

Subsidy takers draw fire

HELLO, SUMMER — Is there a better way to spend the first day of summer vacation? These two boys — caught in mid-air on opening day of the Castro County Country Club swimming pool Saturday — have suspended all studies and cares for the duration. The only thing they're worrying about is how cold the water is, and the only thing that they'll get "up in the air" about is diving.

Golfers to play 54-hole tourney

Golfers will tee off Friday in the Castro County Country Club's first annual Memorial Day Weekend Golf Tournament.

IT WILL BE the club's second tournament, and the first one conducted here by Bud Posey, new golf pro.

And it promises to be a big one. Both men and women will go 54 holes during the weekend in medalist play. They'll choose their own partners for Friday's 18-hole qualifying round, then will be paired in flights according to their Friday scores. Men's flights will be 10 players each, the size of the ladies' flights will be determined by the number of entries.

ENTRY FEE is \$5 per player, and the tourney is restricted to members of the club. Deadline for entering is 5 p.m. today (Thursday).

Merchandise prizes will be awarded to the first, second and third place finishers in each flight. Individual scores will be posted at the clubhouse during the tournament, and winners will be named Sunday evening when the golfers complete their third 18-hole round.

J. W. Wethington rites set today

Funeral mass will be recited at 10 a.m. today (Thursday) for James Thomas Wethington in the Holy Family Church in Nazareth.

MR. WETHINGTON, 49, died Monday in the Veterans Administration Hospital at Albuquerque. He had been ill for some time, partially due to a wound suffered during World War II.

Survivors include his wife, Thelma; four sons, James T., Gerbert, Bernard and Melvin; five daughters, Janeta, Elizabeth, Rescann, Delphine and Geri Lynn, all of the home; his mother, Mrs. Melvina Wethington of Farmington, N.M.; five sisters, Mrs. Clarence Birkenfeld of Nazareth, Mrs. Mildred Alderick, Mrs. Martina Gail Wous and Bernadine Wethington, all of Farmington, and Mrs. Roy Nichols of Waterflow, N.M.; and seven brothers, Emanuel Herman, Jim and Jack, all of Farmington, Bill of Kirkland, N.M., and Wendol and Ed of Waterflow.

Mr. Wethington was born in Waterflow, but had been a resident of Nazareth for over 20 years. Military graveside rites will be conducted by Nazareth American Legion Post 528. Burial will be in Holy Family Cemetery, under the direction of Dennis Funeral Home.

Last rites held for Irving King

Funeral services were held Friday afternoon for Irving King, 72, of Sunnyside, who died May 21 in Plains Memorial Hospital after suffering a massive stroke.

BORN JUNE 11, 1896, in Oxford, Ill., Mr. King was a retired farmer. He had been a resident of Sunnyside since 1956.

Last rites were conducted in Dimmitt's First Baptist Church at 3 p.m. Friday, with Rev. Mac Turner, pastor of the Sunnyside Baptist Church, officiating. Burial was in Castro Memorial Gardens, directed by Dennis Funeral Home.

Masonic graveside rites were conducted by Castro Lodge 879.

The choir of Sunnyside Baptist Church, of which Mr. King was a member, sang at the funeral service.

MR. KING is survived by his wife, Lillie; two sons, Francis of Amarillo and Billy of Hobbs, N.M.; a brother, Carl, of Vernon; two sisters, Mrs. William Hobgood of Amarillo and Mrs. Carl Mayberry of Abilene; seven grandchildren and two great grandchildren.

Palbearers were Philip Jones, Milburn Haydon, Emery Sadler, Weldon Bradley, Roy Pichlan and Lloyd Blanton.

HE WALKED AWAY — After walking away from this rollover Monday night on State 194, Coach Eugene Jennings of Belton crawls back into his car to retrieve his registration papers. Jennings, 24, was en route to his home town of Hereford for the summer when his 1968 Oldsmobile Cutlass ran off the highway five miles

If Congress were to put a \$20,000 ceiling on individual farm subsidy payments, it would lop \$1,716,758 per year from the amounts being paid to 76 Castro County farmers, according to a report by Congressman Paul Findley of Illinois.

CONGRESSMAN Findley, a Republican, wants the \$20,000 limit placed on what the Agricultural Stabilization and Conservation Service can pay to an individual farmer.

He released his report to back up his argument for the \$20,000 ceiling.

The congressman's report said

Agency's closing leaves ladies without a stitch

Lady, can you spare a sewing machine? **MRS. IRENE KEATING**, county home demonstration agent, needs to borrow at least four used sewing machines to continue a basic sewing course for local ladies.

The course, intended to teach ladies how to stretch their clothing dollars, was a joint project of the Extension Service and the Community Action Agency. The CAA had purchased five used machines for the course.

But when the CAA office was ordered closed last week, the course lost its sewing machines — they were picked up and shipped to San Saba.

"**THIS HAS** been a really worthwhile program, and we have more ladies interested in taking the course, but we don't have any sewing machines to use," Mrs. Keating said.

Twelve ladies in the first class completed the basic course last week, and many of them want to go into an advanced course, Mrs. Keating said. Also, many other ladies are interested in starting a second class in basic clothing construction.

"If you have a machine that you'd be willing to loan to be used under supervision, we would really appreciate it, and it would be a real service to a lot of our ladies," Mrs. Keating said. "It doesn't have to be fancy — just useable."

IF YOU'RE willing to loan a machine to the project, contact Mrs. Keating at the county agent's office.

State KC's pick Brockman

Ernest Brockman of Nazareth was elected state warden of the Knights of Columbus at the organization's state convention last week.

BROCKMAN was the unanimous choice of the 284 voting delegates for one of the state's five top KC offices.

Other state officers elected were Elfred Niclas of Corpus Christi, state deputy; Lino Perez Jr. of Rio Grande City, state secretary; Leon Spaniel of Eagle Lake, state treasurer; and William Cox of Dallas, state advocate.

Stores to close Memorial Day

All city, county, state and federal government offices and most of the county's retail stores will be closed Friday in observance of Memorial Day.

that 76 Castro County farms received ASCS payments totaling \$3,236,758 in 1968. Four of the county's farms were in the \$100,000-plus bracket, the report said.

THE REPORT included only those farms that received more than \$25,000 in subsidy payments during 1968. The county's average in 1968 was approximately \$23,000 per farm per year, with 640 farms receiving some \$15 million. A \$20,000 ceiling would put the county under a \$12.8 million maximum.

Congressman Findley's report shows that a Mordant farmer received the largest individual subsidy in Texas last year — \$320,315. Three other Texas farms — two at Navasota and one at Bowie — received more than \$200,000 in ASCS payments in 1968, the report says.

Congressman Findley's report did not indicate, however, what the impact would be on the individual farmer's income or the nation's crop surplus if the idle acres under the ASCS programs were put back into production. This, presumably, is what many farmers would do with land beyond the \$20,000 subsidy reach if the ceiling is put on individual payments.

June 6 to be 'dog shot day'

Two men — one with a box of tags and one with a needle — would like to see you and your dog at the city fire station June 6.

IT'S inoculation time for Dimmitt's pets, and the city will hold its annual "dog-shot clinic" from 1 to 6 p.m. June 6 to inoculate all local poodles against rabies for another year.

Dr. David Bechtel will do the honors with the syringe, and Fire Marshal Guy Waldrop will issue the tags. Cost of the injections will be \$3.

For county labor survey

Have you registered yet?

The Castro County Labor Survey, now in its fourth week of operation, has registered only 600 of the county's 5,000 persons 16 and older.

GENE P. CLEMENTS, supervisor of the Smaller Communities Research Program, said this week, "There is an urgent need for an increased response to the registration of greater numbers of persons than are currently being registered daily."

"You may wonder how this survey can possibly help Castro County if we are already experiencing a labor shortage," Clements said. "Perhaps this can best be answered by first pointing out that this program is being conducted to obtain a factual report to help attract interested investors and industries to the Castro County area."

"New industries in a community do not necessarily mean that all manpower must be drawn from the immediate area," he explained. "Most frequently, new families are brought to the community to meet the increased labor demand."

THE CHAMBER of Commerce requested the Texas Employment Commission survey here, and plans to use the report to help bring new industries into the county to diversify and strengthen the local economy.

"A diversified economy can help influence the return of many of our youths who have been forced to leave this area as a result of the currently insufficient demand for their skills and training," Clements said.

Everyone who registers at the Labor Survey office is investing in the future, Clements added. "We must look forward to the hope for a community which can offer an attractive future to our young men and women graduating from our schools," he said. "an

CRACK! — This time-exposure photo shows how bright and violent Saturday night's electrical storm was. Lightning crackled through black, rolling clouds for an hour and turned the sky day-bright at times. The same storm system spawned two tornadoes that touched down near Silverton later Saturday night. The system also dropped hail on some areas, but Castro County got a reprieve, receiving only rain from the violent skies.

Anti-poverty agency loses battle, closes

The three-year-old Castro County Community Action Agency quietly closed its doors last week after losing a five-month feud with the regional Office of Economic Opportunity in Austin.

THE Community Action Committee here was notified by teletype message that it was to close the agency, and that it would not be authorized to incur any expenses after May 19.

Losing their jobs through the closure were Frank Latimer, agency director, and A. G. Ratcliff, assistant director. They had been with the agency since its birth in May 1966.

Thrown out of jobs the first of this month because of fund cutbacks were Mrs. Lottie Smith and Mrs. Florida Alceger, outreach workers.

THE CLOSURE ended the local anti-poverty agency's battle for survival which started in November when the Austin regional office approved only enough funds to keep the doors here open until March 15.

To support the cutback in funds, the Austin office sent along a tersely worded report listing eight "weak points" in the local program.

The main complaint by the regional office was that the Castro

County CAA was not serving as an effective "advocate of the poor," failing to buck the community's power structure in behalf of poor people.

LATIMER accepted the charge, stating that the committee felt more could be accomplished for the poor here by working with the local power structure rather than against it.

"When they first came up with the points of weakness in the local program, most of them weren't true," Latimer said this week. "But by the time they had kept stabbing at us for three or four more months, the eight charges were true — we didn't have much of a program left. We didn't have any further appropriations to carry out our programs."

DURING its three-year life span here, the Community Action Agency coordinated such programs as basic adult education classes for 150, neighborhood improvement programs and social service for underprivileged people.

The Castro County CAA was instrumental in securing the county's Migrant Health Unit, the Texas Employment Commission agricultural branch office, and the Dimmitt Day Care Center for retarded children. The office also directed extensive work in qualifying

children for Head Start and migrant education programs in the county's public schools.

Closure of the agency last week halted the CAA's co-sponsorship of a basic clothing construction workshop for ladies, and also dissolved nine functioning committees that were working on such problems as street lighting, paving, traffic problems and sanitary facilities in East Dimmitt.

Latimer explained that the closure will not affect the Head Start and Summer Head Start programs, which are coordinated and administered by the county's public schools.

THE CLOSING of the agency also emasculated the county's Community Action Committee, which had the responsibility of initiating local programs. Presumably, the committee is dead unless it works out a system to have local programs administered through the Panhandle Area Community Action Corp. in Amarillo.

Officers of the Community Action Committee here are Bob McLean, chairman; McCunnie Washington, vice-chairman; and Rev. C. Mitchell Kennedy, secretary. The committee has 19 other directors, including business and civic leaders, public officials and representatives of the poor.

economic area such as ours may seem quite healthy and prosperous. Nonetheless, only when there is a slowdown of the rapid drain of youthful talents to other, more industrialized areas can a truly expanding and continually improved economy be maintained. This is best accomplished by affording these young men and women a more attractive choice between the increasing local job op-

portunities of their home town over the more congested, more expensive, less stable environments of the urban areas."

Clements said he can already see several advantages here for industry.

"Recently, the trend for business has been to establish or relocate out of the crowded, high-cost production areas to smaller communities demonstrating attractive development prospects," he said.

"We must be willing to actively compete with hundreds of other communities if we wish to assure our future economic growth and continued prosperity."

He urged all county residents 16 and over to register with the Labor Survey Office at 103 E. Bedford St. The Labor Survey Office is open from 8 to 5 Monday through Friday, and registration requires only five minutes, he said.

SIGNING UP — Jimmy Ross (left), president of the Chamber of Commerce, registers with the Castro County Labor Survey Monday, telling interviewer Tony Cox of the Texas Employment Commission what his present employment is and what other types of work experience he has had.

Ross, an attorney, also listed his experience as an oil well gager and roughneck — that's how he worked his way through college. Only 600 have registered so far in the extensive county labor survey, which is sponsored by the Chamber of Commerce.

Sheffy's chatter

By MYRTLE SHEFFY

Another year of school activities are through — the graduation exercises with all the "grandmas and mas" shedding a few tears, don't know if it is because another phase of life is finished and another is starting or "Thank goodness he made it."

There have been parties and dinners galore.

The band banquet was last Saturday night. And the eighth graders have done as much as the seniors.

Betty Boothe hosted a party Saturday evening for daughter Janie at the Castro County Country Club. They all joined the teen club dance at the American Legion Hall.

There were several hundred people who attended baccalaureate and commencement exercises in the high school auditorium.

Several of the kin of Woodrow Jones were here for Cecils graduation, also the grandmother of Glen Hammonds Jr., and many others. I saw June Parker there and she says tell the world she has her BA degree from WTSU and will teach school next fall.

She says that Steve Hutton, a premed student, gets his degree as does Dennis Cleavers, Connie Coulter Stewart, Glenda Smiley Heller and husband Gary.

MRS. BOB DULANEY was hostess Thursday morning with a coffee and get acquainted party for Mrs. Jim Harsh and Mrs. Luene Harsh who have moved here recently from Illinois.

Jim Harsh is manager of the corn milling plant to be and they have bought and moved into the Ward Golden house on Jones Street. Irene, who is Jim's mother, has bought the Bill Birdwell house at 715 W. Grant Jean and Ann Touchstone did the honors at the door, and serving the hot cinnamon rolls and coffee were Carolyn Sides and Martie Benton. The table was covered with green linen cloth and that big single type white peony with yellow center graced the table. Flowers were all over the place. At the guest book was Stephanie Love and guess who washed the dishes? Gloria Isaacs and Shirley Wise. Other ladies besides these were Frances King and Ann Touchstone.

At this party we met Jessie Rawson who with her husband Edd will move here soon. Well! When they find a house. They are here from Tulsa. Edd is airplane pilot for Dimmitt Management Co. They will attend church at First Baptist. They have a son Steven 9, and daughter Elizabeth Ann 4.

ZONELL MAPLES is recuperating from surgery at West Texas Hospital in Lubbock. Several of her friends went to see her on Saturday.

Mrs. Lynn Gowdy and daughter Sharon visited friends Mr. and Mrs. Leonard Carl Huber at Littlefield recently. The Hubers are with the Nazarene Church there. Lynn says her son Allan writes that he and Lyn have had a good side trip to Austria. He is with the Army stationed in Germany.

Mrs. R. C. Barbour of Houston and Mrs. Melvin Henry of Floydada have been visiting sister-in-law Mrs. A. O. Gregory and nephew Jack Gregory and family. Mrs. Barbour taught school with Pearl Sheffy many years ago at Sweetwater. The Gregories went this week to Santa Fe to visit Jo's brother Wade Parks and to attend the graduation services of niece Patti Parks. Jo always brings back many flowering plants from Wade's greenhouse.

CECIL DENNIS is home from a business trip to South Texas — all over I guess!

Jack and Myrna Cowsett are also home from a business trip and Jack's physical checkup. They stopped in San Angelo to visit son Jim and wife Jan and little boy, and this weekend Jim and Jan and friends the Jim Carltons of Durango, were here.

Mr. and Mrs. Goodwin Miller, Mrs. Pearl Sheffy, her son Ray and Jetti, Mr. and Mrs. John Merritt attended the funeral service of Mrs. Lura Sharp at the Arnet Benson Baptist Church Wednesday. Mrs. Sharp was the sister of Goodwin and Pearl. The Millers went on to San Angelo to take his brother Bob Miller home to Traaon from a hospital there. They went on to Hobbs to visit a brother P. D. Miller.

Mrs. C. W. Boothe was the birthday girl Thursday when the Elephant Club came to her house bringing in the food and good conservation. Mrs. Boothe is 84 years old. Guests were Maggie Gollehon, Nettie Graham, Birdie Neil, Maggie Boren, Ruby Maples, Lena Ramey, Mrs. Frank Mears Sr., Mary Kirkpatrick and Lois Bartlett.

ANSON CORAN of Abilene is a guest of his daughter Rubie Lu and Doyl Underwood and the three girls.

Pfc. Ramon Dorres has been home from Vietnam for a visit with his folks and special friend Elsie Ulloa. Ramon left here to go back to Vietnam Monday. Elsie is the happy girl that works at the Bobcat Drive Inn.

Maurine Bice and Faun Welker went to Ruidoso for the weekend. Maurine has a house in that south valley what is the name? It is where the trout pond is.

The eighth graders received their diplomas Friday afternoon. Ike Moore welcomed the 102 teenage people into high school starting next September. Mr. Moore did a little Texas Dimmitt style bragging. He says his high school kids are first, first in basketball,

football, studies and first in plays and band if not first, then a close second. He hopes this large group will finish high school together.

MRS. W. E. Lindsey of Brownfield visited her daughter and family Mr. and Mrs. Curtis Bailey and granddaughter Sue Lindsey. The Baileys moved to Dimmitt recently from Abernathy and Curtis is helping build the highway north. He is with Boswell Construction Co.

Connie Ratcliff of Miami has been a guest of Beth Sheffy. They both and Virginia Sheffy attended the wedding of a friend in Canyon Saturday night. The big girls are WTSU students and Jack Bradford is home from school at Dallas and Graham Sheffy is on leave from the Marines and visited all the Dimmitt boys at Jarret Hall. The Golden twins and Jack and others are working with D&D Aerial Spray.

The senior class has been dined the churches have fed them, then there was the Senior-Junior party at the Country Club Friday night. The mothers made ice cream and other food.

Judge and Mrs. Raymond Wilson met daughter Pat and husband Dr. Bob Brock at Tucumcari last weekend. They brought the two boys home with them, while Dr. Bob and Pat went to a medical meeting at Albuquerque. Then they took the two boys to El Paso to meet their parents, who then went on home to Mesa, Ariz.

MR. AND MRS. Russel Moran were hosts at the Dinner and Bridge Club Thursday night. Myrtle Lois used the far away tourist theme on the table — a world globe with flowers, small maps,

cameras, etc. Guests were Messrs. and Mmes. Ted Sheffy, John Merritt, Harold Stephens, Goldman Dyer, Charlie Hays, Aural Davis, and Dr. Charles Vandiver. Mrs. Vandiver is recuperating from minor surgery.

The 30 teachers and Principal Helen Richardson gave a coffee Friday evening honoring Mrs. Cleo Forson and Mrs. Christine Pennington, who are retiring from teaching school. Mrs. Forson has taught for 42 years and I don't know how long Christine has been teaching. They plan to see a little of the world now. The ladies presented both with a silver tray. Alice Cowen gave them a fine speech about how they will be missed.

Rev. Dorothy Sheffy and boys from Van Horn visited a few days with the family and the Elcor Chemical friends. They went on to Ruidoso for a couple of days. They had visited daughters Dri-cilla and Bob Stors in Fort Worth and Donna and Tommy Stafford and Dondra in Oklahoma City. Her father Mr. Smotherman of Duke, Okla. is here for a visit with his sons.

MR. AND MRS. Frank Coleman and children have moved to Wellington this week. Frank is farming and also has cattle there. Their son Tommy is in the Marines.

Dwight Joiner presented his third grade music class at a gym-bore Wednesday morning, again that afternoon, I hear from Courtenay Armstrong that it was an outstanding program. She and Charles have a son Scott in that class. I didn't find out the details but Dwight presented his organ and piano pupils in a concert Sunday afternoon at the Presbyterian Church.

I just heard about the freshman

class party at the Country Club the day of the tornado. The class had more than 100 people. They had very good food, fried chicken, sandwiches and things and they went swimming, also to the cellar then back to the party.

MAGGIE BOREN was hostess to a few friends Friday afternoon for bridge. She served her good salad and things to Ceal Carlile, Ann Singer, Edith Ramey, Katy Buckmaster, Josie Bradford, Retta Cluck, Opal Bearden and Beulah Wright.

Saturday morning several of the Dimmitt citizens went to Plainview for Jimmy Dean's opening of the Pork Sausage Co. He introduced Gov. Preston Smith, who told of some of the state's projects. Going were Mr. and Mrs. George Bradford, Mr. and Mrs. John Nichols, and Sunday going were the B. M. Nelsons, Dr. and Mrs. Bill Lee, the Earl Brooks.

Mr. and Mrs. Troy Rowell and three boys moved to Ruidoso Saturday. Troy is with the telephone company there and was here too. Mrs. Rowell taught art — oil painting mostly.

Faye and Barry Green of Bovina were Sunday guests of her brothers Hubert and Delbert Smotherman and their father from Duke, Okla.

Thelma and Barney Whigham of Lubbock were here Sunday to visit her father Percy Sheppard. Mr. Sheppard lives at the Golden Spread Nursing Home.

CHARLIE AND Mary Hestand and son Hoyt and son Donnie and wife Janis attended a Hestand family reunion at Lugert Lake near Altus, Okla. Donnie and Janis live at Odessa now and he has a good job with a big machine place.

The family of Alice and Wes Anthony came in Thursday and brought dinner and gifts as a complete surprise for Alice's birthday. She had gone to the DuLaney coffee, home again and there they all were — sisters Mrs. J. A. Hedge, Mr. and Mrs. Arlo Shobe of Lubbock, Mr. and Mrs. Clarence Dixon of Friona, and their children Mr. and Mrs. Fred Kuntz and Ricky and Mr. and Mrs. Bob Anthony and children.

And another day Bob and Pat went to Albuquerque for a few days rest and a sightseeing trip.

Charles Hottel told me about the school Monday and Tuesday where he and vo-ag teachers John Quinby and Marvin Cepica taught 45 boys how drive and handle tractors. These boys can now get work. That is a good program. Don't you think so?

RUBY CUSIONBERRY of Quitaque is here for a while because Neva of the Village Shop is at market in Dallas. Her daughter, Mrs. Jim Wardell of Amarillo went along.

Mrs. Tex Conard calls to say thank you to the News for telling the needs of the Satellite School and to Ben Hill who gave them

an air conditioner. Now she needs an installer for same. The school is located in one of the west side buildings of the housing project in east Dimmitt.

Juanita Bruegel and Betty Singer drove Gary's car to him at Fort Rucker, Ala. While there Juanita and Betty saw and took the Dimmitt boys out to dinner — Carney Land, Larry George, and Gary and several of their friends.

While in the South the girls went on to the Coast of Florida, Alabama, Louisiana, Mississippi, on to Atlanta, Ga. They did talk to Eva Morrison on the phone. Sound like the gals had fun. Juanita says the magnolia trees had flowers big as saucers.

Sharon and Harley Wilke and Roy and Suzie Ellis went to White River Lake near Crosbyton, I think fishing and boating.

BAROMETER for the FUTURE Webster says that a barometer is an instrument measuring the weight or pressure of the atmosphere, foretelling and measuring changes of weather and altitude. If God were to place a barometer on our lives, would we be cold, lukewarm, or on fire for the Lord. The past we can not change... the future is up to us. "... what doth the Lord thy God require of thee, but to fear the Lord thy God, to walk in all His ways, and to love Him, and to serve the Lord thy God with all thy heart and with all thy soul." ATTEND CHURCH REGULARLY The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Country Club Notes

Today is the entry deadline for Memorial Day Tournament

By BUD POSEY
Golf Pro

Today (Thursday) is the last day to enter the Memorial Day Weekend Golf Tournament at the Castro County Country Club.

GET YOUR own foursome together for the first 18 holes of play on Friday. Call for a tee-off time and play 18 holes. Callers will be put into 10-player flights, and the score you shoot Friday will count on your 54 holes of medal play and also place you in a flight.

Players will be paired in foursomes after the first 18 holes in their respective flights, according to the scores they shoot Friday, and also will be given a tee-off time. They will be paired again Sunday for the final 18 holes of medal play, with the leaders of each flight paired together.

Entry fee will be \$5 per player, with merchandise prizes awarded to the winners, second place and third place in each flight.

There will also be a special ladies' flight with the format the same, except the number of ladies in each flight will be determined by the number of entries.

Remember, enter before 6 p.m. today (Thursday).

IT SEEMS that everyone wants to play at the same time on Saturday and Sunday afternoons. Please call the pro shop for starting times after 12 on Saturdays and Sundays.

I can tee a group off every seven or eight minutes, and you will know what time you tee off, and judge your time accordingly. If you are on time, your foursome will go at the time you call for. Two hours will be allowed for each nine holes you play.

For example, if you call for a time at 1 p.m., your second nine holes will begin at 3. At present, we will allow foursomes or under on Sunday after 12. All other days, not over six will be allowed in one group, and this may change to foursomes after noon on Saturdays if play continues to increase at the present rate.

A player limit sign has been placed in front of the pro shop door and will have either four or six on it each day. Please check with the Pro shop each day before playing, so we can tee you off smoothly and without too much delay.

PLEASE do not park your car, bikes or scooters, in front of the pro shop or the area surrounding it. It clutters the area and traffic cannot get around. No bikes or motor scooters will be allowed on the golf course anywhere or anytime. We are trying to keep the course nice, but we must have your cooperation and help.

The golf course is improving each day, as those of you who are playing know, and we will keep improving it with your help. The driving range is open, and lessons are available.

Please do not pick up the range balls on the driving range or adjacent fairways. They are expensive.

Sandra Malcolm is EWSC graduate

A Dimmitt senior at Eastern Washington State College, Sandra S. Malcolm, is a candidate for a bachelor of arts in education degree with a major in English, to be awarded at commencement ceremonies June 6 at 8 p.m. in the EWSC Memorial fieldhouse. Mrs. Malcolm, daughter of W. E. Winchell, is a graduate of Newell, S.D., High School.

LYNN CAMP
... Guest evangelist

Gospel meetings to start Sunday at Hart church

The Hart Church of Christ will begin a week of gospel meetings Sunday, with a former missionary to Vienna, Austria, as the guest speaker.

Sunday services will be at 10 a.m. and 6 p.m. June 1 and June 8. Week night services will be at 8:30. Also, a public gospel singing session will be conducted at 2:30 p.m. Sunday.

Minister for the gospel meetings will be Lynn Camp of Amarillo, whose mission work in Vienna was assisted by the Hart Church of Christ. He has preached at the Hart church previously.

All services are open to the public.

North Elementary School cites 100 students for achievement

Approximately 100 North Elementary School students received achievement certificates and track meet ribbons at an awards assembly in the school gymnasium Friday morning.

PRINCIPAL Emmett Broderon presented achievement certificates for science, spelling, perfect attendance, student council and yearbook work.

Presenting ribbons to the first, second, third and fourth place winners in the recent all-school track meet were Mrs. Jo Nan Miller, girls' physical education instructor, and Jimmy Diaz, boys' PE instructor.

Certificates of achievement were presented to Jodie Minnick, Ricky Wright, Pam Oldham and Kim Miller, science project winners who represented Dimmitt at the Panhandle Science Fair in Amarillo; Leslie Nossaman, Melony Dowell and Lance Loudder, contestants in the County Spelling Bee; Cynthia Dyer, Harold Love and Kris Dowell, Interscholastic League Spelling contest winners; Brad Sanders, Shannon Truelock, Cholea Montes and Lance Loudder, Student Council members for 1969-70; and Jana Hill and Cynthia

Dyer, cheerleaders for next year.

RECEIVING perfect attendance awards were:

Mrs. Thelma Dewbre's room — Paul Henry.

Mrs. Gay Nell Smith's room — Keith Hall, Cinde Sides and Jim Wright.

Mrs. Faye Walker's room — Lamar Casas and Delia Lopez.

Mrs. Judith Storey's room — Ernest Reyes and Robin Patterson.

Mrs. Dawn Goolsby's room — Jimmy Cleavinger, Donna Dempsey and Teresa Garza.

MRS. PARA RENDER's room — Guadalupe Espinoza.

Wes Smith's room — Gilbert Nino and Andy Reyes.

Mrs. Waurayne Hughes' room — Robert Lopez.

Mrs. Lynn Hidell's room — Christy Barlow.

Mrs. Lottie Cosby's room — Ricky Bagwell, Kathy Wales, Melissa Moore and Sandra Carpenter.

Mrs. Pat Crooks's room — Mary Ann Nino and Jake de la Cruz.

Miss Ruth Holman's room — Patricia Smith, Lance Loudder and Randy Bagwell.

Mrs. Bedford Smith's room — Kurt Wales and Jerry Annen.

Paul Fry's room — Brent Armstrong, Abelia Garza, Barton Profit and Guadalupe Acevedo.

Bill Talley's room — Linda Vasquez and Louis Redrick.

MELISSA MOORE received an award certificate for designing the cover of "The Bob Kitten" yearbook.

TOP GRADS HONORED — Among those students honored during Dimmitt High School's annual Senior and Awards Assembly last week were the top three scholars of the Class of 1969. From left are

Sandy Hilger, winner of the Dimmitt PTA scholarship; Robert Froehner, valedictorian, winner of a state scholarship; and Sharon Barker, salutatorian, state scholarship winner. (Photo by Darla Kay)

Most efforts for bobwhites 'merely repeat past failures'

Bobwhite quail management in Texas faces three major problems, says A. S. Jackson, retired biologist for the Texas Parks and Wildlife Department, in his "Quail Management Handbook for West Texas Rolling Plains."

IN THE Department's publication Jackson says wide fluctuations in quail numbers (sometimes from abundance to scarcity within a few months), plus a general lack of understanding of quail needs by landowners and sportsmen, are problems biologists must overcome for effective bobwhite management.

When conditions are exactly right, bobwhites will have a boom year. Unfortunately, they seldom hold at such numbers for more than a year — rarely two.

"Often, their populations decline so much that hunting comes to a near standstill," says Jackson. "Low densities likewise rarely last for more than a year or two.

Replacement is always costly and often impossible. Up to now, there have been very few sources of information available concerning the needs of bobwhites in this type of habitat."

Jackson says a major problem lies in the holdover of faith in management techniques that have proven ineffectual in the past, the most widely advocated of these being the "close the season, stop all hunting" approach.

Other ineffectual management techniques are the stocking of non-habitable range with pen-reared bobwhites and the initiation of predator control programs.

"None of these work in deficient habitat, and none are needed where the habitat is right," he says. "Such apparently easy solutions cripple effective management and merely repeat past failures."

Amarillo prof to speak Sunday at local church

The director of the Bible Chair of Amarillo College, Professor Grayson Ensign, will be the guest speaker for the regular 10:50 a.m. worship service of the First Christian Church Sunday.

MINISTER Bedford W. Smith will preach the 6 p.m. vesper hour service.

This week Minister Smith is giving the 10:30 a.m. devotionals over Radio KDHN for the Ministerial Association, Monday through Friday.

The daily vacation Bible school of the church has been set for July 21-26, a later date than usual, because some of the key workers would be out of town at the earlier date.

Meanwhile, Minister Smith will have youth of Dimmitt attend the El Porvenir Christian Camp in New Mexico for three weeks in June. He will be teaching all three weeks. The camp will be senior high week for those who will be in the 10th through 12th grades next year; the first junior high week for those in the

seventh through ninth grades; and junior week for those who will be in grades 4, 5, and 6 in the fall.

150 youngsters attend churches' vacation school

Approximately 150 youngsters, plus 42 youth and adult workers, are taking part in the vacation church school being held by the First United Methodist Church and the Presbyterian Church of Dimmitt.

CLASS sessions are being held at the United Methodist Church from 8:30 to 11 a.m. daily, and will end Friday morning.

Final event of the school will be a "sharing program" as part of the evening service at 6:30 p.m. Sunday.

Students are receiving instruction in Bible study, creative arts and music.

Should there be other young people who would like a week at a Christian camp than those of the First Christian Church, they may attend by paying the fee of \$15 for the camp week, starting Monday and closing Saturday, if they will see Mr. Smith.

Financial Facts

By Willis A. Hawkins, Jr.

Do you have a bill that has been partially burned or torn? You can exchange it for one of full face value if three-fifths of the original remain.

You may return fragments of less than three-fifths but more than two-fifths. The bill will be redeemed at one-half the face value.

Fragments of less than two-fifths are not redeemable without the following qualifications: Proof must be established that missing portions are totally destroyed.

This proof should be in the form of an affidavit. It must state that you are the owner. You must give full explanation of the cause and nature of the destruction.

If you cannot swear to the facts concerning destruction do this. Get affidavits from others having actual knowledge of destruction.

Sunnyside news

Irving King dies

Irving King was taken to Plains Memorial Hospital in Dimmitt at noon Tuesday of last week after suffering a stroke. Roy Phelan was with him at the time; they were looking over the crops.

Mr. King died about 3 p.m. Wednesday.

Funeral services were held in the First Baptist Church of Dimmitt Friday afternoon, with the noon meal served at the Sunnyside Church, where they are members. Rev. Mack Turner had charge of the services, and the Sunnyside choir, with the help of Gene Ivey of Dimmitt, did the singing.

Members of the local Masonic Lodge acted as honorary pallbearers and had charge of the graveside rites. Those from Sunnyside were Eldon Lilley, J. C. Holbrooks and Ben Derrick.

Mr. and Mrs. King moved to the community in 1956, and in 1959 bought the Peterson place, where they lived at the time of his death. Both boys, Francis and Billy, served in World War II, and Mrs. Francis King was living with the Irvings Kings when their first grandchild, Michael, was born while his daddy was still in the service. Both boys have lived in the community at various times. Billy graduated from Dimmitt High School in 1941, then entered the service.

GENE MORRISON of Dimmitt, owner of the gin at Sunnyside, was one of the principal guests at the dedication of the South Plains Ginning Research Laboratory in Lubbock. He is on the executive committee and a director of the Texas Ginners Association.

Mrs. John Moore has been in Lubbock this week with her daughter, Mrs. Don Thomason who was in a car accident Monday morning. She and one of the boys were treated and released from the hospital. The other boy was uninjured. Mrs. Thomason received a wrist injury to her neck which caused her to go back to the doctor and has been in much pain as well as having to have three teeth pulled.

Mrs. E. R. Sadler worked at Plains Memorial Hospital in Dimmitt Monday afternoon at the

desk, gift shop, library, and running the coffee cart.

Mr. and Mrs. Ezell Sadler became grandparents again Tuesday morning when a 7 pound, 8 ounce girl was born to Mr. and Mrs. David Sadler of Lubbock. She was named Melody Gay. Mr. and Mrs. Jake King of Hereford stopped by and visited with Mrs. Ezell Sadler at the W. E. Loudders Tuesday afternoon both coming and going to see the baby. Mr. and Mrs. Sadler saw it for the first time Friday evening. Mrs. King stopped by again Saturday as she went to Lubbock to stay with them a few days.

At the Springlake-Earth High School Awards Assembly Monday afternoon the staff awards were presented by Mrs. Howard Cummings.

DOUG LOUDDER was called Tuesday about noon to take his brother, Dwayne Loudder of Flagg to the hospital with a pain in the knee. He had been to the doctor early that morning, but the pain so disabled him he couldn't walk by noon. He was dismissed Thursday morning able to walk and even work.

Ed Duke has been taking drivers education this week. His grandmother, Mrs. R. E. Duke has been taking him.

Mrs. John Bridges of Earth, Mrs. Bill Matlock, and Mrs. Thelma McClanahan stopped in Lubbock Monday after Mrs. McClanahan had a medical check-up there. They came back by the Amherst hospital to visit with Mr. Monk Chapman who has been a patient there for a week. He is Mrs. Bridge's grandfather.

Mr. and Mrs. George Zinda and family will be moving into the rent house of Mrs. Thelma McClanahan over the Memorial Day week end. They are presently residing in Amarillo. He will be employed by Dimmitt Wheat Growers.

Marion Dawson was one of the group named last Friday for the twirlers for the Wolverine Band for the coming year.

The announcement was made this week of the approaching marriage of Sandy Loudder and Larry Odum of Dimmitt. The wedding will take place in the Dennis Memorial Chapel, June 7 at 8 p.m. with a reception at the community room of the First State Bank. They will make their home in Dimmitt while she continues her high school education.

MRS. R. V. BILLS attended the bridal shower for Debbie Vaughn in the Flagg community last Friday. She and Larry Don Bills will be married in the First Methodist Church in Dimmitt June 14.

Mrs. Weldon Bradley, Mrs. Bob Ott, and Mrs. R. V. Bills attended the Dimmitt Senior awards assembly Wednesday afternoon. Lee, Larry Don, and Don are among the Dimmitt graduates.

Ann Spencer Lay will also graduate with the class, and Randy Ball will finish in July by a correspondence course to make up for the credit he lost by transfer from Olton.

Mr. and Mrs. Houston Catson attended the band concert in Dimmitt last Sunday afternoon. Carl Dean plays in the high school band. Resa plays in the drum in the fifth grade band.

Alton Loudder, Ezell Sadler, Phillip Jones, and Punk Gilbreath were all called for jury duty Monday morning, but got off around noon.

Wednesday night all the YWA girls met at the home of their leader Mrs. Bob Ott, with the assistant leader Mrs. Weldon Bradley for a social meeting. Janis Bridge was a guest. They all presented a gift of lingerie and a white Bible furnished by the WMU to Sandy Loudder. The leaders also presented YWA charms to the graduating seniors, Debbie Morgan, Terry Crisp and Naomi Carr. Others present were Debra Ball and Denise Morgan.

Mr. and Mrs. Lowell Westmoreland of Littlefield visited with Mr. and Mrs. Alton Loudder Monday afternoon.

REV. MACK TURNER attended the Worker's Conference at Amherst Monday evening.

Mr. and Mrs. Ernie Waggoner of Dimmitt and his brother, Otis Waggoner of Woodruff, Ill. visited Wednesday with Mr. and Mrs. J. Paul Waggoner. They visited with them again Sunday.

Mr. and Mrs. Bob Ball of Olton visited Tuesday with Mr. and Mrs. J. Paul Waggoner and Mr. and Mrs. Garner Ball.

Tommy Alair and his sons, Eddie, Johnny and Jimmy attended the FFA Springlake-Earth parent-son banquet last Saturday night. Jimmy was presented the creed contest award. Eddie was elected treasurer for next year.

Mrs. Beulah Newton of Earth visited Thursday night with Mr. and Mrs. Garner Ball and family.

The WMS mission action group met at the church Wednesday night with the president, Mrs. Milburn Haydon in charge of the discussion. Mrs. Wanda Newberry assisted her with the program.

Mr. and Mrs. C. W. Davis of Clyde were dinner guests of Mr. and Mrs. Phillip Jones and family Saturday. They visited in the afternoon with Mr. and Mrs. Alton Loudder.

Mrs. James Powell and children visited Friday with Mr. and Mrs. Ezell Sadler and ate supper with them. Mrs. Powell, Tresa and Cheryl visited also with Mr. and Mrs. W. E. Loudder, Mrs. Sadler, Mrs. L. B. Bowen and Ramona Done.

Peggy Ott came in from Baylor Saturday. She came by Temple and picked up her grandmother, Mrs. C. W. McClain of Temple to visit with them until they go back to Baylor for Peggy's graduation. She came to see Don graduate from high school.

Jimmy Waggoner, Bobby Cummings, and Mrs. Tommy Alair came in from WTSU Thursday.

At the Springlake-Earth awards assembly Monday afternoon, Naomi Carr received awards in English IV and Typing II, Marsha Dawson received a sports award, and an award in government. Marion Dawson received awards in Algebra I, World History, and English II, Darrell Carr an award in English I, and David Bradley an award in sports and track.

Resa Carson attended a slumber party at the home of Marla Winders Friday night.

Carl Dean Carson was honored by his family with a birthday party one night this week. Mrs. Dubble George and Gregg of Dimmitt and Mrs. A. L. Aven of Hart were also present.

RAIN WITH high wind and stormy conditions put several in the cellar Saturday night. Amounts ranged from .20 to .90 of an inch.

Mr. and Mrs. Larry Sadler and family, Mr. and Mrs. James Powell and family and Mrs. Pearl Sadler of Dimmitt visited in Lubbock Sunday with Mr. and Mrs. David Sadler and Melody Gay. Mrs. E. R. Sadler and Mrs. Weldon Bradley visited with the David Sadlers at Highland Hospital Tuesday afternoon.

Sandy Loudder and Larry Odum visited Sunday afternoon with Mr. and Mrs. W. E. Loudder and Mrs. Ezell Sadler.

Mr. and Mrs. Roy Phelan had as their guests Sunday, Sandra, Marian, and Terry Crisp and Rev. and Mrs. Mack Turner.

Several attended the baccalaureate services at Springlake-Earth Sunday night. Several others attended the baccalaureate at Dimmitt.

The Springlake-Earth seniors had senior day at Lubbock Friday. Most if not all of those from Sunnyside went.

The Dimmitt seniors entertained the juniors with a party at the country club Friday night. Lee Bradley, Don Ott, Larry Don Bills and Carl Dean Carson all attended, possibly more.

DON OTT and **Lee Bradley** and Larry Don Bills attended the breakfast for the Dimmitt seniors at the First Methodist Church in Dimmitt Friday morning.

Mr. and Mrs. J. Paul Waggoner took Mr. and Mrs. Ernie Waggoner to Lubbock Friday for a medical check-up.

Mr. and Mrs. Larry Starnes and Dianna spent Saturday and Sunday in Stephenville with his family to attend his brother's graduation exercises.

Mr. and Mrs. Thomas Parsons and Mr. and Mrs. Snitker and family have been on vacation this week.

Mrs. Jerry Miller and daughter week for a visit with her family. Mr. and Mrs. J. W. Carr and family and for Naomi's graduation exercises.

Renée Jones, Lesa Morgan, Billy DeBusk and possibly others graduated from the eighth grade at Springlake-Earth Saturday night. Their parent attended the exercises.

Sixty-five attended Sunday School and 16 in Training Union Sunday. Bibles were presented to the graduating seniors by the WMU in the morning services. Terry Crisp, Naomi Carr, Ann (Spencer) Lay, Debbie Morgan, Lee Bradley, Don Ott, Larry Don Bills, Randy Ball, Lee Ann Wall, and Bobby Waide were those receiving Bibles. All were present besides Lee Ann and Bobby. Larry Don was too late to have a part in the presentation which was made by Mrs. E. R. Sadler, director.

The Vacation Bible School will be June 2-6 from 8:30 until 11:30 a.m. All the children in the community are invited to attend.

Farmers Supply has new grinder

You've never seen a Peterson surface grinder before, because there has never been one in this area. But you can see one now at Farmers Supply Co. in Dimmitt.

THE LOCAL Minneapolis-Moline dealership has just installed the new Peterson machine, which grinds an exactly true surface on the heads and blocks of large engines.

George Gross of Farmers Supply Co. said the new precision grinding machine performs truing-up operations on all M-M engine heads and blocks, and on virtually all other farm engines as well.

A push-button console selects the grinder's different operations and speeds, and a system of umcranks and gauges chooses its precise tolerances.

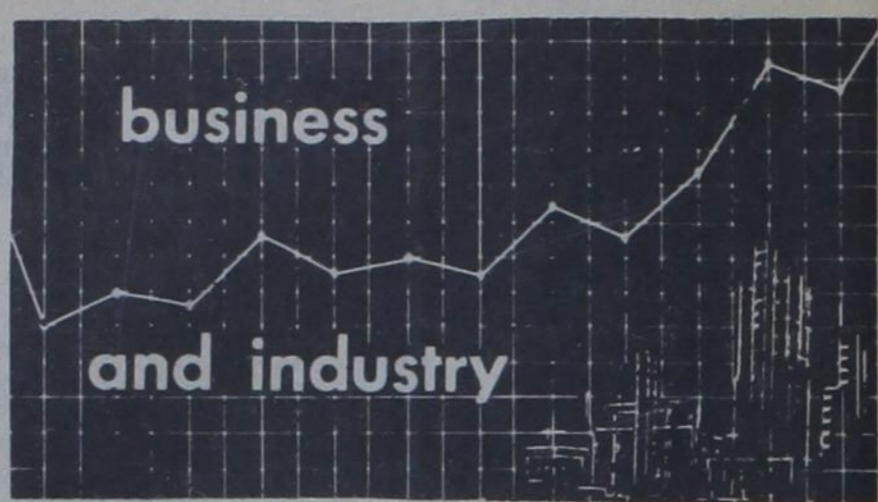

"Mac" McGowan, head machinist at Farmers Supply Co., is the man who operates the new surface grinder.

Dr. Bechtol gains top post

Dr. David Bechtol of Dimmitt is the new president-elect of the West Texas-Eastern New Mexico Veterinary Association.

HE WAS elected at the association's last monthly meeting in Clovis.

Dr. Bechtol also has been appointed chairman of the state swine committee of the Texas and conducted his first quarterly meeting of the committee May 17 at Texas A&M University.

Excitement in pork industry leads to new research program

Hettier pocket books for farmers is the object of an economic study in pork production during 1969 at the High Plains Research Foundation at Halfway.

THE STUDY began this week at the research foundation with the arrival of a portable pig pen with raised, slatted floors, which features two-thirds of the pen being enclosed with a roof and three sides. According to Dr. Tom Long-

necker research director, the portable pen "should provide maintenance for a disease-free operation."

The Jimmy Dean Meat Co. has created a local market for pork raised in this area and has caused increased excitement in pork industry on the High Plains.

Due to this increased interest, the foundation will begin an economic study of limited pork production.

Nelson Drilling adds machinery

Nelson Drilling & Pump Service has installed \$10,000 worth of new equipment to extend the life of their customers' irrigation wells.

THE MAJOR new addition to the growing business is an English-made engine lathe that can perform fine-tolerance lathing on all types of well systems and machinery.

Dan Nelson, owner, said his company also has added a new steel band saw to increase the efficiency of the already well-equipped machine shop.

Joe Wall, veteran machinist, is the man in charge of operating the new machines.

Nelson Drilling & Pump Service was born just four years ago when Dan Nelson and his cousin, Herman Nelson, formed a partnership in 1965. Early in 1966, Dan became the sole owner.

THE COMPANY drills and services domestic and irrigation wells, and does repairs of all kinds, including engine, pump gear head and drive shaft. The shop and trucks are equipped with two-way radios for faster dispatching and "trouble shooting."

ACCORDING to Dr. Tom Longnecker, object of the study is to find a livestock enterprise small farmers can use as a means to increase profits in today's farming operations.

"Potential for pork production in this area is here now due to the meat packing plant. We believe farmers can get as much as \$1 per hundred weight more for their grain sorghum marketed through pork, and we hope this study will show this," Longnecker said.

The portable pen was supplied for use in this study by Central Supply Co., Amarillo and Borger. The 8 x 24 ft. pen is constructed of steel with slatted wooden floors.

"The slatted floors eliminates manure disposal problems and the unit can be moved from area to area to increase sanitation protection," Dr. Longnecker said.

THE PEN will house 25 feeder pigs at a time and with finishing periods every three and a half months, the pen should contain approximately 75 feeders annually.

Dr. Longnecker stresses that the portable pen could be a profit solution only on a small-time operation.

"There is no question that farmers planning to produce 4,000 to 5,000 pigs per year should build adequate permanent housing. The investment required in the portable pen is something a small farmer can do and provides another avenue for farmers wanting to get into pork production," he said.

PIGS FOR this economics opportunity study will be provided by the Jimmy Dean Pig Parlor, an SPF pork production operation owned by Troy Fritchard, Don Dean and Jimmy Dean.

"As an indication of the interest in pork production in this area, we have been approached by two area companies to conduct studies on new feeding rations," Dr. Longnecker added.

Gifford-Hill's net income jumps

Gifford-Hill & Co., Inc.'s first quarter net income in 1969 was 165 percent more than in the same period in 1968.

P. W. GIFFORD, president and board chairman, said the construction materials firm headquartered in Dallas showed a net income of \$1,277,000 from Jan 1 through March 31 this year, compared with \$482,000 for the same period last year.

Gifford reviewed financial highlights to a board of directors meeting at 9 a.m. Friday in corporate headquarters at 2949 Stemmons Freeway, Dallas.

The chief executive officer of the company said consolidated sales and other revenues totaled \$16,977,000 in the first quarter of 1969 and were \$13,864,000 for the period in 1968.

Gifford announced also that the board declared a dividend of 10 cents a share on common stock to shareholders of record May 26 this year. The dividend is payable June 13, he said.

Earnings per share the first quarter this year were 38 cents on 3,240,000 shares outstanding on March 31, or 35 cents per share on 3,740,000 shares outstanding following the company's first public sale of stock which occurred April 8. The 38 cents per share for the quarter compared with 14 cent for the same period in 1968, Gifford said.

Harris, George attend workshop

"On-the-Farm-Service" was the theme for a workshop May 19, 20 and 21 at Lubbock attended by local claims adjusters for the Federal Crop Insurance Corporation, Jackie M. Harris and Jimmy George of Dimmitt.

THEY took part in special sessions designed to introduce new loss adjustment techniques and improvements in the All-Risk Crop Insurance program.

Federal Crop Insurance is a government voluntary plan designed to assist farmers through crop investment protection.

On the Go

MRS. CURTIS TATE returned home last Thursday with her mother and sister, Mrs. George Brix of Vici, Okla., and Mrs. J. L. Kay of Mooreland, Okla., visited with Mrs. Tate until Sunday.

Emmett Watkins

White Deer grocer moves here to manage Foodway market

Emmett Watkins, a 17-year veteran of the grocery business, is the new manager of Dimmitt's Foodway.

HE SUCCEEDS Curtis Christopher, who was promoted last Thursday to the managership of a large Foodway supermarket in Midland.

Watkins, 34, comes to Dimmitt from White Deer, where he was the manager of Clint's Foods. He also has been in the grocery business in Dalhart.

A native of Pampa, Watkins is a graduate of Sunray High School. He has been in the grocery business since 1952.

HE SAID his wife, Wilma, and their four children — Jaqueline, 13, Steve, 12, Ricky, 10, and David, 9 — will join him here soon.

Watkins is a member of the Jaycees, and in Dalhart he also belonged to the Lions Club. He and his family are members of the Baptist Church.

The new Foodway manager's hobby is oil painting, "although I don't have much time for it, being in the grocery business," he said. Christopher goes to Midland af-

ter 1½ years in Dimmitt. He came here from Post to manage the Piggly-Wiggly Supermarket which became part of the Foodway chain earlier this year. Christopher was a member of the Dimmitt Rotary Club and secretary of the Dimmitt Jaycees.

Christopher's wife, Earline, is a bookkeeper at the First State Bank. She and the children will join him in Midland soon.

"I feel very safe and secure in our Maverick, little as it is. It really holds the road. My husband bought it for me as a shopping car, but every morning, he says, well I guess I'll take the Maverick to work today."

Mrs. Kenneth Miller, North Babylon, N.Y.

"I wanted a car and foreign cars are hard to fix. So my brother said Maverick was coming, and I waited. It's a great car to learn to drive with. You can park it and drive it so easily. I really love it."
Miss Susan Sara, Bronxville, New York

"We bought the Maverick as a second car when a tree fell on our import. Maverick handles better and feels solid and safe on the road. When I hit a bump in the other car it was like going over a mountain. Maverick really flattens them out and I'm getting 25 miles to the gallon."
Mr. Jack Orben, Computer Specialist, White Plains, New York

"Everybody keeps coming over to look at it. The other night three cars stopped. We thought we had company. Everyone in our neighborhood says for the price it's unbelievable. It looks like it cost much more."

H-D Notes

Basic clothing course completed; 4-H'ers ready for state contests

By IRENE KEATING Home Demonstration Agent Last Thursday the ladies who completed the basic clothing class had their style show and party. I do wish each of you could have seen them. I'm so proud of them. We plan to do more sewing and some home furnishings work this fall.

TOMORROW is Memorial Day, and many people will be taking trips. Whatever you do — drive safely and keep it an enjoyable holiday. Let's keep in mind the purpose of this holiday and think of all the young men who have given their lives for our country.

Monday our 4-H'ers who won at the District Method Demonstration Contests will be leaving for College Station and the State 4-H Round-Up. Debbie Acker and Rita Womack will compete in the safety contest with a fire prevention demonstration. Bob Duke will enter the natural resources contest, and Diana Adams will be in the money management educational activity. Adults attending are Charles Hotel and Pauline Adams.

We wish these 4-H'ers top honors at this state contest. Each one of them will be competing with as many as 23 other contestants or teams. There are 12 extension districts in the state, and two from each district go to state in each contest.

HOW DOES the food store dollar divide? According to US Department of Agriculture statistics, meats accounted for 20.4 percent of your dollar in 1967. Poultry took 3.7 percent, fish 1.6 percent, eggs one percent and dairy products 6.8 percent.

Fruits and vegetables in both fresh and processed form won 17.7 cents of the sales dollar, while cereal and bakery products took 9.1 percent. Foods such as frozen prepared products, baking needs, sugars, jams, and dressings made up 8.1 percent of sales.

Supermarkets take in as much money from nonfood items as from their whole meat department. We need to keep this fact in mind when we figure how much we've spent on groceries.

Mrs. Armstrong wins Tops title

The Dimmitt SOS Tops Club met last week with 16 members weighing in. There was a group loss of 26 pounds, and a gain of 4 1/2 pounds.

The Queen of the Week was Ann Armsrong, with a loss of 6 1/2 pounds. The Queen for the Month was Linda Tryson with a loss of 8 1/2 pounds during April. She was presented with a check for her accomplishment.

Arlene Oldfield presided at a short business meeting. Next meeting will be Monday at 8 p.m. at the Plainview Production Credit Association office.

COTTON CORDUROY now comes in ribless versions.

COTTON is the most absorbent fiber.

Don't judge strawberries by size, but by their degree of freshness

Whether you strawberry pick in your patch or a supermarket, Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist, suggest you shy away from white tipped and soft fleshed berries . . . and handle berries with tender loving care.

In the supermarket, a stained container may indicate overripe berries.

The fruit is at its best with full red color, firm fresh, good aroma and bright appearance. The current supply from near-by growing areas has only a short season, the Texas A&M University specialist adds.

Remember, says Mrs. Clyatt, that size does not affect quality and flavor of the fruit. Generally, small fruit makes more servings.

THE ARISTOCRATIC strawberry needs tender loving care, it bruises and decays easily. Buy strawberries last so they will not be squashed in the cart and don't leave them in a hot car, says Mrs. Clyatt.

At home, sort berries and remove soft ones to use immediately. Let under-ripe berries ripen at room temperature.

The specialist says to store berries in the container, covered with cellophane in the refrigerator. Before using, wash them gently and quickly in cold water. Do not soak.

Seniors visit Colorado

By Mrs. Florance Albracht
After the graduation exercises on Friday evening, May 23, a dance and breakfast for the seniors and juniors was enjoyed in the Legion Hall. The next morning the 21 seniors, Mr. John Slavik and Mr. and Mrs. John Schacher left on the senior trip through Colorado.

Genevieve Braddock, one of the seniors, will stay in Denver to visit a few days with her brother Ronnie and family and fly back to Amarillo on Sunday, where her brother Donald will pick her up. Donald is a junior at Texas A&M and will be coming home after the semester is over.

MOST COLLEGE students and school children will be enjoying vacation at least a few days before taking summer courses or jobs, etc.

Mrs. Ted Schmucker is home after having had surgery in the Plainview hospital. She is improving and we hope she will soon be around again.

Mrs. Lorene Birkenfeld spent several days in the Plains Memorial Hospital in Dimmitt for medication the past couple weeks. She was able to be at Mass on Sunday.

Mr. and Mrs. Barber Eubanks of Afton, Okla., visited the Raymond Annens on Friday evening. The Eubanks lived around the community many years before moving to Oklahoma.

A BABY shower for Clinton Wayne, son of Mr. and Mrs. Tommy Hoelting, who was born in Plains Memorial Hospital on Tuesday was held Sunday afternoon in the Tommy Hoelting home. Clinton received many lovely and useful gifts. Hostesses were Susie Schulte, Cynthia Schulte, Delores Heiman, Edna Rae Schilling, Stephanie Birkenfeld, Cheryl Guggenbuehler and Edna Schulte of Hereford. Out of town guests were the great grandmother Mrs. Kate Hankins of Plainview and Mrs. Edna Schulte of Hereford.

Mr. and Mrs. Walter Klemm attended the Diamond Shamrock Convention at the Holiday Inn in Amarillo, Saturday, May 24. Mr. and Mrs. Philip Huseman went to Plainview Sunday for the opening of the "Jimmy Dean" packing house.

Mr. and Mrs. Lerry Spencer and baby of Amarillo came for the graduation Friday night and spent the weekend with her folks, the Raymond Annens.

Mr. and Mrs. Herman Hollenstein of Hereford and their uncle Tony Their of Spokane, Wash. had supper with the Raymond Annens on Friday. Mr. Their plans to spend several months with relatives here.

Sisters Marie, Stella, Herbert, Clara, DeChantal and Adrian left Monday morning for a much needed vacation at Red River, N.M. Sisters Stella and Clarissa will not be back next year to teach. Sr. Mary Hawkins and Immaculate will be here.

AT THE KNIGHTS of Columbus in San Antonio, Ernie Brockman was elected to the State Board as State Warden.

The eighth grade graduates were honored with a party on Thursday evening in the Legion Hall.

The Legion and Auxiliary will celebrate Memorial Day with a Field Mass offered by Rev. Father Stanley at the cemetery, offering the Mass and prayers for all who have died in the service of our country. Everyone is invited for the Mass. After the Mass

breakfast will be served to the members of the Legion and Auxiliary. In the evening a games night will be held.

A party was held Sunday afternoon in the home of Mrs. Helen Backus for the nuns. Enjoying the party were Sisters Herman Joseph, Benedict Marie, Adrian, Clare Marie, Clarissa and Ligouri, Agnes Brockman, Max Acker, Helen and Sue Burt and Alphonso Huseman. The afternoon was spent in playing games and visiting and all enjoyed lunch together.

Mrs. Jim Butler is new president of Garden Club

The Dimmitt Garden Club held its final meeting of the club year Wednesday of last week at the Hereford Country Club. Mrs. Dorit Smiley, Mrs. J. C. Gilbreath and Mrs. Lon Boothe served as hostesses.

DECORATIONS consisted of tables covered with yellow linen, with centerpieces of colorful balloons that were used at the eighth grade banquet.

Business included the installation of new officers by Mrs. Goodwin Miller. She used the rainbow theme and presented each lady with a corsage.

The new president is Mrs. Jimmy Jack Butler. Other incoming officers include Mrs. Joe Carver, vice-president, Mrs. Jay Lee Touchstone, secretary and treasurer; and Mrs. Cecil Dennis, parliamentarian and anti-litter chairman. The new historian is Mrs. Wes Anthony and reporter is Mrs. Myrtle Sheffy.

The Garden Club extends thanks to Mrs. Cecil Dennis and all of the civic clubs for helping make Dimmitt a cleaner, more beautiful place to live.

The club will hold its rummage and plant sale in the H. H. Carll's garage at 710 W. Bedford St. Saturday, starting at 10:30 a.m.

Getting their BA degrees at Texas Tech on Saturday May 31 from here will be Mrs. Jeanette Johnson, Shirley Brockman and Tommy Wethington.

JOHN HEIMAN is in St. Anthony's Hospital in Amarillo very sick and will have surgery Tuesday morning. Father Harold Heiman of Subiaco, Ark. and Sr. Jean of Lake Village, Ark. and Bill of Ingewood, Calif., came to be with him during his sickness. He is 93 years old.

Mr. and Mrs. Bob Steffens are in Enid, Okla. with their daughter and family the Greg Venhauses. They had a baby boy born last Thursday, weighing only two pounds. He is doing as well as could be expected.

Mr. and Mrs. Earl Backus, Mr. and Mrs. Lawrence Acker, Mr. and Mrs. Jerry Acker, Mr. and Mrs. Bob Steffens hosted a surprise housewarming for the Robert Verkamps Sunday evening. Also enjoying the party were Mr. and Mrs. Edwin Verkamp, Lucille and Marvin of Idalou and Roma Verkamp and Augusta Blume of Slaton.

Diet is a major problem of elders

Senior citizens need better diets. **RECENT** research on 300 older persons points to five major deficiencies: calcium, Vitamins A and C, Nicotin and the proper intake of calories.

Too many or too few calories are problems among this age group, reports Minnie Bell, Extension specialist for aging.

In the study, 40 percent said they took vitamins no matter what they ate. Yet nutritionists tell us that this may be a waste of the food dollar and could be harmful.

MISS BELL, a specialist with Texas A&M, pointed to common problems in older people's diets. They forget to eat or eat too little. Very limited meals of "tea 'n toast" or "bread 'n butter" may occur often.

MODELING THEIR OWN—These 11 ladies modeled the dresses they had made for themselves and received certificates last Thursday for completing the basic clothing construction course taught by Mrs. Irene Keating and co-sponsored by the Community Action Committee and the Extension Service. From left are Mrs. Rafaela Enriquez, Mrs. Meacela de Contagna, Mrs. Eusebia Balderoz, Mrs. Tony Garza, Mrs. Helen Meadows, Mrs. Martia Delacruz, Mrs. Frances Washington, Mrs. Beulah Mae Chavers, Maria Velasquez, Mrs. Justine Redrick and Mrs. Lottie Smith.

Ladies complete clothing course

Eleven ladies completed a six-week course in basic clothing construction last Thursday and received their certificates from Mrs. Irene Keating, instructor.

THOSE receiving certificates were Mrs. Beulah Mae Chavers, Mrs. Malissa Rogers, Mrs. Frances Washington, Mrs. Petra Martinez, Mrs. Martia Delacruz, Mrs. Helen Meadows, Mrs. Tony Garza, Mrs. Monula Perez, Mrs. Eusebia Balderoz, Mrs. Meacela de Contagna, Mrs. Justine Redrick, Mrs. Lattie Smith, Mrs. Rafaela Enriquez and Miss Maria Velasquez.

A tea followed the style show and awarding of certificates in the courthouse assembly room.

Helping Mrs. Keating instruct were Mrs. Betty Vaughan, Mrs. Mary Acker, Mrs. Rachel Cleaver, Mrs. Esther McRee, Mrs. On-

Three former governors to head water campaign

By **VERN SANFROD**
Texas Press Association

BILLS AND FILIBUSTERS

Gov. Preston Smith has named three former governors as co-chairmen of a committee to lead the campaign for the \$3.5 billion Texas water bond constitutional amendment. Ex-Govs. John Connally, Price Daniel and Allan Shivers will head the drive.

The amendment, if approved by Texas voters, would provide the funds to initiate the Texas Water Plan, including the importation of irrigation water to West Texas.

Filibusters began to slow the tide of legislation passed by the Senate as the June 2 adjournment deadline closed in. However, bills continued to roll through both houses in staggering volume on the local and uncontested bills calendar.

A MINIMUM-WAGE proposal landed in conference committee. Budget conferees brought out a one-year appropriations bill without knowing whether Gov. Preston Smith will veto it.

While bills to create a University of Texas at San Antonio, a UT of Permian Basin in the Midland-Odessa area and a University of South Texas at Corpus Christi ran into Senate filibusters, other new school measures went to the governor. Among them were UT at Dallas, medical schools at Houston and Lubbock, and a future site left to UT regents, a UT dental branch (probably in San Antonio) and nursing schools at San Antonio and El Paso.

An amended version of the implied consent bill to require breath tests of suspected drunk drivers found its way to the governor's desk. UT regents were given authority to curtail enrollments. A proposed new constitutional amendment (SJR 15) would allow the legislature to establish a uniform method of assessment of ranch, farm and forest lands.

CLUB RULES FIRMED

Liquor Control Board announced its final version of new rules to clamp down on private bottle clubs, effective Sept. 1.

Club "guests" cannot pay cash or share in club services unless in the company of a member or present on his personal invitation. Clubs also would have to maintain written records showing when members were admitted or removed, have a membership committee or governing board to pass on

memberships and operate with at least 25 members.

Other new rules include keeping permanent records of all transactions involving the pool system or maintaining separate storage lockers for each member if operating under the locker system, filing quarterly reports to Texas LCB on pool transactions and requirement that regular food service be provided.

THE EYES HAVE IT

A battle that has raged for almost 20 years between the chain store and independent optometrists has been tentatively resolved by the final passage of a "compromise" bill worked out by Sens. Jack Strong and Tom Creighton. The bill sent to the governor spells out a stiff code of ethics and advertising for the industry — something the non-advertising operators have wanted for years.

Big feature provides that there will be no more "one price" ads. In the future, ads will have to carry the lowest and highest prices of lenses in stock.

On another health front, the legislature has sent to the governor a bill to license and regulate the hearing aid industry. It was passed with the full approval of the industry, which worked closely with the lawmakers on perfecting the bill.

A-G OPINIONS

Texans not registered as voters cannot serve as school district trustees, Atty. Gen. Crawford Martin ruled in a new opinion requested for Honey Grove (Fannin County) schools.

In other recent opinions, Martin concluded that:

- A legislator can run for office where pay was increased by legislative session when he was a lawmaker if the term doesn't overlap.
- Employment of adult probation officers is not subject to county commissioners' court approval.
- A school board of trustees does not have the authority to suspend a student for any act, such as possession or use of dangerous drugs, unless the board has adopted a rule, regulation or general policy covering such conduct or unless the act violated state statutes covering "incorrigible conduct."
- Industrial Accident Board cannot award an attorney a fee for fatal injury cases but can allow reasonable expenses for preparation and presentation of claim.

VOCATIONAL EDUCATION

State Advisory Council for Vocational Education has unveiled its new master plan for new directions in educating students for industry. The three-part program calls for spending the state's \$16 million federal allocation for vocational education. A formal public hearing on the plan will be held June 7 at the regular meeting of the State Board of Education.

What will the new plan do for the students? John Buemple, assistant commissioner for vocational and adult education, explained it this way:

"The state plan puts new strength in the standards of the vocational and adult programs, sets up special advanced courses for highly skilled craftsmen in junior colleges and James Connally Technical Institute in Waco, and even affects the preparation of teachers themselves."

Texas operated more than 8,300 programs in vocational education during the 1968-69 school year. This will increase to 8,700 programs in September of this year.

SHORT SNORTS

State Supreme Court invalidated a \$57,198 contract for improvement of the San Antonio water system because a member of the city electrical examining and supervising board was president of the company which entered the successful bid.

House Speaker Gus Mutscher craved any doubt as to his immediate political plans by announcing for re-election as speaker in 1971 and hinting he will be around after that.

A legislative resolution seeks 1970 political party referendums on daylight saving time.

Governor's Committee on Aging granted \$189,220 to programs for the elderly in Big Spring, Mercedes, El Paso, Georgetown, Borger, Houston, Austin and Fort Worth.

Gov. Smith asked President Nixon to declare Johnson County and Blum in Hill County major disaster areas for flood aid.

New Boling Community State Bank, Wharton County, seeks charter from the State Banking Commission.

William M. Steger of Tyler has announced as a candidate for the state Republican party chairmanship.

Gov. Smith has written to the Texas delegation in Washington urging them to oppose any attempt to further reduce the number of questions to be asked in the 1970 census, saying he's convinced that proper safeguards for insuring privacy of the census have been provided.

Square Dance Tips

By **BILL HARMAN**

Thirteen Dimmitt Promenaders traveled to Amarillo Friday night to visit the Star Twirlers Square Dance Club. A cake walk and ice cream party was enjoyed by all. The Promenaders also captured the Star Twirlers traveling banner.

THE PRESIDENT of the Dimmitt Promenaders was awarded a miniature Texas map pen desk set by Sid and Judith Perkins. It certainly was quite a surprise, thanks a lot Sid and Judith.

THE REGULAR Tuesday night square dance of the Dimmitt Promenaders was well attended. Sid did his usual fine job of calling to the Promenaders. A round dance was also taught to several dancers.

Host couples for the evening were Helen and Wes Brown and Idella and Raymond Crum. Door prize was won by Sid Perkins.

If you are interested in learning to square dance, get in touch with any Dimmitt Promenader or come and visit any Tuesday night at the American Legion Building. Visitors are always welcomed. Square 'em up! Square dancing is fun!

Hereford plans pioneers' event

Hereford will host "Mid-Plains Pioneer Day" Friday for Deaf Smith County pioneers and visitors.

THE celebration will be in the Big Bull Barn, and will feature the naming of the "Pioneer of the Year" and a basket lunch at noon.

Registration will begin at 9:30 Friday morning, and the business meeting will be called to order at 10:30 a.m. The day's events are open to anyone wishing to attend, and out-of-town guests need not bring food.

Z-Z-ZIP! — James M. Crawford (second from left) of Timaru, New Zealand, gets a demonstration of a new German-made steel saw from Henry Spruell (right), foreman of Dimmitt Wheat Growers' fabrication shop, during his tour here Friday. Others in photo are Glen Hammond (left), manager of Dimmitt Wheat Growers, Inc., and Ralph Green of Amarillo, who accompanied Crawford to Dimmitt.

New Zealander marvels at county's rich soil

Castro County hosted a New Zealand couple Friday when Mr. and Mrs. James M. Crawford of Timaru spent the day looking over the county's industries and crops. **CRAWFORD** — a tall, soft-spoken man with customary New Zealander's politeness is the mercantile manager for Canterbury Farmers' Cooperative Association, Ltd., in Timaru, and is spending seven months in the US on an Eisenhower Exchange Fellowship. Accompanying the New Zealand couple on their tour was Ralph Green of Amarillo, executive secretary to Jay Taylor and

State urges shots against tetanus

If the warm spring weather has drawn you out to work in the yard — when it's not raining, that is — and you haven't had a tetanus immunization, you are, in fact, giving tetanus an open invitation to pay you a visit.

LAST year it visited 17 persons in Texas — and all but seven died. Of the 10 deaths, at least eight had not been immunized against tetanus, according to State Health Department morbidity reports.

Often referred to as "lockjaw," tetanus is no respecter of persons — either by age or residence. It hits anywhere.

In 1968, the disease struck down two infants under one year of age. It also claimed victims in the 1- to 4 age group, and age groups of 5-to-9, 10-to-19, 30-to-39, 50-to-59 and 60 and older.

Tetanus is definitely a killer. Even when treatment is started almost immediately, about one-third of the victims die anyway.

FORTUNATELY, there is an effective and safe immunization procedure against this disease.

However, an initial series of tetanus inoculations will not help if given after an injury. A booster will do, if you've had initial protection.

Spores of the bacteria which cause tetanus are almost everywhere. They are found in soil, street dust and animal droppings, particularly in manured soil. A scratch, cut or open sore may allow some of the unseen spores to enter the body.

Once inside the body, these tough spores turn into a form of tetanus germ which may secrete a powerful toxin — or poison. One-fourth teaspoonful of this toxin is enough to kill 100,000 people.

IN HUMANS, the toxin causes muscle spasms, convulsions and frequently, death. The label "lockjaw" refers to a spasm of the jaw muscle which clamps the jaw shut.

Unless you have had a basic tetanus immunization in the armed forces or from your family doctor, you must do so before an injury to be protected.

In many Texas school systems, local rules require that all students entering school for the first time must show proof that they have been immunized for certain diseases; tetanus is sometimes one of the required immunizations.

But in the preschool group and for adults who have not been immunized for tetanus or whose immunization effectiveness has expired, the need certainly exists. Why take a chance?

Dairy products and turkeys head list of best buys

Dairy products spotlight the foods in plentiful supply this June, reports the Texas Agricultural Extension Service.

JUNE is the traditional time when milk production reaches its peak — assuring an abundance of such dairy foods as butter, cream, cheese and yogurt.

The US Dept. of Agriculture says canned tomatoes and tomato products, canned and frozen sweet corn, rice and turkeys also are plentiful.

Cold storage holdings of turkeys are well above normal. You'll find all sizes on hand. The large birds are just right for oven roasting, while the smaller sizes are ideal for the outdoor grill.

SUPPLIES of canned tomatoes and tomato products processed from the very large 1968 crop will continue to pressure markets.

Frozen stocks of sweet corn are expected to continue to run at a high level. Canned sweet corn on hand is estimated at more than 32 million cases of 24 No. 303 cans — indicating plenty of corn for your cooking needs, according to USDA's Consumer and Marketing Service.

Be sure to add rice to your June shopping lists. Rice offers a different accent at mealtime.

sophomores, 10 juniors and 12 seniors were presented awards for "prompt and regular attendance."

The following students received individual awards for academic achievement during the past school year:

Seventh Grade — Jan Harris, James McLain, Brad Seymour, Tommy Cunningham, Alberta Guzman, Nelda Henderson, Sonny Mancias and Jim Tucker.

Eighth Grade — Alan Shive, Cathy Nelson, Ricky Black, Jean Foster and Dirk Rambo.

FRESHMEN — David Guzman, David Bass, Elizabeth Stephens and Cindy Dyer.

Sophomores — Brenda Barham, Carol Miller, Bonnie Seymour, Becky King, Denise Lowery, Roni Cox and Sharon Brooks.

Juniors — Pam Shive, Jerry Heller and Harold Bennett.

Seniors — Jan Averitt, Iona Clevenger, Reba English, Bobbie Ethridge, Rebecca Futrell and Cathy Sharp.

MEMBERS of the National Honor Society received merit awards. They were Jan Averitt, Iona Clevenger, Reba English, Bobbie Ethridge, Rebecca Futrell and Cathy Sharp, all seniors, and Harold Bob Bennett, a junior.

Cheerleaders awards were presented to Rebecca Futrell, Roni Cox and Silvia Gonzales.

Officers and members of the student council were given awards for their year of service. They were Iona Clevenger, president; Bill Bledsoe, vice-president; Pam Shive, secretary and treasurer; Jim Steiert, Reba English, Andy Rogers, Mike Armstrong, Ricky Farris, Sharon Brooks, Steve Brown and Dee Ann Clevenger, representatives.

ANNUAL staff members receiving awards were Iona Clevenger, editor; Bill Bledsoe, assistant editor; Sue Bates, Becky King, Roni Cox, David Bass, Denise Lowery, Cathy Sharp, Reba English and Tony Mille, staff members.

THEY'RE OFF! — Ewell Kelly starts Jeff Bell's and Gary Bruegel's racers down the long, sloping track during the annual Cub Scout Pinewood Derby at the city park Saturday evening. Approximately 35 boys took part — and their fathers had a race, too. Champs in the Derby were Chris Isaac (second from left) in the Cub Scout division and Jimmy Clevenger in the Webelos division. Blue ribbon winners were Gary Butler of Den 1, Gregg Gambelin of Den 5, Greg Kelly of Den 6 and Chris Isaac of Den 7. Bill Gregory's race car won the dad's event.

New research program may affect water import

Final approval of a project which will aid the U.S. Bureau of Reclamation in determining the feasibility of importing water to the High Plains was given this week to the High Plains Research Foundation at Halfway.

THE PROJECT will determine the yield and production response of sugarcorns and corn to various combinations of fertilizer and irrigation. The study at the Foundation is a part of the five and a half year research study assigned to Iowa State University by the Bureau in 1967.

The Foundation is one of several institutions cooperating with the University throughout western United States in compiling detailed information for the Bureau's study.

Purpose of the study is to develop better correlation between physical soil characteristics and crop yields under given conditions of irrigation for improved methods of evaluating the productive capacity of irrigated farmlands in the western United States.

COMMISSIONER of Reclamation Floyd E. Dominy said, "We are confident that this study will yield new concepts and methods that will improve Reclamation's pro-

cedures in land classification and economic analysis of irrigation projects."

Director of the Foundation, Dr. Tom Longnecker, stated, "We are pleased that the Bureau and Iowa State have decided to place this research project here at the Foundation since it permits us to expand our irrigation fertilizer research to include sugarcorns and corn as well as cotton, grain sorghum, wheat and soybeans. More efficient use of water is the objective of these studies."

This is the purpose of the study. Past annual reports on cotton, grain sorghum and cotton also will be considered in completing the University study.

THIS SHOWS the depth of the Reclamation economic and feasibility study into providing supplemental irrigation water to the High Plains. The University study is to be completed in February of 1973.

What foods are best for picnic?

The key to successful picnics, says Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist, is planning and preparation.

GOOD PLANNING makes picnic meals nutritious, economical and fun.

What foods are best for picnics? Ones which are easy to prepare, easy to carry and easy to eat, says the specialist for Texas A&M University.

Cheese foods for outdoor meals as for other meals. The Basic Four is a guide. Include a leafy, green, or yellow vegetable and a protein food such as meat, cheese, fish or eggs. Bread, buns, or potatoes will provide a starchy food.

Fruit makes a simple dessert. Milk or a fruit drink provides the beverage.

Carefully packed food will keep in good condition until eating time.

SALAD greens and raw vegetables should be washed carefully, patted dry and put into containers to keep them crisp, Mrs. Clyatt says.

Plastic bags carry fresh vegetables, too.

Meats should be cooled thoroughly before being packed. A thermos container or an insulated bag is ideal for packing carefully wrapped meat. Meat can be wrapped in several layers of newspaper to keep it cool.

Sardwiches should be wrapped individually and packed carefully. Pack cookies and cake closely in a box — so that they don't move around and break up while being carried.

DON'T TAKE foods such as potato salad and cream sauces and fillings on a picnic, warns the home economist. They spoil rapidly, especially under picnic conditions, and can cause food poisoning.

Before you leave for the picnic make a check-list. Include the food cooking and eating utensils, serving dishes and spoons and condiments such as salt and pepper.

Take some paper bags for trash. It makes cleaning up easier and it helps prevent littering.

Nazareth Legionnaires name Texas Boys' State delegates
J. C. Pohlmeier and Harold Schacher will represent Nazareth at Texas Boys' State in Austin, June 7-14.

THEY WILL be sponsored by Nazareth American Legion Post 258.

Pohlmeier is the son of Mr. and Mrs. LeRoy Pohlmeier. He serves as president of the Catholic Youth Organization and has been president of his class. He is active in sports and plans to attend college after finishing high school.

Schacher is the son of Mr. and Mrs. Alfred Schacher. He, too, has served as class president and is active in school sports.

THE OBJECTIVE of Boys' State is to educate youth in the duties, privileges, rights and responsibilities of American citizenship and government.

Mechanics school set in Hereford

A job training school for mechanics has been announced for Hereford.

The school is now recruiting applicants for an auto mechanics class and another for farm equipment mechanics which is scheduled to start here possibly next month, according to TEC Manager Lester Rape.

Classes are to be conducted eight hours a day, five days a week, and will continue for one year, Rape said.

"This training is made available through the Manpower Development and Training Act of 1962," he said, "and is offered at no cost to the trainees. In fact, if they should meet certain requirements, they may draw a training and they are being instructed," he said.

ANYONE who desires to attend the training school should call in person at the TEC offices at Seventh and 25 Mile Avenue in Hereford.

"The main requirement is the desire to be mechanics," Rape stipulated. Other requirements include being 18 years of age or older with at least an eighth grade education.

"If there is an employer in the area who has a special person in his payroll he would like to see trained as a mechanic, he should contact us at once," Rape said.

Last rites held for Mrs. Sharp

Funeral services for Mrs. Susie L. Sharp of Lubbock, sister of Goodwin Miller and Mrs. Pearl Shelly of Dimmitt, were held in the Arnett-Bensen Baptist Church in Lubbock Friday.

MRS. SHARP, 79, died last Thursday morning. She had been in ill health for several years.

Survivors include a son, M. C. of Lubbock; two daughters, Mrs. Flo Jenkins and Mrs. Mildred Bryant, both of Lubbock; three brothers, C. G. Miller of Dimmitt, R. C. Miller of Iraan and P. D. Miller of Hobbs; a sister, Mrs. Ray Shelly of Dimmitt; six grandchildren and 19 great grandchildren.

Children get 'home vacation'

By MRS. J. T. STEHR

Lucky ones — the children of the Fred Bruegels Jr. — they live near one set of doting grandparents and the other set comes to see them and brings their home along on wheels! So, while the E. F. Biggs visit daughter and family, the grandchildren can also visit in their home, a beautiful shiny mobile home. They have gone after a ten-day visit with the Bruegels.

KYLE BAGWELL, young son of the Milton Bagwells, celebrated his seventh birthday by taking friends to the show to see the movie, "Swiss Family Robinson."

The A. T. Morgans visited his mother, Mrs. R. R. Morgan of Amherst recently.

Mrs. Dean Myers visited the J. T. Stehrs a few minutes late Friday as she returned from Clovis, where she visited her father, Will Graef.

A lot of visiting and picture looking was done when friends of one of Cotton John's Tours met at the home of Mrs. George Bagwell Thursday. Don't we all miss Cotton John? Ladies were Mrs. Twila Blank from Amarillo and Mrs. Donna Dukeminier of Wellington.

The parents of Max Keating were up from Olton to visit their son and family Wednesday.

THE MIKE LANGFORDS of DeKalb came to visit his mother and Linda, and her mother, Mrs. George Crain, who has been ill. They were unable to stay for Linda's graduation, since their school is not out and their children had to go back and take exams.

Mrs. B. E. Sinclair visited Mrs. George Bagwell Friday afternoon. Mrs. Paul Langford visited Mrs. J. T. Stehr Thursday afternoon.

The Moss Howells were in Lulia Monday on business and at lunch with their daughter, the Melvin Stovalls.

and for the first time in many years it will be a "weekend" conference, ending Sunday.

USUALLY the annual conferences open on Monday or Tuesday and close on Thursday or Friday. The Sunday closing time was the format of annual conferences during the early years in this area, and it is being used again this year to encourage laymen to attend.

Bishop Alsie H. Carleton, resident bishop of the Northwest Texas-New Mexico Area, will call the conference to order at 2:30 p.m. Friday. The four-day meeting will close Sunday with the reading of appointments for the ministers.

INVENTION of the row-crop tractor in 1925 opened the way to herd efficiency in cotton production.
