MORE BLOOD BANK DONORS

At press time this afternoon committee members in charge of the registration of donors for the Red Cross blood bank stated that the rolls were still short and it is hoped that at least another hund names can be secured before Sept. 7 which is Ranger's day for making the blood donations.

If there are those who were unable to go to the registration booth during the three days for registering, they are asked to contact some member of the committee and file their names for donations. Members of the committee are Mrs. J. E. Matthews. Mrs. W. L. Jackson, Mrs. Bob Hodges, Mrs. J. R. McLaughlin and Mrs. M. L. King. The committee represents the 1920 Club

It has been pointed out that there is a greater need than ever inclement weather, the AAF con increased demand, the Red Cross taken each day on the last visit and the corps of workers will attempt to secure 196 pints each day on this visit.

"TOURIST SEASON" REOPENS IN CANNES, FRANCE

AN INTERNATIONAL PLAYGROUND in the south of France in the pre-war days, Cannes, above, today Allied soldiers from is reopened for "tourists," only these travelers are not there for a vacation. America, Great Britain and France stormed the beaches about the famous resort, which is one of the main objectives in the fourth front landings from the Mediterranean sea.

THE FOURTH FRONT AND ITS POSSIBLE OBJECTIVES

ALLIED INVADERS smashing ahead on the fourth front in southern France pushed inland on beachhead between Marseille and Nice after effecting landings on the islands of Levant and Port Gros (A). The main thrust of the new invasion is at St. Raphael (B), and the probable advance of Allied columns is expected to lie along the Rhone river valley to the north (C), where they will join the American and British forces in Normandy. At the same time it is possible that columns from the
