly room of the courthouse.

Leesa Ann McKinney and Duane Mitchell

Vows planned Aug. 1

Mr. and Mrs. Lee McKinney of Clovis, N.M. announce the engagement and approaching marriage of their daughter, Leesa Ann, to Duane Mitchell of Tyler, son of Mrs. Gaynell Bentley of Farwell and Ronald Mitchell of Dimmitt.

The couple will exchange wedding vows at 2 p.m. (MDT) Saturday, Aug. 1, in the First United Methodist Church of Clovis.

All friends and relatives are invited to attend the ceremony.

Dawn Michelle McRee and Mark Cluck

Couple to wed Aug. 1

Mr. and Mrs. Gerald Broadstreet announce the engagement and forthcoming marriage of their daughter, Dawn Michelle, to Mark Cluck, son of Mr. and Mrs. Jimmy Cluck.

The couple will exchange vows Aug. 1 at 7:30 p.m. in the Fourth and Bedford Street Church of Christ.

Miss McRee is a 1981 graduate of Dimmitt High School. She plans to attend West Texas State University in the fall.

Cluck is a 1976 graduate of Dimmitt High School. He attended Texas Tech University and is currently engaged in farming.

- JUNE 25 — Jackie and Beth Roberts.
- JUNE 26 — Terry and Zeldia Ellison.
- JUNE 27 — Lynn and Brenda Buchanan.
- JUNE 28 — Arnold and Sharon Acker, Jerry and Ann Cox.
- JUNE 29 — Ladie and Pat Evan, H. B. and Leola Rials.
- JUNE 30 — Bill and Martha Dannevik, David and Laverne Patterson, Jr., Acie and Margo Boyd, Stanley and Rita McDaniel, Kyle and Flo Touchstone.
- JULY 1 — Mr. and Mrs. Billy Lee, John and Dorothy Street, Glen and Kylene Black.
- JULY 2 — Bill and Vicki Yokum, Engelbert and Janie Bugarin, James and Cindy Rosenberg, Stanley and Naomi Hartman.

Catherine Mongeau of Beloeil, Quebec, Canada, and Maja Martinec of Zagreb, Croatia, Yugoslavia are preparing to leave Dimmitt and their host families Saturday after a "wonderful" and "great" year as American Field Service exchange students.

Catherine was hosted this year by Doug and Cheryl Pybus. She will be returning home to three brothers, Claude, 19, Jean-Francois, 15, and Jacques, 12, and one sister, Nathalie, 17. Her father, Jean Claude, is a doctor in psychology at the University of Quebec in Montreal. Her mother, Gilberte, is a real estate agent.

Maja was hosted this year by Jim and Ellen Hrabal. She will be returning to two brothers, Tomislav, 36, and Uresimir, 33, and one sister, Zdenka, 41. Her father, Martin, is a self-employed shoemaker, and her mother, Manja, is a homemaker. Maja hopes to continue her study of languages when she returns. In addition to her native Croatia, she speaks English, German and Swedish.

On this page, they share their thoughts on their experiences as AFS exchange students, and bid farewell to the community that has become their second hometown.

Dimmitt has been active in the American Field Service since 1960, hosting approximately 21 foreign students and sending two local students to Colombia and France during the past 21 years.

Local AFS chapter officers are Janice Bell, president; Mildred Bradford, secretary-treasurer; Annie Calvert, liaison officer; and Myrna Miller, interviewer.

To participate in the AFS program, a family or student need only contact one of the local chapter officers, a former host parent or exchange student, or any member of the local AFS chapter. The final decision on all applications is made by the AFS International office in New York. Not all applicants can be accepted. Several programs are available for both domestic and foreign exchange, for a summer or a full year.

Who should apply to become an AFS student or host family? Mrs. Bell said that the most important thing is that the

[See AFS, Page 15]

'Aurevoir, mes amis'

By CATHERINE MONGEAU

As I leave Dimmitt after a wonderful year, I wanted to write to the newspaper to tell everyone good-bye.

People in Dimmitt have really been great to me. They all have been very friendly.

Sometimes it was hard for me because I came to a place where I did not know anybody. I was completely lost and I couldn't speak English. But because I wanted to have a good year, I took the first step, trying to get to know everybody.

That is when I realized that people were interested about me. They were asking questions and they wanted to know about my country. I tried to answer all their questions with a big smile on my face — sometimes that was the only thing I could do, because when you don't speak, all you can do is just stand there with a stupid smile on your face.

Now I just laugh when I think about all those experiences I had to go through this year. I will never trade my year for anything — it will always have good memories for me.

Once I got to know all those people, and got straight with all the names and faces, that is when my best time has started.

All the friends I have made this year have really helped me. Once I got to know them, they were always helping me with my problems. I knew I could always find some help from them.

With my family everything has been great. I could have never asked for a better family than Cheryl, Doug and my little sister Carla. This is the first time that I have ever been in a family with just a little sister. Carla has become very special to me. She has taught me what responsibility a big sister has.

If I have had such a good time this year, it is a lot because of my family treating me just like their daughter. We are not only a family but we're also close friends. I know it will hurt me when I will leave them.

When I received my AFS papers, telling where I was going and with what family, I was very happy to come to Texas, because I always heard that Texas was No. 1. I was a little scared because I could not find Dimmitt on my map.

The only thing I knew about Dimmitt was it had

5,000 people living in it. For me it meant that they will not have anything to do in a small town like that. Well, I decided to come here anyway, and now I know I could not have found a better place than Dimmitt.

What I like about a small town is that you get to know everybody. It has been very different from my town in many ways. For example, in Quebec we never drag Main like you do. The first time I went downtown with my friends, I thought it was the craziest thing to do. I did not understand that the teenagers could not find anything better than that. But after a week, I was the first one to say, "Let's go downtown."

I really have enjoyed those activities that the school had to offer. All those football and basketball games — I did not want to miss one for anything.

The senior year has not been too hard for me. I really enjoyed it because there were a lot of activities for us to do. It has been a lot of fun for me because we don't have as many school activities in Canada.

Now that my year is nearly over, I am leaving with a lot of mixed emotions. I don't want to leave Dimmitt because I have made a lot of new friends, but I want to go see my family and my friends in Quebec. It really makes me sad when I think about leaving, but as I always say, "It's the life — I have to be on the road again."

I will leave with a lot of good memories of Dimmitt. I really appreciate all the things y'all have done for me. My experience has been rewarding in all the ways I wanted it to. I hope all the AFS students who will come in the future will enjoy their year as much as I did.

Hope I will have the chance to see "y'all" again. I thank you for everything.

Aurevoir mes amis
(good-bye my friends)

'Mnogo huala za sve'

By MAJA MARTINEC

I can hardly believe that the end of my AFS year is here.

I know that this end is just the end of the calendar year, and that relationships and friendships will continue even over 8,000 miles.

This has been a great year for me, and I can look back on the wonderful days in school, church, at home: people and places I will never forget.

All these really mean very much to me. I have met nice people and made new friends, lived with the family that means a lot to me, and through all that I get to know better the US way of life, customs, different people and also myself. This year has been one in my life with many changes, adjustments, a big great experience, and I value it.

Beside all that I know that I haven't been alone. I always have had my family and friends around me to understand, love and help me through it.

This town became a part of my life — a very important one — and it makes it harder to leave. I am anxious to go home to my family and country,

New Zealand youth cancels year here

Local AFS officials learned Friday that Gerard John Hehir of New Zealand will not be coming to Dimmitt for the 1981-82 school year as expected.

Fred and Bobbi Bruegel had agreed to host Hehir for the coming school year, but, according to Bruegel, the youth decided at the last minute that he was not yet ready to leave home.

"We had been in correspondence with his family, and everybody was real excited, but it just didn't work out," Bruegel said.

Asked if AFS is trying to place another student here, Bruegel said, "As I understand it, they're standing in line to get over here."

Dimmitt's other AFS'er for the 1981-82 school year, Anne Marie Berg of Norway, is scheduled to arrive in Dimmitt the week of Aug. 8 to stay with Bettye Huckabay.

Said Miss Berg in her application to AFS, "I applied for this experience because I considered it an invaluable opportunity to gain personal experience at a very important stage in my life when my future attitudes are being formed."

Miss Berg, a native of Trondheim, Norway, is 16 years old, the youngest of four children and is interested in "... politics, social studies and whatever happens around me."

but it is awful to leave something that is also a part of me.

Distances between our countries are long, but I know that when people are close in heart, that is not far.

I will never forget my year in Dimmitt, and just hope that one day I will come to visit you all again. I want to thank you all for everything you have done for me to make my year as it is, and I want to say goodbye to everyone. I will be always thinking about you all and I love you.

Mnogo huala za sve (Thank you all very much for everything)

Zbogom (good-bye)

Going-away party scheduled tonight

A going-away party for Dimmitt's two AFS students, Catherine Mongeau and Maja Martinec, will be held tonight (Thursday) in the home of Doris and Arlie Petty at 1612 Sunset Circle, from 7 to 8:30 p.m.

Homemade ice cream and snacks will be served. The event is open to everyone who would like to come by and bid adieu to Catherine and Maja.

Police calls

A 35-year-old Earth man was arrested twice last week on charges of DWI and having no valid driver's license. He was released on bond after the first arrest. The second time, he was fined \$285 and remains in custody.

City and county law officers arrested seven other persons on alcohol-related charges. One man arrested for misdemeanor DWI was fined \$315 and placed on two years' probation. Two men arrested for public intoxication were fined and released. The other four persons, arrested for DWI, were fined or released on bond pending court action.

A 22-year-old Dimmitt man was arrested last Wednesday for driving with a suspended license. He was released on bond pending court action.

A 20-year-old Dimmitt woman was arrested last Thursday on charges of felony check violation. She was released on bond pending court action.

County law officers arrested a 21-year-old Dimmitt man Saturday for having a defective muffler and evading a peace officer. He was fined \$208.

Eddy Montgomery reported to city police that someone had broken into the pool hall at 202 NE Sixth after midnight on June 19 and stolen an unknown amount of change. Officers at the scene reported that the door and the cigarette machine had both been pried open, apparently with a crow bar or heavy tool of some kind.

Elena Gallegos reported to city police that some tools had been taken from the back seat of her 1973 Pontiac Monday while it was parked at 205 1/2 Broadway. Veronica Almanza also told police that \$4 cash was missing from the house at that address.

Police were summoned to 412 SE Second at 1:40 a.m. Monday to investigate a reported break-in of some type. Upon arrival, they reportedly found a Chevrolet Impala, belonging to C. F. Webb, with the windows broken out. Officers said they found a rock inside the vehicle.

City officers discovered a similar incident at C&S Equipment Co. later that morning. A Mercury Mark VI parked in the parking lot, was reportedly found with the front windshield broken. Officers said they found a bottle nearby.

R. L. Fleming reported to city police that someone had shot out seven windows and two floodlights of a house at 607 Pine. The damage was reportedly done by an air rifle. The case is still under investigation.

Carl Howard Becker of Tulia was cited for disregarding a red light and leaving the scene of an accident after he reportedly hit a 1977 Ford Thunderbird in the intersection of Broadway and Bedford Streets Saturday. The driver of the Thunderbird, Billy Derryberry, was attempting a left turn onto Bedford, according to the police report, when Becker's Silverado pickup struck his car.

More about

AFS students

[Continued from Page 14]

people be flexible, and the type who would want "to make our world smaller and more interesting by melding together in a family situation."

The AFS chapter president said that she would recommend the AFS program to potential host families and students "because you will grow and mature [in either situation] more than you might the rest of your life. It is a challenge that, although it is very hard, is most rewarding."

Social Security in Castro County

By JANICE ULMER

"Money's worth" continues to be a subject of debate regarding social security benefits. Understandably so, when taxes this year can reach almost \$3,000 for a self-employed person earning \$30,000.

Social Security is a social insurance system under which workers and their dependents are insured against the risk of losing earnings as a result of death, disability or retirement. The monthly checks that are paid partially replace lost earnings.

Now I won't dispute the fact that some people are more likely to get a better bargain than others; that is if you can call it a bargain to become disabled at a young age so you can collect Social Security checks for a long time based on a very small tax contribution.

The social insurance feature of Social Security means that the amount of a Social Security check is weighed in favor of the low earner. On the average, a low-earner's Social Security check will amount to about 60 percent of his pre-retirement earnings. The highest earners can expect checks to equal about one-third of their earnings which were subject to Social Security taxes.

Thus, you can see that under our current system the low earner who is married, with a spouse who is not working, and who has several young children, can expect

the greatest return on Social Security taxes. Conversely, the unmarried worker with no dependents, paying maximum Social Security taxes throughout a long career stands less of a chance of getting a favorable return on tax dollars paid.

In real life, of course, most people fall somewhere between the two extremes. That's why for the majority, we can expect our money's worth and more from Social Security.

Life expectancy tables show a male at age 65 is expected to live 14 years, a female 18 years. By now it should be clear why people who are currently getting retirement checks receive a total amount equal to 10 times what they paid in taxes.

If you are still skeptical, send me your name and address and I will mail you a booklet called "Your Social Security" along with a list showing the maximum amount of taxes since 1937 as well as the amount of tax that went to the three separate trust funds, Old Age and Survivors, Disability, and Hospital Insurance. My address is Social Security Office, 1401-B West 5th Street, Plainview, Texas 79072. If you have any questions concerning social security, call our toll-free number 1-800-392-1603.

A LEGAL kiss is never as good as a stolen one.

Youths attend workshop on electrification

PLAINS MEMORIAL
It's a boy for Eddie and June Sutton. Justin Ross Sutton was born June 19 at 10:58 p.m. and weighed 9 pounds, 2 ounces.

Johnny and Socorro Castillo have a new baby boy. Marcelino Castillo was born June 19 at 1 p.m. and weighed 8 pounds, 12 ounces.

It's a girl for Debbie and Jerry Annen. Amanda Michele Annen was born at 12:30 p.m. April 18 and weighed 7 pounds, 12 1/2 ounces. Grandparents are Mr. and Mrs. Pete Dove and Mr. and Mrs. Fred Annen, all of Dimmitt.

OUT OF TOWN
It's a boy for George and Vickie Nelson of Dimmitt. Shawn Ross was born June 13 at Central Plains Regional Hospital in Plainview, weighed 7 pounds, 8 ounces, and was 19 1/4 inches in length. Grandparents are R. O. and Allena Nelson of Clarendon and Edmund and Joyce Hunter of Dimmitt.

OUT OF TOWN
Julie and David Hicks of San Angelo have a new baby boy. Christopher Jay Hicks was born June 5 and weighed 4 pounds, 9 ounces. Grandparents are Jim and Ellen Habel.

Robert Nelson and Kennen Howell of the Dimmitt High School FFA and Francis Kern of the Nazareth High School FFA attended Southwestern Public Service Co.'s 19th annual Farm Electrification Workshop last week.

More than 100 FFA members and leaders attended the three-day workshop at the Episcopal Conference Center in Amarillo.

The FFA members, who came from Texas and New Mexico, competed for five trips to the national FFA convention at Kansas City, Mo.

Thirteen hours of instruction were offered in each of three subjects — Farm Motors, Farm Wiring and Electric Controls. Two students from the Wiring and Motor courses and one from the Controls course were selected as outstanding, and will receive the trips to Kansas City for their accomplishments.

Heading the staff of instructors at the workshop were Ken Pollard, Texas A&M Agricultural Engineering Dept., Electric Controls; Bobby Browning, Texline, Farm Wiring; Don Ham, Dalhart, Farm Motors; Larry Seals, Whiteface, Farm Motors; and Bruce Smith, Dumas Farm Wiring.

WE ARE PROUD OF OUR RECORD ...

Reading from left to right, we received the following plaques and recognition, in comparison with other Ford dealerships in our category.

1. Gary Williams, service department manager, received a Bronze Medallion for being in the top 20% in the Dallas division, graded volume of labor, customer satisfaction and warranty repairs.
2. Barry Jones, parts manager, received a silver medallion for being in the top 10%. The award was based on parts volume and customer satisfaction.
3. Duward Davis, sales manager, placed in the top 10% and winning the Master sales award for the second year. His award was based on volume of new and used automobiles sold.
4. The Dimmitt Ford Dealership, under the direction of Stan Byrnes, won a gold medallion in recognition of total excellence and customer service as a result of awards issued to all departments.

Yes, we are proud of our record made possible by our loyal friends and valued customers.

LET US CONTINUE TO SERVE YOU

HOST TEAM in Senior Babe Ruth Baseball's Almo League Tournament is the Dimmitt team coached by J. R. Mixson. Dimmitt will meet Morton tonight [Thursday] at 9 at the Babe Ruth Park. Muleshoe and Olton will meet at 7 p.m. to lead off the week-long tournament. Dimmitt, with a 10-5 record, is in second place behind Muleshoe [13-2] going into the tourney.

In front row, from left, are Johnny Nino, Terry Mixson, Frank Gonzales and Ron Rickenbrode. In second row, from left, are Ezekiel Garcia, Jerry Ogas, David Ogas and Larry Espinosa. In back row, from left, are Ricky Gonzales, Danny Montes, Bryan Armstrong and J. R. Mixson. Not pictured is assistant coach David Mixson.

Boys' basketball camp filling up

Registration for Dimmitt's second annual boys' basketball camp will be held Sunday from 2 to 4 p.m. at the Middle School gym.

The camp is open to any boy who will not be playing on a varsity team next year, and the cost is \$35 for the week (including insurance).

DHS Coaches Jimmy Hoyle, Cliff Smith and Kenneth Cleveland will serve as instructors at the camp. Boys enrolled will work out every day from 8:30 a.m. to 12:30 p.m. Monday through Friday, July 3.

About 34 boys have already pre-registered, leaving 15 to 20 more places for those who have not yet registered. T-shirts and schedules will be handed out during registration Sunday.

A girls' basketball camp has been scheduled for the last week in July.

Week's schedule

MAJOR LEAGUE TODAY [THURSDAY]:
Braves vs. Cards, 6 p.m.
Rangers vs. Astros, 8 p.m.

Senior BR's stomp Olton and Morton

With only one game left before the six-day Almo League Tournament, Dimmitt's Senior Babe Ruth team has brought its win-loss record to 9-5, stomping both Olton and Morton by lopsided scores last week.

Dimmitt got an early start in the Friday night game against Olton, scoring 10 runs in the first inning to Olton's none.

Terry Mixson and Ron Rickenbrode both played major parts in the high-scoring first inning as they both chalked up home runs enroute to finishing the game with three hits each.

Zeke Garcia was the winning pitcher for Dimmitt, holding Olton to only two hits, both in the last inning. Fermin Gonzales, Ricky Gonzales, Larry Espinosa and Jerry Ogas contributed two hits each to Dimmitt's batting game as Dimmitt won, 20-2.

In Sunday afternoon's action, Johnny Nino pitched Dimmitt to a 12-2 win over Morton, giving up only three hits and striking out six.

Ricky Gonzales led Dimmitt's batting game, getting three hits in four trips to the plate. Insuring Dimmitt's victory over the 4-10 Morton team were Ron Rickenbrode, Larry Espinosa and Terry Mixson with two hits each.

be played next Thursday at 8. Losers' bracket games are scheduled Friday night at 7, Sunday night at 6, Monday night at 8, and Tuesday night at 8. The team that survives this bracket will go into the finals next Wednesday night.

After the tournament, an all-star team will be chosen to represent the Almo League in the District Senior Babe Ruth Tournament — which Dimmitt will also host, starting July 16.

finish out the opening round. Tonight's Dimmitt-Morton winner will meet the Friona-Nazareth winner Saturday at 8 p.m. Tonight's Muleshoe-Olton winner will advance directly to the third round of the winner's bracket, playing Sunday at 8.

The championship could be settled next Wednesday night at 8, but if a championship playoff game is needed, it will

Dimmitt tops Friona by 5-2

Dimmitt's Senior Babe Ruth team closed out its regular season with a 5-2 win over Friona Tuesday.

The Friona team (7-8) got an early jump in the game with a run in the first inning, but Dimmitt soon changed that, scoring two in the third and going on to score one run in each of the last three innings.

Larry Espinosa, Ron Rickenbrode, Jerry Ogas, John Nino, David Ogas, Terry Mixson and Ricky Gonzales all had one hit apiece for Dimmitt. Mixson was the winning pitcher.

Club to sell firecrackers

The Dimmitt Kiwanis Club discussed upcoming firecracker sales at its Monday meeting.

The Kiwanians will have two stands selling firecrackers July 1-4. One stand will be at the Little League Park west of town and the other will be at the east end of town.

WAS she old? When they lit all the candles on her birthday cake, six people were overcome by the heat.

Almo League tourney to open here tonight

While major league players are on strike, local fans can enjoy a whole week of Senior Babe Ruth baseball as Dimmitt hosts the 1981 Almo League Tournament.

The double-elimination

tourney will feature two games tonight (Thursday), two games Friday night, one game Saturday night, two games Sunday, then one game nightly through next Thursday.

Teams in the tourney, in order of their regular-season finish, are Muleshoe (13-2), Dimmitt (10-5), Friona (7-8), Nazareth (6-9), Morton (5-10) and Olton (4-11).

The leadoff game will begin at 7 tonight (Thursday), with first-place Muleshoe pitted against last-place Olton. Then at 9 p.m., Dimmitt will meet Morton in the nightcap.

Friday night's action will start at 7 with the first-night losers playing each other for survival. Then at 9 p.m., Friona will play Nazareth to

ML Cards win close playoff

The Minor League first-place winners were the Cards after a five-inning playoff game Friday night against the Rangers.

The winning run came in the final inning, with the Cards eking out an 18-17 victory.

The Cards were ahead until the fourth inning, when the Rangers tied the score at 12-12. The Cards scored a run in the fourth to regain the lead.

The Rangers pushed across five runs in the top of the fifth, but the Cards rallied for five runs in the bottom of the inning to win the championship.

The Cards finished the season with a 7-2 record, while the Rangers closed out with a 6-3 mark.

Young Farmers meet tonight

The Dimmitt Young Farmers will meet tonight (Thursday) at 8 in the Dimmitt High School ag shop.

Members will work on the Dana Wall Scholarship to be awarded to one of this year's graduates.
