

Bobcats to Tangle With Springlake

The Dimmitt Bobcats have been working hard all week in preparation for their opening game of the season against Springlake Friday night.

Springlake, a traditional rival of the Bobcats, has, like Dimmitt,

Deputy Sheriff Gets Gas Getters

"Getting a little gas, huh?" Deputy Sheriff Granville Martin asked a man at a gas tank Wednesday night.

The tank, which had been losing considerable gas lately, was on the farm of John Rice at Hart. But the man who was getting the gas wasn't Rice—it was somebody else, and this somebody else turned around and jammed a pistol into Martin's ample stomach.

This naturally irritated Martin who then cautioned: "Better put that gun down fellow." Then the man saw Rice, who was standing in the background with a shotgun leveled at him. One look was enough and Martin had no difficulty taking the pistol from his antagonist.

So George Oslar O'Connor, formerly of Eric, Okla., is now in County Jail, charged with assault with a deadly weapon. His companion, William C. McCausland of Carlsbad, N. M., is also with him on a theft charge. Their wives are not being held, although they were allegedly in the car that was being filled up.

Mr. Rice had been losing gas all along, so he and Martin stationed themselves near the tank and waited this time for such arrest in the case of farm gas pilfering.

been hurt by last year's graduation. With only two starters back and a new coach, the Wolverines are a "dark horse." Predictions during the past week have been hard to come by, because the Bobcats themselves will be flexing their muscles for the first time with little idea of what the outcome will be.

Probable offensive starters for Dimmitt will be Junior Coffee and Hal Ratcliff at ends; Don Warren and Jack Ragland at Tackles; Mike Bailey and Ben Holcomb at guards; Romero Garza at center; Stanley Nelson or Carlos Barnes at quarterback; Jimmy Curtis and Stanley Nelson at halfbacks; and James Collins or Jerry Hyatt at fullback.

Game time is at 8 o'clock at Springlake. Dimmitt coaches are again J. D. Covington, head coach, assisted by Johnny Ethridge and Alvis Fuquay.

New Accounting Firm Opens Here

A new accounting and bookkeeping firm has been established in Dimmitt. It will be known as E. T. Cummins, Certified Public Accountant and the office will be managed by Boyd D. Prather, recent graduate of West Texas State College in Canyon. The office will be located in the Farm Bureau building at 306 North Broadway. Prather, who holds a BBA degree with major in accounting, opened the office Tuesday. He and his wife Peggy, and two sons, Ron and David, are making their home in Dimmitt. The firm will specialize in tax returns, bookkeeping, audits and management consultation.

FIRST BALE—Mr. Ray Martin (left) presents a check to Mr. Willie Wells as payment for the first bale of cotton to be ginned in Castro County for the 1958 season. —staff photo

First Cotton Bale Ginned in County

Castro County's first bale of cotton was delivered in Dimmitt to the Martin Gin about 10:15 Friday morning. It was brought by Mr. Willie Wells from his farm five miles south of Dimmitt on Highway 51.

So far as is known, the second bale was delivered to Roland Shepard at the Hart Gin Tuesday. It was produced by Lloyd Davis of three miles north of Hart. Mr. Wells cotton is Paymaster variety and is producing about one

and one-third bales per acre. It was hand-picked and weighed 472 pounds. Martin paid 50 cents per pound for the cotton and will seed revenue, the bale netted \$239.80 at the gin. Castro County Chamber of Commerce, merchants, and gins had collected a premium for the first bale which amounted to \$412.30. Subtracting 50 cents for storage and handling, Mr. Wells made \$663.30 on his first bale.

This is the earliest cotton believed ever produced in Castro County. Agricultural experts in the county consider this year's cotton potential to be one of the best yet.

ASC Community Committeemen Named

Castro County ASC office this week announced the new community committeemen as elected in the voting period ending September 3. Committeemen for Community A are Bill Simpson, James Wilhelm, L. L. Waggoner, Paul Venhaus, and Charles Burk.

For Community B are M. L. Simpson, Guy Walser, Fred Axe, George Bagwell and C. W. Frye. Community C committeemen are H. C. Nelson, Noel Gollehon, Dan Heard, Clyde R. Davis, and Hugo Beyer.

Committeemen for Community D are Milton Bagwell, Edward Jones, Joe Collins, Johnny Haber, and Ervin Ott.

For Community E are Percy Hart, Paul Brooks, D. D. Myrick, F. A. Smith and D. L. McLain.

These men will take over their new offices on October 1.

STOLEN WRENCH PROVES UNDOING

Juan Valejo was fined \$44.50 this week in Justice of the Peace Court after being found with a stolen \$3.50 wrench in his possession. Valejo allegedly stole the wrench at White's store in Dimmitt when he purchased a wheel brake cylinder kit for his car. Unable to make his bond, Valejo pawned the wheel he had taken off to repair the brake with at the Sheriff's office until he could pay the remainder of his fine.

Charged With DWI

T. R. Scott of Dimmitt was fined \$300 and costs for driving while intoxicated this week. Scott was arrested by Deputy Sheriff Granville Martin after a chase that started near Canyon by Randall County officers. Scott was apprehended near the Areny community.

BOOK CLUB TO MEET

Dimmitt Book Club will meet in District Court Room Wednesday, Sept. 10 at 4 p.m. Mrs. James Son of Plainview, guest reviewer for Mrs. A. J. Kemp, will present a program, "The Life of a Woman in Four Phases." The public is cordially invited to attend.

GOLD STAR MOTHER—Mrs. Carl Page, newly elected president of the Dimmitt American Legion Auxiliary, presented Mrs. Percy Estes with a gift Thursday to commemorate her selection as a Gold Star Mother. Greer H. Estes Post No. 445, the local Legion post, was named after the son of Mr. and Mrs. Estes who was killed in the Allied invasion of France in World War II. The Legion Auxiliary is making a search for other Gold Star Mothers in this area. Boyd-Houtchens Photo

Reserved Seating Still Available at Football Stadium

Little more than one hundred reserved seat tickets remain to be sold for premium seating at the Dimmitt Bobcat home games this year.

The tickets will entitle the holder to a regular seat between the forty-yard lines and ushers will supervise seating the fans. The seats are being sold on a first come, first served basis with each

purchaser allowed his pick of the seats that remain.

The tickets are on sale at \$6 per seat, which comes to \$1.20 per game, twenty cents more than general admission.

Tickets may be purchased at the administration office in the Dimmitt High School building. There will be five home games this year.

NOW BETHEL MISSION, BUT SOON TO BE LEE STREET BAPTIST CHURCH HERE

Lee Street Baptist Church to be Newest Church in Dimmitt

Dimmitt's newest church will come into being Sunday when the Bethel Baptist Mission steps away from its identity as a sub-division of the First Baptist Church in Dimmitt.

Fostered, encouraged, and aided by the local First Church, the mis-

sion will be known in the future as the Lee Street Baptist Church.

This will be a monumental occasion for its 125 members. The ceremony Sunday will mark the beginning of the church's acceptance into the Southern Baptist Convention as a full-fledged mem-

ber. The new Lee Street Baptist Church will be the first major church inaugurated in Dimmitt in more than a decade.

Bethel Baptist Mission, at Second and Lee Streets, was organized in June of 1955 by Rev.

Wayne Day with the assistance of the First Baptist Church of Dimmitt. From a handful of people for a congregation the church has grown to its membership of 125 today.

Present pastor of the mission is Rev. Murry Brewer, who has laid the groundwork for changing the mission into a full fledged church.

The new church has ambitious plans. Now in a converted barracks building, the membership has plans for a new brick structure as soon as possible.

To help inaugurate the brand-new church, Rev. Brewer announced this week that a week-long revival will begin Sunday morning with Rev. Marshal Penn of the Calvary Baptist Church in Muleshoe as evangelist.

The organization service will begin at 2 p.m. Sunday. Welcoming the new church into the circle of Baptist Churches will be Bro. Aron Mann of the Canyon Calvary Baptist Church. He will be followed on the afternoon program by moderator Bro. M. A. Smith, pastor of the First Baptist Church in Dimmitt.

In the business session, Cecil Oglesby will read the Covenant, followed by a reading of the constitution by Dr. C. M. Vandiver. Next the Articles of Faith will be adopted, the Church named and the pastor called. The church clerk and church treasurer will be named and Dr. F. E. Swanner, District Missions Secretary, will give the charge to the church. Bro. Smith will give the message.

City to Start On New Paving

Another paving project, this one originally for fourteen city blocks in Dimmitt, may well mushroom into a big thing as individual property owners over the city are working to get their streets either paved or completed.

If all the streets are paved that are being worked on at this time, then nearly all of the city west of the square will be paved north and south, and there will be three north-south streets east of Highway 51 paved also.

Presently in the mill are the paving of 9th street from Highway 86 to Halsell Street; Etter between 5th and 6th; Andrews between West 8th and 9th and between Highway 51 and east second; and West Fourth south of the

City Park. These projects are being worked on by residents of these streets and whether or not this paving will become a reality will not be known for some time.

The city is also endeavoring to encourage citizens to pave left-over areas around over town. These dirt areas are 50 or 150 feet long and extend halfway out into the street and are there because the persons whose property is located adjacent to these areas has refused to pave in the past.

The current paving program started out as a drive to pave the following streets: Cleveland, from its intersection with pavement on Front Street to and including Tenth Street; Second Street from

Jones to the intersection with State Highway 51; Third Street from Jones Street to intersection with State Highway 51; and from Bedford to the center of Etter Street; Etter Street from Second Street to center of east Third Street; and Andrews Street from Broadway east property line of alley between Broadway and Second Street.

Estimated cost of the paving will be from \$4.53 to \$6.92 per front foot. Ten percent of the cost of paving will be born by the City of Dimmitt and the remainder assessed against property owners abutting the pavement.

Any persons wishing to have pavement installed should contact the City Manager's office.

about dimmitt and castro county by bascom nelson

Transportation of any product is a good part of its cost to the consumer. Every year thousands of dollars are paid on freight for bringing the products we use from New York, Detroit, Minneapolis, St. Louis, Chicago, Europe, the Far East and anywhere else consumer goods of any kind are manufactured.

Most Castro County farmers realize that one of their major expenses every year is hidden and evident freight. But perhaps \$20 of the \$100 or so spent on shipping a new tractor here from the factory was taken up by a bunch of extra train crew members and station agents imposed on the railroads by labor unions and the government.

But few people take the trouble to write their congressman about kicking loose some of the grips on the railway industry imposed by the Interstate Commerce Commission.

Actually every railroad in the nation is struggling for its existence against featherbedding unions, outmoded ICC regulations and, most important, public indifference. It is true that railroads are putting out a lot of propaganda favorable to themselves in their fight against unfair regulations, but it still makes good sense.

This country would be in complete chaos in no time if we lost our railroads. Yet the government is regulating them to death, unions are draining most of what the railroads can make, and every man with the price of a \$10,000 truck can go into competition on public highways with a faltering railway system that must lay its own line, pay taxes in every state, county and city through which it passes, and maintain depots at all stops.

Despite the amount of costs involved in railroading and paying for things that are virtually free to the truck and airline operators, it is still quite possible that they could ship cheaper and just as fast as these other two major agencies if the railroads were allowed to compete freely.

According to an article in the St. Louis Post-Dispatch last March reports alone to the government cost railroads \$7,000,000 a year—something like half a month's gross. Forty-seven states also have regulatory agencies which extract their toll from the railroads. These agencies, with their individual and absolute policies, are part of the reason that 30 railroad companies were considered on the verge of bankruptcy this year. How they come out won't be known until the end of the year, but of all industries harassed by government agencies, undoubtedly railroads suffer the most. In fact, 61 percent of all trucks are considered outside ICC rule.

Railroad authorities estimate that about \$20 billion would have to be spent in modernization and rejuvenation of railroad lines and equipment for them to be on a competitive basis with other types of carriers, both in the passenger and freight fields. With nearly all they can make drained off by government, labor and maintenance, it is not difficult to see their situation is not a happy one so far as improvements are concerned.

There are government subsidies to railroads, mostly in the form of preferential treatment in the way of federal shipping and passenger movements. But this treatment could end if the unions and government would get off the railroad industry's back.

This railroad situation is important to us in that these lines compose a large part of our economy. To have them falter would have a similar effect on the nation as unrealistically low grain or cotton prices. By keeping the railroads operating there is the long-range hope that freight rates will at least remain constant and not rise, as they surely will should the nation come to depend on truck transportation. We say this because the real hope of future low rates lies in the almost frictionless boxcar wheel-to-rail setup, which, next to barge freight, is the most efficient means of transportation known to man. Trucking can't become cheaper and operate at a profit because of the very nature of the equipment involved.

The railroad industry's mess is not of its own making. Most of its restrictions have been imposed, either by federal and state governments or by unions. To keep freight moving during war years the railroads were forced to make unrealistic concessions to unions and to the governmental regulatory agencies. The railroads were put into their predicament more or less by the government and it will be up to the government to take them out.

It may be the farming industry has always thought that railroads were not run quite right ever since old Cornelius Vanderbilt charged cheaper grain freight to his friends than to others for using his railroad. But probably the most contempt for a railroad by a farmer

Bob McLean On Industry Committee

Mr. Bob McLean, president of the First State Bank of Dimmitt, has been appointed to the post of Castro County Representative of District 6 of the Texas Industrial Commission.

This commission is charged with planning, organizing and operating a program for locating new industries in the state. Its specific goals are to bring new industry to Texas, to expand Texas' present industry, launch a national education campaign to convince industry of Texas' friendly, cooperative attitude toward business on both the local and the state level; compile and distribute information on the resources and industrial advantages of the State; and to cooperate with local communities and groups in their endeavors to attract industry.

Mr. McLean will be called upon to work with the Texas Industrial Commission to help carry out its purposes.

Barbara Rogers and Jerry Dale Noble Exchange Vows In Methodist Church

In a double ring ceremony read at 6 p.m. Monday, Miss Barbara Ann Rogers became the bride of Jerry Dale Noble in the First Methodist Church. Their parents are Mr. and Mrs. R. D. Rogers and Mr. and Mrs. Ester Noble.

The Rev. Raymond Van Zandt of Petersburg officiated before an arch of greenery, baskets of white gladioli, and blue candles. The aisles were marked with blue bows.

Mrs. Keith Howard, organist, played traditional wedding music and accompanied Mrs. Joe Nelson as she sang "I Love You Truly," "Always," and "The Lord's Prayer."

Escorted and given in marriage by her father, the bride wore a satin gown with Chantilly lace accenting the Sabrina neckline and long tapered sleeves. Back tiers of lace extended into a chapel train. The bride's fingertip veil was clasped by a tiara of lace dotted with sequins and seed pearls, and she carried a white orchid and stephanotis over a prayer book.

Identical ballerina dresses of blue broadtail satin were worn by the maid of honor, Miss Patricia Wilson, and the bridesmaids, Misses Sharon Wesson, Melba Curry, Myrtle Johnson and Hazel Rogers, sister of the bride, all from Lubbock. The Sabrina necklines dipped to low V's at the backs. Each attendant wore a blue velvet and tulle bandeau and carried as cascade of white feathered carnations tied with blue ribbon.

Candles were lighted by James Rogers, brother of the bride, and Joe Gibson, cousin of the bride from Lubbock, and Lois Mae Hastings were flower girls while the bridegroom's nephews, Jeffery Lynn Myers and Dave Noble were ring bearers.

Bobby Brock served as best man. Ushers were Clarence Rogers of Lubbock, a brother of the bride; Monty Boozer; Jimmy Johnson, Lubbock; and Clayton Graef.

Mrs. Jerry Craft of Lubbock registered guests. The bride's mother wore a pink lace dress with pink accessories. Mother of the bridegroom wore a navy dress with mauve accessories.

A reception was held in the church parlor following the ceremony. The table was covered with a blue net cloth over blue satin. The attendants bouquets formed the centerpiece. The cake was cut by Mrs. G. P. Kirk and served by Barbara Stevens and Mrs. Frances Walker, both of Midland. Others in the house party were Miss Dorothy Wright and Mesdames E. B. Noble, Bob Myers, Frank Britt, Raymond Wilson, Dewey Wright, Leota Smith and Wiley Mae Gilbert of Sudan.

When the newlyweds departed for a trip to Ruidoso, N. M. the bride was wearing a blue chemise with navy accessories and a white orchid corsage. They will reside in Lubbock where Noble will attend Texas Tech and is employed at West Texas Hospital. His bride will be employed at Dunlap's Beauty Salon.

Mr. and Mrs. Noble are both graduates of Dimmitt High School and she also graduated from Isbell's University of Beauty Culture. He served three years in the US Army.

Legion Auxiliary Seeks Area Gold Star Mothers

The American Legion Auxiliary has announced that it is in need of the names of all the Gold Star Mothers and Gold Star members residing in this vicinity.

The Gold Star mothers and Gold Star members are determined by the following requirements: Gold Star mothers must be the mother of, by birth or adoption, and Gold Star members must be the widow, sister, stepsister, half-sister, daughter, adopted daughter or stepdaughter of either a service man or woman who lost their life while regularly enlisted, drafted, inducted or commissioned and who was accepted for and assigned to active duty in the Army, Navy, Marine Corps, Coast Guard or Air Force of the United States at some time during either of the following periods: April 6, 1917 to November 11, 1918; December 7, 1941 to September 2, 1945; June 25, 1950 to July 27, 1953, all dates inclusive.

Anyone knowing of ladies in the Dimmitt area who meet these requirements are asked to give the name or names of the ladies to either the Auxiliary president, Mrs. Carl F. Page or to the secretary, Mrs. H. B. Thomas, as soon as possible as the Legion Auxiliary needs this information in the near future.

FOOTBALL MOTHERS CLUB MEETS AT SCHOOL

The football mother's club met September 2 at the school house. The following officers were elected: Mrs. H. C. Nelson, president; Mrs. Earl Morgan, vice-president; and Mrs. W. H. Curtis, reporter. The mothers are to serve planned menus to the football boys on each out of town game.

Jo Taylor and Bill Behrends Wed At Sunnyside Baptist Church

The Sunnyside Baptist Church was the scene of the 7:30 p.m. wedding Saturday of Miss Jo Taylor, daughter of Mr. and Mrs. S. M. Taylor of the Sunnyside Community, and Bill Behrends, son of Mr. and Mrs. A. L. Behrends of Dimmitt.

The Rev. George Brittain performed a double ring ceremony for the couple before an arch decorated with gold bells and bronze nuns entwined with greenery and flanked by baskets of greenery. Rev. Brittain was assisted by Rev. Murlie Rogers, pastor of the Sunnyside Baptist Church.

Mrs. Howard Bridges, pianist, played traditional wedding music and accompanied Mrs. Nelle Hanks, the bride's sister, as she sang "Always," "A Very Precious Love" and "You'll Never Walk Alone."

Given in marriage by her father, the bride wore a floor-length gown of white embroidered satin, designed and made by Mrs. Francis L. Wilson of Lubbock. She carried a bouquet of miniature calla lilies on a white pearl Bible. Her shoulder-length veil of illusion edged with lace was attached to a headpiece of pearls from Paris, France.

Miss Joann Owen of Plainview attended the bride as maid of honor. Bridesmaids were Mrs. Hanks of Roswell, N. M., and Miss Susan Bridges of Lubbock, the brides niece.

Miss Owen and Mrs. Hanks were attired in waltz-length dresses of beige embroidered silk organza. They wore beige velvet bows in their hair and carried nosegays of bronze mums. Miss Bridges' floor-length dress of turquoise taffeta was complemented by a brown velvet ribbon in her hair and a nosegay of bronze mums.

Andy Behrends of Lubbock served as best man. Ushers were Jerry Bridges and Bob Payne both of Lubbock.

A reception was held in the home of Mr. and Mrs. Howard Bridges. The serving table, covered with a turquoise linen cloth, was centered with bronze mums and a three-tiered wedding cake decorated with turquoise and brown icing.

After a wedding trip to San Francisco and points of interest in California, Mr. and Mrs. Behrends

Jr. Gardeners Enjoy Melons

Watermelon was enjoyed by the Junior Gardeners Friday afternoon in the home of Penny Hays.

LaJuana McGuire gave the girls their new flower arrangement books published by Good Housekeeping.

They will study this book in order to participate in the flower show to be put on at the Fair September 18, 19 and 20.

The next meeting will be September 6 at 4 p.m. in the yard of Ginger Kemp. Mrs. R. D. Rogers will be guest speaker. All girls who are interested and all members are urged to be present to talk about the float for the Fair Parade.

Visits Gregorys

Patty and Betty Lynn Parks of Santa Fe, New Mexico are visiting their aunt, Mrs. Jack Gregory and family.

Weekend at Ruidoso

Mr. and Mrs. Bobby Duncan and son enjoyed the week end at Ruidoso.

AUXILIARY INSTALLATION—Mrs. Mary Flynt (second from right) installs Mrs. Carl Page as president of the American Legion Auxiliary recently at the Ti-Rawl Room in the Rawlins Hotel. Also being installed are Mrs. P. O. Goodwin, Chaplain; Mrs. Cecil Hutton, Vice-President and Mrs. H. B. Thomas, Secretary-Treasurer.

Legion Auxiliary Installs Officers

The Greer H. Estes Unit No. 445, Monday evening, September 11th, to the American Legion Auxiliary held a luncheon, Thursday, August 28th, in the Ti-Rawl dining room. Following the delicious meal, a business meeting was held. During this time, Mrs. Percy Estes, a Gold Star Mother, was honored.

Plans are being formulated for furnished the Auxiliary room and kitchen in the Legion Building. It was suggested that anyone, so desiring, might save Betty Crocker coupons for the Auxiliary so that they could get their silverware replenished. It was likewise suggested that some might save some pots and pans that are still in good condition but not in use that they would like to donate to the Auxiliary kitchen.

These donations would be greatly appreciated as the Auxiliary is trying to equip the kitchen so that it might be used to cook and serve complete meals, an Auxiliary member said. Mrs. Jack Flynt, 18th District president, was the installing officer.

The newly elected officers taking their places as leaders in the American Legion Auxiliary included: Mrs. Carl F. Page, president; Mrs. Cecil Hutton, vice-president; Mrs. H. B. Thomas, secretary-treasurer; and Mrs. P. O. Goodwin, Chaplain. Mrs. Thomas F. Bice, historian, was not present to be installed.

The next meeting will be held

Barnett-Gilbreath Engagement Told

Mr. and Mrs. D. A. Barnett of Olton are announcing the approaching marriage of their daughter, Dorothy, to Mr. John Gilbreath on Saturday, November 1, in Olton. Mr. Gilbreath is the son of Mr. and Mrs. J. C. Gilbreath of Dimmitt.

World Religious Subject of Talk

Canada has made the greatest progress in uniting her religious bodies and getting together on their differences, Mrs. Jim Cleavenger told the WSCS in her talk on Our American neighbors Monday. Mexico has the greatest need for help due to the many languages and poverty. Hawaii has seven major races, so each must be recognized in their contests, if a beauty pageant they must have seven girls representing each race. They are making a big advance in their Christian life. The people of the United States are studying Bible more but seem not to have a deep faith, Mrs. Cleavenger said.

Coffee and sweet rolls were served to the group by Mesdames George Webb, N. F. Cleavenger and Roy Haberer. Mrs. N. F. Cleavenger presided at the business session in the absence of Margaret Wilson who is ill. Plans were made for an informal coffee honoring our school teachers in Methodist Fellowship Hall Wednesday evening at 8 p.m. All are invited.

Irlbeck-Wilhelm Vows Read In Impressive Church Ceremony

Miss Delores Yvonne Irlbeck, daughter of Mr. and Mrs. E. Irlbeck of Nazareth, and Thomas Charles Wilhelm, son of Mr. and Mrs. Charles Wilhelm of Benita, Okla., were married Tuesday, August 26 at 4 o'clock in the Holy Family Church in Nazareth. Rev. Father Peter Morsch was the officiant at the Nuptial Mass.

Music was provided by Delores Warren, organist who played Nuptial selections.

The altar was adorned with white gladioli at each side of it.

Maid of honor was Betty Wilhelm, sister of the groom. Bridesmaid was Beatrice Wilhelm, cousin of the groom. The two attendants wore dresses of pink and blue taffeta and net. Headbands of matching material were created with flowers of the same color.

They carried bouquets of pink and blue carnations. The flower girl, Carol Irlbeck, sister of the bride, wore a white taffeta dress and a headband of white daisies.

Best man was Gene Irlbeck, brother of the groom.

Given in marriage by her father, the bride wore a Chantilly lace and ruffles over satin. The bodice was lace with a scalloped neck and long Victorian sleeves. Her fingertip illusion veil was caught to a hat of lace and se-

quins and she carried a bouquet of white carnations.

Community Hall was the setting for the reception which followed the ceremony. The table was centered with a two-tiered white cake encircled with blue flowers.

Curtis Marshbanks and band of Amarillo provided the music for the dance which completed the evening.

For the wedding trip to New Mexico and Colorado, Mrs. Wilhelm traveled in a spice-brown two piece linen dress with white accessories.

The bride is a graduate of Happy High School. The groom is a graduate of Hereford High School and is now farming.

Mr. and Mrs. Ed Irlbeck served a rehearsal dinner in their home Monday evening.

The couple will make their home in Canyon at 808 1/2 West 14th St.

Senior Girls Enjoy Enrollment Day

The Senior girls got off to a good start with a party, September 29, after enrollment, in the home of Linda Hance. Several pictures were taken and then the girls enjoyed playing games. Refreshments were served by the hostesses, Linda Hance and Jo Beecher, to Brenda Ramsey, Sandra Thompson, Betty Hargrove, Pat Cowell, Joyce Messenger, Marilyn Campbell, Charlotte Hestand, Mickey Pelly, Patsy Gibson, Jeri Dowell, Ed Dena Boozer, and Mrs. Raymond Hance. Another party is planned for September 11.

Seniors Flash New Rings

The Seniors of 1959 are happy to announce the arrival of their Senior rings. They were issued to the Seniors Friday, August 29, after enrollment. There were hands flashing everywhere and a lot of excitement.

The rings this year are quite different from the ones that have been received in the past. They have a purple stone with the Bobcat head and 19 on one side, and the state emblem and 59 on the other side.

First Game To Be Played With Springlake

The first game of the season will be with Springlake, Friday, September 5, at Springlake. The Dimmitt squad is coached by J. D. Covington, head coach, Johnny Ethridge, End Coach, Alvis Fluyge, line coach, and a newcomer, Ronnie Mills, junior coach.

The 1958 schedule:
 Sept. 5—at Springlake
 Sept. 12—Lockney
 Sept. 19—at Hereford
 Sept. 26—at Abernathy
 Oct. 3—Muleshoe
 Oct. 10—Olton
 Oct. 17—Open
 Oct. 24—at Friona*
 Oct. 31—Dalhart*
 Nov. 7—at Tulla*
 Nov. 14—Canyon*
 *Denotes District Games

THE ROSTER

Ends: Hal Ratcliff, Junior Coffey, Houston Frye

 Halfbacks: Jimmy Curtis, Gordon Thanisch, Norman Nelson, Ted Collins
 Fullbacks: James Collins, Jerry Hyatt.

Bobcat Band Prepares For Football Season

August 25 was the beginning of a week-long rehearsal for the members of the Dimmitt Bobcat Band. During these rehearsals the members played both old and new selections, and they were taught two new routines to be used during football season. These routines are the Texas Turn and the Minstrel Turn.

The officers of the band for 1958-59 are Boyce Tate, president; Myles Sadler, vice-president; Sandra Leeth, secretary, and Sandra Thompson, reporter. These students were elected in May, 1958 for these offices they now hold.

Twirlers for the new school year are Norma Battles, Ka Estes, Patsy Woodell, and Tommie Allen. Sandra Leeth is head drum major and Mary Behrends is assistant drum major.

Some new additions to the band will be noticed this year. First of all is a brand new set of drums, and secondly are the new uniforms of the drum majors. They are expected in time for the first game.

Ralph Smith, director, has established a point system. A member must earn a certain number of points to be eligible to take band the next year. This system will also permit the giving of awards to graduating seniors who have earned the greatest number of points.

Mr. Smith feels that the 1958-59 Bobcat Band has great possibilities. This year the band has over a hundred members and is by far Dimmitt's largest band yet Mr. Smith plans to organize a basketball band for the coming season. This is to be strictly a jazz band, and it will add more pep and vigor to the games.

Bobcats Scrimmage

The Bobcats scrimmaged with Farwell last Saturday, August 30, at four o'clock. The game took place at the Dimmitt stadium. The Dimmitt Bobcat's fans should be eager to see the forthcoming game judging by the scrimmage.

The Bobcats lost several good players by graduation, but there are several possibilities of good players in line.

First Pep Rally Friday Afternoon

Dimmitt High School will have its first Pep Rally Friday, September 5 at 3:15 in the Auditorium.

The cheerleaders attended SMU College for a week of advanced cheerleading in Dallas this summer. Those attending the cheerleading school were Sharon Maynard, Sharon Corica, Verna Brown and Aundrea Boothe.

James Bates is the Pep Squad sponsor.

Question of the Week

What did you enjoy most this summer?

Donna Gladman: Band Camp

Linda Hance: being in the rodeo parade.

Jerry Belknap: My brother coming home from Hawaii.

Joyce Messenger: running around.

Betty Hargrove: traveling

The Value of A Second

Would you give one second's time to save a life? One second is time enough to look to the side, around the corner, or down the walk before turning a corner or crossing the street. It is time enough for the pedestrian to look. Just now there are hundreds of children on the streets before and after school. The harvest of the fall crops is increasing traffic. Everyone is thinking about his new work, new friends, and new places. It will pay to be especially alert and courteous until everyone is adjusted to the work and play of the new school year.

Welcomes New Faces

This year in Dimmitt High School we welcome our new principal, Mr. Hillburn, and four new teachers, Miss McMinn, Mrs. Snider, Mr. Mills and Mr. Lowe. At this date we have a total of 264 students enrolled. This enrollment includes 47 seniors, 56 juniors, 70 sophomores, and 91 freshmen. This is the largest enrollment in the history of DHS.

Visits in Dowell Home

Rev. and Mrs. W. E. Dowell and Clyde and Rev. and Mrs. Bill Dowell of Springfield, Mo., Mr. and Mrs. Roy C. Harris of Las Cruces, N. M., Mr. W. H. H. May, and Mrs. Bert McJunkin and Howard of Dallas have all been guests in the Lester Dowell home last week.

DHS Greet New Teachers

Dimmitt students greeted five new teachers for the 1958-59 term in the first assembly last Monday.

Teaching Homemaking is Mrs. Bill Snider. She is a graduate of Texas Tech College in Lubbock, and this is the first teaching position Mrs. Snider has held. Mr. and Mrs. Snider, and daughter Linsae, live south of town where Mr. Snider is engaged in farming.

Instructing Freshmen and Sophomores in English is Miss Thelma McMinn. Miss McMinn, a graduate of West Texas State and Texas Women's University, is engaged in her second time of teaching in Dimmitt Schools. The first time she was choir director and later she was an English instructor.

Directing Choir for Elementary and high school is Roy Lowe. Mr. Lowe, a graduate of WT was an outstanding music student and took part in the dramatic presentations as well. This is his first teaching assignment.

Coaching school athletics and high school football is Ronnie Mills. Mr. Mills is a graduate of W. T., where he was a member of the Little American Team. Coaching at Dimmitt is his first assignment.

Last but not least is the new principal, Paul Hillburn. Mr. Hillburn, a Texas A&M graduate, also instructs a biology class. Mr. Hillburn comes to Dimmitt from Evans where he held the position of Superintendent.

900 Seats Added To DHS Football Stadium

D. H. S. has added an additional 900 seats to its stadium this summer by employees of the school. The stadium will now seat about 2,000 people. Reserve seats are now available and can be reserved by seeing Mrs. Lindsey, the school secretary.

The new stands, made of steel, are similar to the original sections.

In Plainview Hospital

Mrs. Raymond Wilson is in the Plainview Hospital, where she underwent surgery this week. She is reported to be much improved at this time.

home.

Brother George Brittain from Dexter, N. M., read the double ring ceremony that united Jo Taylor and Bill Behrends in marriage in the church Saturday night.

Vows were exchanged before an archway of palm greenery with large bronze mums and button mums of a deeper bronze. Three large wedding bells hung from the top of the arch. Turquoise bows were used on the archway and on the baskets of greenery and mums used on each side of the altar.

The bride, given in marriage by her father, wore a white satin floor length gown embroidered with white calla lilies. She wore a white headpiece with shoulder length veil sent to her from France by her sister. She carried a white pearl Bible topped white calla lily bouquet. Jo Ann Owen of Plainview was maid of honor. Mrs. Lester Hankis from Roswell, sister of the bride and Susan Bridges, a niece, were bridesmaids. Andy Behrends was best man. Jerry Bridges and Bob Payne of Lubbock served as groomsmen and ushers. Mrs. Howard Bridges, pianist, accompanied Mrs. Lester Hankis as she sang "Always," "A Very Precious Love," and "You'll Never Walk Alone."

The reception was held in the home of Mr. and Mrs. Howard Bridges. The table was draped turquoise net over a bronze lace cloth with turquoise bows on each side. The centerpiece was made up of the bride's bouquet and the attendant's nosegays of mums with white candles alight. Mrs. Cecil Bridges served the three-tier turquoise and white wedding cake. Pat Emmons from Lubbock served the punch. Approximately one hundred guests attended. Following the reception, the bride and groom left on their honeymoon for points west. For her going away dress the bride chose a two-piece blue chemise with white accessories.

THE BLOOD OF CHRIST

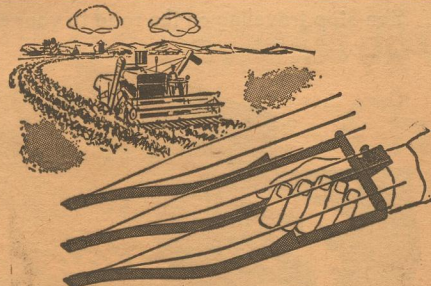

It is not possible for the tongues of men or angels to describe fully the importance of Christ's blood. A bloodless gospel is a powerless one. The sacrifice and atonement was not an afterthought with God, 2 Tim. 1:9; Eph. 3:9-11.

The blood of animals was a shadow, Heb. 10:1-4. Cain tried to detour around the blood, Gen. 4:1-7. Abel offered the blood, Heb. 11:4. The blood of Jesus was much more precious, 1 Pet. 1:18,19; and was shed for us.

Blood was important at the Passover, Exodus 12:11, 12. Prayers even, would not have been an acceptable substitute, Prov. 28:9. Prayer, in fact, cannot take any place but its own.

The Old law was dedicated with blood, Ex. 24:5-8; Heb. 9:19. Anything not authorized in the blood covenant was unclean and rejected. Anything not authorized in the blood covenant of Christ, today, is unclean and rejected. Mechanical instruments of music in worship, burning of incense, sprinkling and pouring for baptism, are examples. The sinner is redeemed by his blood, Eph. 1:7.

NEWS FROM BETHEL

The Bethel Community had its annual "chicken-try" last Thursday evening. A large crowd of approximately one hundred people were present to "dig-in" the large pans of delicious fried chicken.

There were tasty salads, potato chips, pickles, onions, cantaloupe, sliced tomatoes and many other good things to eat with the chicken as well as a large assortment of cookies and cakes for dessert.

TV Interference

Approximately seventy adults spent an enjoyable evening of satisfying big appetites and exchanging the latest bits of news and gossip. The thirty or so youngsters, from the sounds of things, spent an evening strictly of fun and eating.

The Bethel H. D. Club met Wednesday afternoon. The hostesses, Mesdames Ira Brown, Earl Lust, and Leland Smith, were also in charge of the program. They gave a demonstration on "Easy Meal Planning and Quick Casserole Dinners." Refreshments were the dishes prepared during their demonstration. There was a nice group present.

Mr. and Mrs. Bill Samuelson of Denton visited with her parents, Mr. and Mrs. Moss Howell from Friday until Monday. They both plan to attend college in Denton again this fall.

Mr. Jim Bagwell of Amistad, N. M., spent Tuesday night with his parents, Mr. and Mrs. J. A. Bagwell.

Mr. and Mrs. Milton Bagwell were in Amarillo Wednesday. The Ivor Bagwells "babysitted" for them.

Mr. and Mrs. Ed Peacock of Wildorado and Mr. and Mrs. Forbus Blakeman of Amarillo visited with the J. L. Givans Monday.

Miss Mary Elizabeth Givan of Dallas spent the Labor Day week end with her parents, Mr. and Mrs. J. L. Givan.

Mr. and Mrs. Jack Howell and Gaines visited with Mr. and Mrs. J. L. Givan Wednesday afternoon.

Mrs. Joe Finck and Mrs. Orville Finck and children, all of Tulsa, spent Wednesday with the Houstons.

Mr. and Mrs. G. O. Garrison and Brenda, and Sue Phillips, all of Childress, visited in the home of Mr. and Mrs. Carl Bruegel and family over the week-end.

Mr. and Mrs. Jack Flynt and family were in Lubbock Sunday afternoon visiting with Mr. and Mrs. H. G. Winingham and family.

Mr. and Mrs. Moss Howell and family, Mr. and Mrs. Oran Howell and Rhonda, and Mr. and Mrs. Jack Howell and Gaines, attended the Howell Reunion at the MacKenzie Park Sunday. A large group was present. Only one of the Howell boys was absent. He was Gid Howell of Muleshoe.

Mrs. John Earl Gallaway of Amarillo visited with Mr. and Mrs. Kay Roberts Sunday.

Little Miss Rhonda Howell is visiting her grandparents, Mr. and Mrs. Guy Ellis, in Abernathy this week.

Mr. and Mrs. Loyd Ellis and children of Levelland visited with Mr. and Mrs. Oran Howell Wednesday evening.

Mr. and Mrs. Joel Erdson of Nashville, Tenn., were recent visitors in the Earl Lust and James Bradford homes. Mrs. Erdson is the sister of M. B. Settle, a former resident of Bethel.

US Navy Chief Petty Officer and Mrs. Woodrow Howell and son, Kanani, of Washington, D. C. and Mrs. Neal Howell of Lubbock visited in the Moss Howell home from Tuesday until Friday of last week. Woodrow is the brother of Moss and Mrs. Neal Howell is their mother.

The Woodrow Howells met during World War II while he was in service and stationed in Hawaii. She is a native of Honolulu. Their son's name, Kanani, is of Hawaiian origin, meaning "handsome one." From all reports, he certainly does his name justice.

Mr. and Mrs. Hubert Edwards are the grandparents of a young

man, Michael Wayne Edwards, since Saturday, August 30th at 3:05 p.m. He weighed 6 lbs., 8 1/2 ounces at that time. His parents are Mr. and Mrs. Melvin Edwards of Tahoka.

Well, school has started and most of the school supplies, wearing apparel, etc., has been purchased. Now we can settle down to a quiet nine months of football games, basketball games, band trips, class plays and parties, P. T. A., room-mothers' meetings, sleepy-heads, lessons, enlarged appetites, colds, measles, mumps, etc. . . .

But there is a sort of excitement that quickly spreads to everyone when school takes up in the fall. Something about it is catching, causing us to become more alert, step livelier, smile quicker, and more anxious to get things done. Life IS grand, isn't it?

There's always something to look forward to . . . fall, school starting, Winter, Thanksgiving, Christmas, Spring, Easter, School vacation, Summer vacations, and trips and all over again . . . never a dull moment. Yes, life is what you make it.

A while back I wrote that those of you who had any costume jewelry you were tired of or probably would never wear again, might like to donate it to the patients of the mental hospitals in Texas. I am so happy to report that I have received a shoe box full from a number of you. I know it will serve its purpose well in cheering many saddened hearts.

Many of the patients in these hospitals have been confined for years and have received no gifts from family or friends. Gifts like these, which to us mean so little, have been the turning points in many of their lives.

If any of you who would like to donate some of your jewelry, who haven't already done so, you may either give it to me personally, leave it at the News Office, or call me and I will pick it up. I assure you, it will be greatly appreciated.

It's about Fair time again. The way I hear it, the days set for the said event will be September 18th, 19th and 20th.

The Fair Association has been really doing some planning for it. I know it will be one of our best years.

One committee has been busy making arrangements. I understand the entertainment committee has contracted a carnival to be present from September 15th through September 20th. There will be at least five rides including a large ferris-wheel and merry-go-round. Sounds like fun. Wish they would declare an Adult Kid Day for us "too-olds" . . . remember how much fun we used to have when the carnival came to town?)

The other day we suddenly decided to have a picnic at Palo Duro Park. I had heard of the pet deer they had at the Park, but had never seen it. I had the pleasure of seeing it the other day.

Some other people, having a picnic near us, had quite a bit of excitement in their "camp." Evidently all of the adults and some children had gone off in one of the cars for awhile, leaving one fellow to watch the fire and two children.

All of a sudden, we heard a startled voice exclaiming, "Get out of that pie!" Then, a few minutes later, when the others returned, we heard the same voice proclaiming, "Well, how could I, with one kid running this way and the other, that and with a DEER

in the pie!"

The deer was a pet, 'tis certain, but I didn't know a deer would have a taste for PIE!

I wonder if you are aware of the fact that approximately seventy percent of the voters in the US are women? The man may still be boss in most cases, but when it comes to voting, he loses his standing. This is another instance of where the woman has the last say!

Local Committee Review Farm Labor Needs

Four Castro County citizens, Charley Hill, Bascom Nelson, Jack Miller and Robert Estes, will serve as a County Farm Labor Committee and have met with Mr. Ed Vaughn, manager of the Texas Employment Commission office of Littlefield, to review the total seasonal employment needs developed by the TEC.

The Committee was presented with the figures of the TEC that Castro County will be short 2220 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Castro County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop.

Under Public Law 78 the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling." The Committee consults with the local office manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in

CONTROL JOHNSON GRASS

(AND OTHER GRASSES)

CHEMICALLY . . .

WITH

DOWPON

Unwanted grasses are usually the toughest problem where farming is best. They thrive on the very climate and soils that should produce top crops.

Now you can control grasses, without cutting, cultivating, or oiling. Dowpon, is the new chemical way to keep grasses from invading your fields, throttling irrigation and drainage ditches. Hoeing, chopping, cultivating, and oiling only get grass out of sight temporarily. Dowpon gets rid of it.

How DOWPON works

Dowpon is a systemic grass killer—meaning that it kills by working through the plant's system. You simply spray the foliage. Dowpon is absorbed through the leaves and works down through the plant, right into the roots, usually killing the entire plant.

Because it works inside the plant, a Dowpon spray is less likely to be affected by weather conditions. Rain can't wash it off after it has been absorbed.

You can use Dowpon with safety on your farm—foliage sprayed with Dowpon is non-hazardous to grazing livestock.
