

Bobcats to host state's top-ranked team

Ready or not, here they come.

Littlefield's Wildcats, the state's top-ranked Class AAA team on everybody's list, will roll into Dimmitt Friday night to test the upstart Bobcats in the District 2-AAA opener.

It will be the highlight game in Class AAA in the Panhandle-Plains area.

Coach Jerry Blakely's Wildcats are looking for the state championship, which they came within a point of winning last year. As expected, they've knocked off all five of their pre-district opponents, giving up no more than a touchdown to any team so far.

Coach Gene Griffin's Bobcats are looking at least for a little respect, and at most for an upset. They're carrying a 4-1 record and have chalked up four straight shutouts while scoring 127 unanswered points.

The two teams have played only one common opponent so far — Floydada. The Bobcats lost to the Whirlwinds 20-13 in their season opener; the Wildcats whipped Floydada 31-6 Friday night.

However, since that opening-game loss, the Bobcats have defeated two teams that Griffin considers stronger than Floydada — River Road (16-0) and Boys Ranch (21-0).

The Bobcats and Wildcats have scouted each other thoroughly, and are familiar with each other's moves. "Really, the coaches are pretty well eliminated from this game once it starts," Griffin said. "We know what they're going to do, and I'm sure Coach Blakely knows pretty well what we're going to do. So we're just going to have to line up against them, and if their'n are better they'll win, and if our'n are better we'll win."

What Littlefield will do on two out of three running plays is hand the ball to Steve Greene, a 6-1, 180-lb. junior tailback. Greene has gained no less than 947 yards on 130 carries in the Wildcats' first five games, and is averaging more than seven yards per tote.

"In their game against Slaton, Greene made one touchdown run where seven Slaton players made

contact with him," Griffin commented.

Greene appears destined to graduate from his maroon-and-whites to the orange, red, green, purple or blue of major-college football. But he isn't the only dangerous runner on the Littlefield roster.

"I don't think he's really the best athlete on their team," Griffin said. "If you stop him, they've got Ferrante Lewis (5-10, 170-lb. junior split end) and Larry Cantu (5-8, 150-lb. senior wingback) who can hurt you. Nobody's stopped Cantu yet."

Quarterbacking the Wildcats is Chris Ayala, a 5-8, 150-lb. junior who Griffin describes as "a good passer." He'll throw the ball when he gets the chance, with Cantu and Lewis as his main targets.

In all, the Wildcats have five offensive and seven defensive starters back from the team that advanced to the state championship game last year. They started the season by downing Frenship 20-7, then creamed Roosevelt 48-0 and Slaton 48-6 before edging the highly regarded Post Antelopes 14-7 two weeks ago and whipping Floydada 31-6 Friday night.

The Bobcats, on the other hand, came within a coin-flip of going into the playoffs last year as Griffin's system started turning Dimmitt's football program around in his first season here. This year's Bobcats have improved with each game while outscoring their opponents 140-20. They haven't given up a point in their last 16 quarters of play, and they punctuated that record Friday night with a goal-line stand against Boys Ranch.

Whoever wins here Friday night won't have the District 2-AAA crown on a platter. Friona is carrying a 4-1 record into its district opener against Tulia (1-3-1), and Muleshoe owns a 3-1-1 mark as it enters district play against Abernathy (3-2). So four of the five teams in the loop have winning records, making 2-AAA one of the strongest districts around.

But for right now, the Bobcats are concerned only with Littlefield.

The Cat-fight will get underway at Bobcat Stadium at 7:30 p.m., half an hour earlier than the five previous games.

Swifts face Pats in 2-A showdown

By ANNE BIRKENFELD

Nazareth puts its perfect 5-0 record on the line Friday when the injury-ridden Swifts travel to Valley to play what could be the deciding game of the District 2-A North Zone race.

The Swifts, searching for their first 11 man district football title, have four starters who may have to watch from the sidelines.

Game time is 7:30 p.m. and the Patriots are a team that, according to Nazareth head coach Ken Cole, "is the toughest we'll face up to this point."

In comparing Nazareth with Valley, Cole said the teams were pretty even in size and strength. "We have more experience than they do, but they are quicker," said Cole.

The Swifts are out to avenge last year's 14-12 loss to the Patriots. "We are going to have to play good, consistent defense, and not give up any big plays that Valley can capitalize on," remarked Cole. "We are going to have to move and control the ball."

"Valley may well be the toughest team in our district," revealed Cole, "but Happy will be strong, too."

Nazareth is picked to finish at the top of the district race, but there could be a problem. Nazareth has been hampered by injuries. Tailback Chris Gerber is doubtful for Friday night's game, according to Cole. He went down with a leg injury against Sudan two weeks ago, and didn't play against Vega last week. Guard, Scottie Book, and center, Gery Verkamp are also questionable for the Valley game. Eric Wilhelm twisted a knee Friday in Nazareth's 28-6 homecoming win over Vega. The starting tight end might have to sit out the Valley game.

The Swifts shuffled some starters Friday to fill in for Gerber, Book and Verkamp, and managed a 28-6 homecoming win over Vega.

Valley (4-1) and Nazareth (5-0), both 2-0 in district play were the pre-season favorites in the district. Last week the Harris Rating System ranked Nazareth 11th in the state, and Valley 28th.

Corn harvest almost complete

The 1983 corn harvest is almost completed and area elevator operators report yields ranging from 8,000 to 13,000 pounds per acre.

All the elevators have received some milo, and several have started getting soybeans. Some of the county's sunflowers are being harvested.

Here are crop reports from Castro County elevator operators:

Lynn Ehly of Star Grain in Nazareth reported that farmers in that area are virtually through with corn harvest. "Everyone seems pleased with their corn crops," she said. Ehly reported yields ranged from 8,000 to 12,000 pounds per acre.

"We've got quite a bit of milo in, and it's better than expected. We haven't received any that the freeze seemed to hurt."

Don Gregory of Castro County Grain said his elevator will probably wind up with corn sometime this week. Gregory reported that yields in his area have been good, above average. "It seems like the farmers are pretty well pleased. Yields depended on the land and the amount of water farmers had," Gregory added.

He said his elevator received some corn which yielded 5,000 pounds per acre and some which went as much as 12,500 pounds per acre (dry weight).

Castro County Grain received some milo Monday.

The test weight was around 57 to 58 pounds and moisture was 13.8.

The elevator also has been receiving some sunflowers and a few soybeans. "We haven't heard yet about the yield on sunflowers," Gregory said. "But the oil content has been good on the samples we've sent off. We're just getting started on soybeans and it looks like they will be all right, but they will be damaged yield-wise by the frost."

Eddie Matthews of Easter Grain reports that farmers in his area are about half through with corn harvest. "The yields are not as good as they normally are (ranging from 6,000 to 9,000 pounds per acre), but the quality seems to be good."

Easter Grain has received some milo. "There is a breakdown between the early and late milo," Matthews said. "But all we've gotten in so far has been real good. I'm afraid the rest might be a little light on test weight."

"We've got a few soybeans in and it looks like yields will range from 30 to 40 bushels per acre."

Sunnyside Grain and Supply is finished with corn and Ricky Byers said most farmers in that area reported the "best corn crop they've ever had."

Byers said his elevator has received half the milo it will get this year and that the early milo looks good. "The milo (behind wheat) I don't think will be very good," he said.

"Some will have to be baled up because of the early freeze."

DeWayne Brown of Farmers Grain in Hart said his elevator is about 85 percent finished with corn. Yields have ranged from 7,000 to 11,000 pounds per acre. "Overall it's about 1,000 pounds per acre off last year's crop," Brown said.

"Farmers were expecting it to be a normal, or little better than average year," he said. "But it was too hot too long."

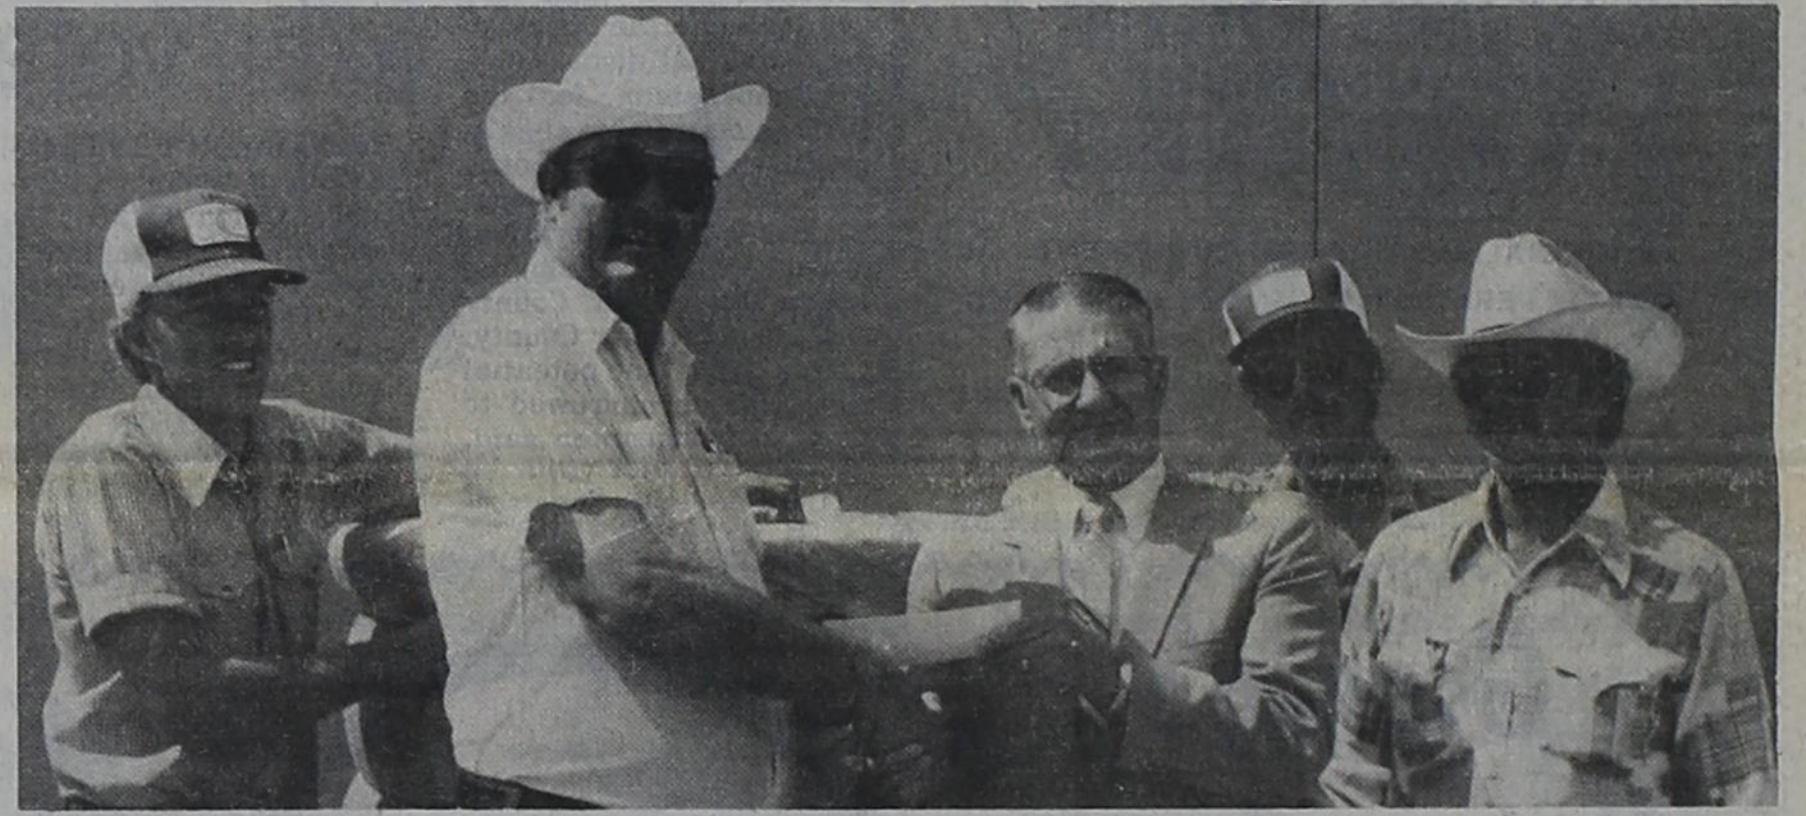

Flagg Grain is about 85 percent finished with corn harvest. J. R. Brown said the yields "have been really good, ranging from 8,000 to 10,000 pounds per acre (dry corn). A few went over 10,000," he said.

Flagg has received some milo from the Dodd area and two customers have begun harvesting soybeans.

Brown said he thinks the milo yield will be good, "but we don't know yet how the freeze is going to affect the soybeans."

The corn harvest is

COUNTY'S FIRST BALE—Castro County's first bale of cotton was ginned Sept. 27 at 8 p.m. at Hart of the Plains Gln. Charles Sharp (right) of Farmers State Bank in Hart presents the grower, Joe Percy Hart, a

Amstar plans cutback

Amstar Corp. is planning a reduction of work force, which will involve approximately 25 employees.

General Manager George Lamberth said Tuesday, "We met with employees this morning to talk to them. It has not been defined who will be laid off, but the reduction will involve roughly 25 people."

Amstar refines corn into starch and high fructose liquid sweetener. Their products are sold mainly to food manufacturers and processors.

Lamberth said the main reason for the reduction is competition and escalating costs. "Our competitors can produce the stuff so much cheaper than we

can. And, our costs are escalating every day. The cost of corn is up dramatically and all costs of operation are up. We have few options but to reduce costs in areas where we can," he said.

Amstar presently employs 185 people and Lamberth said there is "no way we can support that many with the present income of the plant."

Lamberth said, "We've always had a policy of wanting to be a stable longterm employer... and no one wants to let anyone go... but for the well being of the factory and the well being of the remaining 160 people, we have to take some action."

Burglars get motor home

Approximately \$42,000 worth of merchandise was taken from Hays Implement Co. in a burglary Sunday night or early Monday morning.

Burglars took a 1983 Pace Arrow Motor Home and numerous tools from the building.

The motor home, valued at \$38,000, has been recovered in Oklahoma City.

Dimmitt Police Chief Don Franklin said he thinks some of the tools may be in the motor home, but police won't know for sure until someone is sent to Oklahoma to pick up the

vehicle.

Early Monday morning employees at the business noticed a small door on the east side of the building was unlocked. According to police, the burglars gained entrance through that door, which was either left unlocked or was opened with a sharp instrument. Police said there were no forced entry

marks on the door or any other doors or windows of the building.

The burglars drove the motor home out of the building, and took a various assortment of tools off sale racks and out of two vehicles parked in the building.

Police have names of a few possible suspects and are investigating the incident.

Crime Line is offering a \$500 reward for the arrest and indictment of those involved in the burglary.

A \$300 reward is being offered by Crime Line for information concerning vandalism to a tombstone at Castro Memorial Cemetery. The incident occurred Sept. 9. A tombstone was knocked over and broken.

Anyone having information about either of these crimes is encouraged to call Crime Line at 647-4711.

The Caller's identity is not revealed, and rewards are paid upon arrest and indictments of the criminals involved in the cases.

City pool makes a \$2,000 profit

The Dimmitt Board of Aldermen received a report Monday showing that the city swimming pool made a profit of \$2,163.49 over the summer.

It was noted that the pool had shown a small profit year before last, but this was the biggest anyone could remember.

Figures showed that gate receipts of \$5,955 provided most of the total \$7,592.75 in revenues, while labor costs of \$2,181.94 were the biggest among the total expendi-

tures of \$5,429.26.

Mayor R. L. Fleming commended pool operator Carrie Magby for "a job well done," and suggested to the aldermen that she be hired again next summer.

Aldermen met in executive session with City Attorney Jack Edwards to discuss legal matters.

The only other item on the agenda was a request for annexation of property into the city, but no one appeared to make the formal request.

Bill C. Cole

Services for Bill C. Cole, 72, of Chickasha, Okla., were held Saturday at Pleasant Hill Baptist Church in Blanchard, Okla., with the Rev. Burl Mackey and Rev. Roy Lind officiating.

Burial was in Blanchard Cemetery.

Mr. Cole lived in the Dimmitt area from 1947 to 1965. He was a farmer.

He died last Thursday in Grady Memorial Hospital in Chickasha.

He was born Jan. 6, 1911 in Blanchard. He married Opal Thompson Oct. 5, 1934 in Blanchard.

He was the father of David Cole, of Dimmitt.

Survivors include his wife, Opal; two sons, Jim of Russellville, Ark. and David of Dimmitt; two daughters, Mrs. Rex Treadway of Blanchard, and Mrs. Wayne McKinney of Canyon; three sisters, 11 grandchildren and 3 great-grandchildren.

Manuel A. Mendez Sr.

Funeral services for Manuel A. Mendez Sr., 26, of Hart were held Monday in the First Mexican Baptist Church of Plainview with Rev. Glenn Godsey, pastor, officiating.

Burial was in Plainview Memorial Park Cemetery under the direction of Lemons Funeral Home.

Mr. Mendez died Saturday morning in a two-car collision southwest of Dimmitt on SH 194.

Born March 20, 1957 in Plainview, Mr. Mendez grew up in Plainview and had done farm work in Lazbuddie and Hart. He married Juanita Montemayor on June 14, 1975 in Dimmitt. They moved to Hart in March. He was a member of the First Mexican Baptist Church of Plainview.

Survivors include his wife; three daughters, Marie, Laura and Amy, all of the home; two sons, Manuel Jr. and David, both of the home; three brothers, Johnnie, Freddy and Edward, all of Plainview; four sisters, Peggy Casanova, Eliz Casanova and Norma Casanova, all of Plainview and Yolanda Chavez of Dimmitt; and his parents, Mr. and Mrs. Edward Casanova of Plainview.

DOE sets meeting on nuclear dump

Two "public information exchange" programs on the nuclear waste dump program are scheduled Friday and Saturday in Hereford and Tulia.

Representatives of the US Dept. of Energy (DOE), Battelle's Office of Nuclear Waste Isolation and other subcontractor groups will be on hand to make presentations and answer questions. Both meetings are open to the public.

The Hereford meeting will be Friday from 2 to 9 p.m. at the Community Center. The meeting in Tulia will be from 11 a.m. to 7 p.m. Saturday in the Community Center in Tulia.

Linda McClain, DOE project manager for Texas exploration activities, will open the program, the purposes of which is to address issues raised at hearings held by the DOE in May.

Other spokespersons for the DOE and subcontractors will discuss such subjects as the siting schedule, repository engineering and waste package design, geology and hydrology, health and safety, transportation, environment and socioeconomic.

Each presentation will last about 30 minutes, with an additional 30 minutes allotted for questions and comments from people attending, planners said.

In addition to panel discussions, there will be table displays, printed handouts and films. All panelists will also be available at the displays for individual discussions.

A spokesman for the DOE said that nine sites in the US have been proposed for nomination as national nuclear-waste terminal storage sites, including one in Deaf Smith County and one in Swisher County.

This list of nine potential sites will be narrowed to five, the spokesman said, then three sites will be recommended to the Pres-

ident. He in turn will select and propose one site to Congress, and his recommendation will require congressional approval before that site is established as the National Nuclear Waste Terminal.

The state in which the President's proposed waste site is located may object to the proposal, the DOE spokesman said, and Congress has the authority to override the state's objection.

"We've done the preliminary geological and core-sample work, but there's a long way still to go before the final selection is made," the DOE spokesman said. "We've found out in our hearings what people are concerned about, and we want to be as open and informative with the public as we can be. That's why we've scheduled these public information meetings."

However, the timing of the meetings has drawn protests in both Hereford and Tulia. The Hereford meeting Friday conflicts with Hereford High School's Homecoming parade and football game. And in Tulia, Glenna Crooks of Serious Texans Against Nuclear Dumping (STAND) predicted a poor turnout because of the meeting's conflict with harvest season.

School-prayer issue to be voted on soon

The Dimmitt First Baptist Church Women's Missionary Union (WMU) is sponsoring a campaign for people to write senators John Tower and Lloyd Bentsen encouraging them to vote for a constitutional amendment (SJR 73) which will allow audible prayer in public schools.

By VIRGIE GERBER Greg Hoelting is still a patient in St. Anthony's Hospital in Amarillo. He is being treated for heart problems. Tinie is staying in Amarillo with the Math Albrachts and is also recuperating from surgery. We wish them both a speedy recovery.

Congratulations to Tom and Raelene Hoelting on the birth of a girl, Megan Rae, on Sept. 26 in the Tulia hospital. Grandparents are Ray and Martha Schulte and Sylvia Hoelting.

A farewell get-together was held recently at the Herman Birkenfeld home, honoring their son Darryl, who left on Sept. 22 for Brussels, Belgium. He is enrolled at the Catholic University of Louvain, where he will enter a 4-year study of theology and priesthood formation.

Congratulations to Marvin and Patty Jones on the birth of a son, Quinton, on

Swifts run record to 5-0

By JOEL BIRKENFELD
Nazareth, behind the impressive running of Eric Wilhelm, racked up its second District 2-A North Zone win Friday, 28-6, over visiting Vega.

The Homecoming win moves the Swifts to 5-0 for the season, and 2-0 in district play.

The Swifts, who scored all their points in the first half, played without starters Chris Gerber (TB), Scotty Book (G), and center Gerry Vercamp.

Wilhelm, moved from

tight end to fill in for tailback Gerber, rushed for 72 yards and two touchdowns for the Swifts, all in the first half. The 183-pound senior was sidelined early in the third quarter with a knee injury.

Nazareth's other two scores came on a 37-yard pass from Johnny Schmucker to Mark Kleman, and a 60-yard interception run by Ricky Backus.

The Swifts scored just six plays after receiving the opening kickoff. Nazareth drove from its own

38 to the Vega 37 in five plays, then Schmucker hit Kleman for the TD. Schmucker's kick was good, and the Swifts led 7-0 with the game only two minutes old.

Vega was unable to advance the ball on its first possession and the Swifts took over on their 44.

It took Nazareth three plays to score again. Wilhelm started the drive with a 19-yard run down the sideline. Sidney Gerber picked up 35 yards on the next play, a double

reverse. With 6:14 left in the quarter, Wilhelm ran up the middle for the score. Schmucker's kick was good and the Swifts led 14-0.

The Longhorns started a drive on their 30 at the beginning of the second quarter. On the fifth play, Swift Ricky Backus picked off a Vega pass and ran it back 60 yards for Nazareth's third score. Another Schmucker PAT boosted the Swift margin to 21-0 with 10:11 left in the half. Vega was unable to advance the ball on the next series of downs and punted.

Nazareth, starting from their 40, used eight plays to advance the ball to the Longhorn 8.

Wilhelm carried the ball the final eight yards for the score. Schmucker's kick was good, making it 28-0 with 3:33 left in the half.

The Longhorns made only one appearance in Swift territory in the first half.

Nazareth's subs logged a lot of playing time in the second half. The Swifts were unable to score in the half, and Vega's only touchdown came with 6:51 left in the game.

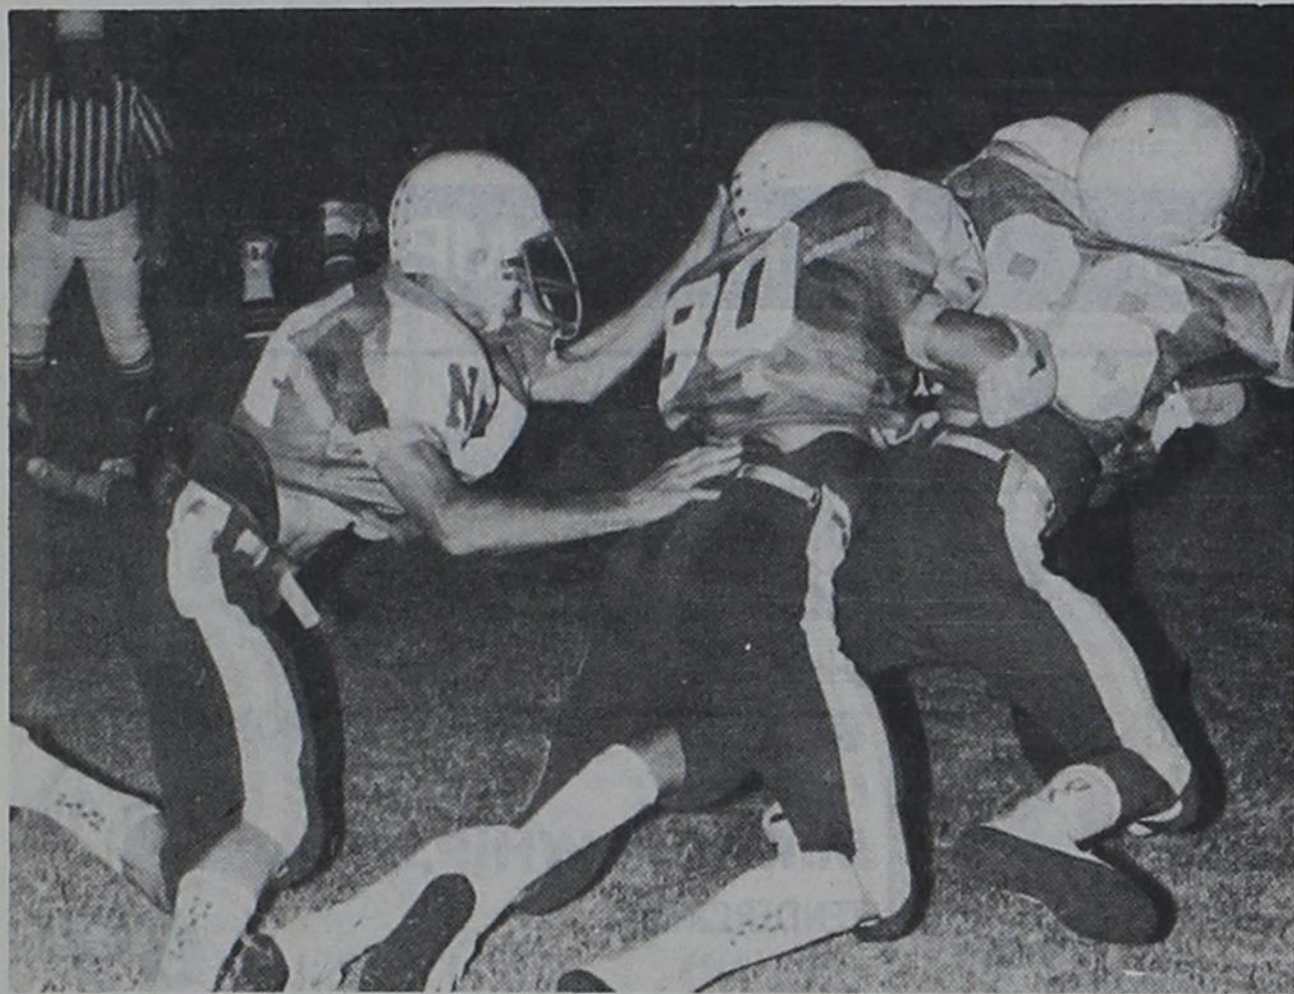

Vega tackle Tim Volger scooped up a Longhorn fumble and ran 50 yards for a touchdown. The PAT failed, leaving the Swifts with a 28-6 win.

SIDELINED—Nazareth's Eric Wilhelm was sidelined early in the third quarter Friday with a knee injury. Wilhelm gained 72 yards rushing and ran two

touchdowns for the Swifts in their 28-6 Homecoming win over Vega.

Hart falls to Buffaloes

The Hart Longhorns traveled to Petersburg Friday for their final tune-up before the district 3-AA race begins, and what the Longhorns found was a Buffalo stampede, as Petersburg walked away with a 40-0 homecoming victory.

The Buffaloes used the running combination of Rayford Lang and Tony Garza to run their record to 4-1 on the year, while the Longhorns fall to 1-4.

It did not take the Buffaloes long to open the scoring, as on the first play from scrimmage tailback Rayford Lang broke two tackles and sprinted 68 yards for Petersburg's first tally. The two point pass from Matthews to tight end David McDonough was good and the home team led 8 to 0 with only 21 seconds gone in the

first period. The Longhorn defense stiffened and held the Buffaloes at bay for the remainder of the first quarter.

Petersburg scored twice in the second period, once on a 35 yard pass from Ted Matthews to McDonough and also on a 3 yard run by Lang to push the Buffaloes' lead to 20-0 with 5:32 remaining in the half.

On the ensuing kickoff, the Longhorns put together what would be their best drive of the evening.

Hart moved the ball from their own 30 yard line down to the Buffaloes' 5. The drive was helped by the running of Abel Martinez and Auther Finch, as the offensive line opened large holes. However, at the 5 yard line, the Petersburg's defense toughened up and on fourth down a field goal

attempt by Arnie Garza was blocked and the Buffaloes carried a 20-0 lead into the locker room at halftime.

The Longhorns showed signs of putting together a good offensive drive from time to time, but because of a tough Buffalo defense and Hart miscues, the Longhorns were unable to get the ball into the end zone.

Petersburg scored their first touchdown in the second half on a Lang

1-yard-run with 7:32 showing. Lang's point after kick was good upping the Buffaloes' lead to 27 to 0.

Backup quarterback, Stacy Swopes hit Rex Hegi with a 30 yard scoring toss at the 5:53 mark of the third quarter to make the count 33 to 0 in favor of the Buffaloes.

In the final stanza, the Longhorns made 4 of their 9 first downs, but just could not sustain a drive long enough to put points on the scoreboard. The line opened up some good holes for Finch, Washington, and Longoria during the final 12 minutes of play.

Petersburg's final score of the evening came with 2:37 remaining, as backup tailback Tony Garza went over from 9 yards out.

Dimmitt 7th downs BR

Kevin Petty and Raul Dones combined for 220 yards rushing and four touchdowns last Thursday to lead the 7th grade

Bobcats to a 24-0 win over host Boys Ranch.

Petty scored the Bobcat's first three touch-

downs on runs of 15, 38 and 15 yards. Dones added the fourth score on a 47-yard scamper.

Police calls

Private citizens helped police apprehend a 29-year-old black woman Friday following an incident at Cobb's Department Store.

Erma Jean Ward, of Lubbock, was arrested for criminal mischief and investigation of theft.

Ward and a black male companion were in Cobbs Friday. The man purchased an item, and while he was doing that Ward had allegedly placed a full length leather jacket under her dress.

J. A. Jackson, store owner, questioned her about what she had under her dress, and told her to stay there while he called the police. The male companion started out the door. Ward ran to the back of the store then to the front where she allegedly threw a large brass bucket (valued at \$100) at

Jackson. She then fled the scene on foot. The coat was found lying on the floor.

Citizens and police chased both Ward and her companion until they reached their car and fled the scene. Police and private vehicles pursued the couple and they were apprehended near KDHN radio station, north of town.

Ward pled not guilty Monday to charges of criminal mischief, and was released on \$1,500 bond. The case is pending.

Dimmitt police arrested three juveniles this week.

Two juvenile males were arrested Saturday night following an incident at the Phillips 66 station on S. Broadway. The youths were charged with disorderly conduct. Police said the two were fighting in the lot at the station, and during the struggle fell into the garage door and broke a window out. The two were turned over to juvenile authorities.

One juvenile male was arrested last Thursday in connection with a shoplifting incident at TG&Y. The youth allegedly took \$2.02 worth of balloons.

Sunday the Family Fun Center reported \$153 missing from a money bag inside the center. Police discovered there was no forced entry to the building. Police have two suspects in mind in connection with the incident.

Police are investigating an attempted burglary which occurred Saturday at the Farm and Home Center. A window on the south side of the business was broken out, apparently by hand, since blood was found at the scene. Nothing was taken.

Law enforcement officers arrested a 58-year-old Earth woman last Thursday on misdemeanor DWI charges, and a 19-year-old Midland woman on forgery charges.

One minor traffic accident was reported this week. Last Thursday the brakes failed on a car driven by Teresa Salinas and her car collided with a parked vehicle. No major damage was done and no one was injured.

NAZARETH BAND ROYALTY—CeCe Kern and Shawn Wilhelm were named Nazareth Band Queen and King during halftime activities Friday at Nazareth's Homecoming game with Vega. Other candidates for the honor included: DeZane Schacher, Charlotte Heck, Kenny Kern, Dorothy Durbin, Clint Hoelting, Teresa Wilhelm, and Matthew Hatla.

Special week focuses on fire safety

Oct. 9-15 is Fire Prevention Week in Castro County and across the nation, with the theme "Learn Not to Burn All Through the Year."

According to Tommy Stanton, president of the Castro County Farm Bureau, home fires disable and kill thousands of Americans each year, yet there are many precautions that can be taken to prevent a fire from starting.

To avoid or reduce fire loss, Stanton recommends these tips from the National Safety Council:

—Keep unnecessary flammable and combustible materials out of your home.

—Install smoke detectors outside the bedrooms in your home on the ceiling or high on the wall. Check the batteries of the detectors at least once each month.

—Keep matches and lighters away from small children. Make sure you completely extinguish a cigar or cigarette when you finish smoking it.

—Equip your home and other building property with fire extinguishers. It's also a good idea to mount them on tractors, trucks and combines.

—Develop a home fire escape plan. Designate a primary and secondary escape route from every room in the house. Remember, your first priority is to leave the house as soon as possible. Establish an outside meeting place so you can make sure everyone has escaped.

—Teach children their responsibilities in case a fire should strike. They can learn how to call the operator or your local emergency number to obtain help.

One-third to one-half a teaspoon dried herbs is the equivalent of one tablespoon fresh herbs.

Carnival booth reservations deadline set

Oct. 25 is the deadline to reserve booth space for the Community Halloween Carnival to be held Monday night, Oct. 31.

Roger Allison, general chairman of the carnival, said that all booth space is free, and that concessions will be booked on a first-come, first-served basis. The sponsoring Dimmitt Lions Club will operate the gate, bingo and a beanbag throw.

Any organization wishing to reserve booth space should contact Roger or Janice Allison at 647-3417 before noon Tuesday, Oct. 25.

The carnival will be held in a large warehouse building on East Halsell Street that was originally built by Panhandle Compress and used in recent years as an onion processing and storage building by LaMantia, Cullum, Collier & Co., Inc.

The carnival will include food and game booths and a children's costume contest.

Meeting set tonight to explain CFS system

The public is invited to a slide presentation for all area farmers explaining the Coordinated Financial Statement.

The Coordinated Financial Statement is the new application form being instituted shortly by Farmers Home Administration. The slide presentation will be held in City Hall today (Thursday) at 6:30 p.m. This presentation will explain the use of

the new CFS and will instruct on how to fill it out.

With growing concern for budgeting and marketing farm products the CFS has been designed to assist in solving Ag-related financial stress in the rural community.

For more information call 647-5141 or go by the FmHA office at 221 W. Bedford.

Dimmitt, Hart students taking special courses

Amy Sandberg and Christie Killough of Dimmitt are attending a nine-week workshop for gifted and talented students at West Texas State University. Both are fifth graders at Dimmitt Middle School.

Both girls are taking a special "Science Explosion" course designed specifically for students in grades 4-6. The course meets each Saturday morning.

Also, Jill McLain and

Brack Jones of Hart Elementary School are enrolled in a (gifted-talented) course on "Perpetual Motor Skills."

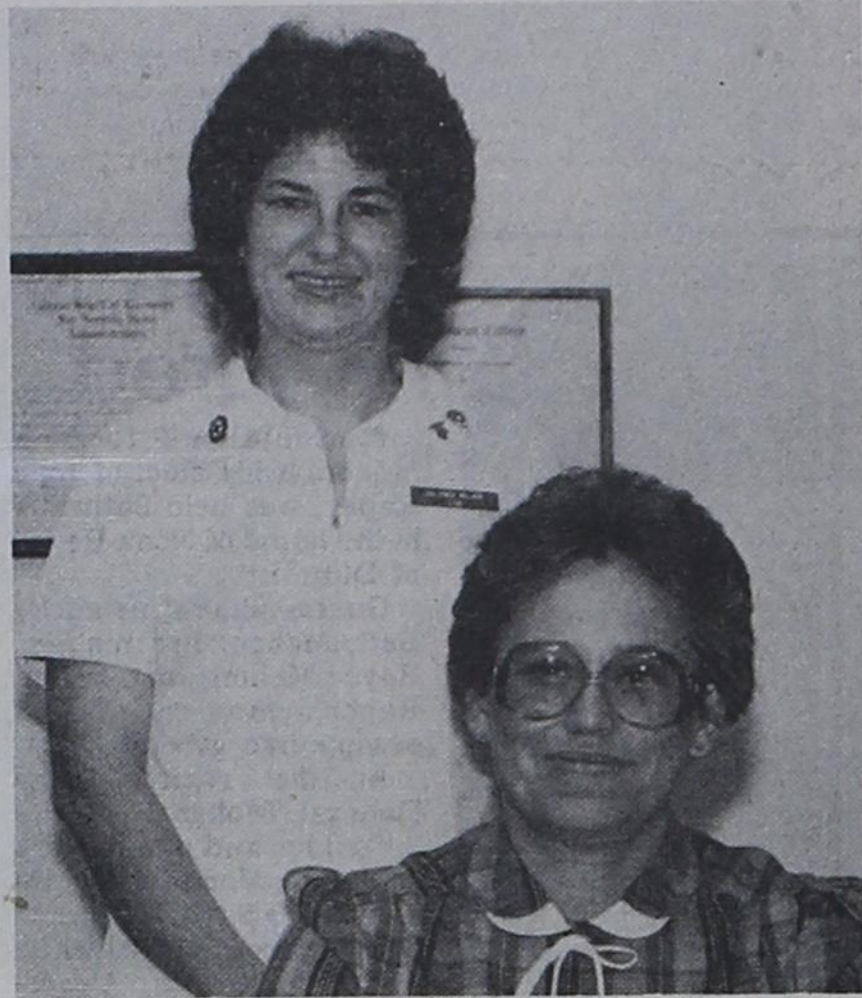

Fire prevention activities set

National Fire Prevention week begins Sunday, and the Dimmitt Fire Station will be open to the public during the week.

Citizens are invited to stop by the station and pick up fire prevention material.

Dimmitt Volunteer firemen will present programs during the week at Dimmitt schools.

A poster contest will be sponsored by the fire department. The contest is open to all school students and winners will be announced Oct. 15.

Mrs. Hutton, a longtime Lockney resident, is presently working on an Associate Degree in nursing home administration at Wayland Baptist College.

She is a certified activity director and has her nursing home adminis-

trator license. She was activity director and assistant administrator at Lockney Care Center for over two years.

She and her husband, Tommy, live in Lockney, but plan to move to Dimmitt in the near future.

Mrs. McLain is a graduate of Dimmitt High School, and was a nurse at Plains Memorial Hospital. She is married to Bud McLain and they have three children.

Home Tour Date set

Larry Combest, candidate for U.S. Congress, was featured at the September meeting of the Republican Organization of Women (R.O.W.) held at the home of Jennifer Miller.

The annual Christmas Tour of Homes and Bake Sale sponsored by the R.O.W. will be Dec. 3 from 10:00 to 4:00. Homes belonging to the Marvin

Bryant family, the Herman Ackers, the Stanley Gerbers and the Darrell Buckleys will be on the tour.

Tickets may be purchased from R.O.W. members in advance or at the homes for \$2.50 each. Proceeds are used to send a Girls State representative and to help the local Foster Children.

Methodist Church to host revival

The First United Methodist Church of Dimmitt will host a series of six revival services Sunday through Tuesday, with one of the top spokesmen of Methodism as the preacher and a popular young ministerial couple as the music leaders.

Opening service of the three-day revival will be at 10:45 a.m. Sunday, followed by a church-wide dinner at 11:45, with each family attending asked to bring one large covered dish.

Breakfast services will be held Monday and Tuesday in Lamar Fellowship Hall, and evening worship and music services will be conducted at 7 p.m. Sunday, Monday and Tuesday.

Preacher will be Bishop William McFerrin Stowe, who is the Bishop in Residence in Southern Methodist University's Perkins School of Theology.

Born in 1913 in Franklin, Tenn., Bishop Stowe holds a bachelor of arts degree from Hendrix College in Arkansas, a bachelor of divinity degree from Duke University, and a doctor of philosophy degree from Boston University. He also holds seven honorary doctorates.

He held pastorates in Alta Loma and Houston, Texas, was a staff member of the General Board of Education of the Methodist Church, and was pastor of churches in Stillwater, Okla., and Oklahoma City before he was elected bishop of the Kansas Area in 1964. He later served as bishop of the Dallas-Fort Worth Area from 1972 until his retirement in 1980.

He is the author of four books: "The Characteristics of Jesus," "The Power of Paul," "It All Began With God" and "If I Were a Pastor."

He has traveled throughout the world on church work and has lectured at

major church colleges throughout the US

The revival's song leader is Rev. Gary Wilcox, pastor of the First Baptist Church in Lazbuddie. An accomplished pianist and vocal soloist, he was raised in Albuquerque and earned a BA degree in religion from Wayland Baptist University in 1976.

His wife, Alba, joins him for duet performance of religious music. Born in Havana, Cuba, she was a child when the Communists took over the Cuban government and her family emigrated to the US, settling in Albuquerque. She holds a BA degree from Wayland (1977), and teaches history in Lazbuddie High School.

The Wilcoxes have performed in concert crusades and have recorded two albums, "One" and "By His Spirit." They will perform special music at every service during the revival, as well as leading hymn singing.

about 90 to 95 percent complete at Dimmitt Agri Industries. Dimmitt Agri's Bill Clark reported good yields and good quality.

"We are pretty well finished (with corn) around Dimmitt," said Fred Bruegel Jr. of Bruegel and Sons. "The Tam Anne area (west of Dimmitt) is only about 50 percent finished, but we are 90 to 95 percent finished around Dimmitt (NE and SE)."

Bruegel reported that yields have been good, ranging from 8,000 to 13,000 pounds per acre (dry). He said 10,000 to 11,000 pound corn is pretty common and the quality of the corn is good.

"This year's crop is average to a little better than usual as far as quality and yield," Bruegel said.

Fire calls

Thirteen men and one pumper responded to a tractor fire Sept. 26 four miles southeast of Dimmitt. The entire cab of the tractor was damaged. Fire officials said the fire probably was a result of an electrical short.

Saturday, 14 men and one pumper were called for a wash down of a fatality scene 3.3 miles SE of Dimmitt on SH 194.

Hart 7th wins, 8-0

Hart's 7th grade scored a first quarter touchdown last Thursday and held for an 8-0 decision over visiting Petersburg. Hart's Ruben Moran scored on a 40-yard run, and Chris Rodgers ran for the extra points.

Vega whips Nazareth 8th

Vega broke for three long touchdown runs last Thursday to down the visiting Nazareth 8th grade football team, 20-8. Vega scored on runs of 70, 50 and 60 yards. Nazareth's only touchdown came on a four-yard run by Chris Schmucker. Gregg Gerber ran for the extra points.

More about Hart falls...

(Continued from Page 6) Lang's kick pushed the score to the final count, 40-0, and a Buffalo homecoming victory. The Buffalos were led by Tony Garza's 130 rushing and Rayford Lang's 125 yards, as Petersburg amassed 353 yards on offense.

The Longhorns were led by Auther Finch, who picked up 98 tough yards on 19 carries. Finch has now gained 524 yards in five games. Also carrying the mail for the Horns was fullback Abel Martinez, who gained 62 yards on eight carries. The Longhorns suffered several injuries during the contest, and they could prove to be costly as the Horns open district play Friday in Bovina at 7:30 p.m.

Hart 8th loses

Petersburg recorded a 12-6 win over host Hart last Thursday in an eighth grade football game. Petersburg scored its touchdowns in the first and second stanzas, and Hart's only score came in the second quarter on a 5-yard run by Daniel Valdez. The extra point failed.

JV Longhorns whip Petersburg

Hart's Arturo Guzman ran for 140 yards and scored three touchdowns last Thursday, leading the

JV Longhorns to a 26-0 win over visiting Petersburg. It was the third-straight shut out for the Hart JV, and leaves the Longhorns with a 3-1 season record. Guzman scored twice on quarterback keepers (50 and 15 yards) and once on an 85-yard pass interception runback.

Hart's other score came on a 37-yard touchdown run by Paul Ramirez. Pete Barretero ran one two point conversion, bringing the Longhorn total to 26. Barretero rushed for 136 yards in the game. The Longhorns amassed 420 yards on offense.

LOVE THOSE CATS... they've worked hard since Aug. 8th and it shows. Make it 5 in a row Friday.

Speaking of working hard for many, many hours...Let's not forget the BAND, TWIRLERS, FLAG CORPS and the CHEERLEADERS. These kids are doing a SUPER job and remember it is all for our, the fans, benefit and entertainment. Next time you see them, tell them how much you appreciate their effort.

Hard work...talk to the Band Boosters...Try running the concession stand on a Friday night. Marty Benton and her crew are there hours before the game making goodies so you and I can add to our waist line while we watch a great football team play.

Along the same line, and I hope you don't think I'm out-of-line for bringing it to your attention, there are several Booster members (I'm not one) who are putting in many hours (after their regular job) to promote better community spirit and goodwill. If you were at Boys Ranch, you saw the end result of the hard work done by the many. The reward was the joy in those boys eyes.

Last second pass saves 8th 'Cats

A last second pass from James Alexander to Johnny Garza lifted the 8th grade Bobcats to an 18-12 win over host Boys Ranch last Thursday.

The Bobcats led 12-6 until near the end of the game. With 1:10 left in the game, Boys Ranch tied the score with a 50-yard touchdown toss.

The Rough Riders tried an onside kick which only went five yards. Dimmitt took possession with 1:10 left in the game.

With :01 left on the clock, Alexander hit Garza with a 20-yard TD pass to give the Bobcats the win.

Alexander scored the first Dimmitt TD on a 38-yard run. Joe Yokum scored on a 32-yard run.

Bobcats shut out stubborn Roughriders, 21-0

By DON NELSON
Dimmitt's defense bent but didn't break Friday night at Boys Ranch as the Bobcats posted their fourth shutout in a row, 21-0, over the Roughriders.

It took a goal-line stand in the second quarter for the Bobcats to keep their hosts off the scoreboard. Following Dimmitt's second touchdown, Boys Ranch drove 73 yards for a first-and-goal at the Dimmitt 7, and on second down pushed the ball to the 2-yard line. But the Bobcats held there, then threw the Roughriders for a two-yard loss on fourth down to take over at the 4.

"Our kids showed good intensity down on the goal line," Coach Gene Griffin said. "They were really worried about that team scoring."

Although the Roughriders almost matched the Bobcats in net yardage,

220-232 — with most of their yards coming on second-half passes — they never again got closer than the Dimmitt 21-yard line.

The Ranchers did threaten twice more, though. They missed a field-goal attempt in the fourth quarter after recovering a Bobcat fumble at the Dimmitt 30 and being stymied at the 22. And on the last play of the game, Boys Ranch's Greg Adams took a pass as the clock ran out, reversed his field and ran like crazy to stay on his feet before Brad Holcomb corraled him at the 21.

David Barton was Dimmitt's main ground-gainer again. The senior tailback earned 159 yards on 20 carries and scored all three of Dimmitt's touchdowns.

The Bobcats scored in the first and second quarters, got stopped cold in the third, then opened the fourth with a 62-yard drive for their final TD. Bobby Nino kicked all three extra points to hike his total to 18-of-19 for the year.

"It was an extremely physical game," Coach Griffin said. "Boys Ranch will strike you — they're TOUGH, man! I don't think people realize how good Boys Ranch is. We were real pleased to win — especially to shut out an opponent of their caliber."

The Bobcats have now scored 127 unanswered points in four shutout games, and own a 4-1 record going into District 2-AAA play. Their lone setback was a 20-13 loss to Floydada in the season opener.

In the first four series of Friday night's game, it was three-plays-and-punt for both teams. However,

TOUCHDOWN BOUND—Dimmitt tailback David Barton (33) eludes Boys Ranch's Jorge Trevino as he heads goalward on a 36-yard run for the Bobcats' final touchdown Friday night.

Barton was Dimmitt's leading runner in the 21-0 victory as he scored all three touchdowns and gained 159 yards on 20 carries. (Photo by Scott Hays)

the Bobcats' kicking game gave them better field position with each exchange, and they got into Boys Ranch territory on a Dwight McDonald punt return to the Roughrider 47 with 4:39 left in the opening period. From there, Barton ran for 20, sophomore quarterback Woody Glass added five and Barton gained 17 more to give Dimmitt a first-and-goal at the Boys Ranch 5-yard line.

It took the Bobcats four more tough plays to crack the goal line, with Barton carrying on every one of them — first to the 2, then to the 1, then almost to the chalkmark before he finally punched across with 1:09 left in the first quarter. The 47-yard

scoring drive used seven plays, with Barton carrying on six of them.

Holcomb set up Dimmitt's second TD from his defensive back position when he read a Boys Ranch pass perfectly and picked it off at full gallop in midfield, then cut back and raced to the Roughriders' 13-yard line before being hauled down.

Barton wrestled into the end zone two plays later, but an offside penalty set the Bobcats back to the 8 and they had to do it again. Barton went over from three yards out with 6:57 left in the second quarter, and Nino added the PAT to make it 14-0.

With the Roughriders, it seemed that the farther they fell behind, the

tougher they got. After Dimmitt's second TD, they fought back with an 11-play, 78-yard drive that carried to the Dimmitt 2-yard line before the Bobcats closed the door. Dimmitt drove back to the BR 30 before the halftime horn sounded.

The beleaguered Roughriders controlled the third quarter, keeping the ball for all but eight plays and gaining 52 yards while holding Dimmitt to only eight net yards. But it wasn't enough as Glass kept punting them back deep into their own territory and they crossed the midfield stripe only once, to the Dimmitt 39.

The Bobcat offense came alive again at the start of the fourth, and ripped 62 yards in five plays for the final touchdown. On first down at the Dimmitt 38, Glass kept on an option and went 13 yards, then the line opened a beautiful hole for Barton and he gained 10 before the final two defenders dragged him down. Mike Love picked up three yards on a counter play, and two plays later — after an incomplete pass — Barton took an option pitch to the right, raced down the sideline, then cut in and crossed the goal line midway between the hashmarks on a 36-yard scoring run. Nino's PAT kick was good, and Dimmitt led by 21-0 with 10:44 left in the game.

Boys Ranch got a break four minutes later when Barton was stripped from the ball as he went through the line and the Roughriders recovered at the Dimmitt 30. But the Roughriders were able to gain only seven yards on three plays, and went for a field goal, which was short and wide.

Boys Ranch mounted another drive in the final 3½ minutes that carried to the Dimmitt 21, aided by a late-hit penalty against the Bobcats. Then Holcomb made his second interception, picking off a pass at the Dimmitt 20 and returning it to the Boys

Ranch 40, but the ball was knocked loose as he made a cut and the Roughriders got it back on the Boys Ranch 43.

Two completed passes and a roughing penalty against Dimmitt put the ball on the Dimmitt 21

again, but a clipping call against Boys Ranch moved it back 10 yards. That's when speedy little Greg Adams took a pass from QB Benji Adams and went for broke, and Holcomb headed him off at the 21 to end the game.

Hear Bishop W. McFerrin Stowe

Bishop Stowe is the Bishop in Residence at the Perkins School of Theology, SMU, and is one of God's most inspirational messengers.

His distinguished career has spanned 40 years of service to churches and Methodist conferences in Texas, Oklahoma and Kansas. One of the top officials of Methodism, he has authored four books, traveled on all continents and been awarded a host of honors, including seven honorary doctorate degrees. He is an inspirational speaker and a learned witness for Christianity.

Sing Along With Gary and Alba Wilcox

Hearing Gary and Alba Wilcox is a joyful worship experience. There's a sermon in each of their songs, and you'll love singing your favorite hymns along with them.

Gary is the pastor of the First Baptist Church of Lazbuddie, and is an accomplished pianist with a beautiful voice.

Alba teaches history in Lazbuddie High School, and is a talented soloist and an inspiring Christian witness.

GIANT DRILL—It takes a BIG tractor to pull this 115 foot wheat drill which belongs to the Lavern Wilhelm family of Nazareth. The drill, believed to be the biggest in the state, was built by R&S Drill Co. of Happy. Wil-

helm uses the giant drill in his family custom farming business. He says it takes approximately 16 hours to plant a section of wheat, a job which normally takes four or five days. The drill is made up of 12 dempster

drills hooked together. It takes three trips to move the drill from field to field, as it has to be dismantled and moved four drills at a time. The drill weighs 21,600 pounds and holds 12,000 pounds of seed (180 bushels).

NATIONAL 4-H CLUB WEEK

4-H'ers learn by 'Building on Experience'

More than 200 youngsters in Castro County take part in 4-H. Through their wide range of activities and the "learning by doing" concept of 4-H, they are epitomizing the theme of National 4-H Week this year: "Building on Experience."

The county has five community 4-H clubs — which are the base units of the 4-H program — and also several specialty clubs, such as the 4-H Horse Club, 4-H Trap Shooting Club and the new 4-H Rabbit Club.

Any interested youth can find a place and a project in 4-H, along with fun and fellowship. The program, which is coordinated by the Texas A&M Extension Service, offers fun and challenges in a wide range of interests.

If you are interested in being a 4-H member or working with a 4-H club, contact the County Extension Office or any 4-H club officer.

Here's what our county's five community 4-H clubs have done during the past year, and what they're doing in 1983-84.

learn by doing in 4-H

Dimmitt

The Dimmitt 4-H Club is the largest in the county, with 84 members. Organizational leader is Yvonne Huffines.

Club officers are Trisha Huffines, president; Coby Brock, vice-president; Faye Killough, secretary; Craig Heller, reporter; and Sheryl Simpson, 4-H Council delegate.

Programs scheduled for 1983-84 include tours of McDonald's, the bank, the police department, funeral home and boot shop, foreign exchange student program, Christmas party and a program on belt making.

During the past year the club has had programs on parliamentary procedure, record books, stock grooming, auctioneering and leathercraft, talks by our foreign exchange students, tours of Arrowhead Mills and the county jail, a Christmas party and election of officers.

In addition to club programs, individual members carry out their own 4-H projects, using 4-H guidelines and adult guidance or supervision.

Nazareth

The Nazareth 4-H Club has 65 members and seven adult leaders.

Club officers are Dorothy Durbin, president; Lonnie Huseman, vice-president; Patsy Birkenfeld, secretary; Bart Huseman, treasurer; Mike and Frankie Huseman, 4-H Council delegates; Phillip Durbin, reporter; and Wade Durbin, parliamentarian.

Nazareth 4-H'ers during the past year had programs on breadmaking in a bag and leathercraft; saw two movies, "Johnny Linga" and "Robin the Runaway"; held a Christmas party and a skating and swimming party; and took part in the County 4-H Awards Banquet. Also, each member conducted his or her own individual projects with guidance and supervision by our organizational leaders.

Programs planned for 1983-84 include tours of McDonald's, a tortilla factory and the Running M Boot Shop; candlewicking, drug awareness, Citizenship and Heritage Tour, Christmas and skating-swimming parties, election of officers, and the awards banquet.

Organizational leaders are William and Catherine Hochstein, Joan Durbin, Dennis and Katherine Huseman, and Gin and Louis Huseman.

Bethel

An "omelet rodeo" and an end-of-school party are among the fun activities planned this year by the Bethel 4-H Club. Other activities scheduled for 1983-84 include installation of officers and 4-H Awards Banquet in September, the club and county livestock shows, Owen Speaks, a tour of the Simpson Dairy, a Christmas party and crafts projects.

During the past year the Bethel 4-H members toured the Cowgirl Hall of Fame in Hereford, took part in the various stock shows, installed officers at the Bar-B-Q Company, made decorations for the nursing home, had a Christmas party, studied electric safety, and toured the Ranching Heritage Center at Texas Tech.

The Bethel 4-H Club has 21 members. Organizational leaders are Don and Carolyn Moke and George and Pat Bagley.

Club officers are Ben Benton, president; Ryan Smith, vice-president; Kevin Bruton, secretary-treasurer; Jon Bruegel,

reporter; Coby Moke, recreation leader; Britt Boozer, 4-H Council delegate; and Mark Bruegel, alternate Council delegate.

Easter

During the coming year, each member family of the Easter 4-H Club will give a program during their designated month. Also, Easter 4-H'ers will be involved in the 4-H Food and Nutrition Project, making Christmas baskets, and touring the Holly Sugar plant.

During the past year, Easter 4-H members toured a radio station and a tortilla factory, heard programs by foreign exchange students, and had programs on consumer education, career exploration, veterinary medicine, and entomology. At Christmas time, members went caroling, and in the spring they cleaned the community building.

Club officers are Denise Schulte, president; Kevin Wheelless, vice-president; Reagan Frye, secretary; Aaron Odom, reporter; Kyla Struve, treasurer; and Mary Ann Hernandez, 4-H Council delegate.

The Easter 4-H Club, which has 17 members, has as its organizational leaders Beth Schulte and Sonja Wheelless.

Flagg

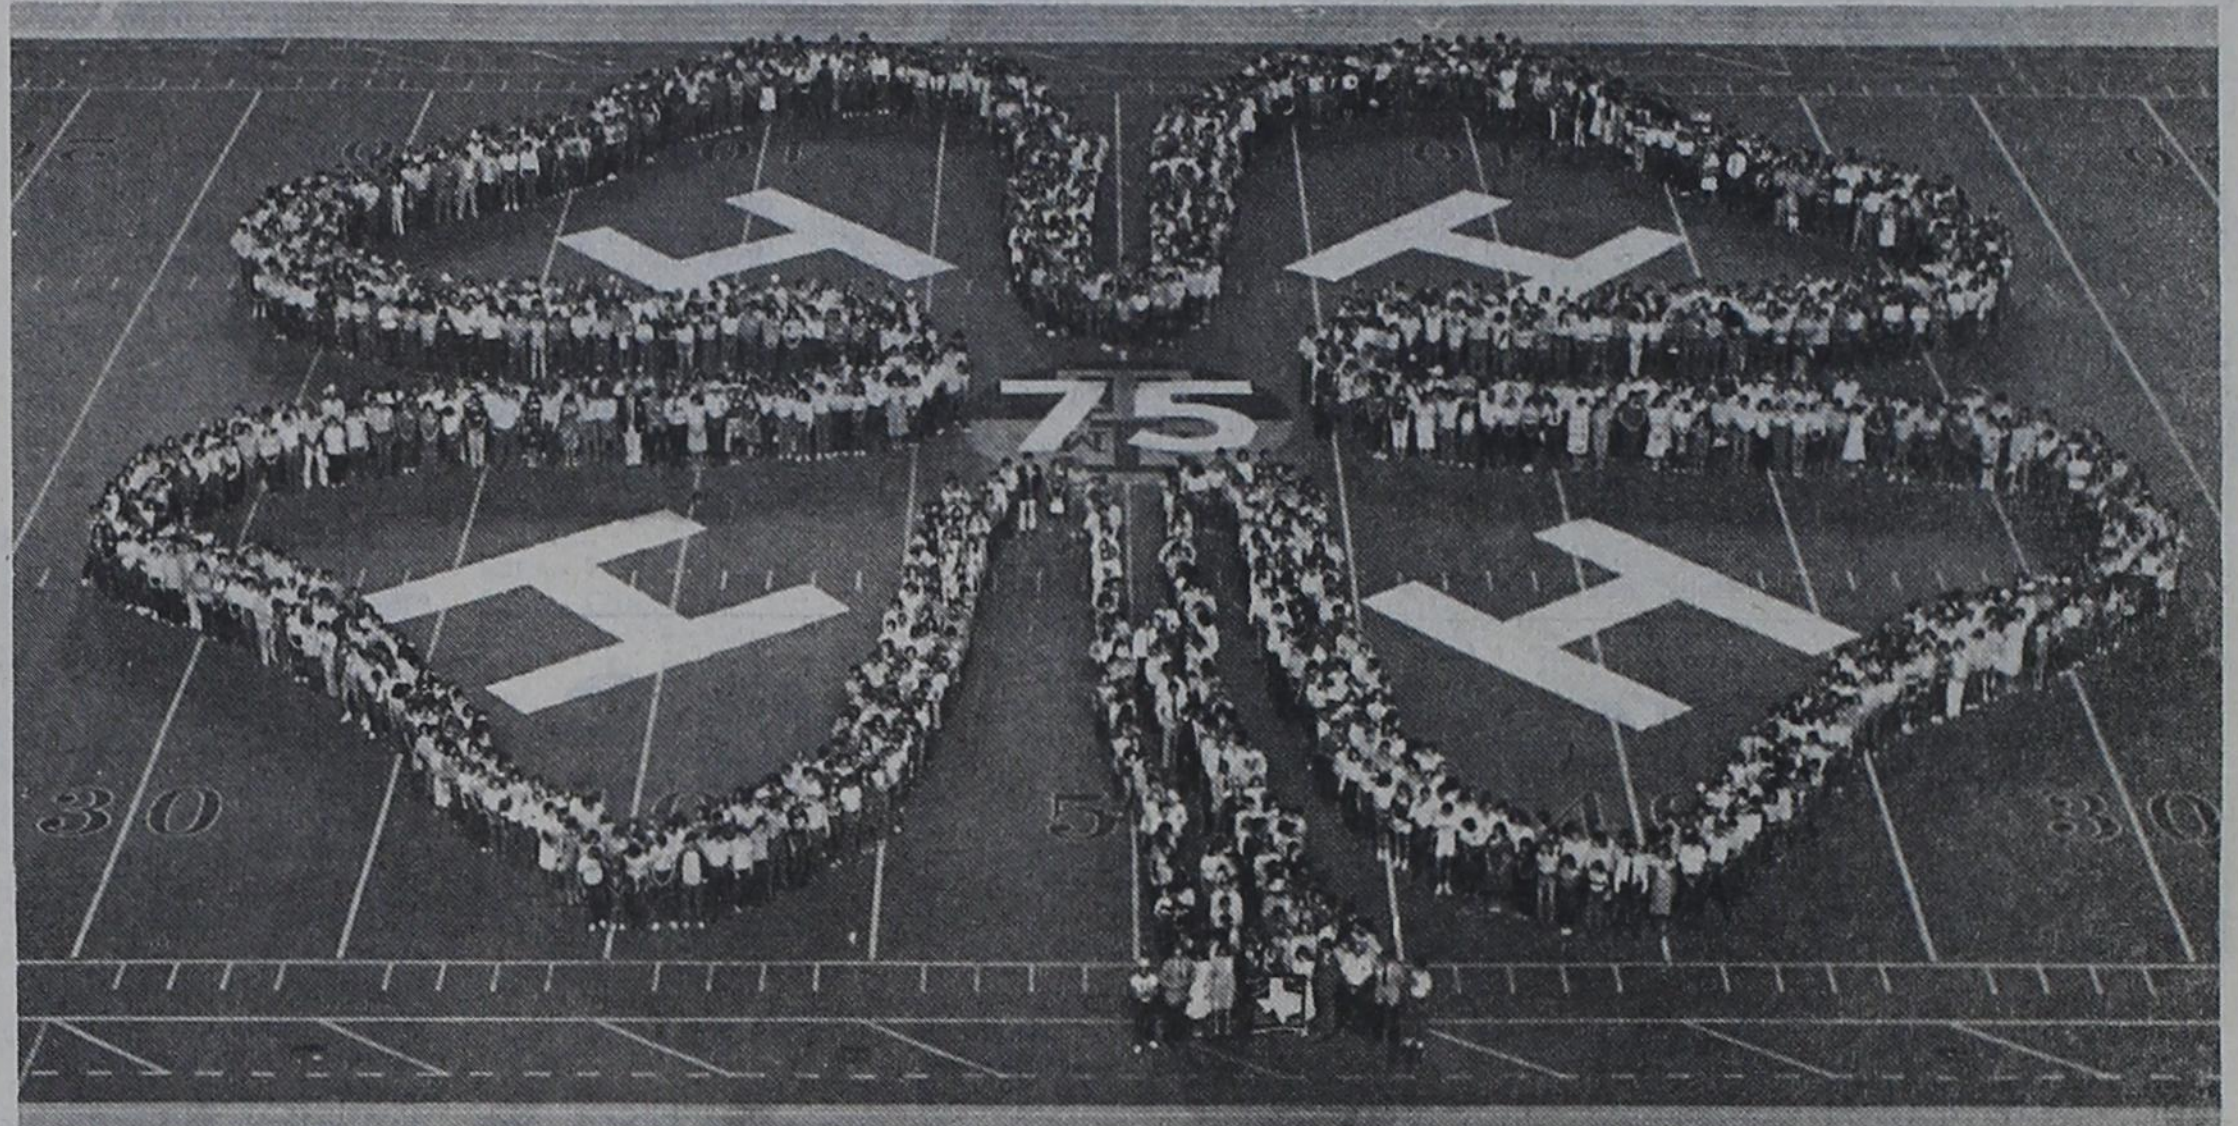

The Flagg 4-H Club has 19 members and six organizational leaders.

Officers are Laura Nelson, president; Kevin Petty, vice-president; Joel Nelson, secretary; Justin and Jason Nelson, reporters; Lisa Nelson, 4-H Council delegate; and Cindy Knox, alternate Council delegate.

Programs during the past year included a tour of Arrowhead Mills, breadmaking in a bag, a Christmas party, a slide program by Scott Nelson on Europe, a drug awareness presentation, leathercraft, museum tour, parliamentary procedure, lifesaving and family barbecue.

Programs for 1983-84 include an ice cream supper, tours of a pharmacy, dentist office and veterinary clinic, nursing program, Christmas party, banana split party, review on the Congressional Camp in Austin, a Health Fair project, boat safety and lifesaving.

Organizational leaders of the Flagg 4-H Club are Stanley and Connie Nelson, Jean and Dan Petty, and Rhetta and David Knox.

FIND THE CASTRO COUNTY 4-H'ers—Somewhere in this crowd of over 2,000 Texas 4-H Club members and sponsors at the 1983 State 4-H Roundup at College Station are the faces of Sheryl Simpson of Dimmitt, John Kleman, Lonnie Huseman, Bruce Huseman and Frankie Huseman, all of Nazareth, and County Extension Agent McWilliams. McWilliams said the giant clover "set some kind of world record," as part of the observance of the 75th Anniversary of 4-H. The local youth attended roundup to compete in various competitions they had won at the district level.

Meet the best 4-H'ers anywhere!

1982-83 GOLD STAR BOY AND GIRL for Castro County are Bart Huseman and Kim Howell. They received special certificates at the South Plains District Gold Star Banquet held in Lubbock. The banquet is held annually to honor gold star recipients from each of the 20

counties in the district. The two were named gold star winners of the county on the basis of their involvement in various 4-H activities. Huseman is the son of Mr. and Mrs. Louis Huseman of Nazareth and Howell is the daughter of Mr. and Mrs. Jimmie Howell of Bethel.

I DARE YOU AWARD WINNERS for 1982-83 are Charlynn Hunter of the Dimmitt 4-H Club and Trampas Moke of the Bethel 4-H Club. The award is given annually in recognition of outstanding

effort and as an encouragement for further achievements. The 1983-84 winners of the award will be named at the annual County 4-H Awards Banquet.

4-H LEADERSHIP LAB held in Snyder in June was attended by these county 4-H members. They are (front, from left) Curtis Durbin, Kevin Wheelless, Jay Gruhkey, Trisha Hufhines, Missy Brockman, and Teresa Nutt, CEA-HE; and (back, from left) Wendal Huseman, Brent Durbin, Debbie Mohon and Bobbi Hochstein.

4-H, agriculture have strong ties

A natural partnership exists between the agricultural industry of Texas and the state's 4-H Clubs, says Preston D. Sides, 4-H and youth specialist.

Ties between young people enrolled in 4-H Clubs and agricultural production and marketing segments have been strong since the start of 4-H work shortly after the turn of the century. In fact, the enabling legislation which created 4-H as a part of the Texas Agricultural Extension Service specifically mentions agriculture as a relevant part of the program.

When Tom Marks founded the Boys Corn Clubs — the forerunner of today's 4-H — he stressed the teaching of proven techniques of increasing agricultural production and the application of these techniques to growing corn. The result demonstrations begun by Marks and his group of 25 boys near Jacksboro, Texas, proved to be successful in out-producing other corn crops grown in the area, according to early production records.

Later, in 1912, girls became part of the program with the forming of Girls Tomato Clubs in Milam County, near Cameron. Other agricultural projects followed with the Pig Clubs and Baby Beef Clubs formed in the next few years. Thus, the foundation was established for a partnership which

exists to this day, Sides says.

"Modern 4-H Clubs, although changed in many ways, continue to stress some of the foundation principles taught by Tom Marks, principles such as self-discipline, responsibility and good citizenship. Today's 4-H members, whether living on a farm or in the central city, learn and practice the life-skills necessary for happy and productive living," Sides explains.

Boys and girls presently participate in a variety of learning experiences designed to meet the specific needs of youth. Among popular projects for learning today are foods and nutrition, electricity, safety, clothing, horse and pony, gardening, creative crafts, swine, beef and sheep.

"The influence of agriculture is evident in all

4-H Council coordinates club efforts

Each of the 4-H Clubs in Castro County elects delegates to the County Council, which in turn elects delegates to the District Council.

Members of the council include Sheryl Simpson, chairman; Lisa Nelson, vice chairman; Dorothy Durbin, secretary; Laura Nelson, reporter; and Ben Benton, Britt Boozer, Denise Schulte, Mary Ann Hernandez, Mike Huseman, Frank Huseman and Trisha Hufhines.

District delegates are Sheryl Simpson and Ben Benton.

The 4-H Council helps to coordinate and oversee the various projects of the different clubs.

these projects as most stress the production, marketing or utilization of agricultural products," Sides says.

4-H

Spirit of Tomorrow

4-H theme is based on strong foundation

BY MENZIES MCWILLIAMS

The old saying that a building is only as good as its foundation has a lot of merit when it comes to the 4-H program.

4-H is built on a good foundation and thus continues to be an excellent program for youth between the ages of 9 and 19, says Menzies McWilliams, county 4-H program coordinator with the Texas Agricultural Extension Service.

The program's foundation is the basis for this year's theme "4-H: Building on Experience." The theme will receive special emphasis during National 4-H Week, Oct. 2-8.

Just what does the theme, "4-H: Building on Experience," mean? McWilliams offers these interpretations:

"4-H centers on the 'learning-by-doing' process which enables each member to build a foundation for a life as a productive and contributing member of society.

"4-H is based on solid educational experience: professional expertise of the state land-grant university and the US Department of Agriculture, skilled volunteer leaders whose guidance paves the way to individual growth and accomplishment, active involve-

ment of family members who share in 4-H activities, and support from business and government leaders who provide human and financial resources.

"4-H'ers build on their own experiences as well as on those of others in acquiring practical skills, developing respect for themselves and others, exploring career and leisure time opportunities, sharing responsibility for preserving the environment, developing leadership skills, and becoming involved as citizens in their community, nation and world.

4-H has a solid foundation and a proud heritage on which to build for a bright future, says McWilliams.

 Today's
 Youth

We look upon the 4-H Club as an investment in the future, for the young members of today are the responsible and concerned leaders of tomorrow. All across the nation, 4-H Clubs are helping young people to become aware and involved in the world around them. Through individual projects and active participation, they're given an opportunity to help build a better community, as they develop independence, initiative and character. We're proud to salute 4-H members and leaders for the important work they do.

BIG T PUMP CO.

you've put it all together 4Hers

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

4-H volunteers have major impact

Although no monetary value can be placed on the impact 4-H volunteer leaders have on the youth they work with, the value of their time and out-of-pocket expenses is estimated at about \$1 billion annually.

The recognition of volunteers and their contributions to the 4-H program are given special emphasis during National 4-H

Week, Oct. 2-8.

Last year more than 619,400 volunteer adult, junior and teen leaders assisted 4-H youth across the nation. Texas alone has some 22,000 adult and teen leaders.

"Volunteer leaders are the real key to the success of the 4-H program — the backbone of many 4-H events and activities," says H. T. "Tom" Davi-

son, state 4-H leader with the Texas Agricultural Extension Service. "They give unselfishly of their time and resources to help young people grow and develop."

The average 4-H volunteer donates 220 hours each year in preparing for and teaching youth. That means that for each hour an Extension Service staff member spends in 4-H, a

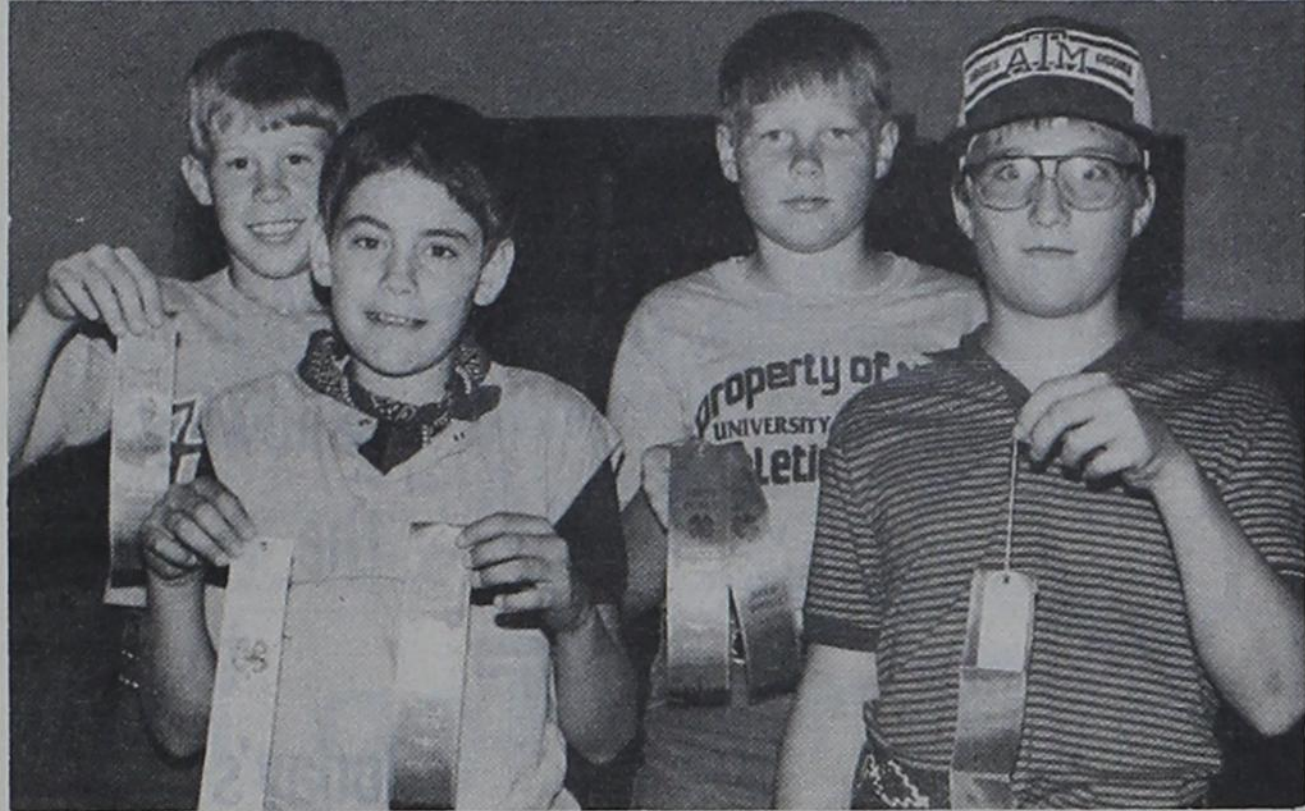

volunteer spends 12 hours. The volunteer drives 300 to 400 miles for 4-H each year, in a personally-owned car, and spends \$50 to \$60 on teaching materials.

"Many of the contributions of 4-H volunteers cannot be itemized and counted," notes Davison. "Volunteer leaders have a big impact on the lives of 4-H'ers, not only in their projects and activities, but as they pursue careers often chosen as a result of 4-H experiences."

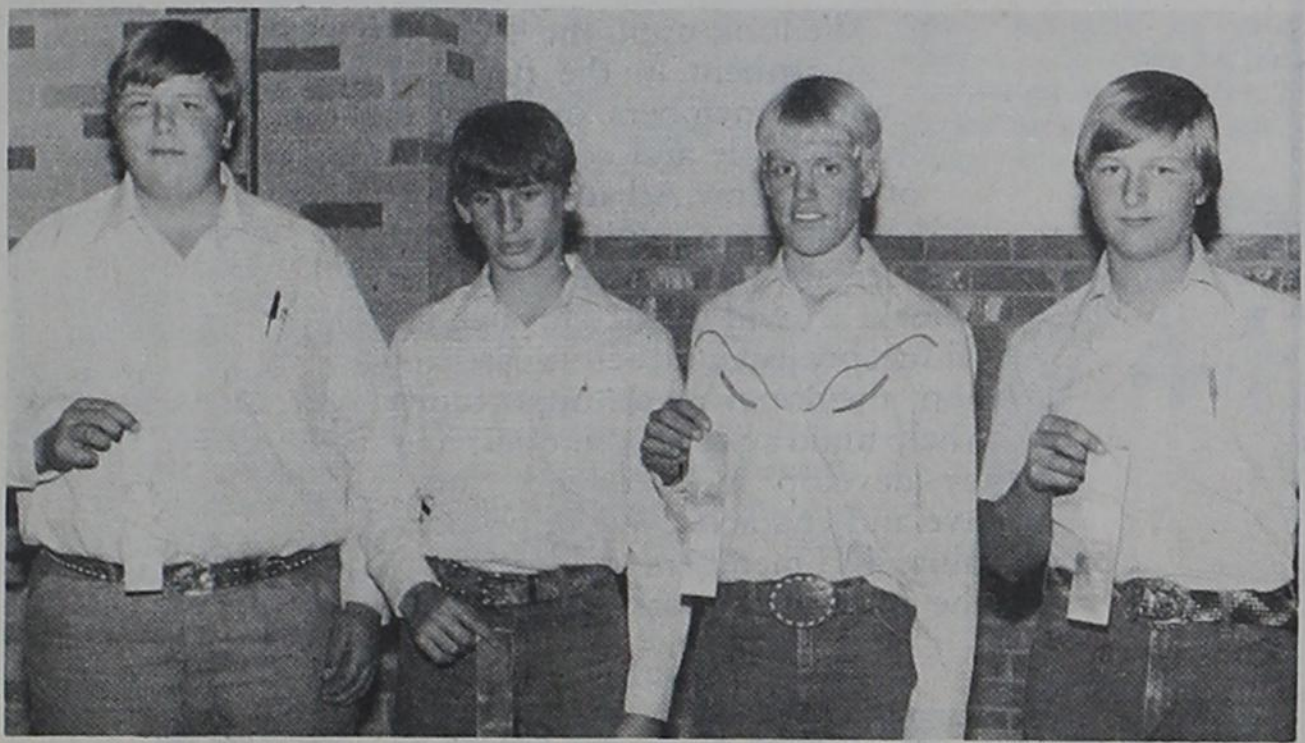

What kind of people volunteer? A 1981 Gallup poll showed that 52 percent of American adults and 53 percent of teenagers had done volunteer work that

year. This volunteerism included everything from traditional hospital volunteer programs and volunteer fire departments to baking cookies for the Cub Scouts and helping neighbors with home repairs.

The survey showed that of the volunteers, 56 percent were female, 90 percent were white, 42 percent were between 18 and 24 years of age or 50 and older, 35 percent were high school graduates, and 48 percent had completed some education beyond high school. More than half the volunteers reported an annual household income of \$20,000 or more.

WINNING FIRST AT DISTRICT are the members of this Castro County 4-H junior entomology team that traveled to Lubbock in May of 1983. Team members are (front, from left) Matt Bradley and Britt Boozer, and (back, from left) Kevin Wheelless and Jay Gruhkey.

STATE QUALIFIERS this year included this Senior 4-H Dairy Judging Team from Nazareth. Team members are (from left) Lonnie Huseman, Frankie Huseman, John Kleman and Bruce Huseman. The team attended the State Round-up at College Station in June.

Texas 4-H program now 75 years old

4-H has a proud 75-year heritage that forms the basis of this year's National 4-H Week theme, "4-H: Building on Experience."

National 4-H Week, Oct. 2-8, is a special time for 4-H members and leaders to promote the nation's largest youth organization and to bring some recognition to its contributions, points out Menzies McWilliams, county 4-H program coordinator with the Texas Agricultural Extension Service.

Over the years, millions of 4-H'ers have gained valuable leadership experiences and learned practical skills that have improved their quality of life.

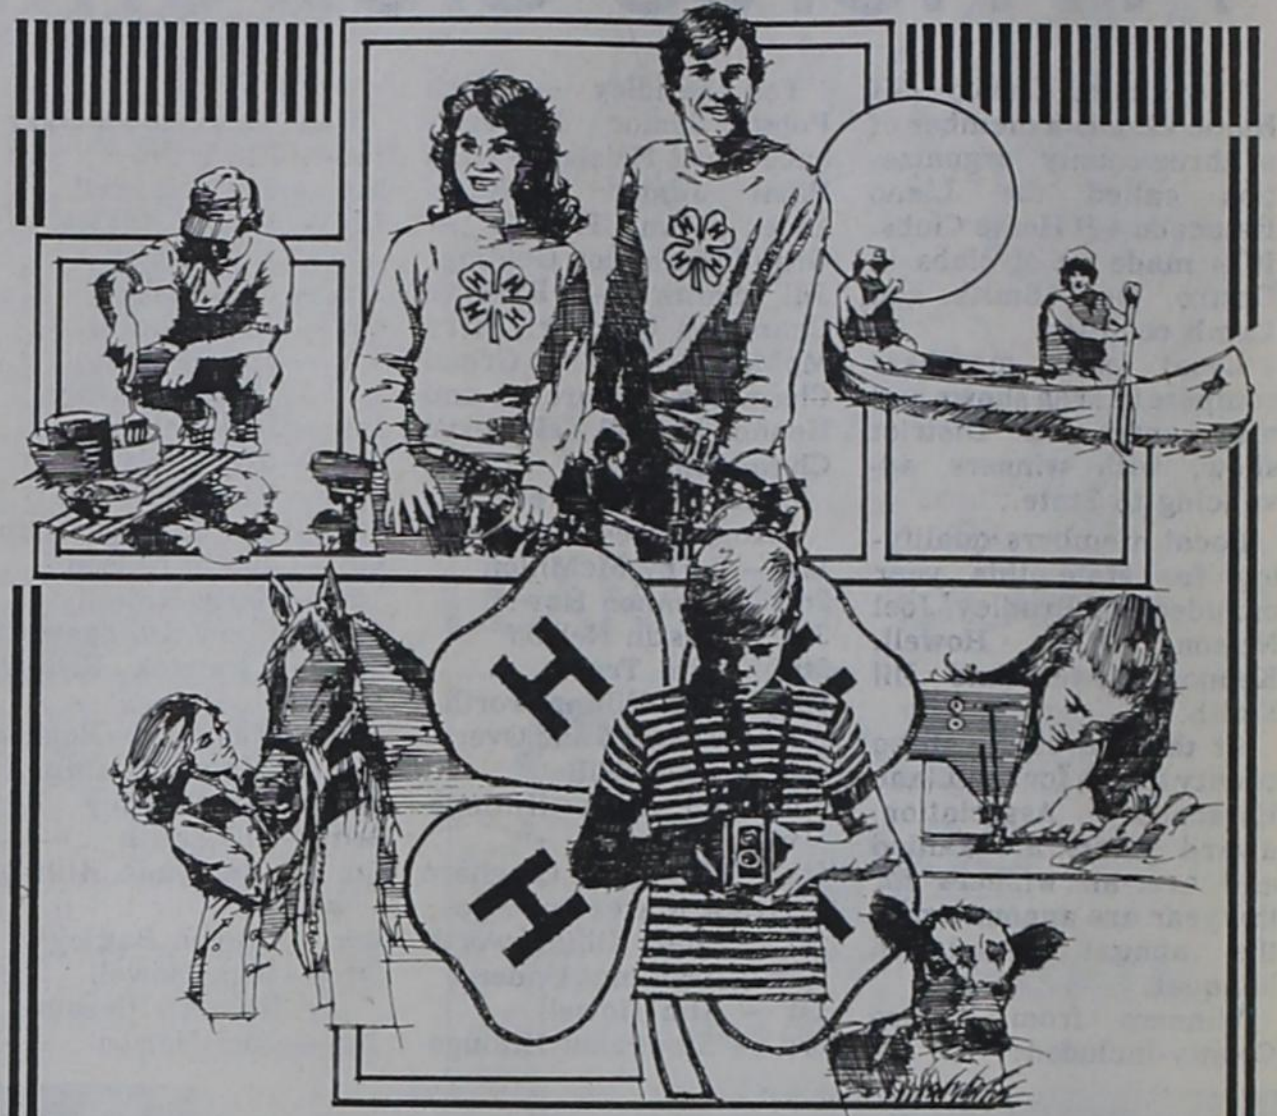

Today, almost five million youth across the nation between the ages of 9 and 19 are gaining valuable learning experiences through 4-H, and 187,000 of those are in Texas. The Texas 4-H program reaches boys and girls through more than 2,000 community-based clubs and another 900 short-term project groups.

4-H'ers are engaged in some 50 different project areas in which they gain lifelong skills through the program's "learning-by-doing" concept. These projects had their beginning 75 years ago when special Corn Clubs were organized for boys in Jack County. First focusing on such traditional areas as crop and livestock production and canning and sewing, 4-H projects now deal with a wide range of subjects, including small engines, rocketry and veterinary science—even the use of computers.

The 4-H program is conducted in each state through the Cooperative Extension Service and is backed by the state's land-grant university (Texas A&M University for the Texas program) and the US Department of Agriculture. Some 22,000 adult and teenage 4-H leaders shoulder much of the responsibility for the 4-H program in Texas, says McWilliams.

Trap shooters sweep District, go to State

WINNING TEAMS at the District 2 4-H Trap Shooting Meet held in Gall back in July included these shooters from Castro County. They are (first row, from left) Kevin Wheelless, Jay Gruhlkey, Kerry Lewis, Scott Hays, Todd West, Danny Heard; (second row, from

left) Mark West, Hal Gilbreath, Bill Patton; and (third row, from left) Bart Huseman, Jerry Rickert, Doug Schilling and Kelly Ballard. The winners advanced to the state meet held in August in San Antonio.

The Castro County 4-H Trap Shooting Team had two shooting teams that advanced to state competition this year, with the teams winning fourth and sixth places there.

The Senior Five-Man team of Kelley Ballard, Scott Hays, Bart Huseman, Jerry Rickert and Doug Schilling placed fourth in state, after placing first at the district competition. The team also placed first at a shoot held in Hereford.

Ballard won recognition as a high point individual at all three shooting events — first at Hereford, second at district and sixth at state.

The Sub-Junior two-man team of Jay Gruhlkey and Kevin Wheelless placed sixth at state after winning first in district. They also placed second at Hereford. Gruhlkey was named second high individual at Hereford and third-high at district.

The two-man Junior team of Todd West and Kerry Lewis helped complete a sweep of first places at district, and also placed first at Hereford.

West was named first high individual at Hereford, with Lewis named third high at district.

Other Senior shooters include Bill Patton, Danny Heard and Hal Gilbreath. Mark West is a Junior shooter.

The club honored Ballard as having the best Senior average scores for the club, with Todd West having the best Junior average, and Gruhlkey having the best Sub-Junior average.

Mark West was named the club's most improved shooter for the year.

Club adult leader is Lynn West.

SENIOR WINNERS in the Castro County 4-H Food Show for 1982 are Patsy Birkenfeld (left), main dish, and Dorothy Durbin, bread and cereals.

JUNIOR WINNERS in the county 4-H Food Show for 1982 are (from left) Faye Killough, snacks and desserts; Jenifer Carter, bread and cereals; Charlynn

Hunter, main dish; and Brent Durbin, fruits and vegetables.

Key Club elects officers

The Dimmitt Key Club met last Wednesday and elected officers for the year.

Officers elected were: Mark Bruegel, president; Greg Sava, vice president; Denise Behrends, secretary; Debra Sava, treasurer; Kim Howell, reporter; and Darrell Washington, sergeant at arms.

The club donated \$120 to Tracy Hatla, \$200 to the Presidential Classroom fund, and \$200 to the AFS program.

The club also is purchasing a radio for an elderly couple.

Denise Behrends was elected sweetheart for the club.

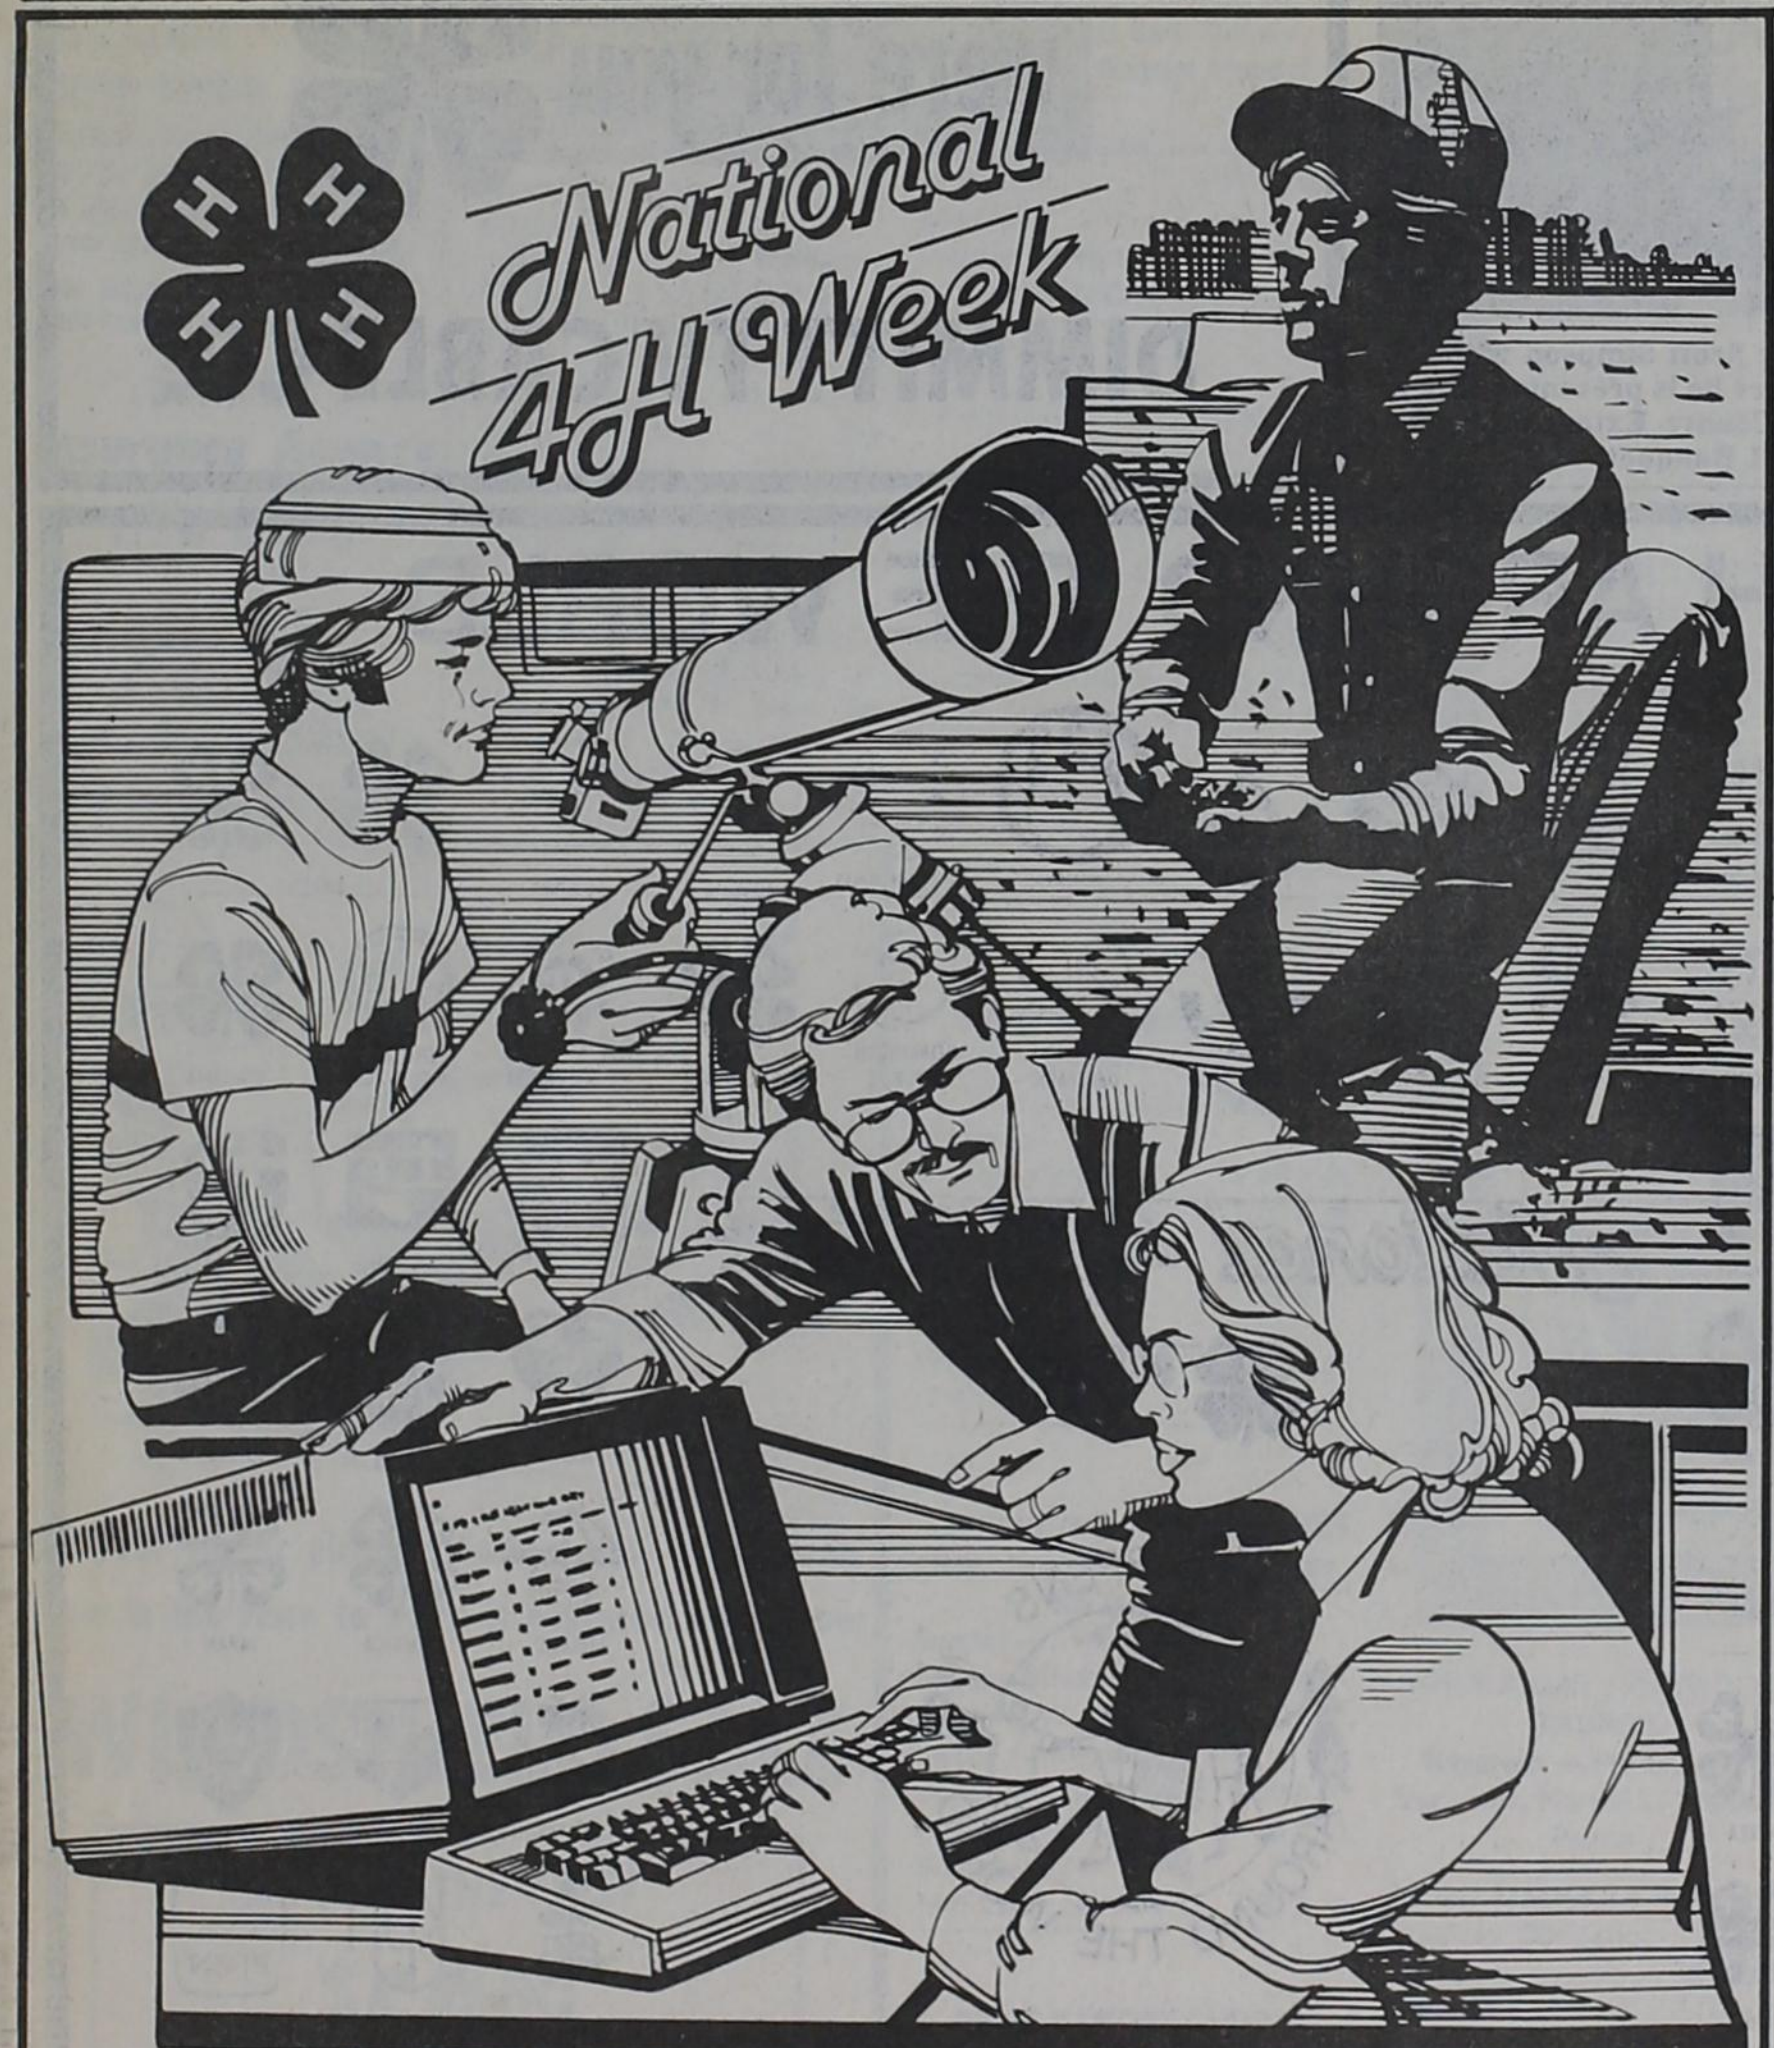

CASTRO COUNTY 4-H Rabbit Club member Ty O'Kelly attended the recent Panhandle South Plains Fair held in Lubbock. It is just one of the shows that members of the newly-formed club have attended. Other members of the club are Tracy Hatla and Joel Nelson. Adult leaders are Donnie and Wanda Nelson and Glen and Diane Hatla.

Senior Citizens

Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 8 a.m. to 4 p.m. Every noon there is a nutritious meal served. Table games and quilting go on daily.

Today (Thursday) there will be bridge beginning at 10 a.m., and also on Friday.

On Monday the Ways and Means Committee will meet at 11:45 a.m. with Mabel Brock as chairperson. There will be a noon Bible study at 12:15 p.m. In the evening there will be duplicate bridge. All of this is part of our Columbus Day activities.

On Tuesday the Advisory Board will have a luncheon meeting at 12 noon. An evening of table games will begin at 6:30 p.m.

On Wednesday there will be bridge at 10 a.m.

Through the years, the Castro County Senior Citizens Center has produced a philosophy that has become the basic foundation, an atmosphere that recognizes the value of human life. It affirms the older adult with dignity and self-worth as continuing to make a valuable contribution to the social process of the community. Such an atmosphere demands that reaffirmation of creative potential, power of decision making, the skills of coping and defending, and the warmth of caring, sharing, giving, and supporting not only the individual, but also the broader community.

4-H ROUNDUP qualifier for 1983 is Sheryl Simpson. She traveled to College Station to compete in Senior Dairy Demonstration, after winning first at district.

SIDES NAMED TO STATE 4-H POST

Preston D. Sides has been named to the combined position of 4-H and youth specialist with the Texas Agricultural Extension Service and executive director of the Texas 4-H Foundation. He will have primary responsibility for obtaining private sector support for 4-H, the youth program of the Extension Service. Sides fills the position formerly held by H. T. "Tom" Davison, who was named state 4-H program leader last June. During his 20 years with the Extension Service, Sides has served in county agent and 4-H specialist positions.

IT'S A FACT...What's a 4-H leader worth? To assign an economic value to the influence well-trained 4-H leaders have on youth, parents and their communities is probably not practical. But it is possible to assign a value to the time they devote to their volunteer leadership role. The 1,155 adult and teen 4-H leaders who attend training conferences at the Texas 4-H Center devoted 114,345 hours to their communities in 1980. And they trained at least six other volunteer 4-H leaders. Assigning the minimum wage value to their time, these leaders were worth almost one-half million dollars. Overall, Texas boasts some 16,500 adult 4-H leaders.

FIRST IN STATE was won by Scott Simpson with his dairy judging record book. Here he is presented with a state honor certificate from County Extension Agent Teresa Nutt at last year's 4-H Banquet.

September was a busy month for birthday celebrations and now they have started in October.

On Sept. 28 the Youts family surprised Clara Gladden with a luncheon and birthday party in the home of Janice and Gerald Davis in Amarillo. Elmer and Mauzee Youts took Clara to Amarillo and they went out to the mall first. They called Janice and she told them to come to her home, so when they arrived she was at the piano playing "Happy Birthday" and all the relatives came out from the other rooms and they were all singing "Happy Birthday." They all enjoyed a delicious lunch and a lot of visiting in the afternoon. Relatives enjoying the day were: Judy Moore from Sunray, Elmer and Mauzee Youts, Clara Gladden, Susie Bell and Kacie, Phyllis and Bob Mooney, Jane Ann Burnett and Rachel, all from Dimmitt, Janice and Gerald Davis, Brad and Lindsay, Carrie and Bob Lee, Allison and Aaron, Boots and Joe Mooney, all from Amarillo. We wish many more "Happy Birthdays" for Clara.

On Oct. 2, Homer and Tommie Nisbett entertained with a dinner honoring their daughter Jeanne on her 30th birthday. For the centerpiece they used a black fruit basket with balloons tied to the handle and filled with a walking cane, Ex-lax, and denture cream. Those enjoying the day were: Jeanne and Robert White and children, Ryan, Eric, Alan, and Autumn from Friona, Mike Anthony, Dan and Jean Petty and boys, Kevin and Dennis, Arlie and Doris Petty, and girls Kristi, Carol, and Carla and Homer and Tommie Nisbett. We wish many more "Happy Birthdays" for Jeanne.

Faye and Dub Cline visited in Amarillo last Friday with Everett and Imelda Wilkerson and Coyce and Carolyn Wilkerson and son Coyce Leon. Faye said it takes most of their time going from one house to the other since the boys live across town from each other.

Oleda Schumacher was hostess to the Thursday Bridge Club that met at the Senior Citizens Center. They enjoyed lunch and a day of bridge. Bernice Hill won high score and Susie Reeves won second high. Others playing were: Emily Clingsmith, Betty Cartwright, Elizabeth Huckabay, Ferne Dickey, Jo Gregory, Alice Collyer, Louise Mears, Ruth Skinner, and Jean Christian. I asked Betty if she knew any other news, and she said they all drew bad cards that day!

Swain Burkett is so generous with his fruit. He has brought apples and grapes and the apples make such good pies!

It was just like "Grandparents Day" at church on Sunday — Bryce and Darlene Dowell had pictures of their new grandson, John Michael, son of John and Melony Fant of Garland. Rev. John and Dorothy Street and Glenn and Mona Merritt were showing off their granddaughter who is walking at 10 months. Lori, is the daughter of Mark and Kay Merritt who live in Midland.

Bill and Betty Williams have just returned from a trip to Spain along the Costa Del Sol, which means "Coast of the Sun." They stayed at the beautiful hotel, Andalucia Plaze in Malaga, Spain. Highlights of the trip were touring the Alhambra Palace where the Moorish kings reigned in the 1600s, a bus tour to the city of Ronda which is built on cliffs and the town is divided by a gorge which a bridge is built to connect

the city. They toured many beautiful churches which were built in the 16th century.

They sailed across the Mediterranean Sea aboard a 200 foot yacht, The Citania, to Tangier, Morocco on the North African Coast. In Africa they were entertained by snake charmers, fire eaters, belly dancers, then served lunch under tents and cushions on the floor for seating. They shopped in the Casbah, which was followed by a bus tour of Tangier. On the way back from Tangier they sailed by The Rock of Gibraltar. They left Marbella, Spain for their trip over the Atlantic and back home.

Lieutenant Colonel Dan E. Prather, son-in-law of Mr. and Mrs. W. E. Beecher of Dimmitt is attending classes at the Army War College at Carlisle Barracks, Pa., where he is preparing for additional high level responsibilities in the Army.

He is married to the former Jo Beecher and they and their 13-year-old daughter, Danna, have been visiting friends and relatives in this area and his mother in Hale Center. A decorated combat veteran, Dan, a 1959 graduate of Hale Center, has completed almost 20 years of active duty in the Army. He received his commission as a second lieutenant in the Army through the ROTC program when he graduated from West Texas State University in Canyon.

Book of Life

When all has been said and tried about philosophies of life, how to be happy, or how to be a success, mankind unfulfilled elsewhere will still turn back to this book. Here indeed are the words of life. Here is a guide to your footsteps and a lamp for your path. No man needs to stumble through life as if blind; God has provided a light and it shines through this book. Go where the Book is treasured and understood, to the Church, and hear The Word for your life.

Is something wrong with your life — an inner restless dissatisfaction? The answer to every human problem comes only from God our Maker. He alone can forgive and reassure. Through the church God has committed the provision and proclamation of His forgiveness and redeeming love. Without a church relation no one is securely related to God. *Everyone should be in the Church and the Church should be in everyone!*

Corn harvest was nearing completion as this week ended. Best yields were generally around 11,000 pounds. The weather has been favorable for a good harvest.

Onesimo Reyes escaped injury Tuesday night when he hit an electricity pole in the Talley yard trying to avoid a collision with a pickup going around another pickup turning in at the farm store. He was forced off the road to avoid hitting the pickup which was towing a trailer.

A trace of moisture was received Thursday night and again Saturday night. Sunday afternoon another trace was received with lots more dirt and corn shucks than rain.

Mr. and Mrs. Eliseo Sauseda were among the nine couples nominated for the West Texas State University Parents of the Year award. Seven of their children have attended WTSU.

L. B. and Teeny Bowden killed a rattlesnake Wednesday night between the highway and their house. It has six rattlers and a button and was 30 inches long. Teeny saw the snake in the drive as she came home from church and went for L.B.'s help.

Cliff Brown had more laser surgery on his right eye in Lubbock Friday. They visited in Littlefield on their way home with Bennie and Rachel Villereal.

Dr. and Mrs. Strauss Atkinson spent Saturday night on the church property and were Sunday guests of Noah and Ruth Spencer. Gerald and Pat Elkins also had dinner with them.

Roy Phelan of Weatherford called L. B. and Teeny Bowden Tuesday afternoon to see if we have a new pastor yet. He too is out of a pastor at the present time.

Mr. and Mrs. Lynn Cox, Brandon and Cinnamon and Dorothy Gilbreath and Hal attended the Bobcat varsity game at Boy's Ranch Friday night.

Sharon Sadler, Louise Bradley and Sherri Ott helped with hostess duties recently for a bridal shower at the New Covenant Church in Muleshoe honoring Dara Fennell of Springlake. Stacy Sadler helped with the serving. Judy Louder was among the special guests.

Hazel Waggoner went to Plainview Wednesday afternoon to stay with her grandchildren Mark and Angela Lindsey while their parents, Dr. and Mrs. Robbie Lindsey shopped in Dallas for new furniture for his dental office,

through Friday. Delores Jackson and Blake of Midland joined them Wednesday night and Blake stayed with them Thursday while Delores and Euless Waggoner attended the funeral services for Jim Golding in Dimmitt. Delores and Blake returned to Midland Friday morning from Plainview.

Jesse and Frances Pharis and Kayla and a friend from Abilene visited recently with her parents, Euless and Hazel Waggoner. Dr. and Mrs. Harold Waggoner and Daila of Roswell spent last weekend with them.

Cheryl Powell of Sul Ross University at Alpine and Patricia Powell of Canadian spent the weekend with Ezell and Verba Sadler.

Colonel Prather recently relinquished a successful 31-month battalion command at Fort Polk, La. During his farewell message to his troops in the traditional Change of Command ceremony, he staged an impressive performance. His wife and mother were among honored guests at the services.

Colonel Prather has served in numerous Infantry Command Staff positions. Prior to assuming command of the First Battalion (Mechanized) 61st Infantry, he served as executive officer, 3rd Battalion, 28th Infantry in Wiesbaden and subsequently as DPCA, Bad Kreuznach, both in the Federal Republic of Germany. His latest military school was the Army Command and General Staff College.

Gene and Elaine Phillips from Panhandle and good friends of Jack and Beth Hodges were among the out of town guests who attended the 70th birthday celebration for Beral Hance on Sunday, Sept. 25.

Earl and Mable Brock celebrated their 57th wedding anniversary as

Lee and Gale Brown visited in Lubbock Saturday with his grandmother, Mrs. E. R. Brown.

Sharon and Jack Bradley spent Friday night and Saturday with friends in Muleshoe.

Ann Cox of Dimmitt visited last Sunday with Noah and Ruth Spencer and Olvis and Marty Spencer of Rock Hill, S. C. Olvis and Marty went home with her.

Mrs. Mary Shultz of Earth spent Tuesday night and had dinner Wednesday with Ezell and Verba Sadler.

There will be a baby shower honoring Tammy Robb and new baby Saturday (the 8th) from 2 until 3:30 at Katy Wright's house east of Dimmitt. Everyone is invited.

Presbyterian happenings

Sunday is the closest Sunday to the twenty-fourth birthday of the Presbyterian Church of Dimmitt, so the occasion will be celebrated at the Sunday Church School classes at 10 a.m.

The Adult Bible class will meet at the manse; all other classes will meet at the church.

"Happy Birthday" will be the subject of Pastor Edward D. Freeman's sermon at worship at 11 a.m. Following the morning service there will be a covered-dish birthday party at the City Hall fellowship room.

The Session will meet on Monday at 7 p.m.

"Root Out of a Dry Ground" is a fascinating history of the Christian Church that is being studied on Wednesday evenings at 7 p.m. along with prayer and praise.

Correction

Last week the News ran the wrong date for a meeting in Dimmitt for students interested in touring Europe in the summer of 1984.

The Dimmitt meeting will be Sunday (Oct. 9) at 3 p.m. at the Dimmitt Middle School Library.

Students interested in touring Europe should attend the meeting for details.

Buy a new Case over-100-hp tractor now, get

8.8%

A.P.R.

financing for up to 48 months
from date of purchase

and waiver-of-
finance-
charges until
January 1, 1984

Plus \$3000 rebate

Under terms of a new labor contract, Case and the United Auto Workers union have agreed to wage and benefit restraints that make this rebate possible. This \$3000 is yours in addition to 8.8% A.P.R. financing and the waiver-of-finance-charges outlined above.

Or, take this two-rebate-option for up to

\$7000

1. Get a rebate check from Case for \$4000, in lieu of financing, on cash purchase of a new Case 4490, 4690 or 4890 tractor... or get \$3000, in lieu of financing, on cash purchase of a new Case 2090, 2290, 2390, 2590, 2094, 2294, 2394 or 2594 tractor.

2. In addition, you'll get the \$3000 Case/UAW-rebate explained above.

All offers valid September 1, thru October 31, 1983. For credit benefits, purchase must be financed through J I Case Credit Corporation. Government agencies and national accounts do not qualify for rebates.

Trade now,
while special factory selling allowances are also in effect.
