CHAIRMAN ASKS QUICK ACTION IN SUPPORT OF FIFTH WAR LOAN

The following appeal for support of the Fifth War Loan has been issued by Cyrus B. Frost, Eastland county chairman and Mrs. Paul Woods, chairman of the women's division:

TO THE CITIZENS OF EASTLAND COUNTY:

We all know that we are now engaged in the most difficult and deadly combat of the War on all fronts. Every branch of the Army, Navy and Air Forces is moving forward for the kill without flinching. Never before in the history of the world has such heroism been demonstrated. Never before in the history of all war fare has the American soldier, sailor, Marine, airman and the girl's auxiliaries faced such hardships and offered so much that we at home may remain free. Here on the home front the hour has struck when every patriotic citizen should buy his part of the War Bonds that are necessary to complete the Fifth War Loan Drive in Eastland County in order that the county as a whole may contribute its part toward buying the instruments of war which are now so necessary to win the victory and lessen the casualties of our fighting forces.

Our Eastland County quota is \$725,000 the largest we have ever had \$300,000 of this quota is represented by Series E Bonds and in order for us to do our duty we must not only purchase \$300,000 Series E Bonds but in addition we must buy \$425,000 more bonds, some of which may be Series F and the balance of which in any and all of the other issues.

Today, about two-thirds of the \$725,000 has been purchased but only about \$150,000 of the Series E quota of \$300,000. In other words, to date we have only purchased about one-half of our Series E quota and it will be up to every citizen in every community in the county to buy and buy and buy Series E Bonds until this quota has been reached.

All Series E, F, G and Series C Treasury Savings Notes sold during the months of June and July will be credited to the drive.

The sale of the 2 1/2% Treasury Bonds 1945-70, the 2 per cent Treasury Bonds 1952-54, the 1 1/4 per cent Treasury Notes Series B 1947 and the 7-8 per cent Treasury Certificate of Indebtedness Series C, 1945 must be sold and the transaction cleared through the Federal Reserve Bank at Dallas, Texas, not later than July 8, 1944, in order for such sales to be credited to the Eastland County quota for this Fifth War Loan.

Therefore, the community chairman and their committees and the postmasters and bankers are all requested to continue to push the sale of Series E Bonds so that our total quota of \$300,000 will be over-subscribed, and are asked to be alert to see the larger sales of the last four described series are concluded and cleared in the Federal Reserve Bank not later than July 8, 1944.

At the time Ranger, Cisco and Eastland have overall sales of about \$100,000 each, one-third of which or about \$33,000 is represented by Series E. Rising Star has sold about \$60,000, about one half being Series E, Gorman has sold about \$50,000, about one-half being Series E and as yet we do not have report from Carbon, Desdagnon, Olden, Pioneer and Seranton but knowing the record set by each of these communities in the past, we can confidently expect that each and all of them will over subscribe both their overall and Series E quotas.

Let us as good citizens, and anxious to get our part done here on the home front, hasten to do our full duty which will bring comfort to our consciences here

Joe Gallagher Is Buried At Cisco Tuesday Evening

CISCO, June 27—Following funeral services at Thomas chapel at 2 o'clock this afternoon, the body of Joseph I. Gallagher, who was drowned in Lake Cisco Saturday night, was laid to rest in Oakwood cemetery. Rev. Cooper Waters, pastor of First Baptist church, was the officiating minister.

Pallbearers were J. P. Lohan of Breckenridge, R. W. Euford of Ft. Worth, J. R. Prince, of Dallas, C. C. Cutting, Richard Cutting and Harry Donica, Cisco.

Mr. Gallagher was born at Parkersburg, W. Va., November 1, 1910, but had lived in Texas for many years. He came to Cisco from Abilene about five years ago and was engaged in the oil business at the time of his death.

Survivors include the bereaved wife, and four children—Sarah Jane, Betty Joe, Arthur Lee, Cynthia Sue; his mother, Mrs. Agnes Gallagher, Albany; two brothers, James, with the fighting forces in the South Pacific, and Harry Gallagher of Albany; two sisters Mrs. Joe Cauble and Mrs. Marshall Morrell, both of Albany.

The accident in which Gallagher lost his life occurred about 9 o'clock Saturday night, said Fred Grist, chief of the fire department while Gallagher, D. A. Prather, Cleff Helton and a visiting sailor were fishing from a boat at the upper end of the lake, where the water is only about twenty feet deep.

Just what caused the boat to capsize is not clear, but all four men were thrown into the water. Gallagher was drowned and the others made their way to shore.

When the boat turned over it filled with water and sank instantly.

Within an hour after the alarm was sounded, many citizens and practically all members of the volunteer fire department, were at the scene and began to search for the remains with grappling hooks.

Not knowing exactly where to look for the body, the search continued throughout the night with only results and it was after 6 o'clock Sunday afternoon when grappling hooks in the hands of R. E. Grantham, Cisco attorney, finally contacted it.

Mr. Grantham pulled the body to the surface of the water, only to have it break loose, but G. R. Kilpatrick, who was with Grantham, reached down, caught the body and it was finally hauled into the boat from which they were working.

Former Resident Dies Suddenly At Home of Friends

Funeral services for James Earl Pepper, 44, a former Ranger resident, who died suddenly in Brock Sunday, were conducted at the Baptist church in Brock Tuesday afternoon at 5 o'clock and interment was in the Brock cemetery with the Masonic lodge in charge of the services at the grave. Rev. Jimmie Dobbs of Brock and Rev. Howard Butler of Springtown were in charge of the services at the church.

Mr. Pepper had gone to the home of Mr. and Mrs. F. R. Bennett for lunch Sunday and died shortly after arriving there. Mrs. Pepper was in Ranger visiting her mother, Mrs. W. M. Nichols, at the time of his death.

He had been an engineer for the Gulf Pump station at Brock and had taken an active part in affairs while residing there, having been president of the school board at the time of his death.

Besides his wife he is survived by one son, J. E. Pepper, Jr., stationed with the United States Navy at Camp Wallace; two step children, Sgt. W. H. Savage, a prisoner of the German government and Mrs. Lloyd Landtrop of Ranger; a sister, Mrs. Minnie Bellar of Anahae, Texas, and a brother, Pfc. Clyde A. Pepper of Camp Cody, New Orleans.

Delivers G. O. P. Keynote Address

Temporary chairman of the convention, and conceded to be a strong force for Gov. Thomas E. Dewey of New York in the November elections, Governor Earl Warren of California makes his initial appearance before the Republican National Convention in Chicago. Warren's keynote address highlighted the second session of the convention's first day.

LOCAL MERCHANTS TO BE CLOSED FOR BOND RALLY

At the request of Mayor J. J. Kelly and chairman for the big Bond Rally to be held in Ranger Thursday afternoon from 1 to 3 o'clock, every store in town will be closed during those hours, and will open for business immediately after the rally.

The big rally will be launched at 1 o'clock with a parade from the derrick to the front of the Arcadia Theatre and will be led by a 30-piece band from Camp Walters. In the parade will be the big truck bearing Bill Elliott, Jimmie Wakeley, Adelle Mara and Vivia Patrick, movie stars, Lt. Maurice Parlette and Cpl. Alfred Story Bretton, veterans of World War II now at McCloskey General Hospital, military personnel from Camp Walters and local leaders in the bond drive.

During the rally in front of the Arcadia the movie stars a unit of the Stars Over Texas program in support of the Fifth War Loan, will stage a show and music will be furnished by 20 members of the band from Camp Walters. Bond selling will be the big feature of the rally and it is expected that Ranger will go over the top on the Series E Bonds at the big event.

Every person who purchases a bond at the rally will, then and there, be given a ticket to the Bond Premier which will be shown at the Arcadia Thursday evening at 10 o'clock and admission is by the purchase of bonds only. Also appearing on the program at the Arcadia that evening will be the 20-piece dance orchestra from Camp Walters.

It is estimated that several thousand people will attend the rally and Chief George Murphy has arranged to block off traffic from the block in which the rally will be held. Motorists will be asked to direct their movements around that block and conven-

Equipment, Labor Needed For Great Plains Harvest

There is an urgent need for labor and equipment in the Panhandle and South Plains because the wheat harvest is beginning. More than 1,200 tractor drivers, 1,050 trucks, 800 combine operators and several hundred additional farm laborers are needed at once to take care of the abundant crop.

Reports indicate the prevailing wages are as follows: Ordinary farm labor scoopers, etc., 70c per hour; combining, \$3.00 per acre up to 20 bushels, plus 10c per bushel over 20; tractor drivers, \$8.00 to \$10.00 and combine operators, \$10.00 to \$12.00.

Anyone desiring further information may contact the County Agent's Office, and possibly arrange to go with someone or as a part of a crew.

Every worker possible is urged to go and to take their combine or trucks to the Plains Area and render service in order to relieve this critical situation.

NAVY TO DRAW OFFICERS FROM ENLISTED MEN

WASHINGTON, (UP)—Young Navy enlistees will initiate and ambition are going to have an increasing chance for commission.

A recent poll of the percentage of enlisted men who have become officers since Dec. 7, 1941 shows that they comprise nearly 45 per cent of the total number of men commissioned. Of these, 20 per cent had seen previous duty either afloat or ashore and the remaining 25 per cent were taken from civil life as enlisted men and trained to become officers.

Since the beginning of the war, more and more enlisted men have been appointed as warrant or commissioned officers, until now the Navy plans to draw "almost wholly" upon service sources for its officers. In the first rapid expansion of the wartime Navy, there was necessarily a limitation on the number of qualified enlisted men who could be appointed to officer status. The reason for this policy was that the chief petty officers and first class petty officers are the keystone of organization aboard Navy ships. Their services in the intermediate level of command were vital to the successful operation of the forces afloat and thus the qualified men had to be restricted in order not to strip the ships.

However, that situation has now been stabilized to a point where the only officers still taken from civilian life will be specialists, such as doctors, dentists, and chaplains, and young men as aviation cadets. All the rest will come from the whole from the enlisted ranks.

In the Navy of the post war world, which will undoubtedly be a far larger one than ever before in U. S. history, there will be plenty of opportunities for naval careers for enlisted men as officers.

A great many officers in the naval reserves will be mustered out at the end of the war and many of these billets will require filling. The Naval Academy will be unable to supply the large amount of officers to fill these places.

The direct appointments from the ranks are of two types—permanent and temporary. For temporary appointments, the only requirements are that a man has worked up to first class petty officer or above; that his record of service, civilian background and demonstrated abilities for leadership recommended him for appointment to officer status. There are no educational requirements.

The permanent appointments however, which will apply to the future navy, are comparable to those of civilian appointees of today, except that a man who has seen active service aboard ship is given a advantage over the civilian appointees. The minimum educational requirements is two years of college, but a man can make up the additional since the Navy recognizes three months sea duty as equivalent to a semester of college work.

However, the Navy recognizes the value of officers who have "worked their way up" from enlisted ranks and the "continuing" policy of the Navy to provide for its enlisted personnel every opportunity and incentive to become commissioned officers in the Naval service.

CURE FOR VIOLATORS

DALLAS, Tex. (UP)—People who get traffic tickets in Dallas soon may find themselves going to night school after they pay their fine.

Judge Frank O'Brien of corporation court says he is considering the establishment of a night school for traffic instruction in a move to halt the steady rise in Dallas auto deaths.

J. T. Hamrick Makes Bond On Murder Charge

J. T. Hamrick, 42, oil field worker, taken into custody Saturday at Carlsbad, New Mexico, for Eastland County officer who held a warrant charging him with murder in connection with the death of Jackson, Miss., on Wednesday, June 21, of Lt. Col. Roy Mitchell, United States Army Air Corps, waived extradition and was returned to Eastland Sunday night by Sheriff John Hart and Deputy A. M. (Ott) Hearn, and Monday morning waived examining trial and was released on \$2,500.

Frank Sparks of Eastland, attorney for Hamrick, stated that Hamrick had made no statements and had none to make at this time. Sparks also stated that he would request an immediate trial for Hamrick.

District Attorney Earl Conner, Jr., who with Sheriff Hart, worked up the evidence on which the complaint against Hamrick was based, stated Monday that an Eastland county grand jury would be convened the early part of next week which would investigate the charges against Hamrick.

The offense with which Hamrick is charged, is alleged to have been committed at Gorman on or about June 8th. The complaint was filed with J. P. Chapmans, Justice of the Peace at Gorman, who issued the warrant for Hamrick's arrest and who fixed and approved bond at \$2,500.

Lt. Col. Mitchell, 43, former American Airlines Executive, who flew the "Burrus Road of the Air", for most of the past 18 months, returned May 31st, last from India and was due to return there following the completion of his vacation, which he was on at Gorman when he received the injury from which he is alleged to have died.

Lt. Col. Mitchell is survived by his widow of Tallulah, parents, Mr. and Mrs. Irvin Mitchell, Mountain Dew, Mo., two sisters, Mrs. Charles Stultz and Mrs. Catherine Hall, both of Kansas City, and a brother, Sgt. Leo Mitchell, Honda. Funeral services were conducted Friday, June 23, at Tallulah.

Hamrick is a native of Eastland county and is married.

Four Ranger Men Assigned To State Guard Session

AUSTIN, Tex. June 28.—Commissioned officers and selected officer candidates from Ranger units of the Texas State Guard have been assigned, by order of Adjutant General Arthur B. Knickerbocker, for special training during one week in July at the Officers School at Camp Bullis, near San Antonio.

The school for Texas State Guard personnel will be conducted by Army specialists from the Eighth Service Command. Its commandant will be Col. Hobart Brown, army cavalryman and training officer at Fort S. M. Houston.

Divided into four weekly sections, the school will begin Sunday, July 2, and continue through July 29.

Among Texas Guardsmen assigned to the school are the following: Capt. David M. Phillips, Capt. Paul C. MacDonald, 1st Lt. Ernest F. Latham, 2nd Lt. Clyde Bond.

Dewey Nominated On First Ballot

CHICAGO STADIUM (UP)—Thomas E. Dewey, New York's gang-buster governor, rode into the Republican nomination for president of the United States today with a quick first ballot majority of his party's 1944 national convention.

Gov. Edward Martin of Pennsylvania today placed in nomination for vice-president the name of John Bricker of Ohio. It appeared he would be unopposed.

TOMMIES TAKE TOURVILLEN AS AMERICANS MOP UP CHERBOURG

LONDON—Allied Headquarters reported today that the British front across the Odon River below Caen is widening steadily.

British tanks and infantry in Normandy have fought their way to a plain between the Odon and Orne Rivers in their swift drive southwest of Caen. After cutting the two main traffic arteries southwest of Caen, the Tommies crossed the Odon River, captured Tourvillen six odd miles from Caen, and fought toward the open country. Caen is now about two thirds encircled.

British troops advanced today to a point near Equay, less than three miles from the Orne River. Allied troops guarding the western flank of the British drive in Normandy scored a general advance of half a mile between Tilly and the Nazi road center of St. Lo.

American labor battalions are clearing the wreckage from bomb torn Cherbourg and repairing its rail lines which run direct to Paris.

Fortresses Make Shuttle Triangle Over Continent

LONDON (UP)—Heavier blows on the German war machine were foreshadowed today in an announcement that American Flying Fortresses had landed in Italy after completing the first triangular shuttle raid of the war—an epochal flight from Britain to Russia and on to the Mediterranean by way of Berlin and the Galician oil fields.

An estimate three thousand American and British planes raked Europe with bombs and gun fire today. The coordinated blows from Britain and Italy spread ruin across targets in northern France, western Germany, Romania and Bulgaria. The targets included railway yards, two oil refineries and an airfield in Romania and Bulgaria.

Bloody Battle Rages In Saipan

The bloodiest battle of the Pacific ocean campaign raged across tiny Saipan Island today and front reports said the Japs were throwing massed tank and artillery formations into a desperate but losing fight against American forces advancing slowly into the northern half of the island.

Hen Produces Egg Bearing A Map

DALLAS, Tex. (UP)—Influenced by world events, no doubt, an ordinary Rhode Island chicken has laid an egg on which there is a clear outline of the map of

the United States. Clarice Williams of Dallas, whose mother owns the hen, says the states on the map are laid off in little blocks and are slightly raised. She said she isn't too good on geography and doesn't know if the state outlines are correct. But she does know the hen did all right by Texas.

I've learned something. It pays to buy Sinclair Opaline or Sinclair Pennsylvania Motor Oil. These oils last so long they save you money.

Sinclair Opaline and Sinclair Pennsylvania Motor Oils last longer because they're de-waxed and de-jellied by an extra refining process. You don't have to add oil so often between drains.

Thompson, and Dr. and Mrs. Kuykendall.

VICTORY CLASS HAS MONTHLY MEETING

The Victory Class of the First Baptist church were entertained with a social and business meeting Tuesday evening in the home of Mrs. W. H. Hazard.

The meeting was opened with a prayer offered by Mrs. R. V. Robinson, and each member responded to the roll call with a verse of scripture. Prospective members were discussed and the minutes of the last meeting read and approved.

In response to the question: "What Would You Like Your Sunday School Teacher To Be?" Interesting replies were written on slips of paper. It was indicated that most of the members preferred the lecture type of Bible lesson.

Members were invited to meet in the home of Mrs. E. J. Noth for the July meeting. A prayer closed the business session.

At the close of the social hour refreshments were served to the following: Mmes. Aubrey Carver, Louisa Beggs, Ross Elrod, Joe Chatham, Margaret Joe Berry, E. J. Noth, Robinson and Hazard.

RANGER REBEKAHS HAVE MEETING TUES.

The Ranger Rebekah Lodge No. 244 met in regular session Tuesday evening with 17 members present for the meeting.

A business session was conducted in which routine business was

transacted and sick reports made. The condition of Mrs. Alta Lee Bennett was reported improved and seven shut-in calls and three sick calls were reported.

Mrs. Lillie Frowa was introduced to the lodge and the degree of Rebekah was conferred upon her.

The degree will be conferred again next Tuesday night and all members are expected to be there in dress uniform. Drill team practice will be held Wednesday evening June 28 and all members are expected to attend.
