

Milo Yields Above Average

The county's overall milo yield this year will be better than average.

THAT'S THE word from busy elevator operators as the milo harvest approaches the midway point on a day-and-night schedule.

Although the yields of many hail-stricken fields are small — 3,000 pounds per acre or less — the county's producers generally have overcome storms, dwarf mosaic virus, midge, wind and lodging to produce another fine red-grain output.

YIELDS AS high as 10,000 pounds per acre have been reported by two elevators — Community Grain Co. and Dimmitt Wheat Growers — and all other elevators reported top yields so far of 8,680 to 9,000-plus.

Lowest yields so far are running in the 2,200 to 3,000-pound range from fields hit hardest by devastating hail storms in September, the elevator men said.

TWO WIDELY varied problems — moisture content and price —

still plague the harvest, elevator men noted.

A too-high moisture content is still holding up the harvest in many fields, and wetness has caused lodging in others. Another big problem, of course, is knocked-down stalks which producers are trying to pick up with special combine attachments.

Current price on milo is a low \$1.65 per cwt, at least 15 cents below what elevator operators consider a fair price.

HOW MUCH the price is likely to climb after harvest is anyone's guess.

"We did have a terrific corn crop, and we don't know yet how that will affect the milo price later," said J. R. Brown of Bruegel & Sons Elevator Co.

ELEVATOR MEN'S estimates on the stage of the harvest and general yield varied with their locations. Here are their summaries:

Bill Waldrop of Community Grain Co. in Easter: "We're about 35 percent into the harvest now, with the best yield and quality in years. By the middle of next week we'll have it 75 percent completed. Everything's perfect."

DeWAYNE BROWN of Farmers Grain Co. in Hart: "I'd say we're 34 percent complete, and that we'll be through by about Nov. 10"

142 Attend Legion Meet

More than 140 Legionnaires and their wives from 18 Panhandle cities signed in over the weekend as the Nazareth American Legion Post 528 and Auxiliary hosted the District 18 fall convention.

DELEGATES voted to endorse Past State Commander Jack Flynt of Dimmitt in his bid for national executive committee next

year; to ask the state organization to study the feasibility of sponsoring full-time Legion service officers in Texas' nine Veterans Administration hospitals; and to assess each post in the district to buy Christmas presents for all veterans in Amarillo's VA Hospital.

The 142 delegates also chose Childress as the site for their spring district convention.

"THE NAZARETH post did an outstanding job of hosting this convention," Flynt reported. "We had a higher attendance than normal at a district convention, and the entire weekend went smoothly because of the work done by the Nazareth post."

Convention chairman was James Wilhelm.

Among the busiest people in the convention were the Nazareth Legion Auxiliary ladies, who serv-

ed a ham dinner at Saturday night's banquet, a ham and egg breakfast after the Saturday night dance, and a noon luncheon before Sunday afternoon's business sessions — in addition to hosting the district Auxiliary convention.

SPEAKERS at Saturday night's joint banquet in the Legion Hall were Debra Brcek and Cloetta Fullbright of Spearman, governor and lieutenant governor of this year's Girls State.

Before Sunday's lunch and business meeting, joint memorial services were conducted in the Legion Hall.

Main speakers at Sunday afternoon's Legion sessions were District Commander Roy R. Beard of Amarillo, who conducted the men's session, and Department Service Officer Fred Ray of Waco, who discussed veterans' legislation.

IN THE Auxiliary meeting, ladies heard reports and discussions on membership, rules and regulations, grievances, resolutions, child welfare (by Mrs. Jack Flynt of Dimmitt, national committee woman), Girls State, VA Hospital, and orientation and indoctrination.

about dimmitt and castro county
by b. m. n.

The Panhandle Compress & Warehouse Company has an advertisement in this issue of the News on page 11, urging Castro County farmers to request the gins of the county to store their cotton in local warehouses. We have always been a stickler for trading at home and we believe that in this case the local warehouse company is entitled to the business. There is no doubt that they have gone to all necessary expense to equip their plants to adequately handle and store all cotton that could possibly be produced in the county.

Ours is an agricultural community, and regardless of the nature of the business whether it be merchandising, service, equipment, or what have you, the fortunes of the business is tied directly to farming. It follows that the more cooperation we can have, between the various types of business concerns, the more we can expect for the overall growth of the county economy.

According to some of the news sources, that have thermometers, we had a low reading in Dimmitt of 32 degrees one night this week. If the report was true the weather

(Continued On Page 13)

Flynt to Seek National Post

Jack Flynt, Dimmitt Legionnaire who rose to become state American Legion commander last year, will be a candidate next year for national executive committee member from Texas.

HIS CANDIDACY became official with the endorsement last week of his home post, Greer H. Estes Post 445, and of the District 18 American Legion assembly Sunday in Nazareth.

He will vie for the two-year national term next June in Houston. It is his resolution endorsing his candidacy, the Greer H. Estes Post noted that "as department commander of Texas, he has proven his leadership qualities by his record of the many outstanding achievements accomplished during his term of office."

FLYNT and his wife Mary last year were the first husband-wife team to head the Texas American Legion and Auxiliary together.

During his year as state commander, the Texas American Legion showed its first increase in membership in more than two decades, reversing a trend that had plagued the state organization since 1946. The Legion added 2,000 new members in Texas last year.

Bonfire Tonight Will Kick Off NHS Homecoming

A bonfire and pep rally at 7:30 tonight (Thursday) will kick off Nazareth High School's 1967 Homecoming.

THE FOUR-DAY Homecoming will honor the classes of 1937, '47, '57 and '67 with special recognition.

At tonight's bonfire, a Flame King and Queen will be crowned by NHS students.

In Friday night's Homecoming game the Swifts will meet the Texline Tornadoes in a crucial district game. The Swifts and Tornadoes both suffered their first losses of the year Friday night — Nazareth at the hands of Vega and Texline at Hart — so both will be fighting to stay alive in the District 3-B race.

BEFORE THE game, the 1967 Homecoming Queen will be crowned.

Nazareth High School exes and the general public will gather at the community center at 9 p.m. Saturday for the annual Homecoming Dance.

Final Homecoming activities Sunday will be a fried chicken dinner from 11:30 to 1:30 and open house at the Nazareth School all afternoon. The Sunday events are also open to the public.

11 Accidents Investigated In September

The Texas Highway Patrol investigated 11 accidents on rural highways in Castro County during September, according to Sergeant W. E. Wells Highway Patrol Supervisor of this area.

THESE crashes resulted in five persons injured and an estimated property damage of \$6,870, but no fatalities.

The rural accident summary for Castro County during the first nine months of 1967 shows a total of 67 accidents resulting in five persons killed, 53 injured, and an estimated property damage of \$59,389.

Club Leaders' Workshop Set

If you're a new club officer or committee chairman, do you know how to do your job? Can you make a meeting move or a committee kick?

A WORKSHOP next Wednesday and Thursday nights in the courthouse assembly room is designed to teach you how.

Sponsored by the county Extension office, the leadership workshop is open to all interested persons and is free. It will be conducted by Miss Claudia Williams and O. B. Clifton, Extension program specialists.

Frank Pollard, First Baptist Church minister, will give the opening address Wednesday night. That night's topics will be on planning a meeting, presiding, and how to have good programs.

KEITH CRUM (center), son of Mr. and Mrs. Cecil Crum of Dimmitt, started his upward climb again in the national Punt-Pass-Kick contest by winning the 9-year-old division in Hereford last week. At right is Bob Coons, sales manager of Orval Watson Ford Co., which sponsored the local contest. Last year Keith won the area title in the Cotton Bowl, then returned to the Cotton Bowl to place third in the Eastern NFL Division championship.

Administrator Reflects On Hospital Progress

As he prepares to go on an 18-month Vietnam mission, Plains Memorial Hospital Administrator Don Newman feels he's leaving a healthy hospital behind him.

HE POINTS to higher salaries, a top staff, more services, a forthcoming expansion program, hometown nurses' school, and the establishment of a county migrant health unit as signs of growth for the hospital and better health care of county residents.

Newman will leave next week for Washington, D.C., where he will train to become a field liaison officer for the US Agency for International Development (AID) in Vietnam. His job will be to coordinate health care between Saigon headquarters and the field camps working in the provinces and villages.

BEFORE leaving for Vietnam, Newman will return from Washington to Dimmitt for a week's leave.

Speaking to the Dimmitt Rotary Club recently, Newman said he feels the hospital "has been a good investment" for the county, but added that he has "no doubt that there will have to be a tax raise next year" to keep salaries and services competitive with other hospitals.

"Financially, the hospital is still in the same situation it was in four years ago," Newman said. "What we need, I guess, is a magician who makes money. But

the hospital isn't supposed to be a moneymaker. Its main goal is service, and I think our investment in this respect was a good one.

"BUT I THINK that the hospital district tax raise we had this year wasn't enough," he added. "No doubt there will have to be another tax raise next year."

He said that past tax raises have resulted in "more personnel now, and better trained personnel... because of better salaries."

He added, "The board is going to have to keep raising their salaries to keep them on a level with other hospitals and to keep people."

HE ALSO pointed to the hospital's Vocational Nurses' School, now in its second year. The

school, headed by Mrs. Mary Balbridge, RN, graduated four vocational nurses last year, and this year it had an overflow registration and had to restrict its number of student nurses to 12.

Most of the student vocational nurses are local ladies who will likely want to work at Plains Memorial Hospital after graduation and licensing, Newman said. He cited the school as a major means of solving the personnel shortage.

As hospital administrator, Newman also was project director for the new Castro County Migrant Health Unit, a federal-local project. He said this program helps keep hospital costs down and the area's health up—especially among school-age children.

"MANY PEOPLE are against all federal programs, and it could be argued that this one may not be necessary," he told Rotarians. "But through this program we've made a radical reduction in the number of workers' children in the hospital."

"This summer we had only three Latin-American children under 3 years old who had to be hospitalized," he noted. "This is just a percentage of what it has been in the past. So this program has improved the health picture of these people, and it also keeps your own children from being exposed to many types of illnesses."

"I FEEL THIS program is definitely worth it," he said. "Two other counties in this area are also studying our program because of the success it has had."

Through the migrant health unit program, registered nurses and a sanitarian work among people in labor camps and substandard residential areas, checking everything from water purity to disease symptoms. They provide inoculations against dread diseases and refer ailing workers to local physicians. If hospitalization is needed, the health unit pays the hospital the portion of the patient's bills which the patient cannot pay.

In a candid statement, Newman said, "I've fought my share of the battles in the last four years to get the hospital where it is, and I think a new administrator would probably be beneficial to the hospital at this point."

HE ADDED that he wishes he could have postponed this Vietnam mission until the new 20-bed wing of the hospital is completed. Construction won't start until after the first of the year, however.

"I'm not looking forward to leaving Dimmitt, for Dimmitt has been good to me," Newman said. "In fact, my family will remain here and I intend to return here when my 18-month tour is over."

Newman is being succeeded as administrator by Jerry Cockreham, Dimmitt Junior High School teacher who also served as sanitarian for the migrant health unit. In addition to Cockreham, the hospital board has also hired Jody Menick of San Angelo as business manager.

Five Inducted; None From Here

Five men from the area were inducted into the Army by Hereford's Selective Service Local Board 18 during October, but none were from Castro County.

INDUCTED were Daniel L. Stecker, Gary L. Carver, Sam W. Cummins and Jesse W. Sheets, all of Canyon, and Jerry D. McCuan of Farwell.

The Hereford board announced that during November it must induct 12 area men and call 30 others for pre-induction physicals.

STATEWIDE, draft boards will be called upon to furnish 1,159 men for the Army in November, according to Col. Morris S. Schwartz, state Selective Service director.

This compares with quotas of 977 for October, 1,180 for September, 1,421 for August, 974 for July and 975 for June.

The Texas quota for November is the state's share of a national call for 22,000, all for the Army.

TEXAS Selective Service boards will also forward 4,650 men in November for pre-induction physicals. Col. Schwartz said, and they have scheduled 4,000 for this examination in October.

Harden Sells; Plans to Leave

Gerald Harden, CPA, has sold his interest in the accounting firm of Schaeffer & Harden and said he will leave Dimmitt for health reasons.

HARDEN, 30, has been a partner with Stanley Schaeffer for 3½ years, having moved here in May 1964. Schaeffer has purchased Harden's interest and is now the firm's sole owner.

Harden said his hay fever is behind his decision to seek a new locale.

"My family and I have really loved Dimmitt and we'll regret leaving," he said, "but health reasons require that I live in a different area at least part of the year."

HE SAID he hasn't decided yet where he and his family will locate.

Harden is a Chamber of Commerce director, secretary treasurer of the Castro County Recreation Association and Dimmitt Trap Shooters, and former treasurer of the Dimmitt Lions Club.

Farm Bureau Books Hightower As Convention Speaker Tuesday

State Senator Jack Hightower of Vernon will be the main speaker Tuesday night when the Castro County Farm Bureau holds its annual convention in the South Elementary School cafeteria.

THE "FAMILY type" convention will start at 8, and is open to the general public as well as to members, their wives and children, President J. L. Proffitt said.

This year's convention will not include a banquet, Proffitt explained. Instead, coffee and doughnuts will be served.

tion of 12 new directors to the county Farm Bureau's 16-man board, reports on 1967 activities, and adoption of resolutions.

SEN. HIGHTOWER, who started his state legislative career in the House of Representatives in 1953, is now serving his second term in the Texas Senate from the 30th District.

A Memphis native, the 41-year-old senator is associated with the Vernon law firm of Storey, Hightower and Neely. He's a graduate of Baylor University Law School and is a Navy veteran and the father of three.

Business will include the elec-

A SUNDAY TEA in the First State Bank community room, sponsored by the Hospital Auxiliary, served both as a farewell party for Administrator Don Newman (left) and a get-acquainted party for Jerry Cockreham (second from right), new administrator of Plains Memorial Hospital, and Jody Menick (right), new business manager. Here, Mrs. Mary Bechtol of the

Hospital Auxiliary serves coffee to the honorees. From left are Newman and his wife, Colleen, Mrs. Bechtol, Mrs. Cockreham, Cockreham and Menick. Newman, who will leave soon to join the US Agency for International Development in Vietnam, was presented with a "weekender" luggage case by the Hospital Auxiliary.

New Hope Baptist Voted In; Church Now Holding Revival

New Hope Baptist Church at Northeast Sixth and Ha'sell is in the midst of a revival meeting that will continue through Sunday night.

SERVICES are at 7:30 nightly in the church building which the congregation purchased recently and moved to the site.

Conducting the services are Rev. Lewis Wakefield, Rev. Frank Pollard and Rev. Bill Alexander.

"The members of New Hope Baptist Church wish to express their appreciation to the many friends of Dimmitt who have contributed to the building fund since its beginning in January," said

Rev. M. A. Pennington, pastor. "These contributions have made it possible for us to purchase a lot and move the building. This work would have been impossible without your help."

NEW HOPE Baptist Church was officially accepted into the Llano Baptist Association at its annual meeting Friday.

Social Security Man Sets Visit

A field representative of the Social Security Administration will be at the courthouse in Dimmitt from 9:15 to 11:15 a.m. Wednesday.

THOSE with questions about Social Security may contact him at that time, or may visit the Amarillo district office at 1006 Adams St. from 8:15 to 4:30 Monday through Friday and until 7:30 p.m. on Thursday evenings.

Students Get Report Cards

Dimmitt students received their first report cards of the the 1967-68 school year Wednesday, Wednesday.

ONLY THE report cards of elementary students need to be returned, school officials explained. Junior high and high school report cards are the manifold type and may be kept by the student and parents.

Parents of children on the failure list have already received letters notifying them of their children's grades.

"GOOD TIDINGS OF GREAT JOY"

By Rosie Parker

The greatest news the world has ever known was announced by an angel of the Lord and is recorded in Luke 2:10-11, "For there is born to you this day in the city of David a Saviour, who is Christ the Lord." Nothing compares in greatness to this announcement. Jesus lived and died — this was the cost of our redemption. Through the power of God he was raised and His apostles were sent to preach the saving gospel to the world. Believers received the message with great joy.

Three thousand obeyed the gospel the day it was first preached. Luke says of them, "And day by day, continuing steadfastly with one accord in the temple, breaking bread at home, they took their food with gladness and singleness of heart, praising God, and having favor with all the people" (Acts 2:46-47). On the day Stephen was stoned great persecution arose against the church and Christians were scattered abroad. Philip went down to the city of Samaria and proclaimed unto them the Christ and "there was much joy in that city" (Acts 8:8). Just after the Ethiopian Eunuch was baptized the scriptures say, "And when they came up out of the water, the Spirit of the Lord caught away Philip; and the Eunuch saw him no more; for he went on his way rejoicing" (Acts 8:39). Why do we find such rejoicing in these examples? The answer is that they stood condemned in sin without Christ and obedience to the Gospel. Only when one really feels he is lost, does the news of a savior make him glad. He then forgets all else and through faith and obedience tastes the joys of salvation. Have you, my friend, done so?

Easter News

Lions Plan Box Supper

By RUBY STONE

Easter Lions Club will hold a box supper Oct. 28 at the club house. The boxes will be auctioned off to the highest bidder.

MR. AND MRS. Larry McQueen and Sandie, Mr. and Mrs. Lloyd Becker, Steve and Scott from Memphis, and Laura Sue Moss from WTSU visited in the William Moss home last weekend.

Mr. and Mrs. Claude Forson of Dimmitt visited the W. A. Eppersons Monday evening.

The W. O. Markley family spent Sunday with the H. O. Markleys in Dimmitt.

Mrs. J. R. Mitchell from Memphis visited in the William Moss home Tuesday and Wednesday. Mrs. Mitchell is Mrs. Moss's mother.

MRS. W. O. MARKLEY and children and Mrs. G. H. LaPlant spent Tuesday in Amarillo.

Mrs. Ethel Farmer from Fontana, Calif., arrived Wednesday night for a visit with her sister and family, Ruby Stone, and the Loy Stones. She will be here about two weeks.

Mr. and Mrs. W. A. Epperson spent the weekend in Amarillo. Mrs. William Moss and Mrs. Morgan Dennis fixed supper for about 32 people from Memphis last week who were here for the game. A large crowd showed up for coffee after the game.

The Easter Women's Club did not meet last Thursday. There were not enough of the officers present. So we visited. Mrs. Fred Walton, the hostess, served refreshments to Mrs. Keys, Mrs. Markley, Mrs. Downing, Mrs. Ruby Stone and our visitor, Mrs. Ethel Farmer.

A THOUGHT for the week: "Keep your heart shining and you will soon have a face to match it."

V.F.W. NEWS

By GEORGE DERRICK

On Friday night a group from our post will again go to the Veteran's Hospital at Amarillo, to hold a party for the patients there. Anyone may go with this group.

THE FOLLOWING articles are needed by the patients there: book matches, pencils, ballpoint pens, scratch pads, stationery, etc.

Gifts of tobacco in any form are forbidden by the hospital administration.

Donations for this worthy cause are now being accepted.

A SPECIAL meeting will be held at the post clubhouse Sunday at 3 p.m. All post members and members of the ladies auxiliary are asked to attend. The main topic of discussion will be a possible expansion of our clubhouse. Refreshments will be served.

The ladies' auxiliary will sponsor an old-fashioned masquerade ball at the post clubhouse, Halloween night, Oct. 31.

Tickets will be \$1 per person at the door.

Non one will be admitted to the ballroom who is not dressed in masquerade.

The public is invited, so come out and enjoy a quiet Halloween night with your local V.F.W.

PASSING THOUGHT: Almost the only people who will listen to both sides of an argument are the neighbors.

A THIRSTY LAND

Men have a thirst and a longing for godness and righteousness. Even the most parched soul is touched by acts of kindness, forgiveness, and love. Jesus said, "Whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

May all who are thirsty for a oneness with man and with God find satisfaction and fulfillment by attending church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HART HIGH SCHOOL EXES get together for conversation, coffee and pastries at a special exes' gathering in the Hart school cafeteria after Friday night's Homecoming game. Approximately 50 grads and families attended the get-together, while in the elementary gymnasium across the street the students held their post-game "4-F Party" — food, fun, fellowship and foolishness.

Price to Visit Area This Week

Panhandle Congressman Bob Price will return to the district for a busy two-day schedule this weekend. HE WILL be guest speaker at a Plains Cotton Growers Association luncheon meeting Friday at the Ko Ko Inn in Lubbock. From there he will go to Muleshoe for a dinner meeting with the Muleshoe Industrial Foundation at the Corral Drive-In and a 7:30 Town Hall meeting at the high school cafeteria, sponsored by the Chamber of Commerce. Vic Benedict, chamber president, will be in charge. Saturday, Glenn Lust, Panhandle County GOP chairman, has arranged a 9 a.m. Town Hall meeting at Friona where the Congressman will discuss national issues and answer questions. The meeting will be in the high school cafeteria. From Panhandle County he will go to Wheeler County for another Town Hall session to be held at 2 p.m. at the county courthouse in Wheeler, in the district courtroom. George Porter, Republican county chairman, will be in charge of the Wheeler affair. THAT evening Price will meet with his Northern Agriculture Advisory Committee at the Coronado Inn in Pampa. Chairman of that group is Buddy Cockrell. Price said he would discuss the newly announced cotton program for 1968, other agriculture programs affecting the Panhandle, and would review recent congressional developments in Washington, as well as the US involvement in Vietnam.

Public Employees Week Proclaimed

Texas Public Employees Week will be observed Oct. 22-29 by local TPE Chapter 73. THE SPECIAL week has been proclaimed by Gov. Connally to honor those who provide city, county and state services for the public, and the week will be highlighted by the TPE state convention in Austin Monday and Tuesday. Two delegates from this area — one from Bovina and one from Littlefield — will represent the local chapter at the state convention, according to J. B. Moore, Dimmitt TPE officer.

LEGAL NOTICE

NOTICE OF ROAD BOND ELECTION. THE STATE OF TEXAS: COUNTY OF CASTRO: TO THE RESIDENT QUALIFIED VOTERS OF COMMISSIONERS' PRECINCT NUMBER 1, OF CASTRO COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID PRECINCT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE of an election to be held on the 11th day of November, 1967, within COMMISSIONERS' PRECINCT NUMBER 1, of CASTRO COUNTY, TEXAS, for the purpose of submitting to the qualified voters who own taxable property in said precinct and who have duly rendered the same for taxation, the following proposition:

"WHETHER or not the bonds of PRECINCT NUMBER ONE, a political subdivision of CASTRO COUNTY, TEXAS, shall be issued in the total principal sum of FIFTY THOUSAND DOLLARS (\$50,000), for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof, within and for said precinct, under and by virtue of the Constitution and laws of the State of Texas, particularly Section 52 of Article III of the Constitution and laws enacted pursuant thereto, and which bonds are to bear interest at a rate not to exceed 5 1/2 percent per annum, payable at such times as may be deemed most expedient by the Commissioners' Court, but not to exceed 10 years from the date thereof; and shall add valorem taxes be levied on all taxable property within said precinct for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption or payment thereof at maturity?"

AND FURTHER TAKE NOTICE that the manner of holding said election and canvassing and making returns thereof, shall be governed by the General Laws of this State, when not in conflict with the provisions of Chapter 16 of the General Laws passed by the Thirty-ninth Legislature at its First Called Session in 1926, and amendments thereto; that the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S., Election Code, and that printed on such ballots shall appear the following proposition: THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF. The word "FOR" and beneath it the word "AGAINST" shall be made to appear to the left of the proposition. A square shall be printed on the left of each of the words "For" and "Against" and each voter shall place an "X" in the square beside the statement indicating the way he wishes to vote.

ABSENTEE VOTING shall be conducted at the County Clerk's Office in the Courthouse, in accordance with the provisions of Chapter 5, V.A.T.C.S., Election Code. AND FURTHER TAKE NOTICE that the polling places and officers of said election shall be, respectively, as follows: VOTING PRECINCT NUMBER, VOTING PLACE, PRESIDING JUDGE, and ALTERNATES are: Number 1, County Clerk's Office, Mrs. Calvin Petty and Mrs. Ralph Lambright. Number 5, Greg Hoelting Home, Leo Dobmeier and Florence Albracht. Number 6, H. rt City Hall, Dean Sanders and Paul Armstrong Jr. Number 10, Morrison Gin Office, Emroy Sadler and Mrs. Alton Louder.

If the regularly appointed Presiding Judge is unable to serve at the election, the Alternate Presiding Judge therefor shall serve as Presiding Judge. The Presiding Judge shall appoint at least two (2) Clerks (one of whom shall be the Alternate Presiding Judge if the election is conducted by the regularly appointed Presiding Judge) and not more than five (5) additional clerks as he deems necessary for the proper conduct of the election. Only qualified voters who own taxable property in said COMMISSIONERS' PRECINCT NUMBER 1, of CASTRO COUNTY, TEXAS, and who have duly rendered the same for taxation, shall be qualified to vote at said election.

WITNESS MY HAND AND THE SEAL OF THE COMMISSIONERS' COURT OF CASTRO COUNTY, TEXAS, this 25th day of September, 1967. ZONELL MAPLES County Clerk and Ex-Officio Clerk of the Commissioners' Court of Castro County, Texas (Com. Cr. Seal)

Ministers Elect Sewell President

The Castro County Ministerial Association met Wednesday of last week to elect officers. ELECTED to serve this year were John Sewell, minister of the First Assembly of God Church, president; Bill Alexander, pastor of Northside Baptist Church, vice-president; and Rev. H. Weldon McCormick, pastor of First Methodist Church, secretary-treasurer. Next meeting of the association will be Nov. 8 at noon at Brownie's Steak House. All ministers in the county are invited to attend and take part.

Liquor-Narcotics Speaker to Talk In Church Sunday

Sunday morning worship at First Christian Church will be moved back five minutes Sunday, from 10:50 to 10:45, so that the Texas Alcoholic-Narcotics Education speaker, Jasper Oscar Scheer of Plainview, may speak at another Dimmitt church later in the morning. FOLLOWING his message for the Dimmitt TANE Civic Righteousness Field Day Sunday, the regular worship services will proceed. Minister Bedford W. Smith will preach on the theme, "The Part We May Know." His 6 o'clock evening worship message will be on "Ways to Build a Church."

Members of the congregation and Bible School met Wednesday evening at the church for a special Family Night fellowship, enjoying games, songs and refreshments. TODAY (Thursday), the 4 to 5 p.m. children's hour for Bible study, music, games and refreshments will have its first regular session at the church.

School Play Tryouts Held

"Have you ever at one time wanted to be human?" This may sound familiar to any of those who happened to be present for play try-outs, Thursday, Oct. 12, in the high school speech room.

MR. FARRER was quite pleased with the enthusiasm and the turnout. "Dark of the Moon" is the title for this year's school play. We hope everyone will be pleased with the results of the tryouts.

Senior Boy of Week:

Lint Merritt

Everyone knows our senior of the week, Lint Sheffy Merritt. He is the son of Mr. and Mrs. John L. Merritt and is a lifetime resident of Dimmitt.

HIS QUOTE on this subject is "I hope I get away someday!" Lint's hobby is working on cars and his favorite pastimes are girls and football.

The thing which makes him the angriest is a certain teacher. HIS FAVORITES are: song, "The Eve of Destruction"; group, Gary Lewis and the Playboys; singer, Johnny Rivers; color, olive green; teacher, Coach Culpepper; subject, typing; car, String Ray; food, steak; sport, football; place, downtown, and time, night time.

The activities included on Lint's list are Teen Club, football, band, Science Club, D Club and M.Y.F. He also holds the honor of being one of the captains of our Varsity football team.

Lint's idea of marriage is - "I think it's neat. It's all right when the time comes. I'm not ready yet." He also has an idea about an ideal girl: goodlooking and not taller than he is.

Lint's future plans of majoring in electrical engineering at the University of Texas are not far away and we all wish you success.

Organizations

Clubs Choose New Officers

This week several meetings for clubs and organizations were held in order to elect new officers and discuss plans for the year's activities.

THE FTA met Thursday, Oct. 6 at activity period and discussed the dues and some of the letters of new members.

The officers were elected and are as follows:

President - Patty Simpson Student Advisor - A'llan Webb Secretary - Juanelle Cnard Treasurer - Mary Hays Parliamentarian - Ronnie Huton Reporter - Sue Lust Historian - Darla Underwood Project Chairman - Elaine Davis Program Chairman - Mary Lee Stone They also discussed and set their time for a meeting which will be once a month. The meeting was then adjourned.

THE SCIENCE CLUB met Oct. 11 to discuss new officers and to set the year's activities.

The new officers are as follows: President - Ben Golding Vice-President - Scott Nelson Secretary - Diane Webb Treasurer - Ronnie Huckabay Reporter - Doug Hays Parliamentarian - Jerral Seale and David Bunch.

Who's Who

This week in order to get acquainted with our freshmen we have Janna Thanisch in our Who's Who corner.

JANNA is the daughter of Mr. and Mrs. C. L. Thanisch. She lives north of Nazareth.

In her favorites we find her favorite colors are blue and olive green; favorite food is Swiss steak; car will be Camaro and XKE. As a favorite book she picks "Something in Common," and her song is "How Soon?"

Among her favorite actors and actresses are Christopher Plummer and Audrey Hepburn. That could explain why her favorite movie is "Breakfast at Tiffany's."

WHEN ASKED how she feels about DHS, she says, "I can't think of any other school I'd rather attend. It's super great!"

Her plans for the future are to attend North Texas University in Denton and major in Interior Design.

Her pet peeve is, right now, six week's tests and her hobbies are painting and making the drag.

MAIN attraction of the hootenanny has been the "Minor Details." Congratulations, fellows! They have the number one song out at KDHN with a recording of "The Reapers."

By the way, the "Minor Details" were playing against the "Missing Links" at the Battle of the Bands at Nazareth last Saturday night.

Say girls! Who were all the stray faces from Hereford last Friday night? We would all enjoy hearing about them! Wouldn't we? It seems that Barbara Hansen is working in two areas now. What about this, Gail?

We're happy to see a new addition to the curriculum this year. Miss McMinn and "Smith" are working tediously together to organize a choir. Quite a few students are apparently interested in the choir. Word is around that we may have another "Righteous Brothers" on our hands. What about this Harry and Clem?

So ends our campus news for this week. We will be back next week with more news from the halls of DHS.

Department Report

Goals of English Department Go Beyond Books and Grammar

The major goals of the English department are: first, to give a student the best education possible thus preparing him for life in a democratic society.

"CONSEQUENTLY," Miss McMinn stated, "we strive to develop the student mentally, morally, emotionally, and socially so as to be able to cope with problems of life."

Secondly, to provide opportunity for each pupil to develop abilities and aptitudes as well as to acquire skills and knowledge to meet demands of a changing society.

The third goal is for the student to acquire cultural and aesthetic understanding and gain appreciation for literature.

OTHER GOALS are to provide a learning program that encourage the child to develop potential, and also appreciation for American Heritage, and for the American democratic way of life.

The objectives are achieved through vocabulary study, reading of library books, grammar drill and its applications, and stresses application of spelling, reading of classics.

Films and recordings are also advantageous to appreciation of both American and English literature.

Senior Girl of Week:

Anita Cameron

It's Anita Cameron in the spotlight! She is our Senior Girl of the Week.

ANITA, THE daughter of Mr. and Mrs. Al Cameron, has resided in Nazareth for seven years.

She was born March 18, 1951, in Big Spring, and has attended Dimmitt Schools since the seventh grade.

She has lived in Amarillo, Hereford, Plainview, Albuquerque and Los Alamos.

SOME OF Anita's favorites are: color, blue; song, "How Can I Be Sure?"; car, Jaguar; food, Italian; singer, Johnny Rivers; group, The Raiders; movie, "Barefoot in the Park"; teacher, Mr. Diehl, and class, Journalism.

Anita considers her most embarrassing moment as the times when Bobby Baker whistles at her; and she will certainly never forget her many unknown trips.

SHE PARTICIPATES in the following clubs: FHA, Pep Club, Journalism and Science Club.

Her main hobby is writing letters, and we can see why since she has over 20 pen pals. Dancing and boys are her favorite pastime, while her pet peeve is unfriendly boys.

When graduation finally comes along, she plans to study business and interior decorating. She doesn't know what college to attend but she's thinking about Tech.

Keep up the good work and good luck.

Editorial

Pride: Up to Us

By BETSY SIMPSON

This week, I want to continue and perhaps revise the editorial in week before last's Bobcat Tales. It has been pointed out to me that pride should be present before a school can have school spirit. I agree, but let me define pride first.

PRIDE IS self-respect or a sense of pleasure that comes from some act or possession. This means that, for example, if we win a ballgame, we are deriving a sense of pleasure and have attained a level of self-respect by defeating another school at a supervised sport. We can "hold our heads up," so to speak.

Although it is not easy when we lose, we must also retain this

pride, even if it is not as great as before. This is what makes a school flexible and able to go back for more "blood" at the next ballgame - they have a faith to go along with their pride in the football team.

WE'VE GOT A lot to be proud of in our school and it's not only in our athletic department. We've got a fine band and several outstanding clubs.

Pride takes in a big scope. We have no pride unless we, as a school want it. Fifteen people cannot have enough pride for over four hundred people. Each must do his part and do it well before any semblance of pride can be attained. Are you willing?

The Shadow

Freshman Boy Is Shadow's Victim

For a change of pace, this week the shadow is truly going to be a shadow.

I CHOSE my victim with care, and I trailed him everywhere. I found him one Thursday at school among the men of the freshmen class. He had a regular day it seemed, but maybe it was a bit tiring.

That night he was to attend a Teen Club meeting, but he didn't make it. I stayed home with him to do a few minor things such as nothing.

FRIDAY was a very busy day. We had to get up and go to school, but it was more exciting because we got to go to a ballgame that night. Well, it rained during the pep rally, and the football field was under a little water so the band couldn't march.

Our mighty freshman bass player decided to go downtown to kill a little time, but he must have been mixed up because he went downtown with a car full of girls. After the ball game, he went to the hootenanny with me. I thought that we would have a nice quiet rest after this, but he had to go with those girls again.

It was the same mess except Clayton was there too. I would have been so happy if the sun had been shining - you know how it is at night.

Finally, we went home and when we got there the Newmans were

visiting. No telling how late he stayed up, I was so tired I had to get some rest.

SATURDAY turned out to be another cold day, but clean-up doesn't wait so we weathered it together. I don't remember much more I was still cold and sleepy so I stayed in most of the time.

Sunday came and we went to church. I must have still been in shock from that wild Friday because I don't remember much else.

Of course the next day would have been Monday, and it is a well-known fact that Mondays just aren't such wonderful days.

School went as well as could be expected, and band practice was much the same except for some new drills for contest.

TUESDAY, THE last day of my duties. I followed my victim once more. It was school again and more of the same. Night was a bit more exciting as there was a Teen Club meeting. We went this time, and afterwards we went riding around with those girls again!

Before I knew what had happened my shadowing powers were gone and I returned to little ole me. Now, as if no one could guess my freshman was Rick Smith.

Thank you, Rick, for all the great times. And, to the rest of the school body I would like to say: Beware! You may be next.

MODERN AGRICULTURE

Fertilizer Use to Highlight Symposium; Nossaman to Speak

The latest information on fertilizer use and management will be presented at the Southern Great Plains Agronomy Symposium to be held at West Texas State University in Canyon next Thursday.

COUNTY Agricultural Agent Charles Hottel said discussions will be featured on the characteristics, handling and application of ammonia; nitrogen transformations in the soil; fertilization of wheat, grain sorghum, cotton, sugar beets and vegetables, and interrelationships of fertilizer use with production practices.

An outstanding slate of leading agronomic authorities will be on hand to present the program, Hottel said.

These include Leroy Donald and Ben Day, both with the Agricul-

tural Nitrogen Institute of Memphis, Tenn.; Dr. James Parr, soil microbiologist for the USDA Agricultural Research Service; Dr. Eugene Colemand and Dr. Kenneth Kilian, associate professor and assistant professor of agronomy, respectively, at Texas Tech; Dr. Charles Welch, soil chemist with the Texas Agricultural Extension Service; Dr. Norman Nossaman, chief agronomist of Western Ammonia Co. in Dimmitt.

ALSO, Dr. Ivan Miles, chief agronomist for Olin Chemical Co. of Little Rock, Ark.; Dr. Arthur Onken, assistant professor of soil and fertilizer at South Plains Research and Extension Center; Dr. Alex Pope, chief agronomist for Occidental Chemical Co., Houston; Paul Scott, agronomist for Holly Sugar Co., Hereford; Wes Fisher of Jordie Potato Co., Hereford; Dr. Robert Reed, professor of horticulture at Texas Tech; Dr. John Strauss, chief agronomist of Tuloma in Tulsa, Okla.; and Dr. R. L. Balsler of Gulf Oil Corp. in Kansas City, Mo.

Presiding at the various sessions of the symposium will be Don Margo, president of the Texas Fertilizer Association; Dr. Tom Longnecker, director of the High Plains Research Foundation; Dr. Bill Longstaff, president of the Texas Plant Food Educational Society; Dr. A. W. Young, head of the Department of Agronomy and Range Management at Texas Tech; and Billy C. Gunter, Extension District II agricultural agent.

REGISTRATION for the day-long conference will begin at 8 a.m., Hottel said. Advance registrations at \$5 each may be sent to the Agriculture Department, West Texas State University, Canyon.

Farmer Credit Still Going Up

Texas farmers and ranchers are continually using more agricultural credit, according to James Mallett, farm management specialist with the Texas Agricultural Extension Service. On Jan. 1, 1967, farmers and ranchers in the state had debts of over \$2,581,052,000.

REAL ESTATE loans accounted for about two-thirds of the total—\$1,705,427,000; and, non-real estate loans accounted for one-third or \$875,625,000, Mallett said.

Non-real estate loans increased four percent during 1966, and 58 percent over the past five years. Real estate loans increased eight percent last year and 75 percent over the past five years.

Commercial banks held 70 percent or about \$617,434,000 of the non-real estate farm and ranch loans on last Jan. 1. Individual lenders were highest in real estate loans with \$391 million, followed by life insurance companies with \$361 million, federal land banks with \$342 million, commercial banks with \$126 million and the Farmers Home Administration with \$15½ million.

NON-REAL estate loans were used by farmers and ranchers for operating expenses, living costs and intermediate-type investments such as machinery, livestock, and property improvements requiring longer than a one-year repayment program. Real estate loans were used primarily for farm purchases, or additional land, however, some were used for items listed under non-real estate loans and for refinancing existing debts. Mallett says, reasons for the increased agricultural credit include higher costs of production items, higher land prices, and increased farm sizes. The index of prices paid by Texas farmers for production inputs increased from 255 in 1954, to 266 in 1959 and to 270 in 1964, the last three census years. For these same periods, average land prices increased from \$60.54 per acre to \$81.11 per acre to \$114.20 per acre. The average farm size in Texas increased from 497.7 acres in 1954 to 690.9 acres in 1964—a 38.8 percent increase in ten years.

Agriculture in Texas is big business, stated Mallett, and the move toward larger more efficient commercial farms continues at a fast pace.

THE QUIET HOURS

There is usually more than one way of observing things, and sometimes the views are directly the opposite of each other.

MY SON and I have a small ranch in the northeast corner of New Mexico. My wife and I enjoy going up there to stay two or three days at a time. In fact, we do this several times a year.

This place is at the end of the road. If I may use the expression, "You do not go anywhere from here." You have to turn around and go back three miles before you can go on any other road.

A few days ago we were up there and one morning I awoke early and could not go back to sleep. I started thinking, "My goodness, there's no one but my wife and I here. It is three miles to the nearest neighbor. It is 16 miles to a telephone. It is 40 miles to a doctor."

Everything was so quiet, I could not hear a car, no trucks going noisily by, no mills grinding, no electric motors purring. It was just too quiet. I got up and started outside.

I OPENED the door and there was the most beautiful moon I had ever seen. It simply lighted the whole horizon. There was a nice cool breeze blowing from the north, blowing just hard enough to make a small rustle of the pretty fruit trees. The windmill was turning slowly. A cricket was singing a soft lullaby. Off a short distance, I heard a coyote anxiously calling its mate.

I knew that a short distance away there were cattle peacefully grazing in the tall, green grass. And a buck antelope off a ways with his head held high, looking at the cattle.

Further down, you could hear the murmur of the leisurely flowing creek and just enough wind to hear the movement of the leaves on the cottonwood trees.

As I stood there I thanked the good Lord for the privilege of being out here in HIS beautiful, peaceful, quiet, wonderful world.

—WES

Stay on Alert

For Screwworm

Throughout Texas, livestock producers should continue to check their stock closely, treat all wounds, and collect and send any worm samples to the Mission Lab for positive identification.

NEW CASES of screwworms are intensifying in the overwintering area, and if not stopped, will mean additional problems next year, says Dolph Briscoe, Jr., president, Southwest Animal Health Research Foundation.

CARD OF THANKS

We want to say "Thank you" to all our friends and neighbors who brought food and thoughtful words in our time of sorrow. A special thanks to my Sunday School class, Mr. and Mrs. E. G. Underwood and Family

CARD OF THANKS
We wish it were possible to personally thank each of you for your prayers, cards, calls, flowers, visits and food during Pappy's illness since September. But we find it to be impossible to do, so we say, "May God richly bless and keep you."
MYRT AND PAPPY LOMAN
Hart

The skunk's defensive system protects him from just about every other wild creature except the great horned owl—who apparently has no olfactory sense and couldn't care less if his dinner has the worst smell on earth. —Sports Afired

Legion Wives to Send Boxes to Servicemen

By Mrs. Florence Albracht... The American Legion Auxiliary is preparing to send Christmas boxes to all the men in service, and is asking anyone having a loved one in the service anywhere to please call Mrs. Francis Wilhelm or Mrs. James Wilhelm and give them the complete address. This information is needed by Oct. 23 so the boxes can be sent overseas in time.

Mrs. Pete Gerber of El Reno, Okla., visited Mrs. Lizzie Gerber and children over the weekend.

LOTS OF Nazareth parishioners were seen at Hart Sunday enjoying the dinner sponsored by St. John's Church.

The Nazareth Swift Band went to Amarillo Sunday to hear the US Air Force Band concert.

Lots of Aggie and Tech fans went to Lubbock Saturday night to see the Tech-A&M game. Marvin Hoelting, Donald Braddock and Douglas Wilhelm and four of their buddies from A&M came to see the game and spend Saturday at home.

KEVIN WILHELM and his friend, Tom Bonfield of Borger, both seminarians of St. Lucien's at Amarillo, spent Saturday and Sunday with the Wilhelms.

Mr. and Mrs. Leroy Hoelting and daughters of Amarillo spent Saturday and Sunday visiting the Greg Hoeltings and Leonard Conrads and took in the football game at Texas Tech. Leroy is an ex-student of A&M.

Mr. Frank Hoelting spent a couple of days in Plains Memorial Hospital in Dimmitt for tests and X-rays.

Mr. and Mrs. Mike Huseman of Omaha, Neb., were here visiting and seeing about property they own here.

Mr. and Mrs. Roger Shilling of Dimmitt are the proud parents of a baby girl. Grandparents are Mr. and Mrs. Ed Hoelting and Mr. and Mrs. Walter Shilling.

Chairmen Named For Price Dinner

Officials of the Potter-Randall County Republican Party this week announced the appointment of a chairman and co-chairman to handle details for a Nov. 17 fund-raising dinner honoring Congressman Bob Price ofampa.

CHAIRMAN of the event will be H. R. Budke, retired vice-president of Pioneer Natural Gas Co. Co-chairman is Mrs. Ed Selemann of Amarillo, active GOP member and civic worker.

Congressman Gerald Ford of Michigan, House Republican floor leader, will be the main speaker for the dinner, which will be held in Amarillo's Holiday Inn West.

THE DINNER will honor Congressman Price on the completion of his first year as the representative of Texas 18th District.

State Offers Free Hunt Sites

Hunters who wish to request an application for a free public hunt on one of seven wildlife management areas of the Texas Parks and Wildlife Department should submit their requests now, said Robert G. Mauermann, deputy director.

REQUESTS FOR applications should include the name, complete address, and zip code. When requests are received, the department will send an application card to the person making the request.

Completed application forms must be received by the department no later than 5 p.m. Oct. 23. Applications will be placed in a "squirrel cage" and a drawing of lucky applicants will be held Oct. 26.

AREAS WHERE deer may be taken this year are Cherokee Unit of the Angeline management area in Cherokee County; Alabama Creek Unit, Angeline management area, southwest of Lufkin in the southeast corner of Davy Crockett National Forest; Engling wildlife management area, northwest of Palestine; Black Gap wildlife management area south of Marathon in Brewster County; Seirra Diabie wildlife management area, northwest of Van Horn; Gene Howe wildlife management area east of Canadian; and Kerr wildlife management area west of Kerrville.

Deer permit holders for the Black Gap area may also take one javelina each. One turkey, of either sex, may be taken by deer permit holders in the Gene Howe area.

Department officials say the purpose of the units is part of the wildlife research programs as well as to remove surplus game species from the areas.

LAST YEAR a total of 17,345 requests were processed by the Department, and 2,834 names were drawn and issued permits. Only 2,303 of those drawing permits showed up for the hunt and killed a total of 931 deer.

Requests should be submitted to: Public Hunts, Texas Parks and Wildlife Department, John H. Reagan Building, Austin, Texas 78701.

Northhedge News

Mrs. John Crum spent Sunday with Mr. and Mrs. Scott Crum. Their granddaughter, Della, was visiting from Portales, N.M.

Inez McDaniel had a slumber party at Mr. and Mrs. Nelson McDaniel's home Friday night.

Mrs. Robert McDaniel attended Mrs. G. L. Willis' 90th birthday party Sunday afternoon.

Women

By EUPHIA MAE GRIFFIN
At 3 o'clock Sunday all VFW and Auxiliary members, and their spouses will meet at the post home for a joint business meeting to discuss enlarging the building. Refreshments will be served.

We encourage all to be present. Ladies, if you want to bring cold cuts, we'll have a buffet snack.

THE LADIES Auxiliary held its monthly meeting last week in the post home. A report on the joint visit to the Amarillo VA Hospital with Hereford was given by Thelma Smith.

Another visit is planned for Friday night.

We will send our contributions to the disaster areas and meeting our honor roll requirements before the November meeting. We've collected our 10 percent membership by October, so our president will receive her charm.

Next meeting will be Nov. 13 at 8 p.m.

ALL WHO ARE interested in attending the party at the VA Hospital in Amarillo Friday night, please contact Post Commander R. V. McMahon or Auxiliary President Hazel Calhoun, or any member of the hospital committee — Euphia Mae Griffin, Hazel Britt, Florine Leinen, Ned Smith or Reece Keesler.

We don't know how lucky

Donald V. Jensen

DHS Students To Hear Program On Atomic Energy

Atomic energy and its uses will be demonstrated at Dimmitt High School Friday.

"THIS ATOMIC World," a demonstration lecture designed by the Atomic Energy Commission, will acquaint Dimmitt students with basic principles of nuclear energy, its sources and role in industry, agriculture and medicine.

The 40-minute assembly program, to be conducted by Donald V. Jensen, is sponsored by Texas A&M and Oak Ridge Associated Universities.

Using student terms, Jensen will describe structure of atoms, radiation, reactors and fusion. Special equipment will show radiation sources, how nuclear energy is harnessed for electrical power, diagnosis and treatment of diseases and life process studies using radioisotopes.

IN A blackboard talk to Dimmitt High science classes, he will discuss in more detail atomic structure, radioactivity, radiation biology and nuclear science careers.

Jensen is a Youngstown University graduate, holds a master's degree from A&M and trained in the Oak Ridge, Tenn., Institute of Nuclear Studies.

By MYRTLE SHEFFY Mrs. G. L. Willis Sr. was honored at an open house in her home, Sunday, on her 90th birthday. Her children, Allie Mae Willis, G. L. and Ouida, Irene and Leland Lee, Anita and C. W. Morris greeted the many friends from all around who came.

THIS HAS been one of the annual parties for a long time. The house was full of pretty flower arrangements from friends. The serving table was covered with violet net over satin, and a tall three-tiered flower arrangement of purple and pink mums graced the table. It was a most beautiful table.

Serving the cake and coffee were her granddaughters, Shari Willis Bradley and Jan Willis (while I was there). Other granddaughters helping were Carolyn Copeland at the guest book, Nancy Upton, Kay Willis and the boys, Jerry and Larry Morris and the Copeland twins, Charles and George.

Assisting with hostess duties were Mrs. Jack Gregory, Mrs. Godwin Miller, Mrs. Ray Riley, Mrs. Glen Ratcliff and Mrs. P. L. Cunningham.

AND everyone went on to the community room at the bank for the tea for Don Newman, former hospital manager, who will leave next week for Vietnam, his wife Colleen and Mr. and Mrs. Jerry Cockreham (he is the new manager) and Jodie Menick, the new business manager.

Mrs. Swain Burkett greeted the guests.

Serving coffee and cookies were Mrs. Dennis Blackburn, Mrs. David Bechtol and Mrs. Charles Armstrong. The Hospital Auxiliary members were hostesses.

Frances King and Jodie Lippard were washing dishes for the tea. They said, "Don't call us, we'll call you!"

And say! Have you seen Sue Miller's haircut? She says it did not cost \$5000, as did Mia Farrow's haircut. Quite becoming on Sue.

WE HAVE just heard of the serious heart attack John Koontz had last week. John is the husband of Jane Kirkpatrick; they live

at Golf, Ill., near Chicago. Mr. and Mrs. W. E. Kirkpatrick are with them.

FRANKIE AND HOMER Norwood, who live on a ranch near Santa Rosa, N.M., were here for the Willis party and they visited her brother, James Burnham and Mildred and his aunt, Mrs. Lollie Alexander.

And the Roy Smiths from Plainview, Mary Jones of Hale Center and Milt Hardy of Hereford were greeting longtime friends at the parties.

WHY DON'T you ladies go over to Virginia Gilbreath's Wednesday to attend a workshop for the Hospital Auxiliary?

IT'S A BOY for Eudora and C. O. Craft of Lubbock. He arrived Saturday and is the grandson of Willie and Ethel Gipson. They tell us that Neva Gipsen of Ruidoso is working at High Plains Clinic, while Mrs. Jimmy Buckley is attending the wedding of her son, Larry. Neva and Wayne own an automatic laundry at Ruidoso.

Judge Raymond Wilson and wife Margaret attended the Judges' and Commissioners meeting in Dallas last week.

ANOTHER party, getting together to hear the Tjuana Brass in Lubbock, were the Truman Touchstones, the James Hortons, the Troy Staffords, the Bob Anthonys, and the John Ethridges of Amarillo, who were here this weekend for a visit with Mitzie's mother, Ruth Wilson, and brother, Ed and family.

MRS. CARL LEE KEMP, better known as Boo, was the honoree at a get-acquainted coffee Saturday morning in the home of Mrs. Jackie Clark, with Mrs. Robert Benton and Mrs. Jimmy Presley assisting with the hostess duties. Each guest brought her favorite recipes to go into a nice file box as the gift from Pat Braafladt, Kay Kellar, Wynema Adams, Mary Lou Smithson, Mary Bechtol, Carie Warren, Ann Barnes, Bobbie Brugel, Sue DeVaney and Gene McDaniell.

ROBERT AND Martie Benton are going to Homecoming at Southwestern University in Georgetown this week. Martie went to school there for two years, then went to Tech for a degree and to meet Robert.

FRIDAY EVENING, Mr. and Mrs. Roy Stafford and Mr. and Mrs. Charlie Hestand took their

mother, Mrs. Houtchens, to Clovis to the home of a granddaughter, Mrs. Gary Bailey, for a party to celebrate Mrs. Houtchens' 73rd birthday.

They enjoyed a nice dinner, ice cream and cake. The cake was in the shape of a pillbox hat, with a spray of roses on it.

Attending the party were Mr. and Mrs. Percy Merritt, Joey, Sam and Butch, Mrs. Marvin Boyd, Mr. and Mrs. Gary Bailey and the Hestands and Staffords.

Those out of town who phoned to wish her a happy birthday were her two sons, Doyle of Arkansas and Charles of Alaska, her sister in California and a granddaughter in Maryland. Many other friends and grandchildren sent cards.

JEANINE WIMBERLEY and Frances Irbeck attended a school of hair styling and color at Holiday Inn West in Amarillo Sunday. And Jeanine and Nelda Thomas went up to hear the organ concert at Amarillo College and the final auditions for the Amarillo Symphony Chorus in the Music building. The chorus will perform epic scenes from Mussorki's "Boris Gudonor," and will perform with the Amarillo Symphony and soloist Spiro Malas, who will be in concert Dec. 19.

Reba and Jay Lee Touchstone went to Dallas over the weekend to visit Reba's son and daughter-in-law, who are expecting a baby any moment or day. They planned to see the play, "Mame," also while there.

Rev. Weldon McCormick is assisting with a revival service at the Methodist Church in Floydada this week. He can sing as well as preach.

SATURDAY evening the wedding of Kathy Huckabay and Larry Blakeman took place at the First Methodist Church. Mr. and Mrs. Harris (she's an aunt) were here for the wedding and visiting her brother, Floyd and Willis Reynolds and Mrs. Umberson. Several of the Newton family were here also from Lubbock and Earth. And Annie Reynolds McCoy was organist. I met her husband; he says he is the Real McCoy. They live in Lubbock now, but will move very soon to Brownwood. Annie was pianist for years for the Lions Club and Methodist Church.

Mrs. Cletha George has been visiting her sisters and friends at Bonham and Wainwright for a few days.

Oleta and Noel Gollehon went down to Dallas, stayed at the Adolphus and went out to the big state fair. They saw the play "Mame," starring Celeste Holme. A good show they say. They had Rural Electric Cooperative business to attend to also.

Mrs. P. L. Cunningham was hostess to a group of friends Thursday afternoon with bridge and a salad party. Winning high score was Ann Singer, and runners-up were Kate Beecher and Bettye Huckabay. Other guests were Opal Bearden, Kay Fenneran, Merle Smiley, Mary Frances McGaughy, Myrtle Sheffy, Margaret Boren, Vaudine Giles, Ruth Wilson and Beulah Wright — who left the party early to go with a group to an Eastern Star Lodge meeting at Olton.

KATY GRAHAM entertained a few friends at their country place with bridge and many good things to eat — cake, salads, coffee and stuff. Guests were Shirley Wise, Courtenay Armstrong, Ruth Jackson, Barbara Quinby, Jo Eddy Riley, Carolyn Jones, Nancy Ross and Jan Flemming. Dorothy Gilbreath, another member of the club went to Tulla to attend a shower for a friend.

The Jack Cowsets, the Clarence Beards and their daughter Kay and her children, Scott and Patrice, went to Lubbock Thursday evening to hear the Ti-

juana Brass.

Mrs. Fred Bruegel Sr., Mrs. Carl Bruegel and Mrs. James Buckley went to Bangor, Maine, to attend the wedding of Larry Buckley to the Eastman girl. She belongs to the "Kodak" Eastman family. They came home by Chicago to visit Fred's brother, Carl.

Mrs. P. L. Cunningham and I attended the flower show and tour of fine new homes in Here-

ford Friday. We saw many people we knew, including Mrs. Homer Newton, Mrs. Ray Cowser, Mrs. Leo Witoski, Mrs. Charles Vandiver, Mrs. Joe Ben-sca, Mrs. J. C. Gilbreath and many others.

SATURDAY I went to Tulla to the Flower Show and saw my sister, Mrs. Roland Moore and friends there. I visited with Lelia Petty, who was the demonstration agent here 24 years ago, then I went on to Canyon to see my 18th grandchild, Carla Sheffy, who was born Saturday morning to Karen and Don Sheffy. The other grandmother, Pelly Bell, is visiting them for a few days. Lennie Bell is uncle on that side of the family.

MRS. G. L. WILLIS SR.
... Observes 90th birthday Sunday

Huckabay-Blakeman Vows Are Recited

Double ring vows united in marriage Miss Kathryn Ann Blakeman at 8 p.m. Saturday in the First Methodist Church. The Rev. H. Weldon McCormick, minister, officiated.

PARENTS of the bride are Mr. and Mrs. Robert C. Huckabay of Dimmitt and the bridegroom is the son of Russell L. Blakeman of Chandler, Ariz., and Mrs. Pete Upton of Lubbock.

Given in marriage by her father, the bride wore an empire gown of ivory satin with wrist-length sleeves of ivory lace. Ivory lace trimmed the mantilla of ivory illusion. She carried a bouquet of

ivory gladioli and champagne carnations.

Patsy Beseda of Morton was maid of honor and Lissa Huckabay was junior bridesmaid. They wore princess gowns of hammered back satin with cap sleeves. The maid of honor wore a gown of fern green, and the bridesmaid's gown was Florentine gold. They carried nosegays of champagne carnations accented with leather leaf.

BEST MAN was William R. Stewart of Lubbock, and groomsmen were Jim Hendrix of Lubbock. Guests were seated by Ronald N. Huckabay, Jay Towe of Silverton, Rennie Prather of Dimmitt, and David Tate of Lubbock.

Organist was Mrs. Odie McCoy of Lubbock, great-aunt of the bride; and soloist was Mrs. Deryl Rankin of Amarillo.

Following the ceremony, a reception was given in the Lamar Fellowship Hall. The couple will reside at 2417 22nd Place, Lubbock.

THE BRIDE is a 1965 graduate of Dimmitt High School and is a senior, art education major at Texas Tech. The bridegroom is a 1961 graduate of Frenship High School and attended Tech. He is employed in Hurlwood.

MRS. LARRY LAINE BLAKEMAN
... The former Kathryn Ann Huckabay

Garden Club Will Landscape Clubhouse Area

The project committee of the Dimmitt Garden Club plans to landscape the clubhouse, pool and parking areas of the new Castro County Recreation Center.

LONG RANGE plans are also being made for the planting of trees, shrubs and ground cover at the center. Other plans include an area designated as a memorial to past Garden Club presidents.

Serving on the project committee are Mrs. Ray Riley, chairman, Miss Allie Mae Willis and Mrs. Charles Vandiver.

Librarian Goes To Area Workshop

Mrs. Don Robb of the Castro County Public Library attended an all-day workshop on story telling Oct. 7 at the Mary E. Bivins Memorial Library in Amarillo.

REGISTRATION totaled 50 librarians, assistants in libraries, public school teachers and church school teachers, representing 11 communities.

Virginia Miller of Lubbock, director of Project IMPACT, was in charge of the workshop.

Private Teachers Attend Workshop

Three kindergarten teachers from Dimmitt and two from Hart attended a Golden Kindergarten Association workshop at Amarillo's First Christian Church Saturday.

THEY WERE: Mrs. Beth Jones and Mrs. Marilyn Carver of Lollipop School in Dimmitt, Mrs. Joyce Hunter of Dimmitt's Lucky U Kindergarten, and Mrs. J. V. Westcott and Mrs. Fred Brown of Hart's Kiddie Kollege.

Workshop instructor was Professor Hobb of West Texas State University, who spoke on preschool art work, and Mrs. Jack Price of Lubbock Christian College Kindergarten, who spoke on number concepts and other preschool subjects.

More than 100 teachers from throughout the Panhandle attended.

224 Attend Party For Mrs. Willis

At an open house Sunday afternoon at the home of Mrs. G. L. Willis Sr., 224 persons registered and wished Mrs. Willis a happy 90th birthday.

HOSTS FOR the event were Mr. and Mrs. C. L. Morris, Mr. and Mrs. G. L. Willis Jr., Mr. and Mrs. L. C. Lee and Miss Allie Mae Willis.

Also assisting were Mrs. Willis' grandchildren, Jerry, Larry and Jean Morris, Jan and Kay Willis, Shari Bradley, Carolyn Copeland and Nancy Upton.

The serving table was covered with violet net over lavender taffeta. A tiered crystal and silver compote of asters centered the table.

MEMBERS of the Dimmitt Garden Club made many flower arrangements for the party.

House party members were Mrs. Goodwin Miller, Mrs. Ray Riley, Mrs. Posey Cunningham and Mrs. Glenn Ratcliff.

Out of town relatives attending included Mr. and Mrs. Julian Willis and Mrs. Chloe Box of Snyder, Okla.; Mr. and Mrs. Boyd Davis of Hobart, Okla.; Mr. and Mrs. Kenneth Thomas, Joe and Penny, and Mrs. Agnes Troyer of Clinton, Okla.

Coffee Honors Mrs. C. L. Kemp

Mrs. H. J. Clark, Mrs. Jimmy Presley and Mrs. Robert Benton were hostesses Saturday morning at a get-acquainted coffee honoring Mrs. Carl Lee Kemp.

THE COFFEE was in Mrs. Clark's home, 701 Maple St.

Honorees also included Mrs. Kemp's mother, Mrs. Herman Pipkin of Amarillo, and her mother-in-law, Mrs. Carl Kemp of Dimmitt.

Guests brought their favorite recipes, and the newlywed Mrs. Kemp was presented with a recipe book containing them.

A COLOR theme of blue and white was carried out in corsages, table decor and flowers. Refreshments of sweet rolls and breads, coffee and cakes were served.

Pink Lady Party Line

By JANE BLACKBURN
Plains Memorial Hospital Auxiliary held its regular meeting Wednesday of last week at 10 a.m. with President Katy Burkett conducting the meeting.

Virginia Gilbreath announced that a workshop will be held at her home Friday. Every member is to bring a craft idea to work on. We will eat in town.

NANCY ROSS made arrangements for a rummage sale to be held Saturday. Please bring your rummage to her home at 1005 Oak St. or call her at 647-2464 by Friday and she will collect your things.

Members, do not forget the workshop and the rummage sale.

IT WAS with deep regret that we learned that Don Newman was leaving the post of hospital administrator. At the close of the meeting, Mr. Newman gave Auxiliary members a final boost of encouragement for their support to Plains Memorial Hospital and its staff.

Bill Would Put Foreign Yarns On Import Quota

Congressman Bob Price last week introduced a bill to bring foreign produced cotton yarn under the raw cotton import quota. **THE BILL** also proposes effective negotiations with other nations on limitations for foreign textiles imported into the United States.

"The American market is being swamped with cheaply produced foreign textiles," Price said. "American cotton producers have been forced to cut back production under the present farm program and the jobs of thousands

of US workers are threatened with this flood of cotton materials from abroad," the Panhandle Congressman continued.

"**THE PRESENT** quota on raw cotton amounts to 32,000 bales a year but cotton imported in the form of yarn has reached the staggering total of 200,000 cotton bales equivalent," Price said.

"The Congressman said that under this bill, yarn would be classified as raw cotton subject to the overall raw cotton import quota of 32,000 bales.

Sen. Ralph Yarborough

Government Maps Plans Of Aid to South Texas

By Sen Ralph Yarborough (D-Texas)

Dear Fellow Texans: This week let us assess the damage from Hurricane Beulah and discuss what the people of Texas can expect in terms of help from the federal government as we rebuild.

ACCORDING to the latest figures from the Red Cross, Hurricane Beulah claimed 18 lives in South Texas, and brought injury or illness to nearly 9,000 others. Some 240 persons are still hospitalized, 542 homes have been wiped out, and 2,681 other homes heavily damaged. The latest statistics show that more than 23,000 homes had some damage, that 198 houses

trailers were demolished and another 477 battered about and damaged.

Nearly 2,000 farm buildings were heavily damaged or destroyed, 110 boats wrecked, and 519 small businesses destroyed by the winds and flood waters that gave Beulah her strength. Tomato and pepper crops were ruined, much of the valuable Valley citrus crop lies on the ground rotting, and much livestock was drowned. Topsoil was washed away by the ton.

A million Texans felt the blow of Beulah, the worst hurricane to hit our state in generations. It caused at least a billion dollars in property losses, four times as great as the damage caused by Hurricane Carla in Texas during 1961.

ON SEPT. 28, eight days after the hurricane hit Cameron County, President Johnson declared 24 South Texas counties emergency disaster areas eligible for special federal disaster relief. These are some of the federal agencies authorized to come forth with help for South Texas:

The Small Business Administration is granting direct loans to individuals and to businesses which suffered business losses, long-term loans payable over up to 30 years at a low interest rate of only 3 percent. The SBA is also authorized to make these loans for up to 100 percent of the damage repair estimates, in many cases.

The Office of Emergency Planning brought in equipment and manpower to work closely with state and local officials, rebuilding public facilities and controlling health problems. Army engineers are helping to put our roads and bridges back into usable condition. With the declaration of emergency from the President, the OEP is authorized to reimburse cities and counties for much of their repair work.

The Federal Housing Administration is insuring mortgages of up to \$12,000 and for as much as 100 percent of the appraised value of homes which were damaged and need repairs.

The Internal Revenue Service can give special tax credits to per-

Retirement Plan Tax Deductible Under Keogh Bill

In 1962 the government passed its long-discussed Keogh Bill, allowing professional men, farmers and individual self-employed persons a tax deduction on a retirement plan for themselves.

IN NOVEMBER 1966 the President signed into law an amendment which will double the tax reduction available to self-employed persons. This tax deduction is only one of several advantages when you establish a Keogh Pension Plan, according to insurance and retirement specialists.

For the tax year 1967, you come under a formula. You may take 30 percent of your earned income as personal services. You then take 10 percent of that 30 percent, and half of this is deductible. However, in 1968 you may deduct 10 percent of your earned income up to \$2,500. This is 100 percent tax deductible.

If you have other employees, you must include them. However, you may exclude employees with less than three year's service, and those who are seasonal or parttime workers regardless of their years of service. If you have no eligible employees, a retirement plan nevertheless may be established in your own behalf.

ANOTHER significant tax advantage is allowed to you if you establish a qualified retirement plan. The earnings realized on funds contributed to a retirement plan which includes a self-employed individual accumulate on a tax-free basis. This is regardless of the method of funding.

You may take your benefits no earlier than age 59½, and you must take them no later than 70½. This gives you the advantage of a tax deduction to age 70½ if you remain active in farming until that age.

The Keogh Act was passed to give you a tax assist in planning for your retirement. And the 1966 amendment to the act makes it even more attractive from a tax savings standpoint.

Vandivers Take Hawaiian Tour

Mr. and Mrs. Cecil Vandiver and Cecilia are due to return by plane from Hawaii Friday after a one-week vacation there.

THE TRIP represents two vacations, courtesy of the Delco-Remy Division. Mr. and Mrs. Vandiver, as owners of Dimmitt Parts & Supply Co., won their vacation when their firm exceeded its sales quota of Delco-Remy products.

And Cecilia, 16, won her trip, separately with an advertising campaign for Dimmitt Parts & Supply, featuring Delco-Remy products. Her advertisements appeared in the Castro County News.

HART NEWS

Hart Scouts Hold Court of Honor

By WANDA MILLER
Boy Scout Troop 246 held a Court of Honor ceremony in the community room Monday evening to recognize Boy Scouts for their achievements.

Families of the Scouts were welcomed by Deryl Clevenger, Scoutmaster, after which each patrol presented a skit.

Tony Miller and Ike Graves conducted a Tenderfoot investiture ceremony to induct four new Scouts into the Troop. These boys were Thomas Cunningham, Sonny Mancias, Cecil Jackson and Bobby Joe Clark.

Second Class badges were presented to Bill Bates, Jim Tucker and Theron Hawkins. First class recognition went to Kim Dyer, Craig Harlan and Jerry McAdams.

Duane Clevenger and David Warren achieved Star Rank. Receiving one-year service stars were Craig Harlan, Teddy Gutierrez and Roy Gonzales.

The following boys received merit badges: Jim Tucker, archery; James Warren, camping;

Kim Dyer, archery; Theron Hawkins, pioneering; Dirk Rambo, archery and motor boating; Duane Clevenger, first aid, pioneering and camping; Ike Graves, motor boating and wildlife management; Craig Harlan, camping, cooking, and pioneering; David Warren, archery and camping; Jerry McAdams, fishing and camping; David Hawkins, nature and wildlife management.

New officers of each patrol received their badges of office. Cokes and doughnuts were then enjoyed by the 44 Scouts and parents.

★ **REV. FRED BROWN**, pastor of the First Methodist Church in Hart attended the annual fall Wils'n Lectures at McMurry College at Abilene. These lectures are sponsored by J. M. Williams of Floydada. A pastors' school was held in conjunction with the lectures. Speaker for the lectures was Dr. Dew Kirkpatrick of Evanston, Ill.

★ **FROM BUD STEIERT** of the Hart American Legion.

"Now is the time to organize a Get Out the Vote campaign for Veterans Day Nov. 11. Urge every member of your post to vote for the Veterans Land Amendment. Ask him to take his wife, his neighbors, his parents — even his mother-in-law — to the polls to vote. We must not let this amendment fail. If you are going deer hunting, be sure you vote absentee. Tell your neighbors to do the same. This is urgent. Get organized. Make an all-out effort. Remember, this bill extends to our Vietnam veterans the right to buy land. It also extends land

buying rights to cut-of-state veterans who have lived in Texas five or more years and are making Texas their home."

★ **THE ZONE** meeting of American Legion was held at Hart last Thursday at 7:45. Supper was served by the ladies of the Legion Auxiliary. A supper of barbecue was served to five posts from this Tula, seven members; Dimmitt, two members; Happy, six members; Nazareth, eight members, and Hart, 11 members.

★ **CORRECTION** on the story last week of the truck camper for Dale West, missionary at Saltillo, Coah, Mexico:

The truck camper is not their only means of transportation. They also have a Chevrolet carry-all. However, he said, "This would be a tremendous help to us to go to the ranches for services, and vacation Bible school, or to take the children to outings."

★ These gifts will be tax deductible. He will send a receipt to use as income tax time.

★ **Hart School Lunch Menu**

Oct. 23 to 27
Monday — Baked ham, potato salad, pineapple slice with cottage cheese, hot rolls, plum cobbler, milk and butter.

Tuesday — Brown beans, chopped turnips and greens, whole kernel corn, onion slice, cornbread, prune cake, whipped topping.

Wednesday — Pepper beef squares, catsup, sweet potatoes with pineapple, cabbage relish salad, hot rolls, spiced apples, with whipped topping, milk and butter.

Thursday — Hamburgers, mustard, onion, pickle relish, French Fries, cheese slice, ice cream bar, milk and butter.

Friday — Fried fresh cod fillet, tartar sauce, Spanish style macaroni and tomatoes, green salad, pudding, milk and butter.

★ **BOOSTER CLUB** met Tuesday night in the school cafeteria with 25 members present.

Coach Don Ewing gave the report on the 18-12 victory over Hereford B team and discussed the Texline team that was the varsity's first district opponent.

Coach Rich gave a report on the B team's 42-8 victory over Anton B team, and reminded boosters that the Shortorns would play Silvertown B Saturday morning in Longhorn Stadium.

Coach Shaw reported on the Junior High team's 16-12 victory over Vega.

A film of the Hereford game was shown, as well as a film on "WTSU Highlights of the 66-67 season."

Cookies and coffee were served.

★ **HART F.H.A.** chapter met in the home ec room Oct. 11, with 99 percent attendance.

The junior class furnished the refreshments. The group chose for chapter mothers, Mrs. L. C. McClain, Mrs. Boots Rogers and Mrs. B. R. Bennett.

Iona Clevenger was named "Girl of the Month." She will receive a charm for her bracelet. She was also selected by the Hart chapter to represent the organization in the "Miss Cotton" contest in conjunction with the High Plains Cotton Festival Oct. 19.

The program was a film from Sears on fall fashions. Dixie Irons, Reba English and Aline Van Vliet gave talks on fall fashions.

The group discussed plans for a tasting tea and the idea of selling stationery.

★ **GIRL SCOUTS**, Brownie Troop 23 and Junior Troop 13, met Oct. 11 at the school where they were served refreshments by Mrs. Carson and Mrs. Harlan. They then boarded the Scout bus for a trip to the H&S Produce Co.

Harold Smith showed the girls through the processing plant, then they went to the potato field and Kenneth Covington showed the harvesting machine to them. Twenty-four girls and six leaders and guests attended.

The next meeting will be spent planning the Juliet Lowe tea on Oct. 24.

★ **THE ZEALOT Club** met in the bank community room last week. Arlene Dyer and Hazel McGill served refreshments of popcorn balls, chocolate chip cookies, and coffee with Halloween decorations.

The group made posters and distributed them to all parts of town about their rummage sale to be held Oct. 20 and 21 at Hart Cleaners.

Proceeds of the sale will be used for a college scholarship which the club gives each year to a Hart High School graduate, for toys and treats to children at Christmas, and to help the Girl Scouts. Persons wishing to donate items

for this sale may contact Mrs. Cecil Ray Jones, club president, or any Zealot Club member to collect the articles, or they may be left at Hart Cleaners.

★ **Suggested articles** are good used clothing, shoes, furniture, hand-made articles, hobby items, toys, dishes, lamps, pictures, household articles, games, or other items — You bring it, we'll sell it!

They discussed work shifts for the ladies, and having the Cadette Girl Scouts help with babysitting after school Friday and Saturday.

★ **MANDY ROGERS**, daughter of Mr. and Mrs. Boots Rogers of Hart was crowned Football Queen in an impressive ceremony Friday night at Longhorn Stadium.

She was crowned and presented a bouquet of red roses by Danny Rice and W. A. Hawkins, co-captains of the Longhorn team. Other candidates for football queen were Rebecca Futrell, daughter of Mr. and Mrs. Ralph Futrell; Sheila Gardenhire, daughter of Mr. and Mrs. W. A. Gardenhire; Linda Popejoy, daughter of Mr. and Mrs. Fred Popejoy; and Joan Duality, daughter of Mr. and Mrs. Nolan Dudley.

★ **HART HIGH School** held its annual bonfire last Thursday night at 7:30 on the east end of the track field. It was followed by the Homecoming football game the next night. The bonfire was highlighted by the crowning of the 1967-68 Bonfire King, W. A. Hawkins III. He was crowned by Linda Popejoy.

The next day high school students went to the bank parking lot and the street next to it and held the Homecoming pep rally. The football players, coaches and Weldon Bates were presented with signs that said: "Home of a fighting Longhorn."

★ **JOHN BAINSWORTH** family, former Hart residents living at Missin, had 1½ feet of flood water in their new home after Hurricane Beulah.

★ **MR. AND MRS. W. A. Hawkins** are great-grandparents to a baby girl born to Mr. and Mrs. Dennis Heiny of San Diego, Calif. Maternal grandparents are Mr. and Mrs. Sol Harris of San Diego. Paternal grandparents are Mr. and Mrs. D. K. Heiny of San Diego.

Mr. and Mrs. W. A. Hawkins Sr. returned home this week from Port Mansfield, and report their house there was not damaged very badly by Hurricane Beulah. During the storm they stayed at Falcon State Park.

THE CROWNING GLORY of Hart High School's 1967 Homecoming came with the Longhorns' 13-0 victory over Texline. Telling the world about it here are members of the junior class, who had custody of the victory bell Friday night because of win-

ning the school's "Spirit Stick" for the week. From left are Sandra Lacy, Reba English, Iona Clevenger and Cathy Sharp, who stayed at Longhorn Stadium and continued to ring the bell long after the game had ended.

Presenting The VERSATILE Everman 329
Longer, Heavier Stronger—Built To Sell at a LOWER COST

The main wheels of the EVERMAN-329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32' 4". Width 12'. Blade capacity 1½ cubic yards. Blade vertical travel 13". Weight 2010 pounds. Front V smoother blade for clod busting and use on heavy, dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Everman models to fit all standard farm tractors.

PANHANDLE COMPRESS & WAREHOUSE CO.
DIMMITT — HART

BONFIRE KING at Hart High School this year is W. A. Hawkins III, crowned at last Thursday night's Homecoming bonfire. Other candidates, from left, were Tommy Gonzales and Danny Rice. At right are cheerleaders Linda Popejoy and Rebecca

Futrell. Hundreds of HHS students attended the bonfire as a prelude to Friday night's Homecoming game against Texline, in which the Longhorns shut out the previously undefeated Tornados, 13-0.

HOMECOMING QUEEN of Hart High School is Mandy Rogers, a 17-year-old senior who is the daughter of Mr. and Mrs. B. H. Rogers. She was crowned before Friday night's Hart-Texline game at

Longhorn Stadium. The queen and her court, from left, are Joan Dudley, freshman; Rebecca Futrell, junior; Miss Rogers; Linda Popejoy, senior; and Sheila Gardenhire, a freshman.

First Baptist News

From My Heart to Yours

Some things ought never to be forgotten. One of these never-to-be-forgotten jewels is the fact that God loves you.

Mrs. Bennett Cerf told of an eight year old girl in a Pennsylvania orphanage who was painfully shy, unattractive, shunned by the other children and regarded as a problem by the teachers. The director and her assistants were seeking some pretext for getting rid of her. An ironclad rule stipulated that any communication with the outside world had to be approved by the director before it could be mailed.

One afternoon, the little girl had been observed stealing down to the main gate and carefully hiding a letter in the branches of a tree that overhung the wall of the asylum. The director and her assistant hurried to get the note out of the tree. The director pounced on it and tore open the envelope. Then, without a word, she passed the note to her assistant. It read, "To anybody who finds this: I love you."

Just so, Jesus was driven by the hostility of a loveless world outside the city wall. He hung on a tree as a message to any who might pass by. To those who spied Him there, it was God's way of saying, "To anybody who finds this: I love you."

Pick Pears for Treat

By IRENE KEATING
Home Demonstration Agent

It seems like winter is nearly here. If you haven't done so yet, you'll need to get out winter clothes.

BEFORE you put your summer clothes away there are a few things you'll want to do.

It is important that everything is clean. If hems may need letting out for a growing girl take them out before you wash the garment and store it without a hem. If clothes need to be mended. This keeps the old hem crease from becoming more creased. If clothes need to be mended, it'll save time later if you'll do mending before they're put away.

ONE OF these cool days, why don't you treat your family to pears as a dessert or with meat? Remember, too, that pears come in different grades. This is important to us in purchasing the right pears for our purpose. Grades DO NOT refer to pear quality since only quality pears are canned. Grade instead refers to shape of the pear.

Fancy grades have the most perfect shape and should be used in salads, desserts, and meat accompaniments requiring whole pear halves. Choice grades are less perfect and are best for combination dishes. The irregular shaped pears are the standard grades. Pears of this quality are for use in salads and desserts using sliced or diced fruit. Syrup is heavier for the better grades also.

PEAR SWEET POTATO BAKE
Use a large can (1 lb., 13 oz.) pear halves. Drain, reserving 1/4 cup syrup. Cut pear halves in lengthwise quarters. Cook and peel three pounds sweet potatoes (or use canned sweet potatoes). Slice potatoes in 3/8 inch thick slices. Arrange pears and sweet potatoes in a two quart buttered shallow baking dish. Cut 1/2 cup butter into 3 tablespoons flour and 1/2 cup brown sugar. Add 1/2 teaspoon salt, 1/4 teaspoon pepper, reserved 1/4 cup pear syrup and

1/2 cup chopped pecans, combining with a fork. Sprinkle mixture over potatoes and pears. Bake at 400 degrees for 30 minutes. Makes six to eight servings.

SPICED PEARS TO GO WITH MEAT

Drain a 1-lb., 13-oz. can pear halves, reserving syrup. Combine syrup with 1/4 cup wine vinegar, 1/4 teaspoon cinnamon, 1/4 teaspoon each of cloves and nutmeg, 3 tablespoons brown sugar, 1 tablespoon butter and 1/2 lemon, thinly sliced. Add to pear halves in saucepan. Simmer 1/2 hour or until hot. Serve hot with meats.

ORAGNE GLAZED PEARS WITH SPICY CREAM
Drain a 1-lb., 13-oz. can of pears, reserving 2 tablespoons syrup. Combine 2 teaspoons cornstarch with reserved syrup. Add to 1/2 cup orange juice and 1

tablespoon honey. Cook over medium heat until thickened. Pour over pears, which have been arranged in a shallow baking dish. Bake at 350 degrees for 15 to 20 minutes or until bubbly. Baste once or twice while baking. Serve warm with a topping made by combining 1 cup dairy sour cream, 1/4 teaspoon mace and 2 tablespoons powdered sugar. Makes five to six servings.

PEAR MINCE JUBILEE

Start with one lb. can pear halves. Drain, reserving 1 cup syrup. Cut pears into lengthwise slices. Combine reserved pear syrup with 1 cup mincemeat and 2 teaspoons grated lemon peel. Add to pear slices. Heat in skillet or chafing dish until hot. Spoon over ice cream. Makes 5 to 6 servings.

BAKE PEARS WITH PUMPKIN SPICE TOPPING

Combine 1/4 cup syrup drained from 1-lb., 13 oz. pear halves with 2 tablespoons lemon juice, 2 tablespoons brown sugar, and 1/4 teaspoon mace or nutmeg. Pour over pear halves, arranged in shallow baking pan. Bake 20 minutes at 350 degrees, or until hot. Baste once or twice during baking. Delicious served with whipped cream, sweetened and flavored with pumpkin pie spice.

Ag Technology Still Outpaces Market Demand

US agriculture remains a giant among American industries. It still has the capacity, says W. E. Black, Extension economist at Texas A&M University, to produce more than the commercial markets will absorb at prevailing prices, and continues to be the consumer's best friend.

THIS SO-CALLED excess capacity is primarily the result of technology and capital flowing into agriculture faster than the manpower and land they replace have been flowing out.

New technology in agriculture is increasing both yields per acre and output per unit of manpower at a much faster rate than increases in effective demand for farm products. The National Advisory Commission on Food and Fiber, in studying this question, concluded that the US has more cropland than it needs, and more manpower on farms than can earn a living comparable to nonfarm workers.

This excess manpower, and the excess crop acres, the commission concluded, are the heart of the U.S. agricultural adjustment problem. Black added that both technology and capital will continue to flow into agriculture. Today, the farmer is using more sophisticated machinery of all kinds, better seeds, herbicides, insecticides, antibiotics, and so on. We may well be poised on the threshold of even greater technological revolution, Black adds.

In addition to the fast pace of technology, capital continues to become cheaper in relation to labor and product prices. This is characteristic of affluent societies, and this, too, will continue. Farmers use the new technology and substitute capital for labor because they can cut production costs. Most of these savings are relayed on to consumers.

W. A. HAWKINS IS CORNERED BY TEXLINE TACKLERS ... But not before picking up a first down in third quarter

Horns Stun Tornadoes, Take District 3-B Lead

By JIM REED
The Hart Longhorns, combining their best offensive and defensive performance this year, blasted the previously unbeaten Texline Tornadoes Friday night to take a 1-0 record in district play.

The fired-up Longhorn defense, led by Tommy Gonzales, Harold Bob Bennett, Donnie Black and Andy Rodgers, humbled the Tornadoes' touted offensive machine and held the fabled Mike Field to only 14 yards for the entire game.

Joe Quiroz took the opening kickoff at the Longhorn 10 and threaded his way back to the 35 before going down. After his run-back the going got tougher and the Horns were able to pick up only 9 yards in three tries. Quincy Hawkins punted out to the Texline 32 to give the Tornadoes their first chance with the ball.

But the Tornadoes, with Mike Field trying twice and his brother Rusty once, found the going really rough as the visitors were able to pick up only a yard before being forced to punt. Mike Field's kick went out of bounds on the Longhorn 34 and W. A. Hawkins and crew went to work.

Gonzales and Danny Smith picked up a yard each before Hawkins rolled down to the Texline 47 for a first and 10. Smith blasted to the 37 in two tries for another first. Gonzales moved on the 34, then Quiroz raced around left end for 33 yards for a first down at the 1. Smith blasted across on first

down, W. A. Hawkins added the kick and the Horns were in the lead, 7-0.
Hawkins' kick carried to the 25 and Frank Chapman managed to get back to his 31 before going down. Rusty Field added seven yards, then Chapman broke loose and raced to the Hart 47. Chapman added another three on the next play before Mike Field and the ball, with the help of Black and Bennett, went in different directions. When the dust had settled, Bennett and Black were on field and Clifford Ray was on the ball, giving the Horns possession at the Hart 45.

The Horns moved to the Texline 30 before a fourth down pass to Black in the Texline end zone went wide and the Tornadoes took over.

Matters went from bad to worse for Texline as a fourth down kick from the 35 was blocked by Bennett, and David Harris recovered at the 25.

It seemed like a fine scoring chance for the Horns, but a 15-yard penalty to the 30 enabled the Tornadoes to stop the threat at the 17.

The Tornadoes were able to work out only to the 26 before going into punt formation again. This time Quincy Hawkins and Rodgers went blasting in to block the punt and Black recovered at the 18.

W. A. Hawkins moved to the 12 and Smith blasted to the 6 for a first and goal to go. Quiroz didn't waste any time as he picked up the final six yards and boosted the score to 13-0. Hawkins' kick was blocked.

The third period opened much as the second had ended, with both teams engaged in a defensive battle between the 20-yard lines. Then, midway in the third period, the Longhorns got a break as W. A. Hawkins intercepted a pass on the Hart 36. Smith picked up a first at the 48 in two tries for the Horns. Hawkins moved to the Texline 43 and Gonzales raced to the 30 for another first down. Smith got to the 26, Hawkins moved to the 21, and Smith picked up another first at the 20. But at this point the Tornadoes came to life and four plays later the Horns were forced to give up the ball at the Texline 22.

Again the game went into a defensive battle as the two teams fought up and down the field until the closing minutes of the last quarter. The Tornadoes made their deepest penetration of the night as they moved to the Hart 28, but that was the end of the line for Texline as W. A. Hawkins picked off a first down pass at the Hart 10 and raced back to the Texline 26 before going down. The Horns needed only five plays to move to the four, with Hawkins picking up almost all the yardage, before the final gun sounded to give the Longhorns a 13-0 upset victory.

W. A. Hawkins was the easy leader for the Horns on offense, with help from Gonzales and Smith. The same three led the Longhorns on defense, also, with a lot of help from Rodgers, Black, Bennett, Quiroz and Gary Rambo.

Cats Face Friona In Vital Contest

By SCOTT MORAN
Dimmitt's Bobcats will travel to Friona Friday night to meet the Chieftains in another stiff District 3-AA test.

MEANWHILE, Memphis will travel to Olton, Hale Center will go to Floydada and Lockney will visit Abernathy in other district games Friday night.

The Bobcats are tied with Olton for the loop lead, with a 3-0 conference record. Friona, Abernathy and Memphis follow close behind with 2-1 marks, while Floydada, Hale Center and Lockney have yet to win a district game, each nursing 0-3 records.

The Chieftains will be the Bobcats' biggest test in district play so far. They proudly boast a 5-1 season mark, with their only loss coming at the hands of undefeated Olton, 26-13.

CHIEFTAINS to watch Friday night include junior quarterback Johnny Barker, halfbacks Larry Graves and Tony Perea, guard Joe Molt and center Ricky Hurst. Kickoff time will be 7:30 p.m.

Easter News

... about dimmitt
(Continued From Page 1)
is beginning to butt into our business. We need all of the dry, warm weather we can get for the next few weeks. Cotton is making money for the county every day we can dodge a killing freeze or frost. This will continue until all of the bolls have matured, then a freeze would be welcomed.

I can remember as a boy, down in Bell County, we would start picking cotton the latter part of August or first of September and we would usually pick over the crop two or three times before we had a frost or freeze. It would seem like only a matter of hours after the first freeze until the cotton fields would be white again. Of course all of the late picking would be in the top of the stalks. We called it the top crop. Back then the farmers would say, "If we can get a late freeze we will have a good top crop." Doctors in our town claimed that doctor bills were paid out of the top crop, and that more often than not the top crop was cut short by an early freeze.

Cats Come From Behind To Down Lockney, 20-8

By SCOTT MORAN
The Dimmitt Bobcats came back in the last half to take a 20-8 conference win over the host Lockney Longhorns Friday night.

THE BOBCATS are now tied with the Olton Mustangs for the lead in District 3AA, with a 2-0 conference record.

The Longhorns struck hard in the first quarter as Halfback Tommy Ball tallied from the 2-yard line. The score was set up by a Dimmitt fumble at mid-field. A fake kick and pass from Robert Duckworth to Carlton Johnson was good for two extra points and with 4:46 remaining in the initial quarter, Lockney led, 8-0.

The Bobcats took the Longhorn kickoff and moved to the Lockney 13, where the ball went over on downs.

LOCKNEY punted, but got the ball right back on an interception on the Longhorn 45. Dimmitt, however, held on its own 32 to regain possession.

Two plays later, Roy Thomas scooted 66 yards for the Bobcats' first score. The extra point attempt for two failed, and the score read Lockney 8, Dimmitt 6.

With 2:22 remaining in the half, Lockney tried to tally again with a passing game. But senior line-backer Donald Johnson picked off a Longhorn pass and returned 43 yards to midfield.

Interceptions plagued both teams as Lockney snagged a Bobcat pass on the Longhorn 35 with three seconds remaining in the half.

DIMMITT 20, LOCKNEY 8

B-Cats Roll Over Kangaroos For Fifth Win in Row, 52-8

By SCOTT MORAN
Halfback Nelson Chavers led a savage attack of Dimmitt scoring as the Bobcat B Team upended the Kress Kangaroo B team, 52-8. CHAVERS scored four touchdowns on runs of 10, 15, and 16 yards, and on a 72 yard pass play from Jerry Brady.

Erady also chalked up a touchdown on a 30-yard pass from Lester Stidum, and a conversion pass from Bill Sanders.

Stidum scored on a 55-yard pass interception. Sanders scored on a one-yard touchdown plunge and added three conversion passes to Johnny Vick, Loy Wylie, Chavers and Randy Tally.

THE B TEAM has rolled up 230 points in six games for a 5-1 record so far. Hereford beat them 20-12 in their first game of

DIMMITT picked up 12 first downs to seven by the Longhorns. In the rushing department, the Bobcats led, 269 yards to 167 but Lockney led 58 to 40 through the air.
David Land picked up 96 yards on 21 carries for a 4.6 average.

Thomas had 89 yards in 10 carries, Danny Newton picked up 43 in eight carries, Hutton toted seven times for 27 yards, Coleman got eight on one attempt, and Hays picked up six yards on one try, discounting his nullified 25-yard run.

NEAR MISS — Hart's Danny Black finds he can't gather in this high pass at an angle and still evade the defensive tactics of Texline's Mike Field (24). Although Black made a valiant, jumping effort at the pass, it fell incomplete on the Texline 3-yard line. Later in the first period, though, the Longhorns made up the distance and scored their first TD in the District 3-B contest. Hart won, 13-0.
