NUMBER 48

Extensive Paving Program Being Completed Here This Week

Bobcats Plaster Silverton 45 to 6

Featuring diminutive Bobby Warren who personally accounted for 31 points, the Bobcats' T-formation proved entirely too much for the Silverton Owls down Caprock way. Although the Cats fumbled themselves out of a couple of touchdowns, the fancy running of Warren and Ziegler, along with a few accurate passes by Captain Lonnie Rice, piled up enough points to assure victory.

The defensive line played some better Friday night, with Jackie Miller, Junior Fuller, and Cecil Taylor playing especially good games. Jowell is gaining strength and weight daily and is beginning to look like a sure repeater as all-district end. Harold Brannan who is versatile enough to play any position, was called upon to play defensive end, and as usual, he turned in a nice game. Davis, Martin, and Parks took care of the tackle position in a fair manner. Although Howell had trouble holding the ball in line smashes, his down field blocking was beautiful.

This Friday night on the local gridiron, the Dimmitt Bobcats will tangle with the Amherst Eleven, one of the classiest football teams of the South Plains.

Local Scouts Attend Court of Honor Monday

Scoutmaster Maurice Faust with Scouters, C. G. Miller and O. K. Howe and seven members of the local Boy Scout Troop attended a Court of Honor meeting of the Tule District at Turkey Monday night. Dimmitt Scouts attending the meeting were Dale Maxwell, Orrin Howe, Jackie Miller, Billy Dee, Roy and Ray Murphy, and Don Nelson. The Turkey troop won the attendance prize with 52 present.

The next Court of Honor of the Tule District will be held in Dimmitt November 28. Local Scout officials are urging all boys 12 years of age or over to become members of the Boy Scout Troop.

Bromfield Sees Five-Year Farm Boom

Author Louis Bromfield, (at the helm of his tractor), bronzed and hard after personally directing operations at his 1400-acre Pleasant Valley farm at Lucas, O., predicts American farmers will feed the world for at least another five years and these farmers have shown a willingness to accept the challenge with modern equipment which used over \$100,000,000 worth of tires during the last 12-month period. To meet this demand, another major tire factory, The General Tire & Rubber Company, has returned its war-curtailed tractor and farm implement tire line to full-scale production. Bromfield and his manager, Bob Hoge, watched the first public demonstration of General's new tractor function and acclaimed its pulling power as "most amazing."

Many Dimmitt Business Houses Get Face Lifting

A campaign inaugurated by the Chamber of Commerce several months ago when it first became an active organization is bearing fruit, as many Dimmitt firms are improving and modernizing their premises. Among the improvements that have greatly enhanced the appearance of the city is the renovation of the Dimmitt Drug Store building, where the old awning was removed and a new canvas awning installed, new electric signs also add to the appearance of the building. New sidewalks, reaching from the buildings to the curb have been constructed in front of the Higginbotham-Bartlett Co., the Davis Drug, M. System Grocery and Snipes Shop, and preparations are being made to extend the wide sidewalk in front of the First State Bank and around the south side of the bank, and also in front of the Dimmitt National Farm Loan Association office, Woodlee Real Estate office and City Barber Shop. In addition to the new sidewalk the old out-moded awnings along the front of the Davis Drug, M-System Grocery and Snipes Shop have been removed, and new modern fronts are being planned for the buildings. An improvement completed several weeks ago was the rebuilding of the front of the Castro County News office. In the block west of the Courthouse remodeling has been completed on the front of the store building occupied by the Cashway Grocery.

THE METHODIST CHURCH

"Unto the Pure all things are pure; but unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled." Titus 1:15

We have heard the statement that the world was surely going to the dogs. Maybe the reason for such belief was because the speaker was making a mess of his life. War looks inevitable, it looks as though might would finally triumph over right. The picture isn't too bright right now but God has worked wonders with a minority on many occasions. The oft used and sometimes abused statement that "If God be for us, who can be against us?" might well be called to mind once again. God is in His heaven and all is well with the world. Look for the pure and good, there's plenty of it. Remember that "All things work together for good to them that love God."

You are invited to worship with us this coming Sabbath. We close our meeting with the evening service.

FLAG HOME DEMONSTRATION CLUB NEWS

"When choosing your china, silver and glassware, look for equal design and quality, equal price range so that one will not detract from the other" said Miss Mattie Lee Seago in her demonstration in the home of Mrs. Lynn Smith Wednesday, October 8. A miscellaneous shower was given to Mrs. J. T. Casler, Sr., who is moving near Weatherford. Coffee and pecan cookies were served to 19 members.

HAPPY EDGE CLUB NEWS

The Happy Edge Club met at the home of Mrs. Leo Witkowski Wednesday October 8. Roll call was answered with a traffic law. Mrs. Witkowski acted as chairman in the absence of our president. Preceding the business session a quiz game was enjoyed. A nominating committee was appointed to select new officers. Refreshments were served to Mesdames Henry Wilhelm, John Stork, Bruce Field, Ben Fortner, Clifford Stork, Lilton Hoyer, Homer Herring, Bernice D. Fortner, J. C. Gardner, A. C. Lee.

Club Boys Place At State Fair

Weather Report; Not A Forecast

The weather in Castro county continues just like weather in Castro county shouldn't continue—dry. That has been the case, however, for the past six months, more or less, until, at the present, anxious eyes are turned skyward throughout the Panhandle area anxiously skanning the heavens for indications of an eleventh hour rain, general rain, that is needed to bring up volunteer wheat so that planted wheat might have time to make much needed pasture, maybe. Weather like we are having now is the reason that a lot of farmers have drilled irrigation wells, and is causing a lot of others to frantically make preparations to drill, but there is no solace in that direction for the dry land wheat farmer and cattleman who depend on rain for the moisture without which he can't make expenses. Maybe it will rain, Mr. Winburn says it might, but he can't be positive yet.

HOW DESTRUCTIVE IS FIRE

Did you know that every lay 100 farm fires take the lives of 10 farmers. . . that one farm fire in 10 results in death?

Did you know that the total fire loss this year will be about equal to the value of ~~the~~ productive acre and every farm building in the State of Washington?

Did you know the farm fire loss this year would build 50,000 \$2,000 barns?

Did you know that forest fires this year will burn over an area as large as the State of New York, destroying enough timber to build 200,000 five-room homes?

Did you know that the total estimated loss threatens to exceed \$700 million, enough to give every man, woman and child in the U.S. \$5?

Did you know you can prevent 90 percent of all these fires by living sensibly . . . and being forever on the alert?

These are facts reported by the National Fire Protection Association as we observe Fire Prevention Week, October 5 to 11, proclaimed by President Truman.

Act today to stamp out the causes of fire on your farm. It's up to you to protect yourself—your family—and your farm.

News From The CASTRO COUNTY WIND EROSION DISTRICT

SUPERVISORS—Barber Eubanks, Chairman; R. A. Axtell, Secretary; W. V. Boston, Orbin Nowell, Flor ence Ball.

New irrigation well locations were made the past week for the following farmers: E. O. Tunnell, who lives two miles west and one and one-half miles south of the Dodd Gin; A. W. Mills, four miles east and six miles south of Nazareth; G. L. Willis, Jr., three miles south of Dimmitt; and Anton Huerkert, seven miles south and one mile east of Summerfield. A relocation was made or Roy Jones on his farm six miles north and four miles east of Dimmitt. The former location was within two hundred feet of a well belonging to C. G. Maples and it was feared that the draw-down on both wells would interfere seriously with their pumping capacity. The new location was set several hundred feet away from the first and a topographical map was made to determine how high an irrigation ditch would have to be built to reach all the land that would have been reached from the first location.

The following farmers received help in laying out their irrigation systems the past week: Roy Jones, Edwin Holland, L. O. Waggoner, Bill Graham, Jr., and Wayne Carthel. Topographic maps were made the past week on farms belonging to W. F. Cone, Wayne Carthel, and L. O. Weggner. These maps show which way the land slopes and how much it slopes per hundred feet.

C. B. Wilhelm, a cooperator with the Castro County Wind Erosion District, has recently planted fifteen acres of Austrian Winter Peas for grazing, winter cover, and soil improvement.

Anthony Acker, Nazareth 4-H Club boy and son of Mr. and Mrs. Philip Acker, showed the 1st place light weight Barrow and Champion Chester White Barrow at the Junior Livestock Show at the State Fair of Texas at Dallas, Saturday, October 4. This was the same barrow that was Grand Champion at the Tri-State Fair at Amarillo.

Other boys winning at the State Fair were Kenneth Acker, second and third light weight barrows. Floyd Acker showed the first and second place heavy weight Chester White Barrow and first place Junior Sow pig an dfirst place Junior Boar pig.

The sow pig is one that Floyd has raised and drew much comment from the visitors to the Fair. The boar pig was Snow Mountain, a pig recently purchased from Avoca, Iowa. This pig will be used as a herd sire by Jacob Acker and Sons, registered Chester White breeders.

While in Dallas the 4-H Club boys and F.F.A. boys were entertained by the State Fair. Saturday was Club Day and some 40,000 club boys and guests were present. Monday night, October 6th, the Sears Foundation entertained 500 4-H Club and F.F.A. boys at a Banquet at the Adolphus Hotel.

The Grand Champion pig of the show was a Poland China shown by Jack Heald, Muleshoe 4-H Club boy. The dam of the pig was bred by Frank Huseman, Nazareth Poland China breeder.

Brownie Troop Organized Here

A new Brownie Troop was recently organized with twenty members enrolled. Officers elected were: President, D'Aun Carrell, Secretary-Treas., Kay Sharon Goodwin; Reporter, Ann Cummins. Mrs. Floyd Smith is Troop leader and Mrs. E. C. Caudle, assistant. The Brownies enjoy games, stories, and songs at their meetings.

Waggoner-Wood Vows Exchanged

Wedding vows were exchanged between Clifford Wood, son of Mrs. Mary Wood and Miss Reda Waggoner, daughter of Mr. and Mrs. John Waggoner of Dimmitt September 27, in the Methodist parsonage at Hereford, with Rev. O. B. Herring performing the ceremony. The couple will make their home in Dimmitt.

Dimmitt Gets White Auto Store

Elsewhere in this issue of the News is the announcement of the opening of a White Auto Store in Dimmitt under the ownership and management of Mr. Dewey Powell. This is Dimmitt's newest enterprise and is a credit to the city. The store is new throughout and is displaying a complete new stock of merchandise, featuring auto parts and accessories and home appliances and shelf hardware. Mr. Powell declared that the store would be enlarged from time to time as the needs of the community become known. He invites the people of this and surrounding communities to visit his new store. The new store is located in the former McCollum Motor Co. building.

NATION NEEDS NEW SCHOOL PLANTS NAT'L COMM. OF EDUCATION SAYS

American education is struggling hard today against a crippling teacher shortage and against obsolete and inadequate school plants and equipment, according to John W. Studebaker, of Washington, United States Commissioner of Education in a message to the National Federation of Business and Professional Women's Clubs in connection with its observance of National Business Women's Week, October 5-11.

"Yet I dare to say that in looking toward tomorrow we may take encouragement from the present crisis."

It has shocked the American people and, in consequence, they are beginning to inform themselves of the extent of the crisis in their own communities and they are beginning to act. During 1947 almost every State legislature in the country has either taken or considered taking action on improving teachers' salaries. And in our nation's capital the Congress is studying ways and means of providing federal assistance to the nation's schools. "Surely the upsurge of public opinion all over the country can be taken as a healthy sign that a start is being made in the right direction. There is a long uphill climb ahead. For one thing, the teaching profession needs to attract thousands upon thousands of outstanding young people to strengthen its depleted ranks, and this can be done only if young people have definite assurance of reasonable compensation and improved working conditions. For another, our nations needs new school plants by the thousands, and new modernized equipment."

Let me sum up the situation in education by saying that it promises that we can face tomorrow with confidence. But I emphasize the fact that the burden of carrying out the promise falls on all of us. Anything less than immediate, forthright and continuing action by the American people in general must be considered a setback."

National B. & P. W. Club Week was brought to the attention of the local club on Monday evening October 6, when Mrs. O. K. Howe was hostess to a Buffet dinner at her home here Mrs. Howe was assisted by Miss Mattie Lee Seago and Mrs. Faye Holland.

Lovely fall dahlias and roses were used about the entertainment rooms. White taper and pink roses formed the centerpiece for the dinner table. Place cards used on the quartette tables bore the club emblem and a reminder of this national observance. Those attending the dinner were Mesdames R. S. Vestal, E. C. Caudle, G. B. Frazier, Glenn Radcliff, Claude Forson, and Miss Katharin Duree guests of the club, and the following members: Mesdames Faye Holland, Ethel Womack, Ocie McCormick, Helen Richardson, Margaret Boren, Cordye Birdwell, Lottie Bearden, Ola Murphy, Genevieve Howe, Elizabeth Huckabay, and Misses Hazel Merritt, Joy Cluck, Mattie Lee Seago and Kathryn Easter.

County's First Large Scale Paving Program

With the completion of paving of sections of Highways 51 and 86 within the Dimmitt city limits one of the most extensive paving programs in the history of Castro county for any one year is drawing to a close. The first paving job completed was the 18 mile Farm to Market paving of the 25 mile avenue from the south county line north to the intersection with Highway 86 west of Dimmitt. The first major highway paving project for the county, during the year, was the completion of paving of 194 between Dimmitt and Hart.

The last gap in Highway 51, from Dimmitt south to the Lamb county line has just been completed, by the Austin Construction Company of Dallas, ushering into this area the first of the soil-cement type of road base. Highway 51, which will eventually be a trunk highway through the state is destined to carry an ever increasing load of traffic.

Installation of curb and gutter and widening to 60 feet of Highway 51 from the intersection north to the city limits and installation of curb and gutter and paving of a 60 foot street along 86 from the intersection to the west city limits has just been completed by the Austin Construction Company. Curb and gutter was installed by the Bryan and Hoffman Construction Company of Plainview at a cost of \$17,000 to the property owners with property abutting on the streets. One block of paving on 6th street, beginning at Highway 86 and extending north between the Dimmitt Motor Company property and the Rawlins Hotel and West Texas Telephone Company. The 6th Street paving was paid for by property owners with property abutting on the street.

Mrs. C. G. Maples New W. M. U. Pres.

In a very impressive service Monday, October 6, Mrs. C. G. Maples, Sr., was installed as president of the Woman's Mission Union of the Baptist church. Mrs. W. E. Kirkpatrick, retiring president, installed the officers. Those to assist Mrs. Maples are: Vice-pres., Mesdames Deroey Cates, Freeman Curtis, Edwin Ramey, and John Broadstreet; Young people's Sec., Mrs. W. E. Kirkpatrick; Corr. Sec., Mrs. E. H. Youts; Recording Sec., Mrs. C. A. Hance.

Mrs. H. Alldredge led in the dedicatory prayer. A social hour was enjoyed after the business meeting. From a lovely tea table, Mesdames W. A. Wright, J. E. Burch and C. G. Maples Sr., served the following members of the W.M.S.:

Mesdames W. E. Kirkpatrick, C. W. Boothe, R. L. Beavers, John Alldredge, J. O. Strother, Tom Tate, Sam Cooper, Elmer Noble, W. T. Gollehon, Cecil Curry, Edwin Ramey, Raymond Hance, M. J. Lee, Maurice Faust, Deroey Cates, Walter Giffith, Birdie Duree, J. H. Alldredge.

A silver ladle was presented to Mrs. Kirkpatrick by the Missionary Society as a token of appreciation. The Missionary Society will meet in circle meetings Monday October 13, in the following homes at 2:00 o'clock:

Lois Glass circle with Mrs. J. E. Burch
Javan Hughes with Mrs. C. W. Boothe
Leatha Saunders with Mrs. W. A. Wright
Lena Lair with Mrs. Sam Cooper
The nursery will be kept at the church.

Fire losses in the United States are zooming to an all time high, and threaten to exceed \$700 million this year.

DOING WHAT COMES NATURALLY

Dear Hep Cats of D. H. S. Here we come, "trucking" about the campus digging up all the "latest" on the local Romeos and Juliets.

This younger generation has taken the spotlight this week-end. Christine Anderson and Marvin S., Sunnye and Sammy Hardy, Johnny and Thomas, Bobbie Wooten and Dudley Aven, and Pat Carpenter and Don Nelson, all seem to be having fun.

Did we see Royce Rice giving Pat Tate the "rush" this week-end, How do you rate, Royce.

Quite a few D. H. S. students seem to be having "HART" aches—we saw Neil and Jeanne, Wanda and Deward, Hoyt and Mildred, Jessie Jo and Billy D., Lavelle and Noyed at the local night spots.

Anne and Wayne, Marilee and Dub, and Laveta and Dee, were seen after the ball game. P. S. Charlotte chauffeured.

Leah and Chubby, Jo-Beth and Howard, Dorothy and Shorty, were steady couples over the week-end.

We can always depend on our old "stand-bys", Marlene and Bobby and Loy Dean and Louise to give us some gossip.

Johnene continues to find Tulia interesting and, as always, Lonnie

likes Olton.

Is this a new romance? Lucille Damron was seen with Melvin Lewis over the week-end.

Douglas and Clydene, Burliegh and Lavelle enjoyed the show the other night.

Guess what? Joyce had a date this week. James Autry was the other half of this twosome.

Wanted: A date for Tiny and Wanda. All applicants to be turned in to Joyce.

True love never dies. Rusty and Harold were together Friday night.

Pardon us while we dash down the hall to see who that was holding hands with Betty Sue. For further details read this column next week.

YEA BOBCATS!

A pep rally was held in the gym Friday afternoon for the Silverton-Dimmitt football game that was held here.

The cheer leaders took charge and, with everyone helping, gave some enthusiastic yells. They also taught some new ones.

Mr. Blaine gave a speech and predicted the Bobcats will win by a few points.

The school is behind the football boys one hundred percent and they have not lost a game this season.

COMMITTEE PLANS ASSEMBLY PROGRAM

Plans were made for a part of the year's assembly programs, when a committee made up of the heads of organizations in the school and three faculty members appointed by Mr. Vestal met Friday, Oct. 3. Assemblies are planned for each Wednesday with classes and organizations responsible for programs.

Wanda Gollehon was elected song leader, Patsy Youts, pianist, and the following programs scheduled:

- Oct. 8—Student Council.
- Oct. 15—Football boys
- Oct. 22—Song Session
- Oct. 29—Honor Society.

Members of the committee are Wade Thompson, Jackie Miller, Harold Brannan, Neil Coventry, Loy Dean Stone, Tiny Hunter, Mr. Lawrence, Miss Merritt and Mrs. Hunter.

MARIONETTE PROGRAM

Friday morning at 9:30 Dimmitt schools were entertained by a Marionette program.

The grade school, especially, seemed to enjoy the acrobats, mountaineers, sailors, the dancers, bass fiddle player, Bugs Bunny and Elmer Fudd, and the clown.

Last but not least, there was a skeleton who rhumbaed. The skeleton has 34 different strings by which he is operated.

This program is the first of a series of Artist programs for the year.

LOOKING AHEAD

It's up and down and all around that Dimmitt made the top ten teams in the region this week.

With the conference games drawing rapidly close, the tenacity of the situation is certainly increasing.

Right now it looks as tho three teams are coming up in the district to give the Bobcats a run for their money. The Canyon Eagles were rated one place above the Bobcats in the Amarillo Globe this week. The way they defeated the Dumas squad, 19 to 0, looked pretty classy.

Tulia was not in the top ten this week for the first time, but this doesn't mean a thing. Tulia has played some of the strongest teams in the region and they surely look speedy. Our opinion is that the Tulia team will be the hardest in the district to beat.

Olton looked very strong last week when tying Muleshoe.

Hereford also came up a notch when they beat Dalhart, 7 to 6.

Win or lose, the Bobcats have some hard games ahead of them.

JOURNALISM CLASS

Click-click, then scratching, and low murmurs. What in the world goes on in room 15, 6th period? Why, its the journalism class!!! It takes a little of everything to edit a paper. We have editors, and reporters working under the editors. News is gathered from the faculty and student body, then it is written, approved by the editor, and by Mrs. Hunter; next it is typed and sent to the county paper to be published.

Don't get the idea that we only edit the paper. That is the biggest job, but we also have lessons, teaching us how to write and edit a paper. We thought we were through with spelling years ago, but discovered we weren't after the first quiz.

It's the job of the journalism class to edit the paper in such a way that both the school and the community will be informed of what is going on. The journalism class is really the public relations agency of the school.

SPORTSMANSHIP

Sportsmanship, which is essential in any undertaking, is classified under two headings, good and bad. It means not only that a team must play fairly with another team, but also with each player on its own team.

Envy not only causes damage to the team but also to the individual. Each time envy conquers its victim it becomes stronger for the next time.

The purpose of sports is to better acquaint teams and players with one another, and to promote good feeling of "May the better team be played for revenge but with a feeling of "May the better team win."

Webster defines sportsmanship as "conduct becoming to a sportsman, involving honest rivalry, courteous relations, and graceful acceptance of results."

Anyone who does follow Webster's definition whether he is the most outstanding member of the team or not, can feel sure that he is benefitting his team and himself.

BOBCATS OUTSMART OWLS

The Dimmitt Bobcats ran over the Silverton Owls at the Dimmitt field, Friday the third with a score of 46 to 6. The Bobcats were sparked by the running of Bobby Warren and passing of Lonnie Rice.

The Owls kicked to the Bobcats and the ball was recovered on the 20, where three plays were run for two first downs. The Owls recovered the ball on a fumble and Bobby Warren intercepted their pass. The ball was run nearly to the goal line, where Bobby Warren made a touchdown and the extra point was made by Jack Ziegler.

The Bobcats kicked and the Owls made a 13 yard setback on two plays, then kicked to Bobby Warren who carried the ball to the 35 yard line. Two nice passes by Lonnie Rice and some good catches by Carl Jowell netted 25 yards and the ball was carried nearly to the goal line, where a fumble gave the Owls the ball. After making no gains they kicked and the Bobcats carried the ball over for a touchdown, with some excellent blocking by the line and tricky running by Bobby Warren.

The Bobcats kicked the ball and soon had it on downs. Two plays made another touchdown for the Bobcats, with Warren taking the ball over. When the Bobcats kicked, the Owls made some setbacks and had to kick. The Bobcats soon had another touchdown with a long pass from Lonnie Rice to Bobby Warren, and Warren kicked the extra point to make the 26 to 0 at the end of the first half.

The Bobcats kicked to the 10 yard line to start the second half and the ball was carried to the 45, where Jack Ziegler intercepted a pass to give the Bobcats the ball. Bobby Warren completed a pass from Lonnie, to run sixty yards for another touchdown.

The Owls recovered the Bobcats' kick on the 20 and ran to the 40 yard line. With one long 23 yard run and a series of short runs, the Owls made a touchdown, but were unsuccessful in the try for extra point.

The Owls kicked and the Bobcats carried the ball downfield, where Jack Ziegler made a touchdown. The extra point was made by a pass to Carl Jowell.

The Owls were held again with good defensive work from Jackie Miller, Junior Fulfer, Cecil Taylor and Lewis Martin. The Owls were set back 17 yards with two good tackles by Cecil Taylor and Lewis Martin. The Owls kicked, but the ball was blocked and it rolled back across the goal line, where Carl Jowell covered it to make another touchdown for the Bobcats. The extra point was made by Cecil Taylor, and the game ended with a score of 46 to 6 in favor of Dimmitt.

This game leaves the Bobcats as one of the five undefeated teams still left in this region and second highest in points scored, with 104 points, while the highest is 146.

Cheese Ring Pleases Family's Eye and Palate

Give a salad a chance to star and it will, writes the Country Cooking Editor of Capper's Farmer, one of the leading farm magazines.

"This savory cheese ring, garnished with watercress, will please everyone's eye and palate," she points out in the magazine read by 1,300,000 farm families. "What's more, it is easily converted into a hearty main dish. Just add shrimp or tuna to the original recipe, or fill the center with a medley of fresh fruits.

SAVORY CHEESE RING

- 1 tbs., unflavored gelatin
- 1/2 c. cold water
- 1 tbs., sugar
- 2 tbs., lemon juice
- 1 tsp. salt
- 1 tbs., vinegar
- 1 pt. cottage cheese
- 1 c. evaporated milk
- 2 tbs., chopped pimiento
- 2 tbs., chopped green pepper
- 2 tbs., chopped parsley
- 2 tbs., minced onion
- 1/2 c. diced celery

Soften gelatin in cold water, then dissolve over hot water in double boiler. Add sugar, lemon juice, salt and vinegar. Blend cheese with milk; add to gelatin mixture. Chill until mixture begins to set, then fold in vegetables. Rinse ring mold with cold water, then pour in cheese mixture. Chill until set. Unmold, serve with Cooked Salad Dressing. Serves 9.

Mustard Potato Salad A Hit for Club Lunches

An attractive platter of potato salad, cold cuts and deviled eggs will make a real hit at that next club luncheon, advises the Rural Home editor of Capper's Farmer, one of the best known farm magazines.

For added zest, make the potato salad with mustard cream dressing.

she writes. You can give it an extra tang, too, with diced raw cucumbers or crumbled fried bacon.

MUSTARD CREAM POTATO SALAD

- 3 medium potatoes
- 1/2 c. prepared mustard
- 1/2 c. evaporated milk
- 1/4 c. sugar
- 1/4 c. vinegar
- 1/2 tsp. salt
- 1/2 c. onions, chopped
- 1/2 c. celery, diced
- 1 tsp. celery salt

Cook potatoes in their jackets until tender. When cold, skin and dice. For dressing combine sugar, mustard, milk, vinegar and salt; beat thoroughly. Toss together lightly potatoes, onion, celery, celery salt and salad dressing to moisten. Chill before serving. Add hard-cooked egg if desired. Serves 6.

Mr. and Mrs. S. W. Lilley of Baird spent the week end here visiting relatives and friends.

Questions and Answers about Adequate Wiring

Q.—WHAT IS ADEQUATE WIRING?

A.—Adequate Wiring simply means having enough circuits, large enough wire, and enough outlets and switches in your home to furnish electric service to all the electric appliances you have now and will want in the years to come.

Q.—Why should you have Adequate Wiring?

A.—So that you may enjoy the conveniences and economies offered by full use of your low cost electric service.

Q.—How can you tell if the wiring in your home is adequate?

A.—Call or write your nearest Public Service Company office or your elec-

trical contractor. They will tell you in a jiffy.

Q.—Is Adequate Wiring expensive to install?

A.—No. The benefits you will receive from Adequate Wiring are far greater than the cost. Also Adequate Wiring will enhance the value of your property.

Q.—What does Adequate Wiring mean to homemakers?

A.—It means that you will begin to live better — electrically. Adequate Wiring means better cooking for you; more efficient refrigeration and water heating; easier washing and ironing; better lighting.

THE STATE OF TEXAS TO: W. C. Dimmitt and wife A. F. Dimmitt and W. D. Oliver and to the heirs and unknown heirs and legal representatives of each and all of the above named parties, if any of such named parties are deceased, and to all persons owning or claiming any interest in the land hereinafter described Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Castro County at the Court House thereof, in Dimmitt, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of November A. D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 6th day of October A. D. 1947, in this cause, numbered 1924 on the docket of said court and styled R. M. Warren Plaintiff, vs. W. C. Dimmitt and wife A. F. Dimmitt and W. D. Oliver, and the heirs and unknown heirs and legal representatives of each of the said W. C. Dimmitt, A. F. Dimmitt and W. D. Oliver Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff sues in trespass to try title to all of Lot No. 22 in Block No. 82 of the Original town of Dimmitt, Castro County, Texas, and alleges peaceable and adverse possession of said property, under title or color of title, deed or chain of deeds, under fence and paying the taxes thereon, and pleads, the five and the ten and the twenty-five year Statutes of Limitation of the State of Texas; and prays that the cloud cast upon the title of the plaintiff be removed and that the title to the property be quieted in the Plaintiff, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due returns as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Dimmitt, Texas this 6th day of October A. D. 1947.

Attest: Ola Murphy, Clerk District Court, Castro County, Texas.

Mr. and Mrs. Sid Parks of Oakland, Calif., are here for a visit in the homes of his sisters, Mrs. Tom Bice and Mrs. Jack Gregory, and his father, Mr. E. S. Parks.

How to Defrost and Clean Your Home Freezer

HOME freezers can be easily defrosted and cleaned if a few simple rules are followed, points out the Country Home editor of Capper's Farmer, one of the best known farm magazines.

Here are some of her suggestions: For a complete cleaning, remove foods and place them in a cardboard container, or wrap them in newspapers. Scrape the frost from strips and liner walls with a spatula or piece of hard wood. Do not use an ice pick or any other pointed sharp instrument.

Clean the exterior regularly with a mild soap and water or a liquid wax which adds luster and protects the surface. Once a year—perhaps in the late spring—clean the surface of the condenser with a stiff brush or vacuum cleaner attachment.

To shut down a home freezer, turn it off. Remove the contents. Defrost and clean the interior, mopping water from the bottom. Leave the lid open so air circulates inside.

PARTY TIME TABLE

The simplicity and charm of today's informal entertaining is expressed in this decorative party table setting, designed by Miss Ann Martin, nationally known hostess authority. Miss Martin says, "If you've been keeping your grandmother's cut glass punch bowl in the storeroom all these years, now's the time to bring it into the parlor because parties with punch are high in fashion favor."

Refreshments are served buffet style and may be attractively set up on a card table, decorated with garlands of ivy. In keeping with the grape harvest festivals now being celebrated, clusters of varicolored grapes may also be used. Then, the punch bowl serves as a centerpiece, with punch cups or glasses set in a ring around the bowl. Side dishes hold thin-cut sandwiches, small cakes or cookies. Here's a favorite fruit-and-wine punch that's appropriate, refreshing and easy to prepare:

WHITE GRAPE PUNCH

3 cups unsweetened pineapple juice
3 cups Cresta Blanca California Cider
1 cup sparkling water
1/4 cup lemon juice
White seedless grapes
Chill pineapple juice, wine and sparkling water. Combine in a punch bowl or large water pitcher. Add lemon juice and sugar to taste. Garnish with lemon slices and grapes. Serves 6 to 8.
