CITY BOND ELECTION CALLS FOR \$100,000 RECREATIONAL CENTER

Dimmittites will have an opportunity Tuesday to lay the foundation for one of the finest, and most needed, recreational areas in this section of the Plains country when they ballot on a \$100,000 bond issue. Planned by a Chamber of Commerce Committee, with the blessings of the City Government, the recreational area will be located on acreage that is being leased by the city for the water rights. The water right lease makes the land, adjacent to the northwest part of the townsite, available at no extra cost for public use.

Certainly recreation facilities are not as necessary to life as some other public services and facilities, but the fact remains that progressive growing cities do provide the facilities that the bond election would make available, and it is a proven fact that no community can be well rounded without recreation programs that provide healthful entertainment and exercise for all age groups.

Provided the bond election carries, initial plans are to construct a nine-hole golf course and baseball park for both the Little League and the Pony League. Planned recreation during the summer months for teenage boys has been provided by contributions from a few individuals and business firms, while the site for the baseball park has been provided mainly by one individual. Although fairly adequate when the park was built, the number of teenage boys interested in the summer baseball program has increased to the point where present facilities are wholly inadequate. The fact that the baseball park now being used is located on desirable commercial property could very well spell the demise of that facility at any time. This certainly is a matter that should be of vital concern to every person in the community.

Ours is a growing community and available locations for park and recreation facilities are becoming less available, as the need for commercial and residential building sites make well located land more valuable with the passage of each year. The site that is available to Dimmitt citizens or parks, recreation and a community center makes the passage of the bond issue almost a must, as the land without doubt be used for some other purpose unless we take advantage of this opportunity.

There has never been any question about the value of sufficient ball parks and playground facilities in supplying needed recreation for the youth of any community, and Dimmitt is no exception. Providing these facilities is the responsibility of every citizen. While a municipal golf course might be used by fewer people than some other recreation facilities, it does afford every citizen the opportunity to participate in this very healthful pastime. The fact that golf is a popular sport has caused it to be included in the State Interscholastic League program, and many towns no larger than Dimmitt send individual and team contestants to the Interscholastic meets. This can only happen where there is a golf course available for needed practice.

From a business standpoint, there is no doubt that recreational facilities such as golf courses, ball parks, play parks, community centers, fish ponds and the like make a community more attractive to new businesses and prospective new residents all of which in turn adds to the city's wealth and value of community property. These are valid reasons for Dimmitt to take advantage of this opportunity to provide much needed recreation facilities that can be used by all age groups. If, as the City Commission has stated, the bonded indebtedness can be absorbed in the annual budget without the necessity for an increase in city taxes our city has everything to gain and nothing to lose by the passage of the proposed bond issue. The city has been and is in, a healthy financial condition and as a result has paid for any number of improvements in recent years out of the general fund including a modern garbage truck and garbage containers, and the city's part on some of the street paving projects. This would indicate that there is good reason to believe that a tax raise will not be necessary.

The possibility for additional recreational facilities at the proposed park site are unlimited, and certainly could have no other effect than to cause our city to grow and to maintain its place among the progressive growing cities of the Panhandle-Plains area. We owe it to ourselves to provide for the needs in every area of community life and this we can do, in this instance, by authorizing the city government to issue the bonds to finance this vitally needed facility.

City election calling for \$100,000 issuance of bonds to be used for recreational facilities will be held Tuesday, October 12 at the City Hall. Speaking for the City Commission Mayor Bradford declared that it had been definitely determined that the passage of the proposed bond issue would not necessitate an increase in city taxes. He also stated that the City has an optional six months contract for lease of the Howe property for water rights, and that it was the intention of the City to enter into a twenty-five year lease contract, at \$20.00 per acre on 170 acres, with an option for an additional twenty-five year lease for water rights, regardless of the outcome of the election.

Eligible voters include those who own taxable property and have rendered it for taxation. The \$100,000 general obligation bonds will be used for development of recreational park which would be located directly west of city limits on Highway 86.

The proposed Dimmitt Recreational Center has been on the Chamber of Commerce planning board for several months. The Chamber has developed the primary points of the project. According to Bruce Taylor, Chamber Manager, the recreational facility would be an important addition to the City.

The \$100,000 would cover expenses for nine-hole, par 36 golf course, regulation size Little League Park, regulation size Pony League Park, and paving parking lots of the three areas.

According to E. B. Noble, city manager, the \$100,000 will go under the city's general operating expenses and city taxes will not be raised.

The proposed Recreational Center will also provide adequate room for additional park facilities such as Boy and Girl Scout Huts, Community building, city park, fishing, swimming pool and any future civic or recreation need.

The golf course itself, will cost less than half the project. Estimated cost of golf area is \$42,000.

Dimmitt has never had regulation size Pony League or Little League baseball facilities. The present baseball facilities are on privately owned property and the owner has decided that he needs the property for other purposes. Dimmitt owes this owner a debt of gratitude as he has furnished this baseball park for 15 years at no cost.

Little League reached size of 150 boys last year the facilities were crowded. There is prospect of more youngsters coming out for baseball each year according to Little League president.

The proposed Recreational Center will provide ample room to expand during the next 10 years. The Center would accommodate a town of about 12,000.

According to Taylor, Chamber manager, there has been tremendous pressure lately for adequate Boy Scout facilities, another future aim of the proposed center. The Center would also provide plenty of practice fields for baseball teams.

The land will not cost the City anything as it is being leased for the water rights and the owner gave the City permission to use the land in anyway they deemed necessary. The City has a 25 year lease and a 25 year option on the land and water rights.

The Chamber of Commerce states, "As a rule, municipal golf courses are self-supporting and sometimes even money making organizations."

Most area towns around Dimmitt have a golf course and the majority of the courses are municipal-operated according to recent statistics.

DIMMITT SUPER SAVE grocery market celebrates grand opening today, Friday and Saturday in their new store at 218 W. Jones. See story. —Staff Photo

Super Save Plans 4-Day Grand Opening

Dimmitt Super Save, new supermarket at 218 W. Jones, is having a big four-day Grand Opening celebration this week.

The grand opening started Wednesday and will continue through Saturday according to Max Tipton, store manager. The store will be giving away free items of groceries with the purchase of certain articles. Also the market will be giving away 30,000 Frontier stamps to lucky winners.

Free balloons and candy will be given to the kiddos. Free items given away Wednesday included transistor radio, toaster, and Teflon skillet. Today, the store will give away kitchen clock, 9-cup coffee pot and tackle box. Friday gifts include automatic percolator, portable mixer and canister set. Saturday, the store will furnish free hot dogs all day long and plan to give away transistor radio, toaster, broiler and camp stove.

Biggest prize to be awarded a lucky shopper will be the world's largest bag of groceries. Tipton says, "You'll need a pickup to haul it home."

Manager Tipton says, "We extend you a cordial invitation to visit Dimmitt Super Save during the Grand Opening and make this home-owned and operated store your trading post."

Murder Charge Filed Against County Farmer

Murder charges in connection with a shooting that occurred early Sunday morning, October 3 one mile north of Sunnyside on U. S. Highway 385 were filed against Ben Derrick, 47, of Rt. 1, Hart.

Dead man was identified as Jimmie R. Tuttle, 35, of 309 N.W. 6th.

Charges were filed before Justice of Peace Earl Harrison. Derrick is free on \$5,000 bond. Funeral services for Tuttle were held at 10 a.m. Tuesday at Lee Street Baptist Church with Rev. Oscar J. Mayo, pastor, officiating. Burial was in Castro County Memorial Gardens under direction of Dennis Funeral Home.

A resident of Dimmitt for one year and 6 months, Tuttle was employed at Hays Implement Co. here.

Survivors include his wife, Nelida, of the home; one daughter, Donya Louise, three years old; parents, Mr. and Mrs. J. H. Johnson of Lubbock; brothers, Eugene of Lamesa and Robert Johnson of Lubbock; and sisters Jo Richardson of Terrell and Joan Linsky of Morton.

Pallbearers included Bill Shore of Dimmitt, C. W. Scott of Kress, Riley D. True of Plainview, Cleo Connell, George Pope and Clarence Wood, all of Dimmitt.

Honorary pallbearers were the Men's Sunday School class of Lee St. Baptist Church.

Mrs. Iris Touchstone Wins Sweepstakes At Garden Show

Mrs. Iris Touchstone took highest honors at the annual Dimmitt Garden Club Flower Show held last Saturday in the First Methodist Church. She is grand sweepstakes winner as her arrangements and flowers won the most blue ribbons in horticulture and artistic divisions of the show.

"Cavalcade of Tales" attracted many exhibitors including Garden Club members in the artistic division and non-members in the horticulture division. Results of the lower Show follow: Formal — Mrs. Iris Touchstone, red (second place).

Informal — Mrs. Iris Touchstone, blue (first place). Mrs. George Bradford, red (second place). Mrs. Sid Sheffy, yellow (third) (fourth). Contemporary — Mrs. Charles Vandiver, blue. Mrs. Joe Benson, red. Special Occasion — Mrs. Buster Cooper, blue. Mrs. Joe Benson, red. Mrs. J. C. Gilbreath, yellow. SERVICE: Tea Cart — Mrs. Charles Vandiver, blue. Coffee Table — Mrs. Edd McLeRoy, red. Bedside Tray — Mrs. Joe Benson, blue. Others — Mrs. Joe Benson, blue. SKYLIGHT AND WILIGHT: Mrs. George Bradford, blue. Mrs. Sid Sheffy, red. EARLY RISES: Mrs. Raymond Wain, blue. Mrs. J. C. Gilbreath, red. (Continued on page 9)

Dr. Lee's Father Died Here Friday

William Carroll Lee, 82, a resident of Earth for the past 38 years and father of Dr. Billy H. Lee of Dimmitt, died at 5:20 p.m. Friday in Plains Memorial Hospital, Dimmitt.

Services were held at 3 p.m. Sunday at the First Baptist Church, Earth. Rev. Baldwin, pastor and Rev. C. T. Jordon, former pastor, officiated. Burial was in Earth Cemetery under direction of Dennis Funeral Home of Dimmitt.

Lee, a retired farmer, was a native of Alabama. Survivors include his wife, De-rona; two sons, Dr. Billy H. Lee of Dimmitt, and J. W. Lee of Pampa; two daughters, Mrs. Dewitt Elmore of Lubbock and Mrs. Jewel Weatherford of Albuquerque; 11 grandchildren and five great-grandchildren.

Pallbearers were L. T. Smith, Henry Lewis, Sap Kendrick, Shirley Chaney, David Johnson, Arnold Shelvey, Ed Haley and Jesse Goode.

By attending this meeting, the person will avoid having to take time off from work and also having to wait an undue length of time to get the information from the social security representative during the day, Geldon stated.

HENRY OGLETREE Deputy Sheriff

New Deputy Hired Here

Henry Ogletree, formerly employed with Brownfield Sheriff's Department, has been appointed a Deputy of Castro County to fill the vacancy left by Deputy Jackie Williams who is attending school in Lamesa to become a court reporter.

Deputy Ogletree started his first service here Monday morning. He has served on the Comanche Police Force, the Brownfield Police Force and the Brownfield Sheriff's Office.

The young deputy graduated from the Department of Public Safety Academy in Austin previous to his career. Raised only four miles south of Sunnyside, Ogletree is a native to this area. He lived near Sunnyside for 18 years.

He and his wife, Irvaleen have two small boys. The youngsters are: Monty, 3 yrs. old; and Wendel, 1 yr. old. The family is residing at 302 N.W. 3rd.

Mr. and Mrs. Irvin Ott, farmers in the Big Square Community are the parents of Mrs. Ogletree.

COMBINES ROLL as grain sorghum harvest gets underway in Castro County and the grain-producing area. Farmers report some fields are still too green for cutting; however, combines are rolling in several county fields. —Staff Photo

HEREFORD, TEXAS

ARE THEY WORTH THE INVESTMENT ?

- Q. Why does Dimmitt need a new Recreation Center?**
A. We have a good town, but one of our weakest points is a lack of Recreational Facilities for both adults and youth. This would be a good start toward solution of this problem.
- Q. What is to be included?**
A. At the present time a nine hole golf course and regulation size Pony League and Little League Ball Parks, future additions are almost unlimited in possibility. There is ample room for practice fields for our baseball program.
- Q. Who will be able to use the facilities?**
A. All Citizens of Dimmitt, plus those we can draw from our trade territory.
- Q. Where will it be located?**
A. The location is on the west edge of the City Limits North of Highway 86.
- Q. What will the land cost?**
A. The land is being leased by the City for Water Rights and any use of the surface will be at no additional cost.
- Q. What will be the cost of its development?**
A. \$100,000.
- Q. How will the money be provided?**
A. By a Bond Election on Tuesday, October 12, 1965.
- Q. Will a Tax Increase be necessary.**
A. No increase will be necessary.

- Q. How will the course and park support itself in the future?**
A. The unit will be self supportinig.
- Q. Who will build it?**
A. The City of Dimmitt will hire an architect to design the facilities and supervise the construction.
- Q. When will it be ready for use?**
A. If the Bond Election is approved, it should be completed by August 1, 1966. The Ball Parks should be ready for play by May 1, 1966.
- The Following Will Be Built Now If The Citizens Approve The Bonds On Tuesday, October 12.**
1. A regulation Pony League Ball Park.
 2. A Regulation Little League Ball Park.
 3. A Nine Hole Golf Course.
- These Are Future Additions That Can Be Built On The Same Site.**
1. Community Building.
 2. Swimming Pool.
 3. City Park
 4. Scout Huts For Boys And Girls With Room For Their Activities.
 5. Fishing.
 6. Any Future Civic Or Recreation Need.

CASTRO COUNTY CHAMBER OF COMMERCE

MRS. BOB SLAY
nee Mozelle Calhoun

Mozelle Calhoun - Bob Slay Married Saturday In Double Ring Ceremony

Mozelle Calhoun and Bob Slay exchanged wedding vows Saturday evening at 8 in the home of Mr. and Mrs. Bill Kellar, Dimmitt.

Rev. Walter Smith, Baptist minister, read the double ring vows before an archway of candelabras bearing 29 lighted tapers. Candelabras were entwined with greenery, white carnations and red ribbon.

Mrs. Truman Touchstone sang "Because" and "The Lord's Prayer." She was accompanied by Anna Gabel on the piano.

The bride chose a floor-length gown of white satin featuring a bodice and three-quarter length sleeves of Alencon lace. The satin skirt swept into a floor-length chapel train. Her bridal veil of net illusion fell from a crown of seed pearls. Bridal bouquet was composed of red carnations surrounded by white roses carried atop a white Bible.

Janice Nelson of Dimmitt served as maid of honor. She wore a deep rose floor-length dress and matching shoes and gloves. She carried a long-stem white rose.

Elizabeth Kellar was flower girl. Candelighters were Muriel Bussey and Joe Johnson, both of Dimmitt.

Paul Arthur of Phillips served as best man. Ushers were Clarence Woods and Edward Calhoun both of Dimmitt.

Following the ceremony, a reception was held in the Kellar home. Serving table was covered with white lace cloth over red. Centerpiece was composed of red and white carnations and white

candles. Guests were served from three-tiered cake trimmed with red and white icing. Red punch was served. Serving in the reception were Mrs. Ruby Wood, Mrs. Hazel Calhoun and Darlene Bartling. Mrs. Ruth Rothwell registered the guests.

For going away, the bride wore a black and white two-piece suit and black accessories. She wore a red corsage taken from the bridal bouquet.

The couple will be home at 304 NW 4th following a honeymoon trip.

Mrs. Slay is employed at the K-K Beauty Mart. Mr. Slay is news editor for radio station KDHN.

Non-Stick Utensils Are Easy To Use

The newest cookware utensils on the market have a slippery, non stick plastic surface which makes them a joy for the homemaker to use and wash, says Mrs. Elsie P. Short, Extension home management specialist, Texas A & M University.

Except for the tubed cake pan, all non-stick utensils should be conditioned the first time they are used by wiping with cooking oil or shortening. An occasional oiling thereafter will improve their use when they appear dry.

The use of fat in cooking is optional in top-of-range utensils. Eggs will cook without the addition of fat, but the appearance and flavor is improved when the non-stick skillet is very lightly greased.

Most meat has enough fat in itself for flavor and browning and requires no additional fat when it is cooked in a non-stick pan. Muffins lift right out of non-stick muffin cups. With cupcakes, however, it is necessary to grease the cups first.

Tender products with high sugar content, such as butter cakes, have a tendency to stick and tear unless the pans are greased first. Yeast breads and quick breads released from an ungreased non-stick pan, but the pan has to be greased to bake a butter cake or a layer cake.

Angel food, sponge and chiffon cakes bake to the same light volume in a non-stick pan as in an uncoated one. The cake is inverted to cool and has to be loosened with a rubber spatula in the same way as in an ordinary pan.

Do not grease the pan for cookies which contain shortening, but grease will be needed for meringue cookies which contain no shortening. The egg poacher cups have to be greased lightly to insure easy removal of the eggs.

The non-stick coated casseroles, waffle and grid irons offer great advantages when it comes to cleaning. Hot foods seem to release better from non-stick pans than cold ones.

Remember to use nylon coated, rubber, wood, all non-stick and plastic coated metal spoons and spatulas with your non-stick coated cookware.

Research Finds New Forage Oat

A new variety of oats, Houston, has been developed and tested by the Texas Experiment Station and the U. S. Department of Agriculture.

While Houston is limited in use as a fall-seeded oat because it lacks cold weather resistance, it

has good disease tolerance, strong straw and is well adapted to spring seeding throughout the area of Texas where spring oats are sown, grain researchers at Texas A&M University explain.

The new variety is a short-stature oat which remains relatively short even under high production levels. Young plant growth is upright and produces early forage. Because of this growth habit, it should not be grazed until well established and should not be

grazed or clipped too close to avoid plant damage. Houston has the best straw strength of any variety available in Texas.

Researchers say the grain is of high quality. Kernels are medium to large, are light red in color and have awns that break off easily in threshing.

Disease resistance of Houston has been highly effective during tests but, like all other varieties, it is affected by some types of crown and stem rust. It displays

good resistance to culm rot and Victoria blight.

Houston is highly recommended for spring seeding in the North Central Plains, Rolling Plains and High Plains. Its strong straw makes it especially suited to seeding as an irrigated crop.

The new variety should be fall seeded only in the area generally south and east of U. S. Highways 79 and 81 in Texas where diseases are an important factor in oat production.

Foundation seed was released to certified seed growers in South Texas in the fall of 1964. Therefore, a good supply of seed should be available after harvest of the 1965 crop.

COVINGTONS VISIT HERE

Mr. and Mrs. J. D. Covington and children of Alamogordo, N. M., visited in the homes of Mr. and Mrs. Frank Wise, Mr. and Mrs. Ralph Smith and other friends. They also attended the

GUESTS IN UNDERWOOD HOME

Guests Sunday in the home of Mr. and Mrs. E. G. Underwood were his brother and family Mr. and Mrs. J. C. Underwood, Mrs. Janie Haralson and two children and Mrs. J. T. Underwood of Lubbock, Mrs. Winn of Fort Worth and also Mr. and Mrs. Roy Dale Underwood of Dimmitt.

ANTHONY'S 43 YEARS OF VALUE LEADERSHIP

Homecoming Is Planned At Springlake

The Springlake Ex-Students Association will host Springlake's Homecoming October 15. Registration will begin at 4:30 p.m. in the Springlake Auditorium followed by a program from 5 to 5:30 p.m.

A dinner will be served in the cafeteria from 6 to 7:30 p.m. The crowning of an ex-homecoming queen during the halftime activities of football game between Springlake and Sudan will climax the evening.

Candidates have been chosen from the honored classes of 1935, 1945, 1955 and 1965.

They are Velma Dean White Jacquess from the class of 1935, Jean Wilson Haberer from the class of 1945, Virginia McClesky Barden from the class of 1955, and Beverly Kelley Walden from the class of 1965.

Refreshments will be served to all exes in the cafeteria after the game. All ex-students are urged to attend and vote for a homecoming queen and officers for the next year.

Voting will be done in the cafeteria from 6 to 7:30 p.m.

CARD OF THANKS

CARD OF THANKS
We would like to express our sincere thanks to all those who expressed sympathy, sent cards and floral offerings, and the prayers, masses and other kindnesses shown us. We are deeply grateful.
Mr. and Mrs. Leo Dobmeier and family
Mr. and Mrs. David Irlbeck and Leroy

CARD OF THANKS
We want to thank the fire department for answering the call to our need even though it was a minor one, our need was met in minutes. We think we have a wonderful fire department and thanks a million to each one.
Mr. and Mrs. Sam Lane

PRISON RODEO STAR - Dizzy Dean, a former member of the immortal "Gas House Gang" of the St. Louis Cardinals will be the featured attraction at the Sunday, Oct. 10 show of the 34th Annual Texas Prison Rodeo in Huntsville. The popular baseball sportscaster will share the spotlight with convict cowboy performers and a group of the best inmate entertainers selected from all units of the Texas Department of Corrections. The rodeo is held in the 30,000-seat prison stadium, beginning at 2 p.m.

Grain Sorghum Chat
by Wes Anthony
A person that loves Mother Nature need not go any further than a mile from town to see the prettiest foliage that was ever created. The foliage on the grain sorghum is beautiful, the cotton, soybeans and castor beans have colors that are "out of this world." It looks like this is going to be a bumper crop and seems more

STATE FAIR VETERAN IN HIS CUPS

Ed Meek bought his first food and drink stand at the State Fair of Texas the year Jack Benny was born - that, of course, was 39 years ago. Later he bought the two Big Eli #5 Ferris wheels, a pair of miniature trains, several other rides - and he even met Erma, his wife of 43 years, on the State Fair Midway. Ed has seen a lot of soda pop flow - and he's getting ready to fill the cups again on October 9, opening day of the 1965 State Fair of Texas in Dallas.

"AUTUMN MAGIC" Is Theme Of Milady Garden Show

The Milady Garden Club presents "Autumn Magic", Fourth Annual Garden Show at Fellowship Hall, First Methodist Church, Saturday, October 16, 2:30 p.m. - 5:30 p.m.

Admission is 50 cents and children are free.

COMMITTEE CHAIRMEN

- Flower Show Chairman - Mrs. Carl Bruegel - 647-2037
- Schedule Chairman - Mrs. Monte Boozer - 647-4750
- Staging - Mrs. Don Hargrove - 647-3428
- Entries - Mrs. James Welch - 647-4767
- Publicity Judge - Mrs. Larry Gamblin - 647-5031
- Judges Clerk - Mrs. Robert Benton - 647-2311
- Classification & Horticulture - Mrs. Bryan Dutton
- Conservation & Education - Mrs. Kenneth Forson - 647-3084
- Dismantling - Mrs. Ted Robb - 647-4371

AWARDS:

The Standard System of judging is used in this show. Only one each in each class: one first, blue ribbon; one second, red ribbon; one third, yellow ribbon; honorable mentions, white ribbon.

In the Artistic Design Division the following extra awards are available:

Tri-color award - will be given to the highest scoring blue ribbon winner in the artistic division (this ribbon is blue, red and yellow.)

Award of distinction - given to the highest - scoring blue ribbon winner with a total point score of 95 or over on arrangements of dried or preserved materials are used exclusively in the brown with gold letters.)

Sweepstakes Award - given to exhibitor with highest number of blue ribbons. (this is a rosette ribbon in green and white.)

Awards of Merit - will be given in two sections of the Horticulture division - one for outstanding horticulture specimen and one for outstanding potted plant entry. (this will be an orange ribbon.)

Sweepstakes Award - given to exhibitor with greatest number of blue ribbons in this division. (this is a green and white rosette.)

Junior Achievement Award - given to the outstanding exhibit in each class of the Junior section (This is a combination ribbon of red, white and blue.)

The Special Award, represented by a green ribbon, is given in the Educational Section.

GENERAL RULES:

- All exhibits must be received no later than 10:00 a.m., October 16.
- Late entries may be displayed but will be marked "Not for competition."
- Each entry will be taken to the Classification Committee Table and registered with the entries chairman, arrangements or horticulture, then receive an entry number before it is placed by the exhibitor.
- Each exhibitor must tell the

classification committee in what division and class her arrangement is to be placed - for all entries must conform to the schedule. This committee has the final word.

Horticulture entries must be grown by the exhibitor and labeled as to the variety possible and know what class and section the specimen is to be placed. Exhibitors must stay and place the entry themselves!

Containers will be supplied for horticulture classes.

All potted plants must have been in the exhibitor's possession for at least three months.

All entries must be ready for judging by 11:00 a.m., Oct. 16, and may not be removed until 5:30 p.m., Oct. 16, but must be removed by 6:00 p.m.

While it is desirable that material used for arrangements be grown by exhibitor, it is not a requirement.

All arrangements must be made by one exhibitor and entered as such, unless the schedule states different.

The use of foliage is permitted in all classes unless otherwise stated.

Outsiders are welcome to participate in Horticulture, but must conform to rules and specifications of the schedule. The exhibitor must place entry himself. The person bringing exhibit is responsible for classification and placement himself.

Accessories will be accepted in all artistic classes. This will

include dried, painted, treated materials, also.

Only one entry per person in each class.

The standard system of judging will be used.

In the children's division, the child must do all work on their entry.

Only the judges, clerks and show chairman are to be in the exhibit room while judging is being done.

SCALE OF POINTS for Classes 40 and 41.

Overall Design - 30

Appropriateness - 20

Color - 20

Distinction - 20

Originality - 10

JUNIOR DIVISION - 3

THE CAT'S WHISKERS

Class 42. - A - Pre-school ages

Class 43 - B - ages 6 through 8

Class 44 - C - ages 9 through 12

DIVISION IV - Conservation

DIVISION V - Education

DIVISION VI - COMMERCIAL Exhibit.

NEW MEXICO VISITORS

Mr. and Mrs. E. S. Umberson and Mr. and Mrs. Floyd Reynolds visited Mr. and Mrs. Dee Umberson and family at Alamogordo, New Mexico last week. They also visited a sister, Mrs. Joe Gollehon and Mr. Gollehon at Portales, N. M.

Pink Lady Party Line

Myrtle Sheffy said it and she's right: "There's a lot of good talent in Dimmitt!" Also there are a lot of conscientious workers in the Flains Memorial Hospital Auxiliary.

Dimmitt was the first to return their assignment of ditty bags, 102 of 'em. We could have made a lot more, I'll bet.

Our regular monthly meeting will be held Wednesday, October 13. Friday, the thirteenth comes on Wednesday this month, thank goodness. Be sure to come or you'll miss something you should know about. No, I'm not going to tell you what. You just come and see.

"A-Go-Go" - that's the current phrase for something new and exciting. Our coffee (A-go-go) cart is providing a bright spot in the day for patients and personnel in the hospital. They look forward to it.

Funny books for the children are still on the most-wanted list in the library. Confidentially, they're perused by adults too; those who don't feel quite well enough for something more erudite yet need a spot of diversion to keep their minds off the next shot. All books will be welcomed however.

Please be thinking about the area meeting of Hospital Auxiliaries to be held in Lubbock Thursday, October 14 at the Hillcrest Country Club. Now you know Lubbock refuses to be outdone by Amarillo, last year's meeting place, so it should be a doozy. Cost for everything is \$3.50. Hours are from 9:30 a.m. to 2:15 p.m.

See you at the meeting Wednesday, October 13. Mark it on your calendar.

HART NEWS

Mr. and Mrs. Jerry Shives of Olton are the parents of a baby girl, Dawn Michelle, born September 27 at Plainview. Grandparents are Mr. and Mrs. Roland Green of Olton and Mr. and Mrs. Eldon Shives of Hart.

Mrs. Eldon Shive is recuperating from minor surgery she had Monday in Plainview Hospital.

Mr. and Mrs. Johnny Hindman moved from the Hart Community to Plainview last week.

Mr. and Mrs. Allen McLain of Lubbock visited in the home of Mr. and Mrs. Hubert McLain and Mr. and Mrs. Alvin Talley over the week end. Allen and Sherrie moved to Lubbock recently where he is employed with the Pioneer Natural Gas Co.

Mr. and Mrs. Muriel Bussay of Dimmitt visited her parents over the week end, Mr. and Mrs. Alvin Talley.

Visiting Becky Burress over the week end was a cousin, Marsha Spann of Plainview.

Mrs. Paul Johnson underwent surgery last Wednesday in a Plainview Hospital. She is the mother of Mrs. Kenny Hill of Hart.

MRS. JAY D. STONE nee Thelva Lavern Morgan

Thelva Morgan - Jay D. Stone Were Married In Double Ring Ceremony

Thelva Lavern Morgan, daughter of Mr. and Mrs. Arnold Morgan, 107 N.W. 9th and Jay D. Stone, son of Mr. and Mrs. Leroy Stone of Turkey were wed in a double ring ceremony September 5 at Northside Baptist Mission here.

Rev. M. A. Pennington read the wedding vows. Mrs. Faun Welker played traditional wedding music and accompanied Mrs. Maxie Horton who sang "The Wedding Prayer" and "I Love You Truly."

The bride wore a floor-length gown of white satin featuring a bolero and train composed of bridal lace. Tapering sleeves came to a point over the wrist and were fastened with four tiny self-covered buttons. She carried a bouquet composed of white roses.

Sharon Morgan, sister of the bride, served the bride as maid of honor. She wore a pink street-length dress fashioned like the bride's gown. She carried a bouquet of pink-tipped asters.

Best man was Clyde Stone of Turkey, brother of the groom. Ushers were Hay Morgan, brother of the bride and Gene Fuston of Turkey, college classmate.

The mother of the bride wore pastel yellow linen dress and black accessories. Groom's mother was attired in pastel green and black accessories. Both wore white rose bud corsages.

Reception followed the ceremony in First State Bank Community Room. Serving table was centered with candelabra bearing three white candles and bridal party's bouquets. A three-tiered white wedding cake topped with bride and groom was served to guests.

FOUR STAR would rather PAY than FIGHT

How often have you handled an engine warranty for just a fraction of your retail labor rate? Those days are gone forever when you install dependable FOUR STAR with its generous, unmatched guarantee.

Premium quality reduces come backs to a minimum. But, if a complaint occurs, there is no argument. FOUR STAR pays you Motor's or Chilton's Flat Rate Time at your regular retail labor rate.

So, why worry along with any line where adjustment allowances are far below your chargeable time? If you are not already a Four Star dealer, wouldn't you rather switch than fight?

See your FOUR STAR jobber today!

Swifts Fall To Sudan Hornets

by Art Albracht The Nazareth Swifts, after leading by eight points at halftime, saw two second half fumbles result in Sudan scores, which wrecked Nazareth's perfect record as the Hornets won 34-20.

In last Friday night's game, the Swifts scored 20 points in the second quarter only to have Sudan muster 22 points in the final half while Nazareth was held scoreless. The loss gave the Swifts a 2-1 record to take into district play which begins this Friday in Hart against the Longhorns.

A fumble by Jerry Aberant of Nazareth, early in the last quarter gave the Hornets their first big break. Aberant fumbled at his own 27 giving the Hornets a first and ten in good field position. Quarterback Ronnie Hill, keeping the ball on the ground, quickly moved his team to another first down at the Nazareth four yard line. Halfback Larry Morgan ripped off right tackle then around right end and into the end zone for the touchdown. The conversion run was good knotting the score at 20-20. The Hornets quickly got another break when safetyman Marvin Hoelting fumbled at the Nazareth 40 and Sudan recovered. The Swifts halted the Hornets on their first two downs but on third and 20, Sudan came through with a beautifully timed halfback play for the touchdown. Quarterback Hill gave the ball to Morgan on a quick opener which found no defenders in the way. Morgan bolted 50 yards for the tally making the score 26-20 in Sudan's favor. The Hornets then ran for a pair of extra points giving Sudan an eight point edge, which Nazareth failed to overcome.

The final Sudan score was anticlimactic as there was but 3 minutes left in the battle, however, Nazareth still had a chance for a tie, prior to the last Sudan touchdown. A quick opener by the Hornets found the Nazareth defense sleeping and all the halfback, Morgan, had to do was sprint into the end zone on a 64-yard jaunt, which completely finished the Swifts.

Nazareth scored first in the fracas on a six yard scoring pass from quarterback Hoelting to end Clyde Venhaus, after Hoelting returned a punt 15 yards to begin the march. The conversion kick was good as Nazareth got its first seven points. Hoelting faked a field goal attempt on the initial touchdown and then flipped to Venhaus. Nazareth kicked off to Sudan but the Hornets couldn't move the ball. On fourth and 13 for the Hornets at Sudan's 37, the Hornets chose to punt. Hoelting took the punt at his own 17 and then began a fantastic 83 yard punt return. Nazareth formed a wall in front of Hoelting, blocking expertly while the Swifts' quarterback scrambled and faked toward the Sudan goal. Hoelting faked the last Sudan defender with a tremendous shoulder fake and then rambled in for another Swift score. The extra point failed as the score remained Nazareth 13, Sudan 0. The Hornets quickly got their first tally by racking up a pair of quick first downs and back play over right guard. Halfback Morgan raced 23 yards for the touchdown but the conversion went wide as the score remained 13-6 Nazareth.

A Sudan "piling on" penalty gave the Swifts good position at the Hornets 35 yard line, after Sudan had kicked off to Nazareth. The Swifts could get only six yards on the first two downs but on third and four, Hoelting passed to halfback Gerald Brockman who made a sensational "over the head" catch. Hoelting kicked the conversion marker straight through the uprights making the score Nazareth 20, Sudan 6. Sudan rounded out the first half scoring as Hill pitched to Morgan on a second and four situation at the Hornets' 45 yard line. Morgan cut around right end on the touchdown jaunt and then galloped 55 yards for the marker. Sudan missed the conversion but closed the gap to only eight points as the half ended.

That eight point lead for the Swifts proved far from enough as Sudan produced the big second half, gaining their first victory of the new season while Nazareth fell to its first loss.

Gerald Brockman was the top rusher for the Swifts as he got 51 yards in eight excursions with the pigskin. Hoelting sacked up 38 yards of rushing in twelve attempts. A pass interference call on Larry Ringwald and a "roughing the kicker" call against Don Braddock proved costly to the Swifts' cause as both came on fourth down plays with Sudan badly needing a first down. Ringwald's penalty gave Sudan a first down at the Nazareth eight yard line. Nazareth, of course, was hurt most by the fumbles both of which appeared at first to be recovered by the Swifts. On both

Agriculture in cooperation with state departments of agriculture. It's one of the consumer services of USDA's Consumer and Marketing Service. When you buy lawn seed this fall, be sure to look for the date germination was tested, because seed loses its viability as it grows older. By Federal law, the test date can't be more than 6 months past, before the seed goes across a state line. State laws prevent sale of seed with an older test. Most states allow 9 months. Good seed assures you of a good lawn. For additional information obtain copies of "Better Lawns" and "Home Lawns" from the County Extension Office.

MR. AND MRS. A. T. KIRBY

Mr. and Mrs. A. T. Kirby To Celebrate 50th Anniversary

Mr. and Mrs. A. T. Kirby, 407 Front Street, will celebrate their Golden Wedding Anniversary Sunday, October 15 with a reception in the Community Room of the First State Bank, Dimmitt.

The reception will be from 2:30 to 5:30 p.m. All friends and relatives of the couple are invited.

Mr. and Mrs. Kirby were married October 15, 1915 by Bro. Nichols, pastor of the Baptist Church in Mangum, Oklahoma. They lived in different areas of Oklahoma before moving to Castro County in 1942. Mr. Kirby farmed in the Sunnyside Community until 1945, when they moved to their present location in Dimmitt.

Mr. and Mrs. Kirby are the parents of 11 children, ten are still living. One son, Chester died at an early age. Their children will serve as hosts and hostesses for the happy celebration.

Children are Clifford, Hulon and Olan of California, Twila Parker of Olton, Vaden and Troy of Dimmitt, Muriel Carrell of Laz-

instances the referee ruled Sudan had covered the loose ball. Nazareth opens its district play tomorrow night against rival Hart with the game beginning at 7:30 p.m. in the Longhorns' football stadium.

Water Quality Affects Drinks

The next time your reconstituted orange juice or instant tea has that "blah" taste, the fault could be with the water and not the product.

A 12-member tasting panel at Texas A&M University recently smacked their way through a like number of orange juice and tea samples made from several types of common drinking water. The tasters didn't use the word blah, but they had words almost as uncomplimentary for most of the samples.

The test was conducted by Dr. A. V. Moore, professor in the Dairy Science Department and a man much experienced in the subtle art of taste-testing foods.

It's the professor's contention that "potable water isn't always," and he believes that water, resource people and the public should concern themselves as much with water quality as quantity.

"The chemical composition of natural, potable water may change considerably the flavor of reconstituted orange juice or instant ice tea," Moore said.

All the samples of orange juice and tea were compared against the same drinks made from distilled (mineral-free) water. The latter were rated good but definitely flat.

Panel members rated the natural water samples as "better than" or "poorer than" those from the distilled water. They also added specific flavor criticisms on each. Standard tasting practices were followed to avoid bias as much as possible.

Moore said off-flavors were generally recognized even though not always tagged as the same defect. For example, bitterness came through to all the tasters, but they didn't always call it bitter. Mustiness was sometimes called foreign, earthy, aromatic or alkaline.

The natural waters came from

three private wells and eight municipal wells from different areas in the state.

Moore learned that waters with high alkalinity (mostly bicarbonate) tended to cut tartness of orange juice, which some panel members failed to recognize. This accented other flavors and led to faulty identification.

One municipal water made orange juice better than that made from distilled water, the professor said. Although it was relatively high in total alkalinity at 200 parts per million, it contained 31 parts of sodium chloride, which may have had a balancing effect. Iced tea was tasted both with and without sugar. In some cases the sugar masked bitterness found in the non-sweetened drink. In other instances, the sweetness apparently heightened bitterness to those tastes especially sensitive to that trait.

"If, however, the unsweetened tea had an outstanding bitter, medicinal or foreign flavor, it was detected in the sweetened sample, too," Moore said. "One natural water from a private well made sweetened and unsweetened tea that was superior to that made from distilled water."

The professor came up with a Heloise style hint: Excessive alkalinity can be reduced by adding lemon juice to the water before using it in reconstituted beverages.

Summing up, he said consumer criticism of reconstituted orange juice and instant tea might be attributed to the water, even when the water is satisfactory for drinking straight.

"Unscientifically speaking, low quality water can give drinks a kind of - well, a blah taste," Moore said.

Mexican Supper Planned At Hart

The St. John's Altar Society of Hart is sponsoring a Mexican dinner at the school cafeteria starting at 12 noon.

Tickets are \$1.25 for adults and 75 cents for children. Everyone is invited.

Hart Mothers Club Plan New Projects

Hart Mothers Club met last Thursday, September 30 at 4 p.m. in Hart High School to make plans for projects this school year.

Mrs. Ben Kennedy, new president presided over the meeting. The Hart Mothers Club is composed of all mothers of Junior High and High School football and basketball players.

Activities the Club sponsors include annual Athletic Banquet which will be held in near future and operation of concession stand at home football games. The Club is serving corn dogs this year instead of hot dogs at the concession stand.

Newest project completed by the club includes purchasing Junior High basketball suits and bags, and pom poms for the cheerleaders.

Like I said Mr. Jones I was driving along about 10 miles an hour.

T.G. & Y. Toy Sale advertisement featuring various toys like snare drums, popcorn tops, pool tables, weaving looms, dolly nurse kits, cleaning sets, tinker toys, American logs, tractors, locomotives, gun sets, fort apache sets, stick horses, dolls, laundry sets, dump trucks, stake trucks, target sets, wall telephones, play-doh, Chinese checkers, and chess sets. Each item is listed with its original value and the sale price.

NORTHEDGE NEWS

Mrs. Royce Davis entered Plains Memorial Hospital Saturday afternoon. She returned home Tuesday morning.

Mr. and Mrs. Garry Hathaway spent the week end with his brother Mr. and Mrs. Mickey Hathaway in Lubbock.

Mrs. Raymond Crum accompanied Mrs. Don Carpenter to Amarillo Monday. Terry stayed with his grandparents, Mr. and Mrs. John Crum.

Mr. Scott Crum went to Roswell, N. M. Saturday after Mrs. Crum. She has been recuperating in Roswell for a month.

Mr. and Mrs. Donny Nelson Miami, are visiting Mr. and Mrs. Ronny Nelson and Rhonda.

Frost, October 1st has damaged crops over the community in varying degrees. Showers are delaying harvesting of the grain which was getting well underway.

Mrs. Carl McDaniel and Kayla Mrs. N. E. Stowers and Dorman were visitors of Mr. and Mrs. Robert McDaniel and family Saturday.

Junior High Wildcats Win Two At Farwell

Dimmitt 8th grade jumped past Farwell in football action last Thursday night to win 6-0. The lone touchdown was made during the third quarter on a quarterback keeper play. Jerry Birdwell ran about 15 yards for paydirt.

During the fourth period, Dimmitt drove the ball down three times within 10 to 12 yard line of the goal but failed to break through the Farwell defense.

Dimmitt 7th graders defeated Farwell, there, 22-0 last Thursday night.

Dimmitt 7th Downs Farwell

Dimmitt 7th graders played over Farwell to the tune of 22-0 last Thursday at Farwell.

Mark Wohlgenuth started the round of scoring with a four yard plunge for paydirt. The team scored again when Kenny Doss tossed a 25-yard pass to Gary Young. Perry Floyd made the two extra points.

Farm-Fed Beef Earns Bigger Money Profits

Cattle producers can earn up to 54.6 percent of the consumer's beef dollar if they raise and feed their animals to slaughter weight on the farm.

This fact was brought out in a recent USDA study on price spreads of beef. The purpose of the study was to demonstrate distribution of the consumer's beef dollar among ranchers, feeders, packer-wholesalers and retailers.

The study included six U. S. Choice grade steers from six states, all but one going to distant retailers after feeding and processing. One steer, raised and fed on the same farm, went directly to a market close to home.

The advantage of using home-grown feed to raise cattle to slaughter weight on the farm was illustrated by this steer as it netted the producer 54.6 percent of the consumer's beef dollar. Cattle sold at weaning weight earned only 25.6 percent for the cattleman.

For farmers this can make a big difference. Meat is the most important item in the consumer's food budget, beef making up about 25 percent of this. Beef consumption has increased from an average per capita of 63.9 pounds in 1949 to 99.7 pounds in 1964. Further, beef faces a rapidly increasing demand as incomes continue to rise.

PROUD PARENTS
Mr. and Mrs. Billie Ayers of Anderson, Missouri are the proud parents of a baby girl named Melody Ann. The Ayers have one other child, a son, Michael, age 13.

Accent on Health

J.E. PEAVY, M.D.
—Commissioner of Health—

Have you driven up a street recently and had something flash past you, speeding downhill? It can give you quite a start to glance back and see a boy or girl on a skateboard.

As one man commented recently, "I'd feel a little more secure - even as a spectator - if these skateboards came equipped with crash helmets, seatbelts and brakes."

Skateboarding — like many sports and activities — can have its potential hazards. But, observance of safety precautions and rules can go a long way toward the protection of participants.

Here are some pointers you can pass on to any skateboarders — alias sidewalk surfers — you know. And, be sure to remember them if you try skateboarding yourself.

Public streets, of course, should not be used for surfing. A possible exception is where cars and other traffic is blocked off during demonstrations or contests. Drives that slope towards the street are tempting, but hazardous.

Skateboard use is best confined to designated areas such as playgrounds, non-congested sidewalks where not prohibited, and restricted portions of parking lots and shopping centers. As veterans of the board can testify, a paved surface free of large bumps and cracks is best.

Beginners are advised — before boarding this steers, brakeless vehicle — to consider the speed potential and fall possibilities, and to confine maneuvers to their skill level. Shoes with non-slip soles appear to be some help to the skateboarder, new or experienced.

Whether you are a beginner or oldtimer, let skill and control be your aim, rather than speed. And let's "see" and "be seen" be your watchwords.

It is important — just as it is for truck, car or bike drivers — to keep your skateboard in good shape. A cracked board or loose wheel could cause a spill.

When your board is not being used, store it in an out-of-way place. Never leave it on the stairway of your home.

If you, your children or anyone else plans to mount a skateboard, let the decision rest on ability, agility and knowledge of safety rules.

Headache may well be humanity's number one malady. It masquerades under many names — sick headache, coffee headache, hunger headache, allergy headache, fever headache and Sunday headache — to name a few.

But what really happens when your head hurts? A common misconception is that the brain hurts when you have a headache. But the brain itself — while marvelously sensitive in some ways — is an unfeeling mass of gray tissue. You can probe, cut, burn, or smash this tissue without its hurting.

Other structures of the head, however, are extremely sensitive to pain, including the scalp, blood vessels and some of the brain coverings.

Some of the processes causing headache include: swelling of arteries within the head; a pulling inflammation or irritation of the head's pain-sensitive structures; prolonged contraction of neck muscles, a pain spreading from another source such as an inflamed eye; or an emotional disorder.

Headaches can be important since they may be the warning sign of a serious condition, which possibly could be controlled if detected early. They can indicate glaucoma, fever, high blood pressure, anemia, central nervous system injury or infection epilepsy and tumors of the brain and head.

They can also warn of intoxication by such poisons as carbon monoxide gas. Or a headache can indicate sensitivity to certain solvents, the elements in some liquors, to antihistamine or to noise.

Excessive use of sedatives, even those used for treatment of headache, can be dangerous and possibly cause a headache. Don't take larger amounts of painkillers than your doctor orders, and don't take them over a longer period than he advises.

A headache can be an important symptom. It might be triggered by life-threatening diseases in about one percent of its victims. Nine out of ten are the common variety which pass after a day or less.

Whenever you have a headache, don't make its treatment a do-it-yourself project. If your headache persists or recurs frequently, you will want to consult with your doctor.

Delta Gi Hosts . . .
(Continued from Page 1)
panied by Mrs. Faun Welker, Delta Xi, Dimmitt.
Roll call of chapters will be read by Mrs. Evelyn Laney.
Report of Southwest Regional will be given by Gladys Holly, Gamma Iota and Gladys Cox, Zeta Epsilon. Report is entitled "The Future is A World Limited by Ourselves."
Beta Delta and Gamma Theta Chapters are in charge of "You Have the Key To Increased Attendance."
"You're In the Right Key When You Have Music" will be brought by Gamma Iota chorus under direction of Mattie Ruth Newlin and accompanied by Faun Welker of Dimmitt.
"You Have the Key To Better Schools in Your Area" was the subject of Gamma Xi and Eta Alpha Chapters.
"You Have the Key to Making Delta Kappa Gamma Important in Your Community" will be discussed by Pi, Zeta Epsilon, Zeta Delta and Zeta Zeta.
Intermission will be held from 11:45 to 12:15.
Luncheon program will be held at Dimmitt High School starting at 12:30 p.m. Miss Hazel Merritt will preside.
Dr. Madge Davis will bring the main address to the afternoon session. She is the past president of Alpha State. Dr. Davis will present an award certificate just before the conclusion of the regional convention. Mrs. Evelyn Laney will adjourn the meeting.

ATTEND GOLDEN WEDDING WEDDING CELEBRATION
Mr. and Mrs. Dixon Turner of Mineral Wells, spent a week recently visiting his sisters, brother-in-law and sister-in-law in Dimmitt and Hereford. They, along with Mrs. W. T. Collebon, Mr. and Mrs. Ester Noble and Mr. and Mrs. Claude Johnson of Dimmitt and Mrs. C. E. Williams of Hereford, attended the Golden Wedding anniversary of Mr. and Mrs. Oscar Ayers in Anderson, Missouri, on September 19.

UNDERGOES SURGERY
Mrs. P. C. Daniels underwent major surgery in a Plainview hospital Tuesday. She is recuperating nicely.

FHAers Discuss Girls State On Monthly Program

Monthly meeting of Nazareth FHA was held Monday with the program being presented by Beth Pchlmeier and Sandra Huseman. The two FHA members were members of Girls State last year. They told the group many of their enlightening experiences during those ten exciting days when they got a first hand view of the functions of the state government.

The Girl Staters encouraged all junior girls to make attending Girls State a goal and work hard to achieve it.

Punch and cookies were served following adjournment.

Milady Garden Club Met To Hear Mr. Howard

Milady Garden Club met Tuesday, October 5 in the Community Room of the First State Bank and heard Mike Howard from Best Fertilizer, Plainview talk on making a compost.

Hostesses were Mrs. Judy Waggoner and Mrs. Bernice Dutton. Attending were Madames Nell Proffitt, Alice Gambin, Darlene Dwell, Helen Brown, Gail Bruegel, Sue Booser, Karen Kendrick, Carolyn Sides Jean Robb and Rita Welch. One guest attending was Mrs. Bob West.

Family Bankruptcies Are On The Increase

Over-use of credit is causing greater numbers of American families to file bankruptcy proceedings.

These bankruptcies can usually be blamed on poor management in the family, rather than just lack of money, says Mrs. Elsie P. Short, Texas A & M University Specialist.

"People are impatient to have the same prestige items and status symbols that the Joneses have. They are unwilling to wait a few months to accumulate the funds necessary — so credit is used. Bankruptcies result from flagrant misuse of credit," Mrs. Short adds.

American families have upped their short-term debts from \$8 billion in 1945 to \$70 billion in 1964.

Families may avoid the loss of available credit — caused by the abuse of the credit privilege — by establishing a clear plan or purpose for the use of their money. This plan should be based on income. A family's security depends on spending within the bounds of income and certain priorities and limitations may need to be set up, the specialist emphasizes.

Nationwide, almost 140,000 families filed bankruptcy proceedings in 1963, the last year that statistics have been made available. Additional planning and training in the use of credit and money management could have averted many of these bankruptcies.

Five Easy Steps To Prevent Fire
Since this is Fire Prevention Week and as a 4-H member I took a course in fire prevention, I, Sharon Hochstein, would like to give some pointers on how to prevent a fire in the home.

Good housekeeping equals good home safety, because good housekeeping gets rid of rubbish and trash, the cause for the 50,000 fires which damage and destroy homes in the country annually.

Here are five steps the homeowner can take to help prevent a fire from starting in and around the house:

1. Dispose of trash and rubbish regularly. Don't let it accumulate around the home.
2. Keep attic basement and closets free of old clothing curtains mattresses newspapers and old magazines.
3. Have your heating and cooking equipment checked periodically. Chimneys should also be checked to be sure they are not clogged.
4. Don't empty ashtrays until the contents are completely cold. Use ashtrays large and deep enough to keep burning cigarettes from falling out onto the floor.
5. Store all paints, thinners and solvents in tightly closed metal cans, away from any heat.

CONSERVATION • CONVERSATION •
"I believe God created the earth by his divine processes for the benefit of man, not one man, nor one generation, but for mankind for all time. . . . For truly, the earth is the Lord's and the fullness thereof, but the responsibility for its stewardship is vested in man. . . ."

Legionnaires To Meet
American Legion Zone meeting 14, at 8 p.m. in Dimmitt Legion Hall.
District Convention of the American Legion and Auxiliary will be held in Dumas, October 9 and 10.

By Vern Sanford
There is no such thing as an all-purpose rifle.

Nevertheless, for financial reasons the average hunter must make one weapon do for all his hunting needs.

Let's say that he wants to hunt mule deer in West Texas or Colorado, whitetail deer somewhere else, even antelope. In that case he needs a rifle that will adequately cover his needs.

Then let's consider the .30/.06. With Texans it still is the most popular of all hunting rifles.

This time-honored weapon will do the job even on the bigger mule deer and the huge black bear. And it's adequate for whitetails and even antelope within certain limitations.

Nowadays, however, there are other rifles just as good, like the .308 and the .243. But to operate within full potential and satisfy all the needs, the weapon demands a sight that will give comparable performance.

Today the trend is to scope sight. Under almost all circumstances the scope will do the job better than will conventional iron sights. But a fixed-power scope is, at best, a poor compromise.

Suppose you have a four-power (4x) sight. It isn't quite strong enough for antelope shooting, yet at times it is a mite too powerful for hunting whitetails, particularly when shooting at short range, in fairly heavy brush, or when shooting at a fast moving deer.

So what's the answer?

Nearest thing to an all-around sight is a variable!

Modern engineering improvements have made the variable scope adequate for almost all hunting needs. And the price tag is coming down to compare favorably with fixed-power scopes.

You'll pay more for the variable, but the old saying that "you get just what you pay for" certainly is apt here.

Early variables weren't too favorable. For one thing, they tended to be unnecessarily bulky. For another, the size of the crosshairs changed size as you switched power. And in damp weather they often fogged up and were practically worthless.

Any resemblance between this first model and modern-day variables is purely coincidental. At first glance it is difficult to tell a variable from a fixed-power scope anymore. And when you change power the crosshairs remain constant in size.

Modern scopes are fogproof and greatly improved. Sturdy mounts make them almost as durable as iron sights. Sure, the scope is sticking up there just begging to be knocked out of alignment, but it takes quite a blow to throw one off anymore.

One model even has a range-finder built into the scope. In long-distance shooting, like with antelope, you actually can tell how far the game is away. So, if you know the range your rifle is sighted in, you can compensate for any added distance by holding it slightly high, to offset any drop of the bullet. Or aim lower at closer targets.

Most variables range from about 2-1/2X to 7X or 8X or even 9X. This means at lower power you have two-and-one half times the magnification of your normal eyesight, and

with 8X you have eight times. But magnification is just part of the scope story. A quality glass has the ability to gather and intensify light. This makes it much easier to use early in the morning and late in the day or during heavy overcast. These are the times when iron sights tend to blur.

With a scope it's also easier to pick out game standing still in under-brush. Good scopes almost seem to "see" through the brush. Only real draw-back is that a scope is difficult to use on running game at close range, such as when hunting deer. But this is more a matter of experience than anything else . . . as we quickly learned.

Idea is to leave both eyes open when you raise your weapon. The power should be at the lowest setting possible, to give you a wider field of view (as the power increases, the field of view decreases). With both eyes trained on the target, you can readily pick it up in the scope. Then it is just a matter of leading it the correct amount and squeezing the trigger.

In long-range shooting, when after mule deer or antelope, you can dial the power up to its strongest magnification. Also, if you want to study a deer for antlers, you can twist the dial to full power and look it over.

A scope never will take the place of binoculars, in spotting wildlife, since the twin-eye picture is much more in perspective and you can see more. But a scope will serve double duty in an emergency.

When buying a variable for all-purpose work, you should consider the reticle. Medium crosshairs are the best for all-around use. Fine crosshairs are almost worthless for quick shooting after whitetails. And coarse crosshairs, dots and posts tend to cover up the game in long-range shooting.

All modern-day rifles are tapped and drilled to take top mounts. So putting a scope on your rifle requires mere minutes. The time it takes can add much to your hunting pleasure, convenience and success.

1965 FAIR FASHION FIESTA

DAILY FASHION SHOWS — Texas fashion houses and the State Fair of Texas, October 9 through 24 in Dallas, will present "Fall Fashion Fiesta" to visitors to the popular Women's Department at 2 p.m. and 4 p.m. daily. Left, the gray plaid cotton suit belted in leather from Justin McCarty is topped off by a Sherlock Holmes hat from Asbury Millinery Company. Also featured in the free daily showings will be the "Fiesta Red" sheath dress at right, designed by Trancell Sportswear and Dresses and shown with a Christian Dior turban in matching red wool.

Senator YARBOROUGH'S REPORT

Dear Fellow Texan:

We who live in Texas know the precious value of our water supplies, since we come from an area of water scarcity. For most of our lives we have been fighting the problems of having enough

water for our domestic, industrial and agricultural uses. Water, without a doubt, is our most valuable non-human natural resource next to land itself.

Yet, the problem of having enough water has been joined by another problem — having good, clean, sanitary water. At the present time, almost every river and stream in the United States has become the victim of careless use, inconsiderate dumping, and thoughtless pollution so that the rivers and streams are contaminated, poisoned and often smell from waste that is poured into them.

We not only have to fight the problem of having enough water, but also have to keep what little

water we have fit to use. Our fish and wildlife are dying off, because the polluted water is not even safe for animals, birds, or the fish that swim in the streams. At one time when we traveled to foreign countries we were told not to drink the water, and now we have the same problem at home.

The time has come for America to do something about its water problems, and its polluted natural resources, and the Congress of the United States has begun acting. Last week, we sent to the President the Water Quality Act, or the Water Pollution Control Bill, to be signed into law.

Under this bill, the Federal Water Pollution Control Administration will be created to begin re-

storing our rivers and streams to make them clean, usable sources of water.

This agency will work with each individual state to set up a standard of quality, which a state would have to serve its water needs. In our own state of Texas we already have the Texas Water Pollution Control Board which will help set these standards.

The federal government will then make grants on a 50-50 matching basis to states, cities, and towns to improve their methods of treating their waste and sewage before it goes into our rivers and streams. This bill provides \$150 million a year for the next two years for these matching grants. Much raw sewage from

cities and towns as well as large amounts of industrial and chemical waste is dumped into our rivers to further ruin them.

To plan for the future this bill authorizes \$20 million each year for the next four years for research programs to develop new and improved methods of controlling the discharge of waste and streams.

Ever since I served on the original Board of Directors of the Lower Colorado River Authority, under appointment by the then Governor of Texas, Jimmy Allred, I have urged better use of our water supplies. Although this bill is not as strong as it should be, it is a step in the right direction. Already we have passed the

Nazareth FHA Has Initiation And Salad Supper

Nazareth Chapter of Future Homemakers of America held

Natural Resources Act to plan for maximum use of our water supplies, and numerous dams and reservoirs for Texas have been approved. This is only a beginning, and we will continue to do more to protect our precious water resources. We must have enough water, and it must be of good quality.

their annual Initiation and Salad Supper Saturday, September 23 in the school cafeteria.

First on the program was a Chapter meeting in which officers were installed in an impressive red and white ceremony.

Freshmen initiated into the Nazareth HA Chapter this year included Connie Aberant, Angela Conrad, Erlene Birkenfeld, Darlene Birkenfeld, Anna Beth Hoelting, Alejandra Martinez, Genevieve Braddock and Jo Ann Gugemos.

Presentation of degrees of achievement were presented to FHA members. Those receiving Junior Degrees were Shelia Birkenfeld, Sharon Hochstein, Brenda Pohlmeier, Sandy Gerber, Kahleen Huseman, and Phyllis

Huseman. Girls receiving Chapter degrees were Shirley Acker, Joy Wilhelm and Nancy Drerup.

Recognition was given to the girls who received State Degrees (last April) at the State FHA meeting in Dallas. They are Viola Schacher, Sandra Huseman and Joan Acker.

A skit on Family Relations was presented to the group. Participants in the skit were Joy Wilhelm, Janeta Wethington, Shelia Birkenfeld and Phyllis Huseman.

Approximately some 180 people were present for the special occasion.

Campus Chat

They call me excuse me — "This is 003; yes, I'll get right on it." Oh, as I was saying, they call me 003 — that's so they won't get me mixed up with James Bond — no, the real reason is because I am Secret Agent 003. Last week end I had the assignment of watching over a town called Dimmitt; we were looking for a certain character whom we never did find — but that's beside the point. The point is — I learned a lot from this assignment.

For example: Friday night I heard a lot of noise out at the football field — and, of course, I rushed out there to find only a football game. Since it was wet and old, I was very glad to hear the final buzzer so that I could follow the crowd to the hootenanny at the First Baptist Church. After the hootenanny, I saw all kinds of things — such as: Victor Hughes and Jacky Dunn, Evelyn Waggoner and Jay Nelson, Donna and Tommy, Kay and Stanley, Chris James and Beelee Goodwin, Bill Simmons and Jackie Johnston, Joe and Vickie, Johnna and Richard, Karen Birdwell and Joe Bill Butler, Kent Lindsey and Joyce Kay from Farwell, Jean and Dan Tony and Ginger Molly and Claudio, Kenneth and Rochelle, Nell Wood and Tommy Titter, Eva Giles and Bruce Fuller.

Saturday I had a good lead on the character I was hunting; I followed him to Amarillo where I lost him in the crowd at the fair. Speaking of crowds, there was a crowd from Dimmitt. Oh I saw just some people. To name a few: Jean and Dan, Tony and Ginger, Donna and Tommy, Kay and Stanley, Miss Weaver and Carl Lee Kemp, Penny Hays and Kent Lindsey, and Juanelle and Ronnie. Also I saw a few couples I mean pairs, like: Charles Summers and Ray Bradley, Peggy Ott and Sherlon Petty, and Carla Robertson and Janis Killough. Some people did stay at Dimmitt though for my associate reported to have seen Eva Giles and Bruce Fuller, Ann and Jerry Don, Molly and Claudio, and Victor and Jacky. As I came through Canyon I saw Miss Weaver and Carl Lee at the West Texas State football game.

Being tired after an eventful and excitement filled day at the fair — really I'm a little sick from all the rides — I shall let my associate report Sunday's events. Uh-oh, a change of plans; I can't seem to find my associate strange! Sunday night there was no ballgame, no fair, no hootenanny — nothing but the show and main street. These two items must have had some hidden attraction, for I saw: Eva and Bruce Molly and Claudio Ann and Jerry Don, Ray and Allan, Vicki and Rodney, Pam and Benny Hastings, Charles and Sue, Evelyn and Jack Flynt, Chris James and Don Moore, and Kathy and A. D.

"Yes, this is 003 — oh, I'll be right there." I must return now to the U.N.C.L.E. headquarters to turn in this report. Thank you for a most enjoyable time. "This is 003 signing off."
 Students — the freshman and B-team football boys are in high school and they need your support just as much as the Varsity boys do. I think we should show them that we are with them all the way. What do you say?
 Annuals are still being sold. Buy yours now!!!
 Here's a bit of philosophy: No person ever achieves perfection but everyone should have perfection as his goal.

GINGER KEMP - JAY NELSON CHOSEN MR. AND MISS DHS

Ginger Kemp and Jay Nelson were crowned Mr. and Miss D.H.S. Wednesday in assembly. The student body entered the auditorium to music provided by the stage band. The president of the Student Council, Dan Petty. Dan led in the pledge to the flag and introduced the stage band which played a few numbers. The candidates — Bob Bradford, Ginger Kemp, Donna Summers, and Jay Nelson — were introduced as they came through an archway of greenery. After a fanfare Ginger and Jay were announced the winners. Kay Bradley and Don Moore presented them with banners and gifts, and Ginger and Jay crowned each other, sealing the honor with a kiss.

Ginger, the daughter of Mr. and Mrs. Carl Kemp, has had many honors during her four years in Dimmitt High School. She was Best All Round her freshman and sophomore year, and Most Valuable, her senior year. During her junior year she was vice president of the Student Council and attended Girl's State. This year she is secretary of the Student Council, president of the Lyre Club, and secretary of the Drama Club.

Her activities are many. She has been in the band four years, basketball four years, Student Council three years, Lyre Club two years, Drama Club two years, and National Thespians one year. Jay is the 18 year old son of Mr. and Mrs. R. O. Nelson. His honors include: Friendliest of his freshman, sophomore, and junior classes, and Most Valuable of the Senior class this year. His freshman year he was chosen the F.H.A. Best Beau. He has been in the Band four years and manager for major sports four years, Lyre Club two years, "D" Club two years, F.F.A. two years and Reporter in 1963, Drama Club two years and vice president 1965, and National Thespians one year.

MR. AND MISS D.H.S.

Daffynation

That daffy duck has been around again with his nutty questions. This week he asked them this, "If someone coted you, what would you do?" Here is what some people said.

Charlotte A. — Ignore them.
 Rick S. — Nothing.
 Shirley D. — Hit them.
 Sharon W. — Send them to Mrs. Leath.

Mrs. Leath — Fine them.
 Kay Bradley — Tell them to get out of here.

Darla Dodd — I'd get rid of them.

Mrs. Hottel — Give it to my class and let them worry with it.

Joan Buchanan — I'd run.

Vickie B. — I'd go tell Joe to beat them up.

Johnna H. — I'd cry and tell my Tech friend about it.

Kathy Leinen — I'd cote them right back!

Miss Littlepage — I'd stick out my tongue at them.

For all the lazy ones that have not looked it up, coted means quoted. It is an obsolete word.

Top Hits And Who They Hit

Lost Highway — To Tony and Ginger and Dan and Jean
 Suspicion — Alex Catoe to Butch Butler
 Johnny Get Angry — To Diane Webb

I Wanta' Hold Your Hand — Miss Weaver from D.H.S. Boys

Morton Indians Halt Bobcats

The Dimmitt Bobcats and the Morton Indians met Friday night in Morton. The Indians came out on top by a 26-8 score.

Morton won the toss and elected to receive. The kick by Larry Hobratsch was downed on the 9 yd. line by Terry Hill. Morton couldn't move and punted to Dimmitt. Kent Lindsey's pass to Don Moore was a near miss. There was no one between Don and the goal line. Morton took over and with 2:03 left in the first quarter Kenny Palmer, Morton fullback went 14 yds around end for the score. The extra point attempt by Eddie Lyons was no good. Again with only 4:07 left in the half, Palmer again went around end for 2 yds and the score. The extra point by Danny Culpepper was no good. The Indians led at this point 12-0. All the fans had a good laugh when Eddie Lyons attempted a short kickoff and the ball just fell off the tee when he barely touched it. The half ended shortly after with Morton leading 12-0.

The ball was exchanged back and forth until with :32 left in the 3rd quarter Kenny Palmer once again went around right end for 4 yds and the score. Palmer also ran for the extra points. The score was now 20-0 in favor of Morton. It was tough play until 2:12 left in the 4th quarter when Kent Lindsey passed to Ray Bradley for 16 yds and the touchdown. The extra point run by Danny Land was good. The Indians now led 20-8. When it looked as if the game would end with this score, Jimmy Joyce caught a pass from John St. Claire and went 30 yds for the score. The extra point was no good. Time ran out and found the Indians on top 26-8. The first downs were a lot closer than the score as Dimmitt had 10 to Morton's 12.

The Dimmitt "B" team was defeated by Olton Thursday night by a 30-0 score. The Freshman team also lost to Olton 58-12. The 7th and 8th both won their games against Farwell.

Next week is an open and then the Bobcats start conference play as they meet the Friona Chiefs here.

Janet Fryer And Gene Carson Named Seniors Of The Week

Our senior girl of the week is a newcomer to Dimmitt, Janet Fryer. She is the daughter of Mr. and Mrs. Elmer Fryer. She was born in Clovis, New Mexico. Besides Dimmitt, she has attended school in Hereford High School. Janet's favorite movie is "Goldfinger" because it was different and her favorite song also has this title. Her favorite singer is Roy Orbison and favorite song is "Right Away." The best actor in her opinion is John Wayne. Her favorite sport is basketball because it is fun. Pizza and the color yellow are two more of her favorites.

Janet's hobby is fixing and styling hair and she hopes to be a beautician someday.

Her comment about DHS was "People are friendly, but are hard to get to know."

Our senior boy this week is Gene Carson, who is the son of Mr. and Mrs. Houston Carson. He was born here in Dimmitt and has always attended Dimmitt schools. His favorite subject is chemistry.

Gene has many favorites among which are book, Gone With the Wind, because it was a good story of the Civil War, and movie, "Shenandoah", because he likes movies about wars. His favorite singer and song are Dean Martin and "Houston." His favorite actor and actress are John Wayne and Julie Andrews. Gene thinks football is a good sport because it separates the men from the boys. Two more of his favorites are steak and the color red.

Gene's hobbies are raising cattle and showing calves. His ambition is to be a Vet.

Mrs. Carson's comment about DHS was, "To graduate from DHS is one of the greatest honors anyone could have."

New Program Introduced In Vo Ag Training

The Vocational Agriculture Department of Dimmitt High School is starting a new program for Junior and Senior students. The new program Cooperative Part-time training in Agricultural Occupations is under the direction of Mr. E. Otte, Vocational Agriculture Teacher. The following students, Sammye King, Ronny Brown, Ronny Hutcheson, Antonio Pina, Joe Johnson, John Leinen, Bobby Massengale, Dan Crowley, M. C. McCleeny and Ken Campbell are taking part in the program.

Forty percent of our nation's population of 195 million people are engaged in agriculture. With only eight percent farming and ranching this leaves only 32 percent for employment in the many other phases of agriculture. Farmers and ranchers depend upon a system for most of their supplies, equipment, marketing and processing. These industries need well-trained people. This new program in Dimmitt will train students for employment with farm machinery and equipment companies, grain companies, fertilizer and insecticide companies.

Students will receive classroom instruction as well as training on the job. The following companies serving as job training stations are: Dimmitt Wheat Growers, F & W Welding, Massengale's Radiation Shop, Dickey's Dozer Service, Floyd's Tire Shop, Farmers Supply Co., C & S Equipment, Dimmitt Engine Service and S & M Garage.

Are You Guilty?

This year the students of D.H.S. apparently have decided that they will not and do not have to obey anyone or any rules of the school, when having their destructive "fun". I think the majority of the town's people would rather spend their tax money for something to improve the school rather than to rebuild it. Don't laugh! It's your mother and dad who pay for the replacing of damaged school property.

Some examples of this distasteful destruction are: painting gym doors, making tire tracks on the football field and writing distasteful language on the school incinerators. We are all very proud of our classes but we do not have to go over board on advertising it!
 If these pranks do not stop, the extracurricular activities will stop. We, as students enjoy having these extra privileges given us. Without these activities school would be all work and no play. We would soon be very bored and, one by one, we would drop out of school. We do not want this. If everyone helps, we can use the extra money for needed items. If we do this, in years we can look back with pride and say, "I went to school in Dimmitt High School."

BOBCAT TALE PHILOSOPHER

Last Year Presents Challenge

Being a senior of Dimmitt High School is an exciting experience. There is so much to do and so little time to do it. Pictures are to be made, caps and gowns to be reserved, and invitations to be ordered. We have many activities to attend, and our grades also have to be kept on a high level. This year marks the end of a struggle to be the leaders of the school.

Through the years we have matured and grown to be a very close group. We have times of sorrow and times of joy. We share these experiences as a class. As freshmen, we were lost and bewildered. The sophomore year found us less confused, but still in a daze as to what our responsibilities to the school were. When we reached the junior year everything had seemed to fall into place. We were only one step away from being the leaders of our school. Now, we are the seniors, the ones who are supposed to lead the school. We are now looking at the situation from a different angle, and we are fast realizing that we are not as smart as we thought ourselves to be. There is much that we have yet to learn.

Being a senior does not mean that you are under a magic spell.

The Shadow

After resting up a day or so, I decided to start my weekly routine again. This time I chose a popular male member of the junior class. Friday this boy left school quickly to rest up for the game Friday night. He fought a hard battle as end against Tullia but the Hornets were the victors anyway. After the game, our junior refreshed his tired body at the Hootenanny where he met Tommy Coleman and Ronnie Kiremore. Since our boy was tired and the hour was late, he went straight home after the Hootenanny.

Saturday found this young man working at his father's farm two and one half miles northeast of Dimmitt. It seems that he worked so hard all day, he stayed home on Saturday night. It could be that this was to rest up for the next day.

Sunday, bright and early, I followed the "chosen" one to church at the Northside Church of Christ with his family. After a fine family dinner, he decided to amuse himself by "dragging" main with whomever he could find. He must have found someone, because Sunday night he had a date with a cute sophomore, Chris James.

Monday, as always, brought with it school; of course, our junior friend "joyfully" went back to the old routine. After school he went to football practice and then home to rest and study. Tuesday was another school day, but the night presented a change since this charming young man was on television as captain of the football team. He appeared with the coaches and some other teammates before the film of Friday night's game was shown on Channel 6.

and that all things are automatically taken care of. It is our duty to set the example that can be readily followed, then we have not only hurt ourselves as a class, but the rest of the student body. However, we need the help of the other three-fourths of the school. There is a job, small or large, for everyone that is a member of the student body. Each person is important, and the attitude of each individual counts a great deal.

It is not an easy task to be a leader. There are decisions to be made, and they have to be carefully considered before they are decided upon.

We, the senior class, are beginning to realize that nothing will be received from high school unless something is put into it. Are you putting everything into this year so that you can reap the most benefits from it?

Social Given To Meet New Dimmitt Coach

Tuesday, September 28, at 7:30 p.m., the Dimmitt Bobbies, their parents, and Coach and Mrs. Kountz, met in the High School Cafeteria to give the parents and Coach a chance to become acquainted.

Sandwiches, doughnuts, ice cream, and cokes were served while the guests visited. Later the parents were asked to line up on one side of the room while the basketball girls lined up on the other. Coach and Mrs. Kountz were then asked to match the girls with their parents. It seems as though Mrs. Simpson gained three new daughters: Kita, Darlene, and Shirley, while Penny just changed her mother and daddy's first names to Charley and Nancy. A few of the other new families were: Genita was traded off to the Weldon Bradleys in fair exchange for Molly. Mrs. McGowan became the proud parent of Ginger, and Sherry became the daughter of Mrs. Leinen. What happened to Mrs. Kemp and Mrs. Conard? They came to the tea but they did not have a daughter playing basketball. Coach, could that be your fault?

All the girls were finally exchanged or should I say given back to their real owners, when they found out what each girl needed. Such as new clothes, contacts, a new set of tires for the car, and a few other little items.

Coach made a short speech and then the girls and parents headed home after a most enjoyable evening together.

NORTHEdge NEWS

DELAYED
Mr. and Mrs. John Womack and children attended the Tri-State Fair in Amarillo Saturday.

Lester Womack appeared on Cotton John's Farm and Ranch TV program; he placed sixth in the 4-H Wheat King Contest. He received \$10 for placing sixth.

Rita Womack won a 1st place ribbon on Apricot preserves, 2nd place on green beans, and 2nd place on an apron.

Week end guests of Mr. and Mrs. Garry Hathaway were his brother, Mr. and Mrs. Mickey Hathaway of Lubbock.

Mrs. Tommy Williams and daughter Susan of Levelland spent Saturday with Mrs. William's parents, Mr. and Mrs. Lloyd Glidewell.

Mrs. Royce Davis and Don spent Tuesday with her mother, Mrs. L. W. Bennight in Hart.

Mr. and Mrs. John Crum were visitors of Mr. and Mrs. Buck Crum Sunday afternoon. Mr. and Mrs. Paul Crum were also present.

Mr. and Mrs. Paul Crum, Phoenix, accompanied Mr. and Mrs. John Crum to Silverton to visit Mr. and Mrs. A. S. McJimsey Thursday. Mr. and Mrs. Paul Crum returned home Tuesday morning.

Nazareth News

The community was shocked to hear of the death of Ronnie Dobmeier Tuesday evening in a head-on collision near Hereford. The community extends their deepest sympathy to the bereaved family Leo Dobmeiers. The funeral was held Saturday morning, October 2, at nine o'clock in Holy Family Church, burial was in Holy Family Cemetery. Attending the funeral from out of town were Mr. Edmund Hochstein, Mrs. Veronica Schroeder and Mrs. Christine Figess of Fordyce, Nebraska, Mr. and Mrs. George Frerich and Dorothy, Mr. and Mrs. Edgar Frerich, Mr. and Mrs. John Stengel, Mrs. Edward Hoffman and Loretta, Mr. and Mrs. Ike Marvell and Mr. and Mrs. Joe Schulte and daughters of Hereford Mrs. Clara Albus and Reinhard and Mrs. V. Glumpler of Pep. Miss Louise Albus, Mr. and Mrs. Ed Dalton and family and Mr. Paul Tschman and Mr. and Mrs. Leroy Hoelting of Amarillo, Paul Lacey, Tulsa, Mr. and Mrs. Ron old Shilling of Slaton, Gene Melcher of Lubbock and Mr. and Mrs. Sam Burt of Longview.

Mr. and Mrs. Tom Annen returned home Sunday, Sept. 26, after spending a week visiting Mr. Annen's cousin in Hemingford, Nebraska. They spent Saturday afternoon and night with their friends Mr. and Mrs. Joe Schacher in Pine Bluff, Wyoming. They reported that they had snow and freezing all the way. All crops were prematurely killed by frost.

Mr. and Mrs. Joe Birkenfeld and Mrs. John Stork visited Mrs. Flo Backus in Happy Monday.

Mrs. Flo Backus spent a few days here the past week visiting her children and their families.

The Order of Martha held their meeting in the home of Mrs. Ella Hoelting Tuesday afternoon. There were 25 ladies present. A Stanley party was held, 15 percent of the sales were given to the Order. \$23.35 was realized.

Mr. and Mrs. Florance Albracht visited Father Elmer at Our Lady of Guadalupe Parish in Amarillo Friday. The beautiful new Rectory there is finished. Open House was held Sunday October 3.

Tom McDonald was home over the week end with Art Albracht from West Texas University. He is a student at West Texas from Illinois.

Roger Frank, son of Mr. and Mrs. Alphonse Huseman was baptized by Rev. Father Reichel in Holy Family Church Sunday, October 3. Sponsors were Mr. and Mrs. Robert Huseman.

Mr. and Mrs. Joe Ortego of Dimmitt took their son and Kevin Wilhelm, Jimmie Brockman and Gene Warren back to St. Lucien Seminary in Amarillo after the boys spent the week end at home.

Mr. and Mrs. Leroy Hoelting and Sandy of Amarillo spent the week end here. They and Mrs. Greg Hoelting and Anna Beth drove to Lubbock Saturday to see the Texas A & M and Tch game.

Mr. and Mrs. Jim Kalka and family of Amarillo visited her mother, Mrs. Max Acker Sunday.

Having supper Sunday evening with the Paul Verhaus family were Mr. and Mrs. Ed Gerber and Kevin of Hobbs, N. M., Mr. and Mrs. Leonard Warren, Mrs. Agnes Brockman, Mrs. Helen Backus and Miss Mary Lou Steffens.

Nazareth's Bowling League has started a new season at Olton Bowling Lanes, and bowl each Tuesday evening. Taking part in the League are Mr. and Mrs. George Book, Jr., Mr. and Mrs. Eugene Hochstein, Mr. and Mrs. Leo Dobmeier, Mr. and Mrs. David Schulte, Mr. and Mrs. David Acker, Mr. and Mrs. Tony Acker, Mr. and Mrs. Luke Acker, Mr. and Mrs. Louis Huseman, Mr. and Mrs. Gus McLain, Mrs. Max Acker, Mrs. Agnes Brockman, Mrs. Thelma Wethington, Mrs. Lynn Ehly, Howard Schulte, Julian Huseman, Fred Ball, Miss Susie Dobmeier and Mr. and Mrs. Tom Brockman.

Deputy Granville Martin was called out Friday to see about vandalism to one of the road maintainers standing on a road 2 miles northeast of town. No one was apprehended.

BETHel NEWS

DELAYED

Congratulations to Mr. and Mrs. Jimmy Howell on the birth of their son Kennen James. Kennen James was born Sept. 21 in the Plains Memorial Hospital in Dimmitt. Grandparents are Mr. and Mrs. Rowland Ward of Amarillo and Mr. and Mrs. Moss Howell of the Bethel Community.

Mrs. Earl Lust was dismissed from the hospital in Dimmitt, Monday afternoon. Visiting Mrs. Lust Sunday afternoon was her son and family, the Lloyd Lusts of Littlefield.

Mrs. Clayton Graef and children of Texhoma, Oklahoma visited the James Welchs Saturday.

Mr. and Mrs. Roy Dale Underwood and Mrs. Charles Wales attended a 42 party in the Marvin Axe home. Also attending was Mr. and Mrs. Frank Wise, Mr. and Mrs. Donald Wright and Mr. and Mrs. Dale Winders.

Mr. and Mrs. Elbert Smith and boys were in Hereford Sunday to help Mrs. Smith's father, Homer Thomas, celebrate his birthday.

Mr. and Mrs. Leland Smith spent the week end in Albuquerque, New Mexico.

Mrs. Jimmy Howell's parents Mr. and Mrs. Rowland Ward of Amarillo spent the week end with the Jimmy Howells.

Mr. and Mrs. James Welch had as their guests Wednesday night, Mr. and Mrs. Jim Cole and children of Plainview, Mr. and Mrs. Chester Embry and Lee of Muleshoe, and Mr. and Mrs. Ray Lawhon of Lazbuddie.

Mr. and Mrs. Charles Wales and family visited the Marvin Axe family Sunday.

Mr. and Mrs. Richard Stockstill and children of Earth were supper guests of the Roy Dale Underwoods Sunday night.

Mr. and Mrs. Ronnie Onstead of Littlefield visited the Donald Gilreaths Sunday.

Mr. and Mrs. Jack Howell and John Howell attended the football game in Canyon Saturday night.

Matt and Gaines Howell spent the week end with their grandparents, the Carl Lee's in Summerfield.

Presenting **The VERSATILE Eversman 329**
Utilizing important NEW IMPROVEMENTS in the Famous Eversman CRANK AXLE
Longer, Heavier Stronger—Built To Sell at a LOWER COST

The Eversman 329 as a hydraulic scraper

Easy to transport from one field to another

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32' 6". Width 13'. Blade capacity 1 1/2 cubic yards. Blade vertical travel 12". Weight 2010 pounds. Front V smoother blade for clod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

SPECIAL OPENING DAY LADIES SEAMLESS NYLONS 39c

DEEP CUT-SALE PRICES ON FAMOUS MAKE BRANDS
A Sale with a Reason . . . and Not Just an Excuse . . .
IT'S A BITTER PILL TO SWALLOW! But Here's the Low-Down. It nearly breaks our hearts to see our stocks of Quality Merchandise GO ON SALE at the ridiculously low prices you see advertised here! . . . But there's not much we can do about it for we have a serious inventory problem. WE'RE OVERSTOCKED with far too much merchandise for a store our size. We're NOT having financial difficulties—NOT TRYING TO RAISE cash—NOR are we in distress. We simply must dump Surplus Stocks at any cost to adjust our inventory. We have altogether too much of everything with a serious overstocked condition that is not healthy for any business. We're an aggressive firm, maintaining an enviable reputation and selling only the top brand name lines. But—like all well-rated firms there comes a time when mistakes occur and adjustments are in order. That's why profit is not the object of this sale. DUMPING STOCKS—REDUCING INVENTORY and stimulating business is OUR ONLY REASON for this sudden and drastic move. We consider it good business to take our losses now—swallow our pride and admit our mistakes. Nothing wrong in that—is there? That's why we have ripped, cut and slashed prices in every department—why you can save 20%, 30%—yes, even 50%. So—come shed a tear with us while we bury our mistakes and take our losses.

County Savings Bond Sales Are \$2,503 In August

Mr. Raymond Wilson, Chairman of the Castro County Savings Bond Committee, has announced that Savings Bond sales in Castro County totaled \$2,503.00 during August.

Series E and H Savings Bond sales in Texas during the month of August totaled \$11,878,681 which is an increase of 8 per cent over the same period last year. Texas sales for the first eight months of 1965 totaled \$38,919,226 which is 65 per cent of the state's goal of \$52.8 million.

"A college education for your children is one of the most important investments you can make. Purchasing U. S. Savings Bonds systematically at work or where you bank will help you reach your goal. They are safe, sure, and offer a guaranteed return. Begin today to save for the bright tomorrow you want for your children," Chairman Wilson stated.

Lou Ann Hays Among Semi-Finalists For Aggie Sweetheart

COLLEGE STATION — Twenty-three girls from Texas Woman's University were announced Monday as semi-finalists for Aggie Sweetheart at Texas A&M this year.

Finalists will be selected this week end at Denton with the Aggie sweetheart to be named October 10.

The finalists will be presented at the Aggie-University of Houston football game October 9.

The semi-finalists include Lou Ann Hays of Dimmitt. A&M student leaders selected the semi-finalists.

credit can only increase or decrease by 5 per cent, until you have a 25 per cent credit or 25 per cent loss. The city of Dimmitt has a good record for the past seven years. We will receive a credit for the new fire truck this year and our key rate should be down to 18 cents or 19 cents for additional protection.

The Fire Department has been conducting the Muscular Dystrophy Drive in Dimmitt for several years. We received our canisters and material for this drive and will have the canisters out as soon as we can. We plan to have a house-to-house drive sometime in October or first part of November. The research foundation is building a laboratory in Amarillo to conduct research on several different diseases, so our money will stay in the Panhandle.

Anyone wishing to make a donation to Muscular Dystrophy can mail check or give their donation to a fireman.

Mail checks or donation to Dimmitt Fire Dept., 203 SE 2nd St., Dimmitt, Texas.

October 4-9 is Fire Prevention Week. Help keep down fires. Practice for Thursday, September 30, we will have pump operations.

Chet Braafladt

It's strange that men should take to crime . . . when there are so many legal ways to be dishonest.

Dear Blabby:

GIVE HER EYES A CHANCE!

By Oma Siler

Dear Babby: My 12 year-old daughter is an awful little faker, the way she tries to get out of doing homework. Her grades show it too. But she claims it "hurts her eyes" to study. I notice it doesn't hurt her eyes to play! How can I bring this young lady to time?
—DISBELIEVING

DEAR DISBELIEVING: You may be unjust to your daughter. Playing in daylight is different from studying under electric light, unless the electric light is very good, bright and glare-free. Before you judge, see ALLENS HOME FURNISHINGS' lamp department. You can get your daughter any one of a full selection of the modern extra bright, yet non-glaring lamps that will help save her sight. By the way, these lamps are stunning in design—they'll really add to your home's beauty.—BLABBY

An investment in Your Future ATTEND CHURCH

REACHING NEW Heights

Man has explored most of the earth, and has now set out to conquer space.

While achieving these marvelous works, let us not forget our creator.

"When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; what is man that thou art mindful of him? and the son of man, that thou visitest him? For thou hast made him a little lower than the angels, and hast crowned him with glory and honour. Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet..."

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bobettes Review Constitution

The Bobettes met in the gym Thursday, September 30, to discuss their constitution and by-laws. The president, Donna Summers, read each article of the constitution and they were discussed by the members. Each article and by-law was voted on; if it was not accepted, it was amended and another vote was taken.

The Bobettes also decided to adopt a merit system whereby each girl receives merits for promoting school spirit in various ways and demerits for things such as failing to attend ball games. The girls get merits for wearing their uniforms to ballgames, and for helping with posters. Each girl automatically has five merits, but she gets demerits for missing a meeting or game and for wearing her uniform other than to ballgames. The meeting was adjourned.

After school, the Bobettes met once again to make posters and to practice yells for the coming game.

Tommy Coleman Named Bobcat Of The Week

Have you ever seen a person that could be pleased so easily? If not, look now. It is Mr. Tommy Coleman. His favorite teacher is "ALL" teachers, and ambition is "All Occupations" (except farming).

Tommy's other favorites are: car — Mustang 2-2, color — baby blue, food — a big juicy T-bone steak, subject — speech, sport — track, and movie — Cleopatra. His pet peeve is his little brother; which one he will never tell.

It seems that Mr. Bobcat is an industrious person, because any Athletic event occupies his spare time in the form of a hobby.

Mr. and Mrs. Frank Coleman, Jr. are Tommy's parents and his birthday is August 15, 1948.

We wish this Bobcat the best of luck.

FHA Chapters Busy With "Fish"

Tuesday, September 28, 1965, the two chapters of Future Homemakers of America met during the activity period. Allan Webb, president of Meka Rai Adelphi, presided over the meeting. After the opening ceremony, Elaine Davis read the minutes of the previous meeting and they were approved by the members. Debra Summers gave the treasurer's report and assured everyone the organization was solvent, as there is \$1000 in the bank.

Then the real business of the day was taken care of. Every year the FHAers get to draw for "little sisters" from the incoming Freshmen. Each "Fish" has three big sisters, all of whom she loves and adores. She proves this by carrying books, bringing brownies, and dressing up on Kid

to keep apples from sticking to the pan. Cook apples only until tender to retain flavor. Leading varieties now available include Red and Golden Delicious, Jonathan and McIntosh.

HERE'S HOW TO REMOVE GREASE FROM PATIOS

It's hard to remove greasy stains from concrete or cement patios. But here's some concrete advice on how to remove those smudges left from summer cook-outs and barbecues.

Try an absorbent substance, such as Fuller's earth or lime. It will act as a blitter and may remove the grease stains without further treatment. Just sprinkle it on, leave it alone for a while, then sweep it up.

If that doesn't remove the evidence, then hose down the patio with clean water. This process will saturate the concrete and serve as a kind of seal to prevent dirty water from soaking in. Then scrub briskly with a stiff broom dipped in thick detergent suds. Hose again to rinse.

Should the grease spots still persist, sprinkle dishwasher detergent on the wet concrete. Let it stand a few minutes — then rinse with a kettle of boiling water.

SERVE LIVER FOR VARIETY

Dimmitt Grads Enroll At LCC

Larry Scoggin, son of Mr. and Mrs. Howard Scoggin, 720 W. Lee and B-bby Bradley, son of Mr.

It is important to keep family meals varied. For a change in the meat category, serve liver. It is in good supply and is therefore a good bargain. When buying liver, one pound will yield approximately four servings.

To store liver, wrap it loosely and store in the refrigerator. Then use it within 24 hours. Liver does not have to be soaked or sealed before cooking. Usually, it is coated with flour before browning.

Liver is a goldmine of nutrition. It is rich in iron and copper. Vitamins A and those in the B family are also found in liver in rich abundance.

Castro Lodge AF & AM 879, Regular meeting 3rd Monday. Practice every Thursday. Doyl Underwood, Worshipful Master, Ira E. Brown, Secretary.

and Mrs. Jack Bradley, 608 Hall-sell, are presently enrolled at Lubbock Christian College, Lubbock, Texas.

The fully-accredited liberal arts junior college is in its ninth year and has topped all previous enrollment records with 848 registered for this fall semester.

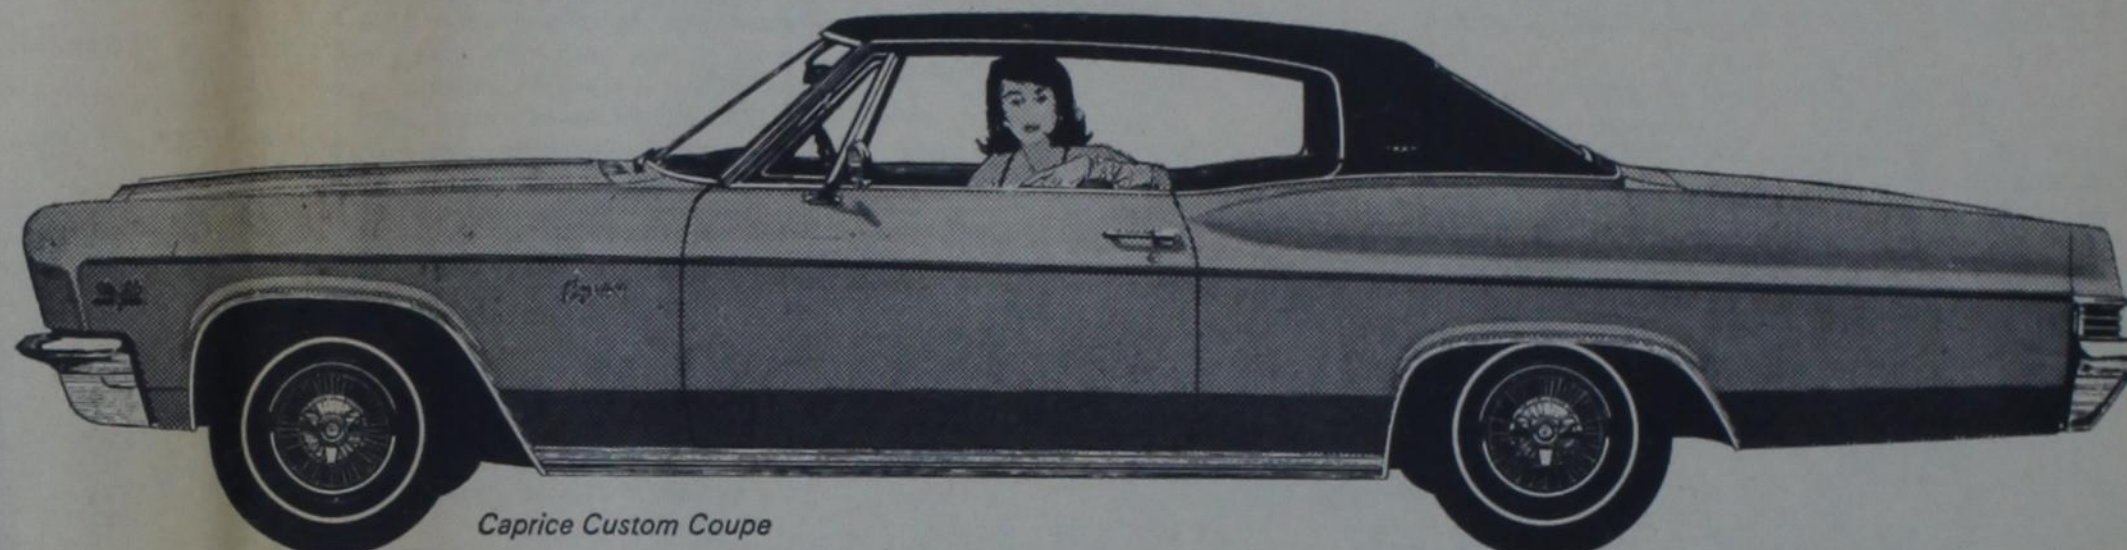

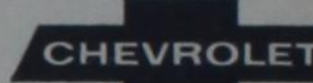

Scoggin, a 1964 graduate of Dimmitt High School, is a sophomore at LCC majoring in finance.

Also a part of the sophomore class, Bradley is an animal husbandry major.

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevelles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevelles in all—and all as new inside as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corsa Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvaire, like all the '66 Chevrolests, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.

SIX STOPS MADE ON ANNUAL CASTRO COUNTY FARM TOUR

A typical windy and dusty West Texas day didn't keep farmers away from the annual Castro County farm tour held last Thursday.

The tour started at 9:30 a.m. with farmers viewing grain sorghum variety test plot on the Dale Maxwell farm, six miles north of Dimmitt. The variety testing plot was planted following a Crop of sugar beets last year. The plot was pre-watered, then watered three times every other row. Complete test plot includes 10 different samples. Results of tests will be obtained in a few days according to Maxwell.

Dr. Robert Berry, plant pathologist, commended Maxwell on the overall good quality of the grain "There is not much damages from diseases. The varieties seem to be resistant to 'head smut'."

Another stop at the Maxwell farm included field of carrots. This particular field that the tour viewed was an experimental field according to Maxwell. The farmer planted the carrots following a wheat crop. He did not burn the wheat stubble. Maxwell planted the carrots on 30 inch rows in-

stead of usual 40 inch rows. Enroute to the third stop of the field day, Dr. Kyle commended Maxwell on the 14 ton yield of carrots he had averaged in an earlier crop.

Third stop the group examined a tailwater pit on the Melvin Barton's farm in the Easter community. Barton installed the water-collecting pit last spring at the cost of \$75. Tailwater pump cost \$720. The pump averages 700 gallons per minute. The pit is 150 ft. long, 40 ft. wide and 12 ft. deep.

Approximate cost of pump per hour is 20 cents. Barton fills the pit with tailwater from the bar ditches. The pit will be cleaned only every two to three years.

Barton pointed out that the tailwater pit produced a warmer water than underground water.

"I believe the warmer water is better for the crop," declared Barton. The fertilizers which are carried by the run-off water will aid the crops. Only problem which Barton ever sees could arise, would be wheat seed carried into pit and then pumped on to other crops.

Dr. Berry discussed grain sorghum diseases, especially charcoal rot enroute to third stop. He said, "Charcoal rot is being brought under control and is not a problem child today. This change is due partially to early harvest and early planting."

Third stop of the tour was at Truman Touchstone's farm. The group viewed tomato crop and saw pickers in action. The tomato crop was planted early part of May. A unique feature about this particular patch of tomatoes was Touchstone's planting rye along with tomato plants in order to protect the tender plants from harsh spring winds. It was quite a problem getting rid of the rye according to Touchstone.

The tour's fourth stop was made at sugar beet test plot on the Truman Touchstone farm. An elaborate and complete test of the effect of fertilizers on sugar beets in this area is being conducted by Research Foundation at Lubbock. Nitrogen phosphorus and sulphur have been varied in 174 different test plots in the sugar beet experiment area.

The Research Station will have

a complete report on fertility requirements of sugar beets in this area when the tests are finished.

Fifth stop was on the Donald Wright farm where the group viewed cotton crop and discussed general farm practices. The tour also included a field of hybrid seed grain of Pioneer variety.

Wright's cotton was planted two rows in and one row out. The young farmer keeps a complete and accurate set of records concerning cost of farm operations. The cotton averaged \$68.21 per acre. This includes fertilizers, waterings, plowings, etc. The Gregg cotton was replanted May 13 and has been watered only twice. The cotton received 14.8 inches of rain which help cut down waterings.

Final and last stop before the noon luncheon at the Flag Community Building was made at the Rex Wooten farm. Here the group viewed the difference between solid-planted cotton and two rows in and one row out cotton.

Luncheon at the Flag Community Center was the courtesy of First State Bank.

Special afternoon speakers included Bill Clayton state representative and Donald Johnson, P-CG executive vice-president.

Clayton talked with the group concerning water and water problems of this area. He discussed legislative matters in Austin.

Johnson discussed cotton legislation and explained pending farm cotton legislation which is in committee now. He gave a short report on the activities of Plains Cotton Growers.

In the afternoon elections, Edd McLeroy and Ray Joe Riley were re-elected to serve as county representatives to the Plains Cotton Growers. Ernest Brockman was re-elected Running Water Soil Conservation District supervisor.

Other special guests attending the tour and afternoon program were Dr. Jack Kyle, Extension horticulturist; Dr. Robert Berry, plant pathologist, Extension Service; Jim Valentine, Extension Soil Chemist; and Joseph Abba, Nigeria, guest interested in commercial vegetables.

Over 25 carloads of farmers attended the tour.

First Baptist WMU Met Tuesday

First Baptist WMU met in Fellowship Hall Tuesday, October 5, with 41 members in attendance.

FARM TOUR GROUP examines tailwater pit and pump on the Melvin Barton farm. This was the second stop on the morning

farm tour last Thursday. See story for details.

HART NEWS

(Delayed)
On Saturday morning the 7th grade Short Horns went to Amarillo where they played football against the River Road 7th Grade boys.

River Road made a touchdown in the first quarter, trying for extra points. Short Horns stopped them at the half with score of 6-0 with Hart near the goal line several times.

In the 4th quarter Mark Porter fullback ran for a 45 yard touchdown, which made the score 6-6. The play was called back, because of clipping on Hart. Hart Short Horns were penalized 15 yards. The Short Horns held River Road from the end of first quarter to end of game.

Players on the team and positions are: Mark Porter, fullback; Lonny Davis, Quarterback; Rickie Farris, Halfback; Kim McGill, End; Charles Alford, Guard; Ralph Bell, end and guard; Jimmy Robinson, end and tackle; Vic Nelson, end; Steve Hankins, guard; Johnny Sanchez, End; Pancha Diaz, Halfback, James and Charles Moore, tackles; Eddie Martinez, Guard; Arthur Morales, Center; Pedro Guirio, End and Guard. Coach is Don Ewing.

River Road will play Hart 7th grader Long Horns at Hart on October 9th.

The Hart American Legion members were host to the Zone meeting in Hart on September 23, for a Zone meeting of the five Posts, Dimmitt, Nazareth, Happy Tulla and Hart. 40 attended the supper meeting.

New officers for the year of 1966 Post in Hart were elected with the following men accepting positions: Commander, Bill Swindle; Adj., Bud Steiret, also Finance Officer; Chaplain, Brooks, Minister of Church of Christ; First vice pres., Tommy Cook; second vice pres., Wes Nivens; Service Officer, Ed Harris; Child Welfare, James Kennedy; Sergeant-at-Arms, R. G. Henderson, Jr.; Color Bearers, Nivens and Henderson; Entertainment Chairman, Nivens and W. A. Hawkins, Jr.; Finance, Building and Ground Committee are Bill Swindle, Claude Ray, Bud Steiret, Edd Bennett and Rodney Smith.

Next Zone meeting will be 2nd week in October and Dimmitt will be host.

For hospital equipment contact Commander Bill Swindle or Adj. Bud Steiret; for renting of Legion Hall contact Ed Harris.

Members are urged to pay their dues now.

Roy Futrell was involved in a one car accident on Saturday evening about 3:45. Approximately 8 miles north of Hart on dirt road. He was meeting a car driven by Mrs. Johnnie Clark and Futrell pulled off on north side of road in loose dirt, completely turning the 1961 Ford Van over, landing on the wheels. The van was equipped for a fishing wagon inside with living quarters. The cabinets were torn from walls, windshield broken and considerable other damage done.

Mrs. Clark brought Mr. Futrell in to Hart where he received medical attention, a knot on the head and arm, no serious injury.

The Futrells had planned to leave Monday morning for a fishing and outing in Colorado.

The members of the Hart Riding Club will leave Friday evening after school for Altus, Okla. where they will attend the National Play Day Finals of American Association of Sheriff's Posse and Riding Club.

In the Hart group are 12 members who have placed first in three places (previously), and the rest of the group have placed first in five places.

This meeting will be the 1st-2nd and 3rd of October. The group will return Sunday night.

The members of the Hart Lion's Club met Monday September 27 at Alford's Cafe for lunch and regular meeting. There were 10 members present, one new member, Andy Gardenhire, Superintendent of Hart Public Schools and one visitor, Fred Popejoy of Hart.

The Club voted to put street signs up at corner of streets. Our streets are numerals and letters of alphabet. They voted to send a donation for victims of Hurricane Betsy. Also candy has been ordered for sale in the near future.

All members are urged to be present for next meeting on Oct. 11 at noon at Alford's Cafe.

Mrs. Jack Sharp of Tulla was honored with post nuptial shower in Fellowship Hall of First Baptist Church on Tuesday night, September 21st with Mrs. Edgar Varner receiving guests.

Mrs. Howard Mitchell registered guests. The serving table was covered with a white lace cloth with a yellow flower arrangement. Silver appointments were used. Refreshments of cookies, coffee and spiced tea were served by Mrs. Joe Newman and Mrs. Preston Upshaw.

Hostess gift was mix master presented by Mrs. Varner.

The honoree was presented a white carnation corsage.

Special guest was the mother of the groom, Mrs. Howard Sharp of Tulla.

Hostesses were Mesdames Paul Brooks, Glen Wilson, Edgar Varner, Howard Mitchell, Harvey Davis, Johnnie Clark, Judd Davis, Jerry Kittrell, Terry Hardy, Preston Upshaw, O. C. Kittrell, Joe Newman, Floyd Light, Lloyd Farris, and Ronnie Farris.

The Study "Mission, The Christian's Calling" was started last Thursday, September 23 when the Woman's Society of Christian Service met in their regular meeting at the Church. Leader of the program was Mrs. Willis Hawkins, Sr. Opening prayer was led by

Mrs. Hubert Maples. The song, "This is My Father's World" was sung. Mrs. W. C. Crick led in closing prayer.

Those present were Mrs. E. E. Foster, Mrs. Jeff Smart, Mrs. Hubert Maples, Mrs. Willis Hawkins, Sr., Mrs. W. C. Crick, Mrs. Douglas Gossett, Mrs. A. L. Aven and Mrs. C. B. Landers.

The Study will be continued at the next meeting, September 30 in Fellowship Hall.

Hart's first bale of cotton for the year 1965 was ginned Wednesday night of last week at the Hart Gin, owners Roland and Rcsa Shepard.

The cotton was raised on irrigated land farmed by C. P. Gambelin.

The bale weighed 585 pounds and was produced from 2140 pounds of seed cotton. Mr. Gambelin received 50 cents per pound premium and \$100 per ton for seed.

The cotton was ginned and wrapped free in 14 minutes. The bale was placed in front of Farmers State Bank on Main Street in Hart.

Girl Scout Troop 404 met on Wednesday at 4:00 p.m. in the Girl Scout Home north of grade school, with leader, Mrs. Max Stephens in charge.

De Ann Cleveger furnished and served refreshments to Nancy Graves, Lisa Lacy, Kathy Kennedy, Vickie Newsom, Debbie Heck, Brenda Cheves, Elizabeth Stephens and Mrs. Stephens.

A chili and stew supper will be served at First Methodist Church on Friday night October 1 from 5:30 to 8:00 p.m. in Fellowship Hall.

Proceeds are to be used to purchase carpet for the church. The supper is sponsored by Methodist men, MYF, Women's Christian Service and Wesleyan Service Guild.

Adult tickets are 75 cents, student tickets are 50 cents and preschool children will be admitted free.

Guests in the home of Mr. and Mrs. Lloyd Davis on Sunday afternoon were his grandmother, Mrs. Dora Lilly of Baird and Mrs. Walene Lilly of Sunnyside.

Mrs. Eula Baker of Holdenville, Oklahoma has been a recent visitor in the home of her daughter and husband, Mr. and Mrs. W. H. Davis, and in the home of her grandchildren, Jerry Kittrell and Lloyd Davis.

Mr. and Mrs. R. A. Futrell visited her sister, Miss Nellie Waingreen a patient at Baptist Memorial Hospital in San Angelo.

Mrs. Cody Marlor of Lorenza spent the week end with her parents, Mr. and Mrs. J. P. Armstrong.

Mr. and Mrs. Jack Bradley of Dimmitt were host on Sunday night to birthday dinner honoring their daughter-in-law, Mrs. Jimmy Bradley of Hart.

Mrs. Alene Lilly spent Sunday night in Lorenza with her sister and family, Mr. and Mrs. Cody Marlor.

Mr. and Mrs. C. B. Landers spent Sunday evening and night in the home of their daughter, Mrs. Joe West and husband of near Earth.

Mr. and Mrs. Roy Pyeatt of Tulla were visiting with friends in Hart on Sunday evening. Roy attended church at the Church of Christ for evening worship and Mrs. Pyeatt visited Mrs. J. J. Newsom.

Mrs. Jimmie Bradley spent Friday in Dimmitt at the Plains Memorial Hospital with Mrs. Lenora Smith, who remains quite ill.

Mr. and Mrs. C. B. Landers and daughter and husband, Mr. and Mrs. Joe West of near Earth attended the Fair in Amarillo on Friday.

Mr. and Mrs. Claude Cox are building a new home south of Hart on the Olton Highway.

Mrs. Isom Sharp and Mrs. Harry Rogers of Tulla visited in the home last week of Mr. and Mrs. J. J. Newsom.

Mr. and Mrs. B. B. Pierce have moved a house into Hart just north of the Height residence. The house has been remodeled and re-decorated.

Mr. and Mrs. Jim Cummings of Lubbock spent last week in the home of her sister Mrs. Tommie Simpler.

Mr. and Mrs. C. W. Seago and daughters, Marsha and Jackie spent Saturday night and Sunday in Eastland with his parents, Mr. and Mrs. H. E. Seago.

Mr. and Mrs. W. H. Felder spent Sunday in Hollis, Oklahoma with his mother who is seriously ill.

Mr. and Mrs. Sam McGill and Roni, Mr. and Mrs. Lloyd

Davis and Kimberly, Roy Porter and Kay were in Amarillo on Saturday to attend the 7th grade football game and attend the Tri-State Fair.

Mr. and Mrs. R. A. Futrell have returned from a week's fishing trip to Buchanan Lake and on down state to visit with relatives.

Mrs. Alene Lilly was host for a coffee in her home on Thursday of last week. Guests were Mesdames Freddy Lilly of Sunray, Dora Lilly of Baird, Roy Lilly and Sharon Wilkes of Dimmitt, Lloyd and Delford Davis and Owen Hankins of Hart.

Homer Inscou was admitted to Veteran's Hospital, Amarillo for two weeks, suffering from arthritis.

Mr. and Miles Cox returned home Sunday evening after spending a few days in Lipan and Weatherford visiting with relatives.

Mrs. Hubert Maples spent the week end in Amarillo in the home of her son Glen and family.

Mr. and Mrs. Willie Martin and daughter of Grand Prairie visited his parents, the Granville Martins the past week while recuperating from a broken foot re-Alvin Talley and family. structure Co. job in Dallas.

Mr. and Mrs. Muriel Bussey of Tulla visited with her parents over the week end, Mr. and Mrs. Royce Talley returned to Angeles, Calif. Tuesday where he is stationed. He has been home on a two week leave.

ASC NEWS

1965-66 ASC COMMITTEEMEN

The following producers were selected by you as your 1965-1966 ASC Community Committeemen and will take office on October 1, 1965:

- COMMUNITY "A" S. A. Hodges, Jr. M. L. McFarland W. H. Simpson
- COMMUNITY "B" Floyd Cole Jimmy Howell J. C. Clearman
- COMMUNITY "C" Donald Wright Bob Ott Melvin Barton Bryce Dowell
- COMMUNITY "D" Richard Bills R. H. Duke Rex Wooten
- COMMUNITY "E" Geo. Edd Bennett David Nelson Ray Joe Riley Roy Taack

The above Community Committeemen met in the Castro County ASCS office on September 22, 1965 and selected the following Castro ASC County Committeemen:

- Jim Elder — Chairman
 - Clarence D. Zachry — Vice-Chairman
 - Melvin Barton — Member
- Since Community Committeemen shall cease as Community Committeemen and Delegate or Alternate when they take office as a regular County Committeeman, Bryce Dowell, who was elected as First Alternate for Community "C", will serve as Regular Member of the County Committee. Geo. Edd Bennett, Chairman of the Community Committeemen from Community "E" was elected as First Alternate on the County Committee. He will be succeeded by David Nelson as Chairman, Ray Joe Riley as Vice-Chairman and Roy Taack as Regular Member.

1965 COTTON LOANS

As in the past, loan papers may be prepared at the ASCS County Office or by approved Loan Clerks located at such places as banks, offices of cotton buyers cotton gins and warehouses. The producer need not visit the ASCS County Office personally in order to get a loan, to receive the loan pay-

ment, or to redeem his loan cotton.

No changes are expected in the way Form "G" Loans are made to approved cooperative marketing associations of cotton producers except that they will not have to prepay warehouse receiving charges in order to obtain loans on their members' cotton. Such charges will be handled the same as for Form "A" Loans made to producers.

1965 PRICE SUPPORT RATES

- Grain Sorghum — No. 2 or better — \$1.63 Cwt.
- Corn — No. 3 — \$1.16 Bu.
- Cotton — Middling White Inch — \$28.96 Lb.
- Soybeans — No. 2 — \$2.16 Bu.

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests, Tempest Customs and Le Mans. V-8's? Up to 360 hp in the GTO. See all the '66 tigers in tiger country today. **Wide-Track Pontiac/'66**

Come to tiger country. See all the Wide-Track tigers at your Pontiac dealers.

C & S EQUIPMENT COMPANY

301 S.E. SECOND DIMMITT, TEXAS

MORTON INDIANS TRAPPED BOBCATS IN 26-8 BATTLE

Dimmitt Bobcats were out to claw the Morton Indians in Friday night football action but ended up as 26-8 trophies of the Indians.

The Bobcats kicked off to Morton to open the ball game. The Indians failed to gain enough yardage to hold the ball and were forced to punt on fourth down. Dimmitt offense took the pigskin with 10:03 minutes on the clock in first quarter and in two plays made the first down of the game.

Following the first down, Dimmitt carried four times but could not gain enough yardage for another down. Morton took over on downs and started a long touchdown drive. On the third play from scrimmage, Morton's quarterback, John St. Clair, broke loose for 31 yard run. He was hauled down by Bobcats on the Dimmitt 40 yard marker. Following three more short power plunges, Morton gained first down on fourth down situation. Morton continued the insistent push for

the goal as they gained another first down and the 20 yard line. Quarterback St. Clair carried five yards on first play. Second play from scrimmage Fullback Kenny Palmer dashed 15 yards around right end for a 6-0 count with 2 minutes and 34 seconds left in the first period.

Attempted extra point kick was blocked by a host of Dimmitt Bobcats.

Dimmitt's Tony Young took the touchdown kickoff on the 17 yard line and ran it back to the 41 yard marker before being stopped by Morton. After a five yards gained in two plays, the 'Cats were thrown for loss and forced to punt on fourth down.

Terry Hill, Dimmitt halfback, raced downfield to kill the ball on 14 yard line. Morton got off one play and the first quarter ended.

Both teams attempted to move the ball but failed to gain significant yardage for first downs. After an exchange of punts, the In-

dians tomahawked the 'Cats for their second touchdown. Three charging first downs and Morton moved within scoring distance on the 6 yard line. Palmer, the workhorse, carried ball to third yard line and then in the next play plowed over for second Morton td. Scoreboard read 12-0 with 4:07 left in the second period.

Morton fumbled the ball on extra point attempt and Bobcats recovered. Extra point was no good.

An unexpected break started the Bobcats on a drive in Morton territory when an Indian kicker missed the pigskin on the kickoff. The 'Cats took over on Morton 40 yard line. After a three yard gain, Kent Lindsey, Dimmitt quarterback, went back to pass and Randall Tanner for Morton intercepted the pass to stop the Bobcat threat.

Morton took over and Dimmitt Bobcats downed St. Clair for a six-yard loss when he was looking for an open receiver. Mor-

ton was forced to punt after both teams earned offsetting penalties. The Bobcats took over on Morton 26 yard line. Kent Lindsey fired a 12 yard pass complete to end Robbie Lindsey for a first down. With only six seconds left in the half, Lindsey tried another pass play which was intercepted by Timy Petree, Morton halfback. The half ended with the interception.

The Bobcats came back in the second half with fired up spirit and enthusiasm. After taking the kickoff, Tony Young handed off to Terry Hill who ran the ball to the 40 yard line. Three plays and Dimmitt earned a first down to start another marching threat toward the Morton goal line. After an incomplete pass and 9

yards gained through power plays the 'Cats missed a first down by inches. A Morton offsides penalty aided the cause and earned the 'Cats enough yardage for the first downs.

Three short thrusts and the 'Cats plow forward for another first down on Morton's 25 yard line. Posing a big threat, Dimmitt was hit hard by Indians and the ball was fumbled. Fullback Kenny Palmer made the recovery.

Morton took over on own 26-yard line. Morton gained another first down but the nimble Dimmitt stopped the drive. A. D. Schreck threw Morton ball carrier for 10 yard loss and the Indians quick kicked the ball. Dimmitt failed to gain first down as they tried for one yard on fourth down situation.

The Indians took possession of ball on Dimmitt's 42 yard line. Morton gained Dimmitt 24 yard line after a two-yard carry and a 15 yard penalty against Dimmitt. Morton made three plays and still needed one yard for first down. The Indians made the first

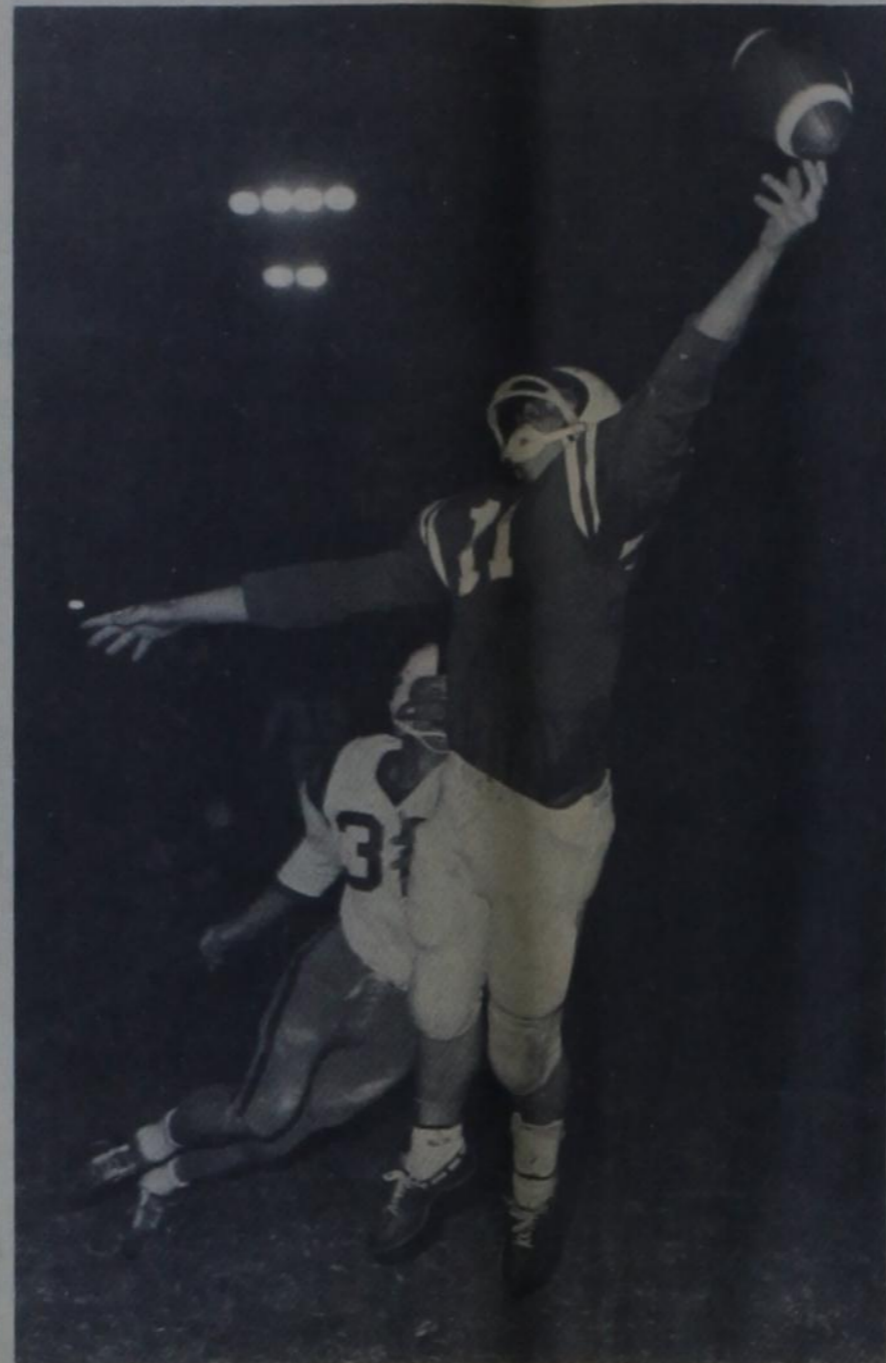

DANNY LAND, halfback, is downed by Eddie Lyons (63) and Jerry Elliott (50) in action Friday night at Morton. Other Bobcats shown are Jack Bradford (42),

Tony Young (11), John Howell (79), Gene Carson (72) and Rodney Hutto (63). See story. —Staff Photo

BOBCATS ON ACTION are Jack Bradford (42), Tony Young (11) and in background

Kent Lindsey (10). The Bobcats lost 26-8. See story. —Staff Photo

TONY YOUNG (11) leaps for a pass during the last moments of play at Morton Friday night. See story for details. —Staff Photo

down and needed 10 yards for their third td. Quarterback St. Clair carried six yards and then Palmer plowed the other four yards for a 18-0 score. Morton's kick was no good but the play was called back due to penalty. Morton's Palmer again scattered the Bobcats as he bulled through for two points. Score was 20-0 with 32 seconds left in third quarter.

Tony Young took the Morton kickoff on 15 yard line and ran it back to 29 yard line where he fumbled. Dimmitt's Don Moore recovered the ball. After one play which netted the 'Cats four yards, the third period ended.

Going into the second down situation on the first play during the fourth period, Terry Hill carried 3 yards. No gain was made on the third play. As fourth down play came up, the Bobcats went back into punt formation, faked a punt and then ran with the ball for first down.

On the second play from scrimmage Kent Lindsey sent a scaring aerial 35 yards to Robbie Lindsey. Dimmitt was again threatening the Indians on their 26 yard line. A first down and the Bobcats were treading on the Morton 14 yard marker. A fourth down situation arose and Quar-

terback Lindsey tried a pass which went incomplete.

The Indians took over on their own 14-yard line. After three plays, the Indians punted and Dimmitt took over in Morton territory. On the first play, Morton's Petree intercepts Lindsey's pass. On third play, the Indians fumbled and Stanley Byrnes, Dimmitt, recovered on Morton's 41 yard line to start the Bobcats rolling for their touchdown of the game.

Tommy Stafford carried for 3 yards on first play. Lindsey then tried a pass which went incomplete. A 15-yard penalty against Morton for pass interference put Dimmitt on the 21 yard line and within scoring distance. Tony Young carries five yards on first and 10 situation and then came the big play of the game for the Bobcats. Kent Lindsey shot a pass, which was almost intercepted but Ray Bradley, halfback, leaped up and made the winning catch for the 'Cats. Danny Land ran the extra points off tackle and the scoreboard read 20-8 with 2 minutes and 12 seconds left in the ball game.

Dimmitt booted an onside kick and Morton took over on the Dimmitt 47 yard line. Morton was penalized 15 yards and needed 30 yards for a first down. After a

15 yard Dimmitt penalty and yardage in rushing the Indians gained first down on Dimmitt 30 yard line. On the third play St. Clair sent a 31 yard pass into the arms of Jimmy Joyce for the final touchdown of the game. Extra point try incomplete and the scoreboard read 26-8 with 24 seconds left in the game.

The game ended with the Bobcats trying to gain enough yardage on passing to score another touchdown.

Hart Zealot Club Hears History of Hart

Mrs. Ralph Futrell presented a program on the history of Hart, 1930-1939 at the regular meeting of the Hart Zealot Club Tuesday, September 28 in the Deryle Clevenger home.

Mrs. H. H. Parker served as co-hostess. Attending were Mesdames Tom Ed Benton, Jeff Smart and Warren Lemons Preston.

NOTICE TAXPAYERS OF THE CITY OF DIMMITT DID YOU KNOW?

That we have a \$100,000 bond election coming up very soon for the primary purpose of building a golf course —

From which, perhaps, 5% of our population would benefit?

What do you think?

What are you going to do about it?

Don't you have friends and neighbors or at least acquaintances who are having a rough time financially already?

Are you willing for this extra burden to be voted on them?

You will have an opportunity to express your opinion Tuesday, October 12, at the City Hall.

Incidentally, read the election notice carefully and see if you can tell how this \$100,000 is to be spent

INVESTIGATE AND VOTE

TUESDAY, OCTOBER 12, 1965
